Hearing Set For Budget, Water

City Manager A.L. (Jake) Outland has completed work on the budget for the City of Friona for the fiscal year which will run from October 1, 1980 through September 30, 1981.

Residents of the city are invited to attend the regular meeting of the Friona City Council on Monday, September 8, and comment on the budget, if they wish. Residents also are expected to attend to voice their

opinions on the proposed new city water ordinance, which would cause a considerable increase in city water rates.

The 1980-81 budget proposed by Outland is in the amount of \$671,753, compared to \$626,815 for the current fiscal year. This is an increase of seven per cent over the 1979-80 budget.

Outland said that the 1980-81 budget is balanced, and continues to depend upon city sales tax, franchise taxes and the Revenue Sharing Fund, which will be somewhat diminished (by 6.5 per cent) for the coming budget year.

In his annual budget message to the Friona City Council, Outland said that the necessity of the city having to drill a new water well during July of this year has had an adverse effect on the 1980-81 budget.

Included in the budget will be pay raises for city employees amounting to nine per cent, to attempt to compensate for inflation.

The City is expected to receive \$33,496 from Revenue Sharing during the coming year, and Outland has budgeted employee raises to account for \$23,496 of this amount. The other \$10,000 is budgeted for improvements to the Reeve Lake area.

Principal capital outlay items in the budget include a \$10,000 item for a new pumper for a city fire truck, as required by the state; \$12,000 for exchange of the fire chief's automobile, and \$8,000 for a new backhoe for the city water department.

Enrollment Figures Show Gain

Registration in the Friona school system on Tuesday, August 27 was 1,288, according to Tom Jarboe, Superintendent of Schools.

This was an increase of 23 students over the 1,265 figure on the second day of school a year earlier.

"We don't know for sure if this represents a true increase, or if it just means we are getting more students registered and started earlier this year," Jarboe said.

The superintendent indicated that traditionally there are a number of students who begin school for the first time after Labor Day. Jarboe said it would be interesting to see if the school picks up its usual number of "late comers" this year.

The increase in numbers in the current totals come from the elementary and junior high. Elementary totals increased by 20 from the previous year, and junior high showed a gain of 22. High school classes showed a decrease of 19 students.

Following are the enrollment totals, with the 1980 totals given first, followed by the 1979 figures: early childhood special education: 5, 0; kindergarten 94, 91; first grade 117, 109; second grade 114, 113; third grade 101, 103; fourth grade 103, 99; special education, combination unit, 9, 8. Elementary totals: 543, 523.

Fifth grade 107, 91; sixth grade 108, 106; seventh grade 101, 105; eighth grade 101, 93. Junior high totals: 417, 395.

Ninth grade 92, 86; tenth grade 83, 86; eleventh grade 81, 86; twelfth grade 72, 84. High school totals: 328, 347. Grand totals: 1288, 1265.

Star's 1980 Football Contest Set To Debut

The ever-popular football contest, sponsored by the Friona Star for over 20 years, is being announced in this week's issue of the Star, which will once again sponsor the 13-week series, along with 22 sports-minded area businesses.

Continuing the format of recent years, weekly prizes totalling \$20.00 will be offered, with \$10 awarded to the first place winner each week, \$6 given to the second place contestant, and \$4 awarded to third place.

In addition to the \$20.00 in weekly prizes, contestants will be shooting for the grand prize of \$100.00 cash to be awarded to the leading contestant at the conclusion of the contest.

Contestants will once again be asked to pick a total of 22 games per week in the contest, which will include the top high school games from this area, as well as the top college games and professional games each week.

The contest follows the same format that it has throughout its history. The games to be picked by contestants are listed in the advertisements of the contest sponsors. Each sponsor's ad contains

a game to be considered in that week's contest.

First place winner at the close of the 13-week contest will receive \$100.00 in cash. Second grand prize will receive \$25.00 and third prize \$15.00.

Entries may be brought or mailed to the Friona Star, Box 789, by 6 p.m. each Friday. They also may be left at Bi-Wize Drug. If mailed, the entry must bear a postmark by Friday "P.M." and should be marked "Football Contest."

Over 400 fans enter the contest each year, as individual rivalries usually develop among contestants.

Contestants must be 12 years of age or older to be eligible to enter the contest. In order that scores count for grand prizes, entries must be on an official entry blank, printed in the Star each week.

A tie-breaker game, usually the Friona Chieftain game, will be used to break weekly ties as well as those that might develop in the race for grand prizes.

The tie-breaker game is only used to separate ties, and has no bearing on the weekly score. Contestants are asked to pick the score of this game only.

With the exception of the Friona Star employees and their families, everyone is eligible to enter the weekly contest.

Sponsoring the event with the Friona Star are Tasty Cream Drive-In, Production Credit Assn., Mike Chaney Fertilizer, Hub Grain Co., Big T Pump Co., Dairy Queen, and Farmer House Restaurant.

Also, Hi-Plains Feed Yard, Friona Wheat Growers, Inc., Reeve Chevrolet-Olds, Farm Bureau Insurance, Adams Drilling, Parmer County Pump Co. and Benger Aero Spraying.

Also, Bruegel Bros. Gin & Elevator, Parmer County Implement Company, The Splatter Shack, Brockman Sales, Lakeside Parts & Machine, Bovina Feeders, Friona Consumers, Friona Ford Sales and City Body Shop.

MD Telethon Has Sponsor

In conjunction with the Jerry Lewis Labor Day Telethon, members of Friona Woman's Club will be operating a pledge center in Friona. Carrie Tatum will be the coordinator for the center this year, which will be located at the City Office on Main Street.

The pledge center will be open during the same hours as the telethon, from 8 p.m. Sunday, August 31 to 6:30 p.m. Monday, September 1.

Residents in Friona can call a special number during those hours to make their pledges to the telethon, in support of the Muscular Dystrophy Association. The number which has been assigned to operate during the 2 1/2 hour telethon will be 247-2761.

Youth from the First Baptist Church, under the direction of Geary Brogden, are also pledge center volunteers.

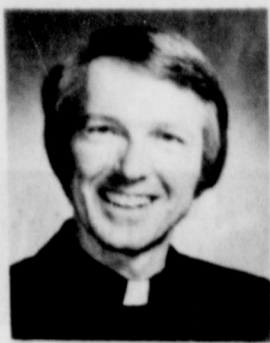

In addition, anyone wishing to volunteer their time to answer phones or assist with pledge center activities should contact Carrie Tatum or Addie Moyer.

The telethon will be broadcast in the Panhandle area by KFDD-TV, Channel 10.

Christ Jesus fulfills three distinct offices or functions--Prophet, Priest and King.

All of these functions can be or have been in a human sense filled by

K. McGehee Is Named To FHA Committee

Kenneth R. McGehee of Lazbuddie, has been named to serve on the Farmers Home Administration County Committee according to Billy R. Boling, the Agency's County Supervisor. The appointment is for three years.

The purpose of the County Committee is to review applications for Farmers Home Administration loans and to certify their eligibility. Composed of three members, the Committee is set up on a rotation basis with one new member appointed each year.

McGehee succeeds W.G. (Dub) Harlin whose term has expired. Other members of the Committee are Lorraine Welch of Friona and Don Murphy of Bovina.

men but Jesus is the God-man, at once divine and human--a fact that boggles the mind but we know it to be true because the Holy Bible says so.

First of all, Christ Jesus as Prophet is a messenger from God to the people; He speaks on His own behalf and announces that He Jesus is the long awaited Messiah, the Savior of all humans, who rely on Him. As Prophet, Jesus also announces the perpetual destruction of those apart from Him.

Secondly, Christ Jesus is Priest, a representative of the people before God. A priest also offers sacrifices to God and Jesus sacrificed Himself as He died on the cross in our place to reconcile us to God the Father.

Thirdly, Christ Jesus is King, the eternal Creator, Ruler, and Judge of the entire universe--all that was or will be created. Christ's office as King makes Him sovereign over everything. He determines who benefits from rain or lack of it; He controls what and who lives or dies, and He grants forgiveness, reconciliation, and eternal life, living and ruling with Him, to those who believe His promises.

Would you take a moment now and acknowledge Christ Jesus as your Prophet, Priest and King!

FRIONA FLASHBACKS

....from the files of The Friona Star

50 YEARS AGO--AUGUST 8, 1930

A group of Friona young people enjoyed an outing at Palo Duro Canyon Sunday, leaving here in the morning and arriving at the canyon before lunch time. The day was filled with exploring, wading the creek, and a fine dinner under the trees. Those enjoying the outing were Misses Estella Welch, Mary Kathryn, Helen and Dorothy Crawford, Margret Goodwine, Mary Reeve, Marie Clinin and Alice Guyer; Messrs. Milfred Alexander, Heard, Otho and Orville Whitefield, Nelson and Willie Howell Welch and Hadley and Glenn Reeve.

40 YEARS AGO--AUGUST 9, 1940

T.N. Jasper last week received an invitation from the program committee of the XIT Ranch Reunion to attend the reunion with his yoke of fine whitefaced black oxen and his ox wagon, with which he delivers freight here and does other draying business. Mr. Jasper and his oxen have attracted a great deal of attention from people visiting Friona and from tourists in cars or on the trains, and the oxen have perhaps had their pictures taken more often than any other oxen in the United States.

30 YEARS AGO--AUGUST 3, 1950

Mr. and Mrs. J.T. Gee reported last Thursday at the regular meeting of the Friona Lions Club on their recent trip to the convention of Lions International in Chicago. "No couple could have seen more than we did," said Mrs. Gee, who was one of only five women chosen as a guest on ABC's Breakfast Club on Thursday during the convention appearing on the program with the master of ceremonies, Don Ameche.

20 YEARS AGO--AUGUST 4, 1960

Directors of Parmer County Community Hospital are in the process of drawing up plans and specifications for a 3,250-square foot addition to the clinic of the hospital. The new addition will be designed to facilitate five doctors with consultation rooms and two treatment rooms each. As the hospital now stands the doctors, when working at capacity rush periods, keep patients overflowing in the waiting rooms.

15 YEARS AGO--AUGUST 5, 1965

Friona's Kay Burlison, who earlier this year won the "Miss Lubbock" contest, is entered this weekend in the Miss Texas Contest in Fort Worth. Kay, a junior student at Texas Tech, has quite a record of achievements in beauty contests, being a former Maize Queen and Deaf Smith County Electric Queen.

10 YEARS AGO--AUGUST 6, 1970

Two new staff members for the Friona Chamber of Commerce office began their duties during the past week. New Chamber manager is Billy Jones. Peggy Bryant is the new office secretary.

REMEMBER WHEN?

When the Friona Chieftains kick off their 1980 season next Friday night, they will have somewhat better facilities than they had in 1929, when the above "action shot" was taken over on the school ground in the vicinity of where the junior high gym and auditorium is now located. The photo had belonged to the late Clifford Boatman, who was a fullback for the Chieftains in 1929. Note how far off the line the safety was playing.

Friona State Bank has taken an interest in the Friona Chieftains over the years, and are ready to serve you now.

Eighty-Eight Attend Outing

A few years ago a few local couples got together and decided to go to Ute Lake, which is near Logan, New Mexico, for a last fling before school starts weekend.

This year's outing attracted eighty-eight Frionans plus two residents of the Easter Community in Castro County.

Annually the group meets on the bank of the lake for an outdoor hamburger cookout, which is followed by an evening of relaxed visiting. Then, on Sunday morning members of the group, who enjoy eating breakfast, get up in time for a pancake breakfast.

Sunday morning's cook, Jerry Loflin, who was assisted by Robert Neelley, decided the 1980 crowd was the biggest ever.

Those attending, besides the breakfast cooks and their spouses, were Teresa and Brent Loflin; Ben, Leann and Dan Neelley; Jerry, Raye Jene and Micah London; Jon Mack, Nancy, Rick, Russ and Raina Roden; Mr. and Mrs. Abe Lane, Stephanie,

Brian and Brad; and Teddy and Shirley Fangman.

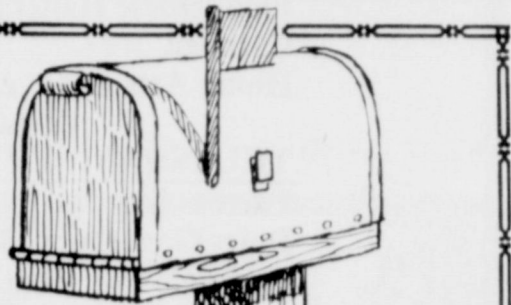

Also, George, Andrea, Kim, Kirk and Kip Frye, Mitchell Smiley; Jerry Erma, Sherry and Jana Brown; Glen, Marca Lynn, Richie, Kristi, Jamie and Jill Herring; and Clarence, Peggy, Renee and Allan Monroe.

Also, Tommy, Wendy and Holly Tatum; Wesley, Doris, Chris, Kyle, Kim, Ricky and David Barnett; Teddy, Sharon, Bill and Elaine White and Floyd, Betty, Debbie, Denae and Becky Reeve.

Also, Gary, Barbara, Jeff and Julie Brown; Clyde, Shae, Shayne and Shannel Woodard; Stephanie Miller; Ron, Edwina, Wade and Winfield Davenport; Archie, Donna, Michelle and Daniel Echols; Diana Gustin; John Carson; Jay Hight; Deon Robinson; Richard Malouf; and Mr. and Mrs. Harlan Frye.

Others in the area at different times were Shirley, Sue, Tammy and Monty Smith; John and Mary Bingham; Huck, Sandra and Chuck Nichols and Leroy and Louise Lundy and children.

Letter To The Editor

Dear Bill,

Football season is once again upon us. There will be lots of noise and cheering crowds at Pro, College, and High School football games. Here at Friona, that's not true. The fans here are not in tune with what's going on out on the field of play.

There seems to be a lot of visiting going on in the stands. Farmers talking about their crops, women talking about other things. But yet the cheerleaders and band members are trying their best to create

enthusiasm, but to no avail.

I don't think this is a cure all, but these games in Friona need an announcer bad. They need one to inform the fans what's going on out on the field. I don't mean a Howard Cosell type commentator, just an announcer to state the facts (who carried the ball, who made the tackle, what the penalty was for, etc.) and also be fair to both teams.

Friona is the only town, where I have lived, where this is not done.

I have been told that there

is an old rule prohibiting play by play announcing in this district during district games only. If there is such a rule, I think it needs to be changed. But in the meantime, while we're playing our non-district games, we need to try it. Just see what people think about it.

If you watch the Cowboys or Oilers on Sunday afternoon, no matter how interesting the game is, turn the volume completely down, you would soon fall asleep. That's what's happening at our games.

So, if you have any suggestions, pro or con, come to the Booster Club meeting next Tuesday night at 8 p.m. in the High School Cafeteria and let's see what we can do to wake up the crowd.

We would also like to hear from the other towns in our district on what they think about this rule and what can be done about it.

LeRoy Berend
Booster Club Vice President

Dear Mr. Ellis:

Another year, another subscription renewal--and I must tell you again how much we all look forward to the weekly issue of The Star. You and your staff do a fine job. Please continue in the same spirit! We are happy to think of sharing another year with you, complete with Maize Days, all the activities of school, the holidays, the changing political scene, everything from now till next August.

Meanwhile, best wishes to our friends in Friona from all of us--my parents, Harvey and Viva Matthews; my brother, Dr. Ray Matthews and his wife, Sarah; my aunt and uncle, Levi and Mary Ritter. We are always so glad to find familiar names and faces in your news.

Our own happiest news is that on Sunday we will celebrate my parents' sixty-fourth wedding anniversary with an open house for relatives and friends.

Sincerely,
Connie Matthews Baurac

Dear Editor:

It is time that our political officials from a local level to our national government take note of a fact of history.

The combined taxes of all branches of a government will continually increase until a war or revolution destroys that government.

Proposition thirteen and some of the lesser tax revolts should be a reminder to us and our elected officials that we are dangerously close to repeating this old fact of history in this beloved country.

Robin Searcy, Robin Renner United In Church Ceremony

The First Methodist Church in Jal, New Mexico was the scene of a double ring ceremony July 12, uniting Robin Lynn Searcy and Robin Dale Renner in marriage. The afternoon ceremony was performed by the Rev. Orval Austin.

The bride is the daughter of Mr. and Mrs. Logan Hallman of Jal, and Bobby Searcy of Andrews, Texas. The bridegroom is the son of Cotton Renner of Jal and Kay Renner of Lubbock. She is the grandson of Mr. and Mrs. R.J. Renner, Sr. of Friona.

Traditional musical selections were presented by Mrs. Doris Rose, organist. Sheila Lewallen, cousin of the bride, sang "The Twelfth Of Never," accompanied at the piano by Pat Ross. Ronnie Cypert sang "You Decorated My Life" and "I Pledge My Love," and accompanied himself on the guitar.

Cindy Gray registered guests in the foyer of the church. The registration table was covered with a white lace cloth lined with mint green, a white bud vase with an arrangement of yellow and green silk daisies and greenery. A wicker basket of scrolls was placed on the table for guests.

The vows were pledged beneath an archway of yellow, green and white silk daisies with green silk ribbons held in place by white doves on each side. The white lace unity candle stood in the background. The couple lit the unity candle during the ceremony. Two brass spiral candelabras with white tapered candles also decorated the church. The pews were marked with clear crystal hurricane lamps with lighted candles and were adorned with silk daisies and tied with yellow and green silk bows.

Ushers for the ceremony were Eldon Pruitt and Gary Watson. They also served as candle lighters.

The bride wore a formal length gown of silk organza over white peau de soie, fashioned with a fitted bodice trimmed with chantilly lace and encrusted with seed pearls. The gown featured an a-line chapel length skirt edged with a matching lace ruffle. Her matching fingertip length veil of illusion was also edged with matching lace. The veil was attached to a lace cap trimmed with seed pearls.

She carried a bouquet of live yellow and white daisies, miniature white mums, baby's breath and asparagus fern greenery and tied with yellow satin ribbon streamers.

The bride wore an antique cameo and pearl necklace that had belonged to her great-grandmother, and pennies minted in the dates of the bride and groom's birth in her shoes.

Attending the bride as maid of honor was her sister, Gina Searcy. Karen Ferguson, Whitney Hardin, Shawn Owen and Pam Brittan of Cayanosa, Texas, served as bridesmaids for the ceremony.

They wore floor length sundresses made of pale yellow seersucker knit fashioned with a wide ruffle at the hemline and neckline with spaghetti tie straps and a yellow dotted swiss ribbon belt tied in a large bow at the waistline in the back. The maid of honor wore an identical dress of mint green. They wore hairpieces of live

Mr. and Mrs. Robin Renner

daisies with baby's breath and carried nosegays of green and yellow silk daisies.

Darcy Renner attended his brother as best man. He wore a mint green tuxedo with matching ruffled shirt.

Groomsmen were Jimmy Lewallen, cousin of the bride, Glenn London, David Barnett, cousin of the bridegroom, from Friona, and Jimmy Murphey of Plainview. The groomsmen wore pale yellow tuxedos with matching ruffled shirts.

The groom was attired in a white tuxedo with a matching ruffled shirt.

Jamie Cates served as flower girl. She wore a mint green dotted swiss floor length sundress with a wide ruffle at the hemline and a lace ruffle at the neckline with a tie sash of green velvet ribbon at the waistline. She carried a wicker basket filled with yellow and white daisy petals.

At the beginning of the ceremony as the bride entered she presented her mother with a long stemmed yellow rose and at the conclusion of the ceremony she presented the bridegroom's mother with an identical rose.

A reception following the wedding was held at the Fellowship Hall.

The bride's table was covered with a white lace cloth lined in mint green. The table held two arrangements of live yellow and white daisies and white tapered candles. Punch was served from a crystal punch bowl and a three-tiered wedding cake was decorated with yellow, white and green silk and fresh cut daisies, and tiers were separated by white Roman columns. The cake was topped with wedding bells and daisies. The cake was designed and made by the bride and Whitney Hardin.

The groom's table was covered with an ecru colored crocheted cloth lined with mint green, handmade by the groom's grandmother. The groom's table held an arrangement of live daisies. German chocolate cake and coffee, from a silver service, were served from the groom's table.

The reception tables were attended by Melissa Lewallen of Albuquerque, Terresa Watson and Sheila Lewallen, all cousins of the bride, Desiree Brown, Tina Short and Tanya Mashburn of Seminole, Texas.

Yellow and green satin rosebud rice bags were given to the guests at the conclusion of the reception.

For a short wedding trip the bride chose a burgundy colored floral polyester knit backless sundress with matching white accessories and a corsage of yellow and white daisies.

The couple is now at home in Jal, where the bride is employed by New Mexico Bank & Trust Co. and the groom is employed by El Paso Natural Gas Company.

REHEARSAL DINNER

A rehearsal dinner was hosted by the bridegroom's parents at the Jal Country Club.

It's A Boy For G. Sells

The new arrival weighed nine pounds, six ounces, and was twenty-two inches long. He is the first child for the couple.

Grandparents are Mr. and Mrs. Harrell Mays, and Mr. and Mrs. Max Self, all of Friona. Great-grandparents are Mrs. Veta Self of Muleshoe, Mrs. Tisha Harris of Friona, Mr. and Mrs. Edwin Morrison of Hereford, and D.A. Mays, Sr. of Throckmorton.

Karen Cunningham Weds Michael Gowens

Mrs. Michael Gowens

Karen Sue Cunningham of Bowling Green, Florida and Michael Lynn Gowens of Friona exchanged wedding vows on July 26 at 6 p.m.

The candlelight ceremony was held before an arch of greenery, potted tropical palms and candles in the Little Union Primitive Baptist Church of Lithia, Florida.

The bridegroom's father, Elder Bernard Gowens, officiated at the service and was assisted by the bride's pastor, Elder Ronald Lawrance of Lithia, Florida.

The bride is the daughter of Mr. and Mrs. Julian Cunningham of Bowling Green, Florida and the bridegroom's parents are Elder and Mrs. Bernard Gowens of Friona.

Given in marriage by her father, the bride wore a wedding gown of white peau de soie overlaid with silk organza. The dress had re-embroidered scroll lace appliqued over the bodice and around the sweetheart neckline and long full sleeves with the cuffs edged in scroll lace. The front of the dress featured a set-in panel of sunburst pleats from the waistline to hemline. The back of the dress flowed into a chapel length

train edged in lace.

Her fingertip length veil of illusion was also edged in matching lace.

Carrying out bridal tradition, her dress was new. She borrowed her veil from Mrs. Clay Cunningham, sister-in-law of the bride. She wore a blue garter and pennies minted in the year of their births in her shoe. Her only jewelry was a drop necklace given to her by her parents.

The bride carried a bouquet of pink and burgundy roses, baby's breath and satin ribbon streamers carried atop a white wedding Bible.

The groom wore an all white tuxedo with ruffled shirt and burgundy rose boutonniere.

The bride's twin sister, Sharon Cunningham, was maid of honor. The bride's sister-in-law, Robin Cunningham, served as bridesmaid.

Both attendants wore long matching gowns of shell pink quiana with princess necklines and matching blouson vests. They carried long stemmed pink and burgundy roses, with baby's breath and satin ribbon.

The bridegroom's brother, David Gowens, was best man. Kevin Stanaland was the groomsman.

Candlelighters were Dan Gowens, brother of the groom, and Clay Cunningham, brother of the bride. They wore burgundy tuxedos with pink ruffled shirts and pink boutonnières.

Ushers were Matt and Gary Cunningham, brothers of the bride. They wore white after-five dinner jackets with black tuxedo pants and pink boutonnières.

The bride's mother was attired in a long burgundy and ivory dress. The blouse had long full pleated sleeves and a sweetheart neckline. The ivory skirt was accented with a spray of hand painted burgundy roses cascading down the side of the skirt to the hemline.

The groom's mother wore a full long celery green dress of crepe chiffon. It had a cowl neckline and long fitted sleeves. There were circle ruffles at the wrists and two flounces of ruffles at the hemline. The mothers wore orchid corsages.

Musical selections were provided by Ron and Carolia Johnson of Longwood, Florida and the bride's brother, Guy Cunningham. They sang "Grace Is A Charming Sound" and "The Wedding Song." Guy Cunningham also sang "The Lord's Prayer" as a benediction. Other music in the wedding was "Nadia's Theme," and theme from "Ice Castles," "Through the Eyes Of Love" and the traditional "Wedding March" by Longrins.

The bride presented burgundy roses to the mothers as she entered the church on her father's arm and as the bride and groom left the church.

The reception was held in the Fellowship Hall of the church for about 200 guests.

The bride's table was covered with a white bridal satin and lace table cloth, which draped to the floor with white satin bows at the corners.

The white three tiered wedding cake was decorated with pink and burgundy roses, white columns and swans separated the layers. The cake

was topped with a bride and groom figurine. Two sweetheart shaped side cakes were attached with spiral burgundy ribbon streamers. On one cake was written, "Forever Will We Love" and on the other "Everything is more beautiful when it's shared in love." Silver nut and mint dishes completed the table setting.

A white floor length lace cloth covered the punch table and tall silver candlesticks held burgundy candles. Burgundy punch flowed through a silver fountain with cherubs and a center lighted section. The table was complete with a long fresh flower arrangement of pink carnations and daisies.

The bride and groom drank punch from matching crystal goblets. The glasses had a rose and Michael and Karen and the wedding date etched on each glass. They were a gift to the couple from the bride's twin sister.

The groom's table was round and was covered with a floor length burgundy cloth overlaid with a square cloth of burgundy lace. A pink and burgundy silk rose flower arrangement set in a crystal dish accented the table setting. At the base of the dish was enameled pink and burgundy roses. The silk roses were made and arranged by the groom's mother.

The groom's cake was a three layer chocolate cake, decorated with pink and burgundy roses and green leaves. Written on top of the cake was "Forever Will We Love" Michael and Karen. The table was completed with a silver coffee service and chocolate brown napkins with the same verse printed on them.

Barbara Stanaland presided at the registration table.

Members of the houseparty were Donna and Shelia Cunningham and Sandy, Shirley Bobo, Lisa Varndum, Laura Jones, Janice Coffey and Cindy Alexander.

For going away, the bride and groom wore matching ensembles of oatmeal and burgundy two piece suits. The bride lifted her corsage of

sweetheart roses from her bridal bouquet.

The couple will make their home in Canyon, Texas, where the groom is attending West Texas State University and is employed by Brown, Graham & Co. C.P.A.s. The bride is employed by the University Dean's Office as a secretary.

Out-of-town guests were Mr. and Mrs. Richard Gentry of Lamesa, Texas; Janice Coffey and Cindy Alexander of Friona; Cassandra Cargile of Muleshoe; Mrs. Jim Smythe of Arlington; Mr. and Mrs. Thomas Strayhorn, Ellen and Carol of Snyder, Texas; Mr. and Mrs. Ron

Johnson, Julie and Eric of Longwood, Florida.

REHEARSAL DINNER

The rehearsal dinner was held by the groom's parents in the home of Mr. and Mrs. LeRoy Carlton and Mrs. Barbara Stanaland, Bowling Green, Florida.

The tables were covered with burgundy lace over pink cloths and fresh flowers were used. Assisting with the dinner was Carolia Johnson, Vina Strayhorn, Bobbie Stanaland and Cassandra Cargile.

There were forty people served at the dinner.

Ex-Teachers Group Sets Meeting Date

The Friona Retired Teachers Association will meet for its initial meeting of the year Thursday, September 4, at Friona State Bank's Community Room at 7 p.m.

Earlier in the year the local unit was organized with Assistant State Director, Mrs. Zoe C. Henry, of Canyon, presiding. Officers attended a workshop in Canyon.

The purpose of the meeting September 4 is to finish the slate of officers, formulate a constitution and by-laws and set a regular meeting date, according to J.T. Gee,

president.

Eligibility for joining the group includes persons who have taught, who are teaching, or who have retired officially. Both active and associate memberships are available. Spouses who have not taught are eligible for the latter category.

Interested persons are urged to attend this organizational meeting. Mrs. Henry will be present to assist.

The purpose of this group is to promote the social, professional and economic status of retired teachers at the local, state and national levels.
