MANY COLLEGE STUDENTS SPEND THANKSGIVING DAY IN FLOYDADA WITH HOMEFOLKS AND FRIENDS

Most of the young people of Floydada who have been away attending college returned home to spend the Thanksgiving holidays.

Among those who came home were: Forrest Fry, Miss Irene Kreis, Buck Jackson, and Floyd Murry all students in the West Texas Teachers' College at Canyon; Miss Maxine Fry, Waldo Houghton, Billy Joe Welch, Rex Johnson, and Miss Jean Bain, students in Texas Tech; Miss Edelle King, student in Hardin-Simmons at Abilene; Mr. and Mrs. Ewell Crawford and Floyd McClung, Baylor; Misses Vida and Zaida Battey, and Ray Chapman and Carroll McClung, students in Wayland College at Plainview; and Miss Florine Dorrell and Miss Gladys Ruth Brown, students in C. I. A. at Denton.

Other students in Texas Tech who visited here during the Thanksgiving holidays were Miss Jean Ayres, Miss Mary Ann Kimble, Miss Ruth Rutledge, Miss Genelle Stovall, and Miss Mildred Francis of Houston, who spent the holidays with her uncle, Dr. I. W. Hicks, and Mrs. Hicks.

A Number of Floydada Baptists Go to B. T. S. Convention at Lubbock

A number of Baptists from Floydada went to Lubbock last week to spend one or more days attending the state Baptist Training Students' convention, which was in session there Thursday, Friday and Saturday.

G. M. Shirey drove over Thursday, taking with him Miss Amy McRoberts, Mrs. Verna Norman, Miss Viradene Snodgrass, Miss Lola Knierim, C. W. McCarty, and Miss Opal Patton.

Friday Mrs. Lon V. Smith and daughter, Miss Emma Louise, and Rev. S. R. McClung, Miss Fanny Bolding, Mrs. Geo. A. Linder, and Mrs. John Myers and family drove over to the convention.

FUNERAL HELD WEDNESDAY FOR MRS. S. S. RAMSEY, MOTHER OF MRS. RUTLEDGE

Funeral services were held Wednesday in Grand View for Mrs. S. S. Ramsey, mother of Mrs. O. P. Rutledge of Floydada. Mrs. Ramsey died Tuesday afternoon at 1 o'clock at the home of another daughter, Mrs. R. P. Weathers of Tahoka.

Pleurisy was given as the cause of death. Mrs. Ramsey had been ill for about a week. Mrs. Rutledge left her Monday morning to be at her mother's bedside.

Mrs. Ramsey had spent a considerable portion of her time here with her daughter during the last few years and was well known and had many friends among the townspeople here. She was last here about a month ago.

Survivors, besides Mrs. Rutledge and Mrs. Weathers, include three sons, Sam Ramsey of Tahoka, Jack Ramsey of Graham, and Raymond Ramsey of Ennis.

MAXIE, MAXEY RETURN FROM INTERVIEWING CAR MAKERS ABOUT INVENTION

Orville Harris and Tony B. Maxey returned this week from Detroit where they had gone to interview representatives of leading automobile manufacturers regarding a device invented by Harris and Charles Steen for warning motorists of low tire pressure. The motorist is warned of low pressure, of a leaky valve or a puncture by a light on the dash board as soon as pressure in the tire reaches five pounds under normal.

Harris said they were courteously received and were given some encouragement. The car manufacturers are busy getting out new models, however, and Harris expects that it will be some months before any decision is rendered on the drawings and models submitted.

Presbyterian Young People Plan Social

The young people of the Cumberland Presbyterian Church have planned a social gathering Thursday night at the home of Mr. and Mrs. Pierce King.

F. B. Norman and family of Amarillo visited relatives here from Tuesday through Thanksgiving.

Winifred F. Newsome, County Attorney-Elect, Returns from Baylor

Winifred F. Newsome, county attorney-elect, returned last week from Baylor University at Waco where he has completed studies leading to his A. B. Degree.

Mr. Newsome will assume his duties as county attorney on January 1.

LOCAL FIREMEN PLAN GRID GAME NEXT WEEK WITH RALLS TO AID WITH SWEATER FUND

The Floydada Firemen's football team will play a volunteer team from Ralls here on Friday afternoon of next week to raise funds for sweaters for the high school football squad, Alva Kedd said Wednesday afternoon.

Coach Terrell had tried last week to match a post season game for the benefit of the sweater fund but had failed to do so. The Fire Boys are coming to the rescue.

FUNERAL HELD WEDNESDAY AFTERNOON AT LAKEVIEW FOR MRS. J. J. FOSTER

Funeral services were held Wednesday afternoon at the Lakeview school house for Mrs. J. J. Foster of Floydada, who died Tuesday afternoon at 2 o'clock at the home of her daughter, Mrs. J. H. Poore of five miles southeast of Lakeview. Burial was in the Lakeview cemetery.

Mrs. Foster was born in Alabama on May 6, 1856, but came to Texas many years ago and had been a resident of Floyd County for a number of years. She is survived by her husband and three daughters, Mrs. Poore, Mrs. C. E. Bartlett, also of Lakeview, and Mrs. Alby Barnett of Crosby county. A number of grandchildren also survive her.

Rev. Waldon, Methodist circuit rider, conducted the funeral services, assisted by Rev. G. W. Tubbs, Baptist minister. Arrangements were in charge of F. C. Harmon, funeral director.

U. S. TO BUY ANOTHER 1000 HEAD OF DROUGHT CATTLE IN FLOYD COUNTY

Government authorities will purchase an additional 1000 head of drought cattle in Floyd county as a part of its two and three-quarter million dollar program involving purchase of 225,000 head of drought cattle in Texas, it became known here Saturday.

A telegram from George E. Barnes, College Station, assistant chief of cattle purchases, announced the allotment for Floyd county.

Letters were mailed out from here Saturday to all local committees and purchases are expected to start within a few days, possibly late this week or early next week.

No announcement was made with reference to quotas of cattle to be purchased in surrounding counties, except Hale county, where 1500 head are to be purchased.

RUTLEDGE & COMPANY'S STORE LOOTED TUESDAY NIGHT; \$17.70 TAKEN

A thief or thieves robbed Rutledge & Company's cash drawer of \$17.70 Tuesday night, obtaining entrance to the building by removing a pane of glass from one of the back doors and working the lock from the inside.

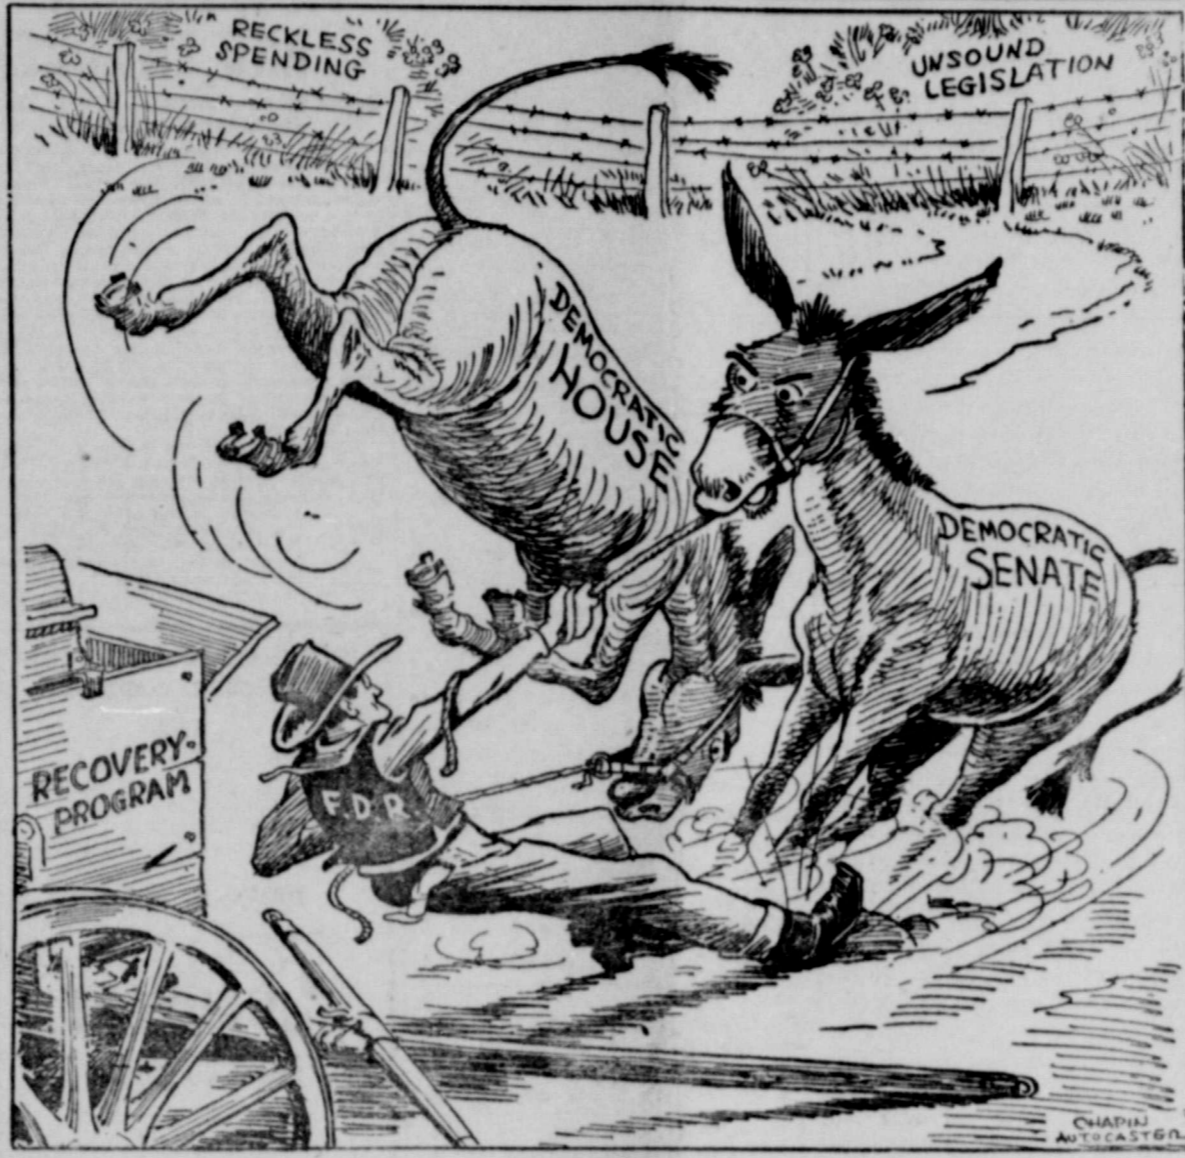

The thief as only one was believed to be implicated, apparently did not attempt to loot the safe. He used a pocket knife to cut and pry the quarter rounds that hold the glass in the door, then reached through and unfastened the door, which was thumb-latched on the inside.

The thief apparently wore tennis shoes of about No. 8 size. Besides the tracks he made near the door, he had walked around some at the rear of the building and probably was disturbed while trying to enter the building, as it appeared that he had hid at one time behind one of the tractors back of the building.

Officers planned to examine the glass and the door for finger prints.

L. V. Assiter, student in Southern Methodist University, spent the Thanksgiving holidays here with his parents, Mr. and Mrs. G. T. Assiter.

D. W. Fyffe's Truck Burns Sunday Morning On Plainview Highway

Fire destroyed a 1 1/2 ton International truck belonging to D. W. Fyffe Sunday morning on the Plainview road six miles west of Lockney.

Fyffe, who was driving, said the engine had become over heated on account of a frozen radiator and while he was driving along with the motor in this condition he came to a post of timber lying across the road. He cut through the bar ditch to get around the post and his wheel dropped into the ditch where some dead weeds were standing.

He decided he would stop the car while he went to a well a short distance back to get some water for the radiator. While he was away he looked back and saw a blaze. He ran back but before he got there the fire had gained considerable headway and the blaze was already curling around two 30-gallon metal barrels which he had fastened onto the side of the truck to serve as auxiliary gasoline tanks. These were already heated to the point where gasoline was spewing out around the connections. Seeing this, he moved back to get out of danger and let the flames rage on.

Fyffe's theory was that the dead weeds had caught fire from the exhaust and that the blaze had then ignited a leaky connection on one of the tanks.

Fyffe had bought the truck early in the summer and had run it about 15,000 miles. A part of the loss was covered by insurance.

Fyffe has been engaged in the trucking business for sometime and has been operating two machines.

FLOYDADA CAGE TEAM WILL PLAY FLOMONT TUESDAY

The Floydada basketball team will open the season next Tuesday night with a game here against Flomont. Coach Terrell indicated the game would be more or less of a workout affair to give the boys a taste of the game and show up some of the rough points of the players so these can be smoothed out before they get into the game in earnest.

Coach said he expects about 30 boys to be out for basketball this season but that only about half that number has reported so far. He attributed this to the fact that many of the football boys are relaxing a few days before taking up cage practice.

Mrs. Dee Thomas, Mrs. R. A. Briscoe, and Mrs. Leonard Welland spent from Wednesday until Saturday with Mrs. A. J. Ryals and family, Viola Rosemary, and Junior. Mrs. Thomas and Mrs. Welland are from Borger and Mrs. Briscoe from Sudan. They returned to Sudan Saturday.

Lloyd Horn Slightly Hurt When Brother's Truck Goes Into Ditch

The cab of Ray Horn's ton and a half Chevrolet truck was wrecked and the frame sprung when the truck went into a ditch four miles north of town Thursday morning and turned over twice.

Lloyd Horn, who was driving the loaded gasoline truck, suffered a minor leg injury. Horn said he was trying to start the windshield wiper, which had stopped, as it was still snowing some, and as he did so he came to the Della Plains corner before he realized it. The road was somewhat slippery and as he swung around the corner he said the rear end of the truck slid into the ditch and the truck turned the two somersaults before coming to a standstill.

Albert Littlefield Goes To Shamrock

Albert F. Littlefield, who has been employed by the Snodgrass Chevrolet Motor Company as salesman for the last three months, left Tuesday for Shamrock, where he will be employed as salesman for the Oldham Motor Company, Ford dealers.

FIVE NEW MEMBERS ARE REPORTED IN LEGION DRIVE; ENDS DEC. 17

Five new Legion members were reported Monday night at the regular Legion meeting. This report put John Maxwell's No. 2 team ahead of E. C. Thomas' team in the Legion membership drive now being staged.

This brings the membership reported so far up to 46, about eight short of the total membership last year, it was stated.

The membership drive of the local McDermitt post No. 118 will close on Saturday night, December 17. The losing side will give a feed for the winning team.

WAGE SCALE ANNOUNCED FOR RELIEF WORKERS EFFECTIVE NEXT FRIDAY

A new wage scale for relief workers, to become effective Friday morning, December 7, was announced Wednesday by Clifford Rhoades, county relief administrator, following receipt from Austin of the new scale set up by the state committee operating under the direction of the state board of control.

The new scale is as follows: Unskilled labor 15 cents per hour; semi-skilled labor 25 cents; skilled, 35 cents per hour.

Boy Scouts, Campfire Girls Stage Party At M. E. Church Thursday

A Rotary Club-sponsored Thanksgiving sandwich party which was given Thursday by the Boy Scouts and the Campfire Girls for the benefit of the undernourished children of the city was turned into a party for the Scouts and Girls when the guests of honor failed to arrive, presumably on account of the inclement weather.

On account of the cold weather the party, which was to have been held in the City Park, was adjourned to the basement of the Methodist church. Walter A. Gound, scoutmaster, chaperoned the affair.

Two Inch Snow Thursday And North Wind Lowers Mercury to 25 Friday

Floydada and most of Floyd county awoke last Thursday morning to find its first snow blanket of the season, a fall of from one to three inches, which had been brought in early that morning on the wings of a stiff norther.

The north wind sent the mercury tumbling to 26 on Thursday morning. Most of the snow melted during the day Thursday, making the streets sloppy and the roads a bit slippery.

But clouds obscured the sun throughout Thursday and that, combined with the stiff north wind which continued Thursday night, brought the mercury down to 25 degrees Friday morning, the lowest thermometer reading of the season, it was reported at the office of the West Texas Gas Company. The skies were clear Friday but the north wind had continued and pools were frozen over with half an inch of ice.

PURITY BAKERY IS OPENED AGAIN THURSDAY MORNING

The Purity Bakery, of which Lee Wilkinson is proprietor, re-opened this week in the former location on the south side of the square.

The bakery, which was damaged by fire last September 21, has been remodeled and redecorated and fixed up in an attractive way. The bakery's advertisement appears elsewhere in this issue of The Plainsman.

MRS. ED BOND'S PUPILS TO BE IN RECITAL DEC. 10

Mrs. Ed Bond will present her pupils in a recital next Monday evening at 7:30 in the high school auditorium. A program of various readings and musical novelty numbers will be given. Everyone is cordially invited to attend, the announcement stated.

\$9,500 IN WHEAT CHECKS RECEIVED AT OFFICE HERE

About 150 wheat checks totaling approximately \$9,500 were received here Monday and Tuesday for farmers of Floyd County. A. H. Kreis, secretary of the county production control association, said Wednesday.

Kreis said he was expecting additional checks to arrive Wednesday but they had not been received by mid-afternoon.

Miss Evelyn Beck spent last week in Plainview visiting with her aunt, Miss Addie Barker.

Dallas, Texas, December 4.—The Magnolia Institute, Automotive Engineering and Merchandising School of the Magnolia Petroleum Company, was organized for the purpose of training Magnolia "Key men" to give better and more helpful service to the public who buy Magnolia products. Those "key men" are a picked group selected from the states of Texas, Oklahoma, Arkansas, Tennessee, Louisiana, and New Mexico. These states comprise the Magnolia territory.

Fred M. Ledge, Jr., Vice President in charge of sales promotion in talking about the school said:

"The theory of this school is that business these days is the business of keeping up with new methods, of becoming familiar with new products, or learning new uses of old products, of acquiring new information on how to serve the public better and more satisfactorily. In studying these things, men gain a broader perspective of their job and therefore greater happiness in doing their work."

"We believe that as long as a man comes into contact with the public, he influences the sale of the product of the company. In that sense he is a salesman, no matter what his actual work may be. If he is to serve more satisfactorily, he must continually add to his knowledge of the product he sells and the manner in which it serves the public."

The Magnolia Institute, Mr. Ledge added, gives Magnolia employees this added knowledge of their work, gives them the widened perspective of its importance to the people buying our products.

The school term consists of four classes, one class at a time for four weeks. The courses are conducted by Magnolia officials, engineers, advertising and merchandising men. These men are qualified by aptitude, training and experience to make the subjects illuminating and interesting.

The method of instruction is unusual in one respect. Although there are text books prepared especially for these classes, the study methods go farther than that. There are boards on which are arranged in actual parts of an automobile. There is a cut-down chassis, showing the different parts, their relation to one another and their operation. Then there are moving pictures showing actual operation of the engine, cooling system, carburetor, fuel system, ignition system, transmission and differential.

"By these means," Mr. Ledge explained, "students learn through the three senses, sight, hearing and touch. It has been found that this method is far more effective than textbook study and lectures by themselves."

The "key men" district managers, assist managers, junior executives, group station managers and salesmen, who attend the Institute return to their respective headquarters and carry on this instruction among the men under them. Thus these "key men" become instructors, helping to pass on the work of the Institute to station salesmen, agents and dealers. A continuous educational program going on all the time in all branches of the petroleum business.

Mr. and Mrs. J. L. West had as their guests during the Thanksgiving holidays their children, Mr. and Mrs. Paul Murff of Center, Texas, and Mr. and Mrs. John Key West and daughter, Anna Madge, of near Floydada.

School Bell Rings Again for Auto Service Men

Grown men who once thought they were "educated" are willing pupils at Magnolia Institute, Dallas. In the picture Dean J. R. Lanier is explaining the workings of a piston so that the class of Magnolia men will be able to do a better lubrication job.

Mr. and Mrs. Pierce King had as their Thanksgiving Day guests his parents, Mr. and Mrs. E. C. King and his sister, Mrs. John Hill, and Mr. Hill and their son, all of Floydada, and Dugan King and Miss Celeste Cockrum of Sudan, and Mrs. Pierce King's brother and children.

FLOYDADA WINS 26 TO 0 OVER WELLINGTON FOR THIRD CONFERENCE PLACE

With a backfield that functioned like clockwork behind a line that did what a good line is supposed to do, Coach R. P. Terrell's Whirlwinds had the Thanksgiving Day game with Wellington in the bag from the start.

Only once did the visitors threaten the Whirlwind goal in the game to close the season and determine third place conference honors and, even when assisted by a 15 yard penalty, their chance to score was lost when Floydada made two long line drives and an unusual play by Lider to get the ball out of the danger zone.

On this play Lider recovered his own punt, after a Wellington man had blocked, and plunged 6 yards further to get the needed yardage for another first down.

Only for a brief time in the third quarter did the Wellington boys put the Floydada team definitely on the defensive, when they drove deep into Floydada territory by means of a combined driving and passing attack. Again, in the fourth, they resorted to the air on several occasions, but too many of their passes fell into the hands of Floydada players.

The snow Thursday morning, followed by a biting north wind and clouds that obscured the sun throughout the day kept many of the football fans away and resulted in a comparatively small crowd seeing the game. Few except the football team came from Wellington, not even the Wellington pep squad attending.

Floydada won the toss and chose to defend the north goal where the wind was at their backs. Wellington received the kick and returned it to their 30 yard line. On the second play they kicked and the Whirlwinds returned it to the 50 yard line.

The Whirlwinds then took the ball and, with Matthews and Lider alternating in logging the ball on trick plays and line plunges behind perfect interference, the locals marched down the field to the goal line, averaging 5 yards at a clip. Lider carried the ball across. Lightfoot failed to get across for the extra point.

Floydada kicked and Wellington received the ball on their 20, returning it 6 yards. There they fumbled and were thrown for a loss. Failing to gain, they kicked to Floydada's 40 from which Matthews and Lider returned it to the 50, Lider losing it.

Again failing to make first down, Wellington kicked to Floydada's 10 yard line. By means of a lateral pass, Matthews to Lider, Floydada gained 18 yards, and by means of trick plays and end runs with Rutledge assisting the Matthews-Lider team, Floydada returned the ball to the 50 yard line as the quarter ended. Score: Floydada 6; Wellington 0.

A pass, Matthews to Lightfoot, was good for 6 yards. After Lider and Rutledge failed to gain, Matthews' pass was intercepted and returned to Floydada's 45. On the next play, Lider intercepted Wellington's pass and ran 55 yards for a touchdown. Lightfoot ran the ball across for the extra point, making the score 13 to 0.

Lider's kick was received by Wellington on their 25 and returned to the 38. By means of a pass and line drives they advanced to Floydada's 35 where Lightfoot intercepted. After a few short gains, Lider punted and Crawford stopped Wellington's player on the latter's 15 yard strip. Both teams then resorted to punting tactics after momentary failures at line drives. The half ended with Wellington in possession of the ball on Floydada's 40 yard line. Score: Floydada 13; Wellington 0.

At the first of the third quarter the Matthews-Lider team again got into action after Matthews had received Wellington's kick on Floydada's 20. Floydada marched down the field by means of the trick play, interspersed with plunges and end runs, to the Wellington 17 yard stripe. A lateral pass, Matthews to Lider, netted three more yards. But here the Wellington line stiffened and they took the ball on downs. Wellington rallied, making a combined driving and passing attack to return it to their own 40 yard line, where Lider recovered the ball on an attempted pass.

After Floydada had been penalized 15 yards, the first penalty of the game, Lider kicked, the punt going out of bounds on the Wellington 30. Wellington then took the oval and made their most determined drive of the game, advancing by means of hard line drives, interspersed with good on passes, to Floydada's 30 yard line where they lost the ball on downs. But Floydada was penalized 15 yards on the first play. Gollightly was hurt and taken from the game. Two plunges by Lider advanced the

ball back to the 38, from which point Lider kicked, on the fourth play, still lacking 2 yards for another first down.

Here occurred one of the things seldom seen in football. As Lider kicked a Wellington player blocked. Lider grabbed the ball on the rebound and ran 6 yards to make the needed first down.

Floydada then advanced the ball to the Wellington 45 yard line as the third quarter ended. Score: Floydada 13; Wellington 0.

Matthews made 4 yards on a play to the left. Then Lider took the ball, and with splendid interference, raced 41 yards to cross the goal line. Matthews' kick for extra point was blocked, making the score 19 to 0.

Floydada's kick was returned to the Wellington 35 where the player was stopped by Smith and Mooney.

After Wellington failed to gain on Passes, Rutledge caught their punt and returned it to Floydada's 38 yard line. Failing to gain, Floydada punted, Hollingsworth stopped the Wellington player on the latter's 30 yard line. Wellington fumbled and Lider recovered on the Wellington 35.

Lider twisted through for 10. After two plays with Matthews logging, and another with Lider toting the pigskin, the leather was on the 2 yard line. Here Wellington's stand held against two hard plays. On the third Hollingsworth was barred from the game and Floydada penalized 15 yards for roughness. Then Lightfoot took the ball on a short pass and crossed the goal line. Allen kicked the extra point to make the final score of the day, 26 for Floydada and a goose egg for Wellington.

Wellington then received the kick advanced it to midfield where they lost it an attempted pass, Lider intercepting. Lider kicked over the goal line and the ball was returned to the Wellington 20. Wellington again attempted the aerial route. Lider again intercepted their second pass on the Wellington 40. The game ended with the ball on the Wellington 40 yard line. Score: Floydada 26; Wellington 0.

The game Thursday gave Floydada third place conference honors and the trophy that goes with it, but the dope dished up by Thursday's game and those preceding made the Whirlwind team look even better in some respects. Because Floydada defeated Wellington by four touchdowns, two more than they were defeated by Memphis, the team which won first place conference honors Thursday by defeating Matador. However, Memphis defeated Matador by a decisive score, but Whirlwind fans will tell you the Whirlwinds would have done it to had they been playing at their normal stride when they met Matador.

Mr. and Mrs. Roy Owen and daughter and Mr. and Mrs. L. B. Williams of Lakeview visited Thursday in Clarendon and then went on to Amarillo to attend the Amarillo-Pampa football game. Electric Refrigeration FOR ALL SEASONS!

Every day is "bargain day" with electric refrigeration. Specialists in health, whether they be physicians, druggists, dietitians, or teachers of home economics agree unanimously that the keeping of the food compartment uniformly cold is, perhaps, the outstanding advantage in electric refrigeration. Enterprising grocers and market-men have full confidence in the proper conservation of wholesome food values that they sell when stored in a good electric refrigerator. Any housewife proudly adds to her reputation as a "smart manager" through the aid of daily savings from waste in obsolete refrigeration. She recognizes, too, that savings in fall and winter are as important as in spring and summer.

The design fits admirably in the kitchens of today while the excellent mechanism frees one from any thought of unsatisfactory operation. It is the responsibility of this company to see that a dependable electric service assures you the maximum efficiency from your refrigerator. You'll be agreeably pleased with the low operating cost required to keep foods in a state of healthful conservation—a matter of no small consideration.

At this season a splendid opportunity presents itself to "make Xmas last a lifetime". There's a model to meet your requirements that may be obtained from your dealer on a convenient purchase plan.

C. E. Ayres, Plainview,
Son of Pioneer Lockney
Family, Passes Away

Funeral services for C. E. Ayres,
36, son of Mr. and Mrs. E. L. Ayres,
of Lockney, were held Saturday
afternoon at Lockney, with Elder
George F. Mickey, pastor of the Ida-
lou Church of Christ, in charge of
the services. Burial was in the Sil-
verton cemetery.

Ayres died Saturday morning at
the parents' home in Lockney where
he had gone to spend Thanksgiving.
He became ill Friday and death oc-
curred at 2:10 a. m. Saturday. A
heart attack was given as the cause
of death.

Mr. Ayres, who had been engaged
with his brothers in the dry goods
business at Plainview and elsewhere,
was born in Silverton February 27,
1898, and moved to Lockney with his
parents in 1900.

He is survived by the parents, five
brothers, Madison, Waller, Lee, Rob-
ert, and Frederick, and by one sis-
ter, Delilah.

Miss Selma Linder Gives

After the show the group returned
to the Linder home and spent the
rest of the evening making candy and
popcorn.

MUNCY SCHOOL NEWS

The regular chapel exercises were
held in the school Monday morning.
The primary room rendered a short
program. The only visitors at the
program were Mrs. W. E. Grimes and
little Billie Bert Grimes.

Mr. and Mrs. Ray Myers have
moved to the South Plains com-
munity.

The Muncy school observed
Thanksgiving with a holiday, but did
not turn out school Friday.

Visitors in the school Friday af-
ternoon were: Hollis Harris, Grover
Huskey, Vieta Dunlap, Sadie Bal-
ley, Marvin Bortherton (of Lockney)
and Edna Griffin of Floydada.

Rev. R. E. L. Muncy and Mr. A.
B. Muncy attended the B. T. S. meet-
ing at Lubbock last Thursday and
Friday.

Mrs. C. L. Gray of Crowell who
was called back to be with her daugh-
ter, Mrs. W. E. Grimes, on account
of the illness of little Billie Bert
Grimes, returned to her home Wed-
nesday night of last week.

The pupils of the school who made
the honor roll for the third month
were as follows:

First Grade; Donald Myers, Eddie
Ruth Muncy.

Third Grade; Carl Muse, Gleen
Collins.

Fourth Grade; Jackie Myers,
Elouise Smalley.

Fifth Grade; Gladys Muse, Alene
Leckie, Archie Muncy.

Sixth Grade; Elnora Smalley, No-
lan Huskey, Jaqueta McGuffy.

Seventh Grade; Marylyn Leckie,
Merle Myers.

Eighth Grade; Edith Grimes, Audie
Noland.

Ninth Grade; J. C. Leckie, Bob-
bie Muncy, Annie Bailey.

Eddie Ruth Muncy has been out of
school for the past several days on
account of illness.

CARD OF THANKS

We appreciate so much the tele-
grams, flowers, and the many cards
of sympathy through our past be-
reavement.

May God's blessings rest upon each
of you.

FEEL TIRED, ACHY-
"ALL WORN OUT?"

Get Rid of Poisons That
Make You Ill

Is a constant backache keeping
you miserable? Do you suffer
burning, scanty or too frequent
urination; attacks of dizziness,
rheumatic pains, swollen feet and
ankles? Do you feel tired, nervous
—all unstrung?

Then give some thought to your
kidneys. Be sure they function
properly, for functional kidney dis-
order permits poisons to stay in
the blood and upset the whole sys-
tem.

Use Doan's Pills. Doan's are for

Several From Floydada
Attended M. E. District
Meetings At Plainview

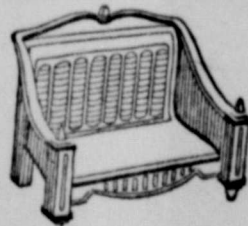

Rev. I. A. Smith, Jim Willson, and
H. G. McChesney, accompanied by
Mrs. Smith and Mrs. Willson, went
to Plainview Tuesday where the men
attended a district meeting of the
Methodist preachers, district stew-
ards, and charge lay leaders of the
Plainview district.

The women attended a district
meeting of the Women's Missionary
Society which assembled at Plain-
view for their annual Harvest Day
program. Mrs. George Smith also
was expected to attend the latter
meeting.

The two groups met in a joint
luncheon program at noon.

Modern Successor
To The
Blazing Log!

Since man first discovered how
to make fire, the blazing log has
been a symbol of warmth and
good cheer. In the circle of its
glowing flame, mankind has
found protection and comfort.

Today its modern counterpart—
the Gas Radiant Heater—is pro-
viding warmth, comfort, and
good cheer in thousands of
homes. At mid-day or mid-
night it's always ready to warm
hands and hearts. Just the
touch of a match and it's "on"
—just the turn of a valve and
it's "off."

They're beautifully styled for
every mantel or fireplace—and
priced for every purse.
