## Farmers Poised For Good Harvest Season

**I REMEMBER** the first time I ever tasted a real, drugstore milkshake. Kids of modern times may take them for granted, but they were just a sometimes delicacy for those of my generation and before.

We lived out on the farm, 20 miles from town, and the only time you went to town was the regular shopping trip on Saturday afternoon. And if it was a busy time of year, such as harvest time, the men folk might not get to stop on Saturday afternoon.

So, the opportunity for such treats as milkshakes were not as handy as it might have been for "town kids."

We had a big old earthen water tank on our place, and that tank was quite a delight for children. It was used to provide water for the cows and horses, but children used it for other purposes as well.

In a round-about way, the old earth water tank contributed to my first milkshake. We were living on the place near the Longview community in Bailey County, so I must have been only four or five years old. It had to be at Longview, because we didn't have a water tank at the place near Baileyboro, where we later moved (where we were living when I started to school, in 1943).

Anyway, my younger brother Darrell and I liked to take cane stalks left over from grinding grain and throw them into the big old earth tank. The stalks would make marvelous "ships," and the tank probably was the ocean itself for a little boy out in semi-arid West Texas.

But throwing cane stalks can be hazardous, and on this occasion, I cut my hand on one of the stalks, and in time had developed an infection that called for a rare event—a trip to town in midweek, to see the doctor.

I remember they said the doctor "lanced" my hand, and perhaps made a stitch or two. It was a frightening experience.

So, my grandpa, Willie, came up with just the thing to make me forget the painful visit to the doctor's office.

"This is something you've never had, and I'll bet you can't get all the way through it," he said, taking us to the old Western Drug Store there in Muleshoe.

At that time, they used "real" ice cream to make malts and milkshakes, taking big scoops of creamery-made ice cream, and filling a big metal can up to a point, adding milk and flavoring, etc., then putting the can on the mixer to let it whirl away for a minute or two.

The concoction was then poured into a large-mouthed glass, which wouldn't nearly hold all of the milkshake, and we had one of our first drinking experiences.

We can still remember the cold, wonderful taste of that milkshake, and our futile attempt to finish the "whole thing." Wouldn't it be great if you could get one that good today? It couldn't have cost over 15 cents, but it made an impression that has stayed with me for years.

**WHAT GREAT** weather we have had for the better part of the past week. Except for Friday, which turned off cool and rained a little, the days for the most part have been "Indian Summer," and that is just what this area needs for the next few weeks.

The corn harvest is already underway in the area, primarily by those with drying facilities. The hot weather we have had the past few days will help all of our crops mature. The cotton can still use as much hot weather as it can get, in order to produce a maximum yield with good quality.

This is an enjoyable time of year, when the days are like they have been lately. But it is also an unpredictable time. You never know from one day to the next how to dress, because the weather may change abruptly.

With near ideal weather conditions prevailing in the area during the past week, harvest operations were beginning to pick up their pace, and observers indicated it would really get busy if the weather continued to be good.

Harvest of corn, the biggest acreage crop in the county, has begun on a limited basis, mainly by those having on-the-farm dryer systems.

But if the hot weather continues

another week, there could be a lot of corn ready to harvest, according to one observer.

Meanwhile, harvest of soybeans and sunflowers has begun. The maize harvest will be later than the corn, and may require a frost to mature the crop. Cotton needs as much time as it can get, gaining more maturity as long as the killing frost holds off. The past week has helped this crop tremendously.

"From what we have heard, some seem to think the corn yield will be much better this year than the past year or two. Some are talking about the possibility of 10,000 pounds per acre yields. Of course, some had hail damage, and this will affect their yields accordingly," said Ron Smiley, manager of Friona Wheat Growers elevator.

Another bright spot for area farmers is the fact that the corn market, which stood at \$5.18 per hundred at the close of business on Thursday, was running about \$1.00 per hundred above the price of a year ago. This could be a big plus, especially coupled with the better than average yields.

"But when you consider that production costs have skyrocketed, due to the cost of fuel, machinery, interest, etc., the farmers need to have a good yield and price, in order to come out with a profit," Smiley said.

One thing which probably added to the projected good yields was the fact that the area received a number of good rains during the growing season. Also, the summer was not quite as hot as usual, which may have kept the crops from suffering.

As to the rail car situation, Smiley said that this problem was still facing local shippers. "We were promised 50 or 60 cars this month, and have received only about 15. We're running about 95 cars behind schedule, but if we can keep getting cars, we might make it without having to pile the corn on the ground," Smiley said.

This situation was a problem last summer in the Northern Panhandle, where a record wheat crop caused elevators to have to dump the grain on the ground and in the streets, and considerable loss was sustained due to rains and spoilage.

One thing helping the shipping situation was the settlement this week of the shipper's strike in the Great Lake area. The Rock Island Railroad strike, though not affecting the Friona area directly, could affect the grain shipment to a degree, since every available car is needed when the harvest hits its peak.

At the present time, it appears that Friona and Parmer County are poised for a good harvest season. But agriculture observers maintain a cautious attitude, until the crops are in, sold, and the money is in the bank.

## Peggy Pope Wins In Week Of Upset Games

Peggy Pope survived the week of upsets and tie games to claim first place in the Friona Star's football contest in the third week of the annual event.

Mrs. Pope had a score of 16, and was the only contestant of the 198 who entered for the third week to score that high, claiming the first prize of \$10.00.

Seven contestants had scores of 15, and from this list, the second and third weekly prize winners were selected. James Whitson of Muleshoe claimed second place money of \$6.00, on the basis of his tie-breaker score on the Friona-River Road game. Whitson picked Friona, 21-14, and missed the actual score by 14 points.

C.H. Veazey took third place, picking 15 games correctly and missing the score by 15 points. Veazey said the Chiefs would win, 19-13.

Other contestants correctly picking 15 games were Glenna Holt, Edward Burchett, Lee Roy Nuttall, Kay Nuttall and Bobby Drake.

Ten contestants correctly picked 14 games correctly, and moved up in the standings. They were Rodney Allen, Clay Bandy, Rolando Caballero, Alan Monroe, Wright Williams, Mark Neill, Charlie Veazey, Danny

Guerra, Ron Smiley and James Clark.

Mrs. Nuttall's score of 15 elevated her into first place in the overall contest standings, with a score of 48 after three weeks.

Danny Guerra, Joe Santellano and Richard Wilson are next with scores of 46, followed by James Clark, Jimmy Evans and C.H. Veazey with 46.

With two tie games on the slate, plus a number of upsets, the scores suffered for the most part. The winning scores the first two weeks had been 20 and 19. Scores went all the way down to a low of five correct. The previous low score for any week had been an eight.

The Littlefield-Slaton and Texas Tech-Arizona games ended in ties, and were counted wrong for each contestant. Other often missed games were Texas A&M over Penn State, Purdue over Notre Dame, Lockney over Olton, Washington over St. Louis, Miami over Chicago, Kansas City over Oakland and Tampa Bay over Los Angeles.

Scores of the contestants can be found on an inside page.

Contestants are shooting for a grand prize of \$100, \$25 or \$15.00 in the annual contest.

**UPSET CHAMP....**Peggy Pope shows her co-worker at Friona State Bank, Ted Procter, how she picked the games and became first prize winner in a week marred by

upsets and tie games. Mrs. Pope's score of 16 was the lowest for a winner this season, but looked good as the average score for the week was 11.

**SPIRIT BOOSTER....**Ron Cain, right, is shown selling Glenn Reeve, Jr. a "Bad Bandana," which the Friona Booster Club has been selling as

a means of boosting school spirit. "We want to urge the support of all school activities and functions, not just athletics," Cain says.

## Boosters Spearhead Drive For Support

The Friona Booster Club is spearheading a drive to boost the spirit and support for all school-related functions.

"We need to support our kids, whether they're in football, band, speech or whatever. We're urging all residents to be a real supporter of our youngsters, and to do whatever they can to lift their morale," said a spokesman for the club.

The Boosters have been selling the "Bad Bandanas," and are urging all fans to wear or carry their bandanas to the football games, and to display

them as evidence of their support. At the Booster Club meeting this week, the Seventh Grade Braves were the honored guests. The various coaches reported on the past week's games. The group viewed the film of the Chieftain-River Road game.

The club also plans to sell Chieftain pens and plaques as a means of raising money.

A good crowd of around 50 people attended the meeting this week. Anyone interested in attending is urged to come on Tuesday at 8 p.m. at the high school cafeteria.

**TESTS NEW TOOL....**Friona Fireman Paul Bush, assisted by Richard Wilson, is shown testing the new "Jaws of Life" tool which the local fire

department received recently. Members of the department were given a demonstration on the use of the machine at their drill last week.

## Hearing Tests Are Set Here

Ramona Slover of Amarillo will be at the Friona Senior Citizens House of Friendship on Wednesday, October 3, between the hours of 2-4 p.m.

She is with the Associated Hearing Industries, and will test hearing, as well as their hearing aids.

Art classes are scheduled in the near future, and the center needs volunteers in tile painting, oils or decoupage.

A spokesman for the club says that quilting and other crafts are in full swing at the House of Friendship, and new members are welcome.

# FRIONA FLASHBACKS

....from the files of The Friona Star

**50 YEARS AGO--SEPT. 27, 1929**  
The Santa Fe Grain Company has this week begun the removal of the old warehouse on its property on Main Street just north of the railroad siding. This is one of the oldest buildings in Friona and was at one time located near the center of the city from which place it was moved to the location above mentioned, and since the organization of the Santa Fe Grain Company, the building has been used as a storage room for feeds, salt and other commodities handled by the company.

**45 YEARS AGO--SEPT. 28, 1934**  
Costly fumbles prevented the Chiefs from dedicating the new Chieftain Stadium with a win last Friday when they played the Adrian Highs to a scoreless tie.  
The contract for carrying the mail over the newly established star route from Friona to Summerfield and return, which is advertised to begin on October 1, was let to Lloyd Pope, son of Mr. and Mrs. Oscar Pope, he being the lowest bidder for the contract.

**40 YEARS AGO--SEPT. 29, 1939**  
Another very disastrous farm fire occurred in the Friona territory about 2:30 a.m. Saturday morning, when

the barn on the G.L. Mings farm was destroyed as was the garage and the family car and a truck which were in it. A poultry house with a large number of chickens and a grainery with about 2,000 bushels of wheat, also burned.  
The Parmer County Commissioner's Court voted unanimously Monday to allow discounts of one to three per cent on county and common school taxes for the current school year, in accordance with a bill passed by the last session of the Legislature.

**35 YEARS AGO--SEPT. 29, 1944**  
Mrs. G.H. Brock, who lives in the Parmerton Community, was injured when a glass jar exploded as she removed it from her pressure cooker. A piece of glass cut a gash on her hand, and several stitches were required to close the wound. She escaped with only slight burns about her ankles.  
Judge and Mrs. David Mosely attended the School Annual War Conference of the West Texas County Judges and Commissioners Association at San Angelo, last week. They returned home late Tuesday night.

**30 YEARS AGO--OCTOBER 1, 1959**  
Laura Hart of Friona won first place and a check for \$7 for her guessing efforts in last week's session of the Cotton Bowl Football Contest being published each week in The Star.

**10 YEARS AGO--OCTOBER 2, 1969**  
A 60-unit apartment complex to cost \$908,000 was announced this week for Friona. Completion of the project, most elaborate yet announced for the city, is scheduled for sometime in 1970.  
The Navy Recruiting Station, Clovis, announced today that Joe Louis Moet, Seaman recruit, United States Navy, was named Recruit Honorman for Company 486, at the Naval Recruit Training Center, San Diego, California.

**5 YEARS AGO--SEPT. 29, 1974**  
Anna Adkisson, mother of Wilma Jones, Friona, and Mrs. A.H. Davis, Abernathy, will be honored Sunday, September 28 on the occasion of her 100th birthday.  
For the third straight year, Friona's Hart sisters swept top honors in the wheat contest at Amarillo's Tri-State Fair. Twelve year old Evelyn was crowned as "Wheat Queen" in the competition, with 17-year-old Holly gaining runner-up honors.

rather slow start in Parmer County, with much of the feed being too wet for harvest, or storage under the Commodity Credit 13 per cent moisture ruling. Cotton prospects are looking exceptionally good in a similarly slow starting harvest season.  
Mr. and Mrs. W.E. McGlothlin announce the engagement and approaching marriage of their daughter, Mary Bell, to Dale Westbrook, son of Mr. and Mrs. Bee Westbrook of Friona. The wedding is scheduled for Sunday, October 3, in the Friona Methodist Church.  
Mr. and Mrs. O.B. Moyer of Friona announce the engagement and approaching marriage of their daughter, Laura, to Dale Hart, son of Mr. and Mrs. Leon Hart of Friona. The wedding is scheduled for October 8.

AUBREY PARSON

## A. Parson Completes Training

Aubrey Parson, son of Mr. and Mrs. Jimmy Parson, will complete his basic training with the Army September 19. From there, Parsons will go to Alberdeen, Maryland, to train as a mechanic.

Parson is a 1979 graduate of Bovina High School. He joined the Army soon after graduation and was sent to Ft. Dix, New Jersey for basic training. After completing mechanics school, Parson will be stationed at Ft. Hood, Texas.

He won medals in rifle handling, sharp shooting and was top man in grenade shooting.

## Hub Grain Honored By Pioneer Seeds

Hub Grain Company was honored recently for outstanding sales achievement in 1979 as a dealer for PIONEER brand seeds. And to mark the occasion, the Friona, Texas company received a specially designed Silver Dollar Award from Pioneer Hi-Bred International, Inc.  
"Only 15 to 16 per cent of the approximate 800 Pioneer dealers eligible for this award will qualify each year," Jim Lindsey, president of the Plainview, Texas based company, noted in announcing this year's honorees. "And we're particularly proud of Hub Grain Company because of their effort in achieving

this goal."  
To make this kind of achievement requires considerable individual effort, Lindsey continued. And he noted that the most vital ingredient for the success of Pioneer is people like those at Hub Grain Company and the approximate 100 other 1979 award winners.  
Pioneer markets planting seed in the Southwest for sorghum, corn, cotton, wheat and alfalfa through dealers in Texas, Oklahoma and New Mexico. The Plainview based firm is a division of Pioneer Hi-Bred International, Inc., Des Moines, Iowa.

## Swine Assn. Is Formed

Parmer County swine breeders met at the Bovina Restaurant for a breakfast on September 20. The Parmer County Swine Breeder Association was formed. Officers elected were Max Eubanks, president, Farwell; JeDon Gallman, vice president, Friona; Gaylon Rhodes, secretary-treasurer, Bovina.

Board of directors are Richard Montgomery, Laurence Widner, Butch Willoughby, Benny Pryor,

Paul Smith, Scotty Windham and Seth Ralston.

Membership is open to any Parmer County swine breeder, and 4-H and FFA youth.

Parmer County Swine Breeders Association will sponsor a show pig sale to be held at Friona on November 6 at 7:30 p.m. Any interested producer needs to contact the County Extension Office for entry forms.

# REMEMBER WHEN?

Can you recognize these Friona brothers, from a picture made over 50 years ago? That's Wilton and C.L. Lillard, with their toy trucks in the yard of the old Jones house (now 302 East 10th Street). People change, and neighborhoods change. One thing which has remained the same through the years is our desire to be of service to the people of the Friona area.

**Reeds Have Baby Girl**

Mr. and Mrs. Ronnie Reed of Borger are the parents of a baby girl born Thursday, September 13 at 4:43 p.m. in Northwest Texas Hospital, Amarillo.

Named Tiffany Jade, the new arrival weighed five pounds, five ounces. Tiffany is the first child for the couple.

Grandparents are Mr. and Mrs. Frank Reed of Borger and Mr. and Mrs. Leeman Underwood of Perryton.

Clarence A-shcraft of Friona is the child's great-grandfather.

**Letter To The Editor**

Dear Editor:

As mayor of Friona, I have mailed letters this week to Andy Hurst and Tom Jarboe, expressing our thanks and appreciation to them for the service rendered on the Board of Governors of Prairie Acres Nursing Home.

Both have been on the board since inception of the home in 1976 and have seen it grow from its formative stage to a near-capacity situation.

I am sure I express the gratitude of the Home and Staff, as well as the residents of the community as we say "Thank You" to these men for their humanitarian and devoted service.

Sincerely,

WE RESERVE THE RIGHT TO LIMIT.

Boxed Beef is only the useable portions of the carcass skillfully trimmed and packaged through ultra-modern processing, then vacuum sealed and boxed for ease of handling. Cutting these portions to desired roasts and steaks does not require a trained butcher. In fact, many housewives across the country prepare the boneless cuts to their own requirements right in their kitchens. What a fine way to get just exactly the cuts you need and save dollars on quality beef at the same time. However, on any Boxed Beef purchase you make with us we gladly cut and wrap it to your own specifications.

**ADVANTAGES:**

1. Boxed Beef is naturally aged, thanks to its patented vacuum wrapping.
2. More sanitary-less bacteria.
3. You buy meat without the surplus waste fat and bone.
4. You save money in buying meat instead of bone, fat, and trimmings.
5. Quality controlled beef. Only the best beef is selected to go in the Boxed Beef program.
6. You can buy only the part of the beef that you want.

## Book Talk

By NELSON LEWIS

R.I.F.—Reading Is Fun! Fundamental to learning for sure. Can it be that among us there are those who have never learned to read? I do not refer to the lip-moving finger pointing, laborious task of spelling out one word at a time. Nor do I mean being well versed in so called "speed reading."

Reading for fun or for obtaining knowledge is a skill that requires practice. But this skill is the key to untold pleasure.

A sad commentary on our national educational programs is the lack of reading skills evident in many high school graduates. You doubt that? Then why are colleges introducing remedial reading courses for freshmen?

Small wonder that libraries are having trouble attracting new patrons!

No one enjoys an activity in which they cannot perform well. This winter I plan to tighten my concentration on the printed word and enjoy reading even more.

Isn't anything that can make life more enjoyable worth our best efforts?

## Bogges Family Has Get-Together

A get-together for the family of the late Mr. and Mrs. Ed Bogges was held at the home of Mr. and Mrs. Eugene Bogges Sunday evening, September 23.

Supper and visiting was enjoyed by thirty-one members of the family.

Those attending were Mr. and Mrs. T.A. Sherley, Hot Springs, Arkansas; Mrs. Kay Rogers and Jennifer of Lubbock; Mrs. Shirley Womble, Mr. and Mrs. Ricky Johnson and Mr. and

Mrs. Tony Johnson and Jeremiah, all of Canyon.

## Services Held For Christine S. Henry

Funeral services for Christine Sides Henry, 72, of Lubbock were held Tuesday, September 18 at 1 p.m. at Resthaven Chapel.

Burial was in Resthaven Memorial Park under the direction of Resthaven Funeral Home.

Mrs. Henry died at 7:31 p.m.

Sunday, September 16 at Golden Age Nursing Home after a brief illness.

A Lubbock resident for most of her life, she was a member of Oakwood Baptist Church and the Idalou Chapter of the Eastern Star.

Survivors include her husband, B.J.; two sons, Ben C. Sides of Midland and Billy B. Sides of Farwell, formerly of Friona; a daughter, Doris Wahlenmeier of Austin; two brothers, Ted Barnett and Will Barnett, both of Lubbock; a sister, Lulu Edwards of Lubbock; 11 grandchildren and eight great-grandchildren.

Grandsons served as pallbearers.

It has been said that Alexander the Great had his armor made especially large so his enemies would think him a giant.

Anybody can "talk" energy savings. Olson did something about it.

**OLSON ELECTRIC PROPELLED**

Olson's extra big 7" mainline will save you thousands of energy dollars over others' 6" or 6-5/8" mainlines.

Any engineer will tell you: the larger the mainline the less friction you'll have pumping water through it. Less friction means less hp and less power consumption. That's why, of all major center pivot manufacturers only Olson gives you a big 7" mainline as standard equipment. All others are 6" or 5 1/2".

Over the life of your system, Olson will save you thousands of dollars.

## Boosters Elect New Officers

The first meeting of the Friona Band Boosters was September 17 during which officers and class representatives were elected.

Officers for 1979-80 are: Mr. and Mrs. Leon Coffey, president; Mr. and Mrs. Roger Wilcox, vice president; Mrs. Jan Fleming, secretary-treasurer; and Mrs. Judy Houston, reporter.

Class representatives are: Mary Rose Brito, seniors; Mrs. Linda Cheshier, juniors; Mrs. Reta Hand and Mrs. Pat Mott, sophomores; and Mr. and Mrs. Joe McLellan, freshmen.

A calendar of events concerning this year's band activities was given to each member present. Anyone wishing to have a schedule of the events should contact Scott Houston, band director.

Discussion centered around fund raising for the planned trip to Six Flags Over Texas in April.

### Church Hosts Philosophers Chiefs Try Steers Out

Eddy Nicholson, known as the "Rocking chair philosopher," will speak at Caivary Baptist Church, at the 11 a.m. service Sunday, September 30.

Rev. Murle Rogers, pastor, says this is a rare opportunity for folks in the Friona area to hear Nicholson, who is much in demand for such functions as Chamber of Commerce banquets, etc.

Nicholson uses his "homespun" style, and for civic events often speaks on such subjects as "Folks Ain't A-livin' No More," "After Milkin' Time," and "How to put Beans in your Pocket."

The yesterday of the Tennessee hills blends with the rat race of today as the hard times of being poor rubs elbows with the fuel crunch, the high cost of living and political shenanigans in Nicholson's usual presentation.

Nicholson knows all about it. He's been there. Memories of a poor but rich boyhood in Tennessee helped him make his own switch to "slow down and live."

The rat race was getting him nowhere fast when in 1976 he got out-to spend more time with his family and tell others how to get more living out of life.

Nearly four years later, with his rocking chair philosophy so popular, he has to work pretty hard to keep from getting back in the "race."

"I try to get folks to see the bright side of life in hard times. I urge them to get a bigger bite out of life, to get back to the basics of living and loving."

"I encourage them to live well, laugh often and love much."

Residents of the community are invited to attend the service.

The Friona Chieftains were still seeking that elusive first win of the season when they journeyed to Farwell Friday night to battle the longtime county rival Steers.

The Steers were also seeking their first win of the season, having lost to Olton in their first game and tied Morton before having an open date last Friday.

"We have had good workouts again this week. The attitude and support by folks in the community has been a tremendous help this week in boosting our morale," said Coach Lonnie Phillips.

Phillips said he felt that the Chieftains were "their own worst enemies" in the River Road game. "We were just a step away from where we should have been in several instances," he said.

Injury-wise, Martin Mercado sustained a strained neck the past week, and won't play. Tony Rios will miss due to his knee injury, and Milon Dixon is still out with his knee injury. Mark Fancher has a strained neck and was to miss the Farwell game, and James Clark was a questionable starter due to an ankle injury against River Road.

### JV Chiefs Top 'Cats

The Chieftain Junior Varsity overpowered the River Road Wildcat JV, 28-6 in a game here last week. The win ran the Friona JV record to 2-0 for the season.

Nelson Jackson stood out on offense and defense. He ran eight yards for Friona's first score, and also ran for two PATs and an 8-0 lead.

With the lead cut to 8-6 in the second quarter, Robert Caballero intercepted a pass for Friona, but the team couldn't score. Jackson then blocked a kick, and later Caballero scored from four yards out, added the PATs for a 16-6 Friona lead.

Friona had some great defensive plays in the third quarter. Caballero intercepted a pass, but Friona fumbled the ball back. Mark Tucker then recovered a fumble for the Chiefs, but again the team couldn't move and had to punt.

Jackson blocked a River Road punt, giving Friona the ball. Caballero ran 49 yards for his second TD. The point after try failed, but Friona had a 22-6 lead.

Before the quarter was over, Jackson intercepted another River Road pass.

Ricky Mercado had a pass interception in the fourth quarter, and it led to a 17-yard touchdown run by Jackson. That ran the score to 28-6. Duane Cole got a blocked punt before the game ended.

hand, passing for 213 yards in the 27-20 River Road win. Frye was a defensive standout for the Chiefs.

## River Road Tops Chiefs By 27-20

The Friona Chieftains met a fired-up River Road team last Friday night, and in one of the hardest-fought games seen at Chieftain Field in a long time, came out on the short end of a 27-20 score.

It was no fluke win by the Amarillo team, which scored only its third win in four years of varsity play. The Wildcats ran up 352 yards total offense, and displayed an impressive passing attack.

River Road finished the night with 213 yards gained passing, but had 193 of those yards by halftime.

Friona was in command for the first six minutes. The Chiefs forced the visitors to punt, and took over at midfield after a short punt. Nine plays later, Rod Owen crashed over tackle for a yard out, and Mark Montoya's kick gave the Chiefs a 7-0 lead as only 5:25 had expired.

River Road answered the challenge. In just four plays, the Wildcats were on the scoreboard. Big play was a 46-yard pass to the Friona six, as end Paul Tarbet got behind the Chieftain defenders.

Martin Mercado blocked the PAT kick to keep Friona ahead, 7-6.

But Friona fumbled the kickoff return at their own 19, and River Road pounced on the ball. Six plays later, the Wildcats scored again, and took a 12-7 lead with 2:14 left in the quarter.

Quarterback Patrick Roger of the Wildcats connected with Tarbet once again on the first play of the second quarter. It was a well-executed pass play, and was good for a third touchdown for the visitors. A pass for two points made the score 20-7, as the Chiefs began to stagger somewhat.

On Friona's first play of the second half, quarterback Joe Malouf rifled a pass to Owen, who was streaking up the east sideline. Owen caught the ball on the dead run and continued in for the score. The play covered 79 yards, one of the longest from scrimmage for Friona in several years. Montoya's kick made the score 20-14, with 11:35 left in the quarter. Friona held River Road on its next

series, and was about to get the ball, when a fumbled punt set the Wildcats up on the Friona 16. Five plays later found the 'Cats in the Friona end zone once again and the score became 27-14 with 2:46 left in the quarter.

Early in the final quarter, Owen returned a River Road punt from his own 40 to the visitors' 35. Two plays later, Chuck Nichols ran 26 yards for a TD, to cut the margin to 27-20, and there was still 10:32 left in the game.

Friona was driving for what appeared to be the tying touchdown late in the game. Tony Jackson made two vital pass catches to keep the drive alive, but on a fourth down from the 12 yard line, Friona came up two yards short, and the ball went over on downs.

The visitors then were able to chalk up some running gains, to eat up most of the remaining four minutes, and Friona had no time to rally.

It was a good game statistic-wise for the Chieftains, who came up with a season high of 160 yards passing and 144 rushing, or a total of 304.

Ben Landrum had 11 tackles and Chuck Nichols and Kirk Frye 13 each to pace the defensive effort. Frye also had a quarterback sack, and Landrum has a pass interception.

### Winners Given

Each week following the grading of game films, Friona coaches give five awards based on players' performance in the game.

Following is a list of the winners of awards for each of the first three games of the season. The first name won for the Tulia game, second for the Lockney game, and third for River Road.

"Big Stick" (best hit of the game) Kirk Frye, Dean Church and Scott Fangman. Offensive lineman: Bret Moore, Doug Massey, Pepper Weatherly and Ben Landrum. Offensive back: Mike Hubbart, Mike Hubbart and Chuck Nichols. Force Unit: Joel Hight, Jerry Harrelson and Kirk Frye. Contain Unit: Bret Moore, Chuck Nichols and Ben Landrum.

## Black Study Club Recognizes Member

Black Study Club members met September 20 at 2 p.m. with Mrs. Harry Lookingbill serving as hostess.

The opening exercise, a poem on "Kindness," was presented by Mrs. Lucille Rockey.

After a short business session, the members spent the remainder of the afternoon honoring Mrs. T.J. Pressley on her 83rd birthday.

Mrs. Ethel Benger read two poems and Mrs. Ellis Tatum read a poem, all appropriate for the occasion.

Mrs. Pressley was presented a pot plant and a birthday cake by the club. She was a long-time resident of the

Black community and was a long-time member of the club. Cake, punch, mints and assorted nuts were served by the hostess at the surprise party.

Guests attending the meeting were Mrs. Lillian Lookingbill of Hereford and Mrs. Annie Mae Hays.

Members present were Mrs. Fern Barnett, Helen Fangman, Ethel Benger, Mrs. Glynn Hamilton, Mrs. Roscoe Ivie, Mrs. T.A. Kelley, Lucille Rockey, Mrs. Ellis Tatum, Mrs. Tommy Tatum, Lois Weatherly, Mrs. Gene Welch and Mrs. Travis Stone.

BIRTHDAY PARTY....Members of Black Study Club honored Mrs. T.J. Pressley with a surprise birthday party on September 20. Mrs. Pressley was celebrating her 83rd birthday. She was a long-time member of the Black Study Club.

## Prairie Acres Party Line

We had a surprise fire drill this week. All the residents were evacuated from the building and the building was secured in record time. It's a state law we have a certain number of fire drills per quarter and that everyone knows the evacuation procedures. These rules, regulations and requirements are a real blessing in that they instigate quality care. Every area of staff and employment are also required to have so many hours of accredited continuing education and in-service training each year.

are Authur Dettman and Frank Daniels.

Mr. and Mrs. G.A. Bandy have gone to visit their daughter in Anson, Texas for a month.

Birthdays for the month of October are: Bessie Boatman, October 7; Authur Dettman, October 30; and Mary Ruther, October 18.

## It's A Girl For Fithens

Mr. and Mrs. Lawrance Fithen of Lubbock are the parents of a baby girl born Thursday, September 20 at 10:04 p.m. in Methodist Hospital in Lubbock.

Named Kyndell Sue, she weighed eight pounds, 9 1/4 ounces and was twenty-two inches long. Kyndell is the first child for the couple.

Grandparents are Mr. and Mrs. Charles Rector and Mr. and Mrs. Leslie Fithen, all of Friona.

Great-grandparents are Mrs. Rosa Lee McCollan of Las Vegas, Nevada, Mr. and Mrs. Albert Fithen of Amarillo, Mr. and Mrs. Oscar Rector of Apache Junction, Arizona and J.L. Armstrong of Alva, Oklahoma.

Annie Fortenberry has been helping with newspaper reading and bingo on Fridays. We really appreciate this help. Zora Gaede gave a book review for the ladies Monday and also helped with bingo Friday. We pop popcorn and serve lemonade at Friday bingo, however, we like for every resident who can't attend bingo to be served popcorn too. It takes more than two hands to fix, serve and call bingo so we really appreciate extra help.

The United Pentecostal Church has had our church services this month. They had our monthly birthday party this week. Those honored were Walter Loveless, Earl Norman, Eva Jones, Paul Griffith and Edith Batterman.

Cake and punch was served. Vivian Hughes played and sang for the residents' enjoyment.

Mrs. Cottingham has returned from the hospital. Residents still in Parmer County Community Hospital

## Program Highlights Study Club Meeting

The Modern Study Club members met in regular session September 18 at the Women's Club House for a program on "Genealogy."

Nellie Pearl Shelton brought the devotional on "The Will of God." An interesting article was read along this line of thought written by her brother.

The roll call was answered with the "Country of Origin." A Federated Counselors report was given by Amy Mason. Minutes of the last meeting were read and approved.

Faye Reeve, president, reminded the club of the next meeting to be held with all Federated Clubs to be present, the time to be 7:30 p.m.

Eufaula Ethridge gave a report of the joint committee meeting and reported that Ann Osborne had been elected as treasurer. Janet Buske, chairman of the finance committee, gave a report on the Country Store held during Maize Days and reported the sum of \$451.55 profit.

Faye Reeve reminded the members of the T.F.W.C. Board meeting to be held in Dallas September 25-27. Allo Reeve will attend the meeting. A letter was read to remind the members of the Caprock District

Board Meeting to be held in Levelland on October 6 where Faye Reeve will represent the club.

A letter from Girls Town was also read. The club's adopted girl for 1979-80, will be Deann Drake, a junior this year.

Mary Johnston, program director, then presented Allo Reeve who gave an interesting discussion on "Genealogical Sources." Carol Ellis brought informative thoughts on "Methods of Compiling and Publishing These Facts."

The program closed by reading the club collect led by Mary Johnston. Refreshments were served to nineteen members by the hostess, Amy Mason.
