FRIDAY

Teams Begin District Play vs Dimmitt Here

Friona High School's varsity basketball teams are slated to open their District 3-AA schedules on Friday in the local gym, facing the Dimmitt Bobcats and Bobbies.

our team has been improving as the season progresses, and we will be shooting for a win," says Coach Ray DeBord.

SQUAWS 16-4

The Squaws, meanwhile, sporting a 16-4 mark and considered favorites to win the district title, will be out to get district play started on the right foot.

TOUGH JOB

Dimmitt's losses include one to Morton in the finals of Lubbock's Caprock tournament. The Indians are the top-rated team in the Panhandle, sporting an unbeaten record.

The Friona girls, sporting a balanced offense and a tenacious defense, are currently sporting a six-game winning streak, last losing in the Vega tournament.

Both of the teams' games scheduled against Adrian here Tuesday night were cancelled due to the bad weather.

However, Friday's games will be played if at all possible, since they are district games.

Wintertime in Friona, Chapter XII

Bank Deposits Top \$17 Million Here

One of the best barometers of economic stability—bank deposits—indicated this week that the Friona area is doing quite well, thank you.

The year-end report issued by Friona State Bank showed that deposits at the bank as of December 31, 1972 stood at the impressive total of \$17,203,829.46.

The figure was easily a new record for the year-end statement, topping the former record established a year earlier by \$3,711,914.94, or a healthy 27.5 per cent increase over the previous record.

Adding frost to the cake, Friona State Bank recorded a personal all-time record just four days following the quarterly statement, when deposits climbed to the eye-popping total of \$19,288,515.75.

Friona residents had several things working for them during the past year to account for the excellent economic report.

One was the good price for cattle, in an area where cattle feeding is a major business. Another was the near-record price received by farmers for two of their major crops—corn and maize.

Corn brought up to \$3.00 per hundred for many farmers, with maize selling for as much as \$2.80 for those who played the market right.

Other aspects of the quarterly statement by Friona State Bank showed that total assets amounted to \$18,457,521.79. This was an increase of \$3,479,954.75 over the figure a year earlier, which was \$14,977,567.04.

Loans also showed a healthy gain, from \$8,770,508.93 on December 31, 1971, to \$11,606,541.53 on the current statement.

Another area that showed a nice gain was in the time deposit category (included in the above figure), which rose from \$4,084,762.28 a year ago to \$4,562,917.48 currently.

Friona residents had several things working for them during the past year to account for the excellent economic report.

EARLIER THIS season, an Amarillo weatherman referred to the old adage concerning the "date that the first snow falls tells you how many snows you will have this winter."

The newsman admitted that it probably was just an "old wives tale." Many of us hoped it would be, since the first snowfall in the Friona area happened on Halloween—October 31.

This would mean a total of 31 snows for the Friona area during 1972-73, if the old theory held up.

Well, it may turn out to be more than an old wives tale. As of Tuesday of this week, the city had recorded a total of 17 snows which brought either measurable moisture or a trace of moisture.

Thus, we have reached over half of our "quota," and the oldtimers will assure you that we're not at all halfway through our winter.

.....

WHILE GOING through our back files this past week to prepare our "Flashbacks" column, we ran across the following which was printed in the January 20, 1928 issue of the Star-It was entitled "A Prayer," and was anonymous.

"Let me be a little kinder, Let me be a little blinder

To the faults of those about me, Let me praise a little more.

Let me be when I am weary, just a little bit more cheery,

Let me serve a little better, Those that I am striving for.

Let me be a little braver when temptation bids we waver,

Let me strive a little harder to be all that I should be.

Let me be a little meeker with the brother that is weaker,

Let me think more of my neighbor and a little less of me."

In case you don't recognize the poem, Glen Campbell set it to music a couple of years back, and undoubtedly sold a million copies. Just goes to show you that "something old, something new" sometimes works out all right.

.....

BY NOW most folks have received a paycheck in 1973, so it will come as no surprise that Uncle Sam took a bigger bite from your check in the form of social security withholdings.

The rate of withholding for social security increased as of January 1 to 5.85 per cent, whereas it had been 5.2 per cent previously. If you are an employer, you now have to send in more than 11 per cent of the total you pay your employees.

Social Security undoubtedly is nice, and we suppose you have to have it. A newspaper friend of ours said this week that taking a stand against social security would be like coming out against motherhood or high school football.

However, the constantly increasing social security taxes are hurting the wage-earner considerably, and they are hurting the small employer even more.

.....

THE MAXIMUM amount of annual pay upon which social security taxes are levied also is being increased. It seems like it was only a few years ago that this maximum was \$3600.00. We could get past that amount, and the last part of the year we got a small raise in pay.

Then this maximum was raised to \$5,400, this past year it was \$9,000, and for 1973 in order to draw any paychecks free of social security taxes, you'll have to make at least \$10,800.

The trend appears to be ever upward. "Nation's Business," magazine predicts that the base will someday reach \$20,000. The increases are predicted to amount to 2.75 per year. They are being built in to cover future hikes in the cost of living.

.....

THE ONLY bright thing we can see about all this is the prospects someday of receiving at least a part of it back. The magazine says that if you're 35 now and have a long enough working life, you could retire in the year 2002 on \$1,111 per month.

And, when your wife reaches (Continued on Page 2)

Area Continues In Winter's Firm Grip

The Friona area has continued to be held in winter's grip during the past week, with the temperature being below the freezing point most of the time.

Only two readings during the past week found the mercury above the freezing mark. They were for last Wednesday afternoon and Friday afternoon.

The mercury fell to a low of seven degrees here Wednesday morning.

Postal Sales Show Gain

Postal receipts in Friona for the calendar year of 1972 amounted to \$86,204.54, according to figures released this week by Postmaster Wright Williams.

The total exceeded that of the previous calendar year by more than \$7,000.00. The total for 1971 was \$78,911.10.

The figures for the last six months of 1972 came to \$49,660.35, which compared to \$46,317.74 for the final six months of 1971.

The increased postal receipts were instrumental in the official designation of the Friona office as a first class office about a year ago.

With snow already on the ground, a new three-inch snowfall fell late Saturday and early Sunday, measuring three inches and adding .31 inch of moisture to the city's total for January.

A trace of snow fell on Monday, adding .03 inch of precipitation, and another inch was registered Wednesday morning, adding another .03 inch.

The past week made the total moisture received for the month of January stand at .69 inch, represented by a total of ten inches of snow.

BY OLDTIMERS

Winters Of 1918, '23 Recalled As "Boogers"

BY BILL ELLIS
Editor-Publisher

Yes, the Friona area is experiencing a colder than average winter this year, with much more snow than usual. But oldtimers say it's still far from being the worst winter weather the area has ever had.

Those who were living here at the time point back to the winter of 1918-19 as probably the worst single winter in the area's history.

And they can name three or four separate blizzards that can make the weather we've had here the last couple of weeks seem spring-like in comparison.

Clyde Goodwine says he recalls that the first big snowfall of the 1918-19 season came about a week prior to Thanksgiving, and then on Thanksgiving Day it came another one.

"After that, it was just one snow after another. I believe it was up in April before we ever had a day that we were without any snow on the ground," he says.

Another source recalls that there were 54 consecutive days that winter that you could not see the ground for the covering of snow.

Goodwine says that he recalls a couple of extreme blizzards, back around 1912 or 1913, when the wind was so high and the temperature so cold, no one dared go out in the elements.

YOUTHS DIE

Another time, around 1923, two young brothers (named Cantrell) froze to death due to a blizzard which hit the area. The Cantrell family lived just southeast of Friona.

The winter of 1918-19 sort of hated to ever lose its grip. "Why, it was around May 1 that year that we had a late blizzard, and cattle died by the hundreds," Goodwine recalls.

He added that one year, he was planting feed on July 4, due to other weather-caused delays, and it came up a cold spell the like of which he never had seen. The ladies club had planned an ice cream supper in the park for that evening, and it was called off.

[Editor's note: remember our July 4th program was moved indoors due to the cold wet weather last July?]

"I've always thought that history repeats itself, to a certain extent—maybe not exactly, but somewhat," Goodwine says, in explaining the possibility that the weather also goes in cycles.

He says he has thought for the last several years that our climate was getting warmer here. "In the old days, there was always at least one period of a week or so when the temperature would drop down to zero or below every night. We seldom ever have weather that cold these days—it hasn't even

been that cold during this spell," Goodwine points out.

One particular incident of the winter of 1918-19 stands out in Goodwine's memory.

CATTLE KILLED

"We were having a Christmas program at the church, and before time to go, it came a blizzard-like snow out of the north. We hitched up a team of horses to a wagon, and had to walk in front of the horses and lead them toward the church," he recalls.

"About the time we got into the 'flat' in Frio Draw, we saw the headlight of a train surrounding the curve coming from the west. Its light beamed on a herd of cattle on the track near the depot. The train plowed into the herd, killing 17 or 18 cattle. We were late getting to the program," Goodwine states.

"Probably the worst winter a person can recall is the one that personally affected him the most," Goodwine theorizes.

J.T. Guinn, who lived on a ranch 16 miles northwest of town for 48 years, just across the county line in Deaf Smith County, says he was not in this area for the 1918-19 winter, but he recalls a pretty bad winter storm in 1923—exactly 50 years ago.

This was another of the late blizzards, blowing in around March 20 that year.

"It snowed and blowed for two days and two nights. We had no roads in those days,

and some folks were stranded for up to three weeks," Guinn recalls.

LOW ON FUEL

Guinn says that the worst shortage during the '23 blizzard was coal for heating fuel. He said he burned about 30 sacks of cottonseed cake, and all of the fence posts on the place in an effort to keep warm. "We even burned some cow chips," Guinn adds.

One of Guinn's neighbors devised a sled constructed of tree limbs, and made it into Friona, for fuel and provisions. They dropped off a 100-pound sack of coal for his family to use, he recalls.

Although they lived several miles from town, there never was a food problem, since the women always canned for the winter season, and there usually was fresh meat.

Guinn points out a major difference concerning today's weather. "Today we have good roads, and you can get them cleared off and be back in business in a few hours. This was not the case back prior to 1930, when there were very few roads," he says.

He says that when he came to Friona in the early days, you just angled out across the country, "as the crow flies." Guinn built the bridges north of Friona on Tierra Blanca Creek, and later, as a Deaf Smith County Commissioner, was instrumental in the paving of roads northwest of Friona.

Telephone Rate Hike Nixed By City Dads

The Friona city council, by unanimous vote, turned down a request from General Telephone Co. for an increase in business telephone rates, at its regular monthly meeting Monday night.

The telephone company had asked for increases in Friona's business phone rate of from the present \$9.00 per month to \$12.00. Also included in the request was an increase in the rates for all extension telephones, from \$1.25 per telephone per month to \$1.50.

The rate increase request was made by General Telephone Company at the meeting of the council December 4, but no action was taken at that time.

In other business, the council awarded the bid for a new police patrol car to Friona Motors, on the low bid of \$2,450.00.

Carroll Gatlin, chairman of the showbarn committee of the Friona Chamber of Commerce, reported on his communications with the KIS development company for land on which to build the proposed showbarn-community center.

The council went on record as favoring the latest location recommendation, and agreed to accept title and maintain the building if built on the KIS property.

The council approved extending the flat water rate privilege to retired firemen and their surviving spouses.

The council approved the appointment of the Board of City Development as recommended. The original board is to be composed of Robert Neelley, H.K. Kendrick, Raymond Cook, Dale Cary and Doyle Elliott.

The BCD is to be funded in the future by one per cent of the general fund budget of the city.

Miscellaneous items discussed included possible things the city's revenue sharing funds may be spent, the status of the Highway 214 overpass project, and the status of the development of the city's new water well.

Chamber Board Nixes Part-Time Manager

The Friona Chamber of Commerce board of directors discussed the possibility of hiring a part-time manager at its regular monthly meeting Tuesday morning, but after much discussion, voted to leave things on a "status quo" basis.

Nelson Lewis had made application to the board to become a part-time manager for the Chamber, and some of the directors expressed interest in favorably considering the matter. However, after much discussion, it was decided to continue to operate without a manager.

Named to a nominating committee to select the chamber officers for 1973 were Ralph Shirley, Glenn E. Reeve,

Jr., H.K. Kendrick, Ron Davenport and Ray Murphree. A motion was passed (Continued on Page 4)

Chili Feed Here Friday

The Chieftain Parents are sponsoring a chili supper Friday, prior to the Friona-Dimmitt basketball games.

Serving will begin at 5 p.m. at the Friona High School Cafeteria. The menu will consist of chili, stew, pie, coffee and tea. Admission will be \$1.25 for adults and 75 cents for children under 12.

BRISCOE AWARD...Governor-elect Dolph Briscoe was presented a silver plate depicting the 150th anniversary of the Texas Rangers at a dinner last Wednesday evening in Amarillo. Making the presentation was Texas Ranger Kelly Rogers, right.

It used to be about a day's drive to either Friona or Bovina from the Guinn place, and it was used as an "outpost" by many who drove cattle from north of there into Friona or Bovina for shipping, or who got the cattle in town and headed them out to the range.

"We had plenty of corrals. They would pen their cattle up and spend the night at our place. Lots of times on Friday nights we would have as many as eight or ten men stay on our place," Guinn says.

Although he has no personal recollections of the winter of 1918-19, Guinn says his father, the late George H. Guinn, operated a ranch in this area that year, and there were a world of cattle lost during the winter.

"One outfit had 700 steers, and only 200 were left when spring came around. That winter broke a lot of cattlemen across this area," says Guinn, who recalls hearing about cattle laying practically solid between Friona and Hereford along the railroad right-of-way.

Guinn says there have been some memorable winters in the more than 50 years he's lived in this area. "But I'm not sure I ever saw anything like the last couple of months here, with the temperature staying cold, and the snows coming one after another," Guinn says.

Who knows? Maybe some day we'll be referring to this as the "Winter of '73."

Sincerely Yours

By Rev. Albert Lindley

I'M TRYING TO LOCATE a place that will make me some bumper stickers with this slogan—"THINK SNOW-SKI THE SLOPES AND VISIT THE WINTER WONDERLAND OF BEAUTIFUL FRIONA". Of course it would take a pretty good bumper for that one but it could be done...then all we will need are some slopes—we have the snow so why don't we cash in on what we have...?

Wishing isn't going to make this go away...cussing it, either. We could set up as a "Winter Wonderland" and flood the city square with water for an ice skating rink with built-in trees to hold onto...

We have many jeeps, so we could sponsor "jeep rides in the Frie Draw" and block off part of Main Street and have car sliding contests.

The Scouts could sell hot chocolate and we could dress the "Money Doll" up in a ski suit.

We could ski jump off of the Reeve's barn west of the city (I'm told a cow walked up there one time during a snow storm) and we could put out our Christmas lights again for night color. (Sorry about that, Boys, since you just got them down.)

We could declare cars and trucks off the streets (except for the sliding contest) and just use sleds and horses—or maybe steers, to keep up our image...

We could keep our stores open late with sidewalk sales and set up some "nic-nac" shops in some of the buildings for our "curio shops"—we could all bring something from home to stock these places and clean out some closets, to boot...

We could find some wooden barrels to make our skis out of and rent them to the people who will be flocking to this beautiful "Plains Winter Wonderland." We could write a song about it and have street musicians walking around town at night, playing and singing...

Tickets could be sold to the "water tower look out" so people could climb it and look at our pretty wonderland at night. [Don't ever climb it without proper authority...]

We could fill buckets, barrels, jars, etc., with water, freeze them (my ice maker in our refrigerator is stopping its usual work because it's jealous of the outside temperature) and then use the hunk of ice to carve figures to set around Main Street...maybe an ice carving contest...we could even set the prettiest ice covered tree aside to visit on our "night trail" that we would have around town...

We could get write-ups and T.V. coverage and all kinds of offers from other cities to get us to come and help them set up a "play land."

Of course, we would have to shut down some of our other businesses in order to exert time to this...the weather isn't helping them much anyway...and we could really make this thing pay off—as I mentioned earlier, wishing isn't going to make it go away and cussing won't either.

We just as soon do something constructive with what we have...that is the name of the game, isn't it? Do something constructive with what you have?

...Now where will we place our first ticket booth...?

Pause and Reflect

By Nelson Lewis

GOVERNOR ELECT Dolph Briscoe made two very strong points during his address in the Amarillo Civic Center on the evening of January 3. We have listened to politicians for many years but somehow these remarks had the ring of sincerity.

In the first place he is already elected, so idle promises are not necessary. Secondly, the two points concern subjects very close to the heart—Education and Law and Order, two of the strongest pillars supporting our civilization.

Mr. Briscoe's plan to improve the quality of education is commendable; however, an event that occurred later in the program leads us into Texas style law and order.

Captain Rogers of the Texas Rangers presented Briscoe with a sterling silver plaque commemorating the 150th birthday of the Rangers.

A short review of this organization is in order. We might be better off if the Texas Rangers were revitalized instead of being dismantled as one of Briscoe's political opponents suggested during the campaign.

Settlers along the Brazos River (Brazos de Dios—Arms of God) were really between a rock and a hard place, Mexican bandits to the south, Comanches to the north.

Stephan F. Austin hired bands of armed men to range (hence the name) the borders and fight back the marauders. This action begun in 1823 proved so worthwhile that in 1835 three groups of 25 men each were put into service. Within a year they had effective control along the thousand mile frontier border of Mexico.

It was about this time that an observer remarked, "they ride like Mexicans, trail like Indians, shoot like Tennesseans, and fight like Devils!"

Neither the Spanish army nor the native Mexicans could control the Indian raiding parties. The Texas Rangers adopted the Indian's type of warfare and beat them at their own hit-and-run game.

From about 1845 to 1848 the Rangers played an important role as scouts for the regular army.

Despite the forts along the border and thousands of Buffalo (Negro) soldiers the people of Texas depended upon their own Rangers in times of trouble.

Speaking to the U.S. Senate Sam Houston said, "give us a thousand Rangers and we will be responsible for the defense of our frontier. We ask for no regular troops—withdraw them if you please. I ask this through no unkindness to them but because they have not the efficiency for frontier service."

During the heartbreak of the Reconstruction following the Civil War 450 Rangers restored "law and order" to the interior of Texas.

The Big Bend Country had become the last stronghold for the criminal element at the turn of the century. For almost twenty years no law existed in the Canyons and Mountains of what is today one of the Nation's most scenic parks.

Then the Rangers moved in! During 1917 and 1918 they cleared the entire area, an expanse of land larger than the State of Rhode Island!

Disband the Rangers? Bah-Humbug!
One might as well try to disband Santas' reindeer team!

WHEN YOU ARE OUTSIDE on a cold, windy day and you think it is colder than the thermometer indicates, you are right. Nearly every winter some people in the U.S. are severely frost bitten or even frozen to death because they dress according to the thermometer and not according to the chill index temperature. The chill index is a combination of wind velocity and temperature reading. For example, at 10 degrees above zero with a 10-mile-an-hour wind, the chill temperature to exposed skin is 9 degrees below zero.

The "chill temperature chart" below can be quick reference for estimating the actual temperature on cold days during the winter.

Wind Speed	Temperature in degrees					
Calm	50	40	30	20	10	0
10 mph	40	28	16	4	-9	-21
20 mph	32	18	4	-10	-25	-39
30 mph	28	13	-2	-18	-33	-48
40 mph	26	10	-6	-21	-37	-53

DON'T NEGLECT YOUR HORSE just because it is winter and you are not riding it. Adequate nutrition and a parasite control program are important during the winter months.

Young horses, especially those weaned this fall, need special attention because they are still growing and need an adequate ration to help them mature.

If good quality hay is fed, grain may not be needed. Dust-free leafy legume hay (alfalfa or clover) is a good feed for wintering horses. However, it is a good idea to feed a grain supplement with grass hay or other low energy hay.

Internal parasites, especially strongyles [blood worms] and bots are damaging during winter months. Such parasites can cause horses on a borderline ration to lose excessive body weight.

Strongyles attach to the intestinal wall and suck blood, reducing the vitality and condition of the horse. This could be fatal to young horses.

Worm and treat horses for bots during the winter. Newer drugs may be administered with a grain mixture; however, individual animals should have a separate feed box to be sure that each animal receives the correct dosage.

Bots attach to the stomach lining and remain there for many months before passing to the outside in the spring and developing into flies. Treating horses for bots during the winter will break the life cycle of this parasite.

IN RECENT YEARS, farmers have had conflicting views on an important subject, fall and winter fertilizing.

These different views are possibly due to differences in soil and management conditions, environmental factors and the farmer's point of view.

A good evaluation of fall and winter fertilizing depends on the advantages one gets from such a practice.

Some advantages include, first, avoiding periods of unfavorable weather immediately prior to the planting season; second, preventing disturbance of the soil and losing moisture before planting; third, utilizing labor and equipment during a period when many farming operations are at a standstill; fourth, taking advantage of "off season" prices; and fifth, avoiding temporary local shortages of some fertilizers.

Among the disadvantages are, first, some of the needed nutrients can be lost if applied too early; second, certain forms of nitrogen may be readily lost in certain soils and under certain conditions; and third, environmental factors such as temperature and rainfall may cause fertilizer losses before they are utilized by crops.

As fertilizer is applied, consider what happens to each nutrient in the soil. Application of nitrogen prior to planting should be considered only if ammonium forms are used. Maximum efficiency from nitrogen can be expected when applied just prior to the period when it is used by the crop. Nitrogen in the nitrate form may be leached or lost through denitrification in water-saturated, alkaline, clay soils.

The application time of phosphorus is less critical since it does not move far from the application zone. However, the need for high amounts of available phosphorus in the immediate seed or root zone will help determine the application time.

The whaler's expression "thar she blows" refers to a whale's discharge of warm breath, which condenses in the cold air into a visible vapor, when a whale surfaces.

**"MY INSURANCE
LAPSED?"**

Your insurance must be renewed promptly and the premium paid on time, otherwise you are without insurance protection. A loss at such a time is sheer tragedy. By combining your property insurance in one package policy [Homeowners, Tenants, Farmowners or Commercial] with one renewal date, there is less danger of lapsed insurance.

The Soil Conservation Service (SCS) of the U.S. Department of Agriculture took an end-of-the-year look at its work and came up with facts and figures on conservation activity and environmental changes across the Nation during 1972. The figures showed that more than a million farmers or other landowners received technical help from SCS on their conservation and land-use problems. More than 26,600 units of state and local governments also received assistance.

Environmental improvement work popular among farmers during the year included better conservation cropping systems (more than 20 million acres added during 1972); land and water improvements to benefit wildlife (7.5 million acres), and tree windbreaks on the farm (more than 43,000 acres planted).

State and local governments asked for SCS assistance on more than 15,500 natural resource inventories and evaluations—a 42 percent increase over similar assistance given in 1971.

In 1972, 29 SCS-assisted small watershed flood prevention projects were completed, and engineering work was finished on 11 more. During the year, 41 other projects reached the construction stage and 28 projects reached the planning stage, for a total of 1,029 projects in some stage of construction or planning.

In addition to flood prevention, projects completed in 1972 provided water supply reservoirs for 9 small town and rural areas, and recreation lakes for 16 areas.

During hurricane Agnes, which hit the East Coast in June, 1972, small watershed project dams and channels in the area prevented \$22.2 million in direct damages from the storm. During the 1972 fiscal year, all completed small watershed projects—

—prevented an estimated \$48 million in flood damages
—trapped 1.9 million tons of sediment, and
—provided benefits totalling \$56 million in erosion control and grassland improvements.

**Clayton Is
Appointed**

Texas State Representative Bill Clayton of Springlake will once again head the Intergovernmental Relations Committee (IRC), the primary state-federal policy-making arm of the National Legislative Conference.

Rep. Clayton served as chairman of the IRC during 1971-72.

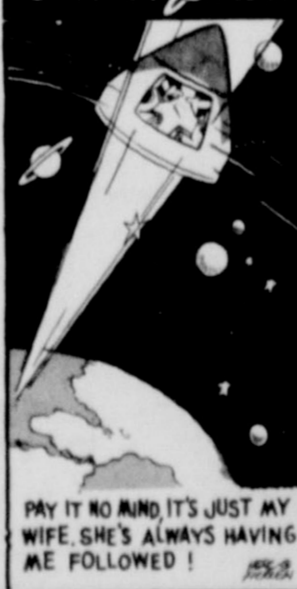

The primary focus of the committee, made up of over 200 State Legislators from across the country, is the development of policy on key state-federal issues. Its six task forces study problems and provide representative state legislative viewpoint on significant intergovernmental concerns. It also serves as a framework to guide legislators and staff representing the NLC in extensive contacts with Congress and the federal executive departments.

The first meeting of the IRC will be Feb. 2-3 in Washington.

The National Legislative Conference is the organization representing 7,600 State Legislators across the country.

Acting Director Named For Water, Inc.

Duncan Ellison, executive assistant and director of public relations for Water, Inc., has assumed duties as acting executive director of the two-state non-profit corporation. Ellison replaces State Rep. Bill Clayton whose resignation was effective Dec. 31.

Ellison, a widely known radio and television newsman, joined the staff of Water, Inc., in August, 1969. Previously he had served 14 years as Director of News and Public Affairs for a five-station chain of television stations headquartered in Lubbock. He is a graduate of Texas Tech and was employed by the Lubbock Avalanche-Journal prior to the switch to radio and television.

Water, Inc., is a membership-based organization dedicated to the promotion of water resource development with emphasis on an educational program directed toward ultimate importation of water to the High Plains of West Texas and Eastern New Mexico.

Briscoe Receives Anniversary Plate

Dolph Briscoe, governor-elect, was presented with a Texas Ranger 150th Anniversary Commemorative Plate before an audience of 1,500 Panhandle and South Plains civic and political leaders in Amarillo last Wednesday.

The presentation was made by Texas Ranger Kelly Rogers at the first of five dinners being held over the state prior to the Democratic Victory Dinner in Austin the evening before the inauguration.

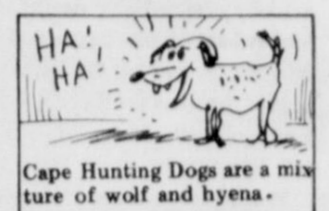

The .925 sterling silver plate bears the reproduction of a painting of Captain Leander McNelly, one of Texas' foremost Rangers in earlier days. It is the work of Joe Ruiz Grandee of Arlington, renowned historical western artist.

The founding of the Texas Rangers on August 5, 1823, will

be celebrated statewide throughout this year.

The 8-inch plate, produced exclusively by WNW Mint Industries of Amarillo, is limited to an edition of 5,000.

Among those attending the dinner from Friona were Mr. and Mrs. Raymond Fleming, Mr. and Mrs. Jake Outland, Mr. and Mrs. Troy Young, Mr. and Mrs. Nelson Lewis, Mr. and Mrs. Don Powell, Mr. and Mrs. A.L. Black, Mr. and Mrs. Richard Collard, Mr. and Mrs. W.D. Buske, Kim Buske, Gary Brown and Patrick Pace.

Auburg Relatives Are Killed, Hurt In Wreck

Joe Don Auburg of Omaha, Nebraska, received serious injuries in a two car collision near Texhoma, Oklahoma, about 2:30 p.m. Friday. He was still in the intensive care unit and his condition was reported serious at press time.

He is the brother of Dennis Auburg, Friona.

About 10:30 a.m. Friday Mr. and Mrs. Auburg and their six children left Friona for their home in Omaha, Nebraska.

They had been to Brownfield to spend New Year's Day with his mother, Mrs. Ruth Auburg, and came by way of Friona for an overnight visit in the home of Mr. and Mrs. Dennis Auburg, 1204 Columbia.

Near Texhoma, the family station wagon, which was being driven by Mrs. Auburg, went out of control on an icy spot and was struck by an oncoming car.

One of her sons, nine year old Andrew Salem Aargleroad, died as he was being transferred from Guymon Memorial Hospital to Amarillo.

Gregory Paul Auburg, who was also nine and the son of Joe Don Auburg, died about 7:30 a.m. Monday in St. Anthony's Hospital, Amarillo. Graveside services were held at Llano Cemetery that afternoon.

Two other children of the couple are hospitalized at St. Anthony's Hospital, but their condition is reported to be good.

Shirley Re-Elected

Ralph Shirley was re-elected Chief of the Friona Volunteer Fire Department for 1973 at the annual election of officers last Thursday evening.

Glenn E. Reeve, Jr. was named assistant chief and Ray White was elected as secretary. Both of these men were re-elected.

Ruben Taylor was re-elected as captain of Company 1, and John Allen Jr. was re-elected as captain of Company 2.

Joe Mann was elected lieutenant of Company 1, with Harrell Mays gaining that post for Company 2.

Joe Reeve and Ray Campbell were elected as training officers, and Porter Roberts was elected public relations director.

Howard Love, Dick Vickery and Robert Zetsche were named to the group's food committee. Raymond Auburg was elected whistle blower.

Mark Blankenship was re-elected as mascot for the department.

Ray Campbell, John Allen and Troy Young served on the nominating committee.

Whitaker Baby Rites Held

Graveside services for Matthew Thomas Whitaker, two-day old son of Mr. and Mrs. Dwight Whitaker of Friona, were conducted Wednesday afternoon.

The baby boy died January 9 at Parmer County Community Hospital.

Rev. Charles Broadhurst, pastor of the First Baptist Church, officiated at the graveside rites.

Other survivors include Mr. and Mrs. Woodrow Whitaker and Mr. and Mrs. J.B. Eubanks of Paducah.

Mothers March Set Here January 29

A Mother's March against birth defects has been scheduled for Monday evening, January 29 in Friona.

Residents will be asked to turn on their porch lights the evening of January 29 if they want to contribute to the drive.

Marchers will be members of the ESA sorority and youth volunteers.

Chairman of the local drive is Mrs. James Andrews. She says

the march raised \$375.00 last year, and the club hopes to raise \$500 this year.

Those who are missed and wish to contribute may call 247-3209 and a volunteer will pick up the donation.

A Message from State Senator

Max SHERMAN

When first elected to the Texas Senate, my pledge was to listen to the people and to work hard at representing their interests in the Texas Senate. As the 63rd Legislature begins its work, I would like to renew that pledge and ask you to keep in touch and to let me know how I can best represent you.

Sincerely,

FOR 16th WIN

Squaws Coast Past Vega Femmes, 53-37

The Friona Squaws coasted to their 16th win of the 1972-73 season here last Friday, turning back the Vega girls, 53-37.

Vega took an early 2-0 lead, but the Squaws quickly tied the score and went ahead at 4-2 and the visitors never were in the lead again.

Good inside shooting by Darla Rhodes, Sharon Smith and Patricia Phipps staked the Squaws to a 14-10 lead at the end of the first quarter.

Vega tried to rally in the second quarter, but some great defensive work by the guards and the continued shooting of the forwards increased Friona's lead to a commanding 35-19 at the half.

With the comfortable lead, the Squaws had a slow start in the second half, going over two minutes in the third quarter without a score—in fact only taking about three shots in that

time. But the guards continued to hold Vega, so that the Squaws still outscored their guests, 8-6 in the low-scoring third quarter, and reserves were able to play practically all of the fourth quarter, and some of the third.

The Friona girls connected on a torrid 58.6 per cent of their shots from the field during the first half, falling off to a still respectable 48 per cent for the game.

minutes of the game, the contest was nothing like the Squaws' previous encounter with the team at Vega, in which they required some timely free throws to post a 49-45 victory.

Freshman Lose Tilt

The freshmen boys lost their fifth game in as many tries when they met LaPlata of Hereford, there January 4.

Friona took the lead at 2-0 on a basket by Davy Carthel but LaPlata came right back to tie it up and then go ahead. LaPlata never trailed in the game after this even though Friona tied it twice (4-4 and 6-6). La Plata outscored Friona 13-7 in the second quarter to take a 21-13 halftime lead.

Friona scored the first six points in the third quarter to pull within two (21-19) but LaPlata went on to take a 27-21 third quarter lead. LaPlata's longest lead of the game was ten points and they had this three times (21-11 with 1:34 left in the first half, 33-23 with 4:13 left in the game and 38-28 the final score).

8th Grade Boys Lose

The eighth grade boys lost their second game in five outings Thursday, January 4 at Hereford against LaPlata.

LaPlata took the lead 4-0, but Friona scored the next six points, to lead, 6-4. LaPlata tied the game at 9-9 with 4:25 left in the first half and never trailed after this even though Friona tied it up at 13-13 with 2:55 left in the half. LaPlata got hot and scored 11 points while Friona could only manage two to take a 24-15 halftime lead. The third quarter saw Friona still in the cold as they managed only one point while LaPlata scored nine.

The fourth quarter saw Friona score 14 points while LaPlata scored six to pull to within nine (30-39 with 2:16 left in the game). LaPlata went on to win, 48-34. Friona scored more points, (18) than they scored the first three quarters together.

Chiefs Scalp Vega Longhorns, Tulia Gets Away With Win

A 54-35 win over the Vega Longhorns on Friday gave the Friona Chieftains an even break for the week last week, after they had suffered a letdown in the fourth quarter on Tuesday, losing to the Tulia Hornets, 53-51.

The win over Vega avenged a double-overtime loss to the Longhorns a couple of weeks earlier in Vega, 51-46.

Friday's game was close during the first half, when the Chieftains had to have baskets by Johnny Bandy and Gene Strickland during the final minute in order to post a 26-20 lead at halftime.

The Chieftains came back in the second half moving the ball better, became tougher on defense, and within 5:30 of the third quarter had opened up a 14-point advantage at 38-24.

By the midpoint of the fourth quarter, Friona had a 20-point lead at 48-28, and had the game in their hip pockets.

The Chiefs hit 45 per cent of their field goal shots, and their tenacious defense caused Vega to take shots from outside, and the "horns hit only 25 per cent of their shots, including only five of 31 in the second half.

Coach Ray DeBord said he was pleased with the team's performance. "We also did a fine job of controlling the boards," the Chieftain mentor said.

On Tuesday, the Chieftains seemed to be enroute to a win over Tulia, holding quarter leads of 14-11, 26-21 and 40-35. But the visiting Hornets

outscored the Chiefs, 18-11 in the last quarter for a 53-51 win. Tulia came from behind in the last three minutes of play to cause the Chiefs to wait until Friday for their 12th win of the season.

"Our defense wasn't as sharp in the last quarter as it needed to be. We played good basketball for three quarters, but just couldn't hold onto the lead," Coach DeBord remarked.

The team continued to get outstanding play from a pair of sophomores. Dale Cleveland was runnerup top scorer in the Tulia game with 16 points, and Gene Strickland had 14 points against Vega. Johnny Bandy was top scorer in each game with 17 points on Tuesday and 26 on Friday.

The week's action left the Chieftains with a 12-6 season record. The team begins District 3-AA play on Friday when it hosts Dimmitt.

The Truth Will Make You Free

Jesus said, "You shall know the truth, and the truth shall make you free." If we know this truth about which Jesus spoke, from what will we be set free? Paul's letter to the Romans helps to answer this question. "Thanks be to God, that you who were once slaves of sin have become obedient from the heart to the standard of teaching to which you were committed, and having been set free from sin, have become slaves of righteousness." Romans 6:17-18 Obedience to God's truth sets us free from the slavery of sin.

How is it possible for us to be freed from sin? It is because we have died to sin. Of course, this does not mean that we have actually died a fleshly death. "We were buried therefore with him by baptism into death, so that as Christ was raised from the dead by the glory of the Father, we too might walk in newness of life." Romans 6:4 Since we have died to sin, we are set free from sin. As Paul asks, "How can we who died to sin still live in it?" Romans 6:2.

Freedom from sin and its consequences is guaranteed only to those who know God's truth and respond to it. Have you?

GLENDIVE, MONT., RANGER-REVIEW; "A story which originated in The New York Times says there is little doubt but that a federal income tax increase will go into effect next year. (We never get tax increases during election years, of course.) The tax boost is seen 'as a means of financing the spending on big new programs, such as day care and health insurance, that the public seems to be demanding.' I don't know about the day care program, but the main ones who seem to be DEMANDING federally financed health insurance are a few of the vote-hungry politicians, who probably are not nearly as interested in the health of their constituents as they are their votes."

Harlem Jokers Are Coming January 25

It was announced this week that the Harlem Jokers will appear in Friona on January 25, sponsored by the Friona student chapter of the Fellowship of Christian Athletes.

The Jokers will meet the "Magnificent Seven" in the comedy basketball game.

The "Magnificent Seven" are reputed to be Ray DeBord, Larry Dyess, Bob Owen, Jackie Morgan, Don Fortenberry, Wesley Clark and John Morrow, an import from Canyon.

Advance tickets will go on sale this week in Friona, with advance prices to be \$1.00 for students and \$1.50 for adults. At the gate, tickets will be \$1.50 for students and \$2.00 for adults.

Proceeds from the game will go to help finance the sending of delegates from Friona to the National Fellowship of Christian Athletes Conference in Estes Park, Colo.

The Harlem Jokers are led by seven former college basketball stars, including Howard Rand of Los Angeles State, Gerald (Apollo) Lockett of Arkansas A. M. & N., James Knighten of Mississippi Valley, Jim (Flash) Whitehead of Johnson C. Smith, Wylie Mitchell of Navarro Jr. College, Fred (Goose) Jackson of Huston-Tillotson College and

Howard (Rookie) Rand, of Gary, Indiana.

The Jokers were formed in 1967 by Thornton Bracko of Chicago. Of the seven original players on the team, five are still with it.

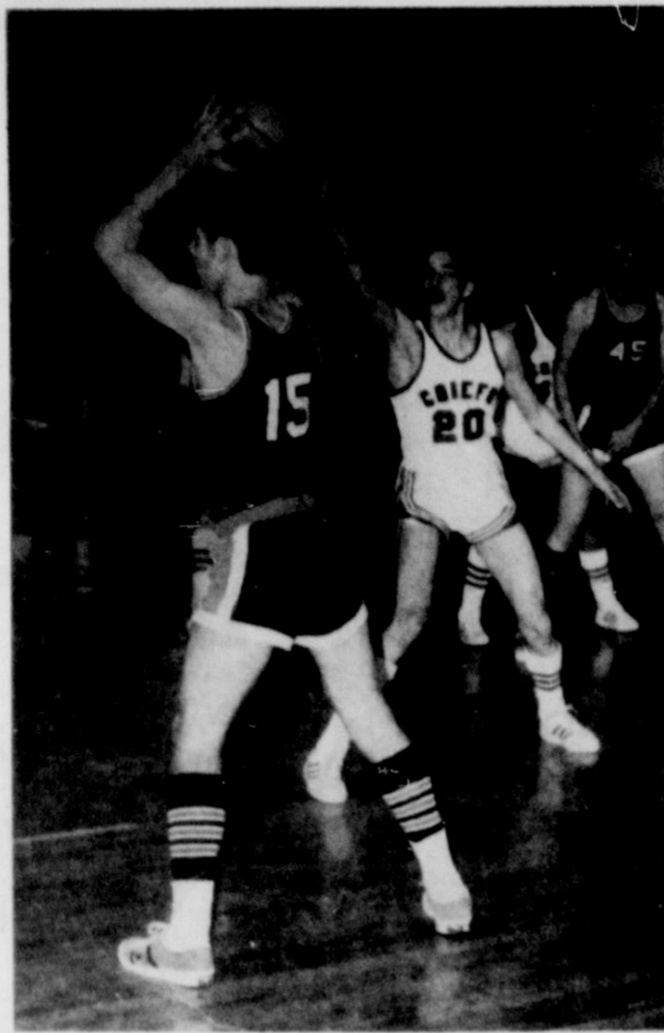

Bracko says the Harlem Jokers are a team that he is proud to display to the public-men who enjoy traveling and meeting people from all parts of the country. "Above all else, they derive satisfaction from knowing that they were able to give and share a little laughter with people and help them forget for awhile the many worldly problems of the day," he says.

Tickets are on sale from the members of the Fellowship of Christian Athletes, or at the high school office or any of the coaches.

7th Graders Post Victory

The seventh grade boys won their fourth game of the season against no losses, when they went to Hereford Thursday, January 4 to play LaPlata.

LaPlata took the lead with 4 minutes left in the first quarter and Friona tied it at 2-2 with 3:01 left. Friona's first lead of the game came with 5:27 left in the first half when Raul Braillif made it 8-6. LaPlata again took the lead and led 11-8 before Friona came back to tie and then go ahead with 2:42 left in the half.

Friona's longest lead was 10 points and they held this twice (23-13 with 3:50 left in the third quarter and 32-22 with 4:11 left in the game). Friona went on to win 32-26 with the substitutes seeing action the last half of the last quarter.

Water, Inc. Schedules Annual Meeting Date

The Sixth Annual Membership meeting of Water, Inc., will be conducted Feb. 17 at Amarillo. More than 300 of the more than 2,200 members of the two-state non-profit organization are expected to be on hand for the session according to D.G. "Bill" Nelson, Amarillo, chairman of the membership meeting committee. He said a detailed program will be released in the near future.

The annual meeting, to be conducted at the Villa Inn on I-40 East, will be preceded by a meeting of the Water, Inc., board of directors on Friday. The board members and their wives will be guests of the Amarillo hosts at a reception-dinner.

New officers will be named at a board meeting following the

annual meeting on Saturday. Gaston Wells, Dumas, will be retiring as president following a two one-year term tenure.

In extending a special invitation to all Water, Inc., members to attend the Amarillo meeting, Wells noted that membership participation takes on a vital air during the coming year, pointing out that reports on the Mississippi River Import Study will be handed to Congress by the Corps of Engineers, Bureau of Reclamation and the Mississippi River Commission. "If we are serious about wanting to import water to the high plains, now is the time for us to unite as never before. We have a tremendous selling job ahead, and the job will take all of us working together," Wells said.

Annual Meeting Set

John Wolfe, well-known author and public speaker, will be the keynote speaker at the annual Texas-New Mexico Sugar Beet Growers Association banquet scheduled Jan. 20 at the Bull Barn in Hereford.

Wolfe, of Houston, has written articles on public speaking which have been published in various magazines, including Reader's Digest. He comes highly recommended as a great humorist who has addressed many association meetings throughout the country.

The banquet, scheduled for 7 p.m., will be the highlight of a two-day gathering that will be

kicked off with a business meeting of members of the association. The meeting will begin at 2 p.m., Jan. 19 at the Community Center.

James W. Witherspoon, executive secretary of the Texas-New Mexico Sugar Growers Association, reported there will be several visitors from other associations, including Hoxsie Smith of Brawley, Calif., and Dave Carter of Washington, D.C. with the U.S. Beet Sugar Association.

A number of officials from Holly Sugar Corporation in Colorado Springs, and representatives from various beet seed companies, also will be present.

Friona Man Breaks Leg

Raymond Hughes, who lives north of town, received a broken leg last Thursday afternoon.

Hughes was riding in the back of a pickup loaded with furniture, when it became stalled on the icy intersection of Sixth and Etta. When the pickup driver endeavored to move the pickup forward, the resulting jolt threw Hughes to the ground.

After a brief stay in Parmer County Community Hospital, Hughes was dismissed and returned to his home.

It was the last official act of the club, which has disbanded.

**Troop 166 Reports
On Year's Activities**

Members of Girl Scout Troop 166 participated in varied activities this year in order to pass the Active Citizen and Social Dependability Challenges. Earning the Child Care badge included baby sitting for voting mothers during the November election and learning skills using Jenifer Carter, daughter of Mr. and Mrs. Charles Carter, as model. The girls learned about being good citizens by making posters encouraging adults to vote.

**Baby Girl
For Roy Bakers**

Mr. and Mrs. Roy V. Baker, Jr. of Lubbock became parents of a baby girl, Jennifer, on Tuesday, January 9. The baby was born in Lubbock's Highland Hospital. Jennifer is the first child of the couple. Grandparents are Mr. and Mrs. Ralph Roden of Friona and Mr. and Mrs. Roy V. Baker of Odessa. Mrs. Baker is the former Pamela Sue Roden.

Other activities included a demonstration on arranging flowers and making centerpieces by Mrs. Loyd Chesher and a Christmas party in the Watson Whaley home hosted by Mrs. Fred Florez and Mrs. Whaley, troop leaders. The year's activities were climaxed by a theater party and hot dog supper Saturday, January 6. Troop members and guests attending the party were Donnie Gustin, Joe La Fuente, Todd Bandy, Ross Middleton, Jeff Peak, John Jarecki, Mr. and Mrs. A.W. Anthony Jr., Mrs. Alton Peak, Mrs. Fred Florez, Vickie Florez, Anna Castillo, Janice Peak, Linda Anthony, Sammi Rector, Karen Young, Darla McClellan and Donna Ruzicka.

YEAR 'ROUND BRIGHTNESS—Waverly's all-cotton print can't be beat for practicality in slipcovers and draperies. Whether it's a permanent installation or a refreshing change for fall or summer, the Aston Hall print combines beauty with easy care. Both the slipcover and the drapery can be laundered or drycleaned to perfection, insuring a fresh, bright room the year 'round.

Mrs. Michael Rocha

Deaton-Rocha Vows Read In Plainview

Glenda Jane Deaton, a former resident of Friona, and Michael Rocha were married Wednesday, December 27 at the residence of Mr. and Mrs. Ernest Rocha, 1310 Yonkers, Plainview, parents of the groom.

Rev. Glen E. Godsey, pastor of First Mexican Baptist Mission, Plainview, read the double ring ceremony. The Rev. Fred Hyland, pastor of Sacred Heart Catholic Church, also of Plainview, offered the prayer of blessing.

The bride's chosen colors, blue and rose pink, were carried out in the floral arrangement which decorated the nuptial area.

Her white dress with scooped neckline was accented by a narrow white belt laced through gold ornaments. She

wore a heart shaped necklace encasing a tiny diamond, which was a gift from the groom, and carried a bouquet of blue carnations.

The bride's attendant, Rose Castro, who is a student at Wayland Baptist College, wore a rose pink empire styled dress and carried a bouquet of blue carnations.

Louis Soto, uncle of the bridegroom, served as best man.

Florinda Hipolito presided at the serving table for the reception.

Mr. and Mrs. Rocha are at home in Plainview. Mrs. Rocha is a 1971 graduate of Friona High School and a sophomore at Wayland Baptist College. Rocha is employed at Central Plains General Hospital.

Mrs. Wayne Kube

Vickie Ann Schueler Weds Wayne M. Kube

Wedding vows were exchanged between Vickie Ann Schueler, daughter of Mr. and Mrs. Walter Schueler of the Rhea Community, and Wayne Martin Kube, son of Mr. and Mrs. Martin Kube of Farwell, at 7:30 p.m. Tuesday, December 29.

The double ring ceremony was read at Rhea Immanuel Lutheran Church. Rev. Herman Schelter was the liturgist and Rev. Duane Kirchner was the officiant.

The altar was decorated with bouquets of pink roses, pink carnations and pink snapdragons. Seven branched candelabra on either side and a basket of pink roses, pink carnations and pink snapdragons in front of the podium completed the setting.

Aisles were marked with votive lights with pink flowers in two shades and orange blossoms tied with pink ribbon bows.

Kathy Schueler was the maid of honor. Bridesmaids were Rhonda Bauer of Halltown, Missouri, and Carleen Schlenker and Jill Riethmayer, both of Friona. Deborah Parrish of Germantown, Tennessee, was the flower girl.

The bride's attendants wore identical formal length gowns of raspberry velvet designed with empire bodices and long fitted sleeves. The cuffs and necklines were edged with self material ruffles. They also wore raspberry headbands and carried pink roses in Hogarth arrangements tied with pink velvet ribbons on white fur muffs.

The flower girl wore a gown identical to the ones worn by the bride's attendants. She also wore a matching headband with pink roses and carried a white basket filled with pink rose petals.

Will Stalcup of Morton was the best man. Groomsmen were Robert Haseloff, Farwell; Wayne Schueler, Friona, brother of the bride and Eddie Winegeart of Farwell.

Candlelighters were Gary Schueler, brother of the bride, and David Kube, brother of the groom.

Guests were seated by Dale Schueler, Friona, and Bobby Foster, Farwell.

Leon Sanderson, organist, presented traditional wedding selections and accompanied Johnny Dane, soloist.

The long sleeves featured wide lace cuffs repeating the ruffling over the wrists. Panels of scallops formed a redingote down the front and the hemline was encircled in the ruffling. A mantilla veil encircled in the point d'gaze lace was held in place by a satin and lace caplet.

She wore an heirloom ring, which belonged to her maternal grandmother, Mrs. E.O. Woollever of Littlefield. She also wore pennies in her shoes, which were minted in the years of the birth of the bridal couple, and a blue garter.

Mrs. Schueler chose a pink two piece double knit suit with black accessories for her daughter's wedding. Her corsage was of white orchids.

The groom's mother, Mrs. Kube, wore a raspberry double knit dress, black accessories and a white orchid corsage.

A reception in Rhea Parish Hall followed the ceremony. The bride's table was covered with a white lace cloth over pink satin and centered with a bouquet of pink snapdragons, pink carnations and daisies in a footed candelabra, which held four pink tapers.

The tiered wedding cake, which was white with pink roses, was surrounded by four identical cakes and topped with a miniature bride and groom. Cake, punch, nuts and mints were served from the bride's table.

Reception hostesses were Ann Markaret, Victoria, Texas; Shirley Schueler, Denton; and Carolyn Martin, Friona.

Chocolate cake and coffee were served from the groom's table, which was covered with a hand crocheted table cloth, which belonged to his grandmother, Mrs. Martin Kube.

Servers at the groom's table were Mrs. Gilbert Kaltwasser and Mrs. Herbert Schueler.

The registration table, which was presided over by Vicki Beck, was covered with a white lace cloth over pink and decorated with a memory candle.

Rice bags were passed out by Kathy Parrish.

Special guests at the wedding were Herman Schueler, Friona, and Mr. and Mrs. E.O. Woollever, Littlefield, grandparents of the bride; and Mrs. A.H. Daude, Coppertown, Texas and Albert Kube, Progress, Texas, grandparents of the bridegroom.

Out-of-town guests signing the register were Mr. and Mrs. H.D. Parrish, Kathy and Deborah, Germantown, Tennessee; Mr. and Mrs. Homer Moss, Denver City, Texas; Mr. and Mrs. Marvin Sabin, Yuma, Arizona; Ann Markert, Victoria, Texas; Mr. and Mrs. Jim Daube and Sherie, Austin; Mr. and Mrs. Franklin Bauer, Rhonda, Dewayne, Carla and Steven, Halltown, Missouri; Mr. and Mrs. Stuart Rowan, Hereford; Mr. and Mrs. Gene Hamilton, Benny and Teresa, Muleshoe; Mr. and Mrs. Paul Koeltzow, Clovis; Rev. and

Mrs. Herman Schelter, Hereford; Mrs. Larry Johnson, Dallas; Mrs. Larry Grissom, Lubbock; Mrs. Jim Schlenker, Canyon; and Mrs. Edna Bauer, Happy.

For a wedding trip to Houston Mrs. Kube wore a pink double knit dress and the corsage lifted from her bouquet.

Mrs. Kube is a 1972 graduate of Friona High School and attended South Plains Junior College, Levelland, before being employed at Hi Pro Feeds as a computer operator.

Kube is a graduate of Farwell High School and is a former student of South Plains Junior College. He is also a former employee of Radio Station KZOL, Farwell.

Mrs. Kube is a 1972 graduate of Friona High School and is a former student of South Plains Junior College. He is also a former employee of Radio Station KZOL, Farwell.

A rehearsal dinner at Clara's Restaurant in Farwell Tuesday evening honored the bridal couple and members of their wedding party.

Hosts were Mr. and Mrs. Kube, parents of the bridegroom.

Payne-Cannon Vows Exchanged In Lubbock

In a double ring ceremony at Ford Memorial Chapel of First Baptist Church, Lubbock, at 7:30 p.m. Saturday, January 6, Vickie Diane Payne became the bride of Gerald Douglas Cannon.

Parents of the couple are Mr. and Mrs. John O. Payne, 2824 35th Street, Lubbock, and Mr. and Mrs. J.W. Cannon, 1002 South Third Street, Floydada.

Wedding vows were exchanged before an arched candelabra arrangement accented with baskets of white gladioli and carnations. The officiating clergyman was Dr. Floyd C. Bradley, pastor of First Baptist Church, Floydada.

Lisa Payne, Lubbock, sister of the bride, was the maid of honor. She wore a formal gown of purple velveteen designed with an Empire waistline, A-line skirt, heart shaped neckline and short pleated sleeves. She carried a bouquet of roses entwined with small purple and lavender flowers and wore a purple velvet headpiece.

Other bridal attendants, who wore identical costumes to the one of the maid of honor and carried identical bouquets, were Mrs. Richard Cummins, Bryan, Texas; Mrs. Ronnie Harris, Lubbock; and Patricia Roberts, also of Lubbock.

Leah Rice, Amarillo, cousin of the bride, and Jay Payne, Lubbock, brother of the bride, were the candlelighters.

Steven Cannon, Floydada, was his brother's best man. David Wilson, Amarillo, cousin of the groom, Dale Baker, Tony Thompson and Alan Payne, brother of the bride, all of Lubbock and Curtis Smalley, cousin of the groom, Floydada, were groomsmen and ushers.

David Rice, organist, presented traditional wedding

selections and accompanied Mrs. Roy Rice, soloist, as she sang, "Whither Thou Goest," "The Lord's Prayer," and "The Twelfth of Never."

As the bride was escorted to the altar and presented in marriage by her father, she wore a formal wedding gown of white embroidered silk chiffon over white velvet. Styled by the bride's mother, the gown featured an empire waistline, softly gathered skirt, long sheer sleeves gathered onto deep cuffs, which were fastened with tiny covered buttons, and a chapel length train.

Her veil of matching material was held in place with a bow, which was enhanced with double rows of seed pearls.

She carried a bouquet of white gardenias atop a white Bible belonging to her sister. For something old she wore a necklace belonging to her grandmother and opal earrings, which were a gift from the groom.

Mrs. Gerald Douglas Cannon

Mr. and Mrs. Cannon greeted guests in the Ford Memorial Chapel parlor immediately following the ceremony. The bride's table was covered with an heirloom lace cloth belonging to the groom's grandmother over purple satin. It was centered with a wedding cake and a silver tree holding bells full of rice.

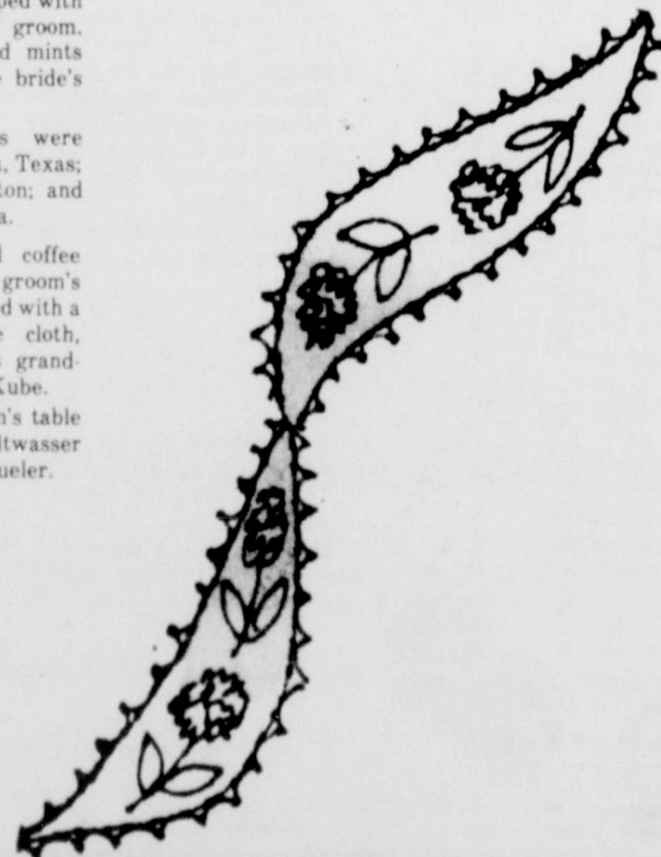

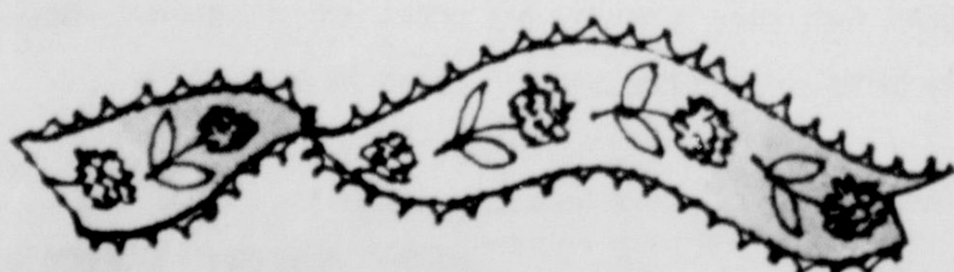

Cake, punch, nuts and mints were served by Mrs. Eddie Smith, Mrs. Ray Rice, Mrs. Roy Rice and Deborah Porter.

Guests were registered by Mrs. David Nash.

Following a wedding trip to Dallas, Mr. and Mrs. Cannon will be at home at 2706 30th Street, Lubbock.

She is a former Friona resident and a graduate of Canyon High School. At the present time she is a junior medical technology major at Texas Tech University and is employed as librarian at Texas Tech Computer Center.

He is a 1969 graduate of Floydada High School and is a senior advertising major at Texas Tech. He is employed at Globe in Lubbock.

KATHY ALANE WEAVER...Mr. and Mrs. Dale Weaver of Amherst have announced the engagement and approaching marriage of their daughter, Kathy Alane, to Charley Bishop, son of Mr. and Mrs. Stanley Bishop, Route 2, Friona. Miss Weaver is a 1972 graduate of Amherst High School and former student of West Texas State University, Canyon. Bishop, who is a 1968 graduate of Friona High School, has completed a tour of duty with the United States Navy and is employed by Friona Feedyards, Inc. The couple plan to exchange wedding vows at 7:30 p.m. Friday, February 23, at Amherst Church of Christ. Wedding invitations are not being mailed locally, but relatives and friends are invited to attend the ceremony and reception, which will follow.

PATRICIA GAIL POUNDS...Mr. and Mrs. Gene Greer of Lewisville, Texas, have announced the engagement of their daughter, Patricia Gail Pounds, to Gary Montgomery, son of Mr. and Mrs. Guy Montgomery of Keller, Texas. A January 13 wedding at Calvary Baptist Church, Lewisville, is being planned by the couple. Miss Pounds, a former student of Friona High School, is a graduate of Lewisville High School and is presently employed by Blue Cross-Blue Shield in Dallas. Her fiancé, who is a graduate of Keller High School, is an employee of LTV of Grand Prairie. All friends and relatives of the couple are being invited to attend the ceremony and reception.

Party Honors

Annette Reznik

Mr. and Mrs. A.L. Reznik, Route 3, Friona, honored their daughter, Annette, who was observing her seventeenth birthday, with a surprise dinner party at Earl's Parmer House Tuesday, January 2.

Others present were Mr. and Mrs. Mike Reznik, Houston, Mrs. Ronnie Altman, Pat Reznik, Mr. and Mrs. Burl Dean Broyles, Mr. and Mrs. Sterling Graham, Beverly Bailey, Cinda Johnson, Glenda Reeve, Mary Beth Bennett and Gail Graham.

Browns Visit In California

Mr. and Mrs. W.O. Brown returned home recently after spending a month visiting relatives and friends in California.

They were accompanied to the West Coast by Mr. and Mrs. Matt Brown, who returned home a couple of weeks ago.

Then they made the return trip to Albuquerque by train and from there to Clovis by bus.

In Tulare the Browns were guests in the homes of the Warner Davenport and Horace Huffmans.

They visited in the homes of Mr. and Mrs. T.J. Jones and Mrs. Leann Delocker in Fresno. While they were there, they attended a Brown family reunion with sixty seven other family members.

Mrs. Jones and Mrs. Delocker are Brown's sisters. Then in Oakland they were guests in the home of Genevieve Davenport.

In Hayward they were honored with a Christmas Day dinner in the home of Mrs. Brown's sister, Mrs. Dona Todd and with a pot luck dinner in the home of Mr. and Mrs. Earl Culbertson.

From there the couple went to San Leandro, where they were guests in the home of Mr. and Mrs. J.C. Speight, and to Sacramento to visit Darien Speight.

In Lake Tahoe they visited in the home of Mr. and Mrs. Darrell Freeman and family and in Union City they were guests in the home of Mr. and Mrs. Bill Fitzpatrick.

Christians Need To Have Growth Plans

Read Ephesians 4:11-16

Grow in the grace and knowledge of our Lord and Savior Jesus Christ.

--II Peter 3:18 [RSV]

In 1967, we took a job in a small church college in Holly Springs, Mississippi. One of the first persons we saw upon our arrival was a three-year-old boy who persisted in riding his tricycle in front of our moving van. He held his head high as he pumped the pedals of his tricycle, moving forward and backward according to his desire.

I asked him what he planned to be when he grew up. He gave me a never-to-be-forgotten answer: "A man! And when I get grown, I am going to drive a car on the highway and let someone ride with me."

This little boy had some visions of expectation of growth for tomorrow.

Should not we as Christians have expectation of growth in grace and the knowledge of Christ for our tomorrow? Are we going to ride a spiritual tricycle the rest of our lives? Or are we mature enough to drive our spiritual cars on life's highway and let someone ride with us?

PRAYER--Dear Father-God, help us to see ourselves as You see us, and to measure our growth by the one true character, Jesus Christ, of whom You said, "This is my beloved Son, in whom I am well pleased."

W.A. McMillan (Holly Springs, Mississippi)

Story Hour

Will Resume

Librarian Billie Fairchild has announced that the Pre-School Story Hour will resume on Thursday, January 18 from 10 to 11 a.m. at the Library.

All youngsters from ages three to school-age are invited to visit the Library each Thursday for an hour of stories, songs, games and activities.

There were approximately 40 youngsters attending the weekly session regularly before the Christmas holidays.

Square Dance Club Organized Saturday

An organizational meeting of local square dance enthusiasts was held Saturday evening in the old Congregational Church building at the corner of Cleveland and Sixth Street.

The Texas Square Dance Association by-laws were adopted.

The group chose the name

Buttons and Bows Square Dance Club and officers were elected.

Mr. and Mrs. Cliff Mowbray will fill the president's office during the coming year.

Other officers elected to serve with the Mowbrays and the offices they will fill are as follows:

Mr. and Mrs. Bob Johnson, vice-president; Mr. and Mrs. Billy Sifford, secretary-treasurer; Mr. and Mrs. Walter Schueler, reporter; and Mr. and Mrs. Joe Reeve, social chairman.

Stuart Rowan of Hereford, will be the caller.

Others present were Mr. and Mrs. Tommie Jones and family; Mr. and Mrs. Glenn E. Reeve Sr.; Mr. and Mrs. Glenn E. Reeve Jr.; Mr. and Mrs. Billy Joe Mercer and family; and Mr. and Mrs. Andy Anderson and family.

Also Mr. and Mrs. Leland Gustin and family; Mr. and Mrs. Lewis Gore and family; Mr. and Mrs. John Fred White and family and Holley Stephenson.

Anyone interested in beginning square dance lessons is invited to contact Billy Sifford or Cliff Mowbray.

The next meeting will be Saturday, January 27 in the old Congregational Church building.

Avoid fat fires while broiling meat by placing a few slices of bread under the broiling rack in the oven. The bread will soak up the dripping fat.

Virginia Jennings was in the Star office Monday morning. The low temperature was not the cause of her red face. She and her youngest daughter, who is getting married here Friday, mixed up a couple of lists and the result was something embarrassing to Virginia.

The original plan was to mail no local invitations and Virginia thought the plan was being carried out. However, she learned Monday that some had been mailed locally.

Apparently Joanne added one page of a guest list for her bridal shower to her wedding invitation list.

The last report I had was, and I'm quoting Virginia verbatim, "The wedding will be Friday and everyone is invited to attend the ceremony and reception."

FRIONA IS truly "A Winter Wonderland." A photographer should go to every house in town and make a front view photograph. Then in the middle of the summer he could sell them to the owners to put on Christmas cards.

Every home and front yard in town is beautiful with the snow and ice and would show up beautifully on "From Our House To Yours," Christmas cards.

LOCAL PEOPLE who purchased Kenneth Wyatt paintings at the recent art show at Friona State Bank probably read with interest an article in a recent Amarillo paper.

Wyatt has been invited to hang a painting in a show, which is coming up in New York City. Think when any artist is invited to hang a painting in this particular show, the prices of his works automatically make a long leap forward.

Jack and Flossie Brown are home after spending a month visiting relatives and friends in California. The things they did, places they went, people they visited and other activities would probably tire out many of us who are younger.

Did they come home ready to "sack out" for days. Of course not. They came home ready to move into a different apartment. If I ever find out how they do it, I'll pass the word along.

Who except this "young" couple, who rarely ever miss a meeting of the Golden Age People, could spend a whole month going from one place to another without folding up with a case of nervous exhaustion?

It's better to give than to lend, and it costs about the same.

THE MADRAS-MANIA ... gives a new look to flouncy peasant skirts, midi to ankle length. To that new hit, the midriff top. To shirts, long-sleeve to no-sleeve. To floppy hats, newsboy caps, sash belts, head-squares, and all at Sears. Even to sleep-and-leisure short shifts and enchanting long peasant looks. See all these and you'll see why fashion is simply mad for madras now!
