

By Bill Ellis

CITY LEADERS were confident following Monday's meeting with architect Raymond Powell that the re-submission of bids on the Friona nursing home project will result in the awarding of a contract.

The officials were shocked on August 11 when the bids all exceeded the bond issue amount-the lowest bid by \$85,000.00.

Some minor changes have been okayed for the bid specifications, and it is thought that this should result in enough of a decrease that the re-bidding will come within the bond issue amount.

If the new bids are acceptable. then the project may move forward, having been delayed only a month.

WE HAVE PURCHASED a Top of Texas football magazine, a pro football book, Street and Smith's College Football mag, we've got the dope on the Dallas Cowboys, the schedule published by local merchants, plus some of those appearing in the Lubbock and Amarillo papers.

We're doing our best to get prepared for another "bigger and better" Friona Star football contest.

We hope the fans are also getting ready, although perhaps it's not necessary to buy all the books that we do. (If you do, you'll almost have to win one of the weekly prizes to get your magazine money back).

The contest will be "bigger and better," because there are more games to pick each week. Also, the weekly prizes are bigger. First prize will be \$10.00, instead of \$5.00 as it has been. Second will be \$6.00, and third will be \$4.00.

Remember to plan on attending the "Parmer County Championship" Friday, September 5 at Chieftain Field. But you won't be ready to go to the game if you haven't first filled out your football contest entry blank.

THE UNEXPECTED drop in enrollment at Friona schools came as a surprise to us as well as to school officials.

The situation apparently is common across this part of the country. We have heard the drop attributed to the "declining birth rate" that was prevalent across the country for a number of years.

This might suffice for a portion of the beginning grades, but it fails to hold water in light of the fact that the local system had its biggest drop in the junior high building. These were kids who "had been there" the previous year; so the drop in that section could not be explained by a

lower birth rate. Enrollment figures have dropped in every neighboring community that we have been able to check, including Hereford, Dimmitt and Bovina. This general area had been on a growth pattern for the past several years, so it comes as somewhat of a shock when the trend

is suddenly reversed. Perhaps a good part of Friona's decline can be attributed to fewer jobs in the cattle feeding industry

than at other times. And in the case of Friona, the community has four or five feeding installations with local ties, so this adds up in periods of slowdown as well as booms.

Leaders had thought that the feeding industry "bottomed out" about this time a year ago. It may take a while for the situation to correct itself, allowing the feeding industry and its related industries to grow back to where they were before the crisis.

WE NOTICED this the other day on a statement someone had supposedly mailed out "We're better to you than your mother was. She only carried you nine months. We've been carrying you for over a year."

Star Slates Later Printing

Beginning next week and continuing throughout the football season, the Friona Star will hold its printing time to include the Friday night games of the Friona Chieftains in the weekly issue.

Most subscribers will not notice a difference, but those receiving their papers on the rural or city routes will not receive the Star on Saturdays during the football season only.

FOR NURSING HOME

'Specs' Trimmed; **New Bids Sought**

The Friona City Council met with the governing board for Friona's Project Nursing Home Monday evening, and with the project architect Raymond D. Powell, for the purpose of making changes in the project's specifications to reduce the cost of the facility.

The group studied a 33-point proposal submitted by Powell as suggested methods of reducing the cost of the project, without materially hurting the overall nature of the nursing home project. Of the 33 points proposed, the council and Nursing Home leaders agreed to 30, which should cut the bid estimate by at least \$60,000. The

bid opening exceeded the city's \$350,000 bond issue by \$85,000. City manager Jake Outland pointed out that it would be possible to negotiate with a successful low bidder if the bid does not exceed the bond issue by more than \$25,000. However, due to legal technicalities, none of the first round of bids could

Derailment Photos

low bid submitted at the August 11

Powell is to submit copies of an amended set of specifications on the project to interested bidders, and a second bid opening is scheduled for Monday, September 15 at 2 p.m. at the City Council Meeting Room.

Mayor R.L. Fleming says that by trimming the areas from the project, he is hopeful of getting a bid amounting to as much as ten per

cent less than the original low bid. At least one additional bidder is expected to submit bid proposals, as a local contractor who did not bid on the first round has expressed an interest in bidding on the nursing

home project. Among the items which the council and nursing home officials declined to consider among the proposals for reducing the project's cost was one to omit four patient rooms on the end of one wing. The proposal would have saved approximately \$12,000.

The council expressed a virtual unanimous objection to reducing the size of the project. Mayor Fleming pointed out that it would be false

economy to eliminate rooms at the end of a wing, since the space, which amounted to 1,200 square feet, could be had for around \$10 per square

The project as specified will accommodate 60 residents, and could handle up to 73 if the combination of patients happened to

The items considered for elimination or change at last Monday's meeting shaved from \$100.00 to \$7,926.00 per item from the cost of the project.

It was pointed out that should the bid allow, some of the things which were voted to be changed could be re-instated following the second round of bids.

Powell issued an apology to the council and the nursing home board for the fact that the bids exceeded the bond issue by the amount that

"When I gave the board my estimate in February as to what the project would cost, I had no way of knowing that building costs would increase at the rate that they have increased," Powell said.

Among the larger items which were approved from the proposal to shave the cost of the project were the following:

+Omit all plaster from the project (\$7,926); +Lower the floor elevation in the amount of approximately seven inches (\$3,325); +Change windows to single hung fin type (\$2,600); +Change patient room wardrobe to closet (\$2550).

+Change trus-joist framing to 2x12 framing (\$2,336); +Change mechanical Zoneline units from type II to type I (\$2,958); +Eliminate voice communication from nurse call system (\$5,131); +Deduct 1,058 square-feet floor area (\$5,296).

+Electrical re-design (\$4,800) +Plumbing re-design (\$5,000); +Omit ceramic tile in patient room toilets and quarry tile in kitchen (\$3,400); +Deduct vinyl fabric in patient toilets and on upper corridor walls (\$2,853); +Omit drive-through canopy and move storage and re-design storage (\$3,000).

The 13 changes listed above should reduce the cost of the project by an estimated \$51,000.

Cleanup operations were going full

speed near Summerfield Friday,

following a massive derailment

involving about 25 cars of an

Freight Derails

At Summerfield

CELEBRATION PLANS....Jay Beene, left, chairman of the Maize Days celebration, goes over plans for the event with David Carson, one of his co-chairmen. Others on the

committee include Gary Cook and Jerry London. The annual celebration is slated for September 15-20 this year.

Enrollment Dips In Local System

Enrollment in Friona Schools was down by 6.8 per cent from the same day a year earlier, according to figures released Thursday by Superintendent of Schools Tom B.

The local school enrollment as of Thursday, August 28, stood at 1,392. This was a decrease of 103 students from the total of 1,495 on the same day a year earlier. In defense of the current figure, it should be pointed out that the 1974 total was close to the all-time record.

Apparently, the decrease in enrollment is a common thing in area schools this fall. Neighboring Bovina had 541 students on opening day, a drop of 38 from the previous year. Bovina's decrease of 6.5 per cent was similar to the Friona decline in enrollment.

Jarboe said he could not explain the unusually large decline in enrollment figures. Friona's first of school enrollment had been in the high 1400s to 1500 for the last few

The enrollment at the close of

school last year stood at 1403. New students are expected to continue to come into the school system, following the Labor Day

Train officials stated that the train

was traveling 68 miles per hour in a

section of track zoned for 70 miles

weekend. "We always get a number of new students after Labor Day," Jarboe said. The enrollment usually continues to grow during the month of September, and usually hits a peak sometime in October.

Largest decrease in student figures in the local school system was in the junior high segment, where the current enrollment of 471 is 48, or 9.2 per cent, less than that of

Elementary school enrollment was 542, a decrease of 40, or 6.9 per cent. Only the high school enrollment was fairly close to the former year. In the upper four grades, 379 students had enrolled as of Thursday. This was only 15 less than last year (3.8 per cent), and last year's total of 394 was a record for

Largest class according to enrollment is the second grade with 136 students. The third grade has 131. Smallest class, which is traditional, is the senior class with 75 students.

One of the problems caused by the unexpected decline in enrollment is the fact that the faculty is adjusted according to average daily attendance (ADA), and the local school system could have its 1976-77 faculty adjusted somewhat by a considerably lower ADA for the 1975-76 term.

Thursday's student population was an increase of 49 students from Monday's opening day, when 1343 students registered.

The school enrollment by grade was as follows: Kindergarten-54; First-116; second-136; third-131; fourth-105. Elementary total--542.

Fifth grade--116; sixth--105; seventh-120; eighth-123; Special education-seven. Junior High total-

Freshmen--106; sophomore--114; junior--84; senior--75. High school total--379. Grand total--1392.

QUOTE OF THE WEEK

It is often a good idea to let the other fellow believe he is running things whether he is or

eastbound Santa Fe freight train. per hour The train, which had left Los The section crew had to run for Angeles on Wednesday, consisted of cover when the cars started to flatcars carrying "piggy back" trailers, loaded with boys, school scatter. "I could see them running for the highway and the corn field,' supplies, paint, and a number of said L. Ray Kemp, Amarillo, who other sundry items. was conductor on the train. The cargo was scattered along the not William Feather railroad right of way, along with

considerable time

broken parts and equipment. The derailment happened about 1:15 p.m. Thursday at the crossing at the Big Tex Elevator, just west of Cattle Town Feed Yard. The cars were strewn along a quarter-mile length of track.

twisted portions of the trailers,

separated railway car wheels,

The railroad roadbed resembled a farmer's plowed field in the middle of the derailment. Rails could not be located in some places.

The derailment occurred about 50 feet east of where a ten-man section crew had been working on the track, but Santa Fe officials didn't think the crew's work had anything to do with the accident. There had been no word on what caused the derail-

Friona's volunteer fire department joined similar units from Hereford at the scene, to keep down possible fire damage.

One car from the eastbound freight landed right in the eastbound lane of U.S. Highway 60, and the debris lined the highway right-ofway. Highway patrol units from Parmer and Deaf Smith County, along with Bill Morgan, county deputy, were on hand to direct traffic through the scene. Due to the emergency units at the side of the accident, traffic was slowed for a

Queen Entries

Now Total 26

Fifteen additional girls have been entered in the 19th annual Maize Queen Contest to be held September 18, bringing the total number of entries to 26.

Deadline for entering girls, originally announced as September 1, has been extended to September 2 because of Labor Day.

Among those entered during the past week are Elaine Dandridge, sponsored by Circle K Food Store; Myrna Phipps, sponsored by Friona State Bank; Linda Duke, sponsored by the Tasty Cream; Janice Peak, sponsored by the Young Homema-

Also, Terri Patterson, sponsored by Friona Motors; Nell Fulks, sponsored by Parsons-Ellis Funeral Home; Genie Nelson, sponsored by Ethridge-Spring Agency; Diane Bennett, sponsored by Carrol Gatlin Land Co.

Also, Iris Stephenson, sponsored

by U.S. Life Insurance (Jay Beene); D'aun Wilson, sponsored by Ruthie's; Shannon Taylor, sponsored by the Friona Rebekah Lodge; Jerri Benge, sponsored by Tri-Frye

Also, Pam Veazey, sponsored by the Kiwanis Club; Jackie Rando, sponsored by Friona Swirl & Curl; and Cindy Lundy, sponsored by Ag-Chem Farm Services.

Those previously entered were: Karen Young, White's Auto: Linda Anthony, Production Credit Association; Debra Dorrell, Rushing Insurance; Leesa Mercer, Bruegel & Sons Elevator; Lisa Edelmon, Progressive Study Club.

Also, Melody Dixon, Tri-County Savings & Loan Assn.; Denise Shipp, Central Plains Family Service Center; Susan Garner, The Main Place; Sherri Thorn, Hub Ladies Club; Julie Johnson, Hub Aerial Spraying, and Paula London, Cook Oil Company.

Friona Fire Chief Ralph Shirley (center) surveys debris at train derailment site.

PAUL DURHAM in the DIBOLL FREE PRESS Murphy's Law of random perversity is making the rounds. I have no idea where this little jewel originated, but someone put a copy on my desk, and there are times when we all feel we are doomed to live under Murphy's Law.

1. Left to themselves, all things go from bad to worse.

2. Anything that can go wrong will

3. If there is a possibility of several things going wrong, the one that will go wrong will be the one that will do the most damage.

4. If you play with a thing long enough, you will surely break it. 5. If everything appears to be

going well, you have obviously overlooked something. 6. Nature always sides with the hidden flaw.

7. Mother Nature is a witch.

ROY MCQUEEN in the SEMI-NOLE SENTINEL....Hardly a day passes that we're not confronted with some new federal or state regulation that complicates our life.

Thanks to Nader and company, most new home electrical appliances won't fit into our old, standard two-prong electrical outlets, and then the car won't start because some seat buckle is unfastened.

It's an endless battle to keep up with what we're supposed and not supposed to do, eat, read and watch. We're probably the most over-regulated group of people in the world!

We allow some bureaucrat sitting at a desk, drawing \$25,000 of our hard-earned dollars, think up ways of making life miserable just so they can have a job in writing guidelines and regulations.

The most ridiculous new regulation we've found is the new laws affecting state and local elections.

Some do-gooder has come up with the idea that ballots must also be printed in second language if that minority group exceeds five per cent of the county's population.

Well, Gaines County's first experience with the new law comes next month with the local option election scheduled in voting precinct six where there are 163 registered

The law already requires that the county print 10 per cent more ballots than there are actual voters. Now that's what we call good, conserva-

Effective with this election, the new law requires that a Spanish ballot be printed for five per cent of the registered voters. That's roughly 8.1 ballots that must be printed in Spanish. Then the 10 per cent overrun applies to that making it a total of 8.9 ballots in Spanish for the August 13 election.

We've been tempted to call up

some official in Washington or Austin and ask if there are any guidelines on how to print .9 of a ballot. We need to know which end to

The truly ridiculous part of the thing is the cost which the county must bear in printing two separate ballots. Any printer will tell you he can print 1000 ballots almost as economically as he can print nine.

Add a translation fee to the cost of printing two separate ballots and you'll find that the upcoming liquor election in a precinct with 163 registered voters will be the most expensive election held here in a long time.

DICK BROWN in the MASON (MICH.) NEWS Last week I had an opportunity to listen to Dr. C.K. Kline, coordinating engineer for the Michigan energy office. He spun a horror story of the Michigan and national energy shortages with the admonition that "we ain't seen nothing yet."

It's confusing to listen to energy experts. Dr. Kline's story was a hair-raiser. It would have been even more so had I not heard another energy expert four days previously with a different story.

Both Dr. Kline, a former Mason resident with a long string of credentials, and the other energy expert, with an equal number of degrees, backed up their opposite stories with facts and figures.

It's terribly confusing. There are too many facts and figures being bandled around to bolster opinions which are often contrary.

It reminds me of the story of facts and figures which came out of a Canadian lumber camp.

Seems that the camp employed 50 men and two women cooks. One of the men ran off with one of the

The camp newspaper put it this way. "Fifty per cent of the women ran off with two per cent of the

The percentages were factual but they were used to weight a particular chauvanist opinion.

When speakers start reeling off percentages to bolster an argument those figures are impressive but they sometimes don't tell the whole

There are a lot of experts and researchers who are able to come up with figures and conclusions, usually for profit. Three researchers recently reported to the American Society of Heating Engineers that people who are cold should wear more clothing. Those who are warm should wear less clothing.

I didn't know that

HOWDY THERE MA'AM!

14 DO - 1

LABOR DAY

DPS Predicts 42 Holiday Fatalities

State Public Safety Director Wilson E. Speir today estimated that Labor Day weekend traffic in Texas will claim 42 lives.

The holiday period extends from 6 p.m. Friday through midnight Monday, Sept. 1. During a comparable period last year, Texas traffic killed 51 persons.

"Traffic will be particularly heavy near recreational areas such as beaches, lakes and campgrounds. Actually, in these situations, motorists need to be extra watchful for children playing and other pedestrians. Also, persons towing recreational vehicles and boats should be mindful of extra stopping distances and other problems unique to trailers," Speir said.

The DPS director called on motorists to cooperate in law enforcement efforts to hold speeds down during the holiday, noting that

'excessive speed is still our top accident problem."

"He also urged motorists to work with officers to eliminate the serious threat posed by drunk drivers.

In an effort to reduce the toll, Speir said extra DPS troopers will be on duty statewide. He said troopers and local officers will be especially watchful for speeding, reckless and drunk drivers.

In addition to these efforts, the Texas Department of Public Safety will also work with the news media in its "Operation Motorcide" accident awareness program. This program is designed to provide motorists with current information on accident dangers during the holiday period.

Friona Flashbacks

....from the files of The Friona Star

45 YEARS AGO-AUGUST 22, 1930 When F.S. Truitt, of the Truitt & Landrum Lumber Company, entered the office to begin the business of the day Tuesday morning, he was not long in learning that the office safe had been rifled during the night. When the safe was opened, it was found that the cash drawer had been forced open and its contents taken. The drawer contained a little over \$2.00 in cash and about \$10,000 worth of notes, but the notes were later found underneath the safe where the burglars had placed them.

40 YEARS AGO-AUGUST 23, 1935 Two engineers from the State Highway Engineer's office at Lubbock were here Thursday and Friday of last week checking up on the field notes of the former survey of State Highway No. 33, or that part of it that passes through Friona.

35 YEARS AGO-AUGUST 23, 1940 Word was received here Tuesday morning to the effect that Jess M. Osborn, Muleshoe banker, and formerly cashier of the Friona State Bank, had been seriously hurt in a car wreck. ++++

30 YEARS AGO-AUGUST 24, 1945 What was formerly known as the "Conoco" filling station, which has been closed almost ever since the war began, was reopened this week

with France Welch as owner. Deaton Brothers are the new proprietors of the Phillips Service Station on the highway after taking over the business last week from Sam Jones and Carroll Loflin.

25 YEARS AGO-AUGUST 17, 1950

W.L. Edelmon, chairman of the Parmer County Water Conservation has called a meeting of all Parmer County taxpayers for this Friday night on the Bovina School gymnasium; the subject demanding immediate attention is the course this county will take in a proposed Underground Water Conservation District including Parmer County.

20 YEARS AGO-AUGUST 19, 1955 Well over \$2,000 damage to two trucks was incurred Wednesday afternoon at the intersection collision at Hub. James Troy

Westfall, 30, of Canyon, received a broken collar bone, only serious injury of the accident. His truck received some \$1200 damages. Westfall was going south on the Farm-Market Road 299, driving a semi-truck trailer. He was struck from the west by a '54 Ford pickup driven by Newman Lee Maynard, 44, of Elmendorf, Texas. Maynard received numerous lacerations of the scalp and face. Over \$1,000 damage was estimated to his pickup. Maynard was charged with failure to stop at the "stop sign" on Highway 86, by investigating officers.

15 YEARS AGO-AUGUST 18, 1960 Dan True, Channel 10's weathercaster in Amarillo, will serve as the master of ceremonies during the annual Maize Days Queen Contest, announced Deke Kendrick, chairman of the contest. In addition to this announcement, a deadline for those desiring to enter this year's contest has been slated for Saturday, August 27.

10 YEARS AGO-AUGUST 19, 1965 All regular classrooms are to be finished at the new high school building in time for the opening of school August 30, Superintendent of Schools Alton Farr stated this week. Certain parts of the high school complex, such as the auditorium, cafeteria and gymnasium, will not be ready for the opening of school, but will be completed as soon as possible after the opening of school. For the third straight year, the Friona Star has been judged a prize-winner in the West Texas Press Association's "Better Newspaper" contest. At the association's annual convention at El Paso last weekend, the Star was awarded first place in the "general excellence" division. It marked the third time the Star has won this coveted award in as many tries for the honor.

5 YEARS AGO-AUGUST 20, 1970 Two Friona residents have been recent winners in the Amarillo Globe-News photography contest. Nelson Lewis was a winner the past Sunday, in the color photography division, Earlier, Dr. Bob Alexander had been a weekly winner, also in the color division

County 4-Hers Win In District Contest

Four Senior 4-H Club members will have their record books entered in state competition following district competition Aug. 12 at Amarillo.

County members who will compete in the state contest include Jacquelyn Langford of Farwell, beef; Rocky Bartlett of Bovina, swine; Linda Gohlke of Oklahoma Lane, dairy foods; and Cheryl Gohlke of Oklahoma Lane, dress revue. Alternates in the state contest will be Susan Mimms of Lazbuddie, clothing; and Holly Hart of Friona, achievement.

Record books are judged at the district level by a panel of county agents and scored on the basis of how well the 4-Her relates his or her experiences and leadership in 4-H work and how he or she has grown in accepting personal, community and civic responsibilities, according to Jana Pronger, county 4-H leader.

peted for ribbons at the district level. Senior members who won at the district level will now compete at state with the winners there competing at the National 4-H Congress in Chicago.

Thirteen county 4-H members competed in the district

Competing in the junior division were: Russell Windham, Lazbuddie, blue ribbon, swine; Evelyn Hart, Friona, blue ribbon, sheep; Tommy Mesman, Oklahoma Lane, blue ribbon, bread; Teddy Mesman, Oklahoma Lane, blue ribbon, dairy; Craig Kaltwasser, Oklahoma Lane, blue ribbon, bicycle; Joan Carson, Bovina, blue ribbon, beef; Debbie Whitecotton, Bovina, red ribbon, foods nutrition: Yolanda and Martin, Oklahoma Lane, red ribbon, clothing; and Joe Dan Briggs, Lazbuddie, red ribbon, horses.

GenTel Explains Call Increase

A one-minute rate for all hours and all days, and special calling periods with up to 40 per cent savings over day time rates for charges for each additional customer dialed station-tostation long distance calls placed within Texas can help telephone customers save on toll calls even ute rate, customers are though all rates have been increased, according to L.L. Porter, traffic director for General Telephone Com-

pany of the Southwest. Porter said the rates General Telephone charges customers for intrastate long distance calls were increased Aug. 11 when Southwestern Bell placed new rates in effect. He explained that Bell operates most of the long distance

facilities in Texas and establish statewide rates. "Even though all of the

intrastate rates have increased, customers can effect at all times," Porter Sunday.

to Aug. 11 intrastate calls were charged for a minimum of three minutes plus minute except between 11 p.m. and 8 a.m. when the one-minute rate was in effect. Under the one-mincharged for each minute or fraction of minute they talk.

He continued by saying the day rate in effect from 8 a.m. until 5 p.m., Monday through Friday, is the highest dial it yourself rate in effect. However, he added, the day rate is reduced 30 per cent when the call is placed during the evening hours between 5 p.m. and 11 p.m., Sunday through Friday. In addition, the day rate is lowered 40. cent for additional savings when the call is dialed by the customer under the night calling period in effect from 11 p.m. save money by taking until 8 a.m., Monday advantage of the new through Friday, all hours on one-minute rate which is in Saturday and until 5 p.m.

How can I check the financial stability of an insurance company and what does the company do with the money it collects?

You may write the Insurance Commissioner who will furnish you with information upon which to base your judgment. Also, available from most insurance representatives is a reference book which gives all the data on the sound companies. The money collected goes into the general funds of the company. It is used to meet normal expenses plus make the pay ments to the policyholders and beneficiaries. The balance, along with the company's reserves, are invested and earn mon ey toward future benefit payments for the policyholders. In vestments made by insurance companies have lowered th price of life insurance so that it is less than it was 20 years ago

By Mike Chaney

Complaining about the cost of food has been an ardent avocation of man ever since Adam found out the price of an apple. Just how much are we paying compared to the rest of the world? Samplings made earlier this year showed when steak was \$1.69 a pound here it was \$3.15 in Rome \$2.92 in London, \$4.73 in Stockholm and a whopping \$16.00 in Tokyo. What about the price of eggs in Brussels you say? 90-cents there, \$1.29 in Copenhagen, 83-cents in Mexico City while we were paying 74. Our cost of butter was 89 cents a pound com-pared with \$1.73 in Paris. \$1.36 in Brasilia and \$1.57 in Bonn. Adding bacon to the breakfast table was costing \$3.41 cents in Paris when we were paying \$1.56. At the same time, bacon consumers in Copenhagen were complaining about the price of \$2.71 and the grumbling figure in The Hague was \$3.08. Fact is, we obviously have a pretty good deal when it comes to food prices

An Army captain, stationed overseas, was elated over the snapshot his girl had sent him from the States. It showed a happy couple sitting on the beach, while she sat alone in the background looking forlorn. The message on the back read: "Darling, this shows how lonesome I am for you."

The captain showed the picture to everyone who would look at it, over and over again, until he and his picture became number one bore. Finally a fellow officer devised a way of inducing him to put the snapshot away permanently.

John," said his friend innocently, "who do you suppose took that pic-

New, Bigger Slate Faces Contest Fans

A new, enlarged football contest is being announced in this issue of the Friona Star, who once again will sponsor the popular 13-week continuing series with 20 sportsminded area businesses.

Weekly prizes have been doubled for the 1975 season, with prizes of \$10 for first place entry, \$6.00 for second and \$4.00 for third to be offered to the top three entrants in each of the 13 individual contests.

In addition to the \$20.00 in weekly prizes, contestants will be shooting for one of three grand prizes to be awarded to the leading contestant after the conclusion of the contest.

Also new this year, contestants will be asked to pick a total of 20 of the top high school, college and professional games each week. This is four more games than have appeared on the slate in recent years.

The contest follows the same format that it has throughout its history. The games to be picked by contestants are listed in the advertisements of the contest sponsors. Each sponsor's ad

Deadline Set

For Contest

The third annual "Little Miss Friona" contest will be held Tuesday, September 16 in the Friona High School auditorium.

Entry blanks may be picked up at the Friona Star or Chamber of Commerce office.

Contestants must be five years old prior to the contest on September 16 and not older than seven. The contestants may be sponsored by parents, interested persons or businesses. The contest will consist of two changes of clothing, the first appearance will be in play wear and the second in dress wear suitable for church.

the contest. The rehearsal will be held at 4 p.m. Monday, Sept. 15 at the High School auditorium. All contestants must be present for the

rehearsal. Entry fee is \$7.50.

Deadline for entry is midnight Monday, September 8. Entertainment during the contest will be furnished by the Thespians. The master of ceremonies will be James Stanfield.

contains a game to be considered in that week's contest.

Sponsors include Ethridge-Spring Agency, Production Credit Assn., Ag-Chem Farm Services, Friona Motors, Mike Chaney Fertilizer,

Fleming & Son Gin-Hub Grain.
Also, Tri-County Elevator, HiPlains Feed Yard, Friona Wheat
Growers, Reeve Chevrolet-Olds,
Herring Implement Co., West
Friona Grain and Parmer County
Pump Company.

Also, Parmer County Implement Co., Adams Drilling, Nobles TV & Appliance, Bruegel Bros. Gin & Elevator, Benger Aero Spraying, Lakeside Parts & Machine and Gibson's Discount Center.

First place winner at the close of the 13-week contest will receive two tickets to the Cotton Bowl game plus \$30.00 in cash. Runnerup will receive two tickets to the Sun Bowl Game and \$20.00 in cash. Third place

contestant receives \$15.00 in cash.

Drawings are also held to present two Cotton Bowl and two Sun Bowl tickets to two of the sponsoring merchants at the close of the season.

Entries may be brought or mailed to the Friona Star, Box 1057, by 5 p.m. each Friday. If mailed, the entry must bear a postmark by Friday "P.M." and should be marked "Football Contest."

Over 400 fans enter the contest each year, as individual rivalries usually develop among contestants.

Readers are urged to turn to page 8 of this issue and familiarize themselves with the first week's slate of games, which contains games to be played the weekend of September 5-6-7.

A tie-breaker game, usually the Friona Chieftain game, will be used to break weekly ties as well as those that might result in the final race for a grand prize.

The tie-breaker is only used to separate the top three contestants, and has no bearing on the weekly score. Contestants are asked to pick the score of the tie-breaker game.

Everyone interested is urged to turn in an entry blank this week and get in on the contest from the beginning.

Last year's grand prize winner

was Roy Smith. Second place was

won by Mary Priest. Joy Morton and Charlcie Clark tied for third. Everyone, with the exception of employees of the Friona Star and their families, are eligible to enter.

school time....Monday saw the school bells ring out across the area, as school resumed after summer vacation. This group of students are shown registering at Friona elementary school. Elementary school instructor Decimae Beene is shown looking on at left.

Businesses Set Monday Closing

A number of Friona businesses plan to close on Monday, September 1, which as Labor Day is a legal holiday in most places.

In addition to the businesses which will be closed, Friona schools will give the students a long weekend after their first week in school, resuming classes at the regular time on Tuesday, September 2.

Government offices, including the Post Office and the Soil Conservation Service, will be closed. Likewise

School Lunch Menu

Week of September 2-5 TUESDAY-steak, mashed potatoes, catsup, hot rolls-butter, green beans, chocolate cake and milk.

WEDNESDAY-frito pie, pinto beans, cornbread-butter, cabbage slaw, fruit salad and chocolate milk.

THURSDAY- fried chicken, mashed potatoes, hot rolls-butter, buttered carrots, applesauce cake and milk.

FRIDAY-hamburgers, French fries, lettuce, tomatoes, pickles, whipped jello and milk.

the City of Friona offices.

Businesses who told the Friona Chamber of Commerce they planned to close were Allen's Jewelry, Brockman Sales, Carrol's Gift Shop, Claborn Floral, Ethridge-Spring Agency, Foster's, Friona Chamber of Commerce, Friona Consumers, Friona Star and Friona State Bank.

Also, Gib's Drive-In Cleaners, Lakeside Parts & Machine, The Main Place, Panhandle Concrete Co., Pioneer Natural Gas, Production Credit Assn., Reed's Cleaners, Rushing Insurance, Ruthie's.

Also, Southwestern Public Service, Tri-County Savings & Loan, Walt's Quality Printing, Western Auto and White's Auto.

Businesses planning to be open on Labor Day include Gibson's Discount Center, Houser's Grocery, Perry's, Piggly Wiggly and Bi-Wize Drug (until noon).

The young woman greeted her husband affectionately on his return from the office.

"Poor darling," she soothed, "you must be tired and hungry. How about some tender juicy chops with golden brown potatoes, fresh green peas, and delicious mushrooms on tense?"

"No, dear," he said firmly. "Let's save money and eat at home."

SOMETHING INTERESTING FOR EVERY BODY!

You're doing without a Zimmatic center pivot. Saving your hard-earned capital for other improvements. Don't want to borrow right now.

But it's costing you money every year you wait. Two ways. First, you're losing the extra crop production you get under irrigation. Second, inflation is at work. Boosting prices, dropping the value

Why not rent a Zimmatic under our new lease plan? Let the system pay for itself and put some extra money in the bank for you at the same time.

Our rates are reasonable. You can include freight, installation, pump

other "above ground" items in one flexible package, tailored to your needs. Why wait to irrigate? It's just costing you money. Call us today for details on our new lease plan.

Chieftains Ready For Season Opener

Football hits the scene in Friona this week, when the 1975 season is inaugurated against longtime rival Farwell at Chieftain Field.

Game time for the season opener is 8 p.m. Season tickets will remain on sale at Bi-Wize Drug until game day. Those who have not renewed their tickets are urged to do so.

"We're ready for the season to start. We have had three good weeks of workouts, and we're ready for things to start happening," said Chieftain Coach Mike Garrison this

Garrison will be unveiling his new football program called the Red Rage, which includes a "new look" offense and a two-platoon system that he thinks will be a big help to the Chieftains' young team.

Friona will run out of the Wing-T and Slot-T formations this fall, and will switch entire units when the team goes from offense to defense. Garrison has nominated 22 or 23 different players for possible starting duty next Friday.

Some five of the starters were to miss the team's second scrimmage against Stinnett, but were expected to be ready for the Farwell opener.

Returning starter Kenny Stowers, who will be playing strong side guard, has been out with a stomach virus that is "going around." Likewise, quick tackle Cris Ingram and center Richard Anderson were out with the flu in the second scrimmage. Linebacker Luis Rodriguez had, been slowed but was expected to play some Friday.

Quick tackle Keith Pryor had an accident with his show calf Thursday afternoon, and came out with a hyper-extended knee. He missed the scrimmage, but was hopeful to play in the season opener.

Defensive starter Rolando Caballero had a deep knee bruise this week and was expected to miss duty against Stinnett.

"Aside from that, we are in pretty good physical shape," Garrison said, trying to remain optimistic with that many starters sidelined.

The new Chieftain coach said he was expecting quite a battle out of Farwell. "They have a lot of speed, and that is our major concern, since we don't have much speed," he said

The Steers, experience-wise, are similar to Friona, with two offensive and four defensive starters back from 1974. Coach Eugene Jennings was expecting a rebuilding year after a 1-8-1 season a year ago.

bad breaks in '74, and Coach Garrison warned that with a combination of good breaks, the tables could be turned in '75.

offense similar to Friona's. Running

sophomore quarterback Russell Jones. Rushing yardag 's expected to come from Gerald Hardage, a 135-pound serier, Mike Goettsch, a 160-pound junior and Sammy Merritt, .50-pound junior.

Tight end Brad Jones is one of the returning starters, and guard David Cantu is another. Among the Steer newcomers is sophomore linebacker prospect Rusty McFarland, expect to fill that position.

The game is usually referred to as "The Parmer County Championship," and it has become a pivotal game for the two cross-county

Giving an indication of the hard-fought nature of the series is the fact that going into the 39th renewal this week, Friona holds a one-game edge over the Steers, with 19 wins to 18 for Farwell. One game ended in a scoreless tie.

"This game is for all the marbles. We want to get off on the right foot, and I think the boys will be ready for Farwell," Coach Garrison said.

The Chieftain coach indicated that the spirit and enthusiasm was holding up well. Additional players have joined the team, and there are currently 114 boys out for Friona's football program, freshman through

WITH HOME FOOD preservation in full swing I thought you might like some of the most current information I've come across and some of the interesting information related to food preservation.

How about some good news on the canning lid situation? We were recently informed by our state food specialists that canning lids are available through Goodwill Industries and the Commerce Department on a mail order basis. We encourage you not to order more than what you need for this year's canning season manufacturers are

catching-up with the need so next year's supply should be adequate. You might want to get together with a friend or two to order these if an order is more than you need this year. The address is: Goodwill Industries of

Minneapolis 3800 Washington Avenue N. Minneapolis, Minn. 55412

A check or money order in the amount of \$5.00 will cover the cost of nine dozen lids (\$4.00) and mailing (\$1.00). The sender should also enclose a self-addressed stamped envelope for return of the check or money order if the supply is exhausted. There is a limit of one order per household.

FOR THOSE of you who missed my food preservation workshops earlier this summer, or have not had a chance to stop by the office I still have a good supply of Extension publications of canning and freezing. One you might be especially interested in is "Good Quality and Safe Home Canned Food," which gives information on spotting poor quality foods and spoiled foods and information on the prevention of the problem. Pertenent information is included on such organisms as botulinum, which we've heard so much about lately.

We have an adequate supply of current information on canning and freezing from the Extension Service and a couple of canning supply manufacturers. Just call or write and we will be glad to send you the information you would like in the courthouse any time.

ACCORDING TO ONE of our foods and nutrition specialists the three most common causes of spoilage of home canned foods are inaccurate pressure can- Grace Lee Allison. ners, incorrect processing temperature and improper Trevino. cooling of jars. She advised checking the pressure can- Elsie Aguirre.

ner once a year to be sure it is accurate

Noting ways to be sure foods are processed at the correct temperature in the pressure canner, she sug-

--test pressure gauge so that the temperature is at 240 degrees F. at 10 pounds

exhaust pressure canner 10 minutes after flow of steam from petcock

-- keep pressure accurate. Less than 10 pounds of pressure won't kill bacteria in vegetables and meats.

-make adjustment for high altitude in areas about 2,000 feet or more above sea

She advised homemakers using a waterbath canner to have water boiling when jars are placed in the canner. Water should be one inch or more above the top of all jars throughout entire processing time, and it must be kept at a rolling boil.

The processing times for various products can be checked in the publications that I have mentioned above. At this time I have a maximum thermometer to check the temperature and gauge of pressure cookers and will be glad to test any cooker if you will call or stop by and make arrangements with me. My phone number s 481-3619 or you can write Jana Pronger, Box 683, Farwell, Texas 79325.

EXPANSION....Friona Consumers has a mammoth project underway at the company's Main Street location. Seven huge tanks, with total capacity of 72,000 gallons of fuel, are being buried on company property, more than doubling their

Rainbows To Push MD Fete

The Friona Rainbow Girls will take pledges for the Jerry Lewis Muscular Dystrophy telethon on Memorial Day, it was announced

this week. Rainbow girls will be at 265-3420 from 8 a.m. until 4:30 p.m. to record pledges which residents of the area would like to phone in.

In addition, there are boxes at Bi-Wize Drug and Allsup's Convenience Store for those who would like to leave donations or pledges.

It was stressed that those giving a cash donation need not make a

pledge, since you will be billed for all pledges. All cash donated will be kept in Friona to be used for MD projects in the immediate area.

'We would like to raise \$1,000 in Friona for Muscular Dystrophy,' stated Betty L. Rector, adult sponsor for the Rainbows.

It was pointed out that there will be no contacts made on the local scene. All donations will be strictly voluntary.

It will mark the first-ever attempt to secure local donations for the MD telethon. The girls came up with the project on their own.

Farm Bureau Chief Raps Union Action

'self-serving gesture that stabs American farmers in the back," the president of the state's largest farm organization said.

Carrol Chaloupka, head of the 175,000-member Texas Farm Bureau, said the unions are not as concerned about protecting American consumers as they are with forcing exporters to use American ships and sailors.

"Their patriotism stops at the pocketbook," the farm leader said. The Dalhart cattle and grain producer said the principle of

freedom to market is at stake. markets around the world by being competitive," he said. "The maritime unions, on the other hand, have priced themselves out of work. Now they want to use the boycott weapon able prices. to capture jobs.'

Chaloupka said the Russian grain less than one-tenth of the amount of grain that is available for export.

'U.S. grain exports to Russia over the past four years averaged only 3.2 1974. percent of all U.S. farm exports," he said. "The 1972 sales, which triggered the export dispute, amounted to only 7 per cent of total farm exports that year," he added.

"Farmers must export to stay in business," the Farm Bureau leader said. "In the past year, we exported about two-thirds of our wheat and

Boycott of grain shipments to rice, more than a third of our cotton, Russia by U.S. maritime unions is a and about one-fourth of our feed grains. On the national average, the production of one acre in four is sold abroad.

> The farm leader said exports are not only essential for farmers, but good for consumers as well.

> "Our large farm export business enables us to have volume production and lower per-unit costs," he said. "This results in lower prices to American con-

sumers.' Chaloupka said that farm exports of \$21.6 billion in the past year produced an agricultural trade surplus of \$12 billion--which enabled "Farmers have won legitimate the U.S. to have an overall favorable

balance of \$2.2 billion for fiscal 1975. The TFB president said bumper crops this year assure Americans of adequate food supplies at reason-

The U.S. Department of Agriculsales this year have amounted to ture on Aug. 11 estimated that wheat production is up 19 per cent over last year, corn production up 26 per cent, and feed grains up 25 per cent over

> Chaloupka said it is ridiculous to blame grain exports to Russia as the cause of higher food prices.

"We sold very little grain to Russia last year, yet food prices increased by 14.5 per cent-and more than three-fourths of that increase took place after the food left the

Billy Graham Crusade Set In Jones Stadium

The Billy Graham West Texas Crusade will begin Sunday at Jones Stadium on the Texas Tech campus and continue each night through Sunday, September 7. The meetings will begin at 8 p.m. each evening. Dr. Graham is coming to Lubbock by invitation of clergy and business leaders of the community.

George "Beverly" Shea, Crusade soloist, will sing with a choir of several thousand voices directed by Cliff Barrows, Crusade Music Director. Three of the meetings will be taped for national television, and be shown just prior to Christ-

Waters, TV and Motion Picture Actress, who will sing on Sunday; Grant Baylor

coach, who will give his Vice Chairmen are as testimony on Labor Day, Monday, September 1; Steve Davis, Oklahoma quarterback, who will speak on Thursday, September 4; and Steve Sloan, Texas Tech coach, who will speak on Saturday night, September

This is the third Crusade in the United States for Dr. Graham this year. He has just recently concluded a Youth Crusade in Brussels, Belgium with youth coming from all over Europe to attend. Following the West Texas Crusade, Dr. Graham will conduct Crusades in Hong Kong and Formosa this year.

Special guests at the The Crusade is directed Crusade will include: Ethel by a local executive com-The Crusade is directed mittee assisted by members of the Billy Graham Team. The Crusade Chairman is football Bob Nash of KFYO. The

follows: Dr. Sam Nader, pastor of the First United Methodist Church: Dr. Dudley Strain, pastor of the Christian Church; Dr. Floyd Perry, associate vice president of Academic Affairs and Dean of Admission Texas Tech University; and Dr. Jaroy Weber, pastor of the First Baptist Church.

The treasurer is Troy Myers, senior vice president at the First National Bank. The secretary is Jay Eagan, Massachusetts Mutual Life Insurance Company, Jack C. Alderson, co-owner and general manager of Alderson Cadillac Co., Inc., is chairman of delegations. Cliff Cummings, secretarytreasurer of Furr's, Inc., is chairman of finance.

All seats at the Crusade

are free, however, delegations of 20 or more may receive special reserve seats by writing the Crusade office at West Texas Billy Graham Crusade, P.O. Box 836, Lubbock, Tx. 79408, or call 806-763-9436 in Lubbock.

Youth nights for the Crusade are Monday, Thursday and Saturday.

Maize Days celebration in Friona.

The Family Services Center will

It was reported that the county

commissioners made a \$1000

contribution to help support Central

Plains Family Service Center. More

county funds need to be allocated in

order that the 30 cents per capita

request be met. The need for

informing our county and local

officials and the general public was emphasized; this concerns both

services available and funds needed.

Days Queen Contest.

What are you planning on doing for the rest of your life? If your immediate future includes a Labor Day weekend highway trip, Texas Safety Association advises that a stop at one of the nearly 200 Texas Jaycee holiday rest stops may just provide you with the "rest of your life"; it can be the pause that defeats driver problems like highway hypnosis, delayed reaction

time, and traffic tedium.

Jaycees Conduct

Holiday Stops

For over 15 years, the Jaycees of Texas, in cooperation with the Royal Globe Insurance Companies and local merchants, have provided free coffee and refreshments to highway travelers on long holiday weekends. The campaign was originally begun as the Labor Day Rest Stop program, but with the shift of many major holidays to Mondays, the emphasis was expanded to all holiday weekends by many Jaycee chapters.

Response to the program has been gratifying, even though no real figure on accidents prevented or lives saved is available--because you can't count accidents that never happen!

The Texas Safety Association reminds you that a 15-minute break in a two-hour drive can be the difference between a safe arrival and an accident. Drop in at a Jaycee holiday rest stop this Labor Day--for the rest that can save your life! (And don't forget to say "thanks.")

reunion at Ute Lake, Logan, N.M. on

Friona's Young Homemakers met in a called meeting on Thursday,

New officers were installed for the coming year. They are Judy Herring, president; Jan Petree, first vice president; Lynda Grimsley, second vice president; Peggy Stowers, third vice president; Melody Drake, fourth vice president; Becky Riethmayer, secretary-treasurer; and Sharon White, reporter, historian.

Brenda Pace, outgoing president, presided at the installation cere-

Members attending other than the officers were Linda Black, Shirley

Wilson, Cherry Wells, Juanelle Jordan, Ker. Jack, Pat Cupell, Rose Ann Ray, Joann Baize and Carolyn

The group discussed the Young Homemakers Convention to be held on September 6 in Plainview and made plans to attend.

They would like to invite interested persons to their first regular meeting of the year. Dr. Loyd Shackelford will be the speaker, giving a talk on "Mental Discipline." The meeting will be held at the High School cafeteria on September 4 at 4 p.m. Babysitting will be provided.

Dancers Slate Parade Float

The Buttons and Bows Square Dance Club met Saturday night, August 23, with Albert Cupell serving as caller.

During the business meeting, the club decided to enter a float in the Maize Days parade. Wanda Reeve was named chairman of the float committee.

Refreshments of cookies, punch and iced tea were served by hostesses, Glenn and Allo Reeve and Joe and Wanda Reeve.

Family Reunion The McLellan family had a

August 17.

Kenneth McLellan, Ronnie, Cliff and Becky; Joe, Judy and Johnny McLellan; Lillian McLellan, Mr. and Mrs. Lloyd Rector, Roy Don, Sheri, Ricky, Mr. and Mrs. Larry Rector and Debbie Short.

The group also celebrated boating, skiing, in addition to visiting, eating, etc.

Mr. and Mrs. Gary Neil Harter

Jan Peters, Gary Harter Exchange Wedding Vows

Jan Aneece Peters of Friona and Gary Neil Harter of Lubbock exchanged double ring wedding vows at 7:30 p.m. on Saturday, July

Rev. Ron Trusler performed the wedding ceremony in Friona's

Calvary Baptist Church.

The bride is the daughter of Mrs.
Jeanette Peters of Friona and D.J.
Peters of Lubbock. The groom's
parents are Mr. and Mrs. George L.
Harter of Diamond Bar, California.

The church was decorated with two bouquets of pink gladiolas, lilac carnations and baby's breath. The arch was covered with lilac carnations and greenery.

Harold Taylor of Friona, yocalist, sang "Twelfth of Never," accompanied by Gayla Self of Friona at the organ. Principal selections were "More," "We've Only Just Begun," "Whither Thou Goest" and "Love Is A Many Splendored Thing."

As the bride was presented in marriage by her father, she wore a gown of white silk organza with re-embroidered lace appliques. The dress featured a Victorian neckline, and long sleeves. The neck and sleeves were enhanced with Venetian lace. The dress formed a train in the back. She wore a full length veil with shoulder length emphasis and was trimmed with re-embroid-

ered French lace.

She carried a nosegay of pink sweetheart roses, lilac carnations and baby's breath.

Carrying out tradition, the bride wore her great-grandmother's wedding band for something old. Something new was her wedding dress. She borrowed a handkerchief from her mother and wore the traditional blue garter.

Rhoda Klesel of Anton was maid of honor. Janie Synatzske served as her bridesmaid.

The feminine attendants wore floor length gowns featuring empire waistlines and flared sleeves. They carried nosegay bouquets of lilac

carnations and baby's breath.

Glenn Harter of Diamond Bar,
California, served his brother as
best man. Larry Harter of Diamond
Bar served his brother as
groomsman. Ushers were Dusty
and Sandy Peters, both brothers of
the bride from Friona and Lance
Harter of Denver Colorado, brother

of the groom.

A reception followed the ceremony in the Fellowship Hall of the church.

Mrs. Betty Williams served cake.

Mrs. Jerry Waller served punch. Susie Jarecki of Friona presided at the guest register.

Kathy King of Friona assisted in serving coffee.

The three-tiered wedding cake was decorated with pink wedding bells.

For her wedding trip, the bride

For her wedding trip, the bride chose a two piece pink and lilac knit dress.

The couple live at 2902 3rd Place, Apt. 42 in Lubbock.

The bride is a graduate of Anton High School and South Plains Junior College in Levelland. She will be a senior at Texas Tech University majoring in home economics education.

The bridegroom is a graduate of Ganesha High School and South Plains College. He will be a senior at Texas Tech majoring in health and physical education.

Out-of-town guests attending were Mr. and Mrs. George Harter, Larry and Glenn of Diamond Bar California; Mr. and Mrs. R.M. Waller of Kingsland; Mrs. W.A. Lewis of Whiteface; Mr. and Mrs. A.J. Peters and Tawna, Mr. and Mrs. Dean Williams and family and Mrs. Ray Edge and Dee Dee, all of Lubbock; Mr. and Mrs. Lance Harter of Denver, Colorado; Mr. and Mrs. Donnie Waller and family of Farwell; Mr. and Mrs. Shorty Scoggins and family of Morton; Rev. and Mrs. Earl Landtroop and Shirley Glanes, all of Clovis, New

Town Talk By June Floyd

Phone 247-3681 With Your News Item

The Clayton Moseleys and daughter, Mindy, took a nice end of the summer trip. Their destination was Gallup, New Mexico for the national High School Rodeo finals. One of Mrs. Moseley's nephews from Nebraska was a participant in the roping event in the finals.

roping event in the finals.

Enroute the Moseley family did a lot of sightseeing along the way; attended a family reunion in the mountains near Santa Fe; fished at Pagosa Springs, Colorado and visited in the home of Mr. and Mrs. Bob Landers, long time friends, who live on a ranch near Ridgeway, Colorado.

Then after they came home M.L. and Polly Simpson, who milk a lot of cows early in the morning and in the afternoon and operate a photography service between times, visited in their home.

The Simpsons live in the Easter Community. Their son-in-law and daughter, Mr. and Mrs. Dick Hill, who have lived out near Friona Feed Yards south of Black, have moved to Hereford.

Some far south Texans, a couple of them former Hub Community residents, have been visiting in the home of Mr. and Mrs. Clyde Woodard and children.

Mr. and Mrs. Jud Hillji of Cotulla and Mr. and Mrs. Gilbert Wenner of Del Rio returned to their homes late last week. Gilbert and Mitzi were across the road neighbors of the Woodards before they moved to Del Rio.

The J.P. Sims family, long time Friona residents, has moved to Hereford. Angela, the youngest member of the family, wasn't too impressed with the computer system of registration, which is employed in the Hereford school system when she went to register one day last week.

It wasn't too long before she learned that she wasn't the only student the computer was having trouble with. The presence of Wayne and Darla Hodgeson, former Friona teachers, helped Angela.

Since Jo Nell and J.P. are leaving one daughter and son-in-law, Amelia and Jim Taylor here, along with a lot of friends, they will probably be seen around often.

Their oldest son, Bobby, who is a 1966 graduate of Friona High School and holds a bachelor's degree from Angelo State University, San Angelo, is head of the university's student financial aid department.

James, the youngest son, will be attending Sam Houston State at Nacogdoches this fall.

Another couple who have been to Pagosa Springs, Colorado this summer is Curtis and Inez Butler. They have a cabin there and visited in the home of Mr. and Mrs. Gilbert Davidson

For Curtis it was kind of a postman's holiday. He did some wiring for friends while on vacation.

Then they drove over to South Fork and visited with the Lewellen families, who were at their cabin

After the Butlers came home, they entertained a couple of their grandchildren, Brian and Nicole Karr of Amarillo, and their daughter, Cissy, who lives in Arlington, came home for a few

Inez took the grandchildren to their parents, Mr. and Mrs. Rick Carr Friday, so things in the Butler home have quietened down for the moment.

Someone once said, "If you get in

any given spot and stay long enough, someone from Friona will come by." And, it is surprising how many Frionans you run onto when you are away from home.

When the Floyds were in Cheyenne, Wyoming in July, we really didn't see anyone from Friona. But, then, we didn't stay in one place very long. Had we done so, Bud Elmore probably would have come by. He had been harvesting in that area and attended the rodeo during Cheyenne's Frontier Days.

Later his wife, Arvilla, joined him and they vacationed in Yellowstone National Park and other scenic spots in the area.

Both of them got home in time to help their oldest son, Larry, and his wife, the former Sherry Hicks, and their two little girls move from Dalhart to Sundown.

Cleatus and Karron Rhodes and their two sons, Kobie and Kyle, recently moved to Post, where they will be living on the UU Ranch, which originally belonged to the late C.W. Post, for whom the town was named.

Kyle, who will be starting to school real soon, was somewhat disappointed about going to a different school and told his maternal grandmother, Mrs. Bob Knight, "I wanted to go to school here, so I could have that nice teacher."

Both sets of grandparents, Mr. and Mrs. O.C. Rhodes and Mr. and Mrs. Bob Knight, live here.

Mrs. Bessie Boatman has had houseguests several days. Her son-in-law and daughters, Buford and Esther Todd of Oklahoma City, returned home Tuesday.

The Todds also visited with Mr. and Mrs. Gib Boatman, Mrs. Lillian McLellan and other friends and relatives here and in Bovina.

Five women from First Baptist Church attended a statewide Woman's Missionary Union houseparty at Waco last week. They drove to Amarillo then went by chartered bus with other Panhandle delegates.

More than two thousand women registered for the four day meeting, which was held on the campus of Baylor University.

Those attending from here were Mesdames Joe Talley, Sam Mears, Charles Sanders, Bob Knight and Phillip Weatherly. They returned home late Thursday.

One ex-Frionan was pictured on the front page of the society section of Amarillo's Sunday paper.

Kathy Bandy Seale, who is a graduate of Friona High School and West Texas State University, Canyon, was shown getting her fifth grade classroom at Alice Landergin Elementary School ready for the beginning of the fall term.

Kathy's parents, Mr. and Mrs. Bill Bandy, now live near Panhandle.

+ + + +

Thirty persons met at the Lewellen cabin near South Fork, Colorado recently for a fun vacation. They hiked, "jeep-ed," sang, played games, fished, rode the rapids and

made pictures.

Those going from Friona were Mr. and Mrs. Tom Lewellen, Mr. and Mrs. Donnie Lewellen, Mr. and Mrs. Bill McGlothlin, Mr. and Mrs. T.A. Kelley and Tammy, Mr. and Mrs. Joe Lewellen, Bobby, Jody and Jay, Mr. and Mrs. Delton Lewellen, Trip

Horton and Clinton Schueler.

Mr. and Mrs. Gary Goetz and daughters, Tonja and Nikki, of Stratford; Mr. and Mrs. Dale Schueler, Mr. and Mrs. Darrell Pavlus and Danette Fore, all of Bryan, Texas; Mrs. Ernestine Craig of Hale Center; and Rev. and Mrs. Alvah Lynch, Hotchkiss, Colorado

were also there.

EPROPOSICIPOS DO PORTO DO PORTO POR PORTO PORTO

Mr. and Mrs. Ed Lonvick and children, who live on the East Coast, were recent visitors in the home of Mrs. Lonvick's parents, Mr. and Mrs. Wesley Foster.

Mai Lyn, the oldest of the Lonvick children, attended Clarendon Junior College last year and plans to re-enroll there soon.

However, she had some bad luck last week. She accompanied her grandparents to Dallas to market and the three were on their way downtown after visiting Mrs. Ed Lonvick Sr. when they became entangled with some other vehicles in a collision.

The Foster car was a total wreck; Wesley and Rhea were cut and bruised and Mai Lyn, the most seriously injured, had to have emergency treatment for a foot injury.

She may have to enroll in college with her foot in a cast.

Wesley said, "We were most fortunate in that none of us were killed or seriously injured."

Nellie Pearl Shelton also went to market in Dallas last week. She was accompanied by Doris Hall of Dalhart. Maybe Doris needed an excuse to come to Friona. Her only grandson, Clint Hurst, and !.is parents, Bob and Roxanne, live here now.

At least one group of Frionans got initiated into the society of "river floaters" in the White River near Twin Bridges, Missouri, following the July rains here.

Mr. and Mrs. Howard Fleming and sons, Andy, Bruce and David, met the Clyde Woodards and their three children, Shay, Shayne and Shannel and Georgia Terry at Brunson, Missouri then went to Twin Bridges for the canoe float trip, which took them five or six miles down the river.

At Brunson this group ran onto Ronnie and Linda George and children from Tulia and Jerry and Celia Loflin and children, also Friona residents.

The Georges and Loflins attended the passion play at Little Switzerland, Missouri.

The Flemings and Woodards parted company at Lake Of The Ozarks after visiting with an aunt of Pat's and Ernie and Carmen Porter, formerly of Friona.

Enroute home the Woodards visited with Mr. and Mrs. Billy Marshall of Bovina at their West Plains, Missouri ranch and the Flemings went by their ranch at Clarksville, Texas, where their oldest son, Charles, has been working this summer.

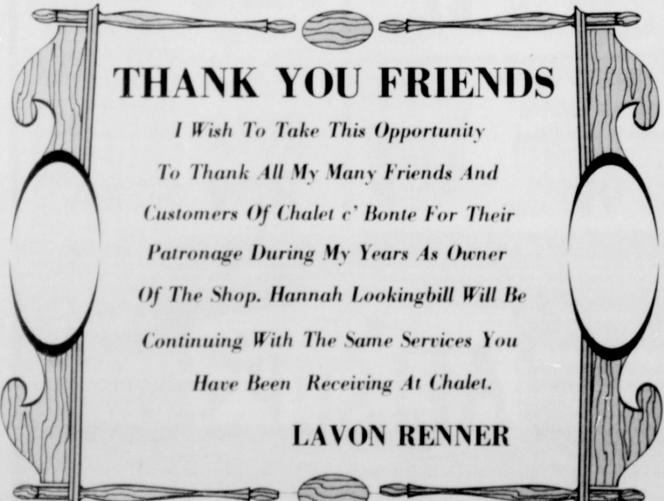

Howard's mother's family, the Adairs, had a summer reunion at the ranch.

Anyone desiring information about the pleasures of "river floating" needs to ask the Flemings or Woodards about it. Think it is something persons of any age can enjoy.

Several Frionans have recently returned home from a bow hunt in Colorado during elk season. They all saw several elk but didn't bag any. Those from Friona were Joel Landrum and sons Brian, Ben and Jeff, Dr. Robert Alexander and Robert, Billy and Florence Sifford and sons Kenny and David.

SUSAN MARTIN....Mr. and Mrs. Lawrence J. Martin and Mr. and Mrs. James Carey, all of Friona, announce the engagement and approaching marriage of their children, Susan and Jeff. The couple will exchange wedding vows Saturday, September 20 at 7:30 p.m. in the First Baptist Church. Miss Martin is a 1972 graduate of Friona High School. He is a 1970 graduate of Lazbuddie High School.

Johnnie Walters Attends Workshop

Mrs. Johnnie Walters of Friona recently attended the National Keyboard Arts Teaching Techniques '75 Workshop held in Amarillo.

The three day workshop for piano teachers was one of a series held in twenty-nine cities this summer. Conducting the workshops were members of the Keyboard Arts staff--musicians and educators who have been instrumental in the development and teaching of Keyboard Arts music education materials.

National Keyboard Arts, headquartered in Princeton, N.J., is a nationwide network of music educators who continually pool their knowledge and experience in order to develop more effective ways to teach and more enjoyable ways to

The main highlight of the workshop was the presentation of the Keyboard Arts Basic Music Study program. This newly revised course, introduced for the first time

DON FORTENBERRY, son of Mr. and Mrs. Paul Fortenberry, received a B.S. Degree in agricultural economics at Texas Tech University in Lubbock. A member of the summer graduating class, he was an official of the Ag. Economics Association. Fortenberry is a 1971 graduate of Friona High School and a 1973 graduate of South Plains College in Levelland.

Club Plans Craft Show

The Home Arts Club of Friona met Thursday, August 21 for a called meeting in the home of Topsy Farr.

Plans were made for the Home Arts Club crafts show during Maize Days. During the show there will be several crafts demonstrated. These will include dough beads, paper beads for jewelry, tin can art, apple dolls, clay pots and macrame.

The Home Arts Club displays will be in the same building as the art

At the first fall meeting on September 25, the club will meet at 9 a.m. in the basement of the old Congregational Church, and will have lessons on macrame tying.

Brunch Honors Recent Bride

A Saturday morning brunch in the home of Mrs. Herschel Johnson was a courtesy for Carleen Schlenker, who became the bride of Jud Sims, Lubbock, that evening.

Yellow and white daisies in milk vases and a watermelon basket filled with fresh fruit formed the centerpiece. The table was covered with a white linen cloth and appointments were in the honoree's chosen colors, yellow and white.

Places were marked with minia-Mrs. Decimae Beene, who was the co-hostess, and Mrs. Johnson served assorted sweet rolls, blueberry muffins and tranberry bread with sausage links, fresh fruit, coffee and

Others present were Mrs. Carl Schlenker, mother of the honoree, Mrs. Joe Bob Johnson, Mrs. Floyd Schlenker, Mrs. Sarah Dean, Mrs. Troy White, Mrs. Floyd Wilkins, Mrs. Duane Kirchner and Mrs. Roy V. Miller Sr., all of Friona.

Also Liz Cray, Lubbock, and Fran Taylor, Brownfield.

Historical Disasters Brought To Life

Friona Public Library is open Tuesday through Saturday and invites all citizens of the area to come and check out books on any subject for the approximate 11,000 volumns available. Morning hours are 10 to 12 and afternoon hours are 1

"Disasters That Made History" is a book just received from money under grant from the federal government and makes interesting reading for those readers who may prefer non-fiction.

Webb Garrison, the author, has written many informative and exciting books and articles on out-of-the-ordinary topics. Of the nineteen books he has written, the most popular have been "How It Started," "What's In A Word," and "Strange Facts About the Bible."

Twenty-three significant disasters, man-made and natural, which affected American history are captured in all their drama and

A little girl stumbles and seventy-seven men, women, and children are burned alive. A ship's captain takes a bath and sets off a chain of events which results in the death of over one hundred and thirty

From the Midwest earthquake in 1811 to the Mississippi River flood of 1951, Garrison writes about the tragedy of catastrophes which in many cases changed the course of American History.

You will enjoy this 141 page book which details events you have always heard about.
