## ANTHONY WINS

# Record Turnout; Demos Get Edge

The largest local voting turnout in history went to the polls here Tuesday, and gave Jimmy Carter an edge in his drive for the presidency.

Carter, who bested President Gerald Ford nationwide by a slim margin of electoral votes, coaxed the Friona precinct back into the Democratic column for the first time since 1964.

The vote here was 724 for Carter, and 595 for Ford. The excellent voting turnout of 1,358 in the Friona precinct represented around 78 per cent of the qualified voters, which was much better than was being predicted by the national news media.

Countywide, the turnout was 72.5 per cent of the estimated 4800 registered voters, while at the smallest precinct of Lakeview, 96.6 per cent of the voters turned out, as 58 of the 60 eligible voters cast their ballot.

ERNEST ANTHONY

Carter carried every voting precinct except Farwell and Rhea. Ford carried the Farwell box, 323-300, and at Rhea the 72 votes were split right down the middle, 36 each.

Democratic nominee Ernest Anthony won the commissioner's seat in Precinct one, with an impressive victory over Republican challenger Forrest Osborn and 11th hour write-in challenger Raymond Euler.

The final totals were 993 votes for Anthony to 304 for Osborn and 183 for Euler.

Some eyebrows have been raised over Friona's vote in the presidential race. Usually holding to a longtime conservative voting records, voters in this precinct gave Carter 60 per cent of their votes, to 40 per cent for Ford.

In 1972, Nixon carried the Friona precinct with 921 votes to only 172 for George McGovern. In 1968, Nixon

also held a commanding lead, 605-251 over Hubert Humphrey. Even with Texan Lyndon Johnson's successful re-election bid of 1964, the Friona precinct favored the Democrat by only 53 per cent of their votes, 495-438 over Barry Goldwater.

The Friona precinct joined those across the county in giving George Mahon a big edge in his re-election bid. Mahon had a lead locally of 803-507 over challenger Jim Reese, or 67.4 per cent of the vote.

Local voters also went heavy for Senator Lloyd Bentsen. They favored winner Jon Newton in the Railroad Commissioner race, and gave controversial candidate Don Yarbrough a lead with 555 votes. In the latter race, write-in candidates Sam Houston and Tom Loran received 354 and 77 votes respectively, but it did not hinder Yarbrough's election bid.

At Bovina, a write-in candidate, Wayne Spears, was elected to the Justice of the Peace post, outpolling Edna Estes, 344-295 for the position. Mrs. Estes' name was on the ballot. The race was to fill the unexpired term of Wilbur Charles, who died while in office.

The two proposed constitutional amendments received favorable consideration in Friona and Parmer County. Friona favored number one (water treatment bonds) 888-218, and number two (sewage treatment), 845-220. Countywide, the vote was 2071-692 and 1936-730.

But statewide, the number one proposition failed, while number two narrowly passed. Number one on the ballot turned out to have some opposition for one reason or another.

The complete county tabulation, precinct by precinct, for contested races, can be found elsewhere in this issue.

## Buske Is Named Manager Of S&L

B.K. Buske has been named as manager of the Friona branch of Tri-County Savings & Loan Assn. Buske assumed his new duties this week.

The naming of Buske as manager climaxed a search by the savings and loan association for a local resident, who they believed would be better qualified to serve the people of the Friona area. Buske replaces Mike Gamble, who resigned in September for a position in Vernon.

"We are here to help the people of the Friona area, and we are interested in seeing Friona grow," says Buske, who has been an active civic leader since he returned to his home town to make his home.

The new manager said he wanted to thank his many friends for their past favors, and adds that he is looking forward to serving them in his new capacity.

Tri-County Savings and Loan Assn. was chartered in 1964 at Muleshoe. In January of 1975, the association opened its first branch office, in Friona. Since the opening of its Friona office, branch facilities have been opened in Littlefield and Farwell.

Buske is a 1965 graduate of Friona High School, and received his BBA

at Austin. He also attended law school at Austin, and did postgraduate work.

He returned to Friona in 1972 to work in the executive office of Friona Industries. In 1974 he became an associate in the Carrol Gatlin Land Company, and has been involved in management, sales and appraising all types of real property.

Buske is currently serving as secretary-treasurer of the Friona Chamber of Commerce and Agriculture. He has served on the board of directors of the Friona Noon Lions, treasurer of the Friona Cub Scout Committee, and was chairman of the highly successful 1975 United Fund Drive for the Friona Area,

which raised 154 per cent of its goal. He continues to serve as secretary on the UF Board.

He is currently an alderman on the Friona City Council.

Buske is a member of First Baptist Church, where he has taught in the Training Union and Sunday School. He is a member of the National Association of Realtors, Texas Association of Realtors, is a graduate of the Realtors Institute of Texas and is a Life Member of the University of Texas Ex-Students Assn.

He is married to the former Janet Kerr of San Antonio. She is employed as a teacher in the Muleshoe school system, where she teaches Spanish, government and history.

NEW MANAGER...B.K. Buske is the new manager of the Friona branch of Tri-County Savings & Loan Association, having assumed his new duties this week.

MARIJUANA HAUL...Highway patrol officers Royce Keck, left, and Andy Hernandez of Friona are shown with the stack of 142 packages of marijuana which they confiscated

Wednesday night after stopping a man from Taos, N.M. Kenneth James Poe is in custody at Farwell in lieu of \$15,000 bond.

## DPS Confiscates Haul Of 'Grass'

A pair of Highway Patrol officers based in Friona stopped a car east of town on Highway 60 Wednesday night on suspicion of driving while intoxicated, and discovered what is believed to be the biggest "haul" of marijuana ever confiscated in Parmer County.

Kenneth James Poe, 26, a native of Illinois, was arraigned Thursday in Farwell and charged with possession of over four ounces of marijuana, a felony crime. Justice of the Peace R.E. Mears set bond at \$15,000. Poe was still in custody at press time.

Officers Royce Keck and Andy Martinez stopped Poe about two miles east of Friona Wednesday night when they noticed the car being driven erratically. While questioning the driver, the officers noticed some items that made them suspicious, and the DPS representatives eventually found out that Poe had a trunk full of the narcotic weed.

The investigating officers unloaded 142 packages, each package weighing approximately a kilo, or 2.2 pounds. This amounted to roughly 312 pounds of marijuana. It

was estimated that the street value of the haul might be around \$20,000 to \$30,000.

There was some confusion as to where Poe is from. He holds a temporary driver's license from Taos, N.M. The 1970 model Ford he was driving is registered in El Paso County, Texas.

There was also some evidence that the vehicle had been sold recently, and that perhaps Poe had borrowed it from an individual thought to live in Ruidoso, N.M.

The car was equipped with a CB radio and a radar detector. The officers felt they were lucky to have stopped Poe under these circumstances.

"If he had received a 'Smokey report' on us, he could possibly have avoided us. It goes to show you that you never know who you may be talking to on the CB," Keck stated.

Parmer County authorities are holding the vehicle, hoping to run down further information on its owner.

Poe told officers he was on probation in Illinois for selling marijuana.

## Formby To Speak At Fund Kickoff

The Friona Area United Fund will hold its kickoff breakfast on Monday, November 8 at the Girl Scout House, 704 Ashland, beginning at 7:30 a.m.

Keynote speaker for the kickoff breakfast will be Clint Formby, Hereford civic leader and broadcaster.

All of the local United Fund officials, as well as the campaign volunteers, are invited to the kickoff breakfast.

The local drive has set as its goal for 1976 to raise \$13,095. This will actually be less than was raised by the 1975 drive, when the Friona United Fund Drive raised 154 per cent of its goal, and ranked fourth in the state for percentage achieved.

Patrick Pace and Charles Caudill are co-chairmen for the 1976 drive. They urge all United Fund workers to attend Monday's kickoff break-

University, and also of the Texas Tech University School of Medicine.

He is immediate past chairman of the radio board of directors of the National Association of Broadcasters. He is currently on the West Texas Chamber of Commerce board, and is past president of the Texas Tech Ex-Students Assn. He is a former lieutenant governor for Kiwanis International.

Formby served in World War II, including 18 months in the European Theatre. He received his BA degree from Texas Tech University in 1949 in government and speech-journalism.

CLINT FORMBY

Formby is past president of the Hereford Chamber of Commerce, and the Hereford United Way, and has also served as president of the Jaycees and Kiwanis Club in that city. He was named Hereford's Citizen of the Year in 1966.

He is partner and managing director of radio stations KPAN in Hereford, KLVT in Levelland, KTEM in Temple and KTBB in Tyler. He is on the board of directors of Citizens Banc Shares, Inc.; and is owner of the Citizens National Bank of Crosbyton and the First State Bank of Petersburg.

Formby has served for the past five years as chairman of the Board of Regents at Texas Tech

## Chieftains Vie For District

Having made a complete about-face since district play started, the Friona Chieftains were meeting Dimmitt's Bobcats in Dimmitt Friday night with an opportunity to annex the District 3-AA title with a win over the 'Cats, who were pre-season favorites in the district race.

The Chiefs, after a 0-5 non-conference record, won their third district game at Muleshoe last week, and were 3-0 in district play entering the contest. A win or a tie would propel the Chiefs into the football playoffs for the first time since 1965.

Coach Lonnie Phillips and his charges were anxious to meet the Bobcats. Prior to the game, Phillips said "We feel that Dimmitt has a tremendous team. We'll have to play our best game of the year to beat them."

Giving Friona confidence was the fact that two district teams have tied the Bobcats, including a Morton team that Friona defeated, 17-12.

Bobcat coach Bruce Bush said earlier this week that he was glad the game was a home game for Dimmitt, as his team had not done well on the road. In four trips away from home, the Bobcats have lost to Slaton and Tulia, and been tied by Olton and Morton. The team had won its four home games prior to Friday's encounter.

The Chieftains also had a measure of revenge to settle, after feeling they had won last year's game at Dimmitt on a two-point conversion run that was finally ruled no good, in a controversial call that netted Dimmitt a 7-6 win. Due to the re-structuring of the district and re-drawing of the schedules, Dimmitt got the game at home for the second straight year.

It's getting to be a habit for Friona and Dimmitt teams to meet for the District 3-AA title. Fans will never forget March of 1975 when basketball teams from the two schools met in the thrilling triple overtime game that Dimmitt pulled out and used as a springboard for the state title.

## Bandy In 3-Pt. Lead

Clay Bandy opened up a three-point lead in the grand prize division of the Friona Star's annual fall football contest, with a score of 142.

Bandy had a score of 18 for the week, and pulled out of a tie with Bobby Wied into the uncontested lead. Wied holds down second place in the standings with a 139, after scoring 15 for the week.

Winning first place in the weekly contest was Jessie Morales, Sr., with a score of 19. Morales and Jerry Hinkle each had scores of 18, but Morales edged Hinkle on the tie-breaker score by three points for the \$10.00 first prize. Hinkle was awarded second place and \$6.00.

Brenda Seright, student in Friona Junior High School, was one of eight contestants scoring 18 for the week, and the student claimed third place by missing the Friona-Muleshoe tiebreaker score by only one point.

Other contestants correctly picking 18 games were Patsy Bandy, Clay Bandy, Michael D. Means, Joe Bob Mann, Jack Clark, Shaun Aguirre and Dub Cleveland.

Twenty contestants had scores of 17 for the week, as the scores improved considerably over the previous week.

Getting 17 correct were John Bandy, Movelda Fortenberry, Helen Balentine, Charlie Clark, Benny

Bilford Hartwick, Joan Baize, Herb Seright, Wayne Amstutz, Dwain Pape, Eugene Ellis, Leslie Broadhurst, Rickey Jackson, Marlene Drake, Donita Martin, Frank Truitt and Steve Clark.

### Some Close Thursday

Some local offices will be closed next Thursday, November 11, which is traditional Veteran's Day.

Included among these will be Friona State Bank, the Friona City Office, the Chamber of Commerce office.

Also, the Court House in Farwell will be closed that day, according to County Judge Paul Fortenberry.

Star Lites By Bill Ellis

A FEW YEARS AGO we began to hear the term "silent majority" being used. It pertained to the rank and file Americans, who go about their business without causing a great deal of stir, but who, with their ballots, wealth or influence, silently cause the major events to happen.

We don't know if you'd call the results of Tuesday's election the work of the silent majority, but in many ways it applies.

About all you heard during the closing weeks of the campaign from the news media was about how President Ford was closing the margin between himself and Jimmy Carter, and how he apparently, like a pro football team in the final two-minute drill, was moving in for the sure 11th hour win.

You also heard a lot to the effect that voter turnout was going to be low. Many people commented as to the cause of the predicted voter apathy, especially during our Bicentennial election year.

A lot of this turned out to be just so much talk Tuesday, as American voters, apparently tired of such things as Watergate, low farm prices, high gas prices and a questionable energy program, voted to return a Democrat to the White House for the next four years.

And they did so in record numbers in many places, including Parmer County, where the voter turnout was over 72 per cent of the registered voters, probably a record percentage of people voting, and definitely a record number.

After visiting with several farmers, it was no surprise to us that they were going to vote for Jimmy Carter. Farmers in this area have watched the price for their commodities slip to a three and four-year low in some cases, while at the same time their cost of production, particularly in the field of natural gas, has doubled and quadrupled.

As we have noted before, the farmers have felt for some time as though they were a voice crying in

fraternal brother to the nation's highest office, surely if things change at all for the farmer, it will be for the better.

At one time we attempted to figure out who the last American president had been who had actually pursued farming as an occupation. We never did pinpoint him, and decided that it may have even been George Washington. No doubt some enterprising reporter will come up with a more accurate answer to this one.

At any rate, the silent majority has spoken. Carter did not (at least at this early hour) receive an overwhelming mandate, but the voice of the voter was heard, all the way from Friona to Washington.

# Friona Flashbacks

.....from the files of The Friona Star

**45 YEARS AGO—NOV. 6, 1931**  
Another firm of grain dealers has recently been organized in Friona, and is composed of O.G. Taylor and E.B. McLellan, and the new firm proposes to make grain, especially grain in the head, bring all it should for the farmers in this locality. They do their weighing at the Farmers Elevator, and their office is wherever they may be found, with their shingle hung on their car window.

**40 YEARS AGO—NOV. 6, 1936**  
To date, the cotton census report shows that there were 349 bales of cotton ginned in Parmer County from the 1936 crop prior to October 18, as compared to 213 bales ginned by the same date in 1935.

On Thursday night of last week, the Friona Chiefs met the valiant team from Melrose, N.M., on their own grid, and came out with their first victory of the season, by a 37-0 score.

**35 YEARS AGO—NOV. 7, 1941**  
One of the most apparent signs of

the steady progress of Friona is completion of the new building erected by Dr. R.J. McReynolds, adjoining his residence on Main Street and housing Friona's new clinic. It is a neat and roomy structure, and houses a reception room, four bedrooms for patients, a consultation room, private office, operating room and X-ray laboratory.

**30 YEARS AGO—NOV. 1, 1946**  
Jimmy Womack celebrated his 13th birthday on Saturday with a party in the park. Refreshments were served to sixteen boys. Those present were Darrell Robbins, Randy Reed, Franky Lee, Ross Miller, Jackie Looper, Ralph Reed, Jimmy Hughes, Walter Haws, Doyce Barnett, Rex Blackburn, Johnny Parker, Ben Wayne, Edward White, Ben Jordan, Viddian Weis and Jimmy Walker.

**25 YEARS AGO—NOV. 1, 1951**  
Official and final population figures released last week by the

United States Department of Commerce listed Friona with 1202 population, an increase from the first announced figure of 1196. Parmer County was listed with 5,787 residents.

**20 YEARS AGO—NOV. 1, 1956**  
Two Friona businesses have planned promotions of interest to the public in the coming week. T & H Service Station, the new Texaco station, will have its formal opening Saturday and Mary's Cafe will be open for business on Monday. The new service station is located on Friona's recently widened Highway 60. Mary's Cafe, owned by Mary Pilgrim and Hayden Cayson, is in the Welch-Shackelford development in western Friona, just off Highway 60.

**15 YEARS AGO—NOV. 1, 1961**  
The budget committee for Friona's 1962 Community Chest Campaign discussed and accepted quotas for the drive in a meeting Tuesday. The actual drive will not begin until later this month. A budget totaling \$5,880.00 was adopted, according to Robert R. Ginsberg, chairman of this year's drive.

Halloween pranksters did considerable damage to the back door of the American Legion Building, the ceiling to the city jail, and various other acts of mischief on Tuesday night.

**10 YEARS AGO—NOV. 3, 1966**  
Mrs. Glen Mingus became the first woman golfer to get a hole-in-one shot on the Friona Country Club Course Sunday afternoon. She holed out her tee shot on the 150-yard seventh hole with a 5 wood. Her husband has the distinction of being the first golfer to shoot a hole-in-one on the course. The husband-and-wife record beat unknown odds by each achieving the golfer's dream.

**5 YEARS AGO—NOV. 4, 1971**  
Leo Potishman, owner of Santa Fe Grain elevator (recently leased by Goodpasture) has given the Friona Independent School District a gift of \$5,000 to be used by the school's athletic program. Under the terms of the endowment, the school is to use just the interest from the principal gift. This will amount to roughly \$250.00 per year, depending on current interest rates for long-term deposits.

## County Sets

### Budget Meet

Mostly routine business was conducted at the regular meeting of the Parmer County Commissioners on July 25. County Judge Paul Fortenberry was authorized to borrow \$3,200 for the right of way fund. The quarterly report for the county was presented and approved. It was announced that a protest has been filed in conjunction with the weather modification request concerning the area. It was also reported that plans have been approved to close two bottom ports in Running Water Draw dam site number two. The court meets on Monday, November 8. Among the items for consideration will be consideration of advertising for bids on a road grader for Precinct 1, and discussion of the county's proposed budget for 1977, at 3 p.m. that day.

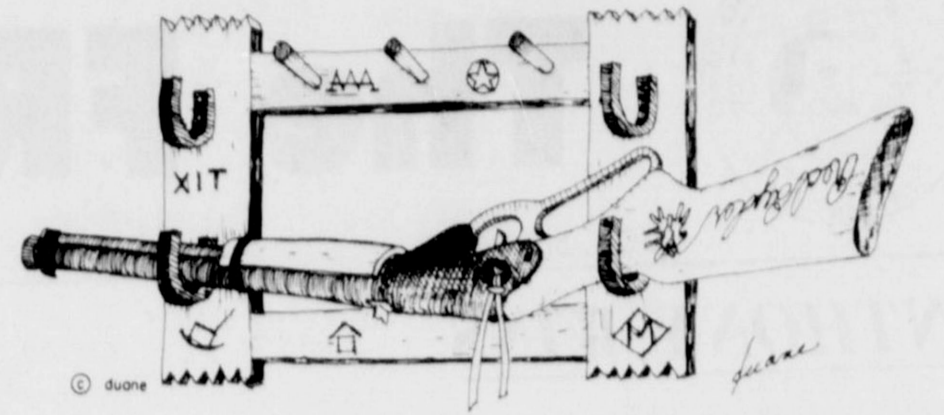

## REMEMBERING... My First Gun

By BILL BROOKS

The first firearm most youngsters own is a BB gun. Oh, I know a BB gun is really not a firearm but it means the same thing to a ten-year-old. I can remember reading ads for Daisy "Red Ryder" BB guns in comic books and such and wanting one so badly I could taste it.

My brother and I begged Mom and Dad and wanted them until they finally gave in. Having an older brother helped. Dad reasoned that brother could take charge but that I could use the gun under his supervision. The arrangement was fine with me, anything to get that Daisy. But there was a catch. Dad said we would have to buy it with our own money. That \$4.98 might as well have been a million—we didn't have 15 cents between us.

The only thing to do was take a job since Mom and Dad didn't believe in allowances and "chores" done on the farm were non-paying jobs. It was summer and we were out of school so we set out with our hoses to see if we could get a job chopping cotton. A neighbor we knew hired us right away and said he was paying 75 cents a day if we were good

workers. "Sure!" we said, "Can we start now?"

By mid-afternoon we were pretty tired but the thought of that BB gun kept us going. We got to work four days that week and on Friday at quitting time the man gave us each three dollars!

Mom helped us fill in the order blank. We bought the gun and six boxes of BBs. When it came in it was the neatest thing I figured I would ever see. The barrel was dark blue, just like Dad's real rifle and the stock was made of fine polished wood with Red Ryder's picture stamped right on it.

We received stern instructions concerning its use to which we both solemnly

nodded agreement.

On our first hunting trip we imagined bagging all kinds of big game, from coons to mountain lions. We actually shot several tin cans in a trash pile and killed one sparrow. We told Mother we wanted her to fix it for supper. She laughed and said, "O.K. but I don't think you'll eat it." We assured her we would and we did. We even bragged about how good it tasted (it actually tasted a lot like a rope.)

We learned a lot from having that BB gun. Sure, we learned care and respect for firearms but the experience of working for it and buying it with our own money was just as important.

## Club Planning

### Talent Show

The Friona Kiwanis Club met on Wednesday at Carl's Parmer House. The club now holds its meeting on Wednesdays at noon.

Under discussion was a second talent show for January, similar to the one the club sponsored this past January. Last year, the proceeds went to the nursing home fund drive.

Anyone interested in participating in such a show is asked to call Carl White, D.L. Harguess, Gary Webb or any member of the club.

The Kiwanis' theme for the year is "Crime Prevention." They plan to announce more on their theme as the club year unfolds.

## School Lunch Menu

### Week of November 8-12

**MONDAY**—steak fingers, mashed potatoes, hot rolls-butter, green beans, chocolate cake and milk.

**TUESDAY**—creole spaghetti, English peas, hot rolls-butter, buttered beans, peanut butter and honey and milk.

**WEDNESDAY**—enchilada casserole, pinto beans, cornbread-butter, lettuce and tomato salad, apricot halves and chocolate milk.

**THURSDAY**—fried chicken, hot rolls-butter, mashed potatoes, buttered carrots, pineapple coconut bars and milk.

**FRIDAY**—hamburgers, French fries, catsup, mustard, lettuce, tomatoes, pickles, fruit salad and milk.

Lois Norwood Says.

**HONESTLY NOW...**

Would you sell your home for the amount you have it insured? Don't wait until it's too late! Increase your property insurance now. Be sure you're adequately covered.

FRIONA STATE BANK

# Highway 214 Work Detailed

Details concerning the construction of State Highway 214 between Hub and Clay's Corner were discussed at a pre-construction meeting Wednesday involving representatives of the Texas Highway Department, the contractor and the Department of Public Safety.

Main purpose of the meeting was to promote safety to the traveling public and construction personnel and to discuss the project's plans, specifications and the contractor's plans and schedule of operations.

The construction area will be speed zone 45 miles per hour, and the Highway Department has requested the Department of Public Safety to enforce the special speed limit, especially in the vicinity of Running Water Draw.

Rhea Bradley, supervising resident engineer, discussed the project in general and the sequence of work, pointing out the potential for interference of traffic, and possible detours.

Particularly discussed was a proposed detour at the bridge at Running Water Draw, which will be completely rebuilt. A temporary culvert bridge will be built at the bottom of the draw, to the east of the present bridge, to carry the traffic during the construction phase.

J.O. Boswell, contractor, said he expects to begin work on reconstructing the roadway in about two weeks. The contractor will begin the job at Running Water Draw and proceed north to Hub during the first plans of construction, and then build the portion from the draw south to Clay's Corner in the second phase.

Work on the bridge is expected to begin in eight to ten weeks. The contractor has estimated 285 working days for the project, which is slated to be completed by July of 1977.

The project calls for construction of two 13-foot travel lanes with nine-foot shoulders and one bridge with a 48-foot roadway width. The new bridge will be 120 feet long, and approximately five feet higher than the present structure, with only an 18 to 20-foot surface.

Sight distances will be improved on both sides of the bridge.

The contract amount is \$1,391,262. The contractor, Boswell and Crafton, constructed the portion of the highway from Hub to Friona in 1975-76.

Attending the meeting in addition to Boswell and Bradley were Howard Beasley, representing Lubbock Light and Barricade, Bob and Lee Stafford of Stafford Construction Company, Lubbock.

County commissioners present were Cecil Atchley, Charley Jefferson and Jimmie Briggs. Representing the Highway Department were Bradley, James T. Johnston, district construction engineer, Lubbock, Weldon Moody, Parmer County Maintenance Foreman, and Teddy Jackson of Littlefield, chief inspector for the Highway Department.

### SCS Takes Tree Orders

**WANTED**  
WANTED...Wheat and stalk grazing for cattle. Call 272-4743 or 272-4208. Mule-shoe. James Glaze. 52-8tc

### FARMERS

The Friona Lions Club, In Conjunction With The Chamber Of Commerce, Plans To Sponsor Escorted Pheasant Hunts During Pheasant Season.  
We Need The Permission Of Several Farmers To Hunt On Their Land.  
All Proceeds Will Go To Prairie Acres, Friona's Nursing Home. We Desperately Need All The Land We Can Get. Lions Club Members Will Supervise The Hunt.  
Call The Chamber Of Commerce, 247-3491  
Or Drop A Card To Box 905, Friona.

Believe it or not you need your trees ordered within the next two weeks. These trees are for the 1977 spring planting.  
As we've said before, trees ordered from the Texas Forest Service should be kept in a garden area for the first year or two so they can be watered and weeded. After they are well started then they can be moved to their permanent place.  
Trees for windbreak planting are ordered directly from the Texas Forest Service. Order blanks can be obtained at the Soil Conservation Service in Friona or the County Agent in Farwell.  
Wildlife tree bundles can be ordered through the Parmer County SWCD. These bundles contain 150 trees and cost \$15.00.  
The bundles contain 50 Russian Olive, 50 American Plum, and 50 Eastern Redcedar. Some of the local people who have ordered wildlife bundles are Ralph Robinson, J.P. Sims and Dan Fortenberry.  
If you are interested call or come by the Soil Conservation Service Office in Friona.

### Murphree To Serve On Texas Baptist Board

Mr. Curtis W. Murphree, a farmer and member of First Baptist Church, Friona, was elected to serve on a Texas Baptist board during the annual meeting of the 2.2 million-member Baptist General Convention of Texas.  
Mr. Murphree will serve on the

board of trustees for Wayland Baptist College at Plainview, Texas.  
The State Convention, meeting in San Antonio, launched "Good News Texas," described by convention leaders as "the most comprehensive, unique evangelistic thrust in Texas history."

Plans include a state-wide \$1 million mass media campaign to climatize the state in support of Good News Texas through ministries of 4,400 Texas Baptist churches as well as the Convention's institutions, agencies and boards.

# Chiefs Thump Mules; Take District Lead

The Friona Chieftains braved the elements and took advantage of mistakes to stop a hard hitting Muleshoe team last Friday night and spoil the Mules' homecoming.

"We were extremely pleased with the defensive effort," said Chieftain head coach Lonnie Phillips. "It was probably our best of the year (defensively), holding Muleshoe to only 40 yards rushing and 20 yards passing when they've been averaging over 200 yards per game this season."

Coach Phillips cited Mitchell Smiley as having an outstanding night with six unassisted tackles, seven assisted tackles and two quarterback sacks. He also caused a fumble and intercepted a pass.

Others mentioned by Phillips for defensive honors included Mike Murphy with 10 assisted tackles and a fumble recovery and Keith Martin with 10 tackles. Martin led Friona with 144 yards rushing and scored both touchdowns.

"The defensive secondary played super," Phillips continued. "Todd Bandy and Clint Mears both got good interceptions, and Clint almost broke loose for a touchdown."

Junior Varsity runningback Eddie Brailiff was brought up to the varsity earlier in the week and had a very impressive debut with the team pouncing out 41 yards in 9 carries for a 4.5 yards per carry average.

The first half was a defensive struggle with neither team able to move the ball in the freezing weather. Friona won the toss and elected to receive. On the first play from scrimmage, Glen London broke loose for a 20 yard gainer and almost got away for a longer run, but was tripped up by a Mule secondary member to save a touchdown scramble.

The Chieftains made it to Muleshoe's 39 yard line on their first possession when their drive fizzled and they were forced to punt. Edward Castillo booted a high 39 yarder into the end zone and the Mules took over on their own 20.

The ball changed hands five more times in the first quarter with neither team able to sustain a drive, even though the Mules drove for two first downs to none for the Chieftains.

The second quarter was very much like the first with Muleshoe picking up another first down. The big exception was two fumbles by the Chiefs and one by the Mules.

A short Muleshoe punt gave Friona the ball at the Mules' 28, but the drive was blunted by an intercepted pass on fourth down.

The second half was controlled by the Chiefs as they came out with an unbalanced line, which confused the Mules. After the opening kickoff of the second half, Muleshoe fumbled on their own 30 and Friona recovered only to drive to the Mules' 24 and stall out.

The Mules were stopped on their possession and forced to punt. Friona took the ball on their own 32 and on the first play, Keith Martin scrambled for 22 yards to the

### Club Sets Dad's Night

The Friona Booster Club met in the high school cafeteria on Tuesday night, November 2. Meetings start at 8 p.m.

It was announced that Dad's Night will be observed the night of the Olton game. All Dads are asked to be at Chieftain Field no later than 7 p.m. as presentation of the Dads will begin at 7:10.

Muleshoe 36. From there it was all Chieftains as the Red Rage ran over the Mules. Martin took the ball in the last eight yards on a sweep around the right end. Edward Castillo kicked the extra point and the Chieftains led it by a 7-0 count with 5:09 left in the third stanza.

The defense held Muleshoe following the kickoff, and sacked the quarterback twice, forcing the Mules to punt once more. The Chiefs took over on their own 35 and four plays later Martin broke loose for 47 yards to the Mules' 7. He had to be forced out of bounds from behind.

The Mules held tough, stopping the Chieftains twice inside the five, but on fourth and goal, Martin kept the ball and slid through for the TD. The score came on the first play of the fourth quarter. Cold hands caused the snap to be mishandled, and no kick was gotten off, but the Chiefs were on top 13-0.

The fourth quarter was filled with turnovers, as there were two fumbles and two interceptions, one by each team.

The Chiefs threatened to score on two other occasions before the cold game ended. Another short Muleshoe punt gave Friona the ball at Muleshoe's 48. Brailiff gave Friona a first down at the 35 with a five-yard gain.

Martin ran around the right side for 21 yards to the Muleshoe 20, and three plays later, Brailiff ripped seven yards to the Mule five. He almost went all the way. Friona had first and goal, but on third down from the three, a Chieftain was caught clipping and the team was moved back to the 19. On fourth down, a field goal attempt by Castillo was too short and low.

Muleshoe stopped another Friona threat with about a minute to go, and the Mules took to the air in an attempt to avert a shutout in front of their homecoming fans. The decision almost cost Muleshoe another Friona TD.

On the last play of the game, as Muleshoe hustled to get the play underway, the quarterback was rushed, and he tossed the ball in haste. Clint Mears grabbed the ball

at about the Mules' 40, and set sail down the right sideline. He almost made it to the end zone, but was shoved out of bounds at the Muleshoe five.

The game ended 13-0 with Friona handing Muleshoe their third district defeat. The Chieftains are now 3-0 in district and in sole possession of first place. The fans braving the freezing weather held a little pep rally in the stands following the game.

"The kids are really excited. We're ready to play some more ball," concluded Coach Phillips.

The Chieftains' biggest game of the year will be Friday, November 5 against the Dimmitt Bobcats in Dimmitt.

LONDON GAINS...Chieftain fullback Glen London (32) is shown ripping off a nice gain in last week's

13-0 win over the Mules at Muleshoe. London broke for a 20-yard gainer on the first offensive play of the game,

and almost broke all the way for a touchdown.

The seventh and eighth grade games were called off last week due to weather conditions.

This Thursday they met Dimmitt for the second time this season. The games were played at Dimmitt. The only results known at press time were the scores, with the seventh grade losing their first game of the season 12-6 and the eighth graders tying Dimmitt, 8-8.

A difference in the schedule has been announced for the final games of the seventh and eighth grades which are against Olton. These games will be played Tuesday, November 9, here.

**THE QUIET PHONE.**  
(It doesn't shout "telephone.")

It's the handsome Styleline® telephone. Its quiet elegance won't clash with any decor.

Styleline phones come in wall or desk models and many colors, both delicate pastels and bold accents. Handsets are available with either rotary dial or pushbuttons in Touch-Calling areas.

So get the phone that doesn't yell "telephone!" It's a great conversation piece. Call our business office today.

TIE-BREAKER (Pick Score) FRIONA \_\_\_\_\_ OLTON \_\_\_\_\_  
 NAME \_\_\_\_\_  
 ADDRESS \_\_\_\_\_

**PRESENT CHECK....** Prairie Acres Nursing Home was presented a check for over \$300 recently from the Friona High School Class of 1976. Class sponsors, Shirley Morgan and Jerry Shelton, flank nursing home

administrator Merv Noah and Lucinda Aguirre. Miss Aguirre, who was a member of the class, is now employed as a nurse's aide at Prairie Acres.

## Frosh Lose, JVs Tie In "Slush Bowl"

On Thursday, October 28 the freshman and junior varsity teams took on the Muleshoe teams at home. Both games were played with 20 minute halves as the weather conditions did not permit anyone to see the yardmarkers.

The Jayvees came out with a 0-0 tie. Actually the team played well considering the conditions. Neither of the teams could get a sustained

drive going, but Friona avoided a loss on the final play by intercepting a Muleshoe pass.

The Freshmen didn't come out as well as far as the score went, but played a good game. Muleshoe got their score on their first drive of the game. Friona was coming strong at the end having a good drive going when time ran out. The final score was 6-0, Muleshoe.

## Roberts Win Trip

### Temperatures

Mr. and Mrs. Jim Roberts of Roberts Appliance in Friona have won a trip to London, England for one week from The Whirlpool Company, in a national contest that began in October.

The trip was won by purchases and sales from the Whirlpool factory. While in London, Mr. and Mrs. Roberts will be taking several sightseeing tours and will attend a hit play at one of the theaters.

Jim and Betty say they appreciate the acceptance which they have received since opening their Friona store, which was partially responsible for their special trip.

Date	Hi-Low
Saturday, October 30	43-32
Sunday, October 31	64-32
Monday, November 1	62-37
Tuesday, November 2	68-35
Wednesday, November 3	71-35
Thursday, November 4	54-33
Friday, November 5	61-36

No precipitation.

**VOTERS...** A portion of the record voting turnout is shown getting their ballots during Tuesday's general election. Voters are Donita Martin,

Eune Martin and Bill McGlothlin. A total of 1358 people voted in the Friona precinct.

## THIS SIGN STOPS LOST HEAT at the edge of town

When it comes to heating bills, Lost Heat is the villain. You can stop him... with the Energy Efficient Home... If you're thinking of buying or building a new home, look for the sign that says "Energy Efficient Home". Because the Energy Efficient Home is designed for greater heat-saving, energy-saving efficiency, you can stop Lost Heat and save money. So, be sure to look for the sign, or call The Electric Company and get all the information on the Energy Efficient Home.

## Senior Citizens Elect Officers

A record crowd gathered Friday, October 29 for the regular meeting of the Friona Senior Citizens.

Following the noon luncheon, a short business session was held. For the benefit of several new members, the by-laws of the organization were read. Officers for 1977 were elected as follows: Mrs. Velma Lovett, president; Mrs. Clyde Goodwine, vice president; Mrs. Hazel Wier, secretary; and Mrs. Mabelle Hartwell, treasurer.

Those attending the meeting were: Mr. and Mrs. A.W. Anthony, Sr., Mr. and Mrs. Ellis Barry, Mrs. Blanche Boyle, Mr. and Mrs. Joe Douglas, Mrs. Mary Dixon, Mrs. Orma Flippin, Mr. and Mrs. T.E. Lovett, Clyde Goodwine, Mrs. Selma Habbinga, Mrs. Mabelle Hartwell,

Mrs. Robbie Hughes, Mrs. Thelma Hutson, E.M. Jack, Lora Mae McFarland, Mr. and Mrs. David Moseley, Mr. and Mrs. Joe Moyer. Also, Rev. and Mrs. David Plumb, Rev. and Mrs. Bobby McMillan, Mrs. Ann Shackelford, Mrs. E.E. Taylor, Mrs. Maggie Tims, Mr. and Mrs. Gib Trigg, Mrs. Viola Treider, Mrs. Lois Weatherly, Mrs. Hazel Wier, Mrs. Evelyn Wendt, Mrs. Jewell Wells and Mr. and Mrs. Otho Whitefield.

STEPHEN O. KNOX

## Stephen O. Knox To Complete Study

Stephen O. Knox plans to finish his Ph. D. work in 1977, with his thesis probably in the field of rf plasma heating.

Stephen Knox has been interested in plasmas and the problems of controlled thermonuclear fusion since he was first employed as an undergraduate assistant in the Plasma Physics Laboratory at Texas Tech University, Lubbock.

As a National Science Foundation Undergraduate Research participant, he modified an existing plasma device to be useful in a plasma wave experiment. He continued this work as a graduate student, performing the wave

experiment as part of his master's thesis.

The results from this experiment have been presented at several plasma conferences and have also appeared in the Journal of Applied Physics.

After graduation, he hopes to work in some aspects of thermonuclear reactors. Mr. Knox's nomination was submitted by Professor M. Kristiansen of Texas Tech, and supported by F.J. Paolini of the Plasma Physics Laboratory, Princeton University.

Knox is married to the former Susie Carmichael.

## Turkey Dinner Set Sunday

The 16th Annual Turkey Dinner, sponsored by St. Ann's Society of St. Ann's Catholic Church, will be held Sunday in Parish Hall of the church. Serving will begin at 11:30 a.m. and continue until 2 p.m. Admission will be \$2.50 for adults and \$1.50 for children under 10.

Menu for the annual event will be baked turkey and dressing, creamed potatoes, green beans, cabbage slaw, cranberries, French bread, pumpkin or chocolate cake and tea or coffee.

Door prizes will be given and a hand-made bicentennial quilt will be raffled at the conclusion of the dinner. A Country Store will also be featured.

The dinner is a popular event in Bovina and a large crowd usually turns out each year. Everyone in the community is invited to attend.

## Huddle Group Met Monday

The F.C.A. Huddle Group met at the home of Cliff McLellan.

Thirty-two boys were present.

The meeting started with an opening prayer by Todd Bandy. They also divided up to talk about their feelings referring to the Bible. The meeting was adjourned and refreshments were served.

The next F.C.A. meeting will be held in the High School Cafeteria on November 15 at 8 p.m.

MR. and MRS. FLOYD DUTTON.... Mr. and Mrs. Floyd Dutton of the Hub Community are celebrating their 40th wedding anniversary on Sunday, November 14 from 2 to 4 p.m. in the Hub Community Center. Floyd Dutton and Bertha Mae Williams were married in Olton,

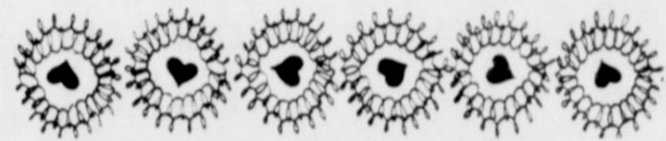

Texas on November 14, 1936. In 1949 they moved to the Hub Community where they now reside. Their daughter, Mrs. Gene Radford of Buffalo, Oklahoma, and two sons, Joe Mack Dutton of Hereford and Billy Dutton of Friona, are hosting the reception.

## Puppet Show Slated Here

"It's Cool in the Furnace," a puppet show, will be presented at Calvary Baptist Church, Sunday, November 7, at 6 p.m.

The church's puppet ministry will be in charge of the biblical-based show for the evening. The puppets relay Bible truths to children in the church's two Children's Churches each Sunday morning.

The public is invited to the services November 7, 1976, 6 p.m.

# DEKALB HYBRIDS FIGHT SMUT

## Proven In 1976 University Test

The best answer to the head smut problem is simple. But, it's hard to come by. That's corn hybrids with head smut resistance.

DEKALB's got 'em. Hybrids with top yield potential and head smut resistance. It's proven.

A 1976 Texas A&M University Test showed DEKALB can deliver head smut re-

sistance. And better yet, the DEKALB hybrids that demonstrated the most head smut resistance are also delivering top yields to local farmers. That means no yield sacrifice for head smut resistance.

There's no question that there is a difference among corn hybrids when it comes to head smut resistance. So see your DEKALB dealer today. Put in your order for the DEKALB Smut Fighters:

## XL-75

DEKALB XL-75... It stands great, yields big and fights head smut. Here's the new leader in Texas Corn Country. XL-75 produces big, hefty ears packed with quality grain. It has an outstanding record in DEKALB Performance Tests and in farmers' fields. And, it was found to be extremely resistant to head smut in a 1976 university trial.

## XL-372

DEKALB XL-372... It's a big eared beauty that fights head smut. A top-performing hybrid with high head smut resistance ratings in a 1976 university trial. Produces large, girthy ears at high or low populations. Excellent stalks, strong shanks. DEKALB XL-372 has an attractive field appearance with its semi-upright leaves and healthy, robust look.

**Way Ahead With Research**

"DEKALB" is a registered brand name. Numbers designate hybrids.

# HORIZON HYBRIDS

...bred for the BIG LAND  
In the corn belt in Iowa and Illinois... conditions are right for growing corn. Out here, the land is tougher, windier, dryer. You need a rugged corn. You need Horizon Hybrids... bred for the Big Land.

By June Floyd

Phone 247-3681

With Your News Item

It's good to be home! There isn't a better way to become aware of how much you appreciate home and friends than to go away for a week or two or three.

Even though we were away from home, we were not really away from friends and acquaintances. The two weeks we spent at Stovall Well, a hot mineral bath place between Graham and Breckenridge, we had neighbors from Friona.

Mrs. Lucy Jones and Mr. and Mrs. Frank Snyder were there when we got there. So was Mrs. I.D. Grimsley of Olton. She's David's mother. Then before we left J.C. and Nina Redwind, Charles and Cora Snyder and Randy and Debbie Snyder came down.

The weather was beautiful. There were so much color in the trees and shrubs when we first got there. Then the earlier than usual freeze eliminated most of the green except the fields of wheat.

Fishing was supposed to be good at the dam on the clear fork of the Brazos near an old town, Elisaville, but luck just wasn't with the Frionans. Graham and Elisaville are both old old towns and for some reason Graham prospered and Elisaville withered away.

At Elisaville we met Bennah Burton Pratt. She lived in Friona a number of years and graduated from high school here in 1934. Her father was a blacksmith.

She said she would have attended our recent all school reunion had she known about it, so I'm having her name and address added to the list of ex-students. Maybe she can attend the 1980 reunion.

Several other persons we met were from this section of the country. One couple, Conway and Bernice Clingan of Lubbock. They're friends of Floyd and Mary Johnson and know Herschel and Edith.

Then, Monterrey and Otto Kaufman were from Altus, Oklahoma, and know Mr. and Mrs. Ray Scott.

One of the nice things about the neighbors down there was that you could always find someone interested in taking a walk or playing games.

+++  
The first bicentennial greetings we saw were near Denver City. Shell Oil Company and maybe another company or two had painted the oil pumps red, white and blue and decorated them with stars. Then a colorful sign reading, "Happy Birthday America," had been placed near the pumps.

Then as we drove from Graham to

Garland, we went through one town where all the trash trucks were painted red, white and blue. A most attractive mailbox was near the city limits of Springtown.

It is always a treat to get to see an old Texas courthouse. At least three towns in that part of Texas still maintain their original courthouses. The one at Jacksboro is similar to the ones at Decatur and Weatherford and they're all interesting.

Who would ever select "Dark Corners" for a name for a cemetery? There is a sign pointing to a country cemetery by that name between Jacksboro and Fort Worth.

Last summer I was surprised to learn that I could lose my purse at Amarillo Airport and get it back. On this trip I was even more surprised to learn that I could leave my billfold in a telephone booth in the industrial section of Dallas and get it back with all contents intact.

This time, Tom Lomax, who lives at 722 Grenoble Street in Grand Prairie, walked into a telephone booth about 4 p.m. and picked up the billfold I had left there a few minutes earlier.

Among other things it contained the telephone numbers of all our children, so by 10 p.m. he had called and reported finding it.

He returned it and refused a reward for finding it. He mailed it to me, so we didn't have the pleasure of meeting him. It is refreshing to know that there are still honest people wherever you happen to go.

+++  
The J.R. Varners have had company Their daughter, Gail, and her husband, Bob Trevison, and children of Fayetteville, North Carolina have been here.

This was the first time the Varners had seen the grandson, Jeffery, who is fifteen months old. The Trevison's other children are Deane and Stefanie.

Trevison is serving in the United States Armed Forces.

+++  
Mr. and Mrs. Raymond Hughes are home following a two week trip, which took them all the way to the West Coast. They were accompanied by Mr. and Mrs. Davey Hughes of Butler, Oklahoma.

Raymond and Davey are brothers and their wives are sisters.

+++  
They visited relatives in Reedley, Stockton and Marysville.  
+++  
A recent report from Duncan, Oklahoma, is that Jack Brown's condition is improving. He recently had a new pacemaker installed and spent some time in the hospital.  
He and Flossie lived here several

years before moving to Duncan two or three years ago.

+++  
Thelma Johnson and Ruth Edelman are both hospitalized in Amarillo. Ruth has had bone surgery and is presently making satisfactory progress.

Wednesday of last week was Thelma's birthday and she was able to come home Tuesday afternoon. Several friends attended a birthday party for her Wednesday evening.

Then it was necessary for her to return to Amarillo, where she's a patient at High Plains Baptist Hospital.

+++  
The shape of things to come depends largely on our mental diet to-day.

+++  
Laverne Parr returned home on Tuesday, November 2, from visiting her daughter, Sandra Roots and husband L.C. and children, Ruthetta, Rachel, Tim and Tom, in Berrien Springs, Michigan for two weeks.

While Mrs. Parr was in Michigan Ruthetta celebrated her sixteenth birthday on November 2.

While there, they visited the Amish Community and watched Rachel play basketball. Their team is undefeated.

CINDA KAY JOHNSON and DAVID SCHEEF...Mr. and Mrs. Leroy Johnson of the Hub Community and Mr. and Mrs. Walter Scheef of Lorenzo, Texas, announce the engagement and approaching marriage of their children, Cinda Kay and David. The couple will exchange vows on Saturday, January 8 at 5

p.m. in the First Baptist Church, Friona. Miss Johnson is a 1974 graduate of Friona High School and is attending Texas Tech University. The prospective bridegroom is a graduate of Lorenzo High School, attended Texas Tech University, Lubbock, and is presently engaged in farming in the Hub Community.

## Cuddle Group Met In Smiley Home

The F.C.A. Cuddle Group met on Monday, November 1 at the Ronald Smiley home.

There were thirty-one girls present. They were: Vickie and Cindy Smiley, Jenny Scott, Varla Welch, Kim Frye, Jatun Widner, Diane Bennett, Paige Osborn, Sylvia Malouf, Donna McBroom, Karen Patterson, Diana Gustin, Debbie Menefee, Cindy Cleveland, Brenda Schilling, Robin Zetsche.

Also, Rhonda Parsons, Linda Nelson, Dana Miller, Sarah Mears, Kimber Britting, Johanna Thorn, Shannon Parr, Linda Anthony, Evelyn Hart, M'Lynda London, Julie Owen, Pam London, Becky McLellan, Susie Noah and Priscilla Pruett.

The meeting was opened with a

prayer by Kim Frye. Coach Al Lemons presented the program. The members were divided into six groups to discuss the feelings and different moods. Different scriptures were looked up in the Bible, pertaining to the feelings of the members. Then the members joined to make a big group to discuss the feelings.

The meeting was climaxed with a closing silent prayer and a prayer was given by Coach Lemons. Refreshments were served.

## Library Report

"The Bone Hunters" by Url Lanham is available at Friona Public Library.

In ancient geological times, the heart of North America from the Arctic coast to the Gulf of Mexico, and from Utah nearly across Kansas, was covered by the Cretaceous Sea. This shallow sea which has been called the American Mediterranean, washed a shoreline inhabited by dinosaurs.

In its mild skies flew great leather-winged reptiles and dainty sea birds. Fishes several yards long thronged the waters, in company with an astonishing assortment of gigantic swimming reptiles, some resembling the fishes in shape and habits, others paddling heavy turtle-like bodies that bore a long sinuous neck and toothy skull. All had long since disappeared into the eons of geological time when men began opening the Great West: but by the 1860s the first traces of them had reappeared and the race of the bone hunters was on.

Here is an American West not of stampeding cattle and gun-toting outlaws, but of ancient fossils and dedicated scientists-yet as exciting as anything Buffalo Bill ever knew.

## Rummage

### Sale Nets

Over \$1,000

Mrs. Sloan Osborn, president, conducted the regular meeting of the Friona Hospital Auxiliary held in the sun room of Farmer County Community Hospital Tuesday, November 2.

Sixteen members were present for the organization's meeting.

Mrs. Dan Ethridge read the revised by-laws and constitution to be adopted at the next meeting. Mrs. Ron Davenport reported that the rummage sale had grossed more than one thousand dollars, and will close on Friday, November 5.

The Auxiliary wishes to thank everyone who helped make the sale a success.

New members of the group are Mrs. Jewel Wells, Mrs. Ova Outland, Mrs. Helen Bailey and Mrs. Betty Talley.

The meeting closed with a prayer by Betty Talley.

CAROLYN WISEMAN

KEVIN WISEMAN

## Club Members Attend Fall Board Meeting

Members of Friona's three federated women's clubs participated in the seventeenth annual fall board meeting and workshop of Caprock District, Texas Federation of Women's Clubs, October 16 in

## Program Highlights Meeting

The Progressive Study Club met on Tuesday, October 26 at the Federated Club House for a program entitled "Female Poll Power."

Betty Mabry presented some devotional thoughts. Roll call was answered with "Political Potential." A panel discussion on "Knowing Your Candidates" was presented by club members, Nancy Edelman, Linda Warren and Mary Reed.

Hostesses, Johnnie Walters and Wahleah Beck, served refreshments to thirteen club members and one guest, Mrs. Betty Lamb.

Three local women hold district appointments. They are Mrs. Jimmy Mabry, chairman of the ethnic culture division of the Texas Heritage Department; and Mmes. C.W. Dixon and John Bengler, members of the courtesy committee.

Presidents of Friona's three member clubs are Mrs. Dave Thompson, Modern Study Club; Maxine Loafman, Progressive Study Club; and Mrs. C.C. Maurer, Friona Woman's Club.

Mrs. Jack M. Akin of Denver City is president of the district, which includes 63 clubs. The district's major project continues to be Girlstown USA at Whiteface.

The Texas Federation of Women's Clubs, founded in 1897 and headquartered in Austin, provides opportunities for 100,000 women across the state to serve their communities while expanding their personal interests and education.

It is a part of the General Federation of Women's Clubs, the largest group of federated women in the world. GFWC is headquartered in Washington, D.C.

## Wisemans Named In "Who's Who"

Kevin and Carolyn Wiseman have been selected as Who's Who Among American Colleges and Universities nominees of 1976-77 at Wayland Baptist College, Plainview.

Carolyn, daughter of Mr. and Mrs. Curtis Murphree, 1607 W. 10th, Friona, is a 1973 graduate of Friona High School. She is active in Student Foundation, Concert Choir, and is a former member of the Spirit of America Singers. She participated in the Miss Wayland pageant in 1973 and won the talent competition and was second runner-up. She was named outstanding freshman woman during her freshman year. She carries a 3.81 grade point average.

Kevin, son of Mr. and Mrs. Buddy Wiseman, 905 W. 6th, Friona, is also a 1973 graduate of Friona High School. He has been active in the Fellowship of Christian Athletes, Student Foundation, Baptist Student Union, and carries a 3.48 grade point average. He has served as president of Fellowship of Christian Athletes for two years and captain of the track team. He was presented the

Physical Education award in the past school year.

Kevin and Carolyn both have been on the dean's honor roll several times. They serve as co-counselors of Brotherhood Hall.

## Scout Troop Met Monday

Girl Scout Troop 325 met Monday, November 1. The troop picked the white rose as their troop crest.

Seven girls, two leaders and one visitor, Lynn Hand, were present. The troop is planning an overnight on November 18 and 19. They are going to cook supper, do crafts for their mothers, fathers and guests. The members are presently working on invitations for the parents and guests.

## THANK YOU!

My deepest thanks for your continued good will and support.

I shall continue my best efforts in behalf of all the people of our district and the nation.

George Mahon

**BOOST THE BAND...**Members of the Friona Chieftain football team painted signs early this week and then turned out to give the Chieftain

band a sendoff to the UIL marching contest at Lubbock Wednesday. The band received a plaque and a "II" rating in the annual competition.

## FBI Guest Presents Study Club Program

Mr. Glenn D. Rosenquist, agent in charge of the Dallas division of the F.B.I. was guest speaker at the regular meeting of the Modern Study Club Tuesday evening, November 2.

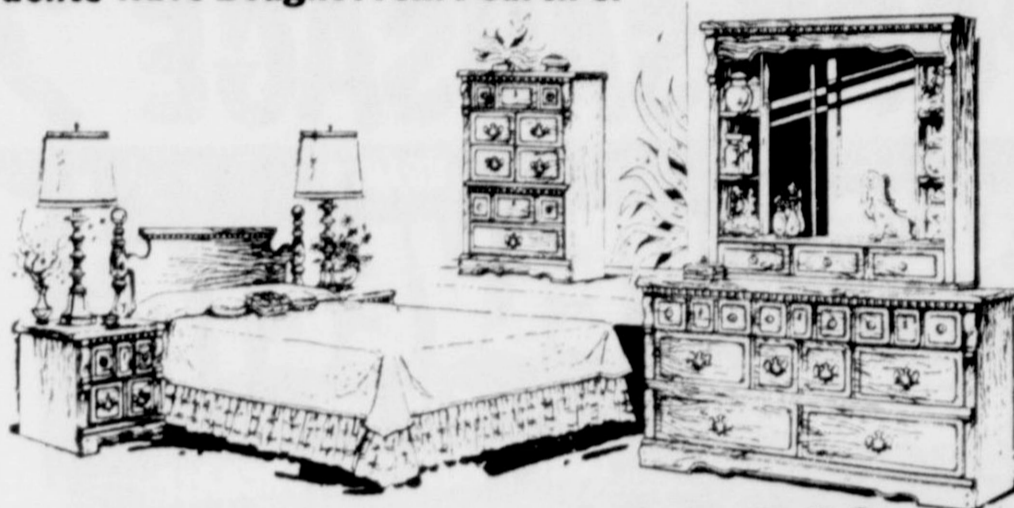

His talk "Crime and What We Are Doing" stressed the fact that citizen responsibility is the best crime deterrent. In 1976 eleven million serious crimes were committed in the United States, a ten per cent increase over the previous year. School age crimes, said Mr. Rosenquist, showed the biggest gain-and school crimes alone cost

our country \$600,000. Mr. Rosenquist said the F.B.I. has always been an investigative body but is presently working on a study of the causes of crime. The study findings will soon be published in book form and will be available to all law enforcement officers. Following his talk Mr. Rosenquist held an informative question and answer session.

A devotional "The Accidents" was given by Mrs. Eva Miller. The hostesses, Lora Mae McFarland and Mrs. Dan Ethridge, served tea and cookies to nineteen members and twenty-two guests.
