**MOST OF THE TALK** this week is concerning the tragedy involving the seven deaths in the Chicago area which have been blamed on people taking what they believed to be extra-strength Tylenol, when the capsules had been filled with cyanide poison.

What kind of mad-man could perpetrate such a thing, in which innocent people—strangers—would be killed? It is a mind-boggling situation, since most people cannot imagine what would cause someone to act in this manner.

Psychologists have been quoted as saying that it is a very unusual situation when a person does something in this manner, which could cause the deaths of total strangers, and for no apparent reason.

The sad part about this situation, in addition to the fact that it affected innocent victims, is that they each were attempting to make themselves feel better, either to relieve a headache or cold symptoms, when the end result was a very untimely death.

Another unfortunate side effect is that a well-known product has been adversely affected, probably to the point that it may never reach its former status on the drug counters. People may develop a suspicion in regard to Tylenol products that would make it virtually impossible to again be a success in the marketplace.

And prior to this past week, Tylenol was the most popular pain relief medicine on the market.

The whole situation is regrettable. It is hoped that the perpetrator of all this madness would be caught, although at this point the chances of an arrest appear dim. At least society might get the opportunity of asking the person "why?" if the guilty party could be caught.

**MEASURES DESIGNED** to tighten control over abuses in the food stamp program have been announced by the Department of Human Resources, which administers the program in Texas.

Marlin Johnston said food stamp recipients in Texas have been instructed to sign each book of food stamps as soon as it is received so that no one else can use the stamps, and to have their food stamp ID card with them and be prepared to show it to their grocer whenever buying food with food stamps.

In addition, the department has redesigned the food stamp ID cards using special serial numbers and a new code to verify that the authorized family representative or family member is the only user of the card. All food stamp recipients will have the new cards by November 1.

In the past, Johnston said, the agency had limited controls over how many ID cards were issued to a family, since a family member or its authorized representative could claim to have forgotten or lost an ID card, and obtain new cards. This facilitated some program abuse through duplicate participation, Johnston said.

The coding of the card is an innovation developed in Texas as an alternative to a more costly federal proposal that all food stamp ID cards carry the photograph of the participating family member or its authorized representative.

Johnston said 390,300 Texas households receive food stamps in a typical month with the average monthly food stamp allotment per household being \$135. There are three people in the average food stamp household, with 61 per cent of the recipients being children.

Audits and investigations conducted routinely by the department indicate a 1.8 per cent fraud rate in the program, Johnston said. Food stamp allotments per month in Texas total about \$53 million.

## Election Officials Are Named By Commission

Appointment of election officials for Parmer County highlighted the regular meeting of the Parmer County Commissioners last Monday, September 27.

Those appointed, along with their alternates, were as follows: Precinct 1 (Black) Mrs. Glyn Hamilton, judge, Mrs. Joan Euler, alternate; Precinct 2 (Friona) Fred Florez, judge, Mrs. Fred Florez, alternate; Precinct 2-1 (Friona) Danny Kendrick, judge, Mrs. Bruce Shafer, alternate; Precinct 2-2 (Friona) Jerry R. Lewis, judge, Mrs. Mary Ford, alternate; Precinct 3 (Bovina) J.E. Sherrill, judge, Mrs. Gloria Atchley, alternate.

Also, Precinct 4 (Farwell) Mrs. Billie Blain, judge, Phil Garrett, alternate; Precinct 5 (Lazbuddie), Alton Morris, judge, E.A. Parham, alternate; Precinct 6 (Oklahoma Lane) Clarence Johnson, judge, Harold Carpenter, alternate; Precinct 7 (Rhea), Raymond Schueler, judge, Carl Schlenker, alternate; Precinct 8 (Lakeview) J. Dee Willard, judge, Mrs. Russell O'Brian, alternate.

In other business, the payment for the audit of the county's books was approved to Brown, Graham and Company, in the amount of \$4900.00.

The court approved payment for physical examinations for two children picked up by the Texas Department of Human Resources, in the amount of \$42.00.

In other business, the court approved two bills for court reporting in District Court, amounting to \$191.30.

A discussion was held concerning the fees of office and service of citations for the Sheriff's office. After comparing county fee lists, a motion was passed to double the existing fees of office for the sheriff's department effective November 1, 1982.

Several requests for soil

conservation work in the county was approved, to be performed when machinery is in the areas involved. Requests approved were from Jesse Lane, Ed Clark, Hollis Horton, Ralph Wilson, Floyd Reeve, Kenneth McLellan, James Anthony, Norvell Strawn, Don Fortenberry, Gene Hardage, Bruce Billingsley and L.M. Smith.

At 5 p.m. that day a public hearing was held on the proposed county budget, with three members of the public attending: Forrest Osborn, Steve Struve and Dale Hart, as well as Bernie Gowens, who explained the budget.

The court voted to keep the tax rate the same as for the prior year.

## Bike-a-Thon Nets \$1600

The Cystic Fibrosis Bike-a-Thon raised \$1600 in donations, it was announced this week by Peggy Hamill.

Tate Shelton won an Atari video system, donated by Hi-Pro Feeds. He rode 23 miles and earned \$309.55 in donations.

Michael Wilhelm had the second highest amount of donations, \$231.59, and earned an Atari cassette, donated by Wilhelm TV & Appliance.

Javier Mata rode the most miles in the event, 36, and Michael Elam was next at 25 miles.

Other participants included Kevin Zachary, Ryan Cash, Rodney Dunnam, Chad Rhodes, Clint and Clay Hurst, Jesse Colley, Aaron Black, Joe Paiz, Carl Paiz, Billy Frittz and Danny Padilla.

Mothers helping with the event were Mrs. Bob Hurst, Mrs. Glen Salyer, Mrs. John Fred White, Mrs. Gary Cash, Mrs. Wayne Rhodes and Mrs. Keith Black.

**HAPPY WINNER...**Jimmy Walker, right, was the weekly winner in the Friona Star's football contest. Walker, who lives on Route 2, was presented his prize check by Bill Hardin, owner of Hardin's Tasty Cream, one of the contest sponsors. Walker won with a score of 20.

## LAST SATURDAY

### Derailment Suffered By Santa Fe

Twenty-one cars of a 72-car Santa Fe freight train derailed just south of Hi-Pro Feeds on the outskirts of Friona early last Saturday morning, causing a 15-hour break in rail service on the Santa Fe's main line from Chicago to Los Angeles.

The derailed cars spilled some of their freight along the right of way, and salvage operations were underway by the railroad throughout the day, along with clean-up procedures.

"Freight of all kinds" (FAK) was how Santa Fe official Bob Perry of Amarillo described the contents of the eastbound freight train.

Some of the things being hauled included cat food, water heaters, some furniture, and a couple of vans with tuna fish for human consumption, all from the West Coast area. Local youths were employed during the day, stacking crates of packaged items, which were reloaded onto other freight vans.

"We tried to keep from damaging the freight any worse than it was, and transferred it onto other vans," Perry said.

The Santa Fe spokesman blamed the derailment on "truck humping," where an empty freight car, under certain conditions, will oscillate, and with the right harmony, will "set over."

The derailment happened at 2:25 a.m. Saturday, October 2. The track was cleared and back in service by 5:15 p.m. that afternoon, after officials had projected 5 p.m. as their goal.

"That was an especially messy one," said Perry. "We pick up every bit of trash and debris, and attempt to leave the site exactly as it had been before."

Helping with the clean-up were Santa Fe officials from Amarillo and Clovis, as well as the Hulcher Emergency Service of Amarillo, a company with heavy equipment designed to pick up heavy loads, including two side-booms and a front-end loader. An enormous crew of Santa Fe workers was on hand throughout the day.

No one was hurt in the derailment.

The freight was described as a "run through," which Santa Fe was to transfer to Burlington in Kansas, for a final destination of Memphis, Tennessee.

**JIG-SAW PUZZLE...**Just a portion of the mess that ensued last Saturday after 21 cars of a Santa Fe freight train were derailed just southeast of the Friona City limits. Santa Fe crews worked throughout the day to clear the tracks and had traffic restored by 5:15 p.m. that afternoon. The derailment scattered wrecked boxcars and their contents along a good portion of the tracks.

**STEER WINNER...**Wendy Tatum poses with her steer, which was named Grand Champion of the Market Steer division at the Parmer County Prospect Steer & Heifer Show last Saturday.

## Prospect Steer & Heifer Show Draws Top Entries

Grand and Reserve Champions were crowned in three divisions at the Parmer County Prospect Show last Saturday in Friona.

Competition was held in heifers, prospect steers and market steer divisions. Grand Champion heifer was exhibited by Bret Whitten of Bovina, with Corrie Lundy of Friona having the Reserve Champion heifer. Whitten received \$200 in prize money and Miss Lundy received \$100.

In the prospect steer division, the Grand Champion was shown by Jeff Lundy, who also was awarded \$300 prize money. Reserve Champion steer was exhibited by Wendy Tatum, who received \$150 in prize money.

In the market steer class, Wendy Tatum had the Grand Champion, which carried with it a cash prize of \$200. Holly Tatum exhibited the Reserve Champion, and won \$100 in cash.

Bret Whitten was awarded the show's showmanship trophy.

"Due to the fantastic support of the local businesses, every young person in the show received some prize money. We want to give a special thanks to these merchants," said David Barnett, chairman of the show, which drew 41 animals, 30 steers and 11 heifers.

Barnett said that the judge for the show, Ike Trimble, and others who attended the show were amazed at the number and quality of animals in the show, first of its kind to be held locally.

Class winners were as follows:

CARRIE HILL

## Carrie Hill's Rites Held

Funeral services for Carrie N. Hill, 82, were held Monday, October 4, at 2 p.m. in the Friona United Methodist Church with Rev. Archie Echols, pastor, officiating. Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home. Born October 29, 1899 in Wheaton, Missouri, she married Ashford Hill on December 8, 1923 in Woodward, Oklahoma. He preceded her in death on November 4, 1963. Mrs. Hill had lived in Friona for the past 35 years, moving here from Oklahoma. She was a member of the Methodist Church. She died Friday night, October 1, in Parmer County Community Hospital. Survivors include seven nephews and six nieces. Pallbearers were Floyd Reeve, Jackie Stowers, Leroy Burnett, Jerry Brown, Jerry Hinkle and Jack Lane. Honorary pallbearers were Ervin Henderson, J.B. Buske, Jim Shaffer, John S. Thompson, Arthur Drake, D.G. (Bub) Hand, Rudolph Renner, G.E. (Bud) Reed, Charlie Myers, Charles Hough and John Hand.

**50 YEARS AGO--OCT. 12, 1932**  
The local board of school trustees is finding it a hard task to meet all financial obligations of the district and at the same time keep the school in operation until the current taxes begin coming in. It has been suggested that the board try to pay one-half of all salaries of teachers and bus drivers until more funds are received. It is hoped that all taxpayers who can possibly do so will meet their tax payments as soon as possible after November 1.

**30 YEARS AGO--OCT. 10, 1952**  
Committeemen representing the 13 counties in the Hi-Plains Water Conservation District voted to require permits for drilling water wells and to leave well spacing in the hands of county committees. The action, taken at a meeting in the Hotel Jim Hill at Hereford October 2, was a followup of recommendations made at recent county meetings in the district. Only one dissenting report was presented against the well permit and spacing action. Parmer County farmers, Committeemen Bruce Parr reported, are opposed to any rule which would limit their freedom in drilling wells.

**25 YEARS AGO--OCT. 10, 1957**  
Easements for seven and two-tenths miles of new farm-to-market

road right-of-way has been arranged with property owners bordering the proposed road, reports E.G. Phipps, county commissioner. The road is planned to start at the Clyde Goodwine corner, extend to the Elmer Euler corner a mile east, then a mile south and then about six miles east to the Claude Blackburn intersection. Total mileage on the project is about 7.2 miles.

**20 YEARS AGO--OCT. 11, 1962**  
It was a case of "almost but not quite" for the Friona Chiefs in their bid to snap the 21-game losing streak at FHS last Friday. The Chiefs, who visibly were out to beat the unbeaten Happy Cowboys, didn't make many mistakes, but the ones they made were costly, and Happy was able to avoid the upset and remain unbeaten, 24-20. The game produced Friona's biggest point production of the season and best offensive showing.

**15 YEARS AGO--OCT. 12, 1967**  
Linda Carson was chosen as Homecoming Queen last Friday night during the halftime of the Friona-Lockney game. Other candidates were Kathy Cook, Missey Renner and Diana Wilson.

Voter registration in Parmer County and the State of Texas began Monday, according to Hugh Moseley, county tax assessor-collector.

**10 YEARS AGO--OCT. 12, 1972**  
Funeral services are scheduled for 10:30 a.m. Thursday at Friona's Union Congregational Church for Mrs. Rose Lange, 84, a resident of Friona for the past 55 years. Mrs. Lange first moved to the Black Community in 1917, later moving to Friona.

Cindy Hutson was selected as the 1972 FHS Homecoming Queen during last Friday's contest against Lockney. Other candidates for queen were Carol Reeve, Carolyn Murpree and Teresa Ingram.

**5 YEARS AGO--OCT. 16, 1977**  
The mercury flirted with the

freezing mark in Friona this week, but at week's end farmers and gardeners are still looking for the first freeze of the season. The temperature dropped to a low of 35 degrees on Tuesday morning and was just a degree warmer on Wednesday.

As of Thursday, October 13, 263 bales of cotton had been ginned in Parmer County.

## WT Offers G/T Institute

The WTSU College of Education is offering a Gifted and Talented Institute for students in the Texas Panhandle in grades 1-12 who are identified by their districts as gifted/talented or who have a strong interest in a specific field of study. The Institute will provide opportunities for area students to become involved in enrichment activities that will develop their talents and interests through in-depth exploration of various disciplines.

Three six-week sessions will be offered beginning October 16, January 22, 1983 and March 26, 1983 on successive Saturdays for 3 to 4 hours, determined by the subject selected for study. The fee for a six-week session is \$25 for half-day and \$50 for full-day. Programs will be offered at Primary, Intermediate, Junior High and Senior High levels and will be presented by the faculty and staff of WTSU.

Parents of students attending the Institute are invited to participate in a series of special tours of Cornette Library and Panhandle Plains Museum and timely lectures by members of the WTSU faculty.

It should be emphasized that the Institute is open to students with strong interests in certain areas and is not restricted to those formally identified as gifted by their school districts.

To receive further information contact Cheryl Weatherly at High School (247-3951) or Mary Jane Reeves at WTSU (806-656-2031).

**DISTRICT OPENER**

# Friona, Tulia Vie For 2-3A Position

Two teams trying for a better season record were squaring off Friday at Chieftain Field when the Chiefs hosted the Tulia Hornets in the first district game of the 1982 season.

Friona went into the game with a 3-2 mark, and the Hornets were 2-3. The Hornets were contenders for their district title a year ago, but graduation stripped the team of most of its talent, and they were generally rated toward the bottom of district play this year.

But the Hornets raised some eyebrows by posting wins over Lockney and Idalou to open their season, but in the last three weeks,

Tulia has lost in succession to Frenship, Floydada and River Road, so are wanting to break their losing streak.

But, speaking of streaks, Friona was hoping to break a seven-year jinx in which they had been unable to beat the Hornets, at home or away.

Friday's game marked the first time since 1961 for the two schools to play as members of the same district. Tulia and Friona had been district mates from 1941-47, and again from 1958-61.

In fact, there was a 12-year lapse of the series from 1962 through 1973, when the teams went into different districts.

Friona coach Tommy Moss has seen the Chieftains suffer more than their share of injuries during the past few weeks. Starters Max Perea and Mike Neill will be out with knee injuries. Runningback-kicker Mark Montoya was sick Friday morning and his status was questionable.

However, Juan Sammaron, defensive tackle, who suffered a bruised calf muscle against Farwell, was expected to play.

And runningback Richard Malouf, out with a broken arm, was to be fitted with a fiberglass cast which would enable him to re-join the team a week from Monday, for possible duty against Dimmitt.

**TOP PERFORMERS....** Three Friona youngsters who excelled in the Cystic Fibrosis Bike-a-Thon are pictured above. Tate Shelton, right, earned the most money in the event, \$309.55. Michael Wilhelm, left was next at \$231.59, and Javier Mata, center, rode the most miles, 36. Sixteen Friona youngsters raised \$1600 in the event.

# Quarterly Report Shows Nice Gain

Improved profitability from the sale of Company-owned cattle, particularly in the fourth quarter, and continued expansion of meat processing and distribution operations enabled Friona Industries, Inc. to generate net earnings of \$3,425,000, or \$1.57 per share, on sales of \$205 million for its fiscal year ended June 30, 1982.

This was a 51 per cent increase in net earnings and eight per cent higher sales than in the prior fiscal year.

All of our industry segments achieved good profitability," said Ron Davenport, chairman, president

and chief executive officer.

"The main difference between fiscal 1981 and fiscal 1982 was in the Company-owned Cattle segment," he explained.

"In fiscal 1982 the Company sold about 17 per cent more cattle, or 74,000 head versus 63,000 head last year. The cost of purchasing and fattening the cattle was six per cent lower than in fiscal 1981."

Operating profits from the marketing of Company-owned Cattle amounted to \$2.3 million, compared to a \$392,000 loss reported in the prior fiscal year.

# Late Rally Pushes Chiefs Past Rival Steers, 27 - 10

The Friona Chieftains awakened for 20 fourth-quarter points, to down the underdog Farwell Steers, 27-10 here last Friday in Friona's Homecoming game.

But, although Friona scored its tenth win over the Steers in the teams' last eleven meetings, it appeared for three quarters as though Farwell had borrowed a page from the past and was about to start a streak of their own.

In the final analysis, Farwell led in first downs and in total yardage, but Friona's big plays of the final seven minutes of the game made the difference.

The Steers took advantage of a big call in their favor in the first quarter, to take an early lead in the game. Farwell drove from their own 45 to the Friona 27, where they faced third down and 17 after a pair of tough defensive plays by the Chiefs.

But Friona was flagged for pass interference on a third down play, which looked to Friona fans like a good defensive play by Mark Montoya. That gave the Steers the ball at Friona's ten, and they scored on the next play.

Quarterback Alan Eubank hit runningback Santiago Lucio at the goal-line. Roger Robertson booted the point for a 7-0 Steer lead with 3:10 left in the first quarter.

Friona didn't bounce back right away, but on their fifth possession of the game, took advantage of a poor Farwell punt. Preceding the punt was an errant pitchout, which lost 17 yards back to the Farwell eight, with the Steers lucky to maintain possession. The ball rolled out of bounds before Friona could recover.

But three plays later Friona took over on the Farwell 28 after the short punt.

Charlie Morgan gained a quick nine yards, Reese Fleming made 13 yards to the middle, and Morgan scored from three yards out. Montoya's kick tied the score at 7-all with 5:14 left in the half.

Friona had another good chance to score after again backing the Steers up and taking the ball at their own 40.

A face mask penalty moved the ball to the Farwell 45, and Morgan made eight yards.

Quarterback Bruce Patterson made a nice 15-yard run on the option play, to the Farwell 21, but lost the ball as he was tackled, and Farwell recovered to stop the Friona threat.

Things didn't change for the Chieftains in the third quarter, especially after Farwell mounted an 18-play drive which resulted in a field goal. Similar to the preceding week, Friona had the ball only 2½ minutes of playing time in the quarter, with Farwell holding it the other 9½ minutes.

The Steers converted three fourth down plays during the drive, to retain possession. Friona's defense finally stiffened inside their own ten, and forced Robertson to try a field goal. The kick resembled a dying quail, but it topped the crossbar, and Farwell had a 10-7 lead with 1:34 left in the quarter.

The next time Farwell got the ball, it looked as though they were out to increase their lead. Montoya punted the Steers into a hole at the Farwell eight, but they recovered nicely and drove across midfield.

Finally, a rib-rocking tackle separated Robby Armstrong from the ball at the Friona 37, and Friona began a drive of its own.

Reese Fleming was the man of the hour from the Farwell 44. He shook off two or three would-be tacklers and rambled 44 yards for the TD, giving Friona the lead for the first time in the game. Montoya's kick made the margin 10-7 with 7:06 left in the game.

Still, Farwell didn't give up, and came out with a passing attack that moved the ball from their own 22 to the Friona 33 in short order. But Friona held on a fourth down play from their own 33, to prevent the Steers from regaining the lead.

And, with most folks thinking mainly of trying to run out the clock with just over three minutes left, Morgan went one better. He found a hole after taking a pitchout, and then outraced the Steer defenders enroute

to a 67-yard touchdown scamper which sealed the verdict. Montoya kicked a 26-yard PAT after a penalty, and the lead became 21-10 with 2:54 left to play.

Farwell tried a little razzle-dazzle on the kickoff, which backfired. The Steers tried a reverse handoff, but the two crossing backs fumbled, and David Hough claimed the ball at the Farwell nine.

Four plays later, Friona once again found the end zone, with Morgan going over from the one. The PAT try was missed, but Friona had scored 20 points in 5:18 of playing time, to completely change the complexion of the game.

Morgan's 166 yards rushing led all players in this category, with Fleming's 90 yards, including the go-ahead touchdown, aiding the cause greatly, especially with two of the Chieftains' starting backs (Richard Malouf and Max Perea) sidelined with injuries.

"Farwell had an exceptional night in passing. I don't think they've done that well all season. They got the momentum after that first touchdown, and we had a hard time getting the upper hand," said Coach Tommy Moss.

## Hospital Auxiliary Meets Needs Of Local Facility

"I don't know how we would exist without the help of the Auxiliary," said Elda Hart, manager of Parmer County Community Hospital. As one tours the hospital they see an abundance of the society's projects.

Walk into the waiting room and see the tasteful drapes, carpet, decorating and furnishings which came from Auxiliary funds. In patient rooms decorations and curtains are renewed and maintained as the need arises and the automatic beds, bedtables, lockers and most of the chairs are the outcome of Auxiliary projects.

Two maternity rooms were furnished at a cost of \$3,500.00, and an auto-clave machine for \$3,000.00. In the kitchen a microwave oven and new silverware were provided. In the surgery, an anesthetic machine and surgical light have long been in use due to Auxiliary projects.

An I.B.M. typewriter was needed in the office and was forthcoming. The latest purchase is new lab equipment at \$12,000.00. For an organization that just celebrated its silver anniversary, this is a pretty good track record.

Back in August of 1956, June Spring suggested to other doctors' wives and wives of hospital board members that they form an organization to help the hospital, such a group as worked for hospitals in larger towns.

Representatives from around the area were invited to attend, but the group has mostly been made up of Friona women, an outgrowth of the Modern Study Club. They organized and became Parmer County Community Hospital Auxiliary and their aim was to help the hospital in any conceivable way.

Katy Osborn was the first elected president and Eufaula Ethridge her secretary-treasurer. Other early members were Mesdames Paul Spring, Frank Spring, Eugene Ellis, Dean Bingham, Roy Clements, J.T. Gee, Carl Schlenker, Guy Latta, Deon Awtry, Bill Stewart, A.L. Black, Pete Buske, M.B. Buchanan, Rene Snead, A.W. Anthony Sr., A.W. Anthony, Jr., and Lucy Vestal.

The first major task of the newly-formed club was to have guided tours of the new hospital before patients were transferred from the old barracks building and 470 people took the tours and were treated to refreshments.

The big moving day was October 6, 1956 and the auxiliary served breakfast to the patients and a total of 85 lunches to patients and workers that day.

Even in a new hospital the group found room for improvement and were soon raising funds for landscaping the hospital grounds, subscribing to popular magazines for the waiting room and creating a children's corner in the waiting room equipped with rocking horse, toys, books, and tyke-sized furniture. Here each Christmas, a tall decorated tree brought ohs and ahs from the small fry.

The Hospital Auxiliary has three ways of raising money to pay for their various projects, the most successful

**PLANNING SALE...**Doris Barnett, left, president of the Parmer County Community Hospital Auxiliary, and her aunt, Katy Osborn, who was the first president of the organization when it was formed 25 years ago, are discussing items to take to the Auxiliary's rummage sale, which begins this weekend at 509 Main Street. The Auxiliary has provided numerous pieces of equipment for the hospital, partly through the rummage sales.

being the spring and fall rummage sales. Auxiliary members and friends of the hospital turn out their closets and donate good, used clothing and household wares, toys, costume jewelry and knick-knacks. A local merchant grants the use of an empty downtown store and the various committees go to work. These rummage sales bring in over \$2,000.00 annually.

Another money-making project is T.V. rental. For \$2 a day, a patient may rent a color television set to while away long hours of hospitalization. The T.V. committee collects and banks these fees, pays for repair, upkeep and insurance on the sets and the rest is profit.

In 1968 the Hospital Memorial Fund was begun, and this helps the hospital auxiliary to buy new furnishings, etc. Instead of sending funeral flowers, a donation in the name of the deceased may be made at the Friona State Bank or directly to the hospital.

Cards of acknowledgement are then mailed to the bereaved family listing the name of the donor. This is a living memorial and money paid into this fund has already furnished the two maternity rooms.

The Hospital Auxiliary has now begun its 26th year of dedicated service and another generation of Friona ladies has become active in its doings. President for 1982-84 is Doris Barnett, niece of the first president, Katy Osborn. Doris would like to invite all interested ladies of the community to meet with the auxiliary on the first Tuesday of each month, 2 p.m. in the Sun Room of the hospital.

"The work is not time-consuming," said Doris. "Perhaps you will help on the T.V. committee, the decorating committee or the new equipment committee. Everyone gives from 2-4 hours each year to the

rummage sales, but this is a lot of fun in the company of other willing workers."

"Hospital costs are climbing higher and higher," said Elda Hart. "Check around most other towns, Amarillo, Lubbock, and you will see, the costs in Friona would be a lot higher if it wasn't for all the assistance given by the auxiliary. We are more than grateful to the other service clubs in town, for their generous donations, but the auxiliary is strictly a hospital organization and we can never thank them enough."

That's how it is in Friona. Parmer County built their own hospital and local folks go right on helping out. Whatever needs the hospital may have in the future, be sure the ladies of Parmer County Community Hospital Auxiliary will provide the ways and means to meet those needs.

**DONALD WRIGHT, Deaf Smith Electric Board member from Dimmitt, is pictured getting ready for the harvest, the Dimmitt Harvest Days Celebration, that is. The combine is a 1931 model that, until this month, has not been started since 1953. Donald stated, "Looking at the cost of equipment and fuel in the past, makes**

**one realize how costs have increased. This 42 per cent increase in electric rates, caused by the expiration of a ten-year contract with our power supplier would not seem as massive at an average of a four per cent increase per year for the past ten years."**

## Cooperative Announces 42 Per Cent Increase

Effective November 1, 1982, members of Deaf Smith Electric Cooperative will have their electric bills computed under a new rate schedule.

"In these days of steadily rising costs, Deaf Smith REC is fortunate to wait this long before implementing a rate increase," stated Board member Donald Wright of Dimmitt.

The new rate will consist of a 42 per cent average increase over the previous rate. This does not indicate all rates have increased 42 per cent, but rather an average of all services

combined on our system will increase about 42 per cent based on 1981 usage.

The wholesale power contract which our power suppliers have been governed by the past ten years expires this month. In addition to increases in the wholesale power, normal operating expenses have continued to increase due to inflation. These two items are responsible for the proposed rate adjustment.

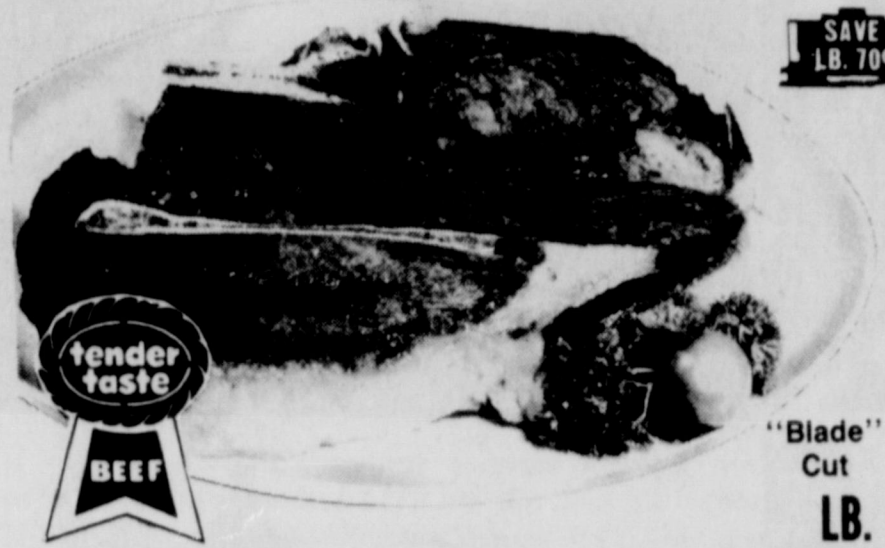

Deaf Smith Electric has postponed this rate increase as long as possible. Now more than ever before, fixed expenses account for the largest

portion ever, of our total cost of service. For example, wholesale power cost, depreciation, interest, and taxes alone amount to 89 per cent of the total cost of electric service. These are expenses that are completely beyond the control of cooperative management and the Board of Directors.

Wright explained, "We realize people of this area share the concern over the rising cost of production which includes cost of electricity, and trust you understand our plight and efforts to minimize these inevitable rate increases."

## Local SWCD Members Attend State Meeting

Raymond Schueler, director from the Parmer County Soil and Water Conservation District and his wife, Lorna, were in Austin October 4-6, to attend the Forty-Second Annual State Meeting of Texas Soil and Water Conservation District Directors.

Others attending were Duval Burton, District Conservationist of the Soil Conservation Service and his wife.

The purpose of the meeting is to review developments affecting Texas conservation programs and to plan future conservation district programs and activities. Governor Bill Clements will highlight the program when he will address the group at their banquet in the Hyatt Regency's ballroom on Tuesday evening.

Other speakers scheduled for the meeting include Mark White, Attorney General of Texas; State Senator Ray Farabee of Wichita Falls; State Representative Jerry Clark of Buna; and Milton E. "Bud" Mekelburg of Yuma, Colorado, president, National Association of Conservation Districts.

As the state's chief enforcement officer, Attorney General White co-chairs the Federal-State Law Enforcement Coordinating Committee and is a member of the Governor's Organized Crime Prevention Council. He is also chairman of the Southern Conference of Attorneys General. White will speak at the Tuesday morning general session.

Senator Farabee, who will also speak at the Tuesday morning general session, currently serves on the Legislative Budget Board and the

Governor's Task Force on Water. Though he serves on several other committees, he is particularly noted for his interest in strengthening Texas agriculture.

Representative Clark will also address conservation district directors at the Tuesday general session. He is a member of the House Natural Resources Committee and vice-chairman of the Energy Resources Committee. He is also a member of the Western States Legislative Forestry Task Force and a member of the Coastal Subcommittee on Natural Resources.

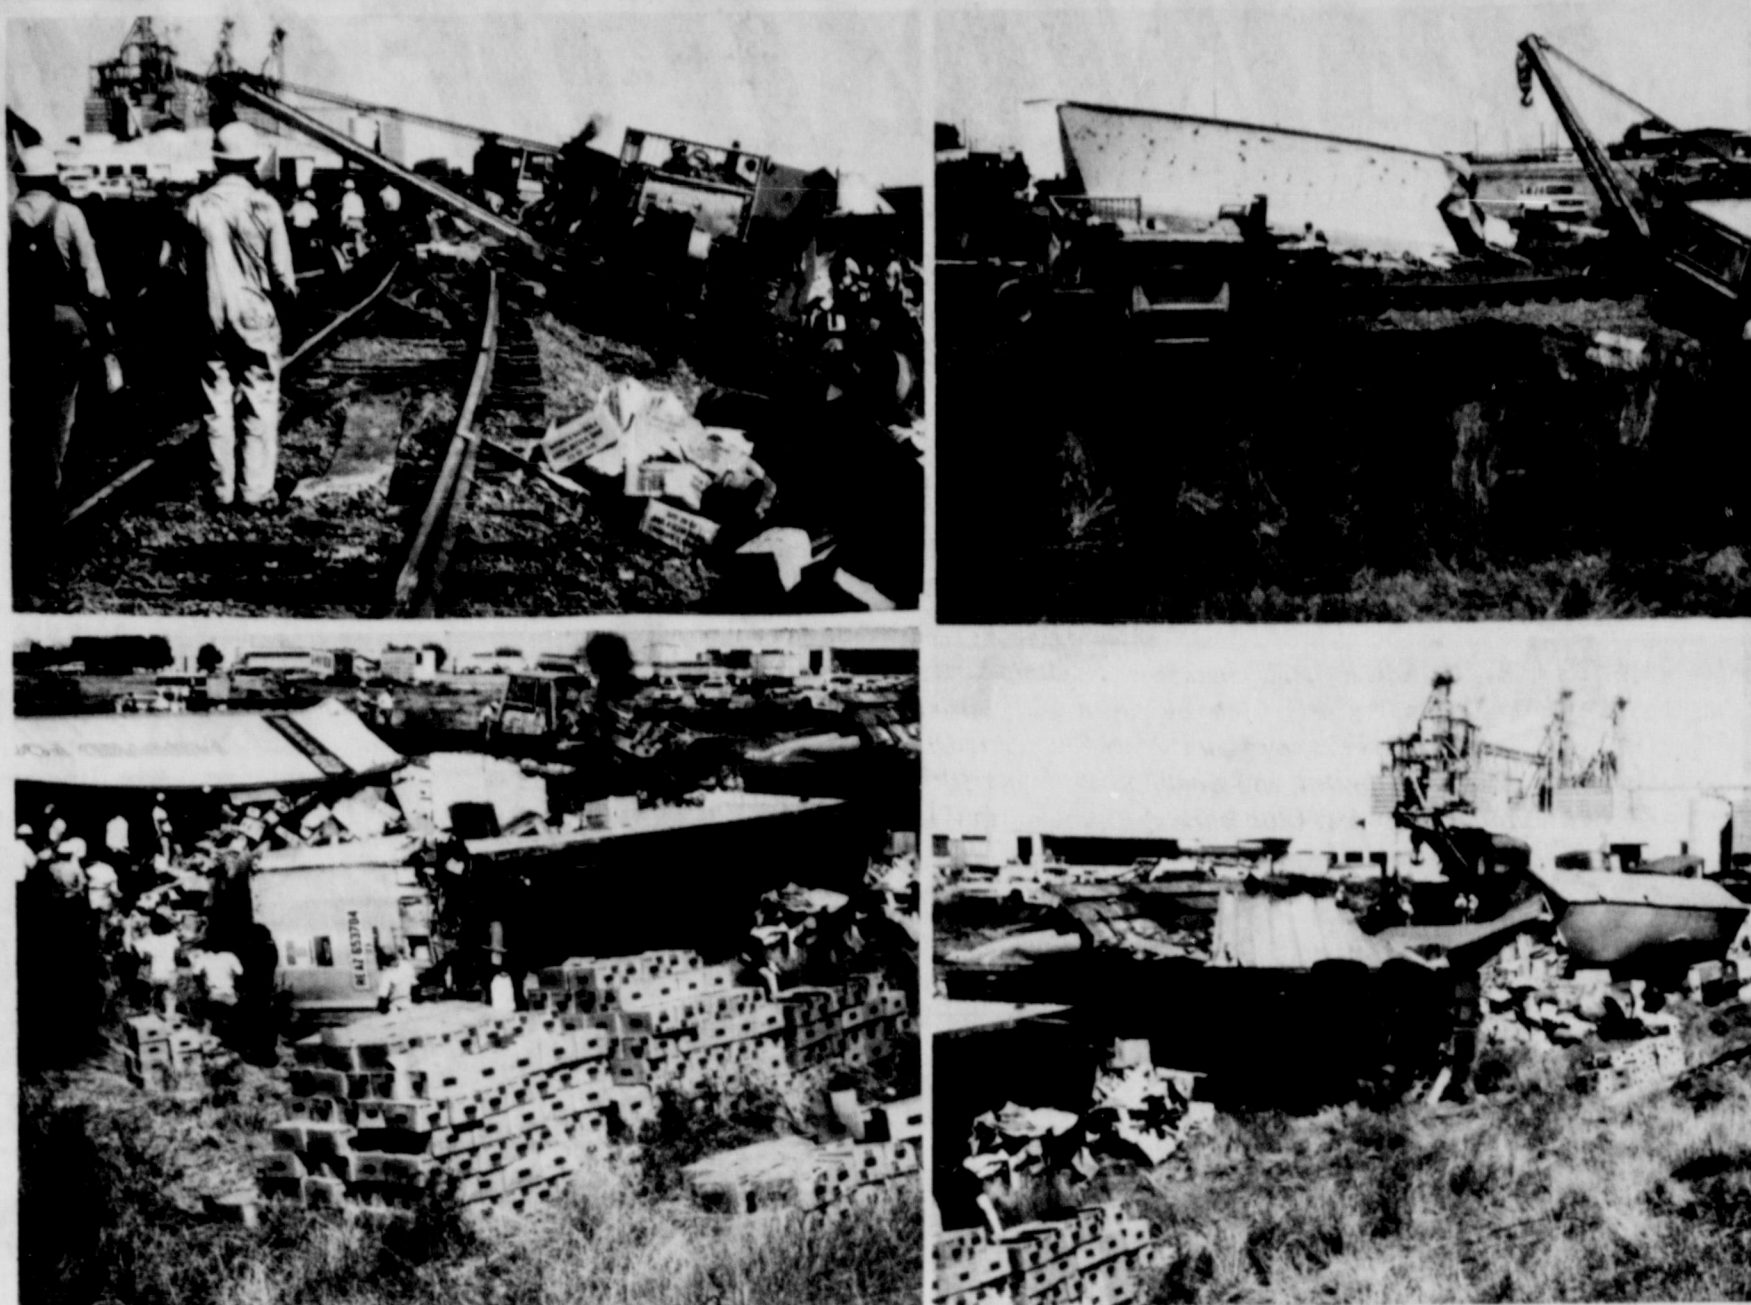

Mekelburg, a farmer and businessman, is a spokesman for the nation's 3,000 soil and water conservation districts. NACD's primary purpose is to serve its member conservation districts in the conservation, orderly development and wise use of the nation's natural resources. Mekelburg is scheduled to speak at the Wednesday morning general session.

Joe Montgomery of Abilene, president, Association of Texas Soil and Water Conservation Districts, will also address the group. Charles D. Clark of Menard, president, Hill Country Association of Soil and Water Conservation Districts, will welcome the group to Austin.

Four concurrent workshops will be conducted on subjects of interest to SWCD directors on Tuesday afternoon. Each workshop will be repeated.

The workshops will feature discussions on district program development, conservation legislation, district operations and a session on recent technological developments in range management.

Regular elections for Association of Texas Soil and Water Conservation District directors for State Areas II and IV will be held on Tuesday afternoon in the area sessions. A president and vice president of the State Association will be elected at the Association's business session on Wednesday.

**DERAILMENT SCENE....**Some on-the-spot photographs of the derailment of the Santa Fe cars last Saturday gives an idea of the tremendous task that faced Santa Fe officials after the 21 cars derailed last Saturday morning. In the upper left photo, a crane is

lifting heavy equipment. At the lower left, local workers are shown unloading crates of tuna from the overturned boxcar. Other views of the toppled cars are seen at right, with the Hi-Pro mill in the background.

## Jimmy Walker Wins Weekly Grid Contest

A regular contestant in the Friona Star's football contest, who had never won the event although she has been a weekly entrant for the past seven or eight years, finally had the right combination on the fifth week of the 1982 event.

Jimmy Walker, who lives at the Bootleg Corner on Route 2, was the week's winner, and also had the season high score of 20.

Walker's only misses were the Baylor-Houston game, which was a tie and an automatic miss, and the Florida-LSU game. Walker won the week's top prize of \$10.00.

"We went to the Lubbock fair on Saturday, and I hadn't heard the scores of games, so didn't know for sure how I had done, until we got home, and then I realized I'd had a pretty good score for the week," Walker said.

The week's winner formerly lived at Hereford, and has for several years entered football contests both in Friona and Hereford. "I have to look at my marked sheet to be sure how I picked the games, because sometimes I pick the teams different in the two contests," Walker added.

An unusual circumstance developed in the race for second and third place for the week when three contestants, C.H. Veazey, Mike Field of Dalhart and Mike Perez of Muleshoe all scored 19s, and each had used identical tie-breaker scores of 28-7 for the Friona-Farwell game.

Contest officials could not remember a similar situation for that many contestants involved in a top prize, and all using the same tie-breaker. The three contestants split second and third place money for the week.

Five other contestants also had scores of 19, but were not quite as close on their tie-breaker scores as the other three. They included Phillip Johnson, Gilbert Saiz, Clint Mears of WTSU, John Seright of Lubbock and Mal Manchee of Hereford.

A "consolation prize" for Mears and Seright, though, is the fact that their good scores gave them a tie for first place in the season standings at 75. Martha Clements, who had been tied with these two for the lead, fell back a point to 74, having a score of 18 for the week.

Phillip Johnson and Tom Johnson (no relation) are next with scores of 73, and Jack Clark, David Gowens and Kenneth McLellan are another point back with scores of 72.

Scores of all the leading contestants may be found inside this issue.

Scores for contestants were by far the best so far this season, as 38 contestants correctly picked 18 games; another 29 had 17 games right; 24 picked 16; 18 contestants had scores of 15, and another 15 scored 14. Seventy-six contestants had scores of 17 or better.

Coming the farthest to enter the fifth week's contest was Ron Cain of Corpus Christi, whose copy of the Star had not arrived as of Thursday. We suspect that Cain had other business locally, but he did drop by the Star office to get the Cain entries in the box. The Cains have been weekly contestants for a number of years, and moving to Corpus Christi did not change this habit.

**INTERESTING FACTS ABOUT YOUR VISION**

- One in every 10 Americans is over 65. Each day 3,000 more Americans celebrate their 65th birthday. As people grow older, they tend to accept a little blurring or loss of vision as inevitable, which it is not. Your Optometrist can diagnose and correct a wide range of vision impairments. This is why it is advisable to see your Optometrist at least once each year if you are 55 or older.
- Quite often, a thorough optometric examination can detect symptoms of glaucoma, cataract, macular degeneration and other eye diseases before a patient experiences any problems.
- Sometimes a thorough internal eye examination can indicate systemic diseases such as diabetes, high blood pressure, arteriosclerosis, brain tumors and other conditions before the patient is aware of any general symptoms.
- Cataract, a common occurrence among our Senior Citizens, is a gradual clouding of the crystalline lens of the eye. This is the lens that does the focusing for us.
- Glaucoma is a condition where increasing pressure within the eye causes damage to the retina and results in loss of vision unless detected early. Your Optometrist screens patients for glaucoma.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

# 4-H Members Recognized At Achievement Banquet

TOP 4-H'ers....Shelly Salyer and Shannon Cochran were honored as the "Outstanding 4-H Club Boy And Girl" from Friona this week at the annual Parmer County 4-H Club banquet. Shelly is a seventh grade student and Shannon is in the fifth grade. Both are very active in 4-H Club work.

BEST BARROW....Competing with 189 hogs and 109 exhibitors didn't hamper ten-year-old Danna Ralston of Farwell from winning the Grand Champion Barrow trophy and money Monday, September 27 at the 68th annual Panhandle-South Plains Fair. Miss Ralston and her four-year-old brother, Wesley, accepted prizes for the 247-pound animal from R.E. "Bob" Gee, fair association president.

The Parmer County 4-H Achievement Banquet was held Tuesday night, October 5 in the Farwell School Cafeteria.

Four-H members and their leaders were recognized for their service the past year.

Receiving year pins were:

Lazbuddie--Doug O'Connor and Amy McGehee.

Friona--Shelly Salyer and Shannon Cochran.

The highest honor bestowed on a 4-H member is the Gold Star Boy and Girl awards. Maureen Jesko of Lazbuddie was named Gold Star Girl. Kevin Owen of Farwell was named Gold Star Boy.

The Oklahoma Lane 4-H Club served as hosts for the banquet.

Sponsoring the banquet were Deaf Smith Electric Cooperative and Bailey County Electric Cooperative.

## Girls Grab Top Prizes In Show

Two ten-year-old girls won the coveted Grand Champion and Reserve Grand Champion trophy and prize money Monday, September 27 after the day-long barrow show of the 68th annual Panhandle-South Plains Fair.

Danna Ralston of Farwell guided a 247-pound Crossbred barrow to the first heavyweight and champion of that breed before earning the \$1,250 grand championship.

Miss Ralston is the ten-year-old daughter of Mr. and Mrs. Seth Ralston.

First place heavyweight and champion Hampshire, exhibited by Kris Belew of Anton, took the Reserve Grand Champion barrow trophy and \$1,000 prize money.

Miss Belew is the ten-year-old daughter of Mr. and Mrs. Denny Belew of Anton.

## 4-H Members Participate In Area Shows

Parmer County 4-H'ers exhibited barrows at several fairs in September.

On September 11 at the Dumas Barrow Show, Beth Johnson, Friona 4-H, exhibited the Reserve Breed Champion Yorkshire and Duroc; Danna Ralston, Farwell 4-H, exhibited the first place mediumweight Cross barrow. Four-H'ers were accompanied by Dumas by Anita Ralston, Phil Johnson, Larry and Billie Manuel and Bob Hurst.

At the Tri-State Fair held in Amarillo, September 22-25, Beth Johnson, Friona 4-H, exhibited the fourth light and fourth heavyweight barrows; Kevin Owen, Farwell 4-H, exhibited the fifth light and fourth mediumweight barrows; Danna Ralston, Farwell 4-H, exhibited the first, second and third heavyweight barrows. The first heavyweight was selected as Reserve Grand Champion Barrow. Four-H'ers were accompanied by Trudy Johnson, Shannon Cochran, Terry and Vickie Copley, Anita Ralston, Jerry Owen and Seth Ralston, CEA.

At the South Plains Fair held in Lubbock, September 23-27, Parmer County 4-H'ers exhibited barrows. This is an open show where all ages adult and youth can compete. Danna Ralston, Farwell 4-H, exhibited the champion Cross that was later selected for Grand Champion Barrow. She also exhibited the third heavyweight cross. Kevin Owen, Farwell 4-H, exhibited the second mediumweight Hampshire. Wesley Ralston exhibited the fifth heavyweight Open Pure Breed and tenth lightweight Cross. Charles Johnson, Bovina 4-H, exhibited the twelfth heavyweight Cross. Shannon Cochran, Friona 4-H, exhibited a heavyweight Hampshire.

Four-H'ers were accompanied by Terry and Vickie Copley, Jerry Owen, Mr. and Mrs. Billy Johnson and Seth Ralston, CEA.

Parmer County 4-H'ers are looking forward to exhibiting at the State Fair of Texas in Dallas October 18-23.

## Robert Neelley Is Corporation Member

Robert Neelley, president of Friona State Bank, was elected to membership in the corporation of Amarillo's Don and Sybil Harrington Cancer Center at the Center's annual meeting recently.

"Robert is a leader in the southeast corner of the Panhandle," said Marilyn Van Petten, director of development for the Cancer Center. "He represents the kind of leadership the Cancer Center needs."

Neelley assisted D.C. Herring in the 1981 area campaign to raise funds for the Center, and also arranged for Friona State Bank to participate in the Center's Endowment Fund program, opening an account there to handle donations locally. The

principle of the account remains in the community, drawing interest which is returned to the Center to support its work.

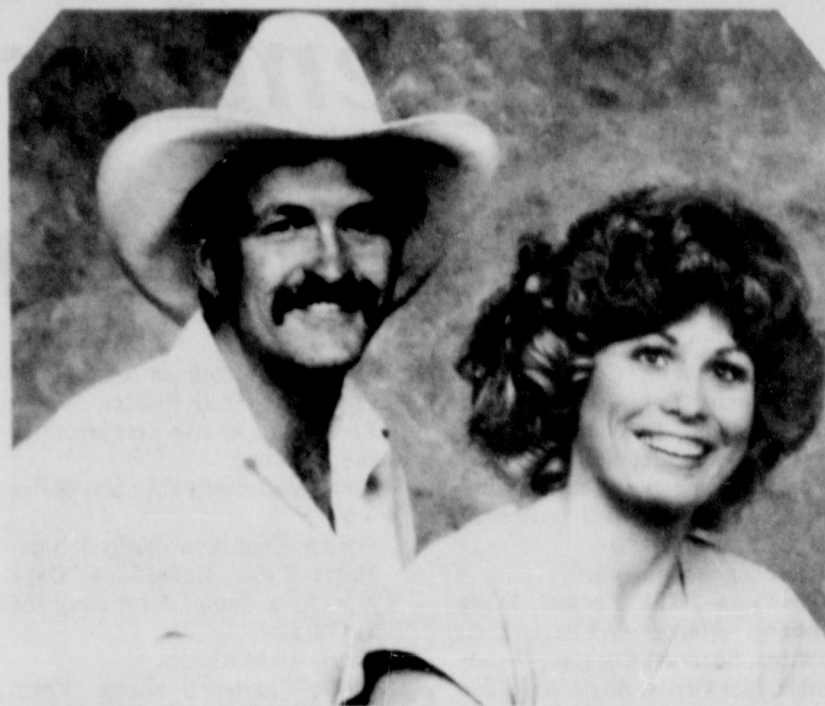

"I'm proud to be a part of the Cancer Center. I think it's a good thing for the Panhandle area to have cancer treatment available here, rather than having to send people off to Houston," Neelley said.

Since its opening in August, 1981, more than 1,100 patients have been treated at the Center, totaling some 12,000 visits. Before the Center's opening, many area patients travelled regularly to Houston's M.D. Anderson Hospital. Others received treatment in Denver or Oklahoma City or Dallas.

Neelley, who has lived in Friona for 11 years, is a member of the Lions Club, and serves on the board of directors of Water, Inc., an area organization that promotes the development and importation of irrigation and domestic water for the Panhandle. The 1964 Texas Tech graduate has served as director of the Friona Chamber of Commerce, and as a city commissioner. He is active in the Friona United Methodist Church.

Neelley joins 48 other members of the Cancer Center corporation, which elects the 15-member board of directors from its ranks, oversees the actions of the corporation and approves any changes in its status.

The new cancer treatment center sits adjacent to High Plains Baptist Hospital, Northwest Texas Hospital and Texas Tech University Health Sciences Center, and is connected by all-weather passageways to these three institutions.

**TAMARA KAY SMITH and GLEN DELL PARIS....Mr. and Mrs. Shirley Smith of Friona announce the engagement and approaching marriage of their daughter, Tamara Kay, to Glen Dell Paris of Perryton, Texas. He is the son of Mr. and Mrs. Jim Paris of Tucumcari, New Mexico. Wedding vows will be exchanged on Friday, November 19 at 6:30 p.m. in the First United Methodist Church of Friona. Miss Smith is a 1981 graduate of Friona High School and graduated from Exposito School of Hair Design in Amarillo. Paris is a 1979 graduate of San Jon High School and attended Frank Phillips Junior College in Borger for two years and is employed by Figure One Ranch in Perryton. The couple will make their home on the ranch in Perryton.**

## Student Of The Month

(Editor's note: The Friona Teachers' Organization is sponsoring the Student of the Month, who is chosen from a committee of four faculty members and four members of the Student Council, one from each high school class. Nine different students will be honored during the course of the year.)

Named as the "Student of the Month" at Friona High School for the month of September was Sarita Ellis, sophomore student at FHS.

Sarita is the daughter of Mr. and Mrs. Mike Ellis, and has attended schools locally since she began her schooling.

She is a member of the "Gifted and Talented" group for the second year; is a member of the National Honor Society, Chieftain Band, FFA, Thespians, Future Teachers, and will be in the Thespian Play this fall.

Miss Ellis is serving as president of her sophomore class. She won the "Star Greenhand" award in FFA, just to prove she is a serious member of Future Farmers, and also was a class favorite her freshman year.

Sarita enjoys playing the piano, twirling, painting, student teaching, raising pigs and lambs and showing them in stock shows. She also collects bells and "pink panthers."

In sports, she enjoys basketball, golf, water skiing, snow skiing and swimming.

## When heat and air make the difference

A crowd gathered in the country square, curious to see the large, strange-looking contraption of paper and cloth. The on-lookers laughed at Joseph and Etienne Montgolfier as the two men ignited the pile of straw and rags beneath their invention.

The unbelieving crowd gasped as heated air began to fill out the paper and cloth of the world's first hot-air balloon as it climbed steadily to the then-astronomical altitude of about six thousand feet.

## Microfiche Makes Paperwork Easy

James E. Denney claims he can put 18 file cabinets full of documents into a single shoe box.

How? He's not a magician, but he has a huge camera that reduces the documents onto small sheets of microfilm, called microfiche.

Denney said some government agencies and private companies are awash in a sea of paper work and overflowing file cabinets and he wants to come to their rescue.

Denney's company, Timely Information Management Enterprises, Inc., open since January, is working on microfiche projects with the Law Revisions Commission and a local accounting firm.

"This is the answer for people who have cases and cases of paper," Denney said.

Behind a bolted door (many of the documents are both valuable and private) in the Julale Shopping Center, Guam, Denney and two assistants are busy using a giant camera to take the picture of thousands of documents on microfiche, a type of film card.

"Our customers are realizing a savings in space and time," Denney said.

He said the microfiche is indexed, making it easier to find documents and harder to misplace them.

"It's one thing to keep records, it's

another to keep them safe and immediately retrievable," Denney said.

To retrieve a document, the customer simply slips an indexed microfiche card into a reader-printer machine to look over or make prints of documents.

Other advantages to storing reduced-size documents on film, Denney said, is that termites don't eat film, and the film quality is guaranteed by its maker for 99 years.

Microfilm-stored documents are acceptable in court, Denney added.

Denney, 33, said he started T-I-M-E with just \$5,000 and he has more contracts in line. He said he wants to provide complete micrographic services and will expand his business to include standard 35mm microfilm services when a customer wants it.

Most of Denney's work experience lies in computers. He spent 15 years as a data processor for banks on the U.S. mainland and he runs a sister company to T-I-M-E called TRIAD Computer Developers Inc. It offers software and computer operating services.

Denney and his wife, Peggy, a free lance court reporter, came to Guam in 1979 on invitation from his in-laws, Dr. Don and Jeannie Weaver, currently residing in Guam.

Before starting up T-I-M-E, Denney had computer analysis and design contracts with the Department of Education and a local bank.

He is the son of Mr. and Mrs. Bill Denney of Friona and is a graduate of Bovina High School.

# Beth Buth, Hal Walker Exchange Wedding Vows

Beth Buth and Hal Walker were married August 21 in the United Methodist Church of Bella Vista, Arkansas with the Rev. John Whiteley officiating.

The bride is the daughter of Bill and Junie Buth of Bentonville, Arkansas. The groom is the son of Vernon and Paula Walker of Bella Vista.

Given in marriage by her father, the bride chose a white formal length gown of silk-like Farah fabric featuring a fitted bodice accented by alencon lace appliques. The sheer scooped yoke was accented with an alencon lace motif and the gown featured a wedding ring collar. The Juliet sleeves of Farah silk were accented with alencon lace and trimmed with venice lace.

The full skirt of silk Farah was accented with alencon lace motifs. The chapel length train was edged in scalloped silk venice lace.

The bride carried a cascade bouquet of dusty blue glads, blue and beige silk carnations and was accented with greenery, baby's breath and blue ribbon and lace streamers.

Jean Ann Conn of Ottawa, Kansas and Cindy Whitlock and Connie Pyeat, both of Bentonville, attended the bride.

They wore blue off-the-shoulder gowns and carried beige lace fans accented with blue and beige silk flowers and beige lace streamers.

Lori Schwab of Dalhart, Texas, cousin of the bride, served as flower girl.

Mark Walker of Wichita, Kansas, brother of the groom, was best man with Doug Walker, brother of the groom of Kansas City, Missouri, and Jerry Thummel of Iola, Kansas, as groomsmen.

Ushers were Leslie Buth, brother of the bride, Tom Cellers and Rusty Webster.

Pam Schwab of Dalhart, Texas, cousin of the bride, was the ring bearer.

Sherry Hendricks played the piano

Mrs. Hal Walker

and Jerry Bowlin sang "Feelings" and "Longer Than." Doug Walker of Kansas City, Missouri, brother of the groom, played the guitar and sang "Icarus."

Kathy Larkin presided at the guest register.

A reception was held in the Fellowship Hall of the church following the ceremony with Hope Laney and Jennifer David assisting.

After a wedding trip to Kansas

City, Missouri, the couple will reside in Bentonville where the bride is employed at Wal-Mart and the groom is employed by Custom Dome Homes.

The bride attended John Brown University in Siloam Springs and the groom is a graduate of John Brown University.

The bride's grandparents, Mr. and Mrs. Clyde Renner of Friona, attended the ceremony.

## Amarillo Poet Speaks At Friendship Night

Guest speaker on October 12 at Progressive Study Club's Friendship Night will be Mildred Crabtree Speer of Amarillo.

Mrs. Speer is the Texas Alternate Poet Laureate, author of *Footsteps*, a book of poems of the West and a soon-to-be-published book of Texas poems.

Mrs. Speer is a member of Poetry Society of Texas and is a counselor for this organization. She is also a member of National Federation of State Poetry Societies and a Panhandle Pen Woman. She is a frequent winner in annual contests of both state and national poetry organizations and writes for children as well as adults. She often sells to *Modern Maturity*, *Good Housekeeping*, *Humpty Dumpty* and *On The Line*, to name a few magazines.

Mildred and her husband, John, are retired and live near Amarillo in a home they have named, "September Acres."

During the annual Friendship

Night program, Progressive Study Club will also be honoring their past presidents.

## Gary Schueler Attends LYF Board Meeting

The Texas Lutheran Youth Fellowship board met October 2-3 in Austin, Texas. The meeting was held in the Lutheran Church Missouri Synod District Office. Gary Schueler of Friona attended the meeting.

The basis of the meeting was to plan for meetings to be held in various parts of the state to expand the influence and ministry of LYF in Texas.

Schueler will be conducting a meeting at Christ Lutheran Church in Amarillo on Sunday, November 7. He will also be traveling back to Austin on November 26 for a follow-up meeting.

# NOTICE OF VOTE ON TAX RATE

The Friona Independent School District conducted a public hearing on a proposal to increase your property by 27.15 percent on Monday, October 4, 1982, at 8:00 P.M.

A public meeting to vote on the tax rate will be held on Monday, October 11, 1982 at 8:00 P.M. in the Board Room at Friona High School.

# NOTICE

SOME ADDITIONAL FACTS REGARDING THE AD APPEARING TO THE LEFT THAT IS REQUIRED BY LAW TO BE PUBLISHED MIGHT MAKE THE ACTUAL TAX SITUATION OF FRIONA INDEPENDENT SCHOOL DISTRICT MORE ACCURATE AND UNDERSTANDABLE ARE:

I. 100 PER CENT OF THE LEVY AT THE NEW RATE WILL GENERATE APPROXIMATELY 15.35 PER CENT MORE REVENUE THAN THE 1981 LEVY WOULD GENERATE AT 100 PER CENT COLLECTION.

II. THE TAX RATE FOR THIS INCREASE IS 97° PER \$100 VALUATION COMPARED TO 87° IN 1981. THIS IS AN INCREASE IN THE TAX RATE OF 11.49 PER CENT.

III. THE LOCAL MAINTENANCE PORTION (TOTAL BUDGET LESS BOND PAYMENTS) IS UP 8.67 PER CENT FROM THE 1981 BUDGET.

THE BOARD OF TRUSTEES OF FRIONA INDEPENDENT SCHOOL DISTRICT IS MOST CONCERNED ABOUT HOLDING TAXES AS LOW AS POSSIBLE AND STILL PROVIDING THE QUALITY OF EDUCATION THAT THIS COMMUNITY DESIRES AND EXPECTS.

## Special Ed Teachers To Attend Meet

Special Education Teachers from Parmer County will be attending a training workshop on Wednesday, October 13 in Dimmitt.

Joyce Kolfeldt of Clemmons, North Carolina will present the program. She has published numerous books on materials and special helps for special students.

She has been associated with school systems in Michigan, Pennsylvania, Minnesota and California as a teacher, consultant and administrator. She is currently an independent consultant. The program she will present is entitled "Special Success For Special Needs Children."

## Stephanie Lane Is Pledged In WT Fraternity

Stephanie Denise Lane, a freshman elementary education major at West Texas State University from Friona, has been selected as a pledge in the Upsilon Zeta Chapter of Chi Omega Women's national social fraternity.

She is the daughter of Mr. and Mrs. Abe W. Lane of Friona.

Chi Omega was founded at WTSU in 1958. Members participate in several service projects with senior citizens and the Children's Rehabilitation Center in Amarillo.

Several Friona residents recently drove to Branson and Silver Dollar City, Missouri, for fall festivities there. Think October 31 is the final day for the play, "The Shepherd of The Hills," which is presented annually in that area.

Other attractions include the Craft Fair at Silver Dollar City and a large number Country, Blue Grass and Western Musical productions in Branson.

Since the two towns are close to one another, it isn't any problem for visitors to take in Silver Dollar City in the day time and attend musicals in the evening.

Some of the attractions at Silver Dollar City include basket weaving, pottery making, wood and ivory carvings, which are done on manually powered lathes as well as steam powered lathes, horse powered sorghum pressing, broom making and copper kettle apple butter making.

Most of the participants in the activities are dressed in costume. There are also rides and other attractions for children and others who enjoy them.

A new group in Branson this year was the Grapevine Opry, which was originated in Grapevine, Texas. Someone reported, "You'd have to stay there two weeks or more to attend all the musicals."

Otis and Athlea Neel returned Tuesday after having been gone from home about ten days. Enroute to Missouri the Neels stopped at Tallequah, Oklahoma, for a visit with an uncle, Walter Neel.

Athlea reported that her favorite musical group this year was The Foggy Mountain Boys. She also enjoyed the background entertainment at Silver Dollar City, where the attendance was 22,000 one day.

Lloyd and Betty Louise Rector and Ed and Jo Nell Clark also returned home Tuesday. They were accompanied by Jo Nell's parents, Henry and Ruth Bass of Muleshoe.

On the way down this group visited in the home of Mr. and Mrs. Joe Edwards at Hot Springs, Arkansas,

who accompanied them on the rest of the trip.

One evening the Neels and the other Frionans attended the same production and visited briefly.

Betty Louise picked the Ozark Mountain Jubilee, which included eight persons, as her favorite group. During their presentation instruments were switched and at one time eight persons were playing four instruments.

Mrs. W.C. Wilkerson and Mrs. E.G. Adams spent last weekend in Amarillo. They were guests in the home of Mr. and Mrs. Bob Rule, former residents of Friona, and daughter and son-in-law of Mrs. Adams.

They also attended a Golden Wedding Anniversary dinner honoring Mr. and Mrs. Chester Hatcher of Amarillo at the Amarillo Garden Center. Hatcher, a nephew of the Friona women, recently retired from J.C. Penney Company.

Incidentally, Mrs. Wilkerson, who observed her 98th birthday last month, reported that the biggest surprise she received on that day was a birthday card from President and Nancy Reagan.

J.D. and Jan Spencer, who live in New Caney, Texas, had a very nice surprise the day they brought their new baby girl, Mandy Jan, home from the hospital.

Soon after their arrival home, J.D.'s supervisor called from the Houston Airport, where he is employed as an air controller, to report that he had been chosen for a special achievement award.

J.D.'s mother said, "It was a \$300 cash award and was a total surprise to J.D. and Jan."

Della Daniel and Irene Thorn, daughters of the late Mr. and Mrs. W.H. Gammon of the Lazbuddie Community, are both avid knitters and crocheters.

They also share a deep appreciation for the changing of seasons in the Colorado Mountains. Recently these

two loaded yarn and needles and took off for an extended stay at their cabin near Platara.

When they called home, they reported, "Having fun, knitting, crocheting and looking at the fall colors."

Blanche Boyle and Selma Habbinga returned home Friday evening after a week long Continental Trailways "Golden Aspen Scenic-Narrow Gauge Railroad Tour," which began and ended in Amarillo.

When they reported to tour headquarters in Amarillo, they learned that their tour guides were Paul and Movelda Fortenberry, also of Friona.

Mrs. Viola Treider rarely ever has her three children at home at the same time, so last weekend was real special for her. In fact, this was the first time her son, Dale, who lives in Albuquerque, and oldest daughter, Phyllis Wagner of Amarillo, had seen one another in twelve years.

Others present were Dale's wife; Mr. and Mrs. Eric Treider and daughter, Laura of Hobbs, New Mexico; Mr. and Mrs. Gene Zinser of Hereford; and three of Mrs. Wagner's children, Tonya, Phillip and Tony, who live with their mother.

Police Chief Bill Denney and his wife, Esther, returned home Saturday, after a two week vacation.

Enroute to Montrose, Michigan, where they visited Esther's mother, Mrs. Frank Polzin, and other relatives, they stopped in Farmington, Arkansas, for a visit in the home of Bill's cousins, Clara and Russell Broyles.

In Liberal, Kansas, they visited Mr. and Mrs. H.R. Denney, Jr. and family, and in Amarillo they visited in the home of Mr. and Mrs. Jerry Coffey and children, Jennifer, Mike and Teri.

While they were there Mr. and Mrs. Larry Sumpter and son, Jonathan, of Borger, came over for a visit.

Esther reported a nice trip and said, "we got to see all three of our children who live between here and there."

Their first overnight stop was at Raton, New Mexico. On Tuesday they drove through Cimarron and Red River and on to Antonito, Colorado, where they boarded a train for a scenic ride.

They also went sightseeing in Taos and Santa Fe before returning to Amarillo.

Visitors in the home of Curtis and Gertie Murphree this week was her brother, Lawrence Dumont and his daughter, Frances Johnson from Denver, Colorado.

They were joined Sunday by

another brother, Doug Short and his wife, Tino from Hereford, Debbie and Ricky Rector and Haley, Dena Short of Amarillo, Danny and Linda Black, David and Trent Murphree, Joe, Bunny and Zack Murphree, Jim and Rhonda Murphree, Carolyn, Kevin, Sheila and Kyle Wiseman.
