Bill Ellis

SINCE THE REAGAN administration has embarked upon a program of austerity, cutbacks and fiscal responsibility, there are any number of federal programs which should come under scrutiny.

Chief among these is the Davis-Bacon Act of 1931, a 50-year-old relic of Depression Days, which costs American taxpayers billions of dollars every year.

What the Davis-Bacon Act does, is determine the "prevailing wage" for a locality, in which a government contract is being awarded. The only catch is, that the "prevailing wage" is usually double what the actual wage-earners are receiving.

The law was passed when wage-earners were being exploited, taken advantage of by unscrupulous contractors. But in today's world, with federal wage and hour laws, the Davis-Bacon act isn't even needed.

In a public housing project in Chicago, for example, a contractor could hire a few old-time janitors for simple jobs, but today he cannot do this. A janitor could change a burned-out light bulb, but the public housing project has to call in a union-wage electrician.

A janitor could replace a broken toilet seat, but a union plumber is required. If a pilot light goes out, a union pipefitter, courtesy of Davis-Bacon, is summoned. Who pays for this extravagance? You guessed it.

An official of the Chicago Housing Authority, testifying in Washington recently, said he thought the Davis-Bacon Act was costing Americans from \$15 to \$20 billion per year.

ANOTHER AREA in which government could save money is in closer scrutiny of itself. The Justice Department contends that as much as ten per cent of federal expenditures may be eaten up by waste, abuse and fraud.

Why not a closer scrutiny of ALL non-essential spending?

For instance, there is a law which allows the General Services Administration to spend one-half of one per cent of new federal building costs on works of art.

As a result, a sculpture consisting of four large steel plates propped up by telephone poles was erected outside a new federal building in Huron, South Dakota, much to the dismay of local citizens, who petitioned to have it removed.

In Columbia, South Carolina, citizens picketed to protest the \$65,000 cost of a 7,000-pound aluminum structure in front of a federal building.

In all, the above program has cost taxpayers over \$6 million, and continues uncontrolled in the new budget.

Then, there are programs such as the Texas Rural Legal Aid program, whose main acts since its inception has been to file suits against the U.S. Government—the very hand that feeds it, and created it to begin with.

It has been a mind-boggling situation to those of us who do not understand the complexities of government to realize that government can create an entity, pour hundreds of thousands of dollars into it, and then sit back and allow that entity to use the government as its number one whipping boy.

If this were going on on a local basis, the TRLA would have lasted just about a week—or until such time as the first anti-government suit was filed.

School Out February 19

The Friona Schools will not have school on Friday, February 19.

This is an in-service day for teachers. They will travel to Hereford for in-service day with several other schools.

Semester break will be Monday, Tuesday, Wednesday, March 1, 2 and 3.

ELECTED.... Jimmy Taylor, left, and Fred Florez, right, were elected to the board of directors of the Friona, Texas Federal Credit Union, and Ancel Renner, center, was named to the organization's credit committee. The action came at the Credit Union's annual meeting Tuesday night.

Trio Lands Offices In Organization

Fred Florez and Jimmy Taylor were elected to the board of directors for the Friona, Texas, Federal Credit Union Tuesday during the organization's 28th annual meeting. Ancel Renner was named to the group's credit committee.

The trio was replacing Arlen May and Gene Zachary (board members) and credit committee chairman Alvin Gaines, whose terms were expiring.

The three retiring officials were presented plaques by the organization in recognition of their service.

In her annual report, Credit Union Manager Barbara Maynard pointed out that Friona Texas Federal Credit Union had assets of \$2,698,416.93, and in spite of rocky times for the nation's financial institutions, had enjoyed a profitable year during 1981.

"The lifting of the ceiling on interest rates we could charge came just in time to save us," Mrs. Maynard said.

Other reports were given by May (Board of Directors); Gaines (credit); Carl Mason (supervisory); and Zachary (membership).

Entertainment was provided by the music group, Essence, made up of Bryan Johnston, Clint Mears, Sarah Mears and Stanley Ellis.

Door prizes were won by Diana Mendoza, Jimmy Taylor, Lewis Gore, Christine Mann, Donna Auburg, John F. White, Holly Grimsley, Veronica Garcia, April May, Gene Zachary, Alvin Gaines, Dale Hart, Joe Tongate, Carla Sue Mann and Ancel Renner.

A barbecue meal was enjoyed by those attending. Brownie Troupe 117 presented the colors. Arlen May was master of ceremonies. Larry Moyer served as chairman of the nomination committee.

CHAMBER BRASS.... Bob Hurst, the 1982 Friona Chamber of Commerce president, is shown as he presented 1981 president Danny Kendrick with his past president's plaque at the recent Chamber of Commerce Diamond Jubilee banquet. In the chamber's regular board meeting this week, the board discussed the possibility of hiring a part-time manager for the Chamber.

Filing Slow In School, City Races

March 3 is the deadline for filing in both the city and school board election.

With three seats expiring on both boards, only in the school board race has there been any filing activity. Incumbents Floyd Reeve, Teddy Fangman and George Frye have filed for re-election to their seats on the school board.

City council members Clarence Monroe and Mike Chaney and Mayor B.K. Buske's terms are expiring in the city race.

Those wishing to make application for a place on the ballots may do so with either Superintendent Tom Jarboe, or at the City Office.

Local Stock Show Slated Here Saturday

The Friona Junior Livestock Show, for 4-H Club members and FFA students in the Friona School District, will be held Saturday, February 13 at the Community Center-Showbarn.

Barrow judging will begin at 9 a.m. Sheep will be judged at 1 p.m. A new class, heifers, will be judged beginning at 3 p.m., followed by the steer show.

Benny Pryor, vocational agriculture instructor at Friona High School, said he expected approximately 70 barrows, 70 sheep and 25-30 steers. Heifers, to be judged for the first time, might number ten to twelve, he said.

New Wrinkle On Tap For Annual County Show

A new wrinkle will be featured at the 35th annual Parmer County Junior Livestock Show February 18-20. In a departure from recent years, part of the judging will be held on Thursday afternoon.

Also, a new class will be featured, for yearling heifers.

"These are heifers which will be shown at the Houston Livestock Show, and will give their owners an opportunity to show the animals, and give the animals the extra experience as well," says Friona vo-ag instructor Benny Pryor.

In the Friona area alone, there are ten to 12 heifers expected for the show, and the number may top the 20 mark for the county show.

The show will begin on Thursday this year, with the sheep show beginning at 4 p.m. Classification of the sheep will start at 2 p.m. "Jigger" Roland of Hereford will classify the sheep. Joe Edd Wise, County Agent from Dawson County (Lamesa) will judge the sheep. Some 200 animals are expected for the show.

At 8 a.m. Friday, the heifer class will be judged, followed by the steers. Spencer Tanksley, Bailey County Agent (Muleshoe) will judge the heifers and steers. Approximately 50 steers are expected to be entered in the show.

At about 1 p.m. Friday, the barrow show will begin. Judging the barrows will be Don Mackey of Elmo City, Oklahoma. A whopping 350 barrows are expected for this largest division of the show. Weigh-in for all animals is slated for Thursday morning.

"We thought that by having the lamb show on Thursday, this would get it out of the way, and help the show officials somewhat in making up their sale bill for the Saturday show. As it has been, they have to wait for all three divisions of

the show to be judged (on Friday) before being able to assemble their sale bill," said Pryor.

Also, the change in schedule was arranged in part in order to get the judges who had been invited.

James Sides is General Superintendent of the 1982 show, and John Taylor is assistant superintendent. The Parmer County Young Farmers are once again sponsoring the show.

Trophies and ribbons will be awarded to the top placing animals in each division. The trophies are sponsored by the Parmer County Farm Bureau. Showmanship awards will be presented on Saturday, courtesy of The Friona Star and Bovina Blade.

The annual show will conclude with the auction sale of prize animals, beginning at 1 p.m. Saturday.

All of the events are held at the Friona Community Center-Showbarn on North Highway 214.

RETIRING.... Alvin Gaines, left, member of the credit committee, and Gene Zachary, board member, were presented plaques this week by the local Credit Union for their service to the organization. Their terms had expired.

ANNE NORTON

Anne Norton Is Candidate For Treas.

Anne Norton of Farwell has authorized the Friona Star to announce her candidacy for the office of Parmer County Treasurer, subject to the Democratic Primary on May 1, 1982.

Anne and her husband, Gerald, farm northeast of Farwell. They are the parents of a daughter, Mrs. Dan (Charla) West of Amarillo, Texas and a son, Tim, of Farwell.

She was not born or received her education in Parmer County but since residing in the county she has put forth an effort to be an asset to the county and community.

Her experiences include working for a local accounting firm, substitute teaching, office manager of a local feed yard, library-aide, and in the advertising departments of a newspaper and department stores. While attending high school she was employed at various part-time jobs at an elevator and drug store.

Anne has assisted in various activities serving as a Brownie and Girl Scout leader, 4-H leader, class parent, band parent, athletic booster, etc. She is a member of the Professional Secretaries Association, Oklahoma Lane Farmerettes, Beta Sigma Phi member-at-large, treasurer of Retirement Ranches, Inc. and was selected as one of the Outstanding Young Women of America.

She and her husband are members of the Presbyterian Church and Anne is presently serving as an Elder and Sunday School teacher.

Anne feels capable and enthused about fulfilling the duties and obligations required in serving as County Treasurer. She is aware that she will not be able to visit personally with each of you but she does seek and will appreciate your vote and support in the May primary.

Heart Sunday Drive Set For February 14

The Parmer County chapter of the American Heart Assn. will observe "Heart Sunday" on Sunday, February 14. Linda Black is in charge of the city's door-to-door campaign, which will be held from 1-5 p.m. that day, weather permitting.

Mrs. Black is also Friona's memorial chairman for the AHA. Mrs. D.W. (Alma) Pierson has the corresponding role in Bovina.

Prairie Acres Nursing Home conducted a Rock-a-thon on Friday to raise funds for the AHA.

AMERICA'S NUMBER ONE KILLER

Early death and disability. That's the problem. Of the nearly one million deaths each year from heart disease, stroke, and related disorders—America's Number One Killer—200,000 occur before retirement age.

The Heart Association supports both professional and public education and training programs in the community, as well as setting standards and guidelines for health care in the areas of high blood pressure screenings, hospital coronary care units, stroke care programs, and emergency lifesaving techniques.

The task is an awesome one and is supported by voluntary contributions, not tax dollars. Heart Association policy provides that 75 per cent of contributions stays in the local community for programs in research, education and community service. Another 15 per cent is spent at the national level for research. The balance supports development of professional and public education and community service programs, and other support programs.

Eva Averett Rites Held On Friday

Funeral services for Eva Averett, 71, were held Friday, February 12, at 3:30 p.m. in the First Baptist Church with Dr. Carrol Green, pastor, and Rev. Marvin Averett, Baptist minister of Littlefield, officiating.

Burial was in the Friona Cemetery under the direction of Parsons-Ellis Funeral Home.

Born September 9, 1910 in New Castle, Texas, Mrs. Averett died Wednesday, February 10, in Parmer County Community Hospital. She married B.R. Averett August 6, 1930 in Graham. They moved to Friona in 1955 from New Castle. She was a member of the First Baptist Church. Mrs. Averett died Wednesday,

EVA AVERETT

February 10 in Parmer County Community Hospital.

Survivors are her husband, B.R. of the home; two sons, Bobby Joe Averett of Odessa and Paul Averett of Amarillo; two daughters, Mrs. Pauline Wiley of Shallowater and Mrs. Wanell Houston of Vernon; 12 grandchildren and 11 great-grandchildren.

Pallbearers were Curtis Murphree, Doyce Barnett, W.L. Cleveland, Delton Lewellen, Owen Drake and Philip Weatherly.

ELIZABETH RIEKEN

Mrs. Rieken Services Are Held

Funeral services for Elizabeth Rieken, 82, were held Friday, February 12, at 2 p.m. in the Union Congregational Church with Rev. Skip Sirmic, pastor, and Pastor Herman Schleter, pastor of the Lariat Lutheran Church, officiating.

Burial was in the Friona Cemetery under the direction of Parsons-Ellis Funeral Home.

Born February 6, 1900 in Monroe, Nebraska, she moved to Friona 25 years ago from Platte Center, Nebraska. She was a member of the Redeemer Lutheran Church of Friona. Mrs. Rieken was preceded in death by her husband, Oliver Rieken on March 27, 1976, by her parents, Mr. and Mrs. John Borchers, also one sister and three brothers. She died Wednesday, February 10 in Parmer County Community Hospital.

Survivors include two daughters, Mrs. Lorraine Jarecki of Friona and Mrs. Laura Sullivan of Platte Center, Nebraska; three sisters, Miss Helen Borchers and Miss Marie Borchers, both of Chicago, Illinois, and Mrs. Martha Siebler of Columbus, Nebraska; six brothers, Fred Borchers and Theodore Borchers, both of Monroe, Nebraska, George Borchers and Edward Borchers, both of Columbus, Nebraska, John Borchers of Platte Center, Nebraska and Walter of Bennington, Nebraska; 11 grandchildren and 18 great-grandchildren.

The family requests memorials be in the form of contributions to the Lutheran Hour.

Pallbearers were Clinton Schueler, Raymond Schueler, Floyd Schueler, Ralph Shirley, Bobby Wied and Melvin Sachs.

FRIONA FLASHBACKS

....from the files of The Friona Star

55 YEARS AGO—FEB. 4, 1927

On Saturday, February 5, the four basketball teams of Parmer County will go to Portales, N.M., and hold a basketball tournament in order to decide the county championship. The four teams are Friona, Bovina, Farwell and Oklahoma Lane. Various reasons make it necessary for this arrangement. One is that the championship game must be played on an indoor court. Friona is the only school in the county with an indoor court, and it is claimed by the other teams that it is not regulation size.

50 YEARS AGO—FEB. 5, 1932

Some citizens not on the city water mains have expressed their desire to having the mains extended to their premises. The city would be happy to do so, except the city finances are so low as to make this move absolutely impossible at the present time. However, any citizen wishing to bear the expense may be supplied with water, and the funds would be returned in the form of free water until the amount should be taken up.

40 YEARS AGO—FEB. 6, 1942

Editor John W. White was ill this week, and readers of The Friona Star can thank Mr. W.L. Edelson and 18 members of his high school journalism class for getting the paper out on short notice. Those assisting were June Maurer, Bobby Blackwell, Truett Johnson, Mary Jo Anderson, Gertrude Short, Melba Welch, Wilton Lillard, John Lee Weis, Nancy Shackelford, Ray Hurst, Clara Rector, LaMuriel Rury, Dale Treider, Lester Lee Hill, Bud Coffman, Webster Johnson, Dorothy Fangman and Glen Stevick.

35 YEARS AGO—

(Entire 1947 file missing.)

30 YEARS AGO—JAN. 31, 1952

Dudley Green and Archie Scott of Hereford are now the sole owners and operators of the Friona Motor Company here, dealers in Ford tractors, Ford parts and Dearborn farm equipment.

Friona merchants are meeting tonight for discussion of a Retail Credit Association to serve the locality.

25 YEARS AGO—JAN. 31, 1957

Participants in a suit between the City of Friona and Paul Strickland

had just as well turn the calendar back. The plaintiffs and defendants are right back where they started months ago for the Strickland Shamrock Service Station, which is on Highway 60. The city was seeking to obtain right-of-way for the state, which has since completed four-laning the highway through the city. The case has been before the Texas Supreme Court, after having been to county court and a court of civil appeals.

20 YEARS AGO—FEB. 1, 1962

Frank Hinkson of Lazbuddie has withdrawn from his race for a seat in the U.S. House of Representatives, as of last Friday. Announcement of his withdrawal came only about a week after he entered the contest, seeking the Republican nomination for the seat which is now held by Walter Rogers of Pampa. He

Ruth Auburg's Services Held

Funeral services for Ruth Auburg, 90, of Brownfield were held Saturday, February 6 at 2 p.m. in the First Baptist Church Chapel in Brownfield with Rev. E.K. Sheperd, senior adult minister, officiating.

Burial was in the Terry County Memorial Cemetery.

Mrs. Auburg died at 4 p.m. Thursday, February 4 in Brownfield Regional Medical Center after a lengthy illness.

She was a native of Greenville and moved to Childress County in 1906. She married F.D. Auburg October 24, 1909 and the couple moved to Brownfield in 1943. Mr. Auburg died in 1943. She was a member of the First Baptist Church. She was born October 31, 1891 and was preceded in death by one son, Dennis Auburg of Friona on May 9, 1977.

Survivors include four sons, David of Albuquerque, Charles of Knox City, Bob of Midland and Don of Fairfax Station, Virginia; two daughters, Annis Marshall of Brownfield and Magdalene Stevenson of Humboldt, Kansas; one sister, Grace Bishop of Fort Worth; 14 grandchildren and 26 great-grandchildren.

was withdrawn in favor of Frank Seale of Amarillo.

15 YEARS AGO—FEB. 2, 1967

A group of Friona citizens interested in having a bowling establishment in Friona met Monday night at the Friona State Bank's Community Room, and organized a fund-raising drive to finance the establishment of a new recreational facility. The group is forming a corporation, and is in the process of selling stock at \$100 per acre.

10 YEARS AGO—FEB. 2, 1972

Murder and suicide was the ruling Monday after Mr. and Mrs. Margarito Cuellar were found dead at their home a mile and one-half west of Summerfield Monday morning. "It looked like the man shot his wife and then killed himself," Lovelace said. Both were shot in the head and were lying on the bed in their bedroom. The shooting happened about 9 a.m. Monday.

5 YEARS AGO—FEB. 6, 1977

A.L. Black of Friona is to receive one of four top awards for outstanding contributions to conservation of natural resources at the annual meeting of the National Association of Conservation Districts (NACD) in Atlanta February 6-10.

Construction is well underway on the nine-mile stretch of road between Hub and Clay's Corner on State Highway 214.

REMEMBER WHEN ?

Friona showman Gary Phipps made Friona Junior Livestock Show history in 1966 by exhibiting both the Grand and Reserve Champion steers. It is thought to be the only time one exhibitor has claimed the top two honors in the show. We at Friona State Bank salute all of the youngsters working with animal projects, and wish you the best of luck in your upcoming shows.

Teams Have Open Date

Due to the open date for the varsity basketball teams this Friday, there will be no video-tape replay on Channel 6 Saturday morning. The final game of the series will be telecast next Saturday, February 20. It will feature the teams against the Muleshoe teams. These games will be played here Tuesday, February 16.

HOW TO WIN AT THE LOSING GAME DIET CENTER®

When you decide to lose weight, COMPARE!

There are hundreds of fad diets, formal weight-loss programs and so-called miracle cures for the problem of excess weight. The problem with most of them is that they concentrate solely upon losing weight. If you rely upon prepackaged foods, shots, drugs or a severely reduced food intake to lose weight, what will you do once that weight is lost? The vast majority of people revert to the old eating habits that caused the problem in the first place, and excess weight soon returns. Not so at Diet Center!

OUR PROGRAM WORKS AND IT'S TOTALLY NATURAL

At Diet Center, weight is lost quickly and safely, but what's even more important, dieters are taught how to maintain ideal weight for a lifetime. Through private, daily counseling sessions and weekly classes in nutrition and behavior modification, Diet Center will teach you how satisfying a nutritionally balanced diet can be.

LOSE 17 TO 25 POUNDS IN JUST 6 WEEKS!

And, if necessary, that rate of reduction can be sustained until you have lost 50, 75 or even 100 pounds and more... without hunger, nervousness or loss of energy.

AND WE'LL TEACH YOU HOW TO KEEP IT OFF!

CALL TODAY FOR A FREE INTRODUCTORY CONSULTATION IT COULD CHANGE YOUR LIFE

Squaws Win Two Heart-Stoppers

Friona's Squaws scored a pair of close wins in games played here last Friday and Saturday. The team edged

FCC Sets Winter Event

A "Winter Frost Scramble" golf tournament is scheduled for Saturday, February 20 at the Friona Country Club. The entry fee is \$90 per team. The deadline for entry is February 18 at 12 p.m. The field will be limited to the first twenty paid teams. The tournament will start at 12 p.m. under the Shotgun format.

According to Chris Fontanilla, Friona Country Club Golf Professional, each team will consist of three players, men, ladies or combination thereof. However, a team must have a player in each category as indicated: "A" player--handicap 9-6 or more; "B" player--handicap 7-15 or more; "C" player--handicap 16 or more.

In case of inclement weather conditions, the tournament will be rescheduled for February 27.

DECA Sets Exhibition Basketball

The Friona DECA Club is sponsoring a basketball game on Saturday, February 20, at 7:30 p.m. in the Friona High School gym between the Friona coaches and Channel 10 KFDD from Amarillo.

Friona team members will be Tom Johnson, Steve Williams, Tommy Moss, Donnie Snodgrass, Mike Speck, Lynn Weiland, Don Herbert, Jackie Morgan and Tommy Carr.

Tickets purchased in advance will be \$1.50 for students, \$2.00 for adults, and a \$5.00 fee for a family pack. At the gate tickets will sell for \$2.00 for students, \$2.50 for adults and \$7.50 for the family pack.

This should be an interesting evening and everyone is urged to attend.

the Littlefield Wildcats, 40-37 on Friday, then returned on Saturday for a 42-38 win over Olton in double overtime.

Both of the district games were close practically from start to finish.

Friona opened against Littlefield with an eight-point lead, something they have had trouble doing--taking an early lead.

Thanks to the shooting of Sherry O'Brian and Cari Hand, and some good defense, the Squaws had an 11-3 lead at the end of the quarter.

But Littlefield came back in the second quarter to make it close again. Friona only had one field goal until the last two minutes of play. O'Brian and Wennetter Jackson got the goals, to give Friona a 19-18 halftime lead.

The Squaws had a 29-24 lead after three quarters but saw the visitors pull back to within a point in the final quarter. Twice Rene Noland went to the free throw line and sank vital one-and-one free throws, to keep the Squaws in the lead, and Cari Hand sank field goals in the close encounter.

But if fans thought Friday's game was close, they hadn't seen anything yet. Consider these quarterly scores: 8-7, 20-18; 25-23; 35-35; 35-35 and 42-38.

O'Brian was Friona's most consistent scorer, with 19 points in the ball game. After the teams struggled through a scoreless first overtime, Friona scored seven points, all on free throws, to pull out the heart-stopping 42-38 win, their 13th of the season, and fourth district win.

The Squaws sank seven of 12 free throws in the second overtime for the margin of victory.

SQUAWS	11	19	29	40
Littlefield	3	18	24	37

Cari Hand 5-0-10; Sherry O'Brian 4-1-9; Lesa Bermea 1-1-2; Rene Noland 2-6-10; Cara Brockman 2-1-5; Wennetter Jackson 1-1-3; Diane Johnston 0-1-1.

SQUAWS	8	20	25	35	35	42
Olton	7	18	23	35	35	38

Hand 1-5-7; O'Brian 8-3-19; Bermea 1-0-2; Noland 2-1-5; Brockman 3-1-7; Jackson 0-0-0; Johnston 1-0-2.

NO, YOU DON'T....Littlefield's Tanya Pollard (15) heads toward the basket, but finds her way blocked by Lesa Bermea of the Friona Squaws. The Squaws downed the first-half district champions, 40-37 here last Friday.

Three Local Teams Vie For JH Crowns

Three local teams have reached the finals in the Friona Junior High basketball tournament.

Friona's seventh grade girls defeated Hereford Stanton 38-17 to advance; the seventh grade boys defeated Hereford Stanton, 35-22, and the eighth grade girls downed Stanton, 21-20.

The local eighth grade boys fell to Stanton, 22-19, to go into the consolation bracket.

The seventh grade girls face Hart Saturday at 2 p.m. for the championship; the boys play Bovina at 3:15 for that trophy, and the eighth grade girls meet Bovina at 4:30.

Bovina's seventh boys beat Hart, 30-27; and the Bovina eighth grade girls downed Hart, 25-6. Bovina's eighth grade boys beat Hart, 23-14, to advance. Bovina meets Stanton Saturday at 5:45, for the boys' eighth grade trophy.

CLOSE ENCOUNTER OF THE LITTLEFIELD KIND.... Friona Squaw guard Rene Noland (10) is shown working the ball against Littlefield, as Laurie Ratcliff of the Lady Wildcats puts on a close defense. Friona scored a 40-37 win over the 'Cats, their second district win over Littlefield. (Photo by Stanley Ellis)

Chiefs Split Two District Games

Friona's Chieftains split a pair of games in District 2-AAA action last Friday and Saturday.

The Chiefs played the Littlefield Wildcats a close game before bowing, 66-60 on Friday, then came back for their first district win over Olton's Mustangs, 65-50 on Saturday, in a game which had been postponed from Tuesday due to snow.

In Friday's game, the Wildcats could do little wrong in the opening quarter, while the Chieftains were slow out of the blocks. The result was a 19-6 Littlefield lead, and although Friona outplayed their guests the rest of the evening, they never could overcome that early lead.

The 'Cats even had a 17-point lead at 23-6 before Friona got untracked and began to hit the basket. Mike Neill scored eight second quarter points to pace the team to a 17-12 edge and cut the halftime margin to eight, 31-23.

Neill continued hot in the third quarter with eight more points as the Chiefs pulled to within four points once, 35-31. Littlefield still led by seven, 46-39 at the third quarter mark.

Friona again led in point totals in the final quarter, 21-20, but had to settle for the six-point deficit. Neill's

23 points constituted one of his better games, point-wise. Littlefield won its 23rd game of the season.

Saturday night was Mark Tucker's time to have a hot hand. Mark scored eight first quarter points as Friona raced to a 19-9 lead over the visiting Olton Mustangs.

Tucker and Neill scored ten points between them as Friona increased its halftime margin to 34-21. Neill came back after intermission to score eight third-quarter points as the Chiefs made their lead 52-35.

Coach Tom Johnson allowed his bench to see a lot of action. The Chiefs were winning their 14th season game, after suffering through four frustrating district losses.

CHIEFS 6 23 39 60
Littlefield 19 31 46 66

Mark Tucker 1-2-4; Mike Neill 7-9-23; Robert Caballero 6-5-17; Rich Malouf 4-0-8; Nelson Jackson 1-2-4; Charlie Veazey 0-0-0; Anthony Brady 2-0-4; Joey Howard 0-0-0; Michael Chaney 0-0-0.

CHIEFS 19 34 52 65
Olton 9 21 35 50

Tucker 8-4-20; Neill 7-2-16; Caballero 3-3-9; Malouf 0-0-0; Howard 2-1-5; Jackson 0-2-2; Veazey 0-0-0; Brady 2-0-4; Chaney 4-1-9.

FAST BREAK....Robert Caballero (in white), member of the Friona Chieftains' basketball team, gets a rebound and starts downcourt for the Chiefs against Littlefield. Jim Burks (13) of the Wildcats comes in to guard Caballero. Littlefield claimed a 66-60 win in the district battle. (Photo by Stanley Ellis)

Junior High Teams Battle Morton Injuns

The seventh grade Braves hosted the Morton Indians Monday night, February 8. The Braves were defeated 48-20.

Scoring for the Indians were Peter Malouf 5-2-12; Patches Fleming 1-0-2; Shy Burney 1-0-2; Lonnie Phillips 1-0-2; and Lewis Madrid 1-0-2.

The Braves' next game is at Littlefield on February 15.

The Friona seventh grade Maidens traveled to Morton on Monday, February 8. The Maidens defeated Morton 13-9.

Scoring for the Maidens were Mika Maddox 3-2-8; Shannon Atwell 1-2-4; Rhonda Ratcliff 0-1-1.

The Maidens will host Littlefield

on February 13 for the final game of the season.

The eighth grade Maidens traveled to Morton Monday night. They were defeated. The final score was 13-8.

Scoring for the eighth graders were Robin Houlette 2-0-4; Tammy Tucker 0-2-2; and Pam Alvarado 1-0-2.

The Friona eighth grade Braves hosted Morton Monday, February 8.

The Braves played into overtime defeating the Indians 36-33.

Scorers were Brad Moyer 4-2-10; Jeff Brown 3-3-9; Brent Gatlin 3-0-6; Mendan Dixon 2-1-5; Leroy Mercado 1-0-2; Johnny Trevino 0-1-1; and Wendell Woodruff 1-1-3.

Town Talk

By June Floyd
Call 247-3861

Among the Frionans who attended the twenty-fourth annual production of Master Follies at Lubbock Christian College in Lubbock last weekend were Mr. and Mrs. Tom Mason and daughters, Jeana and Rena.

Also Mr. and Mrs. Sterling Graham and Mrs. Hazel Baxter. The Grahams and Mrs. Baxter went down to Littlefield Friday afternoon and spent the night in the home of Mr. and Mrs. Don Stubbs. Then went on to Lubbock Saturday and returned home after attending the afternoon performance of the musical gala at Lubbock Christian.

Mr. and Mrs. L.C. Ainsworth returned home Thursday afternoon after an extended visit in California.

Show Set For Band

The Easter Opry Road Show will be in Friona on Saturday, February 13, in the Friona Junior High School auditorium, beginning at 8 p.m.

The show is being presented by the Friona Band Boosters and tickets are \$3.00 for adults, \$2.50 for students, and children under six will be admitted free, with an adult.

The Easter Opry Road Show is a two-hour country, western and gospel music show. This group was started about three years ago by Jerry Hodges, owner of Sound Stage One in Hereford. The show consists of ten to fifteen acts, accompanied instrumentally by The Country Four, Holly Hodges, Annette Dawson, Ed Gallagher and Don Tice.

Members of the Easter Opry Road Show are from Hereford and Dimmitt and play for benefits. Some members of the cast include Tom Simons, the emcee, The Moore Sisters, Sandy Caison, Waldon, Zaida Ellison, Tex Rhodes and Billy Lytal.

They visited in the home of Mr. and Mrs. George Ainsworth and son, Gary, at Ontario, and in the homes of friends in Banning.

George Ainsworth is the couple's son.

Mrs. W.V. Elmore, Mrs. Lucille Wilson and Lexie Elmore left Monday morning for Winters, Texas, to return Lexie to her home.

She is the daughter of Mr. and Mrs. Tim Elmore and has been visiting in the home of her paternal grandparents, the Elmores, several weeks.

Mrs. Elmore and Mrs. Wilson also visited in the home of Mr. and Mrs. Dale Spivey in Comanche, Texas, before returning home.

John Lee Weis of Albuquerque was a Saturday visitor in the home of his mother, Mrs. H.H. Weis.

Mr. and Mrs. Louis Welch returned home Friday evening after a trip to the West Coast. They helped their son, Lynn, get moved into an apartment in San Diego, where he plans to live for the next several years.

The couple also visited in the home of Dr. and Mrs. Rex Johnston in Los Angeles. Mrs. Johnston is the former Estella Welch, who grew up here and her husband is a former teacher in the local school system.

Mr. and Mrs. Dale Johnston and children and Mr. and Mrs. Dennis Johnston and children, all of Amarillo, were weekend guests in the home of Wilma and Elvin Johnston.

If the two Frionans I know who are from Iowa are a fair sample of the kind of people who live up there, I'm thinking perhaps we should encourage more of them to move down here.

Ann Martin, who moved down from Creston about six and one-half years ago as Calvin's bride, has been

a very good neighbor and has become a loyal Texan.

Then, last week I had the pleasure of meeting Peggy Behrendson, who with her husband, Richard, and four sons moved from the same part of Iowa more recently.

At the present time she is helping take care of the residents of Prairie Acres and has such a fine sense of humor that I know she's a valuable addition to the staff over there.

A long time reader of Town Talk and a loyal subscriber to the Friona Star, Bill McGlothlin, is recuperating at home following an extended stay in St. Anthony's Hospital in Amarillo.

In spite of his weakened condition, he hasn't lost his sense of humor. When we visited him last week, he asked if we knew the definition of a small town. We'd heard several, but not the one he came up with.

His was, "a town where a local resident mails a get well card to another resident in an out-of-town hospital without any signature and the recipient knows who sent it."

Pretending that I didn't know what he was talking about availed me nothing.

I'm still wondering who helped him identify the sender. Surely he nor any member of his family recognize my handwriting.

Bond Sales Released

Sales of Series EE & HH United States Savings Bonds in Parmer County were reported by County Bond Chairman, Charles E. Allen, to be \$2,834.

Sales for the first twelve-month period totaled \$32,838 for 39 per cent of the 1981 goal of \$85,000.

Texas sales during the month amounted to \$19,354,166, while sales for the first twelve months of 1981 totaled \$252,438,142 with 100 per cent of the yearly sales goal of \$252.3 million achieved.

Perscas who attend the regular third Tuesday covered dish luncheon at Friendship House will be in for a real treat.

H.D. Simmons, minister of Sixth Street Church of Christ, will be the guest speaker and a quartet composed of Libby Procter, Sherry Atwell, Charles Caudill and Bob Welch will present vocal selections.

Something new is also being added to the make up of Senior Citizens. Membership cards have been printed and will be issued at the Tuesday meeting.

PRESENTED AWARD....Walter W. Simms of Bovina, center, was recently presented a safety award certificate for 30 years accident-free service to Santa Fe Railway. Simms, cashier at Hereford, is pictured with J.C. Beck (left), agent at Hereford, and J.L. Rainey (right), trainmaster at Amarillo. J.C. Beck is a former Friona resident and Santa Fe agent.

NOTICE OF NEW VOTING AND COUNTY PRECINCT LINES

These maps show the breakdowns of the Commissioner's Precincts and Voting Precincts as proposed by Bickerstaff, Heath and Smiley, and accepted by the Commissioner's Court and submitted to the U.S. Justice Department, under the Voting Rights Act of 1965:

Study Club Sets Local Talent Recital

Modern Study Club will be hosting a musical recital of local talent to be performed at the Congregational Church on Tuesday evening,

Blagraves Have Boy

Mr. and Mrs. Doug Blagrave of Ackerly, Texas are the parents of a baby boy.

Named Carson Kenly, he was born January 25. He weighed eight pounds, nine ounces. Carson has one sister, Kaci, two years old.

Grandparents are Mr. and Mrs. D.T. King of Friona and Mrs. Nona Blagrave of Ackerly.

Great-grandmothers are Mrs. Clara Prosser of Friona and Mrs. Clarice King of Plainview.

February 16 at 7:30 p.m. and is free to the public.

Eva Miller is co-ordinator for the program which will feature a wide variety of musical talent from around the town of Friona. Some of the numbers will be a piano quartet, organ and piano duet, male vocal quartet, vocal duets and solo, and the two band directors, Whitis and Ochoa, will be performing a trombone duet.

Title of the evening's program is "Galaxy of the Brightest Stars." This promises to be an evening of enjoyment for all and there will be a time of fellowship and refreshments following the program at the church. The musical program will be approximately an hour and a half long and the public is invited by Modern Study Club to attend at no charge.

Mrs. Steven Jack Horner

Beth Pounds Weds Steven Jack Horner

In a double ring ceremony at the Church of Christ in Mason, Texas, Saturday, December 19, 1981, Beth Pounds became the bride of Steven Jack Horner. Bob Kruse, minister of the church, read the vows.

The bride is the daughter of Neil Pounds of Dallas and the late Carol Blackburn Pounds. The groom's parents are Mr. and Mrs. Merle Cope of Mason.

Mrs. Mike Hutson, Friona, cousin of the bride, was the matron of honor. Other bridal attendants were LeAnn Cope, Mason, sister of the groom; Angie Barber, Amarillo, sister of the bride, Lisa Kay Young and Deanna Chauvet, Abilene.

Bryan Horner of Abilene was his brother's best man. Groomsmen were Kenny and Robert Horner, brothers of the groom, Brit Pounds of Lubbock, brother of the bride, and Joel Draper of Mason.

Flower girls were Kassi Horner of Abilene, niece of the groom and Dixie Smith of Amarillo, niece of the bride. Matt Fry, Rocksprings, Texas, was the ring bearer and ushers and candlelighters were Lee Henrich and Kurt Raspberry, both of Mason.

As the bride was presented in marriage by her father, she wore a formal gown of sheer polyester lined with acetate taffeta. The bodice was

designed with a yoke of Brussels lace and a high split collar of alencon lace. The sheer sleeves were decorated with lace appliques and gathered onto fitted cuffs.

She wore a wide brimmed hat edged with alencon lace and carried a bouquet of pink and white roses and carnations interspersed with baby's breath.

A reception followed the ceremony. Guests were registered by Chrissy Barber of Amarillo, sister of the bride. Rice bags were distributed by Michael Cope, brother of the groom.

Refreshments were served by Tori Schuessler, Kerry Graham, Mrs. Joel Draper, Joy Polvado, Jaimi Hunt and Dena Smith of Amarillo, cousin of the bride.

Mr. and Mrs. Horner are at home in Abilene, where they are students at Abilene Christian University. He is also employed by Andrews Furniture Company.

Mrs. Claude Blackburn, grandmother of the bride; John and Kathrine Blackburn; Rex and Matilyn Blackburn and Mike Hutson, all of Friona, also attended the wedding.

CAC Board Sets Annual Meeting Date

The Parmer County Community Action Center Advisory Board meeting was held January 27 at 7:30 p.m. with eleven members present. The meeting was called to order by Charles Turner, chairman.

Before the minutes were read, the group elected Janie Robles to replace, as member and secretary, Maria Bazaldua, who resigned after the September meeting.

Minutes were then read by Janie Robles, board secretary, and approved by the group.

The Center monthly report was given by the Center coordinator, Pearl Cervantez. Programs in progress at this time are Rent Subsidy Program, Homemakers Services and Medical Transportation, (medicare-volunteer drivers).

Main topic of the evening was making plans for the Annual Community Meeting, which will take place February 18 at 7:30 p.m. at the First State Bank in Bovina, at which time present vacancies will be filled and new members will be elected.

The meeting was adjourned.

Members present were Charles Turner, Francis Euler, Raymond Euler, Maria Robledo, Eva Florez, Marie Venable, Julia Garza, Emiliana Martinez, Anita Alonzo, Helen Mazurek and Janie Robles.

Sr. Citizens Lunch Set On Tuesday

The Friona Senior Citizens will hold a "pot luck" luncheon on Tuesday, February 16 at the Friendship House.

Hostesses for the luncheon are Martha Russell, Eula Henderson and Mary Harper.

All senior citizens are urged to bring a covered dish and attend this meeting, as the new membership cards will be issued that day.

Happy Birthday To Friona Folks....

WEEK OF FEBRUARY 13-19
Friona residents having birthdays next week are:

February 13--Eufaula Ethridge, Michael Schueler, Jimmy Wayne Norwood, Terri Ray Lloyd, Donny Campbell and Donnie Finley.

February 14--Wayne Schueler, Mildred Rule, Wade Schueler, Jimmy T. Norwood, Don Huckabee, Billie Jo Hand and Jimmy Broyles.

February 15--Donna Schueler, Doug Whately, Lee Allen Kube, Arlene Murrietta, Delbert Putman and Tonya Stovell.

February 16--Shawn Lee Ann

Butler, Marion Fite, Melissa Bass and Minnie Albert.

February 17--Rhene White, Francis Saiz, Allo Reeve, W. Odell Holley and Donald Stone.

February 18--Louise Welch, Ginger Stephens, Dean Lovelady and Patsy Aragon.

February 19--Paige Cook, Rex Nelson, Minnie Knight and Kathy Stone.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

MARIA MAGDALINA VILLANUEVA and GREGORY LEE SHEHAN...Mr. and Mrs. Tomas Salcido Ramirez of Friona announce the engagement and approaching marriage of their daughter, Maria Magdalena Villanueva, to Gregory Lee Shehan. He is the son of Mr. and Mrs. Patrick Lee Shehan of Canyon. The couple will exchange wedding vows Saturday, June 12 at St. Ann's Catholic Church in Canyon. The bride-elect is a 1980 graduate of Friona High School and is a sophomore nursing major at West Texas State University, Canyon and is employed with High Plains Baptist Hospital in Amarillo. Shehan is a 1979 graduate of Canyon High School and is a junior student at West Texas State University. He is currently employed with Food Bonanza Mart, Amarillo.

Sausage Dinner Set

Just a reminder that Sunday, February 14, St. Ann's Catholic Church in Bovina will be serving a German sausage dinner beginning at 11:30 a.m. on that day with continuous service until 2 p.m.

The menu will include homemade German sausage, homemade sauerkraut, home canned green beans, mashed potatoes, gravy, Jello salad, relish plate, two kinds of dessert, hot French bread, coffee and iced tea.

Donations of \$4.00 per plate for adults and \$2.50 for children's plates under ten years of age will be accepted. Take-out orders will also be taken at \$4.25 per plate.

There will be door prizes awarded and sausage may be bought to take home.

St. Ann's is located on Third Street in Bovina and the residents of Bovina and the surrounding communities are cordially invited to attend this dinner.

Green Thumb Program Aids Senior Workers

America's greatest natural and renewable resource—is it coal, our forests, the sun? No, it's our older citizens, says Texas Farmer's Union Green Thumb District Director, JoAn Mahaffey, "and it's a resource we do ourselves an injustice to overlook."

Green Thumb, sponsored by Texas Farmer's Union, is a rural older worker employment and placement program now operating in 107 counties in Texas. Mahaffey directs the program in 31 counties in the south plains and panhandle, headquartered in Lubbock. "Green Thumb's mission is to return mature persons desiring it, to the work force," she says, "and we're able to help both rural employers and persons 55 and older in this regard."

Employers hiring a senior worker

are hiring proven experience, usually greater job stability, and a positive work attitude; plus workers in every age group above 50 lose fewer scheduled work days, for any reason, than those in any age group below 50, the U.S. Department of Labor has established.

Green Thumb, Inc. is an equal opportunity employer and has operated in Texas for eleven years. Nationally, it has expanded from operation in four states in 1965 to 45 states, District of Columbia, and Puerto Rico currently. It was the first organization of its kind, tackling employment problems of rural seniors.

If you are 55 or older and need a job, or are an employer and need a good employee, call or write: Green Thumb, Inc., 1409 19th St., Lubbock, Texas 79401 or call (806) 747-8342. Green Thumb is ready to help.

GREEN THUMB District Director, JoAn Mahaffey, right, Lubbock, discusses policy with Derrell Hale of Plainview, area supervisor.

35th Jr. Livestock Show Is Feb. 18-20

The Parmer County Junior Livestock Show is slated for February 18-20 at the Community Center-Showbarn in Friona. The 1982 show will be the 35th annual show for young showmen in the county.

This is not to say that there were no livestock shows in the country prior to 1948, because there were—as far back as the 1920s and 1930s.

But the show began its present format in 1948, and records have been tabulated for winners of each category in the succeeding 34 years.

One thing which is a proven fact is that exhibitors in Parmer County come up with some top-notch animals. This has been proven in their competition in regional and statewide shows, as far away as Houston and Denver.

Another thing which has distinguished the Parmer County Junior Livestock Show is the way that

the area backs the show in respect to the annual auction sale, where a new record is set virtually every year in the amount of premium dollars paid out to the young exhibitors.

Last year, for example, bidders paid a total of \$93,729.47 at the sale, and of this amount, \$56,075.46 was in premiums—the amount above the "floor prices" paid by the companies buying the prize animals outright.

Stars of the 1981 show were Roddy Berend of Friona; Joe Dan Tarter of Lazbuddie and Casey Riddle of Bovina, who exhibited the three grand champion animals.

Berend, a Friona FFA member, captured the Grand Champion Steer title with a 1266-pound Angus-Chianina crossbred animal that also won the show's heavyweight class.

Berend's steer sold at auction for \$2.05 per pound, to Parmer County

Implement Company and Parmer Liquid Fertilizer.

Tarter, a Lazbuddie High School FFA member, exhibited the Grand Champion Barrow, a 245-pound crossbred animal which sold in the auction sale for \$2.00 per pound. Bidder was North Lazbuddie Gin.

Miss Riddle, a member of the Bovina 4-H Club, had the Grand Champion Sheep, a 127-pound entry which won the Suffolk breed championship. The champion sheep was bought at auction by Parmer County Implement Company for \$5.20 per pound.

The win by Berend gave his school, Friona, the county steer title for the 16th time since 1948. Friona leads in that division of show honors. Farwell entries have captured ten steer titles, Lazbuddie has won six, and Bovina two, both by the same exhibitor, Joan Carson, in 1976 and 1978.

The win by Berend's Angus cross was the fifth by an Angus or Angus-Cross in the show's history. Prior to 1980, Angus steers had won only three county titles, but now have been tapped the past two years in a row.

Hereford steers lead the list with at least 18 titles in the show's 34-year history. Crossbred steers have won the county title four times.

The win by Tarter gave Lazbuddie its 22nd barrow title overall in the past 34 years. Friona is a distant second in this division with six titles, Farwell has four and Bovina two.

Lazbuddie showmen "hogged" the barrow show for sixteen consecutive years, 1961 through 1976, winning an unprecedented 16 straight barrow titles. After being blanked two straight years (1977 when Farwell's Brent Green turned the trick, and 1978, with Friona's Joe Reeve), the county showmen have bounced back to win the barrow title for the past three years.

Durocs and Hampshires have won the most grand champion honors in the barrow show in Parmer County, eight each. Poland China and crossbred entries have won six titles and Chester White barrows have won four times.

GRAND CHAMPION STEER....Roddy Berend exhibited the Grand Champion steer at the 1981 Parmer County Junior Livestock Show, a 1266-

pound Angus-Chianina cross. Shown with Berend is Herb Vogel, who sold Berend the steer.

Champions Since 1948

Steer Champions

1948--Maurice Gaede, Friona 4-H (Hereford); 1949--Wayne Massey, Friona 4-H (Hereford); 1950--Herbert Schueler, Friona; 1951--Donald Jesko, Farwell; 1952--Ben Jordan, Friona (Hereford); 1953--Mary Tatum, Friona (Shorthorn).

Houston Livestock Show Sets 50th Anniversary

The spotlight shining on the world's largest livestock show and rodeo promises to gleam even brighter this year as the Houston Livestock Show and Rodeo pulls out all the stops to celebrate its golden anniversary.

Preliminary figures from livestock show officials indicate that this year's show will have some 29,000 livestock entries, making the 50th Anniversary Show still the world's largest. And, most of the entries are from junior exhibitors, 4-H and FFA boys and girls, from all over Texas.

"The 1982 show offers spectators a unique opportunity to see some of the finest livestock ever and it's all gathered under one roof," said Assistant General Manager Don Jones, Jr. "A quick glance through the barns during our show emphasizes why Houston has become known as the premier livestock show in the industry."

The Houston Show also provides an opportunity for exhibitors to participate in some of the toughest of showing competition after a year's worth of preparation for their animals. The 1982 show once again promises to be profitable for them, as open show and junior exhibitors will vie for more than a half a million dollars in prize monies and premium auction prices above market value.

Houston, the fastest growing city in the nation, brings western heritage to life when it once again hosts this two week extravaganza. Livestock show dates are February 20-March 7, and rodeo dates are February 24-March 7.

Horses, buckboards and stage-coaches take to the concrete and businessmen don western hats and boots to get into the spirit of the largest civic event in the history of this bustling oil and space flight capital.

The big kick off Rodeo Parade gets things off to a colorful start as it inaugurates the festivities for the big 50th Anniversary Show. Scheduled for Saturday, February 20 at 10 a.m. in downtown Houston, it's the biggest parade the city sees all year long. This event draws more than 6,000 trailriders journeying as far as 386 miles to downtown Houston where they meet with city officials, bands and spectators to lead the parade.

The parade is only the start of a weekend filled with exciting activities. Livestock is beginning to fill the vast exhibition facilities, the carnival is in full swing, more than 250 commercial exhibits are open and horse show competition is underway.

Additionally, the weekend is packed with thrilling to Go Texan contests including the world's championship barbecue, hay-hauling, whistling, fiddling and horse-shoe pitching competitions—all for the delight and excitement of thousands of spectators crowding the grounds.

Open livestock show competition begins Monday, February 22 as the Houston Livestock Show begins an expanded judging schedule. This first week of competition is primarily the showcase of the professional breeders and ranch owner. Exhibitors from some 35 states will bring in the best in breeding stock to compete in breeding beef, dairy, swine, poultry, sheep, Angora goat and rabbit shows.

As the Houston Show is a showcase of the livestock industry, cattlemen from Europe, Mexico, Central and South America travel to the open show to view the best in stock. Last

year, more than 650 international visitors from 25 countries registered with show officials and the 1982 International Days, February 22-27, should draw an even larger crowd.

The 4.3 acre Abercrombie Arena, adjacent to the livestock exposition building (Astrohall), provides the setting for all horse show activities. With more than 3,000 horses entered in the nine shows, the horse show must run for 16 days, beginning on February 20, in order to accommodate all classes. Plus, some eight hundred contestants are expected for competition during the sixth annual horse judging contest held February 25.

During the second week of the livestock show, junior show exhibitors take over the 22.3 acre livestock exposition facility. Judging begins on March 3. While this second week is dominated by juniors, some junior exhibitors have been in competition the first week—junior dairy shows and junior breeding sheep and goats in particular. This move was made in an effort to ease crowded conditions and provide more efficient scheduling.

No matter which week you look at though, competition here in the junior division is fierce and these exhibitors know they're up against both the best in livestock and in judges.

Junior shows include breeding beef heifers, dairy, breeding sheep, Angora goats, beef and dairy scramble heifers, commercial steers, breeding rabbits, market lambs, market poultry, market turkeys, market swine and market steers, including a carcass contest.

Exhibitors of market animals realize that, in addition to the premium awards and trophies, a grand championship in their market division at the Houston Show could pave the way for a future cattle herd or college diploma.

The Houston Livestock Show holds the world's record in all categories of prizes paid for champion market animals: grand champion steer—\$112,000; reserve grand champion steer—\$90,000; grand champion lamb—\$60,000; reserve grand champion lamb—\$41,000; grand champion barrow—\$51,500; reserve grand champion barrow—\$35,000; grand champion pen of five broilers—\$33,000; reserve grand champion pen of five broilers—\$18,500; grand champion turkey—\$20,000; and re-

serve grand champion turkey—\$18,500.

Due to the tremendous community involvement and civic support from thousands of individuals and businesses alike, junior exhibitors are assured that their animals selling in the market auctions will bring premium prices. Junior exhibitors are also competing in livestock and dairy judging contests where their knowledge of animals can win calf purchase certificates worth \$400 toward the purchase of a purebred, registered beef or dairy heifer.

For the 1982 rodeo, 448 boys and girls will be participating in beef and dairy calf scrambles as part of rodeo action in the Astrodome. In addition to providing some of the best rodeo entertainment, the calf scramble offers winning contestants the opportunity to earn a calf purchase certificate worth \$400. Together with the top 40 winners of the livestock and dairy judging contests, calf scramble winners participate in a special year-long program that stresses education and responsibility. It concludes with special show ring competition at the following year's show.

Spectators at the 1982 rodeo, February 24-March 7, will again be treated to top flight rodeo competition. Cowboy champions will be matched against rodeo's toughest stock with one of the richest purses in American rodeo riding on the outcome.

For the final performance of the rodeo on March 7, the top finalists in each event will compete in Houston rodeo finals for additional prize money, trophy saddles and the coveted title of Houston All Around Cowboy on the line. In 1981, rodeo contestants split more than \$300,000 in prize money and more than 600,000 spectators turned out to see them win it.

This year's rodeo performances feature superb television and recording star talent. Fans will be assured that whatever performance they attend, they're bound to see a true superstar.

Appearing at the 1982 Rodeo are: Eddy Arnold, Anne Murray, Larry Gatlin and the Gatlin Brothers Band, Merle Haggard, The Oak Ridge Boys, Charley Pride, Mac Davis, The Statler Brothers, Moe Bandy and Joe Stampley, Conway Twitty, Dolly Parton, Kool and the Gang and Don Williams.

The 50th Anniversary Houston

Livestock Show and Rodeo, February 20-March 7, promises to continue the show's golden tradition of the very best in family entertainment, plus the glitter and excitement of the world's largest livestock show, educational events and western heritage. There truly is something for everyone at Houston!

Eighteen FFA members from Friona will be attending the Houston Livestock Show. They are Dana Berend, Roddy Berend, Brian Edelman, Sarita Gay Ellis, Trent Johnson, Corrie Lundy, Jeff Lundy, Richard Malouf and Doug Moyer.

Also, Rocky Nichols, Jay Norworthy, Greg O'Brian, Joe Kyle Reeve, Shain Rhodes, Holly Tatum, Wendy Tatum, Shayne Woodard and Shea Woodard.

On The Farm

By SETH RALSTON

To be licensed to apply pesticides in 1982, aerial applicators must participate in a training program and complete a test. The training program is being conducted by the Texas Agricultural Extension Service and the test by the Texas Department of Agriculture (TDA).

Pesticide applicator training for aerial applicators who were unable to take the training at the TAAA Meeting in San Antonio on January 9, will be conducted at the Texas A&M Research and Extension Center, 6500 Amarillo Blvd. West, Amarillo on February 17 at 1:30 p.m. Testing will be conducted by the TDA following the training program. To register call Norma Young or Carl Patrick at (806) 359-5401.

If an applicator is unable to attend the above program, training on an individual basis is available by appointment at the Texas A&M Research and Extension Center, Amarillo. Individual testing is available at each of the TDA district offices.

To make arrangements for individual training and testing, telephone the Research and Extension Center and the TDA office. Contact the Extension Office for the telephone numbers.

J.B. Wheeler To Speak At Annual Crop Symposium

J.B. Wheeler, Chairman of the Board of Hale County State Bank in Plainview, Texas will be the keynote speaker at the Annual Crop Symposium at the Texas A&M Center on February 18. Wheeler's topic is "How Bad is the Farm Crisis?" Dr. G.B. Thompson, Research Director at the Center invites everyone to attend the event starting at 9:30 a.m.

Wheeler is a native of Plainview and started working at the Hale County Bank in 1946. He is a member of the Plainview Rotary Club, VFW, American Legion and is Chairman of the Veterans Land Board for Hale County. He is Chairman of the Board of High Plains Research Foundation at Halfway, Texas and of the Central Plains Higher Education Authority Board in Plainview. Wheeler is past president of the Texas Bankers

University Day

Set February 26
At Texas Tech

University Day, offering a taste of college academic and social life for prospective freshmen, will be February 26 at Texas Tech University.

Registration for the day of free activities will begin at 8 a.m. in the University Center. After a 9 a.m. general assembly and welcome, students will participate in advisement programs on career possibilities, potential majors and Texas Tech academic requirements.

After lunch students will have a chance to tour the campus and meet with counselors. There will be various booths set up in the University Center Ballroom by student organizations and academic units.

Ample time is allowed for students to look around campus and to talk with Texas Tech students, faculty and staff.

Concluding the day's events will be a swimming and dancing party at the Texas Tech Aquatic Center.

For further information about University Day, contact the Office of New Student Relations, 742-1480.

Association and serves on the Banking Trade Association National Board.

In addition to Wheeler, Dr. Milton Holloway, Director, Texas Energy and Natural Resources Advisory Council will discuss the impact of natural gas deregulation on crop production. Wesley Masters, President of Center Plains Industries in Amarillo will tell symposium participants about the impact of natural gas deregulation on fertilizer production.

The nuts and bolts of crop budgets and cash flow analysis will be discussed by Drs. Wyatt Harman and Ray Sammons, Texas Agricultural Experiment Station Research Economist and Texas Agricultural Extension Service Farm Management Specialist from Amarillo.

Other topics being discussed by Texas Agricultural Experiment Station and USDA Researchers from Bushland and Amarillo are "Man-

agement of Center Pivot Systems" by Dr. Dan Undersander, and "Water Conservation in Irrigated Crop Production," by Jack Musick. Dr. Paul Unger will discuss "Water Conservation in Dryland Crops," and Dr. Steve Winter will present his research on cropping systems. The program will be rounded out by Randy Underwood, Conservation Agronomist with the USDA Soil Conservation Service from Amarillo telling people about "Limited Tillage in Action on the Farm."

The symposium is sponsored by the USDA Conservation and Production Research Laboratory at Bushland, Texas Agricultural Experiment Station, Texas Agricultural Extension Service and Panhandle Economic Program.

"Everyone interested in management techniques and new research to combat high costs and low prices will benefit from this symposium," Thompson said.

RESERVE CHAMPION STEER....Holly Tatum poses with her lighthweight steer which won Reserve Champion honors at the Parmer County Junior Livestock Show last year in Friona. Her sister, Wendy, is holding her ribbon and trophy.

Heifer Weights Key To Breeding Rates In Herds

One way cattlemen can increase the conception rates of heifers in their beef herds is to make sure they are at the proper weight when the first breeding season rolls around.

While that may sound simple, it takes considerable planning and management, emphasize two specialists with the Texas Agricultural Extension Service, Texas A&M

University System.

Dr. L.R. Sprott and Dr. John Beverly, beef cattle specialist and animal reproduction specialist, respectively, point out that pregnancy rates during the first breeding season depend almost entirely on preweaning and postweaning nutrition. Lightweight heifers usually have a low rate of conception.

SCHEDULE

35th Annual Parmer County Jr. Livestock Show
Friona Community Center-Showbarn
THURSDAY, FEBRUARY 18

9 a.m.--Weigh-in of animals begins.

2 p.m.--Classification of sheep.

4 p.m.--Judging of sheep.

FRIDAY, FEBRUARY 19

8 a.m.--Heifer Show

9 a.m.--Steer Show

1 p.m.--Barrow Show

SATURDAY, FEBRUARY 20

1 p.m.--Auction Sale.

"Heifers should reach at least 60 per cent of their mature body weight before the start of first breeding—usually at 14 to 16 months of age," say Sprott and Beverly. "Such heifers generally will have a 90 per cent or higher conception rate compared to 85 per cent or lower rates for heifers reaching only 55 per cent of their mature body weight at first breeding."

Getting heifers to this 60 per cent weight level requires conscientious management," note the Extension specialists.

"First, you need to know the mature weight of the type of cattle you have," they point out. "Then you need to weigh all prospective replacement heifers at weaning and sort them into two groups—heavyweights and lightweights."

By subtracting heifer weaning weights from their 60 per cent of mature weight level, you find out how much they need to gain before first breeding. Dividing that figure by the number of days from weaning to the start of breeding will give you the average daily gain needed for each heifer.

"Armed with this information, you need to provide your heifers with either good grazing or a sound feeding program, depending on the season of the year," note Sprott and Beverly. "Since lighter heifers will need more feed or better quality forage to gain more weight, they need to be managed separately."

Most heifers on good summer grass or winter annuals such as wheat and oats gain about 1.25 to 1.5 pounds a day, say the specialists. However, those on dormant winter pastures don't fare as well and will need some feed-free access to good quality hay and two to four pounds of a good growing ration daily.

"It's important for cattlemen to keep track of their heifers by weighing them every 30 days or so to make sure they are making the proper gains," Sprott and Beverly point out. "This enables them to make adjustments in feeding where needed to keep the heifers on schedule."

"Getting heifers to weigh 60 per cent of mature weight by the first breeding season can be a major step in improved conception rates," add the specialists. "And that means more calves for next year's market."

SHOWMANSHIP WINNERS....The winners of the Showmanship plaques at the 1981 Parmer County Junior Livestock Show pose with their awards. From the left are Holly Tatum, winner of the plaque for the steer division, Joanna Clayton, lamb division, and Terry Steinbock, barrow division.

Programs For 1982 Released

RESERVE CHAMPION BARROW....Matt Howell's heavyweight Duroc won the Reserve Champion trophy in the Parmer County Junior Livestock Show last year in Friona.

Cattle Market Outlook Diverse

Most cattlemen agree that 1981 was disastrous for the cattle industry, but many disagree about what lies ahead in 1982.

"The outlook for the cattle business in 1982 is probably the most diverse it has ever been," says Dr. Ed Uvacek, livestock marketing economist with the Texas Agricultural Extension Service, Texas A&M University System.

Some economists project continued poor profitability and an aborted cattle cycle while others suggest a reduction in the total cattle inventory has already occurred. On the other hand, some livestock analysts expect some improvement in cattle prices and a continued herd buildup until around 1984-85.

"Most estimates for the next two years still point toward continued expansion of the beef herd although profits may be scarce," Uvacek says.

He adds that some aspects of the business serve as underlying incentives to a further herd buildup. These include such things as the difficulty ranchers have in altering plans after they decide to expand their herds, the sometimes substantial additional income sources coming from oil and mineral leasing

of some ranchland, and the historic bullishness of cattlemen.

"The overall balance sheet for the cattle industry in 1982 is somewhat encouraging," believes Uvacek.

Fewer fed cattle will be available in the first six months of 1982, along with reduced pork and veal production. Only a small increase in broiler and turkey numbers is expected, so total red meat and poultry supplies during the first half of 1982 may be below the first six months of last year.

These lower meat supplies should allow higher prices for cattle in 1982, says the economist.

"Price forecasters suggest some improvement is likely through the first half of this year," Uvacek says. "As fed cattle prices increase, feeder prices also will move upward. Improved incomes for feedlots in the early part of the year could stimulate cattle feeding and result in larger beef supplies by the second half of the year."

Predictions of the cattle market depend greatly upon anticipated general economic conditions. Most economic factors are difficult to forecast because they are influenced by policy decisions made in Washington, adds the economist.

The 1982 wheat, feed grain and upland cotton programs were announced this week according to Prentice L. Mills, county executive director, as follows:

WHEAT—To become eligible for price support loans, target price protection and the farmer-owned reserve program, farmers must reduce their plantings 15 per cent below their farm's established base. No acreage payment is made for the acres reduced. The target price for 1982 wheat will be \$4.05 per bushel. Loan rate will be \$3.55 per bushel for grain placed under the regular loan; and \$4.00 per bushel for grain (wheat) entered into the farmer owned reserve.

Reserve program storage payments will be made at the rate of 26½ cents per bushel per year. Wheat will be released from the reserve when the average price (nationwide) reached \$4.65 per bushel.

The wheat acreage on a farm (participating) must be at least 15 per cent less than the farm's base. Generally, the farm base is the higher of the 1981 wheat acreage or the average of the 1980-81 wheat acreages.

The acreage taken from production must be devoted to conservation uses. For example, a farmer with a 1981 planting of 100 acres would plant (to participate) no more than 85.0 acres of wheat for harvest in 1982. The remaining 15 acres (17.5 per cent of 85) must be devoted to an approved conserving use.

If the farmer plants fewer than the permitted 85 acres, he will be permitted to devote fewer acres to conservation uses. For example: if only 50 acres were planted, only 8.8 acres (17.5 per cent of 50) would need to be in a conserving use.

The land taken from production must be eligible cropland which is protected from wind and water erosion. Acreage which has already been planted to wheat, and then designated as reduced acreage, may be cut for hay or grazed. Note: This applies to wheat only. Other acreage designated to meet the conservation requirement may not be mechanically harvested or grazed during the six principal growing months. Again, there will be no payment for the reduced acreage devoted to a conserving use.

There will be no offsetting nor

cross compliance requirement. This means that farmers owning or operating more than one farm will not be required to participate on all farms in order to be eligible for benefits on participating farms. Also, participation in the wheat program is not required to qualify for program benefits on other crops grown on the farm. Participation in all the programs is voluntary.

COTTON—The acreage reduction requirement (voluntary participation) for upland cotton is the same as for wheat—15 per cent off the base or 17.85 per cent of the planted. The reduced acreage must be devoted to an approved conserving use. A participating farm is eligible for target price protection and the regular government loan program. The 1982 target price for upland cotton is 71 cents per pound and the loan rate is 57.08 cents per pound. This rate applies to strict low middling with 1 and 1-16 inch staple, 3.5 thru 4.9 mike, at average U.S. location.

FEED GRAINS—To participate in

the 1982 Feed Grains Program, a farmer will be required to reduce his 1982 plantings 10 per cent below the farm's base. Again, the crop base (generally) will be the higher of—the 1981 planting or the average of the 1980-81 planting. There will be one base established for corn-sorghum and one established for barley-oats. Corn may be substituted for sorghum and vice-versa. Barley and oats are interchangeable.

Feed grain program participants will make their farm (same as for wheat) feed grain crops eligible for target price protection, government price-support loans and the farmer-owned grain reserve program.

The target price for feed grains is: Corn—\$2.70 per bu. (\$4.82 cwt.); Sorghum—\$2.60 (\$4.64 cwt.); Barley—\$2.60 and Oats—\$1.50.

Regular loan rates are: Corn—\$2.55 per bu. (\$4.55); Sorghum—\$2.42 bu. (\$4.32 cwt.); Barley—\$2.08 per bu. and Oats—\$1.31 bu.

The Farmer-Owned Reserve Loan Rate is: Corn—\$2.90 bu. (\$5.18 cwt.); Sorghum—\$2.75 bu. (\$4.91 cwt.);

Barley—\$2.37 bu., and Oats—\$1.49. The release or trigger level for each feed grain (this is when the grain may be freely redeemed from loan) is: Corn—\$3.25 bu. (\$5.80 cwt.); Sorghum—\$3.10 bu. (\$5.54 cwt.); Barley—\$2.65 bu., and Oats—\$1.65 bu.

About those crop bases—they will be subject to change each crop year! Each farm's 1982 crop base will be established using the farm's 1981 and/or 80-81 plantings as a general rule. Now, the farm's 1983 base (or bases) will be established by using the 1982 plantings (plus reduced acreage) and the 1982-81 average. So, this fixes it to where a farmer who is wanting to change from one crop to another might be out of the program in 1982 and "build" a base to his liking for 1983.

As can be seen these 1982 programs are very flexible and no doubt most farmers can (and will) participate in the program for one or more crops. At least, it appears that will be true in this immediate area.

TOLK STATION, Southwestern Public Service Company's new coal-fired electric generating station is located ten miles east of Muleshoe. The

first 561,000 kilowatt generating unit is scheduled to be completed this summer. The second unit will go on line in 1985.

First Coal Delivered To New SPS Plant

The first trainload of coal at Southwestern Public Service Company's new electrical generating station near Muleshoe, Texas, was unloaded at the plant this past week.

The new power plant is named Tolk Station, in tribute to Roy Tolk, recently retired chairman of the SPS board of directors and a current board member. Mr. Tolk threw the switch to dump the first car of coal.

Ben Green, plant manager, said the 110-car unit train delivered approximately 11,000 tons of coal to the Tolk Station site.

With the arrival of additional shipments, about 200,000 tons of coal will be stored at the plant prior to start-up of the first generating unit in June of this year. The 200,000 tons is enough fuel to run the 561,000-kilowatt generator for approximately 60 days during the start-up phase while operating at considerably reduced loads.

Green said the coal-handling system at Tolk Station represents a departure from the system used at SPS's Harrington Station in Amarillo. During the unloading process the coal cars are turned upside down to dump the coal. The trains serving Harrington Station utilize coal cars that dump the coal through doors on the underside of the cars. Green said

the coal cars used at Tolk will be lighter weight and capable of carrying more coal than the cars used at Harrington.

Tolk Station is the second coal-fired power plant for SPS. The first, Harrington Station, was completed in 1980 and is presently the largest of Southwestern's ten generating plants.

The new plant will have a total capability of more than a million kilowatts when completed. The first 561,000-kilowatt unit is scheduled to go on line in July of this year and the second unit in July of 1985.

Commenting on the fuel supply, Green said, "we have enough coal under contract for the life of the plant, which is about 35 years."

The coal for both Tolk Station and Harrington Station is a low-sulphur, high-Btu coal from the Black Thunder Mine in the Powder River Basin near Gillette, Wyoming.

Southwestern Public Service primarily provides electric utility service to a population of more than one million in a 45,000-square-mile area of the Panhandle and south plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas.

Friona Industries Has Profitable Statement

Friona Industries, Inc. reported net earnings of \$1,031,000, or 46 cents per share, on sales of \$103 million during the six months ended December 31, 1981.

This compared with net earnings of \$1,874,000, or 85 cents per share, on sales of \$101 million for the first six months of the prior fiscal year.

"All segments of the Company achieved profitability with Meat Processing and Distribution showing a dramatic improvement over the first half of fiscal 1981," said Ron Davenport, chairman, president and chief executive officer.

"Operating profits of the other major segments were below those of the same prior-year period, principally because of lower cattle prices

and reduced feed yard occupancy," he explained.

Meat Processing and Distribution operating profits of \$1,035,000 were 87 per cent higher on a 24 per cent sales increase. The total number of Wendy's Old Fashioned Hamburger Restaurants serviced with hamburger meat and other food items climbed 128 restaurants to a total of 676 units in 15 states at the end of the first half. As a result, pounds sold increased 12 per cent to almost 26 million pounds.

Custom Feeding operating profits were \$1,292,000 compared with \$1,995,000 in the first half of the previous year. Fewer average number of cattle on feed in the Company's three feed yards—70,650 head this year versus 91,250 last year—was responsible for the decline.

Commercial Feeds volume and profitability decreased for the same reason. Tonnage sold was down 26 per cent from the prior year and operating profits of \$453,000 compared with \$835,000 during the same period of last year.

Operating profits from the sale of Company-owned Cattle (38,500 head this year and 30,760 last year) were \$413,000 versus \$624,000 for the first half of fiscal 1981. Average sales price dropped about 6 per cent and profit margins narrowed.

Animal Health Supplies operating profits of \$390,000 were almost 22 per cent lower.

Grain operating profits of \$251,000 were 21 per cent lower as profit margins and tonnage were reduced. Other operating profit, which includes grain hauling and steel fabrication and intercompany profit eliminations, increased \$74,000 to \$478,000 for the first six months of this year.

During the second quarter net earnings of \$433,000, or 19 cents per share, on sales of \$50.7 million compared with net earnings of \$552,000, or 25 cents per share, on sales of \$50.5 million in last year's second quarter.

The same factors were present as in the entire first half, with the exception that cattle prices were somewhat more favorable than in the same quarter of fiscal 1981.

Meat Processing and Distribution had by far its best quarter ever as

operating profits of \$444,000 were about five times greater than the \$81,000 of the same three months of the previous year. This was achieved by a 10 per cent sales gain. More restaurants served-up 115 for an average of 662 units—and considerable improvement in profit margins made this good performance possible. Also, in last year's second quarter substantial start-up costs were incurred for this segment's new distribution system.

Custom Feeding operating profits of \$630,000 compared with a total of \$945,000 in the prior year's second quarter. Average occupancy was off almost 23 per cent, or 20,680 head.

Commercial Feeds tonnage dropped some 23 per cent and average sales price per ton was down 6 per cent, as operating profits were \$305,000 compared with \$468,000 last year.

The loss from the sale of Company-owned Cattle was substantially reduced on a quarter-to-quarter comparison. An operating loss of \$6,500 this year compared with an operating loss of \$223,000 for the same quarter last year.

Animal Health Supplies operating profits of \$256,000 were about 18 per cent lower. Grain operating profits of \$99,000 compared with \$253,000 reported in the second quarter of fiscal 1981. Other operating profits increased \$127,000 primarily due to changes in inter-company profit eliminations.

"Feed yard occupancy is at one of the lowest points in several years, which depresses many of the Company's other industry segments. However, with improvement in grain-fed cattle prices, this situation would be reversed and Company-owned Cattle would generate reasonable profits.

"We are encouraged by the performance of our Meat Processing and Distribution business and will continue to pursue its expansion," said Davenport.
