## THDA Sessions Held Last Week In San Antonio

The National Home Demonstration Council met for its 20th annual convention Sept. 23-26 at San Antonio, with the Texas Home Demonstration Council of club women as hostesses.

Headquarters were at the Gunter Hotel, but all programs were held at the municipal auditorium. Forty-one states, including Puerto Rico and Hawaii were represented.

This is the first time for Texas to host the convention. Outstanding speakers, all from Texas, were Gov. Allan Shivers, Congressman Omar Burleson, 17th congressional district, Mrs. Oveta Culp Hobby, former secretary of Health and Education, Dr. Imogene Bentley, Dean of Women, North Texas State College, John C. White, Commissioner of Agriculture and a number of Extension Service personnel.

The purpose of the meeting each year is to formulate and promote a plan of work for the National Home Demonstration Council.

The highlight of the meeting was a banquet on Wednesday night with Mrs. Hobby as speaker. Her talk was built around the convention theme "Prepared unto every good work." Her first point was on the inevitability of change and our responsibility of meeting it intelligently in our own lives and in law and government. She said "this is every citizen's responsibility if we wish to keep a government of 'we' instead of 'they'." She also pointed out the many opportunities of today's women and the need of being better trained "for every good work."

The Texas Home Demonstration Council had its annual meeting immediately following the national meeting.

### News of Dougherty

(By Mrs. W. J. Ross)

**DOUGHERTY, Oct. 2**—Have you ever observed the number of ladies of our community who are actively engaged in business pursuits outside the home?

Mesdames G. C. Tiner and D. A. Senn are teachers in the Dougherty School.

## So you want to be STRONG

Remember this: "Some folks just naturally wouldn't want a Farm Bureau as strong as all farmers working together could make it."

It is so easy to be "Against" things—A few loud voices can do farmers a lot of damage. Indeed, it is quite another thing for "Loud Voices" to be "for Something" and make it work.

Farmers, through Farm Bureau, have never made a policy of attacking any program without first advancing a better program. **WHAT HAVE YOU DONE TO MAKE IT WORK?** Do you exert your thinking in shaping policy making resolutions? Do you attend meetings?

Do you accept responsibilities of holding community and county office?

Do you accept committee assignments?

"Loud Voices" don't attack, criticize, and destroy that which they have helped to build.

## Southeast Asia Theme Followed In Luncheon-Program of WSCS

The First Methodist Church was the scene Monday at 12:30 p. m. for a "Southeast Asia" luncheon sponsored by the Women's Society of Christian Service.

Approximately 66 guests registered at the Southeast Asia hut where Mrs. T. J. Hutchins, president of the W. S. C. S., welcomed the guests. The hut made by Mrs. Oliver Grote, was of brown crepe-paper with pan-pas grass making the roof. In the background a palm tree was seen.

The delicious rice tafel luncheon consisted of curried chicken with gravy, chopped almonds, celery, peppers and boiled eggs, Indian condiments and India tea. For dessert the group enjoyed a mixture of pineapple, Persian melon. Honey dew melon, coconut and lime. The peaches and melons were grown in Floyd County. The menu was planned by Mrs. J. H. Barnard.

**Things From Southeast Asia**

The tables were laid in white and were centered with various items from the areas of Asia. Some of the items were brass drinking goblets, water buffalo made by Mrs. Grote, brass bowls, figurines, shoes, various spices, etc. The items belonged to local residents and friends in the surrounding area.

The place mats featured the various countries in Southeast Asia. Scattered over this mat were skeletons of some of the raw materials and products made of them.

The rice tafel was served to the guests in tin plates to represent the tin industry in Southeast Asia.

Brass candelabras holding green candles and flower arrangements completed the table decor.

**What The Church Is Doing**

Following the luncheon, Mrs. Hutchins introduced Mrs. Barnard, who was in charge of the program. Mrs. Barnard gave a discussion on

what the Methodist Church is doing at this time in Southeast Asia. She also introduced a special guest, Mrs. A. P. Barker Sr. of Lockney.

Others taking part on the program were Mrs. Oliver Grote, representing Burma, Mrs. Carl Minor Jr., representing Thailand, Mrs. Jack Jordan representing Malaya, Mrs. Billy Stanforth Jr., representing Indonesia, Mrs. Gene T. Arwine representing Hong Kong, Mrs. Jimmy Wilson Jr., representing Philippines and Mrs. A. L. Wylie Jr., representing Taiwan or Formosa. All of the young ladies were dressed in native costumes.

All through Fellowship Hall were dresses worn by the Asian women on various occasions and flags of the countries in Southeast Asia.

Women who prepared the lovely meal for the occasion were Mesdames S. J. Latta, Noel Troutman, W. H. Henderson, Horace Krebs, Vernon Witkowski, M. J. McNeill, Geo. V. Smith, Wilson Kimble, C. B. Lyles, Tilden B. Armstrong, Phil H. Gates, Jimmy Wilson Jr., Carl Minor Jr., J. D. Webb, Jack Jordan, Billy Stanforth Jr. and Mrs. Bud Sparks.

**WOMEN ENTERTAIN WITH DINNER FOR RELATIVES**

Mr. and Mrs. L. Y. Woolsey entertained with a dinner Tuesday evening at their home, 309 West California, for relatives of Mr. Woolsey.

Those present included his sister and husband, Mr. and Mrs. B. F. Spangler and two nieces, Mr. and Mrs. Jimmy Porter and daughters, Janet and Nancy and Mr. and Mrs. L. L. Trice and daughter, Darla Ann, all of Shelby, N. C.

## Harrison-Baxter Vows Said Saturday

Miss Neva Harrison, daughter of Mrs. Maudie E. Harrison of Sacramento, Calif., and J. T. Harrison of Chico, Calif., and Roy Baxter, son of Mr. and Mrs. W. W. Baxter of the Fairview Community, were united in marriage, Saturday, Sept. 22, in the Chapel of the First Baptist Church.

Dr. R. Earl Allen, pastor of the church, read the double-ring ceremony at 2:00 p. m.

The bride chose as her wedding gown a pink velvet with white accessories. She wore a white orchid and carried out the tradition of something old, something new, something borrowed and something blue.

Miss Lois Harrell and Randell King, both of Floydada, were the bride's and groom's only attendants.

The bride is a graduate of Wellington High School, Wellington, and Daugenton's Business College of Amarillo.

The groom is a graduate of Floydada High School.

Following a short trip to various points in Colorado the couple are at home at 223 West California, Floydada.

**Lovely Coffee Begins Garden Club Season**

The 1956 season of the Floydada Garden Club opened last Friday morning with a lovely coffee at the home of Mrs. Hollis Bond, 229 West Crockett.

The refreshment table was laid with a lace cloth and centered with an arrangement of fruit and yellow candles. Coffee, tea, cider and laced fruit bread were served by Mrs. R. E. Fry, Mrs. Geo. V. Smith and Mrs. H. J. Koenen.

Mrs. Lee C. Goughly gave a book show and told many interesting facts about the library. She brought fine books on gardens and gardening. She urged all members to read these books so they will be ready to start their gardens this spring.

The next meeting will be Oct. 12 with a pilgrimage to Lubbock gardens and a tour of the chrysanthemum test plot at Texas Technological College, Lubbock.

MRS. E. WAYLAND JONES (Miss Margaret Ann McClure)

## Margaret McClure, Wayland Jones Wed At Mount Blanco

In a candle-light ceremony held at 7:30 p. m., Saturday, Sept. 29, in the Mt. Blanco First Baptist Church, Miss Margaret Ann McClure, daughter of Mr. and Mrs. J. Weldon McClure of Crosbyton, became the bride of E. Wayland Jones, son of Mr. and Mrs. J. Fred Jones of Floydada.

Rev. J. R. Williams, pastor of the church, performed the double-ring ceremony before an arch of candelabra holding pale yellow cathedral tapers, flanked by baskets of bronze and gold chrysanthemums and greenery. Bronze satin ribbon bows marked the aisles.

Miss Roberta Redd, organist, played traditional wedding music and accompanied Miss Tommy Pennington as she sang "Walk Hand in Hand" and "Whither Thou Goest" and Jerry W. McClure, brother of the bride, sang "The Lord's Prayer" as a benediction while the bride and groom knelt on a white satin prayer bench.

Given in marriage by her father, the bride wore a ballerina length dress of white taffeta topped with a bolero of chantilly lace, with inverted pleats in the bodice and appliques of lace. The short lace bolero featured a sabrina neckline and fastened in the back with tiny covered buttons and tiny covered buttons also fastened the long fitted sleeves which terminated in points on the hands.

A long veil of silk illusion descended from a tiny hat of starched lace. She carried an arrangement of white frenched carnations centered by a white orchid on a rainbow Bible with streamers of white satin ribbon.

Mrs. Jerry McClure, sister-in-law of the bride of Limestone, Mr. served as matron-of-honor. Miss Lillian Huggard of Goodnight served as bridesmaid. The attendants wore street length dresses of taffeta and velvet in fall shades ranging from cinnamon to bronze. They carried colonial bouquets of bronze and gold pom-pom mums.

Ino Jean Jones, sister of the groom, and Judy Allen, cousin of the bride, served as candlelighters. They wore identical dresses of gold taffeta fashioned with fitted waist, full skirts, cap sleeves and wide sashes. They wore wristlets of gold and bronze pom-pom mums.

James Jones of Rule, served as his brother's best man. Charles Atkinson of Stuttgart, cousin of the groom and Duane McClure, cousin of the bride, were ushers.

Following the ceremony a reception was given in honor of the couple in the church parsonage by the bride's parents. The bridal table was laid with a pale yellow linen cloth, and was centered with the bride's and attendant's bouquets, flanked by gold tapers in crystal holders and a three-tiered wedding cake. Assisting with hospitalities were Mrs. Don Probasco of Floydada, Miss Betty Wain of Lubbock, Mrs. Dennis Taylor, Mrs. Brice Allen and Mrs. J. R. Williams.

For traveling the bride chose a fitted suit of charcoal black orlon and wool with pale pink accessories and an orchid corsage.

Mrs. Jones is a 1955 graduate of Crosbyton High School and attended West Texas State College, Canyon.

Jones is a 1952 graduate of Floydada High School, attended Texas Technological College, Lubbock, and has recently completed two years in the United States Army.

The couple will be at home in Barger after Oct. 3, where the groom is employed by Producers Chemical Service.

**ANDREWS WARD 8th GRADE GIRLS ELECT 4-H OFFICERS**

The eighth grade girls 4-H meeting was held Tuesday, Sept. 25, at Andrews Ward. Mrs. Harriette Brunnett, Floyd County home demonstration agent, presided over the meeting.

The election of officers was held after yearly enrollment cards were filled out.

Officers for the coming year are: president, Elia Womack; vice-president, Tiny Copeland; secretary, Shirley Gregory; reporter, Addie Adkins; song leader, Pat Allen; game directors, Suzie Reue and Helen Whiffill.

The meeting date was decided for the third Tuesday of each month.

The meeting was adjourned with the 4-H motto and prayer led by the newly elected president.

## DKG Commemorates 28th Anniversary

Saturday evening, Sept. 29, the local members of Delta Kappa Gamma met in Plainview to pay tribute to the founder of the organization and to commemorate its twenty-eighth birthday in this area.

Miss Eula Lee Carter of Austin, founder of the organization, presented the members and their guests with a challenging address entitled "Coming of Age."

This portrayed the continuous growth of Delta Kappa Gamma from a wee babe in West Texas to a State, National, and International organization that today promotes higher standards among all teachers, provides scholarships to worthy women teachers, both in the United States and on foreign soils for the promotion of higher education. Their motto is "Forward Ever."

The State Executive Secretary, Miss Phyllis Ellis, cleverly presented the subject of "New Duties" to all members.

Those attending from Floydada were Mrs. Fred Stewart, Mrs. Margaret Springer, Mrs. Vera Meredith, Miss Lois Harrell, Mrs. Edna Phillips and a special guest, the grade school principal, W. P. Nicholson and his wife Mrs. Nicholson.

Mr. and Mrs. Walter Menace of Muleshoe visited in the home of Mrs. L. H. Dorrell for a short time Monday. The couple were enroute from Hamlin where they had attended a funeral.

## MRS. W. B. EAKIN HOSTESS FOR BLUE BONNET MEETING

The Blue Bonnet Needle Club met Thursday, Sept. 27, at 3:00 p. m. in the home of Mrs. W. B. Eakin of Petersburg.

The afternoon was spent in visiting and sewing. Game prizes were won by Mrs. Green, Mrs. Dennis Dwyer, Mrs. Everett Collier, Mrs. O. B. Green and one from Fulton.

The next meeting will be in the home of Mrs. Eakin.

YU 3-2867

Most of us lead more than one life. We were reminded of this the other day as we watched a woman across the lunch table.

We had known her for three years, but only through her job. If asked to describe her, we probably would have said: "She seems to be very efficient, and pleasant. And she's nice-looking, too." Beyond that, we would not have had much to say.

But on this day she sat between two personal friends and they chatted gaily about clothes, hats, fall colors, and other such feminine topics. Her face soft and smiling, she was the most vital person at the table. Actually pretty, too. Not long after that we watched her as she talked about her brother overseas, in the setting of a family we did not know. She was still another person then.

The many-sided self of today's woman no doubt is the product of the complex society in which she lives. Few of us consciously throw up barriers between our real selves and the people we meet. But the spouse's boss and his wife will probably never know us as our coffee-time neighbor does. Newly-made friends will see the person we have become, but let a girlhood friend come to town and we slip back into being the person we used to be.

We plan to take an inventory soon, make a check list on the different persons we are. We'll try to find out who knows the best "we" — the family, or members of our club; acquaintances in the church, or the young people we teach; saleswomen who wait on us, or the stranger who wants to buy the same bargain. Then we'll do what we can about bringing all the other selves up to par.

Visitors in the home of Mrs. R. P. Hall on Sunday were Mr. and Mrs. W. N. Hall and children of Greenville, Mr. and Mrs. Clyde Alexander of Plainview, Mr. and Mrs. F. M. Covington of the Dougherty Community and Willis Hall of the Lakeview Community.

Mrs. Mardell Ford of Agra, Okla., is a visitor in the homes of Mr. and Mrs. V. D. Turner, Mr. and Mrs. S. D. Medley and Mr. and Mrs. Bud Queen.

(By Mrs. J. E. Green)

**CENTER**, Oct. 2 - What beautiful harvest weather we are having! And cotton fields are alive with long white streaks drawn by pickers, white black or brown. The light shower slowed things up a few hours, but by afternoon they were all at work again.

Sunday was another nice day. Bro. Kenneth Coffey, wife and baby were dinner guests of the J. E. Greens. Other dinner guests in the home Sunday were Mr. and Mrs. Victor Green and son Jimmy of Plainview. Mrs. J. D. Welborn called in the afternoon.

Mr. and Mrs. Jimmy Dunn and baby Debra of Lubbock were weekend guests of their parents, the J. R. Robertsons and the Frank Dunns. Patricia Robertson spent Sunday night in town in the Newberry home.

Mr. and Mrs. Leo Frizzell dined Sunday with Mr. and Mrs. Herbert Meredith of Dougherty.

The Welborn girls spent Saturday night in town with girl friends, Joanne in the Wade Warren home, and Donna with Peggy Queen.

Mrs. Welborn visited Mrs. Frank Dunn Sunday afternoon.

The Dunns did some interior decorating in their home last week.

Margaret Dunn, who was out of school part of last week on account of illness, is back in school this week.

Mr. and Mrs. W. L. Hartline and Jimmy visited in Lubbock Sunday with their son and wife, Mr. and Mrs. Dub Hartline, and with her sister and family, Mr. and Mrs. Butcher formerly of Fairview Community. Mrs. Butcher had recently returned from a stay in a local hospital. A sister-in-law, Mrs. Navie Brown of Augusta, Ga., visiting in Lubbock returned home with the Hartlines.

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

Crop residues left on or near the surface will help prevent valuable top soil from blowing away this winter and spring. On irrigated farms, sufficient stubble and stalks are usually left to protect the land. Tillage may be performed, incorporate residues into the surface of the soil until after the critical period in March or April.

Sometimes even on irrigated land, residues are not sufficient to protect the land. In such a case, chiseling may be needed but plowing under should be delayed until after the critical period.

Grazing should be limited to maintain a good cover. Residues should not be burned.

On dryland farms, stubble and stalks of the previous crop should be left on or near the surface of the soil throughout the year. This

cover on the ground increases the water intake of the soil. It prevents the soil from sealing over during a rain. It allows most of the moisture to enter the soil instead of running off. Cover on sloping land will help prevent washing and gullyng.

The ideal implement for stubble mulch tillage is a sweep type blade, at least 30 inches wide. However, either top-bar mounted sweeps or field cultivators may be used. The larger the sweeps, the more effective they are in leaving residues on the surface.

Wheat may be drilled under the mulch usually with any type drill. However when there is an exceptionally large amount of straw, a disc drill will become clogged, and it will be better to use a deep-furrow type drill.

In preparing row crop land, the stubble mulch sweep implement can be used for all preplanting operations up to the time the crop is planted. Where sorghums are planted with a grain drill, surface residue can be maintained throughout the growth of the crop.

A good example of dryland stubble mulching may be seen on the Shirley Irwin farm one mile east of Floydada on the Matador highway.

## New Buildings

They hope to occupy the offices by the first of the year.

Kenneth Bain Sr. and Kenneth Bain Jr. have just completed remodeling the old office quarters of Southwestern Bell Telephone Company into modern office suites, complete with lobby, a very well arranged law office, Kenneth Bain Sr. is occupying the offices. The junior member of the firm is county attorney and is officiating in the quarters provided for him in the court house.

This building was acquired by the Bains from the Ft. Worth owner this summer. Work of re-doing it into a law office was started shortly after the building was vacated by Southwestern in July.

The humble station was due to have been started last spring but a long delay in the delivery of steel ended work up for months.

## \$11,000 Budget Chest Prospect

Budget and applications committee of the Floyd County United Chest met last Wednesday night at Builders Mart in Floydada. Present were drive chairman J. M. Willson Jr., Ewald Quebe, Claude Holly, Dale Goen, Charles Andrews, E. C. Carter and Bill Hale of the budget committee and N. W. Williams, president of the Floyd County Chest.

Present to represent member charities of the organization were for Red Cross, Rush Wheeler, Salvation Army, J. C. Wester, Boy Scouts, J. M. Willson Jr., USO, no representative present; American Heart Association, Joe Gidden.

All charities asked for the same amounts they received last year with the exception of the American Cancer Society which has withdrawn from the united effort. The goal for the drive was set at \$11,000.00 and has been scheduled for Dec. 3 through 15.

Heading the fund drive besides Willson will be Dale Goen, Floydada; S. C. Carter, south part of county, rural; Claude Holly, Lockney; Ewald Quebe, north part of county, rural.

The eleven thousand dollar goal would include the following amounts for member charities and for drive expenses, and reserve:

Red Cross, \$3,200.00; Boy Scouts, \$3,500.00; Salvation Army, \$2,500.00; American Heart Association, \$1,000.00; USO, \$250.00 and expenses and reserve \$550.00.

The budget figures for the welfare agencies are expected to get the approval of the directors when they meet at a date to be set within about two weeks, President N. W. Williams of the United Chest, said.

**Gus Cox, Father Of Mrs. Sellars, Passed Last Week**

Funeral service for Gus Cox, 62, father of Mrs. Elmer Sellars of this city, was conducted Wednesday, Sept. 29, at Hubbard Chapel in Sweetwater.

Mr. Cox passed away Sept. 25 in a Sweetwater hospital following a prolonged illness.

He was born in Indiana and moved to Bowie County, Tex., at the age of five. He had lived in Dalby Springs Community for 37 years. He was a member of the Methodist Church and at the time of his death was a steward of the church.

He is survived by his wife, Mary, two sons, Sherman Cox and Bobby Dan Cox, both of Midland; three daughters, Mrs. Elmer V. Sellars of Floydada, Mrs. Tom Ellis of De Kalb and Mrs. Bobby Kinney of Sweetwater; two brothers, W. S. Cox of Acmeville and J. W. Cox of Montrose, Calif.; nine grandchildren; and one great grandchild.

## FB Convention Next Thursday

The Floyd County Farm Bureau will hold their annual convention at the Lockney High School auditorium Oct. 11, 8:00 p. m.

The members will be at that time, by majority vote, determine their local policies and recommendations to the state convention.

Those who attended the policy development meetings last month believe there are several issues important to Floyd County and that the members should go on record as to what they believe best.

The policy development committee, headed by R. C. Mitchell, and the legislative committee, headed by S. J. McInnes, will form the issues, as a result of the discussion held at the policy development meetings, and Robert L. Smith, president will present them to the convention for vote.

The issues that are passed will then become the county's resolutions and recommendations to the state convention.

By this method each member will have several opportunities to express his ideas and influence action on matters that are important to him and agriculture.

**Fall Membership Drive**

The Floyd County Farm Bureau will hold a fall membership drive during the month of October. Robert L. Smith, president, is urging all members to renew their memberships and work toward obtaining new members since the vote Floyd County will have at the state convention will be based on county membership.

Also, Texas is determined to lead the south to the national convention in Miami, Fla., this November, and this will put Texas in a very favorable position to overcome opposing interests from other parts of the nation, county officials point out.

## Candidates Get Ticket Refund

Candidates who ran for nomination in the two Democratic primaries, July and August, got a 17 per cent refund last week on the assessments made against them in June for the expense of the elections.

County Chairman Ben P. Ayres closed the books on the 1938 campaign Tuesday.

The 17 per cent represented a total of \$345.90 refunded out of assessments that aggregated \$2,043.80.

By having expenses wherever possible the chairman and his executive committee staged the two primaries for a total cost of \$1,688.90, about figure in years.

The chairman began the election year with a \$60.39 emergency fund and wound up with \$66.44 as a nest-egg for the next biennium.

The formal report was made public the first of the week.

### Report On Homes Tour Incomplete

The 1934 Study Club met Tuesday evening in the home of Mrs. M. J. McNeill, 833 West Tenn., at 7:30 p. m.

Mrs. J. M. Willson Jr., president, presided during the meeting. An incomplete report was given on the Tour of Homes sponsored by the club Sunday afternoon from 2:00 until 5:00.

The members of the club are going to sponsor a "Let's Get Out and Vote" project for those who are unable to go to the polls. The members will have their headquarters at the Floydada Chamber of Commerce building and will be ready to carry all, stay with those who can't get out and will furnish transportation, so everyone in Floydada will go to the polls.

Miss Frances Mitchell was in charge of the program and she showed historical slides of a recent trip she took to North Carolina, South Carolina, Tennessee, Virginia and Washington, D. C.

Refreshments were served to Mesdames Tilden B. Armstrong, L. L. Clark Jr., Ralph Cogdell, Willis Cooper, R. G. Dunlap, Howard Greaves, Tom Hutchins, Jack Locke, J. E. Moss, Virgil Shaw, Margaret Springer, Jimmy Willson Jr., and the hostess, Mrs. McNeill.

The next meeting will be Oct. 16 with Mrs. J. S. Hale Jr. as hostess.

### Fifty Club Meets With Mrs. Arwine

The lovely new home of Mrs. Julianne Arwine, 827 West Jackson, was the scene of the 1938 Study Club meeting, Tuesday evening, at 7:30 o'clock.

Roll call was answered by "My Favorite Author" and a short business meeting was conducted by Mrs. Margaret Stone, president.

An interesting program was given by Mrs. Levene Decker on "Buddhism."

Refreshments of Dutch chocolate cake and coffee were served to Mesdames Nancy Bishop, Emma Collins, Marjorie Collins, Florine Davis, Levene Decker, Charlie Edwards, Je Goen, Carolyn Hale, Jane Kassahn, Jill Kirk, Sybil Price, Peggy Provasco, Vel Simpson, Margaret Stone, Valerie Tye, Frances Weatherbee, Mary Alice Craig and the hostess Julianne Arwine.

The next meeting will be Oct. 16 in the home of Mrs. Carolyn Hale. A program on "Confucianism and Taoism" will be given by Mrs. Jo Goen and Mrs. Frances Weatherbee.

**H. R. CAGE WILL ATTEND POLICE OFFICERS ASSN. MEET**

City Police Officer H. R. Cage, is due to leave early this morning for Carlsbad, N. M., where the South Plains and Eastern New Mexico Police Officers Association is due to meet, beginning at 9 a. m., New Mexico time.

An interesting program that will be beneficial to all officers has been arranged, according to Captain E. L. Posey of the Texas Highway Patrol.

Before the close of the meeting new officers for the coming year will be elected.

## Industries Go To Communities Ready To Receive Them

In Paul Marble's talk to the Lions Club here last week he pointed out that the matter of inducing industries to plant their factory operations in a given community depended largely on the time and effort the community is willing to give to learning what their community needs to make it a desirable place for an industry to locate a factory.

Marble is manager of the industrial development department of the West Texas Chamber of Commerce.

Several members of the local business community were special guests at the club luncheon on Tuesday when Mr. Marble made his talk.

Marble said, among other things, that the livability of a community—what advantages it has to offer a man with a growing family in community life—is becoming an important factor in such decisions. Industry can't go where its employees are unwilling to make their homes and rear their children, he pointed out.

### Club "Attends" A Budget Hearing

County Judge O. P. Rutledge took the Rotary Club to a budget hearing last Wednesday, the first any of them had ever attended.

What he actually did was to take the county budget and go through it hurriedly in a programmed talk on county financial affairs at the regular meeting of the club.

The budget discussed was adopted in late August by the Commissioners Court. It is designed to guide the court in their spending for the year of 1937.

The judge pointed out the sources of revenue for each fund, pointed out the commitments as well, and analyzed briefly financial problems which face the commissioners.

Most acute spending problems are on county roads and in providing food and medical care for unfortunate. Any money spent in the latter category comes out of the always-poor general fund, the judge pointed out.

Marked inequities in the tax renditions also was mentioned by the judge.

Wednesday of this week the club heard W. P. Nicholson, principal of Andrews Ward School, in a discussion of school and home-related problems.

## Gibson Daughter Ill At Plainview

Mary Frances Gibson, 5-year-old daughter of Mr. and Mrs. Bob Gibson of Aikon, who is a patient in the Polio Ward at Plainview Hospital and Clinic, was reported on Wednesday morning to be somewhat improved but still on the critical list.

Mary Frances entered the polio ward Sept. 24 and doctors have not diagnosed her case as polio or encephalitis. Her parents are staying at her bedside at all times.

Mrs. A. L. Wylie Jr., of this city, close friend of the Gibson family, said Mary Frances would like to receive mail from all her friends in Floydada and Lockney.

### Teachers To Meet On Monday Night

The Floyd County unit of the Texas State Teachers Association will have their first dinner meeting of the school year at Lockney Monday night. They will gather at the high school cafeteria there at 7:30 o'clock. Plates will be \$1.50.

This is the first of three meetings planned by the teachers.

C. H. Cheever, of the Lockney faculty, who heads a committee making plans for the meeting, said that Dr. Ishmael Hill, assistant superintendent of the Lubbock Public Schools will be the speaker of the evening.

Other entertainment features are planned.

Mr. and Mrs. W. A. King and R. B. Calhoun, of Ft. Worth, in company with Mrs. Johnny Hill, of Lewisville, have been among the visitors in Floydada this week. They have been guests of Mr. King's and Mrs. Hill's mother, Mrs. E. C. King, and other relatives.

**Selling Too Cheap.** Trying to hold the line may be a good thing, in truth it is a good practice within certain limits. Time had come, however, sometime ago, for the coffee shops of the community to put a price of 10 cents on their coffee by the drink. So it was a good thing for all concerned that a few days ago they put on the 10 cent cup. Now there is some incentive for the shop to give good coffee, good service. The coffee shop had "got behind the times." Now they have caught up.

Southwestern Bell Telephone people had a bit of trouble maintaining their usual urbane demeanor last week when customers who buzzed the "operator" line didn't get any response for minutes on end. It was a regular little mass meeting at the new telephone building once or twice as different patrons converged on the business office, each intent on his own problem of "what the heck." The Hesperian was somewhat loath to believe the matter was one of more the usual ruckus that goes with most all utility operations. However, after buzzing nine minutes and no report from the "operator," we concluded there was mechanical difficulty. The management said it was not mechanical, the operator said the signal did not come through.

One trouble about reporting on such matters, which a newspaper in the "country" has, is that as one of the net results it ends up with the monkey on the back of some local man who has to "go see the newspaper" and get something done about it. The post office, the railway and motor freight lines, the express office, the telegraph and telephone companies and the light company all are related closely to the local business community. When they run along smoothly it is not news because they are supposed to operate smoothly. Absentee ownership and management are part and parcel of the modern American way and there is no way around it. The newspaper man, to spare the harassed local manager or agent, often shuts his eyes or brushes off such things simply out of regard to a good man who "can't help himself."

The Hesperian's squib last week taking somewhat of a "dig" at the telephone people as

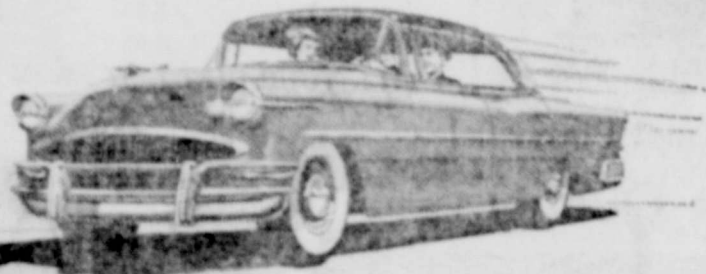

the local storm mounted, spoke of "blocked cables" on the new exchange. There are rural lines which are full and where service cannot be given until the plant department gets around to building, but the impression we left that there is such trouble within the corporate limits was not well taken, says the management. There are installation delays in town, not due to "blocked cables," but instead to temporary shortage of manpower, again the management speaking. The management also leaves the impression that a "shortage of woman power" is responsible for the delays on the long distance lines. Probably the new exchange will be operating normally soon and the hassles forgotten.

It doesn't sound as though there is any action in the early future on the promise of drought relief through rain making in Texas. We see in the press where meteorologists and other scientists will begin "a basic study of Texas climate which may hold a long-range promise of drought relief." That would not hold out a promise that a farmer can plant his wheat this fall on rain that may ensue. Sounds more like years hence. These "long-range studies" have a way of lasting for a generation.

More optimism prevails in Democratic circles than was thought possible three months ago. The party's candidates are handling themselves well and making an aggressive fight for victory in November. Two things will help in Texas, in our belief. First, Mr. Stevenson appears to have accepted the Tideland issue as settled and a matter of history. The other, Mr. Truman is off his back. Mr. Stevenson has the reins. Many thousand Texas Democrats who in the campaign four years ago were "regular" but far from enthusiastic will be going along with this year's candidate and his new attitude enthusiastically. It is Mr. Eisenhower who has "palace guard" troubles this year, not the Democratic candidate.

A man's character is made by what he stands for . . . his reputation by what he falls for.

The man who just switched to bifocals is never at a loss for conversation.

### Floyd County 14 Years Ago

(Taken from the files of the Hesperian, issue dated Oct. 8, 1942.)

Cotton growers of nearly 20 communities of Floyd County in the labor meeting in Floydada Saturday afternoon arrived at an estimate that 2,000 more cotton pickers than are available locally will be needed to help harvest the cotton crop of this county beginning in this month. They also estimated that a large percent of the crop would be ready to gather in the last half of October. Mr. and Mrs. W. H. Hilton announce the wedding of their daughter, Gladys, to Pvt. James O. Johnson of Camp Berkeley, Abilene. The wedding took place at 7:30 p. m., Sept. 19, in the home of Don Morris, president of Abilene Christian College, who performed the double-ring ceremony.

While two conference games in District 4-A interscholastic league, are scheduled for this week-end, Floydada High's Whirlwinds will be idle, having an open date. The Whirlwinds journeyed to Levelland last Friday evening for a pre-conference game with Levelland, winning 7-6.

The death of Mrs. R. T. Miller early Monday morning closed the list of surviving charter members of the First Methodist Church of Floydada. Mrs. Miller died at her home 216 West Kentucky street.

To make a clean sweep of all scrap in the city confines that can be used in the war effort, Floydada business establishments will be closed up for the half-day from 12 noon to 5 o'clock Tuesday afternoon, Oct. 13, and the entire community will concentrate on scrap gathering.

M. O. Fields, operator of the Phillips station in southeast city limits of Floydada, was showing a nine-foot buck yesterday, brought home from southwestern Colorado, a few miles from the Utah state line.

### As A Farm Woman Thinks

(Nellie Witt Spikes)

I could not sleep the other night. My mind kept on repeating the words of Vice-President Nixon who had spoken on television.

"We will see that the farmeta get a decent living," he declared. Decent, decent — I got up and looked just what Webster had to say about this word that had always meant behavior and dress to me. I found it had other meanings, modest and passable. The farmers would expect a modest income, a passable income, he would not starve, he was guaranteed a decent income in the nation's prosperity. I grew wider awake, days long past crowded for attention.

I was in Ralls with my husband waiting a man sent by our government to see that towns could do with only one bank. In fact this very statement was made by the Treasury Department and its words burned in my memory like a brand on the flank of a yearling. I repeat these from memory as I did not save the clipping from the Star-Telegram which we took at that time.

"We had to take Drastic Measures to see that there was only one bank in the smaller towns."

I sit with the directors of the bank, the president and the cashier. This man smoked his cigarettes from a long holder as he watched the notes of the bank being brought out and read off to him.

He had only one question as each name was read of the borrower. "Can he pay it off, now?" And of course the answer was he could not although give him time he could and would make it up. Put it over

### Ike Better Democrat Than Adlai, Says Supporter

A bunch of us were standing around talking the other day, and the talk got around to politics like it usually does. Some of the boys said they'd voted for Ike in '52 and were going to do it again; some of them said they'd always voted the Democratic ticket straight and always expected to—you know how it goes around a little Texas town.

One fellow said something that made the rest of us stop and think. He said he was a Democrat, sure—always had been, and his father and grandfather before him. And he always felt like he had to vote for the best Democrat in the race, which he was going to do this year.

"And that means," he said, "that I'll have to cast my vote for Ike Eisenhower. He's a better Democrat, by my definition of a Democrat, than that other fellow ever will be."

And besides that, he said, Ike kept his promises to Texas and Texas ought to return the favor by keeping Ike.

You know, he might have had something there. "Gratitude" is one of the greatest words in the English language, and we all like to think of ourselves as being grateful when people do something for us. Like I heard a man say one time: "Texans are people who never forget anything that is done TO them—or FOR them." That's the way we think of ourselves, and it's about right.

This Eisenhower man pointed out that Ike promised to give the Tideland back to Texas, and he kept that promise; he promised to do his best to close out Mr. Truman's war in Korea, and he kept

there," the man sneered. The pile grew larger, the night wore on, all our faces were strained and white, we knew what breaking the bank would mean to the town and country. With disdain the Man kept on his only question, "Can he pay, now?" and the last note was called of "no-account."

We got our things and drove home to the farm. We were broke and had to start all over again, but as far as our own loss I would not shed a tear, there was so much in the world that was worse. But I did cry, many tears as men and women told us of their losses.

A decent living, free enterprise, the words were like angry bees.

I remembered the long days and nights on the farm when my children were sick and no way to talk to a doctor only to drive some fifteen miles in an open buggy. Then the neighborhood men built a line and so Floydada. No utility came along to do this for us.

We burned the kerosene lamps that smoked our homes, washed by the help of washboard and boil pot, ironed by heating our irons on a coal stove, or oftentimes fires of quick burning cowhairs.

Then one day a new life came to the farm, the remaining banks were stabilized and men came along and put in tall posts that once carried green leaves and now carried golden strands of copper wire to make electricity in the home.

Did this blessing come by the way of Free Enterprise? No, we were given a chance by our own government to do this for ourselves and pay it out as we used our electric washing machines and irons like our town sisters had done for many years.

I grant you back in the days of the depression we had peace with the world for which we were all thankful. But there was no peace in our own land. We saw young men deprived of education riding the freight trains. We picked them up all along the roads they traveled.

They had no future, they had lost all hope and were just drifting, they knew not where. We saw the young women staying at home with nothing to look forward to, no education, no home, no future.

Well, that was long ago and many a sandstorm has left its sand in our homes since those heart-breaking days and nights of no-sleep. This is 1956 and we farmers are assured of a Decent, a Modest, a Passable living if the New Elephant gets under the wire first.

It is good to see the lights burning at the home of Doyce and Carla again. Four years is a mighty long time for good neighbors to stay away. Glad you are in your own home once more and your service to your country has been well done and over.

E. C. Slaughter of Cooperton, Okla., is a visitor in the home of his niece and husband, Mr. and Mrs. W. L. Fry.

He rode 20 miles

Many a man rode 20 miles to vote just a few years ago. Now it's only blocks to the polls. But the reward for voting is as big as ever; a voice in governing the greatest country in the world.

GET SET, by knowing what you're voting for. Then—GO VOTE!

### Redeem Soil Certificates

of the CCC-owned grain will be set at the current support price for the grade, class and location of the grain. The certificates may also be redeemed for cash at 100 percent of face value.

CCC-owned grain will be available through warehouses operating under the Uniform Grain Storage Agreement. The grain will be delivered at local warehouses or terminal elevators but CCC will not supply grain at locations other than where it has stocks. In other words, no cross-country movement of grain into an area where it is not grown.

Wheat certificates may be exchanged for wheat, barley, rye, oats or grain sorghums — but not for the other two basic grains, corn and rice. This limitation applies to corn or rice acreage reduction certificates. Rice chits cannot be swapped for corn or wheat, and corn chits will not get rice or wheat.

Grains will not be available during harvest periods. CCC officials point out CCC will not exchange a particular grain for certificates during the harvest season for that grain in the area. This harvesting limitation will also apply to redemption of grain under loan by use of certificates.

Sunday visitors in the home of Mrs. O. R. May included her sister and daughter, Mrs. W. L. Holloman and Patsy of Slaton, Melvin Week- weath of Lubbock, Mr. and Mrs. Earl Edwards Sr. of Lakeview and Mr. and Mrs. Fred Cardinal and son, Louis Reid, of Dougherty.

Mr. and Mrs. Rusty Russell of Mineral Wells were week-end guests in the home of her mother, Mrs. Scott King.

Everywhere you look, it has the "Touch of Tomorrow"

Six or V8 the going is great!

The Fairlane 500, finest Ford series, features five of the 19 longer, lower, better Fords for '57.

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.

It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet . . . stretch-out space for a "Daddy Longlegs."

You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.

Best of all, Fords library-like quiet is built in. And the new "Inner Ford" is why. For never before in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.

You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!

So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

# Fire Chief Urges Elimination Of Fire Hazards In Homes

Fire Chief Leroy Burns and Fire Marshal Jeff Hart of the Floydada Volunteer Fire Department are this week calling attention to national fire prevention week Oct. 7 through 13. The fire department is suggesting that a home inspection survey be conducted at this time to determine what fire hazards exist in your home.

In this issue of The Hesperian, the City of Floydada has prepared a check list to be used by residents who may want to know what they can do to prevent costly and dangerous fires.

When you answer the questions on the check list with a yes or no then go back and see how many no answers you have. Each of these points to a fire hazard in your home. If you can not think of a safe way of remedying these hazards, consult your fire department and they will help you to come up with the proper answer.

The completed survey sheets will also be valuable to school children who will be observing fire prevention week in their schools with posters and programs.

The fire department is calling on all clubs, societies and patriotic organizations to help and point out the danger of fire to the citizens of our community and to take steps to prevent fire wherever possible.

Home is where more than 7,000 of the 10,000 building fires occur annually in Texas. Home is where 400 of the 500 deaths by fire occur annually in our state. Fire prevention is everybody's job.

Basil Utzman of Longview and Bill Utzman of Newhall, Calif., were visitors in the C. L. Berry home last week. The men are former residents of the McCoy Community.

## HOME FIRE SAFETY CHECK LIST

All the questions listed can be answered "Yes" or "No." Each question answered "No" points to a fire hazard. The "No" answers. You will then have a good picture of the fire hazards in your home. You, working together with your family, should take immediate steps to correct the fire hazards found.

MATCHES AND SMOKING HAZARDS

Do you keep matches in metal containers away from children?

Do you extinguish all matches, cigarette butts and cigars carefully before disposing of them?

Are there plenty of ash trays in all rooms in the house?

Are all members of your family instructed not to smoke in bed?

Do all members of your family know that approximately 27% of the annual insured fire loss in Texas was caused by Matches-Smoking?

ELECTRICAL HAZARDS

Do you have an experienced licensed electrician to install or to extend your wiring?

Do you use only approved electrical appliances and equipment listed by Underwriters' Laboratories, Inc.?

Do you use only 15 amp. fuses in the fuse box for your household lighting circuits?

Are all flexible electrical extension and lamp cords in your house in open—none placed under rugs, over hooks or nailed, through partitions or door openings?

Do you pull on the cord when removing attachment plugs from outlets, or correctly grasp the plug itself and pull out from outlets?

Do you use bracelet-labeled approved flexible cords to insure safety from fire?

Have you had the electric wiring, wiring installations and electric appliances in your home inspected by a licensed electrician as a life and wire safety measure?

Is the electric circuit in your home overloaded, or have you provided special circuits for heavy duty appliances such as washing machines, refrigerators, deep freeze box, etc.?

Do you tamper with appliances and other electrical equipment?

Do all members of your family know that approximately 22% of the annual increased fire losses in Texas was caused by the misuse of electricity?

DO ALL MEMBERS OF YOUR FAMILY KNOW THAT "PEOPLE AND NOT THINGS CAUSE FIRES"?

GASOLINE AS A HAZARD

Do all members of your family know and realize that Gasoline is a Motor Fuel and not a cleaning agent?

Do all members of your family know that it is the vapor form the evaporation of gasoline rather than the liquid itself which burns or explodes when mixed with air in the presence of a source of ignition?

Do all members of your family know that Gasoline should always be kept in approved metal containers in bottles or open containers?

Have all members of your family been instructed to never bring gasoline into the home, or (2) to use gasoline to cleanse clothing or anything?

KEROSENE AS A HAZARD

Have all members of your family been instructed never to use kerosene to start or quicken a fire?

Are your oil heaters and oil stoves of the approved type and listed by the Underwriters' Laboratories, Inc.?

Do you always refill the fuel tank or compartment of your oil heaters and oil stoves out of doors in the daylight?

If you use a wick-type oil heater, do you trim the wick and clean it regularly?

Do you regulate the flame and properly maintain maintain your oil heater or stove to keep it from smoking?

Do you always see that your portable oil heater is placed well away from curtains, drapes, etc. and protected from children to prevent turning over?

Are rooms in which oil heaters are used properly ventilated for life safety during operation?

# Highlights And Highlights From State Capitol

Sanford, Texas Press

He resigned his senate seat effective Jan. 15, "or sooner if a successor is elected."

When this can be done, and how, hinges on (1) when the governor calls a special election; and (2) whether the State Democratic Executive Committee decides to try to hold party primaries before the special election.

Meanwhile Governor Shivers is on a bear hunt in Kodiak, Alaska, with two of his sons.

**SEGREGATION LAWS PROPOSED** — Legislation designed to circumvent the school integration ruling has been proposed by the governor's advisory committee.

Bases of the plan: (1) local boards could not desegregate schools unless so directed by a vote in the district; (2) liberal consideration would be given requests of parents wishing to avoid sending a child to an integrated school and (3) persons trying to force integration would be liable to prosecution.

Governor Shivers said he would use the report in making recommendations to the next Legislature.

**ROUGHAGE PROGRAM SUSPENDED** — It took drought-hurt Texas farmers only about two weeks to swamp the million dollar federal aid program for roughage.

U. S. Department of Agriculture has ordered that no more applications be approved while it makes a "careful reappraisal" of demands.

Under the program, originally designed to run to Jan. 1, farmers in drought disaster areas were to receive certificates good for \$7.50 per ton for purchase of roughage for cattle.

**STATE BUILDING HITS NEW HIGH** — An estimated all-time high of \$27,600,000 will be spent on new state buildings in the fiscal year just begun.

More than half of this, or \$14,000,000 will be used in Austin. A whopping \$6,000,000 will be poured into the new state office and courts buildings for which sites now are being cleared. Another million will be used to repair and air condition the Capitol building; \$5,000,000 for state schools; and \$2,000,000 for state hospitals.

Of the remaining \$13,400,000 to be spent over the state, \$10,000,000 will go for armories and \$3,400,000 for state hospitals at Abilene, San Antonio, Wichita Falls, Gainesville and Waco.

**SCHOOL EXPERIMENTS STUDIED** — Ways to get "more for the money" out of Texas' school system are being sought. A state-wide advisory committee of educators and lay citizens has just launched a six-month study of ways to make most effective use of school properties and personnel.

Ideas being considered: (1) a 10-month school year, (2) a longer school day with staggered schedules, (3) more use of college students to assist teachers and (4) more multi-purpose rooms in schools.

**COLLEGE ENROLLMENTS SOAR** — Texas college campuses are overflowing again, even more than in post-war days.

Many schools report record enrollments. Some expected totals, after latecomers straggle in: University of Texas 18,000; University of Houston 13,500; Texas Tech 8,000; Texas A & M 7,400; Texas Christian University, Southern Methodist University and Baylor, about 5,400 each.

At least one school, Texas Western at El Paso, was having to curtail its curriculum because of teacher shortage.

**SECURITIES PANEL NAMED** — Eight men have been named to take another look at that perennial hot potato — securities regulation.

They will study the effectiveness of two laws passed by the last legislature. One revised the state securities act which is administered by the Secretary of State. Another created the Insurance Securities Division handled by the Insurance Commission. Likely they also will discuss the long-debated issue of whether the two securities regulating divisions should be combined.

Named to the committee by Gov. Shivers are Secy. of State Tom Reavley; former Secy. of State Everett Fulgham of Lubbock; Ins. Commr. J. Byron Saunders, Hal De-

## Methodist Youth Fellowship News

(Joy Sparks, Reporter)

Sunday, Sept. 30, Ann Word gave the devotion. The Sunday School lesson was on Prayer, taken from Psalm Ch. 121 and Matthew 6 Ch. Mrs. Pete Hickerson, counselor, brought the lesson due to the absence of the teacher Mrs. L. L. Clark Jr.

Last Wednesday night the youth met at the church to pack clothes for overseas. A good number joined in this fellowship. After work was done they enjoyed popping corn.

Tuesday, Oct. 2, seven of the youth went to Abilene to present a program for McMurry Ex- of Lubbock area. Youth taking part in this were Roger Trapp, Kearney Edmiston, Randall Jones, Keith Armstrong, Jerry Solomon, Pat Hickerson and Joy Sparks.

Sunday evening, due to Bro. Armstrong being sick, Mrs. Arvine led the group in the discussion on dating and marriage. This makes three sessions on this subject. The youth have thoroughly enjoyed this. The final session on this will be given Sunday night, "Am I A Good Marriage Risk?" Let's everyone be present for this lesson.

On Oct. 17, Wednesday night the youth are sponsoring a pan cake supper. Tickets will be on sale next week. Adults 50c and children 25c. The youth have done a wonderful job this past year but they are in need of more funds.

The MYF group send their best wishes to Naomi Kiker. She is in the hospital. We hope that Naomi will soon be back with our group.

### Cheryl's Chatter

(about events at Floydada High)

No ball game Friday night! It surely seems odd not to be planning for a game tomorrow night, but that will give us all the more time to get ready to Beat Tahoka! Incidentally, that is our first conference game of the season.

We had a southern assembly last week and another yesterday. D'Lene Witkowski is chairman of the assembly committee and is responsible for all of our assemblies. She has a committee, and what members!

The Thespians have elected their officers. They are: Joe Smalley, president, Vanda Carter, vice president, Gail Rosson, secretary and

treasurer and Dick Galloway, reporter.

If you happened to be walking by the band hall Monday morning you may have heard: Green! White! Leather! Yes! No! That was just the little ole "100" picking their band jackets. They finally decided on green jackets with white trim. The emblem is to be the same as last year. The cheerleaders, Whirl staff, and other organizations ordered theirs too.

Kendis Julian and Janis Roberts are going steady. She has his ring. What luck for a junior to have one of our beautiful senior rings. Agreed, seniors? They are a very cute couple and well liked by the entire student body.

The freshman, sophomore, and junior class pictures were taken Tuesday. "Cheese" anyone? The football boys had their pictures taken Tuesday afternoon.

Pictures for the annual advertising have been being taken for weeks now. We'll just about wind it up tomorrow with the ads with the football boys in them.

Oh, yes, the Floydada Whirlwind "B" squad beat Crosbyton last Thursday night. They lost a lot of their spectators when all the girls went to the Drive-In to sigh (or sob) over Jimmy Dean in "East of Eden".

Daters and couples seen around the halls of "Phus", the drag, and T.F. were:

Gaynelle Boothe and Dale Lawson, Gaye Rosson and Bob Deik, Suzi Nelson and Don Colley, Jerri Floyd and Grant Cooper, Kearney Edmiston and Judy Williams, Kendis Armstrong and Sharon Edmiston, Roger Trapp and Pat Hickerson and Gary Huckabay, Billie Gail Holmes and Bobby Weiborn.

Sherre Darden and Winfred West, Button Beedy and Marjorie Burleson, Sonja Wilson and Larry Glassmeyer, D'Lene Witkowski and Rusty Tinslin, Mary Cagdel and Robert Stovall, Spock Brian and Kay Callaway, Vanda Carter and Bill Keeling, Sue McClung and Henry Self, Sue Ring and Norman Davis.

Sue Kendricks and Billy Gilliland, Carolyn Cates and Buddy Watts, Sue Durham and Herbert Irwin, Randall Jones and DeeAnn Newberry, Donnie Young and Doug Merweather, Jaynette Maxquis and Jo Max Harrison, Gail Baxter and Larry White, Alton Ginn and Pleeta Carthel, Jay Johnson and Gloria Carthel, and Buridene Huckabee and Delbert Templeton.

Have you all seen the latest issue of MAD. It is "wild". She was only a dressmaker's daughter, but she never made a slip.

See ya next week!

South Plains Home Demonstration Club met on Wednesday, Sept. 26, in the home of Mrs. Fred Fortenberry with Mrs. Bryan Karr as help. Mrs. Webb presided over the business meeting. Roll call by Mrs. Taylor was answered by 12 members and two visitors, including Mrs. Brummett, Home Demonstration Agent.

Mrs. Dunlap gave the council report and told of the style show and tea which will be held in November, but place for the meeting has not yet been set. She also discussed the year book for 1937, and told some of the things it would contain.

Mrs. Wood gave What Makes a Successful Game Leader, and gave ten rules for a good leader, leading the group in a game, after which Mrs. Brummett gave her demonstration on Alteration of Ready to Wear, bringing out each point by the showing of slides, and discussions of each.

Hostesses served hot coffee, cakes, and sandwiches and fruit cakes to Misses J. D. Webb, E. W. Newton, R. G. Dunlap, M. M. Julian, Lloyd Deavenport, Menard Field, Arby Mulder, John Wilson, L. T. Wood, Grigsby Milton, J. P. Taylor and guests, Mrs. Norman Wade Deavenport and Mrs. Harriette Brummett.

On Oct. 10 Mrs. L. T. Wood will be hostess and remember to bring recipes to exchange for roll call. Food leaders will bring the program on Oven Meals and Salads.

Mr. and Mrs. Early Pritchett were visiting in the home of Mr. and Mrs. Grigsby Milton and girls on Sunday evening and had supper in their home.

Mr. and Mrs. L. N. Johnson were hosts on Sunday at noon to the ministers and their families at dinner and attending the dinner and spending the afternoon in the Johnson home were Rev. Wayland Boyd, singer Bill Webb, Rev. Larry Faus and Mr. and Mrs. Dalton Thompson and children.

Mrs. Larry Faus is in the hospital at Floydada this Monday having been taken ill on Sunday afternoon. Vassie Beth was ill over Saturday and Sunday. Mrs. Kinniburgh is caring for her while Mrs. Faus is in the hospital.

Mr. and Mrs. Bill Harper from McAllen visited in our vicinity on Monday and Tuesday. They were enroute home after a six week trip which took them to Oregon and up into the country beyond. They visited their daughter and family, Mr. and Mrs. Bruce Rich and girls while at Waldport, Ore.

Revival services at the First Baptist Church closed on Sunday night with 101 present for the morning services. Good attendance was noted during the week, with Rev. Wayland Boyd bringing inspirational messages and Bill Webb from Wayland College leading the singing. Faye Ellis from Plains came out on Friday night with Bill Webb to sing for the meeting. Sunday was promotion day at church and new teachers will take their places this coming Sunday.

Mr. and Mrs. Murray Julian and boys had as their guests at Sunday dinner and for the afternoon, Mr. and Mrs. Frank McClure and Terry Julian who was home over Saturday night and Sunday from Canyon where he attends school.

Mr. and Mrs. John Wilson, Sue and Gary went to Silverton to the First Baptist Church on Saturday night to attend a singing there. Sue Harper from Lockney was a guest in the Wilson home over Sunday and was a visitor with the Wilson family at church Sunday.

The Tour of Homes on Sunday afternoon from two until five which

was sponsored by the 1934 Study Club of Floydada included two beautiful homes of this community, and one in Floydada of Mr. and Mrs. Menard Field, parents of Mrs. John Wilson and Mrs. Billy Stanforth Jr. The South Plains homes which were included in the itinerary were those of Mr. and Mrs. John Key West and Mr. and Mrs. Early Pritchett which are on the Silverton highway.

Mrs. Bryant Higginbotham and Bud spent Monday in Lubbock where they attended the Lubbock South Plains Fair, and saw the Parade of Bands in the morning.

Raymond Upton went to Amarillo on business on Friday, and that evening Bonnie Upton from Canyon came home with her father to spend the week-end. She returned to her studies at WTSC on Sunday afternoon.

Girls Auxiliary members Barbara Sue Milton, Sue Wilson, Joann Newton, Eulalia Sanders, Yvonne Karr, Katherine Mulder, Beth Calahan, Marilyn Kinniburgh and their leaders, Mrs. Pierce and Beverly and Mrs. Julian went to visit Mrs. Bill Hopper and two weeks old daughter, Louann on Monday after their auxiliary meeting.

**Hosts For Ministers**

Mr. and Mrs. Frank McClure were hosts at noon on Wednesday to the ministers holding the revival, Rev. and Mrs. Larry Faus and Vassie Beth, Donna McClure, Rev. Wayland Boyd of Crosbyton, and Mr. and Mrs. Murray Julian. Mrs. McClure honored Murray Julian with a birthday cake as it was his birthday.

Guests that night in the McClure home were Mr. and Mrs. Sylvin Kinniburgh, Marilyn and Beth, their daughter and family, Mr. and Mrs. Don McClure and daughters visited in the McClure home from Crosbyton, two nights of last week.

Funeral services were held in Lockney on Saturday afternoon for Fred Thornton, brother of Pete Thornton, formerly of South Plains, and uncle of Herman and Owen Thornton. Mr. Thornton has been ill and in the hospital for some time. Services were held at the Church of Christ in Lockney. We extend sympathy to the family at this time.

Visitors at church during the week's revival meeting included Mrs. Snooks Lemon and children of Cedar Hill, and from Crosbyton, Mr. and Mrs. Don McClure and girls, Mrs. Wayland Boyd and daughters, Mr. and Mrs. Garrett Jones, Mr. and Mrs. R. C. Stevens and Virgil Chron.

Next Sunday Efon Karr, son of Mr. and Mrs. Bryan Karr, who surrendered his life to the ministry, is preaching his first sermon at the South Plains Baptist Church where he grew up. Each member and everyone in the community should make it a point to be present for this important step in his life.

Funeral service was held in Silverton on Saturday at 3 p. m. at the First Baptist Church for Watson W. Douglas who was operator of

the Douglas Funeral Home for the past 14 years, and who passed away suddenly in the Briscoe County Hospital on Thursday afternoon. Attending from here were Mr. and Mrs. George West and Mr. and Mrs. Walter Wood.

Mrs. Wayland Boyd and Rev. and Mrs. Larry Faus and Vassie Beth were dinner guests Thursday in the home of Mr. and Mrs. Early Pritchett. On Friday they lunched in the home of Mr. and Mrs. Arby Mulder. Taking supper to the parsonage from Tuesday night to Sunday night were Mrs. H. L. Marble, Mrs. Bill Beedy, Mrs. Murray Julian, Mrs. Zach Cummings Sr., Mrs. Thomas Pierce and Mrs. H. S. Calahan Jr.

**Royal Service Study**

WMU of the Baptist Church met on Monday afternoon at 2:45 for Royal Service study under the direction of Mrs. McClure who also presided over the business meeting. Many of the group will go to Matador on Tuesday to attend the all day workshop held at the Matador Baptist Church.

Present and taking part on the program were Misses F. M. McClure, Grigsby Milton, Thomas Pierce, S. D. Kinniburgh, J. P. Taylor, Paul Snodgrass, H. S. Calahan Jr., L. T. Wood, M. M. Julian, Sam Reeves and Mrs. John Smitherman. After school the leaders met at the church with their G. A. junior girls.

Mrs. Bryan Karr has been ill since last Tuesday and unable to be out, so her Sunbeam group did not meet. Mrs. Wayne Piagg who lives near Kress will come on Tuesday to spend the day visiting with her sister, Mrs. J. P. Taylor and family.

Mr. and Mrs. Ray Cook left for Temple Sunday noon for Mrs. Cook to go through the clinic at Scott & White Hospital.

Time to reap the joys of ELECTRIC COOKING!

You can live better electrically when you cook electrically.

It's the traditional time of the year to reap the joys of harvest and it's time, too, to reap the joys of electric cooking. If you're not yet one of the millions of modern women who already cook electrically, then it's time you learned how easy electric cooking is. Take cleanliness, for example. Electric cooking is clean... no messy pan bottoms to clean because nothing burns onto the tops of electric elements or the bottoms of pans. Ovens are insulated on ALL SIX SIDES and they're automatic... just set and forget... whole meals cook for you automatically. It's harvest time... time for you to reap the joys of electric cooking.

HOW DO YOU LIKE YOUR COOKING... electrically, you can have it either way, conventional, free-standing models or the delightful new custom built-ins. Your Reddy Kilowatt Dealer can help you choose.
