

Star Lites

By Bill Ellis

THOSE SCREECHING NOISES you've been hearing this week are the farmers and their families, who have been burning rubber as they headed for a few days in the hills.

And we don't blame them a bit. If we had received anywhere from two to four inches of rain and got "all of our rows out at the same time," we'd probably do the same thing.

Our summer employee at the Star, Cinda Johnson, lives in the Hub area, and she has been having a time of it the last few weeks, making it to work and back.

Most of the time when the Friona to Hub road was slick, she has been coming by way of Bovina, but last Monday this tactic didn't help either.

Cinda left the office Monday afternoon at 4 p.m., and finally, at 6 p.m. she arrived at her home after a harrowing two-hour drive.

YOU NEVER KNOW how far they'll go. Anne Spring tells us that an acquaintance in Scotland went to the super market over there recently and among the items they purchased was a cello of carrots, with "Hereford, Texas" stamped on the package.

Currently, Thursday is the day for the group to play in Friona. Around 24 golfers usually invade the local course that day.

Friona Country Club was closed for a couple of days this week due to the big rains, which left Frio Draw over the footbridges on the golf course.

It was the most water that had been in the draw since 1963. No damage was done, however, and the rain undoubtedly will be a big help to the course, just like it will to the area's crops.

There is a VIETNAMESE family living in the Friona area, and working for Charles Gibson near Hub on the R.Q. Silverthorn farm. The Nguyen family has eight members. We plan to do a feature article on them next week.

The FRIONA STAR

Excellent Rains Soak Area

Up To 5" Falls In Week's Time

Farmland in the area has received one of the best general rains for this season of recent years.

The rain measured from two inches up to four and three-fourths inches, and practically without exception the reports have been that the rain fell perfectly, and virtually every drop was useful.

About the only exception to this was in the city of Friona, where streets flooded on Tuesday, and the runoff has swelled Reeve Lake to its highest level in a number of years.

Absolutely no hail accompanied the early week rainfall. Farmers, who were busy irrigating their corn and maize crops, have been able to turn off their wells, which should effect a tremendous saving in both energy and crop expense for the year, besides helping conserve the water table.

With production costs continually on the increase, farmers welcome every bit of help from Mother Nature that comes their way.

An early Monday morning cloud left .34 inch of rain in Friona. Before the day was over on Monday, another 1.28 inches were received, majority of which fell between eight and 9 p.m. that evening.

A repeat performance on Tuesday left an official measurement in Friona of .95 inches. Late Thursday afternoon, another shower added .14 to the total, which came to 2.71 for the week in Friona.

The rain was heavier to the west and southwest of Friona. A gauge at West Friona Grain measured four and 3/4 inches of rain prior to Thursday evening. The Dave Thompson place three miles west of Missouri Beef Packers measured 4.9 inches through Thursday's shower, the most which had been reported in the immediate area.

However, according to Thompson the first three inches which were received fell in a relatively short time. He said that there was some field damage due to washing, but no crop damage.

Due west of Friona, Eric Rushing and Ralph Wilson each reported four inches. The rainfall in the Bovina area had amounted to an estimated five inches through Thursday.

One of the heaviest reports was a five-inch total on the Ben Retino farm about six miles southeast of Bovina. This was prior to Thursday afternoon, when another half-inch or so fell in the Bovina area.

To the east and southeast of Friona, rainfall averaged around two inches, and according to R.G. Welch, who farms near Black, the rain fell "just right-in three separate showers."

The cool weather which prevailed during the rainy spell also has aided in pollination of the crop according to farm officials, a vital aspect of the crop's development.

All in all, the crops in the Friona area are in probably the best shape they have been in for a number of years, with prospects at this point pointing toward a very good harvest season.

Temperatures

Date	High	Low
Saturday, July 19	89-63	
Sunday, July 20	93-63	
Monday, July 21	84-62	
Tuesday, July 22	78-63	
Wednesday, July 23	80-65	
Thursday, July 24	88-61	
Friday, July 25	83-59	
Moisture: .34 July 21; 1.28 July 22; .95 July 23; .14 July 25. Total for week: 2.71 inches. Total moisture for July: 3.69 inches.		

Cleveland Set For State All-Star Tilt

DALE CLEVELAND

A highlight of the annual Texas High School Coaches Association's annual all-star basketball game next Wednesday (July 30) in Fort Worth, as far as Friona is concerned, will be the appearance of center Dale Cleveland as a member of the "North" team.

Cleveland, a three-year varsity star for the Friona Chieftains, was one of 12 players chosen from across North Texas in all classifications to play in the annual coaches' all-star game.

Dale is thought to be the first player from Friona High School to be chosen to play in the annual mid-summer event, one of the highlights of the annual "school" conducted by the Texas High School Football Coaches Assn.

Cleveland left last week to prepare for the contest. Actual workouts begin on Monday at Texas Christian University, site of the all-star game. Also to be included in the activities will be a round of banquets and other personal appearances.

A two-time all-state selection for Friona, Dale is the only basketball performer to ever score over 1,000 points (1,434) and haul down over 1,000 rebounds (1,005) during a career at Friona High School.

Coach Larry Dyess, Cleveland's coach as a senior, said this week "Dale should have an excellent chance to be a starter in the game. I look for him to have an excellent performance."

Dyess pointed out that the coach of the North all-star team was the head man at Lubbock Dunbar, who was familiar with Dale's ability, having seen him play.

A number of players from the Panhandle-South Plains area are on

the 12-man "North" squad, including 6-5 Mark Sherrod of Channing, Steve Aderholt of Sanford-Fritch, Jim Vaszauskas of Lamesa and a Shallowater player.

Besides his all-state honors, Cleveland landed a spot on the Amarillo-Globe-News' Panhandle-Plains "Super Team" two years, and was tabbed as the "player of the year" his senior year.

He averaged 17.4 points per game his senior year and had 15.4 rebounds per outing in helping the Chieftains to a 28-4 record in 1974-75 and 55-12 for the past two seasons.

Among those planning to attend the game will be Dale's parents, Mr. and Mrs. W.L. (Dub) Cleveland.

Attending the coaching school will be Friona coaches Mike Garrison, Al Lemons, Larry Dyess, Gary Jones and Ed Alford.

Local Blood Drive Success

The blood drive recently sponsored by St. Teresa's Parish was termed a success by St. Teresa church members.

Five staff members from the Coffee Memorial Blood Bank were on hand in the parking lot of Friona State Bank to take blood from some twenty local residents. The number donating would have been higher but some that came had to be turned down because of medical reasons pertaining to low blood iron.

Those persons giving blood have provided for themselves and their families blood insurance for the coming year.

City Receives Tax Rebate

Comptroller Bob Bullock sent checks totaling \$11.4 million last Tuesday to Texas towns and cities for their monthly July city sales tax payments.

The total July payments were smaller than the June rebates, Bullock said, because the June payments included "clean-up" allocations of money carried over or coming in late from the last round of quarterly tax payments received from merchants.

The City of Friona received \$2,317.28, considerably less than that for a regular month.

"We have now refined our system such that not a penny of city sales tax money can stay in this office longer than 45 days before being sent back to the city," Bullock said.

Bullock said when the monthly system was started that cities could expect two smaller payments followed by a third larger "clean-up" payment in each three month cycle.

Budget Hearing Set For City August 4

The City of Friona will hold its annual public hearing for the city's budget for the fiscal year 1975-76 at a meeting of the Friona City Council Monday, August 4 at 7:30 p.m.

The budget as proposed by City Manager A.L. (Jake) Outland calls for expenditures of \$477,052 for the fiscal year, an increase of \$55,878 over the previous year.

Anticipated revenue amounts to \$655,783, compared to \$586,000 in 1974-75.

Outland will recommend that the ad valorem tax rate remain the same as for the previous year, \$1.40 per \$100 valuation.

However, due to the costs expected in the beginning of a sanitary landfill operation, an increase of \$1.00 per customer per month trash charge is proposed in the budget. "Otherwise, there will be a drastic drain on municipal funds," Outland explains.

Large capital expenditures are cut to a minimum for 1975-76, due partly

to the proposed landfill operation expense, along with expenses related to the new nursing home facility.

General Fund expenses have been reduced \$20,000 for the coming fiscal year.

Included in the budget will be five per cent raises for city employees. In his annual budget message to members of the City Council, the city manager pointed out that the local economy was somewhat similar to that of the nation's, with a slight break from the upswing.

Outstanding crops have aided the local economy, although cattle feeding is still down due to recent setbacks. Although the total amount of construction shows a slight increase locally, there is a slight decrease in the number of new homes being built.

Any citizen interested in any phase of the municipal budget is invited to attend the August 4 meeting.

County Keeps Ranking In Cattle Feeding

A total of 99,000 head of cattle reported on feed in Parmer County January 1 made it the number two county for cattle on feed in the state, Agriculture Commissioner John C. White has announced.

Cattle on feed in Parmer represented 7.5 per cent of the statewide total of 1,327,000 head and helped to make Texas the leading state in numbers on feed as of January 1.

At the same time, the total number of cattle on feed in the state as of the first of the year decreased some 878,000 from the 2,205,000 on feed as of January 1, 1974, according to statistics compiled by the Texas Crop and Livestock Reporting Service.

Marketings of Parmer County cattle and calves on feed for slaughter totaled 330,000 in 1974 out of a statewide total of 3,899,000.

With seven feedlots in the county with the ability to hold 1,000 or more head as of January 1, Parmer County's total capacity in these lots stood at 285,000 head.

A total of 1,200 feedlots were reported in Texas at the end of 1974, with all but 199 of them having a capacity of under 1,000 head.

For free copies of the 1974 Livestock Statistics, prepared by the Texas Crop and Livestock Reporting Service, write to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

LAND PURCHASED...Friona Mayor R.L. Fleming, left, hands a check to Mr. and Mrs. Tommy Jones, at the closing of the purchase

by the city of an eight-acre plot which the city bought from Mr. and Mrs. Jones on which the Friona Nursing Home will be constructed.

WATER HAZARD...Friona golf pro Cotton Renner gets ready for a shot from the teebox on hole number 3. The hole's water hazard is dry much of the time, but following the big

rains of this week, it's about 50 yards across. The tree at the left gives evidence of the depth of the lake on the Country Club course.

NEW PROPERTY VALUATION LINES

Friona Flashbacksfrom the files of The Friona Star

45 YEARS AGO—AUGUST 1, 1930

John H. Aldridge, Jr. was the winner in the county judge race in the Democratic primary last Saturday, with 759 votes to 529 for Clyde V. Goodwine. J.M.W. Alexander will succeed Judge D.H. Meade as commissioner in the Friona-Black precinct, winning by 250-214. There will be a runoff for county sheriff between W.D. (Bill) Kirk and W.D. (Bill) Hall. Lee Thompson was elected commissioner in the Farwell precinct. W.S. Menefee was re-elected in the Lazbuddie precinct.

35 YEARS AGO—AUGUST 2, 1940

In the Democratic primary last Saturday, David Moseley won the race for commissioner, precinct 1, over L.F. Lillard, 305-272. Charlie Lovelace and D.K. Roberts will meet in a runoff for county and district clerk. Roy B. Ezell won over two opponents, Robert Maddux and W.M. Lloyd, for county treasurer. Lee Thompson, Earl Booth and A.D. Smith were unopposed for county judge, sheriff and attorney, respectively.

30 YEARS AGO—AUGUST 3, 1945

In view of the long continued drought from which this territory has been suffering since last September, a serious feed shortage is one of the most apparent conditions with which our farmers are now confronted. There will apparently be no cotton grown this year. Farmers had their soil in fine condition in the spring for planting row crops, but realizing the futility of planting before rain came, they simply waited for that rain, and are still waiting.

25 YEARS AGO—JULY 29, 1950

Over 1600 Parmer County voters went to the polls last Saturday in the Democratic primary. In county races, A.D. Smith held his office with 1015 votes to W.L. Edelman's 545. Henry Ivy unseated present Precinct 4 commissioner W.S. Menefee, with a 178-vote total to Menefee's 81. County voters followed the general pattern of other Panhandle counties, swinging to Mrs. Altaewene Clark for Congress, Harold LaFont for state representatives, and E.A. Bills for district judge.

20 YEARS AGO—JULY 29, 1955

J.B. McFarland, a well-known promoter of Parmer County Community Hospital, recently donated a new oxygen tent, not only for the benefit of the patients, but the nurses. Old style oxygen tents had to be cooled with ice, which was carried to the tent every few hours. The new model tent gives the hospital three tents, to adequately

serve the hospital's needs, states manager Jimmy Baxter.

15 YEARS AGO—JULY 28, 1960

Martell Leveque and Porter Roberts are co-chairmen of Friona's annual Maize Days Celebration, which is September 5-10 this year. Members of the Friona City Council okayed plans and specifications for the modernization and improvement of the city's water and sewer systems to bring the systems up to serve a town double the present population.

5 YEARS AGO—JULY 30, 1970

A new business is opening on Main Street in Friona on Friday, to be known as Nellie Jane's Shoes. Owners of the new shop are Nellie

Pearl Shelton and Jane Garth. Mrs. Garth will be manager. The store will feature several new lines that have not been shown anywhere else in this area. It will feature the newest in ladies' handbags at inexpensive prices.

Church Sets Special Day

Sunday, July 27, is a special day in two ways for the Friona Assembly of God Church.

The day will see the returning of a former pastor, J.M. Ashley, to speak in the morning service. He will hold morning services and will visit with many old friends in a lunch following the service.

Also on that day, the Assembly of God Church will begin their scheduled revival with a singing program beginning at 2 p.m. featuring the Glory Band Singers from Dimmitt. Also singing will be Don and Ellen Shankles from Tucumcari, New Mexico.

Services will be held at 8 p.m. nightly except Saturday. The public is invited and also any group that would like to sing is invited to contact the church.

Current Comments From ...

ED EAKIN in the QUANAH TRIBUNE-CHIEF....Only a short time ago the editor of a newspaper in Indiana grew tired of being called a liar and announced that he would begin telling the truth in the future. The next issue of the paper carried the following items:

1. "John Coyle, local grocerman, is doing a poor business for a good reason. His prices are high, his store is dirty, and his clerks are insolent. How can he expect much?"

2. "The Rev. Bob Jones preached Sunday night on 'Charity.' He'll need all the charity he can get from his congregation because his sermon was so poor."

3. "Dave Conkey died at his home here Tuesday night. The doctor called it heart failure, but those who know say whiskey killed him."

4. "Married—Miss Sylvia Rhodes and James T. Colvin, last Sunday at the Baptist parsonage by the Rev. Gordon. The bride is a very ordinary town girl who doesn't know any more about cooking than a jackrabbit and never helped her mother three days in her life. She is not a beauty by any means and has a gait like a duck. The groom is an up-to-date loafer. He has been living off the 'old man' at home all his life and is not worth having. A dim future for the couple is predicted."

5. "Died—Aged 56 years, six months and 13 days. Deceased was a mild-mannered pirate who came here in the night with another man's wife and joined the church at the first chance. He owed us several dollars for his paper, was indebted to most everyone in town, but you

could hear him praying six blocks away. He died singing 'Jesus Paid It All' and we think he is right, because the deceased never paid anything himself. He was buried in an asbestos casket and his friends threw palm leaf fans in his grave because he probably needed them."

After this issue containing the above items, the Indiana editor was beseeched by his readers to start lying again.

It's A Boy For

Bob Bumpasses

Mr. and Mrs. Bob Bumpas of 3807 31st Street in Lubbock, became the parents of a baby boy, named Robert Brent on Wednesday, July 9.

This is the first child for the couple.

Robert, born at Methodist Hospital in Lubbock, weighed eight pounds, four ounces and measured nineteen inches in length.

Grandparents are Mr. and Mrs. Doyle Cummings of Friona and Mrs. Susie Hash of Seymour. The great-grandmother is Emma Cassidy of Texico, New Mexico.

Revival Set At 1st Baptist

A Youth-Led Revival is scheduled to be held at the First Baptist Church in Friona Friday, Saturday and Sunday, July 25, 26 and 27.

The Youth Revival will host Lanny Voss of Plainview as preacher. Stan Hickerson of Clovis will be the song leader for the three-day revival.

Beginning time for the services held July 25 and 26 is 8 p.m. Sunday morning service will start at 10:50 a.m. with the evening service at 7 p.m.

All the youth of Friona are invited to this special revival at the First Baptist Church.

**At Home In
Parmer County**
Janq Pronger

IN A RECENT news letter from one of the canning jar manufacturers, they have given some 'Home Canning Fads To Avoid' that I thought you might be interested in.

"Aspirin--Do not use aspirin (which contains a weak germicidal agent) as a substitute for heat treatment in canning. It is inadvisable and should not be relied upon to prevent spoilage or give satisfactory products. The hazards of using aspirin in canning are:

--Aspirin has preservative action but is condemned because of its toxicity and is prohibited by Federal Food Laws.

--There is no evidence on its acceptability for use in protecting against hazardous spoilage.

--It has no effect on the enzymatic reactions which cause deterioration.

--The lack of heat treatment will result in the absence of a vacuum seal, which will generally accelerate deterioration.

--There is inadequate information for its use in preserving any food.

Dishwasher--No-No!

Remember a dishwasher is for washing dishes and equipment--not processing fruits and vegetables. A dishwasher is not a safe method of processing foods because of the temperature of the water and the processing time which affects the heat penetration faster.

Micro-Wave Oven Canning!

We do not recommend canning in a micro-wave oven because many, many homemakers can not distinguish between acid and low acid foods. We are fearful that homemakers will not read directions and apply the technique to low acid foods. We noted that if ten (10) jars of acid food were processed, the internal temperature would vary in each jar. Of the five jars only one jar might be processed. In order to measure internal temperature, the lids are left off and contamination is possible before caps are adjusted.

Open Kettle--
In open-kettle canning,

food is cooked in an ordinary kettle, then packed into hot jars and sealed without processing. For vegetables, the temperatures obtained in open-kettle canning are not high enough to destroy all the spoilage organisms that may be in the food. Spoilage bacteria may get in when the food is transferred from kettle to jar.

Oven Canning--No-No and No Again!

Oven canning is dangerous. Jars may explode. The temperature of the food in jars during oven processing does not get high enough to insure destruction of spoilage bacteria in vegetables."

**Rites Slated
For Mr. Hock**

Funeral services were set for 2 p.m. Saturday in the First Baptist Church in Friona for Ernest Christian Hock, 69.

Mr. Hock died Thursday, July 24 at Parmer County Community Hospital in Friona.

Rev. W.H. Uhlman of Arvada, Colorado will officiate at the services. He will be assisted by Rev. Bill Penland. Burial will be in Friona Cemetery under the direction of Parsons-Ellis Funeral Home.

He was born September 9, 1905 in Douglas County, Kansas. Having been an educational director, he was retired at the time of his death.

Moving here from Stanton, Texas, he lived in Friona for nine years and was a member of the First Baptist Church. His wife preceded him in death in 1967.

Survivors include one daughter, Mrs. Barbara Maynard of Friona; four sisters, Mrs. Katie DeGarmo of Trenton, Nebraska, Karrie Johanning of Baldwin, Kansas, Anna Schwartz of Baldwin, Kansas and Mary Altenbeard of Louisville, Kentucky; and three grandchildren.

 By MILTON EVANS
 Parmer County Farm Bureau Insurance
 Phone 247-3280

The company I work for has a retirement pension plan and although I could participate in it, I would rather have my own. Is this possible?
 Yes, it's possible but not very practical. Under IRA you make the entire contribution...under most companies' retirement plans, the employer contributes most of the money that goes toward the pension plan. An employer-designed plan will accomplish more because of the reduced administration costs per individual participant. It would seem you may be attempting to trade a lot of benefits for the sake of mobility. Your employer's pension plan automatically takes care of most of the paperwork, time and money needed to set up a comprehensive retirement pension plan.

LEGAL NOTICE

NOTICE TO BIDDERS
Sealed proposals addressed to the Honorable Mayor and City Council of the City of Friona, Texas, will be received at the office of Arley L. Outland, City Manager, City Hall, Friona, Texas, until 2:00 P.M., August 11, 1975, for furnishing all necessary materials, machinery, equipment, superintendence and labor for constructing certain Water Works and Sanitary Sewer Improvements for the City of Friona, Texas.

The principal items of work are as follows: Water Works Improvements—furnishing and installing approximately 270 feet of 4", 415 feet of 6" and 420 feet of 10" approved type of water mains including the necessary valves, fire hydrants, fittings and appurtenances; and Sanitary Sewer Improvements—furnishing and installing approximately 742 feet of 6" V.C. sewer mains, with trench depths varying from 4' to 12', including the necessary manholes, cleanouts and other miscellaneous items and appurtenances.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of the City of Friona, Texas, in an amount not less than five (5) percent of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bonds and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish a Performance Bond and Payment Bond on the forms provided in the amount of 100 percent of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities, and to accept the bid which seems most advantageous to the City's interest. In case of ambiguity of lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article 5159A Civil Statutes 1925) concerning

the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Copies of the Plans and Specifications are on file in the office of Arley L. Outland, City Manager, City Hall, Friona, Texas and are on file and may be secured from Parkhill, Smith & Cooper, Inc., Consulting Engineers, 4010 Avenue R, Lubbock, Texas.

Greenbug Resistance Can Pose Problems

Greenbug resistance to some commonly used insecticides apparently will be a problem in some areas in 1975, according to Dr. George Teetes, entomologist with the Texas Agricultural Experiment Station at Lubbock.

"Preliminary data indicates Ethyl Parathion, Thimet and Diazinon have been effective in controlling greenbugs in the resistant area," Dr. Teetes said. Dr. Teetes pointed out that in selecting an insecticide producers must consider several factors.

"First, the farmer should ascertain the need to control greenbugs. Only populations that have reached the economic threshold should be treated. Premature applications can seriously compound the resistance problem in the field," Dr. Teetes warned.

"Second, the selection of an insecticide should be based on results obtained in other fields in the area. In some areas almost all compounds remain effective while in other areas control may be difficult with any

material," Dr. Teetes said. Cost, availability and effects on beneficial insects and other pests should be considered in selecting an insecticide.

"The rate of ethyl parathion can be reduced in many areas to control greenbugs while sparing some beneficial insects but it has shown to stimulate increases in spider mite numbers," Dr. Teetes said. "Thimet can only be used one time per season and it has been a constant chemical for spider mite control," Dr. Teetes explained. "If it is used for greenbug control it cannot be used later for spider mites."

Dr. Teetes stressed that control from all registered chemicals may vary from area to area and from field to field. He added that test areas of small acreages may be treated prior to large applications to determine the level of control that may be expected.

Entomologists have noted that in areas where greenbugs have not developed resistance to insecticides, Disyston and Cygon still are effective.

LEGAL NOTICE

NOTICE TO BIDDERS
FRIONA NURSING HOME
Sealed Proposals Addressed To Mr. A.L. Outland, City Manager For The City Of Friona, Texas, Hereinafter Called The Owner In Accordance With Drawings, Specifications, And Other Contract Documents Which Were Prepared By Raymond D. Powell, Architect, Will Be Received At The Council Room Of The City Hall In The City Of Friona, Texas Until 2:30 P.M. (C.D.T. Monday, August 11, 1975 And Then Opened And Read Aloud. Any Bid Received After Closing Time Will Be Returned.

Bids Received Shall Be For The General Construction Including Plumbing, Mechanical, Ventilating, And Electrical Work, As Well As Requirements For General Construction, And Bids Will State The Dollar Amounts Bid And The Time Of Construction Proposed In Calendar Days.

In case of ambiguity or lack of clearness in stating prices in the proposal, the Owner reserves the right to adopt prices written in words, or to reject the proposal. The Owner reserves the right to reject any or all bids and to waive all formalities.

The proposal shall be accompanied by a cashier's check or proposal bond in

the amount of five percent of the amount of the proposal and shall be left in escrow with the Architect that it's amount is the measure of liquidated damages the Owner will sustain by the failure of the bidder to execute and deliver required performance bond for the full amount of his contract proposal and enter into contract with the Owner, provided he is awarded the contract, within five days of written notice of the award of the contract to him, and such amount shall become the property of the Owner, but if the proposal is not accepted within thirty days of the time set for the submission, or if the awarded bidder executes and delivers said contract and bond, the check shall be returned to him.

Plans and specifications may be examined without charge in the Office of the Architect at 2424 Quaker Avenue, Lubbock, Texas 79410. Two sets of plans and specifications may be procured from the Architect with a deposit of \$25 for each set which will be refunded in the event the drawings are returned within 5 days after bidding in usable condition. Additional sets may be purchased from the Architect at the price of \$25 for each set.

tion here last Saturday. From the left are Pam Lindley, Phillip Duggins, Cris Beck and Bryan Johnston. (For other picture and story, see Section 2)

New Officer Is Named By MBPXL

David J. La Fleur, President of MBPXL Corporation, announced this week that Mr. Les Williams had joined MBPXL Corporation as Vice President, General Counsel and Secretary.

Williams was Corporate Counsel for Missouri Beef Packers, Inc., one of the predecessor companies of MBPXL Corporation, from 1972 to 1974. He has been practicing law in Midland, Texas for the past nine months.

La Fleur expressed particular pleasure in gaining a general counsel with proven abilities who knows the industry and so many of its people.

Bookmobile Schedule

The High Plains Bookmobile will be in your area on the following dates:

Wednesday, July 30--Needmore, 10-11:30 a.m.; Stegall, 12 noon-1 p.m.; and Enochs, 1:30-2:30 p.m.

Thursday, July 31--Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45 a.m.-12 noon; and Black, 1:15-2:30 p.m.

Friday, August 1--Hub, 8:45-9:45 a.m.; White's Elevator, 10-11 a.m.; Lazbuddie, 12 noon-1 p.m.; and Clay's Corner, 1:15-2:15 p.m.

Saturday, August 2--Farwell, 8:55-11:50 a.m.; and Friona, 1-3:45 p.m.

Divorce Rate Lower Here, Report Shows

How high is the divorce rate in Parmer County compared with that in other communities? How many local residents are divorced? How many have remarried after being divorced?

For the great majority of men and women in the local area marriage is a once-in-a-lifetime undertaking. For others, who start out with equally high hopes, their marriages end up on the rocks.

In general, the divorce rate has been on the rise for a number of years and is still mounting. This is indicated in the latest surveys by the Department of Commerce, the National Center for Health Statistics and others.

In Parmer County, it appears, the number of marital splitups is on the low side. There are fewer divorces and separations, in proportion to

population, than in most parts of the United States.

According to the latest tabulations, some 23 out of every 1,000 local residents over the age of 14 are either divorced or separated from their spouses.

The comparable national average is 53 per 1,000. In the West South Central States the rate is 55 and, in the State of Texas, 56.

During 1974, the figures show, there were approximately 970,000 divorces in the United States. That was 57,000 more than in 1973.

On the other hand, the number of marriages that took place in the year, 2,235,000, was unexpectedly small. It was the first time since 1958, in fact, that a drop was recorded.

The decline, at a time when the

population of marriageable age was larger than normal, is attributed to prevailing economic conditions. Many young people have postponed their marital plans.

Because of the decrease in marriages and the increase in divorces, there was 1 divorce in the year for every 2.3 marriages.

In Parmer County, according to the most recent figures, there are some 160 men and women who are divorced or separated.

Many others, who were once in the divorced column, have since remarried. In general, it has been found, there are about 2.5 such persons for every one who is currently divorced.

On that basis, it is estimated that there are about 400 local residents in that category.

FARM SAFETY WEEK

Getting the Safety Habit Pays Off

It's never too early to learn the value of farm safety. Remember, most accidents are preventable if precautions are taken against potential dangers before they strike. So act now to insure your safety and the safety of others.

Make it a point to fix up your buildings and machines. Be careful in handling animals. Use extra caution in working with: ELECTRICITY, CHEMICALS & MACHINERY

SCS News

National Farm Safety Week cannot be emphasized too much in rural areas. National Farm Safety Week this year starts July 25. Each year we hear of farm accidents that could have been avoided.

There were many accidents here in Parmer County that could have been avoided.

Irrigation motor drive shafts and extra people riding a tractor are frequent causes of accidents.

Our new high powered farm equipment makes operators even more prone to have accidents.

No farm job has to be done in such a hurry that it can't be done SAFELY.

Just remember, the longer you keep your life insurance, the more it's worth.

In recognition of their achievements, 265 4-H members are expected to share \$205,000 in educational scholarships arranged by the National 4-H Service Committee, Chicago.

agri-facts

By Mike Chaney

The "Third World" may be the ultimate market for American wheat. In the broadest sense, the third world comprises more than 90 nations mostly in Asia, Africa and South America. Most of them are underdeveloped and have an increasing appetite for bread. Number one advocate of the market is Kansas State University's chief of grain science and industry, Dr. Bill Hoover. Hoover predicts that the potential for rapid development of these markets is extremely high. Touting bread as the number one convenience food, he points to the kind of wheat demand there could be if per capita consumption of bread in these nations begins to equal the average in the United States. Hoover says the possibility of rapid escalation of consumption exists because in many of these countries the decision on primary food supply is made by the government. Offices designed to foster this type promotion are already in operation.

WATER FUN...This trio of boys revived the old sport of wading this week during one of the heavier rains to hit Friona. They are standing at the intersection of Ashland and Highway 60, where the water was knee deep in the curb next to the Aztec Drive In. You can tell from the photo that the water was still swirling, over a half-hour after the rain had stopped. Highway 60 looked more like a river.

60 County Workers Receiving Disability Pay

"Parmer County has 60 disabled workers drawing \$11,000 per month disability social security benefits," William Ent, social security operations supervisor, stated today.

"Much confusion exists concerning how disabled one must be to receive this type of social security benefit. The degree of disability required for eligibility is written into the Social Security Law. A worker is considered disabled if his medical evidence shows that he has a physical or mental condition which: (1) prevents him from doing any substantial gainful work, and (2) is expected to last (or has lasted) for at least 12 months, or is expected to

result in death. "Naturally," Ent continued, "such a definition rules out short term illness or payment for injuries which would not ordinarily be expected to keep a worker off this job for a year. "If a worker has no idea

how long he will be off work because of illness or accident, he should resolve any doubt in favor of filing a claim for disability benefits with the nearest social security office or representative," Ent emphasized.

Book Published On Food Situation

The Soil Conservation Society of America has announced publication of a 53-page softbound book on the world food situation. In announcing the special publication, H. Wayne Pritchard, the Society's executive vice-president, expressed concern about food

production and the ever-increasing pressure on land resources.

Single copies are available from the Soil Conservation Society of America, 7515 Northeast Ankeny Road, Ankeny, Iowa 50021, for \$1.50, postpaid. Quantity prices are available upon request.

Services Conducted For Ebb Randol

Funeral services were conducted at 4 p.m. Thursday at Farwell High School auditorium for Ebb Randol, 77, of Farwell.

Randol died Tuesday at Lubbock Methodist Hospital.

Grover C. Ross and Leonard Ginnings, Church of Christ ministers, officiated at the services. Burial was in Farwell Cemetery by Steed-Todd Funeral Home.

He came to the Farwell area as a child with his family. They homesteaded south of Texico. He was a retired farmer and a Church of Christ minister.

Randol had preached at Farwell, Muleshoe, Melrose, N.M., Ft. Sumner,

N.M. and Arch, N.M. Survivors include his wife, Genevieve; three daughters, Mrs. Carl Davis and Mrs. Hugh Edwards, both of Farwell and Mrs. James Spurlin of Olton; and eight grandchildren.

Grand Jury Meets; 34 Persons Indicted

Indictments were returned against 34 persons by the grand jury of district court in a session Thursday, July 10.

Indictments returned include: Ricky Clark, sale of marijuana; R.B. Riley and Ricky Patterson, theft; Harley Waldrop, perjury; Jaime Mallos, burglary; Rene Montez, theft; A.H. Hilmus, theft; Curtis Drager and Raymond Drager, theft; Arturo Ortiz, Gilbert Ortiz Jr., Albert Galvan and Guadalupe T. Garcia, burglary; Edgar L. Clinton Jr., forgery;

Also, Eddie Ray Baker, burglary; Deward Armstrong, issuance of bad checks; Eddie Ray Baker, theft; Joe Angel Delgado, Alfonso Delgado, Robert Frances Pesch, Alvino Hernandez and Zeferino Villarreal Jr., possession of marijuana; Manuel Barba Jr. and Alfonso Romo Jr., property damage; Robin Baize and Richard Bermea, three counts of burglary of a motor vehicle; Larry Polk and Robert Wilson, theft; Jim Fields, theft; Grady Lee Horton, Wendell Kirk Barnes and Ronald Charles St. John, theft;

James Conrad Tafoya, theft; Virginia Fabela, receiving hospitalization with intent to defraud; and Joe Nathan Pearson, forgery.

Members of the grand jury panel included A.A. Allen, John Baca, Mrs. Houston Bartlett, Gary Brown,

Elvis Childs, John R. Cook, David Grimsley, Ken Horn, Joe Flores Jr., Mrs. Joe Hughes, Tim Foster, Ovid Lawlis, Clyde Perkins, Mrs. Prentis Pruitt, Jon Lin Riddle, Kyle Sheets, Mrs. Peggy Snider and Elvin Wilson. Lawlis was foreman of the panel.

Local Instructor

Attends Workshop

Vocational Agriculture teachers, some 1500 strong, will meet in Houston, July 28-August 1, for the annual In-Service Educational Workshop, sponsored by the Agriculture Education Department of the Texas Education Agency, Austin, Texas.

Attending the four-day in-service meeting from Friona High School will be Benny Pryor and Paul J. Smith, vocational agriculture teachers.

The Shamrock Hilton Hotel will be

the site for the meeting which will start on Monday, July 28 with registration for the workshop beginning at 3 p.m., according to Mr. J.A. Marshall, State Director, Vocational Agriculture Education, Texas Education Agency, Austin, Texas.

A full slate of events make up the program for the workshop. The first general session will begin at 9 a.m. on Tuesday in the Grand Ballroom of the Shamrock Hilton Hotel.

No Sugar Program Hurts Beet Farmers

The United States presently has no clear program at all to assure consumers an adequate supply of sugar at reasonable prices, a spokesman for the U.S. Beet Sugar Association today told the House Agriculture Committee in Washington.

The present situation is hazardous for American consumers and the domestic industry, according to President John B. Bunker of Holly Sugar Corporation.

Bunker said that the beet sugar processing industry was testifying today at week-long oversight hearings on sugar. The committee is trying to determine whether present legislation provides sufficient safeguards for sugar consumers and the domestic sugar industry or whether further federal legislation is needed.

The Sugar Act, the nation's formal sugar policy for more than 40 years, expired December 31, 1974.

Current prospects indicate that returns to domestic producers for sugar crops currently being grown will likely be below production costs, according to Bunker.

In that event, farmers may decide to cut back next year, with subsequent impact on prices to consumers, Bunker said.

Bunker outlined some minimum requirements for a national sugar policy. Among these are assured supplies at reasonable and stable prices for consumers, the capability for handling both shortage and surplus situations, provisions for a significant portion of the supply from domestic sources as a matter of national security, and simplicity in approach and ease in

administration. The beet sugar industry supplies about 30 percent of this country's annual sugar requirements. In addition, it is an important factor in local and state economies.

Sugar is one of the few foods the nation does not produce in sufficient quantity to meet its own needs. The U.S. presently imports about half its requirements, Bunker pointed out.

In the absence of a domestic industry, American consumers would be totally vulnerable to prices set by foreign cartels or embargoes established by such combinations, Bunker said.

According to Bunker, the nation's balance of payments deficit is significantly affected by the importation of sugar, citing Department of Commerce data showing 11.5 billion pounds of raw sugar was imported in 1974 at a cost of \$2.25 billion.

In contrast, the domestic industry invigorates the economy. In 1974 beet sugar processing plants purchased 22.1 million tons of sugarbeets valued by the U.S. Department of Agriculture Crop Reporting Board at \$971 million, Bunker pointed out.

Industry payrolls and purchases of other raw materials by the nation's beet processing plants amounted to more than \$200 million annually.

In addition, the industry spent \$316 million during the last 10 years for new capital expenditures, Bunker said. Rowland M. Cannon, President of the Utah-Idaho Sugar Company, Salt Lake City, testified in Washington on behalf of the domestic beet sugar processing industry.

FRIONA COUPLE HAS SEEN 'EM ALL

Want To Know About States? Ask Baxters

BY CINDA JOHNSON
Star Staff Writer

When the hot months of summer roll around nearly everyone enjoys a chance to leave town and to go the mountains, or anywhere to get away from the normal routine of day to day living.

Vacation time is an exciting time, but especially so for a local couple who have, believe it or not, traveled through and seen all 50 states of the United States.

The Oscar Baxters of Friona began their travels soon after they married.

"We both lived in Oklahoma when we met and married," said Mrs.

Baxter. "Of course, that was our first state to see because we lived and grew up there."

"Then in 1938 Opal and I drove from Oklahoma, through Texas and into New Mexico," Mr. Baxter added. "That was our first trip."

Mr. and Mrs. Baxter moved and made their home in Friona in 1942 where they started their Ford car dealership. Said Mrs. Baxter, "We didn't plan to see all of the states when we first began traveling. That wasn't our original goal. We were just traveling for the enjoyment of seeing new country."

"Then about ten years ago we realized that we had seen quite a few

states in just our normal vacationing," added Mr. Baxter.

So it was from that day that Opal and Oscar decided that they would make an effort to see all 50 states.

With their first trip to New Mexico, the Baxters began their travels.

"It has taken us half of our lives to see all of the states," Opal said. "But we started young and have really enjoyed the adventure."

The second trip for the couple took them through the Western United States in 1947. They drove by car and even traveled a little up to Canada.

"We went on a bus tour to Washington, D.C. in 1956," said Oscar. Their Washington trip allowed the couple to see the Eastern states and some country that was new to them.

"We saw many of the sites in the Capitol that are important to America; many monuments and places where United States history took place."

In 1966 a trip through the Southern

states was planned.

"We had a daughter living in Florida," said Mrs. Baxter. "It gave us an excuse to pack up and go again."

Up until 1972, most of the traveling done by Mr. and Mrs. Baxter had been by car, but in that year the couple purchased an "Open Road" motor home. It would be more comfortable to travel in and friends and relatives could join them.

"We bought the motor home just in time for our biggest traveling venture," Mr. Baxter said. "We had never seen Alaska. It seemed so far away, but it was a state, and our goal was to see ALL of them!"

1973 saw their Alaskan trip, "part of it by ferry boat," commented Mrs. Baxter. "We just drove the motor home aboard and took off north along the Canadian coast."

Upon reaching Fairbanks, Alaska, the couple called relatives in Friona and excitedly exclaimed, "Can you believe it!? Right now we're 5,000 miles from home!"

The long road home took the Baxters down the Canadian coast on the famous Alaskan Highway—1,000 miles of dirt and gravel road.

"We drove that bumpy road for three long days," commented Mr. Baxter. "Was I ever glad to see the U.S.-Canadian border and a solid highway again!" he laughed. One member of the party was so glad to see the pavement that she actually got out and kissed it. Oscar snapped her picture just for the record.

The Baxters boarded an airplane for their trip to Hawaii in 1974.

Said Mrs. Baxter, "That's one state that I want to revisit. We only had a week to see all of the sights and it was so beautiful and there was so much to see that I would enjoy going back again."

The final trip; the venture that led the couple to finish seeing all 50 states, was their foliage bus tour to the New England States this past spring. They retraced a few steps in Washington, D.C., that they had seen before, but following their stay in the capitol city Opal and Oscar drove down through the midwest, the "Corn Belt" of America. What started in New Mexico ended with South Dakota.

"Our last state, South Dakota, was very pretty. Mount Rushmore, the Black Hills; these were some of the sights. But it was our last state. When we left it we knew that we had seen them all!" said Mrs. Baxter.

"We saw as much as we could

when we traveled," claimed the couple. "A few times we would get lost, take a wrong turn off those freeways in some of those cities and end up seeing the slums."

Mrs. Baxter's favorite state was Kansas, "mostly because of the smooth farm land."

But Oscar is partial to North Dakota. "The eastern half is some of the prettiest farming country you'll ever see."

"We enjoyed the countryside in Missouri, too," Mrs. Baxter added.

Having seen it all, from mountains to valleys, the traveling couple rates the Grand Canyon as one of the prettiest sights. Boston, Massachusetts, was the dirtiest city they visited while Mr. Baxter is sure that Miami, Florida and Honolulu, Hawaii, both run a close race for the prettiest city.

The couple also put in a plug for Texas, saying there are plenty of places to visit in their "home state."

Having traveled so much and seen the whole United States one would wonder if the Baxters would have any place left to go.

"We'll go a little," stated Mrs. Baxter. "Oscar likes to go more than I do so I'm sure I won't be able to keep him still."

"We both feel like we've accomplished a lot and seen some places that most people only get to see on postcards," said Mrs. Baxter, "and we wouldn't trade anything for what we've seen!"

COUNTY TREASURER'S REPORT

REPORT of Benna Felts, County Treasurer of Parmer County, Texas, of Receipts and Expenditures from April 1st, 1975 to June 30th, 1975, inclusive:

Connie Lindeman, Teddy King Exchange Double Ring Vows

Connie Sue Lindeman, daughter of Mr. and Mrs. Homer Lindeman of Friona, became the bride of Teddy Lee King, son of Mr. and Mrs. D.T. King, also of Friona at 7 p.m. Saturday, July 12.

The ceremony was performed in Friona's United Methodist Church by Bobby McMillan, pastor of the church.

The church was decorated with a candle arch in the center of the altar with a center bouquet of agapanthas, blue and purple delphiniums and baby's breath. The kneeling bench was decorated with two bouquets of purple gladiolas, blue and purple delphiniums and baby's breath on white pedestals on either side.

Mrs. Johnnie Walters, organist, and Lisa Cummings, both of Friona, presented "Twelfth of Never" and "We've Only Just Begun."

As the bride was escorted to the altar and presented in marriage by her father, she wore a Victorian styled gown of candlelight silk georgette over peau de soie accented by re-embroidered Alencon lace. Lace applique on the sheer silk bodice traced an intricate pattern which featured a deep scallop above the empire waistline. The sheer fitted sleeves repeated the lace applique just above the wrist and soft flounces fell over the wrists. The gown featured an a-line skirt which swept to back fullness and cascaded to a wide chapel length train. Her veil of candlelight silk illusion edged in lace extended from a picture hat. The bride carried a nosegay of blue carnations, purple agapanthas and baby's breath.

Following tradition, the bride wore a sixty year old lavalier which belonged to the bride's maternal great-grandmother, Mrs. Emmett Wells of Grapevine, Texas for something old. Something new was a gold watch, a gift from the groom. Something borrowed was a gold bracelet from the bride's mother. She wore the traditional blue garter. Pennies minted in the couple's birth years were worn in her shoes.

Cindy Gammon of Friona was maid of honor. Bridesmaids were Johnnie Walter of Friona, Suzann Phillips, cousin of the bride from Lubbock and Kathy King, sister of the groom from Lubbock.

The feminine attendants wore formal length gowns of blue and purple printed organza with a moulded bodice softly gathered to a front midriff, featuring a v-shaped neckline and soft ruffle type sleeves. They wore large white picture hats trimmed with organza streamers and carried clusters of purple and blue carnations.

Gregory Clayton of Lloyd, Florida

Mrs. Teddy King

was best man. Groomsmen were Roger White of Brownwood, Texas, Dale Parsons of Friona and Dee King, brother of the groom from Friona. Serving as ushers were Ted Lindeman, brother of the bride and Keiwin King, brother of the groom, both from Friona.

A reception was held in the Fellowship Hall of the church.

The table was covered with a white lace cloth with a white satin drape tied with blue bows. The three-tiered wedding cake was topped with white wedding bells.

A centerpiece of blue carnations, purple agapanthas and baby's breath and candelabra of purple candles centered the table setting. Punch was served from a silver punch bowl.

Amanda Mason, Amal Malouf, Kim Bryant and Pam Wilcox served cake and punch. Lori Long, cousin of the bride, and Marilyn Jones served chocolate bundt cake from the groom's table.

Mrs. Rusty Lindeman, sister-in-law of the bride from Mesquite,

Texas, presided at the guest register.

Others assisting with the reception were Mrs. Olan Turner, Mrs. Billie Sides, Mrs. Johnny Hand and Mrs. Mack Ragsdale.

Special guests were Mrs. Jewell Lindeman of Kress and Mrs. Madalene Gay of Grapevine, Texas, grandparents of the bride, and Mrs. Clarice King of Plainview and Mrs. Clara Prosser of Friona, the groom's grandmothers.

For a wedding trip to Ruidoso, New Mexico, the bride chose a long three-piece purple and white ensemble. She wore a corsage of summer flowers.

The couple will be at home at Brownwood, Texas, where they will be freshman students at Howard Payne University.

The bride is a 1975 graduate of Friona High School, formerly employed at Friona State Bank.

The groom is also a graduate of Friona High School and will be a student at Howard Payne University in Brownwood, Texas.

MR. AND MRS. DONNIE LEWELLEN...Mr. and Mrs. Richard Anderson of the Rhea Community, announce the marriage of their daughter, Debbie, to Donnie Lewellen, son of Mr. and Mrs. Joe Lewellen of Friona, on Friday, July 4 at 9 a.m. Rev. Alvah C. Lynch of Cory, Colorado, Donnie's grandfather, officiated at the ceremony in Friona's First Baptist Church. Mrs. Lynch played the organ. Mr. and Mrs. Raymond Hamilton were the couple's attendants.

Lt. and Mrs. Dale Dickman

Double Ring Ceremony Unites Janice Clark, Joe Connally

Janice Lynn Clark and Joe Lee Connally, both residents of Lubbock, Texas, exchanged double ring wedding vows Friday, July 18 at 7:30 p.m.

Jerry Hestand, minister of the Wolforth Church of Christ, Wolforth, Texas, performed the ceremony in Friona's Sixth Street Church of Christ.

The bride's parents are Mr. and Mrs. J.S. Clark of Friona. The groom's parents are Mr. and Mrs. Edward Connally, Sr. of 4406 Brahma Road, Odessa, Texas.

The church was decorated with a daisy arch centered with a seven branch candelabra flanked on each side by bouquets of white gladiolas, yellow carnations and yellow daisies and a pair of daisy garlanded candelabra.

Wedding selections were presented by an Acapella wedding chorus. Those in the chorus are Mrs. Jim Atwell, Mrs. Ross Miller, Mrs. Lanny Trussell, Mrs. Ted Procter, Mrs. Duane Morgan, Mrs. Ronnie Procter, Mr. and Mrs. John Block, Carl White, D.L. Harguess, Charles Caudill and Mr. and Mrs. Thomas Strayhorn. They presented "Sunrise Sunset," "Come Share My Life," "Father Hear the Prayer We Offer" and "The Lord Bless You and Keep You."

Some special wedding selections were presented. Mrs. Jay Sturm of Lubbock sang "Wedding Song," Carolyn Arnett and Barbara Sparks of Lubbock sang "For Baby." "I Come To Offer My Love To You" was sung by Mrs. Jerry Clark of Lubbock.

Barbara Sparks of Lubbock was maid of honor. Bridesmaids were Carolyn Arnett of Lubbock, Mrs. Jackie Clark, sister-in-law of the bride from Canyon, and Mrs. Bob Cass of Austin.

The feminine attendants wore yellow double knit, formal length gowns. The dresses were sleeveless, had v-shaped neckline with cape collar trimmed in white lace, fitted midriff and a-line skirts.

They carried nosegays of white rose buds and baby's breath with yellow satin streamers.

John Lacy of Lubbock served as best man. Groomsman were Terry Hays of Lubbock, Dale Connally, brother of the groom from Clovis, N.M. and Edward Connally, brother of the groom from Midland, Texas. Serving as ushers were Jackie Clark, brother of the bride from Canyon, Don Connally, brother of the groom from Odessa and Robin Baize, cousin of the bride from Friona.

Lisa Page, cousin of the bride from Friona served as junior bridesmaid. Amy Nel Clark of Canyon was flower girl. They wore dresses similar to those worn by the other feminine attendants. They carried white baskets of yellow and white rose buds and baby's breath with yellow ribbon streamers.

Todd Northcutt of Friona was ring bearer.

As the bride was presented in marriage by her father, she wore a white floor length gown of nylon dotted Swiss over bridal taffeta. The empire bodice, Victorian collar, full bishop sleeves were accented with Venice lace. The bottom of the gown was accented with a deep ruffle trimmed in lace.

Her chapel length veil of white illusion was trimmed in lace matching her dress. She wore a Juliet cap. Carrying out bridal tradition she wore a diamond ring

belonging to her mother for something old; something borrowed was a pearl drop necklace belonging to Carolyn Arnett, a bridesmaid; something new were cameo earrings given to her by her brother and sister-in-law, Mr. and Mrs. Jackie Clark and she wore the traditional blue garter, given to her by her aunt, Mrs. Elmer Northcutt. She wore pennies minted in the years of their births and a handkerchief belonging to her grandmother.

She carried a cascade bouquet of yellow roses, carnations and baby's breath with satin streamers with love knots atop a white Bible given to her by Barbara Sparks, the maid of honor.

The bride's mother wore a mint green floor length dress of double knit with long sheer sleeves and a corsage of yellow carnations.

The groom's mother wore a yellow floral organza, floor length dress and a corsage of yellow carnations. Following the ceremony, a reception was held in the Fellowship Hall of the Church.

The table was covered with a white lace tablecloth overlaid with satin caught up with yellow bows. The bride's bouquet on a silver stand and yellow candles centered the table. Silver and crystal appointments were used.

The four-tiered wedding cake was trimmed with yellow roses, yellow and white daisies and was topped with white doves. The cake was made by Mrs. Bill Page, cousin of the bride.

Mrs. Thomas Strayhorn of Lubbock served cake. Mrs. Dennis Slagle of Friona served punch.

Teri Buehler of Amarillo presided at the guest register. Kemp Northcutt and Rodney Page handed out yellow and white gingham checked bags filled with rice.

Hostesses for the reception were Mrs. Bill Page, Mrs. Jerry Northcutt, Mrs. Elmer Northcutt,

Mrs. John Blackburn and Mrs. James Procter. Others assisting were Mrs. Jerry Clark of Lubbock and Mrs. Jay Sturm, also of Lubbock.

Special guests attending the ceremony and reception were Mr. and Mrs. Elwyn Hartman and Charlie Kemp of Hereford, grandparents of the bride.

Out-of-town guests were Clyde Reams of Sunny Welch; Mr. and Mrs. Thomas Strayhorn, Mr. and Mrs. Ludy Massic and Mrs. Clifton Arnett, all of Lubbock; Mrs. Bob Dorris of Canyon; Mrs. Steve Clary of Midland; Mr. and Mrs. L.L. Ginnings of Clovis, New Mexico; Mr. and Mrs. Herb Hays of Amarillo; Mr. and Mrs. Roy Botkins and Mr. and Mrs. Chris Clark, all of Hereford; Mrs. Jack Howell, Mrs. Carl Lee, Mrs. Don Moke and Coby, all of Dimmitt and Mrs. Betty Presley of Odessa.

For a wedding trip to New Mexico, the bride chose a yellow, double knit street length dress with white accessories. She wore a corsage lifted from her bridal bouquet.

The couple will reside at Villa Sonora Apartments, Apt. J-2, 4645-52nd St., Lubbock, Texas.

The bride is a graduate of Friona High School and Lubbock Christian College. She has taught Special Education in Lubbock for the past two years.

The bridegroom is a graduate of Odessa High School, Sunset School of Preaching and Texas Tech University. He is presently employed at White Swan, Inc.

REHEARSAL DINNER

The rehearsal luncheon, hosted by the groom's parents, Mr. and Mrs. Edward Connally, Sr., of Odessa, was held at Earl's Farmer House Restaurant in Friona on Friday, July 18 at 12:30 p.m.

An arrangement of yellow and white daisies centered the table.

Carl Masons Attend UCT Convention

The 88th annual international convention of The Order of United Commercial Travelers of America (UCT) was held this week at the Americana Hotel, Bal Harbour, Florida.

Approximately 1,400 officers, delegates, wives and guests from throughout the United States and Canada attended the convention, July 14-17, to lay groundwork for future activities.

Attending from Friona were Mr. and Mrs. Carl R. Mason.

The United Commercial Travelers of America is a fraternal benefit service society, founded at Columbus, Ohio in 1888. Its members are organized to provide civic service through programs such as aid to the mentally retarded, safety, cancer education and youth enrichment.

"Aid to Retarded Citizens" was selected as the organization's top priority civic project in 1959. Since that time, UCT has helped prepare more than 3,000 teachers in the education of the mentally retarded, by awarding scholarships to students interested in special education.

In their own communities, members have contributed more than one million dollars in man-hours and cash developing

programs for the mentally retarded. They have funded sheltered workshops and purchased materials and equipment to be used in the promotion of educating and training the retarded to be useful and, often, self-supporting citizens.

With a total membership of approximately 250,000, UCT has 681 local councils in 47 states, the District of Columbia and all the provinces of Canada.

Trevisions

Have Boy

Staff Sgt. and Mrs. Robert Charles Trevison of Fort Bragg, South Carolina, became the parents of a baby boy on Wednesday, July 23 at 3:02 a.m.

Mrs. Trevison is the former Gail Varner of Friona.

Jeffery Derk weighed seven and one-half pounds and measured eighteen inches at birth.

Jeffery has two older sisters, Barbara Diane, 6 and Stephanie Dawn, 5.

Grandparents are Mr. and Mrs. J.R. Varner of Friona and Mrs. Ann Trevison of New York State.

Parish Welcomes Family

Members of St. Teresa's Catholic Church welcomed the Ngugen (pronounced Nu-win) of South Vietnam to our parish with a reception in the parish hall after Mass Sunday.

Members of the family are Sang, the father; Mong, the mother; Huynh (pronounced Wing), a nephew; Mai (May), a 27-year-old daughter; Bich (Bic), a 19-year-old son; Anh (Ang), a 14-year-old son; Lan, a 13-year-old daughter and Phuong (Fung), a nine-year-old daughter.

They are sponsored here by Mr. Silverthorne of Plainview. The family lives and works on his farm three miles east of Hub. Father O'Brien with Catholic Family Service in Amarillo took care of the arrangements for the family to come to Friona.

Members of St. Teresa's parish picked the Ngugens up in Amarillo and helped them get settled into their new home.

Hospital Report

Teresa Quickel, Lt. Dickman Exchange Vows In Germany

Miss Teresa Ann Quickel and Lt. Dale Edward Dickman, both of Baumholder, Germany, exchanged wedding vows Saturday, June 14, at Castle Chapel in Thallichtenberg, Germany. Major Frank M. Ornsburn, U.S. Army Chaplain, read the double ring vows.

Parents of the couple are Mr. and Mrs. I.W. "Dutch" Quickel of Farwell and Mr. and Mrs. Bernard L. Dickman of Virginia Beach, Va.

The chapel was enhanced by traditional German decorations with bouquets of native flowers in shades of orange, yellow and white arranged near the altar. White carnations and daisies complemented the decor.

Barbara Murphrey, organist, presented traditional selections and accompanied Pat Griffin as she sang "The Wedding Song" and "The

Wedding Prayer."

Given in marriage by her father, the bride selected a formal gown of simulated dotted Swiss designed with lace insets on the square-necked bodice and A-line skirt. Her two tiered, shoulder length veil was gathered to a headpiece of white flowers. She carried an orchid corsage atop a white Bible.

For something old, the bride wore earrings which had belonged to her great-great-grandmother; something new was her wedding ensemble; something borrowed was a ring which had been given to her grandmother, Mrs. I.W. Quickel Sr., by her grandfather before they were married; and, completing tradition, was the blue garter.

Miss Linda Curry of Tampa, Fla., a teacher in Baumholder, was maid of honor. She wore a formal gown of

mint green dotted Swiss in a design similar to that of the bride's gown with the tiered skirt trimmed in white lace. She carried a bouquet of white carnations and yellow spider mums.

Serving his son as best man was Bernard Dickman. Ushers were Lt. Tod Wilson and Lt. Ray Nelson, both stationed with the U.S. Army in Baumholder.

For her daughter's wedding, Mrs. Quickel selected a formal gown of beige with matching lace jacket and an orchid corsage. Mrs. Dickman chose a formal blue gown accented by a matching jacket and complemented by an orchid corsage.

Following the ceremony, the couple greeted guests at a reception in the Baumholder Officer's Club. Hostesses were Pam Love of El Dorado, Texas, a teacher at the Baumholder Army Base, and Linda Quickel of Brea, Calif., sister-in-law of the bride.

The reception area was decorated with red, pink and white carnations. A round table, from which hors d'oeuvres were served, centered the reception room and was enhanced by a candle presented the couple by his parents. The tall, white taper held the original lettering from the couple's wedding invitation. When the candle was lighted, the invitation was illuminated. On the bride's table was a three-tiered wedding cake topped with a cluster of silver wedding bells with each tier trimmed with a rope of frosting.

For a wedding trip to Austria, the bride selected a mint green and white ensemble.

The bridegroom's parents hosted a rehearsal dinner at the Officer's Club in Neubrueke the evening before the wedding.

The couple will make their home in Baumholder where the bridegroom is stationed. He is a graduate of Old Dominion University in Virginia. The bride, a graduate of Farwell High School and McMurry College in Abilene, taught in the Midland Schools before going to Baumholder where she taught second grade at the Army base there.

Out of town guests included Col. and Mrs. Nolan Rhodes, formerly of Bovina, now stationed in Frankfurt, Germany; Cliff Dickman of Virginia Beach, Va., brother of the bridegroom; and Bill Quickel of Brea, Calif., brother of the bride.

DARLA RHODES...Mr. and Mrs. O.C. Rhodes of Friona announce the engagement and approaching marriage of their daughter, Darla, to Jerry Shelton, son of Mr. and Mrs. John L. Shelton, also of Friona. The wedding is planned for Saturday, August 23 in the First Baptist Church of Friona. Darla is presently employed at S.I.C. in Amarillo. Jerry is employed by Jay Lines Division of the MPBXL Corporation of Plainview.

Miscellaneous Shower

Honors Jan Peters

Jan Peters, bride-elect of Gary Harter, was honored with a bridal shower Friday, July 11 from 8 to 9:30 p.m. at the Community Room of Friona State Bank.

Colors of lilac and pink were used on the serving table. A pink and lilac candle arrangement was used for the centerpiece. Punch and cake were served to the guests. Susie Jarecki registered guests.

The honoree and her mother were

presented corsages.

The hostess gift was a hand mixer and an electric skillet.

Mrs. Jeanette Peters of Friona, mother of the bride-elect, was a special guest.

Hostesses were Mary Crump, Cecil Duke, Bessie Holt, Lorraine Jarecki, Maxine Odom, Dorothy Self, Jonell Sims, Trell Taylor, Ruth Tucker and Faye Wilson.

Sgt. Webb

Arrives At

Altus AFB

U.S. Air Force Master Sergeant Bobby H. Webb, son of Mrs. Bessie L. Webb of Bovina, Texas, has arrived for duty at Altus Air Force Base, Oklahoma.

Sergeant Webb, first sergeant for the 11th Air Refueling Squadron, a part of the Strategic Air Command, previously served with an Air Force support unit in Turkey.

The sergeant attended Danville (Ark.) High School. His father, Claudia H. Webb, resides on Retirement Ranch, Clovis, New Mexico.

Three Frionans

Earn Honors

At Texas A&M

Three students from Friona have earned "Distinguished Student" ranking at Texas A&M University, announced Registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the most recent grading period.

"Distinguished Student" ranking is limited to ten per cent of TAMU's undergraduate enrollment.

Distinguished Friona students are Bill Bailey, agricultural economics, son of Mr. and Mrs. Bill Bailey; Larry Johnston, agricultural economics, son of Mr. and Mrs. James D. Johnston and Holley Stephenson, modern languages, daughter of Mr. and Mrs. Douglas Stephenson.

Gary McLaughlin

Completes Course

Army Captain Gary D. McLaughlin of Friona, Texas, completed a basic Information Officer Course at Ft. Benjamin Harrison, Indiana. He studied all phases of newspaper, radio and television journalism. His mother is Mrs. Frances L. Davis.

Panhandle Author

Publishes New Book

Loula Grace Erdman is a nationally-known author who lives in Amarillo and who has been in Friona on previous occasions. She was born and raised in Missouri, but, to the delight of Texans, claims Texas by choice of adoption.

Ms. Erdman went directly from the University of Wisconsin to teach, first in the public schools of Amarillo and later, at West Texas State University in Canyon where she is now Writer-in-Residence and conducts an advanced workshop in creative writing.

Fifteen of Ms. Erdman's books are in Friona Public Library, including her latest publication, "Save Weeping for the Night."

The story concerns the wife of General Jo Shelby, Confederate hero from Missouri who led the famed Lafayette County Cavalry. His courageous wife, Bettie, is a remarkable woman who dares to follow him into battle and who defies bushwhackers and looters as violence in Kansas over the question of slave or free state spills over into Missouri.

Young Bettie Shelby had known all the luxuries of Southern plantation life. But when war comes and one has to face the difficulties, to take a stand, Bettie has a full measure of

courage.

When Jo Shelby refuses to surrender after Appomattox and heads for Mexico, Bettie again forgets the hardships and follows with their children.

For a historical novel, you will enjoy reading this book by a noted Panhandle author.

Shower Honors

Local Girl

Holley Stephenson was honored with a miscellaneous bridal shower at the home of Luella Maurer on Tuesday, July 22.

The colors of mint green and white were used in the decorations. The centerpiece held daisies carrying out the bride's colors. Cookies and punch were served on gold dishes.

Holley and Rita Stephenson greeted the guests at the door. Between 50 and 60 guests attended the shower.

Hostesses were Luella Maurer, Martha Duggins, Rita Beene, Rose Mabry, June Rhodes, Grace Whitefield, Zona Bass, Christine Johnson, Sarah Alexander, Mildred Rule and Donna Carnes.

How to get the most from the lease.

Why bother looking at other systems when you can lease the best system available? Gifford-Hill's 360.

You don't have to tie up money buying a system. Instead, you can sign up for one of the most competitive lease programs in the irrigation equipment market. That frees your capital to put into land, equipment or whatever you need.

The 360 is the most reliable system on the market. And it's backed by one of the most reputable service networks in the industry.

So check with us about the options available to you with Gifford-Hill's leasing program. And let us show you why the 360 is the most for the lease.

Wheat Report-1975

New Harvest: During recent weeks the harvest of more than 680 million bushels has been underway in the five major wheat states served by Santa Fe. That's almost half of all the winter wheat grown in this country.

Car Supply: Santa Fe's part of the harvest job will be about 29,000 carloads. Our fleet of jumbo hoppers along with regular hoppers and box cars are now rolling throughout the harvest areas handling this big load.

Santa Fe Operations: The millions invested each year to improve Santa Fe's facilities, cars and locomotive fleet, makes it possible for us to get the job done in the most efficient way. We are ready to do even more than our share in wheat-growing states along the Santa Fe where problems may arise from inadequate transportation services.

Wheat train of new 100-ton jumbo hoppers

Under normal conditions the railroads plan their operations to move with the harvest as it advances across the wheat belt.

This year, old man weather has upset the timetable. Rain has delayed the new crop about two weeks, and the wheat became ripe and ready in all growing areas of the Midwest, at the same time!

Santa Fe has a long and proud record of moving wheat. We do our best to prepare for each year's harvest. For example, we have almost 13,000 jumbo hoppers in service, including 1,000 brand new ones just received from the builders. That's the largest fleet in the nation.

1975 will be a near-record wheat harvest year along the Santa Fe; and, although the weather has created problems, we are doing our best to move each bushel. We are about to complete the harvest movement, and we appreciate the cooperation of growers, shippers, elevator operators and government inspectors which has helped Santa Fe handle another big wheat job.

Rail cost is only a thin slice of the price you pay for bread. It averages about—

1/2¢ a loaf

Moving wheat for making bread is an example of how a modern railroad handles volumes of foodstuff at low costs.

This is one way Santa Fe works to hold down the price of food where it counts the most for family shoppers, at the checkout counter.

The Atchison, Topeka and Santa Fe Railway

A Santa Fe Industries Company

Town Talk

By CINDA JOHNSON

Phone 247-2211
with your news item

Visiting in town this week were the Ray Murphrees, Jean and Ginger. The family only recently moved from Friona to Tucumcari, New Mexico, but evidently couldn't resist a quick visit back home to see friends. Ginger will move to San Antonio soon where she will work.

Mr. and Mrs. Don Stephens, Kim and Keith from Greenville visited their relatives in Friona, Mr. and Mrs. Bill Stephens and also Mr. and Mrs. Mike Stephens. The Greenville couple and their children were up for the weekend and stopped for just a few days before resuming their vacation to Lake City, Colorado.

Ce Ce and Kim Parr have moved back to Friona. They lived in Logan, Utah, for awhile where Kim was attending school, but now make their home at Black, Texas.

And I have some very exciting news that I'm sure that many Friona people will be happy to hear. Mary Rando (Baca) has recently recorded a patriotic record featuring on one side a composition that she wrote herself. It should be ready for release by August.

Mary, a 1969 graduate of Friona High School, has literally put Friona and our community on the map. In the past year she has spoken at many conventions and gatherings around the United States. A few of her engagements include The Lions International Convention, Farm Bureau, and many community Bicentennial celebrations.

A recent honor bestowed upon Mary is the appointing of her as coordinator for the Cowgirl Hall of Fame to be located in Hereford. This special attraction will be patterned after the famed Cowboy Hall of Fame that is located in Oklahoma City.

Because of the great things that Mary has done for Friona a special wedding party will be given for her at the First Baptist Church, August 1. I'm sure that many people have known of Mary's willingness to go many places and speak of her patriotic stand for America. I for one am grateful for all that she has done in representing Friona the way that she has.

Vacationing out of town were the T.A. Kelleys and Tom Lewellens.

The two families left July 10 for Santa Clara, California, to visit Mrs. Vince Rowell, the Kelley's daughter, and her family. While in that part of the country they also traveled to San Francisco, where they saw much of that city and also rode by ship throughout the Bay area. They returned July 18.

Mr. and Mrs. Jack Nelson and their son, Rex, went on a special trip that took them far from Friona. They left June 27, traveled through New Mexico, into Colorado where they took many back roads, crossing the Continental Divide at least fourteen times.

From there the Nelsons drove to Yellowstone National Park and Teton National Park in Wyoming, then to Moscow, Idaho, where they visited with a nephew, Mr. and Mrs. Jim Nelson, and family, Cindy and Jennifer.

The Jim Nelson family joined them there and the whole party traveled up to Canada where they saw the wonderful park that lies on the border of the U.S. and Canada--Waterton-Glacier International Peace Park. Mr. and Mrs. Nelson commented on the wild animals they saw while in the park--elk, antelope, moose and bison, roamed wild. Following this the travelers came home through Salt Lake City, Utah and Colorado, returning to Friona July 12.

Mr. and Mrs. Joe Tongate, Sydonia, Vohnya and Kemal returned recently from a trip to South Texas. In San Antonio, they visited with Mrs. Tongate's brother and his family and on their return trip brought his children to Friona with them. Also a stop-over was made in Austin to see and tour the Capital grounds. Returning they stopped to see Mrs. Tongate's sister in Dallas. The family returned to Friona July 19.

Jim and Mark Mabry have been visiting their grandparents, the C.R. Rowses, in Arkansas for six weeks. A week was spent camping on Lake O'achita near Hot Springs, Arkansas.

Next week will be my final week to work this summer. I would like to fill my column full with your trips and visitor news, so don't forget to call me at 247-2211.

PLAY SCENE....Pam Lindley, left, played "Colux," the story-teller in "Thirteen Clocks," a production of the Friona Summer Drama Workshop last Saturday afternoon. Listening closely to Colux is "Little Bird," played by Sharia Duggins.

Productions Climax Drama Workshop

The Summer Drama Workshop presented two shows to the public Saturday, July 19 to end the workshop's two-week sessions.

The afternoon show, "Thirteen Clocks," was a children's musical presentation.

Saturday evening the workshopers performed in a musical collection of stories taken from Aesop's Fables. The show was entitled "Story Theatre."

Directing both shows was Del Lewis, coordinator of the workshop.

Those young people attending the workshop this summer and appearing in the two shows were Kimber Britting, Pam Veazey, Laura Ellis, Charlene Seale, Joy Neal, Greg Mathos, Julie Johnson, Karen Edelman, Holly White, Larry Gore, Susan Garner, Barry Banner, Mark Bavousett, Shelly Osborn, Mack Watson.

Also, Mark Edelman, Brian Witten, Claire Osborn, Cris Beck, Phillip Duggins, Keith Pryor, Lisa Edelman, Pam Lindley, Paul Lindley, Sharia Benghe, Carol

Bavousett, Brian Johnston, Robin Leathers, Mack Bush, Sharla Duggins, Leesa Mercer, Deidra Stile and Tracy Horton.

People designing and constructing the sets were Steve Stone, Mark Edelman, Larry Gore, Ann Graves, Melissa Pruett, Joy Morton, Gary Stone and Barry Banner.

Stage manager was Carol Bavousett with the stage crew consisting of Noel White, Barry Banner, Jay Jarboe and Pam Veazey.

Costumes were made or donated by mothers, grandmothers, and friends of the workshopers.

Piano players for both performances were Deke Kendrick and Ann Graves.

A special band was used in the evening show. Members playing were Ann Graves, Lisa Edelman, Joe Jones, Gary Rector, John Jones and Noel White.

A special thank you was given to Travis Stone who donated the material used to construct the sets.

Vicki Ulen, Larry Fallwell United In Ceremony

Vicki Jo Ulen of 908 Virginia Street, Friona, became the bride of Larry Don Fallwell, of Black, Texas, on Saturday, July 19.

The ceremony was performed at 7 p.m. in the Calvary Baptist Church of Friona by Rev. Ron Trusler, pastor.

Parents of the couple are Mr. and Mrs. Calvin Ulen of Plainview and Mr. and Mrs. Buddy Fallwell of Friona.

The altar was decorated with a center brass candle arch with apricot candles and cascading bouquet of apricot and yellow carnations flanked by candle trees and apricot candles and ribbons. Palm trees were used for the background.

Gayla Self, organist, and Lisa Cummings, vocalist, presented "The Twelfth of Never."

As the bride was presented in marriage by her father, she wore a candlelight formal length gown of silk crystal organza trimmed in imported French lace on the bodice and cuffs of the full bishop sleeves. The full skirt was also trimmed in French lace just above the wide dust ruffle that swept to a chapel length train.

The chapel length veil of illusion was held in place by a French lace caplet. She carried a bouquet of apricot roses with yellow carnations and baby's breath with yellow streamers. The bride wore a wedding ring borrowed from her great-grandmother, Mrs. Ethel Adams.

Linda Fallwell, sister of the groom from Amarillo, was maid of honor. Judy Ann Ulen, sister of the bride from Plainview served as bridesmaid. Lisa Ulen of Plainview, served as flower girl.

The maid of honor and flower girl wore sheer apricot full length dresses lined with satin and picture hats trimmed with fresh yellow and apricot daisies and satin streamers. The bridesmaid wore a sheer yellow full length dress lined with satin and

a picture hat with fresh yellow and apricot daisies and satin streamers. They carried bouquets of yellow and apricot daisies and carnations.

Best man was Jim Johnston of Friona. Bill Fallwell, brother of the groom from Friona, was a groomsman. Ushers were Gary Fallwell, brother of the groom from Friona, Charles Wilkins and Lex Stanfield, both cousins of the bride from Friona.

Marty Ulen of Plainview was the ring bearer. A reception was held at the Calvary Baptist Church Fellowship Hall.

The table was decorated with the bridal bouquet and rice filled organza roses. The three-tiered wedding cake was topped with apricot wedding bells.

Robin Stanfield and Rhonda Ulen served cake. Candace Wilkins and Sidney Stanfield served punch.

Bonnie Fallwell registered guests. The couple took a wedding trip to points of interest in Colorado. They will reside at Black, Texas after August 1.

Out-of-town guests were Mr. and Mrs. Eddie Wilkins and children, Myron, Candace and Clint of Richmond, California; Linda Ulen of Richmond, Calif.; Mrs. Joe Wilkins of Olivehurst, Calif. and Mr. and Mrs. Charles Dowlen of Amarillo, Texas.

UMY To Sponsor Spaghetti Dinner

The Senior High United Methodist Youth will sponsor a spaghetti dinner immediately following the morning worship service Sunday, July 27, to be held in the Fellowship Hall of the Methodist Church.

The cost of the meal will be \$3 per adult and \$2 per child or a maximum charge of \$7 per family with all proceeds to be given to the Bob Owen's Fund.

The public is invited to attend.

DAY CAMP GROUP....Shown are a group of girls at the annual Brownie Day Camp, held last week at the Ralph Wilson farm. Each year the

girls get the opportunity of testing their scouting skills in an outdoors setting.

Brownie Troop 84 Attends Day Camp

Brownie Troop 84 for girls age eight, the youngest troop in Friona, attended their first Day Camp on July 14-18, at the Ralph Wilson farm near Friona.

Twenty-three girls registered for the camp and 22 of those signed up attended every day.

The Troop Home was officially named "The Nut House" and it was here that the girls held their various ceremonies.

The first thing on the agenda for the Troop every morning was to raise the flag. Following the flag raising ceremony, Louisa Wilson would instruct the girls on the care and use of the jack knife and the correct way to whittle.

Other skills that the Day Camp instructed the girls in was the use of their dip bags, dribble buckets and latrine, and the correct way to tie a square knot.

The Troop enjoyed crafts such as seed starters, yucca pod owls, seed medallions and monkey peanuts,

and learned many new songs.

The last day of camp the youngsters were tested on their newly-learned skills. A game called the "Wisproof" was played where every Brownie had to use her skills of tracking, memory, use of knives and square knot tying. The winners of the game were Sarita Ellis, Debbie Reeve and Lisa Fulks.

Members of Brownie Troop 84 are Beth Collier, Sarita Ellis, Becky Osborn, Lisa Fulks, Stacy Loftis, Elsa Madrid, Sheila Gresham, Jessica Garza, Rowena Trusler, Charla Chesher, Celia O'Brian, Holly Tatum, Amanda Perez, Julie Wilshire, Kristi Herring, Devra Rhodes, Debbie Reeve, Shannell Woodard, Sharla Harrison, Laura Brockman, Stephanie Hanks, Windy Tatum and Twyla Chesher.

Troop leaders are Diane Tatum, Glenna Harrison, Patsy Gresham and Martha Herring. Teenage helpers are Vicki Smiley and Sonya Gore.

Art Show Scheduled During Maize Days

The Friona Fine Arts Council have announced that there will be an Art Show held during this year's Maize Days activities.

The 1975 show will hold several different aspects for those entering. In addition to the adult and junior

First Child Born To Clovis Couple

Mr. and Mrs. Terry Barbaree of Clovis became parents of a baby boy, Jeremy Lee, born July 23 at Clovis.

The baby weighed eight pounds, 11½ ounces. It is the first child for the couple. Mrs. Barbaree is the former Romalee Rector of Friona.

Grandparents are Mr. and Mrs. Charles Rector of Friona, and Mr. and Mrs. Robert Barbaree of Hobbs, New Mexico.

Great-grandparents include Robert Barbaree of Wichita, Kansas, J.L. Armstrong of Alva, Oklahoma and Mr. and Mrs. Oscar Rector of Apache Junction, Arizona.

Calvary Sets Revival Meet

The Calvary Baptist Church of Friona will host Manley Beasley as the speaker for their week-long revival starting August 4 through August 10.

Before entering evangelistic work, Beasley was pastor of the Hillcrest Baptist Church in Nederland, Texas. After entering his evangelism work he was stricken with three diseases that doctors said were terminal. Because of these illnesses he was unable to conduct meetings for an entire year. But Manley Beasley is one of those men who through years of testing and tempting, God has uniquely prepared him for the ministry of a modern day prophet. He has regained his strength and enjoys his work once more.

At present Manley and his wife live in San Antonio, where they are raising their four children. Manley, Jr., their oldest son, is presently a ministerial student at Howard Payne Baptist College.

Services are scheduled for 7:30 nightly at the Calvary Baptist Church. There will also be a noon service each day with a meal following. A nursery will also be provided.

Everyone is invited to come and hear this wonderful evangelist speak.

categories of art there will be a category for young artists to enter their work. All young artists are encouraged to prepare work to show.

The Girl Scouts also will show the various crafts that they have made during the year at the art show.

The judge for the art show has not been announced as of yet, but the different age categories have been set.

The special young artist category is set for youngsters five years to twelve years. The junior category begins at age 13 and goes to age 17. Adult classification is set for age 18 and over.

MEETINGS Antique Club Met In Habbinga Home

Friona's Antique Club met Monday night, July 21 in the home of Mrs. Selma Habbinga.

Roll call was answered and a short business meeting was conducted. Activities for Maize Days were discussed. A committee was appointed to plan the supper to be held later in the year.

The hostess, Selma Habbinga, served meat pie, macaroni salad, strawberry pudding, pickles, chips and dips, cinnamon rolls, coffee and

lemonade. Members present were Mr. and Mrs. O.C. Jones, Mr. and Mrs. Raymond Adams, Mr. and Mrs. Tommy Jones, Mr. and Mrs. Leo Bails, Mrs. Orma Flippin, Mr. and Mrs. E.T. Jennings, Mr. and Mrs. Rudolph Renner and one guest, Casey Adams of Amarillo.

The next meeting will be in the home of Mr. and Mrs. Raymond Adams.

Darnell Tops Mingus For FCC Club Title

A new champion was crowned at the annual club tournament held at Friona Country Club Friday, Saturday and Sunday, July 18-19-20. David Darnell won the championship flight, by downing defending champion Mick Mingus, 7-6, in the tournament finals.

Mingus had won the tournament in 1970, 1971, 1972 and 1974. Dwight Whitaker, who was the only other golfer to break Mingus' string, winning in 1973, took consolation

honors in this year's tournament, with a 1-up win over Gene Weatherly.

Ted Renner won the first flight with a 2-1 victory over Jay Beene. Nick Nichols topped Huck Nichols for consolation, 2-1.

Tommy Long scored a 2-1 win over Cecil Maddox for second flight honors. S.D. Baize was consolation winner with a 3-2 decision over Robin Baize.

Mike Gamble took the third flight crown with a 2-1 decision over Ron

Davenport. Jerry Brown won the consolation crown, edging Jake Outland, 1-up.

T.A. Sherley was the fourth flight winner, downing Preach Edelman, 2-1. Tay Nittler scored a 1-up win over Leroy Lundy for consolation honors.

The fifth flight was won by Rex Wells, over Danny Hunn. Waymon Wilkins took consolation over Randy Milloy.

The 44 players taking part was considered a great turnout by Cotton Renner, club pro. Golfers played 54 holes of match play in the three-day event.

Preliminary results in the tournament were as follows:

Championship: David Darnell def. Pudge Kendrick, 4-3; John Baker def. Gene Weatherly 4-2; Mick Mingus def. Dwight Whitaker 1-up; Dave Carson def. John Renner, 2-1; Darnell def. Baker 4-2; Mingus def. Carson 2-1. Weatherly def. Kendrick 1-up; Whitaker def. Renner, bye.

First Flight: Ted Renner def. Jon Mack Roden 3-2; Bruce Shafer def. Huck Nichols, 1-up; Jay Beene def. Nick Nichols, 1-up; Gary Renner def. Jay Claborn, 2-1; Huck Nichols def. Roden, 1-up; Nick Nichols def. Claborn, 1-up; Ted Renner def. Shafer, 4-3; Beene def. Gary Renner, 3-2.

Second Flight: Morris Deaton def. S.D. Baize, 1-up; Tommy Long def. Jerry Loflin, 3-2; Bubba Long def. Don Huckabee, 2-1; Cecil Maddox def. Robin Baize, 3-2. T. Long def. Deaton 3-2; Maddox def. B. Long, 3-2. S.D. Baize def. Loflin 3-2; R. Baize def. Huckabee 2-1.

Third Flight: Mike Ellis def. Billy Wayne Sisson, 2-1; Mike Gamble def. Jake Outland, 2-up; Ron Davenport def. Jerry Brown, 6-4; Darcy Renner def. Glenn Goggans, 6-5. Gamble def. Ellis, 1-up; Davenport def. D. Renner, 3-1. Outland def. Sisson, bye; Brown def. Goggans, 2-1.

Fourth Flight: T.A. Sherley def. Tay Nittler, 1-up; John Carson def. Ronnie Stevick; Norman Kothmann def. Ansel Renner; Preach Edelman def. Leroy Lundy, 1-up. Sherley def. Carson 5-4; Edelman def. Kothmann 2-up. Nittler def. Stevick, 6-5; Lundy def. A. Renner, 6-5.

TROPHY WINNERS....Members of the Friona Riding Club proudly displayed trophies and ribbons they won at the Valle De Oro Playday

recently. From the left are J.C. Parvin, Keith Winkler and Jay Crofford. (See story).

High School Has Summer Rec Program

This summer Friona High School has been offering a wide range of physical activities and recreation for the youth of Friona through July 25.

"We are hoping that such a program will give the students something to do while school is out," commented Mike Garrison, new head coach at Friona High School.

The Recreational Program is divided into a girls' section and a boys' section, each at the High School gymnasium.

The girls' program begins at 7 p.m. each night and ends at 8:45. From that time until 10:30 the boys' program is in session.

A grade division has also been established to allow everyone a chance to participate. Grades seven, eight and nine are allowed on the gym floor on Mondays and Thursdays, while grades ten, eleven, twelve and graduates have Tuesdays and Fridays reserved for their use.

The various activities offered at the gym are pick-up basketball, paddle ball, ping pong, volleyball, touch football, weights, shuffle board and trampoline.

Participants in the program are required to furnish their own personal shoes and gym clothes and will only be allowed in the gym on the days that their grade has reserved the floor.

"We hope to expand the program next summer," said Garrison. "Possibly next summer the city can help the school in this program to make recreational facilities available to Friona youth."

Riding Club Excels In Playday Contests

The Friona Riding Club brought home their share of trophies and ribbons from the Valle De Oro Playday on Sunday, July 20.

Keith Winkler brought home four trophies and four ribbons. J.C. Parvin won a trophy plus two ribbons. Jay Crofford of Hereford won a pair of trophies and two ribbons. In addition, Pat Winkler was a ribbon winner.

Keith Winkler had firsts in the two-man relay, flag racing, and rescue race. He was second in ring racing, third in ribbon racing, third in barrel racing and fourth in golfette. Winkler also came home with the high point trophy in the

senior men's division.

Parvin won first place trophy for overall fastest time in the Keyhole race, and also had the best time in the senior men's division. He placed fifth in barrel racing.

Crofford was first in the two-man relay and the rescue race. He won a third-place ribbon in ribbon racing and fourth in pole bending.

Pat Winkler was third in the women's rescue race.

The Friona Riding Club members were among over 300 entries in the various Playday events.

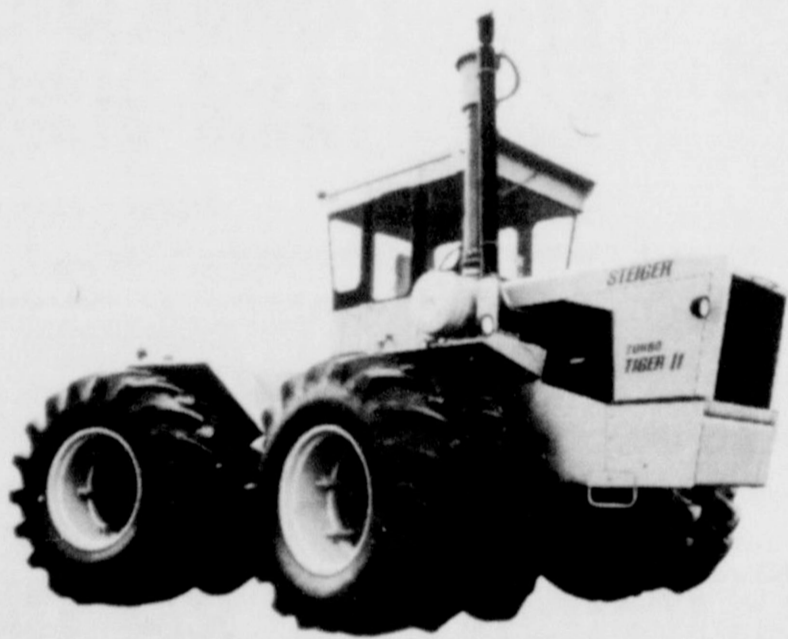

Valle De Oro is in Range II of the United Sheriff's Poses and Riding Clubs.

CLUB CHAMPION....David Darnell, right, receives congratulations from Friona Country Club pro Cotton Renner, for winning the annual Club championship. Darnell

defeated four-time tournament winner Mick Mingus in the finals. He is a former Friona High School golfing star.

CUSTOMER SAVINGS from Steiger

An important message to farmers:

Steiger is offering a \$2000 savings in the form of refunded cash on Steiger tractors purchased after May 15th, and continuing for a short period of time. This savings is possible because of Steiger's ability to check inflation through innovations gained in Steiger's new manufacturing plant—the largest four-wheel-drive plant in the world. Steiger is dedicated to fighting inflation—and to offering the best possible value to the American farmer. Get complete information from your Steiger dealer.

Friona Track Group Competes In State Meet

STATE ENTRIES...These five Friona youngsters were to enter five events in the TAAF state meet at Grand Prairie on Friday. From the left are Mike Gowens, David Fleming, Rod Owen, Robert Alexander and Ben Landrum.

Friona will be represented in the Texas Amateur Athletic Federation (TAAF) state finals this weekend in Grand Prairie.

Five participants in the boys' junior division will be competing. They are Mike Gowens, David Fleming, Robert Alexander, Rod Owen and Ben Landrum.

The five qualified for the state TAAF meet by placing first, second or third in the TAAF regional meet at Lubbock July 19.

Alexander won the 220-yard dash in 25.8, and the 440-yard dash in 61.5. Fleming won the 880-yard run in 2:25.6. Landrum won the mile run in 6:00.1.

The 440-yard relay foursome (Gowens, Fleming, Alexander and Owen) placed second in a time of 51.3.

The five youngsters will enter these events at Grand Prairie, where over 2,000 young athletes were to compete beginning at 8 a.m. Friday.

Other events the boys competed in at Lubbock, and their placings, were Gowens in the 100-yard dash, where he placed fifth, and the high jump, also fifth.

In addition to the junior boys, Friona will have a foursome of girls in the state TAAF girls meet.

Terri Patterson, Sylvia Malouf, Varla Welch and Janice Peak qualified in the sprint relay at Lubbock, by placing third in a time of 52.1.

Sylvia and Janice also ran the 100-yard dash, and tied for sixth place.

Their meet at Grand Prairie will be on Saturday (July 26), beginning at 8 a.m. Around 1200 girls are expected for the girls division of the meet.

Need Physicals

Coach Mike Garrison announces that boys planning to play football this fall will take their physical examinations Monday and Tuesday, August 4-5 at Parmer County Community Hospital.

Junior high players (grades seven and eight) must have their physicals taken by August 25. These boys are to schedule their physical examinations on their own. Physicals are required before players can be issued their equipment.

GIRL CONTESTANTS...Entering the 440-yard relay at the girls TAAF state meet this weekend were (left to right) Terri Patterson, Sylvia Malouf, Varla Welch and Janice Peak.

DON'T HIRE THIS FARM HAND!

Every year, thousands of lives are lost and thousands of persons are injured in accidents on the farm. These accidents cause suffering, disabilities and financial hardship to the families involved, as well as reducing the productive capacity of our farm industry. No farmer can afford not to practice farm safety!

Specializing in service of all types of sprinkler systems in the new service department

REX HARRIS

Specializing in Sales of Zimmatic Sprinkler Systems

LINDSAY

Big T Pump Co., Inc...

Expanding In Order To Better Serve You

ELECTRICALLY DRIVEN
More dependable. Not dependent on weather conditions. Does not rob water from the sprinkling system. Can be run to different position in field without having well in operation.

RUGGEDLY BUILT
Most systems were developed under ideal conditions (i.e. sandy, level land). The Zimmatic was developed under some of the most adverse conditions (i.e. heavy soil, hilly land).

ENCLOSED DRIVE
Worm gears that drive the machine are completely enclosed in oil. Timken bearings are used throughout the system. No chains to rust and break. No soft steel ratchets to wear out. Double gears prevent the system from coasting downhill.

UNI-KNUCKLE JOINT GIVES UNLIMITED FLEXIBILITY ON HILLSIDE
PAT. No. 3738687

The exclusive Uni-Knuckle allows the pipe line to go up and down sharp hills without having any pesky hoses to stretch out of shape.

FLOATING TOWERS
Pat. Pending
The Zimmatic features a floating drive-towers are attached to the pipe by means of a sleeve. This allows the towers to rotate. One tower can climb a steep incline while the next tower is travelling downhill without putting any stress on the pipe.

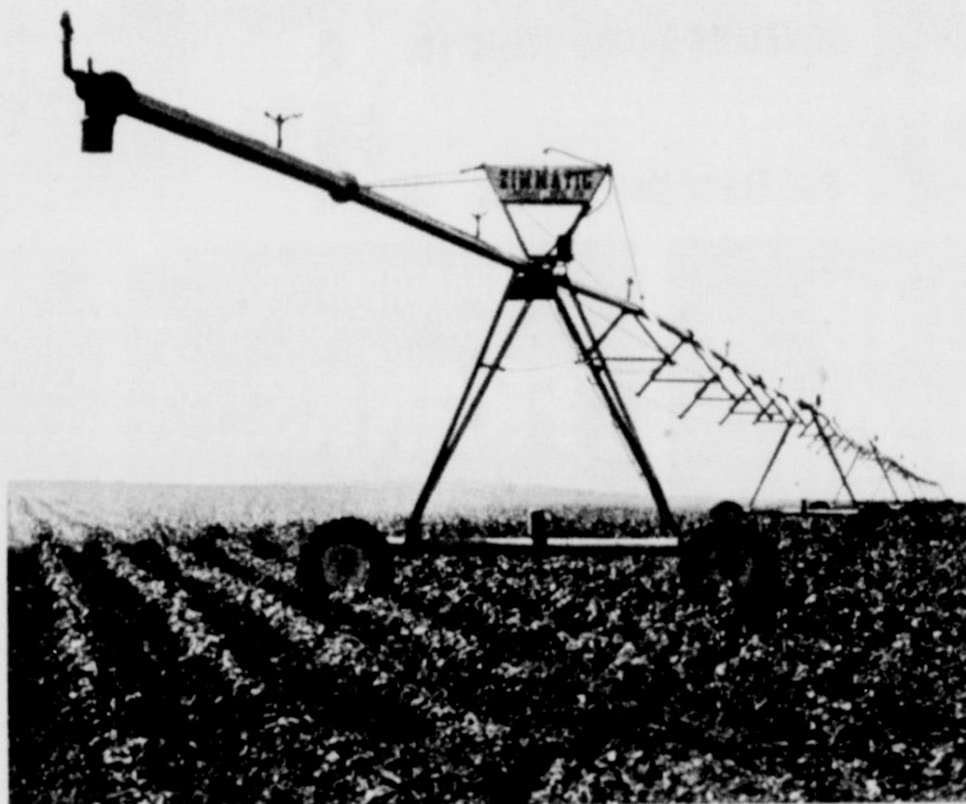

COMPLETELY REVERSIBLE

The Zimmatic can reverse itself automatically or with a push of a button. On most reversible systems you have to go to each tower and make adjustments before you can make the machine travel the other direction. Reversibility is a must in self-propelled irrigation.

EXTRA LONG WHEELBASE

The 14' wheelbase on the towers combined with the rotating sleeve drive units and Uni-Knuckle gives the Zimmatic flexibility that no other machine can match. This allows the machine to operate on land that no other would dare try. Some are too top-heavy, while others have trouble with pipe breakage due to pipe twisting.

"Built By Lindsay!" You Can't Buy Better

STURDY UNDER-TRUSS DESIGN

The under-truss design adds strength to the system. Some under-truss machines have problems with rod shifting. Zimmatic's braced truss legs will not allow this to happen. Systems that have cable suspension have trouble with stretching and sagging.
