

Star Lites

By Bill Ellis

WHAT CAN YOU SAY about the harvest weather we have had in this area this fall that hasn't already been said?

The extremely mild weather has allowed virtually all of the grain crop to be harvested, prior to the first freeze of the season.

This orderly harvest should be worth a lot to the area's farmers, if nothing more than in peace of mind.

However, one group that the cooperative weather has helped from a monetary standpoint is the custom harvesters. Last fall, you'll recall that the grain harvest was plagued by wet weather. One custom harvester said he was here for four weeks before he could do a lick of work.

This year, the harvest isn't even four weeks old, and already many of the custom harvesters have finished, and are leaving Friona.

Perhaps this is Mother Nature's way of "evening up" things.

THE COTTON HARVEST was awaiting the first freeze in order to get started. Although the acreage on this crop is lower this year than past years due to the sunflowers grown in their place, some better than average cotton appears in prospect.

The first freeze was being expected on Saturday morning, so the area might be able to make a smooth transition from the grain harvest to the cotton harvest.

OUR OLD FRIEND O.F. (Os) Lange, longtime manager of Rockwell Bros. Lumber Company, is currently in Houston undergoing some tests.

Os is staying with his daughter, Carolyn Lynn while in Houston, and would no doubt enjoy hearing from his Friona friends.

Speaking of Mr. Lange, we have had it suggested that the Friona nursing home incorporate the name of the late Rose Lange, one of Friona's fine pioneer women, and a worker for Friona's betterment during her life here. A nursing home was one of the things Rose wanted to see accomplished. It is a shame she did not live to see one of her dreams realized.

MUCH IS BEING SAID lately about the amount of violence, profanity and indecent displays of sex which Americans are being subjected to through the medium of television.

A local sharing group has distributed form letters to the various network officials, protesting this type of programming. The letters are available in most downtown stores for those who would like to sign and have their letters mailed.

We would suggest that those who are seriously opposed to crime, excessive sex and violence write an original letter. We would think that this would carry a lot of weight with the network bosses.

The sex angle is currently being discussed in none other than TV Guide, in a two-part series entitled "TV's Sex Crisis." However, the magazine tends to defend TV as it is, labeling the drive such as the one by the local group as being too general.

IT'S HARD to realize that Friona and Farwell won't meet on the 1976 football schedule. More than a generation of football teams have come and gone since the Parmer County teams last missed a fall football meeting.

It's a shame to end, or even interrupt, natural rivalries such as this one. Particularly when the two towns are only 25 miles apart.

Farwell has been replaced on the schedule by Floydada, making for a 200-mile round trip for the football opener. Within two years, we have had to replace Farwell and Bovina on the local schedule with Floydada and Lockney. That's a lot more travel, more expense for the school and fans, and a lot less natural rivalries.

Clocks "Fall Back" An Hour Sunday

Clocks will be set back an hour Sunday as the United States reverts to the regular pattern of six months of Standard Time and six months of Daylight Savings Time.

Special legislation that extended Daylight Savings Time in an effort to cope with the energy crisis has now expired and no action is expected on further changes.

The country experimented two years ago with year-around Daylight Savings Time, but then Congress last year restored Standard Time for four months, responding to arguments that energy savings were minimal and

Scores Take Nosedive In Football Contest

Scores took a beating last week in the Friona Star's weekly football contest. The upset bug hit some of the games included on the contest, causing scores to take a big nosedive from the peak they had hit the previous week.

High score for the week was 15, where the previous week, a season high of 19 had been recorded by six contestants.

A total of nine contestants correctly picked 15 of the 20 contest games, and from that number, the tie-breaker score was used to pick the week's three prize winners.

Jesus Mata was awarded the \$10.00 first prize, on the basis of his tie-breaker guess of 7-14 on the Friona-Abernathy game. Dale Cleveland and C.H. Veazey tied for second and third place, and each were awarded \$5.00.

Other contestants correctly picking 15 games were David Morales, Dee King, Ray Rodriguez, W.L. Cleveland, Lynda Grimsley and L.F. Jacobs.

Fourteen contestants had the good score of 14 for the week. Otherwise, 42 correctly picked 13 games, 35 had the score of 12; 31 contestants picked 11 right; another 31 picked ten; 17 picked nine; two people picked eight; four picked seven and one person had the week's low score of six correct.

A total of 186 contestants entered the seventh weekly contest, marking the first time for the entry number to fall below the 200 mark. A total of 1486 blanks have been turned in. So far, there have been 276 different contestants in the 1975 football guessing game.

Jack Clark, who had a weekly score of 14, catapulted into first place in the season standings, with a score of 106. Don Fortenberry, who was a contest leader two weeks ago, is second with a score of 103. Next come Clay Bandy, Movelda Fortenberry, Mike Gowens and H.W. Roberts with scores of 102.

A total of 15 contestants have the excellent score of 100 or better.

Contest director Bill Ellis reminded contestants that \$20 in cash prizes are given each week, so there still remains \$120 to be awarded—ample reason for not dropping out of the contest.

Also, with another 120 points yet to be earned going into this weekend's games, it is still anybody's race, although it now appears that the winner's score for the season may approach 200 for the 13-week contest. Competition passed the half-way mark with last week's contest.

Sponsoring the contest with the Friona Star this season are Ethridge-Spring Agency, Production Credit Association, Ag-Chem Farm Services, Friona Motors, Mike Chaney Fertilizer, Hub Grain Company, Tri-County Elevator, Hi-Plains Feed Yard, Friona Wheat Growers, Reeve Chevrolet-Olds, Parmer County Pump Co., Herring Implement Co., West Friona Grain, Adams Drilling, Nobles TV and Appliance, Parmer County Implement Company, Bengier Aero Spraying, Bruegel Bros. Gin and Elevator, Lakeside Parts and Machine and Gibson's Discount Center.

POSTAL OFFICIALS...Two of the out of town guests at the Friona post office's open house are shown above. From the left are Postmaster Wright Williams, Dean Caldwell of

Amarillo, Lorena Wood and C.T. Davis, Jr., Amarillo sectional center manager. A good turnout attended the postal open house.

Forensics Team Second In Muleshoe Tourney

Friona High School's forensics team placed second in sweepstakes competition at the Muleshoe Forensics Tournament on Saturday, October 18.

Amarillo High School was sweepstakes winner with 92 points. Friona was next with 105 points, followed by Hereford High School with 137 points.

Other schools taking part were Floydada, Muleshoe, Clovis, Dalhart, Denver City, and Lubbock Christian High School.

Pam Veazey won first place in persuasive speaking for the FHS aggregation. Charles Fleming placed third in persuasive speaking, and likewise Phillip Hand in informative speaking.

John Carson and Bryan Johnston were third in the experienced debate division. Gary Schueler and Ricky Taylor were third in the novice debate category.

Jerri Bengé made the finals in poetry interpretation. Sharon Hawkins was in the finals of prose reading, and Don Howard in persuasive speaking.

Cels Beck and Sharla Bengé each made the semi-finals in the prose reading competition.

Other participants from FHS were Holly White and Tracy Horton in informative speaking; Shannon Taylor and Lucas Constancio in prose reading; Noel White, Greg Mathos and Gigi Spring in poetry interpretation and Mark Edelman and Jay Jarboe in debate.

Next tournament for the Friona students will be held at Dimmitt on November 15.

SPOOKS COMING....Ghosts and goblins will be out in full force on Friday, October 31, when the ancient custom of Halloween is observed. A bewitching scene was captured here

by Star photographer Hal Blackburn, with the ghost and Jack-O-Lantern peering out of a window of the old Flippin place near Blackburn.

Cerebral Palsy New United Fund Agency

Approximately 40,000 individuals in Texas are affected by Cerebral Palsy, almost one-half of which are children. Throughout the United States, over 750,000 adults and children have Cerebral Palsy. One out of every 200 babies is born with brain damage that predisposes the newborn to cerebral palsy. At the present birth rate, it is estimated that 15,000 babies are born with this condition every year making cerebral palsy one of our nations leading child cripples. There are approximately 4 cerebral palsied individuals per 1,000 population. Of the 11,000 persons currently residing in Parmer County it is estimated that 44 are victims of cerebral palsy and 12 to 16 live in Friona.

Many people think cerebral palsy is a disease, but it isn't. It is a variety of conditions involving nerve and motor dysfunctions which are caused by damage to the brain. Brain damage usually occurs during birth and people live with it all their lives. Cerebral palsy cannot be cured but often it can be managed so that people with C.P. can function productively and enjoy life.

Of the children and adults whose motor control centers were damaged even before they were born...or soon after...seventy per cent will need a life time of special care; 20 per cent will get along pretty well if they can obtain treatment early enough. United Cerebral Palsy can help them to see, to hear, and to walk and talk, to use their hands, to learn, to play.

Cerebral palsy cripples individuals. It cripples families too. United Cerebral Palsy helps

treatment, and training services their handicapped children require.

We can help eradicate this crippler of children and adults by continuing the research attack on its causes. Among them: prematurity, maternal and infant infection, blood type incompatibility, and problems of labor and delivery, UCP has already had a hand in the development of the Rubella vaccine which can keep pregnant women from contracting German measles, thereby preventing their unborn babies from brain damage. Until this vaccine was developed and widely used to immunize children against German measles, many pregnant women were infected by the rubella virus. Their babies almost always showed some symptoms of disturbed nervous systems.

Court Buys Road Grader

Parmer County Commissioners, meeting in regular session October 13, purchased a new road grader for Precinct 2 on a bid of \$45,000 difference from West Texas Equipment Co.

A bid was received from Charles Cerf for mineral lease on school land in Gaines County. However, the bid was rejected by the court.

The county's quarterly report was approved.

A new typewriter was purchased for the sheriff's department.

County Judge Paul Fortenberry was authorized to advertise for a new motor grader for precinct four.

The court approved letters to Senators Tower and Bentsen and Congressman Mahon favoring continuation of the revenue sharing program.

FHS Couple Advances In FTA Contest

Pam Veazey and Bryan Johnston won a preliminary elimination for the District 16 Mr. and Miss Future Teacher of America Tuesday night at Clarendon.

Miss Veazey, daughter of Mr. and Mrs. C.H. Veazey, and Johnston, son of Mr. and Mrs. Jim Johnston, will compete at the district convention November 4 in Canyon.

In the preliminary contest, the FHS students made a three-minute speech on "FTA: History in the Making."

Winners of the Canyon contest will go to the state contest where nice scholarships will be awarded.

Miss Veazey and Johnston are members of the Ethel Bengier chapter of the Future Teachers of America.

Accompanying the FHS entrants to the contest Tuesday were Thelma Coffey, Carmaleet Truitt and Joy Morton.

Yearbooks Go On Sale

The 1976 Chieftain yearbooks will go on sale the week of November 3-6, it was announced this week.

Price for the yearbook will remain the same—\$7.00 plus 35 cents sales tax.

Orders for the yearbooks will be taken at all four Friona school buildings. Those wanting to order a book may come by the high school building.

Virginia Cleveland, faculty sponsor for the yearbook, points out that both semesters of kindergarten will be pictured in the 1976 yearbook.

Denny Asks Public's Aid

Friona Chief of Police Bill Denney this week asked the residents of Friona to help the Friona Police Department protect the city youngsters on Halloween Night by driving safely and being extra careful.

"Motorists need to be expecting a lot of kids out on the street that night. They should keep an eye out for them," Denney suggested.

PRIZE WINNER...Jesus Mata, left, is shown receiving the \$10.00 check from Hal Blackburn, Friona

Star photographer, for winning the Star's football contest this past week.

REMEMBERING... Running Away From Home

By BILL D. BROOKS

The paddling seemed harsh for no more than he had done wrong. He decided his parents must not love him and therefore he was going to leave home. The ten-year-old gathered his more important belongings, put them in his bandana, tied the corners to an old broomstick and announced to his parents that he was going off and would probably never see them again. Surprisingly enough, it didn't seem to disturb them, because his dad went on reading the paper, hardly bothering to look at him. His mother was stirring something in a big bowl in the kitchen. She looked at him, said, "Have a nice time goodbye," and went back to stirring. Now he knew they didn't love him. He stormed out the door, slamming it for effect, feeling a new sense of freedom. He walked down the dusty road, around the bend and out of view of the house. He decided to rest

awhile and examine the things he had brought with him. He spread the bandana on the ground. There were his five favorite marbles, his best top, a T-shirt, the complete set of thirty bubblegum baseball cards, a peanut butter and cracker sandwich and his life's savings from his piggy bank—35c. "By now they must be sorry I'm gone," "Serves 'em right, though." "Some day I might go back but it'll be when I'm a lot older and they won't know it's me 'cause I'll change and I'll act 'em if they ever had any kids and whatever happened to 'em and they'll break down and cry and then I might tell who I am but I probably won't." He was hungry now and decided to eat his sandwich. It tasted good but he got awfully thirsty. He hadn't brought any water with him but there was a windmill up the road a piece. When he got

there it was surrounded by cows and a bull that looked pretty mean. "I sure am thirsty." "Think I'll just set down here by the fence and maybe the bull will leave." "Wonder what they're doin' now, prob'ly eaten supper." "Wonder what was in that big bowl?" "Peanut butter sandwich wasn't much, shuda brought two." "They're prob'ly feelin' so bad now, wishin' I was there with 'em." "Maybe I've punished 'em enough." "It's startin' to get dark an' they're prob'ly real worried."

The trip home didn't take long. He went to the back door, started to go in but decided he better knock first, since he didn't live there any more. His mother came to the door and said, "Oh, wonderful, you're just in time for supper!" "Guess what we're having, your favorite, fried chicken and, for dessert, pineapple upside-down cake." At the table his dad said, "You know that rod and reel you've been looking at down at Stinson's Store? I bought it for you today. What say we try it out tomorrow?" There was a good feeling about

being home. "Don't worry with those dishes, Mom, I'll do 'em for you tonight."

New Officer To Be Sworn In October 21

The Texas Grain Sorghum Producers Board will conduct its regular bimonthly meeting beginning at 10 a.m., October 21 at the High Plains Underground Water Conservation District, 2930 Avenue Q, Lubbock, Texas.

Heading the list of agenda items will be the swearing in of the newly elected directors as a result of the election vote count on October 20. The balance of the agenda will pertain to routine business.

45 YEARS AGO—NOV. 7, 1930

A telegram received by J.D. Thomas, attorney for the Friona Independent School-District, states that the attorney general of Texas has approved the bonds for Friona's new \$60,000 school building, voted at a recent election and which have been in controversy since that time. This action wipes away all legal opposition to the sale of the bonds which will be sold immediately, and work of construction of the new building will go forward at once. The school building which will be erected at the north end of the athletic field, will be 250 feet long and 85 feet wide. It will be one story high and contain a large study hall, gymnasium and nine class rooms, and will relieve the present congestion in our schools.

40 YEARS AGO—NOV. 1, 1935

County Agent Alex R. Bateman

Friona Flashbacks

...from the files of The Friona Star

has notified the wheat growers of the county that Saturday, Nov. 9, will be the closing date for making application for signing Wheat Contracts and requests all who are interested in signing one of these contracts to call at the Maurer building previous to that time and make their application for contract.

35 YEARS AGO—NOV. 1, 1940

The contractor, who has the job of building the new club house, now being erected by the members of the Friona Woman's Club and the Junior Woman's Club, with his force of workmen, have been making rapid progress with their work, and the building will soon be ready for use. It is a frame building with a veneer of red and gray stone, which when completed, will make of it one of the most picturesque buildings in Friona.

25 YEARS AGO—OCTOBER 26, 1950

Paving of the Oklahoma Lane-Bovina 9-mile strip was assured this week with a letter from District Highway Engineer S.C. McCarty to Farmer County officials. This project, costing some \$84,000.00 is financed through state and federal funds under the Farm-to-Market portion of the Federal Aid Highway Act of 1950, and it is scheduled for construction sometime within the next two years. Likely its construction will commence next summer, but it is part of a two-year program now being formulated by the highway department.

20 YEARS AGO—OCTOBER 28, 1955

The City of Friona this week was tendered deed to 10 acres of land, covering the present cemetery sight, for care and development as a perpetual care park. G.B. Buske, cemetery association president, and the directors delivered the deed to the city after several conferences and discussions, wherein all agreed upon need of cemetery improvement. Lots will be sold by the city, and for some time the cemetery association also will assist in lot sales.

The Friona High School band passed another milestone in its history Tuesday night in the Buffalo stadium at Canyon. The band entered marching contest for the first time and received a superior or

first place rating for its performance.

15 YEARS AGO—OCTOBER 27, 1960

Sealed bids were opened Tuesday afternoon at Parmer County Community Hospital on the hospital's proposed addition. Panhandle Engineers and Construction Co. of Amarillo submitted a low bid of \$33,263. Seven other bids were submitted ranging to \$64,792. The addition will contain 3,250 square feet and will extend from the main entrance of the hospital south for 108 feet. Part of the present building will also be altered and changes will be made in office arrangements. McMurty and Craig are architects for the addition. If the Amarillo firm's bid is accepted by the directors, work may be completed soon since the bid only specified 84 calendar days for construction time.

10 YEARS AGO—OCTOBER 28, 1965

Deposits at Friona State Bank as of October 1, showed a healthy climb of 17.2 per cent over the total for the same date a year ago, a quarterly statement issued by the bank revealed this week. Total deposits on October 1 this year stood at \$6,492,126.17, which was a net gain of \$947,868.77 over the figure of \$5,544,257.40 which was on deposit at the bank October 1 of 1964.

5 YEARS AGO—OCTOBER 29, 1970

The new Community Shelter Plan for Parmer County indicates that there is public shelter for most of our people, according to County Judge Archie Tarter. The plan provides official information that will tell the people what they need to know to have the best chances for survival in the event of a nuclear attack. The plan is outlined in a special eight-page tabloid section which is included in this week's issue of the Star.

RUNNING AWAY FROM HOME

CHEER UP, HOWARD!

YOU'RE NOT GETTING OLDER....

YOU'RE GETTING BETTER!

HAPPY BIRTHDAY TO HOWARD FLEMING

This year's National Co-Op Month theme, "Cooperatives-Pioneers in Serving America," brings to mind the early days of the cooperative movement—a movement that had its beginnings in a little food store, set up by 25 people in Rochdale, England, in 1844. Deaf Smith Electric is only one of today's more than 40,000 cooperatives meeting many different needs across the nation.

In fact, 1975 seems to be a special year for reflecting upon beginnings and pioneers. Not only is it the eve of our nation's 200th birthday, but it also marks the 40th anniversary of a cooperative program, rural electrification—for it was in 1935 that the Rural Electrification Administration was created by President Franklin D. Roosevelt, and the first lines strung in rural areas.

Many people said it was impossible to bring quality electric service to the remote and sparsely populated rural areas of the nation, but the men and women who wanted to raise their standard of living and enjoy the benefits electricity had brought to their urban neighbors wisely declined to listen.

Many are the stories of what it was like when the first light switch was flipped in a rural home, when the first radio was turned on, or when the first electric machinery was installed to ease back-breaking farm work.

As these events began to take place in the 1930s, and the difficulties were overcome in setting up and managing rural electric co-ops, rural Americans throughout the nation got together with their friends and neighbors so that they too could form cooperatives and benefit from the changes electricity would bring to their way of life.

Today, there are nearly 1,000 rural electric cooperatives which serve

August Bond Sales Released

August sales of Series E and H United States Savings Bonds in Parmer County were reported today by County Bond Chairman Frank A. Spring.

August sales totaled \$5,039. Sales for the eight-month period totaled \$65,038 for 65 per cent of the 1975 sales goal of \$100,000.

Texas purchased \$21,075,759 in Savings Bonds during the month for an increase of 12.9 per cent

LEGAL NOTICE

NOTICE SALE OF LANDS

The undersigned, having been appointed Receiver by the District Court of Parmer County, Texas, in Cause No. 3620 upon the docket of said Court, by order dated September 18, 1975, and being ordered to sell at public auction the herein-after described lands, hereby gives this public notice that, as such Receiver, the following lands, to-wit:

All of the North Half (N 1/2) of Section 16, Harrah Subdivision, Parmer County, Texas, containing 160 acres of land, more or less,

will be offered for sale at public bid at 10:30 A.M. Tuesday, November 4, 1975, by the undersigned at the Courthouse door of Parmer County, in Farwell, Texas.

Terms shall be all cash, with 10 per cent deposit

J.B. Sudderth, Receiver appointed in Cause No. 3620, District Court, Parmer County, Texas. 806-481-3288 2-4tc

LEGAL NOTICE

NOTICE TO BIDDERS

The Commissioners' Court of Parmer County will receive bids until 11 A.M., Nov. 10, 1975, for the purchase of one new motor grader meeting the following specifications:

Powered by 6 cylinder diesel engine with not less than 638 cu. inch displacement, and not less than 135 horsepower, 24 volt direct electric start, air cleaner with service indicator and automatic dust ejector, muffler, accelerator - decelerator, power shift transmission, articulated frame, hydraulic controls, tandem drive train differential with differential lock-unlock, 14 foot hydraulic side shift blade with tip control, ROPS cab with tinted glass, defroster fan, windshield washer and wiper (front), dome light, inside mounted mirror, adjustable control console, 4 wheel oil disc brakes, 14.00 x 24, 10 ply tires, heater, minimum weight 29,000 lbs., chromed moldboard.

Parmer County will offer in trade: One Used Caterpillar No. 12 Motor Grader, Serial No. 99E6875, with equipment.

The Commissioners' Court of Parmer County reserves the right to accept or reject any or all bids.

By order of the Commissioners' Court of Parmer County.

James P. Fortenberry County Judge 4-2tc

Mules To Join Dist. 3-AA; Farwell Begs Off Schedule

Friona's District 3-AA will be changed beginning next year, according to the semi-annual realignment which was announced on Monday of this week by the Interscholastic League.

Muleshoe, once a member of the district, but forced to play as a member of tough District 1-AAA for the past dozen years, was regrouped into Friona's district, due to the new figures adopted for class AA schools.

The Mules will join the other five schools (Friona, Dimmitt, Littlefield, Olton and Morton) which have made up the district for the past four years.

"Most of the district teams were pleased to see Muleshoe added. It makes an even number of teams in the district, and eliminates an open date for the teams during district play," said athletic director Bob Owens.

(Friona has played Abernathy the past two years during the first week of district play, after losing the team it had played the second week.)

After the district alignments were announced for 1976-77 and 1977-78, the school was able to work out its 1976 football schedule.

Major change is the loss of Farwell from the schedule, the first

time after 27 consecutive years that the two county rivals won't meet in football.

"Farwell was wanting out of the game. We called back and made an attempt to keep them on the schedule, but apparently the sentiment around Farwell was to drop the rivalry for the present," said Friona School Superintendent Tom Jarboe.

The two Parmer County teams have been meeting in football since the fall of 1931, and even before that when the consolidated Texico and Farwell schools played in the late '20s.

Friona won the game here September 6, 44-6. The last Steer win had been a 34-7 win here in 1969, but Friona had won eight of the last nine games played.

After their 1969 win, Farwell led the all-time series, 18-14-1, but Friona tied it up with a 34-0 win here in 1973, and went ahead for the first time since the early 1940s with a 44-0 win at Farwell in 1974.

Farwell and Friona had squared off against each other in the season opener every year since 1959-17 consecutive years. Prior to that, they were members of the same district almost every year in the

1950s. The last time the series was interrupted was from 1942 through 1948, when Farwell was fielding a six-man football team.

In the 1930s, when football was less organized on an area scale, teams from the two schools often met twice during the season, such as 1935 and 1936. In 1935, Friona scored identical

7-0 wins in games played here and at Farwell. In 1936, Farwell won 12-0 at Farwell, and 13-12 in the return game at Friona.

After the 1975 game, Friona led the county series, 20-18-1. Only Dimmitt has been played as often as Farwell by Friona football teams.

JV Topples Dimmitt 28-7

The Friona Chieftain JV scored early and late in defeating the Dimmitt junior varsity, 28-7 in a game at Chieftain Field Thursday night.

It was the second win for the Chieftain JV, and ran their season record to five wins, one loss.

Mark Lunday raced 43 yards for the game's first score in the opening period. That capped an 80-yard Friona drive in only seven plays. The PAT try failed, but Friona had a 6-0 lead.

Friona had a 47-yard TD run by Todd Bandy called back for a holding penalty late in the quarter.

Friona drove to the Dimmitt three yard line in the second quarter, but fumbled and Dimmitt recovered.

However, on the first play by the B-Cats, a Dimmitt back was tackled in the end zone for a two-point safety, and Friona's lead went to 8-0, and that was the halftime score.

Late in the third quarter, Friona mounted a drive. Lunday gained 17 yards, and Sammy Felder 12. Felder then picked up a first down to the six, and got the TD on the next play. Running try for points failed, but Friona had a 14-0 lead with 2:59 left in the quarter.

Dimmitt scored first in the final quarter, to pull to within seven at 14-7. Friona responded with a 67-yard drive. Edward Castillo got the TD from five yards out, making the score 20-7 as a pass for PAT points was incomplete.

Friona recovered a fumble, and went 49 yards late in the game. John Jarecki scored the TD on a 17-yard pass from Bandy. Felder ran for two points with ten seconds left for a 28-7 final score.

WHITE SWAN SALE TWO BIG WEEKS OCT. 20th THRU NOV. 1st.

Two Teams Join Schedule

Two teams new to the schedule from recent years will be on Friona's 1976 football schedule, which was announced this week by school officials.

Farwell, longtime first-game opponent, will not be on the schedule, and has been replaced by ever-potent Floydada for the opening game. The Whirlwinds will be met at their home field for the 1976 opener.

Lockney will replace Abernathy, but will be met on the second weekend, to avoid the open date which has marred Friona's early schedule the past two years.

In another change, Dalhart moves to the third game rather than fifth. The other two non-district games will be against Tullia and Hart, teams met twice each year the past two seasons by Friona.

The re-shuffling of the schedule allows Friona to have its open date right at the middle of its schedule, between non-district and District 3-AA games.

The 1976 schedule finds the Chieftains opening district play by hosting the Morton Indians on October 15. Littlefield comes here October 22, the Chiefs go to Muleshoe October 29; go to Dimmitt November 5, and host Olton in the season-ender November 12.

The addition of Floydada and Lockney gives Friona probably its toughest schedule in a number of years. Hart will be the only class A team on the schedule, and the Longhorns are usually one of the strong class A teams in the area.

1976 FOOTBALL SCHEDULE

Date	Team	P	Time
Sept. 3	Floydada	T	8:00 p.m.
Sept. 10	Lockney	H	8:00 p.m.
Sept. 17	Dalhart	H	8:00 p.m.
Sept. 24	Tullia	H	8:00 p.m.
Oct. 1	Hart	T	8:00 p.m.
Oct. 8	OPEN		
Oct. 15	+Morton	H	7:30 p.m.
Oct. 22	+Littlefield	H	7:30 p.m.
Oct. 29	+Muleshoe	T	7:30 p.m.
Nov. 5	+Dimmitt	T	7:30 p.m.
Nov. 12	+Olton	H	7:30 p.m.

BOOSTER MEETING

The seventh grade Braves will be the special guests of the Booster Club at its regular meeting Tuesday night at 8 p.m.

Films of the "Red Rage" vs Olton game will be shown. All Friona sports fans are issued an invitation to attend the meeting, in the Friona High School Cafeteria.

Potent Wildcats To Visit Friday

It will be out of the frying pan and into the fire for the Friona Chieftains next Friday.

The Chiefs opened district play Friday night against defending District champion Olton. Next Friday, they will host the unbeaten (prior to Friday night) Littlefield Wildcats, another potent 3-AA eleven.

The Wildcats had a 6-0-1 mark prior to hosting Morton Friday. Their slate had been marred only by a tie against Floydada.

Halfback Bill Turner, 6-0, 180-pound senior, was the district's leading rusher a year ago, (1410 yards) and is waging a head-to-head battle with Glenn Johnston of Olton for the title this year. Through his

first six games, Turner had rushed for 659 yards, over 100 yards per game.

Turner is also a top scorer. He had over 80 points prior to Friday's encounter against Morton. He not only gets his points from TDs, but also kicks the extra points for the Wildcats, and is a good field goal kicker.

Turner, along with fullback Rick Hopping, were both All-South Plains selections a year ago. Quarterback Ronald Parmer is a threat to run or pass.

The Wildcats took a back seat to Olton last year after winning District 3-AA three straight years. They are wanting the title back. Game time will be 7:30 p.m.

For Rent

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value of your dollars.

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

CINDY BARNETT, daughter of Mr. and Mrs. Doyce Barnett of Friona, received her cap in a capping ceremony of the Methodist Hospital School of Nursing at the United Methodist Church in Lubbock on Sunday, October 19. There were 56 members of the class to receive their caps. Featured speaker was Mattie Tippitt, RN who spoke on "What is a Nurse?" Cindy will be training at Methodist Hospital in Lubbock. She is a 1973 graduate of Friona High School and a 1975 graduate of South Plains College of Levelland, Texas.

Conservation Is Club Topic

The Friona Woman's Club met Wednesday, October 22 at the Friona Club House.

The program was entitled "Conservation." Roll call was answered with "Energy Saving Tips."

Juanita Reed presented an article on "America The Beautiful Is Ours to Preserve, Conserve and Beautify."

Anna Mae Hayes reported on conservation measures necessary to our High Plains region.

Addie Moyer led a round table discussion on the building blocks of human conservation.

The pledge to the United States flag and the American Conservation Pledge were repeated in unison.

The next meeting will be the Thanksgiving luncheon at the Club House on November 19 at 1 p.m.

Members present were Ethel Bengner, hostess, Bessie Boatman, Mary Dixon, Anna Mae Hayes, Luella Maurer, Lillian McLellan, Addie Moyer, Juanita Reed, Martha Russell, Ann Shackelford, Annis Turner, Fern White and Vela Wood.

FTA WINNERS...Bryan Johnston and Pam Veazey were winners of a district preliminary contest in "Mr. and Miss FTA" competition Tues-

day night in Clearendon. The FHS students are now eligible for competition at Canyon in November.

DPS Investigates Six Accidents In County

The Texas Highway Patrol investigated six accidents on rural highways in Farmer County during the month of September, 1975, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and five persons injured.

The rural traffic accident summary for this county during the first nine months of 1975 shows a total of 96 accidents resulting in one person killed and 53 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for

September, 1975, shows a total of 551 accidents resulting in 29 persons killed and 314 persons injured, as compared to September, 1974, with 471 accidents resulting in 17 persons killed and 213 persons injured. This was 80 more accidents, 12 more killed, and 101 more injured in 1975 at the same period of time.

The 29 traffic deaths for the month of September, 1975, occurred in the following counties: six in Wise; three each in Donley and Moore; two each in Archer, Floyd, Lynn and Gray; and one each in Jack, Lamb, Lubbock, Wichita, Young, Castro, Potter, Sherman and Wheeler.

School Menus

Week of October 27-31

MONDAY—soup and chili, crackers, cookies, sandwiches and milk.

TUESDAY—steak fingers, mashed potatoes, catsup, hot rolls-butter, English peas, chocolate cake and milk.

THURSDAY—turkey and dressing, buttered carrots, giblet gravy, strawberry short cake, cranberry sauce, hot rolls-butter and milk.

FRIDAY—hamburgers, lettuce, tomatoes, pickles, potato chips, mixed fruit, pork and beans and milk.

SCS News

It is time once again when many people start hunting many different species of wildlife. Yes, it will be a great year for many, though for a few it will be a disaster.

Many people are killed each year during hunting season from misuse of firearms. Some of the reasons for fatal accidents are:

1. The victim moved into the line of fire without warning.
2. Victim was shot by an excited hunter firing quickly at game.
3. The victim was not seen by the hunter.
4. The victim was mistaken for the game.
5. Victim shot from accidental discharge.

Besides firearm safety, there are many other things to be considered, when hunting. When given permission to hunt, you should respect the property and show appreciation for the hunting privileges. Game regulations should be followed and cropland should not be damaged.

Game production is intentionally promoted by thousands of farmers across the Nation who devote land and water to the exclusive use of wildlife.

Ag-Chem Hosts Area Fertilizer Seminar

A total of 36 fertilizer dealers, plus seven officials from Allied Chemicals attended a fertilizer seminar held in Friona Tuesday.

Fertilizer dealers from four states attended sessions held at the Friona Community Center. Allied officials spoke on various aspects of the fertilizer industry.

Leroy Lundy, co-owner of Ag-Chem Farm Service, local Allied dealer, explained the operations of his plant.

At lunch time, the group was served barbecue catered by Sutphens Barbecue of Amarillo.

After lunch, the group was given a tour of Ag-Chem's plant, and

watched the operation as a batch of liquid fertilizer was blended. They then went to see a fertilizing operation at the Lloyd Rector farm south of Friona, where Rector is going from corn to a wheat crop.

The Allied officials included Don "Bugs" Moran, Omaha, Nebraska, supervisor for the western region. Also attending were Neal Frarey, Omaha and Don Anchorman of Memphis, Tennessee. Area officials from Amarillo also attended.

A very successful meeting was reported by the Ag-Chem officials, who indicated that they were most happy to have served as hosts for the seminar.

Phobophobia is the fear of fear itself.

THE EQUITABLE

The Equitable Life Assurance Society of the United States, New York, N.Y.

Two hundred years ago, the witch burners would have burned us all the state for even daring to dream of a safe, practical means of heating our homes. The electric heat. Fortunately, things have changed since then and today you can choose a heating system that is not only clean and efficient, but also economical and environmentally sound. You don't even have to look for a witch to give you a good deal like this one. Call the electric company... we'll show you how easy it is to BE SWITCHED to real comfort home heating that's as modern, someone as it is today.

ASK ABOUT THE HEAT PUMP

IT'S NOT MAGIC...IT JUST ACTS THAT WAY

You'll think it's magic when you see what the heat pump does, but it's not at all. It probably will seem quite impossible that one unit can provide clean, efficient electric heating and cooling with only one unit. One thermostat setting. The important thing to remember is the heat pump is today's answer to improving your lifestyle—economically and efficiently. Sound like magic? Not at all.

ENERGY EFFICIENCY ALLOWANCE

All of Southwestern are interested in your getting the most for your energy dollar. That's why we're offering an Energy Efficiency Incentive Allowance to our customers on heating homes who install electric comfort heating. Ask us about it.

FOR SO MANY PEOPLE

Lubbock Guest Presents Program On Windmills

The three Friona Federated Clubs met at the Clubhouse for a joint meeting Tuesday night, October 14 at 8 p.m.

Mrs. John Benger, president of Friona Woman's Club, welcomed members and guests.

Mrs. Nancy Edelman, a member of Progressive Study Club, gave the opening meditation.

Miss Lora Mae McFarland introduced the speaker, Miss Billie Wolf, a professor in the Home Economics Department at Texas Tech in Lubbock.

Miss Wolf's program was on "Western Americana-Windmills." She showed slides and discussed windmills dating from those the first English colonists used to the present day.

The early windmills were of the Dutch mill type and were imported from England. Soon the settlers began to build crude ones of their own. It was hard to believe that such crude affairs were functional. Then came the numerous windmill companies with a large variety of mills. She remarked that it was not the railroad that settled the West—that without windmills to furnish water for the steam locomotive, the railroads would not have been built.

Miss Wolf has traveled all over the United States and has pictures and history of many windmills that served in unique ways in our country's settlement. Now windmills are becoming extinct and it is her purpose to alert people to the necessity of restoring and preserving this part of our national heritage. She has been instrumental in securing several windmills for the Texas Tech Museum's outside exhibit.

The serving table was appropriately set in red, white and blue. Plate favors were miniature United States flags.

Refreshments of assorted cookies, nuts, mints, coffee and tea were served by Mesdames Fern White, Mary Dixon, Lillian McLellan and Juanita Reed, all members of Friona Woman's Club.

About thirty members and guests of the three clubs attended the meeting.

TROOP 325 MET TUESDAY
Girl Scout Troop 325 met Tuesday, October 21.

Serving refreshments were Nancy Aragon, Debbie Dickey and Mary Madrid.

The girls worked on crafts.

Town Talk

By June Floyd

Phone 247-3681

With Your News Item

It has been said, "There's nothing new under the sun." Maybe that is true, but there are lots and lots of things that many of us have never heard of.

A few weeks ago there was a "Show and Brag" party in the Homer Lindeman home in the Hub Community. Most of us "show and brag" about our grandchildren, but this was the first time I had ever heard about such a party.

When Grandmother Joy Lindeman and Grandmother Clara Looper learned that their children, Rusty and Lea, were bringing Bev to Friona for a visit, they started planning a party just for him.

By the time Bev and his parents, who live at Mesquite, got here, invitations were in the mail and everything was ready for a real fun party, so between the hours of 2:30 and 5 on the first Sunday afternoon in October a large number of guests called at the Lindeman home.

Two great-grandmothers, Mrs. Ruby Gosner of Friona and Mrs. Jewell Lindeman of Kress were present. So were two great aunts, Mrs. Dean Broyles of Friona and Mrs. Sally Phillips of Lubbock.

Other out-of-town guests included Gainell Minnick of Dimmitt; Doris Sides of Oklahoma Lane and Connie King of Brownwood.

Mr. and Mrs. John Blair of Eules, Texas were weekend guests in the home of Mr. and Mrs. Robert Zetsche, Bobby and Robin. The Blairs are Carol's parents.

They got here in time for the pep rally, which preceded the football game. The Blairs attended the game and probably did some extra yelling when Bobby made a good play.

From here the couple went to Taos to visit a son, Dale Blair.

Mrs. Frank Stone of Fort Smith, Arkansas, is a guest in the home of Mr. and Mrs. Bill Ellis and children, Laura, Stanley and Richard.

Mrs. Stone is a former Friona resident and is Carol's mother.

She is especially enjoying getting acquainted with her youngest grandson, Richard, whom she had not seen until she arrived in Friona.

Maybe fewer Frionans went to New Mexico to see the fall colors this year. Or, perhaps, I just didn't hear about the ones who did go.

Dwain and Carol Morgan and

children went to Las Vegas, Pecos and other places in that area one weekend. Then the Bill Ellis family and Hal Blackburn went to Red River for a long weekend.

The colors on the Canadian River near Boys Ranch were beautiful this past weekend.

If you haven't driven around the Boys Ranch campus, you've missed a treat. The growth of this institution is amazing, especially to those of us who remember when the late Mr. and Mrs. Cal Farley and about half a dozen boys moved out there less than 40 years ago.

While we were visiting there Monday we met a very charming young woman who is related to a large number of local residents. She was Mrs. Bennie Allison. Allison is Boys Ranch coach and he and Wilma and their two daughters have lived at the ranch several years.

She is the daughter of Mrs. John D. Burkett of Canyon and granddaughter of the late Mr. and Mrs. J.L. Taylor of Friona.

Proud grandparents at the capping ceremony for upcoming nurses at Lubbock's Methodist Hospital Sunday were Mr. and Mrs. Rudolph Renner Sr. and Mrs. Ruby Barnett, all of Friona.

Cindy Barnett, daughter of Doyce and Mary Joyce Barnett, was one of the girls who received a cap.

Other local residents present included Doyce and Mary Joyce, Billy Dean and Lillie Mae Baxter, David Barnett and Renae Monroe. Debbie Baxter of Amarillo, who is Cindy's cousin, was also present.

True happiness is to no place confined; but still is found in a contented mind.

Mr. and Mrs. H.H. Horton Sr. of Rome, Georgia, have been visiting in the home of Mr. and Mrs. H.H. Horton Jr. and family.

Mrs. Calvin Talley honored Mrs. Horton with a coffee in her home Monday morning.

The J.G. McFarlands came home Sunday after spending a couple of weeks at Lake Buchanan. They also visited their son, David, who is a medical student in Dallas.

While they were at the lake, their other son, John, and his wife, Jill, spent the weekends with them.

FRIONA GIRL....The Panhandle-Plains Historical Museum's Pioneer Village will open its doors for business Oct. 25 as it comes alive with demonstrations and exhibitions of the old ways. The event is part of the Bicentennial Ball festivities. Mulling over the intricacies of a

spinning wheel are West Texas State University Campus Services students Hope Mays of Friona (left) and Sandra Vance of Pampa (right). Miss Mays is the daughter of Mr. and Mrs. W.H. Mays of Friona; and Miss Vance is the daughter of Mr. and Mrs. G.W. Vance of Pampa.

Club Members

Make Pottery

Home Arts Club met in the basement of the old Congregational Church on Thursday, October 16.

The ladies took sack lunches and spent the day making pottery of art plaster and stripes of old sheets.

Those attending were Dora Phipps, Anna Anthony, Jewel Holden, a guest from Louisiana, Ida Adams, Bessie Boatman, Irene Shirley, Beulah Mae McBroom, Camille Laceywell, Louisa Wilson, Carol Hardesty, Rosella Landrum, Mary Dixon, Helen Potts and Zora Gaede.

Mrs. Eula Mae Madole from Farmers Electric in Clovis, New Mexico, will bring ideas for Christmas gifts at the organization's next meeting on November 20 in the Community Room of Friona State Bank.

Area Organizations Attend DKG Meet

The Regional Meeting of Delta Kappa Gamma, an organization for women teachers, met October 18 in the Friona High School. Guest chapters present were: Delta XI of Deaf Smith County; Iota Zeta of Castro County; Epsilon Delta of Bailey and Lamb Counties. Iota Eta of Parmer County, was host chapter.

The President's breakfast was held in the home of Martha Bates. Those present were: Bess C. McDonald, guest speaker and Helen Buie of Odessa, Texas; Koma Ratcliff of Dimmitt; President of Iota Zeta Chapter; Monorae Cummings of Muleshoe, President of Epsilon Delta Chapter; Margaret Bell of Hereford, President of Delta XI Chapter and Fay Reeve of Friona, President of Iota Eta Chapter.

Tom Jarboe, Friona Superintendent of Schools gave the welcome address.

A program was presented by the members of the various chapters.

Emphasis was placed on three purposes of Delta Kappa Gamma. They are:

1. To advance the professional interest and position of women in education.
2. To sponsor and initiate legislation in the interest of women educators.
3. To stimulate the personal and professional growth of members and to encourage their participation in appropriate programs of actions.

A luncheon was catered by Earl's Parmer House Restaurant.

Fay Reeve presented the guest speaker.

Mrs. Bess C. McDonald, Odessa, area director for the DKG, was the guest speaker.

Mrs. McDonald asked those attending the meeting "Are We Keeping In Step?"

She pointed out how changes are continually taking place in the teaching field, and how teachers need to keep up with the changes. "We have to teach our students to think, not just memorize," Mrs. McDonald said. "The challenge that we have in education is to have the courage to take a fresh look at ourselves through the eyes of a stranger," she added.

DEBRA LEE SHORT and RICKEY LEON RECTOR....Mr. and Mrs. Douglas Short of Berthoud, Colorado, announce the engagement and approaching marriage of their daughter, Debra Lee, to Rickey Leon Rector, son of Mr. and Mrs. Lloyd Rector of Friona. The couple plans to exchange wedding vows at the First Baptist Church on Saturday, November 29 at 7 p.m.

Mrs. Wilson Presents Program At FHA Meeting

Friona Future Homemakers chapter met on Tuesday, October 14. The main feature was a project on Dough Dolls given by Mrs. Louisa Wilson.

Refreshments of cake and lemonade were served after the program. The yearbooks, a book consisting of information about the club, was passed out. Next on the agenda is Spirit Week during the week of November 3-7.

Each day in this week will be designated for a special purpose: Tuesday-Room Decoration Day; Wednesday-Organization Day and Friday-Red, White Day.

The people attending the program were: Priscilla Pruett, Varla Welch, Kim Frye, Becky Powell, Randa Allen, Robin Martin, Kathy Martin, Linda Nelson, M'Lynda London, Julie Owen, Donna Campbell, Debbie Menefee, Stephanie Schueler, Christy Cunningham, Vicki Smiley, Paige Osborn, Sylvia Malouf, Vicki Florez, Vanessa Hudson, Janna Reeve, Oralia Ramirez, Peggy Baca, Alesia Tucker, Cindy Smiley, Kim Beavers, Cherice Parker, Gay Clark, Debbie Parker, Sherrie Shavor, Maria Mejia, Diana Caballero, Robin Zetsche, D'Aun Wilson,

Janice Peak, Diane Bennett, Linda Anthony, Martha Castillo, Rolanda Hudson, Cindy Cleveland and Melodi Dixon.

San Jon Native To Speak In Bovina

Col. Moyers Shore from San Jon, New Mexico, will be the speaker for the next meeting of the Parmer County Bicentennial Committee. Col. Shore is a native of these parts, having been born at Hereford, Texas. His parents were the late Rev. and Mrs. Sidney Shore. He was reared on his grandparent's ranch near San Jon and attended public schools in San Jon.

He is a graduate of New Mexico Military Institute at Roswell and a graduate of the University of Arizona. He was called into active military service prior to World War II and served with the 8th Cavalry in the South Pacific.

Following World War II, Col. Shore was attached to Military Intelligence and Information at a number of command posts in the

Xmas Bazaar Deadline Near

The deadline is nearing for entering the Parmer County Christmas Bazaar and Arts & Crafts Show! November 7 is the last day for receiving fees to rent space at the Parmer County Christmas Bazaar which will be held Friday, November 14 and Saturday, November 15 in the Community Building in Friona.

All individuals, organizations and businesses in the Texas Panhandle and Eastern New Mexico are invited to display and sell art, craft and gift items. All spaces are 3' x 8' with those next to the wall renting for \$10.00 and others renting for \$7.50. A table and 2 chairs will be provided for each space upon request. Entry fees should be sent to Christmas Bazaar, in care of Jana Pronger, Box 683, Farwell, Texas 79325. For more information call 806-481-3619.

The two day event also boasts a number of activities which will be free to the public. Craft and holiday food demonstrations will be presented by area utility home economists, holiday fashion shows will be presented by local merchants each day, and special Bi-Centennial heritage arts will be scheduled throughout the day both Friday and Saturday. The Bazaar will open to the public at 9 a.m. each day.

The Parmer County Family Living Committee sponsors the bazaar with the proceeds from entry fees to be used to equip the Community Building. A concession stand serving sandwiches and drinks will be located in the building, so come have lunch with us and spend the day.

United States and also in Panama. Upon returning to the United States he was an instructor in the Command College at Maxwell Air Force Base. He later served at a command post in Alaska.

After his retirement from active duty, Col. Shore and his late wife, Mary Elizabeth, returned to San Jon, where he resumed the supervision of his ranching interest there. He and Mrs. Shore had three sons, Sid and Dave of Denver and Major S.M. Shore, II, USMC, who lost his life in an airplane crash near Hawaii in 1974.

Col. Shore has recently been elected to the office of President of the Sunset Club. This is an organization of Past Grand Officers, Order of the Eastern Star in the State of New Mexico.

The Parmer County Bicentennial Committee meets the fourth Tuesday night at 8 p.m. in the Community Room of First State Bank in Bovina. Members are urged to attend and visitors are welcome to come hear this outstanding speaker.

W. Marcom Presented Program

Members of Modern Study Club met Tuesday, October 21.

Ilene Osborn gave the invocation. The program on "Religion's Role in America-Past, Present, Future" was presented by Walt Marcum, from SMU Perkins School of Theology, Friona United Methodist Church Intern.

A vocal duet, "In Your Life," an original composition, was presented by Betty and Jackie Rando.

The club collect was presented in unison before the club adjourned. The hostesses were Estelle Caffey and Ilene Osborn.

Seated are Mark Edelman, Tracy Horton and Bryan Johnston. The mellerdrammer, "No, No, A Million Times No," or "Only A Farmer's Daughter," will be given at 8 p.m. Monday and Tuesday, October 27-28.

Calvary Baptist To Present Film

"The Occult," a new 16mm, sound motion picture, will be shown at Calvary Baptist Church on Wednesday, October 29 at 8 p.m.

Hal Lindsey, author of two best sellers ("Late Great Planet Earth" and "Satan Is Alive and Well On Planet Earth") guides viewers to the bizarre world of the Occult declaring it to be not just a passing fad but a vital part of the continuing struggle of Satan to usurp the throne of our eternal God.

Mr. Lindsey declares that in witchcraft, astrology, Ouija boards and other forms of the Occult, people do experience supernatural phenomenon and that from the ruins of Babylon to Main Street USA, people are being drawn by mystical voices that call from darkness.

The purpose of the film is to stir up sentiment against the practice of witchcraft and to expose Satanic power that is its root. The film concludes with a personal explanation of the powers of evil applied to the weakness of man. A young person tells of involvement in ceremonies of witchcraft, demon possession and human sacrifice

without feelings of murder or sense of wrong.

Written by Marshall Riggan and produced by the Evangelical Christian Research Foundation, "The Occult" is being released for showings across North America by Gospel Films, Inc., producers of "So Long, Joey!", the story of Dave Boyer, and "Like A Mighty Army," the story of Dr. James Kennedy and the Coral Ridge Presbyterian Church of Fort Lauderdale, Florida.

Group Meets

In Hereford

The Mothers of Twins organization will meet on Tuesday, October 28 at 3:30 p.m. at the Caison House in Hereford.

Any mother with twins is invited to attend. There will be a twin clothing and equipment exchange program on November 7 and 8. Anyone interested may contact Mrs. Tim Gear, 364-5280, or Mrs. Dee Willard, 265-3390.

Program

Highlights

Meeting

The Black Study Club met Thursday, October 16 in the home of Mrs. Roscoe Ivie.

Ron West of Reisner Floral of Clovis, New Mexico, showed how to make a terrarium and how to care for house plants. He then answered questions on care of plants.

Members present were Mrs. Clifford Allmon, Mrs. Ethel Benger, Mrs. Helen Fangman, Mrs. Emma Elmore, Mrs. Charles Hamilton, Mrs. Glyn Hamilton, Mrs. T.A. Kelley, Mrs. Harry Lookingbill, Mrs. T.A. Presley, Mrs. Dick Rocky, Mrs. Travis Stone and the hostess, Mrs. Roscoe Ivie.

Commissioners Attend McAllen Conference

Members of the Parmer County Commissioners Court and their wives attended the conference of the County Judges and Commissioners Association of Texas on October 14-15-16 in McAllen.

Attending were Judge and Mrs. Paul Fortenberry of Friona; Mr. and Mrs. Tom Lewellen, Mr. and Mrs. Jimmie Briggs, and Mr. and Mrs. Cecil Atchley.

Governor Dolph Briscoe delivered the keynote address at the opening session on Wednesday. Other speakers during the first day were J. Robert Brown, director of the Texas County and District Retirement System and Charles Simons, member of the Texas Highway and Public Transportation Commission.

Thursday's morning session speakers were house speaker Bill

Clayton, whose topic was "The Good Things in the Proposed Constitution As I See It," and representative Tom Creighton, who spoke on "The Bad Things in the Proposed Constitution As I See It."

Assistant Attorney General J.C. Davis spoke Thursday afternoon on "Acts of the 64th Legislature That Affect County Officials."

Other speakers during the conference included Buck Douglas, executive director of the Texas Assn. of Counties; Reagan Brown, special assistant to the governor, and Lew Sterrett, past president of the TCJCA.

The Sheraton-Fairway was headquarters for the convention.

A special program was arranged for the wives of the conference delegates.

INSUR-MATION

By MILTON EVANS
Parmer County Farm Bureau Insurance
Phone 247-3280

Must I keep up with all the premium dates on my policies to keep them in force?

Most companies and agencies have well thought out, proven systems that do this for you. With property companies, usually your policy is renewed, issued and mailed to you with a letter in ample time for you to review the insurance and ask questions or increase your benefits. Many companies carry "errors and omissions" policies which protect you if they make a mistake. Life companies usually use bank draft or periodic notices to notify you of a premium due. If you don't get the notice, they follow up with a second notice and usually a personal call.

Dillons Try New Approach For Disturbed Teenagers

By Jan U. Turner
Star Staff Writer

A telephone call in the middle of the night. "Sir, we have your child here at headquarters..." It isn't the first time.

Eventually the only way to cope with an emotionally disturbed teenager before it is too late is to send the child somewhere for treatment.

Previously, the only types of treatment available for such youngsters were found in state mental hospitals, children's homes and ranches, military schools, private short-term diagnostic and treatment hospitals and in foster homes.

Something different has been needed. Thus, Dillon Family and Youth Services was founded recently in Tulsa, Oklahoma, as a direct effort to provide a preventive and remedial treatment program meeting the special needs of mild-to-moderately disturbed youngsters.

This new treatment program is called Life Milieu (pronounced "mill-you") Treatment, and is structured to deal with emotional problems such as excessive depression, chronic anxiety, confusion, low self-esteem, and psychosomatic disorders.

Its most innovative characteristic is that the treatment is given in small, community-based groups in an open setting. It is a round-the-clock therapeutic living-in experience with peer and staff interaction...no locks, no guards, no loss of dignity or sense of privacy.

Denise Magness Dillon, who is on the executive administrative staff of the Dillon Family and Youth Services Board, was in Friona recently, and told about the four-year-old approach to special adolescent problems.

"The whole idea is a group where a youngster is treated for his individual problem in a group of youngsters where he has to interact and cooperate in a group situation and isn't isolated from society, thus helping him to learn to cope with life situations." She explained that the ideal group size is between eight and 12 youngsters for it to work.

"All the youngsters don't do the same things everyday," she emphasized. "There is an individual treatment plan for each youngster, and all the activities aren't group activities."

She explained, "For instance, we look at the individual needs, such as a youngster who is overweight and needs to be on a special diet or take special kinds of activities that the others might not be involved in."

DIAGNOSIS IS IMPORTANT
Basic in the treatment of each youngster is a comprehensive diagnosis of his problems. "We access in depth the individual's condition in each of these areas: physical health; psychological

state; developmental progress, chronological development for age level; family background and relationships, including cultural characteristics; educational attainment; social relationships; spiritual development; environmental adjustment; socio-economic factors and recreational attitudes."

Based on this comprehensive physical and emotional health check up, each youngster is prescribed individual, supervised treatment.

"We have a psychiatric evaluation and the only way we take a youngster is if the youngster agrees and fully understands the program," she said and added that the parents must also agree to receive counseling.

"It's not always the parents," she pointed out. "There are many contributing factors leading to emotional disturbances a youngster might have. Sometimes it is the way parents have handled the child in disciplinary actions, although rarely are the parents totally responsible for the child's emotional disturbances."

"The youngsters we take range in age from 13 to 18 years old," Mrs. Dillon explained, adding that at present Dillon has about 25 youngsters, many under their long-term (12-18 months) psychiatric care treatment away from home.

"The temporary replacement of the family unit in favor of group living in a controlled environment focuses on the problems that brought each youngster to the program," she pointed out and added, "It also offers an opportunity for each youngster to learn how to cope constructively with life situations."

"Under this continuing treatment, the daily hazards of living become opportunities for treatment," she said. "By that I mean the dual experiences of discovering the consequences of behavior-and-effect in coping with daily tasks and the discovery-and-working-through of the conflicts which produce life-coping problems."

Mrs. Dillon added, "In this Milieu an atmosphere of expectation has been developed in which the youngster is responsible for his actions. At the same time the residentially-based counselor accepts the youngster's limited ability to meet these expectations and doesn't attempt directly to change or eliminate the emotional or delinquent problem."

Explaining, she said, "Instead, the counselor introduces the youngster to social experiences in the Milieu that make it easier for him to develop beyond his ineffective coping or delinquent behavior...by structuring situations in which the individual has to make a deliberate choice, and then is able to experience the consequence of his decisions as a means of learning how

to cope."

When asked for an example of such a structured situation teaching a youngster to cope with life situations, Mrs. Dillon immediately recalled an incident which occurred this summer.

"One of the most successful things we've done with the kids lately was when we took them on a wilderness campout in Arkansas. They hiked... gee, I don't know how many miles!...They were gone about a week and hiked maybe 30 miles into the wilderness. They helped in the planning of it, in the preparation of food...which they had to carry in backpacks along with their bedrolls...they were really roughing it."

"Three of the counselors were very experienced wilderness hikers," she pointed out, adding that there was one counselor for every two youngsters and that the psychiatric nurse also accompanied them.

"One of the boys was the real spoiled, lazy, self-centered kid who had never offered to help anyone else, and on the very last day of the hike when they had to make a real steep climb toward the end of the day, one of the female counselors who was quite tiny, exhausted, and was having an extremely hard time because of the heavy backpack was noticed by this boy."

"This kid went over and without saying a word before, during or after, lifted her pack and carried his and hers all the way in. He never said 'Look what I did' or anything." This was the very first time he had responded to another's need in any way," she said with a smile.

"The other thing that happened was one of the outdoorsy counselors got up real early one morning to go to the bathroom and when he started back to camp he went the wrong direction and got lost all day," she added.

"He wasn't found until seven p.m., and the kids were genuinely concerned while he was lost. They learned the value of a human life and found out that they really did care for him as a person, and after that there was a new appreciation among the kids for the staff and especially him."

Responding to the question regarding how such innovative treatment for adolescents began, Mrs. Dillon said, "Jerry (her husband) was formerly executive director of the Tulsa Boys Home where over 100 boys are "institutionalized" in dormitories containing 20 to 40 boys. In dealing with this institutional type of large group approach, he wasn't satisfied at all and decided to establish his own agency. He resigned after having done extensive research, especially in relation to families who needed a specialized kind of care which was between the institution and the

hospital. Dillon Family and Youth Services is really in between the two," she said.

"First of all he had to go to the Oklahoma State Department of welfare and become licensed as a child placing agency."

"We started out in a rented facility with just the basic staff of house mother, counselor and psychiatrist-social worker. We contracted the services of a psychiatrist and psychologist as we needed it," she added.

"When we first started, Champus Insurance Agency was one of the few companies who paid for our services. Since then, we have purchased properties for a boy's facility and a girl's facility, plus two transitional units for those who are phasing out of the program."

Mrs. Dillon added that since Dillon started four years ago, they have become their own landlords, with a new Dillon Professional Building, and a staff of 33 persons.

"We also have established a branch office in Norman, Oklahoma, which opened over a year ago and is strictly an out-patient counseling service with a staff of four psychiatric-social workers who contract specialized services of psychiatrists and psychologists if needed."

"We have youngsters from all over the United States...even as far away as Hawaii," she pointed out. "Our clientele comes from referrals such as social workers, psychiatrists, M.D.s, even attorneys sometimes, as well as juvenile courts which sometimes recognize that an apparent delinquent problem is more a psychiatric problem and

sends us the child as a referral."

Mrs. Dillon pointed out that her husband and their Director of Professional Services visited agencies who counsel with families and can only take the youngsters so far, and also gave talks to other professional organizations in trying to get the project started and known.

"Just the word of mouth among professional people has made up the biggest number of our referrals," she said.

"The big thing that happened in February which we worked extremely hard for was that we were accredited by the Joint Commission on Accreditation of Hospitals and we are presently under a probation period. This will make it possible for other insurance agencies to cover our services," she said in explaining the importance of such an accreditation.

"This month, Blue Cross-Blue Shield will notify us of results of their investigation as to whether the parents under their coverage can include our services under their plan," she said.

"Our innovative specialization

into certain types of disorders provides the ability to study them in much greater depth than is possible in state institutions," she explained, "and consequently, our staff has acquired a greater insight into the nature of the problems, their causes and cures."

Mrs. Dillon pointed out that there are plenty of services for disturbed children and disturbed adults, but very few services available for adolescents, as if they were displaced beings. "Persons wanting to acquire more information concerning Dillon Family and Youth Services should write the Directors of Professional Services, Dillon Family and Youth Services, P.O. Box 4424, Tulsa, Oklahoma 74104."

Mrs. Dillon is formerly of Friona, the daughter of Mrs. Mae Magness. In conjunction with her executive administrative duties with Dillon Services, she has a project of her own arranging adoptions of Korean children into U.S. families, and said that arrangements are being made with the Puerto Rican government to extend the adoption services into their country.

Guaranteed complete satisfaction or money cheerfully refunded. No handling charge.

CORNER CATCHER

The only center pivot in the world that hits the corners.

In a typical quarter section where a regular center pivot is irrigating 132 acres, you can now do about 150 acres. But the new Valley Corner System isn't limited to squares. Irrigate both ends of a rectangle. Irrigate odd shaped pieces of land too. It's the answer to getting valuable productive land that's been wasted, back under center pivot irrigation. For flood irrigators, it's also the answer to automatic water

acres. No monitoring, no labor problems, no night work. But you have all the advantages of precise irrigation and fertilizer application through the system, that produces higher yields than ever before. It's a simple concept, precise in operation and engineered with quality of all Valley-built Center Pivots. **VALLEY**

October Is Cooperative Month

Cooperatives Serve!

COOP NATIONAL
COOPERATIVE MONTH
DURING OCTOBER WITH US

Cooperatives
are good
business
plus

Cooperatives are people in business to serve people. They're good business—but with a difference.

They are all kinds of people, working together to meet just about any sort of need imaginable . . . electric and telephone service, credit, getting farm supplies, insurance, housing, health care, marketing, and on . . . with efficiency, economy, and warm understanding.

Today's user-owned cooperatives—marketing, purchasing, or service—fit into the contemporary scene like hand in glove.

People in cooperatives are now people, actively participating in programs for community development, improving the environment, and bettering the quality of life for everyone, everywhere.

Cooperatives serve — by placing priority on people, making them a vigorous part of the American business system.

That's the big PLUS.

a good word for a GOOD IDEA

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.
