## Marlene Drake Is Contest Winner

**THE GRIM REAPER** has been a visitor in our midst quite often in recent weeks, and several among our number have either been stricken down, or affected by this unwelcome visitor.

These past two weeks, it has been our unpleasant duty to report the deaths of two of our longtime business associates, Ralph Roden and Dan Ethridge.

How fortunate was the community to have had men of the stature of Ralph and Dan as businessmen for the length of time that it did.

Roden was a hard-worker, and he was very community-minded, always supporting any program which was put forth on behalf of the local merchants. When we had an active retail merchants group, Ralph always took an interest, and did his part whenever called upon in this regard.

Ralph was always a booster of school activities as well. He loved his golf game and was an ardent golfer as long as we knew him.

His friendly wave and "Hi, Neighbor!" was a trademark as familiar to local folks as his Rexall brands. His warm smile and jovial attitude always made your visit worthwhile.

**DAN ETHRIDGE** was as community-minded as anyone we have known in Friona. Those of you who did not know Dan can tell this by the details of his obituary, although this write-up doesn't begin to tell all of his good deeds.

Dan was considered "Mr. Boy Scout" for years, due to his service to the organization, and received Scouting's top honor for his efforts.

The Chamber of Commerce never had a more dedicated member than Dan Ethridge, who served as president of the local group twice and for a total of four years (first from 1936 through 1938, and again in 1954).

We consider ourselves fortunate to have known and worked with these two men.

Friona can ill afford to lose residents of their stature.

Marlene Drake was the winner of the "strike week" of the Friona Star's football contest, missing only one of the 14 games which counted in the contest.

Marlene, longtime contest entrant, was one of only two contestants entering the fourth week of the event who correctly picked 13 of the 14 games. She claimed the week's top prize on the basis of the tie-breaker game.

Even the tie-breaker game had to be re-arranged, after the National Football League strike. The Friona-Dalhart game was used to break the tie. Luckily for contest editors, all the contestants involved in the top places had written in the Friona-Dalhart score.

Mrs. Drake missed the Chieftain-Dalhart score by 18 points (as any good FHS fan would have), to edge out Kemal Tongate for the week's top prize of \$10.00 cash.

Tongate, the other contestant to miss only one game, missed the tie-breaker score by 22 points. Mrs. Drake picked Friona to win, 10-7, and Tongate picked the Chieftains, 17-10.

All eight of the NFL games which had been included on the slate of games, printed prior to the strike announcement, were disregarded, and 14 became the best possible score for the week.

Thirteen contestants had scores of 12, and from this group, Martha Clements claimed third place in the weekly race.

Mrs. Clements (who might have an edge over some contestants, since she has children in Dalhart) missed the game score by just one point, pegging Dalhart to win, 23-7.

Other contestants correctly picking 13 games were Jackie Morgan, Cara Brockman, Kenneth McLellan, Danny Guerra, Rodney Allen, Phillip Johnson, Ruth Smith, Cynthia C. Smith, Sam Drager, Jack Clark, Charlie Fleming, and one contestant who failed to sign their entry blank.

The need for using the Friona-Dalhart game for the tie-breaker score was announced locally at mid-week and posted at the Star office, and most of the contestants managed to make the change. Only the mailed-

in entries failed to get the message, but none of these were in the running for a top spot.

"We appreciate the cooperation and flexibility of the contestants in this unusual circumstance," said Star publisher Bill Ellis. The Friona Chieftain game will be used as tie-breaker for the remainder of the season, as it's very unlikely that the Chieftains will go on strike.

Mrs. Drake's only miss was in picking Nebraska over Penn State, one of the college games which troubled most contestants. Tongate called this particular game right, but missed by picking BYU over Air Force, one of the one-point upsets on the list.

Mrs. Clements missed both of these games, but came back on her point prediction to nail down third place.

Other games which troubled contestants included Oklahoma-Southern Cal, Littlefield-Post, Michigan-UCLA, and Boys Ranch-Clarendon.

Mrs. Clements used her 12 to pull into a first-place tie with John Seright of Lubbock and Clint Mears of WTSU for the contest lead. (Seright was the outright leader of the contest a week ago with a score of 47, but his score was inadvertently omitted.--Sorry about that, John!)

Jack Clark, who entered the contest even while a hospital patient in Lubbock, and Coach Tom Johnson are tied for second place at 55.

Marlene Drake, David Gowens, Phillip Johnson, Eddie Mann and Kenneth McLellan are in a five-way tie for third place at 54. Scores of all the leading contestants may be found elsewhere in this issue.

The contest leader at the conclusion of the 13-week event will be awarded \$100.00 as grand prize in the annual event.

## County 4-H Banquet Is October 5

All interested persons in Parmer County are invited to attend the Parmer County 4-H Achievement Banquet.

"We would like for you to join us in honoring the 4-H'ers and their leaders who have earned special recognition this year," said a spokesman for the club.

The banquet is to be held on Tuesday, October 5 at the Farwell School cafeteria at 7:30 p.m. The Oklahoma Lane 4-H Club will be the host club this year.

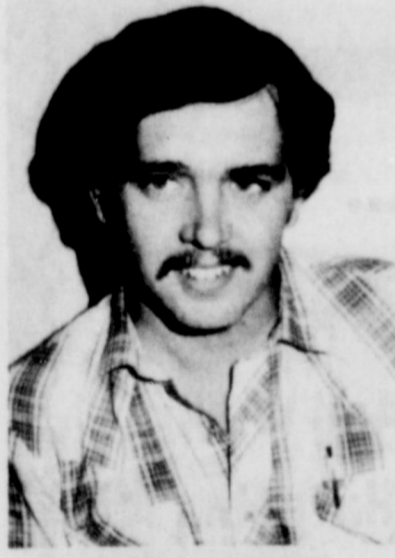

The time for the banquet is very short. Please call the office and let us know how many from your family will be attending. We must confirm this number with the caterer, so please let us know. The office number is 481-3619.

## CVAE Shop Is Burglarized

The CVAE shop, located on the north of the Friona High School campus, was broken into last weekend, and approximately \$2200 worth of tools and equipment was taken.

Among the items taken were small hand tools, small electric tools, socket sets, ratchets, welding hoods and drills.

Friona Independent School District will give a \$200 reward for information leading to the arrest and conviction of the guilty party or parties.

## Barnett Is New Employee At Bank

David Doyce Barnett, 24, has been named Agricultural Representative at Friona State Bank, according to Robert Neelley, president.

Barnett, a Friona High School graduate (1976), holds a B.S. in business administration from Wayland Baptist University, and has had advanced courses in accounting principles, cost accounting, data processing, business law, business communications, government policy in business, marketing research and federal tax methods.

The son of Mr. and Mrs. Doyce Barnett of Friona, David lists as his interests water sports, snow skiing, football, exotic cattle breeding and local stock shows. Proving this latter interest is the fact that Barnett is serving as director of the Parmer County Prospect Show, which will be held this Saturday at the Showbarn-Community Center.

**READY FOR SHOW....**Kent Chesher, Friona seventh grade student, has been working with his project calf, preparing for the Parmer County Prospect Show here Saturday. Shown helping Kent set up his steer is his aunt, Cherry Wells. The show is slated for 3 p.m. Saturday at the Community Center.

## Child Welfare Week Slated

The Parmer County Child Welfare Board in conjunction with the mayors of the local communities, have declared October 3-9, as Child Welfare Week.

"This is a time when we ask people to bring to their awareness the needs of the children in our own communities. Through the newspapers and the air ways, information concerning child abuse and neglect is being distributed. You will find pamphlets about the subject in many local businesses," said Rev. Skip Sircic, chairman of the board.

"Pause a minute this week. Think seriously about this problem of child abuse and neglect. Please, plan carefully the type of response you can make. A child may be depending upon you," Sircic added.

## Special Show Saturday

The Parmer County Prospect Show, for steers and heifers, will be held Saturday, October 2 beginning at 3 p.m.

The show is limited to Parmer County exhibitors, age 21 or younger. Ribbons and prize money will be given according to the number of entries.

David Barnett, chairman of the

show, said Thursday that a total of 40 entries had been received, 30 steers and ten heifers. "We are real pleased with this number, and should be assured of a good show," Barnett said.

Judging the show will be Ike Trimble, who is vocational agriculture instructor at Dumas.

Purpose of the show is to give the young exhibitors an opportunity of showing their large animals, and give the animals a chance to be in front of a crowd of people.

## School Calendar

The activities at Friona High School for the coming month of October will begin with the ending of the first six weeks on October 1st.

Homecoming activities will begin at 8 p.m. at Chieftain field the evening of October 1, as FHS varsity team tackles Farwell.

October 29 Friona Chiefs will play at Muleshoe.

## Chamber Is Host For Cook-Out

The Friona Chamber of Commerce was host last Thursday evening for a cook-out at the Friona Community Center, after which a film presentation was made by Southwestern Public Service Company's Industrial Department.

The emphasis of the program was community improvement, from a standpoint of cleaning up the "eyesores" in the community.

A spokesman for the Chamber said that the chamber planned to follow up on the program, and would be making an announcement in the near future.

**STORE OPENS....**Ann Gee is shown at the counter of Allsup's newest store, located at 11th and Columbia, which opened to the public on Friday, October 1. Bonnie Pope is assistant manager. Other employees at the store are Jimmie Sue Gibson, Sharon Armstrong and Vickie Montgomery.

# Chiefs Fall To Dalhart In Bruising Battle, 22-7

For awhile there last Friday, it looked as though the 1982 Friona Chieftains might break a longstanding jinx by becoming the first Friona football team to win a game against Dalhart at Dalhart.

The Chiefs had been impressive in holding a 7-0 lead at halftime, a lead which they carried into the last quarter.

But the roof caved in on the Chieftains in the final quarter, with all the breaks going Dalhart's way, and the hard-hitting Wolves earning many of the turn-arounds, as the hosts scored 22 final-period points for the 22-7 win.

The final score was not at all indicative of the game, and Dalhart's final touchdown would never have come about except that Friona, trailing 14-7, called three time outs in a row in hopes of getting the ball back, only to see Dalhart score a third touchdown with 54 seconds left in the game.

The Chieftains discovered early in the game that they were in for a tough evening, after failing to score twice from a third and goal situation from the Dalhart one-foot line.

Friona had started the game with a bang, when kick returner Mike Neill ran the opening kickoff back 56 yards, from his own goal-line to the Dalhart 44.

Runningback Charlie Morgan gave the team a first down at the Dalhart 34, and then a big pass play from Bruce Patterson to Mark Montoya on third and 13 kept the drive alive. Montoya was forced out of bounds at the Dalhart seven.

Morgan picked up close to five yards on first down, and then on second down it looked as though he had scored, but officials spotted the ball just outside the Dalhart goal-line.

And that's where the ball stayed, as Morgan was stopped for no gain on third down, and then trying for the TD on fourth down, Patterson was stopped for a two-yard loss on a hasty play.

The Wolves surprised Friona somewhat, running one play which gained only a yard, and then pulling a quick-kick from their own end zone. The punt was good for 66 yards, but Neill corralled it and ran the ball back to midfield.

The rest of the first half was mainly a "run three downs and punt"

situation for both teams, as the two defensive-minded teams, like a pair of heavyweight boxers, sparred with each other, but never could get in a scoring lick.

Friona did pick up its fourth first down of the half on a Patterson to Max Perea pass for nine yards and then a one-yard gain by Perea. That moved the ball to the Dalhart 49, but a pass interception and a face-mask penalty against the Chieftains ruined that drive. A few minutes later, Dalhart had good field position after recovering a fumble at the Friona 29.

In fact, it took an interception by Neill at the Friona 13 to prevent Dalhart from getting on the scoreboard first after the series of bad breaks for Friona.

Late in the half Dalhart had the ball and mounted a drive. The Wolves picked up a pair of first downs, and then aided by a 15-yard penalty against the Chiefs, had the ball at Friona's 18, their deepest penetration of the first half.

But at this point, lightning struck the Wolves. Cornerback Patterson intercepted a halfback pass by the Wolves at about the Friona 20, and ran an 80-yard dash up the north sidelines into the end zone for the touchdown.

Montoya's PAT kick gave Friona a 7-0 lead. The score came with 59 seconds left in the half.

It's too bad for the Chieftains that there wasn't a flood, or other act of nature that would have cancelled the second half, because it all belonged to Dalhart.

Friona fans were suspicious of the changing of momentum when Dalhart had the ball for about 10:30 of playing time in the third quarter, to 1:30 for Friona. The Chieftains had the ball for only three plays which gained nine yards, and then a punt.

Late in the quarter, the Wolves mounted their only sustained drive of the night, mixing up their offense to drive from their own 36 to the Friona eight, where the quarter ended.

But on the second play of the final quarter, the Wolves punched over a touchdown to get on the scoreboard. Dalhart opted to go for a two-point conversion, but a pass try was foiled, so Friona held onto a one-point lead at 7-6.

The Chieftain offense, which was

idle virtually all the third quarter, apparently went stale, and twice more the team was unable to muster a first down.

Midway through the quarter, came the play which may have turned the game in Dalhart's favor. Friona had the Wolves backed to their own ten, after a Montoya punt to the Dalhart eight.

But quarterback Chris Smith hit end Richard Steel with a long pass, and Steel was finally tackled at the other end of the field, at the Friona 13, by Jeff Lundy. Friona safety Mike Neill pulled up lame on the play, which was a factor in Dalhart being able to complete the long pass, a 77-yard gainer.

Two plays later, the Wolves converted the break into points by scoring a touchdown. This time the two-pointer clicked and Dalhart had a 14-7 lead with 4:57 left in the game.

"That pass (the 77-yard gainer) was an interception all the way. We had it played perfectly, but Neill pulled up lame. If we'd had the interception, we could've turned the game around the other way, but that's just one of several big 'ifs'," said Coach Tommy Moss this week.

Friona picked up its only first down of the second half with less than three minutes to play, then disaster struck in the form of an intercepted pass.

Dalhart was content to run out the clock, but the Chieftains, trying desperately to get the ball, used all their time outs, only to see the Wolves score another touchdown on a fourth

down run with 54 seconds left. The two-point conversion completed the nightmare fourth quarter and the game, with a final score of 22-7.

The Chieftain offense was hurt when Max Perea also suffered a knee injury early in the game, and didn't carry the ball afterwards.

"It was really a hard-hitting game. We thought Dalhart played their best game of the season, and the final score was not indicative of the closeness of the game," Moss said.

## Friona-Farwell Renew Old County Rivalry

One of Friona's oldest football rivalries was being renewed Friday night when the Chieftains hosted the Farwell Steers in their 1982 Homecoming game.

Friona and Farwell had met 45 times since 1928, when at that time the visitors were paired as Texico-Farwell. Friona led the all-time series between the two county rivals, 23 wins to 21 for the Steers and one tie, going into Friday night's game.

"Farwell has some talented individuals, and although we feel we have played the tougher schedule, we have been telling our players they have to do their best in order to win."

said Coach Tommy Moss this week.

For one thing, the Chieftains will have a patched-up lineup against the Steers. Starter Mike Neill suffered a knee injury against Dalhart, and was expected to miss the game.

Fullback Max Perea also hurt a knee in the tough Dalhart game, and was slated to play only on defense.

Farwell, which once led the intra-county series 17-9, has won only one game from the Chieftains in the last ten meetings between the two schools—that being in the 1980 winless season for Friona. The Chiefs lead, 9-1 since 1970 and 14-4 since 1963, when they began to turn the series around.

**PET SHOW WINNERS...** In the top row, left to right are Gary Cash, contest judge, and Stormi Upton (in the first photo); Christy Holland (center); and Allen Butman (right). In the bottom row are Cherry and Dara Wells in the first photo; Haley Herring and Terri Carson, in the center, and in the last photo, Gavin Ellis's dog, "Fred," tries to get friendly with a poodle.

## Help The Children-- Report Child Abuse

It doesn't take much--just a phone call. Lift a finger, report child abuse. You may save a child.

Child abuse is the intentional abuse of a child by an adult--usually in the home. It may be physical, sexual or emotional abuse.

In 1980, the Texas Department of Human Resources received nearly 50,000 reports of child abuse which were confirmed.

Fifty per cent of those who die of abuse and neglect are under age six.

As many as 85 per cent of the persons in prison for violent crime are believed to have been abused or neglected as children.

But maybe the most frightening statistic of all is the one that is unavailable: the number of children whose abuse was NOT reported.

All kinds of children are abused--rich and poor; infants and adolescents; black, brown, white; boys and girls.

Child abusers come from every level of society. Most were victims of abuse in their own childhoods. Some have special worries. Each has a problem, each is troubled.

If we can find out who they are, we can try to help. And by helping them, we'll be helping the children.

There is a child protection law in Texas. It says you MUST report child abuse. It's a misdemeanor if you do not. This is not to threaten you--it's to save children.

The law protects those who report child abuse, if the report is made in good faith. You don't even have to give your name.

The goal is to help the child, and, ideally, to help the parents become better parents. Until they do, it may be necessary to move the child to the safety of a foster home.

Please, lift a finger. To report child abuse, dial toll-free, 1-800-252-5400.

The bride's parents are Mr. and Mrs. Doyle Cummings of Friona. Parents of the groom are Mr. and Mrs. Wilfred Zerfas of Plainville, Connecticut.

Also, Robert and Thelma Mangold, Gerald and Doreen Mangold, Jack and Vicki

## Letter To The Editor

Dear Editor,

The United States has a two party political system. That is good because one party is in competition with the other and helps to keep government doing the will of the majority of people, at least most of the time.

Texas has traditionally been a one party State except for a few national offices. It has elected only one State wide office that I can remember in more than one hundred years, and that is Governor Bill Clements.

This year the Republican party has selected a set of State wide candidates who I think are well qualified for the office they are seeking. They are Jim Collins, for the U.S. Senate; Governor Bill Clements, for Governor; George Strake, for Lt. Governor; Bill Meir, for Attorney General; Mike Richards, for Comptroller; Allen Clark, for Treasurer; Fred Thornberry, for Commissioner of Agriculture; Woody Glasscock, for Land Commissioner; John T. Henderson, for Railroad Commissioner; John Bates for Supreme Court Justice and Ray Moses, for Court of Criminal Appeals.

I urge every qualified voter to investigate the character, past record and ability of each of the candidates and then vote November 2 for the one each feels is best qualified for the office he is seeking.

Frank Hinkson

Mr. and Mrs. Gary Bruce Zerfas

## James Craig Is County Spelling Bee Director

James Craig, principal of Farwell Elementary School, has been named to serve as Parmer County's Spelling Bee director for 1983.

The National Spelling Bee is sponsored nationally by the Scripps-Howard Newspapers and in the area by the Amarillo Globe-News and West Texas State University, Canyon.

Gene Parker, director of placement at the university, and bee coordinator, announces the continuation of the educational program for the 35th year for public and parochial school students.

Rules, established by the national sponsors, say that no student who will be older than 16 by June 1 of 1983, or in a grade higher than the eighth, will be allowed to enter, beginning at the classroom level.

Each director will set the date for his respective elimination event and report the winner(s) to the newspaper no later than April 9, 1983.

The district contest to be held in Amarillo on April 30, 1983, will include champs from a 45-county, four-state area. The Bee will be in the afternoon, beginning at 1:30 p.m. in the auditorium of Stephen F. Austin Junior High School, 1808 Wimberly.

In Amarillo all of the champs will be vying for a trip to Washington, D.C. for June, beginning on the 6th, plus other numerous gifts from the sponsors.

Once again the Amarillo Globe-News is making available the study book, "Words of the Champions" for 40 cents. The newly designed book, containing in excess of 3,000 words, plus 550 new ones over last year, is available to any principal, superintendent or contestant. The book is not available by mail in the City of Amarillo and the City of Canyon.

Orders should be addressed to the Spelling Bee Editor, Amarillo Globe-News, Box 2091, Amarillo, Texas 79166.

The 1981 and 1982 regional winners came from Clovis, N.M., representing Curry County. Jason Trobaugh competed in the national bee in 1981 and Chris Russell in 1982. Chris finished in 32nd place, among 112 national finalists.

The district sponsors also promote a Junior Bee for students in the sixth and lower grades. These county winners will be invited to Amarillo as guests of the sponsors on April 30 and will be given special recognition. It is not unusual for a Junior County winner to also claim the Senior County championship.

Jeane Bartlett is bee editor for the Amarillo Globe-News.

## Strake Talk

FROM YOUR NEXT LT. GOVERNOR

This may be my last column in this series. We began this column ten weeks ago, hoping it would be a success. And judging from the response of the readers, I would call it an unqualified success. The mail has been very favorable. The columns that drew the most response were those dealing with education of our children, the property tax issue, and the issue of Mr. Hobby raising funds for the ACLU to use in that organization's crusade against prayer in schools and in defense of pornographers.

I have made a point in these columns that Texans need a Lt. Governor who is in touch with the people he is supposed to serve. Mr. Hobby is clearly out of touch with the thinking of Texans, and, in my opinion ought to be retired.

Mr. Hobby's lack of understanding can be illustrated: Texans are overwhelmingly in favor of President Reagan's efforts to transfer power and responsibility back to the states. I agree that Texans can do a better job for Texas than Washington can. Mr. Hobby disagrees. The vast majority of Texans do not believe they ought to be forced to pay for the education of the children of illegal aliens. I have compassion for these children--but I must confess that I care

more for Texans who are faced with the burden of supporting their own children in hard economic times. Mr. Hobby disagrees. Most Texans think our Right to Work law should be incorporated in the Texas constitution. I agree here, too. But Mr. Hobby disagrees and has fought the effort. The list goes on and on.

The problem with continuing my column is a simple one--money. We originally budgeted for ten columns, and we have now reached that point in our budget. If we are successful in raising more campaign funds, you are likely to see more columns. I hope so, for this seems to be a good way to get the issues to the people.

These columns are needed. Without them Mr. Hobby will clearly avoid the issues and seek to confuse us with 30-second TV commercials created by his image builders. If you would like to see these columns continue and would like to help in that regard, please send your contribution. If you can't make a contribution, I assure you that your opinion will be equally important. Please write to me at Texans for Strake, 1213 W. 34th, Austin 78705. Let's keep in touch.

# Town Talk

By June Floyd  
Call 247-3681 With Your News Item

It is so good to be home again after an absence of two weeks. However, those two weeks were filled with fun and enjoyment. We drove to Central Montana with our middle daughter, Frieda, and her husband, Richard Dickson, and their five year old son, Brandon.

On the way up we travelled on Highway No. 385 from Hereford to Lamar, Colorado; then on Highway 87, Interstate 25 and another one or two to Lewistown, Montana.

During the eleven days we spent with Wes, Susan, Clint and Kory Phillips on the Phillips Bar Diamond Ranch, we visited, hiked, rode horseback and looked out the windows.

One morning a doe and a fawn spent several minutes real close to the house.

Some snow fell one day and the next morning the trees around the yard looked like they had been flocked. A sunny day followed, so the snow didn't last very long.

Just before sundown one afternoon we loaded into a four wheel drive pickup with a picnic supper and drove to the top of the highest peak in the Moccasin Mountains.

From the peak we could see Lewistown, Moore, Hobson and another town or two. In that area lights always indicate a town or

village. Enroute home we got off the beaten path a little bit and drove from Billings over to Laurel before turning south. We had a picnic lunch on the banks of the Yellowstone River and watched a group of students from Eastern Montana University in Billings inflate rubber rafts and begin a floating trip down the river.

We also visited the World's Largest Hot Mineral Spring, which is at Thermopolis, and toured the beautiful park which surrounds it. Even saw one buffalo calf in the park.

Before we reached Shoshoni we saw some of the most majestic scenery one can possibly imagine. The Wind River Canyon isn't very wide, but is one of the most beautiful drives I've ever taken.

We didn't go to Cody, but did see some flyers from museums over there. One of the featured attractions was a Ben Konis art show.

On the way up we spent several hours touring the site of the Battle of the Little Big Horn and the Custer Museum and other related attractions.

We always enjoy seeing the antelope in Wyoming. Hunting season was opening the day we were on our way home. Hunters were getting ready to go out from Douglas

early Friday morning and it really seemed that finding antelope would be no problem at all. Herds of twenty-five to forty were very numerous.

Having had about two weeks of beautiful weather is something we can think of to take our minds off the blustery days we've had since we returned home.

Jane Rushing, who recently moved from the Los Angeles area to Lubbock, spent last weekend in Friona. She's the daughter of Ruth Rushing and a sister of Eric's and George's.

Jack Clark, who has been a surgical patient at West Texas Hospital in Lubbock a couple of weeks or so, is at home.

Weekend guests in the Clark home were Mr. and Mrs. Joe Connally and sons of Midland, Texas. Mrs. Connally is the former Janice Clark.

Five new Friona residents now live at 1403 Columbia. They are Harry and Barbara Hutcheson and their three children. The Hutchesons first moved here about three years ago.

After moving from Kansas, the family lived at 1502 Columbia until they were transferred by Excel to Plainview. Now, they've been transferred back.

Oscar and Opal Baxter had a long weekend. They first went down to Colorado City, Texas, for a meeting of friends.

Then, enroute home they came by way of Hobbs, New Mexico, where they were guests in the home of Mr. and Mrs. Troy Young. They returned home Sunday afternoon.

Mr. and Mrs. Fred Pope of Idaho Falls, Idaho, and Mrs. Ella Duke of Colorado Springs, Colorado, arrived in Amarillo one day last week for a visit in the homes of Mrs. Leonard Pope, Mr. and Mrs. Smith Pope and Mr. and Mrs. John Moore.

On Sunday the Smith Pops, Ann Moore and Mr. and Mrs. John Sutton came down from Amarillo. They were dinner guests in the home of Mr. and Mrs. Watson Whaley. Another guest in the Whaley home was Mrs. Johnny Foster of Bartlesville, Oklahoma.

In the afternoon the Whaleys and their guests went to the home of Mr. and Mrs. Dennis Slagle and children, Jason and Jamie, for a birthday party honoring Mrs. Slagle.

Mrs. Whaley spent a couple of days early this week visiting in Amarillo. She and Mrs. Duke, a former Friona resident, are sisters.

Mrs. Ida Adams was dismissed from the local hospital Monday. She is recuperating at her home at 1301 North Main Street. Mrs. Bob Rule, Amarillo, a former Friona resident, has been visiting her mother this week.

Weekend visitors in the home of Mrs. Martha Bates were two of her grandchildren, Tracy and Dan Bates. Tracy, the daughter of Dr. and Mrs. Dwight Bates of Dallas, is a freshman at Texas Tech University in Lubbock.

Dan, the oldest son of Martha's oldest son, Philip, and his wife, Gretchwin, is a sophomore at Coronado High School in Lubbock.

Philip, a career man in the United States Air Force, is currently stationed in Korea. Gretchwin and the couple's six children are living in Lubbock.

Mrs. C.W. Wright and Mr. and Mrs. Gene Wright and daughter, Gena, attended a Scott family reunion in Lubbock Sunday. Also in attendance were Mr. and Mrs. Donald Loanman and children, Lee Ann and Wade of Plainview.

Scott and Judy Houston of Lubbock recently adopted a baby girl. Her name is Erin Virginia. The Houstons lived here several years before moving to the Hub City. He was the high school band director and she was an elementary teacher.

The Houstons have one son, David, who was born while they lived here.

When Mrs. Roy Lee Jones of Ruidoso, New Mexico comes to town, there's always a lot of fun, visiting, going and games. She's the former Charlene McFarland, youngest of the family of the late Mr. and Mrs. J.B. McFarland.

Her five sisters and one brother, who live here now, are Katie and Ilene Osborn, Gerry Taylor, Martha

Clements and Lora Mae McFarland, and her brother is Granville.

During the time she spent here recently, she rotated around from home to home and accompanied different family members out of town for an evening meal or two.

Anyone who knows the McFarlands, knows that when they're together they're making a lot of noise and having a lot of fun.

Rhnea White, a freshman at Angelo State University, San Angelo, Texas, was one of the former Friona High School students who spent last weekend visiting home folks.

Tommy and David Starks, who've lived in the Eastern part of the United States most of their lives, were here from Pennsylvania last weekend.

They accompanied their parents, Eugene and Merlene, to Texas for the Golden Wedding Anniversary dinner of their maternal grandparents, Mr. and Mrs. Tom Gibson.

The boys had been to Texas before, but were totally unfamiliar with maize and cotton ready for harvest. What did they take home to show their friends?

If you guessed maize and cotton, you guessed right. They were as intrigued with our ordinary crops as Texans would be with a bale of tobacco leaves.

COMBINED AGES OF SISTERS IS 181 YEARS....Mrs. W.C. Wilkerson and Mrs. Ida Adams are the only living daughters of the late Mr. and Mrs. J.W. Hatcher. Mrs. Wilkerson, left, observed her 98th birthday Thursday, September 23. She was born in Denton County, Texas near Grapevine. Her sister will be 94 on March 10. **WHY SUNGLASSES OVER CONTACT LENSES?**

Contact lenses normally increase a patient's sensitivity to light...especially bright sunlight as found here in the Southwest. This is simply because a contact lens permits more light to enter the eye since there are no restrictions of a spectacle frame, etc. Therefore, good sunglasses are advisable to wear over contact lenses.

Another reason for sunglasses over contact lenses is merely to protect the eyes from sand and dirt when outside. This makes sense in our area whether you are wearing hard or soft contacts. Even if your contacts are tinted (as are most hard contact lenses), a good "plano" (No prescription) pair of sunglasses is a good investment.

Because of the altitude, the many sun-shiny days, and the angle of the sun in our area of the country, we are subjected to large amounts of ultraviolet and infra-red radiation. Ultraviolet and infra-red radiation have been shown to cause cataracts. To reduce the chance of getting an overdose of this type of radiation and the resulting cataracts, we recommend to all our patients that they have a good pair of sunglasses. This is especially true for all of our farmer or rancher patients.

This message is brought to you in the interest of better vision by Drs. Armistead and Smith, Optometrists, Littlefield, Texas.

## Prairie Acres Party Line

Prairie Acres celebrated its sixth anniversary during Maize Days.

On Wednesday, September 15, an open house was held at the facility. Cookies and ice cream, made by the residents of the home, were served. A lot of visitors were present and a good time was had by all.

The residents set off helium balloons with notes and addresses attached to them. We are looking for responses to the notes real soon.

Glenda Sifford was presented a five year service charm. She is the food service supervisor. We really enjoy her good cooking and sense of humor. She's always ready and willing to help with everything around here.

Mr. A.G. White was the Grand Marshal in the Maize Days parade. We're real proud of him. He's 102 years old.

We want to take the opportunity to thank each and every one of our

volunteers and friends for their time, support and money donations. We've received everything from money to watermelons and okra. We appreciate you all.

Our birthdays this month were Mona Smith, Mary Beavers, Ruth De Hart, Bill Wilcox and G.A. Bandy.

October birthdays are Mary Cross, Mary Ruther, Bessie Boatman, Alta Latham and Claude Blackburn.

Our new residents are Rose Carpenter from Bovina, Artie Smiley, Ada Houser, Claude Blackburn and Maggie Tims, all of Friona.

We are glad to have Nora O'Brian on our Board of Directors and want to extend our appreciation to Jo Buchanan whose term on the board expired. We always give them our vote of confidence and praise them for the fine job they do. They serve us without pay and devote many hours of service.

Electricity is vital to our food supply. A full 16.5% of the energy consumed in the United States is used in the production, processing and distribution of food. Additional electricity is used by businesses like farm equipment dealers and feed suppliers who depend on agricultural sales. Managing electricity wisely helps the farmer, the utility company and each of us, since the cost of electricity directly affects the price we pay for food at the supermarket.

Sam Thomas, Agricultural Development Manager, Amarillo.

Air leaks in your home can increase your yearly electric bill by 20 to 40%. Air can enter your home through cracks around doors, windows or any other place where two materials or parts of the house meet. To find air leaks around your home, wait for a windy day, then turn off your furnace or air conditioner. Hold a small piece of tissue or a candle next to cracks around windows and doors. If the tissue or candle flame flutters, leaks are reducing your home's energy efficiency. Weatherstripping and caulking can help plug these leaks and save you money, too.

Helen Hernandez, Order Clerk, Carlisbad.

Caring properly for portable appliances improves their safety and efficiency. Always plug an appliance cord directly into a wall outlet, rather than into lightweight extension cords. Unplug the appliance immediately after use. When disconnecting an appliance, pull the cord plug from the outlet first, then remove from the appliance. Always grasp the plug itself; do not pull on the cord. When cleaning portable appliances, first check the instruction book to see if the appliance is immersible. Then wash it with hot sudsy water and rinse and dry thoroughly. And always read the instruction book before using an appliance for the first time.

Joy Parnell, Consumer Service Representative, Lubbock.

**Harvest Hoe Down Squash**  
 Squash meat is yellow to orange in color. This is a good indication of high levels of vitamin A. Winter squash is also low in calories with only 40 calories in a 3 oz. serving. Another desirable nutritional feature for this golden squash is its low sodium level. Squash contains calcium and iron both essential minerals for the body.
