

Sincerely Yours

By Rev. Albert Lindley

Dear Editor—
I'm out of pocket this week, doing a little cycling and camping.
Next to my articles, the most outstanding work I can think of is the Gettysburg Address, so you just might print that instead.
Big Al Lindley

Editor's note—Thanks, Al. We'll just let the folks look up the Gettysburg Address. If you'd tend to business before you left town, perhaps you wouldn't have had a head wind all the way to Buffalo Lakes.

DIGGING GRAVES AT MIDNIGHT?...No, it's members of the Friona Fire Department and city crewmen who started digging pits Thursday night to catch the diesel flowing from a burst diesel tank behind Friona Consumers Co-op. Incidentally, that's Howard Love 'leaning' on the shovel!

Chiefly Speaking

By Friona Police Chief Bill Denney

School is out and youngsters are outside more in the warm weather.

This week, we would like to caution adult drivers to be especially cautious of young bicyclers who will be riding out of driveways, yards and not being especially watchful of oncoming traffic.

Parents are also asked to check brakes, chains and tires of bicycles, as well as reflectors as required by law.

With a few precautions, this summer can pass with no injuries related to bicycle traffic.

Also out of these warm days are toddlers who frequently

chase balls, cats, dogs, big brother or sister into the street.

Tragedy has occurred when drivers have not watched closely enough or parents have been a little lax with their toddler and they dart from between parked vehicles into the street.

The words "unavoidable accident" can never erase the sight of a small broken body from the eyes or minds of a driver or parents.

Chiefly speaking—"Precaution can be the difference between tragedy and a safe, happy summer."

Christian Youth Group Organizes Coffee Shop

There's a new 'happening' for Bovina, and Ronnie Nuttall and Mat Moten visited the Star office Friday to ask that everybody be informed.

Ronnie said "The Salt Co." will open in Bovina with a grand opening and open house on Saturday, June 2 at 8 p.m.

Providing entertainment for the grand opening will be 'Miss Wayland' from Wayland Baptist College, Plainview, and her band. Refreshments will be available.

Location of the new Christian coffeehouse encounter will be on Third Street and is sponsored by the First Baptist Church Youth Group.

Antique Club Viewed Film

The Antique Club of Friona met at the home of Orma Flippen last Monday for their regular session.

Movies and slides of the Jim Baxter and Raymond Adams homes were viewed by the group after they had a snack supper of sandwiches, chips and dips, pie and coffee.

Among items of business discussed were plans for the 1973 Maize Days scheduled in September.

Attending the meeting were Mr. and Mrs. Dick Habbinga, Mr. and Mrs. Rudolph Renner, Mr. and Mrs. Opal Jones, Mr. and Mrs. Raymond Adams, Mr. and Mrs. Jerry Zachary and children, Mrs. Leo Bales and Mrs. Wanda Jones.

The next meeting will be held in the Dick Habbinga home.

STARLITES..... Cont'd from Page 1

70 mph. The most economical cruising speed is 55 mph. Dragging brakes, underinflated tires, an out-of-tune engine, and a too heavy motor oil also contribute to wasted fuel.

According to the Division, savings will depend on the type of car, but a properly driven automobile can increase its gas mileage up to five miles a gallon. Maintaining an average speed on the highway will save between 1 1/2 miles a gallon.

Ronnie explained that the name of the coffeehouse was derived from a Biblical verse which includes the words, "salt of the earth," and the coffeehouse will be open each Friday and Saturday night with area known performers.

Although everybody, "even grownups" are welcome, he stressed the 'Salt Co.' is to be especially for the teenage group.

A \$1 fee will be collected to help defray expenses.

BURLESON STABLE

Our Friends Write....

Dear Sirs,
I thank you for the nice tour through the bank last Wednesday. I enjoyed it very much. I learned a lot of things that I didn't know. Some things about bookkeeping, the proof machine, how to write checks, and many other things. Thank you for the coke, pig, pencil and bag. I hope we can come back someday.

Sincerely,
Rickey Jackson

BEEF WINNER...Mrs. Lee Britting, left, president of the Parmer County Riata CowBelles, presents Mrs. Janie Garth, right, with a roast she won in a drawing last Saturday when the CowBelle-KGNC Beefmobile was in Friona throughout the day. Mrs. Garth was one of 17 winners of beef products while the display was here.

Antique Display Is Highlight Of Meeting

A large collection of antiques, which had been refinished by Mrs. Ellis Tatum, was the highlight of the Thursday afternoon meeting of Black Study Club in the home of Mrs. Clifford Allmon.

Mrs. Tatum, who is a member of the club, presented a program on different methods of refinishing different articles. The opening exercise was a relaxer, which was directed by Mrs. Teddy White. Roll call was answered with a "Show and Tell" of a family heirloom or antique.

Mrs. Gladys Braly, Hereford, was a special guest.

Assorted chips and dips, sugared strawberries, cookies, tea and coffee were served by the hostess.

Others present were Mesdames Ethel Bengler, Helen Fangman, Travis Stone, T.J. Presley, Dick Rockey, F.W. Barnett, Charles Hamilton, Glyn Hamilton, Harry Lookingbill, Tommy Tatum, Lois Weatherly, Johnny Mars, Clyde Hays and Gene Welch.

Also Bill and Elaine White. The next meeting will be a luncheon in the home of Mrs. Teddy Fangman, 602 Arrah, Thursday, June 7.

Miss Hawkins To Be Feted

Miss Darla Hawkins, bride-elect of Ray Peace of Friona, will be feted with a bridal shower Friday, June 8, at the home of Mrs. J.D. Stevens. Calling hours will be from 3 to 5 p.m.

Hostesses include Mrs. H.H. Kelso, Mrs. A.L. Glasscock, Mrs. Ovid Lawlis, Mrs. Thomas Beauchamp, Mrs. Scott Gober, Mrs. Jim Russell, Mrs. Fred Langer, Mrs. Bobby Englant, Mrs. Herman Grissom, Mrs. Roy Allen, Mrs. Gwen Hartwell, Mrs. Glen Kelley, Mrs. Leslie McCain, Mrs. Ronald Minyen, Mrs. Ginger Roman, Mrs. Charles Snyder, Mrs. Ralph Broyles and Mrs. Stevens.

Mrs. Allen Reviews Story

A recent club meeting on Footprints of Influence in Home Life started with the quotation "It may be said the most important future in woman's history is her maternity," by Mrs. Trollope.

Mrs. Charles Allen's review of the book "Mothers of the Presidents" by Doris Faber was an outstanding feature of Footprints on the Sands of Time theme.

"Mother, I'm Proud" was read by Mrs. Frank Spring as an introduction to the program. Special music by Carolyn Murphree accompanied by Gary Mingus included vocal solos from Madame Butterfly.

A medley of songs named for women was used as a sing song special for group singing led by Eva Miller, accompanied by Lois Miller.

Special guests included Lola Goodwine and Mesdames Mabelle Hartwell, Olive Frye, Lucy Welch, Hollis Horton, Katherine Goodard, Claude Osborn and Ethel Bengler.

Hostesses were Mrs. Lois Miller and Mrs. J.G. McFarland.

Shower Honored Mrs. Martinez

A miscellaneous bridal shower in the home of Mrs. J.M. Watson from 3 to 5 Thursday afternoon was a courtesy for Mrs. Conrad Martinez, the former Marnita Bush.

Special guests were Mrs. Pearl Cantrell and Mrs. Patti Cantrell, both of Farwell, and Mrs. Buck Bush, mother of the honoree.

Guests were registered by Mrs. Paul Bush, Bovina, sister-in-law of the guest of honor.

Co-hostess was Mrs. Nelson Welch.

Refreshments of assorted cookies, punch and coffee were served by the hostesses to about 50 guests.

Mrs. Martinez will be leaving soon for Baumholder, Germany, where her husband is serving in the United States Armed Forces.

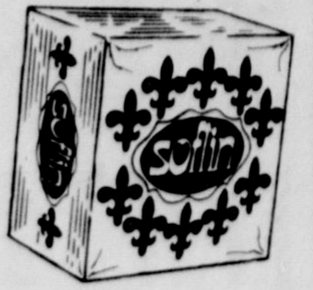

H. A. Hydes Have Guests

Guests in the home of Mr. and Mrs. H.A. Hyde last week were Mrs. Don Kimbrough of Vernal, who is the former Eva Dean Hyde.

Also Mrs. Thomas Cline and sons, Jay and Scott, of Newbrueke, Germany, who is a daughter of Mrs. Kimbrough, and Max Kimbrough, who has been attending Ouichi Baptist University, Arkadelphia, Arkansas.

Mrs. Kimbrough and Max and Mrs. Cline, Jay and Scott, also visited in the home of Mrs. Leonard Kimbrough of Clovis.

NON-PARTISAN PUFFS

1/2 cup butter	1 cup flour
1 cup water	4 eggs
	1 cup crumbled Wheaties

Put butter and water in a saucepan and bring to a boil. Add flour all at once and stir vigorously. Remove from heat when mixture leaves the sides of the pan and forms a ball. Add eggs, one at a time, beating until well mixed after the addition of each egg. Fold in the Wheaties. Drop by spoon onto an ungreased baking sheet about 3 inches apart. Bake in a preheated 400° oven about 30 minutes or until well puffed, golden and dry. Cool on a rack. Just before serving split with a sharp knife and remove any soft dough if necessary. Fill bottom half with Banana Cream Filling. Replace top half. Pour over Coffee Topping. Makes about 12 puffs.

BANANA CREAM FILLING

1 pt. heavy cream	2 large Chiquita bananas, chopped
1 tsp. vanilla	
1/2 cup confectioners' sugar	

Whip cream, add vanilla and sugar. Slice and fold in the bananas.

COFFEE TOPPING

2 Tbsps. hot strong	1 tsp. butter
Chase & Sanborn	2 to 2 1/2 cups sifted confectioners' sugar

Melt butter in hot coffee and add enough confectioners' sugar to make a smooth but not stiff mixture.

On The Farm In Parmer County MACK HEALD County Agent

SOME GARDEN VEGETABLES need more nitrogen than is provided by the complete fertilizer recommended for a general garden plot.

Sweet corn, okra, peppers, tomatoes, squash and greens will need additional nitrogen applications.

Any time after corn emerges from the soil, it should be sidedressed with six tablespoons of ammonium sulfate per 10 feet of row.

Okra should be sidedressed after the first picking with one to two tablespoons of ammonium nitrate or three tablespoons of ammonium sulfate for every 10 feet of row.

Peppers and tomatoes need a sidedressing when their first fruits are one inch in diameter. For every two feet of peppers, apply one teaspoon of ammonium nitrate or one-and-a-half teaspoons of ammonium sulfate.

For squash, apply a half to one teaspoon of ammonium nitrate or two teaspoons of ammonium sulfate around each plant when runners are 12 inches long.

To avoid foliage burns, do not get fertilizer on wet plants while sidedressing.

When buying lawn fertilizer, beware of elaborate wording, labeling and packaging. Instead, check for the actual nutrient content of the fertilizer.

Fancy packaging and elaborate wording can lead the homeowner to spend extra for a lawn fertilizer.

The sequence of three figures on the label indicates the percent content of the three primary fertilizer ingredients—nitrogen, phosphorus and potassium, in that order.

When buying a nitrogen fertilizer, determine the cost per pound of nitrogen. A 50-pound bag of fertilizer that has 20 percent nitrogen contains 10 pounds of actual nitrogen.

Lawn grasses need nitrogen at about six-week intervals during the growing season. Usually applying enough fertilizer to supply 2 pounds of actual nitrogen per 1000 square feet per application will give good results.

A major cause for poor lawns is inadequate nitrogen—either too little per application or a lack of repeating applications during the growing season.

WITH RECENT RAINS, water may be standing in some locations on your premises. Such standing water makes an excellent place for raising mosquitoes.

Mosquitoes lay eggs wherever water will collect and stand for a week or longer. Young mosquitoes develop only in water and prefer polluted water for breeding.

If standing water on your premises cannot be eliminated, check it weekly for mosquito larvae. If any are found, apply an insecticide spray.

To prepare your own spray, mix 3/4 teaspoons of a 50 to 57 percent malathion emulsifiable concentrate to enough water, kerosene or fuel oil to make one pint of spray.

Spray one ounce [2 tablespoons] of one of these mixtures to each 100 square feet of water surface.

For kerosene or fuel oil at full strength, use two to four ounces to each 100 square feet of surface. Do not use kerosene or fuel oil on water containing emergent vegetation.

THAT NEXT STEAK you eat may be "rarer" than you think. Regardless of the way you like your steak cooked, you're getting a "rare" commodity.

Why is steak, or all beef for that matter, so rare? It's a simple matter of time. It takes about two-and-a-half years to produce a steak.

A cow produces only one calf in 12 months. The calf is weaned at six months of age and turned to pasture for another four to six months. Then it goes to a feedlot for six months to be fattened on a high grain ration.

Well, at least that's a thousand pounds of beef, you say? Not by a long shot. A lot of weight from the animal is lost in slaughtering and processing. A 1,000-pound animal produces only about 48 pounds of sirloin steaks.

A 1,000-pound steer that grades "choice" will produce about 600 pounds of carcass. Take away the fat, bone and waste and only about 444 pounds of edible beef remains.

The Truth Will Make You Free

Terry Brown, Minister Sixth Street Church of Christ

Copies of the original New Testament letters were made because the papyrus was fragile writing material. These copies of the originals in Greek were called manuscripts.

There are two main types of manuscripts. The earliest are written in capital letters and are known as uncials. The larger group has a smaller and a running writing-style, and these are called cursives.

An example of how the uncial looks, using English letters instead of Greek, is the following—

JUDGMENTOTHATYOUBENOTJUDGEDFORWITHTHE EVIDENCEOUPROUNCEYOUWILLBEJUDGEDAND THEMEASUREYOU GIVEWILLBETHEMEASURE YOU GET

The most important uncials are known as the Vatican, the Sinaitic, and the Alexandrian manuscripts. The Vatican Manuscript is located in the Vatican Library in Rome.

Montgomery Named Manager Assistant

Dick Montgomery, industrial relations director for Deaf Smith Electric Cooperative, will be promoted to assistant to the manager, effective June 1.

DICK MONTGOMERY

In the new position, Montgomery will work directly under Hull in the areas of construction contracts, material bid proposals, engineering and accounting.

In addition, they aid in matching designs and preventing raveling. Also, fabric and belting material are joined invisibly through use of a web or film.

Montgomery's promotion was announced in conjunction with the future retirement plans of Sam Morgan, executive assistant.

Montgomery was employed by the Cooperative as industrial relations director in July, 1969. He has been an active civic worker, and is presently a director of Deaf Smith County Chamber of Commerce.

County Vies For Honors. The Parmer County Conservation District is in the race for top honors in the 27th annual Goodyear Conservation Awards Program.

The district will be competing on the basis of its record of service to land users in the contest sponsored by The Goodyear Tire & Rubber Company.

Each first-place district will receive expense-paid, vacation-study trips for its outstanding cooperators and a member of the governing board.

The awards program also provides recognition of the outstanding cooperators who will be selected by the district board from the 713 land users enrolled in Parmer County District's program.

FUSIBLE WEBS AND FILMS can simplify home sewing by eliminating several time-consuming tasks.

These new products utilize heat, steam and pressure to bond two fabrics together—that is, any fabric that can be steam pressed.

Although they're not suitable for seams, fusibles simplify addition of trims and appliques—and eliminate basting, hemming and some hand sewing.

In addition, they aid in matching designs and preventing raveling. Also, fabric and belting material are joined invisibly through use of a web or film.

Several factors contribute to the products' popularity—they make invisible bonds yet don't alter fabric flexibility.

Fusibles are sold by the yard, in precut sheets or as tapes of various widths—and come in several weights.

For best results, test product effectiveness on a fabric scrap—before using it in the garment. Webs work better on some fabrics than others.

Although bonds usually are permanent, sometimes they loosen. When this happens,

simply re-press the item—re-sealing the fabrics.

To remove, steam the area heavily and pull fabrics apart.

Don't allow hot iron and webbing to come in contact—they'll stick together.

CONVENTION BOUND. Mr. and Mrs. Carl R. Mason and Mr. and Mrs. C.L. Vestal Jr.

The couple's four month old daughter Jeannie Rebecca was not injured in the accident.

Mrs. Salcido was a passenger in a car driven by her husband, Donaciano, when the vehicle overturned one and one-half times five miles southeast of Friona.

MINOR WRECK. No injuries were tallied although the damage to two vehicles involved was heavy in an accident five miles north of Friona last Thursday.

The left front of the Harper vehicle was damaged and the right rear fender, side and windshield of the Price vehicle. The accident occurred at 5:49 p.m.

Mary Salcido, 16, of Friona, continues to improve at Northwest Texas Hospital in Amarillo, where she is being treated for severe head injuries.

Piggly Wiggly Leads Junior Minor League

Piggly Wiggly edged past Bill's TV, 11-10 in the top game in the Junior Minor League prior to the test break, to take undisputed first place in the loop with a 3-0 record. The winners had to hold off the TV-men, who rallied for four runs in the bottom of the sixth inning, and were halted by the "batting around" rule to end the game. Piggly Wiggly scored six in the third and four in the fourth to take an 11-1 lead in the game, but Bill's came back with four in their half of the fourth, one in the fifth and four more in the sixth. Mike Maynard and Kirk Wright each had two hits for

Piggly Wiggly. Max Perea had four hits for Bill's TV. In the other game during the week, Tasty-Cream shaded Friona Parts, 13-7, scoring five runs in each of the fourth and sixth innings. C. Ethridge-Spring Is Senior Minor Leader

Ethridge-Spring maintained its undefeated status in the Senior Minor league last week, with a come-from-behind 12-7 win over Parmer County Implement Company. The win left Ethridge-Spring with a 3-0 season record, and a one-game lead over the B-J Bees. The two teams were to have played on Monday of this week, but due to a lack of players on both teams, the game was cancelled. In the other Senior Minor league game during the week, the B-J Bees outlasted Hi-Pro, 10-9 to stay in second place in league standings. A seven-run fourth-inning capped Ethridge-Spring's win. The team went into the bottom of the fourth trailing 7-2. However, Larry White cleared the bases with a triple to right field and came home on an overthrow to highlight the inning. White and Mark Tucker each had two hits for the winners. Tony Rios was the hitting star for Parmer County Implement, whacking a two-run home run over the centerfield fence in the third inning. In the other game, the B-J Bees batted around in the second and third innings, scoring seven runs. Jessie Saiz and David Fleming each had three hits for the winners, and

Saiz also scored three runs. Mark Zachary had three hits for Hi-Pro in the see-saw game. ***** P.C. Wiseman And Bailey Signed By College

Willie Bailey and Kevin Wiseman, all-district football players from Friona, have signed to play football with Panhandle State College, Goodwell, Okla. Kevin lettered three years in football and track and picked up two letters in basketball. He was an all-district tackle as a junior and a unanimous choice both offensively and defensively as a senior. Defensively, he was also named to the All-South Plains team at the end of the '72 season. He was also a regional qualifier in the shot put and discus as a senior. Kevin served as president of the senior class, FFA and Fellowship of Christian Athletes. An honor roll student, he is also a four-year member of the student council. Willie Bailey, also a three year football letterman, received honorable mention all-district honors both offensively and defensively as a junior and was named all-district center and honorable

mention defense as a senior. Another scholar athlete, Bailey was vice president of the National Honor Society as a senior. The captain of the Friona Chieftains, he also served on the Student-Faculty Congress for three years. He lettered two years in basketball. Panhandle State College line coach, Harry Walker, in announcing the signing, said "both of these young men have the credentials for football and are top students, too. "They should fit into our program and once they have adjusted to our style of play, see plenty of action." Walker went on to say, "they are dedicated to the game and with their abilities, motivation and desire, will be assets to the program at Panhandle State." The Aggies have an eleven game season on tap for this fall. They open September 8 with Eastern New Mexico University of Portales at Wooten Field in Goodwell.

Gatlin Installed Jaycee President

JAYCEE LEADERS...Albert Cupell, left, was outgoing Friona Jaycee president; Don Gatlin, center, was installed as incoming president and John Duggan, right of Vega, was installing officer at the Friona Jaycee Installation Banquet in Friona last Saturday night. Cupell was also awarded the lei he is wearing, plus a grass skirt by the Jaycee-ettes. A Hawaiian theme marked the installation banquet which was held in the Friona High School Cafeteria.

Jaycees from Dimmitt, Herford, Happy, Vega and Childress joined the Friona Jaycees and Jaycee-ettes for an installation banquet Saturday night at the Friona High School cafeteria.

John Duggan of Vega, National Director for Area I-A served as installation officer for incoming Friona President Don Gatlin and his directors. Mrs. Bill [Clem] Blackburn of Childress, Area Vice President of the Texas Jaycee-ettes, was installing officer for incoming Jaycee-ette President, Mrs. Don Dennis and her directors. Jaycee officers installed included Gatlin, president; Don Dennis, internal vice president; J.D. Spencer, external vice president; Fidel Madrid, secretary; James Anthony, treasurer; Les Fithen, state director and Gary Elam and Paul Galyon, both directors.

Incoming Jaycee-ette officers included Mrs. Dennis, president; Mrs. Ernest Mingus, vice president; Mrs. Don Gatlin, secretary; Mrs. Wayne Tunnell, treasurer; Mrs. Albert Cupell, state director; Mrs. Charlie Bell, director; Mrs. Paul Galyon, director and Mrs. Les Fithen, director.

Glen Stevens, who was recently installed as Jaycee State Vice President acted as master of ceremonies and introduced special guests at the banquet. He was recipient of the Tall Texan award.

Other Jaycee awards went to Galyon, Fithen, Cupell and Stevens, who received the Texas Ranger award; Galyon, outstanding project chairman award for the year; Gatlin, Faith in God award; Albert

Cupell, Jaycee of the Year and charter president award; and Ernest Mingus, exhausted rooster award.

Fithen was presented the presidential award and Paul Galyon and Davey Thompson, spoke award; Glen Stevens and Les Fithen, spark plug awards; Cupell, Stevens, Dennis, Galyon, Thompson, Madrid, Gatlin and Billy Peek, Leadership in Action awards; along with 11 Road Runner Awards.

Jaycee-ette awards were presented Linda Fithen as outstanding Jaycee-ette of the year; Nancy Mingus, recipient of the key Jaycee-ette award, the presidential award and outgoing president Pat Cupell received the charter president award.

A private dance followed the banquet with music provided by "The Rainmakers" from Clovis.

BIKE TRIP...Bicycle riding has been on the upswing in Friona lately, and the above group emphasized the popularity by riding to Palo Duro Canyon on Tuesday. Included in the group were Genie Nelson, Diane Spencer, Terry Brown, Scott Lillard, Scott Nelson, Kim Parr, Cece Lewis, Hal Blackburn, Kent Miller and Mack Bush.

JAYCEE-ETTE HONORED...Mrs. Albert Cupell, left, outgoing Jaycee-ette president, received a plaque as the charter president of the Friona Jaycee-ettes during installation ceremonies last Saturday night. Installing officer was Mrs. Sam [Clem] Blackburn, center, of Childress, who installed Mrs. Don Dennis right, as president and Mrs. Dennis directors for the coming year. They were installed in a joint ceremony with the Friona Jaycees.

Debbie Holloway, Harold Reed Exchange Double Ring Vows

WRITER RETIRES...June Floyd, longtime women's news editor of the Friona Star, was feted with a coffee in her honor on Tuesday, at which she was presented an engraved silver platter. Mrs. Floyd is retiring from the newspaper position she has held for the past 17 years.

In a double ring ceremony read at 7:30 p.m. Friday, May 18, in the First Baptist Church of Bovina, Miss Debra Kay Holloway became the bride of Harold Eugene Reed.

Leland Hutson of Friona, Church of Christ minister, read the marriage vows before an altar backed with an arch of greenery decorated with pink bows and centered with a white pedestal holding an arrangement of pink carnations, white stock, pink tapers and fern in a silver epergne. Spiral candelabra holding pink tapers were on either side of the arch.

Mrs. E.L. Roman Jr. of Bovina is mother of the bride. Parents of the bridegroom are Mr. and Mrs. Leo Reed of Friona.

Mrs. Bobby Englant, organist, and Mrs. Weldon Moody, pianist, played traditional wedding music.

Given in marriage by her brother, Richard Holloway of Albuquerque, N.M., the bride wore a formal gown of nylon organza underlaid with silk illusion over bridal satin designed with a standup collar, sheer bodice and styled along princess lines. Rose' lace enhanced the bodice and deep cuffs of the sheer, fully gathered sleeves and traced the princess outlines of the gown. Her veil of illusion was attached to a Juliet cap of matching lace and seed pearls. She carried a spray of white carnations and rosebuds on greenery.

Mrs. Rick Meason of Bovina, cousin of the bride, was matron of honor. Bridesmatron was Mrs. David Shoppach of Clovis. Miss Darla Hawkins of Bovina was bridesmaid.

The attendants wore formal gowns of pastel pink rippled daeron designed with an empire waistline and short, pouf sleeves with a pink satin sash at the waistline. They wore pink roses with bridal wreath and pink streamers in their hair and carried a pink mum with pink streamers.

Duane Reed of Friona, brother of the bridegroom, was best man. Groomsman were Ronnie Reed of Amarillo and Jerald Reed of Summerfield, brothers of the bridegroom. Ushers were Ray Peace of Friona and Larry Rector of Amarillo.

Miss Penny Beth Meason of Bovina, cousin of the bride, was flower girl. She wore a frock fashioned identical to that of the attendants and carried a basket of flower petals. Her headpiece matched that of the attendants.

Following the ceremony, a reception was held in Fellowship Hall of the church. At the guest register table, covered with a white cloth and holding an arrangement of pink carnations and white stock, was Mrs. Billy Griffin of Clovis.

The bride's table was covered with a white lace cloth over pink satin and centered

MRS. HAROLD EUGENE REED

with an arrangement of pink carnations, white stock, fern and pink tapers in an antique silver epergne. The three-tiered wedding cake was topped with an archway and miniature bride and groom figurine. The tiers were separated with lace columns with clusters of white wedding bells nestled between the tiers. Cake and pink punch were served from silver and crystal appointments by Miss Kim Guber of Bovina and Mrs. Gary Woodruff of Friona.

Mrs. Jerald Reed and Mrs. Duane Reed presided at the groom's table where they served coffee and chocolate cake from silver and crystal appointments.

Members of the houseparty were Mrs. Fred Langer, Mrs. Jim Russell, Mrs. Howard Looney and Mrs. Charles Hawkins.

For a wedding trip to Lubbock, the bride wore a pink knit princess style dress with white accessories and a corsage of white carnations.

A 1972 graduate of Bovina High School, the bride is attending Curry County Beauty College in Clovis.

"Texas" Rehearsals Now In Progress

Starting Monday, the members of the whole company for the musical drama, "Texas" began work on rehearsals for this summer's presentation, which will begin Friday, June 1, in the amphitheatre in Palo Duro Canyon.

Included in the cast this summer are Carl Evans, a recent graduate of Friona High School and the son of Herb Evans of Friona; and Gary Biggers, a former student of Friona schools, who is the grandson of Mr. and Mrs. A.W. Anthony.

Reed, a 1970 graduate of Friona High School, is employed at Parmer County pump Co. in Friona.

A pre-nuptial courtesy feted Miss Holloway on May 7 at Community Room of First State Bank of Bovina.

The serving table was covered with a white linen cloth and centered with an arrangement of pink gladioli and carnations in a white vase. Pink punch, spiced nuts and cookies were served from crystal accessories.

Kitchen gadget corsages were presented the honoree; her mother, Mrs. E.L. Roman; her grandmother, Mrs. Pauline Wellborn; and the bridegroom's mother, Mrs. Leo Reed.

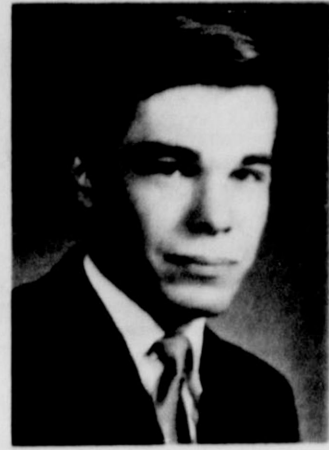

Hostesses were Mrs. Jim Russell, Mrs. Charles Hawkins, Miss Opal Perry, Mrs. Don Billington, Mrs. Howard Looney, Mrs. Henry Spicer, Mrs. Fred Langer, Mrs. J.D. Stevens, Mrs. Mary Ruth Martin, Mrs. Bill Denney, Mrs. Pearl Murry, Mrs. Hop Lewis, Mrs. Dean McCallum, Mrs. Johnie Horn and Mrs. Bobby Englant.

TIM ELMORE GRADUATES....Tim Elmore, son of Mr. and Mrs. W.V. Elmore, received his associate of arts degree from South Plains College, Levelland, May 18. While at South Plains he received a band scholarship and received a jacket for outstanding performance and support of the Texan Band each year. He was also active in Epsilon Chi and represented this club in the Talent Show, and served as a representative for the college food committee. During his second year Elmore was teacher's aide in the elementary physical education program at South's Elementary School and received a plaque for outstanding assistance during the year. He plans to enter East Texas State University, Commerce, where he will major in library science.

GRADUATES FROM HIGH SCHOOL...Jessie Travis Brown, the son of Mr. and Mrs. Leslie O. Brown Sr. of Olustee, Oklahoma, and a grandson of Mr. and Mrs. Travis Light of Friona, recently graduated from Duke High School, Duke, Oklahoma. During his senior year he was named to Who's Who Teenagers of America and worked on the annual staff and the school newspaper and represented the school in mechanical drawing at Southwestern Interscholastic Meet.

BROWN IS ELECTED...Leslie O. Brown Jr., son of Mr. and Mrs. Leslie O. Brown Sr., Olustee, Oklahoma, and a grandson of Mr. and Mrs. Travis Light of Friona, was recently elected president of the Baptist Student Union of Altus Junior College for the 1973-74 school year. His mother is the former Pearl Marie Palmeter.

Don Collier Plans To Continue Study

Robert Don Collier, son of J.L. Collier and the late Arlesia Collier of Friona, recently received his Doctor of Jurisprudence Degree (with honors) from Texas Tech University School of Law.

At the University Commencement Exercises he received special recognition for having obtained the highest scholastic average of the graduating students from the School of Law.

During law school, Collier was a member of Law Review, serving as Editor-in-Chief the past year and receiving the McWhorter, Cobb and Johnson Outstanding Law Review Service Award for 1972-73.

Among other student organizations, he was a member of Delta Theta Phi Legal Fraternity and was recently selected to Forum Law Honor Society. He was also elected to Who's Who in American Universities and Colleges for 1972-73.

Collier also holds a Bachelor of Science Degree (with honors) from Texas Tech and is a 1964 graduate of Friona High School.

After taking the Texas Bar Examination this summer, he plans to continue his legal education at New York University.

He has received a Kenneson Foundation Fellowship from New York University to pursue an advanced degree in tax law.

Live Better with a Flameless Electric Water Heater Which Gives You Choices

When you buy an electric water heater in order to stop worrying about pilot lights and leaking fumes, think about greater flexibility and efficiency, too.

• **WHERE.** Your water heater should be installed close to the point of greatest hot water use. It requires no venting and it's quiet, so it can be tucked away in a closet, under stairs or in a kitchen cabinet.

• **SHAPE.** Again, your choice: round
• **SIZE.** The important thing is to buy one that fits your family's hot water needs. Your Rural Electric system can help you on this and with money saving, electric saving hints, too. Remember, electricity is too good to waste.

The electric way is clean.

Year Ends With Salad Supper

Sixteen members of Progressive Study Club were present for a salad supper in Federated Club House, which concluded the club year, Thursday evening.

Carrying out the year's theme, "Hey! Look me over!" decorations of make up mirrors, bouquets of spring flowers and miniature cosmetic items were used. Place cards were floral picture hats with ribbon bands, to which miniature price tags were attached. Miniature mirrors and lipsticks were plate favors.

Mrs. Gaylord Maurer was accepted as a new member of the club.

During a brief business session assignments were made and new projects were discussed.

It's A Boy For Norwoods

Mr. and Mrs. Jimmy Norwood, 1303 Columbia Avenue, became parents of a baby boy at Parmer County Community Hospital at 1:15 a.m. Monday, May 21.

He was named Daniel Jeremiah and weighed 7 lbs. 7 ozs.

Grandparents are Mr. and Mrs. Clifford Crow and Mrs. W.B. Norwood, all of Friona. Older children of the couple are Doug, Becky and Jim.

Mrs. Norwood and Jeremiah were dismissed from the hospital Friday afternoon.

Frionans Hospitalized Out-Of-Town

Mary Salcido is hospitalized at Northwest Texas Hospital, Amarillo.

George A. Jones is also hospitalized at Northwest Texas Hospital, Amarillo.

Albert Chesher has been hospitalized at High Plains Baptist Hospital, Amarillo, and Nanette Fallwell is still hospitalized there.

JOY LYNN MANN...Mr. and Mrs. Joe Mann have announced the engagement and approaching marriage of their daughter, Joy Lynn, to Franklin Dwayne Bauer, son of Franklin Bauer of Everton, Missouri and the late Dorothy Schueler Bauer. The couple plans to exchange wedding vows at 8 p.m. Saturday, June 30, at Immanuel Lutheran Church in the Rhea Community. Invitations are not being mailed locally, but friends and relatives are invited to attend.

PAULA ANN FORTENBERRY...Mr. and Mrs. J.P. Fortenberry, 1201 Virginia, have announced the engagement and approaching marriage of their daughter, Paula Ann, to Jay Strum, son of Mr. and Mrs. John J. Strum, Hondo, Texas. A July 14 wedding at First Baptist Church in Friona is being planned by the couple.

Covered Dish Luncheon Concludes Club Programs

Members of Friona Woman's Club concluded the year's activities with a noon luncheon at Federated Club House Wednesday. The meditation was presented by Mrs. T.E. Wood.

"We adjourn for awhile to rest and play, for a new year will soon begin for us to work again," was the quotation used to announce the theme of the meeting, which was "Here's to old friends true who share in all we do."

A memorial service was conducted by Mrs. Lillian McLellan and Mrs. V.R. Jordan for Mrs. Rose Lange.

Mrs. Joe Talley, who was a special guest, reviewed "To God With Love," by Jean Davis.

During the brief business session plans were made for contributing \$200 to the show barn fund and \$5 to the summer drama workshop fund. Mrs. Ellis Tatum was selected to represent the club on the Fine Arts Council. Mrs. Jack Brown was chosen library board delegate, and Mrs. Ethel Bengner and Mrs. Charles Russell were named delegates to the summer workshop, which will be held in Lubbock.

LIBRARY CORNER

We have been very busy the past few days adding new books to our shelves.

Some, which have been added to the non-fiction department are "Love and Laughter," by Marjorie Holmes and "Heavens To Betsy," by Charles Earle Funk. This book is very good for light reading and contains more than 400 colorful familiar expressions with explanations of how they originated and developed.

Also "Johnny We Hardly Knew Ye," by Kenneth P. O'Donnell, David Powers and Joe McCarthy. This is the memories of John Fitzgerald Kennedy; and "The Kinta Years," by Janice Holt Giles.

This story was written about life in the Indian Territory in the late nineteenth century.

Then, there is "The Implosion Conspiracy," a story about the Julius and Ethel Rosenberg espionage case, which was written by Louis Nizer.

New library hours for the summer are 9-12 and 1-6 Tuesdays through Saturdays.

The summer reading program will begin June first and run through August first. Anyone who is interested in participating in this program may stop by the library and sign up at any time.

No Life Needs

To Be A Failure

Read Philippians 2:5-13

Work out the salvation that God has given you with a proper sense of awe and responsibility. --Philippians 2:12 (Phillips)

I was discouraged at the slow progress in my spiritual life. I sought counsel from a saintly man, whose life I admired.

"I've heard you say," I told him, "that we don't need to make any effort, that it has all been done for us! Is it all faith and no works? Are we to stand still and let God do it all for us?"

In reply, he said, "We are enjoined to work out our own salvation. A composer has the notes out of which to construct music, but he has to work out his tunes and harmonies. God gives us the rudiments of salvation, but it is for us to work them out in our lives."

A great light dawned on me. I discovered that no amount of effort or sacrifice on my part could have procured this salvation; Christ on Calvary did that. But God gives us the ingredients, and we are expected to put them to use, to develop them, to apply them to our problems and our daily encounters.

PRAYERS--Lord, help us to look upon our daily problems and tribulations as challenges, and to tackle them with joy and vigor, determined to make a success of life in the highest meaning of the word. Amen.

THOUGHT FOR THE DAY--With Christ's help no life need be a failure.

--Herbert P. Wood (Toronto, Ontario)
