Grand Opening Underway Here

CONGRATULATIONS are in order to Friona Ford Sales, Inc., on the completion of their expansion program at their facilities on West Highway 60.

As you know, if you drive by the location on a daily basis, the expansion and remodeling is a real nice addition to Friona's appearance on Highway 60.

And, if you haven't taken time to come by and see the project from the inside, you really must do so, to see what a change has been made.

The expansion by Friona Ford Sales is just one example of the growth currently being experienced in Friona, and of the faith which local business people have in the future of our city and area.

WITH THE START of the special legislative session in Austin this week, Parmer County voters will be keeping an anxious eye in that direction, to see what becomes of the redistricting issue.

A state district judge ruled this past weekend that the original plan, which had already been approved by Governor Bill Clements, was unconstitutional and would have to be revised.

The reason for the ruling, and for a challenge to the re-districting attempt, was that the new plan caused several districts to "unnecessarily cut across county lines" in setting up the new district boundaries.

An example of the problem was that a portion of Tarrant County (Fort Worth) would have been shifted into another district. The residents of this "cut off" portion, in the city of Azle, objected to the move.

"The people in Azle have always been in Tarrant County, but under the proposed plan, Tarrant County's representative would not have been responsive to us, because we wouldn't get to vote for them," said a spokesman.

This is a big problem, and one we don't envy the lawmakers. And in the end, the folks in Parmer County and its meager 10,000 population, are at the mercy of the way the ball bounces during the hectic session.

PERHAPS A MORE vital issue to residents of this area facing the legislators in Austin is a proposal by Representative Bill Clayton, which would set aside half of the state's treasury surplus each biennium in a fund to guarantee bonds for water projects.

At one time, Clayton had the necessary backing for the program, which might help solve the state's water shortage. He had encountered very little opposition during the regular session, until opponents managed to stall the issue near the session's close, and force it into the special session.

Governor Clements approves the plan, and has even set up a water task force to generate support for the issue, which would be to submit the program to the state's voters in the form of a constitutional amendment—still no sure thing.

But Speaker Clayton needs a two-thirds majority on the water plan in both the House of Representatives and the Senate, before it can be submitted to the voters.

Clayton has done a lot for his area of the state during his tenure in the legislature, and as Speaker of the House. If he can pull off this last effort on behalf of the water needs, it would really be a plus for this area, whose water table has been declining at an alarming rate.

And, before representatives from other parts of the state line up in opposition, they ought to stop to consider "on which side their bread is buttered," or whether or not they would be able to get any bread at all, if the High Plains irrigated area has to someday revert back to totally dryland farming.

No wise man ever wished to be young again.

Grand Opening activities are still underway this week at Friona Ford Sales, Inc. The company began showing its newly expanded facilities on Wednesday of this week.

Roger Wilcox announced this week that a drawing for door prizes would be held after closing on Saturday. Included in the prizes to be awarded are a color television set, an AM/FM radio-stereo, a barbecue grill and 100 gallons of gasoline.

A remodeling sale is in progress at the company, and will continue throughout July. Also, motorists are invited to take part in Friona Ford Sales' mileage contest.

The county's Ford dealership has just completed a giant remodeling and additional construction, which more than doubled its space, providing a spacious shop and service

area, modern offices, and a sparkling new showroom.

Wilcox also announced this week that the company is opening a used car lot at 302 East 11th, the former location of Poor Boy's Pit Barbecue. This will give them considerably more display space for their new automobiles at their main location, plus allow them to display their used vehicles in a better way.

In other news connected with the business, it was announced that Lindell Stevens is now associated with the firm. Stevens is moving to Friona from Edmond, Oklahoma.

"We appreciate the response by residents of the area, and want to invite you to come by to see our new facility, if you have not had the opportunity to do so," Wilcox says.

Library Fund Drive Continues In Area

The drive to raise \$70,000, which is being spearheaded by the Friends of the Library, in order to secure a new library building for Friona, is still in

progress, and the main portion of the drive was scheduled to be held during the coming week.

"We will be trying to collect all of our pledges, so that we can reach our goal. A number of volunteer workers have been canvassing the area, both in town and in the rural areas, and we appreciate the work of these folks," says D.L. Harguess, chairman of the fund drive.

It was learned this week that Jim Matthews, representing the Harrington Foundation of Amarillo, visited the library, and its proposed new site in relation to his foundation furnishing a matching funds grant for the library site.

"We hope to hear from Mr. Matthews in relation to the grant in the next few days. He was optimistic about the chances for our library to receive a grant, and of course this would be a God-send in our efforts to raise the money to purchase the building," Harguess said.

The drive chairman said that donations may be made at Friona State Bank. Checks should be made out to the Friends of the Library Fund, and will be tax deductible.

Two Meets Set Here

Two Little League tournaments will be played in Friona next week.

A 13-year-old tournament begins with Friona and Borger playing a best two out of three series, beginning at 4:30 p.m. Monday at the Senior League park. The two all-star teams meet again Tuesday at the same time, and after a Wednesday break, the series continues on Thursday.

A 15-year-old tournament also begins Monday. Teams competing are Friona, Borger and Wellington. Borger plays Wellington at 7 p.m. Monday, with Friona getting a bye. Friona plays the winner of the first game at 7 p.m. Tuesday.

After an open day Wednesday, the tournament continues at 7 p.m. on Thursday.

Winners of the tournaments go to Lubbock and Abilene, respectively.

City Sets Bond Sale

The City of Friona has received an "A" rating on its municipal bonds, after a meeting with the bonding company recently in New York.

"We feel this was the best rating possible, for a city our size," said Friona Mayor B.K. Buske.

A special meeting has been scheduled for Monday, July 20, at 2 p.m. at the City Hall for the purpose of selling the bonds.

The \$1 million bond issue was passed to develop a water supply to supplement the city's current water supply.

GSPA Proposes Legal Action Against USDA

The Grain Sorghum Producers Association (GSPA) proposes legal action against the Department of Agriculture because corn shipped by the Government from northern corn belt states is being sold in competition with grain produced by High Plains farmers.

GSPA Executive Director Elbert Harp said GSPA has been working with the High Plains Congressional Delegation for several months in an effort to prevent Commodity Credit Corporation (CCC) from selling these millions of bushels of corn as proposed.

"We have exhausted every political avenue," Harp said, "but despite our appeal, USDA officials announced last week that this grain will be sold on a bid basis for unrestricted use in the High Plains region."

GSPA believes this action discriminates against High Plains grain farmers by concentrating a disproportionate share of the burden imposed upon all American farmers by the Soviet grain embargo. Harp estimates that these sales will lower the income of an average High Plains sorghum or corn producer by some \$5,000.00—50 cents per hundredweight.

Area Gets Some Rain

Some good rain was received this week in parts of the area, when thunderstorms developed late Wednesday, July 15, and early the next morning.

Parts of the area around Rhea to the northwest of Friona received up to 1.5 inches of good moisture. However, the official measurement in Friona came to just a tenth of an inch.

It was a mild week for temperatures, which averaged 90 for a high and 65 for lows.

Monday, July 13	91-65
Tuesday, July 14	91-65

WIN AWARDS...The Friona High School Twirlers recently returned from the WTSU Twirling Camp, where they won three trophies. Members of the group are (clockwise from the top) Sherri O'Brian, Gwendolyn Maurer, Sharon Frye, Belinda Eddins, Erika Pope, Shelly White

and Karla Fleming. They received awards for best old routine, Best Majorette II, and most outstanding majorette line, plus a plaque for best-dressed line and won the "spirit jug" for the fourth straight year. The girls also won 36 ribbons for their individual talents.

Bids Awarded By Council

Awarding of bids for sealcoating eight blocks of city streets and for excavation of a new landfill pit at the city's southwest landfill area highlighted the regular monthly meeting of the Friona City Council Monday, July 13.

The council was also apprised of the good bond rating the city had received on its municipal bond issue, and the date for selling the bonds was set for Monday, July 20.

The city received four bids on the sealcoating project, two from Borsberry Construction, and one each from Lipham Construction and Jake Diel Paving. Diel's bid was lowest, and was accepted in the amount of \$6,096.

The sealcoating program has been a regular maintenance program for city streets, but has been cut somewhat in recent years due to inflation.

Two bids were received for the new pit needed at the city's landfill area. The bid was awarded to M.D.

Lovvorn of Farwell, whose bid was considerably under that of Hawkins Dirt Removal.

Ordinance number 554, increasing the city's water rate to 70 cents per thousand gallons, from the present rate of 60 cents, effective August 1, 1981, was read. This ordinance is published in its entirety in this issue of the Friona Star. One reason for the increase, according to officials, was to "enhance the city's bond rating."

The city's application to Farmers Home Administration for a \$1,500,000 loan to fulfill requirements on the proposed water field and supply supplement for the city was discussed. The city engineer pointed out that engineering fees for the project would amount to \$48,000.

After considerable discussion by the council, with attempts to secure a lower figure unavailing, the council passed a motion to accept the contract.

Nelson Welch, president of the board of governors of Prairie Acres

Nursing Home, presented the council a brief statement on the home's financial condition. The report showed 51 residents at the time, with a small increase in the home's bank account.

It was noted that a nominating committee was needed to nominate at least two citizens to serve a three-year term on the board of governors. Named to this committee was Jo Blackwell, administrator, Jack Hamil and Dr. Lee Spring.

Approval was granted renewing the contract with Friona Independent School District for assessing and collecting taxes for the City of Friona. It was noted that the county office might be operable prior to the end of the next fiscal year, and if this happens, the contract would be made on a pro-rata basis.

Ordinance 555, continuing taxing private automobiles in Friona was approved.

Laura Earns Judges Award

Laura Ellis, who represented the Hurst-Eules-Bedford scholarship pageant, as well as her hometown of Friona in the Miss Texas Scholarship Pageant last week in Fort Worth, was honored with one of the "Special Judge's Awards" following the conclusion of the pageant last Saturday night.

The award was in the form of a handsome plaque containing the Miss Texas emblem, along with a \$200 scholarship to the college of her choice.

Laura was one of five Miss Texas pageant contestants to be honored with the special awards, given to non-finalists. It is thought that the award symbolized her ranking in the "top 15" of the pageant.

The Friona native was one of 70 contestants who took part in a gruelling week of activities, which culminated in the competition stage of the pageant, Wednesday through Saturday.

The contestants were divided into three groups. As a member of "Group B," Laura presented her talent act, a classical ballet dance, on Wednesday night. She competed in the evening gown phase on Thursday, and in the swimming suit competition on Friday.

Laura's parents and supporters felt she had achieved outstanding marks for her talent performance, which was near flawless, as well as the evening gown and swim suit divisions. Laura personally felt that her lowest marks came in the interview portion of the contest, which came after a hectic and full Wednesday.

"I was so exhausted, I barely could tell them my name," she remarked. Ironically, she had won the interview portion of her Miss Texas preliminary pageant at H-E-B.

Contestants in the pageant went through a rigorous schedule, starting at about 6:30 a.m. daily and lasting until after midnight.

The contestants participated each evening in several portions of the pageant, whose theme was "It's Today."

(Continued on Page 11)

WINS AWARD...Laura Ellis is presented a "Special Judge's Award" from the Miss Texas Pageant by B. Don Magness, chairman of the board of the Pageant. Similar awards were presented to five non-finalists, including Miss Houston, Miss Denton and Miss Haltom-Richland Area.

MATCHED PAIR.... A recent arrival at the Noyle Wood farm is this baby donkey. The little one and his mother make a cute sight with their long ears, and spotted coats.

FRIONA FLASHBACKS
 ...from the files of The Friona Star

45 YEARS AGO--JULY 17, 1936
 Two political speakers were billed for Friona Saturday afternoon, representing the rival candidates for the State Senate, Clint Small and Curtis Douglass. The speaker for Mr. Small was Binford Arney of Amarillo, and the speaker for Mr. Douglass was Judge Newton P. Willis of Pampa. A heavy rain shower hampered the affair, ruining the loud speaker set-up of Judge Willis, who spoke from the bed of a truck. Mr. Arney departed for Bovina and Farwell without finishing his talk, being interrupted by the rain.
40 YEARS AGO--JULY 18, 1941
 The Friona Consumers Company, Inc., now has its entire stock merchandise moved from its old location south of the railroad, to its new location on Main Street, in the block north of the park. The new building recently erected here has been made commodious enough to admit plenty of room for the conduct of business, with filling station, wholesale supply and all. Eroy Wilson is manager of the cooperative.
35 YEARS AGO--JULY 12, 1946
 The sad news, which filled the hearts of our people with sorrow and regret reached here last week telling of the tragic death of one of our most highly esteemed young men. Beldon Lawson, who came to his death at the hand of another at Alec, Oklahoma, where he was visiting. The young man lived in Friona only since the early

part of this year when he moved with his family to a farm three miles southwest of Friona.
30 YEARS AGO--JULY 12, 1951
 Friona's new First Baptist Church building, of mission style architecture, was proudly displayed to the congregation last Sunday, and will hold its formal dedication this Sunday morning. Erected at a cost of \$100,000, the building features a slant-floored auditorium with a seating capacity of 540, ten classrooms, two choir rooms, a study and a nursery. The construction period has required 14 months.
25 YEARS AGO--JULY 12, 1956
 Friona's head football coach for next year will be Colie Huffman, 33, announces Supt. Dillie Kelley. Huffman has been at Springlake the past three years, and is well known in Plains football circles. In his seven years of coaching, Huffman's teams have won three district championships and tied for another.
20 YEARS AGO--JULY 13, 1961
 General rains, accompanied by isolated hail and some strong winds, soaked all of Parmer County during a four-day period from Friday through Monday. Amounts of moisture varied from about two inches in the extreme southern part of the county to 7.5 inches in the northern part. Only a few reports were less than three inches. Friona's official tally came to 3.55 inches.

15 YEARS AGO--JULY 14, 1966
 Joe VanZandt, Parmer County Agricultural Agent for the past two years, will become Moore County Agent on August 11, he disclosed this week.
 Marc Houser, formerly of Amarillo, has joined his brothers C.O. and J.V. Houser as a third partner in Houser's Grocery.
10 YEARS AGO--JULY 15, 1971
 The Friona City Council voted to increase the city's tax base by 10 cents per \$100 evaluation at its regular meeting on Monday. City Manager Jake Outland recommended the tax increase, the first one for the city in 11 years, after work on the 1971-72 city budget showed that the city would be in the red without additional revenue.
5 YEARS AGO--JULY 11, 1976
 An estimated 5,000 spectators viewed the fireworks display in Friona Sunday night, the climax to the city's Bicentennial celebration. The crowd was one of the largest ever assembled for an event in the city.
 Merv Noah, administrator, announced this week that staff training classes will begin at Prairie Acres on Monday, July 12. Noah said that the Friona nursing facility still needs LVNs, nurse's aides, a food service supervisor, cooks and cook's helpers. Prairie Acres is shooting for an August 1 opening, providing that all the finishing touches can be made by that date.

Five Attend Child Welfare Board Meeting

At the July 7 meeting the Parmer County Child Welfare Board completed the writing of its constitution and by-laws.

The final approval will be made at the August 25 meeting. With by-laws and constitution, the Board has completed work on self-organization and is again ready to become active in promoting awareness and assistance for child abuse victims. At the August meeting Board members will be deciding specific actions to be undertaken. One public event at which the Board will seek to have information is the Christmas in November festival at the Community Center in Friona.

Skip Sircic attended the quarterly meeting of the Regional Council of Child Welfare Boards and reported back to the local Board some of the concerns and support found at the regional level.

Those present at the July meeting were Ona Patterson, Bessie Holt, Don Spring, Robert Gallman and Rev. Skip Sircic.

Kathy Jackson, the caseworker for Parmer and Castro Counties, will be leaving her position as of July 15. She will be missed. The Board looks forward to the Department of Human Resources finding a replacement for her promptly.

Hereford Men Set Softball Tournament

Hereford's men's slow-pitch softball tournament will be held July 31-August 2. Deadline for entering the tournament will be July 24.

Entry fee is \$75.00 per team and the tournament is limited to the first forty teams.

Trophies will be awarded to the teams placing first through fifth. Individual trophies will be awarded to the first, second and third place teams.

The tournament is for ten man, all tournament teams. For more information call Larry McNutt, 364-8333.

To The Editor

Dear Friona Folks,

Probably by now or very soon you will have been contacted by one of the drive volunteers for the new library. Thank you for your help and generosity! We are so excited about this opportunity to relocate our library. Patrons realize first hand that we've outgrown our present facility and to keep on improving the services our library performs, more room is an absolute must!

Speaking of service, take a look with me at the annual report for last year and realize this cannot possibly tell the whole story. Most of the films shown were taken to Prairie Acres for the folks there. The addition of tapes for them (if we had room) would also brighten their days.

Children of all races and walks of life by the hundreds skip in and out, arms full of books. Teenagers fill many "free-time" hours with a good book.

The library is no respecter of persons, everyone is welcome there.

Perhaps you feel a little "drained" with all the drives and projects that go on around here, but let me spend a minute "bragging" on what you've done with your donations to make this a wonderful little town.

I'll have to go back several years to remind you that donations of land and money started our hospital, one of the few in the nation that receives no government funding. Those chances you buy and the rummage sales you support keep it supplied with modern equipment and decor. It's wonderful to have a facility that nice in such a little town!

And then donations of land, labor, materials at cost, and money built a Girl Scout House that is the envy of the Caprock Council. I wonder how many thousands of girls and their leaders would thank you for that?

Then the Boy Scouts and their leaders worked long and hard for their Scout House and again Friona came through. Do you realize that although we are one of the smallest towns in the Llano Estacado Council, we can boast the largest number of Boy Scouts (and that includes Amarillo)?

Friona raised \$96,000 in 1968 for

the purchase of 180 acres of land for the location of Missouri Beef. Then in 1972, \$86,000 was raised to build a community center. (Run through your mind how many times you were out there in the past year).

When the need for a nursing home was realized, you not only voted more taxes for yourselves, but you also donated \$170,000. Since it opened, \$16,000 has been given just because you wanted to.

And look how you helped our Senior Citizens when they began their drive for the Friendship House-\$61,000. In return they have provided our town with a lovely place for "get togethers."

People don't only donate money, but also hours and hours of volunteer work. No town our size can boast a finer fire department, 29 men who donate time to train and risk their lives for us and on the side raise money for their equipment, some of which includes a step van, a rescue van and a jaws of life.

Most towns have a fuss going over their ambulance service, we have fourteen trained volunteers to help our paid personnel. And we have nine recently trained reserve policemen, also volunteers.

Consistently, the Friona area goes over its United Way goals. Parmer County gave \$4000 to the Heart Association drive in 1981. And I could go on and on about the generosity of the people in our county and community. It all boils down to what most folks say when you need help, "I'll be glad to help and let me know if there is anything else I can do."

Locating the library in the Consumers building would be such an asset to the city, another feather in our cap. The location and fixtures are ideal. The building is so versatile, so usable to all departments of city maintenance.

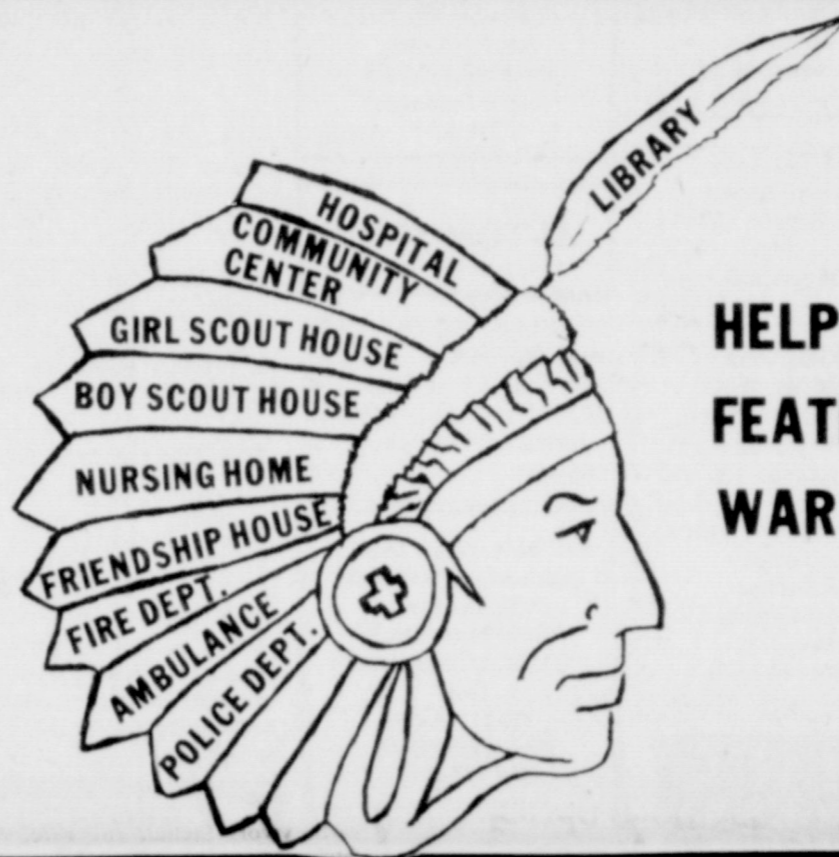

We are confident you will come through again to help make our town a number one place to live, and again we thank you.

Kitty Gallman,
Representing the Friends of the
Library and the Library Board

MELODRAMA CAST....Members of the Union Congregational Choir presented a melodrama, "Pecos Bill & Slue-Foot Sue Meet the Dirty Dan Gang" recently. Shown above is a scene from the melodrama.

Union Congregational Church Gives Program

The Union Congregational Choir presented "Pecos Bill & Slue-Foot Sue Meet the Dirty Dan Gang," to a packed house at the Congregational Church Fellowship Hall. This is the Second Annual Melodrama Dinner Theater that the UCC players have offered the community.

The evening was one of light-hearted, good-natured fun and all that attended seemed to enjoy the event. Nelda Ellis and her keyboard work set the tone for the whole evening as she played during the meal, during the choir-led warm-up sing-a-long and during the play itself.

There was plenty of popcorn to

throw at the villain (Dirty Dan-Rev. Skip Sirnic) and his gang (Fleas-Gaylord Maurer; Boots-Joe Kyle Reeve and Lily Grouch-Wanda Reeve). The villains were properly showered with popcorn. But the Hero (Pecos Bill-Dr. Alexander) and the Heroine (Slue-Foot Sue-Pam Spring) were grandly cheered and applauded.

It was a wild evening from all angles. Who would expect to find Johnny Barker (Clever Coyote) as a talking coyote hero or Danny Kendrick (Blue Duck) as an Indian? Or how about Jessica Maurer as a widow (Widow Quackenbush) and Angela Sirnic (Old-Timer) as a prospector? Yes, it indeed was a night

to be remembered.

The other cast members were: Ophelia Florez-Conchita; Karen Renner-Becky; Sarita Ellis-School M'arm; Billie Tongate-Mrs. Goodnews and Jeannette Maurer-Granny.

The production was under the able and creative direction of Gaye Tannahill whose art work was also highly visible as she did the sets for the play.

After the effort that goes into one of these events, the choir members need to wait an entire year to recover. But, if a third annual production is tackled, you won't want to miss this evening of family fun.

We have a new "down the street" neighbor. When Cecil, Mary and Mika Maddox moved to their new home out on West Ninth, Roger Nelson moved into the house they vacated at 1406 Columbia.

Roger is the son of Lola and the late Jack Nelson and is a 1966 graduate of Friona High School. He's also a 1970 graduate of Texas Tech University and is a farmer. He's been living over on Elm for several years and we're glad to have him in our neighborhood.

Mr. and Mrs. Dean Wallace and children, Keri, Scott and Kaela of Creston, Iowa, are visiting in the home of Mr. and Mrs. Calvin Martin. Mrs. Wallace is Mrs. Martin's daughter. The Iowans have been vacationing in Colorado and New Mexico and are enroute home.

Rodney and Louise Dunnam and son, Louis, who have been living in Louisiana for several years, are returning to Friona to make their home. They've purchased the former home of the Joe Wilhelms at 810 West Fifth.

Rodney has accepted the position of Assistant Manager at Friona Feed

GSPA.....

(Continued from Page 1)

In order to determine what legal remedies, if any, are available to the farmers of the region, GSPA has consulted with three of the nation's leading law firms, one in Lubbock and two in Washington, D.C. It is the opinion of these attorneys that farmers and elevators in the High Plains do have legal grounds to initiate a lawsuit to block these sales or recover damages sustained as a result of this policy. Such a lawsuit could result in a landmark decision which would settle the question relating to the legality of the policies of the U.S. Government in implementing and carrying out the Soviet grain embargo.

"GSPA believes the action of CCC is illegal," Harp stated. "We are ready and willing to file a lawsuit against the U.S. Government in behalf of area grain producers if they and others in the grain related

industries of the High Plains feel this course is desirable. Of course the cost of a lawsuit of this magnitude would be tremendous and no one farmer, grain elevator or producer would be able to finance it alone."

GSPA has established a "GSPA Legal Fund" and is asking farmers and others who will support this suit to make their checks to that fund. If enough interest is shown by July 10, 1981, they will proceed with the lawsuit. If not, the money will be returned, less any expenses incurred by GSPA pertaining to this proposed suit.

"No action will be started," Harp said, unless adequate funds are available to take any and all actions to prosecute this issue to the Supreme Court if necessary."

Harp encouraged farmers to call the GSPA office at 806-298-2543 for more information.

Susan Anderson, Glen London United In Church Ceremony

Susan Anderson, daughter of Mr. and Mrs. Richard Anderson, Sr. of Friona, and Glen London, son of Mr. and Mrs. Richard London, Friona, were united in a double ring ceremony July 4 at 5 p.m. at Friona United Methodist Church by the Rev. Archie Echols.

The altar was framed with standing white trellises on each side decorated with greenery and white, yellow and peach silk flowers. Lighted candles were on the altar.

The traditional wedding march was presented by Kipi Fleming. She accompanied Cindy Alexander as she sang "Annie's Song" and "Wedding Song."

Escorted to the altar by her father, the bride was attired in a floor length gown of sheerganza and re-embroidered chantilly lace over bridal taffeta designed with Queen Anne

neckline, empire waistline, long bishop sleeves and full skirt. Inserts of lace, enhanced with tiny seed pearls, complimented the neckline, bodice, sleeves and skirt. Four rows of lace on the skirt fell in waterfall fashion and the full back ended in a sweeping chapel length train. Her derby style hat of venice lace and lace appliques was complimented with an attached veil.

She carried a bouquet of silk white daisies, yellow sweetheart roses and peach morning glories with bridal lace bows and streamers.

Following bridal tradition, she wore her mother's wedding ring for something old. Her dress was new. She borrowed a pearl necklace from her sister. She wore the traditional blue garter and wore pennies minted in the year of their births in her shoe.

As the bride entered the church, she presented her mother with a long stemmed white silk rose and as she was leaving, she presented her new mother-in-law with a long stemmed white silk rose.

Her mother wore a mint green dress. The groom's mother wore a floor length peach floral dress.

The matron of honor was Debbie Lewellen of Amarillo, sister of the bride. Tammy Smith of Friona was the bridesmaid. They carried bouquets similar to the bride's.

The flower girl was Misty London of Hereford, niece of the groom. She carried a basket of silk rose petals.

They wore yellow floor length sundresses with rows of lace and ribbon.

Pam Perez of Friona registered the guests.

Best man was Micah London, Friona, cousin of the groom. Richard Anderson, Jr., brother of the bride, was the groomsman.

Ring bearer was Greg Lewellen, of Amarillo, nephew of the bride.

Serving as ushers were John Ingram and Terry Sharrock, both of Friona.

The male attendants were attired in chocolate brown tuxedos. The groom was attired in a white tuxedo.

The reception was held in the basement of the church.

Beverly Barlow of Melrose, Jackie Mixon of Hydra, Arizona and Cindy Auburg of Friona, served at the bride's table.

The table was decorated with a yellow cloth overlaid with a lace cloth. Centering the table was the three tiered wedding cake with columns decorated with white, yellow and peach daisies. The cake was baked by Wilma Barnes of Clovis. A wicker basket with white, yellow and peach silk flowers and the bride's bouquet accented the table setting. White and yellow rose mints were made by Martha Schueler of Rhea.

Serving at the groom's table were

Paula Clark and Pam Roberts of Friona, sisters of the groom.

The groom's table was covered with a beige linen cloth. Two decorated horseshoe cakes intertwined in beige and brown decorated by Wilma Barnes of Clovis, were served from the groom's table. A silver coffee service and chocolate bell mints made by Martha Schueler also adorned the table. A wicker basket with silk flowers completed the table setting.

For her wedding trip the bride chose a street length yellow sundress identical to the dresses worn by the wedding party. The groom wore a yellow western shirt with satin yoke to match.

The couple will be at home in Friona at 1102 Elm Street.

The bride is a 1981 graduate of Friona High School and is employed at Doyle Elliott Law Firm in Friona. The groom graduated from Friona High School in 1978 and is employed at London Cattle Company in Friona.

Out-of-town guests included Jim and Carol Whitlow of Canyon; Jackie Mixon of Hydra, Arizona; Mr. and Mrs. Emmett Day and Shaun Day of Dallas; Mr. and Mrs. Dan Day of Lubbock; Mr. and Mrs. Robin Renner of Jal, New Mexico; Dean London and Jack London of Amarillo; Donnie, Debbie and Greg Lewellen of Amarillo; and Mr. and Mrs. Ted Lindeman of Lovington, New Mexico.

REHEARSAL DINNER

The rehearsal dinner was hosted by the groom's parents. The cook-out was held in the back yard of Paula and Henry Clark. Mrs. Clark is the groom's sister.

School Reunion Successful

By JANET WILKE

They came from all over the U.S.—Tennessee, Kentucky, Maryland, South Dakota, California, Kansas, Arizona, Colorado. They were young and old.

But, one thing they did have in common: At one time in their lives they were in some way affiliated with the Lazbuddie Schools, either as teachers or students. But, this was their common bond.

Over seven hundred attended the second annual fifth year reunion on the campus at Lazbuddie.

Three members of the first graduating class were even present and they were recognized. They were Mrs. Pauline Seaton Green of Muleshoe, Robert Prather of El Paso, and Charles Vaughn of Coleman.

Several longtime teachers were also present at the festivities, and they included Mr. and Mrs. Fred Wilbanks of Muleshoe, who were teachers and administrators at Lazbuddie for 21 years; Scotty Windham of Abernathy, who was a vocational ag teacher in Lazbuddie for 21 years; Mr. and Mrs. James G. Ward, who was superintendent at Lazbuddie for 13 years and who is now living at Camay; Mr. and Mrs. James Haynes of Dumas, who taught at Lazbuddie for six years; Greta

McCluskey Attended Conference

C.H. McCluskey, manager of Friona Farmers Co-Op Gin, returned recently from Houston, where he had been attending the 8th Annual Cooperative New Managers Conference.

McCluskey, a native of Coahoma, Texas became manager of Friona Farmers Co-Op Gin in June 1981. He, along with nearly 60 other individuals, represented those who had been named to cooperative manager positions within the state the preceding year.

Paul, a longtime teacher at Lazbuddie, who, with her sister, Grace Paul, started the school there. Grace was remembered as the teacher who has served the most years. She passed away earlier, and was memorialized for her efforts at Lazbuddie.

Also teachers who attended the event were Frances Shaw and Mr. and Mrs. Revel. Mrs. Shaw and Ms. Paul are from Canyon.

Approximately 300-400 students returned to their Alma Mater for this reunion, the second in the history of the school.

A meal was served on Sunday, at the school's cafeteria, and it was catered by Southern Seas of Lubbock. Plates went for \$5.00 per adult and \$4.00 per child under the age of four.

Master of Ceremonies for the Sunday part of the reunion was Frank Hinkson, II, of the class of 1969.

Rev. Louis Crenshaw, from the First Methodist Church, gave the invocation, and Sherrie Seaton, Student Council President of LHS, gave the Pledge of Allegiance.

Jerry Don Glover of the class of 1961, gave the history of the school, and special awards were presented to the honorees by Debbie Weir, of the class of 1973 and Tammie Turner, of the class of 1978. Some of the honorees included several of the communities old-timers, including Mrs. Dixie Barnes, Vivian Ham and Alfred Scott, all of whom were present, and also, Effie Jennings, Clara Weaver, Willie Steinbock and Sam Layman, who were not able to attend the reunion.

Mrs. Carolyn Hinkson Pilgrim of Linthicum, Maryland was the graduate attending the reunion who travelled the farthest distance, and there were several who travelled great distances to be present.

Entertainment was provided by a country/western group called "Steinbock Country" and consisted of Rex and Max Steinbock, Jerry Don Glover, Gary Coker, Donnie Coker and Johnnie Ivy.

Closing out the formal meeting was Minister David Lasiter of the Lazbuddie Church of Christ, who gave the benediction.

In the school building, many of the visitors roamed the halls recapturing

memories, and reliving happy times of school days or talking with friends who they had not seen in years.

On display in several rooms in the complex were arts and crafts and some of the exhibitors included Charletta Treider, Elfreda McGehee, Joy Runyon of Earth, Ronald Elliott, Sheryl Engelking, Maudine Buchanan from Kentucky, Darlene Burnett, Paula Tarter, Johnnie Mabry, June Claar, Donna Smith, Mrs. Ruth Hines and many more.

Other featured attractions were the annuals from the original 1947, to the present 1980.

Also on display were several pictures of the events and people who shaped the course that the Lazbuddie Schools have taken.

Many who attended are looking forward to the next time they meet again, in five years.

The Lazbuddie Young Homemakers organization was responsible for the success of the get-together, and they should be recognized for the tremendous job they did. In charge of the reunion was Charlotte Seaton Redwine of the class

of 1965, and members who worked on the project included Janice Bradshaw, Vickie Burch, Cindy Cargile, Lana Copp, Sheryl Engelking, Ellen Gallman, Cindy Hall, Susan Lasiter, Debbie Magby, Billie Mason, JoAnne McDonald, Reta Mimms, Jenny Mitchell, Marca Morris, Patty Robinson, Mandy Seaton, Rickie Seaton, Debbie Smith, Tammie Turner, Nellie Vise, Debbie Weir, Susan Free, Becky Jones and advisor Cassandra Cargile.

Also, we wanted to mention, that one family of Lazbuddians have had three generations graduate from LHS, and that was the Jimmie Seaton family. Jimmie Seaton graduated in 1941, his son, Jimmie Dale in 1962, and Jimmie Dale's daughter, Sherrie, graduated in 1981.

Donators to the reunion were North Lazbuddie Gin, Lazbuddie Garage and Supply, Lazbuddie Farmers Supply, Coker and Sons Spraying Service, Foster Fertilizer, Sherley Anderson Elevator, Lazbuddie Grain, Tide Products, Clays Corner Gin, Treider Electric and Lazbuddie Store.

LOTS OF MEMORIES... the Lazbuddie campus for the Many former students visited the reunion.

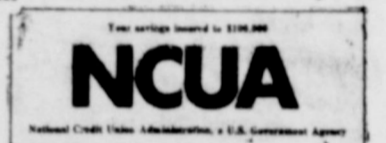

ADDRESSING THE MULTITUDE... Jerry Don Glover is shown as he addresses the multitude of visitors in

Lazbuddie the past weekend, who were present for the second fifth-year reunion.

Double Ring Ceremony Unites Carla Searsy, Johnny Bandy

Carla Jo Searsy and Johnny Deyane Bandy, both Lubbock residents, exchanged wedding vows Friday, July 10 at 7 p.m. in the Acuff Church of Christ, Acuff, Texas.

The bride is the daughter of Mr. and Mrs. Bobo Searsy of Route 1, Lubbock. The bridegroom is the son of Mr. and Mrs. Eugene Bandy of Friona.

Bobby Poyner performed the double ring ceremony before a group of candelabras with glowing white and blue candles. In the center was a candelabra tree with an arrangement of blue carnations and white cushion poms. The tree was flanked on either side by a seven branch candelabra with fresh fern. The unity candle stood to one side and was covered with fresh lemon and English ivy. On either side of the altar were spiral candelabras decorated with

arrangements of blue carnations and white cushion poms.

The pew markers were clusters of blue carnations and white cushion poms with trailing English ivy accented with blue and white peko bows. These complimented the arrangements on the altar.

Presenting the music for the ceremony were Mr. and Mrs. Kevin Wiseman of Muleshoe, long time friends of the groom. They sang "Can't Help Falling In Love With You" before the ceremony, "Wedding Song" as Terry Searsy of Lubbock, brother of the bride, Todd Bandy and Clay Bandy of Friona, brothers of the groom, escorted the grandparents in and while the groom escorted his parents and the bride's mother to their seats. As Terry Searsy and Todd Bandy lit the spiral candelabras and the candle on either side of the unity candle the couple sang "The Twelfth Of Never." "The Traditional Wedding March" was sung as the attendants and the bride entered.

The bride was escorted and given in marriage by her father. She wore a white gown of chiffon and Venice lace, designed by Mylady. The Point D'esprit bodice was embellished in beaded Venice lace and featured a Queen Ann neckline. Sheer fitted sleeves featured a Point D'esprit and came to a petal point over each hand. A wateau train fell from a keyhole back and swept to chapel length. The hemline and train were encircled with Venice lace.

She wore a single strand of pearls borrowed from a friend, Kathy Jackson. For something old, she wore a wedding ring that had belonged to her paternal grandmother, the late Mrs. Clay Searsy. Something new was her dress and something blue was her garter, a gift from Ernestine Stinnett.

She carried a cascading bouquet of silk gardenias encrusted with blue silk baby's breath and green leaves with love knot streamers.

Mrs. Wiseman sang "I E" as the couple lit the unity candle.

"We've Only Just Begun" was sung as the recessional.

Miss Debbie Payne of Slaton served as maid of honor. The bridesmaid was Miss Cindy Hill of Lorenzo.

Richard Ryan of Lubbock was best man and Gene Strickland of Plainview served as groomsmen.

The groom wore a baby blue tuxedo with a white ruffled shirt and boutonniere of white silk stephanotis and a rose.

The feminine attendants wore identical gowns of baby blue knit chiffon. The crisscross bodice featured double spaghetti straps. From an empire waistline the accordion pleated skirt swept to floor length. A matching chiffon capelet topped the gown. Self fabric bows adorned each shoulder. They carried nosegays of blue silk carnations, lilac and baby's breath with a peko bow and streamers.

The male attendants and ushers wore tuxedos with navy blue pants and vests and baby blue jackets with white ruffled shirts. Their boutonnieres were blue silk carnations with baby's breath.

The fathers wore navy blue tuxedos with baby blue ruffled shirts and boutonnieres of white daisies, baby's breath and greenery.

The bride's mother wore a floor length light blue knit dress with an accordion pleated skirt and topped with a long sleeved lace jacket.

The groom's mother chose a long pale blue knit dress with accordion pleated skirt with an accordion pleated cape falling from the neckline and a chiffon sash.

Both mothers wore corsages of white daisies, baby's breath and greenery. The grandmothers wore white carnation corsages and the grandfathers had white carnation boutonnieres.

Presiding at the guest register were Mrs. Terry Searsy, sister-in-law of the bride, and Mrs. Richard Ryan. Both had corsages of white carnations and blue bows.

The table was covered with a white

lace cloth. It held the bride's book, a brass candlestick with a navy candle and blue and navy candle ring. A white phlum pen was used.

Special guests were the couples' grandparents, Mr. and Mrs. Clint Judah of Clovis, New Mexico, grandparents of the bride, Mr. and Mrs. G.E. Reed of Friona and Mr. and Mrs. Wayne Maciolek of Amarillo, the groom's grandparents.

The reception was held in the Fellowship Hall of the church.

The bride's table was covered with a white cloth. The cake was a white three tiered heart shaped cake decorated in pastel blue roses. The centerpiece was a silver candelabra with pastel blue candles and decorated with blue carnations and white cushion poms. Finger sandwiches, pastel blue mints and fruit sherbet punch were served from crystal appointments.

Serving from the bride's table were Ernestine Stinnett, Donna Adams and Charlene Poyner.

The groom's table was covered with a white cloth. Chocolate cake, decorated with pastel blue grapes, finger sandwiches, nuts and coffee in a brass and copper sanivar were served by Mrs. LaHonda McCallister, aunt of the bride, Mrs. Todd Bandy and Mrs. Clay Bandy, sisters-in-law of the groom. A brass candelabra accented with baby and navy blue silk flowers was used on the table. The servers wore corsages of white carnations with blue ribbon.

For the wedding trip, the bride chose navy linen pants and vest with a floral print gauze blouse trimmed in white lace and white accessories. Her corsage was blue and white silk flowers given her by the hostesses at her bridal shower in Friona. The groom wore tan slacks and a blue and tan striped shirt.

Others attending from Friona, besides those in the wedding party, were Mr. and Mrs. Eugene Boggess, Mr. and Mrs. Curtis Murphree, Mrs. Donny Campbell and Rebecca, Mr. and Mrs. Burke Hand and Mr. and Mrs. Beardean Broyles.

Mrs. Johnny Bandy

Other out-of-town guests were Mr. and Mrs. W.F. Bandy of Panhandle, Arnold and Edwin Miller of Canyon, Sheila and Kyle Wiseman of Muleshoe, Mr. and Mrs. Donald Searsy of Ralls, Mr. and Mrs. H.E. Searsy and Kathy of Levelland, Barry and Jeffrey Owens of Nacogdoches and Mrs. Eugene Searsy of Kress.

Following a wedding trip to Brownwood Lake, the couple will be at home at 801 Colquett Road, Terrell, Texas.

The bride is a 1981 graduate of Roosevelt High School. The groom is a 1973 graduate of Friona High School, a 1978 graduate of Angelo

State University where he was a member of the Ram basketball team, coached at Roosevelt High School and is now employed as assistant boys basketball coach at Terrell High School.

REHEARSAL DINNER

The rehearsal dinner was hosted by the groom's parents before the rehearsal Thursday, July 9 at the Acuff Steak House. The tables were covered with white cloths. Navy and baby blue napkins and candles were used. An ivy in a baby blue vase was used as the centerpiece on the head table.

About Your Neighbors

By JUNE FLOYD

Erika Pope, the sixteen year old daughter of Jimmy and Peggy Pope, who live at 1614 West Tenth, was born October 12, 1964 in Fredericksburg, Texas.

She is a very talented twirler and will be the feature twirler for Friona High School band this fall. Other twirlers will be Gwendolyn Maurer, head twirler, Karla Fleming, Belinda Eddins, Sherry O'Brian, Shelly White and Sharon Frye.

In addition to being the feature twirler, Erika will be playing a flute in the band. She's also a member of F.T.A.; an F.H.A. officer; a member of the annual staff and sweetheart of the Noon Lions Club.

For the past two years she has been named Most Talented in her class.

She's also a member of First Baptist Church and sings in the choir.

Although her mother, the former Peggy Bourland, was a twirler for the Hale Center High School Band, Erika

didn't become seriously interested in the art until she was almost ten.

Her first interest was sparked by the talent of one of her younger cousins, Tracye Pope.

Soon after the Pope family moved from Fredericksburg to New Deal in the summer of 1974, Erika started taking lessons from Jeanie Baer of Plainview. Since her first lesson, she has been a dedicated student and has spent innumerable hours perfecting her skill.

Visible results of her talent and training add up to three silver plates, which reflect first place winnings in contests; one hundred first, second and third place trophies and one hundred six medals, which she has been awarded for placing second and down.

In 1976, she won her first title, Miss Golden Spread Twirler. She earned this title and another, Miss Llano Estacado, in 1979. Then in 1980 she was named Miss Sweetheart.

She has entered five state contests and brought home a first place trophy from each one. She won the State Strutting Champion in 1976, 1977, 1979 and 1980.

Then in 1981 she was the State University Interscholastic League winner with a No. 1 rating.

Her most impressive win has been the title of Miss Majorette of the Southwest in 1980. This contest had entrants from five states. She has entered state contests six times since moving to Friona in 1976.

At the present time Erika is taking twirling lessons from Renae Cooper of Canyon. She's also teaching a class. She first started teaching in 1979 with a class of thirteen girls, whose ages ranged from four to twelve.

Her other interests include collecting stuffed bears and bells. One of her most prized bells is a tiny one made of metal, which her Grandfather Bourland found one day when he was digging in his yard in Hale Center.

Erika has two brothers, Kevin, who is 21 and a junior at West Texas State University, Canyon, and Shane, who is eleven.

Following her high school graduation, she plans to attend West Texas State University or Arizona University. She hopes to be a feature

ERIKA POPE

twirler at the university of her choice.

In order to attain this goal, she plans to omit basketball and track, in which she has participated in the past from her schedule, so she will have more time to devote to her twirling.

Stars Bow In Tourney

Friona's Major League all-stars won their opening game at the district tournament this week in Dimmitt, but dropped their next two, to be eliminated from further play.

Friona downed Dimmitt, 8-3 in the opening game. Lance Gatlin had a bases-loaded double to start Friona's scoring in the third inning. George Richardson came in to pitch shut-out ball after Dimmitt took an early 3-0 lead.

Gilbert Davila and Shy Burney hit leadoff home runs for Friona on Tuesday, but Tulia proved too potent, taking a 10-6 win. Albert Trevino pitched well for Friona, which was hanging onto a 6-6 tie when Tulia rallied for four runs in the sixth.

Kevin Frye and Gilbert Davila hit homers for Friona in Thursday's game, but Canyon outlasted Friona, 8-6 to eliminate the local team.

Army Needs Four Recruits From Friona

"We need young people from the Friona area in the Army," says SSG Dereck Taylor, Army recruiter at the local Canyon recruiting station. Taylor has been assigned to find four people from this area to fill vacancies in various career fields, such as communications, administration, aviation, and combat arms. "There are many other fields available," says Taylor, "the Army offers skill training in over 200 jobs with duty stations all over the world."

In the Army you can receive the career training you choose and receive active duty pay while learning. Also, you can choose your first duty station. "What better way to learn a skill and travel at the same time?" asks Taylor.

Young people interested in being one of the four from Friona to take advantage of Army opportunities should visit SSG Taylor at 308 16th Street in Canyon or call him at 655-1155.

Each evening's performance began with an opening number featuring the reigning Miss Texas, Terri Eoff of Lubbock, followed by the parade of contestants.

Interspersing the evening gown, talent and swim suit competition were special numbers by the Miss Texas Dancers and the Dixie Bells, who were also seen in Saturday night's television production, seen live from the Tarrant County Convention Center.

Miss Texas A&M was crowned as the 1981 Miss Texas to climax the pageant. She is Sheri Ryman, who performed a gymnastic routine for her talent act, which intrigued the audience. She also won the swim suit competition on her preliminary night.

First runnerup was Miss Mineral Wells, Gloria Gilbert, who performed a ventriloquism act with her friend, Homer. Second runnerup was Miss Duncanville, Alice Kindle, who played a classical piano number.

"I appreciated all of the support I received from my friends in Friona--those who came, sent flowers, bought ads in the program, or whatever. Thank you very much for your love and support," Laura said this week.

A video tape of Laura's competitive portions of the pageant, including her ballet dance, is to be sent to her parents in the near future. When received, efforts will be made to show the tape on local Cablevision.
