FOR THANKSGIVING

Community Service Slated Here Sunday

REV. R.C. HESTER

Friona's Community Thanksgiving service will have a new wrinkle this year, as the service will be held on Sunday evening for the first time. Services are scheduled for this Sunday at St. Teresa's Catholic Church.

Rev. R.C. Hester, pastor of the Calvary Baptist Church, will bring the Thanksgiving message. Other members of the Friona Ministerial Alliance will have parts on the program. The Treblaires, under the direction of Eva Miller, will provide special music for the service.

The public is cordially invited to attend the service. "God has richly blessed our area this year, and this will be an opportunity for us to come together and give thanks unto Him for the bountiful harvest," said a spokesman for the Ministerial Alliance.

FOR "TURKEY TILTS"

Entries Are Due Early Next Week

Before taking note of anything else this week, contestants in the Friona Star's weekly football contest are advised of an early deadline for next week's contest, because of Thanksgiving Day.

Due to Thanksgiving Day games being included, the deadline for entering the contest will be 12 noon Thursday, and mailed-in entries will have to bear a Thursday A.M. postmark to qualify.

Hank Outland continues to set the pace in the race for grand champion honors in this year's contest. Outland has been on a hot streak for several weeks, and continued last week, getting 14 of the 16 contest games, to widen his lead to three points over the second-place contestant.

The contest leader has 120 points. Mary Priest holds down second at 117. She tallied a score of 12 last week, which was considerably above average, yet still lost two points to the pace-setter. Jeff Peak currently is third with a score of 116.

H.W. Roberts of Bovina is in fourth place with a score of 114, followed by three players at 113—Cindy Carthel of Portales, N.M., Keith Pryor and Frank Truitt.

Scores of all contestants with scores of 90 and above can be found in the weekly contest standings inside this issue.

In spite of a number of upsets among the high school and college games included on last week's slate of games, there were some excellent scores turned in, as witnessed by the leading contestants, already mentioned.

Four players scored 15 on the contest, and three of these divided the weekly cash prizes. Herb Seright, whose wife took second place the previous week, claimed first place on the basis of his tie-breaker pick on the Littlefield-Olton game. Seright was 16 points off the actual score, guessing it at 31-12. Littlefield, when it actually was 17-8.

Charlie and Alane Bishop, husband and wife contestants, tied for second and third place money, each missing the tie-breaker by 21 points. Charlie picked the score at 34-12 and Alane had it down as 32-14.

The fifth contestant to correctly pick 15 games but finish out of the prize money was Chris Barnett, whose tie-breaker guess of 48-13 was 36 points away from the actual score.

Eleven contestants correctly picked 14 winners, missing only two games. These were Dean Blackburn, Hal Blackburn, Matilde Castillo, Marris Garza, Mrs. B.C. Hartwick, Doyle Mabry, Michael D. Means, Wayne Mills, Hank Outland, Nita Powell and H.W. Roberts.

Another 32 contestants had scores of 13, making a total of 48 contestants with scores of 13 or better.

Two weeks remain in the contest, as contestants are reminded not to forget the contest just because the football season is coming to a close on the local scene.

Besides the big week this next week, which features a handful of fine games for the Thanksgiving weekend, another big week will follow that one before the grand prize winners are determined.

Contestants are shooting for two tickets to the Cotton Bowl, Sun Bowl or Friona Chieftain home games (first, second and third). In addition, the first two contestants receive prize money for their efforts.

In case of a tie for any of the top three places, a compilation of tie-breaker scores for the entire season will determine the final placings.

NEW EMPLOYEE...Dewayne Howard is the newly appointed assistant postmaster at Friona, having begun his duties at the local post office this week. Howard has been with the Amarillo post office for the past 18 years. [Star Photo]

Assistant PM Named For Friona Office

Dewayne Howard, 37, was added to the staff at the Friona Post Office this week, assuming the position of assistant postmaster.

Howard, who has 18 years of postal service in the Amarillo Post Office, reported for duty at the Friona office on Thursday.

The new assistant postmaster has most recently been the "accounting paper custodian" for the Amarillo Sectional Center. As such, he was in charge of dispensing postage stamps to 104 area post offices and 30 substations.

Howard started as a substitute clerk, became a window clerk, was later foreman of mails and later station operator at the Amarillo office. "I've done just about everything there is to do in post office work," he says.

A native of Wingate (near Abilene), Howard and his wife Linda are the parents of three boys—Don, 14, Lyndal, 12 and Stephen, seven. The Howards plan to move to Friona as soon as housing arrangements can be made.

The appointment of Howard to the assistant postmaster's position fills the vacancy created when Orma Flippin retired this past summer.

Big Delegation Back From TCFA Meeting

A large delegation from Friona was on hand in Houston the first part of the past week for the annual convention of the Texas Cattle Feeders Association.

The convention delegates heard experts in various fields affecting the cattle industry, or affected by it, during the three-day affair.

Two special airplanes took delegates from the Amarillo area to the convention, which was held at the Rice Hotel.

Appearing on the program were Mrs. Anne Armstrong, consumer advisor to President Nixon, and Dr. Michael DeBakey, famed heart surgeon, who reviewed recent advancements in heart diseases.

Others on the program were John Huston, Beef Industry Council, Chicago, George Spen-

United Fund Gains 89 Per Cent Status

The Friona area United Fund drive for 1973 continued to climb toward its established goal, according to a report Thursday from Byron Hardgrove, general chairman of the 1973 drive.

Hardgrove reported that as of Thursday, a total of \$6,602.36 had been raised—representing 89 per cent of the 1973 goal of \$7,404.00.

The figure reported on Thursday represented an increase of \$899.50 from the amount reported a week earlier, when 77 per cent of the goal had been raised.

The general chairman indicated that the current figure, which is still \$801.64 short of the goal, represents donations from all segments of the area.

"All areas—both in the city and in the rural area have at least been heard from," Hardgrove said. It was indicated that at least one rural area still might add considerably to the total, and that one or two sizeable checks might be forthcoming from large corporations.

"There is the possibility that we may have to hold a follow-up drive within the city of Friona, but this will only be as a last resort," Hardgrove said. The 1973 drive chairman pointed out that the current total in all likelihood represents a new record for Friona, since the current budget is 25 per cent above that of last year.

"However, we are not settling for a record only—we're going to reach our goal," Hardgrove vowed. It was pointed out that any company or individual which has not been personally contacted but wishes to be a part of the Friona UF drive may leave their donation at Friona State Bank, as some already have done.

Chieftains Roll Up 40-0 Win In Finale

Scoring three of the first four times they had the football, and three of the last five times, Friona's Chieftains were totally unfriendly to the visiting Indians from Morton here Friday, rolling up a 40-0 win over the visitors.

The win, in the final game of 1973, gave Friona a fine 6-4 season record against one of the toughest schedules Friona has played in recent years.

Clay Bandy had a great night passing for the Chieftains. Included in his five pass completions were two touch-downs, another pass which set up a touch-down. In addition, there was a 60-yard touchdown pass play called back because of a penalty.

The game was less than two minutes old when Ricky London, linebacker, jumped on a Morton fumble at midfield after Morton had taken the opening kickoff.

After two first downs by rushing, Bandy sent Gene Strickland deep, lofted a long pass, and Gene Gathered it in for a 24-yard touch-down. Kenny Stowers' kick gave Friona a 7-0 lead which proved to be enough.

The inspired Chieftain defense became wicked. Clay Bandy sacked Morton quarterback Ralph Mason at the Indians' one yard line.

Ted King returned the Morton punt to the Indian 18, and then proceeded to gain 15 yards in four carries, the last one getting six points from two yards out. Kenny Stowers, who kicked the points Friday, made it two for two and a 14-0 lead.

A 52-yard pass play, Bandy to Dale Cleveland threatened to make the margin even bigger, but another passing attempt was intercepted to halt this Friona threat. Friona recovered a Morton fumble at the Indian 30, and cashed in for seven more points. King again got the points, on a one-yard slant. Stowers made the count 21-0, only 2:53 into the second quarter.

Morton's farthest first-half drive got to the Friona 22, where a halfback pass on fourth down failed to materialize.

The halftime break seemed to interrupt Friona's momentum. The Chiefs looked almost as bad in the third quarter as they had looked good in the second. However, their defense held together, and Morton couldn't capitalize on the momentary lull.

The sleeping giant awoke in the final stanza. King crashed for two first downs, Bandy kept for a nice 22-yard gain, and then hit Cleveland for a 24-yard gainer. Dale making a fine diving catch at the Morton one.

Dave Carthel converted on the first down, for a 27-0 score, as the kick went wide.

Friona pounced on a Morton fumble at their 13, and on the second play, King took the pitchout and won the footrace to the right corner of the end.

[Continued on Page 13]

AT BOVINA TUESDAY

Mahon To Speak At Ceremonies

CONGRESSMAN GEORGE MAHON

Congressman George Mahon confirmed this week that he will be the principal speaker at the ground-breaking ceremonies for the Running Water Draw Watershed Project. The ceremonies have been scheduled for Tuesday, November 20, beginning at 10 a.m.

A reception honoring the congressman has been scheduled for 11 a.m. at the First State Bank in Bovina.

Appearance of the longtime congressman from the 19th Congressional District was arranged by F.F. (Flip) Calhoun of Plainview, one of the leaders in the long fight for construction of the floodwater retention structures.

The ceremonies will be held about a mile and one-half northwest of Bovina on the site where dirt work will be underway on the dam project. To get to the site, turn right at the blinker light at Bovina and

watch for the sign about a mile up the highway.

A.L. Black of Friona, a member of the local Soil and Water Conservation District board of directors for over 20 years, and former state director, will serve as master of ceremonies.

Actual groundbreaking will be done by County Judge Archie Tarter and Leon Grissom, present SCD district chairman.

Prior to the main address, Judge Tarter will give the official welcome to the visitors to Parmer County.

In the event of bad weather, the entire ceremony will be held at the Bovina School Auditorium. A check of the records this week revealed that the original efforts on the Running Water Draw Watershed project were started back in 1959.

Some of the sponsors of the watershed are the Parmer County SWCD, Parmer County Commissioners Court, the Central Curry SWCD, the Curry County Commissioners Court and the City of Clovis.

The project covers 227,782 acres in five counties spanning across the state line into New Mexico. Counties involved include Curry County, N.M., Parmer, Castro, Swisher and Hale counties of Texas.

There are three flood control structures planned, one in New Mexico and two in Texas. The two on the Texas side are both in Parmer County. Besides the dam to be constructed on Catfish Draw (the ground-breaking site), another will be built just inside the county east of Lazbuddie.

In addition, some four dams are programmed for the lower Running Water Draw in Castro and Hale Counties. Groundbreaking was scheduled at the Bovina site, which

is labeled "Site Number Two," since this will turn out to be the first dam to be constructed.

Originally, a dam on the main draw was planned to be built first in Curry County, but due to legal problems involving rights-of-way in the Curry project, the Bovina site was the first to be ready.

The Parmer County Commissioners Court has invested over \$23,000 for planning and rights-of-way for the project, since the court agreed to become a sponsor in 1968.

Good conservation practices had to be applied before work could start. Local landowners cooperated in this effort. Some of the names that appear in the early efforts are A.L. Black, Andy Hurst, J.W. Gammon, A.L. Hartzog, Melvin Sachs, Wendol Christian, Loyde Brewer, Carl Schlenker, Bruce Parr, O.T. Lesley and Robert Calloway.

Some of the milestones leading up to next Tuesday's groundbreaking are as follows—

1959—original application was made.

September, 1960—original application turned down by federal government.

March, 1962—Re-application was made.

January, 1965—Watershed approved for planning.

November, 1968—The plan was approved by local sponsors.

May, 1970—Project was approved for operations.

April, 1971—All land rights were cleared.

Oct. 1, 1973—Bids for construction were opened for Site #2 on Catfish Draw.

Oct. 22, 1973—Contract awarded to Wilson Construction Co., El Reno, Oklahoma.

Nov. 20, 1973—Official Groundbreaking Ceremony, 10 a.m.

THANKSGIVING WEEKEND provides an almost unreal opportunity for the football fan this year, and along with this, another chance for the non-sports loving wife to get a case of hysterics. We have seized on the opportunity of including most of these "Turkey Day" games on our next-to-last weekly football contest, and fans who enter the weekly event need to be on guard for the earlier deadline than usual this next week. Thursday noon will be the cutoff date this week, and if fans wait until their habitual Friday afternoon to get their entry blanks in—they will already have missed some of the big games. So, if you're a contestant, be forewarned. Of if you're married to one, or have one as a son, daughter, or unemployed "son-in-law, be sure to remind them, especially if they're still in a good place in the standings. With two weeks remaining in the contest, it's no time to miss out. And we think you'll want to try your hand at the week's lineup of games, which we personally think includes more contests in the "loss-up" category than any yet this year. So get your entry in early—and then enjoy Thanksgiving weekend. ***** DON'T KNOW if this is another typical government faux pas or not, but we were being told a while back about some [Continued on Page 9]

Letters to the Editor

Dear Mr. Ellis,
I think most of the farmers realize that the City Officials of Friona are not deliberately trying to make it hard on them by now answering fire calls out in the country. But I certainly don't know why they would expect the County Officials to give Friona more money in order for the fire trucks to take care of the farm fires.
You know that all the elected officials at the County Court House are residents of Farwell, and as far as anyone in Farwell is concerned, Friona and all the surrounding area could burn to the ground and never be heard from again. And it certainly makes no difference to them that Friona is the largest town in the county.

For that matter, it makes very little difference to Friona people either. We had a chance to put a local man (Preach Edelman) in the courthouse as County Judge a few years ago. And with the largest voting percentage in the county it should have been a cinch to get him in office. Then we might have seen a fair share of allotments coming this way. But Friona didn't see fit to back their local man and the Farwell bunch kept control of the office.
Until the citizens of Friona and the outlying area see fit to pull together instead of always in opposite directions, they need not expect progress.
It would seem that restricting the County may be the only solution to this problem. Would you please print something in your paper about how to go about doing this?
Sincerely,
Mrs. Marian Wells

Dear Bill,
I want to thank you for printing your views on the President's speech last Wednesday night.

We have listened to so much Watergate and "Impeach the President" till it has become almost a chant among people, for someone to say "Impeach the president," and the whole crowd will take it up never giving a thought as to what impeachment is all about.

I doubt very seriously that one person out of one hundred if asked what does impeachment mean, could even give an answer. Sure I know we all make mistakes, but remember he was the people's choice, and "Watergates" have been going on in government longer than I have been around, so why heap fire upon the president's head and sear his soul.

If we are going to be a Christian nation (and I am oft made to wonder) let's get started and stand behind our president right or wrong—we know he can't be wrong on all counts.

And that little dish full that was laid on his shoulders when he became our president was quite a job and a man had to be pretty broad-minded to want to take on such a responsibility, so let us give credit where credit is due.

This is my country, land that I love, I wouldn't trade it for any other country and their government and way of living on this earth.

WOULD YOU?
Mrs. Olive Rector

School Activities

November 26-30

Monday, November 26-Basketball games with Tulla, there, 6:30 p.m.; 7th, 8th and 9th Grades play basketball with Muleshoe, 5 p.m. Girls play here, boys play there.

Tuesday, November 27-Basketball games with Muleshoe, there, 6:30 p.m.

Thursday, November 29-Friona basketball tournament, Nov. 28, 30 and 31.

Friona School Lunch Menu

Week of November 19 and 20
MONDAY—soup and chili, sandwiches, cookies and milk.
TUESDAY—potato chips, hamburgers, fruit jello, lettuce, tomatoes, pickles and milk.

Friona Flashbacks

... from the files of the Friona Star

35 YEARS AGO—NOVEMBER 19, 1938

Friona State Bank announced changes in its banking hours to become effective December 1. The change was made in order that the bank employees may be better able to serve their customers. The new hours are 9 a.m. to 12 p.m. and 1 p.m. to 3 p.m.

Friona Woman's Club met in the home of Mrs. G. Cranfill Wednesday, November 17. A book review on "Soldier of Fortune," was presented by Mrs. M.C. Osborn.

30 YEARS AGO—NOVEMBER 19, 1943

For the second time this season, the Dimmitt Bobcats overpowered the Friona Chieftains. The score for Friday night's game was 18-7. This was the last home game of the season for the Chiefs. This win made the Bobcats champions of District I-A. They will play the winner of District II-A in the near future.

Basketball practice starts Monday for the Chiefs. The Squaws began practice last Monday. Their first games will be played Friday night.

25 YEARS AGO—NOVEMBER 19, 1948

The Board of Directors of the Friona Library Association, met Tuesday, November 9, to discuss plans for moving the City Library to quarters provided on the first floor of the Legion Hall. As soon as the moving of the library has been completed, the library hours will be changed so as to make it more convenient for public use. Any one having books to donate to the library should notify librarians and they will see that the books are picked up. The books may be turned in at the library.

20 YEARS AGO—NOVEMBER 19, 1953

Grain harvest is probably at its peak now, and completion is expected over the weekend with continued ideal harvest weather prevailing. Reminiscent of a few years back when wheat trucks blocked the roads in Parmer County, truckloads of maize this week had to wait their turn before unloading at elevators reaching their capacity storage until rail and truck transport could empty bins. All elevators are shipping out as fast as possible, making room for the still arriving grain.

Mechanical cotton strippers have been put into use this week and the local cotton gin is operating day and night.

15 YEARS AGO—NOVEMBER 20, 1958

A 19-year-old boy, Samuel Leija was arrested Friday and later charged with "theft of the mails" following an investigation Friday morning. The boy was caught when he attempted to cash a check that was made out to Southwestern Public Service Company. He was accused of removing mail from several other businesses' and individuals' boxes in Friona post office.

10 YEARS AGO—NOVEMBER 21, 1963

Friona Future Farmers of America chapter won three first place awards at the district leadership contest held in Muleshoe. Friona had six entries. The three entries that didn't win first place, won second, fifth and sixth places. The three first place teams won the right to represent the district in the Area I contest next month.

Friona's United Fund Drive will hold its kickoff breakfast on Thursday morning, December 5, according to Bill Sheehan, chairman of this year's local drive. This year's goal has been set at \$7,000.

5 YEARS AGO—NOVEMBER 21, 1968

J.C. Walker, executive vice president of Missouri Beef Packers, Incorporated, announced the promotion of Dave LaFleur to plant manager of Missouri Beef Packers, Incorporated, Friona, Texas division. He will also maintain his former position as production manager for their Rock Port, Missouri division.

A special committee of the Friends of the Library organization met this week to begin the group's first membership drive.

Give Thanks

ON FUEL PUMPS

Require Retailers To Display Price

"Because of recent changes in the Phase IV petroleum regulations, all gasoline and diesel fuel retailers must obtain new ceiling price stickers for each pump or grade of petroleum sold," Walter I. Perry, Administrative Officer of the Internal Revenue Service (IRS) office in Plainview, said Monday. The new stickers are now available at the IRS office. New pump stickers and instruction-computation forms may be picked up at the IRS office at 1403 West 5th Street, Plainview, Texas 79072. Written requests for stickers and instructions may be made at the IRS office listed above. Retailers should notify the number of stickers they will need.

"The new stickers should be posted on each pump in a prominent position to be easily seen by the customer. The old sticker should then be removed," Perry said. If more than one grade of gas is sold from the pump, a separate sticker must be posted for each grade. Stickers must contain the new ceiling price and the minimum octane of the gasoline. Anticipating additional changes, The Cost of Living Council (CLC) designed the stickers with four numbered blanks for inserting the ceiling prices for November 1973 through February 1974. Under revised CLC Rules gasoline and diesel fuel retailers are permitted to increase their May 15, 1973 selling price to reflect, on a dollar for dollar pass-through basis, their increased petroleum costs. This can be done no more than once a month. Whenever an adjustment is made to the maximum

permissible price, each retailer must adjust his posted price. "On the reverse side of the posting instructions is a form which dealers must use to compute their ceiling price," Mr. Perry said. This sheet must be retained at the service station for IRS inspection to determine compliance with the new regulations. These new stickers must be posted on pumps by 11:59 p.m., November 21, 1973.

Date, Speaker Told For Chamber Dinner

The annual Chamber banquet date and speaker choice occupied most of the discussion at the monthly board meeting of the Friona Chamber of Commerce Tuesday morning at the Farmer House Restaurant. The board heard a proposal from Friona High School's Student-Faculty Congress, which would enable the SFC to share the banquet speaker with the student body. The SFC offered to assist with the expenses involved in getting a top-notch speaker.

Mark Shackelford, SFC president, made the proposal, which was enthusiastically endorsed by the Chamber board. On Shackelford's recommendation, the Board voted to ask Art Holst of Peoria, Illinois to be the banquet speaker. Mr. Holst comes highly recommended, having spoken to the Hereford Chamber of Commerce last year.

Date chosen for the banquet was March 1, which was

the prime date that Holst could be secured. It was thought that the speaker could appear before the Friona High School student body while in Friona.

"We like to have three or four top-notch speakers during the year, and this would help us achieve our goal, as well as helping the Chamber," young Shackelford told the Chamber directors.

In other business, the board voted to dispense with its annual Christmas lighting contest, in keeping with the trend toward saving energy (electric power) during this Christmas season. It was brought out that the City of Friona was considering not using its street light sets this year, a decision other larger cities have made.

A nominating committee composed of Carroll Gatlin, Floyd Reeve and M.C. Osborn was appointed to select eight nominees to fill four places on the Chamber board. This election will be held during December.

The possibility of the chamber purchasing specially designed entryway mats was discussed, but was tabled with no action.

Pep Has Annual Holiday Dinner

At a Parish meeting Sunday it was voted to have their 28th Annual Thanksgiving Festival, Thursday, November 22, 1973, in St. Philips Parish Hall and Educational Building.

The Pep Famous Sausage, turkey, dressing and all the trimmings will be served from 11 a.m. to 2 p.m. and 5 to 7 p.m. Adult plates will be \$3.00 and children under 10, \$2.00.

Preparations are being made for carnival attractions during the day for all ages. General Auction at 6:30 p.m. A dance will start at 9 p.m. The music will be provided by a Western Band.

Make your plans now to come to Pep, Texas Thanksgiving Day November 22, 1973, to enjoy the good food, fellowship and fun.

Everyone is invited to attend.

PUMP STICKERS...The above gas pump sticker must be posted on all fuel pumps by Wednesday, Nov. 21, according to Internal Revenue Service officials. Box one is for November ceiling prices and numbers two, three and four for December, January and February ceiling prices.

The Truth Will Make You Free

Terry Brown, Minister Sixth Street Church of Christ

"Set your minds on things that are above, not on things that are on earth" (Colossians 3:2). Paul gave this admonition to the Colossian Christians, because they had died and had been raised with Christ (Col. 3:1-4). Had they really died physically and experienced a resurrection?

The death and resurrection that Paul meant was a spiritual one. "You were buried with him in baptism, in which you were also raised with him through faith in the working of God" [Col. 2:12]. They had experienced a spiritual death and resurrection when they were baptized into Christ. Paul says this also in Romans 6:3-7. The death is a dying to sin, and the resurrection is the beginning of a new life in Christ.

Therefore, the Christian is to do away with his earthly, sinful desires [Col. 3:5]. "You have put off the old nature with its practices, and have put on the new nature" [Col. 3:9-10]. In the place of these earthly desires, the Christian is to put on compassion, kindness, lowliness, meekness, patience, love, and other Christlike attitudes.

One can see the important place of baptism in the scheme of things. Baptism is the beginning of the Christian life. That is when one dies to sin and is raised to a new kind of living. This means also that baptism into Christ is only the beginning. The true Christian does not stop with this initial act. Rather, he continues to grow into the likeness of Christ.

LIFE STYLE OF THE FUTURE

What will be the life style of the future? One thing we can be sure of... it will revolve around electricity. Without electric energy there is no hope of getting the pollution eliminators that only electricity can operate.

We'll need our factories, our refineries, our water treatment plants... all the things necessary for survival in a modern civilization.

But, without electricity none of these can function.

That's why our industry and we, as a Company, continuously plan for the future... contribute toward research and development of better, more efficient ways to get electricity to you.

We know we'll be needed in the future even as we are now... and we'll be there when the time comes... even as we are now... making sure that every kilowatt you buy is 100% usable.

Your future is ELECTRIC!

Local Judges Attend Training School

Two justices of the peace from Parmer County were among the 72 judges who participated in a regional 20-hour in-service training school held in Amarillo October 23-26.

The training school was held under the auspices of the Texas Justice of the Peace Training Center, headquartered at Southwest Texas State University in San Marcos. It was the second in a series of 10

which will be held throughout the state.

The justice of the peace training program is part of the State Criminal Justice Plan and is funded by the Governor's Criminal Justice Council.

The in-service training school was designed to help satisfy judicial training requirements set forth by the state legislature. As a result of bills passed by the 62nd and 63rd

legislatures, justices of the peace must complete a 40 hour course in the performance of their duties within one year of taking office and then complete one 20-hour course each year thereafter.

The local judges participating in the Amarillo program were Judge Wilbur Charles of Precinct 3, Bovina, and Judge Ray E. Mears of Precinct 1, Farwell.

ADVISORY BOARD

Bank Initiates New Program For Youths

Friona State Bank has instigated a "Youth Advisory Board" this fall, utilizing a group of Friona High School youngsters in an effort to bridge the "generation gap," and find out how the local business community can better serve the youth of our city.

The program was set up to be a "sounding board," where we will try to reach some common ground between the business community and our young people," according to Robert Neelley, bank president.

Neelley said he thought the program should be of help to the students in the areas of awareness of the business world, occupational choices and leadership development. On the other hand, the bank and other businesses could benefit by the development of ideas for better serving our youth, he points out.

It was thought that the Youth Advisory Board could give the young people a better rounded education, as to their present and future places in the community.

"It's a starting point. We hope to follow through with the program on a year-to-year basis, and to not only stimulate the young people's sense of civic responsibility, but also to perhaps spark an interest in their business awareness," Neelley said.

The board is made up of ten FHS students. They are Teresa Baca, Jeanine Jarboe, Jimmy Murphree, Pam Lindley, Mitchell Wiseman, Dale Cleveland, Dale Parsons, Mary Beth Bennett, Vicki Pryor and Bob Lewellen.

The board holds monthly meetings with bank president Neelley, at which time they discuss their ideas concerning the community and how they relate to it.

YOUTH BOARD...Friona State Bank's Youth Advisory Board is shown during a recent meeting. Left to right are Pam Lindley, Mitchell Wiseman, Bob Lewellen, Vicki Pryor, Dale Parsons, Jimmy Murphree, Dale Cleveland and Mary Beth Bennett. Not present were Jeanine Jarboe and Teresa Baca. [Star Photo]

Renewed Christian Faith Changes Life's Direction

Read Matthew, 11:25-30

Come to me, all who labor and are heavy-laden, and I will give you rest. (Matthew 11:28)

One of the symbols of the changing patterns in life is the abandoned railroad depot. Some depots have been converted into warehouses; one in a small town is a real estate office.

If know of one, quaint in its setting, which had been closed for years. An imaginative person purchased it and had it moved to his lot. The old depot has been renovated and a family now lives in it.

The romance is largely gone in making a building originally to cater to transients into a home for permanent residence. It is no longer the scene for dramatic good-byes and welcomed reunions. No one shuffles in and out of its doors and cries, "All aboard!"

Our Lord intended the church to be a way station for the transients-the pilgrims-of this life, many of whom are burdened by heavy loads. Christ said, "Come to me," and we are to take up the chant, "All aboard!"

PRAYER: O God, help us this day to be as open to the needs of others as Thou hast been to us. May we rejoice in the company of one another. In Thy Holy name. Amen.

THOUGHT FOR THE DAY

The Christian faith is a depot where we can change direction toward new life.

--John M. Younginer, Jr., Newberry, South Carolina

Jaycees Urge Participation

Friona Jaycees will sponsor a turkey shoot this weekend, November 17 and 18. Friona Gun Club will supervise the activities.

The proceeds from the shoot will go in part toward the Boy Scout building fund.

The shoot will start at 2 p.m. each day. The activities will be held 1/2 mile east of Friona on the Hereford Highway.

Prizes will be awarded in the \$3.00 and \$2.00 divisions. Turkeys, hams, slabs of bacon and cash prizes will be given away during the two days.

Each contestant will shoot against five people in each event. Shells will be available.

The Jaycee-ettes will be serving refreshments. Everyone is invited to attend.

7th Graders Are Winless

Friona's luckless seventh grade Braves finished their season without a win, falling to the Muleshoe team, 32-0 on November 8 and dropping a 28-0 game to Littlefield here this past Tuesday.

In the Muleshoe game, the Muleshoe team scored on a 70-yard drive to open the game, and scored twice more following Friona fumbles, to take an 18-0 lead at halftime.

The winners added two more TDs in the second and a two-point conversion for the final margin of 32-0.

Again in the Littlefield game, the Braves fell behind 20-0 at the half. Friona had a touchdown run by Kevin Kothmann called back in the fourth quarter because of an offside penalty. Final score was 28-0, Littlefield.

8TH GRADE BRAVES...Standing, left to right, Coach Morgan, Lex Stanfield, mgr., Tommy Schilling, Glen London, Terry Wilcox, Raul Brailiff, Edward Castillo, Paul Ortiz, Seferino Leal, David Morales, Danny Hand, Eddie Brailiff, Charlie Pena, Sandy Peters, Norman Kothmann, Jimmy Fallwell, Timmy Barnes, Luis Rodriguez, Cipi Aragon, Johnny Spring, Bryan Gore, Lucas Constanco, Brett Beavers and Coach Davis. PASS COMPLETION...Dale Parsons gathers in this 33-yard pass from Clay Bandy in the fourth quarter of Friday's game, and then drove for a first down after Friona had faced second down and 33 to go. Parsons had a 60-yard scoring pass called back by a penalty. Friona won, 40-0.

THANKSGIVING

Family, Friends, Food and Fun
Gather 'round the Holiday Table

The traditional Thanksgiving turkey, carved by father and served in bountiful abundance with all the trimmings to all the family, is just one of the many high points of Thanksgiving Day.

Traditional, too, is the thoughtful pause to remember and to be especially grateful for the many blessings that increase day by day.

Will Closed Thanksgiving

Eighth Grade Lose To Muleshoe

Friona Eighth Grade Braves lost their contest at Muleshoe last Thursday by a score of 24-6.

Two bad breaks on punt attempts gave the Muleshoe team a 16-0 lead, and Friona was unable to overcome this advantage.

Early in the second quarter, with Friona facing a punting situation at their 17, the snap was fumbled, and Muleshoe recovered at the Friona five. The Mules scored in two plays, and added two points running for an 8-0 lead that also turned out to be the halftime score.

Then early in the second half, as Friona again attempted to punt, the Muleshoe defenders broke through and blocked the punt this time, the ball was caught in the air and ran in for the touchdown. Another two-point PAT gave Muleshoe a 16-0 lead.

At this point Friona got into action. Terry Wilcox intercepted a Muleshoe pass at midfield and ran it back to the Mule 23-yard line. In just five plays, Friona was on the scoreboard. A pass to Ernest Mills gave Friona a first down at the nine.

Glen London carried to the four, and then Wilcox carried across for six points. A fumble on the PAT try kept the Braves from making two points, and the score became 16-6, Muleshoe.

Late in the game, the home team tallied again on a 44 yard run, and again added the two-point play for the final margin of 24-6.

7TH GRADE BRAVES...who concluded their season this week are, standing, Randy Richards, Jimmy Taylor, Farron Young, Darcy Renner, Chris Barnett, Kevin Kothmann, Mark Gammon, Mike Hutson, Joe Pedroza, Randy Patterson, Justin McNeely, Robert Lee Felder, Jeff Peak, Park Weatherly, Pat Reznik, Chris Wylie, Tommy Villalobos, Jesse Soliz and Coach Waldrop. Kneeling, Bron Euler, Mark

Bavousett, Danny Mendoza, Douglas Ball, Johnny Clark, Toby Strickland, Phillip Veazey, Stephen Miller, Richard Anderson, Roger Coffey, Stephen Dortch, Larry Ball, Tony Melugin, John Ingram, Fred Salinas and Coach Davis. Seated, Bobby Davis, Fred Garza, Kenneth Walters, Ky Graham, Ricky Taylor, Dean Benham, Gary Schueler, Larry White, Jimmy Soliz, Bret Ustes and Roy Caballero.

FHS Twirler Older, Bigger Team Is Featured Takes Toll On Frosh

Cindy Lundy was featured Friday night during halftime activities of the Friona-Morton football game.

Cindy is a twirler for the Friona High School band. She will do a twirling routine with fire.

She is the daughter of Mr. and Mrs. Leroy Lundy and is a sophomore at Friona High School.

Friona's Freshman Chiefs tains dropped their game at Muleshoe last Thursday, 28-6.

It practically amounted to the Friona freshmen playing Muleshoe's junior varsity, since the Mules don't have a B-team, and had cancelled their match with the Friona B-team.

The older and larger Mules were almost impossible for

Friona to cope with. Kelvin King, Benito Castillo, Joe Menefee and Joe Lafuente were either carried off the field or had to be helped off.

King received a wrenched knee, which ended the season for him.

Muleshoe took a 7-0 lead in the first quarter. On the play King was hurt and taken to the hospital.

The score became 14-0 in the second quarter, as Muleshoe drove 65 yards for the score.

Friona then received the kickoff, with Keith Martin returning it 28 yards to the 45-yard line. Friona drove to the Muleshoe 14, but lost the ball on downs.

Muleshoe took the second half kickoff and drove 61 yards for their third score. A kick again made the score 21-0.

Early in the fourth quarter, Friona got on the scoreboard. Trailing 28-0, Leslie Broadhurst made a good kickoff return to the 41 yard line. Martin ran around end to the Muleshoe 32. A face-mask penalty against the young Mules added 15 yards to the gain.

Broadhurst gained five to the Muleshoe ten, and then five more. Then Martin pitched out to Broadhurst and he got the final five yards and the TD which made the final margin 28-6.

THE 'OTHER' PICKUP IS COMING WATCH FOR IT IN FRIONA

Thanksgiving

[Continued from Page 1]
high-powered anti-pollution that had been installed at the Co-op Gin (formerly Chester Gin).

In the past, we don't recall the smoke ever being a drastic problem to the city. In fact, we personally always kinda enjoy the smell of the burning cotton burrs (being raised in cotton country no doubt).

However, with the beginning of gin season, we noticed one day or so that the gin smoke almost created a smog problem for the city—it had cloaked the place like a low-lying fog.

So, if that's the result of the required anti-pollution machinery, it appears that it might be like so many of the other government deals—someone has been out a bunch of money, and the "problem solving" is debatable.

**Early Mailing Urged
By Postal Officials**

Postmaster Wright Williams today joined Postmaster General E.T. Klassen in urging the residents of Friona to post their domestic and foreign Christmas mail one to two weeks earlier than the Postal Service originally recommended, so that the energy shortage will not interfere with on-time deliveries.

Williams said.

The new deadline for posting domestic first-class Christmas mail is December 8 rather than December 15, as previously announced. Domestic surface parcels, except those for Alaska and Hawaii, should be mailed by December 3, instead of December 10. To Alaska and Hawaii, mail by November 23 instead of November 30.

Airmail parcels and letters within the United States (except Alaska and Hawaii) should now be posted no later than December 15, rather than December 21. To Alaska and Hawaii, mail by December 13, rather than December 20.

"The seriousness of the fuel shortage to the Postal Service is underlined," Postmaster Williams said, "by the fact that in addition to the fuel consumed by commercial air carriers, we require approximately 350-million gallons of fuel to travel 2.25-billion miles delivering the 90-billion pieces of mail that flow through the system each year. Our requirement for the month of December alone is 45-million gallons."

Postmaster Williams said that "public cooperation on meeting these new, advance mail early dates is needed to help us complete all Christmas deliveries."

Sincerely Yours

By Rev. Albert Lindley

I WAS QUITE TAKEN by the article by the guy in Lubbock who tried out the 50 mph concept of the President, on a recent round-trip from Lubbock to Canyon.

In fact I was so impressed that I tried it out on a trip from Hereford, home, the other night. (I was in a hurry to get there so just drove the regular speed limit.)

I noticed some things about the experience.

First of all, that I was the only one with the idea soon became very evident by the fast traffic that continued to pass me.

The only thing I passed was a car making a U-turn.

The traffic would come up behind me very fast before noting my slow speed—then would slam on their brakes or swerve around me. I thought I was going to have to pull a couple out of my tail pipe....

One rather shattering observance came in the fact that the first thing I knew I was being passed by a train. Why I don't think I've been passed by a train since the 35 mile limit during W.W. II. I still think I noted a grin on the guy in the caboose....

I must admit I did speed up once to check the speed of the train and after confirming my suspicion, I once again slowed to my 50 and came on in, my first 27 minute trip from Hereford.

Yessir, it will sure take some adjustment—when I find the time, say a day or so, I think I'll make a round trip to Amarillo, the new way....

Just so this article will have some worth to it I will leave you with this bit of info. It is said that the first two cars in Dallas County, one day ran into each other at a street corner....Probably going too fast....

HOWARD HONORED...Valton Howard, left, received a certificate and a \$25.00 bonus after completing five years of accident-free driving as a Friona postman. Postmaster Wright Williams presents Howard the "Driver of the Month" award from the Amarillo Sectional Center. Howard has driven over 20,000 miles without an accident. [Star Photo]

**Classes For Adults
Slated For Nighttime**

An adult basic education class will begin Monday, November 26, at Friona High School, it was announced this week by Superintendent of Schools Alton Farr.

The class, which is free of charge, will be for adults who need the basic fundamentals of reading, writing and mathematics.

Classes will meet two nights each week. Class members will decide upon the nights the class will meet during the first session. There is no age limit for the class.

"Last year we had class members between the ages of 19 and 65," said Farr, who urged farmers and other employees to encourage any employee who might benefit to

attend the class. The course can be particularly beneficial to anyone needing to learn English.

The program is co-sponsored by state and federal agencies, being handled through the Educational Service Center number 16 of Amarillo, a state education agency.

This will be the third year for a class in Friona. Mrs. Wana Brewer, who has taught both of the previous years, will again be the instructor.

The class will meet for eight weeks, or approximately 100 hours of class time.

It is believed that Friona will be the only school in Parmer County to offer the course, which has previously also been offered by Bovina.

PLAIN TALK About The FUEL SHORTAGE!

"When I first introduced Flex-O-Glass in 1924, I could never imagine that 50 years later America would be faced with a serious fuel shortage — in which Flex-O-Glass would be such an economical way of helping millions of homes stay warmer this winter. Flex-O-Glass saves both fuel and money. Homes protected against winter wind and zero weather with Warp's Flex-O-Glass can actually save up to 40% on fuel costs." *Harold Warp*

Make Winter-Tight, Draft-Free Windows, Doors, Porches and Breezeways

Warp's CRYSTAL-CLEAR FLEXIBLE PLASTIC **FLEX-O-GLASS** ONLY 39¢

EASY TO INSTALL

Just Cut FLEX-O-GLASS to Size and Tack Over Screens

More heat is lost through windows than from any other part of the house. In fact a 1/8" crack around a standard size 3 ft. by 6 ft. window equals a 5 inch square hole in the glass. That's why it pays to seal drafty windows by covering them with Warp's Flex-O-Glass.

FLEX-O-GLASS is the ONLY Plastic Window Material GUARANTEED FOR 2 FULL YEARS!

Books May Be Checked Out Of Local Libraries

In a neighboring town on business, or to visit the hospital, or attend a wedding? Check out a book!

Ten public libraries of the Texas Panhandle now recognize library cards or personal identification used by any of the others for checking out printed materials.

Included are libraries in Amarillo, Borger, Pampa, Canadian, Dumas, Friona, Hereford, Panhandle, Perryton and Spearman.

Six other member libraries of the Texas Panhandle Library System have not yet qualified for this reciprocal borrowing arrangement, which must be specifically approved by the governing body of each local library.

Set up as a pilot program by a Texas State Library grant of \$750, the experiment under way is to determine the

feasibility of opening up borrowing privileges of all libraries to users of all others in a sparsely populated area like the Panhandle.

Identification used by one library is accepted by all. Books should be returned if at all possible to the lending library, otherwise may be returned to the borrower's local library. At present, non-book materials cannot be included.

Rules of the lending library are observed as to time period for checkout, fines, and any other restrictions.

Member libraries are reimbursed from the state fund based on the number of loans made per month. The fund pays other miscellaneous expenses, such as postage on books not returned directly. Beginning in April with the first two libraries to qualify, the number participating reached ten in October.

At Home In Parmer County

Jana Rranger

IMPROPERLY THAWED meat is one of the most common sources of food-borne diseases, according to a foods and nutrition specialist.

Bacteria which cause these diseases grow and multiply at temperatures between 40 and 120 degrees F. When foods remain in this 'danger zone' for three to four hours, they can become unsafe to eat.

Only heating food to 170 degrees F. and above for a period of time kills the bacteria. Freezing doesn't simply retard their growth.

The specialist offered several precautions to insure meat safety.

Thaw all meats-including poultry-in the refrigerator. Or, to thaw meat items quickly, place wrapped packages under cold running water.

Both methods, keep meat out of the "danger zone" for bacteria growth.

Fresh or freshly-thawed ground meat, fish or poultry should be refrigerated and used within 24 hours.

Roasts or large steaks, on the other hand, keep in the refrigerator for 48 hours. If fresh, freeze these items for longer storage periods.

When preparing poultry, cook until done throughout-with an internal temperature of 180 degrees F.

Also cook pork to the well-done stage, or 170 degrees F.

If planning to stuff poultry or pork chops, wait until just before placing them in the oven to stuff the cavity.

With today's high food prices, don't waste food by letting it spoil-and never endanger the family by serving unsafe food.

It's amazing how excited some people can get over little things.

Your best friend won't bother to announce that fact to you.

On The Farm In Parmer County

By R. MACK HEALD
County Agent

FERTILIZER-USE INFORMATION will be presented to fertilizer dealers and producers in Extension Districts 1 and 2 during Nov. 27 to Nov. 30, 1972.

The meetings will be aimed at stretching the limited fertilizer supply to maximize profits. The fertilizer supply situation, fertilization practices for major field crops, micronutrient disorders, and current research will be among topics discussed by industry personnel, producers, Extension specialists and Texas Agricultural Experiment Station research scientists.

Meeting locations and dates are as follows: Nov. 27 and 29-Easter Community Building in Castro County at 7:30 p.m.; Nov. 28-Alcove Restaurant, 908 West 5th Street in Plainview from 10 a.m. to 3 p.m.; and Nov. 30-at the Forrest Park Community Center in Lamesa from 10 a.m. to 3 p.m.

Details of each program can be obtained from my office in Farwell.

Those interested are cordially invited to participate in the meeting nearest to them.

Specific topics will vary in order that certain points pertinent to each area can be emphasized.

PRESENT TURKEY...Friona's Chief of Police, Bill Denney, and the Friona police department, went together and purchased the turkey which is being given in a drawing to benefit the Boy Scout building fund. Scoutmaster Pete Hollis receives the turkey on behalf of the Scouts. [Star Photo]

School Board Has Regular Meeting

Friona School Board had its regular board meeting Monday night, November 12. The board approved payment of October bills and Porter Roberts, school tax assessor-collector reported collection of \$145,444.14 during October.

Damage to the grade school building was reported with fire damages amounting to \$88,033.79. The board approved the installation of fire safety devices in cafeterias and the high school snack bar.

It was reported that two scoreboard clocks were installed in the high school gymnasium. These clocks were provided by Friona State Bank and Pioneer Cattle Order Buyers, Inc.

The book collection committee for the coming year was approved by the board. The committee will consist of four administrators and ten classroom teachers.

The adult typing class under sponsorship of Amarillo College

is under way. The class is taught by Mrs. Jackie Morgan. Twenty students have enrolled in the class.

The board reported that school would be dismissed for three days next week in observance of the Thanksgiving

holidays, with Wednesday being a work-day for the teachers in the Friona School system. School will resume next Monday at the regular time.

WELCOME TO FRIONA

This week we welcome Rev. Jimmy Robinson and family to Friona. Rev. Robinson is the new pastor of the Friona Pentecostal Church. The Robinsons and their

eight-month-old daughter, Sheila, come to Friona from Madill, Oklahoma, where he pastored a church.

Local MS Chapter Launches Drive

A number of volunteer marchers will begin their neighborhood rounds tomorrow as part of the National Multiple Sclerosis Society's Friona drive.

In making the announcement, co-chairmen Margaret Parsons and Connie Neelley said "We call on all citizens of Friona to welcome the MS marchers and to support them."

"It was pointed out that 60 per cent of the funds raised locally stays in this area, with 40 per cent going to national research.

There are 26 communities in a district with Friona in the MS organization.

The chairmen also pointed out that local businesses would not be contacted, so that homes would be the only place from which to participate in the drive.

Multiple sclerosis is a disabling disease of the central nervous system (brain and spinal cord). It attacks the substance which protects nerve fibers so that message impulses controlling functions of seeing, walking, speaking, movement and balance are distorted, sometimes even blocked. An estimated 500,000 Americans, most of them young adults between the ages of 20 and 40,

have been stricken by MS and related diseases in the years which should be most vital, most productive to families, communities and nation. Cause, prevention and cure remain unknown.

Man-that's Corn!

Mr. Farmer, before you book your Corn Seed this year, look at your neighbors' high yielding results after planting P-A-G SX-520, SX-98 or 344. He'll have high praise for the top yields, standability and threshability plus many of the other high quality characteristics found in P-A-G Hybrid Corns.

In 1973 tests conducted on the John Bridges farm 2 miles north of Earth, SX-520 yielded NUMBER ONE out of 16 hybrids entered with 10,449 lbs. (186.6 bu) per acre.

Bobby G. Free of Muleshoe plans to plant 100% of his 1,400 acres to SX-520 and SX-98 because of their extra yield, threshability and the way they stood.

On the Charlie Myers farm east of Friona, P-A-G's SX-98 yielded 11,215 lbs. (200.3 bu) per acre.

In a 1972 Briscoe County Agent Test, P-A-G 344 yielded 9,309 lbs. (166.2 bu) per acre making it the number one corn tested on the Ray Teeple farm near Silverton.

344	SX-520	SX-98
A 3-way cross highly recommended for farmers who want a Hybrid Corn just a little earlier in maturity. 344 features medium tall plants of dark green color, with large, girthy ears. This is a proven, consistent yielder.	This P-A-G single cross is a fast germinating, vigorous, high yielding "new breed". It responds quickly to a heavy, balanced fertilizer program and it's adaptable to a wide range of conditions. P-A-G researchers have been impressed with its standability under the stress of high plant populations. SX-520 is an excellent combine corn.	If you insist on "the very best", insist on this real producer. This distinctive dark green plant features relatively upright leaves for maximum light utilization. SX-98 has a bred-in "digestive system" that gives it the capacity to make full use of large amounts of fertilizer.

Find out, first hand, about the advantages of planting P-A-G Hybrid Corns and then contact your local Dealer. Order early and be sure you ask about the attractive booking bonuses available to all P-A-G customers.

Students Have Five-Day Break

Friona School students will have an extra day out of school this week, prior to the Thanksgiving holidays.

Students will be given tests on Monday and Tuesday of this week. School will dismiss at 2:45 p.m. each day.

Students will be dismissed for the holidays Wednesday.

Thursday and Friday with school resuming at regular time Monday morning. Wednesday will be a teacher's work-day, giving the students a five-day holiday.

Kindness has never yet done anyone serious harm.

Truck Wreck Kills Young Friona Man

Funeral services were held in Canyon Wednesday for Johnny Lee Smith, 28, of Friona, who was killed when the refrigerated semi-tractor trailer truck he was riding went out of control and overturned on U.S. 70, 4.5 miles east of Tularosa, N.M. early Monday.

Driver of the truck, Jack Browning, 34, of Clovis, suffered head and back injuries and was treated and released at Gerald Champion Memorial Hospital in Alamogordo, according to New Mexico State Police.

Smith, assistant driver of the rig owned by Zero Co. of San Antonio, was thrown from the huge freight truck which

carried 20 tons of meat. He had been asleep in the truck cab when the truck went off the highway, State Police said.

State Police said the vehicle was traveling west on U.S. 70 when it ran off the right shoulder of the roadway and Browning attempted to correct, but the load shifted causing the vehicle to overturn on its side.

The accident occurred about 7:45 a.m. (MST) Monday and State Police said a second truck was dispatched to the scene to pick up 67 beef carcasses in the overturned trailer.

Smith was employed by the R&M Trucking Company of Clovis and had recently moved from Roswell to Friona.

Smith is survived by his widow, Phillis, of 1300 N. Walnut, Friona; one daughter, Jennifer, of the home; parents, Mr. and Mrs. Roscoe Smith, Wichita Falls; one brother, Charles A. Smith, Huntsville, Tex.; one sister, Mrs. Marlene Howell of Canyon; and grandparents, Mr. and Mrs. Essie Lester, Lubbock, Tex., Charley Hargraves, Dike, Tex., Mrs. Lee Smith of Hollis, Okla.

Renner Wins Golf Prize

John Renner of Friona was the low net winner in the Texas Cattle Feeders Association tournament last Sunday at the Quail Valley Country Club in Houston.

Renner had a net score of 71, which tied him for low net honors. He was presented with a golf bag for his victory. The Friona golfer was second in the "low gross" category.

Also competing in the special tournament from Friona were Don Huckabee, Dale Cary and Ron Davenport. Over 100 entrants, who were delegates to the TCFA convention, competed in the tourney.

Pheasant Season Set

Pheasant season will open for the 1973 season in Parmer County on December 8. The season will remain open for two weekends, a total of 16 days.

Pheasant hunting has become a very popular time for many people locally, as well as many out-of-town visitors. People travel for several miles just to participate in this event each year.

All reports indicate that the birds are plentiful this year. This is evident in the fact that the birds are present in fields and along roadways throughout the county.

The limit will remain the same as it has been in the past. The hunter will be allowed two cocks per day and four birds in possession.

Carolyn Is 2nd Runnerup

Carolyn Murphree of Friona was second runnerup in the "Miss Wayland" pageant concluded last weekend on the WBC campus at Plainview.

Winner of the talent portion of the contest, Miss Murphree was one of 16 contestants in the event, which was won by Joan Jeter of Hale Center, a senior entry. Carolyn, a freshman student, is the daughter of Mr. and Mrs. Curtis W. Murphree of Friona. She is an English major and a music minor at Wayland.

Hunting Accidents

Texans were involved in more hunting accidents during the 1972-73 season than they were during the 1971-72 season, and more of the accidents were fatal.

Statistics compiled by hunter safety specialists of the Texas Parks and Wildlife Department

showed that 94 persons were involved in hunting accidents during the past season compared with 82 the year before. Of the more recent accidents, 28 were fatal, a substantial increase over the 20 fatalities the year before.

Twenty-four of last season's accidents were caused by

persons 16 years of younger. During the 1972-73 season, shotguns were involved in 41 of the accidents; rifles in 35; handguns in 15; bow and arrow in one and pellet gun in one. In one other hunting accident, the causative agent was unknown. Hunter safety specialists say the wearing of hunter protective

clothing, such as blaze orange or hunter orange, might have prevented 23 of the accidents involving shooter judgment such as the shooter's swinging on victim, the victim's moving into the line of fire, the victim's being mistaken for game or the victim's moving out of sight of the shooter.

Chieftains Roll Past Morton, 40-0...

[Continued from Page 1]

zone, and the score became 34-0 after Stowers converted. With less than two minutes left to play, Morton punted. An Indian player touched the ball, but Dee King pulled a "sneaky," grabbing the ball while most players thought it was dead. He headed up the sideline, and did a good job of running, going 79 yards for a touchdown before the astonished throng. A pass try for two points was off target, and Friona had a 40-0 lead.

Bovina Surprises Hart

Bovina's Mustangs ignored the fact that Hart was favored in the season-ender Friday night, and whacked the Longhorns, 26-6 in a District 3-A game at Bovina.

Ted King's 143 yards rushing gave him a fine season total of over 1300 net yards for the year. He would have been over the 200 mark Friday for the second time this season, except that three runs for about 56 yards were called back due to clipping penalties.

The Mustangs, who got stronger as the season went on, limited high-scoring Jimmy Brown of Hart to only one TD—that on a 40-yard punt return. Brown was held to only 100 yards rushing. He had been averaging over 20 points per ball game.

Scoring for the Mustangs were Billy Shelby, Bryan Fillpot (twice) and Roy Hartzog. A 19-point second half clinched things for Bovina after a tight first half.

Brenda Stanberry, Reggie McNeely Exchange Double Ring Vows

Miss Brenda Mae Stanberry and Reggie McNeely exchanged double ring wedding vows in a ceremony Sunday, November 11, at the Pentecostal Holiness Church in Bovina.

Parents of the couple are Mr. and Mrs. Thogal Stanberry of Bovina and Mr. and Mrs. James McNeely of Friona.

Rev. R.D. Owens read the vows before the altar which was flanked with candelabra and centered with an arrangement of iris and carnations in the bride's colors of lavender and white. Ribbon streamers and bows in matching colors adorned the pews.

Mrs. Bobby Englant of Bovina provided traditional wedding selections at the organ, including "Twelfth of Never," and the "Wedding March."

Given in marriage by her father, the bride chose a formal length gown of white satin designed with an empire waistline and long, puffed sleeves. Lace bands traced a pattern down the length of dress and sleeves. Her gown was designed and made by her mother. Her veil of bridal illusion was attached to a pearl drop tiara. She carried a traditional bride's bouquet.

Carrying out tradition, she wore a necklace for something old, something new was her bridal ensemble, something borrowed was pennies she wore in her shoes which were dated the years of the couple's birth, and something blue was the traditional garter.

Miss Dena Owens of Bovina was maid of honor. She wore a formal length gown of lavender and white designed with an empire waistline and featuring long, puffed sleeves. She carried a bouquet of pink carnations on greenery with lavender ribbons.

Roger McNeely of Friona, brother of the groom, was best man. Pam McCormick of Bovina, cousin of the bride, lighted the candles. Paul McNeely and Judson McNeely of Friona, brothers of the

groom, were ushers. Sammy McNeely of Friona, brother of the groom, registered guests.

For her daughter's wedding, Mrs. Stanberry chose a blue and white knit dress with matching coat. She wore a corsage of iris and fern.

The mother of the groom selected a three piece blue twoed ensemble with matching accessories and an iris corsage.

A reception was held in Fellowship Hall of the church following the ceremony. The serving table was covered with white lace over lavender and centered with an arrangement of lavender and white carnations and greenery. The three-tiered wedding cake was decorated in lavender and white and topped with a bride and groom figurine.

For a wedding trip to Tres Ritos, N.M., the bride wore a three piece beige suit with matching accessories.

The couple will be at home at 1101 Fourth Street in Friona.

The bride is a 1973 graduate of Bovina High School.

MR. AND MRS. REGGIE MCNEELY

McNeely, a 1970 graduate of Friona High School, attended Cooke County Junior College at Gainesville. He is assistant manager of White's Auto in Friona.

Nazareth Art Club Hosts Local Bazaar

The Nazareth Art Club is sponsoring the Nazareth Holiday Arts & Crafts Bazaar on Sunday, November 25 from 11 a.m. until 7:30 p.m. in the Nazareth School Cafeteria.

The Art Show division will be judged by popular voting, every person attending may vote once. Ribbons will be given in these three categories in the adult division, western, landscape and still-life. Also in the children's division, ages 16 and under.

Paintings will be for sale in all sizes from miniatures to very large.

Gourmet Food will be for sale including baked goods, candies and canned foods.

In the crafts division, there will be creations of all kinds

offered for sale to please gift givers of every age.

The raffle will consist of all handmade items made by the club members.

"Make your plans to come, no admission will be charged, register for door prize, vote for the paintings, browse as long as you wish if you so please do some Christmas shopping and take time to have some refreshments with the Nazareth Art Club," said a representative of the Nazareth Art Club.

LIBRARY CORNER

Children like books and children like being read to. As a child listens to the story, he looks closely at every shape on the page. Everything has an effect: the words, the illustrations, the design of the page. As you read, the child is developing a taste for art and literature. So what you choose in the book you read is important!

Part of the fun the child derives from being read to, is the joy of having the full attention of the person reading to him, usually the mother. Reading time can be a time when mother sits close to the child or holds him in her lap to read. With the television off!

The following list is a partial list of the suggestions made by McCall's magazine of best books for children. These books are picture books, enjoyable for all but especially for the young pre-school child. With Christmas not too far off, do remember some of the titles as you shop for the younger set.

ABC BOOK by Falls is an excellent animal alphabet book with woodcuts in color.

AND TO THINK THAT I SAW IT ON MULBERRY STREET by Dr. Seuss is the first and best of a long line of amusing and popular picture books.

ANDY AND THE LION by Daugherty is the lively and amusing American version of the old tale of Androcles and Lion.

ANIMALS FOR SALE by Munari is a humorous picture book. Munari also has a recent alphabet picture book that is original in design.

THE BIGGEST BEAR by Ward is the warm and engaging

story of a small boy and a bear cub, with much of the action and spirit in the pictures.

THE HAPPY LION by Fatio is the amusing story of a lion who leaves his cage to walk out into a French town.

I KNOW A LOT OF THINGS by Rand is a small child's view of the world, captured in a simple, rhythmic text and brilliant pictures.

MADELINE by Bemelmans is the spirited story of a little girl in Paris and has been very popular for a long time.

MAKE WAY FOR DUCK-LINGS by McCloskey is the story of an adventurous family of mallard ducks as they make their way through Boston traffic to a new home in the Public Garden.

MILLIONS OF CATS by Gag is a classic picture book that has delighted children for more than a quarter of a century.

THE THREE BILLY GOATS GRUFF by Moe and Asbjornsen is the old Norwegian nursery tale that all parents remember. It takes on added vitality with the delightful illustrations.

THE STORY OF BABAR, THE LITTLE ELEPHANT by Brunhoff is a perennial favorite. Your children will be familiar with the story because Babar has been on television.

Bring your children to Friona Public Library to select a book. If you want a particular book and your library does not have it, Billie Fairechild will get it for you through the Inter-Library Loan System. It will only take a day or two for the book you want to get here and you pay postage which ranges from ten to thirty cents, depending on the size of the books.

Women's Club Served Thanksgiving Dinner

The Friona Women's Club met Wednesday, November 14, at the club house with Mrs.

FRIONANS HOSPITALIZED OUT-OF-TOWN

Mrs. Peggy Bryant is hospitalized at Clovis Memorial Hospital, Clovis, New Mexico.

Mrs. Diana Noland is a patient in Muleshoe Hospital.

T.E. Wood is hospitalized at Methodist Hospital, Lubbock.

Jay Harrison is a patient at University Hospital, Lubbock.

Charles Russell, president presiding.

Each member present answered roll call with a Thanksgiving quotation.

The devotional was "Memory Conversation to God" by Marjorie Holmes and was presented by Mrs. Ethel Bengler.

A Thanksgiving story titled: "Thanksgiving in the U.S.A." was presented by Mrs. Mabel DeLong, and Mrs. C.A. Turner completed the program with "Five Grains of Corn" by Dr. Bliss Forbush.

The hostesses, Mrs. Clyde Hays and Mrs. Roy Daniel, served a Thanksgiving dinner to thirteen members and one guest, Kimberly McLellan.

Jerald Reeds Have Baby Girl

Mr. and Mrs. Jerald Reed of Summerfield announce the birth of their first child, a daughter, at 11:15 a.m. Friday, Nov. 9, at Hereford Medical Center.

The new arrival weighed five pounds, three ounces, and has been named Jacqueline Michelle.

Mrs. Reed is the former Miss Jennifer Cockerham.

Grandparents are Mr. and Mrs. Jimmie Cockerham of Bovina and Mr. and Mrs. Leo Reed of Friona.

Great-grandparents are Mr. and Mrs. L.W. Cockerham of Littlefield and Mrs. Harry Henderson of Lamesa.

Was that new outfit really worth the money?

Election Of Officers Highlights Meeting

Election of new officers and planning the programs for the coming club year were the highlights of the November 7 meeting of the Health Careers Club.

New officers for the club are

Gary Mingus

Performs With

WTSU Choir

Gary Mingus of Friona will perform with the West Texas State University Brass Choir at 8 p.m. November 18 at the Polk Street Methodist Church in Amarillo.

Mingus, a freshman music education major, is the son of Mr. and Mrs. Lloyd C. Mingus, Route 3, Friona.

The 19-member choir will perform seven selections adapted for trumpet, horn, trombone, euphonium, tuba and tympani.

The choir is under the direction of David Ritter, WTSU assistant professor of music.

Pam Wilcox, president; Beverly Schueler, vice president; Patti Crump, secretary-treasurer; Teresa Baca, chaplain; and Karen Merrell, reporter.

Other members attending the meeting were Linda Duker, Sami Rector, Karen Young, Terry Woody, Debbie Hernandez and Donna Schumann.

Advisers are Mrs. Tommie Mercer and Mrs. June Spring.

Family Reunion Is Scheduled

Mrs. Evelyn Bender would like to announce the Ehrlich family reunion November 22, 1973.

The reunion will be held in the Shattuck Elementary Cafeteria at Shattuck, Oklahoma.

Have A Happy And Safe Thanksgiving Holiday. Be considerate of others on the roadways.

FHS Student Council Launches New Project

The Student Council of Friona High School is participating with other Councils from the 26 Panhandle counties in helping to build The Discovery Center. At a November 1 meeting at West Texas State University the District I Student Councils launched this new project and will be contacting individuals and businesses for their support.

The Discovery Center is scheduled for a Fall, 1974 opening in the Amarillo Medical Center and will include an ecosphere, a Life Science/Health Hall and Science/Technology Hall.

The ecosphere, which can be used as a school planetarium, is scheduled for extensive use by the area schools in connection with regular curricula in mathematics and the physical sciences.

After school hours, holidays and weekends the ecosphere will offer public shows utilizing the special audiovisual projection systems to transport the audience into breath-taking

experiences in space, beneath the sea, forward or backward in time, or within biologic living environments.

In the Life Science/Health Hall the wonders of the body, its functions and care, will be revealed to the visitor and made understandable through observation of his own body—its actions and reactions. He will become the spark of activity, the power source, in using the experiences of the Center as tools for learning.

The development of man's technology—the application of knowledge to practical use—will be traced in the Science/Technology Hall from the early development of the basic tools to the complex machines of today. The visitor will become involved in the applied technology of the High Plains—its relation to regional development, industry and economic growth.

Understanding health, science and ecology is the purpose of The Discovery Center—with potential to improve the quality of living.

A total of \$1,475,000 is projected for building and equipment costs, a goal to be reached through contributions and pledges over a three-year period. Participation by the Amarillo Independent School District, special programs by the Center and program grants from foundations will provide operating funds.

The Discovery Center is administered by a 100-member Board of Trustees representing the varied interests on the High Plains. Area representatives to this Board include Ray A. Sneed of Dalhart, J.M. Mitchell of Pampa and Dr. D.E. Hackley of Spearman. Dr. John V. Denko of Amarillo is Chairman of the Board.

Christmas Parade Is Planned At Muleshoe

The Llano Estacado Civic Club and the Businesses Activities Committee of Muleshoe are sponsoring their Annual Christmas Parade, "Happiness is Christmas," Saturday, December 1, 1973, at 2:30 p.m.

All organizations and clubs are invited to enter floats, sweethearts or school bands. There will be prize money given, First, \$100.00; Second,

\$75.00; Third, \$50.00; and Fourth, \$25.00.

For entry forms contact Mrs. Willie Reeder, 122 W. Avenue H, Muleshoe, or Mrs. Gayla Tombs, 213 Elm, Muleshoe. Deadline is Wednesday, November 28, 1973.

The parade will start at 2:30 p.m. but all entries must be there by 1:30 at the Babe Ruth Ball Park in Muleshoe.

Love Circle Made

Final Sale Plans

At their November meeting the Love Circle of Redeemer Lutheran Church made final plans for the Christian Book Store Sale to be held November 15, 16, 17, 19 and 20. They also finished the Advent banner

which they began at their October meeting.

They also made plans for their December meeting. The meeting will be at 9:30 on December 10, followed by a salad luncheon. More Christmas for the church Christmas tree will be made.

Christmases are tree decorations with a religious significance. Anyone who would like to see the Christmases are welcome to come.

YHA Sponsor Holiday Sale

The Friona Young Homemakers are sponsoring a Thanksgiving Bake Sale.

The bake sale will begin Wednesday, November 21, at 8 a.m. at Houser's Grocery.

The members invite you to come by and see their selection of Thanksgiving goodies.
