South Plains News

(By Mrs. Murray Julian)
SOUTH PLAINS, Sept. 12.—Rev. Wayland Boyd of Crosbyton will be the evangelist at the revival held at the South Plains Baptist Church from Sept. 23 through Sept. 30. Each and everyone is cordially invited to come to each and every meeting.

Prayer meeting time has been changed to 7:30 on Wednesday evening, and Training Union time has been changed to 7:00 Sunday night. Visitors at church services Sunday morning were J. H. Karr, Ft. Worth; Sue Harper, Lockney and Herman Gilliland, Clovis, N. M.

Miss Virginia Taylor was hostess at a teenager party in the home of her parents, Mr. and Mrs. J. P. Taylor on Tuesday evening with games for everyone. Cookies and cold drinks were served at the close of the party. Present from here were Bonnie Upton, Juanelle Wood, June Marble, Donita Milton, Alton Higginbotham, Kendis Julian, Elton Taylor, Don and Ronald Ledbetter, Melba Lloyd, Jack Wellington, Kay Harrison, and Tommy Autry all of Silverton and Beth Crawford of Floydada.

Mr. and Mrs. George Weast were hosts in their back yard at a lawn party on Saturday night where the guests ate supper under the trees in their barbecue area. Present were E. T. Evans and Sharon, of Amarillo, Mr. and Mrs. Robt. Lee Smith and children of Sterley, and Mr. and Mrs. F. W. McClure.

Mr. and Mrs. Herman Gilliland and family of Clovis, N. M., came on Saturday to spend that day and night and Sunday in the home of Mr. and Mrs. Eulan Bradshaw and boys. He is Mrs. Bradshaw's brother-in-law.

STUDENTS off to West Texas State College at Canyon this week are Bonnie Upton, a freshman, who leaves Sunday, Lonnie Jarrett, who will be a senior this year and Terry Julian, who leaves this Wednesday and is also a senior.

We congratulate Mr. and Mrs. Charles Hartman of Aberdeen, Md., where he is stationed at the Aberdeen Proving Grounds, on the birth of their first child, a son, born Thursday night at 11, and who weighed about 7 and 1/2 pounds. Mrs. Hartman's mother, Mrs. Robert Day, is there with them. Paternal grandparents are Mr. and Mrs. Harry Hartman of South Plains.

Thursday, Sept. 6, the Sand Hill Baptist Church was host church to WMU members from Calvary, Lone Star, and South Plains Baptist churches for an all-day meeting with a covered dish luncheon served at noon. Theme of the meeting was "Building Altars in Texas," with Mrs. M. B. Swanner giving the welcoming address. The new church and parsonage at Sand Hill are beautiful and a credit to any community.

About 35 ladies attended the WMU Week of Prayer meeting with Mrs. Frank McClure, South Plains WMU president, Mrs. Murray Julian and Mrs. H. S. Calahan Jr., present, for the day's services, and Mrs. L. H. Faus going for the afternoon session.

MR. AND MRS. I. H. Parks and boys entertained the members of the South Plains Softball Club with a hamburger fry in their back yard barbecue place last Friday night with 36 present to enjoy the grilled hamburgers and accompaniments. The men and boys played games of badminton, and the women went indoors to play games of canasta after the supper.

Present were Cherry Mullins; Johnny Wilson, his parents, Mr. and Mrs. John Wilson, Gary and Sue; Mr. and Mrs. Kendall Cummings and children; Mr. and Mrs. J. D. Webb and children; Mr. and Mrs. James Huckabee; Dean Stewart, his parents, Mr. and Mrs. Albert Stewart; Keith Marble, his parents, Mr. and Mrs. H. L. Marble; Mr. and Mrs. Bill Beedy; Mr. and Mrs. Harry Hartman and sons, James and Roy, and Edward, and Mr. and Mrs. I. H. Parks and sons, Eddie and Jay Frank.

Everybody is busy getting exhibits ready for the Floyd County Fair which will be held on Sept. 13, 14 and 15 at Lockney. Mrs. John Smith-erman from here is head of the educational exhibits, and has worked many hours in our community. Mrs. I. H. Parks is connected with the craft division, and Bill Beedy is superintendent of the beef cattle.

Mrs. C. F. Fortenberry and Mrs. M. M. Julian visited in Lockney on Wednesday in the home of Mr. and Mrs. Lewis Harston and Patsy.

Mr. and Mrs. George Weast spent the past week end at their cabin in Ruidoso, N. M., going over on Friday and returning home Tuesday night. Guests with them in their cabin from Sunday until Tuesday were Mr. and Mrs. George Beedy of Lockney.

Mr. and Mrs. Lavoy Kinnbrugh and daughter came to visit at the Sylvan Kinnbrughs on Tuesday and Wednesday until Thursday. Mr. and Mrs. John Bain from Fairview were all-day visitors at Kinnbrughs on Wednesday.

ROGER Sanders, son of Mr. and Mrs. Otho Sanders, flew in from Karlsruhe, Germany, to the states the first of the week, after spending the past year in Germany with his army regiment. He flew into Amarillo on Thursday and his folks went to bring him home. We are glad to see him safely home.

Mr. and Mrs. Bruce Foster and children, of Ft. Worth, visited from Tuesday morning of last week to the weekend with his folks in Floydada. His sister, Mrs. H. S. Calahan Jr. and children spent Tuesday and Wednesday with all the folks in Floydada where they had a family reunion while Bruce was home.

Mr. and Mrs. Bryan Karr attended the last rites for Bryan's uncle, Luther Karr, on Thursday afternoon in Spur. He had lived between Dickens and Spur, and for the past few years had been in ill health. Bryan's parents, Mr. and Mrs. J. H. Karr of Ft. Worth, came for the funeral, and remained to spend the night with Bryan and family in South Plains. On Sunday afternoon they took the elder Karr to Chillicothe where they will visit relatives before going on to Fort Worth.

Mr. and Mrs. C. F. Fortenberry went to Tulla on Thursday to visit her sister, Mrs. Elvin Hutson and family. Elvin has been in the hospital at Tulla suffering from encephalitis and the Fortenberrys brought the youngest child home with them to stay until Sunday. They were accompanied to Tulla on Sunday by Miss Patsy Harston. They found Elvin Hutson much improved, but still in the hospital.

MRS. THOMAS is still very low at the home of her son, Mr. and Mrs. Bill Thomas. Neighbors and relatives have been sitting up nights during the past couple of weeks. Calvin Poseet, who has been quite ill, is now at home since last Wednesday and is recuperating. He can sit up longer each day and is growing stronger.

Mr. and Mrs. Donald McClure of Houston have announced the birth of a son, their first child, on Saturday morning at 9:45. He has been named for his paternal grandfather, Frank Wayne. His grandparents, Mr. and Mrs. Frank McClure are very proud of their first grandson. They have two granddaughters who live in Crosbyton, the children of Mr. and Mrs. Don McClure.

Mr. and Mrs. Rex Smitherman, Bryan and Kelly, went last Friday and stayed until Tuesday in Corpus Christi, where they visited Rex's grandparents, Mr. and Mrs. P. K. McKenzie. Mr. and Mrs. John Smitherman were also visiting the McKenzies at this time.

Mr. and Mrs. Garvin Beedy, Rise and Larry, went to Center on Sunday to have dinner and spend the day with her parents, Mr. and Mrs. Leo Frazier.

We were proud to hear that Victor Bond, now of Plainview, but formerly living in South Plains, had won a Dunlap Scholarship award to Texas Tech. This award is given for outstanding scholarship and achievement during his high school years. He will be going to Texas Tech as a freshman this fall.

Mr. and Mrs. George Weast entertained in their home on Thursday night at a canasta party. The occasion was the joint birthdays of George Weast and Mrs. George Beedy, and George Beedy, on Friday. Present for the evening were Mr. and Mrs. George Beedy of Lockney, Mr. and Mrs. Skeet Thornton of near Lockney, and the Weasts. Miss Lajuana Newton, who is employed in Plainview, spent the week end here with her parents, Mr. and Mrs. E. W. Newton.

Cheryl's Chatter

(about events at Floydada High)

The elections for class officers were held Monday morning at 10 o'clock. The results of the elections are as follows:

Senior officers: President, Norman Davis, Vice-president Robert Stovall, Secretary, Bethie Wilson, Treasurer, Donnie Young, and Reporter Kendis Julian.

Junior officers: President, Denis Whitfill, Vice-president, James Teague, Secretary, Annelia Thurston, Treasurer, Burtan Beedy and reporter, Pat Robertson.

Sophomore officers: President, Johnny Fred Brown, Vice-president, Billy Keeling, secretary, Linda Welborn, treasurer, Mary Cogdell and reporter Gaynelle Boothe.

Elected as the freshman class officers were: President, Larry Irby, Vice-president, Darlene Johnson, secretary and treasurer, Sue McClung and reporter, Juanell Woods.

The senior rings came in Monday. Are they ever pretty! They have BLUE stones! The seniors really showed them off Monday.

Let's really keep the school spirit up this week for the Olton game! The next two games are here and we really ought to have a big turnout for the student cheering section. "I goofed!" The shirts in hand aren't red, but white with "I Goofed" written on the front. Keith Armstrong's really fits well! The band is to march in a parade at Lockney Thursday afternoon.

The F.H.A. held their first meeting Monday afternoon. The F.H.A. girls hope to go to the State Fair in Dallas, Oct. 3. Plans are now underway to try to carry this out. Virginia Taylor is president of the F.H.A.

Have you noticed: Janis Smith in 5th period typing class, Kelly King in the 9th rank in band, Edward Whitehead's careful driving, Benny Handley's new? DeSoto, Debie Wilson's smile these days, Snow Drop's new glasses, the majorette and cheerleader uniforms and so I hear from the girls! Larry Irby's cuteness?

The Student Council held its first meeting last period Monday. Keith Armstrong presided as president, Ronnie as vice-president, Randall Jones was elected secretary, Sue Nelson, treasurer, and Jaynette Marquis as reporter. Joyce Morren was appointed corresponding secretary. Eleven committee chairmen were appointed.

"The Whirl" came out Tuesday and the staff and Carolyn Williams (and Mr. Eudy) should be congratulated on their efforts. I believe they put in some extra hours to get it out.

Daters seen around have been: Vanda Carter and Billy Keeling, Don Colley and Carol Lawson, Pat Huckerson and Gary Huckabee, Steadied, Gail Holmes and Joe Nolan, Bethie Wilson and Larry Glassmoyer, Vaughn Ginn and Linda Welborn, Suzie Nelson and Bill Orman, Steadied, Gaynelle Boothe and Dale Lawson, Kay Callaway and "Spec" Brian, Sue Durham and Herbert Irwin, D'Lene Wigowski and "Rusty" Tunin, Sherre Darden and Winfred West, Gail Baxter and Larry White.

Whirlwinds Find Eagles Rough In Canyon Season Opener, 32-6

The Floydada Whirlwinds opened the 1956 season at Canyon Friday night and received rather severe treatment at the hands of the Eagles who won 32 to 6. The big Eagle line and hard running backs ripped the Wind defenses to shreds as they scored two TD's in the first stanza, one in the second, and two in the third to completely outclass the local squad. Floydada scored its lone tally in the third period on a 20 yard run by Ronnie Downing.

Playing behind a big hard charging line Eagle backs Harlie Adams, Eddy Boydston, A. L. Pruett and others rolled through the Whirlwind defense as they ran for 259 yards on the ground and 20 first downs in dominating offensive play.

THE WINDS didn't find holes up front or blocks for their ball carriers when needed and failed in the first half to make a single first down. Coming to life some in the final stanzas they did roll to 9 first downs in the last two frames. Yards rushing for the green and white amounted to 77 for the night and they added 84 yards by the aerial route.

Opening the game Don Britain kicked off for Canyon and toed one to Gary Huckabay on the Floydada 20. Huckabay returned the ball to the Winds 28 where he fumbled as he went down and the Eagles recovered. The Eagles turned on their first power drive and drove to the 3 yard line before Harlie Adams plunged through his own left side for the first score. Britain kicked the point after with Nebbett holding and Canyon led 7 - 0.

Britain's next kickoff went over the goal line and was put in play on the 20. Floydada was able to gain only 4 yards before they called on Elmer Williams to punt from his own 24 to the Canyon 48.

CANYON'S next drive carried to the Winds 21 where it died and the ball went over to Floydada. The green and white still couldn't move and again Williams punted from his 25 to the Floydada 42. Taking the ball on the 42 Canyon surged forward again and scored when Adams drove over from five yards out. The kick was missed and the Eagles led 13 - 0.

Before the first period ended Britain had kicked to Huckabay on the 20 yard line and he ran the ball out to the 41 where he was downed.

Early in the second quarter Williams punted from the Floydada 45 to A. L. Pruett on the Eagle 20. The ball carrier picked up good blocking and almost went all the way. He was downed on the Whirlwind 36 just before bursting into the clear.

The touchdown came a few plays later, however, when Don Britain rambled 19 yards for the counter. The kick failed and the score was Canyon 19, Floydada 0.

Neither team was able to move on the offense and the ball changed hands several times before the half ended with the Eagles in possession on their own end of the field.

AS THE second half got underway Floydada kicked off and the ball went short to big Elston Burkham who took it on his 46 and ran to the Winds 49. On the next play Huckabay recovered a fumble and Floydada owned the ball on its 47 yard line. Ronnie Huyck returned the favor for Canyon on the next play, however, and the Eagles then put on another scoring drive which was climaxed when Eddy Boydston plunged over from the one yard line. The kick failed and the score was 25 - 0.

Robert Stovall took the next kickoff on his own 10 yard line and ran it back upfield to the 39 where he was brought down. The Winds then came to life with a passing and running game that was their best show of the night. With Potts, Huckabay and Downing doing the chunking and Watts, Beedy, Downing on the receiving end, the green and white moved down field and made first down on the Eagle 20 yard line. Downing then covered the remaining distance as he refused to go down and burst into the secondary to find blocking ready, and

carried across the goal line standing up. The pass for extra point failed and the score was 25 - 6 favoring the Eagles.

CANYON struck back quickly however and following the kickoff they drove downfield with power plays and scored. Boydston struck from seven yards out for the final counter. Britain's kick was good and the scoring was over for the night at 32 - 6.

The fourth quarter was a see saw affair with the Winds grinding out considerable yardage on the ground and in the air, but could not muster a sustained drive. Time ran out with the completion of a long pass that saw Floydada cover 30 yards.

STARTERS for Floydada were Robert Stovall, Rusty Tinnin, James Teague, Elmer Williams, Buttons Beedy, Frank Potts, Buddy Watts, Grant Cooper, Ronnie Downing, Don Colley and Gary Huckabay.

Others seeing considerable service included Bill Orman, Bill Keeling, Winfred West, Dale Lawson, Vaughn Ginn, Stanley Grant and Rannie Vickers.

Methodist Youth Fellowship News

(MYF Reporter)

Sunday Sept. 9 the Sunday school lesson was on James 3 chapter. Gaynell Booth gave the devotion. The lesson was taught by Mrs. L. L. Clark Jr.

Sunday evening at 6:00 p. m., 19 youth, Sept. 16 after church service the youth will join the youth from Matador at Silver Falls for a picnic lunch and a discussion will be held on what we can do to improve our MYF.

Tuesday night a council meeting was held in the Youth Room with nine youths, Rev. Armstrong and the Pete Hickersons. The aftergame party for Sept. 21 was planned. Roger Trapp is program chairman and Linda Welborn is decoration chairman.

The pancake supper has been changed to Oct. 17. We hope that everyone will remember this date and back the youth on this project.

The Youth Activity Week project was to raise money to help support the girl from Korea who is attending McMurry College. The youth have raised \$200.00 on this project.

Sunday evening at 6:30 p. m. Miss Gene Arwine will speak to the group on the topic "Now Is The Time." This is the topic on dating, and will you marry. This will be a very interesting subject that all the youth will want to hear. Don't miss this.

THE GLEN AMBURNS NAME SON JAY NEAL, BORN SUNDAY

Mr. and Mrs. Glen Amburn are the proud parents of a son born Sunday morning at 1:30 o'clock in Lockney General Hospital. The young man weighed seven pounds and seven ounces. He has been named by Jay Neal Amburn.

Jay Neal has two older brothers, Ronnie, age 11 and Terry, age 6. Paternal grandparents are Mr. and Mrs. Foster Amburn of this city and maternal grandparents are Mr. and Mrs. Arthur Beedy of Ft. Worth.

Jay Neal's father is employed at radio station KFLD.

B. L. Brown and son, Edward and family, of Valley Mills, were visitors last week in the home of his uncle and wife, Mr. and Mrs. Will Snell and in the home of his cousin and family, Mr. and Mrs. Roy Hale of the Harmony Community.

Mrs. Wilson Kimble and Mrs. J. G. Wood are in Lamesa this week visiting in the home of Mrs. Wood's daughter and family, Mr. and Mrs. J. B. Claiborne.

Mr. and Mrs. C. L. Berry attended the funeral of Joe McSpadden at Lubbock Wednesday afternoon. Mr. McSpadden was a former resident of the McCoy Community.

Miss Ouida Jones, daughter of Mr. and Mrs. N. L. Jones, enrolled in the Hillcrest Hospital School of Nursing in Waco on August 27.

George McPeak of this city returned home on Tuesday of this week from Methodist Hospital, Lubbock, after receiving medical treatment. Mrs. McPeak reported her husband to be slowly improving.

Small Fires Do Varied Damage

Three fires in one day is more than Floydada Volunteer Fire Department usually has to make, but Monday furnished such a day.

A four-room residence belonging to C. E. Milligan, city employee, on East Georgia together with the contents, was damaged 40 to 50 per cent when fire coming in a storage area. A bus body and a carport also were damaged considerably. The total probable damage not estimated. The department answered the call at 1:15 p. m.

The first call of the day came at 10:15 when a trailer house belonging to a building contractor, name not learned, was damaged by fire as it was parked opposite Panhandle Service Station on East Houston.

Fred Lambert, of the department, said the contents of the trailer house looked like a total loss. The contractor and his family were enroute east from Levelland, bystanders said.

At 6 o'clock Monday evening a car belonging to Sam Johnston, a Negro, caught fire in the 300 block of West Lee, either from a backfire or faulty wiring. It was damaged badly under the hood, the Fire Department reported.

A Wednesday morning blaze at 3:30 o'clock practically ruined a 5-room residence belonging to Albert Mize in the 400 block on West Grover. Fred Lambert, first fireman on the scene, said the top and windows were blazing when he got there. The fire caught in an east wing.

Clayton Thomas, a young married Matador man, who has come to Floydada to begin work for Copeland Service Station, had just moved his household effects into the house. Returning to Matador Tuesday afternoon to spend the night, he learned of the fire Wednesday morning. Most of his furniture and effects were damaged beyond further use.

Young Thomas has been married six months. He and his wife had just finished paying for their furniture. They had no insurance, and he wasn't sure how things would work out. It was a hard blow for a beginner but he was stout-hearted about his troubles when he talked to a reporter.

LOOK MA, NO HANDS

Mother to five-year-old child who has had a substitute teacher in kindergarten. "How did you like your new teacher?"

"Oh, she's much smarter than Miss Jones. When we sang, she played the piano with only one finger, and Miss Jones has to use two hands when she plays."

Thad T. Hutcheson, of Houston, endorsed by the Republican party for U. S. Senator to succeed Price Daniel, is a son-in-law of Senator Houghton Brownlee of Austin. As a young man Brownlee practiced law in Floydada.

Know Him?

We've never met this "customer" but maybe some of our friends in the printing business or agencies have run into him. Jack Donnie tells about him in the Gulf Coast Lumberman.

He came into a baker shop and said to the baker, "Tomorrow is my birthday. I want you to make me a birthday cake. I want just a medium-sized white cake, covered with white icing. And on top of the cake I want you to put in pink icing my first name — OTTO. And I want the name to be in Old English

lettering." The baker said that would be a dollar and the next day. The next customer came in and said to him the same.

He said, "It's a beautiful cake. I really like it. There's a mistake made. I don't like the name on top of the cake. It should be done in Old English and you've done it in English. I can't possibly accept it. It's not only important that the lettering be in Old English."

"You are correct," he regretfully, "and the cake I remember you did in English lettering and I'll order in wrong. I'll have it at once, and have it done as you want it. If you can't do it in two hours it will guarantee that it will be done."

So the customer came hours later and the baker told him, "That's beautiful. It's an very much pleased in pink icing is done in Old English and I appreciate much indeed."

"How do you want it asked the pleased baker."

"Oh, don't bother, it's a particular customer. The baker said, "It's right here!"

Investigations Continue; Lie Detector Used

Investigation of the J. H. Boggs residence burglary in extreme north-east Floyd County the last week in August was continuing this week, said Sheriff Earl Cooper Tuesday.

Three persons had made voluntary appearance in Amarillo to take lie detector tests, said Mr. Cooper. No arrests had been made at that time.

The Boggs residence was ransacked on a Saturday night between 8 o'clock and 10 o'clock. The burglars made entrance into the rear of the house by breaking a screen door latch.

Clothing, household furniture, linens and foods, valued at \$600 or more by the Boggs family was taken in the burglars' raid.

The investigation also is continuing, without success so far as has been made public, on the fires at Lockney. In the month of August two public buildings, one the post office and the other a ward school, were burned. The Post Office Department lost all equipment and a considerable amount of mail in the fire, which also destroyed the building in which it was housed. The school fire did nearly \$40,000 damage.

Encephalitis

(Continued from Page One)

The carrying agent for the encephalitis virus is the culex mosquito.

This mosquito bites a carrier of the virus, more usually a bird, wild or domestic, or an animal, and then takes the virus to the human.

Health Officer Guthrie said it had been determined by the authorities that encephalitis is not a contagious disease and there is no need for isolation of a patient suffering from it.

TEMPERATURE READINGS

High temperature in Floydada for the week was recorded last Thursday with a reading of 95 degrees.

Low was recorded Sunday with a reading of 48.

Yesterday's reading at 2 o'clock was 90 and low was 56.

The B team plays tonight.

The Whirlwind B team is expected to have a large following tonight when they go to Quitaque to do battle with the Panthers' first unit. The game was arranged to fill an open date for Quitaque and has caused a lot of excitement locally.

The B team coached by Bill Curry is made up mostly of underclassmen and boys who did not get to come out at the first practice sessions and they are regarded very highly. Also included in the squad is the freshman team that has been tagged as one of the best classes of athletes to come out of Andrews Ward in a number of years.

Game time is 8:00 o'clock p. m. at the Quitaque football field.

Heating Before Freezing: (Food and Home Notes, Sept. 12, 1936)

A reminder that vegetables must be heated through before being frozen if they are to keep their appetizing fresh qualities in home freezers or lockers comes from the U. S. Department of Agriculture. The reminder comes at this time because of many recent inquiries as to whether preheating or "blanching" is unnecessary or out of date in modern freezing preparation of vegetables.

All research, both for commercial and home freezing methods, shows that practically every vegetable, except green pepper, loses fresh flavor and color as well as tender texture if frozen without preheating. Added to this is an unpleasant flavor, described as a "hay flavor" that unblanched vegetables may acquire during frozen storage.

Time-saving methods of preserving food are in great demand today, but it doesn't pay to save a little time when the result will be unappetizing and thus a waste of the vegetable and valuable freezer-space, the specialists say. Home freezers will give full satisfaction only if fresh, tender, high-quality foods, prepared and packaged by the methods found best by research, are put in them.

The reason for heating vegetables before packing for freezing is that the heat slows or stops the natural process of maturing or aging. If vegetables are not heated enough, the aging continues in frozen storage. Then, the vegetables begin to develop off-flavors, toughness and poor color so that within a few weeks or months they may be unappetizing.

Blanching or preheating takes only a few minutes. For home freezing, the most satisfactory way to heat practically all vegetables is in boiling water. Full directions are given in "Home Freezing of Fruits and Vegetables" (HG 10). Single copies are free from the Office of Information, U. S. Department of Agriculture, Washington 25, D. C.

Enriched bread, like the vote getter above, is the winning contestant at the nation's popularity polls. Year after year in the competitive food field it is the people's choice. Breadmaking has moved from the home to commercial bakeries out of which daily move 40 million loaves.

Here, where the race is diverted among numerous attractive varieties of bread, the decisive vote is won by enriched white bread—the people's choice. The new publications of the United States Department of Agriculture, "Bread—Facts For Consumer Education," reports that 86 percent of the families purchased enriched white bread during an average week. Second contender, whose wheat bread is bought by 22 percent of the consumers and the group—cracked wheat, rye and raisin breads—comprises items selected by 29 percent of households.

Interested in the wide margin won by enriched bread, the Department of Agriculture surveyed families in a midwest town regarding their preferences for

Names 23 Wheat Varieties Discount In Support Program

STATION, Sept. — Discourage plantings of wheat varieties were in the price-support program on the 1956 wheat crop.

The extension agronomists point out that the discount on these undesirable hard red winter varieties should not hamper Texas wheat producers because research has developed varieties which are better yielders as well as producers of better milling and baking quality wheat.

The recommended varieties available for the High Plains of Texas are Comanche, Concho, Westar, Wichita and Triumph. For the Rolling Plains area these same varieties are recommended along with Quannah for the eastern counties. In the north-central area of Texas, Quannah is preferred while Comanche and Concho have also done well. In the South-central area, Quannah is recommended because of its resistance to disease.

The discount was adopted in the support operation to lessen their production and the possibility of U. S. wheat of inferior quality finding its way into domestic and export channels. Representatives of crop improvement associations have strongly urged the action.

The price-support regulations for 1957 will provide for producer certification regarding undesirable varieties.

Sand Hill News

(By Mrs. James Jeffress)

SAND HILL, Sept. 10 — The cotton is really popping open this week. Quite a few bales have been ginned. The vegetable harvest in the community is coming along. All the tomato fields have hands in them this week and one truck load of peppers has been harvested that we know of. Some are still watering both cotton and feed but a few wells have been shut off this week.

THE MONTHLY business meeting of the Sand Hill Baptist Church was held Wednesday night with Bro. E. O. Adams calling the meeting to order. Reports were given by the treasurer and Sunday School superintendent. The Sunday School grade was down some this month. The teachers for the coming year were presented to the church and voted on.

Those holding offices next year are M. B. Swanner, Sunday School superintendent and treasurer, and Roy Slater, assistant. Nancy Jenkins, church clerk, Joe Earp, music director, Mrs. M. B. Swanner and Molly Earp, pianists, Mrs. James Jeffress, secretary. The men's class only have an assistant elected so far. He is Olin Baird. Mrs. Joe Earp is the ladies' teacher with Mrs. Tom Thomas as assistant. The young peoples class will be divided for a month's trial period. The girls teachers are Mrs. E. O. Adams and Mrs. T. C. Hollums. The boys teachers are James Jeffress and Stinson Stringer.

The Junior teachers are Mrs. J. M. Williams and Pearl Baird. The primary teacher is Mrs. M. B. Swanner and the beginner teacher, Mrs. Dale Stringer.

Training Union officers are as follows: Mrs. Chuck Holmes, Training Union Director, with Dale Stringer as assistant; J. M. Williams, secretary; Mr. and Mrs. Joe Earp, teachers for the young people; Mrs. M. B. Swanner, primary; Mrs. Roy Slater, juniors and Mrs. Dale Stringer, beginners.

All the officers and teachers will take over their duties in October. Mr. and Mrs. Monroe Schulz and family were the supper guests in

the home of Mr. and Mrs. James Riney one night last week.

THE Week of Prayer program on "Building Altars in Texas" was presented Thursday in an all-day program at the church. The Sand Hill W.M.U. were hostesses for the day. Mrs. M. B. Swanner served as Mistress-of-Ceremonies. Mrs. Ken Carter of McCoy was pianist and Mrs. James Jeffress, song leader. A covered dish luncheon was enjoyed by all attending.

Attending were Mrs. Lavel Merriott, Mrs. George Wexler, Mrs. J. C. Adams, Mrs. Jim Owens and Mrs. Mabel Epperson of Calvary Baptist Church; Mmes. Raymond Teeple, C. L. King, Eval Buckner, H. H. Segro and Mrs. J. L. Lawson of Lone Star; Mmes. P. D. Helms, F. F. Stephens, Autry Sparks and Mrs. Ken Carter of McCoy; Mmes. June Calahan, Murray Julian, Frank McClure, and Mrs. Larry Faus of South Plains.

Present from Sand Hill were Mesdames M. B. Swanner, James Jeffress, Olin Baird, Roy Slater, Chuck Holmes, E. O. Adams and Mrs. Tom Thomas.

Mr. and Mrs. Olin Baird and family were the Sunday dinner guests in the home of Mr. and Mrs. Dale Stringer.

We have three happy young people from the community enrolling in Wayland College in Plainview this week. They are Billie Dale Stringer, Nancy Jenkins and Lawrence Baird. Also Bro. and Mrs. E. O. Adams are returning to Wayland. Mr. and Mrs. W. R. Billington spent the week end visiting in the home of their daughter and family, Mr. and Mrs. Ross Yandell in Plain-

view.

Mr. and Mrs. T. C. Hollums and family spent the week end visiting relatives in Amarillo.

THE SAND HILL Home Demonstration Club met Monday afternoon at the school house, with Mrs. M. B. Swanner calling the meeting to order. Roll call was answered with "My plans for the Floyd County Fair." It was decided that the Stanley party would be postponed until sometime in November. The fair exhibit was the main discussion of the afternoon with each member telling what they had to exhibit. Mrs. Brummett met with the club and showed slides on "How to alter ready-made clothes." Mrs. J. T. Spears served a refreshment plate to Mmes. M. B. Swanner, James Jeffress, Walter Knight, J. T. Myrick, H. F. Jackson, Lynn Miller, W. R. Billington and Mrs. Brummett.

The next meeting will be Sept. 26 with Mrs. J. T. Myrick as hostess. The program will be on "My house." The W.M.U. met Monday afternoon at the church. Those present were Mrs. M. B. Swanner, Mrs. E. O. Adams, Mrs. Chuck Holmes and Mrs. Olin Baird.

Visitors of Mr. and Mrs. C. E. Soderstrom this week have been her sister and husband, Mr. and Mrs. Ben Tingle, and a niece, Miss Shirley Ellis, all of Los Angeles, Calif. This is the first time in seven years that Mrs. Soderstrom and Mrs. Tingle have visited together. The Tingles and Miss Ellis are on their way to visit a daughter in Denver, Colo. before they return to their homes.

SMART moderns go GAS for Clothes Drying!

Like most every modern homemaker, I try to run the most glamorous and efficient household possible... at the lowest cost. That's why I use GAS appliances.

Take my dryer, for example. I think it's the smartest looking appliance I've ever seen. Performance-wise, it's got every automatic feature you can think of... it's safe for all fabrics—even my most delicate lingerie—and I'll tell you, I didn't know dryers were so fast! And here's the thing: Ed, my husband, appreciates most... it cuts next to nothing to operate! Yes, just between you and me, I think every woman who goes in for GAS appliances is "Smart"... any way you look at it.

VIEWS AND COMMENT

A Texas Egg Law. We welcome the suggestion from the State Commissioner of Agriculture that an attempt is to be made to get the Texas legislature to pass a sensible egg marketing law so that the poultry business can develop in orderly fashion in this state. Texas is claimed to be the dumping place for all the down-graded eggs in the southwest. Our own thoughtless poultry growers are as bad as the worst about forcing low grades on the public, buyer beware basis. The blabbermouth, with axes to grind, have kept such common sense matters from getting proper attention for many years. We hope the Department of Agriculture will have better luck this time.

Artificial Rain Making. In Texas artificial rain making is being studied as a possible solution of the problem of parched range lands and serious disruption of the state's agricultural economy. Whether or not this may prove of value to the state remains to be seen. Research has solved man another problem. Possibly research can solve this one. It is much more important to the southwest than some of the do good foundations that have sprung up to get the people's money and make nice jobs for promotion minded persons. What may be needed is more financing for study of a state-wide plan and for better use of the water that is available.

Something Else Again. In the papers we read that Texas Farm Bureau is asking an investigation of the Cotton Classing Service in this state. Seems cotton raisers in North Texas are unhappy, pointing to classing one to two grades below the grades which have been accepted in the trade for years. Cost to the farmer ranges from \$10 to \$20 per bale. Presumably this is a forecast of what is to happen on the plains when cotton begins to move. We recall how urgently we all sought the passage of the Smith Doney Act. Under its provisions our cotton grading problems were all to be over. For two years now plains cotton grading men have been howling to no avail, and making all kinds of maneuvers to get from under the domination of the Lubbock cotton classing office. Getting a government agency to take over things, it seems, does not solve all the problems. People who want to turn public education over to the federal government might ponder this.

Maize in the Fields. It may turn out this year that farmers will make some money out of their maize crops, after all. Bad luck in all parts of the southwest on the dry land crop this year has lessened the supply of the grain. Added to this is a slow period in the trucking business. So the country is over-run with truckers who want to buy maize in the field. First saving to the farmer is the 10 cents or so hauling cost per 100 pounds. On top of this truckers are said to be offering a bonus over prices quoted in the trade. Rough on the local storage people and the elevators, and on the railroads. No blessing is wholly unimixed, we are told.

Get a Good Check. Signs point to the probability that many farmers in this area will have an opportunity to sell their maize crops in the field or at the turn row, and at a price

higher than the trade can pay, meaning by trade, the mill or elevator where the farmer usually delivers his grain. If this proves to be true one precaution is desirable. That is to get a good check for the grain delivered. For a dollar and a half one can find out by telephone whether a proffered check will be or is likely to be honored at the bank on which it is proposed to be drawn. One certainty is that the check to be offered at the home elevator is going to be a good one. Be certain of the check offered at a higher price. Otherwise better take less and actually get money.

After fifty years plains farmers are learning that maize and all the forage feeds, are "hard" on the land. Truly so when grown by irrigation. Almost as bad for land as alfalfa and the other legumes are good for it. People who habitually raise legumes in rotation with other crops have learned there is profit in it. They are about to come to the conclusion that money made from forage feeds on irrigation lands isn't money made after all. You keep on paying after the crop is gone and the money spent.

The Texas Rangers. A few quiet, fearless men went to Mansfield the other day and quieted quite a disturbance growing out of racial prejudice. Law and order in the state were sustained in a situation that was tense enough to be a riot within brief days or hours. The men who did the job are known as Texas Rangers. No militia, no National Guard, no trappings, no huge expense, just orders and quiet authority to maintain the peace. Incidentally, Mr. Shivers was misquoted — apparently with malice — in connection with the affair.

Stop for buses. School buses now are covering the countryside hauling youngsters to and from school. Drivers of other motor vehicles should remember to be cautious. When the school bus is stopped, receiving or discharging a cargo of school children, good practice — the law in fact — is to come to a complete stop and then to proceed with all caution. Last year there were 379 accidents in Texas involving school buses. Three children and two adults were killed. One could not erase from his mind that kind of an occurrence within a life time.

Mr. Shivers defends the employees of the state, who, because of the hue and cry, have been maligned without mercy. Mr. Shivers is ruthless in politics, it is true, but what politician is not. Anyway, he says his thousands of appointees are good, honest men, and suggests that any who know of malfeasance by any of them should call it to the attention of grand juries. The fact is that all of the "mess" in Austin has been created by men elected to office by the people themselves, not by appointees. Check on that, beginning with the state senate.

In Every Mail. "Due to the increased cost of all of the basic materials and other items entering into the manufacture of our line, we are obliged to re-examine our costs and to revise our prices accordingly." More tail for the kite when it starts that spin.

What's Happening To Agriculture

Many people today are puzzling over the "programming" of farming by the government. They wonder why we have controls and quotas and price supports. More clearly, they want to know why the farmer can't just "take his chances" in growing and selling with no holds barred. They wonder, without realizing that the well-being of agriculture is an absolute essential to the economic health of our nation, just how the farmer became such a governmental concern. Quite a few years ago, when the entire national economy was on wobbly legs, first efforts for restoration were aimed at agriculture. Farm programs and adjustments and allotments were set to work. Since that time when the age-old barometer for farm success—supply

and demand—became top-heavy, new programs and new words began showing up on the agriculture front. Controls were born of necessity— allotments, restrictions and subsidies became their expression. There are those who cling to the hope that eventually food and fiber demands will catch up close enough to supply that every man can be for himself as in any competitive business. Others more realistically expect controls to be permanent. And if so, then it's time to be thinking about how to live with them and to face their long-time effects. Guidance and regulation of agriculture by the government can go in several directions: The government can allow itself to become the "mar-ket" with most areas of trade and

disposition covered by regulation; controls can be slackened to such a degree that the "big business" farmer could easily encroach on and swallow up the small farmer; or, through careful selection of leaders in policy making posts, farmers will have personal agents to see that their interests are protected, not overrun.

This latter ideal is that which we work toward: To keep our farmers both free and prosperous, with proper alignment in the national economic picture. There will be little danger from government controls so long as they are tempered with concern. And this concern will prevent our farm people from becoming a peasantry working under rationed opportunity.

Revival Meeting

A revival meeting at the Bible Baptist Church began Wednesday evening of this week and will continue through Sunday night.

The new pastor, Gilbert H. Rhine, is bringing the messages. All are cordially invited to attend.

Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated Sept. 17, 1942.)

Crop weather in Floyd County the past week has continued favorable, with clear skies and moderate temperatures throughout. Not only is the cotton man being favored with dry weather, as his cotton matures and begins to open, but the forage feed is also maturing under good conditions, probably one of the biggest yields per acre in the county's history.

Floydada High School Whirlwinds will open their 1942 football campaign tomorrow night under the floodlights at Western field. Game time is 8:30 o'clock war time. Cross-ell High School which administered a defeat to the Green and White last year is the opposing team.

Final plans are given this week by the Floydada Garden Club for the sixth annual Flower Show which will be held Saturday, Sept. 26 at the Farris building, next door to McDonald Hardware. Serving as the Flower Show committee from the club are Mrs. J. D. McBrien, chairman, Mrs. L. J. Welborn, Mrs. G. V. Smith, Mrs. J. M. Willson and Mrs. J. B. Claiborne. Mrs. Alton B. Chapman is president of the club.

Mrs. J. D. McBrien and Mrs. Walter Wood entertained the 1929 Study Club with a reassembly tea Thursday afternoon at the home of Mrs. McBrien, 204 South White street. Mrs. Terrell Loran and Mrs. Alton B. Chapman assisted in entertaining the guests.

Miss Florine Cates, daughter of Mr. and Mrs. Buren Cates left the first of the month for Norman, Okla., where she enrolled as a freshman student in the Oklahoma state university.

Mrs. Ed Griffin honored her son, Dale, Sept. 2, on his seventh birthday with a party at their home on West California Street from 4 to 6 p. m. After several games, refreshments of ice cream and cake were served to 15 guests.

Honey Dew Melons Moving to Market
Between 25,000 and 30,000 honey dew melons are expected to be harvested from 90 acres under contract in the Lockney area are expected to be harvested this season, a Troutman Bros. report said last week.
The packing shed was shipping out an average of 2,000 crates per day last mid-week. Among the shipments were melons dispatched to points as far away as Tampa, Fla.

Crowell Building At Flomot Razed
One of the landmarks at Flomot was razed last week. It was the building which housed the Leonard Crowell mercantile business.
Crowell, now deceased, built the house and started in business in 1911. He was for several years one of the leading retail business men of the area, first in dry goods and groceries and later in the hardware and farming implement line.

Mrs. Jones Hostess To Dougherty Club
The roll was answered with "My plans for the fair" when the Dougherty Home Demonstration Club met in the home of Mrs. Travis Jones, Wednesday, Sept. 5.
Mrs. Jack Ross was in charge of the business meeting and she also gave the council report. The club voted to have a booth at the fair.
"What makes a successful game leader" was given by Mrs. Mac Ward.
Mrs. Harriette Brummett, county home demonstration agent, showed a film and told how to alter ready-made garments.
The game prizes were won by Mrs. Ned Bradley and Mrs. Howard Drysdale. The attendance prize was won by Mrs. G. W. Smith.
A refreshment plate was served to the following members, Mesdames: Tate Jones, Mac Ward, Howe Hines, Howard Drysdale, Claude Ring, Robert Ward, Bill Smith, Ned Bradley, G. W. Smith, H. A. C. Brummett and one visitor, Mrs. C. J. Eastham.
The next meeting will be with Mrs. Robert Ward, Wednesday, Sept. 19 at 2:00 p. m.
Sgt. and Mrs. Kenneth Aerts, of the Marine Base at 29 Palms, Calif., are here this week, guests in the home of Mrs. Aerts' parents, Mr. and Mrs. L. B. Stewart. They arrived Sunday night expecting to be in Texas some two weeks.

Crash Is Lawton Bilbrey

Funeral service for Lawton Bilbrey, 35, was conducted at 10:30 a. m. at the Okla. Graveside home at 330 p. m. Saturday afternoon when he was thrown from an auto accident which occurred on the south of Lawton. The next meeting will be Sept. 19 with Mrs. Robert Ward as hostess. Mrs. D. A. Senn visited relatives at Ralls over the weekend and attended

Highlights And Sidelights From the State Capitol

(By Vern Sanford, Texas Press Association)

AUSTIN, Tex. — Conservative and Liberal Democrats are battling each other. Republicans are active. But the Constitution Party of Texas now is in the spotlight.

At their Austin meeting the Constitution Party grabbed headlines by naming as their nominees, prominent Democrats who have been active in recent campaigns. Their choice included W. Lee O'Daniel for Governor; J. Everts Haley for Lt. Governor; Reuben Senterfitt for Attorney General; Warren G. Harding for State Treasurer; and Ross Carlton for the Court of Criminal Appeals.

Congressional candidates will be chosen later. Secretary of State Tom Reavley challenged the Constitution Party's right to nominate any candidate who had been defeated for the same office in the recent primaries.

Joseph M. Ruppiner of Houston is state chairman of the Constitu-

tion Party. Their presidential nominee is Democrat T. Coleman Andrews, former Internal Revenue Commissioner of Richmond, Va. Former Republican Congressman Thomas Werdell of California is their vice presidential choice.

Major plank in the party's platform is elimination of federal income taxes.

ARTIFICIAL RAIN — Possibility of moistening droughty Texas by artificial rainmaking may be debated in the next Legislature.

After hearing state and federal weather experts at an Austin meeting, the Texas Water Resources Committee voted to dig deeper into the subject. If findings are favorable, the committee indicated it would recommend legislation and appropriations for a long-range, statewide project.

Scientists were cautious in their claims, before the committee. Much is yet to be learned about what makes rain, they said, and previous experiments have not yet been thoroughly evaluated. But they agreed prospects were promising enough to merit further research.

"SOAKER" WANTED — Scattered showers have helped, but most Texas farmers still are scanning the skies for a "fall soaker." U. S. Dept. of Agriculture's latest crop report reflected increasingly critical conditions. Examples: cattle, "forced to market"; peanuts, "past redemption"; dryland cotton, "extremely short"; vegetable planting, "limited." Only irrigated cotton was reported "fruiting heavily."

GI LOAN PAYMENTS UP — Delinquencies on veterans land loans have dropped 19 per cent since 1954, said Land Commr. Earl Rudder.

Payment failures ran 20 per cent on loans made under his predecessor, Bascom Giles, said Rudder. Under the new administration they have dropped to one per cent.

Some 13,000 requests from veterans for loans now are pending before the land board. Present funds will stretch over only about 1,000. More money will be available if voters

approve a constitutional amendment for a new \$100,000,000 bond issue at the general election.

RAIL SPLIT RULING — Smithville, an old railroad town, lost another round in its prolonged attempts to retain offices of the Missouri-Kansas-Texas line.

An Austin district court upheld the Railroad Commission order permitting consolidation of Smithville and Waco offices.

Unique aspect of the case was the "all-star" legal line-up. A former Supreme Court Justice, James P. Hart, represented Smithville. Former governor Dan Moody represented the railroad.

INSURANCE CODE IN FULL EFFECT — Texas' new model insurance code now is in full force and effect.

Last measure to be activated requires companies to have a minimum of 100 policy-holders and \$200,000 insurance in force.

An Insurance Commission spokesman called the requirements "actually very easy to meet" and predicted almost 100 per cent compliance.

Target of the law are companies which, for tax purposes, have operated other type businesses under the guise of insurance firms.

Both Governor Shivers and Commission Chairman Byron Saunders have praised the state's insurance laws in recent statements. Saunders said Texas does not need "any additional reform measures," only "minor changes."

LOSE ACCREDITATION — Eight Texas schools have been removed from the accredited list by the State Board of Education.

In addition, the board warned 111 other schools they must improve their standards.

Stripped of accreditation were Bexar County School for Boys, Carey (Childress County, Louisiana) School, Houston Christian School, New Hope (Wood County), Stratton (Eastland County), Strong (Shelby County) and Sacred Heart (Cooke County).

These schools are ineligible to receive state money for vocational programs and superintendent pay. Their graduates must take entrance exams to enter college or another school.

NEW COURT ASKED — Texas lawyers have been asked to help persuade the 55th Legislature to allot Travis County a fourth district court.

Dist. Judge J. Harris Gardner pointed out that he and the other two judges face hopelessly jammed dockets.

In addition to local cases, Travis courts get almost all suits brought by and against state agencies.

SHORT SHORTS — William H. Wood of Midland has been appointed by Gov. Allen Shivers to the State Board of Pharmacy. Wood succeeds Shine Phillips of Big Spring.

Eight more Texas counties have been designated drought disaster areas by the U. S. Dept. of Agriculture. They are Cass, Delta, Fannin, Gregg, Harrison, Marion, Smith and Upshur.

Furniture manufacturing is one of the fastest growing industries in Texas, expanding 10 times as fast as population. University of Texas Bureau of Business Research reported the state's furniture output increased from \$23,000,000 in 1939 to

\$96,000,000 in 1955.

Texas will have 1,954 new lawyers after next Monday when the Supreme Court will officially license those passing the most recent bar exam.

A \$16,000,000 increase in Texas farm income for 1957 has been predicted by the Texas Agricultural Stabilization Conservation Committee. This unofficial estimate was based on the belief that large numbers of farmers will take advantage of the new federal soil bank law.

McCoy News

(By Carleta Reeves)

McCoy, Sept. 10 — There is still no rain. The crops look good and the cotton is opening some.

The W.M.U. met at the church at 3 p. m. on Monday. Mrs. P. D. Helm called the meeting to order. We had 11 ladies present. Mrs. Guy Shipp was in charge of the Bible study and was a lesson the "Atonement."

Conference On Rainmaking Is Due This Month

COLLEGE STATION, Sept. — Is artificial rainmaking a possible answer to Texas' water woes? Is it practical?

The various aspects of rainmaking will be discussed frankly and objectively by a representative of the U. S. Weather Bureau during the second Water for Texas Conference to be held at Texas A. and M. College Sept. 17-19.

The conference is sponsored by the Water Research and Information Center of the Texas A. and M. College System. All Texans who are

interested in the state's water problems are invited to attend, by Gibb Gilchrist, head of the water center.

Mr. Gilchrist said the U. S. Weather Bureau has been making a thorough study of the possibilities of artificial rainmaking for the past several years. Information which it has collected should be of great help to Texans in evaluating proposals made for solution of drought problems, he added.

OTHER parts of the program which are expected to contain considerable interest for Texans include watershed development and management, water laws of the state, needs and uses of water in production of oil and water for Texas agriculture and forestry.

Panel discussions during the three-day meeting will deal with better uses of water for engineering works and agricultural irrigation, as well as a statewide plan for water use and methods of financing a statewide program.

Dean John Calhoun of the A. and M. School of Engineering, and Director R. D. Lewis of the Texas Agricultural Experiment Station are co-chairmen of the conference. Paul Weaver, distinguished professor of geology, is program chairman.

WAYLAND PARENT'S DAY — PLAINVIEW — Wayland College is adding something new to its 1956-57 calendar with Parent's Day, which is being combined with the dedication of Bessie Fleming Hall, Wayland's newest and most modern residence for young women. Oct. 2 has been set for this event.

Mr. and Mrs. E. H. Truett visited Tuesday evening in the C. C. Price home.

Rev. and Mrs. Ken Carter visited at the home of Mr. and Mrs. Hearn Jodges and family on Sunday.

J. A. Polvadore Rites Held August 31 at Crosbyton

CROSBYTON — Funeral service for James Arthur Polvadore, 78, were held at 2 p. m. Friday, Aug. 31, in the Primitive Baptist Church, Crosbyton, with Elder E. J. Norman of Childress, officiating. Burial was in Crosbyton Cemetery.

Mr. Polvadore died about 6:30 p. m. Wednesday, Aug. 29, at his home following an illness of about a month. He had been in poor health for a year.

A retired farmer, Mr. Polvadore was born Feb. 24, 1878, at Nacogdoches. He came to Crosby County in 1929 and farmed until 1941, when he moved into Crosbyton.

News of Harmony

(By Mrs. Mather Carr)

HARMONY, Sept. 10 — Mrs. E. W. Turner returned home Monday from Methodist Hospital where she had been a patient for several days. Mrs. Turner is improved but isn't feeling too well as yet.

Forest Gound happened to a serious and painful accident about 6 o'clock Tuesday evening when he dropped a bottle in the lavatory, breaking it. A piece of glass flew in his eye splitting it open. He dialed operator and had her to dial Everett Miller. They rushed over and took him to Methodist Hospital, Lubbock, where he received treatment. The doctor thought he would lose sight in that eye. He was alone when the accident happened as his wife works in Plainview and had not reached home. Mr. Gound returned home Sunday but will be sometime before he is able to work. He operates one of the Franklin farms.

MR. AND Mrs. Carrick Snodgrass left Tuesday for Oklahoma City, Okla., where Carrick will see his doctor. Mrs. Ruth Snodgrass went as far as Duncan, Okla., to visit with relatives. They were supposed

Cotton Classing Is Under Fire

WACO — Farm Bureau leaders in the area served by the Smith-Doxey government cotton classing office at Dallas are asking for a Congressional investigation of government classing.

Hoyt Gaston, Waxahachie, a Farm Bureau director, said that he and other Farm Bureau officials in North Texas requested the investigation because of widespread complaints about the way the government is classing this year's cotton crop.

Gaston has conferred with Rep. E. C. Gathings, (D-Ark.), chairman of the cotton subcommittee of the

House Agriculture Committee. The Farm Bureau director said Gathings was agreeable to holding either one or a series of hearings on the matter.

Cotton farmers in the North Texas area served by the Dallas classing office complain that the government classers are placing grades on their cotton \$10 to \$20 a bale lower than private classers. Smith-Doxey officials say they are only following government standards.

A mass meeting attended by both Smith-Doxey officials and cotton farmers was held Aug. 29 in Dallas. Gaston said he has had numerous complaints that government classers have placed even lower grades on cotton sent to the classing office since that meeting. The Dallas meeting was called by Gaston and Edwin Sanderson, Paris, another Farm Bureau director.

Gaston said that other cotton-producing areas are voicing complaints at the way government classers are grading cotton this year. He said Rep. Gathings promised to contact Rep. W. R. Poage, Waco, vice-chairman of the House Agriculture committee. Gaston said he hoped Poage would act immediately to call hearings on the issue.

 ROASTING TOMS...49¢

"Talkin' Turkey" is fine talkin' for folks who love to eat and gather 'round the table with the family and friends. Used to be folks only "talked turkey" at Thanksgiving and Christmas, but in these modern times it's a year 'round habit. Why don't you whomp up a great big turkey dinner right now? Roast 'em, fry 'em or bar-b-cue 'em . . . but be sure to gather 'round all the family and enjoy talking turkey the Piggly Wiggly way.
