

SATURDAY, APRIL 20

Tom T. Hall Show Interest Brewing

One of the biggest entertainment personalities ever to visit Friona will put on a show at the showbarn-community center on Saturday, April 20.

Tom T. Hall, star of stage, recordings and television, will appear with his group, "The Storytellers," at 8 p.m. on April 20.

One of the fastest-rising young singing stars since Glen

Campbell, Tom T. Hall is under contract by Mercury Records. He has appeared on such television shows as Johnny Carson's "Tonight Show" and "The Midnight Special."

Advance tickets are now on sale from Friona Merchants, at \$5.00 each. Tickets at the door will be priced at \$6.00 each.

Hall's appearance in Friona is being sponsored by Friona's

Business Activities Committee.

A lot of things have happened in 1973 for Tom T. Hall, Country Music's most authentic Storyteller. As a matter of fact, they started happening in 1972 when he wrote "Old Dogs, Children and Watermelon Wine" because that masterpiece helped him garner five nominations in the CMA Awards Of 1973!

It was a year that saw Hall make his debut in New York at Carnegie Hall, followed by a tremendously busy schedule of personal appearances that included a highly successful tour of New Zealand, appearances at all three of the Six Flags locations; near St. Louis, in Atlanta, and Dallas, major fairs; such as The Missouri State Fair and The Tri-State Fair in Amarillo and tremendous SRO appearances in almost every part of the UNITED STATES!

Tom T. with His Storytellers made two appearances on the NBC Midnight Special and Tom was featured in four appearances on The Dean Martin Summer Country Show plus two appearances on the regular Dean Martin Show to date!

He's also been featured on the Hee Haw Television Show, soon will be taping a guest appearance on the Tommy Hunter T.V. Show for Canadian Broadcasting Corporation, coast to coast network, and earned star billing in the "Orange Blossom Special"

1973 has been another dramatically big year for Tom T's Mercury/Phonogram Records and LP's and his current single release, "I Love" has every appearance of being the smash Country single of 1973-as well as being accepted in the MOR and Pop Music fields!

On a personal basis, The Hall's have moved to a gorgeous new home and estate south of Nashville, his business enterprises are operated from a large suite of offices in Brentwood.

1973 was great-1974 gives promise of being the super year for The Storyteller, Tom T. Hall.

HAPPY EASTER...Scenes like this one were familiar sights to local folks who did their Easter shopping in Friona this week. Local merchants went all out to make the Easter Season a happy one for Friona residents. Easter-time was to be topped

off with a drawing for cash prizes in the City Park on Saturday and with gathering at local churches on Sunday morning to sing praises to God for the blessings of life.

Photo by Wayne Moton

THE CLOSE races in Friona's school and city elections last week should serve to whet the appetites of area voters for the Democratic and Republican primaries that are coming up.

With the primary coming up, this might be a sampling of what we can expect.

Absentee voting for the May 4 primary begins next Monday, April 14 in the County Clerk's office in Farwell. Election officials urge all voters who have reason to believe they may be away from home on May 4 to go ahead and vote absentee.

The May 4 weekend bids to be a busy one. There is a district Lions Club convention, for one thing. And with the weather getting nicer, many folks may decide to make a weekend trip, if they can get the gas.

So, don't be deprived of your vote. Cast it absentee if you think you might be away from home.

The county judge's race is perking up voter interest in the primary on the local level. Paul Fortenberry of Friona is making a serious bid for the job, and has been visiting every part of the county in an effort to meet the voters.

We hear a lot of talk about the race, and it appears that Fortenberry may have a better than even chance at unseating the incumbent, Archie Tarter.

We're glad to see interest of that sort on the county level. That keeps people interested in local government.

Should make for a great turnout on election day.

RUMOR HAS been floating that the new showbarn-Community Center at Friona was paid for by county money. (You hear all kinds of strange rumors in election years).

Carroll Gatlin, building chairman, assures us that the building was financed completely by private donation.

HANK AARON has to be the top "pro" in professional athletics today.

Who else could undergo all of the pressure that has built up during the past winter about when he would hit his record-breaking home run?

How many players could come through after having a special "night," complete with a special national telecast, a world-series type pre-game extravaganza, interviews, etc., etc.? Most would find it hard to even get "a piece of the ball."

But Hammerin' Hank went out, as all sports fans know by now-and socked the home run in his second time at bat Monday night.

Sportswriters, broadcasters and others were prepared to follow Hank's team for a week, or two weeks, if that's what it took. But Hank nullified that, with his line shot Monday night.

We recall several years ago when Stan Musial (our personal all-time hero) was going for the National League's all-time hit record. Musial got under so much pressure in trying to get just a single that, as great as he was, he went a week or 10 days without getting the record hit.

The odds against getting a home run have to be much greater than just getting a single. But we would've bet \$100 that Hank would do it Monday night in Atlanta's home opener. He felt he "had" to do it. Everyone was expecting it of him.

THERE ARE stories about the legendary Babe Ruth, and about the Babe promising to hit home runs for youngsters he'd visit. One such case was supposed to have been for a kid who had a terminal disease.

Writers have said that the Babe actually told the kid-"If I ever tried to hit a home run, it will be for you today." That kinda let him off the hook, in case he missed.

But here was Hank Aaron. Over 50,000 fans came especially for the occasion, and millions were watching him on television. They all were just daring him to do it. And WHACK! He did it, and that's all there was to it.

That's a pro, if ever this writer saw one in action.

Entertainer Tom T. Hall

Area's Weather Menu Steady Diet Of Wind

The Friona area has been reeling under a steady diet of high winds accompanied by blowing dust-a description that would fit every day the past week with little exception.

High winds gusted up to 50 miles per hour on Wednesday, and ran over 35 miles per hour most of the day. The wind has seldom been below 30 mph this week.

Meanwhile, the lack of precipitation is making it more

and more critical on farm work. We are in the seventh month since any sizeable amount of moisture was received in the local area.

Tues., April 9	66	32
Wed., April 10	75	42
Thurs., April 11	77	41

Drawing Set Here

The Friona Business Activities Committee [BAC] will hold its pre-Easter drawing on Saturday [April 13] at the City Park at 3 p.m.

A total of \$400 in "Friona First Dollars" will be given to seven lucky Friona shoppers.

The first prize will be \$100 in script. There will be six prizes of \$50.00 each.

It will be necessary to be present in order to win the prizes. If the person whose name is drawn is not present for a certain prize, the BAC will continue to draw until a winner is certain.

The Friona City Council voted last Monday to ask the city's Planning and Zoning committee to meet and discuss the possibility of reorganizing the city's zoning ordinance, as affects mobile homes.

The action came about following a lengthy discussion on a request to site a mobile home in the 900 block of Grand

Avenue.

"I've come to the conclusion that a mobile home is enough-both financially and physically-for many people. And with construction costs being what they are, maybe we should look into the possibility of changing the ordinance so that mobile homes could be located in certain areas," said council member Glenn E. Reeve Sr.

"I think mobile homes are a fact of life. With the price of housing and interest being what it is, we need to face the issue (of mobile homes) and do something about it," added Dr. Robert Alexander.

It was pointed out that there were definitely areas in Friona where locating mobile homes would be out of the question, that perhaps there were others where it might be desirable.

Before the ordinance could be changed, the Planning and Zoning committee would have to make a recommendation, and a public hearing would have to be called on the subject.

Special requests to site mobile homes within the city limits has been one of the most prevalent issues to face the city council in recent years, as several such requests are faced each year. With the city ordinance not allowing mobile homes except in the parks, it has been the policy, except in hardship cases, to deny the requests.

In other business, the council granted pay adjustments to two city employees, Clyde

Fields and Pete Hollis, who have been city employees for more than 20 years.

Following canvassing of the city's election on April 6, Troy Young and Jerry Loflin were sworn in as new members of the council, replacing Bill Ellis and Gary Brown. Dr. Alexander was appointed mayor pro-tem, replacing Ellis.

Appointed to the city's electrical board were J.C. Blankenship, John Allen, Jr. and Donnie Campbell.

The council voted to participate in costs of paving an intersection at 16th Street and Cleveland if a church paving program on the city's north edge is carried out.

The board passed a resolution authorizing the city's participation in the Panhandle Regional Planning Commission (PRPC) Labor Manpower program.

IN LITERARY MEET

FHS Wins Another District 3-AA Title

Friona High School continued its mastery in District 3-AA this school year by winning the district literary meet last Saturday at Olton.

FHS rolled up 187.5 points to capture the district trophy. Friona got back in the winner's circle for the fourth time in five years after losing the district title to Olton last year.

Olton was in second place in the contest this year.

Friona won seven district events, and placed second in nine others, out of 18 events. All of the winners, and some of the second place winners qualify for the regional contest to be held in Lubbock April 20.

FHS started off by winning first place in the contest play, which gave Friona 20 points. Boys debaters Trip Horton and Mickey Harrelson placed first, and girl debaters Carol

Bavousett and Pam Veazey placed second, to account for 35 points in debate.

Other first place winners included Gary Stone in poetry interpretation; Jeanine Jarboe in informative speaking; Beverly Bailey in spelling; Ronald Land in number sense and Cinda Johnson in journalism [feature writing].

Twenty-two of Friona's 34 entrants scored points in the district meet.

Following is how Friona placed, event by event:

Contest play-First (20 points).

Debate [Boys] Trip Horton and Mickey Harrelson, first.

Debate [Girls] Carol Bavousett and Pam Veazey, second.

Persuasive speaking-David Hardgrove, second; Kay Cochran, second.

Number sense-Ronald Land,

first.

Informative speaking-Jeanine Jarboe, first; Phillip Duggins, second.

Poetry interpretation-Gary Stone, first; Pattijon Talley, second.

Prose reading-Gary Stone, first; Pattijon Talley, second.

Oral reading-Cris Beck, second; Shannon Taylor, third.

Journalism-Editorial and Headline writing, Annette

Reznik, second. Feature writing-Cinda Johnson, first. News writing-Cinda Johnson, second.

Ready writing-Trip Horton, second; Carol Bavousett, third.

Spelling-Beverly Bailey, first; Carolyn Gore, second.

Slide rule-Annette Reznik, third.

Sweepstakes points-1. Friona, 187.5; 2. Olton (point total unavailable).

Absentee Voting For Primary Starts Mon.

Absentee voting for the May 4 Democratic and Republican primaries will begin on Monday, April 15 in the county clerk's office in Farwell.

Voters who think they may be out of the county on election day are urged to cast an absentee ballot, but they must go to the county clerk's office in order to do so.

Only voters who are temporarily out of the county (such as students) may request a ballot by mail. These must be

requested in time to be returned to the county clerk by April 30.

The special absentee voting will continue through April 30.

Voters will nominate candidates all the way from Justice of the Peace through Governor.

Contested races on the ballot of interest locally include the county judge's race, the state representative's race, and the race for county commissioner in the Lazbuddie precinct.

Young, Loflin Elected, Also Hinkle, Grimsley

Troy Young and Jerry Loflin were elected to the Friona City Council in a moderate turnout of voters last Saturday, and Mayor R.L. Fleming, unopposed, was re-elected.

Young, a former councilman, received 224 votes, and Loflin 201 votes. The third candidate, John Allen, Jr., came in with 133 votes. Fleming received 250 votes.

Write-in votes were received by Gary Brown (9), Leland Hutson (2), Carroll Gatlin (2), Glenn Reeve (2), Ronnie Webster (2) and Charles Allen (1).

In the school board election, a real "horse race" resulted, with incumbent David Grimsley and newcomer Jerry Hinkle being elected.

Hinkle was the top vote-getter in the six-person field, with 160 votes. Grimsley received 132 votes. Other candidates' votes included Dr. Jon Mack Roden, 129; Leroy Johnson, 127; Marca Lynn Herring, 112 and Valton Howard, 31.

Wendol Christian, only candidate for the county school board, received 227 votes.

SWORN IN...Taking oaths of office Monday night for the Friona City Council were [left to right] Mayor R.L. Fleming, and councilmen

Troy Young and Jerry Loflin. City Manager Jake Outland, right, administers the oaths.

Among some Moroccan tribes, women play ball to bring on rain. That's a lot of RBIs—rains batted in!

Friona Flashbacks

... from the files of the Friona Star

45 YEARS AGO—APRIL 19, 1929

The large folder prepared by the Friona Chamber of Commerce to advertise Friona and the surrounding territory is now off the press and ready for distribution. Copies of these folders are available to anyone desiring more and accurate information about this part of the Plains section.

The old fiddlers' contest given at the school auditorium Friday evening by the emergency fund committee of the Chamber of Commerce was a success as to jolity, socialibility and revenue.

35 YEARS AGO—APRIL 14, 1939

Work on the new home for the Regal Theatre is rapidly nearing completion, and manager Ray Landrum hopes to be fully installed therein within the next two or three weeks.

The new home of the theatre is in the west half of the large building owned by F.S. Truitt at the corner of Sixth Street and Euclid Avenue, and will almost double the capacity of the room where the theatre is now located.

20 YEARS AGO—APRIL 15, 1954

Dan Ethridge has been elected Chamber of Commerce president; with Glenn Reeve as vice president and Mack Bainum as secretary.

The county commissioner's court announces the hiring of Miss Corine Stinson as County Home Demonstration Agent, County Agricultural Agent, Joe Jones, has called a meeting of all cotton producers for April 21 in Bovina to discuss the allocation of cotton acres.

15 YEARS AGO—APRIL 16, 1959

Darrell Jennings of Lazbuddie showed the Grand Champion steer at the Parmer County Junior Livestock Show in Friona last weekend and received a check for \$258.40 for his efforts.

Diekie Gerries of Bovina showed the grand champion hog of the show and his animal was purchased by Cummings Farm Store for \$283.40. Pat O'Brian of Bovina showed the grand champion fat lamb, and his animal was bought by Friona State Bank for \$125.46.

10 YEARS AGO—APRIL 16, 1964

Friona Independent School District voters go to the polls Saturday to decide the fate of the district's future school physical composition, in a \$1,250,000 bond issue.

At stake in the bond issue is the proposed construction of a \$900,000 high school building, and additions and modifications of present school facilities in the amount of \$350,000.

5 YEARS AGO—APRIL 18, 1968

Dedication and open house for Missouri Beef Packers' new \$3.5 million beef packing plant will be held here Saturday and Sunday.

Dedication for the ultra-modern plant will be held in front of the building at 2:30 p.m. Saturday. On Sunday, open house will be held with tours of the building between 1 and 5 p.m.

Hospital Report

ADMISSIONS—

Mrs. Kenneth Cole and baby girl, Friona; Allie Collins, Hereford; Charles Hall, Bovina; Mrs. Ramon Ortiz and baby girl, Hereford; Mrs. Ronald McClelland and baby girl, Texico; Deon Awtry, Friona; Tommy Hunton, Friona; Don Ballew, Friona; Cecil Lynn Coker, Friona; Mrs. Gary Davis and baby girl, Farwell; Grady Box, Grady, N.M.; Lena Bracken, Friona; Artis Fallwell, Friona; Margarita Estrada, Friona; E.E. Taylor, Friona; Arlie W. Rials, Muleshoe; and Richard Castro, Jr., Hereford.

PATIENTS IN HOSPITAL—

Deon Awtry, Lena Bracken, Bessie Boggess, Richard Castro, Jr., Allie Collins, Elmer Euler, Artis Fallwell, Baby Girl Milloy, A.W. Rials and Earsel E. Taylor.

WE PUT MORE INTO OUR IRRIGATION SYSTEMS SO YOU GET MORE OUT.

When you buy Gifford-Hill irrigation equipment, you get a lot more than just equipment. You get a quality product. One that's proven itself superior to anything in the field.

You see, Gifford-Hill is one of the nation's leading suppliers of irrigation equipment, and has

been for over 20 years. And one of the reasons we have remained a leader is our concern for quality. That along with our understanding of the problems you face.

Take our 360 pivot sprinkler for example. It's a classic. The 360 is recognized throughout the industry as the most sophisticated, yet the simplest to operate, pivot system on the market.

But it's the little things, the care in designing and engineering, that really set the 360 apart from all the others.

For example, the water pattern is unique. By placing the sprinkler heads further apart near the pivot point and closer together at the end, the 360 applies water uniformly along the entire length of the system.

We also make the best surface irrigation pipe around. Each joint of our aluminum pipe is manufactured under stringent quality controls. And it's roll-welded

to insure uniform wall thickness. Gifford-Hill makes the most dependable and economical pipe available for underground installation, too. Vanguard PVC Plastic Pipe. Aside from durability and flexibility, Vanguard features an exclusive rubber gasket joint. Thousands of feet can be installed in one day. In practically any kind of weather.

Of course these are only a few of the outstanding features of our products. The point is that we know and understand the problems you face everyday. And we have the expertise and equipment to help you solve them.

But more important, we stand behind our products. We make them. And we guarantee them. So, if you have an irrigation problem, call the irrigation experts. Call Gifford-Hill.

For more information on these and other Gifford-Hill products, contact your nearest Gifford-Hill representative.

GIFFORD-HILL & COMPANY, INC.

Is COMPETITION A Four Letter Word?

It depends.

There are times when competition does get low and dirty. Then, it can, and should, fall into the four-letter category. This kind of dog-eat-dog thing turns most of us off. And, leaves a bad taste in our mouths for the whole system.

But, please, don't let a few ugly trees spoil your view of the whole forest.

Remember, that there are businesses, national manufacturers and local retailers, who have competed with each other for years and years in an ethical, positive way. Each works for his share of the market by improving his products, merchandising and services. (Most businessmen realize that the throat you cut may, eventually, be your own.)

And, look what they are competing for: the consumer's favor! Yours and mine! We are constantly being courted with more attractive products and services at competitive (there's that word again) prices. So, the end result is that we can get more, better and for less.

Now, with a benefit like that, competition can't be all bad.

STATE REPRESENTATIVE

Clayton Announces For Seventh Term

State Representative Bill Clayton of Springlake this week gave The Star his official announcement for re-election to the state legislature.

Clayton, who was elected to the legislature in 1962, is currently waging a battle for the speakership of the Texas House of Representatives.

The Springlake legislator has been especially active in areas affecting water, and has introduced every piece of legislation dealing with water and its conservation in the past several years.

He is particularly interested in a water import plan for West Texas, having served for several years as Executive Director for Water, Inc., the organization that is working on an import program.

In his official statement, Clayton said:

"It has truly been a privilege to serve the 74th Legislative District for the past several years. During this time, I have seen a great many changes in our area and in our state.

"The feed lot industry and other agri-associated industries have been good for everyone in the area; however, they have changed our style of life. This increasingly complex society demands more attention from its state government.

"Here is where I feel I can continue to make a contribution. The seniority I hold in the Texas Legislature, coupled with experience and knowledge I have gained, has enabled me

to obtain the results you deserve from your voice in state government—your state representative.

"We are now in the process of writing a new constitution for the people of Texas to consider for adoption. The Convention will reconvene on May 6th to complete its work. My influence at the Convention is being felt and this legislative district undoubtedly will benefit from some of the provisions I have been able to incorporate into the document.

"My legislative record is well known. I've always stood for and fought for efficiency in government, elimination of waste and duplication, and honesty in decision making. I've opposed a state income tax and supported right-to-work laws. I've been in favor of modernizing state government but for leaving more decisions to the local level.

"I've worked for better educational opportunities for Texas students, both in the public school system and in our institutions of higher learning. I've worked continuously towards solving the state's water problems, particularly for our area's agriculture and small business.

"I've always been opposed to taxes of any kind when not needed. It is my feeling that we can provide the needed state services without a tax increase during the next period.

"Together we have made our part of the state well known not

Rep. Bill Clayton

only around Texas but throughout the United States. I presently serve on executive committees and boards of several national legislative organizations, thereby giving District 74 a voice it has never had before among the states, and I feel there is now a good chance for this influence to be increased.

"I am one of the leading contenders in the race for the Speaker of the House and it looks as if I have a good chance to win. If this should happen, District 74 would be in the driver's seat so far as state political leadership is concerned.

"You have been kind to me and supported me in the past and I've been honored and proud to serve this district. In asking for your support and your vote on May 4th in my re-election bid, I pledge to you my continued 24 hour a day effort to be "Your Voice in State Government."

(Political advertising, paid for by Bill Clayton. Published by the Friona Star).

Tailwater Can Be An Asset In Dry Weather

"It is so dry and the wind is blowing so hard the water will not get to the end of the rows," this is the common complaint right now, but in a few months the problem will be directly opposite—tailwater.

Depending on how it is treated, tailwater can be an asset or a liability. Leo Berend has one tailwater pit and believes it is making him money.

Ben Rejino has an excellent return system utilizing grassed waterways, sediment pits and underground pipe.

J.J. McDonald could not stand to see all of that tailwater on his farm wasted, so he is installing a tailwater return system.

To these men tailwater can never become a liability. They have equipped themselves to handle it and can reuse it far cheaper than their wells can be operated.

"Our water will not be here forever, but it will be here a few years longer because men like these care," says Herb Evans, District Conservationist with the Soil Conservation Service.

If you care but need help, contact the Soil Conservation Service in Friona.

 Raymond Schueler [re-election]
- FOR BLACK PRECINCT CHAIRMAN:
 Mrs. John Bengler
- FOR LAKEVIEW PRECINCT CHAIRMAN:
 Otho Whitefield [re-election]
- FOR LAZBUDDIE PRECINCT CHAIRMAN:
 Wylie Bullock [re-election]

The following candidates have authorized the Friona Star to announce their candidacy for office, subject to the action of the Republican primary May 4:

Terry Wilcox Winner Of ESA Youth Award

Terry Wilcox, eighth grade student at Friona Junior High School, was named the winner of the Friona ESA chapter's Youth Award for 1974.

Wilcox, the son of Mr. and Mrs. V.R. Wilcox, entered the best essay on the topic "What I Can Do For My Country."

Runnerup in the contest was Diane Westbrook, eighth grader, the daughter of Mr. and Mrs. Dale Westbrook.

Judges for the contest were Mrs. D.R. Dennis, Mrs. Doyle Nichols and Mrs. Bobby Jordan.

Following is the winning essay:

WHAT CAN I DO FOR MY COUNTRY
 By Terry Wilcox

One of the main things I can do for my country is to defend it. When I get old enough I can go overseas fighting against

The Lonely Heart

other countries to protect the people here. Some people burn their draft cards and go to other countries to try and get out of defending our country. I think it would be an honor to fight for this nation. Sometimes on the street or in stores you hear people talking about our country like it was really a horrible place run by people who don't know what they are doing. Our officials in Washington don't do everything right but they try to make the United States better. I can stand up and tell people they are wrong and shouldn't be running our country down like that.

People are talking alot about the energy shortage alot now. There are many ways I can help conserve energy. Things such as turning off lights when I'm not using them, turn the T.V. or radio off when I don't really like what's on and I can turn the heat or air conditioning down a little. I can save energy on the streets also by not going so fast, starting and stopping like a jackrabbit. I will probably get to where I'm going alot safer anyway.

Another thing I can do is try to help on the pollution problem. I can tell the federal and state pollution boards if a factory or business is dumping

ESSAY WINNER...Terry Wilcox, right, wrote the winning essay in the ESA Sorority's essay contest. Terry, an eighth grade student, is shown with Joyce Parker, junior high school faculty sponsor, is shown with Wilcox.

waste or chemicals into rivers and streams or if it is making an excess amount of smoke. I can keep my own cars and machines tuned up where they don't make alot of smoke or noise. When I go camping or on a vacation I can leave the area like I found it; without all the trash in the lakes, rivers or in the area. I can organize groups to clean up parks and along rivers. If I and others do all three things the United States would be alot better place for everyone.

Texas Education Agency Slates Hearing

Texas citizens will have a chance to voice their opinion of the Texas State Plan for Vocational Education for Fiscal Year 1975 in a public hearing Saturday, May 11 in Austin.

The hearing will coincide with the 8:30 a.m. regular May meeting of the State Board of Education at the Texas Education Agency, 201 East 11th Street. Notice of the public hearing was issued Saturday, April 6 by the board.

The Board will consider the preliminary draft of the 1975

State Plan at the meeting. Thousands of school-age and adult students in vocational education programs across the state are affected by the State Plan, which governs administration of those programs by the Texas Education Agency department of occupational education and technology.

Copies of the preliminary draft of the State Plan are available to the public in the state's 20 regional education service centers, junior colleges, and major school districts.

Interested citizens who wish to be heard at the public hearing should register with John R. Guemple, Texas Education Agency associate commissioner for occupational education and technology. Persons seeking additional information about the preliminary State Plan should also contact Guemple.

Good luck rarely comes unexpected; usually, it's over-expected.

Hay Grinder Causes Fire At Feedyard

An overheated bearing on a hay grinder at Bovina Feeders Saturday resulted in a fire that destroyed approximately \$80,000 worth of hay.

The fire, first reported at 4:05 p.m. Saturday, was still smoldering Sunday after fire department units from Bovina, Friona and Muleshoe had spent the night fighting occasional flare-ups.

A spokesman at the 35,000-head capacity feedyard, located between Oklahoma Lane and Lazbuddie, reported that about one-third of its feeding inventory was destroyed in the blaze.

High winds spread the fire out of control as fire units were recalled to the scene through the night. The final truck reportedly left the scene about 9 a.m. Sunday.

3:32 IN MILE RELAY

Relay Team Sets Record In Meet

Coach Larry Dyess took his seven regional track qualifiers to Portales last Friday for a warmup meet, and turned in season best marks in three of the five events entered.

"We had a real good day. Our mile relay team set a new track record [3:32], and won by ten yards. There were 13 teams entered, and we finished sixth in the point standings with our seven boys," Coach Dyess said.

The mile relay team clipped five full seconds off their district-winning time of 3:37. Dyess inserted Ronnie McLellan into the foursome replacing Dale Parsons, who has been doubling up in that event and the mile run.

"Ronnie ran a great lap in 52 seconds. I imagine we'll leave him in the mile relay and not have to work Dale so much," Dyess indicated.

Friona led the mile relay from start to finish in the Portales event. Other members of the mile relay team are Greg Collier, Clay Bandy and Ted King.

Parsons also was an easy winner in the mile run, and turned in his season best time

of 4:40.

High jumper Dave Clark cleared the bar at 6-2, his top height this spring. A jumper from Artesia cleared 6-3 for first place, and Clark was second.

Sprinter King placed second in the 220-yard dash in 23.5, which was 0.7 slower than his time in the district meet.

Davy Carthel finished third in the discus throw, with a toss of 135 feet. This was also slightly less than his district winning heave of 142-1.

This week, the Chieftain regional qualifiers will go to Hereford for a meet Saturday night especially for regional qualifiers. It's expected to be a pretty tough test, since it will involve performers in all

classifications.

Field events begin at 5 p.m., with running events starting at 6 p.m.

The regional meet is slated at Lubbock April 19-20. Preliminaries are scheduled for 4 p.m. Friday, and finals on Saturday morning beginning at 10 a.m. The event will be held at the Tech track.

PORTALES MEET

High jump—Dave Clark, second, 6-2.

Mile run—Dale Parsons, first, 4:40.

Mile relay—[Greg Collier, Clay Bandy, Ronnie McLellan, Ted King], first, 3:32 [new track record].

220-yard dash—Ted King, second, 23.5.

Discus—Davy Carthel, third, 135-0.

CHIEFTAIN MILER....Dale Parsons, consistent winner in the mile run for the Friona Chieftain track team this spring, ran his season best mile, a 4:40 to win the event at Portales last week. Parsons gets a strong test Saturday night in a regional qualifiers meet at Hereford.

Squaw Foursome Keeps Unbeaten Status In Race

The Friona Squaws' mile relay team kept its undefeated status intact last Saturday at the Roosevelt girls invitational track and field meet.

The Squaws' foursome placed first by 15 yards over second place Olton, and ran a season best 4:22 in winning the race. There were 22 teams entered in the meet. The Squaws were fourth in overall points with 45, although taking just eight girls to the meet.

Other point-makers for the Squaws included Terri Patterson in the open 440-yard dash. Miss Patterson was second in the time of 62.4.

Girls Little Dribblers Program Kick Off Here

The Girls Little Dribblers program began in Friona this week. First games were played on Monday.

The Patriots defeated the Queens, 18-10, led by Mary Lafuente's eight points. Mary Lou Rodriguez scored eight for the Queens.

The Piperettes downed the Mustangettes, 19-11. Sylvia Bermea scored six points for the Piperettes, and Penny Whiteside scored five for the Mustangettes.

The Fillies outscored the Eaglettes, 18-12, paced by Dana Miller's 12 points. Shae Dodson scored six points for the Eaglettes.

PATRIOTS 18, QUEENS 10
Patriots—Mary Lafuente 8; Delinda Shipp 2. Queens—Mary Lou Rodriguez 8, Katye Minshew 4, Evelyne Hart 2, Terri Lloyd 2, Cindy Brailiff 2.

PIPERETTES 19, MUSTANGETTES 11
Piperettes—Sylvia Bermea 6;

Myra Veazey 4, Sharla Duggins 3, Jiselle Malouf 2, Kenna Noland 2, Lupe Brailiff 2, Mustangettes—Penny Whiteside 5, Leticia Rivera 4, Shannon Parr 2.

FILLIES 18, EAGLETTES 12
Fillies—Dana Miller 12, Kayle Britting 2, Tera Simpson 2, Debbie Taylor 2, Eaglettes—Shae Dodson 6, Dianna Wright 2, Sarah Mears 2, Theresa Bermea 2.

If you can't get PIONEER Brand 8311

here are some excellent alternative hybrids for High Plains farmers.

Pioneer Brand 8311, the "Golden Bronze Yield Leader," has been our most popular hybrid this year — so popular, in fact, that it may be in short supply in some areas. One reason is that the demand has been so great downstate where 8311's disease tolerance is so important. Fortunately, there are several other Pioneer Brand hybrids that are proven top performers on the High Plains. If you can't get 8311, ask your dealer about these.

PIONEER Brand 8417

This versatile yellow endosperm sorghum is a champion yielder in the medium-late maturity class, for irrigated or non-irrigated land. It has large open heads, uniform head height, strong stalks for easy threshing, good tolerance to smut and anthracnose.

PIONEER Brand 820

This top-notch full-season hybrid, is a consistently high yielder. Excellent drought resistance and standability plus good roots and stalks make it a good choice for irrigated or non-irrigated farming on the plains.

PIONEER Brand 828

One of the highest yielding sorghums you can plant, this full-season hybrid responds well to good management on good land with plenty of water. Plains growers like it because it holds its quality and threshes well even after an early freeze. It produces sturdy stalks with semi-compact heads of dark red grain.

PIONEER Brand 846

Famous for its versatility and adaptability, this medium maturity hybrid yields along with the full-season varieties. Resistant to smut, rust and MDM, its outstanding hybrid vigor and excellent drought resistance help it turn in consistently high yields even under stress.

THE COUNTY JUDGESHIP AS I SEE IT

I know that some people in Parmer County do not know me personally, consequently, I wish to take this means to inform the people of Parmer County of some of my ideas and beliefs, as it will be impossible for me to contact everyone in person prior to the May 4th Primary.

As I see it, the County Judge is responsible for the distribution of certain monies received from Public School lands and for the approval of various school bus routes.

The County Judge presides at the meetings of the Commissioners and should advise, counsel and assist in the administration of the business of the county. He should take the lead in the preparation of the budget and he should be versed in the procedures necessary for the smooth operation of the county. He should strive for unity, at all levels, within the county government. He should be, in reality, the executive officer of the county and should work constantly for programs and ideas that would benefit the county.

The County Judge presides at probate hearings and other trials involving charges that are not felonies and punishable by imprisonment. There will also be

various domestic, welfare and rehabilitation situations come before the County Judge for his consideration and handling, as well as numerous and varied other items, such as appeals from J.P. and corporation courts.

I believe the office of the County Judge should be a place where anyone in the county could come and discuss a problem. I am a Baptist and am very proud of the churches of Parmer County. I believe in the Christian home and all of the basic good things that are taught in such a home.

I believe in our schools and feel that prayer should be held as deemed right and needful. I believe students can learn much from a school prayer session and a devoted Christian teacher. I believe that local control of our schools is necessary.

I believe in the full support of our county and various city law enforcement officials. I do not believe in the use of drugs or alcohol, especially in excess. I believe the young people of our county should be guided where possible, but where guidance is not possible, they must be prepared to be accountable to the law, the same as all adults.

Paul Fortenberry

I believe in this country, having served in the Army for almost five years during World War II.

I believe the business of the county should be handled in a truthful and efficient manner and that the proper procedures should be used in all cases.

I have served six [6] years on the Friona School Board. I feel that I can handle this position as I have had some thirty [30] years training and experience in the business of record keeping and management where large sums of money and stocks were involved.

I earnestly solicit your support and vote.

Paul Fortenberry

Basketball Coaching Job Offered Larry Dyess, FHS Assistant

The Friona School Board accepted the resignation of FHS basketball coach Ray DeBord, and voted to offer the position to assistant coach Larry Dyess.

DeBord has resigned in order to accept a position as head basketball coach at Bell Hurst High School in Hurst, outside of Fort Worth.

Dyess, who has been DeBord's assistant the past four years, has been in charge of B-teams, both in basketball and football, and has served as varsity track coach.

Dyess says he expects that he will accept the position, but was to let school officials know on Monday, when school resumes following a week's Easter break.

offered a position to Forrest Harding as a junior high school coach, to replace David Davis, who has resigned.

Four other teachers' resignations were accepted. They included Levon Harman, high school vocational agriculture instructor, Ed Corn, industrial arts; Mrs. Ronald Awtrey, high school English, and Nancy Edelman, first grade.

The board canvassed election returns from the April 6 school board election, in which board member David Grimsley was re-elected and Jerry Hinkle was elected. Hinkle was installed as a member of the board.

New officers were elected by the board, with Wesley Barnett named president to replace Leroy Johnson. Grimsley was

Larry Dyess

named vice president, and Ann Porter was named secretary.

The school's kindergarten program for 1974-75 was discussed. The board is considering the possibility of kindergarten pupils attending one-half day for the entire year, rather than a full day for half the year.

Superintendent of Schools Alton Farr reported that the school is still looking for a business manager, a new position being created to take part of the duties the superintendent has previously had.

All classroom teachers' contracts for 1974-75 were signed.

The board approved the transferring of two families into the Friona district from the Bovina district.

Deadline for applying for transfers is May 1.

EASTER EGG HUNT...Friona youngsters are shown enjoying the time-honored custom of the Easter Egg hunt in the Friona City Park. This Saturday, at 10:30 a.m., the

Jaycees have their annual Egg Hunt scheduled. Children ages 4-10 are invited to the hunt.

WINS EVENT...Raul Brailiff, Friona eighth grader, is shown easily winning the 1320-yard run in the Braves' district meet recently at Olton. Brailiff also placed sixth in the shot put, and ran on the third-place 880-yard relay team. The Braves scored 115 points in the meet for second place. Littlefield was first with 125 points.

Gospel Meeting Planned

Hear the Gospel preached at the Tenth Street Church of Christ, by Evangelist Coy Potter of Alex, Oklahoma. You will appreciate his unexcelled ability in expounding the scriptures.

We invite you to hear him each evening at 8 P.M. and at 10 A.M. each Sunday, beginning April 21, through April 28.

Come feast with us on the better things of life for just a few days.

10th STREET CHURCH

Quarantine Lifted In Texas Counties

Quarantines for psoroptic cattle scabies were removed March 22 from portions of five Texas Panhandle counties by the U.S. Department of Agriculture (USDA).

Officials of USDA's Animal and Plant Health Inspection Service (APHIS) said the areas include parts of Lamb, Parmer, Hockley and Lubbock counties where quarantines had been placed on Feb. 19, and on part of Hansford county. Portions of this latter quarantined area—which was imposed on Nov. 21, 1973—had already been lifted Feb. 5.

Before lifting the quarantines, the cattle were treated with a pesticide permitted by USDA. Inspection following treatment showed that the cattle were free of the mites that cause the disease.

These tiny, parasitic mites puncture the skin of cattle and feed on the body fluids released through the wounds. Cattle with scabies lick, rub and scratch to relieve the intense itching caused by the mites. Heavy infestations result in the formation of "scabs" on the skin—hence the name "scabies."

Although scabies does not affect the animal's meat, the skin irritation can cause loss of weight and decreased feed efficiency.

USDA and the states have been working to halt scabies outbreaks and eliminate the disease. Disease eradication measures include area quarantines by state and federal animal health officials and the inspection and treatment of infected and exposed cattle within the quarantined area.

measures include area quarantines by state and federal animal health officials and the inspection and treatment of infected and exposed cattle within the quarantined area.

Member Drive Main Topic For Chamber

The 1974 membership drive was the prime topic of discussion at the monthly meeting of the Friona Chamber of Commerce & Agriculture board of directors Tuesday morning.

The Chamber has worded a letter that will be mailed to all non-members and former members, telling them that the Chamber needs them as members, and the businesses need the chamber.

The letters will be followed up by personal contact, where no response is received.

It was reported that Mr. and Mrs. Dale Cary and Mr. and Mrs. Clarence Martin will attend the West Texas Chamber of Commerce annual meeting in Abilene.

Two Friona men, A.L. Black and W.D. (Dub) Anthony are to be honored at the WTCC meeting.

In other business, Mrs. Terry Moseley and Mrs. Richard Kimbrough met with the board to discuss a "Newcomers Club" for Friona, seeking the Chamber's backing.

The Chamber of Commerce plans to contact the Business Activities Committee to get their help in providing certificates if merchants are interested.

The meeting was held at Earl's Parmer House Restaurant.

FRIONA SCHOOL LUNCH MENU

Week of April 15-19
MONDAY—soup and chili, sandwiches, cookies and milk.
TUESDAY—barbecued weiners, baked beans, hot rolls, butter, buttered corn, apricot cobbler and milk.
WEDNESDAY—tacos, pinto beans, cornbread and butter, lettuce and tomato salad, fruit and chocolate milk.
THURSDAY—cubed beef and gravy, mashed potatoes, hot rolls, butter, green beans, chocolate cake and milk.
FRIDAY—French fries, hamburgers, catsup, lettuce, tomatoes, pickles, fruit jello and milk.

Courtesies Honor Connie R. Whaley

Connie Rose Whaley, bride-elect of Dennis Slagle was honored with a miscellaneous bridal shower in the home of Mrs. Kenneth Moore on Saturday, March 9.

The refreshment table was covered with an embroidered ceru linen cloth and was centered with an artificial arrangement of variegated blue and purple Asters flanked on either side with royal blue candles.

Nuts, cake, hot spiced tea and coffee were served from a silver service.

The hostess gift was the floral arrangement used for the refreshment table and an electric skillet.

Hostesses were Mrs. Kenneth Moore, Mrs. E.G. Phipps, Mrs. Russell O'Brian, Mrs. Louis Welch, Mrs. Jack Clark, Mrs. C.W. Perkins, Mrs. John Blackburn, Mrs. Johnny Hand and Mrs. James Proctor.

Also, Mrs. Truitt Johnson, Mrs. Bud Elmore, Mrs. Glenn Stevick, Mrs. Fred Florez and Mrs. Billie Dean Baxter.

Connie Whaley, a teacher in the Stratford School system was honored with a surprise lingerie shower on Saturday, March 23.

The shower was held in the Homemaking Department.

The table was decorated with a linen cloth and centered with a floral arrangement and candles.

Hostesses were Mrs. Janet Fletcher and Mrs. Barbara Bowman.

About 30 ladies attended the shower.

On March 30, Connie Whaley was honored with a linen shower in the home of Mrs. Jack Harris of Stratford.

The table was laid with an ivory cloth edged in ivory lace and featured a centerpiece of antiqued candleabra holding five spring green tapers that were surrounded by yellow

daisies.

Mrs. Roscoe Dyess served coffee to the guests from a silver coffee service. Mrs. B.L. Smith served refreshments of sausage balls and Hawaiian fruit to the guests who called during the evening.

The honoree wore a corsage of yellow carnations and baby's breath tied with spring ribbons.

Hostesses for the event were Mesdames James Broadman, George Bands, J.E. Brannon, H.H. Caraway, Roscoe Dyess, Don Ray Knight, Connie Ray and B.L. Smith.

Out-of-town guests were the honoree's mother, Mrs. Watson Whaley and her sister, Lou Whaley, both of Friona.

A brunch was given in the home of Mrs. W.R. Riethmayer of Friona on Saturday, April 6 to honor Connie Whaley and the girls of her wedding party.

The table was covered with a blue linen cloth and centered with a white basket of blue Easter eggs.

The menu consisted of poached eggs with ham and sausage, pineapple and orange juice, banana nut muffins, cinnamon rolls, cantaloupe and coffee.

The honoree presented the guests with miniature bouquets of flower pictures. The bouquets were tied with blue ribbons from the ribbon of her wedding dress and the background was covered with the candlelight satin from the material of her dress.

Those present were the honoree's mother, Mrs. Watson Whaley and the mother of the bridegroom, Mrs. Ray Slagle of Benicia, California.

Others present were Mrs. Michael Nelson, Westville, New Jersey, sister of the bridegroom, Mrs. Kathy Seale, Amarillo, Miss Sue Riddlehuber, Big Spring, Miss Fredia Pope, Lubbock, Texas, Miss Deloris Phipps, Hereford, Miss Denise Coats, Canyon and Mrs. Darla Bracken, Friona.

Engagements Announced

PAM JARECKI...Mr. and Mrs. Florian Jarecki of 809 Woodland in Friona announce the engagement and approaching marriage of their daughter, Pam, to Mike Steward of Lamesa. He is the son of Mr. and Mrs. Earl Jones of Angala, Indiana. The couple will exchange wedding vows in the home of the bride's parents on Saturday, May 11. Duane Kirchner, pastor of Redeemer Lutheran Church will officiate at the ceremony. She is a 1973 graduate of Friona High School and is currently employed by Parmer County Community Hospital. The prospective bridegroom is a 1970 graduate of Mozelle High School, Mozelle, Texas and is employed by Cactus Drilling Co. in Lamesa.

CATHY MARION JONES...Mr. and Mrs. Troy L. Jones announce the engagement and approaching marriage of their daughter, Cathy Marion, to Michael J. Buchanan, son of Mrs. Joe Buchanan of Friona. Miss Jones was graduated from Silvertown High School in 1970. She attended Clarendon College where she was a member of Phi Theta Kappa honor fraternity and Texas Tech University. She is employed by Mrs. Hewitt and Houser in Lubbock. Buchanan is a 1971 graduate of Friona High School. He is a junior agricultural economics major at Texas Tech University, and is a member of Alpha Zeta honor fraternity. The couple plans to exchange wedding vows in Silvertown on Saturday, May 18.

Friona Junior High Begins New Program

Friona Junior High School was selected as a pilot school for implementing career education into the regular program.

Career education is the total effort of public education and the community aimed at helping all individuals become familiar with the values of a work-oriented society, to integrate those values into their personal value structure, and to implement those values in their lives in such a way that work becomes possible, meaningful and satisfying to each individual.

The objectives of career education are to help all individuals want to work, acquire work skills and find employment.

Through planned experiences and the revision of basic school subjects, the student will identify and examine occupational career roles. In addition, he will relate his experiences in school with the actual preparation and performance of persons engaged in selected careers.

The student studies occupational clusters in Friona Junior High to become aware of the

range of career opportunities. Most students are becoming aware of the many career opportunities that are available to them. They are also learning how choosing a career affects other facets of their lives such as leisure time activities, choice of marriage partner, where they live and the total life style they will pursue.

County Bond Sales Noted

In releasing Treasury figures, County Savings Bond Chairman Frank A. Spring, announced recently that sales of Series E and H United States Savings Bonds in Parmer County during February totaled \$15,689. Sales for the first two months of 1974 were \$20,133 for 20% of the 1974 sales goal of \$100,000.

Texans purchased \$20,490, 454 in Savings Bonds during the month. Year-to-date sales totaled \$41,680,165 for 18% of the yearly sales goal of \$236.8 million.

FRIONA MOTORS

Grand & Highway 60

Ph. 247-2701

J. Mingus, F. Rose Vows Exchanged

Janet Gail Mingus and Freddy Dean Rose, both of Ennis, Texas, exchanged double ring wedding vows on Saturday, March 23.

Parents of the couple are Mr. and Mrs. Lloyd C. Mingus of Friona and the late Mr. and Mrs. Wilburn H. Rose.

The ceremony was performed by Rev. Charles Broadhurst in the home of the bride's parents.

Traditional wedding selections were presented by Mrs. Roy Miller, pianist, and Carolyn Murphree, soloist. They presented "The Twelfth Of Never," "Love Is A Many Splendored Thing" and "Wedding Prayer."

The ceremony was performed before a draped picture window centered with a 15-branch candleabra with a palm and flowers were attached to the candleabra flanked on each side by bouquets of yellow gladiolas, yellow carnations, pom pom mums, white baby's breath and white stock. The background featured a large palm made of camador fern.

Mrs. Jerry Teel of Friona was matron of honor. She wore a yellow organza formal designed similar to the bride's dress. She carried a nosegay of yellow roses with baby's breath and rhinestones.

Best man was Gary Mingus, Canyon, brother of the bride.

As the bride was escorted and presented in marriage by her father, she wore a formal wedding gown of white imported lace. It was designed with an empire waistline and gathered skirt. The fitted bodice was fashioned with a round neckline edged with ruffles and edged with a satin band re-embroidered with pearls.

The long full sleeves were gathered onto wide cuffs. The center front of the bodice and cuffs were marked with tiny

self covered buttons. Her fingertip length veil of imported illusion was attached to a headpiece of white satin and pearls. Her jewelry was ivory rose earrings.

She carried a windsor bouquet of white roses, stepnotis and baby's breath on a lace covered Bible with pearl and satin streamers.

Carrying out tradition, the bride wore white ivory rose earrings for something old. Something new was her wedding dress, something borrowed was a handkerchief and something blue was the traditional blue garter. She wore pennies minted in the years of their births in her shoes.

Mrs. Mingus, mother of the bride, wore a yellow print formal designed with a fitted bodice, bell shaped skirt and long sleeves. The waistline was marked with a gold colored belt. She wore a yellow rose corsage.

A reception followed the ceremony. The round table was covered with a white sheer cloth over yellow. The bridal bouquet was used as the centerpiece on the table.

The two tiered white wedding cake was served by Glenda Nixon, Portales, cousin of the bride. The cake was decorated with yellow roses. Punch, nuts and mints were served from silver appointments. Cynthia Procter served the punch.

Following a wedding trip to Lubbock, the couple will be at home at 454 Ronthor Road, Social Circle, Georgia.

The bride is a 1973 graduate of McMurry College with a B.S. Degree. She is now a private music teacher.

The bridegroom attended Navarro Junior College and is employed by Legett and Platt Inc.

Mrs. Freddy Dean Rose

Congregational Women Name Officers For '74

The Women's Fellowship of the Congregational Church met on Tuesday, April 9 with twelve ladies present.

A program entitled "A

Portfolio of Religion" was presented by Luella Maurer.

New officers were elected by the group. They included Grace Whitefield, president; Mrs. Maurer, vice president; Marie McKee, secretary; Hazel Weir, treasurer and Lillie Taylor, reporter.

Refreshments, which included homemade rolls, doughnuts and strawberry shortcake, were served by Mrs. Schlenker and Florence Sifford.

Other members attending were Viola Treider, Lola Goodwine, Orma Flippen and Marie Sanders. Opal Buchanan was a guest.

Rhea HD Club Hears Program, On Turquoise

Mrs. David Turner presented a program on turquoise jewelry and demonstrated methods of making the jewelry at a meeting of the Rhea Home Demonstration Club Monday night in the home of Mrs. F.L. Schlenker.

Attending were Mrs. Herbert Schueler and daughters, Carrie and Jo, Mrs. Cordie Potts, Mrs. Leland Gustin, Mrs. Wendell Garner and daughter, Susan, Mrs. Keith Garner, Mrs. Shirley Smith, Mrs. Walter Schueler, Mrs. Jack Patterson, Mrs. Floyd Schlenker, Mrs. Norman Taylor, Mrs. Larry Potts, Mrs. Jay Potts, Mrs. Elmo Dean and Mrs. Houston Bartlett.

Refreshments of sand tarts, punch and Easter chocolates were served.

The next meeting will be Monday, April 22, at the Parish Hall of the Lutheran Church in Rhea with Mrs. Richard Anderson the hostess. The program will be on seven Biblical women.

Friona Third In Junior Hi Literary Meet

Friona placed third in a close race in the District 3-AA elementary and junior high school literary contest at Olton April 6.

Friona scored 50 points. First place Olton had 59 points, and Littlefield was second with 52 points. Dimmitt was fourth with 45. Morton did not enter the contest.

Leading the way for Friona were Johnny Clarke, who won first place in boys' oral reading, and Faith Mays, who was first in girls' oral reading.

Also scoring for Friona were Bryan Johnston, second in the number sense contest; Dana Miller, second in fifth and sixth grade spelling; Tera Simpson, third in fifth and sixth grade spelling, and Marsha Carlen, third in ready writing.

Friona Woman's Club Has Easter Program

Friona Woman's Club met Wednesday, April 10 at the Club House.

Roll call was answered with an Easter quotation.

The devotional was presented by Mrs. Ed White Sr.

An Easter message on "The Resurrection," was presented by Terry Brown, minister of Sixth Street Church of Christ in Friona.

A vocal solo on "Holy City" was presented by Mrs. Melvin Lloyd and Mrs. Dale Cary. They sang "I Find No Fault In Him" and "The Blood Will Never Lose Its Power."

The benediction was presented by Terry Brown.

Refreshments were served by the hostesses, Mrs. John Benger and Mrs. Joe Moyer.

Twelve members and four guests were present. Guests included Mrs. Lloyd, Mrs. Cary, and Mr. and Mrs. Brown.

The next meeting of Friona Woman's Club will be held Wednesday, April 24.

The program will be on "Conservation" and delegates will present their reports.

Wells Receives Special Awards

Army Specialist Five William M. Wells, 24, son of Mrs. Zella M. Wells, Route 1, Friona, received his 19th and 20th awards of the air medal in Germany.

Spec. Wells earned the award for meritorious service while participating in aerial flight in support of ground operations during a previous assignment in Vietnam.

During the same ceremony, he received the Army Commendation Medal for meritorious service.

Spec. Wells is a light air defense electronic repairman with the 280th Ordnance Detachment in Schwabach.

His wife, Betty, lives at 1303 W. 12th St., Littlefield, Texas.

Bridal Coutesies Honor D. Lewellen

Donna Kay Lewellen of Friona, bride-elect of Dale Schueler of the Rhea Community was honored with a lingerie shower on Saturday, April 6 at the home of Mrs. Dale Gober.

The serving table was decorated with a miniature bride. Punch and cream puffs were served.

Thirteen girls and Mrs. Delton Lewellen, mother of the honoree and Mrs. Raymond Schueler, mother of the prospective bridegroom were present.

Donna Lewellen was honored with a surprise party by her college friends at the dorm in Canyon on Wednesday night, April 3.

She was presented with a money tree surrounded by Easter decorations.

A miscellaneous shower for Donna was held at the Parish Hall in the Rhea Community on Tuesday night, April 9.

Hostesses for the shower were Mrs. Keith Stevens, Mrs. Jack Patterson, Mrs. Cordie Potts, Mrs. Shirley Smith, Mrs. Norman Taylor, Mrs. Earl Dean Boyd, Mrs. Herman Grissom, Mrs. Richard Anderson, Mrs. Leland Gustin, Mrs. Walter Schueler and Mrs. Richard Vaughn.

The serving table was decorated with a spring bouquet featuring the bride's chosen colors.

Servers were Pam Lewellen, sister of the bride, and Kathy Schueler, sister of the groom.

Approximately thirty-five persons attended the shower.

Connie Whaley, Dennis Slagle United In Church Ceremony

Connie Rose Whaley of Stratford, became the bride of Dennis Slagle, also of Stratford on Saturday, April 6 at 3 p.m.

The bride is the daughter of Mr. and Mrs. Watson Whaley of Route 2, Friona. The bridegroom is the son of Mr. and Mrs. Ray Slagle of Benicia, California.

The double ring ceremony was performed in Friona's Union Congregational Church by Terry Brown. He was assisted by S.W. Pope, Amarillo, cousin of the bride.

The altar was centered with a large urn of spring flowers flanked on each side by spiral blue candleabras entwined with lily of the valley and two urns of spring flowers on matching pedestals. The inner aisle pews were decorated with aisle candleabras with lily of the valley and blue ribbons with blue candles.

Traditional wedding selections were presented by Janice Clark of Lubbock and Denise Coats of Canyon, Sara Alexander, organist and Nancy Roden, pianist, accompanied Janice and Denise as they sang "Time In A Bottle" and

"Wedding Song." Lou Whaley, Canyon, sister of the bride was the maid of honor. Matron of honor was Mrs. Michael Nelson, Westville, New Jersey, sister of the groom. Junior bridesmaid was Millie Kautz, Stratford, cousin of the groom.

The feminine attendants wore blue satin formal length dresses with long sleeves edged in lace. The neckline of the dresses were enhanced with a blue lace yolk and stand-up collar. The empire waistline with cummerbund edged in lace fastened in the back with tiny self-covered buttons.

They carried nosegays of blue daisies and white cushioned poms with matching headpieces.

Randy Slagle, Dighton, Kansas, cousin of the groom, served as best man. Ushers were Ted Wiley, Lubbock, cousin of the bride, and Mike Matthews, Stratford. The groomsmen were Mike Matthews of Stratford.

The bride was escorted to the altar and presented in marriage by her father. She wore a formal length dress of candle-

light bridal satin which featured a Sweetheart neckline, long sleeves with buttons on the deep cuff. The waistline came to a V in the front and back. Tiny covered buttons down the front of the bodice accented the wedding dress. The chapel length train was decorated with two rows of lace down the front and back from shoulder to the floor. The lace was entwined with sky blue ribbon and embroidered flowers.

The headpiece was decorated to match the bridal bouquet and held a elbow length veil in place.

The wedding dress was designed by the bride. She copied the pattern from an heirloom dress.

She carried a nosegay of white carnations, yellow roses and baby's breath atop a lace covered Bible which had been given her by her late Grandmother Wiley, when the bride was five years old. The Bible was marked with a hand-crocheted cross book marker belonging to Mrs. Russel Reinhold.

Carrying out tradition, the bride carried a lace covered Bible for something old. Something new was her wedding ensemble. Something borrowed was a hand-crocheted marker placed in the Bible at I Cor. 13 and something blue was the traditional blue garter and blue ribbon on her dress. She wore two pennies with dates of the bridal couple's births in her shoes.

The groom's mother wore a green double knit formal and wore a gardenia corsage. The bride's mother was attired in a formal length two-piece double knit suit with a gardenia corsage.

Following the ceremony, a reception was held in the Fellowship Hall of the church. Hostesses at the reception were Mrs. Ralph Wilson, Mrs. Russell O'Brian, Mrs. Doyle Cummings, Mrs. S.W. Pope and Mrs. Louis Welch. They wore orchid corsages.

The bride's table was covered with white satin sway over the white lace skirt tied

Mrs. Dennis Slagle

with sky blue ribbon bows. The centerpiece of spring flowers was flanked on each side by candleabras holding blue candles.

The three-tiered white wedding cake was separated by white lacy filigeries decorated with sky blue roses and green leaves. White sugared hearts and bells topped with miniature doves sitting in a bed of blue roses completed the cake decorations.

Presiding at the bride's table were Mrs. Kathy Seale of Amarillo, and Miss Sue Riddlehuber, Big Spring. Punch was served from a silver bowl.

The groom's table was covered with an ecru linen cloth. The centerpiece was a

bouquet of hogarth and an arrangement of yellow mums and pom poms. Miss Fredia Pope, cousin of the bride, from Lubbock, served coffee from a silver service. Mrs. Rex Bracken served Lemon Creme pound cake.

A small table covered with a white linen cloth and centered with a tree with net blossoms and miniature wedding bells, white birds, wedding rings and blue roses and ribbons held baskets of blue net rice bags and miniature scrolls expressing appreciation from the bride and groom to the wedding guests and quoted a part of I Cor. 13.

The tree was fashioned by the groom's mother. The scrolls and rice bags were distributed to guests by Detricia Miller of Friona and Glenda Kautz, cousin of the groom from Great Bend, Kansas.

The guests were registered by Miss Deloris Phipps, Hereford. The registration table was covered with a white satin cloth overlaid with lace. The guests used a blue plume pen to sign the guest book. A crystal bud vase holding a yellow rose bud completed the setting.

For a wedding trip to points of interest in New Mexico the bride chose a two piece navy blue pant suit with yellow blouse. She wore a corsage of gardenias and yellow roses.

The couple will be at home in Stratford after their return home.

The bride is a graduate of Friona High School and West Texas State University in Canyon. She is currently teaching science in Stratford High School.

The bridegroom is a graduate of Benicia High School and of Healds College in San Francisco, California. He is currently farming in the Stratford area. He is also serving in the Navy Reserves as a U.S. Radar Technician.

REHEARSAL DINNER

A rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. Ray Slagle on Friday, April 5 to honor the wedding party and was held in the Union Congregational Church Fellowship Hall.

Girl Born To T. Fischers

Mr. and Mrs. Timothy R. Fischer of Albuquerque, New Mexico became the parents of a baby girl on Saturday, April 6 at Lovelace Clinic there.

The baby girl weighed six pounds, two ounces, and has been named Lisa Diane.

Grandparents are Mr. and Mrs. G.H. Goggans of Friona and Dr. and Mrs. A.J. Fischer of Albuquerque.

Great-grandparents are Mrs. R.C. Anderson, Sulphur Springs, Texas and Mrs. Grace Rankin of Los Angeles, California.

Mrs. Fischer is the former Janis Goggans of Friona.

Chris L. Tannahill Assigned To Unit

Army First Lieutenant Chris L. Tannahill, son of Mrs. Tress Tannahill, 1608 W. 10th St., Friona, is assigned to an Air Ambulance unit serving a 38,000-square-mile area in Kansas and Nebraska.

He and 53 other members of the 82nd Medical Detachment compose the Military Assistance To Safety and Traffic (MAST) unit at Ft. Riley, Kansas.

MAST provides military helicopters, crews, paramedical personnel, and medical supplies during natural disasters and in other military or civilian emergencies.

With 13 existing units in the U.S., MAST is designed to expand, not replace, civilian emergency medical services.

The Ft. Riley unit, equipped with six UH-1H Huey helicop-

ters, is on 24 hour alert for calls from law enforcement officers, hospital administrators, physicians, or responsible citizens at accidents scenes within a 100-mile radius of the post.

Highway accidents, gunshot wounds, heart attacks and farm accidents in remote areas are top priorities. MAST is also available for inter-hospital transfers of patients, and transport of blood, medicine and human organs for transplant.

Lt. Tannahill is an assistant operations officer in the 82nd Medical Detachment.

He is a 1969 graduate of West Texas State University in Canyon.

His wife, Glenda, lives at 615 W. 3rd St., Junction City, Kansas.

LIVELY—Cotton in a delicate oriental flower print is the choice of Gregg Draddy for a karate-inspired "Maui." It's styled with kimono sleeves and obi sash for a dashing look.

Young Homemakers

Meet In Cafeteria

Friona's Young Homemakers organization held a regular meeting on Thursday, April 4 in the High School Cafeteria.

Members of the Future Homemakers of America organization were honored by the Young Homemakers at this meeting.

Paul Pape, Church of Christ minister, who is the youth minister at Southwest Church of Christ in Amarillo, spoke on "your purpose, plans and personality."

Refreshments of homemade ice cream and cookies were served by the officers of the club.

New business discussed included the Young Homemaker's Activity Day and helping sponsor the ASCS in getting exchange students.

They also discussed the Easter party for students in the special education classes.

They voted to place two new rose bushes in the patio area of the high school and to sponsor group pictures made in the High School this year.

The members voted to donate \$25 to the grade school library and \$25 to the public library for two new copies of "Passing of Night."

Guests included Mrs. Kay Snead, Linda Garrison, Jan Welch, Linda Hale, Rose Ann Ray, Diane Smith, Pat Gatlin, Betty Mabry and Joyce Broyles.

New members attending the meeting were Becky Riethmayer and Keri Jack. Next meeting of the organization will be on Thursday, May 2.

IN FRIONA AREA

Sod House Society Seeks Information

The Sod House Society of America, headquartered in Colby, Kansas, has instituted a survey of all former sod house dwellers in the United States, according to information received here.

All former sod dwellers and descendants of a family that can claim a portion of the sod house heritage during the pioneer settlement era of North America, or even in more recent times, will be listed by the society in a permanent historical record of sod, dugout and adobe dwellers.

The society asks for names and information on any relatives that were born or lived in a sod house, a dugout, or an adobe building. Also, anyone that taught school, attended school or church services in such a building or helped erect one is asked to answer the survey.

The structures were once common in the United States, Canada and Mexico and were used in well over half the North American continent, according

to members of the society.

Persons with any information concerning present or former sod house dwellers are asked to report where the buildings were located and give family names. Reports may be sent to the Sod House Survey of Texas, Colby, Kansas 67701.

"We believe many readers of The Star will be interested and willing to help in this historical study if our need for information is presented through your paper," said Ronald E. Thiel of the society.

"The subject of sod houses is a most important part of early Parmer County history that readers will enjoy recalling. It should be very interesting to learn how many former sod dwellers and their descendants now live in this region, since Texas and New Mexico had thousands of sod and adobe structures during the years of homestead land settlement," Thiel continued.

Persons desiring further information on the project are

Arizona Services Held For Frionans' Brother

Funeral services were held in Glendale, Arizona last week for John Hester Dennis, 70. He was the brother of M.C. (Cap) Dennis and Mrs. Della Light, both of Friona.

Dennis was born in 1903 in Blair, Oklahoma. He passed away on April 4 in Arizona.

Services were held at the Chapel of the Chimes in Glendale, and burial was in Resthaven Park Cemetery, also in Glendale.

Other survivors include his wife Vivian, two sons, John Wesley and Dirl Ray, both of Glendale; two daughters, Velma Walker of Phoenix and Marion Griffin of Glendale, and 11 grandchildren.

Another brother, Lee Dennis, lives in Pea Ridge, Ark.

Every man is born with the faculty of reason and the faculty of speech, but why should he be able to speak before he has anything to say.

-Benjamin Whichcote.

welcome to forward questions to the Sod House Survey, he said.

ON SOLAR ENERGY
Rep. Jim Martin (R-NC) said that solar heating equipment for private homes can be available within five years. Martin is a sponsor of legislation financing research into the uses of solar energy.

Jack Benny, comedian, commenting on his 80th birthday:

"Age is strictly a case of mind over matter. If you don't mind, it doesn't matter."

Census Surveyor To Visit Houses In Local Area

How prevalent are fires in the home and what is their cost financially and in injuries to household members? Percy R. Millard, Director of the Bureau of the Census Data Collection Center in Dallas, said today that a survey in this area will help to answer these questions. Information on the incidence of fires in the home and their cost will be collected here the week of April 15-19 from a sample of households.

The questions are in addition to the usual ones asked in the monthly survey on employment and unemployment conducted by the Census Bureau for the U.S. Department of Labor.

Results of this survey provide a continuing measure of the economic health of the Nation. The February survey showed that 5.2 percent of the Nation's civilian labor force was unemployed. This was the same rate as in January but well above the 4.6 percent in October 1973 when joblessness reached its lowest point in 3 1/2 years. The number of employed persons, 85.8 million, was the same as in January and slightly above the level of October 1973.

Mrs. Laura Hart will be the local interviewer visiting households in this area.

The households in this area taking part in the survey are among 50,000 across the Nation scientifically selected to represent a cross section of all households.

All information provided the Census Bureau is confidential by law and can be published only as statistical totals.

Syphoning Gas By Mouth Proven Fatal

Using your mouth when syphoning gasoline is extremely dangerous and can be fatal, the Texas Medical Association warns. Gasoline is a poison which acts as an irritant in the digestive tract. In the lungs, however, it is most often fatal. Relatively small amounts of gasoline in the stomach will cause pain and discomfort, irritate the digestive tract and can cause ulceration and other complications. However, should a person who has swallowed even a small quantity of gasoline vomit, there is extreme danger of some of the gasoline entering the lungs.
