LAST WEEK WE printed a picture and a short article about former Friona Chieftain star Tony Perea, who is a defensive starter at linebacker for the Hamilton Tiger-Cats in the professional Canadian Football League.

Perea, who went from holding virtually all of the offensive records in football at FHS to star on defense for the University of Texas at El Paso, got back into the scoring column in his team's opening game, even if he is playing defense.

The former Friona star scored the first touchdown for his team in the regular CFL season, recovering a blocked punt in the end zone in a game against Montreal.

"I had a couple of touchdowns on interceptions in my senior year at College, but never one like that. I thought I was going to get hit from behind while I was waiting, because that ball seemed like it was never going to come down," Perea was quoted in the game story.

Perea's team dropped the game in question, 33-23 to Montreal, the defending Grey Cup champions, which is apparently Canada's Super Bowl. But the hometown press lauded the youth-laden Hamilton

Perea's score was called "The most intriguing Tiger-Cat touchdown" by the Hamilton newspaper.

It's good to hear from Tony, and we appreciate the clippings that papa Jake loaned to us. We always enjoyed watching Tony play football. He always gave about 150 per cent, and apparently is still doing just that.

SO FAR, THE CHIEFTAINS have had two games out of town, and the team has not only lost both games, but has had something weird happen before they got back home.

Following the Tulia game, you may recall that the team's bus ran out of gas before it made it back to

At Dalhart last Friday, minutes after dropping the tough 14-6 decision to the Wolves, the coach received a strange message. Seems the Chiefs were supposed to have char-broiled steaks at the Sands Restaurant after the game. Only, the restaurant caught fire while the steaks were being cooked, ruining the eating establishment, and

delaying Friona's supper. The team and its coaches had to go nearby to the Dairy Queen in Dalhart and order from scratch.

"I don't know what's going to happen to us next," a sheepish Mike Garrison remarked. One thing's for sure. He won't forget his "homecoming" to Dalhart, first visit back as a head coach. Maybe the next time will turn out better.

WE JUST HEARD about some folks who live in a "No Man's Land" area in Parmer County.

The Bob Finleys live northeast of Farwell. Although they are in the Farwell school district, the Finleys get their mail on Route 1, Texico, N.M. Their telephone service is out of Clovis (Mountain Bell), so it's long distance to call most neighbors. Until recently, Bob worked in Bovina, and just to keep the merry mix-up going, the Finleys are regular subscribers to the Friona Star, and do much of their shopping here in Friona.

SPEAKING OF telephones, we had an odd occurrence one day this week. We needed to call Edward White at White's Super Market, which is located about 200 feet from our office, just across the alley.

When we dialed the number, an operator in Hereford answered. We told her the number we were trying, and she offered to dial it for us. So, it virtually took a long distance

telephone call for us to buzz the folks across the alley.

On Abernathy's second posses-sion, quarterback Wayne Riley hit the point for a 7-0 score.

Keith Martin raced 15 yards to the Abernathy 38 after the kickoff, but on the next play Bobby Zetzsche fumbled and the Antelopes recovered. Abernathy then set out on a 65-yard drive that culminated when Riley passed 19 yards to Rodney Mahagan for a touchdown. Davis' kick made it 14-0 1:48 into the second

Snakebit Chieftains Nipped Again, 14-10

The Friona Chieftains and their fans must be wondering what else can happen to them, after Friday night's 14-10 loss to the Abernathy Antelopes at Chieftain Field.

For the third straight week, the team had the "first half blahs," trailing 14-0 at intermission, just like

they had against Hart and Dalhart. Friona came back for a great second half, and cominated play, but their inability to get the ball into the end zone on two opportunities made the difference between defeat and

Ron Presley on a 49-yard bomb to the Friona one. He was caught from behind. However, Ken Davenport rammed it across on the second down play, and Mickey Davis kicked

Late in the quarter, London ran 19 yards, Zetzsche 14 and London 13 again as Friona drove to the Abernathy 32. However, a thirddown pass was intercepted at the 10 to end the threat.

Only 1:46 remained in the half when Abernathy took over at the Friona 32. But it was enough time for Riley to drive the team 60 yards and a first down at the Friona 10. Abernathy had four plays inside the ten before the half ended. Friona had to call on all of its defensive might to avoid a third touchdown.

Midway of the third quarter Friona held an Abernathy drive on the Friona four, and began a drive of their own. Davy Carthel ripped off 19 yards to get the team out of the hole.

Zetzsche raced 30 yards on a nice run, threatening to break for a TD before being stopped at the Abernathy 45. Three plays later, Zetzsche ran 11 yards. Carthel picked up six, Zetzsche five and London six as the third quarter drew to a close.

As the quarter ended, Friona had the ball fourth down and three from the Antelopes' nine.

The fourth down play was a pass, which Martin overthrew in an attempt to hit Jeff Whiteside.

Friona held, and took the ball back at the Abernathy 41 after a punt. Zetzsche gave the team a pair of first downs, at the 28 and 15.

London ripped to the three, and then finally got Friona on the scoreboard by blasting over from three yards out. Friona went for two points, and got them, when the speedy Zetzsche raced into the end zone to trim Abernathy's lead to 14-8, as only 5:48 remained in the

game. Friona got the ball back at their 39 with 3:52 left. Zetzsche and Martin gave the team a first down at Abernathy's 48, and then London ran through a gaping hole for 13 yards. But he was thrown to the ground on a vicious tackle, and the ball spurted free. The Antelopes covered the coming at the 36 with 2:43 left in the

The Chieftain defense pushed Abernathy back to their eight in three plays in which the Antelopes mainly let the clock run. Facing fourth and 37 from their own eight, Abernathy purposely gave Friona a two-point safety, in order to kick the ball out of danger.

Quarterback Riley simply took the ball on fourth down and ran into the end zone and downed it for two points, making it 14-10 with only 47 seconds left in the game.

Abernathy then punted the ball from the 20, and Zetzsche made a good return from his 35 to the Antelope 35. On first down, Martin failed to get off a pass, and the team lost precious time waiting for the ball to be reset. Instead of getting several plays before time expired, Friona only got four.

On third down, Carthel made a nice catch of a Martin pass, to the Abernathy 15, but a desperation play as the gun sounded found Martin being swamped behind the line of scrimmage.

Mayor Urges Continuing Revenue Funds

Mayor R.L. Fleming this week urged the continuation of the Revenue Sharing program through a letter to U.S. Senator John Tower.

Mayor Fleming's letter said: "Friona is a small city, population count of 3,111, however, Revenue Sharing is playing a very important part in our over-all budget and daily operations. For instance, \$8,500 of Revenue Sharing funds are allocated to the payment of personnel which amounts to 6 per cent of the annual payroll. The \$34,000 Revenue

annually amounts to 7.12 per cent of the entire city budget

"Practically all the funds received from this program have been allocated specifically to sanitary landfill-solid wastes disposal operations which is a requirement handed down by Federal, State and EPA procedures for which no other funds were provided.

"So you can readily see that curtailment of the Revenue Sharing Program will seriously affect our budget and future welfare of this community.

"I sincerely urge you to support the continuation of the Revenue Sharing Fund Program when it comes up for reconsideration in congress," the letter concluded.

Is there any way to avoid penalties and interest charges when settling an estate?

Yes. There are no penalties; therefore, no interest if the estate is settled on time. Furthermore, no shrinkage, no "for sales", no anxiety having to sell the South 40 for \$100 an acre when it's worth \$225. The key ... liquidity. The foolproof product that will provide the money to pay the cost of settling an estate at the time of death is life insurance. Many substitutes have guaranteed not to shrink, ravel at the seams or fade out to provide cash to settle an estate but nothing compares with life insurance. HOW DOES IT EFFECT FRI-

One of the most active areas of the Parmer County Chapter of The American National Red Cross is Service to Military Families.

The late Mrs. Marie McKee served long and faithfully in the capacity of Chairperson of this important area and gave much time and consideration to this work. In an average year, some 200 telephone calls are made to obtain information, send messages, and otherwise help military men of Parmer County and their families and dependents.

In the area of Home Service, the Parmer County Chapter aids needy families, helps persons who are experiencing temporary financial difficulties due to illnesses or other misfortunes, and always stands ready to help in event of a disaster in our country, or in neighboring areas. Our chapter is also called upon to help in event of great national disasters-such as hurricanes, floods and tornadoes.

The American National Red Cross has many programs available for communities-such as life saving courses, first aid courses, civil defense information, etc. and would be happy to implement any of these varied programs should the community express the desire and

their season record to a sparkling 4-1, blanked the visiting Olton JV. 40-0 in a game played at Chieftain Field Thursday night.

Five different players got in on the scoring, as running back Mark Lunday led the way with three touchdowns.

The Chieftain JV scored the second time they had the ball, when Todd Bandy ran 26 yards for the touchdown. Sammy Felder ran across for two points, and Friona had an 8-0 lead with 5:43 remaining in the opening period.

Olton threatened to score late in the quarter, driving to the Friona 10 for a first and goal. But the Friona defense held, and took over early in

the second period on their own 11. On the second play, Lunday got loose and raced 89 yards for a touchdown. Edward Castillo missed the point kick, but Friona's lead

Brian Landrum made a good defensive play for Friona midway

became 14-0.

Freshmen Play Well At Muleshoe

Friona's freshman team journeyed to Muleshoe Thursday evening, and although they played probably their best game of the season, the team suffered a 27-14

Friona jumped into the lead in the game, after David Merrell recovered a Muleshoe fumble at the Friona 36. The Frosh Chieftains drove 64 yards, with Jeff Peak going over from the seven yard line for the score, giving Friona a 6-0 lead.

Muleshoe scored on a 51-yard pass play to cap a drive following the Friona TD, and kicked an extra point for a 7-6 lead. Later in the first half, Justin McNeely made a good defensive play to fource a fourth down and long yardage, but Muleshoe responded with a 27-yard pass play good for a TD. The score then was Muleshoe 15, Friona 6.

Friona came back on the running of Jeff Peak and the passing of Mike Hutson to tighten the score. Peak caught one pass for 12 yards, Hutson caught one for 18 yards. A pass to Leslie White clicked for 24 yards and a touchdown. Then, a pass to Jimmy Soliz was good for the PAT, and Muleshoe led by only one, 15-14.

But Friona couldn't score again, and the hometown team added a pair of TDs the second half to win, 27-14.

Defensive standouts in the game were Fred Garza, Justin McNeely, Park Weatherly, Chris Barnett, Mark Gammon, Peak and Kevin

through the second quarter to blunt an Olton drive which had crossed midfield

Friona took over the ball on their own 43, and Bandy broke loose on a 41-yard scamper which gave Friona a first down at the Olton 16. After a five-yard penalty set the team back to the 21, Bandy passed to Cliff McLellan for a touchdown. This time, Castillo, kick was good, and Friona's lead was 21-0.

Before the half ended, Friona got the ball back on the Olton 29. With time running out, Lunday scampered 20 yards to the Olton one, and then rammed it over for the TD on the last play before halftime, to give Friona a 27-0 lead.

Friona took the second half kick at their 42, and proceeded to drive for another touchdown. Felder picked up a first down to the Olton 30, and Bandy ran 11 yards on third down for another first down at the 16.

Felder then ran 12 yards for a first and goal at the four, and got the remaining four yards on the next play. Castillo capped off the drive with a kick for PAT, and Friona's lead became 34-0.

Late in the quarter, Eddie Bermea recovered an Olton fumble, giving Friona the ball at the Mustang 13. Clint Mears gained to the seven, and Lunday got his third TD from that point. A running try for two points failed, and Friona had a 40-0 lead

with 1:04 left in the third quarter. Friona threatened early in the fourth quarter, when Lunday tackled the Olton punter at their 13. Friona got to the five, but Olton stiffened and threw Friona back to

Chiefs Corner Wolves; **But Suffer Wolfbite**

If you corner an injured wolf in its den, you might get a wolf bite.

IT SEZ HERE ... Y'CAN

THROW THE BALL THRU THE AIR

AND MAKE A WHOLE BUNCH OF

YARDS AT ONE J

TIME!

This may not be a parable, but it turned out to be all too true for the Friona Chieftains last Friday, when they journeyed to Dalhart to battle the previously winless Wolves in their home stadium.

The Wolves, definitely wanting to crack the goose-egg on their 0-5 season, withstood two early challenges by the fired-up visitors, and then gained the momentum in the game which Dalhart eventually won, 14-6.

Friona took the opening kickoff, and Kelwin King returned it to the Friona 42, almost breaking it all the way, but being stopped by the last Dalhart defender.

Dalhart was penalized 20 yards on the first three offensive plays of the game, giving Friona good field position at the Wolves' 40. Then Glen London broke for a 13-yard gain, and Bobby Zetzsche ran ten yards to the Wolfpack 17.

London made four and then seven, giving Friona a first and goal situation at the Dalhart six. The big sophomore fullback made barely a yard on first down, and then was stopped for no gain on second down. The third down play is one the

Chieftains would like to have back. A faulty snap caused the ball to squirt free, high in the air, and roll around for what seemed several minutes, around the Dalhart 13. Since the Chieftain line was charging toward the goal, it was relatively simple for the Wolves to recover the loose ball, and Friona's

Dalhart returned the "fumble favor" seven plays later, and Friona regained possession at the Wolves' 43. Another personal foul penalty against the home team moved the ball to their 20.

only threat was stopped.

London gained seven yards on first down, but again the Dalhart line stiffened. The Chiefs were determined to make the yardage up the middle, but Dalhart was just as determined that they would not. On fourth and two from the Dalhart 12, quarterback Keith Martin was stopped a half yard short, and the

Wolves took over just outside their

Friona had seen two good scoring chances pass with no points being put on the board.

On Dalhart's third possession, the Wolves drove 84 yards for a touchdown. Quarterback Joe Strong got the TD on a five yard ramble on second down. Two pass completions of 25 and 12 yards sparked the drive, both coming on third down plays with long yardage needed. The point kick gave Dalhart a 7-0 lead with

5: 42 left in the half. Friona mishandled the kickoff and Dalhart recovered at the Chieftain 22. However, a penalty against the Wolves saved instant disaster, and a field goal attempt fell short.

It appeared that the halftime score would be 7-0, but Dalhart had the ball with 1:33 left, after stopping a Friona drive at their 37. King had run 39 yards up the east sideline, again almost getting away, before being stopped at the Wolf 40. The Dalhart defense then stiffened, and the Wolves took over.

The home team wasn't satisfied with a 7-0 lead. They gained 23 yards to the Friona 40 in three plays, as the clock ticked down with less than 30 seconds to play in the half.

With 15 seconds left, Dalhart used a halfback pass for its second touchdown. Kenny Howard made a fantastic catch, although being fairly well defended by Rolando Caballero. The Chieftain defender tipped the ball, but Howell stayed with it, and caught the ball in the end zone before it hit the ground. The successful kick made Dalhart's lead

The third quarter was a comedy of errors, especially for Friona, as they drew three flags for 35 yards in

penalties. Another 15-yarder, for a late hit, kept a Dalhart drive going early in the fourth period. Virtually every flag deprived Friona of valuable yardage, and kept the team from taking over the ball at least

Friona's defense managed to hold the Wolves on the Friona 14, and with time becoming a factor, the Chieftains took to the air for the first time this season.

Martin responded by hitting three out of four passes, to whip the team 86 yards in ten plays and get the

Chieftains on the scoreboard. David Barnett caught a 20-yard strike to get the drive underway. Then, after Barnett caught another toss for seven yards, Martin hit Zetzsche on a play that covered 32 yards. Bobby almost went all the way, but was caught at the Dalhart

Friona was not to be denied on their third try at the Dalhart goal. Zetzsche took the pitchout and went around left end for the score. He was also given the ball on a try for two points, but was stopped just inches short, for a 14-6 score. There was 5: 29 left in the game.

The Chiefs got the ball back with just 2:05 remaining, and 65 yards away from the goal line. King gave the team a first down with a nine-yard burst to midfield, but only 38 seconds remained on the clock.

Martin hit Jeff Whiteside for 16 yards to the Dalhart 25, as the game entered its final ten seconds. He then connected with Barnett once again, who made a nice catch at the 16, but the clock ran out on the play.

The 92 yards passing, almost double what the team had gained through the air for the first four games of the season, allowed Friona to outgain the Wolves in total yardage, 263-236.

Martin hit six out of nine passes, with Barnett catching three for 36

Chiefs Open **District Play Against Champs**

After completing a somewhat disappointing non-district schedule, the Friona Chieftains launch their District 3-AA warfare next Friday, and they will be starting with one of the toughest teams they will meet all season long.

Olton's Mustangs, using a 6-0 win over the Chieftains as a springboard, won district a year ago, and went on to the regional playoff game before bowing to state runnerup

The Mustangs returned 14 ettermen off their squad that finished with a 10-2 record, going further than an Olton team ever had gone in the playoffs.

Leading the pack of veterans is four-year starter Glenn Johnson, 187-pound fullback who was a two-way all-district selection a year ago, and named class AA player of the year on the South Plains.

Johnson gained 1,767 yards as a unior, and besides his stellar play on offense, is a bruising linebacker who loves to hit.

Coach Mike Garrison says the Mustangs, who were rated seventh in the state this past week, are a much improved team over the same

"They were already murder when p.m. at Olton

they ran the ball. But now they have added a passing attack. Jimmy Parker is a heck of a quarterback, and Olton has come up with a tight end that makes them a threat to pass as well as run the ball," Garrison

Garrison says the Mustangs are without doubt the top-rated team entering district play. The only blemish on their record is an 11-8 loss to Tulia in their opening game. Tulia is also state-ranked, and Friona found out about their strength earlier this year.

Garrison said he appreciated the support of the fans, who have stayed with the team in spite of their bad luck. "We keep making costly mistakes," Garrison said this week following the team's 14-6 loss to

He indicated that the team's attitude was remaining good, and that the Chiefs shoudl be in a good frame of mind to begin district play.

"We just need folks to stay behind us. I know it's easy to lose your spirit after the way some things have gone, but I hope the fans won't be down on the players. They are still giving it all they've got," Garrison

Friday's game will begin at 7:30

Mark Mercado scored Friona's touchdown in the seventh grade battle. The team's try for points was stopped short, and this was the difference in the game.

Robert Alexander broke up a scoreless tie in the eighth grade game when he crashed in for a touchdown with 4:24 left in the ball game. The PAT attempt failed, but the TD held up for a 6-0 Friona

Little Shambryn Leigh Wilson received a warm welcome during the weekend. She was born in Amarillo on Friday. Then the next day two aunts, two uncles and three cousins from the Lone Star State, Texas, came to see her.

Mr. and Mrs. Dean Bingham and children, Shae and Brett, and Mr. and Mrs. Sheldon White and Jared, who live down east of Dallas also visited in the home of Mr. and Mrs. Elvin Wilson. Mrs. Bingham is the former Darlene Wilson and Mrs. White is the former Diana Wilson.

Mr. and Mrs. Ray Hurst of Houston visited in the home of Mrs. Hurst's mother, Mrs. Bert Shackelford, last week. Their son, Ray Burt, who is a student at Texas Tech, accompanied his parents to Friona.

The Hursts left in time to see the Texas A&M Tech game. Ray and Nancy were probably in a quandry when it came time to yell. None of their boys play college football, but some attend A&M and some are Tech students.

Mr. and Mrs. Joe Connelly of Lubbock were weekend visitors in the home of her parents, Mr. and Mrs. Jack Clark. Mrs. Connally is the former Janice Clark.

Construction is beginning on a new home for Cunningham's Electric, which has been located between Prospect and Summitt on the south side of Highway 60.

The new facilities will be located

The new facilities will be located at the corner of Columbia and Highway 60--on the southside of the highway and the west side of Columbia.

James and Sue Procter are home after an extended trip, which took them to the West Coast.

At Las Cruces, New Mexico, they visited in the home of Dr. and Mrs. Ken White and daughters, Becky and Joanna. Dr. White is on the staff of New Mexico State University. Mrs. White is the former Sharon Dean, who is the youngest sister of LaVohn Kirk of this city.

Then in Imperial Beach, California, the Procters visited in the home of an uncle and aunt, Mr. and Mrs. H.D. Grandey.

En route home they visited at Willcox, Arizona. They saw Charles and Joy Beaton, David and Melba Setliff, the John Gammons and several other former residents of this area.

Recently Mrs. Elmore wrote her reasons for liking to live in Friona to Capper's Weekly and her letter was published in the September 16

One of the persons who read it and liked what she read was Mrs. Fern Atwood of Butte, Nebraska. Mrs. Atwood was so favorably impressed that she has written Mrs. Elmore for more information and thinks probably Friona is the place she'd like to move to.

One of the oldest superstitions has to do with the fact that 12 is a magic number. According to the late Elizabeth Gulledge, who must have known more about superstitions than just about anyone who ever lived, "the first twelve hours, days or whatever were of utmost significance."

"Aunt Lizzie," as she was lovingly called by a host of nephews and nieces, including the Glenn Floyd family, tried to impress all of us with the importance of "starting the New Year off right." She told us many many times that if we failed to accomplish much during the first twelve days in January that the whole year would be wasted.

She also told us that the weather of each of the first twelve days of the New Year would be representative of what the year's weather would be like.

Clinton Chad Snead's life are an indication of what his life will be like travel-wise, he may be a world traveller.

He was born at LaJara, Colorado, September 30. Then a few days later accompanied his mother, Mrs. Jim Snead, to the family home at Red River, New Mexico for a brief stay.

Then last Friday, which was October 10, he and his mother and sister, Layle, came to Friona with his maternal grandmothers, Mrs. Billie Long.

Mr. and Mrs. Ray Vickers of Hot Springs, Arkansas, and Mr. and Mrs. Floyd Kizzia of Delight, Arkansas, have been visiting in the homes of Mr. and Mrs. Claude Osborn and Mr. and Mrs. Sloan

Some of the local McFarland clan joined the group. Think the Sloan Osborns, Roy and Martha Clements and George Taylors were there.

At any rate before the afternoon was over one of the group had a bright idea and suggested, "Let's call Lonnie collect."

Lonnie is the oldest brother in the

someone placed it then everyone talked.

One day this week Lonnie and Elva came to Friona. Maybe the call reminded them they had been away.

Elva came to Friona. Maybe the call reminded them they had been away too long. Before coming here they had visited relatives downstate and their son, John, and his family at Farwell.

Other visitors in the Claude

Osborn home last week were Mr. and Mrs. J.B. Jennings of Clovis.

Sam and Inez Rule recently took a trip through Oklahoma. At Cheyenne they visited Inez's parents, Mr. and Mrs. E.G. Allen and in Kingfisher they visited some of Sam's relatives.
