By  
**Bill Ellis**

THE DEMOCRATIC convention is over, and about the only unpredictable event taking place being the naming of Jimmy Carter's running mate.

Conservative Democrats were a bit disappointed in Carter's choice of Walter Mondale, who represents the liberal wing of the party.

Democrats in this part of the country have little trouble accepting Carter. With his record of conservatism practiced while governor of Georgia, and his stand taken against big government bureaucracy, he's the type of candidate the party needed to keep Texas voters in the Democratic column.

But the addition of Mondale didn't particularly help the ticket in this neck of the woods. It remains to be seen as to whether it will hurt. It all depends on what the Republicans do next month.

PERSONALLY, WE believe that if the Republicans nominate Gerald Ford for a new term, they will be forfeiting the election. Carter has run a brilliant anti-Washington campaign to this point. People are fed up with the "establishment," and that includes Ford.

Whether the party leaders will recognize this when they meet in Kansas City remains to be seen. Ordinarily, an incumbent president is the logical choice, but this is not an ordinary incumbent president.

We believe a Carter-Reagan race would appeal to the voters, although it may not offer them as much of a choice. If a Carter-Ford matchup develops, conservative Democrats should have little trouble staying in the party, since Ford appears to be the more liberal of the two.

Reagan has been steadily hacking at Ford's delegate lead, and at this point it appears that when the GOP convention gets down to the roll call of states in August it will be a much more interesting situation than we had Wednesday night.

About the only suspense the Demos had amounted to which state would put Carter over the top. By the time Texas voted, the matter was settled. We don't expect this to happen with the Republicans. In fact, we don't expect a first ballot win by either candidate.

We are intrigued with the fact that Jimmy Carter started out as a farmer; in fact still lives on his peanut farm in Georgia. We would think that this would be a built-in advantage for the new nominee when many voters from this area make their decision.

We made an effort to find out who the last president was who had a farming background, but have not found him. Apparently there has not been one in this century. Of course Lyndon Johnson had his ranching interests, but his main professional experience outside of politics was as a college professor.

This should be an interesting research project.

THE PAST WEEK has been a cool, cloudy one, with showers helping some parts of the area. But if the area could have received just a fraction of the rain that was possible during the cloudy periods, everyone would have shut off their wells for a month.

It's a frustrating experience to wake up day after day to a cloudy sky, watch it threaten all during the day, or even spit a little rain yet never get right down to business.

MERV NOAH says that the way it looks now, with the "loose ends" around the nursing home, Prairie Acres will now shoot for a mid-August opening.

Noah and others had been hoping for an August 1 opening, but in a project this size, there are always the last minute details

(Continued on Page 10)

## SECOND STRAIGHT

# Residents Face School Tax Hike

For the second straight year, residents in the Friona Independent School District will feel the sting of a tax increase, due to the new Public School Financing Law (HB 1116).

"Our local fund assignment is being increased by about \$90,000 for the second straight year," stated Superintendent of Schools Tom Jarboe.

The tax increase will be 20 cents per \$100 evaluation, making the tax rate \$1.75 per \$100. This will amount to an increase of approximately 13 per cent, Jarboe said. Added to the hike of 14.8 per cent of a year ago, this means that taxpayers will have been dealt an increase in school taxes of 27.8 per cent over a two-year period.

"As long as HB 1116 stays in effect, we can expect the taxes to continue to rise. Our local fund assignment could increase another \$90,000 next year," said Jarboe, who strongly encouraged taxpayers to communicate their feelings on the matter to their state representative, Bill Clayton, and their state senator, Max Sherman.

Jarboe pointed out that the local school district received approximately \$1,048,044 in state and federal funds for the 1975-76 school year. For the 1976-77 term, it was anticipated that the district would receive around \$960,000.

"There is only one avenue left open for us to maintain our program, and this is through taxes," Jarboe said.

The superintendent pointed out that the raise in taxes would not balance the budget, but that he expected enough carryover from 1975-76 to allow it to balance.

The tentative school budget for 1976-77 for the school district calls for expenditures of approximately \$1,880,000. This is an increase of just 2.7 per cent over the 1975-76 budget, due mainly to inflation.

Jarboe stated that it was the feeling of the board of education that the school should continue its maintenance and replacement policies, such as the replacement schedule on school buses.

"We could skip our replacement in this area for the coming year, but the board felt that it would cost us just as much in the long run," Jarboe said.

HB 1116 was enacted a little over a year ago by the metropolitan-oriented legislature, who felt that certain property, especially farm land, had not been carrying its fair share of taxes for school purposes.

This shift in the tax burden back to the local level is expected to cause real hardships in certain areas where the economy already is on shaky ground.

In other business, the Friona school board accepted the resignations of band director Charles Faulkner, and assistant director Gordon Hart.

Faulkner has accepted a position as director of bands at Fort Stockton, and Hart is to be employed in the Clovis system. Faulkner had been in the local school system for the past ten years, and served as band director for the past six years.

Under his direction, the band received a number of honors, including winning of the first UIL Sweepstakes award in a number of years, Friona's band received top honors in end of year festival activities for the past three years, and Friona had the lion's share of first division honors by individuals during the past several years.

SUMMER PASTTIME....Tom Presley, a longtime Friona area resident, was photographed by the Star camera as he took a rest under a shade tree on the high school campus during his afternoon walk.

He was taking notice of the new tennis courts at the high school which were being touched up Thursday afternoon while Mr. Presley was getting his exercise.

## Bank Figures Are Healthy

Midyear figures released this week by Friona State Bank indicates that the community is in a healthy condition.

According to the quarterly statement published by the bank, its depositors had on deposit as of June 30, 1976 a total of \$23,147,000. This represented an increase of \$2,304,000, or 11 per cent, from the same date a year earlier.

Other figures on the quarterly statement likewise showed gains.

Loans increased from \$11,821,000 in 1975 to \$14,715,000 on the current statement, an

increase of \$2,894,000, 24.4 per cent.

Total assets grew from \$23,606,988 to \$25,787,000. This was an increase of \$2,180,000 or 9.2 per cent.

In the deposit totals, continuing a trend established in statements in recent months, the time or savings deposit totals amounted to more than the demand deposits at the bank.

Total savings deposits amounted to \$11,638,000, with the demand deposit total very close to that figure, at \$11,509,000.

## New City Attorney Appointed By Board

The Friona City Council held their regular meeting Monday evening, July 12 at the City Hall.

Tops on the agenda was the receipt of resignation of City Attorney John Black. Mr. Albert Masters, present at the meeting, was appointed to take Black's place as city attorney.

Also on the agenda was confirmation of expenditure of \$1,844 for a new air conditioner system for the city hall. The budget for fiscal year 1977 was discussed and will be approximately \$2,500 greater than this year's budget.

Among miscellaneous business was a small allotment to be set aside in the budget to be used for property for a new library.

It was also discussed and decided that Mayor Fleming should attend the gas and telephone rate hearings in Austin on August 2.

The next proposed meeting of the City Council will be Monday, August 9, at 7:30 p.m.

June was a fairly active month in Friona. Six building permits were issued by the city administration; one new residence, one addition to a commercial building, and other additions and alterations to bring the total estimate for the month to \$58,100.

The water department noted a high for the season in daily water pumpage. The June average was 1,114,361 gallons of water per day. (Continued on Page 10)

PRACTICE MAKES PERFECT....Cris Beck (left) and Kirby Keesee (right) are shown above rehearsing their lines in "A Funny Thing Happened on the Way to the Forum," one of the two plays which

will be presented by the Summer Drama Workshops, Saturday, July 24. Conducting the workshop this year is Phil Weyland, a veteran actor and director.

## Directors Laud Recent July 4 Event

The Friona Chamber of Commerce and Agriculture met on Tuesday, July 13. The success of the Fourth of July activities was discussed. B.K. Buske announced that the Noon Lions fed approximately 850 people at the fish fry.

The only conflict on the Fourth of July seemed to be the ability of some contestants in the events to hear when the respective events began. President Jerry Brown suggested the use of a public address system next year to prevent this problem.

Second on the agenda was an invitation by the Texas Industrial Commission to attend an Industrial Planning Seminar in Muleshoe in

Chambers of Commerce in recruiting businesses to their towns. The session will last one day and a luncheon will be served. Friona and Muleshoe are the only two Chambers invited.

Maize Days activities were discussed and the entry fee for the Queen's Contest was raised from \$15 to \$20 due to rising expenses. The dates for Maize Days this year will be September 27 through October 2. No theme has yet been decided for Maize Days.

Other business discussed included choice of a speaker for the Chamber of Commerce banquet. The Chamber is still looking for prospective speakers.

## Drama Workshop Underway Locally

Friona's Summer Drama Workshop reached the half-way point this weekend. Saturday, July 24, marks the finale of the two week session.

On Saturday, two plays will be presented by the workshop personnel under the direction of Phil Weyland. The plays will be "A Funny Thing Happened on the Way to the Forum" and "Tricks."

A double feature matinee will be performed Saturday at 2 p.m. with "Tricks" as the first feature, followed by "A Funny Thing Happened on the Way to the Forum." An evening performance will be held at 8 p.m. for both shows. Tickets will be 50 cents for adults and 25 cents for children.

The cast for "Tricks" consists of: Scapin-Chris Beck; Sylvestre, Kirby

Keesee; Octave, Mark Edelman; Leandre, John Carson; Argante, Larry Gore; Geronte, Mark Bavousett; Hyacinthe, Sheri Noah; Prop Mistress, Sharla Benge; Zerbinette, Leesa Mercer; and handmaidens, Sonya Gore and Doris Hough.

"A Funny Thing Happened on the Way to the Forum" stars: Pseudolus, Bryan Johnston; Hyesterium, Kirby Keesee; Hero, Keith Pryor; Domina, Jerri Benge; Philia, Laura Ellis; Senex, John Carson; Erro-nius, Gigi Spring; Miles Gloriosus, Philip Hand; Lycus, Mack Bush; Proteans, Stanley Fithen and Stanley Ellis; Citizens, Doris Hough, Shannon Taylor, Sonya Gore; Courtesans, Kim Bryant, Joy Neill, Karen Edelman, Holly White and Shannon Taylor.

## Moisture Received; Heat Wave Abated

The Friona area was blessed with scattered showers during the past week, during which the area had a steady diet of cloudy weather for six days.

The total moisture in Friona had been light for all the possibilities, until a midnight shower Thursday and early Friday rang the bell with .54 inch of moisture. This added to the .46 which had been received earlier in the week to make an even-up one inch of moisture

The official city gauge recorded moisture on six consecutive days, including a trace on one of the days. A shower about noon on Monday added up to a total of .26 inch. The following day, an afternoon shower added .13 to the total. It tried to rain several times both days, but just couldn't get kicked off, as solid overcast prevailed.

The measurement Wednesday was .13 inch, and a trace was recorded on Thursday, prior to the Thursday night-Friday morning shower, which came out of the Northeast and was accompanied by a brilliant electrical display.

Even though the total moisture was light for the most part, farmers welcomed the cooler temperatures,

which kept their corn crops from suffering.

TEMPERATURES		
Date	+	HI-LOW
Saturday, July 10		89-60
Sunday, July 11		85-64
Monday, July 12		83-63
Tuesday, July 13		69-60

July 14; Trace July 15; .04 inch July 16.

## Seek Men's Softballers

Interest is being sought in a men's city slow-pitch softball league.

Many area cities sport men's softball leagues, including neighboring Bovina, which has a nine-team league.

Anyone interested in helping organize such a league is asked to call Rick Luther at 247-2211 or 247-2116.

# Friona Flashbacks ...from the files of The Friona Star

**50 YEARS AGO—JULY 23, 1926**  
We are informed by D.H. Meade that his plans are practically matured for the installing of a hatchery at his home in the north part of town. He plans for a 4,000 egg incubator and expects to have it ready to place baby chicks on the market by the first of the coming year.

**40 YEARS AGO—JULY 24, 1936**  
A head-on collision which occurred on Highway 33 somewhere between Black and Summerfield Sunday afternoon came near ending the lives of seven Friona people and

## Bookmobile Schedule

The High Plains Bookmobile will be in your area on the following dates:  
Wednesday, July 21—Needmore, 9:30-11 a.m.; Stegall, 11:30 a.m.-12:30 p.m.; and Threeway, 12:45-2 p.m.  
Thursday, July 22—Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45 a.m.-12 noon; and Hub, 1:15-2:15 p.m.  
Friday, July 23—White's Elevator, 10-11 a.m.; Lazbuddie, 12 noon-1 p.m.; and Clay's Corner, 1:15-2:15 p.m.  
Saturday, July 24—Farwell, 9-11:50 a.m.; and Friona, 1-3:45 p.m.

three youths of the Black Community. Mr. and Mrs. Tom Galloway and baby daughter; Mr. and Mrs. Henry Lewis of Friona, and Mrs. Charles Luna and daughter of Dallas were enroute to Canyon when hit by a car driven by the young man, whose names are not available. None were seriously hurt.

**35 YEARS AGO—JULY 25, 1941**  
The members of the Panhandle-Plains Historical Society, and the city of Canyon will inaugurate a Victory Campaign, for the completion of the proposed addition to the present building, which now houses the Panhandle-Plains Museum. The museum has sponsored a drive to have bricks donated for the construction of the addition, and to date a total of 175,000 bricks have been received. Friona has been invited to participate in the campaign.

**30 YEARS AGO—JULY 19, 1946**  
Margaret Staats, 13-year-old Summerfield girl who was critically injured on July 6 when a gun was accidentally discharged, is reported to be recovering satisfactorily in Dallas' Baylor Hospital, and will probably be released from the hospital within a few days. Miss Staats underwent an operation to remove a .22 calibre bullet from her spinal column.

**25 YEARS AGO—JULY 19, 1951**  
Water users will have an opportunity August 9 to say whether they think the State Board of Water Engineers should create an underground water conservation district in the Panhandle-South Plains.

The Allen Stewart family and the B.W. Turner family are vacationing together in Colorado this week. Mrs. Roy Miller is operating the jewelry store in the absence of the owners.  
**20 YEARS AGO—JULY 19, 1956**  
Contract for Friona Wheat Growers' new 1,000,000-bushel expansion has been awarded to Chalmers & Borton Construction Company of Hutchinson, Kansas, it was announced this week. Construc-

tion will begin in the near future. The addition will be built along the Santa Fe track in a westerly direction.

**15 YEARS AGO—JULY 20, 1961**  
Plans for Friona's Country Club building have been completed, and within the next week the board of directors will start seeking bids on the structure. The proposed clubhouse, on which bids will be sought, will be constructed of brick veneer. Overall dimensions will be 41 x 82 feet and will include a 41 x 82-foot social room, pro shop, cloak room, kitchen and rest rooms.

**10 YEARS AGO—JULY 21, 1966**  
Cecil Maddox of Whiteface has been employed as head boys basketball coach in Friona, it was announced this week. Maddox replaces James Anglin, holder of the position the past two years. Maddox will also be a math instructor at Friona High School.

**5 YEARS AGO—JULY 22, 1971**  
Howard McLean, 37, is the new general manager of Missouri Beef Packers' Friona Division. McLean replaced Dave LaFleur, who became company president on July 1, and has moved to MBP's Amarillo office.

## To The EDITOR

Mr. Bill Ellis, Editor  
The Friona Star  
P.O. Box 759  
Friona, Texas 79035

Dear Bill:  
Enclosed is my check for subscription renewal to the Friona Star. We do enjoy the paper.  
Also, I want to thank you for the write-up before and after my retirement tea. I didn't like the first picture, but then I do not make very many good pictures. The picture you made with the clock was better. We did appreciate your coverage of this occasion.

Sincerely,  
Iola R. Nelson

## REMEMBERING... Ice Boxes

By BILL D. BROOKS  
Before electricity came to our community we had a special treat. Mom would let each of us use the ice shaver once — but only once. The shaver resembled a carpenter's hand plane except it was sort of a box and the ice shavings were collected inside it. When you got it full you could open it and dump the shavings into a glass for a guaranteed cooler-offer. The little shavings were so good coming off the crystal clear block of ice, we would always want to use it "just once more." But Mother would say we had to have the rest of the ice to keep our food cool.  
Inside the big door where the ice went was a shelf

## Ice Boxes

made of wavy metal. Under that was a drain pipe that went down through the ice box and out the bottom. As the ice melted the water dripped out this pipe into a pan that was set on the floor under the box. We had to check the water pan often to be sure it didn't run over onto the floor. We carried the pan and threw the water outside for a long time until Dad got the idea to install an overflow pipe on the pan that would stick through the wall to let the water drip outside the house.  
The other shelves were made of open wooden slats, which allowed the cool air to circulate around the food. The inside of the box was lined entirely with galvanized metal and so was the inside of each door. The sides and the doors were thick, made of several layers of wood, metal and probably some sort of insulation. Each door had sturdy hinges and latches, chrome-plated except for the few places where it had peeled off.  
We got our first real refrigerator soon after R.E.A. came but we could hardly sleep at night because the thing made so much racket — something our ice box had never done. We called our refrigerator an ice box for a long time after we got it because the habit was so hard to break.

# FRIONA STATE BANK

### Letter To The Editor

Dear Editor,  
I would like to take this opportunity to thank all who were involved in any way in the Friona Little League program this year. The cooperation I have received from everyone has made it a very successful season.

I thank the board of directors for a job well done, a special thanks to the umpires who helped. Their job was one of the harder ones, with lots of boos and many times very little praise.

The managers of each team I also thank for the time and effort on their part, for teaching young boys and girls the sport of competition and patience as well as how to play the game of baseball.

Thanks to all the boys and girls who participated, for  
\*\*\*\*\*

without their interest, we couldn't have had this type of baseball program.  
A very special thanks to Mrs. Armstrong, on a job well done with the concession stands, which helps finance our program.

Also, a special dept of gratitude to the Friona Lions for the underground sprinkler system at the senior league park. This will be a great help in making that park one we can eventually be proud of.

We have two all-star games left and we invite everyone to come out and back our all-stars. We won't have the home field advantage, but we sure can have our hometown crowd cheering the boys on to victory.

Carl White, president  
Friona Little League  
\*\*\*\*\*

## State Legislator Says Taxpayers May Revolt

(Editor's note: The following story was made even more timely with the announcement this week of a tax increase for the Friona Independent School District due to a reduced fund assignment from the state.) + + + +

Rep. Dan Kubiak of Rockdale said Monday he will propose legislation when the next Legislature convenes that will save Texans almost \$1 billion in local property taxes.

Kubiak predicted a "taxpayers' revolution" because "property owners and citizens across the State "have suffered not only continuous but dramatic increases" in local property taxes during recent years.

Under Kubiak's proposal, the state would begin picking up the portion of the Minimum Foundation Program for public education, a portion that is now paid entirely by local school districts. He said this local fund "share" totalled \$985 million for the current and the upcoming school years.

While transferring this local cost to the State, Kubiak told a Capitol news conference his bill would guarantee that local taxpayers in school districts across this State will see their taxes go down.

"My legislation will mandate that each local school district must reduce its local taxes by an amount equal to their local fund assignment," Kubiak said. He added that school districts could decide for themselves whether to cut their tax rate, assessment ratio, or both but that "the bottom line that each taxpayer has to pay must be reduced."

Kubiak said the legislation for this mandatory tax reduction would be effective for one year only and would be funded from a portion of the more than \$2 billion projected revenue surplus. "About funding this plan in the future, beyond this surplus and beyond the next biennium, I would have every faith in the world that Texas' continued growing economy and its continued dollar volume growth in tax revenue can absorb this additional burden, providing the Legislature exercises restraint and good

judgment in dictating the Minimum Foundation Program," Kubiak added. Kubiak called criticism that the bill would destroy all local control of public education "hogwash."

"There should be and there will be a clear distinction between the actual allocation—that is to say, funding—and the controls on these funds," Kubiak answered. "Local school districts will still have the total authority and total power of the selection, retention and promotion of the most important person working in public education—the teacher in the classroom."

Kubiak also said local ad valorem taxes could be levied to pay for buildings, capital improvements and all other amenities, including teacher salary supplements, just like they are now under local enrichment programs.

"That means if the Dallas School District wants to build a junior high school in downtown Dallas, then let Downtown Dallas taxes pay for it," he added.

Terminating his proposal a "no strings attached, public education version of the revenue sharing program," Kubiak predicted some "nitpickers and naysayers" would call it a "temporary, cold patch on an old flat tire."

"That's fine," he responded. "The taxpaying public will buy that. But at least we've bought some time and can make some plans for the future."

Kubiak said the legislation for this mandatory tax reduction would be effective for one year only and would be funded from a portion of the more than \$2 billion projected revenue surplus. "About funding this plan in the future, beyond this surplus and beyond the next biennium, I would have every faith in the world that Texas' continued growing economy and its continued dollar volume growth in tax revenue can absorb this additional burden, providing the Legislature exercises restraint and good

## White Urges Farmers To Get Grain Receipts

Agriculture Commissioner John C. White recently urged Texas grain farmers to request an official Texas grain warehouse receipt when depositing their crops for storage this year.

"Don't depend on a mere weight ticket as proof of deposit in a warehouse," White warned. "Weight tickets should be exchanged for official receipts as soon as possible. This is a recommended business practice which offers maximum protection under the law."

Commissioner White noted that Texas Department of Agriculture fieldmen make frequent inspections of storage facilities and re-license the warehousemen annually. However, ownership of grain in storage is sometimes difficult to determine unless an official warehouse receipt has been issued on request of the farmer.

"In many cases a grain farmer has no legal document to prove he has an entire year's work in

storage other than the simple ticket issued at the warehouse scales," he said. "This can be very risky." White said. "All courts do not value a weight ticket in the same light as an official grain storage receipt."

In the event of a grain warehouse failure, a scale ticket holder could easily be inviting lengthy legal haggling before taking possession of his grain since scale tickets in themselves do not necessarily constitute legal proof of ownership.

On the other hand, White stated, warehouse receipts obtained upon request from any grain warehouse provide clearcut proof of ownership as legal negotiable instruments which, according to TDA officials, would have priority in any case of forced closure or bankruptcy.

"What we would really like to see is for every farmer to obtain a grain warehouse receipt in order to be fully protected," White explained.

SHUCKS, YA'LL WANT MY PICTURE...Shown resting at his leisure is Sir Cedric of Cedarbrook, son of Jingle's Bells. Sir Cedric

## Comptroller Collects Delinquent Taxes

Comptroller Bob Bullock said the enforcement officers of his Amarillo district office revealed through audits \$145,926 in additional taxes owed the state and collected another \$453,955 in taxes during the month of June.

Bullock said the office conducted 78 audits during June, yielding an average of \$152.32 in additional taxes owed per audit hour.

Of the \$145,926 collected by the office during the month, the Comptroller noted, \$89,185 had become delinquent.

Statewide field collections by the Comptroller's 36 district offices totaled \$4.6 million during June, including \$2.3 million in delinquent taxes, Bullock said. He said the combined audit efforts of the field offices turned up a total of \$3.6 million in additional revenue owed the state.

Bullock also announced that the Amarillo office will be open from 7:30 a.m. to

5:30 p.m. for the convenience of taxpayers. The Amarillo office, headed by Bill Teague, is located in Suite 101, 1309 W. 8th Avenue, telephone 372-8156.

The Amarillo office serves Potter, Armstrong, Briscoe, Carson, Castro, Childress,

Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Randall, Roberts, Sherman, Swisher and Wheeler Counties.

## Welfare Benefits To Be Studied

A pilot project to identify and measure benefits of direct welfare services will be undertaken in Region #1 of the State Department of Public Welfare this fall, according to Nathan C. Martin, regional administrator. The project will be funded with a \$20,000 research grant approved by the department's special projects committee, and will be conducted in 40 counties in the Panhandle and South Plains.

The initial grant will cover a three-month study in the area of social services to aged, blind or otherwise disabled persons. If results are promising, the project will continue through the year, expanding into family services, child welfare and other programs in the region, Martin said.

"Very little research has been undertaken anywhere to develop a system of measuring benefits," Martin said. "We can tell you what services we offer, how many people we serve, and how much it all costs. But measuring the benefit a client receives from a social service, as related to its cost, is a much more complex matter."

# Major League Stars Set Tourney Action

Friona's Major League All-Stars are busy readying themselves for their post season play which will be held in Clovis, July 27-30. Participating in the four-day "1976 Little League Baseball Tournament" will be teams from Friona, Texico-Farwell, Clovis, Tucumcari and Bovina.

The games will be played at the baseball park located at 14th and Sycamore, says tournament director, J.R. Dickenson of Clovis. The winning team in the tournament will travel to Las Vegas, Nevada, August 5, 6 and 7, to compete in tournament play there.

Friona's entry in the four-day Clovis tourney will be composed of players from each of the four Major League teams. The League Champions from Friona State Bank placed five members on the All-Star team. They are Anthony Brady, Nelson Jackson, Carl Jackson, Max Perea, and Joey Howard. Members off of the second place Friona Feed Yard team who were chosen include Jeff Landrum, Jamie Pena and Mark Tucker.

The Friona Star's players who are on the elite squad are Kirk Wright, Eloy Caballero and Pilo Castillo. Doug Moyer, Randy Ortiz and Barron Acy were picked from Reeve Chevrolet-Olds.

Coaching this year's Major League All-Stars are Patrick Pace and Ron Stevenson, who have bright hopes concerning the team's

chances. Pace indicates that "work-outs have gone very well, with a number of boys being able to play several positions."

The Friona team will meet Texico-Farwell in first-round play, and with a win will face either the Clovis National League All-Stars or the Clovis American League All-Stars. A win there would put them in the finals, where they would probably meet another Clovis team, or possibly Tucumcari.

Playing in the infield for coaches Pace and Stevenson will be C Jackson, Perea, Howard, Tucker, Caballero and Wright. Outfielders will be Castillo, Acy, Moyer, Landrum and N. Jackson. Hurling the balls for the All-Stars will be Pena, N. Jackson, Brady and Ortiz.

Friona's game against Texico-Farwell will be played Tuesday, July 27 at 6:30 Texas time in Clovis.

In Turkey, the loser of a wrestling match kisses the hands of the wrestler who beats him, and the victor takes the loser in his arms and salutes him!

**SUMMER TRACKSTERS**....A large number of Friona youngsters have participated in a summer track program headed by Ted Giddens, Danny Murphree and Dr. Robert Alexander. They have traveled to various AAU meets and now several of the thinclads have qualified to

enter the Region Nine Track and Field Finals in Pasadena, Texas on July 24. In the above photo are some of the Friona youngsters who have been enjoying the track program this summer. They are, top row, left to right, Rod Owen, Robert Alexander, Brian Landrum, Ben

Landrum, Bret Moore and David Fleming. On the bottom row are Kipi Fleming, Richard Malouf, Andy Alexander and Bruce Patterson. Making the trip to Pasadena will be David Fleming, Kimber Britting, Brian Landrum, Robert Alexander, Janice Peak and David Barnett.

## Six Friona Youths Advance In Track

Six Friona youths qualified for the Region Nine Track and Field Finals last weekend. Going to Pasadena from Friona July 24 will be David Fleming, Kimber Britting, Brian Landrum, Robert Alexander, Janice Peak and David Barnett.

Region Nine includes Texas, Louisiana, Mississippi and possibly Arkansas and Oklahoma. The first and second place winners at the West Texas AAU Junior Olympic Track and Field Meet held in Borger July 10 will continue on to Region Nine.

Those placing at Borger include: Junior Division (12-13)--Chitto Caballero, third in the 220, setting a new WTAU record in the preliminaries first in the 880; Martin Mercado, third in the long jump and 880 and Mark Fancher third in the high jump.

In the Intermediate Division (14-15) those placing were David Fleming, second in the 880; Kimber Britting, second in the long jump; Brian Landrum, second in the 440 and Robert Alexander, first in the 440.

In the Senior Division (16-17)--Janice Peak won first in the 440 and

David Barnett placed second in the pole vault.

Competing at the Junior Olympics from Friona were: Richard Malouf, Joe Malouf, Peter Malouf, David Fleming, Andy Fleming, Bruce Fleming, Brian Landrum, Ben Landrum, Jeff Landrum, Gwen Maurer, Kipi Fleming, Reese Fleming and Patches Fleming.

Also, Kenneth Walters, Jeri Walters, Karen Patterson, Bruce Patterson, Kimber Britting, Kayle Britting, Robert Alexander, Andy Alexander, Janice Peak, David Barnett, Chitto Caballero, Martin Mercado, Dana Miller, Davy Carthel, Rod Owen, Scott Fangman, Bret Moore, Eddie Braille, Mark Murphy, Mark Fancher and Jay Hight.

They were accompanied by Danny Murphree, Teddy Giddens, Dr. and Mrs. Bob Alexander, Mr. and Mrs. Ray Dean Fleming, Mrs. Howard Fleming, Mrs. Jackie Hight, Mrs. Nelda Miller, Mr. and Mrs. C.H. Murphy, Mrs. Lee Britting, Rodney and Kristi Britting and Mr. and Mrs. Joel Landrum.

## On The Farm In Parmer County

MACK HEALD  
County Agent

THE 67TH ANNUAL edition of the Texas Agricultural Experiment Station Field Day for Lubbock and Halfway, which highlights a variety of crop research programs on the Texas High Plains, has been set for Tuesday, September 14.

The Texas Agricultural Experiment Station at Halfway, located 14 miles west of Plainview is host this year.

In the past, field days at the Lubbock and Halfway stations have been held two days apart, but this year will begin an alternate year arrangement. The field day will be at Halfway this year and at Lubbock next.

Scheduled for this year's event is a five-stop field tour of the Halfway Station research sites and facilities. Machinery displays presented by area implement dealers will be an added attraction.

Stops along the field tour include research plots for corn irrigation, corn and sorghum insects, soil fertility, weed control, short-season and cotton varieties.

MORE THAN 600 horses are entered in competition in the 1976 4-H Horse Show at the Tri-State Fairgrounds in Amarillo, July 21-24. Events will be held at both The Bill Cody Arena and the Coliseum.

The show will feature open invitational competition as well as the regular show for qualifying 4-H youth.

Some 280 4-H boys and girls who have qualified through competition at the county and district shows will participate in the regular show classes which include halter, showmanship, Western pleasure, Western horsemanship, reining, pole bending and barrel racing.

An additional 150 youth are expected to compete in the open classes which include cutting, breakaway and judged roping, hunter hack, working hunter, and jumping while another large group will compete in precision riding and drill team.

The open invitational portion of the show begins Wednesday, July 21, at 8 a.m., while the regular show begins with preliminaries in showmanship at 6 p.m. Thursday.

Horses will be judged at

halter beginning at 8 a.m. Friday.

Preliminary competition in Western pleasure, reining and pole bending will continue throughout the day and evening.

Preliminaries in Western horsemanship and barrel racing will be conducted Saturday morning, and final competition in all classes of the regular show will begin at 2 p.m. An awards program will conclude the show.

Show judges will be Mike Ross of Pinehurst, N.C.; Bob Johnson of Santa Rosa, N.M.; John Trimmer of Hale Center; Marcy Stimel of Midland; Mrs. H.B. Freeman of Wheeler; and Dwayne Stoddard and Bob Middleton, both of Amarillo.

COTTON FARMERS in Texas could produce a billion dollar crop this year if market conditions continue strong and good harvest weather prevails.

"A billion dollar cotton crop is very likely," points out Charles Baker, economist for the Texas Agricultural Extension Service.

"This would make the crop second only to that produced in 1973 which tipped the scales at \$1.2 billion."

The entire cotton situation has blossomed this year due to a strong domestic as well as foreign demand.

Cotton prices are reaching new heights, and it's difficult to say just where they will stop. Cotton already reached the pinnacle of 88 cents per pound for October futures on July 1. This translates roughly to 83 cents per pound on the Houston spot market and 78 cents to South Texas farmers for grade 41, staple 34.

This year's Texas cotton acreage is up some from last year but down sharply from the 1973 crop. This year's figures in planted acres in Texas on June 30 totaled 4.9 million. Texas cotton farmers planted 4.3 million acres last year while in 1973 the cotton acreage totaled 5.4 million.

In addition to the rising price for lint cotton, farmers are also hoping to receive a better price for cottonseed this year. Cottonseed prices for 1976 may be around the \$120 per ton level after a rather dismal market last year.

A LITTLE TO YOUR RIGHT....Bob Owen joined Mickey Griffin and several others in attempting to line off Friona's new tennis courts. The

task took quite a while and is not nearly as easy as it seems, but the men did a good job.

### Roads Discussed By Commissioners

Proposed road construction was discussed at the June 28 meeting of the Parmer County Commissioners Court.

A report was given concerning the pre-construction meeting held at the maintenance office in Bovina in June. Farm Roads 3333 and 1381 were discussed at the meeting, attended by Commissioners Charlie Jefferson, Jimmy Briggs and Cecil

Atchley; Judge Paul Fortenberry and engineers Rhea Bradley and Jim Johnson.

Farm Road 3333 will begin five miles south of Bovina on FM1731 and will extend east for four miles. Construction was to begin July 5. Farm Road 1381 begins at FM 2290 near Bovina and extends south to US 60 for 1.3 miles. Construction was slated to begin immediately after work began on FM 3333.

# Wrestling Returns To Friona Monday

Progressive Study Club will host professional wrestling in the Community Center Monday night, July 19. The matches will get underway at 8:30 p.m.

Heading the big summer lineup will be the popular speedster Ricky Romero as he goes up against another main eventer, Rip Hawk. Both men have vast reputations in the wrestling world, listed in the top 20 in NWA recognized ratings.

Romero, one of the best to ever come out of Old Mexico has a tremendous following when it comes to the fans. However, those who face him when you step in the ring against Romero have somewhat of a different outlook. He's respected but feared. With his fast maneuvering and vast ring knowledge many have said "You're pinned before you know it if you're not right on top of Romero every minute."

Rip Hawk, who will be making his first appearance in Friona, knows this too. The international competitor has quite a reputation throughout the ranks as one of the toughest to ever come out of the East. The former Marine has a solid record of wrestling background that dates back to his amateur standing.

Hawk has been a world traveler, competing in Canada, Japan, New Zealand, Australia and throughout the U.S. He has wrestled for the world championship on four different occasions in the last six years, but was unsuccessful in his title tries. Hawk has been a champion many times though by winning some 15 regional trophies.

Monday's main event will be a two out of three fall, 60 minute time limit.

Powerful Swede Hanson will make his first start here too. The alert Ringet Park will face the six-foot, three-inch, 250 pound Hanson in the semi-final. The good looking Canadian will have his hands full. Hanson has a reputation as a brawler, but mixes his ring skill with unorthodox style and has been known to throw the rule books aside whenever he gets into trouble. He is also the established team partner of Rip Hawk. Both men fare as well in individual competition as they do in team pairings.

With the action getting underway,

the opening match will see one of the finest pair of rookies of 1975 squaring off. Rick Davidson has made a quick start from the northwest but faces another youngster in Pez Whatley, who has made a rapid climb in a short time.

Claiming outstanding credentials before he turned to the professionals, Whatley hails from Tennessee. He is a graduate of Chattanooga U., lettering in wrestling and track. He has attained one of the best drop kicks to knock over his rivals of any of those in the ranks today.

The second match of the evening will also see some stiff competition. Ring vet Abe Jacobs will go up against the competent Dennis Stamp. Jacobs, one of the best to come out of New Zealand since former world's champion Pat O'Connor, has put quite a dent in the rankings since he hit Texas mats some four weeks back, but so has his adversary. Stamp won the brass-knucks trophy from Hank James some three weeks ago.

Stamp, a five-year veteran, has a potential of world championship caliber, so say the experts. Growing up poor in Northern Minnesota, "You've got to be tough," says Stamp.

Dennis met the challenge. He found his vehicle in sports. He was an all-state defensive tackle in football and the state champion at 175 in wrestling. A fete never before accomplished in his high school's history. Stamp, an excellent student as well as star athlete, attended the academic powerhouse, Concordia College, graduating with honors.

Stamp became an All American in two sports, wrestling and football. He was the first to do so in the school's 100 year history. Since becoming a pro, Dennis Stamp has held and won many titles.

Most recently, and before coming to Texas he retained the California T.V. Championship which he successfully defended a record 24 times.

Being number one is the way of life for this 6'2", 245 pound wrestling

star from Brainerd, Minnesota. And Monday he hopes to continue as his style of life by upsetting his rival who also has a flair for dumping his foes. This could be the most interesting match of the evening.

Promoter Jerry Kozak will bring the ring and bleachers from Amarillo.

The doors will open promptly at 6 p.m. for those who wish to pick up

tickets early and avoid the rush and line. All ringside tickets \$3.50; General Admission \$2.50 and children under 12 years of age General Admission \$1.50.

The concession will be available with cold drinks, popcorn, candy, and hot dogs. The ladies will use their proceeds to help various community projects as they have in the past.

MAY I HAVE THIS DANCE?...It's a head-over-heels situation as professional wrestler Reggie Parks slams his unidentified opponent to the mat. Parks will be in Friona along with other greats, such as Rapid Ricky

Romero, for a bout sponsored by the Progressive Study Club. The wrestling will be held in the Community Center Monday, July 19 at 8:30 p.m.

**ON HEATING AND COOLING COSTS! IF YOU'RE BUILDING OR REMODELING MAKE IT ENERGY EFFICIENT**

ENERGY has always been so inexpensive that it was not practical to invest extra money in energy saving materials. This is no longer true with the rising cost of energy. We must now construct a house to utilize this more expensive energy, as wisely and efficiently as possible.

TOTAL electric energy efficient methods can now be employed to allow your new home to be heated and cooled at a savings of 40% or more over convention total electric building practices.

IF you're considering building or remodeling, our rigid energy efficiency inspection standards will insure maximum comfort and the 40% savings this season and years to come.

CONTACT Deaf Smith Electric Cooperative for these and other money saving electric efficiency hints.

As an extra bonus, Deaf Smith Electric Cooperative will reimburse you for adding energy-saving insulation of up to \$275 on existing residences and even more on new homes.

**SCS Report**

The Parmer County Soil and Water Conservation District held its regular monthly meeting last Tuesday.

Attending the meeting were Leon Grissom, chairman; Jimmie Cockerham, vice chairman; Leroy Johnson, secretary; and Dan Smith and M.C. Osborn, members. Also attending were Herb Evans with the SCS; Mack Heald, County Agent; Fred Squyres, with the State Soil Conservation Board; and Albert Cupell, district bookkeeper.

Regular business and correspondence were taken care of. The board was informed that there were Great Plains Conservation Program funds available. The local SWCD's history and the itinerary for a tour of Kentucky farmers was reviewed. Plans were made to hold the SWCD election at Hub this year for subdivision No. 3.

### City Council...

(Continued from Page 1)

Rainfall for the month amounted to 1.75 inch.

Only three fire alarms were sounded during the month, resulting in \$600 damage at the Jim Johnston residence. The Fire Department also sponsored a training course in control of liquid petroleum gas fires. The course was held at the Friona Community Center and was attended by firemen from six neighboring towns.

Also in June, the Friona Girl Scouts painted the fire hydrants on Main Street with patriotic colors.

The police department reported 106 arrests during the month. There were also 12 vehicle accidents investigated with only one resulting in injuries.

The street department spent the first three days of the month hauling broken tree limbs that were blown down by the hail-wind storm of May 30.

The sanitation department's new dumpster truck was taken to Amarillo June 28, for installation of a new pump.

Statistics show that 1,089 books were checked out by 430 patrons, with 17 new readers listed for June. The library also registered 44 children in the summer reading program.

Miscellaneous activities included City Manager A.L. (Jake) Outland's attendance at the Texas City Managers Spring Convention in Amarillo on June 21.

**SMALL FIRE...**The Friona Volunteer Fire Department answered a call east of Friona Wednesday night, but the fire turned out to be just a small grass fire that had almost burned itself out. Two members of the department are shown extinguishing the fire.

**PAVING COMPLETED...**The paving work was completed the past week on the Friona Cemetery Road. The mile and one-half was paved through donations amounting to almost \$45,000. Additional donations are still needed by the Cemetery Assn.

### SCS Reps At Meeting

Herb Evans and Duval Burton of Friona are attending the 10th Annual State meeting of the Soil Conservation Society of America.

The theme for this year's meeting is "Critical Conservation Choices: A Bicentennial Look." Each year the meeting brings conservationists from the whole state up-to-date on current conservation and environmental problems and solutions.

Activities begin Thursday and continue through Saturday at College Station, Texas.

Evans and Burton are both members of the local Golden Spread Chapter of the Soil Conservation Society of America which covers the panhandle.

### Star Lites ...

(Continued from Page 1)

that are hard to get to come out even.

The project has really taken shape in recent weeks, and Prairie Acres is going to be a beautiful facility. It will be something of which we can all be proud.

THE SUMMER of 1976 will go down as the all-time champion for the city from a standpoint of grand openings for new and remodelled Friona businesses.

This past week has seen the opening sale by Parmer County Tire Co. at Main and Highway 60. Mike Harris and Mike Meyer are the youthful managers. The company carries B.F. Goodrich and Seiberling tires, and is a branch from its main office in Amarillo.

This week kicks off the grand opening sale for Poarch Furniture, owned by Jerry and Carol Poarch. This young couple has stocked the former Hut building with beautiful furniture, and feature all of the nationally-advertised brand names.

**PLAINS MOBILE HOMES**  
3017 Dimmitt Hwy  
Plainview, Texas 79072  
(806) 293-4346

Your Helena dealer has an exciting new way to help you increase corn yields up to 10% with SPARK GROWTH STIMULANT for corn: a combination of dinoseb plus surfactant used as an over-all post-emergence spray on corn has the UNIVERSITY PROVEN POTENTIAL OF INCREASING GRAIN PRODUCTION BY 5 - 10%. Here is how SPARK helps promote bigger yields - Enhances corn growth - Silks emerge about 2 days sooner - Tassels

means a longer pollination period and a tendency to get away from corn that does not fill all the way out to the end. Enhanced growth, longer pollination, fewer barren stalks, more complete ear-filling. They all add up to big potential production increases and profit.

**AND PROVEN IN THE FIELD** Farmers who have tried SPARK say, "I'll never plant another acre without SPARK." Ralph Russell, Michigan, got 8 bushels per acre increase, didn't have as many barren stalks, ears were filled out better. Everett Curtner, farmer and bank president, Union City

Indiana. "We returned \$19 per acre on a \$5 investment, at least a 7-bushel increase. SPARK could mean the difference between a new piece of machinery this year and next year. I'll spray ALL my corn in 1976." Otto Werner, Hanna, Indiana. **TIMING...** IT'S ESSENTIAL: The most important factor in SPARK application is timing. Look to apply SPARK when corn is in the 6-leaf stage, about 2-4 weeks before tassel emergence when corn is about knee-high. Get into the field, split some stalks, and find the unemerged tassel in length. The best time to apply is when the unemerged tassel elongates from 1/2" to about 7/8" in length.

**SPARK - PRODUCED WITH THE HELENA GUARANTEE OF QUALITY.** Every can of SPARK is lab-tested for consistency and produced under the most careful quality control. When you buy SPARK, you buy the best. FRIONA, TEXAS

# Town Talk

By June Floyd

Phone 247-3681

With Your News Item

We're losing several of our coaches and teachers in the local school system and that means we will be getting some more pretty soon. Several new families will probably move in within the next few weeks.

All of us who have lived here a long time like to think that Friona is a very friendly town, but do we make an effort to make newcomers feel that way?

Our attitude toward newcomers will go a long way in determining their attitude toward us. If each of us will make an effort to make those moving into our neighborhood make the adjustment of establishing a new home, our overall purpose will be accomplished.

Several courtesies have been extended Coach Larry Dyess and his wife, Kay, and their daughters Delisa and Shona. They're moving to Canadian, Texas, early next week.

A salad supper in the home of the Alton Peaks Tuesday evening honored Kay and the girls. About a dozen adults and several children attended.

Hostesses were Mrs. Peak and daughter, Janice, Mrs. Frankie Allen and Mrs. Floyd Wilkins. Following the presentation of gifts, salads were served buffet style.

Mr. and Mrs. George Ingraham and sons, Gordon and Gregory, of Duncanville, Texas, and Mrs. S.D. Baize and children, Lori and Bryan, returned Wednesday afternoon after spending ten days in the northwestern part of continental United States.

They drove through New Mexico, Colorado, Wyoming, Idaho and Oregon before reaching their destination, which was Wapato, Washington.

In Wapato they visited in the home of Mrs. Ingraham's parents, Mr. and Mrs. E.M. Russell, and toured several places of interest, including Mount Ranier National Park.

Calvin and Ann Martin have had out of town company the past week or so. First, Ann's son and daughter-in-law, Mr. and Mrs. Dick Smith of Newport Beach, California, came and spent a few days.

Then Mr. and Mrs. Dean Wallace and daughter, Kaela, and Marc, Kari and Scott Clayton, all of Creston, Iowa, came down. This was their first trip to West Texas and all of them were favorably impressed with our part of the country.

Mrs. Wallace is Ann's daughter and Marc, Kari, Scott and Kaela are her grandchildren.

The Iowans attended the Tuesday evening performance of "Texas" and enjoyed it very much. Since we'd been having damp weather, I hoped there would be a few sprinkles of rain to go with the man made

## New Pastor

### For Lutherans

Emmanuel and Redeemer Lutheran Churches have named a new pastor.

Reverend William A. Rumpel of Lincoln, Mo., has accepted the position and will be installed August 1. He will be residing at 1301 Maple Avenue in Friona.

The church has been without a pastor for several months since Duane Kirchner resigned several months ago.

thunder and lightning, but there were none.

Mr. and Mrs. Otis Neel and Kay and Tammy Fairchild of Adrian were accompanied to Denver last week by Mr. and Mrs. Gene Bryan of Bula.

The group visited in the home of Mr. and Mrs. Dewayne Neel and children at Idaho Falls and attended the wedding of Dale Neel and Nancy Coleman.

Mrs. Bryan and Mrs. Otis Neel are sisters. The Neels and Bryans returned home late last week, but Kay and Tammy stayed for a visit.

The Neel's other son, Gerald, and his family live in Denver, but were in Mississippi, where he was attending National Guard summer camp.

Most of the members of the family of the late Mr. and Mrs. T.E. Blackburn were in Friona last weekend for a get-together.

Mr. and Mrs. Keith Blackburn of Albuquerque brought her father, Howard Mayfield, home. He had been visiting in their home several weeks.

Mr. and Mrs. Craig Howard and daughter, Cara, of Bossier City, Louisiana, are visiting Brenda's parents, Mr. and Mrs. John Blackburn.

Then Beth and Britt Pounds of Mason and Mr. and Mrs. Donnie Smith and children, Dena and Darrell, of Amarillo, have been visiting in the home of Mr. and Mrs. Claude Blackburn.

Sunday evening the entire group met in the John Blackburn home.

Friona members of the family, who were present, included John and Kathrine, Dean and Anna Jo, Claude and Jo, Rex, Marilyn, Lynn and Bryan, and Keith Lynn, Christy and Bart.

Mr. and Mrs. Elwood Vaughn are home from Dallas, where she has been hospitalized.

Ardith and Dorothy Rolan and daughters, Dorothy Jean, Stacy and Vicky of Stratford came down and took the Vaughns to Dallas.

Then after Mrs. Vaughn was released from the hospital, Mrs. Odell Vaughn and sons of Waxahachie brought them home.

After having lived in Friona for a number of years, Mrs. L.D. Pope is moving to the Black Community, where she will be living on the farm.

She's really a farm girl, so next spring she may be ordering baby chicks.

A large number of Brownies and Girl Scouts had a new experience Wednesday morning at Day Camp. They watched Mrs. Russel O'Brian run some fresh milk through a separator and then churn the cream into butter.

One spectator made the remark, "Now, I want to see where she got the milk."

The Schillings, who live in the Hub Community, furnished the whole milk.

It had been a long long time since I had tasted freshly churned butter, but spread on hot rolls made by Mrs. Ralph Wilson it surely did taste delicious.

Out-of-town visitors in our home last week were Mrs. Ora Wooley of Erick, Oklahoma; Sheb Wooley of Ventura, California; and Mr. and Mrs. H.G. Wooley of Clovis, New Mexico.

DRESS REVUE PARTICIPANTS... Shown from left to right are Dierdre Miller and Wendy Tatum of Friona.

Wendy won the Beginner Division of the 4-H Dress Revue.

## Winners Announced In 4-H Dress Revue

The 4-H County Dress Revue was held in Farwell, Thursday, July 8 at the Hamlin Memorial United Methodist Church. The theme of the dress revue was "Convoy to Fashion."

Wendy Tatum of Friona won the Beginner's Division, while Kim Gregory of Lazbuddie placed first in the 10-11-year-old age division. Debbie Whitecotton of Bovina won the 12-13-year-old division and Linda Gohke won the senior division.

Others in the contest included Deirdre Miller of Friona; Kara Mills and Jo Beth Monk of Bovina; Terri Clark and Jana Briggs of Lazbuddie; and Johanna Mesman, Lisa Darby, Diann McKillip and Alice Canto of Farwell.

The judges were Mrs. Robin Taylor, Muleshoe County Agent; Ann Marshal, Stinnett Assistant County Agent; Eleanor Harvey, Seminole County Agent and Peggy Robertson, Seminole Assistant County Agent.

Punch and cookies were served by the Farwell 4-H.

Kim Gregory and Linda Gohke traveled to the District Revue held at Lubbock Regional Airport July 15. The winners there will compete in the State Dress Revue held in the fall in San Antonio.

Miss Gohke won second alternate in the contest, and sixth place overall. This was her first time to attend District.

The contestants were treated to a tour of the new airport facilities and a free dinner.

## Friona Athletes To Attend Camp

Five Friona athletes will attend the Fellowship of Christian Athletes Camp in Ft. Collins, Colorado July 17 through July 23.

Attending the camp from Friona are Koty Kothmann, Rod Owen, John Jarecki, Todd Bandy and Alan Monroe.

The camp is held each summer to promote Christian Fellowship.

A typical day begins with calisthenics. Next they have a quiet time, and then breakfast.

After this they split into "huddle groups." These are small groups consisting of some boys and an adult sponsor, known as the "huddle

leader." These smaller groups will stay the same for the rest of the week.

The "huddle groups" are split into two divisions, called a National League and an American League. Each individual group competes with one another during the week in many different sports, such as softball, volleyball, basketball and touch football.

At the end of the week, the two leagues compete in all these activities.

At night they have different speakers on many different subjects.

# Rhonda Nuttall, Clint Schueler

## Wed In Candlelight Ceremony

Miss Rhonda Kaye Nuttall and Clint Lee Schueler exchanged wedding vows in a candlelight ceremony at 6 p.m. Saturday, June 5, in the First Baptist Church of Bovina.

Parents of the couple are Mr. and Mrs. A.L. Nuttall of Bovina and Mr. and Mrs. Norbert Schueler of the Rhea Community.

Rev. Derrel Lewis, pastor, read the double ring vows before an arch entwined with garlands of daisies and accented with blue bows. The arch was centered with a seven-branch candelabra and flanked by spiral and seven-branch candelabra, each entwined with garlands of daisies and holding blue tapers. Family pews were marked with cascades of daisies and blue ribbon streamers.

Mrs. Jimmie Clements, organist, presented traditional wedding selections. Miss Kim Ware, pianist, accompanied Ken Sorley as he sang "More" and "The Twelfth of Never."

The bride, escorted to the altar by her father, selected a formal gown of silk organza over bridal taffeta designed with an empire waistline, long fitted sleeves, A-line skirt and high banded neckline. The bodice and sleeves were of Chantillace with the wedding band collar trimmed in beadwork. The sleeves ended in scallops which extended over a double row of crystal pleating. A row of scalloped lace extended over the deep crystal pleated flounce around the hemline which swept into a chapel length train. She wore a veil of bridal illusion edged in Chantillace and attached to a Chantillace tiara. The bride carried a cascade of daisies and baby's breath with white lace accents and white picot ribbon streamers.

Carrying out tradition, she wore a necklace belonging to the bridegroom's sister, Mrs. Hank Outland of Friona, for something old and borrowed; something new was her bridal gown; and she wore the traditional blue garter. She carried pennies minted in the couples' birth years in her slippers.

Miss Rita Nuttall of Bovina, the bride's twin sister, was maid of honor. Miss Dian Roming of Bovina, a classmate of the bride, was bridesmaid. Mrs. Outland of Friona, sister of the bridegroom, was bridesmatron.

The attendants wore formal gowns of Blue Haven polyester designed with halter bodices and slightly flared skirts with jackets of white Nottingham lace designed with long bishop sleeves and tie fronts. They wore white Southern Belle hats with blue ribbon streamers and carried colonial bouquets of daisies, blue carnations and baby's breath

accented with white lace and blue ribbon streamers.

Ken McKinney of Clovis served as best man. Groomsmen were Ronnie Nuttall of Bovina, the bride's brother, and Hank Outland of Friona, brother-in-law of the bridegroom. Ushers were Gene Schueler and Gary Don Schueler of Rhea, cousins of the bridegroom, Richard Anderson of Rhea and Doug Roming of Bovina.

Miss Tessa Miner of Clovis was flowergirl. Justin DeLeon of Rhea, nephew of the bridegroom, was ringbearer. Miss Beth Moten of Copperas Cove presided at the guest register.

The flowergirl wore a blue formal gown designed with a halter bodice and flared skirt and carried a white lace basket filled with daisies and blue carnations.

For her daughter's wedding, Mrs. Nuttall selected a formal Copenhagen blue gown with pink and gold Persian print designed with an empire waistline, bishop sleeves and slightly flared skirt. She wore matching accessories and a corsage of white glameillas.

The bridegroom's mother selected a formal gown of navy and blue print with matching long sleeved jacket. She wore matching accessories and a corsage of white glameillas.

The couple greeted guests at a reception in Fellowship Hall of the church following the ceremony.

The serving table was covered with a white lace cloth interlaced with blue ribbon. The flounced net floor-length skirt was enhanced by the attendant's bouquets at the corners of the table. The table was centered with an arrangement of daisies, baby's breath and blue chrysanthemums in a silver epergne with blue tapers. The three tiered wedding cake was decorated with blue roses and topped with a nosegay of fresh daisies, blue carnations and baby's breath. The cake was accented by four satellite cakes topped with white wedding bells.

Blue punch, wedding cake and nuts was served from crystal and silver appointments by Mrs. Steve Brandt of Amarillo, the bride's sister; Mrs. Oberlin DeLeon of Rhea, the bridegroom's sister; and Miss Jamy Nuttall of Agar, S.D., the bride's cousin. Other members of the houseparty included Mrs. Jim Russell, Mrs. Robert Read, Mrs. Patrick J. Miner of Clovis, Mrs. Lee Roy Nuttall of Friona, Mrs. Porter Nuttall of Agar, S.D., and Mrs. Delvin Nuttall of Onida, S.D.

For a wedding trip to a resort in the Ozark Mountains in Missouri, the bride selected a belted sheath dress in tangerine, beige and blue

Mr. and Mrs. Clint Schueler

stripes with white accessories.

The bride is a 1976 graduate of Bovina High School. The bridegroom, a 1971 graduate of Friona High School, attended West Texas State University at Canyon. He is now farming in the Rhea Community where the couple will make their home.

Special guests of honor at the wedding were Mr. and Mrs. A.L. Berry of Littlefield and Mrs. N.H. Nuttall of Agar, S.D., the bride's grandparents; and Mrs. Zona Jarrell of Clovis and Mrs. Anna Schueler of Rhea, the bridegroom's grandmothers.

Other out of town guests included Mrs. Alvis Bell of Clovis, Mrs. Ethel Goodman of Clovis, Mr. and Mrs. Delvin Nuttall, Nick, Barry, LiAnn and Heather of Onida, S.D., Dale

Nuttall of Agar, S.D., Mrs. Porter Nuttall and Jamy of Agar, S.D., Mr. and Mrs. Patrick J. Miner of Clovis, Mr. and Mrs. Frank Jones of Texico, Mr. and Mrs. Gary Edwards of Clovis, William H. Stalcup of Bryan, Mr. and Mrs. Gilbert Kaltwasser of Farwell, Mrs. Elizabeth Schnitker of Ft. Wayne, Ind., Ramona Schnitker of Indianapolis, Ind., Mr. and Mrs. Melvin Schueler of Fort Wayne, Ind., Mr. and Mrs. Steve Brandt of Amarillo and Mrs. B.A. West of Hereford.

The bridegroom's parents hosted a rehearsal dinner at the Bovina Restaurant Friday, June 4. Dining tables were covered with white cloths and blue runners and accented with arrangements of daisies, baby's breath, blue carnations and greenery.

MR. AND MRS. ROYCE SISK...Mr. and Mrs. Fred York of Artesia, New Mexico and Mr. and Mrs. Cecil Sisk of Friona announce the marriage of their children, Betty and Royce on Saturday, July 10 in Juarez, Mexico. They will be making their home in Badkissingen, Germany later in July. Royce is stationed in Germany with the U.S. Army.

## Friona Rebekahs

### Install Officers

The Friona Rebekah Lodge No. 308 met Monday night, July 12. New officers were installed for the coming year.

The new officers are: Jewel Wells, Noble Grand; Laurretta Brookfield, Vice Grand; Juanita Reed, Warden; Karen Zachary, Conductor; Lillie Taylor, Chaplain; Lois Duggans, Color Bearer; Charlie Wise, Inside Guardian; Nola Adams, Outside Guardian and Fern White, musician.

Also, Pat Fallwell, Right Supporter to the Noble Grand, District Deputy President; Ethel Benger, Left Supporter to the Noble Grand; Lucille Collier, Right Supporter to Vice Grand; and Floyd Brookfield, Left Supporter to Vice Grand.

Lillie Taylor was retired to the Past Noble Grand Chair.

The Rebekah's Hereford Lodge No. 228 were out-of-town visitors attending the installation services.

Attending from Hereford were: Helen Sawell, Installing District

Deputy President; Ursalee Jackabson, Deputy Marshal; Francis Parker, Deputy Warden; Ola Hacker, Deputy Chaplain; Susie Curtsinger, Deputy Musician; and Faye Brownlow, Deputy Inside Guardian.

Other guests from Hereford were: Alta Davis, Peggy Lemans, Nellie Beauford, and Ada Hallahough, Past District Deputy President.

Special honored guests were: Betty Reid, treasurer of the Texas Rebekah Assembly; Rosa Monroe, both of Amarillo; Edna Fulgham, Past President of the Rebekah Assembly of New Mexico; Mary Dorris, present assembly secretary of New Mexico; Evelene Priddy, Past Noble Grand, Leana Alexander, Past Noble Grand, all from the Clovis Rebekah Lodge; and Sam Williams and Bud Reed from the Friona Oddfellow Lodge No. 203.

A salad supper was served following the meeting.

**JULY 18 THRU JULY 22 SUNDAY THRU THURSDAY ONLY**

# Pamela Beth Turner Weds Pershing Bennett Moore Jr.

Miss Pamela Beth Turner, daughter of Mr. and Mrs. Olan Turner of Friona, became the bride of Pershing Bennett Moore, Jr., son of Mr. and Mrs. Pershing Bennett Moore of Dallas at 9 a.m. Saturday, July 3 in a garden ceremony in Dallas.

The double ring ceremony was read by the Rev. Alton Vaughan, pastor of Brooklyn Methodist Church of Dallas, in a natural garden setting.

Mrs. Donald Cox of Arlington was matron of honor. Bridesmaid was Mrs. Jay Turner, sister-in-law of the bride. Bridal attendants wore identical dresses of flocked daisies on sheer organza over blue-checked gingham with blue picture hats. They carried nosegays of spring flowers and blue satin streamers.

Ed Hilscher, Dallas, was best man. Groomsman was Jay Turner of Friona, brother of the bride.

Ushers were Hank Herrick of Dallas and Nick Bernier of Dallas.

As the bride was presented in marriage by her father, she wore a dress designed and fashioned by her mother of country elegance design, featuring a fitted bodice of candlelight embroidered organza, with an empire waistline. Soft gathers of candlelight organza and lace encircled the scooped pictorial neckline. Fitted sleeves to the elbow, with an angel circlet of organza were edged with lace. The tiered skirt, fashioned from bridal laces and embroidered sleeves, in shades of candlelight and white, flowed to floor length. Her hat was of layered chiffon.

She carried a bouquet of spring flowers and white satin streamers tied with loveknots.

A garden reception breakfast was held at the home of Mr. and Mrs. Malcolm Crow of Dallas.

Serving tables, centered with spring flower arrangements, featured decorative arrangements of

melons and fruits, cheeses and breads. Silver chafing dishes of crepe suzettes, sausages and ham were served.

Iced punch and coffee were served by Mrs. Donald Cox and Mrs. Jay Turner.

Lou Moore of San Antonio presided at the guest book.

Mrs. Moore graduated from Friona High School and received her B.S. degree from Texas Tech. She is presently employed in medical research at the University of Texas Medical School in Dallas.

Moore graduated from Sunset High School in Dallas and attended North Texas State University at Denton. He is presently employed as an architect for Vantage Co. of Dallas.

Local and area residents attending the ceremony were Mrs. Dave Buske and Mrs. W.S. Ingram, of Friona; Mrs. Chip Bridges of Irving; and Mr. and Mrs. Jack Turner, Jarrett and Tandra of Bovina.

### REHEARSAL DINNER

The groom's parents hosted a rehearsal dinner at the Sheridan Inn Friday evening, July 2.

Mr. and Mrs. Moore will be at home at 3515 Brown St., Number 116, Dallas.

Mrs. Pershing Bennett Moore Jr.

JOE SAIZ

## Surprise Party Fetes Joe Saiz

Joe Saiz of 409 Prospect, Friona, was honored with a surprise birthday party on Sunday, July 4. Born July 4, 1926, Mr. Saiz has been a resident of Friona for 21 years, and has raised his ten children here.

Highlight of the party was the appearance of a daughter, Mrs. Connie Silva, whom her parents had not seen in ten years. She spent the Fourth of July with her parents. Mrs. Silva lives in Socorro, N.M.

The home was decorated in red, white and blue. A dinner was held and a reception followed.

A sheet cake, decorated with red,

white and blue, topped with the words "Happy 50th Birthday Dad" was served to the family members.

Red, white and blue ice cream was served.

Hostesses for the occasion were Mr. and Mrs. Rocky Steelman, Mr. and Mrs. Daniel Saiz, Mr. and Mrs. Gilde Flores, Robert Saiz, Nick Saiz and George Saiz and Mr. and Mrs. Frank Saiz.

**WEDDING IS CANCELLED**  
Lisa Cummings and Johnny A. Swanner have cancelled their wedding plans.

**FUTURE COOKS...**The girls of Troop No. 84 were run in out of the rain last week as they attended the Girl Scout Day Camp in the

Community Center. Here they are learning to cook on "Buddy Burners," made from coffee cans.

## Local Girl Scouts Attend Day Camp

Girl Scouts almost had their Day Camp called because of rain last week.

Louisa Wilson, camp director, met with the other leaders of the camp and decided to hold it indoors at the Community Center instead of Ralph Wilson's farm where it has been held in the past.

"We lengthened the hours from 9 a.m. to 3 p.m., and we shortened the number of days," said Mrs. Glen Herring, one of the girl's leaders.

The girls worked on many projects and activities during the course of the camp. Some of the

projects included: making a waterproof "coolie hat," constructing wind chimes out of tin can lids, and building buddy burners which they cooked on twice.

The camp leaders were very grateful to Zora Gaede, who showed them how to make lye soap, June Floyd, who showed them how to quilt and Nora O'Brian, who separated milk and then made butter out of the cream using a daisy churn.

Many girls participated in the three day's activities.

# Benny Pryor To Be Honored For 25 Years

Benny D. Pryor, Vocational Agriculture Teacher, Friona High School, will be honored by the Vocational Agriculture Teachers Association of Texas in Ft. Worth, August 3, according to Guy Finstad, Vocational Agriculture Teacher at Cal Farley's Boys Ranch, and president of the organization.

Pryor is being recognized for his 25 years of service to the Vocational Agriculture program in Texas. After graduation from Blue Ridge High School and 15 months in Military service and attending North Texas Agricultural College, Texas Tech University and receiving his B.S. and M.E. degrees, he taught in New Home and Colorado City before coming to Friona.

The award will be presented during the Association Awards Program which is held during the statewide in-service workshop for Vocational Agriculture Teachers, August 2-6. Leaders in Agricultural Education from throughout the state and nation will participate in the four-day in-service meeting. Educational features of the meeting will be under the direction of J.A. Marshall, Director of Agriculture Education, Texas Education Agency, Austin.

Pryor has led and directed the Friona Future Farmers of America Chapter members in participating in many leadership contests, judging contests, livestock shows and fairs and other agricultural events. Over 70 members have earned their State Farmer Degree in the Texas FFA by long hours of hard work on their projects and keeping the necessary records on same. Four members have progressed to the national level receiving their American Farmer Degree at the National FFA

BENNY PRYOR

Convention at Kansas City. Pryor is advisor to the Young Farmer Chapter in Area I with largest membership of a new chapter.

Pryor has been most active in the Vocational Agriculture Teachers Association, serving on the Board of Directors for a number of years. He has received numerous Distinguished Service Awards from the association in newspaper, radio and TV work. He was Teacher of the Year at Friona High School in 1967. He and his family are members of the First Baptist Church where he has served as a deacon. He is a member of the Lions Club and Masonic Lodge where he is Scottish Rite Mason.

Approximately 1600 Vocational Agriculture Teachers and friends are expected to attend the Ft. Worth meeting.

## Ceremony Is Slated At Farwell

A Cornerstone Levelling Ceremony for the new Farwell Convalescent Center located in the 300 Block of 5th Street will be conducted by the Grand Lodge of Texas, A.F.&A.M. on Thursday afternoon, July 29, at 4 p.m. (C.D.T.) John T. Bean, a Past Grand Master of the Grand Lodge of Texas will officiate at the Levelling Ceremony, and will be assisted by Past Masters of Farwell Lodge Number 977.

Bean is Superintendent of the Masonic Home and School in Fort Worth and served the Masons in

Texas as their Grand Master in 1960. Bean will have some 20 boys and girls from the home and school with him and it is expected that they will take a part on the program. After the cornerstone program the students and Bean will journey to Palo Duro Canyon and attend the musical production of "Texas."

The public is invited to attend the Cornerstone Levelling Ceremony. For further details contact W.T. Perry, Secretary of Farwell Lodge and also a member of the Board of Directors of the Farwell Hospital District.

**JIM FITZGERALD IN THE MASON (MICH.) NEWS...**A note from Terrible Jean calls me all sorts of vile names and also says: "I am trying desperately to think of some way to insult you in a Sears ad."

Which provides an answer to some readers who have wondered if my four sisters, particularly Terrible Jean, ever get angry at me for writing the truth about them. As when I revealed many years ago that Terrible Jean married a man with the same last name as hers only so she could still wear her football shoes with "Fitz" welded on both heels in iron script.

Yes, they do get angry.

For instance, I recently hinted that baby sister Linda had not yet regained her sexy figure since giving birth to a daughter, after four sons. (If I am ever attacked by a mob of thousands, they will all be nieces and nephews following orders from home.) Linda was so peeved she confronted me unexpectedly in a public restaurant while I was in her town entertaining the only two people I don't dare insult, Mother and Aunt Madeline (I'm in both wills). Linda demanded an apology and she got it. It was either that or a plate of whitefish in my hair.

Terrible Jean is a commercial artist for Sears' advertising department in the Detroit area. You may well have seen her work in newspapers or other media. She draws lots of people in their underwear, which is what worries me somewhat.

Terrible Jean is jealous that I have this public forum through which I can justify my sometimes strange behavior as an adult by explaining how she abused me physically and mentally when we were children. I was nine years old before I learned from a kind nun it wasn't God's plan that little brothers were created solely so their big sisters would have something soft to punch.

Now that I have escaped her domination, Terrible Jean resents that I sometimes revel in my freedom by exposing her past sins to public view. She is angry and she wants revenge.

And I am nervous as I remember the national flap caused by a picture in the Sears catalog a few months

ago. It showed a man modeling underwear which was several sizes too small for him, or he was several sizes too big. Whatever, the model was chagrined by the titters caused at his expense. The last I heard he had switched to Fruit of the Loom and was suing Sears for a bundle.

Would terrible Jean do anything that Terrible. You can bet on it....

All of which nonsense probably explains why I am repulsed by those TV talk shows where the guest and host try to out-compliment each other. Sammy Davis says that Dinah Shore is a great human being and she says Sammy is even greater. Jerry Lewis slobbers praise all over Danny Thomas who says Jerry is the finest humanitarian since Albert Schweitzer.

I cringe and cry tears that turn to sugar as Liberace nominates Mike Douglas for God and a golden halo appears over the TV set. Yuck.

Give me a good insult anytime. And people I love enough to insult, such as Terrible Jean and her terrible sisters.

W.H. COOKE IN THE ROCKDALE REPORTER...o-o-o-ps!

Just one pun for fun is the way Hal Reagan prefaced the following story as if by way of apology: Once upon a time there were two kingdoms at war. One captured a Count from the other, and grilled him for information but he refused to talk. He was tortured but still would not break. So they took him to the dungeon for execution. The executioner was given the go-ahead and as the axe was descending with a mighty swoosh, the Count cried out, "Wait!" But it was too late.

Moral: Don't hatchet your counts before they chicken.

The odds on a coin falling heads 50 consecutive times are so great that it would take a million men tossing coins 10 times a minute and 40 hours a week—and then it would happen only once every nine centuries!

## Church Sets Showing Of Film

"Isn't It Good To Know," a new film that abandons traditional story lines to involve the viewer in the life-experiences of real people, will be shown on Wednesday, July 21 at First Baptist Church in Friona. The latest film from World Wide Pictures, producers of "Time To Run," will be shown once beginning at 8 p.m.

"Isn't It Good To Know" was edited and directed by J. Michael Hooser, a young 26-year-old film maker who brings provocative new techniques to his first major film. Using a varying number of images on the same screen, Hooser creates a multi-media effect that draws the viewer into the picture. Included are scenes from the Dino De Laurentiis production of "Barabba" through the courtesy of Columbia Pictures.

By shifting the viewer's attention from the true stories of the people who lived them, to brief appearances by Billy Graham, to video-vignettes coupled with original new songs—"Isn't It Good To

Know" and "Gone Away" by Tedd Smith and "The Soap-box Song" by Judy McKenzie-Hooser created a film conveying ultimate drama—the drama of change. Purpose comes out of emptiness. Silence becomes communication. And from the disillusionment of drugs, violent protest, and witchcraft, there comes a new beginning—new life.

"Isn't It Good To Know," is currently being shown in thousands of locations across the country each month. C.H. Murphy, who has made the arrangements for these special free showings of "Isn't It Good To Know," extends a cordial invitation to all families in the area to attend.

French legend has it that a red man appeared to Napoleon and foretold his downfall.

**PLANT BLOOMS...** A century plant, or at least a close relative, chose the Bicentennial year to bloom for its owners, Mr. and Mrs. Charlie Wise of 603 Ashland.

An old recipe for removing egg stain from silver spoons suggests you moisten a little common salt and rub briskly on the stain, then wash.

"Rumplegumption" is the Scottish word for common sense.

CHICKEN PEN

## REMEMBERING...

### Chicken Dinners

Fried chicken was one of my favorite meals but getting the chicken ready was not much fun — for me or the chicken. I don't mean taking a styrofoam package out of the freezer either, because back then you had to start from scratch.

The first thing you did was go to the chicken house, take down the stiff wire hook from the nail on the post by the gate. The wire was about three feet long and had a hook bent on one end sort of in the shape of a shepherd's hook like you see in Bible pictures except a lot smaller. The other end was bent to form a kind of handle. You

took the wire and walked slowly among the chickens, trying not to disturb them while you picked the plump one for the dinner table. When you spied him you eased the wire down along the ground and with a swift pull, hooked it around his leg. Wings flapped and feathers flew while other chickens scattered but he couldn't get away.

The unpleasant task of killing him came next. Some folks used a chopping block, usually an old tree stump or large block of wood. They would just hold the poor fellow down and chop off his head with a swift blow from a hatchet or cleaver. But most people found it handier to just wring the head off.

#### IT'S SUPERIOR!

A superior grape vine grew and prospered in California at the turn of the century. This prolific vine yielded an average of seven tons of grapes per year!

This was one sight that if you ever saw it you would not forget it. You clutched the chicken tightly behind the head with one hand. Very quickly you would whirl the chicken's body around in the air while holding tightly to his neck. After a few fast turns the head would come off and the headless chicken was dropped to the ground where he would run around in all directions getting blood on everything within ten feet. You didn't do this in the chicken yard because if the

laying chickens saw it they would never lay again.

After a bit you could pick it up by its feet, hold it up awhile to let more blood drain out, then you were ready to scald it. You dipped it in a large container of boiling water to loosen the feathers. The smell of that is something you surely haven't forgotten! You could pull most of the feathers out easily after a couple of scaldings except for some pen feathers on the wings and back. No matter how particular you were when picking the feathers your mother could always find a few you had missed and would promptly inform you to pay attention to what you were doing the next time.

The last thing you had to do (but certainly not the least disagreeable) was to remove the insides and cut off the feet. At this point Mother would usually take over. She would cut the chicken into pieces, treat it with her famous batter and fry it, transforming it into a finger-lickin' golden brown delicacy that no one could resist.

I still enjoy eating chicken today but I don't believe I could if I had to do all that just to get him ready.

# This refrigerator can help to pay for itself!

Philco Model RT24FB No Frost 23.6 cu. ft. capacity Side-by-Side Refrigerator-Freezer

Based on **FRIONA** electric rates this

## Philco COLD GUARD can save you up to \$491 in electricity

over the average life of a refrigerator as compared to similar models of 3 leading competitors.

Actual savings may be more or less depending on climatic conditions, individual usage and electric rate changes. Savings are based upon typical residential electricity rates and consumption in the above-mentioned area—based on (YEAR) rate data. Complete test data available upon request from Philco-Ford Corp., Blue Bell, Pa. 19422
