FOR PRAIRIE ACRES

August 15 Slated For Opening Date

THE FARMERS in the Friona area have our utmost respect. They have performed quite a task this summer, to have their crops looking so well, with so little help from the weather.

Again this week the area missed an excellent chance for rainfall. Some rain was received in neighboring areas, but in the immediate Friona vicinity, we are 'way behind on our rainfall for the year.

While the farmers have nice crops, they may be up against it to make the profit they will need, since their fuel costs are bound to skyrocket this summer as the irrigation wells have had to pump almost ceaselessly.

City manager Jake Outland says that water usage in the city is running better than a million gallons per day, as residents try to keep their lawns, gardens, trees and shrubs looking as good as possible. Maybe our time will come and the dry spell will be broken yet.

We heard an interesting theory the other day, that offered the possibility that our weather is being influenced by sun spots, and that our particular area was in a dry position due to the sun spots.

If this is right, we are about ready for the sun spot to shift.

POLITICS continue to hold the spotlight, with the Republican national convention just two weeks away.

One of the contenders, Ronald Reagan, provided a shock this week with the announcement of his vice presidential running mate.

His choice of Richard Schweiker has already evoked a volume of response, and we could not possibly better anything that has already been said.

Suffice it to say that apparently Reagan made the move to enhance his chance of getting the nomination. His campaign was about to stall some 100 votes shy of the needed 1130 delegates, and at first, it appeared that the move, although unorthodox, might provide the impetus that his campaign needed.

However, events of recent days, with various former Reagan supporters bolting to the Ford camp have made you wonder if the Schweiker move may backfire on the Californian.

One thing about it, the convention will be here before long and we will find out what will happen.

NOTHING IS SACRED anymore. There is just no hallowed ground. We opened a bar of Lava soap the other day, and lo and behold. In place of the old greyish-white bar, there was a green bar instead. And in place of the oldtime Lava smell was a sweet-smelling fragrance.

Some things are just "basic," we have always thought. And up until this week, we thought we could include Lava soap in that group. Another old standard bit the dust.

JACK PATTERSON is a typical example of how politics can change, or at least your political leanings can change.

Jack has been a pretty steady Republican, and most times you'd expect that such GOP supporters would be all keyed up for the national convention, coming up next month in August.

Except that this year the Democrats went and nominated an old Georgia boy—a farmer, at that, and one with conservative leanings. If you hadn't guessed it by now, Jack is an enthusiastic supporter of Jimmy Carter, being himself an ex-Georgia farm boy.

We agree with Patterson that Carter is going to be awfully hard to beat in November, and we're proud that the Georgian (Carter) has all of the attributes that we have learned of, attributes that enable us to speak real kindly of his candidacy.

A big percentage of the voters in this section of the country aren't necessarily Democrats or Republicans. They have prided themselves for years in voting "for the man." We think that method of voting will see a big majority back in the Democratic column this fall.

THOUGH THE PEOPLE support the government, the government should not support the people—Grover Cleveland.

The proposed opening date for Prairie Acres in Friona has been set for August 15, it was announced this week.

"We are waiting on the acceptance of the building, and have only a few odds and ends that need to be fixed in order to be finished up," stated Merv Noah, nursing home administrator.

Noah said that the two main items which are needed prior to the opening of the home are the furniture, scheduled to be delivered on Monday, August 9, and an auxiliary power generator.

"If we had these items in, we could be open within 24 hours," Noah said.

In the meantime, nursing director Madie Schmidt, RN, completed a training program this week for 16 nurse's aides through Parmer County Community Hospital. The aides will be eligible for employment at the home.

The staff for Prairie Acres is virtually set, Noah said. The staff will number around 18 to begin with, and will be in the neighborhood of 30 when the home is full of residents.

It was pointed out that as of Thursday, Prairie Acres had a list of 29 firm applicants for residency—those who had indicated they would like to enter the home within 30 days

of its opening. Noah said there were another 10 or 12 good prospects who might transfer from other facilities, making it appear that the home might be two-thirds full within a relatively short time.

"We have a good possibility of having 40 to 50 residents within 90 days of the opening of Prairie Acres," Noah said this week. "The prospects for Prairie Acres are far exceeding all of our earlier expectations," the administrator said.

Noah says that he is pleased with the quality approach that has been evident from the planning stages of the nursing facility up through the present time.

"We have had several people donate items to the facility. Also, a

Temperatures

Date	Hi-Low
Saturday, July 24	83-60
Sunday, July 25	86-61
Monday, July 26	89-61
Tuesday, July 27	90-62
Wednesday, July 28	92-63
Thursday, July 29	96-61
Friday, July 30	90-62

number of merchants have sold merchandise to us at a fraction above their cost, to enable us to have quality merchandise," Noah said.

One of the examples of the quality planning is the automatic fire system, which employs a series of sprinklers which are geared to come on if the temperature reaches a certain point. The system was installed at a cost of \$55,000.

The nurse's aide course, conducted by Mrs. Schmidt, included 36 hours of class and floor studies, covering all of the basic aspects of nursing home care, including psychological and emotional care; nursing care; charting; bathing, lifting and turning of patients; anatomy and physiology; medical terms and care of the dying.

The course was the first of its kind in the immediate area, a "first" for Friona. Those completing the course were certified by Mrs. Schmidt.

Lola Clendennen of Marble Falls, Texas has been in Friona the past week to establish and train the dietary staff of the home. She plans to stay for several weeks to accomplish her task.

The guest lecturers included Dr. Paul Spring, Betty Brock, who will serve as dietician for Prairie Acres, and Merv Noah.

New Lighted Courts Cooperative Venture

The City of Friona, the Friona Independent School District and the Friona Chamber of Commerce have cooperated in a project which gave the city 50 per cent more tennis courts than it had, and at the same time provided lighted courts for night-time play.

The project, which has been in the works since last summer, is virtually completed at the present time, and has been done at a cost of \$18,500 to three government entities.

Last summer, the city council decided that due to the growing popularity of the game of tennis, and due to the lack of sports facilities in the city, it would be serving the interests of city residents to construct two additional courts.

At first, it was thought that the city would build the courts in the Reeve Lake area near the community center.

At about the same time, the Friona School Board was discussing the possibility of providing lights for the tennis courts at Friona High School, to assist players during the summer months and add to the number of hours the courts could be used each day.

City and school leaders, noting their mutual interest in the tennis project, began to confer as to how to better serve the tennis buffs. Finally, it was decided that if the city could build its two additional courts adjacent to the two high school courts, the school would light all four courts.

This would centralize the new courts, and provide lighting for more courts.

The construction phase of the project cost \$14,000. To finance the project, the city earmarked \$11,000 from its annual check from revenue

sharing funds. The Chamber of Commerce contributed \$3,000.

The school completed the lighting project at a cost of approximately \$4,500.

The paving of the courts was completed a couple of weeks ago, and the lighted courts have been in use since that time. Coin-operated lights were installed, which provide the tennis players with 30 minutes of lights for 25 cents. It was felt that by using the coin-operated type of system, it would help defray the cost of electricity, plus provide a safeguard of having the lights shut off each night.

City manager Jake Outland says that so far the lighted courts have been real popular, being used up until midnight on many nights.

As for the courts constructed by the city, the public will have the use of the courts on a first come, first served basis, except when the school is conducting a tennis tournament, at which time the school will have possession of the facilities.

The project is a good example of community cooperation. And it has provided Friona residents another much-needed activity.

OH, NO....A group of courtesans show reactions to a particular line in "A Funny Thing Happened on the Way to the Forum," a comedy presented last Saturday afternoon and evening in the FHS Auditorium by members of Friona's Summer

Drama Workshop under the direction of Phil Weyland. Pictured in the top row, left to right, are Robin Leathers, Holly White, Shelly Osborn, and Joy Neal. Seated from left to right are Karen Edelman, Kim Bryant and Shannon Taylor.

RETIRING...Wright Williams, Friona postmaster since 1962, retired

this week, with Friday, July 30 being his final work day at the local office.

Williams Retiring As Friona Postmaster

Wright Williams, Friona postmaster for the past 12½ years, retired as of Friday.

Williams' replacement may not be known for 60 to 90 days. In the meantime, Bob Cornett of Groom has been sent to Friona as "Officer in Charge," as a temporary replacement.

The naming of a new postmaster will be a complicated procedure. The top three applicants must appear before a board of review in Memphis, Tennessee.

Williams became postmaster in Friona on January 18, 1964. He has seen postal receipts grow locally

from approximately \$43,000 his first year to over \$130,000 for the fiscal year which ended in June. This is more than a 300 per cent increase in postal revenue locally.

The Friona post office went from a second class office when Williams first took over, to a first class designation. The rating is based on postal receipts.

Also during his tenure as postmaster, city delivery was instigated, with two "mounted" city routes established. Then last September, the Friona post office moved into its new quarters on North Main Street.

Crop Duster Killed In Freak Crash

An Anahuac, Texas man was killed Thursday morning, July 29, when his Cessna spray plane collided with a second spray plane while working over a corn field on the Elmer Kimball farm, one mile west of Easter. The plane crashed and burned in a nearby milo field.

Gail Pierce, 45, was pronounced dead at the scene by Castro County Justice of the Peace Marshall Young.

The pilot of the second plane, Robert Woodring, 40, of Anadarko, Oklahoma was able to crash land his plane in a field west of the collision site. He was not seriously injured.

Both men were reportedly spraying for American Dusting Co., of Hereford, in a corn field owned by Alvis Jolly.

According to reports, one of the planes was apparently finishing one run through the corn field while the second plane was dressing the end of the field when the aircraft collided.

Booster Club Sets Supper

The Friona Booster Club and Chieftain Parents have announced a joint ice cream supper to introduce Friona High School's new coaches.

The supper will be held Tuesday, August 3 at 8 p.m. in the Friona High School Cafeteria.

Everyone is invited and asked to bring either ice cream or cake.

Pierce's fuel tank exploded immediately upon contact as he crashed, killing him instantly.

Authorities reported they initially had difficulty locating Woodring's aircraft due to the height of the surrounding corn.

Services for Pierce are pending with Sterling Funeral Home in Dayton. Burial will be under direction of Smith and Sons Funeral Home of Hereford.

Feedlot Totals Rate Statewide

Parmer County feedlot owners placed second in the state in the

of 146,000 head being fattened on their lots at the first of the year, announced Agriculture Commissioner John C. White.

Cattle on feed statewide numbers over 1,882,000, giving Texas the number one position as the leading cattle feeder in the nation.

The latest statistics show cattle feeding up 24 per cent above last year's July figures.

Steers accounted for 62 per cent of the total, heifers 38 per cent and bulls, cows and others less than one per cent.

Feedlot operators in Texas have reported intentions to market 950,000 fed cattle during July through September of this year, an increase of 29 per cent from over the same period last year.

NURSES CLASS...Madie Schmidt, RN, left, is shown with a portion of a 16-member class which completed a course for nurse's aides this week.

Conducted through Parmer County Community Hospital, the course was the first such for the Friona area.

Friona Flashbacks

.....from the files of The Friona Star

40 YEARS AGO—AUGUST 7, 1936

The trial of the second man, J.C. Britton, who along with Herbert Stanley are charged with the robbery of Friona State Bank on June 29th, was concluded at Farwell last week. Britton was found guilty, and given a sentence of 30 years in prison. The previous week, Stanley had been convicted of his part, and given 99 years in prison by his jury.

Victims of the head-on collision near Black recently, Mrs. Henry Lewis and Tommy Galloway, are said to be gradually improving.

++++

35 YEARS AGO—AUGUST 8, 1941

Sergeant Oliver Baker, son of Mr. and Mrs. George M. Baker, of this city, arrived here Friday morning of last week, for a three-day visit with his parents and his many friends here.

Harold and Wilton Lillard departed Sunday for an eight-day outing of camping and fishing at many points in Colorado. They plan to visit Mesa Verde, Durango, Cortez and Silverton.

++++

30 YEARS AGO—AUGUST 2, 1946

Harry Schultz, Dalhart, nosed out John Aldridge of Farwell in the race for Judge of the 69th Judicial District Court. Schultz was running for re-election.

Seaman Second Class Wayne B. Stark arrived here Wednesday for a fifteen day furlough which he will spend with his parents, Mr. and Mrs.

Letters To The Editor

Dear Editor:

We would like to thank all of the parents and fans for their support during the All-Star tournament in Lovington, New Mexico.

We received so many compliments on the splendid behavior of these boys both on and off the field. It was a pleasure to work with this great bunch of kids.

Special thanks go to Eddie Joe Hall for the use of his vehicle in transporting the boys to Lovington, and for his loyalty and support throughout this 1976 baseball season.

25 YEARS AGO—AUGUST 2, 1951

Henry L. Outland has moved to Friona to take over his duties as local manager for the Southwestern Public Service Company office here. Outland, his wife and two children moved here from Amarillo.

Groundwater users from 21 counties will gather in Plainview August 9 to tell the State Board of Water Engineers how they feel about the proposed creation of the High Plains Underground Water Conservation District.

++++

20 YEARS AGO—AUGUST 2, 1956

Friona's post office opened at its new location on Monday morning, changing the routine of hundreds of Friona postal patrons. Postmaster Leo McLellan says that everything in the changeover went smoothly. There are 676 boxes in the new office, compared to 500 in the old location.

Joe B. Douglass and O.D. Bingham announced this week the

union of their real estate and insurance interests. The partners announce they will erect a new office building in Friona in the near future, also.

++++

15 YEARS AGO—AUGUST 3, 1961

A quarter horse show, the first of its kind to ever be conducted in Parmer County, is slated for this Saturday at the Friona Jaycee Arena west of town. The Jaycees expect entries from as far away as Galveston.

Two young Denver City men were arraigned in Farwell Wednesday morning and charged with the theft of an irrigation motor from the R.W. Jones farm southeast of Friona.

++++

5 YEARS AGO—AUGUST 5, 1971

Jerry Kehoe, District manager for General Telephone Company of the Southwest, told members of the Friona City Council on Tuesday that everything is on schedule for the addition of Direct Distance Dialing (DDD) to Friona by the week of December 5 of this year.

Third Coal-Fired Generator Approved

Directors of Southwestern Public Service Company, meeting Tuesday in Boston, approved construction of a third 350,000-kilowatt, coal-fired electric generator for installation at Harrington Station, northeast of Amarillo.

The unit approved today will go into service in mid-1980. Roy Tolk, chairman of the board and chief executive officer of Southwestern, said that both 1980 and 1981 had been considered as completion dates while the unit was in the planning stage, but that load growth and customer gains in the last few months made it advisable to move forward to the 1980 date. Earlier, Tolk had reported to the board that the company had gained nearly 8,000 customers in the last twelve months.

New officer posts went to two Amarilloans as a result of today's meeting and an earlier meeting of the board of TUCO INC., Southwestern's fuel subsidiary. Coyt Webb was named treasurer and assistant secretary of TUCO, and Doyle Bunch was elected assistant secretary and assistant treasurer of Southwestern.

Webb, who is a graduate of Texas Tech and a certified public accountant, joined Southwestern as a system auditor in 1964. He was named supervisor of internal auditing in January, 1975, promoted to executive assistant in October of that year and elected assistant secretary of Southwestern and TUCO last January.

Bunch, a native Amarilloan and Tascosa High School graduate,

earned his bachelor of business administration degree at Texas Tech. He is also a certified public accountant and joined Southwestern in June of this year from a national accounting firm.

The directors also approved an amendment to the by-laws, reducing the number of directors from 12 to 11. This action came after they had accepted, with regret, the resignation from the board of Murrell R. Tripp, Tripp, who had served on the Southwestern board since 1962, resigned for personal reasons.

All of the directors signed the necessary consent forms to stand for re-election at the annual meeting of stockholders which will be held in Amarillo in January of next year.

A price of \$12.00 per share was established for 1,050,000 shares of the company's common stock which will be offered to the public today. Proceeds from the sale will go for the construction of new facilities.

The regular quarterly dividend of 24½ cents per share on the common stock, payable on September 1 to holders of record on August 16, was approved. The dividend will apply to the new shares which are being offered to the public today.

Other dividend action included declaration of the regular quarterly dividends on all outstanding issues of preferred stocks. These dividends will be paid on November 1 to holders of record on October 20.

H. Frederick Hagemann, Jr., of Boston, served as host director for the meeting.

REMEMBERING...

By BILL D. BROOKS

Quilting

During the winter months the ladies would get together at one house for quiltings. The hostess would have the quilt frames set up ready to use. She would have enough quilt squares done up and provide other materials necessary to make a quilt.

A quilt frame consisted of four boards which could be pinned together to form a rectangle the size of a quilt. Several holes about an inch apart in each end of the boards allowed for adjustment. Large nails fitted into the holes to pin the corners together. The frames were hung about 30" above the floor by cords attached to hooks in the ceiling. They were pulled up to the ceiling when not in use.

The bottom, or backing, of the quilt was the first thing to be put on a frame. It was usually a large piece of unbleached muslin, sometimes dyed a pretty color (some quilters just used a sheet). It was stretched tightly and pinned to cloth strips that had been tacked over the length of the frames.

Next a "batting" or layer of cotton was placed over the muslin. The cotton had been carded to an even thickness. The top, the pretty part, was put carefully in place over the cotton.

The top was made of several "squares" or small pieces of material about 12" square that had some sort of design on them. The designs were patchwork, embroidered, cross-stitched or might be colored pieces sewn to a plain background. The squares were all sewn together, sometimes on the treadle sewing machine, but usually by hand.

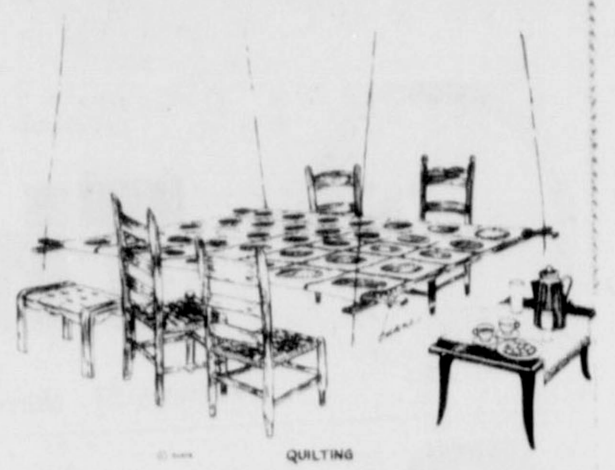

With the top in place the ladies gathered around, sitting on cane-bottomed chairs and, with needle, thread and thimble, started stitching the layers together, slowly, surely, with a feeling no machine could match. The stitching was done amid talk that bordered on gossip, not gossip really, more like

conversation of community affairs.

The stitches had to be done to a set pattern. Each had to be the same length and pulled to just the right tautness. When stitching was finished on the outer part the frames were unpinned and rolled up so that the inner part of the quilt could be reached. When the stitching was done the quilt was removed from the frame and a border was sewn around its edge.

The thing I remember most about quilting was the fun young boys could have. We would crawl under the quilt as they were working on it and we would pretend it was a big circus tent or a fluffy cloud. We would sometimes stand up and push our heads up into the softness of it only to get thumped with a thimble finger and told to get down lest we catch a needle in our heads. One lady disapproved of pets in the house and had a general dislike for dogs. For meanness we used to get right by her leg under the quilt and growl. She was usually the first one to leave.

The quilts would last for many years, most being handed down. Many are still in use today.

Services Held For Hamilton's Father

Leslie Hamilton, 75, father of Glyn Hamilton of Black, died July 15 following a lengthy illness in the Root Memorial Hospital of Colorado City.

Funeral services were held at the First Baptist Church there, with Rev. Glenn Roenfeldt, pastor, officiating. Burial was in Colorado City.

Mr. Hamilton, a frequent visitor in Friona, was a retired farmer and cattleman, and had lived in Mitchell County over 70 years.

Other survivors include his wife, Eula; three daughters, Margie Hicks of Roswell, N.M., Doris Ed-

dings of Pasadena, Texas, and Emmy Gagnon of Dallas; two brothers, Velmer of Petersburg and J.W. of Abernathy; ten grandchildren, including Charles, Raymond and Alan Hamilton, who served as pallbearers, and Diane Hamilton of Canyon; and six great-grandchildren.

Envy explains many things that happen in life, which otherwise have no explanations.

Americans are great denouncers of the wrongs done by others and great proclaimers of their own virtues.

On The Farm In Parmer County

Mack Heald
County Agent

SOME WEST TEXAS sweet corn growers and home gardeners may get a backache picking their early crop of sweet corn this year. The problem seems to be that varieties which normally bear their ears at waist height are pushing the ears out of the plant at a point lower than knee high on plants three to four feet tall.

Several weather factors combine to cause this phenomenon. Day length is one factor. Most sweet corn varieties are not acutely sensitive to day length, though some hybrids seem to be quite sensitive when planted early.

In the sensitive hybrids the period from plant emergence to flowering (tassel and silk formation) is shortened by short days and lengthened by long days. Practically speaking, this means that when these hybrids are planted in March and April, the plant flowers when the day length reaches 12 or 13 hours even if the plants are still small.

Temperature exerts a marked effect on corn growth. Active growth occurs in sweet corn only when the air temperature rises above 50 degrees Fahrenheit. There were many cold nights and cool days in April and May, and sweet corn made little or no growth.

Sweet corn is very sensitive to soil moisture. We have been short of rainfall during the period of maximum growth for early sweet corn. Drought stress restricts plant height.

All of these limiting factors work together to produce a corn plant of relatively short stature. Later plantings of sweet corn will have taller plants if water and nutrients are applied properly. As long as the earlier plantings are fertilized and watered adequately, the ear will attain nearly normal size.

Later plantings of mid-season and late hybrids should be sidedressed with nitrogen fertilizer at the time of tassel exertion. Ammonium nitrate sidedressed at the rate of 100 to

125 pounds per acre (about one pound per 100 linear feet of row for home gardeners) will provide an adequate supply of nitrogen to the plant during the critical period of ear formation. In addition, irrigations must be scheduled only several days apart to prevent drought stress during ear development if rainfall is inadequate.

TEXAS PRODUCERS shopping for certified planting seed for the 1977 season will see a change in the certification label accompanying each bag of seed. Starting next year, seed will be certified for genetic identity only.

Although the new certification label assures that the seed is the variety stated on the label, the big change is the fact that it does not relate to any seed quality factors such as purity, inert matter, other crop seed, weed seed, noxious weed seed and germination. The Texas seed law, however, still requires that this information be truthfully stated on the analysis label accompanying the seed.

The change in seed certification which becomes effective Jan. 1, 1977, means that producers will have to pay particular attention to the labels on the seed bag. The certification label will tell them what variety the seed is, and the analysis label will provide information on quality factors.

Both labels tell the complete story about the seed, but keep in mind that quality factors can vary even though the seed is certified.

Certification for genetic identity means that seed has been produced and processed under standards and procedures established by the Texas Seed and Plant Board and enforced by the Texas Department of Agriculture to assure that the variety is as represented by the certification label accompanying the seed.

BACK TO SCHOOL

Yes we can get you moved in and settled down by the ring of the first school bell. We have many homes listed within walking distance of the schools.

Prestige can not be bought, but this gorgeous, like new, home will sure give you a great feeling. Has a double car garage, fenced backyard, established lawn, large den, separate utility room, all built-ins, and central heat, all for \$32,000.00.

If you need room to roam, this three bedroom brick home has 1826 sq. ft. of living area. Priced right at \$24,000.00.

Listen to this—\$15 per square foot for a brick, three bedroom, 1 1/2 bath home that was made for living. Doesn't sound bad when you consider new homes are costing about twice that figure to build. Total investment \$27,000.00.

YES SIR...Shown saluting Phillip Hand (left), who played the part of Miles Gloriosus in the play "A Funny Thing Happened On the Way to the Forum," are Stanley Fithen (center) and Stanley Ellis (right). The productions presented by the Summer Drama Workshop were well attended by the community.

"Jerusalem" Is Title Of FBC Film Sunday

Evangelist Billy Graham fulfills an ambition of many years as he tells the fascinating story of ancient "Jerusalem," a World Wide Pictures film release.

"Jerusalem" will be shown in Friona, at 6 p.m. at the First Baptist Church, Sunday, August 1.

The City of Jerusalem, four thousand years the focal point of human history and Divine intervention, has been totally destroyed on at least two occasions. It has been captured by conquering armies more than thirty times; but has re-built from the rubble of its own ruins to outlive all conquerors, clinging tenaciously to its rocky foundations as if determined to await a future day of glory.

The feature length motion picture, "Jerusalem," was filmed in beautiful 35mm Eastman color by the same company whose film document of the Graham Team's 1960 African itinerary, "Africa On The Bridge," won the American Film Festival's Golden Reel Award in the "Church At Work" category. Director Dick Ross and Richard Lederhaus and Russell Busby, cameramen, apply their

techniques with even greater skill in the story of "Jerusalem," written by James Collier.

Dramatic vignettes provide effective transition sequences beginning with the conquest of the Promised Land and continuing to the present dilemma of the divided City; Moses and Joshua atop Mount Nebo overlook the Jordan Valley; Mary and Joseph wend their weary way along the Jericho Road toward Bethlehem; we see Mary Magdalene, both as a young girl in Galilee and as the sorrowing woman at the Garden Tomb; and the Centurian who stood at the foot of the cross witnesses to his new-found faith. All this symbolizes the dynamics of the early church as Jew and Gentile alike are transformed by the power of the Resurrection.

Rare photographic courage includes sequences from Solomon's Quarries underneath the City; Hezekiah's Tunnel, where the water from the Virgin's Spring still flows clear and cold to the Pool of Siloam within the City walls; newly excavated areas on the site of Solomon's and Herod's

Temples; and what is probably the first production footage of new British diggings below the southeast corner of the City wall, site of the Jebusite village stronghold which David conquered to establish the City.

It is difficult to speak of the City of Jerusalem without an awareness of its inevitable role in the future. The Holy City's place in prophecy and the promise of Christ's return are favorite themes of the Evangelist, Billy Graham. Little wonder that the picture climaxes with a challenge that blends sober warning with the joy and inspiration of personal commitment to Him who said, "And if I go and prepare a place for you, I will come again and receive you unto myself; that where I am, there ye may be also."

"Jerusalem," an hour-long motion picture, rich in color and the authentic sounds of the land, is admirably scored with music composed and conducted by Ralph Carmichael.

"Children are a bridge to heaven." Persian proverb

SAFE AT FIRST....Major League All-Star Jeff Landrum is shown in the above photo as he steps on the first base bag after slamming a

single to left field during Friona's Little League tournament game against Farwell at Clovis Tuesday evening. Landrum had four hits on

the night as his team, behind the strong pitching of Anthony Brady, won 24-13 over Farwell and advanced to the semi-finals.

Majors Topple Farwell

Friona's Major League All-Stars, coached by Patrick Pace and Ron Stevenson, won 24-13 over Texico-Farwell Tuesday evening at Clovis.

Jeff Landrum, Pilo Castillo and Anthony Brady picked up four, three, and two hits respectively for Friona.

Using a total of 15 hits, and a fine pitching performance by Brady, the Friona All-Stars never trailed in the contest.

In this first round game of the "1976 Little League Baseball Tournament," Friona's All-Stars quickly hit the first Farwell pitcher out of the box. Two other pitchers made their appearance against Friona and neither was able to control Friona's hitting.

Brady registered a seven hitter while striking out nine men in the 24-13 win.

Pace commented to the Star, "We won the Parmer County championship with a good team effort." Pace was impressed with the fine playing field and the well organized program Clovis has.

HERE IT COMES....Anthony Brady, who pitched a full game against Farwell Tuesday night, is pictured

above as he prepares to release a pitch. Brady gave up only six hits in Friona's 24-13 win over Farwell.

THE FRIONA STAR Sports

Senior League All-Stars Shine In Tournament

The Friona-Bovina Senior League All-Stars fared very well at Lovington last Friday as they gained the finals of the Senior Little League Bi-District Tournament with a 7-2 win over the home team, but then fell to Tucumcari the following evening, 9-7.

The Lovington contest saw Bovina right-hander Ronnie Cary pitch a one-hitter, collecting 11 strikeouts along the way. He walked five.

Friona jumped out to a quick lead when they scored four runs in the top of the first inning. Leadoff batter Leslie White drew a walk and eventually came across the plate with Friona's first run.

Base hits by Doug Roming, Willie Brailiff, Ronnie Cary, Chris Barnett, along with a double by Dan Cox accounted for Friona's early four run lead.

Friona's final three runs were scored in the third inning by way of Brailiff, Barnett, and Harvey Shepherd's hits.

Despite Lovington's fifth inning run, Friona held on to take a 7-2 win and advance

to Saturday night's final against Tucumcari.

In that contest, Tucumcari jumped out to a quick lead scoring four first inning runs as Friona went hitless in their half of the inning.

Pitching the game for Friona was Dan Cox, who behind the excellent fielding of his infield, completely shut off the Tucumcari attack for five full innings.

After Tucumcari's big first inning, the Friona team got hits from Leslie White, Doug Roming, Willie Brailiff, Ronnie Cary, Harvey Shepherd and Dan Cox to account for five runs of their own which they used to build a lead that held up until the last time Tucumcari came to bat.

In that horrid inning Friona lost its chance to advance in Senior Little League play as Tucumcari scored five runs which iced the game.

All-Star coaches Ron Cain and Kenneth Cary commented that "it was a tough one to lose, but the boys did a fine job, and represented the area very well."

Davy Carthel Named To Greenbelt All-Star Squad

Davy Carthel, former football star for the Friona Chieftains, has been chosen to participate in the annual Greenbelt All-Star Football classic in Childress August 6.

Carthel was an all-district performer for the Chieftains, being named first team all-district 3-AA by unanimous vote both his junior and senior seasons. His senior year, he was named honorable mention, All-South Plains.

This past year, Carthel was chosen to the KVII-TV Super Team chosen by Channel 7. He also was chosen as player of the week at various times by both the Amarillo Globe-News and Channel 4 television.

Each of the players selected is permitted to select a young lady to be his queen nominee for Greenbelt Bowl Queen. Cindy Lundy has been nominated by Davy to represent Friona. A beauty pageant will be held on Friday night before the

DAVY CARTHEL Greenbelt All-Star

game. A parade precedes the game. All of the events are sponsored by the Childress Chamber of Commerce.

Coaches Jack Scott and Fred Bliel of Eastern New Mexico University will be coaches for the "West" team, along with Jim Hess of San Angelo State University.

Practices will get underway on August 1, and the All-Star game will be August 6 at 8 p.m.

Carthel is at least the fourth FHS player to be chosen for the game in recent years and is the second member of his family to play in the game. Older brother Donny, who went on to star at ENMU, played in the 1970 game, Ted King played in the 1974 game, and Bobby Sims in the 1966 contest.

Still Need Softballers

Enough response has been received to field at least one softball team, it was announced by Rick Luther, who is organizing the team.

A workout is scheduled for Tuesday at 6 p.m. at the Senior League park. It is hoped to hold a scrimmage against another team on Thursday.

Anyone interested in joining the team may report for the workout on Tuesday. It is also in the plans to attempt to enter an area softball tournament if possible.

Further information is available from Luther at 247-2211 or 247-2116.

Stars Set Second Round

The Major League All-Stars had their game postponed Thursday, July 29, because of rain on Wednesday.

Clovis, New Mexico, the site of the All-Star playoffs, was blessed with over an inch of rain Wednesday night.

The All-Stars were to have played their second game of the series against the Clovis American League

All-Stars Thursday afternoon.

Clovis American Legion advanced after defeating the Clovis National League All-Stars in their first game 7-1.

The game is to be held at 6:30 p.m. Texas time at Dickinson Field, 14th and Sycamore in Clovis.

Friona's All-Stars will advance to the finals with a win Friday evening.

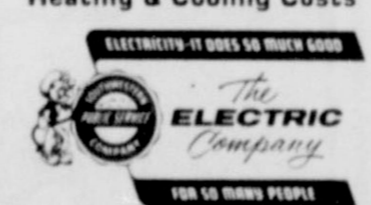

WHEN YOU BUY OR BUILD A NEW HOME LOOK FOR THIS SIGN

It has been known for some time that methods existed to insure the building of ENERGY EFFICIENT HOMES. But inexpensive energy in the past made it logical to ignore the extra investment such a home would require. Now with energy costs rising, it becomes more and more important to use effectively every bit of energy we consume. The TOTAL ELECTRIC ENERGY EFFICIENT HOME has construction features which result in savings of 40% or more on heating and cooling costs when compared to previously accepted standards for total electric construction.

You'll be hearing more about the ENERGY

constructed home, let us work with you and your builder to assure that your new home is designed for maximum comfort and energy savings — the TOTAL ELECTRIC ENERGY EFFICIENT HOME.

And Save Over 40% On Heating & Cooling Costs

At Home In Parmer County

JANA PRONGER
County Agent

IF YOUR GARDEN has produced more squash than the family can eat fresh, then pickling may be one different way to preserve them.

Pickled squash are similar to traditional bread-and-butter pickles. Several types of summer squash may be used for pickling. But yellow and zucchini squash are most commonly used.

Below are two tasty recipes for pickled squash you may want to try.

YELLOW SQUASH PICKLES

8 cups sliced yellow squash, cut about 1/4-1/2 inch thick
1 tablespoon pickling salt
2 cups chopped onion
1/4 cup chopped green pepper
1 cup apple cider vinegar
1 1/4 cup granulated sugar
1/2 teaspoon mustard seed
1/2 teaspoon celery seed

Wash and slice squash. Sprinkle with salt and set aside for one hour. Bring vinegar and sugar to a boil. Add squash, onion and green pepper and bring to a boil again. Pack hot squash, onion and pepper into hot sterilized jars. Add mustard seed and celery seed to vinegar-sugar mixture. Bring to boil again. Pour over squash to within one-half inch of top of jar. Place lids on jars. Process 10 minutes in boiling water bath.

CURRIED ZUCCHINI PICKLES

24 (7 lbs.) medium zucchini
1/4 cup pickling salt
3 cups granulated sugar
3 cups vinegar
1-3 cup mustard seed
4 teaspoons celery seed
1 tablespoon curry powder

Cut zucchini in one-fourth to one-half inch slices; sprinkle with the salt; add cold water to cover. Let stand three hours. Drain; rinse with cold water.

In 10-quart Dutch oven combine sugar, vinegar, mustard seed, celery seed and curry. Bring to boil. Add zucchini; heat through, but do not boil-about five minutes. Pack zucchini and syrup into clean, hot pint jars leaving one-half inch head space. Adjust lids according to package directions. Process in boiling water for five minutes. Start counting time when water returns to boil. Serve chilled. Makes nine pints.

If you need any other information on canning, freezing or pickling, please

call or drop me a line. I'll be glad to help in any way I can--Jana Pronger, County Extension Agent, Box 683, Farwell, Texas 79325; phone 481-3619-8:30 a.m.-5 p.m. My office is on the second floor of the Courthouse for any of you who might like to stop by.

SCS Report

Last Friday the Parmer County Soil and Water Conservation District sponsored a tour of 75 Kentucky farmers and businessmen on a conservation tour along Highway 60 in Parmer County.

Directors present were Leon Grissom, Leroy Johnson, Dan Smith and M.C. Osborn. Also, Herb Evans and Duval Burton of the SCS assisted with the tour.

These men from Kentucky were shown conservation practices all along the way. They were given operating costs and production figures for the county. The different soil types were pointed out and our excellent corn crop was noted all along the way as was the fact that we were number one corn county in the state.

Points of interest such as feed yards, feed mills and corn dryers were pointed out.

At Parmerton it was pointed out that this was the highest point on the Santa Fe RR in Texas and that the elevation was 4202 feet.

At the two equipment companies west of Friona, the size and kinds of farming equipment used in this county were pointed out.

The District wants to thank the Chamber of Commerce and others in Parmer County for helping get material together for these Kentuckians.

Tax Crack
A charming little recipe for a dessert called income-tax pudding: Take a good deal of dough, you'll knead it.
-Dublin Opinion.

Reports Given By Friona Delegates

Janice Peak and Larry Gore, seniors at Friona High School, have attended Girls State and Boys State conventions this summer, under the sponsorship of the Friona American Legion and Auxiliary.

The two youngsters this week submitted reports of their conventions.

BY LARRY GORE

I was sent by the Friona American Legion Post to Boys' State on the University of Texas campus at Austin. The main purpose of Boys' State is to teach young men, juniors in high school, government and how it works. The method used to teach us was letting us learn by doing. We were divided into cities as we arrived. The cities were combined

into counties and the counties were grouped into districts. This entire structure was combined to form a mythical state. We then had to build the governmental structure from the city level up to the state level just as it is actually done in the government of Texas.

My stay there taught me many things. Among these are that you can make yourself whatever you want. You aim high and work and have self-confidence and nearly any goal can be achieved. A good definition of dedication is "the ability to carry out a resolution long after the mood in which it was made is gone." Some other things we learned are cooperation makes everything easier, to be a leader you

must have the ability to stand out in a crowd, and young men from all over Texas are very much the same.

I did many things while I was there. I learned quite a bit about government, but this wasn't all. In the afternoons we were free to participate in inter-city sports such as basketball, football, volleyball, baseball and tennis. There was a very active band program and swimming time provided by UT at their facilities. We were given the opportunity to tour the campus with special guides provided by the school. It was really a great time that provided learning opportunities, athletic and band opportunities, and great fellowship with other young men.

There were several small problems such as getting up early, hot weather, cafeteria food three meals a day for a week and fairly strict counselors, but these were more than equalled by the good times and fellowship we had while there. Boys' State was a memorable experience and opened new opportunities to me. Men from each of the military academies spoke to us and each mentioned that being a Boys' State delegate increased our chance of acceptance into an academy. Several counselors said being a Boys' State delegate increased our chances of receiving a scholarship.

I feel that it was a privilege to attend Boys' State and would say that

Increase corn grain yields up to 10% with SPARK.™

Indiana: "We returned \$19 per acre on a \$5 investment...at least a 7-bushel increase. SPARK could mean the difference between a new piece of machinery this year and next year. I'll spray ALL my corn in 1976." Otto Werner, Hanna, Indiana. **TIMING... IT'S ESSENTIAL:** The most important factor in SPARK application is timing. Look to apply SPARK when corn is in the 6-leaf stage, about 2-4 weeks before tassel emergence when corn is about knee-high. Get into the field, split some stalks, and find the unemerged tassel ... in length. The best time to apply is when the unemerged tassel elongates from ... to about 7" in length. **SPARK. PRODUCED WITH THE HELENA GUARANTEE OF QUALITY.**

Your Helena dealer has an exciting new way to help you increase corn yields up to 10% with SPARK GROWTH STIMULANT for corn, a combination of dinoseb plus surfactant, used as an over-all post-emergence spray on corn has the UNIVERSITY PROVEN POTENTIAL OF INCREASING GRAIN PRODUCTION BY 5% - 10%. Here is how SPARK helps promote bigger yields: -Enhances corn growth -Silks emerge about 2 days sooner -Tassels emerge about 2 days sooner. This tendency to get away from corn that does not fill all the way out to the end. Enhanced growth, longer pollination, fewer barren stalks, more complete ear-filling. They all add up to big potential production increases and profit.

...AND PROVEN IN THE FIELD. Farmers who have tried SPARK say: "I'll never plant another acre without SPARK." Ralph Russell-Michigan: "I got 8 bushels per acre increase...didn't have as many barren stalks, ears were filled out better." Everett Curtner, farmer and bank president, Union City.

consistency and produced under the most careful quality control. When you buy SPARK, you buy the best. Ask your Helena dealer about SPARK, the corn growth stimulant that is leading the way to bigger yields and bigger profits for you.

For more information, contact Helena Chemical Company, South 385, Hereford, Texas. Phone 364-3733. SPARK has been registered for use in Texas, Kansas, Nebraska and Oklahoma.

Area Entries Invited To Bovina Contest

A new addition to the slate of activities for the 1976 Bull Town Days celebration has been announced by George Powell, general LTD chairman.

An "Almost Anything Goes" contest, patterned after the popular ABC-TV summer show in 1975, has been included in the list of events.

The contest will feature eight events, from skilled to funny, according to Gaylon Rhodes, contest chairman. Included in the contest will be two "swing" events, six-man sack race, milk carton race, basketball-water tank shoot, back seat driver, spool race and the "Dagwood" race.

Teams for the contest will be made up of six people—three men and three women—with two alternates. Entry fee will be \$30 per team.

The contest will be limited to the first 20 entries, said Rhodes, with area towns, including Dimmitt, Muleshoe, Friona and Farwell, invited to send teams.

A team trophy and individual trophies will be awarded the first place team in the contest. A team trophy will be presented the second place entry.

Civic organizations, business firms and other clubs are invited to sponsor teams.

Entry fees must be turned in to Rhodes by Saturday, August 14. Teams will be allowed to practice that day, said Rhodes.

The contest will be held at the Mustang Stadium at Bovina Schools. Preliminaries will begin at 9 a.m. Saturday, Aug. 21, with the finals set to begin at 7:30 that evening.

Admission will be \$1 for adults and 50 cents for children under 12 at both the preliminary and final contests. Pre-school children will be admitted free.

For further information, those interested in entering the contest, or sponsoring a team, may contact Rhodes or Powell.

SERIOUS CLOWN....The delightful and lovely Peggy Williams is among the talented performers in the lavish production "Elephant Roundup," a highlight of the Bicentennial edition of Ringling Bros. and Barnum &

Bailey Circus. The circus is coming to Amarillo's civic Center Tuesday and Wednesday, August 10 and 11. Tickets are on sale at the Civic Center boxoffice.

Delegates Report...

(Continued from Page 8)

every junior boy ought to consider it carefully. It will really help me and I feel that it can really help anyone learn more about politics, government and citizenship.

JANICE PEAK

My trip began on Tuesday, June 9. We traveled to Seguin on a Charter Bus. The bus carried twenty-four girls from the Panhandle. On our arrival at Texas Lutheran College, we were assigned to a City, a Party, and either the House of Representatives or the Senate. I was assigned to City H, the Happy Hearts from Heritage Hall; Nationalist Party; and the House of Representatives.

Our first step was to organize the political parties and elect their leaders. After this was done, City, County, District and State elections were held. I was elected to the office of City Councilperson: Place 1. My duties were to help plan the city projects. We wrote the City Charter and decided on the ordinance. We interviewed and elected a City Manager to help with our many city problems.

For our assemblies, we had four guest speakers. They were: John Hill, Deputy Administrator Federal Energy Administration; Maxine R. Hacke, member of President Ford's Citizens Advisory on the Status of Women and Coordinate of Women's Programs for Gulf Oil Corporation; Carole McClellan, President, Austin Independent School District Board; and Bea Ann Smith, law clerk and former Girls' State citizen. Each of these speakers presented speeches concerning the many problems

facing both Texas and the United States.

Our ten day session was highlighted by a trip to Austin. We met in the House and Senate chambers and then had the installation of the state officers in the Rotunda. We were also allowed to visit the Governor's Mansion.

By attending the session, I learned the importance of patriotism toward our country. It made me realize that we very seldom sing songs in relation to our country, that few people sing the National Anthem at public gatherings and have very little respect for the flag. Also very few know State songs.

When we returned on June 18, 1976, I had learned many things about Texas, the United States, and the importance of love toward each other. This "love" developed many friendships and a lot of good times.

Lutherans Set Installation

The Reverend William Rumpel will be installed as pastor of Immanuel and Redeemer Lutheran churches on Sunday, August 1 at 7 p.m.

The installation service will be held at Immanuel Lutheran Church in the Rhea Community. The public is invited.

Guest speaker for the special service will be the Rev. James Restvedt of Littlefield.

MR. and MRS. BUDDY WISEMAN... Mr. and Mrs. Buddy Wiseman of Friona will be honored with a reception on the occasion of their 25th Wedding Anniversary on Sunday, August 8 from 2 to 4 p.m. The reception will be held in their home at 905 West Sixth Street in

Friona. Hosting the reception will be Mr. and Mrs. Mike Proctor of Hill A.F.B., Utah, Kevin, Mitchell and Christie, all of Friona. Buddy Wiseman and Betty Turner were married on August 5, 1951 at Sudan, Texas.

Reception Is Set For Eulers

Mr. and Mrs. Roy Euler of Summerfield will celebrate their 50th wedding anniversary on August

Local Couple

Have Baby Boy

Mr. and Mrs. John G. Mars of Friona are the parents of a baby boy born Friday, July 9 in Central Plains Hospital, Plainview, Texas at 1:50 p.m.

Named Kyle Grant, he weighed seven pounds, one ounce and was nineteen inches long at birth. He has one older sister, Penny, age three.

Grandparents are Mr. and Mrs. Jack Barnhill of Turkey, Texas and Johnny Mars of Friona. Great-grandparents are J. Q. Mars and Roy Russell of Turkey.

Baby Boy Born

To Dale Carys

Mr. and Mrs. Dale Cary of Olton, former Friona residents, are the parents of a baby boy born Thursday, July 22 at 2:20 p.m. in Littlefield Hospital.

Named Joe Dale, he weighed seven pounds, twelve ounces and was 21 1/2 inches long at birth.

Joe Dale has two older sisters, Patty, eight, and Cindy, three.

Grandparents are Mr. and Mrs. Hugh Metcalf and Mrs. Velma Cary, all of Hollis, Oklahoma.

A reception will be held at the home of their son, J.R. Euler of Summerfield.

Other relatives hosting the reception are daughters and husbands, Mr. and Mrs. Jerry Day of Tucson, Arizona and Mr. and Mrs. Robert Tiffany of Questa, New Mexico.

Muleshoe

Church Sets

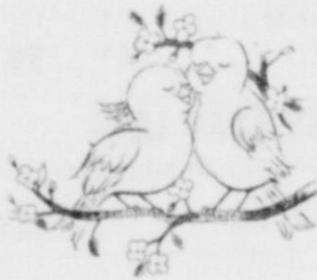

Youth Revival

The youth of the First United Methodist Church of Muleshoe will sponsor a youth revival July 30-August 1.

The guest for the revival will be Johnny Ray Watson, a noted singer and writer.

Services will begin at 8 p.m. July 30 and 31 and 6 p.m. Sunday, August 1.

There will be a fellowship each evening following the service with 'something special' planned.

'Flight Into Fashion'
Theme Of Dress Revue

Under the theme, "Flight Into Fashion" at the new Lubbock Regional Airport, four young ladies showed off their own creations and earned a trip to the State 4-H Dress Revue in San Antonio by winning top honors in the District 2 4-H Dress Revue recently.

The winners are Annette Weil of Hale Co.; Pearl Perez, Swisher Co.; Prynness Parkman, Bailey; and Cindy Mitchell, Lubbock Co.

Named as alternates were Sheree Jerden of Lynn Co., first alternate; and Linda Sue Gohlke of Parmer Co., second alternate. These two girls will fill in at San Antonio, Sept. 17-18, in the event any of the others can't compete in the finals during the State 4-H Dress Revue.

All 17 contestants, who represented a 20-county area of the South Plains, made and modeled their own outfits.

Special honors went to Miss Prynness Parkman for showing the best outfit constructed of fabric of cotton or cotton blend.

Also awarded during the show was a \$500 Aubrey W. Russell Scholarship. Agnes Acker of Castro County was presented the award by Mrs. Lucille Witten, district 2 director of the Texas Home Demonstration Association, and Mrs. Sheila Fillingim, treasurer of the scholarship fund. The scholarship is offered

each year based on best record book and other criteria to a 4-H girl majoring in home economics at Texas Tech.

In addition to senior level competition, 17 juniors vied for honors. They will not compete beyond the district level.

There are no 1-2-3 placings in the annual dress revue. Contestants are judged on their sewing and construction skills, overall appearance, modeling abilities, and their 4-H record books.

A special tour of the new regional airport facilities and a dinner for contestants, parents, Extension agents and special guests kicked off the awards phase of the event. Presenting the awards was Mr. Edward Breihan, general manager of the Plains Cooperative Oil Mill which sponsored the dinner.

Steve Lee, 4-H'er from Lubbock County, was master of ceremonies. Other 4-H'ers on the program were Charmi Wood of Lynn Co., and Darlene Gunn of Garza Co.

Wynon Mayes, county Extension agent (home economics) in Hale Co., served as chairman of the event, with Catherine B. Crawford, district Extension agent (home economics), serving as coordinator.

Also, competing in district from Parmer County was Kim Gregory of Lazbuddie. She won a blue ribbon in the junior competition.

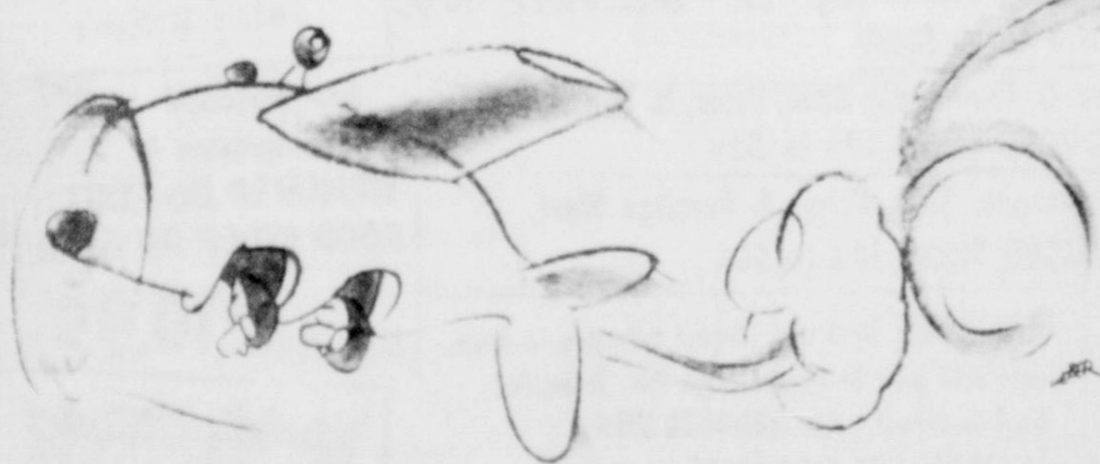

MR. and MRS. DUDLEY ROBASON... A golden wedding anniversary reception will honor Mr. and Mrs. Dudley Robason of 511 North Wright St., Siloam Springs, Arkansas on Sunday, August 1 from 2:30 to 5:30 p.m. Hosting the reception will be their sons and daughters, Mr. and Mrs. Calvin Talley (Patsy Ruth) of Friona; Dr. and Mrs. Easton Wall (Lila) of Dumas; Mr. and Mrs. Hershel Jones (Wanda) of Spearman; Mr. and Mrs. D.O. Robason, Jr., of Grandview, Texas and Mr. and Mrs. Jimmy Dean Robason of Siloam Springs, Arkansas. Jewell Crow and Dudley Robason were

married on August 4, 1926 in Lubbock, Texas. They moved to Friona in 1928 where they farmed and made their home in the Lakeview Community south of Friona. In 1953 they bought a ranch and moved to Siloam Springs. While in Friona, they were active in community activities. He was a member of Lions Club serving as a delegate to the national convention at Mexico City, school trustee and a deacon of the First Baptist Church. The Robasons have twelve grandchildren, most of which will be joining their parents for the reception and a family reunion.

Candlelight Ceremony Unites

D'Aun Wilson, Harry Watkins

In a candlelight ceremony on Saturday, July 10, Tyra D'Aun Wilson and Harry Watkins, both of Friona, were united in marriage.

The Rev. C.H. Murphy performed the double ring ceremony at the first Baptist Church in Friona.

The bride is the daughter of Mr. and Mrs. Hilton Wilson of Pantex, formerly of Friona. The groom is the son of Mr. and Mrs. Kenneth Watkins of 906 Austin, Friona.

Vows, as written by the groom, were exchanged before a kneeling bench flanked by spiral candelabras and pedestal basket bouquets of mixed spring flowers. Background arrangements consisted of a candle arch entwined with green garlands with a pedestal basket bouquet of spring flowers centered behind the kneeling bench. At the close of the ceremony, the bride and groom lit the unity candle to solemnize their becoming one.

The bride, escorted to the altar by her father, was given in marriage by both her parents. She wore a traditional wedding gown of silk faced organza designed with a high rise bodice overlaid with bands of scalloped lace over the shoulders forming a v-back neckline. The stand-up collar was of matching lace with sheer bodice ruffles. The long sleeves were fitted to a lace wrist-band edged in ruffles. The A-line skirt had a centered front with a band of matching lace and deep ruffles completely bordering the skirt's edge.

The cathedral veil of imported illusion lace was attached to a bridal bandeau of lace and seed pearls. The bridal bouquet was a cascade of white rose buds accented with feathered blue carnations and white streamers atop a Bible given to the bride for use in her wedding by the bride's mother.

Carrying out the bridal tradition, something old was the Bible carried by the bride, which was a gift to the bride's father from his parents when he graduated from high school. The Bible was carried by the bride's mother in her wedding and also by her sister, Rhonda, in her wedding. Something new was the bride's wedding gown. The bride also had pennies in her shoe minted the year

of the birth of the bride and groom. The traditional garter, borrowed from her sister completed the bridal tradition.

As the bride approached the altar, she embraced her mother and presented her with a single long-stemmed red rose. Upon leaving the altar, she embraced the groom's mother and presented her with a single long-stemmed red rose.

Also, as the bride approached the altar, she presented Christine Shirley with a single long-stemmed red rose. The bride had lived with Christine Shirley following her parents' move to Pantex in January.

Music for the ceremony was provided by Eva Miller, organist. Jerri Bengel sang "Twelfth of Never" and "We've Only Just Begun" after the mothers were seated.

Mrs. Glenn Reber, sister of the bride, was matron of honor. She wore a blue floor length gown fashioned of white dotted miramist with blue embroidered flowers over blue bridal satin with a v-neckline. The long fitted sleeves were sheer white dotted miramist with blue embroidered flowers. She wore a white wide-brimmed hat fashioned at the center back with blue and white feathered carnations, baby's breath and blue streamers.

She carried an arm bouquet of spring flowers.

The bridesmaids were Sherri Thorn, Earlene Graham and Paula London. They wore gowns and hats identical to the matron of honor. Each attendant carried an arm bouquet of spring flowers.

Flower girl, Tonya Potts, daughter of Mr. and Mrs. Larry Potts, wore a blue floor length gown styled similar to those of the other bridal attendants. She carried a white basket filled with white miniature carnations.

The groom wore an all white tux trimmed in black on the jacket lapels, white shirt, black cummerbund and black bow tie with a double white rose-bud boutonniere.

Attending the groom as best man was Les Jarecki of Friona. He wore a tux with a sky-blue jacket trimmed in black, sky-blue ruffled shirt with black trousers and a white rose-bud

boutonniere. Groomsmen were Glenn Reber of Lubbock, Craig Hodges and Kenny Bails, both of Friona. They wore tuxedos styled identical to that of the best man.

Ushers were Jodean Harrelson, Scott Nelson and Bryan Snyder. Cammie Wagoner of Muleshoe, was in charge of the guest register.

The bride's mother, escorted by Bryan Snyder, wore a floor length blue-green dress with v-neckline and long sleeves. The bride's father wore a blue western styled suit with white rose-bud boutonniere.

The groom's mother wore a pink floor length dress with a high neckline trimmed in lace and long sleeves with a lace edge. The groom's father wore a suit styled identical to that of the bride's father.

Each mother wore a corsage fashioned of white rose-buds, miniature pearls and white lace, tied with white ribbon.

Following the ceremony, a reception was held at the church.

The table was covered with a white lace tablecloth over blue linen. The floral centerpiece was an arrangement of blue and white feathered carnations and baby's breath in a candelabra vase containing white tapers. The white three-tiered cake was decorated with blue and white frosting designed and made by Roxanne Hurst, who was in charge of the reception refreshments and decorations.

White napkins inscribed "D'Aun and Harry, July 10, 1976" completed the table decorations. Serving guests at the reception were Debra Dorrell, Myrna Phipps, both from Friona, and Sheila Dugger, cousin of the bride, from Midland.

Out-of-town guests signing the register included Mr. and Mrs. Odie Wilson of Lamesa, Texas; Mrs. Velora Dugger and children of Midland, Texas; Mr. and Mrs. Charles Ray of LaMesa, California; Gary Ray of Lincoln, Nebraska; Mr. and Mrs. Buck Cunningham of Amarillo; Mr. and Mrs. Wayne Tunnell of Muleshoe; Mrs. Connie Morris of Amarillo; Mr. and Mrs. Charles Waggoner of Seymour,

Texas. Also, Rodney Turnbow of Muleshoe; Mr. and Mrs. Eddie Landers and Tanoa of Amherst; Mr. and Mrs. Joel Constancio of Hereford; Mr. and Mrs. Wayne Allen of Lubbock; Mary Merrell and family of Bovina; Ouida Childers and daughter Cieta of Seagraves; Mrs. Jodean Harrelson of Bovina; Audrey Graham and daughter, LaQuita of Amarillo; and Mr. and Mrs. Jim Burnett of Pantex, Texas.

After a honeymoon trip to Santa Fe and Red River, New Mexico, the couple are at home in Friona.

The bride is a 1976 graduate of Friona High School.

The groom is a 1970 graduate of Friona High School and is currently employed at Herring Implement Company.

REHEARSAL DINNER

The pre-nuptial rehearsal dinner was given at the Pizza Hut in Clovis, New Mexico on Friday, July 9 hosted by the groom's parents, Mr. and Mrs. Kenneth Watkins.

A bridal brunch on the day of the wedding honored the bride and her attendants at the Community Room of Friona State Bank.

Special guests at the brunch were the bride's mother, Mrs. Hilton Wilson and the groom's mother, Mrs. Kenneth Watkins.

Mrs. Joyce Wells was hostess for the brunch. She was assisted by Anita Hall and Christine Shirley.

Mr. and Mrs. Harry Watkins

Bridal Shower Fetes

Carolyn Murphree

A bridal shower in the home of Mr. and Mrs. George C. Taylor at 1205 West Seventh, Saturday, July 24 honored Carolyn Kay Murphree, bride-elect of Kevin Lynn Wiseman.

Hostesses assisting Mrs. Taylor were Mesdames Charles Sanders, Tress Tannahill, W.L. Cleveland, Pete Buske, Earl Drake, Bob Knight, Joe Talley, Jim Johnston, Dave Thompson, Raymond Cook, Clarence Monroe, Doyce Barnett,

Delton Lewellen, Eugene Bandy, James Bailey, Bill Bailey and T.A. Kelley.

The table was covered with an embroidered Irish linen cloth and centered with a silver candelabra holding an arrangement of yellow and white daisies and baby's breath. Cookies and fruit punch, nuts and mints were served from silver appointments. White daisies and roses were displayed throughout the home.

The honoree was presented a corsage of yellow daisies. Corsages of yellow carnations were presented the bride-elect's mother, Mrs. Curtis Murphree and to the groom's mother, Mrs. Buddy Wiseman.

Mrs. Doyce Barnett presided at the guest book.

Special guests were Mrs. W.A. Turner and Mrs. Charles Wiseman of Hereford, grandmothers of the groom.

Out-of-town guests were Mrs. Tommy Rosson and daughter, Daphne of Hereford, Mrs. T.C. Wiseman of Bovina; Mrs. Don Shaw of Amarillo, Miss Lisa Taylor of Abilene; Miss Cindy Barnett of Lubbock; and Miss Nancy Martinez of Portales, New Mexico.

LYNETTE TODD...JoAn Todd of Lincoln, Nebraska, Harold Todd of Bothell, Washington, and Mr. and Mrs. Ralph O. Taylor of Friona announce the engagement and approaching marriage of their children, Lynette Todd and Michael R. Taylor, on Saturday, September 4 at 5 p.m. at the Test Rose Garden, Lincoln, Nebraska. She is a

graduate of Lincoln High School and has attended the University of Nebraska. He is a 1971 graduate of Friona High School, has attended Texas Tech University, West Texas State University and is a graduate of Terry School of Design and Hair Fashions in Kansas City, Missouri, and is employed at Hair in Kansas City.

First Child Born

To Jack Hardins

Mr. and Mrs. Jack Hardin of Friona are the parents of a baby girl born Sunday, July 25 at 9:40 a.m. in Parmer County Community Hospital.

Named April Ellen, the new arrival weighed six pounds, 11½ ounces and was twenty inches long at birth.

She is the first child for the couple.

Grandparents are Mr. and Mrs. Harry Lookingbill of Friona and Mr. and Mrs. F.O. Hardin of Walnut Springs, Texas.

Great-grandparents are Mr. and Mrs. J.F. Brown of Hillsboro, Texas and Mrs. Alva Carr, also of Hillsboro and Mrs. Florence Melton of Plano, Texas.

Study Club

To Sponsor

Bridge Party

Friona's Progressive Study Club is sponsoring a "Backdoor Bridge Benefit," Thursday, August 5 at the Friona Women's Clubhouse.

A fee of \$1.50 will be charged each player and prizes will be awarded. The clubhouse and yard are undergoing some remodeling, so participants are asked to enter through the back door.

The hours are from 1:30 p.m. until 5 p.m. and refreshments will be served by the club.

All proceeds will go to various charities the club is supporting.

It's A Boy For

Steve Smiths

A baby boy was born to Mr. and Mrs. Steve Smith of Sudan on Monday, July 12 at 8:03 a.m.

Stephen Joseph weighed seven pounds and fifteen ounces and was twenty and one-half inches long at birth.

Maternal grandparents are Mr. and Mrs. William Gromowsky of Bovina, and paternal grandparents are Mr. and Mrs. F.M. Smith of Sudan.

The baby's great-grandparents are Mr. and Mrs. Charlie Jefferson of Bovina.

The Smiths have one other son, Charlie, who is three years old.

FIVE GENERATIONS...Mrs. John Allen Sr. of Friona was represented recently in a five-generation photograph. Mrs. Allen is seated at the left. Standing at left is Mrs. H.J. Parson of Cross Plains, the great-grandmother. Standing at right is Mrs. Gilbert Pelton of Amarillo, the grandmother. Mrs. Kelley Magee of Amarillo holds the fifth generation, young Steven Kelley Magee.

Town Talk

By June Floyd

Phone 247-3681

With Your News Item

Visitors in the home of Mr. and Mrs. James B. Zetsche Sr. last week have been their daughters, Mrs. Loraine Johnson of Van Horn and Mrs. Lyon Lockhart Jr. of Midland; and granddaughters, Margaret Johnson and Leigha Lockhart.

The group left Sunday for Dallas, where they planned to attend a homemaking teachers meeting.

Mr. and Mrs. Dennis Auburg have had visiting grandchildren for the past several weeks.

Michael and Le Anne Green of Garland, accompanied the Auburgs to Lubbock Sunday then went by plane to Dallas.

Mr. and Mrs. Auburg were also accompanied to Lubbock by two local grandsons, Danny and Darrell Auburg.

The group attended a family reunion of the descendants of the late Mr. and Mrs. W.S. Seymour, who were pioneers in the Turkey vicinity. About 150 other persons met the Auburgs at Mackenzie Park in Lubbock for a basket lunch and afternoon of visiting.

Mr. and Mrs. Jim McDowell have returned from Paris, Texas, where they attended funeral services for Truett Melton of that city Sunday afternoon.

Melton was a brother of Mrs. McDowell.

Mr. and Mrs. T.A. Kelley and daughter, Tammi, of Friona and Mr. and Mrs. James Kelley of Kermit, Texas, have returned from a two week trip, which took them to Gravette, Arkansas, where they were guests in the home of Mr. and Mrs. Mitchell Kelley.

T.A., James and Mitchell Kelley are brothers.

Enroute the group visited several places of interest in Oklahoma, Arkansas and Missouri.

Two places the group especially enjoyed were Bluff Dweller's Cave, which is located near Noel, Missouri; and Harbor Village at Grove, Oklahoma.

Ann says anyone who enjoys antiques should make a point to visit Harbor Village.

Some more Frionans have also been to Oklahoma, Missouri, Arkansas, Virginia and probably another state or two in that direction.

Mrs. Mabel DeLong, who is Dorothy Harrelson's mother, accompanied Dorothy and two of her sons, Mickey and Jerry Ben, on an extended trip.

The group visited in the home of the Con Kelleys at Alta Vista, Virginia; the Jim Kelleys at Fulton, Missouri; and Franklin Bauer, Stephen and Carla Beth and Mr. and Mrs. Duane Bauer at Everton, Missouri.

The Kelleys are Dorothy's

brothers and Mabel's sons. The Bauers are former residents of the Rhea Community.

After they returned home, Jodean Harrelson, who lives in Bovina, drove his grandmother back to her home in Mesa, Arizona, then flew home.

Mr. and Mrs. Gerald Neel and children of Denver were weekend guests in the home of Gerald's parents, Mr. and Mrs. Otis Neel.

If the Scott Foresman Co. has a "Good Guy" award, I'd like to nominate one of their salesmen, Max Harper of Lubbock, for that honor.

Tuesday evening as I drove through the gate to the short term parking area at Amarillo Airport, I stopped too far from the ticket machine to reach my ticket.

It was necessary for me to open the car door and when I did, my purse fell out on the ground.

The parking lot was practically vacant at the time, so I pulled in and parked near the gate. When I got out of the car I wouldn't find my purse.

I've known for a long time that if I misplaced my purse in Friona someone would return it to me, but I wasn't that confident about people in Amarillo.

When I had just about decided to give it up for lost, a pleasant looking young man walked up and asked, "Is someone here named Floyd?"

I was so astonished at the time that I didn't remember to ask him his name. However, later we met inside the airport and visited briefly and I learned we had mutual acquaintances.

I hope friends of Brenda Hawker, who attended the Myrna Phipps-Robin Baize wedding reception Saturday evening, noticed the hand made table cloth, which was on the refreshment table.

Brenda and her family sent it to Betty and E.G., who were her American parents, a few years ago. It was hand crocheted and was made with small thread and a very fine needle. It was a beautiful cloth.

A weak mind is like a microscope, which magnifies trifling things, but cannot receive good ones.

Mr. and Mrs. E.S. White, Sr., visited their daughter, Lois, her husband, Dale and their son, Neal in Kermit, Texas, over the weekend.

Mr. and Mrs. White returned home Sunday evening.

Patty and Cindy Cary of Olton have been guests in the home of Guy and Lucille Latta of Friona while their mother, Mary Cary, and new baby brother Joe Dale were in the hospital.

Terri Patterson, Teddy Giddens

United In Double Ring Ceremony

Terri Dawn Patterson and Teddy Royce Giddens, both Friona residents, exchanged wedding vows on Saturday, July 3 at 4 p.m.

The ceremony was held in the First Baptist Church in Friona with D.L. Harguess officiating at the ceremony.

The bride is the daughter of Mr. and Mrs. George Patterson of Friona. The groom is the son of W.T. Giddens of Odessa, Texas and Mrs. Jane Giddens of Ruidoso, New Mexico.

The church was decorated with spiraling candelabra and bouquets of white gladiola and baby's breath. White satin bows marked the family pews.

Musical selections were presented by Jerri Bengé and Julie Johnson, vocalists. They sang "The Lord's Prayer" and "More." Accompanying them were Lisa Edelson, pianist, and Debra Dorrell, organist.

Karen Patterson of Friona served her sister as maid of honor. Bridesmaids were Jerri Bengé, Paula London, Cathy Cunningham and Sherri Thorn.

Jimmy Hogue of Midland served as best man. Groomsmen were Bob Hogue of Pampa, Marlis May of Sundown, Mike Morgan of Temple and Randy Carter of Sundown.

Lin Cope of Canyon, John Masse of Canyon and Eddy Douglas of Lubbock served as ushers.

Bruce Patterson and Sharlene Parr were candlelighters. Coby Waldrop was ringbearer. Flowergirl was Janet Baxter.

The feminine attendants wore identical long blue dresses with full flared short sleeves of crocheted type lace and white picture hats with blue ribbons.

As the bride was presented in marriage by her father, she wore a formal length dress of silk organza fashioned with a bateau neckline, long sleeves, empire bodice appli-

qued with lace motifs and accented with seed pearls. The a-line skirt was accented with lace appliques at the hemline and tiny bows and bands of scalloped lace on the cage back skirt. The chapel length mantilla of matching lace with a long veil of illusion appliqued with chantilly lace motifs formed a train.

For something old, she carried a small 1884 Bible which belonged to her great-grandparents, and wore the traditional blue garter. She carried a bouquet of white carnations and baby's breath.

A reception followed the ceremony.

The three tiered wedding cake, punch, nuts and mints were served from a table covered with white lace over blue underlining. A floral arrangement with candles decorated the table.

Servers were Tamela Hassenpflug, Myrna Phipps, Lucinda Aguirre, Susan Garner and Nell Fulk.

Following a wedding trip to Durango, Colorado and Ruidoso, the couple will reside at the Saratoga Garden Apartments in Friona.

Out-of-town guests attending the ceremony were Mr. and Mrs. Fred Rutherford of Britton, Virginia, Mrs. Fred Couper of Schenectady, New York and Cheryl Patterson of Canyon, sisters of the bride; Mr. and Mrs. W.A. Kirk of Canyon, grandparents of the bride; Mr. and Mrs. W.T. Giddens of Snyder, brother of the groom; Mr. and Mrs. C.L. Rogers of Ruidoso, sister of the groom; Mr. and Mrs. R.H. Campbell of Dallas; and Henry Finley of Floydada.

A noon luncheon on the day of the wedding was held in the home of Mrs. Robert Neelley, for the bride and her sisters and members of the bridal party.

Mrs. Teddy Giddens

Broyles Family Has Holiday Reunion

The family of Mr. and Mrs. Edgar Broyles of Tishomingo, Oklahoma, gathered at Cowles, New Mexico, near Pecos, for a family reunion during the Fourth of July weekend.

The couple's eight children were present for the three day outing. The children are: Ralph Broyles, Bobby Broyles, J.C. Broyles, Sondra Hugg, Ann Prater, Pat White, Lavon McKillip and Anita Merrill.

Attending the reunion were: Mr. and Mrs. Ralph Broyles of Friona; Mr. and Mrs. Bobby Broyles of Lazbuddie; J.C. Broyles of Tenaha, Texas; Mr. and Mrs. Morris McKillip and Mr. and Mrs. Gerald Prater, all of Muleshoe; Mr. and Mrs. Clifford Hugg of Portales, N.M.; Mr. and Mrs. Phillip White of Albuquerque, N.M.; and Mr. and Mrs. Lester Merrill of Clovis, N.M. Grandchildren attending the reunion were: John Broyles, Vickie Copley, Mickie Cochran, all of Friona; Patcine Scott, Wade and

Gina Morrison and David Merrill, both of Clovis.

Three great-grandchildren, Shannon Cochran of Friona, and Toby and Kiley Gibson of Muleshoe, were present.

Also attending were Terry Copley, Fred Cochran and Troy Scott.

Mrs. Broyles celebrated her birthday on July 5.

Mr. and Mrs. Edgar Broyles were former residents of the Muleshoe area.
