Star Lites By Bill Ellis

THE LONG BATTLE over the federal budget ended on Thursday this week with yet another victory by President Reagan, who won his biggest political battle since taking office.

Opinions on the proposed budget, which contains \$100 billion in additional revenues over the next three years, have been sharply divided.

Even some members of President Reagan's own Republican party desserted him on the recent issue, claiming that the tax increases went against the cutbacks which the President had promised to make.

However, in the final analysis, the president was able to convince a majority in both houses of congress that the additional revenue is necessary in order to help cure the nation's ills. The budget as passed still contains massive cuts in some welfare programs.

So, at least President Reagan has been able to make a start toward a balanced budget, even though he had to "strike a compromise" on the new budget.

Like most taxpayers, we did not agree on every portion of the budget which the congress approved this week. Though personally I'm not a smoker, I feel sure that those who do are thoroughly opposed to the doubling of the federal tax on cigarettes.

As a businessman, we were against the cutbacks to tax advantages which some small businesses have needed in order to keep operating. We also felt that the decision to make an automatic 10 per cent deduction from the interest income on savings accounts, certificates of deposits, etc. will do little to encourage saving, at the same time if the procedure will generate the amount of revenue from those the leaders felt were not paying their just taxes, then perhaps it will be a good law. This remains to be seen.

You have to admire the president for the fact that he realized that his all-out "supply side" economics platform was just not getting the

economy turned around.

And, as bad as you hate to admit it, the fact remains that without a certain amount of federal money being pumped back into the local economy through certain programs, these local areas were facing hard times ahead.

President Reagan, in orchestrating the passage of the federal budget, has proven to be one of the most popular leaders our nation has had, from among our recent presidents. Reagan is basically an honest man, and it is apparent that the nation's citizens trust his judgement on the vital issues, enough even to "bite the bullet" and accept some tax increases for the next few years, at a time when the economy has been floundering to some extent.

wife CAROL and YE EDITOR having helped judge the Miss Hereford pageant last weekend in Hereford, was a reminder that our own Maize Queen pageant is right around the corner.

In fact, those businesses, clubs and organizations who plan to enter contestants in the pageant only have about eight working days to get their contestant entered.

Chairman Helen Lewis has some new ideas for the 1982 pageant, and from what we have heard, she has the betterment of the pageant in mind. So-call the Chamber of Commerce office, or stop by and get an entry blank. If you don't have a contestant in mind, call and tell them you will sponsor a girl.

Young ladies wishing to enter may also call the Chamber office, and the Chamber secretary will do her best to get the girls and sponsors together.

SCRIMMAGES SLATED

Chieftains Eye Improved Team

The Friona Chieftain footballers, charged with a new enthusiasm they developed during the second half of the 1981 season, were to scrimmage the Bovina Mustangs at Bovina on Friday, in the first scrimmage of 1982.

According to Coach Tommy Moss, the Chieftains were ready to hit someone "outside the family" for a change, and were eagerly awaiting this chance to see what they could do in at least simulated game conditions.

The Chieftains, with seven defensive and six offensive starters returning, have been picked preseason to finish second in an expanded District 2-AAA. The team the experts have predicted to finish first, not surprisingly, is defending champion Littlefield.

But Coach Moss has to feel a lot better heading into his second season at the helf of the Chieftains. When he arrived in 1981, the challenge was clearly spelled out. The Chiefs had lost 17 consecutive football games in their previous two seasons.

After finally turning the streak around in the fourth game of the season, Friona footballers won five of their last seven games, tying for second as a reputable district challenger, and finishing with a 5-5 season record.

"We first had to learn how to win. It's tough to do that when you've lost 20 in a row. But the kids learned how to win in 1981, and we should be a lot more competitive this season," Moss says.

For one thing, the Chieftain head man is blessed with a considerably better roster than he had to work with a year ago.

"In 1981, they told me I had seven starters coming back, and I thought, "Well, that's not too bad," but it turned out that three of those guys were gone by the time football started, so I only had four," Moss recalls.

Among the offensive starters back for the Chieftains are center Roddy

Benefit Game Set

A benefit football game will be held during the Maize Days celebration, with proceeds going to

Girlstown, U.S.A. at Whiteface.

The game will pit the Parmer County Law Enforcement Officers vs the Friona Coaches and Teachers, and will be held on Saturday, September 18 beginning at 8:30 p.m. at Chieftain Field.

Admission will be \$1 at the gate. Those wishing to donate to the project may send their donation in care of officer Lindel Davis, Friona Police Department, P.O. Box 511, Friona, Texas, 79035.

Berend, guards Carl Jackson and Martin Lopez, tackles Mike Chaney and split ends Eloy Caballero and Richard Malouf.

Defensive starters returning include tackle Juan Sammarron, defensive end Michael Deaton, linebackers Max Perea and Carl Jackson, safety Mike Neill, rover Jeff Lundy, and two players who split starting time at corner back, George Richardson and Bruce Patterson.

The 17 returning lettermen boasted by the Chieftains are the most by any district team.

Also back is runningback Mark Montoya, who also is the team's place-kicker, and lettermen David Hough, a senior defensive end, and Conrado Perez, fullback-linebacker.

Although the team lost its starting backfield, it has a wealth of talent up from the junior varsity, including junior quarterback Charlie Veazey, running back Charlie Morgan and fullback-linebacker Reese Fleming.

Up until last year, finishing second in district only gave you bragging rights over the third-place team. This year, the top two teams in each district earn the playoffs. So, the predicted second-place finish would not be too bad a deal.

But for the present, Coach Moss and his chargers were eyeing their opening scrimmage. The first official game is September 3 against River Road in Amarillo.

Deadline Nears For Two Events

Those interested in having an entrant in either the Maize Queen Pageant or Friona Little Miss Pageant were reminded this week that the deadlines for entering contestants in the events are rapidly approaching.

Deadline for entering the Maize Queen event is September 1. Deadline for entering a Little Miss is September 3.

Those either wishing to sponsor a contestant in either event or wishing to enter are requested to call the Chamber of Commerce office, 247-3491 for assistance.

There will be a team roping contest sponsored by the Friona Roping Club on Saturday, September 18 as a highlight of Maize Days. Entry fee of \$42 for four head will be charged.

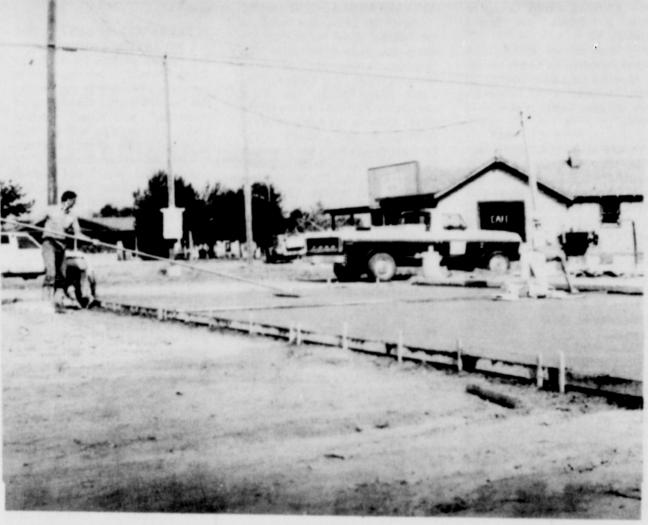

It was announced this week that the color guard for the Maize Days parade will consist of a member from each troop of Friona Boy Scouts, Girl Scouts, Cub Scouts and Brownies.

The Boy Scouts plan to have a float in the parade and Scouts will march beside the float.

American Heart Assn. also plans to have an entry in the parade.

NEW MANAGER....Bobby Moore, left, of Moore's Jack and Jill Super Market, is shown welcoming Darrell Alexander as new manager of the Friona store. Alexander comes to Friona from Pampa.

CONSTRUCTION SITE.... Work continues on the new Allsup's store on East Highway 60. The building's foundation was laid this week, and

other concrete was being poured. Construction on the building proper is expected to progress rapidly in the coming days.

School Begins In Friona On Monday

The 1982-83 school term will begin for youngsters in the Friona Independent School District on Monday, August 23. Buses will run their regular schedule beginning Monday. As usual, classes begin at 8:45 a.m., and dismiss at 3:45 p.m.

High school students registered on Friday for the new term of school. Students in kindergarten through the eighth grade will register on the first day of school.

Students new to the system are asked to bring immunization records and report cards or official records from their previous school.

Parents are reminded that Texas law requires all students to be immunized for polio, rubella, rubeola and diphtheria. Also, the mumps vaccine is required for all children under nine years of age.

"The school will definitely enforce

the laws regarding immunizations, and parents are strongly urged to have these updated prior to enrollment," Superintendent Tom Jarboe said.

An adjustment in school lunch prices was announced by Jarboe. "The school board had quite a discussion concerning the cost of operating the cafeteria. We were losing money on lunches by the end of spring, and the board felt that rather than subsidize the cafeteria through taxes, a rate increase would be best," Jarboe said.

The new lunch rates wil be as follows: kindergarten through fifth grade, \$1.10 per day; sixth through eighth grade, \$1.15; high school, \$1.25. "We strongly recommend that parents pay for the lunches on a monthly or at least a weekly basis, as this cuts down considerably on the

City Sets Swim Fete

The City of Friona announced this week a back-to-school "teen night" at the swimming pool Saturday, August 21, featuring free swimming and free hot dogs.

The special event will begin at 9 p.m. and run through 1 a.m. Sunday, according to Jerry Lewis, city manager.

The Friona Municipal Swimming Pool will remain open on a daily basis until school opens. It will open on weekends August 28-29, and the Labor Day weekend, September 4-5-6, will be its last regular weekend.

extra bookkeeping chores the teachers must perform," Jarboe said.

Breakfast prices are 50 cents for kindergarten through eighth grade, and 60 cents for high school.

Afternoon milk for kindergarten through second grade is 20 cents.

As announced last week, students in the first eight grades are asked to report as follows:

Kindergarten: report to north entrance of Primary Building; first grade: south end of Primary Building; second grade: new wing of

Speed Zone In Effect

The Friona Police Department reminded residents this week that beginning Monday, and continuing each weekday during the school year, the speed zones will be in effect, and will be enforced by the police department.

"Please pay attention to both the zone on Highway 60 and the one on Main Street," said patrolman Lindell Davis. Motorists are also urged to keep a watchful eye out for students elsewhere, as they begin the trek back to school.

grade school building, using north entrance (behind cafeteria) on Cleveland Street.

Third grade: west entrance off Cleveland Street; fourth grade: east of grade school off Euclid Avenue; fifth grade: south (main entrance) of Grade School.

All students will be met and shown where to report to their home rooms.

Students in grades six through eight are asked to report to the auditorium when they arrive at school the first day.

A number of the teachers are new to the Friona school system this fall, or began at mid-term last school year. The new teachers include:

Trudy Browning, kindergarten bilingual; Ruth Ammons, elementary physical education; Donald Herbert, girls basketball; Peggy Eilene Hill, eighth grade earth science; Jan Parker, fifth grade.

Also, Jim D. Parker, band director; Elva Zane Polson, assistant band director; Charlene Shafer, high school LLD; James Warren, administrative assistant; Jane Dixon, junior high

Also, Donna Williams, elementary title I reading; Rhonda Murphree, high school math; Kenny Austin, junior high coach; Kay Snead, tutorial math; Geneva Vasquez, special education aide; and Ella Snodgrass, kindergarten.

COMPARING NOTES....Stan Miller and David Small, Friona High School students, are shown comparing class schedules as they registered Friday morning for the 1982-83 school term. School bells will ring out for all Friona students on Monday, August 23.

Friona Flashbacks

....from the files of The Friona Star

50 YEARS AGO-AUGUST 26, 1932

Graduate students at Texas Technological College's summer session elected officers for the coming year at a meeting recently. George A. Heath of Friona was named president.

J.J. Horton is receiving the congratulations of his friends here on his appointment to the position of general manager of the Henneman Grain and Seed Company elevator in Friona.

40 YEARS AGO-AUGUST 21, 1942
Pfc. John W. Blackburn, son of Thomas E. Blackburn of Friona, this week was accorded recognition on the Roll of Merit at this large school of the Army Air Forces Technical Training Command. He is a student in the Advanced Mechanics Division Course at Chanute Field, Illinois. Each week at this Army post, where technicians for the Army Air Forces are trained, men showing outstanding achievement in academic work and soldiery bearing are chosen for

the Roll of Merit.

Guests in the C.W. Dixon home in the Rhea Community during the past week were Mrs. Rose McLean of Dimmitt, mother of Mrs. Dixon, Mrs. Emma Duncan of Assumption, Illinois, and Mrs. Wesley Anthony of Big Square, sister of Mrs. Dixon.

35 YEARS AGO--(Entire 1947 issue missing from

Star files.)

30 YEARS AGO--AUGUST 21, 1952 One of the outstanding events of the summer social season was the recent stag shower given for Tim Magness, groom-elect of Miss Dorothy Guinn. Joe Osborn, G.B. Buske, Sloan Osborn, A.L. Black and Claude Osborn were hosts for the affair, given in the home of Sloan Osborn. A skit entitled "The Honeymoon Is Over" was presented by A.L. Black as the bride, and G.B. Buske as the groom. The honoree was presented with a violet corsage of gladioli and rainbow ribbon. Twentythree guests enjoyed games and refreshments to round out a most stimulating evening.

25 YEARS AGO-AUGUST 22, 1957

The formal opening of the HiPlains Savings & Loan Association
will be held from 1 to 5 p.m.
Saturday, August 24, in the
Association's home office at 128 East
Third Street in Hereford. The open
house will officially open the firm for
business.

Fred Mathis, district manager of General Telephone Company of the Southwest with offices in Littlefield, reports that local telephone service should be "much better in the near future." The current difficulty experiences in reaching the operator is due to the preparation for conversion to dial operation in Hereford, he says.

20 YEARS AGO-AUGUST 23, 1962 A total of 44 boys reported for the

A total of 44 boys reported for the first football workout for the Friona Chiefs Monday morning. We're extremely pleased with the number that has come out, as well as the spirit evidenced," said Coach Kenneth Miller, who jokingly added, "You might say that we showed an increase of 7,000 per cent over last year."

Bob Crozier, Work Unit Conservationist for Parmer County's Soil Conservation District for the past four years, has resigned his position with the Soil Conservation Service effective September 1.

15 YEARS AGO-AUGUST 24, 1967
Mary Rando, Friona youngster
who already made quite a name for
herself with her recitation of "I Am
The Nation," was informed this past

week that she and her recitation had been made a part of the Congressional Record by Congressman Bob Price.

Gary Murphree and Johnny Mars, Friona youngsters involved in an automobile accident on August 13, continue to improve, a check with Northwest Texas Hospital revealed early Wednesday.

A hearing on August 9 at the City Hall brought the Highway 214 overpass and road widening project a step closer as two of the last three remaining parcels of right-of-way were disposed of. Only one parcel of land remains to be purchased, a parcel outside the city limits belonging to B.G. Rule, and the project would be ready to be submitted to Austin by Resident Engineer Rhea Bradley for contract proceedings.

5 YEARS AGO-AUGUST 21, 1977
Sharla Benge, Friona's reigning
Maize Queen, will represent the city
in the 31st annual Wheatheart of the
Nation pageant, Saturday in
Perryton. Sharla will be a senior this
fall at Friona High School. She is the
daughter of Mr. and Mrs. Stanley
Benge.

ATTENDS SEMINAR....Bill Stovell (center) of Hi-Pro Feeds, Friona, recently participated in a business seminar on economic conditions in the animal health industry at the world headquarters of MSD AGVET in Rahway, New Jersey. With Mr. Stovell are MSD AGVET executives John J. Linney (left) Executive Director, U.S. Operations, and Dr. Hilmer L. Jones, Vice President, North American Operations. MSD AGVET is the animal health and agricultural division of Merck & Co., Inc., a worldwide organization engaged primarily in providing products and services for the maintenance or restoration of health and the environment.

Bill Ellis, Editor & Publisher Vickie Copley, Production Supt. Lisa Howell, Advertising Laura Nell Coffey, Bookkeeper Funeral Home of Hereford with Rev. Clarence Powell, pastor of Trinity Baptist Church officiating.

Burial was in West Park Cemetery of Hereford.

Born August 17, 1902 in Cleburne, she moved to Deaf Smith County in 1918. She married Eb Martin June 19, 1924 in Hereford. He preceded her in death on January 18, 1947. She was a member of Greenwood Baptist Church. Mrs. Martin died Thursday, August 12 in Parmer County Community Hospital in Friona after a lengthy illness.

Survivors include one daughter, Melba Jean Hudson of Friona; two sons, Ebb Martin, Jr. of Weatherford and Johnny Martin of Hereford; one brother, Fred Bailey of Fort Worth; one sister, Alma Martin of Hereford; nine grandchildren and eleven greatgrandchildren.

Grandsons served as pallbearers.

Splashdown Set August 21 For Readers

Members of the 1982 Summer Reading Club who have read at least ten books and who have received their certificates will be allowed to swim free Saturday, August 21 at the local pool anytime between the hours of 1 and 9 p.m.

The splashdown swim is being jointly sponsored by the Friona Public Library and the City of Friona. A checklist of those eligible will be at the door, just tell them you're a library swimmer. "Thanks for reading with us this summer," said a spokesman from the library.

Team Roping Winners Given

Two team ropings were held at the Friona Riding Club arena on West Highway 60 on Friday, August 13.

Sixteen teams participated in the first roping. The team composed of Lloyd Lejan and Button Shugart won both the first go and the average. Their time for the first go was 8.80

and their time after 4 head was 43.1.

Fifteen teams took part in the second roping. The team of Brent Johnson and Tom Johnson won the first go with a time of 8.04. The team made up of Lloyd Lejan and Button Shugart won the avearge. They were the only team left at the finish of the second go. Their time was 22.07

second go. Their time was 22.07.

Jim Tucker announced both ropings. The cattle were furnished by Carl Alford.

Judy Cummings Is President

Judy Cummings has been elected president of the Gateway Association of the National Association of Life Underwriters. Gateway Association is made up of several counties in Eastern New Mexico and West Texas.

Elected to serve with her for the coming year, 1982-83, are: Robert Giebitz, first vice president; Julian Guerra, second vice president; Jeffrey R. Baum, secretary-treasurer; W. Larry Erwin, national committeeman; Gary L. Smith, education chairman; W. Larry Erwin, legislative chairman; John D. Atchley, lupac chairman; Harold Cast, public service chairman; Royce D. Newman, RQA chairman; Royce D. Newman, public relations chairman; and Dale Shaw, health chairman.

Board members are Royce D. Newman, William E. Wilhite and John D. Atchlev.

She attended the Association Leaders Congress in Albuquerque recently. Also attending were Royce D. Newman, Robert Giebitz and

The Gateway Association meets every third Monday at La Villa Restaurant in Clovis for a noon luncheon and business meeting. Frank Moller, with Midland Life. was guest speaker this month.

All Professional Life Underwriters are invited to be with the group on September 20 at 12:45 p.m. (Texas Time) at La Villa.

AAM Meeting Is Announced

The American Agriculture Movement, Inc. of Texas, Districts I and II are having a joint meeting in Plainview, Texas on August 26. The meeting will start at 8 p.m. at the Hail County Ag Center.

The main speakers will be Gerald McCathern, the 1979 National Tractorcade Wagonmaster; David Senter, National Director of AAM Inc. of Washington D.C. will be in attendance to give a legislative update. Marvin Meek, National AAM Chairman will speak at this most important meeting.

Everyone is urged to attend this very important meeting.

JUDY CUMMINGS

DKG Workshop To Be Held In Friona

Some 200 members of Area XI, Alpha State of Delta Kappa Gamma Society International will participate in a biennial training session workshop to be hosted by Iota Eta Chapter, Parmer County, Saturday, August 28 in Friona High School.

Registration is scheduled at 8:30 a.m. Lynn Roberts of Farwell, president, will conduct the business session beginning at 9 a.m.

Local Lions Clubs To Sponsor Game

The Friona Noon and Evening Lions Clubs, in association with the other 66 Lions Clubs of District 2-T1 have announced the sponsorship of the First Annual Lions Charity Game. Set for Sunday, September 26, at 2 p.m., at Kimbrough Memorial Stadium in Canyon, the game features the West Texas State University Junior Varsity playing the Panhandle State University Junior Varsity.

All proceeds will benefit Girlstown U.S.A., the Hi-Plains Eye Bank, Texas Lions Crippled Children's Camp in Kerrville, as well as local club projects.

According to Joe Wilhelm and Sam Mears, chairmen of the project, members are currently seeking advertisers for the game program and selling tickets for the game. Ticket price is \$2.00 per person, and is tax deductible

"Through the cooperation of W.T.S.U., we have an excellent opportunity to help three very worthwhile organizations through support of this game," stated Wilhelm and Mears.

Girlstown U.S.A., campuses in Borger, Austin, Lubbock, and Whiteface provides home and group living for 140 deserving girls throughout the country from infancy to maturity.

The Hi-Plains Eye Bank is an organization formed to collect human eyes and distribute them to hospitals and doctors for grafting, transplant or research. The Eye Bank does free glaucoma screenings, conducts enucelation courses, maintains donor card files, and gives educational programs to area clubs and organizations on eye conservation.

The Crippled Children's Camp in Kerrville provides educational rehabilitative services to handicapped children and blind adults. During calendar year 1982, a total of 3,350 people have been helped through the camp. Texas Lions provide 80 per cent of all funds for the camp's operation.

further For information concerning Lions Club work or Charity game ticket or advertising information, see any local Lions Club member, or call Wilhelm or Mears.

By GLENDA ELLIS Reporter

The Friona 4-H Club met Monday night from 7-8:30 p.m. Twenty-six people attended the meeting.

The group started off the new year by electing new officers. The new officers are Melanie Gallman, president; Shain Rhodes, vice president; Shelly Salyer, secretarytreasurer; Glenda Ellis, reporter; Devera Rhodes, council delegate and Dara Wells, alternate.

The group spent the rest of the evening playing games.

luncheon with Ruth Williams of Austin, Alpha State president, as keynote speaker. Luncheon reservations must be received prior to registration. Contact Faye Reeve. 1606 West Tenth, Friona.

Mrs. Williams, retired school principal, is the author of "Proudly She Serves." A graduate of Texas A&I in Kingsville, she has a master's degree from the University of Texas and has done work on her PhD.

She will be assisted by Area XI coordinator, Peggy Tooker of Abernathy, Circulation Librarian at Texas Tech University.

Morning training sessions will be conducted to prepare officers and chairmen for their responsibilities over the next two years. Leaders will be Ruth Williams, Austin, presidents-Edyth Jackson, Pampa; program-Dorothy Roden, Spearman; research-Christine Gitson, Amarillo; professional affairs-Jane Westberry. Canyon; personal growth and services-Hazel Brown, Crosbyton: membership-Joyce Tyer, Center; finance and treasurer-Lucy Fay Smith, Muleshoe; ceremonials-Bavousett, communication-Margaret Hereford; achievement awards-Jo Anne Jollet, Amarillo; world fellowship and scholarships. A second session will be offered by the

group September 18 in Childress. Delta Kappa Gamma Society International is a society that honors key women teachers. Membership is gained by invitation.

One of the purposes of the society is to endow scholarships. Fifty-two were granted in the past year in the amount of \$49,000.00. Twelve of the fifty-two were for work toward completion of doctorial studies. The monies are obtained from twenty four different foundations and are available yearly. Three Area members are recipients of scholarships this Also fifteen Foreign Fellowships were granted by Delta Gamma International. Another purpose is to inform members of current economic, social, political and educational issues so they may become intelligent functioning members.

Carpool Service Is Available For WT Students

With assistance from the West Texas State University Student Activities Council, commuter students in the Panhandle area may save money.

SAC will provide a carpooling service to match commuters from area communities to WTSU. Applications will be available at the carpool-Children's Center table during registration for the fall semester on Wednesday, August 25, at the Activities Center or at the Activities Center information desk.

To be grouped in a carpool for fall classes, the students must return the applications to the Activities Center by Wednesday, September 1.

Forms will be processed and commuters will receive information about other commuters to WTSU from their area.

The service last year provided carpool information to students from Amarillo, Dumas, Borger and Dimmitt, in addition to other communities, said Teresa Brockman. a SAC student coordinator.

Information concerning the service may be obtained from the Activities Center.

Comedy Opened In Amarillo On August 18

Early To Bed, a comedy that brings a wealth of healthy "early-to-rise" laughter to audiences, opened Wednesday, August 18, at Amarillo's

Country Squire Dinner Theatre. Star of the show is Peter Lupus, who for seven seasons played the brawny Will Armitage in the television series Mission Impossible. The series is being shown at present in

88 countries around the world. A body-building enthusiast, Mr. Lupus is a former "Mr. Indiana," "Mr. Hercules" and "Mr. International Health." In 1974 he was honored by Sigma Chi Fraternity as "A Significant Sig." Playgirl Magazine voted him "Man of the Year," and he was also voted Best Built Actor by the World Body Building Guild.

Lupus recently completed taping 130 half-hour TV shows called "Peter Lupus' Body Shop," and is the author of a book, "Peter Lupus" Guide to Radiant Health and

Early To Bed, starring Peter Lupus, will be on stage at Country Squire, I-40 and Grand in Amarillo, through September 12. Performances are Tuesday through Sunday evenings each week, with buffet food service beginning at 6:30 p.m., followed by a musical revue by the Country Rogues. Curtain time is 8 p.m.

Lazbuddie School Term To Begin Next Monday

Lazbuddie I.S.D. will begin the 1982-83 school term, with teachers reporting Wednesday, August 18. Students will register and classes will begin August 23, 8:25 a.m. The school buses will run their regular routes Monday morning

LHS will have one new faculty member. Craig Terry will be teaching industrial arts and serve as assistant coach. Terry is a 1982 graduate of Eastern New Mexico University, with a major in industrial arts and minor in physical education. One other person will be new to the staff, Mrs. Keihm (Gina) Smith will be high school principal secretary and Title I teacher aide. Mrs. Smith is a graduate of Muleshoe High School, completed two years at Texas Tech University and a course at American Business College.

The returning staff includes Sam P. Barnes, superintendent of school; administrative Gloria Elliott, secretary.

Returning High School teachers will be Toby Booth, High School principal and girls basketball coach; Terry Campbell, head coach and math; Hardy Carlyle, English and physical education; Carl Glass, history and boys basketball coach; Elizabeth Queener, science and Junior High; Francis Campbell, English and Junior High; Cassandra Cargile, home economics; Ricky Copp, vocational agriculture; Carl Wilke, band; Sharon Tate, business and Title I; Pat Seymore, health and Title I; Dennis Owen, computer inst. and Title I; Robin Glass, library aide.

Elementary staff members are: Charles Beam, Elementary Principal and math; Allene Pitcock, kindergarten; Adeana Carlyle, first grade; Rhonda Buie, second grade; Patricia Spencer, third grade; Hester

Barnes, fourth grade; Debra Hall, fifth grade; Linda Welch, sixth grade;

Alice Barber, Title I migrant and special education; Jerry Stickrod, LLD special education and physical education; Leona Crenshaw, Title I migrant aide; Cathy Everett, special education teacher aide; Carolyn Flores, Title I aide and principal's secretary.

Other staff members include: Leonard Elliott, bus mechanic; Pablo Mendoza, Celia Mendoza and Ray custodians; Lueras, Gregory, lunch room director; Robbie Davis and Bertie Faye Copeland, lunch room cooks.

Comments Sought For Grain Program

Secretary of Agriculture John R. Block has called for public comment by August 26 on provisions of the 1983 feed grain program, the details of which must be announced by November 15. Block said he plans to announce the 1983 program well in advance of the November 15 statutory deadline.

Grain Sorghum Producers Association, the national organization of sorghum farmers, has recommended the following provisions:

I. A minimum of 20 per cent acreage reduction composed of: A. 10 per cent set-aside; B. 10 per cent paid diversion with payment levels high enough to get 80 per cent participation.

II. Loan levels at 90 per cent of the estimated national average cost of production, including land costs.

III. Immediate entry into the farmer-held reserve program with reserve loans set at the national average cost of production (including land costs) with release levels no less than 115 per cent of the cost of production.

Grain Sorghum Producers Association (GSPA) believes the 1983 feed

grain program should be aimed at stabilizing grain prices so a farmer can again have the potential to earn a profit on his crop. The current program will permit a profit only in the event of a worldwide crop failure.

Any time there is an estimated two month's carry-in supply of grain, prices will be at, or below, the established CCC loan plus carrying charges. History of the past twenty years shows that, in the absence of a loan level at the cost of production, the market price exceeded the national average cost of production only when the supply dropped to a one month's supply carryover. ("Carry-in supply" and "carryover stocks" refer to stocks left over at the end of the marketing year. A "month's supply" is the total amount expected to be consumed in one

The U.S. had a three and one-half month's supply carryover of corn and sorghum at the beginning of this marketing year (October 1, 1981) and prospects are that the amount will increase with the 1982 harvest. Prices are well below the loan and even further below the cost of production.

GSPA states that it will be necessary to reduce the total combined carryover of grain sorghum and corn to less than 700 million bushels (one month's supply) before farmers can expect any profit from market prices. This can be actieved only by a program designed to take land out of production, and it must be attractive enough to assure participation. Diversion payments and higher loan levels are necessary.

It is a known fact that Government costs will be less than an adequate diversion program and higher loans. The Congressional Budget Office studies have shown that it costs the government less to pay diversion payments than to pay storage and interest on grain in the loan and

GSPA believes it is in the national interest to have a strong and healthy agricultural economy. A farmer's economic situation is healthy only when he can make a profit.

SCHOOL TIME.... The 1982-83 school term begins in Friona on Monday. Motorists are reminded to be on the lookout for school children, and also that the speed zones on Main Street and Highway 60 will be enforced

beginning Monday. Motorists are also reminded to stop for children at the crosswalks, which will be manned by crossing guards during the preschool and after school periods.

WHILE THEY LAST

Attention Friona and Bovina Customers:

GTE has opened a new local service facility at Winner's Choice, 701 Main Street. This facility is designed to provide a convenient location for you to conduct business with GTE, all in one place. This facility will be open 9:00 a.m. to 5:00 p.m. Monday through Saturday.

Now you can shop for phones, apply for new service or additional service, pay your phone bills, and initiate any needed repairs. Should you have to discontinue service, you can save on your final bill by returning your phone to the phone company.

If you have another bill paying location in your town, you may still pay your bill at that location.

We know this facility will allow GTE to better serve your individual needs and we invite you to come do business with us.

Rites Set Saturday For W. Cochran

Funeral services for Walter A. (Shorty) Cochran are scheduled for Saturday at 1:30 p.m. (MDT) at the Highland Baptist Church in Clovis,

Cochran, 63, died Thursday at Clovis High Plains Hospital.

Funeral Services for Walter A. (Shorty) Cochran, 63, are scheduled for Saturday at 1:30 p.m. at Highland Baptist Church in Clovis with Rev. Dale Howard officiating.

Cochran died Thursday, August 19 at the Clovis High Plains Hospital. Burial will be in Texico Cemetery, under the direction of Steed-Todd Funeral Home.

Cochran was born November 8, 1918 in San Angelo, and graduated from Corona High School. He married Lottie Snell December 21, 1939. She preceded him in death.

Cochran had lived and worked in Friona from 1957-82. He was a mechanic.

He married Dorothy Ryberg June 4, 1982 and had lived in Clovis since that time. He was a member of Highland Baptist Church.

Survivors include his wife Dorothy of the home in Clovis, his mother, Mrs. Annie D. Cochran and a sister, Ona White, both of Los Lunas, N.M., three daughters, Jerre C. Burch of Baton Rough, La., Lou Ann Soefje of Austin and Kay Cochran of Amarillo.

Also surviving are three step-sons, George Ryberg of Prescott, Az., Bruce Ryberg of Denver, Colo. and Duane Ryberg of Tucson, Az. Twelve grandchildren also survive.

Rites Held Friday For M.L. Drager

Funeral servies for M.L. Drager, 79, were conducted in Clovis Friday afternoon at the Steed-Todd Chapel. Rev. Bob West officiated. Burial was in the Bovina Cemetery, under the direction of Steed-Todd Funeral

Drager passed away Tuesday at Community County Parmer Hospital. He was 79

Born January 5, 1903 in Copperas Cove, Drager moved to Muleshoe in 1922, and to the Rhea Community in 1923. He was a retired farmer.

Survivors include his wife, Martha of the home; two daughters, Martha Searcey and Lana Drager of Clovis; two sons, Bethel Drager of Fort Collins, Colorado and Martin Drager of Friona; two sisters, Annie Vogler and Ernestena Vogler; four brothers, Benjamin J., Albert E., Christian G. and John P.A. Drager.

Eleven grandchildren and one great-grandchild also survive.

Pallbearers were Curtis Drager, Earl Drager, Aaron Drager, Samuel D. Drager, Walter Vogler and Harry James Drager

REGISTERING.... High school secretary Betty Chaney is shown assisting Lupe Martinez, entering freshman, during high school registration Friday.

Services Conducted For L. Caroland

Funeral services for Leslie Caroland, 84, were held Tuesday, August 17, at 11 a.m. in Clovis, New Mexico in Steed-Todd Chapel with Rev. Eddy Gabbert officiating.

Burial was in Mission Garden of Memories, Clovis, under the direction of Steed-Todd Funeral

Born November 16, 1897 in Woodlawn, Tennessee, Mr. Caroland had been a resident of Clovis, New Mexico since 1926, moving there from Waurika, Oklahoma. He married Ruby Pace in 1920 in Waurika. He was a veteran of World War I, serving with the motorized division of the U.S. Army. He was a retired automotive mechanic

Caroland died Sunday, August 15, in Prairie Acres Nursing Home in

Survivors include two sons, L.C. Caroland and H.P. Caroland, both of Clovis, New Mexico; one daughter, Mrs. Clyde Alice Black of Friona; one brother, Charlie Caroland of Charlie, Texas; eight grandchildren and eight greatgrandchildren.

He was preceded in death by his wife, Ruby, in December 1980.

Pallbearers were Eddie Caroland, Larry Caroland, Keith Black, Danny Black, JeDon Gallman, Phillip Caroland and Mark Jilek.

R. Powell Services Scheduled For Sat.

Saturday, August 21 at 3 p.m., (M.D.T.) at the Broadview Church of Christ for Rebecca Powell, 41, of Grady, N.M.

Ronnie Gregory and Bob Martin will officiate at the memorial service. Burial will follow at the Grady Cemetery, with Leonard Ginnings Steed-Todd Funeral officiating. Home, Clovis, is in charge of arrangements.

Survivors include her husband, Jerry of the home; two sons, Kelly Don and Larry Dale, both of the home; her parents, Mr. and Mrs. W.H. Moody of Las Cruces, N.M.; one brother, B.R. Moody of Las Cruces; two sisters, Madge Haden Blackburn of Spokane, Washington and Karen Sue Beal of Denver,

Also surviving is her mother-inlaw, Mrs. Opal Powell of Grady.

The former Rebecca Moody married Jerry Powell November 3 in

FREE EDUCATION AND THE UNDOCUMENTED WORKER

On June 15, 1982. The Supreme Court ruled, 5-4, that Texas and other states must provide free public edu-cation for the children of undocumented workerspeople in this country

Our current Lt. Governor. Mr. Hobby, was happy with the decision, praising it as the "only rational decision the court could have made On the contrary. I think it was a wrong decision that

defied both law and logic. One of the principal underpinnings of an orderly society is that one should not benefit from breaking the law. All around the world thousands of people stand patiently in line at our emassies, waiting for legal entry into this country. By its recent ruling, the Supreme Court told these people that. if they are smart, they will ignore our immigration laws. find some other way to enter. and then there's a good likelihood all manner of taxpayer-supported benefits

will be open to them and We can all feel sympathy

for people driven to emigrate by desperate economic conditions. And I believe we should be compassionate toward the children of undocumented workers who are here through no fault of their own. We have been told we must educate these children and we will: it is our duty.

But I am deeply concerned about the effect this will have on our school systems and the quality of education. We have only a certain amount of desks and dollars with which to address the problems of educating Texas'

The court was essentially establishing social policy under the guise of ruling on a constitutional question. The result was bad law and bad social policy. It should now be up to the Federal Government to help pay for the mess they have created by not properly policing our

LAST THURSDAY

Playday Winners Are Given

After Thursday's Playday, the leaders for the trophies in the junior division remain the same. These leaders are: Tiffany Osborn, pole bending; Beth Collier, barrel race; Dana White, stake race; Paul Trimmell, flag race; and Kevin Trimmell, ring race.

The trophies will be given by the Friona Riding Club at the close of the August 27 Playday. The rider with the fastest time in each event will win the trophy.

The Playdays are held at the arena on West Highway 60. Ribbons are given at each Playday to those riders who place first through sixth in each

Winners of the Thursday Playday

Conservation Tillage Is Urged By SCS

How much fuel can be saved by making the switch to conservation tillage from conventional tillage methods? A considerable amount according to some recent studies.

According to the University of Nebraska figures, the conventional moldboard plow tillage system has the highest fuel and labor requirements. By substituting a chisel plow, there is nearly a 23 per cent reduction of fuel consumption. By using a disk for seedbed preparation, over 42 per cent fuel savings has been found. The study went on to show that a 70 per cent fuel savings can be realized by using no-till over conventional systems.

Ben Alley Is Named As Dist. Engineer

Ben A. Alley, assistant district engineer of the Austin district, has been named district engineer for the 17-county Lubbock district. Mark Goode, engineer-director, State Department of Highways and Public Transportation, Austin, announced the appointment this week. Alley will assume his new position on August 1.

Alley, a 29-year veteran with the department, will replace the late C.W. Nall, Jr., who suffered a fatal heart attack on July 9.

A native of Brady, Texas, Alley began his highway department career in 1954. He progressed through several responsible engineering positions with the Austin district and was named assistant district engineer in December 1973. He has served in that position until his appointment to the Lubbock district recently.

Alley and his wife, Peggy, have two children, Ben, Jr., of Houston and Jacqueline of Austin.

As district engineer, Alley will supervise activities of the department in Bailey, Castro, Cochran, Crosby, Dawson, Floyd, Gaines, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Parmer, Swisher, Terry and Yoakum Counties

Michigan State University and published in the July 1980 edition of NO-TILL FARMER, fuel savings were equated to money saved. That study showed a savings of 4.21 gallons of diesel fuel per acre with notill farming over conventional. With a 400 acre operation, that means an annual savings of 1,684 gallons of fuel, and at a "conservative" \$1 plus per gallon, it's a big savings.

In a similar study conducted by

J. Hightower To Speak At **SCS Field Day**

Congressman Jack E. Hightower of Vernon will be the principal speaker at a field day to be held at the USDA Soil Conservation Service Plant Materials Center at Knox City on August 25.

the conservation, credit, and rural development subcommittee within the Committee on Appropriations. He will speak about 12:30 p.m.

conservationist for SCS at Friona, said the public is being invited to the event. The center serves both Texas and Oklahoma

Guided tours will be conducted through the 90-acre center from 9 a.m. to 2:30 p.m. The center is located on FM 1292, two miles north and two and one-half miles west of Knox City.

A barbecue lunch will be available on a prepaid basis at \$4.50 per plate. Payment should be sent to Ms. Doris Crownover, Chamber of Commerce, Box 91, Knox City, Texas, 79529 by August 20.

to the public.

Several hundred strains of grasses, legumes, forbs, and woody plants are being tested at Knox City.

SCS also operates a plant materials center at Kingsville in cooperation with the Caesar Kleberg Wildlife Research Institute, Texas A&I University, and the South Texas Association of Soil and Water Conservation Districts. The South Texas center was established in 1981.

Congressman Hightower serves on

Burton, Duval

Seed or rootstock from native plants that show potential for solving specific soil and water conservation problems are collected, then grown and evaluated at the Knox City Center. The more promising ones are then tested under field conditions by farmers and ranchers cooperating with local soil and water conservation districts. Selections which prove superior to commercial varieties are then released to seed growers. These producers then grow seed and sell it

Clark Elected To SPS Board

Board and Chief Executive Officer of Mercantile National Bank at Dallas. has been elected to the Board of Directors of Southwestern Public Service Company of Amarillo.

Clark, 44, was elected to the SPS Board July 20.

He is a native of Dallas, and was graduated from Hillcrest High School. He obtained a BA degree from the University of Texas in 1961. and a MBA from Stanford Business

School in 1963. Clark joined Mercantile National Bank in 1975 as Vice President in the Metroplex Banking Department; he became Senior Vice President and cohead of the Metroplex Department in 1976. In 1978, he was elected Executive Vice President in charge of operations, personnel, controllers and administration. In 1979 he was elected President, and in 1981 Chairman of the Board and Chief Executive Officer of Mercantile National Bank

Clark also has served as President and Chairman of the Board and Chief Executive Officer of Affiliated Computer Systems, a wholly owned subsidiary of Mercantile Texas Corporation, and as President and Chairman of Mercantile Dallas Corporation, a Small Business

Seven Accidents Are Reported In Parmer Co.

Sergeant Billy Don Scott, Area supervisor of Parmer County, reports that for the month of July the Texas Highway Patrol Troopers investigated a total of seven accidents in this county.

There were three injury accidents with a total of six persons injured and four property damage accidents.

In District 5B, which includes the top 31 counties of the Texas Panhandle, there were 269 accidents investigated by the Texas Highway Patrol. Highway Patrol Captain Bob Russell reports that the Texas Troopers Patrol investigated nine fatal accidents with a total of eleven persons killed, 103 injury accidents with a total of 193 persons injured, and 157 property damage accidents.

owned by the Mercantile National Bank. He now is serving as a Director for both of the subsidiaries.

Clark is a member of the Young President's Organization. He is a deacon at Highland Park Presbyterian Church; a Director of Christian Concern Foundation, a Director and Executive Committee member of the Dallas Central Business District Association; a Director of the Center for Non-Profit Management; Trustee of Children's Medical Center; Director of Dallas Clearing House; Director of Dallas County Community College District; a Director of United Way; and a Director of Metropolitan Dallas Y.M.C.A. He also is on the aviation committee of the North Dallas Commission, and serves on the Business Council of the University of Texas at Arlington and the Dallas Citizens

Other members of the Southwestern Public Service Company Board of Directors are Berl M. Springer, Chairman of the Board and Chief Executive Officer, Amarillo; B.B. Armstrong, managing partner of Armstrong & Armstrong, Contractors, Roswell, N.M.; Bert Ballengee, SPS President and Chief Operating Officer, Amarillo; H.R. Bright, Chairman of the Board of Bright and Company, Dallas; J.C. Chambers, partner, Insurance Associates, Lubbock; H. Frederick Hagemann, Jr., Trustee and Investment Consultant, Boston; J. Avery Rush, Jr., President, oil and gas unit, Diamond Shamrock Corporation, Amarillo; Roy Tolk, former Chairman of the SPS Board, Amarillo; Joel T. Williams Jr., Chairman of the Board, Texas Federal Savings and Loan Association, Dallas; and George C. Wilson, farm properties and investments, Lubbock.

Southwestern Public Service Company primarily provides electric service to a population of more than one million in a 45,000-square-mile area of the Panhandle and South Plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas

SUMMER ENDS... The summer break is over for school students, as evidenced by the registration process which took place Friday at Friona High School. Instructor Peggy Hamil i. shown assisting as high school students lined up to get their schedules verified. All students report to class on Monday August 23.

City Gets Sales Tax

Wednesday sent checks totaling \$38.9 million to 967 Texas cities as their share of the one per cent city sales tax

Payment to the City of Friona for the period amounted to \$3,797.53, compared to \$3,540 the previous year. Total money received for the year now stands at \$53,252.10, a 12.59 per cent increase from the same point in 1981, when receipts totalled \$47,298.18.

"These monthly rebates, and the retail sales they represent, continue to show increases over last year," Bullock said. The Comptroller pointed out that for the first seven months of 1982, sales tax collections are running 14.4 per cent ahead of

Houston received the biggest check, \$8.3 million, bringing the total that city has received during 1982 to

State Comptroller Bob Bullock \$83.6 million, up nearly 18 per cent over last year.

Dallas got \$4 million, bringing the total received during 1982 to \$42.5

The City of San Antonio received a check for \$2.2 million, up 25.1 per cent from last July's payment of \$1.7

The City of Fort Worth got \$1.4 million, compared with \$1.2 million that city got last July. Austin received \$1.4 million, up 40.7 per cent from last July's check for \$1 million.

El Paso received a \$1 million check, up 31.3 per cent over last July's \$808,000.

The city and MTA sales taxes are collected along with the state sales tax by merchants and rebated monthly to the cities in which they are collected by the Comptroller.

Grain Producers Get Severe Blow From Reagan

The United States missed a prime opportunity to negotiate a favorable long term grain agreement with Russia this year, according to Elbert Harp, Executive Director of Grain Sorghum Producers Association. President Reagan decided to block negotiations of another long term grain agreement with the Soviets at this time because of their involvement in the martial law crackdown in Poland.

8:00

"The 1982 Soviet grain crop is the smallest in recent years," Harp said. "It has suffered severe damage because of adverse weather conditions throughout much of the grain producing area. Russian imports of grain may exceed 40 million metric tons during the next

"It is always easier to negotiate favorable trading arrangements when

the buyer is in desperate need," Harp continued. "If Russia has better crop conditions next year it will not be nearly as easy to negotiate a favorable long term trading contract."

"After the Carter embargo of 1980, the Soviets turned to other nations with the potential for grain production, enabling those nations to develop production capabilities and seriously compete with U.S. producers. President Reagan's decision has, in effect, done the same thing. These nations: Argentina, Australia, Canada, France and others, now have the assurance of a Soviet market for their grain. They will press for maximum production to take advantage of that market.

"A long term agreement of grain sales to the Soviet Union would alleviate the pressures of burdensome surplus on the U.S. grain market. U.S. farmers are currently selling their grain at prices far below the cost of producing them. U.S. 1982 crop estimates indicate that this surplus will grow even larger this year. At the same time, U.S. grain producers' traditional and cotential markets have been handed to their competitors. The future of U.S. grain producers has once more been used as a tool for international politics,' Harp said.

The steam-driven turbine rotor at Tolk Station, our new coal-fired plant near Muleshoe, Texas, whirls at such great speed that if it were placed on the highway, it would travel the 125 miles from Lubbock to Amarillo in about 6 minutes. Other interesting facts about the power plant, which began generating electricity in July: At the

speed the main steam - which drives the turbine - travels through the pipes, it could finish the Boston Marathon (26 miles) in about 12 minutes. At maximum output the turbine produces about 728,000 horsepower. It can provide power for 5,430,000 hundred-watt light bulbs.

Jim Matthews, Generation Design & Construction Group Manager, Amarillo.

The primary fuel for Tolk Station is a low-sulphur, high-heatvalue coal from the Black Thunder Mine near Gillette, Wyoming. Southwestern Public Service made the decision to buy this coal because the low-sulphur rating means we can comply with certain requirements of the Clean Air Act without installing extremely complex and extremely expensive pollutioncontrol devices.

Leo Austin, Supe vising Engineer, Roswell,

We'll turn things upside down to benefit our customers. Here's an example: We use a "rotary dumper" system to unload the railroad cars which carry coal to Tolk. The cars are unloaded one by one. Each is attached to a large wheel that literally turns the car upside down, pouring out the coal. The system allows us to use lighter weight

coal cars. So our freight cost is lower, and so is the fuel cost adjustment our customers pay.

Jack Logan, Operations Superintendent, Muleshoe.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

SOUTHWESTERN PUBLIC SERVICE COMPANY

Singing McCains May Host National Show

The most famous "brother team" on Oklahoma television news--in fact, the only brother team--may soon be syndicated nationally.

Ben and Butch McCain, who host the early-morning program, "Action 4 a.m.," may have parlayed their unique musical talents into a nationally syndicated hour of song, dance and talk

"There is talk of syndicating us in a variety-type setting," disclosed Ben. the elder brother, "but it's just in the talking stages now."

If the syndicated show does materialize, it will be the culmination of a dream for the two brothers.

"We are writing songs constantly," said Ben. "We write. share ideas and use a lot of original songs in our act. We play all over the

It all started while Ben was working as a television reporter in Amarillo about five years ago. He had written a song, "Memphis Lady From Texas," which was released locally over 15 radio stations.

"It was really nothing big," Ben

do. I think our later songs are much better."

Last March, the brothers had the unique opportunity to see just how good they were, musically. A representative of the Don Williams musical group approached the brothers to see if they would be interested in opening the Williams concert at Lloyd Noble Center.

"We certainly were interested," said Ben. "And, we were more than a little scared. There were about 7,000 people in the audience. As far as we were concerned, it was a long, long way from Bovina, Texas, where we were raised. And we were pleased with the response we got."

That brought a smile to Butch's face. "Yeah. They didn't throw anything at us. And, that's one reason we move around when we sing--so they won't throw anything at

About the only thing the audiences throw at the McCain brothers when they perform is praise. They move through the state, working beauty

and emceeing the "Oklahoma Opry" in Oklahoma City.

"The response has been good, very good," said Ben. "Some of the most enjoyable dates are the beauty pageants. We emceed the Miss Altus pageant, and got a chance to work with the 1982 Miss America, Elizabeth Ward. As a matter of fact, I sang her song."

Their musical talents also give the brothers a chance to represent their television station in a new way, through song rather than speeches.

"We do a lot of public relations

R. Lindsey **Participates**

Staff Sgt. Raymond L. Lindsey, son of Raymond L. Lindsey, Fort Worth, Texas, and Dahlene S. Gideon of Friona, has participated in an Air Force Strategic Air Command (SAC) exercise called Global Shield

Lindsey, a security supervisor with the 342nd Missile Security Squadron at Malmstrom Air Force Base, Montana, joined others from all SAC units in the United States and selected Air Force Reserve and Air National Guard units to take part in command post and field training exercises. Global Shield 82 was the fourth such exercise held by the command in as many years. It was designed to enhance readiness and the ability of the command to carry out orders which support U.S. national policy, should deterrence fail.

Components of the U.S. Navy and Marine Corps, as well as elements of the Canadian forces, participated in the exercise.

BEN AND BUTCH MCCAIN

President Walter Mondale."

The show also focuses on agriculture, which is Ben's forte. In addition to once working on the family farm in Parmer County, he is also a past chapter president of the Future Farmers of America, and currently has a small cattle ranch in the state.

Butch, the younger brother, began his broadcasting career as a weatherman on an Amarillo television station, finally joining Ben in 1981 at KTVY.

"We're a weird breed, I guess," Ben said. "We're half-newsmen, half-musicians. We're really happy

with our show, and with where we are now musically.

"That's right," said brother Butch. "We're the only brother news and weather team in the whole universe-the whole galaxy--I think. If you hear of any other brother teams in the news business. let us

know "We have people here who will

shoot them.' He continued, "That's a joke. I really think Ben and I can go a long way with our musical abilities. Maybe all the way back to Bovina, Texas.'

Or, maybe--just maybe--to a nationally syndicated variety hour?

Allsup's Sponsors Drive

Allsup's Convenience Stores will again participate in the Annual Muscular Dystrophy Fund Raising Drive. Allsup's Stores will be displaying the Muscular Dystrophy Collection Canisters in all of the stores in New Mexico, Texas and Oklahoma in order to help meet the goals of this worthwhile association, whose programs are funded almost entirely by private contributions, corporations and the Labor Day

The Muscular Dystrophy Association is looking for cures and causes of a group of diseases, marked by progressive weakness and wasting of the skeletal muscles which control body movement. Neuromuscular diseases can strike anyone at any age, they afflict an estimated one million Americans

In addition to the "in-store" canisters, Allsup's will also be conducting the "Allsup's Doorbell Brigade." Area youngsters are encouraged to visit their local Allsup's Store on September 5 and 6 and pick up a collection packet for the door to door campaign. After collecting donations for "Jerry's Kids" and returning them to the store, Allsup's will give the youngsters a free fountain drink of their choice. It's our way of saying thanks to the kids for caring.

From Jack Crow, director of public relations, "Thanks to all of our customers for your generosity in this fight against neuromuscular diseases, and we at Allsup's are looking forward to working with area youngsters to help the Muscular Dystrophy Associations.'

In Exercise

His wife, Lucinda, is the daughter of Floyd G. and Wilma Andrews of Abilene, Texas.

Ask the Land Bank about... money to buy land

work for the station," Ben agreed.

"Rather than just speaking to a

group, we entertain. I think that has

helped our early morning show, too.

We're number one in the Nielsen and

Arbitron books, and have been for

The unique format for their news-

weather show has also brought

welcome attention to them on the

network level. An NBC newsletter

not only announced their consistently

high ratings, but also put in a word of

critical praise about the show.

"It's not happy talk," said Butch.

"It's news and weather, sports, and

we have interesting guests--like Vice

about a year.'

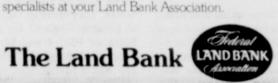

or improve your farm.

Farmers today are looking at ways to increase their productivity...buying or improving land...building or remodeling facilities. Whatever way you choose to grow, the

Town Talk

By June Floyd

Call 247-3681 With Your News Item

Mr. and Mrs. Graham Campbell of Archer City, Texas, were weekend visitors in the home of Mr. and Mrs. Rosco Ivie. Campbell, a former Friona resident, is Mrs. Ivie's brother.

This week has been very special for ElRoy and Fay Wilson. A special guest in their home has been Carrie Cox of Amarillo. She's the daughter of Leroy and Terry Lynn Cox and the Wilson's only grandchild.

Wednesday the Wilsons and Carrie, who is two, drove down to Farwell for lunch and a visit in the home of Carrie's paternal grandmother, Marie Cox.

Tuesday and Wednesday visitors in Friona were Mr. and Mrs. Ralph Knight of Savre, Oklahoma, Mrs. Knight is Calvin's sister.

The Oklahomans spent Tuesday night in the home of Mr. and Mrs. Clarence Martin. They returned to their home Wednesday.

Several descendants of the late Mr. and Mrs. J.S. Pinckley of Merkel, Texas, got together in the home of Fay Reeve Sunday for a reunion.

Those attending were Mr. and Mrs. Jarrett Pinckley of Merkel; Mr. and Mrs. Loyd Morgan of Perryton; and Carol Reeve, Mr. and Mrs. Otha Castle, Mr. and Mrs. Matt Hartnett and Mr. and Mrs. Elmo Collins, all of Lubbock.

Also Mr. and Mrs. Roy Patterson and Eric Elder of Turkey, Texas; Dr. and Mrs. David Reeve, Weatherford, Texas; and Alicia McMillan, Canyon. Frionans present, besides the hostess, were Mr. and Mrs. Floyd Reeve and daughters, Debbie, Denae and Becky and Mr. and Mrs. Ted White and children, Bill and Elaine.

Dr. Paul and June Spring and Ron and Edwina Davenport and sons, Winfield and Wade, are home after a Colorado vacation. Ron's parents, the Jack Davenports, who live at Center, Colorado, and the Frionans spent some time at the Santa Maria

Reservoir near Creed, Colorado. Then the Springs went to Pagosa Springs and spent a few days with Frank and Ethel Ruth Spring at their summer home.

Otis and Athelea Neel attended a cousins reunion-Athelea's cousins on her mother's side of the family-at Tulia Sunday

Mr. and Mrs. Lafoie Lenz of Mesquite, Texas, came home with them for an overnight visit. Mrs. Lenz is one of Athelea's cousins.

Hap and Julia are home after an extended stay on a lake near Farmington, New Mexico. They took their motor home up there early in the summer and have been home several times for a few days at a time.

Fishing was good, so the Fairchilds came home with salmon for their own use and to share with friends and

These two make a good working team. Hap catches the fish and Julia cooks, smokes and cans them.

Persons attending the regular third Tuesday covered dish luncheon at Friendship House were honored by the appearance of a fine group of young entertainers we will probably be hearing more about real soon.

Perhaps they haven't chosen a name for themselves since this was their first appearance. The three Trimmell brothers, Kevin, Glen and Paul, entertained with two guitars and a mandolin. They were accompanied by Sarita Gay Ellis at the piano. Kevin and his mother. Mrs. Roy Trimmell, sang a duet and directed some group singing. Mrs. Trimmell also emceed the program.

Virgil and Elizabeth Ferguson are home after an absence of about two weeks. They drove to Dallas then flew to London, England, for a visit in the home of PSC 4 and Mrs. Kenneth Smith and daughters, Heather Ann and Alicia Marie. Mrs. Smith is the former Doris Ferguson.

Smith is stationed at RAF

Fairford. The Fergusons went sightseeing in England, Wales, Belgium, Germany, Austria and

Enroute home they visited in the homes of Mr. and Mrs. Kenneth Ferguson, Burleson, Texas; Mrs. Beulah Munden, Cleburne, Texas; and Flora and Mary Price, Middlothian, Texas.

Mrs. Munden is a sister of the late Otis Massey; and Flora and Mary Price are sisters of the late Mrs. Otis Massey. They are all three Mrs. Ferguson's aunts.

August has been a busy month for W. Odell and Etoile Holley. The first weekend they visited in the home of Ed and Madeleaine Barton and children, Berkett and Bryan. Mrs. Barton is their daughter.

Two other grandchildren, Tania Candice and Brooks Ryan Holley, children of Worren Holley returned to their home in Colorado Springs after spending the summer in Friona, that same weekend.

Then, they visited in the homes of Helen Combs and Billy and Tania Combs and children, who publish the Memphis Democrat, and Mrs. Carrie Adams, all of Memphis. Helen Combs is Etoile's sister-in-law and Mrs. Dennis is Odell's aunt.

From Memphis they drove to Wellington for an all day Ex-Students of Wellington High School annual reunion, and helped plan a 50th anniversary reunion for their graduating class. The class of 1933 along with the classes of 1932 and 1934, will have a joint reunion in the Bura Handley Community Building in Memphis the first weekend in August next year.

While in that area they visited in the homes of Mr. and Mrs. John Wesley Carson in Quail Community; Mr. and Mrs. Lloyd Curry, Hollis, Oklahoma; and with Paul and Ruby Fielding and Ralph, Ben Farmer and the Billy Carsons, all of the Quail Community.

They also attended the Key Leader Meeting for Home Phoning, one of

eight being held in the state supporting the re-election of Governor Clements.

This meeting was held at the Hilton Inn Airport in Amarillo and leaders from twenty counties were registered.

Region XI Chairman Wales Madden expressed concern and regret that Ron and Sandy Awtrey, former Parmer County key leaders, had moved from the community.

Following the Holley's return home, Ed, Madeleaine, Berkett and Bryan Barton spent several days in Friona before going on to Carlsbad for a visit in the home of Ed's parents, Wesley and Juanita Barton.

WHAT IS A "REFRACTION"? or YOUR EYE EXAMINATION

When an eye specialist examines your eyes, he performs what is called a 'refraction." This one test is based upon mathematics...measuring your eyes ability to see clearly. But there is much more to a complete eye examination than just the

refraction. Here are other tests which must not be overlooked: 1. Health Examination--to determine if your eyes are healthy and free from disease and other abnormalities. This includes glaucoma tests (measuring the pressure inside your eyes) and tests for cataracts, macular

degeneration, tumors, lesions, retinal tears and many others. 2. Coordination tests--to determine if your two eyes are working together in proper ratio. Do they POINT and FOCUS at the same place and are they working together as a team?

3. Stereopsis tests--to determine depth perception...your ability to judge distances and space relationships properly. This is most important in

4. Peripheral vision tests--to determine your ability to see out of the side of your eyes...called field of vision. This is also important for good depth

5. Professional judgement--putting it all together so that the prescription fits the individual's special needs and will relieve the problems called for by

A complete visual examination is a combination of many tests including the refraction and they must be done in an unhurried manner. This is why optometrists ask that you make an appointment in advance so that adequate time can be alloted for all of these important tests.

This message is brought in the interst of better vision by Drs. Armistead and Smith, Optometrists, Littlefield, Texas.

Lanis Rhea, Ky Graham Exchange Wedding Vows

Lanis Ann Rhea of Lubbock and Ky Brent Graham of Friona exchanged wedding vows Friday, August 20 at 7:30 p.m.

The ceremony was performed in the Monterey Church of Christ, Lubbock, by Foy Anderson,

The bride is the daughter of Mr. and Mrs. Oran F. Rhea of 2101-70th, Lubbock. The bridegroom is the son of Mr. and Mrs. Sterling Graham of Route 2, Friona.

The church was decorated with an archway filled with greenery and peach flowers set off by two spiral candelabras with greenery, peach bows and candles. The unity candle, centered at the front of the church, was created from the wedding invitation and was accented with peach bows. Peach bows marked the family pews

Musical selections were presented

by vocalists, Dana Miller, cousin of the groom, Janis Rhea, sister of the bride, Denise Whitlow, Janet Harris, Kathi Igo, Mrs. Paul Blake, Paul Blake, Warren McNiel, Ted Basye and Kevin Rhodes.

The mothers were escorted to their seats as "God, A Woman, And A Man" was sung. The groom, groomsmen and bridesmaids entered the church as the vocalists sang "The Wedding Song." "Faithful and True" was sung as the bride was escorted by her father. During the ceremony, Janis Rhea sang "If." Before the bride and groom lit the unity candle, the bride recited a poem which she wrote especially for the groom. The couple and wedding party were escorted out of the auditorium while the traditional recessional was sung.

As the bride was presented in marriage by her father, she was

(b) NCUA

Do it yourself!

attired in a white wedding gown of polyester organza featuring trim and an overlay of chantilly lace. The fitted bodice featured an illusion front yoke with schiffli embroidery and pearl trim over sheer fitted sleeves. The split bishop sleeves were accented with lace cuffs. The lace skirt featured an accordian pleated front panel and the back extended into a chapel length train.

Following bridal tradition, the bride placed a 1962 penny in her shoe for something old. Her dress and veil were new. She borrowed pearl earrings from Mrs. Laura Rhea, sister-in-law of the bride and wore the traditional blue garter.

The double waltz length veil was edged with chantilly lace and was attached to a band style cap covered with chantilly lace and pearls.

The bride carried a peach and white colonial bouquet of roses, gardenias and daisies made by the groom's

Janis Rhea of Lubbock, sister of the bride, was the maid of honor. Bridesmaids were Mrs. Gail Dement of Hobbs, N.M., sister of the groom, Paige Hodges, Tulsa, Okla. and Janis Rhea of Lubbock, sister of the bride.

The feminine attendants wore formal length princess style peach gowns with v-shaped necklines overlaid with peach capes. They carried natural colored wicker fans accented with peach flowers from the bride's bouquet.

Curt Miller of Friona, cousin of the bridegroom, served as best man. Groomsmen were Rusty Rose of Lubbock, Dave Fultz of New Mexico and Curt Miller of Friona.

Ashley Dement of Hobbs, New Mexico, daughter of Mr. and Mrs. Stan Dement, was the flower girl.

Christopher Rhea of Midland, son of Mr. and Mrs. Royce Rhea, was the ring bearer.

Serving as ushers were Royce Rhea of Midland, and John Rhea of Lubbock, brothers of the bride, Stan Dement of Hobbs, N.M., brother-inlaw of the groom and Brett Moore of Friona.

Cindy Rideout presided at the guest register.

The reception was held in the Fellowship Hall of the church.

The bride's table was covered with an ivory lace cloth and was centered with a peach and white floral

arrangement with peach candles in a silver vase. The three tiered wedding cake was decorated with tiny peach roses and was topped with smail bride and groom dolls. Peach-pineapple punch was also served from the bride's table.

The groom's table held a chocolate groom's cake stating "The farmer takes a wife," accented with toy tractors, cotton and hay bales. A brown floral arrangement completed the table setting.

Serving from the bride's table were Mrs. Betty Rhea and Mrs. Laura Rhea, sisters-in-law of the bride. The groom's cake was served by Belinda Busby. Punch was served by Carla Wyrick and Taunya Crawford.

Kathy Underwood served coffee. Others assisting with the reception were Judy McCormick, Terri Nelson and Mrs. Joy Minnix.

For a wedding trip to Colorado Springs, Colorado, the bride chose a blue prairie style dress accented with blue and peach plaid ruffles around the shoulder and bottom of the skirt.

The couple will reside at Twin Oaks Apartments, Lubbock, Texas.

Out-of-town guests attending the wedding and reception were Mr. and Mrs. E.J. Graham of Rush Springs, Oklahoma, grandparents of the groom; Mr. and Mrs. Adolph Telchik of O'Donnell, Texas, grandparents of the bride; and Mrs. Hazel Baxter of Friona, grandmother of the groom.

The bride is a 1980 graduate of Lubbock Monterey High School. She attended Lubbock Christian College and was a member of Christa Liche' Damen Social Club. She is currently employed at Cardiology Associates.

The bridegroom is a 1979 graduate of Friona High School. He is attending Lubbock Christian College and is employed by the School Farms.

A broken air

conditioner can be the best thing that ever happened to your household budget.

Your air conditioner breaks down. You have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company suggests that you consider a more efficient alternative.

Consider the electric add-on heat pump. The add-on heat pump is a very special air conditioner that works with your present furnace. Besides cooling your home in the summer, it helps heat your home in the winter.

You can save money. Because the heat pump is one of the most efficient ways to heat and cool, you can save money. Call us to see what your savings can be.

Together, we can save more than money. The add-on heat pump is one more example of how you can work with us as a partner to help manage electricity more effectively. Together, we can make a difference.

You and SPS, partners managing electricity, make the difference.
