JULY 4th SPEAKER

Clayton Boosts Patriotism, Spirit

PRESIDENT NIXON'S price freeze, the latest in this administration's attempt to curb inflation, may curb inflation all right, but it also may kick off a recession unless a better attempt at an across-the-board freeze is arrived at.

The freeze is already having its effects, by making some farm products scarce on the grocer's shelves.

Produce items, such as tomatoes, already in short supply, will probably disappear completely in the near future, unless something is done to change the current freeze set-up.

The trouble lies in the fact that raw farm product prices were not frozen. However, the prices that wholesalers and retailers can charge were frozen. As a result, the price of tomatoes that truck farmers in California are receiving are \$3.00 to \$5.00 per lug higher than the frozen price for which wholesalers can sell them to the retail grocers.

WITH A built-in loss of this \$3.00 to \$5.00 per lug, you can understand why there won't be many California tomatoes shipped to markets across the country during the price freeze. We understand that the Associated Grocers warehouse in Amarillo, which supplies numerous A-G stores in this area, lost \$20,000 on their produce orders which had already been ordered when the freeze, which was made retroactive, by the way, went into effect.

Of course, being in a farming community, we like to see farmers receive all they can for their crops, but it looks like President Nixon's price freeze was a bit unfair to many people. Small wholesalers or businessmen, for example, have been hard hit by the freeze.

MR. NIXON had already endeared himself to this area by freezing beef prices.

Again, with raw products being exempt, the price of grain to feeders has continued to be high. This makes the price of fat cattle to the packers too high in many cases for the packers to make a profit.

We sincerely hope that the freeze will be lifted before feeders, packers and cattlemen as a whole find themselves in trouble.

The beef prices would have corrected themselves if the administration had kept their hands off the situation. They always have taken care of themselves in the past. The old laws of supply and demand had always kept the cattle industry on an even keel. However, the government intervened, and now the entire industry is unstable.

We've said before that the cattle industry was one that had become great because it stood on its own feet. It had no tie-in with government. No subsidies, no controls.

However, big brother government becoming what it is in our country, the government stepped in, and now we have a muzzled industry, one that is no longer subject entirely to supply and demand, but to the whims of lawmakers and a group of people who receive a lot of air time on TV complaining of high prices.

WE ARE AFRAID that the administration, now fraught by the Watergate episode, is in trouble.

The steps that the administration have taken as an attempt to alleviate the problem of inflation, have been ill-planned, and politically motivated, containing sizeable loopholes through which many can escape.

Our only hope is that the country can, somehow, return to its normal sense of balance, without having to experience a recession, which many people have predicted the country might experience.

In order to do so, it would appear that the government will have to forego its current policy of price freezes, and becoming involved more and more in the prices and politics of farm production.

"There is one thing we should all do," warned Texas Rep. Bill Clayton. "We must start taking Americanism more seriously."

This was a leading statement made by the representative at Friona High School auditorium during a special Fourth of July program Wednesday night.

"We're blind to what we take for granted," he continued. "We must take pride in being different and need to repair our root contact with the people."

Boosting the 'rebirth of Americanism' Clayton outlined the principles of the founding of this country and what it has fought for in several wars. "The American Revolution became the bright beam of hope and opportunity for the world," he added.

Rep. Clayton described life in Communist countries stating that in such countries, people stand in line to buy merchandise which is hard to obtain; restaurant portions are weighed by the gram because food is so hard to obtain; there is no such thing as free education; individualism is not allowed; people have no voice or no choice in their government and a man is not

the master of his own destiny are a few of the unalienable rights of the American people not allowed by Communist countries.

"Communists deny anything not materialistic," he added. "We proudly celebrate the birth of our nation 197 years ago."

"We have fought to preserve our independence and if people hold the power, people hold the progress," continued the representative.

Representative Clayton told the crowd in the auditorium. "Ours is a society founded on freedom and American Democracy stands as a document to those dedicated men of 1776."

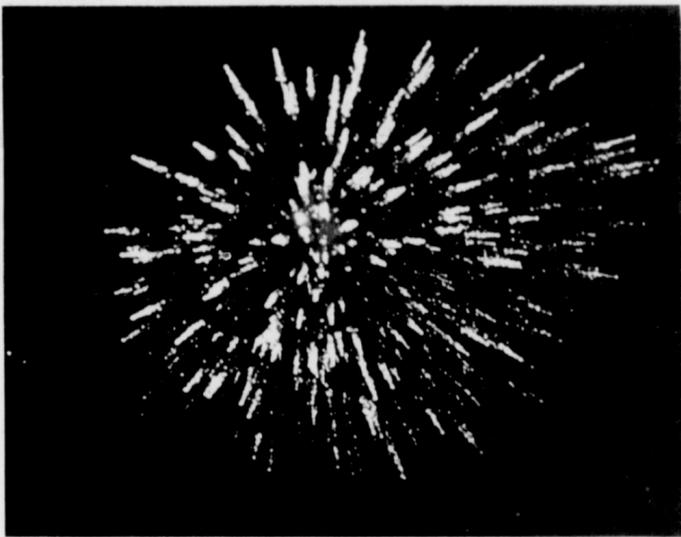

"Get rid of being embarrassed about patriotism and love of our country," asked Clayton to spontaneous applause, "keep our unwavering faith in our country, in ourself."

He concluded, "Practicing Americanism will keep us free." Rep. Clayton spent a full day Wednesday in several communities helping celebrate Independence Day and came to Friona late Wednesday to help with the program in this city.

Introduced by master of ceremonies Bill Ellis, the MC commented, "Representative Clayton is not just an ordinary politician, he's just homefolks." Rep. Clayton is a native of the Springlake community in Lamb County.

Ellis also introduced the Jackson Four and Jo Witten who entertained with several selections and Brian Witten who sang, accompanied by Danny Holley on the piano. The colors were presented by members of the Friona Boy Scouts and Curtis Murpree gave the invocation preceding the program.

Immediately following the program, the celebration for the day ended at Chieftain Field with a spectacular fireworks show, accompanied by a spectacular electrical display as a summer storm moved across the sky dropping sporadic showers in the area. The intermittent showers failed to dampen the spirits of hundreds of area citizens who watched the fireworks display from the football stands and vehicles which lined the streets.

FIREWORKS A TRADITIONAL DISPLAY.... In keeping with tradition, fireworks burst high in the air at the annual fireworks presentation at Chieftain Field near Friona High School Wednesday night. Accompanied by brilliant

lightning flashes in an approaching thunderstorm, the fireworks were shot by members of the Friona Volunteer Fire Department. (Staff Photo)

Visiting Youth Hurt By Fireworks

An accident around 9:30 p.m. Thursday at the V.E. Nichols home sent a 17-year-old nephew, Jim Bob Edwards of Olton, to Parmer County Community Hospital for emergency treatment prior to being transferred to High Plains Baptist Hospital in Amarillo.

Mrs. Nichols told the Star that Jim Bob had gone into the

back yard to help his younger nephews with fireworks when a 'fountain' blew up in his face.

He received severe injuries to his eyes and face, with the worst of the injuries being from his nose through his forehead said Mrs. Nichols.

According to reports, the 'fountain' had failed to ignite Wednesday night, and Jim Bob thought he could get it to work

when he came to visit Thursday. However, the 'fountain' which was supposed to go into the air before exploding exploded as he lit it, causing the facial injuries.

Extent of injuries will not be known for several days, although the youth is not expected to have permanent damage according to doctor's reports to the Nichols.

MARKER DEDICATED....Frank A. Spring, right, gave the main address at the dedication of the marker saluting the City of Friona here July 4. On the left is Hugh Moseley, chairman of

the Parmer County Historical Survey Commission, with his son David standing under the marker. (Staff Photo)

ARE YOU SUPERSTITIOUS?...Steve Gatlin, left, and his sister, Donna, children of Mr. and Mrs. Don Gatlin aren't really afraid of the old bugaboo 'Friday the 13th', or are they? Five year old Steve ponders the evils of Friday the 13th, as Blackie the family cat, looks on. Three year old Donna is unperturbed

about the possibilities of all types of bad luck that traditionally can happen on that day as she sits with brother, Steve, under a ladder. However, just in case, Steve has both fingers crossed and his eyes closed in concentration as he wards off 'evil spirits' before that day arrives next Friday. (Staff Photo)

CRITICAL CONDITION

Butane Fire Near Hub Injures Lazbuddie Man

At presstime late Friday, Forrest Green, 58, from Lazbuddie, was reported in critical condition at Northwest Texas Hospital in Amarillo following a butane flash fire near Hub late Thursday.

Green, a driver for Farmer's Union Co-op of Lazbuddie, was reported to be in the process of filling a butane tank on the J.C. Redwine farm about 15 miles southwest of Friona when the fire occurred from a spark.

A call was received in the Friona Police Department at 6:46 p.m. asking that the Friona Volunteer Fire Department be sent to the butane fire. At that time, the caller did not mention a burn victim.

Enroute, firemen reported back to Friona they had met a late model car headed toward Friona driving fast, with lights on. A Friona City Police car met the car and escorted the badly burned victim and driver to the hospital. It was noted that traffic failed to give a right of way to the emergency lights and speeding vehicles and the emergency vehicles were impeded by the traffic which failed to move over.

Green was given emergency treatment at the local hospital before being transferred to Amarillo. Mike Roberts of Parsons-Ellis Funeral Home, who was making the transfer, reported back to Friona shortly after seven p.m. that his alternator had just quit on the ambulance near Black. THP officers Bob Dorris and Royce Keek, who had just headed south on Main Street turned

back to Highway 60 to assist the ambulance. Hereford Sheriff's Office notified Gilliland Funeral Home in Hereford to send an ambulance to intercept the Friona ambulance and the highway patrol officers assisted with traffic until a transfer could be made to the ambulance from Hereford. Mike drove the burn victim on to Amarillo where the Hereford ambulance quit at the hospital.

A spokesman at Northwest Texas Hospital said Green has second and third degree burns over 70 percent of his body. He is in the intensive care unit of the hospital.

Destroyed in the fire were the Farmer's Union Co-op butane truck with double 800 gallon tanks, a 500 gallon tank on a trailer belonging to Adams Drilling Company and a well motor. The fire had occurred at the site where a new well was being developed.

There was reported to be no explosion and as Green was apparently alone at the location at the time of the fire, there has been no official explanation as to the cause of the fire.

Showbarn Project Awaits Land Deed

The Community Center-Showbarn project for Friona is practically ready to roll, just awaiting receipt of the deed for the property before work can begin, it was announced this week.

Carrol Gatlin, co-chairman of the fund drive to build the center, said he was in contact with an official of the KIS Development Corp. of Roswell, N.M., donors of the 21-acre site during the past week.

"They said it was simply a matter of getting one of their officials lined up to sign the deed, and it would be ready to forward to the City of Friona," Gatlin said.

City Attorney Richard Colard earlier examined the proposed deed, made some suggested changes on behalf of the city, and returned it to the

KIS Development Corp. Due to the amount of fill which will be needed on the site, just north of Reeve Lake, the possibility of buying additional lots from the developers was discussed, but has been ruled out.

Meanwhile, Jerry Hinkle of Friona State Bank reports that recent deposits to the showbarn fund totalling \$5,760.00 have pushed the fund total of \$59,306.15. The project's goal was established at \$75,000.

Officials feel that the remaining 20 percent of the total can be raised, once construction begins.

Burglars Hit White Grocery

When he arrived to open White's Supermarket Saturday morning, Edward White found that a burglar or burglars had entered the store during the night through a back fan vent. Friona Police Chief Bill Denney said the intruders had moved a wire screen and cut off switches as they entered the store.

The only items found to be missing were a small amount of change and six cartons of cigarettes.

SPEAKER PRESENTED TOKEN....Bill Ellis, master of ceremonies at the annual Fourth of July Patriotic Program at Friona High School auditorium is shown presenting Representative Bill Clayton of Springlake, a token of appreciation for being special guest speaker at

the fifth annual program. The painting, a Carol Ellis original, was presented immediately preceding the fireworks display in the football field adjacent to the high school. Clayton spoke on 'Americanism' during the program. (Staff Photo)

Minister Named To Head Drive

Reverend Albert Lindley of the Friona United Methodist Church has been named chairman of the Breath of Life Campaign to fight children's lung diseases, according to Frank Scott, president of the North Texas Chapter, National Cystic Fibrosis Research Foundation.

Rev. Lindley will lead Friona volunteers in raising funds to support research and care programs for children affected by lung-damaging diseases like cystic fibrosis, severe asthma, chronic bronchitis, bronchiectasis, and a condition called "childhood emphysema."

Clayton On Committee

West Texas Representative Bill Clayton returned Friday evening from Washington, D.C., where he chaired a meeting of the Intergovernmental Relations Committee of the National Legislative Conference, the nation-wide organization representing 7,600 state legislators and their staff personnel.

The two day meeting involved conferences with Congressional Committees in the House and Senate on current state-federal issues. The remainder of the meeting was devoted to formulating policy positions to be presented at the NLC's annual meeting August 7-10 in Chicago. The Intergovernmental Relations Committee, which Clayton has headed for two years, is the key federal-state policy-making arm of the NLC.

The work of the Intergovernmental Relations Committee has been termed critical by many federal experts because of its activity in coordinating dealings between state and federal agencies and branches of government. Clayton reported that the energy crisis, human resources and education were major topics of activity at the meeting.

Representative Tom Jensen of Tennessee is vice-chairman of the IRC.

when both parents carry the recessive gene for C/F. It is believed that one in twenty persons or 10 million Americans may carry the C/F gene, usually without knowing it. Current research funded by the National Cystic Fibrosis Research Foundation is seeking a practical test to identify these carriers.

Because of improved therapy and constant research, many C/F patients are living beyond infancy to their teens and into young adulthood. That same kind of therapy is relieving and often curing children suffering from other respiratory afflictions whose symptoms resemble those of C/F.

"Most people don't realize that there are six million children in the U.S. affected by pulmonary illness," said Rev. Lindley. "For some of these children, breathing is not the natural function, we who are lucky, take for granted."

The Breath of Life Campaign supports not only research but over 100 C/F Centers for Diagnosis and treatment across the country.

'Letters' Policy

Dear Mrs. Williams,

I was very sorry to read your new policy concerning the printing of invitations to showers, weddings, etc. in your June 7 issue.

The trend toward "community showers" has been accepted for several years and I can see at least two reasons—1. You no longer felt an "obligation to attend if you didn't care to, and 2. There was no reason for "hard feelings" if you name was accidentally left off the guest list.

Friona is a growing community, true, but the Star will always be our hometown newspaper, and I feel that the community should have the right to have anything they wish printed as long as it is not slanderous or derogatory to anyone.

Sincerely,
Mrs. Jim Greeson

We are into vacation time for the summer and several precautions can be taken prior to leaving home to assure, or at least help assure, the safety of your home and furnishings while you are gone.

Some of the simple precautions you can take include—

SHORT TRIPS

When you plan to be away from home a short period of

time—double check to make sure your doors are locked. Leave a light or the radio on, close this door to the garage. This will make it harder to determine whether or not anyone is home.

EXTENDED TRIPS

If gone a period of several days or on an extended trip—arrange for your grass to be mowed—advise your paper boy to hold your papers—leave a light on in the bathroom or a back room—advise your neighbors you will be away.

Also, call the Friona Police Department and advise how long you will be gone. Our patrolmen will make periodic checks of your property to see if everything is all right while you are away.

Chiefly speaking—Advance precautions could make the difference in how your vacation ends, happily or sadly attempting to replace valuable furnishings."

County Ranks High In Livestock Production

"The Panhandle contributed more than 70 percent of the Texas cattle and calf production in 1972," Agricultural Commissioner John C. White reports. Texas has more than twice as many cattle and calves and three times more beef cows than the second place state.

IN TOP TEN
 The past two years, Parmer County has been in the top 10 counties in cattle and calves, plus cattle on feed, in Texas.

Parmer County increased its 1971 production total of 192,000 cattle and calves to 251,000 in 1972. Cattle on feed in 1971 totaled 136,000 contrasted to 187,000 for cattle on feed on January 1, 1973.

BIG POPULATION
 The cattle and calf population for Texas as of January 1, this year totaled 15,350,000 head.

"Our human population and the cattle and calf population for Texas in years past has pretty well been about equal. But this past year, our cattle population showed a huge increase, about 2,500,000 over 1972," White said.

OKLAHOMA SECOND
 Beef cows numbered 6,320,000 in Texas contrasted to 2,283,000 head of second-place Oklahoma.

Texas is also first in the nation in cattle on feed. Last year, about 4,300,000 head of cattle were fed out in Texas; this year, it's expected the figure will top 4,500,000 head, added White.

The state ranks ninth in the nation in milk cow numbers with a total of 360,000 head.

SWINE 14th
 The only area of livestock production in which Texas is not in the top 10 is in swine. Texas is 14th in total numbers of swine, the same spot it held in 1972.

"But, I believe we are going to see Texas soon in the top 10 states in hog production," White concluded.

Livestock sales made considerable progress even though bad weather killed about 50,000 head of cattle throughout Texas.

Pavlo Pina Rites Held

Funeral services for Pavlo Pina, 73, a Friona resident for the past 15 years, who died Tuesday morning in Southwest Osteopathic Hospital in Amarillo were held at 10 a.m. Thursday in the Sixth Street Church of Christ.

Officiating was Max Zampano and burial was in Friona Cemetery under direction of Parsons Ellis Funeral Home.

Born in Rockdale, Pina came to Friona from Taylor. He was a farm laborer.

Survivors include his wife, Rufina; a son, Luz of Los Angeles; two daughters, Miss Paula Pina of Fort Worth and Miss Irenia Pina of San Antonio; two sisters, Mrs. Hilaria de los Santos of Big Spring and Mrs. Petra Arreola of El Paso.

Improved Grass Ups Production

There's a lot more beef in your favorite grocery store because of improved grasses planted by Texas conservation farmers and ranchers.

In fact, an extra 335 million pounds of beef is produced in Texas every year from grasses released by the USDA Soil Conservation Service.

Edward E. Thomas of Temple, state conservationist for SCS, said the figures came from a recent study conducted by his office.

"Our survey revealed that in the past 20 years, 5.9 million acres of land has been planted to new grasses released by SCS," Thomas said. "State-wide, increased beef production is averaging 56 pounds per acre per year from these grasses. And the average climbs every year."

Thomas admitted that he didn't know how much this affected the price of beef for the housewife.

"But take away that 335 million pounds of beef every year and prices would have

only one way to go-up," he stressed.

"In the past 25 years, annual beef consumption has jumped from about 64 pounds per person to 113 pounds. Meanwhile, our state's population has increased by more than 50 per cent. That adds to a gigantic increase in the demand for beef."

Without improved grasses and better conservation treatment of grassland, this demand would outstrip available supplies.

Thomas said 23 grasses released by SCS are being grown in Texas. Each has its own area of adaptability and is used to fill a specific conservation need.

Increased beef production is

only one benefit from improved grasses. Others include erosion control, reduced sediment damage to lakes and streams, fewer dust storms, and more abundant wildlife.

Thomas said several other factors also contribute to increased beef production from Texas grasslands, such as better livestock, improved grassland management, irrigation, and increased use of fertilizer.

"Yet it's hard to grow more beef without having more blades of better grass," Thomas said.

Next time you go grocery shopping, think how bare the shelves would be without that extra 335 million pounds of beef.

Scouts Celebrating Birthday

According to local Boy Scout leaders Lewis Gore and Albert Lindley, Friona Scouts will join area citizens in the next two years celebrating America's bicentennial.

They have announced a program which will be developed by the more than 10,000 members of the Boy Scouts in the Panhandle and plan to carry the program into 1977.

Nationally, programs of emphasis have been designated for the bicentennial era. The 1973-1974 theme will be Get Involved For Them (GIFT) and will encourage recognition of individuals and community groups that demonstrate service to others.

The 1974-1975 theme is Be Prepared For Life, a program of fitness and safety that will provide for the conservation of human resources.

For 1975-1977, the Boy Scouts of America will build on the programs of the Nation's American Revolution Bicentennial. For the two-year period, there will be Heritage '76, a look at history; Festival USA, related to a greater knowledge of the country; and Horizons '76, to look at the future.

Don Moffitt, Scout Executive

of the Llano Council said. "It's important that boys and young adults, as future citizens, be involved in our nation's bicentennial, and we believe the best approach is for our local groups to make their plans with their neighborhood and community."

The two local Boy Scout leaders said plans will be released as they are finalized and urged participation in helping the Boy Scouts celebrate the bicentennial of the nation.

Benger Close To Senior LL Crown

Despite losing a 9-8 game to second-place Pioneer Cattle Order Buyers, the Benger Flyers have all but wrapped up the title in the Senior Little League.

Benger had downed Hi-Plains, 19-11 on Tuesday for a three-game lead in the league standings, but Hi-Plains came back on Thursday for a 9-8 win to trim the lead to two games.

Benger's league lead stood at two games entering play the week of July 2, and the Flyers would have to lose all three of the makeup games scheduled this week to lose the championship.

The other game in the Senior Little League last week found Pioneer Cattle taking a 24-15 win over Cattle Town Feed Yard, scoring 12 of their runs in the sixth inning.

Titles Won In Junior-Senior Loops

Parmer County Implement Co. sewed up the championship of the Senior Minor League here last week, while Tasty Cream was wrapping up the title in the Junior Minor League.

Parmer County Implement rebounded from a 9-8 loss to Hi-Pro to down Ethridge-Spring, 15-9 to put the claim on the senior loop crown.

Tasty Cream downed Piggly Wiggly, 20-7 to put the wraps on the junior minor championship. In other games, Friona Parts kept right on the leader's heels by beating Bill's TV twice, 18-17 and 21-15.

The action last week wrapped up the action for the season, except for the intra-league exhibition games slated for July 19.

Babe Ruth Meet Set

Top athletes from across Texas will be participating in the State 16-18 Babe Ruth Baseball Tournament beginning Tuesday, July 17, 1973 in Babe Ruth Park in Olton.

Selected for the tourney site for the second straight year, Olton is one of the eight towns comprising the host tournament team. ALMO League Senior Babe Ruth teams are from Amherst-Sudan, Littlefield, Muleshoe, Olton, Morton, Dimmitt, Nazareth and Anton. Other teams competing in the State Tourney will be All Stars from Northside San Antonio, Southside San Antonio, Graham, Lubbock, South Plains (teams from Brownfield, Levelland, Tahoka, Post and Lamesa.)

The double elimination tournament will be played in Olton's Babe Ruth Park which is located at 6th Street and Avenue L.

Game number one will get underway at 4:30 p.m. July 17 between Northside San Antonio and Graham.

Baseball fans are invited to make plans to visit Olton during the third week of July for a real treat.

Winner of the tournament will advance to the five-state Sectional Tournament the following week in Kenedy, Texas.

Talented baseball players will be participating in the tourney. Last year's winning team, Northside San Antonio, went on to win the Sectional tournament and were runners-up in the World Series of Babe Ruth Baseball, the Tournament of Champions in Monroe, N.C. At least three of the six seniors on the team signed college baseball scholarships and one, Les Hemby, was named Most Valuable Player at both advanced tournaments and was selected this month in the baseball draft by the Cleveland

Post-Season LL Action Is Slated

Friona will host post-season Little League playoff activity the week of July 16-21, it was announced here this week.

The Senior Little League All-Stars will play a best two of three series with the stars from Tucumcari, N.M. beginning here July 16 in a 7:30 p.m. game. Other games in the series will be played at Tucumcari on July 17, and back in Friona on the 18th, if necessary.

On July 20-21, Friona will host a Major League playoff tournament, involving teams from Clovis, Bovina, Texico-Farwell and Friona. First-round games pit Bovina vs Clovis Southern at 6 p.m. July 20, followed by the Friona vs Texico-Farwell game. Winners and losers meet the following evening.

Meanwhile, on Thursday, July 19, all-stars from the junior and senior minor leagues will meet in intra-league

exhibition games at 6 p.m. and 8 p.m. at the big park.

Little League coaches have named all-stars from the four leagues. These will be listed next week in the Star's salute to Little League.

Reeve Makes Bid For League Title

Reeve Chevrolet-Olds took a giant step toward the championship of the Major League last Monday, when the team edged Friona State Bank, 8-7.

The win gave the team a 9-2 season record, and a one-game lead over the Bank team.

Reeve scored two runs in the seventh inning for the win, on a walk and a single by Chito Caballero. The Bank scored once in their half, paced by Willie Brailiff's double.

Other league games found Friona Star outlasting Friona Feed Yard, 16-15 on Tuesday. The Star team scored nine runs in the fourth, offsetting an 11 run second by the Feeders.

The same two teams met on Thursday, with the Star winning 11-4, to keep the Feed Yard with a winless record.

Makeup games this week were to conclude the league

schedule.

Briscoe Initiates Mobile Office

Governor Dolph Briscoe announced Friday he will initiate a new Mobile Field Office as an extension of the governor's office sometime in July.

The Governor's Mobile Field Office will be located in every county seat in the state at least one day during the coming year and will be staffed on an alternating basis by the top members of the governor's staff.

Governor Briscoe said whenever possible he himself will staff the Mobile Field Office.

Addressing the County and District Clerks Association in Corpus Christi, the Governor said, "We will be in the communities for many purposes. We will be there to listen to what the public has to say...to answer questions...and...and to help inform the public on matters of special interest to their communities."

Governor Briscoe pointed out

that "the doors to this office will be open to everyone. The public will be encouraged to take advantage of this opportunity to communicate with their government."

Among other assignments, those staffing the office will help to inform the public of ways and means of conserving energy; will establish face to face communications with local governmental officials; and will search for ways of improving the overall delivery of government services to the communities, the Governor said.

"By establishing this close link to the people in the Governor's Office, it is my belief that the Governor's Office will be in a better position to serve all the people. The Mobile Field Office will be an instrument which will make state government more accessible and more responsive to the public we all serve," the Governor said.

At Home In Parmer County

Jana Pronger

A FAMILY is love, laughter, liberty, loyalty and learning together. Love is the essence of family.

It's the close personal blending of physical and mental togetherness-in privacy, intimacy, sharing, belonging, caring-with honesty and understanding, patience and forgiveness.

People who show love for each other create security and happiness for themselves and for their children.

Such love doesn't come automatically-it must be nurtured from day to day.

Laughter, is the escape valve for family tensions-seeing each other honestly and objectively as we grow and learn. Laughter and a positive attitude can be cultivated.

Liberty is the freedom to grow which means responsibility to others-and this

responsibility increases as we seek our places in a complex world.

Each family uses its own set of rules, based on the greatest understanding of one another-not on force. These are passed along firmly, but fairly, by example to its children.

Loyalty, although each individual is unique, the family sticks together-in sickness and health, in poverty and affluence, in failure and success.

For every human being the family is a place of refuge against defeat, disease or death-a cheering section of a mourning bench when needed and insurance against loneliness.

Learning together is the greatest fun of all. The family is a continuing course in better living-everybody teaches and shares values, facts, ideas and experiences. Each family is a key 'institution of learning.'

Would you like for your child to be in an organization the whole family can benefit from? Contrary to some people's belief 4-H is a family affair.

4-H has been helping to build families for many years. Parmer County 4-H families have enjoyed doing things as a family. Currently we have six community 4-H Clubs serving some 180 4-H members over the County.

With a little more help from every 4-H parent in the county we could have an even better program than we do. For more information about the 4-H program and what it can do for you and your family contact the County Agents Office in Farwell!

Although trees are divided into two great classes, hardwoods and softwoods, some hardwoods are softer than some softwoods.

"The proper time to influence the character of a child is about a hundred years before he is born." (William Inge)

WTSU Adopting New Regulation

West Texas State University has eliminated its physical examination requirement for incoming students, Dr. T. Paige Carruth, vice president for student affairs, says. Under new regulations adopted by the Board of Regents, only a record of a student's immunizations are required for admission. Mrs. Louise Mitchell of the University Health Center says, "In the past, a student would go to a doctor for a physical examination and the doctor would give him several tests that were not required by the university, such as chest x-ray, blood tests. This practice was very expensive for the student." Carruth says the university's only medical requirement now is that students must have had the oral polio and the combination tetanus-diphtheria

immunization within the last 10 years. "Last semester we gave more than 375 shots in one day because students had not gotten their shots or did not realize they had to have them," Mrs. Mitchell says.

Gifts God Has Given Us

Influence Us Every Day

Read Luke 19:11-24

"Why then did you not put my money into the bank, and at my coming I should have collected it with interest?" (Luke 19:23, RSV)

Jesus insisted that His followers be productive. In our scripture we find Him saying it is important that each person use his capabilities to bear fruit. He was well aware that if His followers did not spread His gospel of love, everything that He was saying and doing would disappear in the rubble of the ages. Jesus' gospel is a doer's gospel.

A man said to me, "Oh, I'm so busy"; but when he tried to tell me how much he had done, he could not find a single productive accomplishment. How many times we come to the end of the day and try to count our accomplishments, only to realize how little we have really done.

Such experiences lead me to pray that God will make me productive of something that will help by brotherman.

PRAYER--*Father, give us the courage to keep striving to make our lives useful, to make our talents, whatever You have given us, bear fruit for the kingdom. For Jesus' sake. Amen.*

THOUGHT FOR THE DAY--*What we make of each day depends on how we use the gifts God has given us.*

Garden Wedding Unites Holly Welch, Joe Jones

A garden wedding at the home of the bride's parents was the setting for the Saturday wedding of Holly Welch, daughter of Mr. and Mrs. Louis Welch and Joe Bill Jones, son of Mr. and Mrs. R.W. Jones, all of Friona.

Terry Brown, minister of the Sixth Street Church of Christ, officiated at the June 30 double ring ceremony, which was held at 6 p.m. Vows were repeated before an archway of boxwood and kalanchoe flowers flanked by topiary trees containing birdcages filled with tropicana roses, daisies and baby breath.

Mrs. Gary Renner, cousin of the groom, presented pre-nuptial and reception selections.

Holly was escorted by her father down a daisy-strewn aisle marked with white silk ropes and given in marriage. She wore her mother's wedding gown of ivory slipper satin featuring a sweetheart neckline, edged with Chantilly lace. Chantilly lace enhanced the dropped waistline and leg of mutton sleeves extending into petal points.

Tiny satin-covered buttons decorated the centerfront of the bodice as well as the sleeves. A soft gathered skirt swept to backfulness cascading into a cathedral train. Her wide brimmed picture hat of miniature Chantilly lace ruffles were accented with ivory satin ribbon in a bow with long streamers at the center back. She carried a bouquet of longstemmed tropicana roses, daisies and baby breath.

Keeping tradition, for something new she wore a grape cluster pearl necklace, a gift from the groom; a blue garter belonging to her sister, Gay; something old was her gown; borrowed was her Grandmother Welch's wedding ring and she wore sixpence in her shoes dated during the year of the groom's parent's wedding.

Matron of honor was Mrs. Terry Fite, with bridesmaids Mrs. Lenny Petree and Mrs. Johnny Bingham, all sisters of the bride. Sheila Struve, cousin of the bride, was bridesmaid. The bride designed and

sewed formal length gowns of burgundy foil accented with an apricot and rose pink floral pattern for her attendants. Floral wreaths of tropicana roses, carnations, and baby breath were worn as headpieces. They carried matching longstemmed bouquets.

Jim Bob Jones, Denton, served his brother as best man. Groomsmen were Joel Osborn, cousin of the groom, Galveston; Johnny Bingham, Houston and Lynn Welch, brother of the bride. Ushers were Bruce Fite of Dallas and Danny Kendrick of Arlington.

Aunts of the bride, Mrs. Nelson Welch, Mrs. Steve Struve, Mrs. Jack Miller and Mrs. B.J. Brown, presided at the reception where wedding cake, pecan tassies and good luck meringue mushrooms were served, all prepared by the bride.

Mrs. Dwayne Bishop, cousin of the bride, presided at the guest register.

For traveling, Holly wore a burgundy slack suit with shirred waistband and short bell sleeves of floral voile.

After a wedding trip to Mazatlan, Mexico, the couple will live in Houston where they will continue their education. Special guests included grandparents, Mrs. Mabel Jones, Mrs. Lucy Welch, Mr. and Mrs. Ralph Wilson and Mr. and Mrs. J.L. Shaffer. Also great aunts, Mrs. Thelma Jones, aunt of the groom; and Mrs. W.L. Hopkins of Las Vegas, Nev., Mrs. Mabelle Hartwell and Mrs. C.V. Potts, both of Friona, aunts of the bride. Also special guests were great aunt and uncle, Mr. and Mrs. J.R. Schlenker of Portales, N.M.

Out-of-town guests included Mr. and Mrs. Jack Miller and family of Dimmitt; Mrs. B.J. Brown, Rockport, and Mr. and Mrs. Dwayne Bishop and Michael of Lampassas.

A rehearsal dinner honoring the bride party was hosted by the groom's parents, Mr. and Mrs. R.W. Jones on Friday, June 29.

Patricia Phipps Feted With Recipe Shower

Patricia Phipps, bride-elect of Rex Hand, was honored with a recipe shower by the Friona Young Homemakers on Thursday, June 28, in the Friona High School patio.

Marilyn O'Dowd and Diane Bim of Southwestern Public Service Company, prepared a summer meal for the group on an Electro-Grill.

The patio was decorated in red, white and blue and featured a Fourth of July theme. A watermelon punch bowl was featured as centerpiece.

Presented the honoree was an electric ice cream freezer and Mrs. John Hand, her future mother-in-law and Kara Hand, presented Patricia a salad master.

All members of the Young Homemakers brought ice cream or barbecue recipes to the party.

During the past year, Patricia was Young Homemakers "Little Sister."

Special guests at the shower

were Mrs. E.G. Phipps, mother of the honoree, Mrs. John Hand and Kara, Mrs. Mickey Wilson, Mrs. Danny Black, Mrs. Patrick Pace, Mrs. Ron Cain, Mrs. Ernest Osborn, Mrs. Dale Gober, Mrs. Jim Roy Wells and Mrs. Terry Brown.

Senior Citizens Hold Luncheon

Under direction of Jo Witten, the Jackson Four entertained at the regular monthly meeting of the Friona Senior Citizens last Friday.

Meeting at a pot luck dinner in the Congregational Fellowship Hall, 45 members played games of '42' and '84' following the dinner.

Special guests at the meeting were Leila Penn of Lancaster, Tex. and Mr. and Mrs. Willie Brooks of Corpus Christi.

Senior Citizens meet at noon the last Friday of each month.

Local Trio Attends Homemakers Meeting

Mrs. Valoris Osborn, Annette Reznik and Glenda Reeve are among the fourteen hundred delegates and four hundred home economics educators who are in Dallas for the national Future Homemakers of America meeting.

Starting Monday, July 9, the meeting will be held at the Fairmont Hotel in Dallas, and the group is representative of more than 500,000 members from all fifty states, Puerto Rico and the Virgin Islands.

This year's meeting is designed to promote active involvement through the new Program Action Impact, said Mrs. Osborn. The four day program will revolve around the theme IMPACT '73.

Texas will be represented by 198 delegates and 50 adult advisers. Mrs. Betty Romans will head the delegation which leaves for Dallas today, July 8.

Presiding at the opening session on Monday evening will be FHA National President Nancy Hodgkinson, a high school senior from Garden City, Kansas. During the four-day meeting officers and delegates will conduct and participate in "talk-in" sessions and "action labs" exploring ways to use the Program Action Impact Kit in planning and carrying out indepth projects that relate to their home economics class

room work. Each state delegation has a particular assignment to carry out at the national meeting. Texas delegation will be in charge of hostess duties, information and practices.

Major pieces of business to come before the assembly is the election of twelve national officers to serve during the 1973-74 year.

Stark Based In Thailand

U.S. Air Force Staff Sergeant Bernard E. Starks, son of Heary E. Starks, 127 W. Maple St., Milton, Pa., has arrived for duty at Korat Royal Thai AFB, Thailand.

Sergeant Starks, an airframe repairman, is assigned to a unit of the Pacific Air Forces (PACAF) which provides tactical air power supporting the U.S. and its allies in Southeast Asia and the Far East. He previously served at Forbes AFB, Kan.

The sergeant attended Milton High School and entered the Air Force in September 1954.

His wife, Venita, is the daughter of Mr. and Mrs. Tom Gibson, 405 Oak St., Friona.

Sunday Wedding Held For Malouf, Rape

During an early evening ceremony on Sunday, July 1, Carmen Malouf, daughter of Mr. and Mrs. Hanna Malouf, was married to Eldon Ray Rape, son of Mr. and Mrs. Eldon Rape all of Friona.

Given in marriage by her father, Carmen was dressed in a formal length bridal gown with long bracelet sleeves and lace insets. She wore a double illusion veil edged with Alencon lace, and carried a bridal bouquet.

The wedding service was read in St. Anthony's Catholic Church in Hereford at 6 p.m.

Maid of honor was Souad Malouf, sister of the bride and best man was Maynard Greeson. Georgette Malouf, Amal Malouf and Sylvia Malouf were bridesmaids; they are all

sisters of the bride. The attendants wore soft yellow knit with lace trim.

Groomsmen and ushers were Dwight Whitaker, B.K. Buske and Connie Robinson.

Michelle Swayden, niece of the bride was flower girl. She is the daughter of Mr. and Mrs. Bob Swayden; and Peter Malouf, brother of the bride, was ring bearer.

Vocal selections were presented by Mrs. A. Reinaut, accompanied by Mrs. Carolyn Evers of Hereford.

A dinner was served in lieu of a reception in the KC Hall in Hereford, immediately following the wedding service.

Following a wedding trip to Ruidoso, Juarez and Carlsbad, the couple will be at home in Friona.

Joy Mann, Dwayne Bauer Wed In Rhea Church

Joy Lynn Mann, daughter of Mr. and Mrs. Joe Mann of Friona and Franklin Dwayne Bauer, son of Franklin Bauer and the late Dorothy Schueler Bauer of Everton, Mo. were married in a single ring ceremony at Immanuel Lutheran Church at Rhea on Saturday, June 30.

Performing the ceremony amid a setting of two seven-branch candelabra with pink candles, greenery and pink bows and an altar arrangement of pink and white carnations was Rev. Duane Kirchner, pastor.

Given in marriage by her mother and father, the bride

was attired in a formal length wedding gown of bridal satin with a lace-covered bodice and a miramist covered skirt. Her gown featured long sheer lace sleeves with satin buttons on the cuff. The long train was edged in lace, as well as her veil and headpiece. The headpiece was offset by pearls and sequins and pearls accented the fitted waist of the gown.

Joy carried a Bible covered with a white orchid.

Carleen Schlenker accompanied Dorothy Johnston, Vicki Pryor and Lisa Taylor, who presented "Because" and "One Hand, One Heart."

For something old, the bride

wore a ring belonging to her mother; something new, her wedding dress; something borrowed was her veil and something blue was a garter.

Carla Sue Mann attended her sister as maid of honor and Rhonda Bauer, sister of the groom was bridesmaid.

They wore floor length gowns of pink and white check, trimmed with white and wore matching scarves as headpieces. The attendants carried long stem pink roses.

Best man was Dale Schueler, cousin of the groom and groomsman was Floyd Schlenker, cousin of the groom. Candlelighter was Steven Bauer, who also served with Joe Bob Mann as ushers.

The mother of the bride was attired in a blue knit dress with white lace jacket and white accessories. Her corsage was a white cymbidium orchid.

A reception followed the wedding in the Rhea Parish Hall. The reception table was centered with an arrangement of pink carnations. A three-tiered cake topped with bride and groom under a pink rose covered arch was served along with pink punch, nuts and mints.

Serving were Mrs. Joe Bob Mann of Ralls, sister-in-law of the bride, and Mrs. Joe Bob Johnson and Kathy Schueler, cousins of the groom.

Following a wedding trip, the couple will be at home in Everton, Mo. where Dwayne will be engaged with farming and ranching with his father.

For traveling, the bride chose a white knit dress with blue and white trim and her corsage was the orchid from the bridal arrangement.

Joy is a 1973 Friona High School graduate and Dwayne graduated in 1971 from Friona High School and attended Texas A&M University.

Special guests at the wedding included Mrs. Edna Bauer, Canyon, groom's grandmother; Herman Schueler, Rhea, grandfather of the groom.

Out-of-town guests were Mr. and Mrs. Eddie Ramm and Mr. and Mrs. Ernest Ramm, Alta, Nancy, Ruth and Clayton of Lariat; Mr. and Mrs. Herbert Kuhlman and Cindi, Canyon; Will Staleup, Morton; Rev. and Mrs. Herman Schelter and John, Hereford; Michael Mann, Ralls; Mr. and Mrs. Gilbert Schueler, Deanne, Denise, Darlene, Danny, Darrell, David and Douglas, Alamosa, Colo.; Mrs. Ronnie Shafer, Muleshoe; Mr. and Mrs. Lee Roy Bauer, Ricky, Cheryl and Lea, Verona, Mo.; and Mr. and Mrs. E.O. Woollever, Littlefield.

Mr. and Mrs. Franklin Dwayne Bauer

Bride-Elect Honored At Miscellaneous Shower

Patricia Phipps, bride-elect of Rex Hand, was honored with a pre-nuptial shower in the home of Mrs. Donald Huckabee on June 23.

The round table was covered with a white linen cloth edged in green and offset by a centerpiece of yellow carnations and baby breath.

Special guests were mothers of the couple and a grandmother of the prospective groom, Mrs. Carrie Shirley of Friona.

Hostesses for the shower were Mrs. Donald Huckabee, Mrs. Lois Weatherly, Mrs. Audvie Barnett, Mrs. David Barnett, Mrs. V.E. Nichols, Mrs. Leroy Lundy, Mrs. W.S. Ingram, Mrs. Jack Tomlin, Mrs. John Renner, Mrs. Delton Lewellen, Mrs. Clifton Harper, Mrs. Truett Johnson, Mrs. James Proctor, Mrs. J.W. Gammon, Mrs. David Smith, Mrs. Henry Lewis, Mrs. Olan Turner and Mrs. Estis Bass.

Youth Attends Special Camp

Santos Rodriguez of Friona is at Horseshoe Canyon Camp at Binger, Okla. to attend a special summer camp sponsored by National Camps for Blind Children and the Oklahoma Conference of Seventh-day Adventists.

He is among visually handicapped boys and girls nationwide who are attending one of the thirteen camps this summer, and engaging in swimming, archery, horseback riding, water-skiing and crafts.

"Touch and Feel" is a special feature of the camp where the children are allowed to "see" tamed animals with their hands.

Extra safety precautions have been taken at the camp to prevent accidents. Ropes lead campers to the restrooms and showers in the cabin area. Counselors and camp staff members, mostly young people, keep a close eye on their charges.

Vikki Young Chosen As 'Top' Athlete

Mrs. Lillie Taylor has been notified that her granddaughter, Vikki J. Young, of Louisiana State University at Alexandria has been named as an Outstanding College Athlete of America.

Vikki is the daughter of the former Doris Taylor. Mr. and Mrs. Bill Young, Vikki's parents, reside in Pineville, La.

A recipient of a number of honors during the past several years, Vikki was named an Outstanding College Athlete for 1973 while attending LSU-Alexandria during her sophomore year. She is a physical education major at the university.

She was elected by the Physical Education staff of LSU-A as the outstanding PE student for the 1973 year and was honored at the annual convocation awards day in April.

Of a possible 4.0 grade, Vikki completed the year with a 3.8 and has been named to the Dean's Honor List all four semesters she has attended the school. During her freshman year, she attended the University of South Carolina and majored in Spanish.

Vikki was treasurer of SLTA (Student Louisiana Teacher's Association) and a representative to the state SLTA convention in February. She is sports editor for the Sauce Piquante (yearbook) and was a nominee for the LSU-A favorite.

Vikki was runner-up in the women's tennis singles intramurals and a student member of LAHPER (Louisiana Association for Health, Physical Education and Recreation.)

Vikki Young

While at the University of South Carolina, Vikki was scorekeeper for the tennis team; timer for the swimming team; on the dean's list and Pi Kappa Phi Little Sister.

She says her plans are to get a BS degree in physical education at Northwestern State University in Natchitoches, La. and go on to school for a master's degree while teaching and eventually teach physical education in a small college.

Vikki is also coach for a 14-18 year old girls' softball team and plays third base for a women's softball team in the Pineville League.

It's Our 10th Anniversary!

Sunday, July 8, 1973

Dear Friends,

We are pleased to announce that we are celebrating our 10th anniversary in business during the week of July 9 thru 14. Come in and help celebrate!

When you are here, register for one of our 10 prizes, all of which are now on display in the store. First prize will be a large 3 volume Bible Commentary. The drawing will be Saturday, July 14, at 2:30 p.m. Names of winners will be posted in the store. No purchase necessary to register, need not be present to win.

However, any purchase made during the week will receive a 10 per cent discount and everyone coming into the store will receive a free gift.

We wish to thank you for your kindness during our 10 years in business and hope you feel we merit your continued support.

Incidentally, it is our policy to gift wrap free. Christmas purchases or other seasonal buying will be appropriately gift wrapped now for that Special Time of the year. Just ask!

Sincerely yours,

Christian Book Store

You are invited . . . to good times, good food

. . . in your own backyard with an outdoor gas grill and gas light. You can cook up a party at a moment's notice, because a gas grill is ready to cook in minutes. And it's so easy to cook on because you can control the heat. With a gas grill there's no charcoal mess, and you still get that delicious, outdoor char-broiled flavor that comes from the smoke of meat juices dripping on permanent ceramic briquets.

Besides the good times you'll have cooking out, you enjoy the convenience of having a gas grill. You'll probably find yourself cooking on it just because you wanted to get out of the kitchen or didn't want to mess up the broiler of your kitchen range.

All prices include normal post-type installation (up to 50 feet of line) and 5% sales tax.

DPS Seeking New Recruits

The Texas Department of Public Safety is actively recruiting applicants to fill the ranks of its uniformed services. Major C.W. Bell, Regional Commander of the DPS, announced that the training school for new uniformed law enforcement personnel will begin Sept. 25.

The Major noted that the DPS has been increasingly successful in recruiting persons from minority groups to these positions and said efforts in this direction will continue.

Also in keeping with the current trend, female applicants will be considered for these rewarding careers in law enforcement.

Major Bell said general qualifications for DPS officers are these: applicants must be 20 through 35 years of age; height not less than 68 inches; weight not less than two pounds per inch of height; visual acuity of 20/40 correctable to 20/20; and a minimum of 45 semester hours of college credit.

Applications may be obtained by contacting any DPS employee or any DPS office. The completed application form should be taken to offices in Lubbock, Amarillo or Wichita Falls where the competitive examination is given each Tuesday and Wednesday at 9 a.m.

Major Bell said persons selected as cadets will be assigned to Austin for training at the DPS Academy. The salary during training will be \$625.00 per month. Upon being commissioned the salary is raised to \$719.00 monthly with the opportunity to advance to \$848.00 per month.

Uniformed personnel receive additional longevity pay for each five years of service to 25 years. They are also granted a monthly uniform cleaning allowance, and receive travel expenses when away from their station.

Uniforms, vehicles, weapons, ammunition and related equipment are furnished. Group life and hospitalization are paid for the employee and dependent coverage is available at reasonable rates. Officers participate in the Employees Retirement System of Texas as well as Social Security. Vacation, holidays and sick leave are as provided for all State employees.

Successful graduates will be assigned to the Highway Patrol, License and Weight Service, Motor Vehicle Inspection Service, or Drivers License Service, according to the needs of the DPS and consideration of personal preference.

All officers are eligible to compete for promotions after two years of service. Experienced uniformed DPS personnel interested in criminal investigation may apply for appointment to positions in the Criminal Law Enforcement Division, which includes narcotics, intelligence, motor vehicle theft and Texas Ranger services as vacancies occur.

Arrangements will be made for a physical examination. A character investigation will be conducted and those persons who are accepted for employment will be notified prior to the beginning of the September recruit school.
