## City's Building In Good Start For '81

**HAVING JUST COMPLETED** our local and Parmer County Junior Livestock shows for the year, we are reminded of just what the shows and project animal programs mean to the youngsters of our county.

As a former participant in the project animal program in FFA, we recall the thrill of bringing our animals (barrows in our own case) to town to participate in first a local show, and then later in the state fair.

It is encouraging to see that this program has survived in our schools and communities, in spite of the fact that much "de-ruralizing" has occurred locally in the past quarter of a century.

We salute all of the groups and individuals who work to perpetuate the junior livestock program in our area. In Bovina, the Lions Club and Chamber of Commerce sponsor the local show, organizing it and providing prizes.

On the county show level, the Parmer County Young Farmers and the Parmer County Jr. Livestock Show Association do a great job each year of organizing and putting on the show.

Unless you work closely with one of these shows, you don't realize the amount of work that goes into producing a show. Everything from the securing of entry forms, weighing in and securing of health certificates for the animals, requires a lot of time and effort.

At the county show, the animal lists are then typed, as the animals are placed into classes for the show. The show itself requires a lot of volunteer work, in helping to herd the barrows, sheep and steers into and out of the show ring. In the case of the county barrow show, this lasted for 7½ hours. That's a day's work by labor union standards, but there were still two divisions to be judged in the county show at this point.

After the judging is completed, county show officials then must prepare a list of the animals which make the auction sale, and a companion list of animals which did not make the sale. At this time, they also have to take names of those who wish to keep their animals, for further shows, etc.

The auction sale is the culmination of the county show, and a successful sale can put "frosting on the cake" as far as the youngsters and their projects are concerned.

A number of people make an effort to get the buyers—mostly the businessmen from Parmer County and the surrounding towns which serve the local residents—to the auction sale.

In addition, some work each year to solicit donations, and this money is pooled, usually spent on some of the "non champion" animals, which need a little price boost. In this regard, R.T. Harbour of Bovina and JeDon Gallman of Friona have been doing yeoman service.

The hard work by the 4-H and FFA members usually pays dividends when show time comes around. The weeks and months of working with their animals—feeding them, exercising them, etc., pays off when you get your animal into the showing, whether you win one of the top prizes or not.

At this point we also need to give a pat on the back to the local vocational agriculture instructors, and the county agent, who donate a lot of extra time helping the youngsters with their projects.

We have always felt that the project animal program gives a youngster a lot of good experience, from the responsibility of caring for an animal, to the record-keeping chores, which are required both in FFA and 4-H.

The only drawback to the entire situation is that, as we understand it, it is tough for the youngsters to show a profit on their projects, unless their animals make the auction sale.

Due to the high price of animals and feed, many youngsters face a loss if they fall into this category. In

(Continued on Page 7)

The monthly summary of activities for the City of Friona by City Manager A.L. (Jake) Outland showed that building activity, as measured by permits issued by the city, had a very active month during February.

According to figures released by the city manager, permits were issued during the month for construction valued at an estimated \$178,100.

Included in the permits are one new residence, two commercial buildings (Friona Ford Sales and Friona Wheat Growers), one addition to an existing residence, and three alterations.

The monthly total is the most for a single month since September of 1979, whose total was \$497,400, including the addition to Friona Industries for \$300,000.

Other figures contained on Outland's monthly summary showed that 13,595,200 gallons of water were pumped during the month, an average of 485,542 gallons per day.

Moisture measured during February came to only .28 inch, with .20 of this coming on Friday, February 27.

One new water tap was made by the city during the month—bringing the total number of active taps to 1400.

City well number four was pulled on February 2, and as repairs appeared impractical, a 40 hp submersible pump was installed February 19, and the well has been giving good service since that time.

Two fire alarms were sounded during the month. One was on February 4 to the M.L. Howard

residence at 907 Columbia, where damage estimated at \$7,000 resulted. The other was to the Fred Lafuente home southeast of town, where an estimated \$10,000 damage resulted.

Police Department figures showed a total of 103 arrests during the month, 80 of which were for traffic violations. In addition, there were six for other violations, three each for public intoxication, criminal mischief and possession of marijuana, one for evading arrest, disorderly conduct, etc.

Seventeen complaints were investigated, eight for thefts; three

## Car Wreck Injures Long

Eldon (Bubba) Long was critically injured in a wreck early Tuesday at Texico, N.M., and has been hospitalized in intensive care at Clovis High Plains Hospital.

Long's vehicle crashed into a telephone pole inside the city limits of Texico, at the intersection of Garwood Street with Highway 60-70-84, and the car was a total loss.

The car was smashed so badly that a "Jaws of Life" tool had to be used to extricate Long from the wreckage.

According to reports, Long had both lungs punctured and collapsed, a leg broken, plus other broken bones and internal injuries.

The accident occurred at 1:50 a.m. MST, according to investigating officers.

each for criminal mischief and animal control, two for disorderly conduct, one for breaking and entering. This was in addition to the complaint on February 22 which resulted in the stabbing of patrolman Nick Hand and the shooting which resulted in death to Cesario Mendoza.

One thousand pounds of fertilizer was added to the city park February 23, followed by a thorough watering.

The Library report showed that 758 books were checked out by 321 patrons during the month, which included 15 new readers. Children's story hour showed 45 in attendance. A brief history of the Friona Library was turned into the Parmer County Historical Society.

Twenty-nine service calls were reported by the Ambulance service, including 19 local calls and ten transfers to Amarillo.

All city employees were used on Wednesday, February 25, to flush and clean the floor of the community center building, following the annual junior livestock show.

## Court Tables Query On Sale Of Old Bars

The Parmer County Commissioners Court was apprised of needed repairs and wiring changes which are needed on the second floor of the courthouse, at the last meeting of the court.

After a tour of the areas needing attention, Judge Porter Roberts was instructed to proceed in getting the repairs done.

The court had been asked to consider the sale of the bars and door from the old county jail. After much discussion as to what the price should be, the fact was mentioned that the bars were the original equipment of the first jail built on the location. The

question was then tabled for the moment.

Commissioner Ernest Anthony of Precinct 1 had attended a meeting in Austin with a group of Deaf Smith County officials in support of a bill which would give the county \$125,000 more per year from the sale of license tags. The court approved Anthony's expenses on the trip.

Friona State Bank had asked to be allowed to substitute securities pledged to the county. The bank wanted to substitute \$25,000 in Devine Independent School District bonds, maturing February 1, 1984, for \$25,000 in Haltom City bonds, maturing March 1, 1981. Permission was granted for the substitution.

The court agreed to pay a bill from Potter County, for aid for a mental patient while in Amarillo.

Soil Conservation work was approved for the following farmers: Precinct 2: J.B. Barrett, \$70; John F. Dixon, \$37.50; Prentes Pruitt, \$17.50; Owen Seamonds, \$52.50; (Continued on Page 5)

## Area Gets Some Rain

The Friona area has been blessed with a variety of weather during the past week, with everything from showers to a spit of snow; and from comfortable weather to gusty winds.

On Wednesday, March 4, the area was raked by near gale-force wind for most of the day, as the wind off the back of the low pressure system which had brought the moisture made the area pay for what little moisture it had received.

Some damage was noted from the wind. The Thriftway sign on West Highway 60 was battered, sometime around 8 p.m. Wednesday.

Moisture received during the week amounted to .20 inch last Saturday, .06 inch on Sunday, a trace on Monday, and then .15 inch on Tuesday, most of this coming around noon Tuesday.

The .20 measurement on Saturday, February 28 allowed the monthly total to come to .28 inch.

Weather experts were predicting around four inches of snow for this weekend, so perhaps winter isn't over yet for 1980-81.

## School Race Draws Nine

The ballot for the Friona School Board's election in April will contain nine names, according to Tom B. Jarboe, superintendent.

Those asking for a spot on the ballot include Robert Neelley, Rudy Trevino, Jerry Brown, Dwight O'Brian, Pat Fleming, Jim Dixon, Linda Straw, LeRoy Berend and Philip Weatherly.

The nine candidates will be seeking two spots on the board, currently held by Ron Smiley and Wesley Barnett, neither of whom sought re-election.

The top-two vote-getters will be elected. The election will be held April 4.

**ADDITION GOES UP....**Roger Wilcox, owner of Friona Ford Sales, Inc., surveys the scene as a new shop building has been erected behind the company's present building.

Wilcox says he hopes to be in the shop portion sometime this week. The remainder of the building also will be re-modelled.

## Girl Scout Week Is Slated

March 8-14 is Girl Scout Week, marking the founding of Girl Scouting on March 12, 1912.

"Each of the 341 Girl Scout

### Council Race Has 5 Names

Five candidates beat the filing deadline of March 4, by having their names placed on the ballot for the annual Friona City Council election on Saturday, April 4.

Filing during the final week were two candidates, D.T. King and Lee Romo. Previously announced were Beth Thompson, an incumbent, Jack Hamill and Dr. Jon M. Roden.

Two candidates whose terms were expiring, Delton Lewellen and Jerry Brown, did not seek re-election.

Councils in the United States will observe the week in accordance with the national theme, Girl Scouting--1980s Style," said Mrs. Nolen Swain, President of the Board of Directors, Caprock Girl Scout Council.

The Friona Girl Scouts will observe the special week with a number of activities. In fact, a special activity has been planned for each day of "Girl Scout Week."

On Sunday, March 8, the scouts will attend church as a troop.

Monday, March 9, is "Do a good deed" day. On Tuesday, the Girl Scouts are asked to write a letter or note to someone.

Wednesday, March 11 is "Visit a shut-in" day, and Thursday, the members are supposed to "Tell a friend about Scouts."

Friday, March 13, the scouts are

admonished to "Improve your home in some way," and Saturday, March 14 they are scheduled to "Review the Girl Scout Promise and Law."

### Citizens Get "Free" Offer

Residents of Friona have been flooded with post-card notices during the past week announcing that they have "won a free trip for two adults to Las Vegas."

Those receiving the cards are advised to use caution in accepting this "free offer." One resident called Las Vegas officials concerning the "prize" and was told they had had trouble in collecting money from the company.

**SCOUTS HONORED....**Mayor B.K. Buske is shown signing a proclamation naming the week of March 8-14 as Girl Scout Week in Friona. Looking on are two local Girl Scouts, J'mai Cash, ten, and Kelly Cash, eight. Nedra Cash, troop leader for Scout Troop 162, looks on.

# FRIONA FLASHBACKS

....from the files of The Friona Star

**50 YEARS AGO--MARCH 13, 1931**

The throbbing, vital question in the minds of most of the people of Parmer County today is "Where should the county seat be?" Where do you think the county seat should be and why? The Friona Star is sponsoring a contest for the person writing the best letter on the subject. First prize is a \$10 gold piece. Second prize will be a \$5 gold piece, and to the next five letters will be awarded a year's subscription to the Friona Star.

**45 YEARS AGO--MARCH 13, 1936**

Parmer County's second annual Calf and Meat Show was held here on Saturday of last week, and was well attended by people from almost every part of the country. The calf division of the show was won by Boggess of Friona. Wines of Bovina was second, and Lilly of Bovina was third. Other entries were Julian, Lazbuddie; Welch, Friona; Harold Lillard, Friona; Franklin Lillard, Friona; Schlenker, Rhea; and Howard of Lazbuddie.

**40 YEARS AGO--MARCH 14, 1941**

Amassing a total of 1099 points in 34 games, the Friona Squaws earned the title of "point a minute" basketballers, having met all comers from Texline on the Oklahoma line of the north Panhandle, to Silsbee, deep in East Texas. The Squaws lost their

opening game of the state tournament, but came back for three wins to take the consolation title. The Squaws bowed to only three teams during the season.

**35 YEARS AGO--MARCH 5, 1946**

After battling their way to the finals of the Texas High School Girls Basketball championship tourney at Hillsboro Saturday night, the Friona girl capers lost to their old jinx and three-time winner, Aquilla High School of Hill County. Friona led at halftime, 14-11, but the final score was 29-26. M. Taylor, Cobb, Crow, Mingus, Horner and Robertson made up the starting lineup for Friona.

**30 YEARS AGO--MARCH 15, 1951**

A concert will be presented next Wednesday night by the Friona High School Girls Choir, under the direction of Glen H. Cunningham. The group is preparing to go on a 500-mile tour March 29-30-31. Included on their tour will be Crane-Odessa, Imperial and others.

**25 YEARS AGO--MARCH 9, 1956**

W.V. Null, representative for Cooley Construction Company, the contractors who will build Friona's new post office building, will arrive in town this week to begin construction of the building, according to work received by Postmaster Leo McLellan. Friona's present post

office has served the town since 1929. The building belongs to T.J. Crawford.

**20 YEARS AGO--MARCH 9, 1961**

An Amarillo man was arrested here Tuesday night at the rear of Gib's Cleaners after that building had been burglarized. The man was arrested by night patrolman Jack Fleming as he made his rounds. He is being questioned in regard to break-ins in Amarillo and other Panhandle towns recently.

**15 YEARS AGO--MARCH 10, 1966**

Monsanto Chemicals opened its new plant just east of the city limits, with Bill Wooley as manager. David Bailey has been hired by the Friona Farmers Co-op Gin as the company's new manager.

**10 YEARS AGO--MARCH 11, 1971**

The Friona Apartments, largest single housing project in the city's history, have been completed on the northeastern edge of Friona, and are now renting. The 60-unit project has been underway for more than a year, and began taking renters in mid-February.

**5 YEARS AGO--MARCH 7, 1976**

The Friona High School Stage Band under the direction of Charles Faulkner won the second place trophy in AA at the South Plains College Jazz Festival held Saturday, February 28, in Levelland.

Season scoring statistics showed that Friona Squaw forward Terri Patterson had one of the best individual scoring seasons in recent girls basketball history at Friona High School, during the season just passed. Miss Patterson scored 714 points in 29 games. Her per-game scoring average of 24.6 is the best average that could be found among available records for the past 20 seasons at FHS.

The Friona area, entertaining hopes for some much-needed moisture, instead was buffeted by gale-like winds on Thursday of this week. The southwest wind also kicked up sand which made outdoor activities unbearable, and added house-keeping chores for homes and offices.

**MUSIC THERAPY....**Julie Johnson, a 1976 graduate of Friona High School, is shown working with Diana Sue Roznovsky, a patient at The University of Texas Medical Branch at Galveston. Julie has been appointed therapeutic activities specialist for music at the medical branch, which deals with children.

## FHS Grad. Mixes Music With Therapy

Julie Johnson, a 1976 graduate of Friona High School, has recently been appointed as therapeutic activities specialist for music at the Child Health Center on the campus of The University of Texas Medical Branch at Galveston.

She has been with the Medical Branch at Moody State School for the Cerebral Palsied children since last June. Julie recently received a bachelor's degree in music therapy from West Texas State University, and is a registered music therapist.

Miss Johnson also has had experience in the children's Rehabilitation Center and Killgore Children's Psychiatric Hospital in Amarillo.

Julie is the daughter of Mr. and Mrs. Leroy Johnson of the Hub Community.

## C. Martin Attends W. T. Chamber Dinner

A large entourage of members and guests of the West Texas Chamber of Commerce took part in the regional chamber's 15th Annual Washington Reception and Dinner held March 2 in the nation's capitol.

The West Texans' schedule began with a breakfast briefing on current national issues coordinated by Senator Tower's office. Speaker for the breakfast were Morton Balckwell, Special Assistant to the President for Public Liaison, and Mike Butler, Administrative Assistant to Senator John Tower. A meeting with key congressional office staff members was held on Capitol Hill where WTCC representatives briefed staff

people on the WTCC's national affairs program.

The remainder of the day was devoted to personal contacts between WTCC members and their respective legislators.

The annual reception and dinner completed the West Texas day in Washington honoring members of the Texas Delegation and their wives.

Arrangements for the popular event are handled by the WTCC National Affairs Committee, chaired by Richard F. Bacon, President of Merchants Fast Motor Lines, Inc. Attending from Friona was Clarence W. Martin.

# REMEMBER WHEN?

Wana Brewer poses with her students during the 1939 school year at Lakeview School. The students represent the school's first four grades. In the back row are fourth graders J.C. Mears, Clifton Harper, Evelyn Ann Routh, Jr. Allen, B.C. Harper and Wana Vestal Brewer. Second row: Lila Robason (fourth), Delene Brumley (third), Howard Ford (second), Garcy Harper (second) and Leon Harper (third). In the front row are Sam Mears (first), Wanda Robason (second), Genevieve Petty (second), Billy Joe Mercer (first) and Viola Allen (second). It is our please to have brought you this glimpse from the past.

**PUBLIC NOTICE**  
 A proposed use hearing for revenue sharing funds will be held at 4 o'clock p.m. on March 23, 1981, in the Parmer County Courtroom in Farwell. This hearing is to discuss the proposed use of an estimated \$69,800 of Revenue Sharing Funds, expected to be received during the fiscal year.  
 The public will be given an opportunity to make oral or written suggestions regarding possible use of these funds. By order of the Commissioners Court, Porter Roberts, County Judge. 22-1tc

# Beef Production Course Scheduled At Lazbuddie

A beef production short course for adult farmers will be held March 16-19 under the sponsorship of the Lazbuddie High School Vocational Agriculture Department according to Sam Barnes, Superintendent, and Rick Copp, Teacher of Vocational Agriculture.

Dr. Elmer V. Krehbiel, Beef Production Specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Animal Science at

## Commissioners

(Continued from Page 1)

Herbert Schueler, \$105.00; D.T. King, \$52.50; and James W. Dixon, \$170.

Precinct 3: Preston Cargile, \$210; Joe White, \$105; Scott Gober, \$87.50; Webb Gober, \$70; Precinct 4: Ricky Rector, \$210; Ronald Elliott, \$25; J.R. Barnes, \$35; Fred Burch, \$70; and Raymond McGehee, \$140.

Extension Agent Seth Ralston pointed out to the court that time limits are to be set on spraying with 2,4-D, or its derivatives. This will be discussed at the court's meeting on March 9.

Ralston gave a report on the Parmer County Jr. Livestock Show in Friona. He reported that 78 4-H members were involved in the show, with a total of 182 barrows, 43 lambs and five steers, of which, 44 barrows, 16 lambs and three steers made the auction sale.

Ralston pointed out that county 4-H members have 14 barrows and four lambs entered in the Houston Livestock Show March 2-8.

Judge Roberts had been contacted by a woman at Friona asking the county to help pay a hospital bill for her daughter. After much discussion as to the size of the bill and the shape of the county's finances, the commissioners took no action on the request.

DR. ELMER V. KREHBIEL

Texas A&M University, will be the instructor for the course. He is headquartered at Texas A&M University.

Dr. Krehbiel has a strong background in animal production and genetics. He received a B.S. degree from Oklahoma State University in 1950, an M.S. degree from the University of Arkansas in 1959, and a Ph. D. degree from Virginia Polytechnic Institute in 1966. His graduate studies were based on selection for type and reproduction performance of cow herds.

Between periods of formal training, Dr. Krehbiel worked with the beef cattle industry as artificial insemination technician, beef cattle herdsman and ranch manager in Oklahoma. He also served as beef cattle research assistant in Arkansas, and animal geneticist for the USDA at Miles City, Montana. For two years prior to joining the Agricultural Education Specialist Program, he served as Area Livestock Extension Agent in Ohio.

The short course at Lazbuddie High School is scheduled to begin March 16 at 7 p.m. in the Vocational Agriculture Building. During the

dates the short course is in progress, Dr. Krehbiel will be available to assist cattlemen with individual problems and to provide on-the-farm instruction, according to Rick Copp. Cattlemen interested in attending

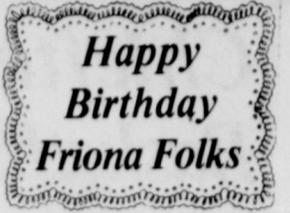

the short course should write or call Rick Copp at 965-2806 or 965-2156. An entry fee of \$5.00 will be charged.

Beef Production Short Course certificates will be presented to each cattleman who attends all the training sessions.

Dr. Krehbiel states that the field of beef cattle production must take a close look at efficiency of production in the future. With land prices, feed, and taxes rising, the producer is meeting more and more competition for the consumer's dollar at the meat counter. From the economic view of the beef cattle business, there is every indication that in comparing the producer of yesteryear and the producer of tomorrow, beef must be produced more efficiently in order to be a profit-making business. Dr. Krehbiel indicated that the beef production short course will deal with methods of producing beef at a lower cost and the ways of producing the kind of beef that the homemaker wants to buy.

GARY WHITE AND ROBIN SHOOK.....Mr. and Mrs. Carl White of Friona and Mr. and Mrs. Ralph Shook of Helena, Montana announce the engagement and approaching marriage of their children, Gary White and Robin Shook. Wedding vows will be exchanged Saturday, March 14, at 7 p.m. in the Sunset Church of Christ in Lubbock. White is a graduate of Muleshoe High School and is attending West Texas State University. Miss Shook is currently employed in Lubbock. The couple will make their home in Canyon.

### WEEK OF MARCH 7-13

Friona residents having birthdays next week are:

- Rick Jennings, March 7
- Velma Flores, March 7

# Chieftains Drop Basketball Tilts

In basketball action last week, Friona's Chieftain basketball team wrapped up another season of basketball play. Although the season ended on a bad streak for the team, the Chiefs never disappointed the public, and showed spirit in each everlasting battle.

The first game of the Chiefs' last week of play was against Littlefield, last Tuesday, February 24, with the Chiefs hosting the powerful Wildcats. Having played and been beaten by them before, the Chiefs realized exactly what they were up against.

Fouling was higher than usual for each team as four players ended up fouling out of the game. However, since the game was one of their last, both teams may have felt more loose than usual and inclined to make careless mistakes.

By the end of the first period of play, Littlefield's Wildcats had only pulled ahead by a margin of two points as the score showed 13-11.

Each quarter then proved just a little more outstanding for the hosted team and Littlefield went on to once again defeat the Chiefs with the score, 71-59.

The Chiefs were then once again on the road to one final battle against the host Dimmitt Bobcats, last Friday, February 26, for Friona's final seasonal game.

By the end of the first period of play, the Chiefs had proven to the Bobcats that although it may have been the final game of the season, they weren't giving up without a fight. The score at the end of the first quarter was Friona, 16-14.

This seemed to open Dimmitt's eyes to the situation and bring them down to earth where the ball game was being played. And, by the end of the second period, the Bobcats had established a tremendous lead over the determined Chiefs. The score at the end of the second quarter was Dimmitt, 40-24.

Dimmitt then kept broadening their lead through ball carriage and strategy to defeat Friona's Chiefs, 85-37.

The Chiefs' seasonal record concluded with seven wins, 21 losses.

Their district record ended with two wins, six losses. Although their records may look a little bleak, Friona's fighting Chieftain team ended the season victorious with the respect of each team played against because of their fine sportsmanship and general attitude on the court.

HONORED...This trio of members of the Friona Young Homemakers were honored this week at the organization's awards luncheon. From the left are Cindy Simmons, willing worker; Jayn Looper, outstanding member, and Faith Self, outstanding new member.

PROCLAIMS WEEK...County Judge Porter Roberts is shown with a document proclaiming the week of March 8-14 as Green Thumb Week in Parmer County, spotlighting the older workers. With Roberts are Pearl Cervantez, Green Thumb sponsor, and Emilliana Martinez, Green Thumb Worker.

(Photo by Mary Sobin, State Line Tribune)

Greyhounds are said to have the best eyesight of any breed of dog.

# Green Thumb Week Proclaimed Locally

Older Worker Week is planned for March 8-14, according to the U.S. Department of Labor. Texas Farmers Union Green Thumb, Inc. is encouraging employers to recognize their older workers during this week.

## YH Group Has Awards Fete Here

Outstanding members were honored by the Friona Young Homemakers at the organization's annual awards luncheon Thursday at the Union Congregational Church.

Cindy Simmons was named "Willing Worker," Jayn Looper was named "Outstanding Member," and Faith Self was chosen "Outstanding New Member." Each received a trophy for their award.

Five members received perfect attendance awards. They were Keri Jack, Cindy Simmons, Cindy King, Jayn Looper and Beverly Elam.

Bessie Holt of Friona's Production Credit Assn. office spoke on the subject "Women and Credit."

The organization's "Little Sister," Dianna Wright, received a \$50.00 check. Thirty-two members and guests attended the luncheon.

Advisors attending were Sheryl Salyer, Valoris Osborn and Gayle Murdock.

Members attending were Chris Alexander, Janet Edwards, Paula Wilson, Angela Sirnic, Beverly Elam, Amelia Taylor, Karene Bass, Cindy Simmons, Jayne Looper, Cindy King, Laura Blackburn, Jeri Jack and Faith Self.

Guests attending were Gladys Spring, Bessie Holt, Evelyn Anthony, Ruby Hassenpflug, Linda Black, Eddie Mays, Letha Gammon, Clara Looper, Jonelle Sims, Beth Clark, Daphne Cunningham, Karen Wright, Elwanda Campbell, Charlotte Clark and Mary Ford.

Linda Black was honored by being named an honorary member of the Young Homemakers.

Evidence that the older worker is a high-quality employee is mounting. According to a survey made recently among some of America's largest corporations, 84 percent of the personnel directors queried thought that older employees are more productive. Older workers were also more satisfied with their jobs than younger workers, according to the survey conducted by the Corporate Committee for Retirement Planning. Older workers were found to have better attendance and lower accident rates as well.

Green Thumb is a rural older worker employment program funded through the Department of Labor and is working to eliminate the unfounded prejudice against older workers.

Green Thumb directly hires nearly 1,000 workers 55 years of age and older, on a part-time basis. Green Thumb employees are placed in community jobs throughout the 107 county area in which the program operates. These workers not only demonstrate the value of accumulated experience and wisdom acquired with age, but also contribute services that their communities might not otherwise afford.

Green Thumb Director Diane Parrish urges both public and private employers to recognize their older employees during this Older Worker Week. "I've found that formal education and chronological age have nothing to do with one's ability," said Parrish. "During their years of work, they have learned a great deal, have gained invaluable experience and have come to appreciate and be proud of doing a good job. We should remember, especially during this week, that capability, not age, is the true measure of a worker's worth."

Green Thumb is an equal opportunity employer and is one resource for locating older jobseekers. For more information, employers may contact the Texas Employment Commission in their area or write to the Texas Green Thumb office at: P.O. Box 7898, Waco, Texas, 76710; or call 817-776-4700.

## Second Son For Kendricks

Mr. and Mrs. Danny Kendrick are the parents of a baby boy, Matthew Guy, born Monday, February 23, at 4:03 a.m. in Parmer County Community Hospital.

Matthew weighed seven pounds, one ounce and was 18 inches long at birth. He has one older brother, Andy, two years old.

Grandparents are Mr. and Mrs. H.K. (Pudge) Kendrick of Friona, Mr. and Mrs. Al Smith and Mr. and Mrs. Dudley Guy, all of Houston.

Great-grandmothers are Mrs. Kay Kendrick of Friona, Mrs. Ethel Shields of Amarillo, and Mrs. Eleanor Moore of Houston.

Mr. and Mrs. Frank Griffith

## Griffiths Honored On Anniversary

Friends and relatives of longtime Friona residents, Frank and Goldie Griffith honored them with a sixtieth wedding anniversary celebration on Sunday, February 15. The festivities were held in the Community Room of Friona State Bank and the occasion featured the February sweethearts with a Valentine's Day theme.

Guests were registered by Misses Deedra Houlette of Dumas, and Robin Houlette of Friona. Miss Dalea Houlette of Dumas, presided at the gift table.

Seated beside the guest register, Mrs. Griffith was attired in a floor length silver and blue dress, while Mr. Griffith wore a grey suit.

Highlighting the antique lace covered reception table was a white three tiered wedding cake decorated with tiny red and white sugar bells and topped by white satin bells and the numerals "60".

A heart-shaped fruit ice ring complemented red sweetheart punch served from a crystal punch service. Set in the center of the table was a floral centerpiece of red and white chrysanthemums. White cocktail napkins were embossed in red letters "Frank and Goldie 1921-1981". The gold cake server was a gift to the Griffiths on their fiftieth wedding anniversary.

Hostesses were Ann Houlette and Deana Houlette of Dumas, Loretta Brookfield and Lucille Buske of Friona, Lawana Moore of Shamrock and Joyce Houlette of Houston. The hostesses presented the Griffiths with gifts of a diamond stick pin and tie clasp.

Frank Griffith and Goldie Curry were married on February 1, 1921 in Arnett, Oklahoma. They have made their home in the Friona area since August of 1927. They farmed south of the city until retirement.

WIND VICTIM...Kenneth Moore, owner of Thriftway Family Center, stands under the store's large sign near Highway 60, which was badly damaged by the high wind here Wednesday. The eastern half of the sign was completely ripped out of its casing.

## Star Lites...

(Continued from Page 1)

which case, the satisfaction of working with their animals is about the only reward they reap from the program.

Since the current market situation plays a vital role in the prices they receive for their animals, there is not a great lot that can be done to remedy the situation.

Well, this might be a good lesson for the real world, too. You don't always win the championship in everything you set out to do.

THE WAY IT WAS...Many of us can hardly remember what the evening television newscast was like without Walter Cronkite holding forth in his anchorman position.

Yet, with Friday's newscast, the

dean of American newscasters "hung up his spikes" at the evening news desk, although he will still do occasional news specials.

Cronkite portrays that quality which is rare among many newscasters--believability and trust. Someone said he made you feel a little better about the news, even if it was bad.

Only a few members of his profession have made such a name...Edward R. Murrow, Walter Winchell, from radio days. But Cronkite became "Mr. Newsmen" in television. We'll all miss his fatherly image and professional approach to the news.

"And That's the way it is...Friday, March 6, 1981."

## Schedule Of Events

Sunday, March 8--Remember Church and Sunday School. Ask a friend to join you.

Monday, March 9--Quilting, 1:30-5 p.m.

Tuesday, March 10--Quilting, 1:30-5 p.m.; Art class, 2-5 p.m. Diane Tatum, instructing tole painting; Games 2-5 p.m.; Advisory Board meeting 7 p.m.

Wednesday, March 11--Hearing aid clinic, 10-12.

Thursday, March 12--Game night, 6-7, Blanche Boyle and Clissy Stroud hostesses.

Tuesday, March 17--3rd Tuesday luncheon.

## Hospital Report

## Arnie Vail Workshop Is Set Locally

Popular artist-cartoonist-painter, Arnie Vail of the Dallas area, will again present a five-day oil painting workshop in Friona, according to spokesman Carrie Tatum.

The Vail Workshop is scheduled for March 16 through March 20 Monday through Friday at the Community Room of Friona State Bank. The daily sessions will be held from 9 a.m. till 5 p.m., with Vail again presenting demonstrations in the evening to various civic groups.

Cost of the five-day workshop will be \$40.00 and all paint is furnished. Pre-payment of half the amount, \$20.00, is due next week for pre-registration and can be paid to Mrs. Tatum at 610 Arrah.

The class will be painting one picture each day during the workshop. Five 18x24 canvas boards will be required. For a list of other supplies and additional information, interested parties should contact Mrs. Tatum at 247-2246.

## Affairs of Life

Certain scientists agree that the bible is a helpful scientific and historical handbook.

The popular works, of this encouraging guideline, is well described in: Rom.: 15:4-7; 11 Tim.: 3:16-17.

# Town Talk

By June Floyd--Call 247-3681 With Your News Item

Any one of fourteen Frionans who were in Athens, Greece Tuesday night could give us a first hand report on the earthquake, which measured 6.7 on the Richter scale.

They had been on tour in Greece several days and had visited Megara, Corinth and other nearby cities before the quake, and were staying at the Hilton Hotel in Athens.

Nona Martin said, "Our hotel didn't collapse, but it was damaged. We were eating at the time and it was a frightening experience."

Frionans making the trip were Dub and Dorothy Ingram, Don and Kay Huckabee, Lloyd and Mildred Mings, Lawrence and Pat Martin, Junior and Betty Renner, Clarence and Nona Martin, and Ralph and Pearl Shelton.

They returned home Thursday.

Elsie Allen and Selma Habbinga visited in the homes of Mr. and Mrs.

## Hearing Tests

### Set For Friona

FRIONA..Electronic hearing tests will be given at the Senior Citizens Building in Friona on Wednesday, March 11, from 10:00 to 12:00.

J. Wampler, factory trained Hearing Aid Specialist, will be at the Senior Citizens' Building at 15th and Washington Street to perform the tests.

Anyone who has trouble hearing or understanding speech clearly is welcome to have a test using modern electronic equipment to determine if his loss is one which can be helped. Some of the causes of hearing loss will be explained, and diagrams of how the ear works will be shown.

Everyone should have a hearing test at least once a year if there is any trouble at all hearing clearly. Even people now wearing a hearing aid or those who have been told nothing could be done for them should have a hearing test and find out if amplification can help them hear better.

The free hearing tests will be given Wednesday, from 10 a.m. to 12 noon at the Senior Citizen's Building. If you can't get there on Wednesday, call 247-3645 and arrange for an appointment at another time. In-home testing is also available.

3010 Olton Road  
Plainview, Texas 79072

44-1tc

Doug Parker and Mr. and Mrs. James Nixon and children in Amarillo one day last week.

Mrs. Parker is the former Cherry Smith Mings and Mrs. Nixon is her daughter, Glenda.

Friona visitors last week included Mr. and Mrs. E.G. Graham of Rush Springs, Oklahoma. They are parents of Sterling Graham and Mrs. Graham is a sister of Beulah Jarrell and Mildred May.

During the weekend Sterling and his wife, Joy, and his parents visited in the home of Mr. and Mrs. Stan Dement and daughter, who live in Hobbs, New Mexico. Mrs. Dement is the former Gail Graham.

Mrs. Virgie Sanders of Sacramento, California, is a guest in the home of her daughter, Mrs. Beulah McBroom, this week.

Several weeks ago Mr. and Mrs. Ernest Anthony, Mrs. A.W. Anthony Sr. and Beulah McBroom drove to Lake Charles, Louisiana, where they visited in the home of Mr. and Mrs. Sam Holden. They were joined there by Mrs. Sanders, who flew from Sacramento.

Mrs. A.W. Anthony Sr., Mrs. Sanders and Mrs. Holden are sisters.

Ernest and Evalyn drove home one week later. Then Mrs. Anthony, Mrs. Sanders and Mrs. McBroom flew home via Dallas-Fort Worth, where they spent several days visiting an assortment of relatives.

Then on Tuesday they flew from DFW to Amarillo, where they were met by Zonah Bass and Evalyn

## March Designated To Aid Mental Retarded

Persons with mental retardation are those who develop at a below average rate and experience unusual difficulty in learning, social adjustment and economic productivity. An estimated three percent of the population of the United States, or more than six million people, are believed to be mentally retarded. This population includes approximately 114 persons in Friona.

Mentally retarded persons are found among every race, religion and nationality; every educational, social and economic background. One out of every ten Americans has a direct involvement with the problem by virtue of having a mentally retarded person in his or her family.

Mental retardation should not be confused with mental illness or emotional disturbance, although a retarded person may, like anyone else, become emotionally disturbed. Mentally retarded people simply have a learning problem; they learn more slowly than others. Mental retardation can be caused by any condition that hinders or interferes with development before birth, during birth or during early childhood. Many causes have already been identified, although these account for only about a fourth of all identified cases of mental retardation.

Anthony.

A trip to Midland recently was a very special treat for Vivian Hughes, who rarely ever gets very far from home any more, except on special occasions.

She went down to Midland with Jean and John Terry to attend an antique show and sale, which was conducted by one of her sons, Paul Keith, who is an antique dealer and auctioneer in Houston.

Assisting with the show and sale was her other son, Jimmy, who is also an auctioneer currently living in Houston.

To make the family circle complete, Wayne and Karen Edwards and daughters, Holly and Michelle, who live in Amarillo attended the event.

Vivian reports, "It was just great to get to see all my children at the same time." She also added, "I enjoyed the sale and show and saw one other person I knew. The former Robbie Boggess, who lives in Midland, was there."

Little Lexie Elmore of Lamesa has been visiting in the home of her paternal grandparents, Bud and Arvilla Elmore, about ten days.

On Friday the Elmores took Lexie to Lubbock, where they met her parents, Tim and Debbie Elmore. The group also attended the Girls Regional Basketball Tournament while in the Hub City.

Deena Spivey, another granddaughter of the couple, was a member of the Comanche team, so

Increasingly, people are realizing that mentally retarded persons, and persons with other handicaps have the same rights as anyone else, especially the right to live as normal a life as possible.

March will be observed as Mental Retardation Month to help acquaint the general public with the presence and needs of mentally retarded persons and their families within their constituency, neighborhood or community. Retarded persons often need a guiding hand in shopping, in cleaning house, in cooking, or in making wise choices, particularly in purchasing items. Parents of retarded children would appreciate having a person to call on to babysit if they need to shop or have an appointment or need some free time to themselves. The opportunity for service to mentally retarded persons and their families are endless if people will learn more about mental retardation and become sensitive to the presence of these people in their midst. Let them know you care.

Programs and services for mentally retarded citizens of the Texas Panhandle are available in the public schools and through various towns where satellite centers of the Amarillo State Center for Human Development are located. Day programs sponsored by the Amarillo State Center are located in Borger, Childress, Dumas, Hereford, Pampa, Perryton, Tulia and Wellington. Citizens in other towns can contact the Amarillo office for services.

they especially enjoyed that game. Think the Comanche girls lost their first game, but since Deena is a senior, Bud and Arvilla were happy they were able to see her play in her final high school game.

Mr. and Mrs. Otis Neel and Mr. and Mrs. Rosco Ivie were Sunday guests in the home of Mr. and Mrs. Otey Hinds in Hereford.

Otey and Marie lived in the Black Community many years before moving to the Deaf Smith Capital a few years ago.

Loy and Vuthill Loafman are home after an extended visit in Central Texas. They went down to Garland due to the illness of Oran England, who was a patient at Garland Memorial Hospital following a heart attack.

England, who is Vuthill's brother-in-law, was dismissed from the hospital before the Loafmans came home. They also visited in the home of Mr. and Mrs. Numan Loafman and family in Fort Worth while they were gone.

Cap and Vivian Dennis are home, too. They have been gone about two weeks. While they were away, they visited in the home of Mr. and Mrs. Travis Light in Duke, Oklahoma. Mrs. Light is Cap's sister and she and Travis lived here before moving to the Sooner State.

Enroute home they visited in the homes of Mr. and Mrs. Lloyd Smith and son in Floydada and Mr. and Mrs. E.C. Smith and daughter, Mildred, in Plainview.

Lloyd Smith is Vivian's brother and the E.C. Smiths are her parents.

Mrs. Charles Wike continues to be very ill in Wichita Falls General Hospital, where she is a surgical patient.

Members of Mrs. J.G. McFarland's family report that her condition is improved. She's a medical patient at St. Anthony's Hospital in Amarillo.

Mr. and Mrs. Loren Nix of Carnegie, Oklahoma, have been visiting in the home of Mr. and Mrs. Friday Rhodes.

## Around The House In Parmer County

By LAURA JACOBS

Have you ever gone to the store for strawberries--but went home with the little shortcake package and whipping cream, too?

Perhaps you bought the extras just because they looked good in the supermarket display.

Do your children find great delight in picking out all the sugar-coated cereals the store has to offer?

This may happen because those cereals are displayed at children's eye levels.

If so, you fell for marketing gimmicks.

Not so bad, since all that is fun occasionally--but not so good if you sacrifice family nutrition with frequent gimmick buying--impulse buying.

To avoid this, take time to plan purchases. Shop with a list so you aren't vulnerable to "point-of-purchase" influences at the supermarket.

Read labels and study food advertisements. Understand as much information as possible about nutrition and needed serving sizes.

Also learn about the "cost per serving" method of buying meats and produce. "Cost per serving" starts with "cost per pound" or "cost per ounce"--then you must figure how many servings that pound will make or how many ounces will make a serving.

In addition, seek information from your County Extension Office about food buying and nutrition. Many booklets and pamphlets are available to the public at no charge

Mrs. Nix is Mayben's sister and her husband and Bill Ellis are fourth cousins.

Nix, a retired barber, was able to assist Bill with the family history he has been working on several years, so Bill especially enjoyed visiting with him about his branch of the family.

Mrs. Joe Bill Jones and daughter, Blaire, who live in Lubbock, are visiting in the home of her parents, Mr. and Mrs. Louis Welch, this week.

Bonnie and Boyce Glover drove to Plainview Saturday evening to attend a Wayland Baptist College Pioneers basketball game. Their youngest daughter, Diana, is a freshman at Wayland and plays in the band.

The band performed at half time. Debbie Taylor, daughter of Harold Taylor, is also a member of the band.

Spring surely isn't very far away. Oscar and Opal Baxter came home one day last week. For the past several years these two have been spending a couple of months or so in the Rio Grande Valley.

Oscar always manages to get home in time to start an early garden, so his neighbors are probably seeing some gardening in the Baxter backyard.

Every production of genius must be the production of enthusiasm.

## Welcome to the 35th Annual St. Patrick's Party

Shamrock, Texas

Friday, Saturday, Sunday, March 13-14-15

## NOTICE TO STATE AND COUNTY TAXPAYERS

All home owners may apply for a homestead exemption but this must be done before the county's tax rendition deadline of April 1st, 1981.

The new pamphlet "Taxpayers' Rights, Remedies, Responsibilities!" can be picked up at the County Tax Office.

Hugh Moseley, Tax Assessor-Collector Parmer County

## H&R BLOCK TAX TEST

H&R Block will accompany you to an IRS audit.

True  False

It's TRUE. When H&R Block prepares your return, it's someone who knows all about income taxes and has carefully reviewed your return prior to the audit interview. It's someone who will go with you at no additional cost, not as a legal representative, but to answer all questions about how your taxes were prepared.

WE'LL MAKE THE TAX LAWS WORK FOR YOU
