**IF YOU WERE TO** fail to pay your income tax, you would be in bad trouble with the government, right? What about the government agencies, who are continually making dumb-bell mistakes costing anywhere from \$50,000 to \$1.5 million? Well, that's probably costing each taxpayer, too, in the long run.

We saw a new list of the goofs by various bureaucracies this week, and as usual, they make you wonder if all bureaucracies should not just be shut down, and perhaps start over—except that the way government runs things, this would just cost more millions.

In financially-troubled New York City, for example, the city wasted a chance to collect \$1.1 million in discounts by not paying certain bills within a specified period. "Poor internal controls and ineffective bureaucratic procedures" were blamed by the city's controller as reasons for the oversight.

Contra Costa County, California school officials were suddenly notified last fall that they had to cut \$400,000 from their school budget. It seems that someone had mistakenly fed enrollment figures into a computer which made it appear that the school system was entitled to more state money than they actually were.

In Illinois, the Department of Children and Family Services is accused of making \$450,000 in foster-care payments to people who no longer have foster children.

One lady continued to receive checks even after she called and advised the officials that she no longer had foster children, and needed to be taken off the list. It almost required court action to stop the check from coming.

In Georgia, a computer error caused an agency to over-pay \$1.5 million in Medicaid bills submitted by anesthesiologists in a five-year period.

The Medicaid checks were paying the full amount of each bill, instead of just a percentage, as the regulation states.

In North Carolina, someone forgot to put expiration dates on 500,000 license decals for recreation trailers, vans and motorcycles. The cost of reprinting the decals was \$60,000. A "breakdown in communications" was blamed for the error.

The capper of the whole list happened in Pittsburgh, where the city paved a lot next to one of their garages after employees complained of the mud. They later discovered that three-fourths of the lot belonged to a beer distributor across the street.

Not only did the distributor refuse to pay his portion of the cost of paving the lot—he now is charging the city rent for using the lot for parking.

Most of the federal bureaucracies purchase new furniture and equipment whenever they feel they need it, although one commentator pointed out that most of the agencies have warehouses with millions of dollars worth of furniture stored away.

Government agencies need to begin to run their bureaus like they were a business. If they exceed their budget, they should be halted until time for another allotment. Americans should be feeling sick and tired of footing the bill for mismanagement.

**THE "BOREDOM ANONYMOUS CLUB"** recently conducted a poll to see who was the most boring famous person. This is the way they were ranked at the close of the poll: 1. Howard Cosell; 2. President Carter; 3. Farah Fawcett Majors; 4. Richard Nixon; 5. Truman Capote; 6. Gerald Ford.

## Bovina Citizens Are Honored

The outstanding citizens were honored at the 20th annual Chamber of Commerce and Agriculture banquet at Bovina Thursday evening.

Gaylon Rhodes was honored as "Man of the Year." Rhodes, who is the son of Mr. and Mrs. O.C. Rhodes of Friona, has been an active member of the Bovina Chamber of Commerce, a worker in all community activities, and is a past chairman of the city's Bull Town Days celebration.

Jane Kassahn was named "Woman of the Year." Mrs. Kassahn has likewise been active in church and community work. She is a past director and manager of the Bovina Chamber of Commerce.

Chosen as outstanding young people by the Chamber were Kara Mills and Jimmy Rhodes, both seniors at Bovina High School. Both of the students chosen are extremely active in their school work, as well as in outside activities.

Miss Mills is the daughter of Polly Mills, and Jimmy is the son of Mr. and Mrs. Gaylon Rhodes, giving his family a "father and son" angle for the 1980 awards.

Speaker for the banquet was Mike Ditka, coach of receivers and special teams for the Dallas Cowboys.

"We hear a lot about the energy shortage, and our natural resources. I would like to point out that the greatest natural resource of America lies in its young people," Ditka said.

Ditka said one of the greatest lessons to be learned in life is to learn to love your fellow man. "I didn't learn this until about three years ago, and believe me, it has meant a lot in my life," Ditka said.

Ditka answered questions from the audience concerning the Dallas Cowboys. He was high in his praise of the Cowboy Organization, from the owner, general manager, head coach on down to those who work in the Cowboys' business office.

## Broom Sale Slated Here On April 1

The annual broom and mop sale, co-sponsored by the Friona Evening Lions and Friona Noon Lions Clubs, has been scheduled for Tuesday, April 1, it was announced this week.

The truck carrying the items to be sold is scheduled to arrive at about 9 a.m. April 1, and will be located at the Friona City Park, for the convenience of those who would like to stop during the day and pick out what they need.

Items to be sold are manufactured by the Lighthouse for the Blind. A variety of items will be featured, including all types of cleaning supplies, plus potholders, dish cloths, brushes, etc.—all of the items which customers of the sale have become accustomed to purchasing.

The canvass of the city will begin at 5 p.m. Proceeds from the sale will be used for various of the Lions' community-minded projects.

Jim Johnston is heading the sale for the Evening Lions, and Mike Chaney and Baker Duggins are in charge of the sale for the Noon Lions.

## New Voters Must Register

The deadline for registering to vote in either the Democratic or Republican primaries on May 3 will be April 3, if a person needs to register.

Most voters, who have voted within the last three years, will be automatically registered. But new voters, and others who may not have received their voting card, must go by the county tax assessor-collector's office in Farwell to register for 1980 voting.

"Everyone there is extremely dedicated. I am proud to be associated with the calibre of people Dallas has. When we lose a game, it hurts everyone, down to our secretaries, as much as it does Tom Landry. Although I wasn't born in Texas, I'm proud to consider myself a Texan," Ditka said.

New officers installed by the chamber included Terry Sherrill, president, Mike Beauchamp, vice president, Scooter Russell, recording secretary, and Steve Sherrill, manager.

A crowd of almost 400 people attended the function.

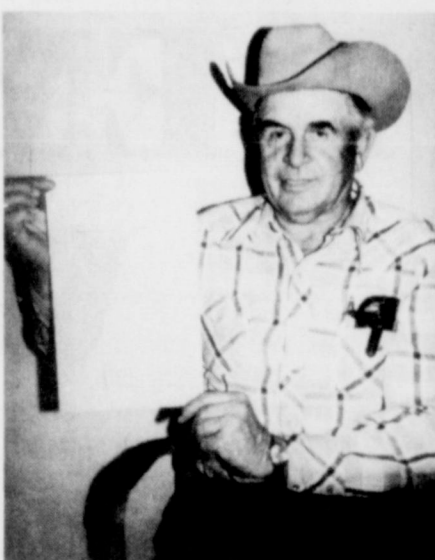

## Zogi Revue Slated For March 25

## Chieftain Band Gets Sweepstakes

The Friona Chieftain Band won the coveted "Sweepstakes" award in the University Interscholastic League (UIL) competition which was held on Friday, March 14 at Plainview.

The band scored "first division" ratings in both concert and sight reading, to go with the similar rating it had achieved in the UIL marching contest last fall, to achieve the Sweepstakes rating for the second year in a row.

In the concert portion, the band played "Bombasto," "Sonus

Ventorum" and "American Folk Rhapsody."

"I really enjoyed this performance. This band plays with maturity and control. I like it!" said contest judge Fred Stockdale on his comment sheet.

"Good to see someone with nerve enough to do a 6/8 march. Excellent trombone-baritone-bass work. Hey, this is fun listening to you play this," commented another of the judges, Lynn Low.

"This is obviously a well-taught band. You have much to be proud of. Congratulations to you and your fine directors. Best wishes," said Richard Crain, who judged the sight-reading portion of the contest.

Scott Houston is band director at Friona High School, assisted by Nancy Ray.

## BOOK TALK

By NELSON LEWIS  
"Felony File" by Ms. Dell Shannon is only one of thirty mystery stories by this young lady. If you care for an explanation of routine police procedures this is a good example. Ms. Shannon separates the hard work from the glamour in an attractive manner.

Television has deluded a generation of Americans into thinking that certain professions are gilt edged glamour jobs.

The key word is "jobs". There are heroic doctors, lawyers and policemen, but their heroics are like "good luck", the harder you work the more of it you will receive.

Lets get away from modern books for a minute. How long since you browsed through a dictionary? How about the Bible? One of my favorites is Bartlett's Familiar Quotations.

A sad commentary on public tastes is the fact that of our library's more than ten thousand volumes, the classics, the prime factor behind our literature, are checked out the least.

A word of caution, the time is just around the corner when we will need to find entertainment close to home. May I suggest that you develop an appreciation of reading. You will benefit and best of all its free at our public library.

AMELIA CISNEROS receives her diploma from Larry Watts, instructor, for successfully completing the Allsup's Assistant Store Manager Training Course, held at the company's home offices in Clovis, New Mexico. The class is a

requirement for all Allsup's assistant managers. According to Watts, "The training prepares individuals for future advancement by teaching them proper food handling, cooked food procedures, store cleanliness and maintenance as well as public relations. It's designed to produce a more professional employee who can better serve the customer and community." Amelia will return to her store at 1100 Prospect Avenue in Friona to assume the duties of assistant manager.

# Town Talk

Call 247-3681 With Your News Item

A philosopher once advised a group of students interested in improving the quality of living on a day to day basis. He said, "If you have a disagreeable task to do, give it first priority on your list of things to do."

Applying this philosophy to column writing, my opening sentence when I have to make an apology, would have to begin, "I'm sorry...."

This week apologies go to Mrs. Oliver Reiken and Leslie Jarecki and children, Tom and Marsha, all of Friona.

In last week's report of the Florian Jarecki get together, Leslie, Tom and Marsha, the only family members who live here, were left out.

Then in a report about members of the local Lutheran Church visiting in the Rhea Community, Mrs. Reiken's name was omitted. All of them were reported to me, but apparently I failed to include them. Sorry folks!

Mrs. John Benger, a long time first grade teacher in the local school system prior to her retirement a few years ago, is a patient in the local hospital.

Mrs. Fannie Southall, who has been a surgical patient at High Plains Baptist Hospital in Amarillo, has been transferred to Parmer County Community Hospital.

Elwood Vaughn has been dismissed from the local hospital and is making satisfactory improvement at home. A visit from a granddaughter this week has been a special treat for him.

Denette Vaughn, Haywood's only daughter, has been visiting here. Miss

Vaughn is a student at Texas Tech University Law School in Lubbock and took advantage of the spring break to come to Friona to see her Dad and Granddad.

Mrs. Jerry Don Martin and Mrs. Jeff Daniels and daughter, Brandi, all of Roswell, visited Mr. and Mrs. Haywood Vaughn last week. While they were here, Brandi observed her first birthday.

Mrs. Daniels, former Charlotte Cleveland, is Mrs. Vaughn's daughter.

Spring break in the Amarillo Public School system brought several visitors to Friona. Lou Whaley, who teaches in Amarillo, visited her parents, Mr. and Mrs. Watson Whaley and other relatives and friends.

Also, Scotty and Denise Johnston, whose parents are Mr. and Mrs. Dennis Johnston, spent the week with their paternal grandparents, Mr. and Mrs. Elwin Johnston.

Other visitors in the Johnston home Sunday were Mr. and Mrs. Dennis Johnston, David and Stephanie; Mr. and Mrs. Dale Johnston, Lori and Brent, also of Amarillo; Mr. and Mrs. Roy Trimmell and children, Kevin, Glenn and Paul, who live in the Rhea Community.

Jerri Lynn and Jody LaFrance of Olton were guests in the home of Mr. and Mrs. Glen C. Stevick and Sally this week. They are the children of Jerry and Janet Stevick LaFrance.

Mrs. Mildred May was guest of

honor at a reception in the home of Mr. and Mrs. Edgie Graham of Rush Springs, Oklahoma, Saturday afternoon.

Guests were relatives and friends of Mildred's, whom she rarely sees. Mildred and her late husband, Hardy, moved to this area from Rush Springs many years ago.

Mildred and her sister and brother-in-law, Beulah and Newman Jarrell, drove down to Rush Springs on Friday. Then the Jarrell's son and daughter-in-law, Newman Jr. and Juanda, who formerly lived here, drove over to Rush Springs and took Beulah and Newman home with them. Newman Jr and Juanda live in Oklahoma City.

The group returned to Friona Tuesday.

Grady and Pauline Nelson have their first granddaughter. Little Jessica Rhiannon was born Tuesday. She's the daughter of Scott and LaDonna and has one brother, Jeremy, who is two.

LaDonna and Jessica have been dismissed from the hospital and are at home.

Weekend guests in the Nelson home were Mrs. Sam Dickens and daughter, Tina. Mrs. Dickens is Pauline's mother.

Grady's and Pauline's second daughter, Linda, has also been home. She's attending Abilene Christian University and is on spring break.

Linda drove down to Moore, Oklahoma, for a visit with Mr. and Mrs. Robert McKee and son, Benny, before returning to Abilene. Mrs. McKee is the former Jeannie Nelson.

Mrs. Kitty Loveless and her sister, Mrs. Ann Trotter, who is visiting here from South Hampton, England, have returned to Friona. They spent ten days visiting relatives in El Paso and Albuquerque.

Nine Frionans represented the Senior Citizens at a meeting of Panhandle Regional Planning Commission in Amarillo Friday. When we went to the dining room of the Senior Citizens Association at noon, Claude Miller held the door open for us.

He's a former Friona resident and is currently on the staff of the Potter County Sheriff's Department. We enjoyed chatting with him a few minutes.

Those going, besides the Floyds, were Mr. and Mrs. Joe B. Douglas Sr., Mr. and Mrs. Otho Whitefield, Mrs. Pat Fallwell, Mrs. Thelma Hutson and Mrs. Selma Habbinga.

There was also a delegation from Bovina there. Others we recognized were Myrtle Sheffy of Dimmitt and Mrs. L.E. West of Hereford.

Mrs. Sheffy is a pioneer Castro County resident. Mrs. West, a former resident and official gardener of Prairie Acres, is Odie Claborn's mother.

Mrs. West was at Prairie Acres with her husband, who was ill, and expended much time and energy in

By JANET WILKE

## BAND COPS A II

"Your community has much to be proud of; keep up the good work," was the comment by Judge Fred Stockdale as the 43 member Lazbuddie High Longhorn Band made a Second Division in the UIL concert contest, Wednesday at Plainview.

It was the first time the band had ever competed in UIL and it is the fifth year of the band's existence.

Director Carl Wilke was pleased with the results, commenting that several older bands had gotten lower ratings. Sudan made a Division I in class B, and Smyer, also a class B band, made a III.

Of the three judges comments, almost all of the criticism was good and very helpful. Most of the playing problems were attributed to the youngness of the band.

In UIL, a band may be rated from One to Five, one being superior, two being excellent, three being good or average, four being fair, and five being poor.

For the efforts, the Longhorn Band received a very nice plaque.

## ECA Instructors Test To Be Given

Any interested persons who completed and passed the Emergency Care Attendant course which was offered in Lazbuddie in January, may be eligible to take the ECA

Instructor's course in Canyon on March 29.

All interested ECA's should write to Canyon at least a week in advance and make arrangements with the Region I office of the Texas Department of Health to take the tests. That address is: Texas Department of Health, Public Health Region I, 300 Victory Drive, P.O. Box 968, West Texas State University, Canyon, Texas 79016.

## WILKE MAKES INSTRUCTOR

Janet Wilke, one of the persons who recently became a certified ECA, has satisfactorily completed an Instructor's course in CPR (cardiopulmonary resuscitation) which was administered in Bovina on Saturday and Sunday, in conjunction with retesting prospective ECA's and EMT's.

This qualifies her to teach CPR to any person who might be interested in learning the procedure. She is also qualified to re-test those who are already skilled in CPR technique who need to be re-certified.

## SPRING BREAK IS NEAR

Lazbuddie schools will observe Easter vacation on March 28, and classes will resume again on Monday, April 7, at 8:30 a.m.

It should be noted that there will be a school board trustee election on April 5, while classes are out for

Easter Vacation.

Several Lazbuddians might want to vote absentee if they are planning to be out of town when the actual election takes place.

If interested in voting absentee, the voting will be conducted by Clerk Dennis Owen, from March 17 until April 1, from 8:30 a.m. until 4 p.m. in the Tax Office of the school.

If any of you are planning to be away for this election, you need to bring your voter registration card and come on down between March 17 and April 1 and vote absentee. Don't miss your chance to vote.

## SUMMAR RITES HELD

Funeral services for W.G. Summar were conducted Thursday, March 13, with burial in the Lazbuddie Cemetery following a service in the Singleton-Ellis Funeral Home Chapel.

Mr. Summar died at his home on Tuesday morning of an apparent heart attack. ECA's from Lazbuddie were called to the home, but were not in time to help him.

He is survived by his wife and children.

\*\*\*\*

The Lazbuddie Band Boosters will meet at 4 p.m. Monday, March 24 in the High School Band Hall. Parents of all Lazbuddie band students are urged to attend this meeting.

## DKG Elects Officer Slate

The Iota Chapter of Delta Kappa Gamma met in the home of Mary Bavousett in Friona Thursday, March 6. Refreshments of assorted finger sandwiches, cookies, punch and coffee were served to approximately 30 members. The center piece and napkins followed a St. Patrick's day theme. Edith Blair won a special prize of the evening by finding the lucky "Blarney Stone" under the chair.

The meeting was called to order by Lois Miller. After a brief business meeting, the program, "Women in Education 1929-1979", was narrated by Tommie Mercer. She was accompanied at the piano by Jo Witten. Featured in the program were Lora Mae McFarland, Martha Bates, Hattie Coffey, Wana Brewer, Liz Phillips and Elizabeth Gore.

New officers were elected for two year terms. They are: Liz Phillips,

# Amal Malouf, Dale Parsons United In Church Ceremony

Amal Malouf and Dale Parsons exchanged wedding vows at St. Anthony's Catholic Church in Hereford, Sunday, March 16 at 4 p.m.

Parents of the couple are Mr. and Mrs. Hanna Malouf and Mr. and Mrs. Percy Parsons, all of Friona.

Father Ken Cienik of St. Anthony's officiated at the ceremony before an altar arrangement with candle spirals and apricot flowers.

The bride was given in marriage by her father. Her bridal gown was of candlelight crepe with organ pleated skirt, chapel length train, and sheer sleeves with lace overlay. The bodice featured a Queen Anne neckline of lace with satin buttons down the back.

The three-quarter length veil of illusion was attached to a lace cap. She carried a bouquet of apricot roses with baby's breath and spider mums. Her jewelry was a pearl necklace belonging to her mother.

Kim Bryant attended the bride as maid of honor. Bridesmaids were Delaina Stone of Lubbock, Sylvia Malouf, sister of the bride, and Rhonda Parsons, sister of the groom.

The bridal attendants wore formal gowns of apricot crepe with organ pleated skirt and spaghetti straps with a sheer over-cape. They carried lace fans with spider mums and baby's breath.

Amy Rape, daughter of Mr. and Mrs. Eldon Rape of Friona, was the flower girl. Steven Kuper, son of Mr. and Mrs. Roy Kuper of Bovina was the ring bearer. Richard Malouf, brother of the bride, was candlelighter. Altar boys were Bobby Swayden and Peter Malouf.

Attending the groom were Mike Parsons of Dallas, brother of the groom, who served as best man; also

Ronnie Parsons of Lubbock, cousin of the groom, John Sudduth of Houston and Joey Malouf, brother of the bride.

Mrs. Evelyn Hacker and Lisa Gonzales of Hereford were the organist and vocalist. In addition to the traditional wedding music, they presented "Annie's Song."

The reception and wedding supper were held at the Caison House in Hereford. Michelle Swayden, daughter of Mr. and Mrs. Bob Swayden of Amarillo, attended the guest registry. Serving refreshments were Jiselle Malouf, Cindy Isaac and Elizabeth Isaac.

The wedding cake featured the white doves atop three layers on a water fountain base which was circled by four heart-shaped layers around the bottom. Decorations were carried out in the bride's chosen colors.

The supper of turkey and roast was catered by the Caison House.

For the wedding trip to Galveston, the bride selected a three piece beige traveling suit. The couple will reside at 918 E. 34th Street in Lubbock after March 21.

The bride is a 1975 graduate of Friona High School, and a 1979 graduate of Texas Tech University with a degree in marketing. She has been recently employed at American Hospital Supply in Dallas.

The groom graduated from Friona High School in 1974 and received his accounting degree from Texas Tech University. He is currently in his second year of law school.

The Malouf-Parsons wedding is the typical American ideal of young romance when the boy married "the girl next door." Parents of the newly-married couple live next door to each other on Eighth Street in Friona.

Mrs. Dale Parsons

## Girl Born To Scott Nelsons

Mr. and Mrs. Scott Nelson of Route 1, Friona, became parents of a baby girl at 11:15 a.m. Tuesday, March 11, at Deaf Smith General Hospital in Hereford.

Named Jessica Rhiannon, she weighed six pounds, nine ounces.

Jessica has one brother, Jeremy, who is two.

Her grandparents are Mr. and Mrs. Grady Nelson of Friona; Mr. and Mrs. Charles Sprouse of Hereford, and Mrs. Beverly Avans of Phoenix, Arizona.

Great-grandparents are Mr. and Mrs. Sam Dickens, Tulsa; Mr. and Mrs. A.P. Mercer, Lubbock and Mrs. Ruby Allsup, Altus, Oklahoma.

Patti Hall returned home from the Muleshoe Hospital Friday. According to family members, she is doing very well.

Sunday visitors were Mr. and Mrs. Jim Robbins, Johnny and Jimmy of Earth, her parents and brothers; Mr. and Mrs. Ralph Autrey of Texico, N.M.; Mr. Hall's parents, and Kandi Wright of Earth.

Jimmy and Kandi stayed this week to help Mrs. Hall.

Cass and Marie Perkins, accompanied by their daughter Darla and grandchildren Cody and Julie Bracken, traveled to Oklahoma over the weekend to attend the 80th birthday party of Marie's father, David H. Wright of Tribbey, Oklahoma.

Mr. Wright was born March 15, 1900 in Indian Territory several years after his parents settled land in the historic Oklahoma Land Run. He is now retired, but is still quite active and refinishes furniture as a hobby.

Darla had written an 80-line poem in honor of the occasion and Marie baked and decorated a cake to bring out the theme of the poem.

All but one of his nine children, of which Marie is the oldest, were present. Many other relatives were there but Cody and Julie were the only great-grandchildren present, so Julie really got acquainted with "Great-Grandpa" even singing him "Happy Birthday" by herself.

Besides the many family cards, Mr. Wright received greetings from President and Mrs. Carter. Everyone enjoyed the special day of visiting, reminiscing and picture taking.

# For Food Quality Corn, Top Quality Hybrids From Warner Seed Co.

### W-2188 Medium A Proven Champion

A medium maturity, single-cross, yellow hybrid with tremendous yield potential. W-2188 has strong stalks, with excellent standability and large, upright leaves. Big, long, full ears make for bigger yields. High head smut tolerance makes this hybrid an exceptionally good choice for farmers whose yields are subject to this disease. W-2188 dries well and harvest easily.

### W-2190 Medium New Yellow Food Corn

Although this new yellow, single-cross hybrid was introduced principally for its excellent milling characteristics, its bin-busting yields make it a terrific all-around hybrid. Fluffy kernels with a desirable starch cap make it an ideal yellow corn for food processing. W-2190 outperforms W-2188 in two important areas: its low percentage of cracks and uniform dry-down.

### W-2290 Medium New Yellow Food Corn

Another great, new, yellow hybrid that compliments W-2190, to which it is related. W-2290 has good milling attributes and is ideal for processed food products. This is a high performance hybrid that responds well to intensive management. It's a truly modern hybrid for the modern corn producer. Field tests have shown that this hybrid can have as low as 5% cracks, a high consistency of quality and uniform dry-down - characteristics which make it the number one choice of food corn processors.

### 32WW Medium-Late White Food Corn

This medium-late, modified single-cross, white corn is well suited for processed food products. Its big, girthy ears have medium-hard, deep kernels which have excellent milling properties. Outstanding yields are characteristic of this consistent performer.

### 4253W Medium-Late New White Food Corn

Another excellent, fast-drying, white hybrid. Deep, medium hard, white kernels on a long ear with a small cob are features of this outstanding milling corn. This modified single-cross variety is quickly making friends wherever white corn is grown. It makes a great companion to 32WW.

# "Medicine Mixups" Is Topic At Rhea HD Club Meeting

The Rhea Extension Homemakers Club met Tuesday, March 11 in "The Old House," with Cecelia Schueler as hostess.

Gay Taylor, president, called the meeting to order. Roll call was answered with two questions, "Do you think it is a good practice to mix alcohol with medicines?" and "Do you think it is a good practice to take medicines with milk or juice rather than water?"

Everyone was reminded to attend the special meeting Tuesday, March 18 at 10 a.m. at the Community Room of First State Bank in Bovina.

June Cline, extension homemakers specialist from College Station, will give a program on council meetings.

The Rhea ladies and Friona Methodist ladies will have the hair and nail care day at Prairie Acres on Tuesday, March 25.

Cecelia Schueler and Donna Schueler presented the program "Medicine Mix-ups." Some of the things discussed were what is known about drug interactions and precautions when taking medicine. Shirley Schueler used a physician's

drug reference book to look up drugs the members had brought and read the precautions about them. A game called "What Is It?" was then played.

Irish Shamrock cookies, lime punch and coffee were served by the hostess to club members, Gay Taylor, Sarah Dean, Kathy Terry, Helen Velma Schlenker, Judy Schlenker, Velma Schlenker, Donna Schueler and Shirley Schueler.

The next meeting will be Tuesday, April 8 in the home of Martha Schueler, with Shirley Schueler as co-hostess.

## Reception Fetes Roy V. Millers

The children and grandchildren of Mr. and Mrs. Roy V. Miller, Sr., honored the couple with a 50th wedding anniversary reception at the Friendship House on the afternoon of March 8.

Approximately 400 guests attended the anniversary reception. As the couple received the guests at the door, each guest was presented with a tiny ivory scroll which contained a verse written by Mrs. Miller and a picture which was taken of the couple before their marriage.

Mrs. Miller wore a full length gown of peach chiffon and a corsage of silk talisman roses.

Colors of ivory, peach and gold were carried throughout the decorations in tablecloths, flowers, napkins and table appointments. The refreshment table featured an ivory tiered, pedestal cake topped with a wreath of silk flowers and glass lovebirds. The gold candelabra centerpiece was topped with talisman roses and sweet peas, which were the flowers used at the Miller's wedding 50 years ago. Cake, punch, tea, coffee, nuts and mints completed the refreshments. The groom's table was highlighted by a chocolate tiered cake which was topped with an antique miniature auto.

Pictures of Mr. and Mrs. Miller, their children and grand-children were enlarged and placed on easels around the room. The pictures depicted nostalgic scenes of the Miller family throughout the years.

The Miller's granddaughters provided background music on the piano throughout the afternoon festivities. Gifts were displayed on ivory covered tables along the front wall.

Eva Roysden and Roy Miller were married in the home of her parents, Mr. and Mrs. L.W. Roysden, March 8, 1930, Ninnekah, Oklahoma.

At the time of their marriage Roy was teaching science and agriculture and coaching boys and girls basketball in Norman, Oklahoma. After four years in the Army Reserve in New Orleans, Louisiana, Roy moved his family to Friona in 1945 to live on one of the first irrigated farms in Parmer County. The Miller family

has been active in the civic, social, school and church work of the community since that time.

Mr. and Mrs. Miller have received many honors throughout the Northern area of the state for their activities. Six of the Miller's children graduated from Friona High School. A seventh child, Johnny, was lost in a drowning accident in Friona in 1960.

Mrs. Miller is perhaps best known for her musical activities. She began the "Trebelaire's" girl's singing group in 1956 and the group is still active with new members each year. She has been organist and pianist at First Baptist Church for 35 years.

Of the Miller's nineteen grandchildren and two great-grandchildren, only three were unable to attend the reception.

Their oldest son, Roy V. Miller, Jr., is chairman of the Agriculture Department at Southwest Texas University at San Marcos. He and his wife Glenda have three children, Don, Darla and Ben. Darla is Mrs. Ricky Powell.

Their second child, Mary Lou is Mrs. Dale Glass and teaches homemaking at McLean High School. Mr. and Mrs. Glass have six children, Maridale, Sherry, Terri, Jamie, Angela, and John David.

Ross Miller and wife Nelda live in Friona and are engaged in farming. Their children are Curt, Dana, Kent and his wife Amanda and children Linette and Emile.

Donna is Mrs. Sam Mears and is a former teacher in Friona High School. She is presently the music secretary at First Baptist Church. The Mears' children are Clint and Sarah.

Linda is Mrs. Clyde Tims. She is an artist and lives in Sunray where the family is engaged in farming. The Tims children are Sally, who is Mrs. John Hays, Evelyn, Chuck and David.

The Miller's youngest daughter Jan is a computer programmer at Los Alamos Scientific laboratory in Los Alamos, New Mexico, and has a daughter Mara.

Out-of-town relatives who were present were Hazel Davenport, Jerry Miller, Eileen Miller, all of Oklahoma, and Joyce Daniels of

Mr. and Mrs. Roy V. Miller, Sr.

Amarillo.

Other out-of-town guests were Mr. and Mrs. Paul Daniels of Dumas, Mrs. Raymond Daniels of Amarillo, Mr. and Mrs. Bill Sheehan of Dumas, Mrs. Harvey King of Panhandle, Mrs. E.K. Miller of Lawton, Mr. Jerry Miller of Lawton, Mr. and Mrs. Jake Hammonds of Portales, N.M., Mrs. Hazel Davenport of Walters, Okla., Mr. and Mrs. Reagan Looney of Bovina, Mr. and Mrs. Ray Murphree of Tucumcari, N.M., Mr. and Mrs. Charles Bass of Rogers, Ark., Mr. and Mrs. Carl Wimberly of Dawn, John and Edna Hammonds, Portales, N.M. and Scott Miller of Canyon.

# Chief Tracksters Shine At Odessa

The Friona Chieftains turned in a strong performance at the West Texas Relays in Odessa last weekend. The Chiefs captured second place in their division of the meet, with a total of 112 points. Slaton won the division with 127 points. Friona scored wins in the 440-yard relay, 120-

yard high hurdles, 330-yard intermediate hurdles, pole vault and high jump. They were edged out in the mile relay.

Members of the sprint relay team are Michael Gowens, Robert Alexander, Rod Owen and Mike Hubbard. They toured the lap in the time of 44.9.

Caballero, who is rated in the top ten in the Panhandle, all classes, won the high hurdles with a time of 15.6, after running a 15.3 in the preliminaries.

Owen snared the intermediate hurdle race with a 41.6 effort. He cut .7 second off his time of 42.3 in the prelims.

Chuck Nichols and Scott Fangman got the team off to a good start with wins in the pole vault and high jump, respectively. Nichols vaulted 12-2 for the win, and Fangman cleared 6-0.

The mile relay team whose time going into the weekend had only been beaten in this area by Hereford and Lubbock Monterrey, both class AAAA schools, was nipped by Slaton in that event, although the team cut almost two seconds off its time from the week before.

The team of David Fleming, Owen, Alexander and Caballero ran the distance in 3:28.7.

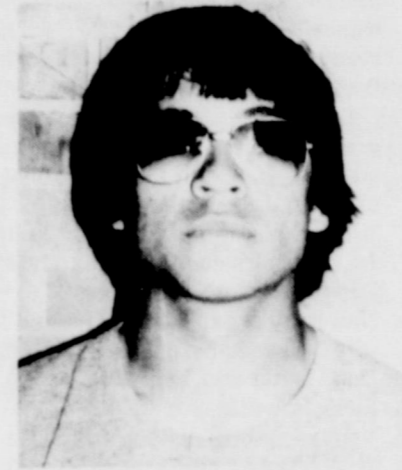

The team scored 15 points in the 220-yard dash event, where Gowens placed second (23.4), Nelson Jackson was third (23.8) and Robert Alexander was sixth (24.2).

Other point-makers for the Chiefs were Gowens, fourth, and Mike Hubbard, sixth in the 100-meter dash; Fleming, third and Caballero, fourth in the 440-yard dash; and Owen, third in the long jump.

**3184**  
**3183**

**plant 'em both**  **3184**  
 This hybrid's record for consistency has made it one of the most popular hybrids on the High Plains. In 77 comparisons over the last four years against competitive hybrids, 3184 has shown an average yield of 183.7 bu./A. with a yield advantage of 14.3 bu./A. over competitors. Bred with outstanding drought tolerance, 3184 can adjust ear size and kernel depth to match growing conditions. And strong stalks keep 3184 standing straight for speedy harvest. It's just what High Plains farmers need in a dependable, high-yielding corn hybrid. And its maturity makes it a good companion for 3183.

 **3183**  
 Push this one for highest yields! In 43 comparisons on the High Plains in 1979, this hybrid averaged 192.1 bu./A. A sampling of yields from 1979 includes 216 bu./A. for Sheldon Rapp at Hooker, Oklahoma . . . 210.4 bu./A. for Larry Kemp of Muleshoe . . . and 196.7 bu./A. for Doyle Underwood at Dimmitt, Texas. 3183 has demonstrated very good standability and ear retention in this area. Excellent drought tolerance helps 3183 maintain outstanding consistency year after year. And it has been especially impressive on gray soils. Plant 3183 along with 3184. Spread genetic risks and get top performance, too.
