## Recognition Of Community Settlers To Be Theme Of Old Settlers Parade

The parade committee of the Floyd County Pioneers Reunion has developed a plan whereby each community in the county will feature a float in the parade celebrating early settlers.

## Mrs. P. D. Helms Named 1963 Woman Of The Year

Mrs. P. D. Helms was named "Woman of the Year for 1963" Tuesday night by the 1963 Study Club when they met in the chapel of the First Baptist Church for the annual affair. The presentation of the award was made by last year's winner, Mrs. Lou V. Smith, who was assisted in showing photos of the Helms family which led up to the announcement of the Woman of the Year.

Mrs. Helms was named "Rosie" by her parents, Mr. and Mrs. William Pollard. She was the first of seven children.

After a three-year courtship, Rosie and P. D. Helms were married in a home wedding. After the birth of their first child, Rosie's mother died leaving six children at home. Two years later her father died and Mr. and Mrs. Helms at the age of 26 and 23 respectively, took the six orphaned children into their home to rear. In the following years

D. HELMS... at right is seen receiving her engraved plate after being 1963 Woman of the Year in Floydada Tuesday night. At left making presentation is Mrs. Lou V. Smith, 1962 Woman of the Year. The 1950 club are sponsors of the annual event.

## COUNTY CATTLEMEN MEET

## Tom Word To Serve As Cattle Line-Up Man For Brucellosis Blood Testing

At the April 16 Brucellosis testing, according to Jay S. Word, leader of the Brucellosis line-up man for all of the Brucellosis testing work. He will have the responsibility to line up enough cattle to keep three bleeders busy. Word said that he would divide the county into 4 districts and where possible work an entire district before moving to another. He is also calling on community leaders to help out to locate all of the cattle in an area. Cattle owners can contact Mr. Word by calling OLA-3778 to get on the testing list.

## Over 500 Attend Annual Dougherty Homecoming

The long anticipated reunion is now history and a successful enjoyable event it really was. 553 plates were served and a number arrived in the afternoon. The beaming faces attested the pleasure of those attending as friend met friend.

Many proud parents were happily escorting their adult children home for the event and proudly displaying the grandchildren. The day was spent as most reunions are with jokes, stories of other days and a short variety program with former teachers and old times being recognized. It was truly an outstanding event.

## Building Permits Reach \$648,000

To date a total of \$648,000 worth of building permits have been granted in Floydada for all types of building.

This is classified as follows: \$233,000 on residential building, \$10,000 commercial and \$414,372 public housing project.

Thirty-two building permits have been issued. In comparison with 1962 only fifty-one permits were issued all year.

Chamber of commerce officials estimate that a million and a half dollars worth of building will be reached by the end of the year.

## Public Wheat Meeting Set

High Plains wheat growers are invited to attend either of two special public meetings to inform growers on all provisions of the May 21 wheat referendum, Director John E. Hutchison of the Texas Agricultural Extension Service announced today.

The meetings will be held in Plainview at the High School Auditorium on April 18, and in the Lamesa District Courtroom on April 19. Both will begin at 10 a. m.

District Agent W. H. Jones of Lubbock will preside at the meetings. All aspects of the referendum will be discussed by a panel of Texas A&M College specialists composed of Thomas D. Aaron, grain marketing specialist; Ben Spears, agronomist; and Cliff H. Bates, farm management specialist. Similar meetings are being held in other wheat-producing sections of the state.

Hutchison said that Extension personnel would present factual and objective information with no attempt to tell wheat growers how they should vote.

## City Council In Called Meeting

In a special called meeting by the city council Tuesday afternoon the city's sanitation contract was awarded to Joe F. Owens.

In other business the council employed Henry Love as interim caretaker of the city's dump grounds until R. L. Terrell is able to resume work.

## ASC Office Gives Facts; Farm Groups Interpret

The nation's farmers face a very important vote May 21 on the government's program for wheat growers of the 1964 crop. The county's agricultural stabilization and Conservation Service, headed by Tom Hutchins is issuing a booklet entitled, "Wheat Facts" concerning the proposed vote. The booklet explains the following topics: "Wheat Can Mean Prosperity, Higher Yields Call For Fewer Acres, Wheat Acres By States Are Stable, Growers Usually Stay With One Class Of Wheat, No One Wheat Stands Alone, Wheat Surplus Is A Long Time Problem, Wheat Experts Are Increasing, But 70% Are Government Financed, No Class Of Wheat Has An Adequate Dollar Market Abroad, and Perspective On Wheat."

While the ASC office attempts to explain the facts and statistics of the conditions of the crop, its markets and the wheat program for 1964, the nation's two big farm groups Farm Bureau and Farmer's Union draw the battle lines — Farm Bureau is against the program and Farmer's Union is for the program.

Those who oppose the approaching wheat referendum, which has now been set by the Secretary of Agriculture for May 21, have lost sight of the real determination to be made by farmers in this critical referendum and prefer to rely on fantasy and fiction in their effort to obscure the factual issues.

The opposition to the wheat certificate plan charge that the "controls" provided for under this program are the "tightest, most restrictive ever proposed for any farm crop." This is irresponsible and unfounded careless language! Since 1920 many commodity controls have been proposed, and the controls on wheat in this program are no "tighter" than those in effect for tobacco and cotton and not nearly so rigorous as those in effect for sugar. The farm organization that opposes the wheat program has consistently backed the tobacco, cotton and sugar programs.

The facts are that if two-thirds of the farmers vote for this program, every wheat grower will be required to comply with his acreage allotment. He can grow as much wheat as he is able to on the allotted acres, but he will receive the full support only on the number of bushels to be determined his share of the national supply used for domestic food consumed, plus a portion of exports.

This is no more "restrictive" on the farmer than in the case of any crop where mandatory acreage allotments are in effect. The only difference is the "two price" aspect which makes the grain not eligible for the certificate plan.

### What Is Hill-Burton Money?

Since the beginning of plans for a new hospital in Floydada there has been much discussion about Hill-Burton money. 90% of area hospitals that have been built in the last five years have been financed one half by Hill-Burton.

Hill-Burton money is a government grant. It is not paid back to the government and it can only be used for the construction and equipping of new hospitals.

In order to apply for Hill-Burton money the hospital board must first have in hand bond approval or cash money for one-half of the cost of hospital and equipment before it will be considered for the grant.

Hill-Burton money can only be used for the construction of the hospital and its equipment. It will not be concerned with whether or not the hospital loses or makes money after it is built. Most of the requirements of the grant are centered around specific building requirements and specifications. A Hill-Burton built hospital must be of excellent construction. . . that is the main importance.

For instance a stand-by heating and cooling system must be in a Hill-Burton financed hospital. This is an additional \$8,000 cost. Should the heating system go out in the midst of a freezing blizzard, a simple flip of a switch will mean that the extra heating unit goes to work until the other is repaired.

One architect estimates that a Hill-Burton requirement hospital will cost 10% more than other hospitals.

Does the government control the hospital's operation after it is built and loan is granted? To answer this question we called Bob Vaughn, manager of the Hansford County Hospital in Spearman. Bob said that there were two requirements as to the operation of the hospital. First, the governing board must operate the hospital for a minimum of two years before it can be leased, rented or sold. Second, the hospital cannot be discriminatory as to race or color of persons to be admitted.

Actually the Hill-Burton grant is not a new government grant. We believe it began back in the Eisenhower administration. Hill-Burton money is no sure thing . . . just applying for it doesn't mean you'll get it. You may wait two years in line and not receive it. A new appropriation is made each July to the state H-B headquarters.

At this time, we can only hope that the legislature will approve a bill to allow the residents of Precincts 1, 3, and 4 of Floyd County to vote on the forming of the Caprock Hospital District.

We trust that the people will approve the formation of the district, then the County Commissioner's Court will appoint a five man hospital board which will work out tentative costs of the new hospital and will submit a financing plan. They may decide to vote bonds for all of the cost, for half the cost, they may try to raise money from private individuals . . . it will be the board's decision.

In talking to managers of other hospitals we think it would be foolish to try to open the hospital with a building indebtedness against it. Most hospitals do good to operate in the black without making monthly payments.

Once the board has decided how to finance the hospital, the residents of the district will again have the privilege to vote their approval or disapproval of bond money to be raised.

This editorial is not attempting to guide the reader to be for or against Hill-Burton government grant money. It only seeks to inform.

### (GUEST EDITORIAL)

With the recent shooting, the rounding up of a local marijuana ring and some misdemeanor violations breaking into the news this week, now seems a good time to give the annual report from the Texas Prison System.

Eight contractors, three ministers, five school teachers, one dentist, one lawyer and a shoemaker, were among the occupations listed by the 5,608 inmates received in the Texas Department of Corrections during 1962.

According to the Department of Correction's annual report prepared by J. C. Roberts, Chief of Records, persons entering the prison system during 1962 listed a total of 63 separate skilled or professional occupations.

Now we wonder just how many newspaper men they have in the prison, since they put out a pretty fair little prison newspaper — "The Echo."

Dr. George Beto, Director of the Department of Corrections said, "It is a sad commentary on our times that more than one-third of the inmates coming to prison last year were listed in the 'miscellaneous occupation', or in other words, no prior work or employment history or adequate means of earning a livelihood."

The report from the prison records office shows that six counties in the State sentenced forty per cent, or 2,641 of the total number of persons to prison.

Harris county led all other counties with a total commitment to prison of 893 persons. The other five counties, in order of commitment, are Dallas, with 747; Bexar, with 346; Tarrant, 293; Travis, 192; and El Paso with 170.

Nearly half of the persons received in prison in 1962 were married. The records show that 40 per cent were married, 16 per cent divorced, and 34 per cent single. Less than one per cent were widowed.

Less than five per cent, or 266 of those received in prison last year, were female. The number of males received in prison, or 19 out of every 20 received was 5,382.

Six of the persons received in prison in 1962 were more than 70 years of age, and 2,365 or 42 per cent

were between the ages of 17 and 25.

Forty four per cent, or 2,486 persons, received in prison in 1962, were Baptist, 1,297 were Catholic, and 343 were Methodist. Only 414, or less than five per cent of those received, indicated no religious denomination or preference.

According to Roberts' reports, there was an increase in the number of white persons committed to prison. In 1962, 57 per cent received were white, 30 per cent Negro and 13 per cent Latin American.

Inmates received in prison in 1962 are from a total of 47 states, (including two from Alaska) and nine foreign countries. More than four thousand are natives of Texas.

One of every three persons received in prison in 1962 were for burglary. Sixteen per cent were sentenced for forgery and passing, and 17 per cent were sentenced for theft. Two hundred and fifty two were committed for murder, and 293 for robbery or for robbery by assault. One man was sentenced to prison in 1962 for horse theft.

The prison population January 1st was 12,203 or an increase of 313 over the prevear's total.

### (GUEST EDITORIAL)

Kenneth Tooley's Ken's Korner in The Paducah Post tells the telephone girls goodbye in his column noting arrival of the dial system in his town:

"Although the dial system will lean toward speed and efficiency, it is only then that phone users will find a burdensome task of re-ying on the directory for the right number. The numbers we have placed away in our brain that come to us automatically will have to be replaced with other digits. And, it will take time for us to become accustomed to new numbers, relating them with the parties we so often call."

"It is then that we will realize an appreciation for the friendly voice of the operator."

"Many of us will probably wish for operators once again. Although there have been many times of an anxiety and frustration when it seemed the operator took so long and you often wondered if she heard you at all, the confusion that accompanies something new is expected to bring out our appreciation for operators that should have been expressed long ago."

"It was the telephone operator who helped you to locate a certain party in times of emergency, it was the operator who kept a constant vigil during the many stormy nights, and it was the operator who added a personal touch to your telephone service."

"Dr. F. C. Harmon told us recently that he could always rely on the operators to find him when his services were needed quickly and it was the operator who reported, 'He just called a prescription from Number 430, I'll see if he is still there.'"

### Cone News

By Melba Wideman

**CONE**, April 16 — Mr. Plez Nance and sons, Bill and John, San Diego, California were guests on Saturday night of his uncle and family. Mr. and Mrs. H. R. Nance and Rachel and also with Elder and Mrs. Joe Jackson and Carl Lynn.

On Saturday afternoon, Mrs. L. Martin, Vicki and Roland and Mrs. Howard Harris, Franklin, George, Jean and Diane enjoyed an outing and cookout at the home of Mr. and Mrs. Plauc Ely who live at Camp Rio Blanco east of Crosbyville.

Mrs. Jewel Travis, Kerrville arrived Monday morning to spend two days visiting her sister-in-law, Mrs. Roxie Travis.

Mr. and Mrs. C. O. Gilbreath, accompanied by Jimmy Gilbreath, Lubbock, Scott Gilbreath, Mr. and Mrs. George Periot and Lori, Ralls, spent the weekend at the Gilbreath Cabin near Lake Graham.

On Saturday, Bill Gilbreath was a dinner guest with them. Mrs. Periot and Jimmy carried him and Scott to Mineral Wells Saturday afternoon where he and the rest of his family visited Mr. and Mrs. Earl Smith.

The revival meeting is in progress this week at the Baptist Church. On Sunday, the visiting evangelist, Rev. A. C. Hardin and the singer, Alton Webb, and Rev. and Mrs. R. C. Guest were dinner guests of Mr. and Mrs. Morris Wideman.

Mrs. B. W. Ware and Melba visited their daughter and sister and her family. Mr. and Mrs. Fred Worsham and children in Shallowater last Monday.

David Barnhart, Hardin — Simmons, and Mr. and Mrs. Nelson Hilliard, Vernon spent the weekend in the home of their parents, Mr. and Mrs. D. A. Barnhart.

Additional guests on Sunday were Mr. and Mrs. Haney Wideman, Spick, Mark and Mel. Weekend guests in the home of Mr. and Mrs. Wayne Ogle and family were her sister and children, Mrs. Ed Seaborne, Martha Sue Ann and Joe of Hobbs, N. Mex.

Visitors during the weekend at the home of Mrs. Roxie Travis were Mr. and Mrs. Ophel Jennings, Mileshe, Mr. and Mrs. Hugh Lynn Davis and family, Ronnie Davis and Bobby Appleton, Deming, N. Mex. Saturday afternoon callers were Mrs. Ellen Stafford and Miss Ann Davis, Dallas, and Mrs. Mack Williamson, Brenda and Carolyn.

Gary Shrum, Oklahoma A. & M. is spending the week with his parents, Mr. and Mrs. Ralph Shrum and Guy Len. On Sunday they were dinner guests of Mr. and Mrs. Wayne Mixon, Nancy and Jay.

Mr. and Mrs. Odell Littlefield and Vicki, Abilene, spent Friday and Saturday with his parents, Mr. and Mrs. C. O. Littlefield. They also visited Mr. and Mrs. Roy Mara and Mollie and Mr. and Mrs. L. E. Littlefield and family.

Mr. and Mrs. Ray Reed were Sunday dinner guests of Mr. and Mrs. Cecil Webb. In the afternoon the Reeds visited Mr. and Mrs. A. B. Exam near Big Four.

Mr. Paul Wheeler and Billy visited Mr. and Mrs. W. O. Wheeler on Sunday. Mrs. Paul Wheeler is visiting her son, Joe

days with his parents. Mr. and Mrs. Earl Martin, Carolyn Martin spent Saturday night with the Martins.

Miss Ruth Bartley accompanied her niece, Mrs. John D. Cherry and children to Plains Baptist Assembly on Thursday where they enjoyed a picnic lunch and the children had an egg hunt.

### Railroad Watch Taken From Home Of Mrs. Stiles

Mrs. George Stiles, who resides at 323 W. Jackson St., in Floydada, has found her late husband's watch which was taken from her home. Mrs. Stiles said the watch was not too great of value in the way of money but to her it was of great value because it was carried by her husband from 1946 until his death some nine years ago. It was returned to her Monday.

The pocket watch is minus a long gold chain and Masonic emblem, however, and Mrs. Stiles would appreciate its return, she said.

### Veterans to Hold Presentation Ceremony

On Sunday, April 21, at 3 o'clock Veterans of World War I USA Inc. Barracks 1847 will have a presentation and dedication service of the Flag, to the Unger Memorial Library, 9th and Austin Street in Plainview.

Auxiliary members are to be present. Veterans of World War I are urged to attend general public invited. Here recently to Mrs. J. C. Wester and Gordon and Mrs. Gordon and Mr. Gordon their children, Dr. Jam's Wester, Victoria and Garland.

MR. AND MRS. W. H. BLACKWELL

**★ ★ ★ ★**  
**Jimmy McGuire's**  
**At Celebration**  
**Of Grandparents**

Rev. and Mrs. Jimmy McGuire and family of the Sand Hill community were in Littlefield on April 17 for the celebration of Mrs. McGuire's great grandparents' 75th wedding anniversary.

The honored couple are Mr. and Mrs. W. H. Blackwell, who were married on April 8, 1888 at Beebe, Ark. Mr. Blackwell was born in Boone County, Mo., on Sept. 11, 1865. He is now 97 years young and his wife is 90 years of age. The couple spent several years in East Texas and in 1926 moved to West Texas where he farmed until retiring. They and a daughter make their home together in Littlefield.

To the union were born 13 sons and daughters, nine of whom are still living. Eight were present for the observance of the anniversary. A son, Paul Blackwell, of Fairbanks, Alaska, was unable to attend.

Other children are Mrs. H. O. Hooper of Springlake; Mrs. Willie Bruce of Littlefield; Mrs. Bert Branson of Amarillo; J. B. Blackwell of Dimmitt; Sam Blackwell of Malheur; Mrs. Mollie Young, Hot Springs, Ark; and Joe Blackwell of Boulder City, Nev.

To add to the uniqueness of 75 years together Mr. and Mrs. Blackwell have 50 great, great grandchildren; 37 great grandchildren and 98 grandchildren.

Mrs. Emma Brock left today for Wichita Falls where she will spend the next three weeks visiting with her daughter, Mrs. Ellen George and family.

Dr. and Mrs. Tom Theford and daughter Becky spent the Easter holidays in Ropesville visiting Mrs. Theford's parents, Mr. and Mrs. Ray Martin.

**Dougherty Club**  
**Meets With Mrs.**  
**R. H. Crawford**

The Dougherty Home Demonstration Club met with Mrs. R. H. Crawford on April 11 with the club president, Mrs. W. J. Ross in charge. The devotional, Romans 13: 9-10 was given by Mrs. Crawford.

Roll call was answered with our favorite season and the club's song for the program was "Alabama Bound".

Minutes of the last meeting were read and approved by Mrs. G. W. Smith in the absence of the secretary, Mrs. Lois Polvadore.

In new business the club voted to give a donation to the Garden Club in Floydada, and to the Crippled Children's fund in Lubbock.

A five minute demonstration on "Tips on Hose" was given by Mrs. Claude Ring.

Mrs. Earl Edwards and Mrs. G. W. Smith, craft leaders, showed club members how to do creased embroidery, purses, aprons and pillows were shown by several members who had completed theirs.

Mrs. Ned Bradley gave an interesting demonstration on "Parliament Procedure" and Mrs. Howie Hines, who is on the Cancer committee, showed the group how to make bandages and pads for cancer victims. In August the club members will devote one day to make bandages with several planning to do the work in their homes.

The club president, Mrs. Ross, is delegate to the District THDA meeting and the club is hoping several can attend.

Refreshments of punch, cake and ice cream was served to Mrs. Wayland Jones, Leroy Downing, G. W. Smith, Earl Edwards, A. H. Kreis, Howe Hines, Johnnie Cates, Claude Ring and hostess, Mrs. Crawford.

The next meeting will be with Mrs. Cates on April 25 at 2 p. m.

**S. H. Wright**  
**Family Reunion**

The S. H. Wright family held a reunion in the home of Mr. and Mrs. Paul Wright, 1005 East Hastings, Amarillo, Texas on April 13 and 14.

Twenty-four were present representing twelve families. Six children, seven grandchildren and three great-grandchildren were present, and one sister of Mrs. S. H. Wright.

Those enjoying the two day event were: Mrs. S. H. Wright, Floydada, Texas; Mr. and Mrs. Paul Wright, James and Paula Sue, Amarillo, Texas; Mr. and Mrs. Tommy Wright, Paul Carlton, Chandler Kent and Dona Carol, Ft. Worth, Texas; Mr. and Mrs. Ewell Crawford, Ft. Worth, Texas; Mr. and Mrs. Norman Hamilton, Tulsa, Texas; Mrs. R. Y. Bradford, Santa Fe, New Mexico;

Mr. Charles Wright, Van Horn, Texas; Mrs. Annie Rucker, Olton, Texas; Mr. Bill Rucker, Olton, Texas; Mrs. Clayton Hicks, John and Joe Albuquerque, New Mexico; Mrs. Bobby Rainer and Kay Lynn, Floydada, Texas; and Rev. Nolan Rucker, Amarillo, Texas.

**TOPS CLUB**

Six members and one visitor were present for the meeting of the TOPS Club held last week. Fourteen pounds was reported lost among the group with one member remaining the same.

Mrs. Helen Bertrand has reached her weight goal to become a KTW (KOPS In Waiting). After three months if she maintains weight she will graduate to KOPS (Keep Pounds Off Sensibly).

The Easter pledge envelopes were opened which contained a dollar. If the amount of weight pledged to be lost wasn't, then the \$1 went into the club fund. If the member lost their pledged weight the money was returned to them. There was \$3 forfeited.

The meeting April 29 will be in the Production Credit room at 7:30. Members will work on the banner and centerpiece for the State Recognition Day May 11.

Mr. and Mrs. Buford Terry of Midland visited here over the weekend with his mother, Mrs. J. R. Terry and other relatives.

**WILLIAMS REUNION AT HARMONY COMMUNITY** . . . in the left picture, standing left to right are: Thalia, Edith, and Robertha, seated left to right are: Woodrow, Elmer, Paul, Buck, Leo, Erx Williams. In the picture at right back row left to right are: Paul Jim, Robertha, Erx, Anna, Lee, Henry, Edith, Woodrow; 2nd row left to right: Bessie, Leo, Albert, Buck, Elmer; front row left to right: Leone, Thalia, Evelyn, Blanche Evelyn.

**Vicky Jarboe Is Crowned**  
**Miss Floydada For 1963**

Miss Vicky Jarboe, daughter of Mr. and Mrs. Mal Jarboe was crowned "Miss Floydada" Friday night at the 8th annual pageant held in the high school auditorium. Miss Lana Davis, daughter of Mr. and Mrs. W. L. Davis, was first runner-up and Miss Jan Stansell, daughter of Mr. and Mrs. Jack Stansell was second runner-up.

Crowning Miss Floydada was last year's winner, Miss Jacqueline Yeary.

Twenty-five contestants from the freshmen, sophomore and Junior classes were entered. Seniors were sponsors of the contest.

Other entries were Jan Alexander, Sharon Bingham, Phyllis

**Baker News**

By Mrs. R. A. Colston

**★ ★ ★**  
**Taylor - Brown**  
**Vows Exchanged**

Billie Taylor, daughter of Mrs. Josephine Taylor and Ronnie Brown, son of Mr. and Mrs. Henry Mayo of Fort Worth were united in matrimony April 12 in Terminal Baptist Church at Fort Worth.

Rev. W. W. Baker performed the double-ring ceremony at 8 o'clock p. m.

The bride, given in marriage by her uncle, J. W. Taylor of Floydada, wore a ballerina length lace gown featuring long tapering sleeves and full skirt. She wore a tiara of sequins and seed pearls from which fell a shoulder length veil of silk illusion. She carried a colonial type bouquet.

Glenda Smith served as the bridesmaid and James Ray Johnson as best man. Ushers were Donnie and Freddie Taylor, brothers of the bride. Wedding selections were sung by Jerry Lindsey.

For traveling the bride changed to a brown dress with beige accessories, following the reception. The couple will be at home at 2015 Columbus in Fort Worth where the bridegroom is employed by Shelton Painting Service. The bride is a former resident of Floydada.

Services for the youth were held yesterday in the Trinity Baptist Church at Levelland with burial in Natchitoches.

Janice Smith returned to Denver, Colo. Saturday after spending the past week with her parents, Mr. and Mrs. Bill Smith. Miss Smith was on spring vacation from her teaching duties in Jefferson County public school system. Ronnie Smith of San Antonio also visited his parents and sister the latter part of the week.

Mr. and Mrs. J. W. Taylor were in Fort Worth during Easter for the wedding of their niece, Billie Taylor, and visited in Saginaw with Mrs. Taylor's son, G. D. Baker and family, at Fort Worth with Mr. and Mrs. Junior Copeland and family, Mr. and Mrs. Josephine Taylor and family.

### Garden Club Has Placement Show

The annual Placement Show of the Floydada Garden Club was held Friday morning in the First National Bank community room. Mrs. A. V. Stewart was first place winner and Mrs. B. A. Robertson was second place winner for their beautiful arrangements.  
Mrs. Stewart showed a flat container arrangement of lilacs suitable for the dining area, and Mrs. Robertson showed a tall stem glass container of Wisterias for the den.  
Approximately 40 guests called during the morning hours and were served coffee and cookies by the Flower Show committee who were hostesses. They are Mrs. J. B. Smitherman, Mrs. I. H. Parks, Mrs. J. C. Wester, Mrs. J. P. Moss, and Mrs. George Smith.  
Cash votes received from the show will go into the park fund.  
Members showing flowers included Mrs. J. B. Bishop, D. W. Burke, R. E. Fry, Wilson Kimble, S. J. Latta, Troy Leonard, E. J. Morehead, J. P. Moss, Edd Muncy, I. H. Parks, Tom Porter, B. A. Robertson, Lee Rushing, George Smith, J. B. Smitherman, A. V. Stewart, O. M. Watson, J. C. Wester, J. M. Willson, L. T. Wood, S. D. Hunter, J. P. Taylor, Verne Gaunt and Mrs. O. L. Lowrance.  
The next meeting will be on April 28th in the home of Mrs. J. P. Moss.

### 1924 Club Meets In Dempsey Home

Mrs. Dennis Dempsey was hostess to members of the 1924 Study Club Tuesday evening in the PCA building. The meeting was opened by the club Collect lead by Mrs. Virgle Shaw.  
Response to roll call was the National flower of one of the Latin American countries.  
In the business meeting over which Mrs. A. L. Wylie Jr., presided, the designated projects for the club year were discussed. Preparations were also outlined for the "Home Tour" which is scheduled for Sunday, April 28th.  
Program director, Mrs. J. M. Coltharp, introduced Mrs. J. M. Willson Jr., who reviewed the book, "Witch Doctor's Apprentices" by Nicole Maxwell.  
Refreshments were served to the following members, Mmes. Willie Bunch, Ralph Cogdell, A. W. Coltharp, R. G. Dunlap, J. S. Hale Jr., Joe March, M. J. McNeill, Virgle Shaw, Wilson Fowler, George Springer, John Stapleton, G. W. Switzer, J. M. Willson Jr., A. L. Wylie Jr., and hostess Mrs. Dempsey.

### Surprise House Warming Given Mrs. Pierce King

A surprise housewarming honoring Mrs. Pierce King was given Friday evening, April 5, between the hours of 4 and 6 o'clock in her lovely new home on the Ralls Highway. Hostesses for the occasion presented Mrs. King a beautiful table lamp of gold and white. She received many other nice and useful gifts among them a set of stainless steel flatware. Guests were served coffee and cookies.  
Hostesses were Mrs. S. V. Adams, Mrs. Fred Reeves, Mrs. Doyle Mount, Mrs. Houston Dixon, Mrs. E. M. Jackson, Mrs. W. O. Newberry, Mrs. Ethel Sawyer, Mrs. Ralph Cogdell, Mrs. A. H. Robertson, Mrs. Pete Hickerson, Mrs. Harry Reeves and Mrs. Carl Smith.

Walker and a card will be sent to the family of the deceased. Memorial gifts to date are:

### Recipe Of The Week

We are sure housewives have a favorite recipe, one that is quick, appetizing, a fancy dish, a new dessert. Share it with your friends and neighbors. We would like to know about it and so would our readers, so we've begun this column to give you the opportunity to exchange recipes with your friends and neighbors. Each Thursday we will carry a favorite recipe and a picture of the housewife submitting it. Call Peggy Medley at the Hesperian or mail your recipes to Box 848, City. We'll pick one each week, it may be yours. This week we are sharing with you a recipe out of the kitchen of Mrs. Will Snell.  
**LEMON JELLO CAKE**  
1 pkg. Yellow cake mix  
1 pkg. jello dissolved in 3 1/2 C. hot water  
3 1/2 C. Wesson oil  
4 eggs  
1 tsp. lemon extract  
Beat four eggs and add to cake mix in large mixing bowl. Add dissolved lemon jello, lemon extract and Wesson oil. Bake 45 minutes in oven at 350 degrees in tubed pan.  
In memory of E. T. Evans, Robertson, presented by Mr. and Mrs. B. A. Robertson, Mr. and Mrs. Ernest Lee Thomas, Mrs. E. J. Morehead, Mrs. Ade line B. Fry, Mr. and Mrs. W. presented by Mr. and Mrs. B. A. G. Walker, Bill and Ray.

### PTA Has Physical Fitness Program

Parent-Teacher Association of Andrews Ward met on Wednesday of last week in the school where they enjoyed a program on physical fitness.  
Mrs. Q. D. Williams was program chairman and Mrs. Kelly Chadwick directed a group of girls in calisthenics. They were Cindy Day, Lynn Fowler, Vicky Ferguson, Jamie James and Phyllis Burton.  
Talks on physical fitness were given by the school principal, W. P. Nicholson, who discussed what the school was doing in regards to the program; Mrs. Emily Potts, who encouraged the parents to see that their children participated in a fitness program at home and stressed less TV and more exercise with parents enjoying the same along with the children.  
J. E. Waller, 5th grade teacher, reviewed the program given by President Kennedy on physical fitness. Songs were presented during the program by first grade students.  
The PTA presented the school \$240 to be used at their discretion in their physical fitness program.

Floyd County Hesperian, Floydada, Texas, Thursday, Apr. 18, 1963  
The next meeting will be on May 15, the last one for the school term. It will be Family Night at 7:30 in the Andrews Ward Gym for a band concert.  
Mr. and Mrs. R. V. Bartlett of Fort Worth were here over the weekend and attended the homecoming at Dougherty. They were houseguests on Easter Sunday with his mother, Mrs. C. E. Bartlett. Joining them on Sunday for church services and dinner were Mrs. Bartlett's daughter and her family, Mr. and Mrs. Otho Sanders and Curtis, Mr. and Mrs. Roger Sanders and Sherry, and Mr. and Ms. Richard Sanders, Retena and Renee. The group reported a wonderful weekend but missed the presence of the Sander's daughter, Martha and her family, who were unable to be here.

**SAND HILL NEWS by Mrs. James Jeffress**

**Sand Hill HDC Meets In Stringer Home**

SAND HILL, April 15 — Cotton planting fever is spreading like wild fire this week so don't be surprised if you see plowmen in the fields. Some are wishing for rain to keep them out of the fields a few more days but when the first plowmen start they all start. The dry land wheat could use a good rain and the onion fields are beginning to look pretty and green.

For most it was a nice, quiet Easter... home... Mr. and Mrs. Glen Kinard... Jerry Mickey and son, Mrs. La... Sanderson and Jackie Mickey spent the Easter holidays at Possum Kingdom fishing.

Mr. and Mrs. T. C. Hollums and Norma and Mr. and Mrs. Fred Jackson spent several days at Lake Stamford fishing. They were met there by Mr. and Mrs. Keith Hollum's at Lubbock.

Mr. and Mrs. Kirk Slater, Jr. visited in the home of his parents, Mr. and Mrs. Kirk Slater, in Dallas, last Tuesday night. Their daughter, Bettye Gene returned home with them after visiting in the home of her grandparents several days.

Mr. and Mrs. Jess Starkey and family attended a family reunion at Flomont Sunday in the home of Mr. and Mrs. Charlie Starkey and family. The bunch enjoyed a beautiful dinner and then some mountain climbing in the afternoon.

Our deepest sympathy to Mr. and Mrs. Nelson Wofford on the great loss of their infant son. May God be with them in their hour of sorrow.

Everyone enjoyed the Evangelistic Crusade. There was a large attendance and great works done for the Lord.

The Sand Hill Baptist Revival is going on this week and everyone is extended a special invitation to come and hear some good preaching and singing.

Weekend guests in the home of Mr. and Mrs. James Jeffress and family were Mr. Jeffress' sisters, Mrs. Darrell Strutman and family, of Gunter, and Mr. J. M. Jackson and family of Prosper. Also visiting Sunday was Mary Starkey, Charles Holland, of Baylor University was a supper guest Sunday night.

We are sorry to report Kenny Bloys back on the sick list. This is the second week he has had to miss school. We hope he is able to return to his studies very soon.

The Sand Hill Baptist Church were hosts for dinner Tuesday for Rev. and Mrs. Gene Hawkins and Brother Mathews. Those attending were Mr. and Mrs. Dale Stringer, Mr. and Mrs. James Jeffress, Mr. and Mrs. Bill Stringer, Mr. and Mrs. Tom Pierce, Mr. and Mrs. Kirk Slater, Mr. and Mrs. M. B. Swanner, Mrs. Doyle Miller and Brother and Mrs. Jimmy McGuire.

Delicious refreshments were served to Mrs. Bill Stringer, Tom Pierce, James Jeffress, Lynn Miller, M. B. Swanner, Orba Miller, and Mrs. R. L. Bullock.

Brother and Mrs. Jimmy McGuire and family spent last Sunday with her grandparents helping them celebrate their 75th wedding anniversary.

Brother Flemminst, of Plainview, preached in the absence of Brother McGuire and were the dinner guests in the home of Mr. and Mrs. Dale Stringer and Stinson.

James Jeffress accompanied Mr. J. R. Turner to Bowie last weekend to look at some cattle. They made the trip by plane and reported a nice smooth trip.

Sand Hill Home Demonstration Club met Wednesday afternoon in the home of Mrs. Bill Stringer. Mrs. Tom Pierce presided. Devotional was given from Romans 13:8-10. A thank you note was read from the Starley Home Demonstration Club. Letters were read from Floydada Garden Club and Crippled Childrens Home in Lubbock.

Mrs. Lynn Miller gave the council report saying there would be a County-wide luncheon May 10 beginning at 1 p. m. at the Floydada Methodist Church.

Mrs. M. B. Swanner offered her resignation as president. Mrs. Tom Pierce will be the new president. Mrs. Orba Miller was elected the new vice president. Mrs. James Jeffress gave a demonstration on "Tips on Hosiery" saying that hosiery is a legs best friend.

Mrs. M. B. Swanner presented the Kraits program showing how to make pillows. She also made wall plaques out of tin cans, their lids and rings. You would be surprised what you throw away when you throw away a pretty can. All you need to make these are long nose pliers, tin snips, a plank and Chore Girls and you will be surprised what you create.

Delicious refreshments were served to Mrs. Bill Stringer, Tom Pierce, James Jeffress, Lynn Miller, M. B. Swanner, Orba Miller, and Mrs. R. L. Bullock.

Brother and Mrs. Jimmy McGuire and family spent last Sunday with her grandparents helping them celebrate their 75th wedding anniversary.

Brother Flemminst, of Plainview, preached in the absence of Brother McGuire and were the dinner guests in the home of Mr. and Mrs. Dale Stringer and Stinson.

**Band Performs For PTSA Assn.**  
The Junior High School band presented a concert on Monday night of last week for the Parent-Teacher - Student Association meeting in the school auditorium.  
Also on the program were winners of the Declamation contest, Rance Brown, Randall Moore, Gail Emert and Billy Norris.  
During the meeting of the Association the matter was discussed as to a program in the future to interest more parents in attending the PTSA meetings. Tom Snead, present chairman, was in charge.  
He is also planning to appoint a nominating committee to elect new officers coming school term.

**HOMEMAKING HINTS** By Phyllis Rogendorff, County Home Demonstration Agent and Jean Martin, Jr. Asst. Extension Agent.

**LAUNDRY AIDS** At the present time there are 126 brands of soaps and detergents. Soap is made of animal fat and phosphates while detergents are made of chemicals and phosphates. Before a soap can clean it must soften the water. This is not true with detergents. The measure of a soap's cleaning ability is the amount of suds. Because this is not true of detergents women often make the mistake of using too much detergent. In front loading automatics it is especially important to use a smaller amount of detergent than for a top loading machine. If too much high sudsing detergent is used suds lock will occur stopping the machine motor and often causing a big repair bill.

The newest type of detergent is the one which has controlled suds. It also contains a water softener, rust arrester, and a fabric whitener. It is most important to measure the correct amount of detergent or low sudsing detergents, since you can not judge the amount by the layer of suds.

If too much detergent is consistently used in the laundry it will gradually build up layers of detergent on the laundry which can cause yellowing and stiffness of the garments.

To remove detergent build-up on laundry put soiled clothes in washer, add one cup of calcium or Borateen water conditioner per ten gallons of water used by the machine, start the washer as you would with a regular laundry. DO NOT ADD SOAP OR DETERGENT; there will be enough in the clothes to get them clean. One should remove

## Wheat Vote To Be Explained In Plainview April 18

Floyd County wheat farmers will have the opportunity to hear help farmers see the entire picture of the wheat situation in the county at a special meeting in Plainview at 10 a. m. April 18. Wheat growers who have not heard a detailed explanation of the program are urged to attend by Agricultural Agent. A team of extension specialists will hold the meeting which will be held in the High School Auditorium, Davison concluded.

## Farmers Union Takes Stand "For" The Wheat Referendum

The Farmers Union, local, state and national is working for a yes vote on the upcoming wheat referendum.

While leaders of some groups are roaming about the county with confident predictions that congress will pass new legislation if the wheat referendum fails this spring, the people who make the laws seem to have different opinions.

Sen. Allen J. Ellender, powerful chairman of the Senate Agricultural Committee, has said, for example, that "It would be calamitous to the wheat farmers of the nation if a negative vote is cast because Congress cannot and should not take action to further deal with the wheat program this year."

This sentiment was echoed by the second-ranking member of the House Agriculture Committee, W. R. Poage, who said that any attempt to enact new wheat legislation this year would "get to first base" because he thought most Congressmen would feel that wheat farmers have had their chance, with the resulting attitude that "we don't owe them anything."

Of course, the urban majority in Congress holds the key to the future of any farm legislation. Rep. Frank Thompson of New Jersey, a city Congressman, said "I will look to this wheat referendum for guidance." Although a staunch supporter of farm programs in the past, Thompson said, "If the wheat farmers

detergent build-up about twice a year. Do not wash the clothes with detergent again until they have become soiled. The removal of laundry buildup should be one washing.

**COUNTY DEMONSTRATION CONTEST** The County 4-H Demonstration will be held this Friday night beginning at 6:30 in the auditorium followed by a presentation of the County 4-H Demonstration results.

Mr. and Mrs. J. I. Connelley where returned home from Herst where they spent some time with their daughter, Mrs. Aubrey Favver Floydada High School. The Food and her husband, while being demonstration will start at 6:30 with a seriously ill son, Haskell, in the Home Ec. Lab and the who was reared and attended at the Home Ec. Lab and the schools in Floydada. Haskell will set up for judging at 7 for suffered a severe heart attack Juniors and 8 for Seniors. The about three weeks ago but has Juniors will bring their food al-most to the home of his sister will prepare theirs there and have at Herst sometime this week. The Connelley's also visited in Fort Worth with a granddaughter, Nancy and her family.

Mr. and Mrs. Glen Amburn and family of Tulla, former residents of Floydada were Easter Sunday guests of his parents, Mr. and Mrs. Foster Amburn.

Several Floyd County Home Demonstration Club members will attend the District THDA meeting at Lubbock this Thursday. Delegates to the meeting are Mrs. Everett Miller, Har-Mex, Mrs. Leslie Favver, Home with his parents, Mr. and Mrs. builders; and Mrs. W. J. Ross, J. H. Tribble.

# Looney Rodeo Arena

The Floyd County Fair Board gave the Looney Roping and Riding Club permission to expand the size of the present horse show arena at the fair grounds when they met at Lighthouse Electric Tuesday night.

Audie Barnett was spokesman for the rodeo group and stated that the arena would be increased to 300 feet in length, 100 feet wide and a 7 foot high bull wire fence would go around the arena. He emphasized the fact that construction would be steel pipe and painted and said that the improvements would definitely be an asset to the fair association.

The board made the stipulation that when it approved the plan that the arena would remain under the control and jurisdiction of the fair board.

In other business Hubert Frizell read the financial statement. He reported that the new fair building was completed at a cost of approximately \$9,500.

President of the board Hershel Cartel presided at the meeting which was attended by 22 board members and other interested individuals.

In other business the board discussed the progress of selling advertisements in the fair catalog, and advertising signs around the new fair building.

## Caprock

(Continued From Page One)

These ex-Yankees sorta have to get used to the southerners' "Dinner on the ground" feeds.

OF COURSE the dollar goes farther today. In fact a lot of it ends up in outer space.

TEXANS now claim George Washington as a native son. According to Texans, he once cut down a cactus plant.

"George," asked his father, "did you chop down that cactus plant?"

Little George whimpered, "I cannot tell a lie. I did it with my little hatchet."

His father roared "George, if you can't tell a lie, there's no place in Texas for us."

NEXT WEEK is National Library Week. Floyd County residents can justly be proud of its libraries. The big one at Floydada and the auxiliary outlet at Lockney.

Books are true companions for lonely hours. Books provide a variety of satisfactions and offer a diversity of interests that are enriching, amusing, and lasting.

In books one can find anything that he seeks: knowledge, adventure, amusement, tragedy — the whole spectrum of life lies within their covers — for books are life.

I KNOW better than to say this out loud, but it looks like we just aren't going to have an "Easter Spell" this year. The fruit trees have a very good chance to bear a bountiful crop and farmers are beginning to plant grain sorghum and cotton.

My business neighbor, A. T. Hall put up his screen door this week, so there should be no doubt that summer is just around the corner.

MOST OF our churches are reporting record breaking Easter crowds last Sunday. This is a trend that we certainly like to see — and it's a pity that it can only be once a year. We in this lowly service.

In concluding her talk Mrs. Smith said "Her children rise up and call Mrs. Helms blessed, her husband also praiseeth her. Many women in Floydada this year have been outstanding, but Mrs. Helms, you have been selected as the one who has excelled all, Woman of the Year."

Mrs. Helms was presented a gold plate with her name and honor engraved. It was presented by Mrs. Smith in behalf of the 1963 Study Club, sponsors of the annual event.

Special guests of the affair were past Women of the Year, which included Mrs. Kinder Harris, 1957; Mrs. J. H. Barnard, 1958; Mrs. Alma Holmes, 1959; Mrs. Nancy Morckel, 1960; Mrs. Ralph Johnston, 1961; and Mrs. Lon V. Smith, 1962.

Members of the club answered the roll call by introducing their guests.

Following the award presentation Mrs. Sam Puckett reviewed the book, "Look Both Ways" by Hilda Cole Espy.

Hostesses were Mrs. Bob Copeland, Mrs. T. L. Perry, Mrs. Ralph Rucker, and Mrs. Howard Gene Bishop.

Members of the club present were Mes. Tommy Assiter, Howard Gene Bishop, Bob Copeland, Charles Craig, J. L. Dalton, Lane Decker, Claud Estes, Earl Edwards Jr., Bill Feuerbacher, Herman Graham, Sammy Hale, Clifford Helms, Doyle Moore, Claude Rainer, Tom Theodor, Claude Weathersbee, Adrain Helms, Ralph Rucker and Mrs. T. L. Perry.

## Helms

(Continued From Page One)

years the Helms family moved to McCoy community in Floyd County in the year 1832. The following years for Mrs. Helms were filled with rearing and educating her family, successfully for now they have grown to man and womanhood.

Her four sons, Clifford, J. D. and Adrian were not only willing to lay down their lives that might live in freedom but Arnold gave his life for our liberty in the battle of the Philippines in 1944. Mrs. Smith said, Arnold was buried at sea but at home was honored with a beautiful memorial service.

Mrs. Helms' other children are Pat Pennington of Lubbock and Alice Helms of Burbank, Calif. She has eight grandchildren.

The brothers and sisters she reared are Mrs. Bill Williams of Palm Dale, Calif.; Mrs. Clyde French, Malvin, Ark.; Mrs. Doyle Hallon, Los Angeles, Calif.; Mrs. David Armstrong, Lubbock; Frank Pollard, Little Rock, Ark.; and Joe Pollard of Los Angeles.

Church Work

Mrs. Smith continued "Mrs. Helms will never retire from service to mankind. She has mothered two of her daughters-in-law who lost their own mothers in death. For Mrs. Helms to live is for Christ to live as she impresses all with her beautiful Christian character." She helped to organize the WMU at the McCoy Baptist Church and served as president until the church disbanded. In her gracious hospitality she was always the first to invite the pastor from Wayland to be her dinner guest and to provide a prophet's chamber for him at night. She taught Sunday School and was GA leader in her civic life she has assisted in numerous worthwhile drives.

The issues are not those of "government management", nor is the determination of whether or not the Federal government will "operate our farms," as has been charged; but, is rather whether or not farmers are willing to cooperate to limit production in return for a fair price for their produce. It is as simple as that, crop and price.

Since moving her membership to the First Church in Floydada, she is serving as WMU Mission Study chairman and as Training Group captain. She not only visionaries, she is one of those who simply decide whether they want \$2.00 or \$1.00 wheat.

It is unfortunate that those who oppose the wheat plan have been willing to resort to demagoguery rather than present a factual support to their viewpoint. Also, it is unfortunate that they have attempted to sell farmers on a "castle in the sky" program which they say can be passed after the referendum is lost.

They have been so successful in their demagoguery that they are now trying to sell out, including all of the unworkable, discredited elements of the "Benson Plan" including the sliding scale and the soil bank. This is the fair tale "pot of gold at the end of the rainbow" on which they would have farmers place their hopes.

Farmers Union will continue to explain the program to farmers unemotionally and with statements substantiated by fact so that they can make an intelligent decision in this important wheat referendum. The following Wheat Referendum rallies have been set by Texas Farmers Union, and President Jay Naman will be present to discuss the decision the farmer will be making when Friday, April 19, Floydada — Floyd County Courthouse, 8: p.m.

Farm Bureau Says

More than growing wheat, of the right to grow wheat, is involved in the upcoming referendum on wheat sometime this Spring. At stake is government supply management versus individual decision-making in everyday farming or ranching operations — for all of agriculture.

The Farm Bureau is not attempting to tell any wheat farmer how to vote. However, an intensive information campaign is under way to explain the full facts surrounding the complicated issue. TFB President C. H. DeVaney brought the whole thing in focus when he said, "It is our belief that the wheat producers of Texas and the United States, if given the facts on the real issues involved in this coming referendum, will vote 'no' by an overwhelming majority."

If a wheat producer thinks only of dollars and cents for the coming year, he may well favor the wheat certificate plan offered in the referendum. Through certificates (which adds up to a bread tax since the consumer pays the bill at the store) he will receive a higher price on a portion of his wheat. Also, his acreage cuts at first are not prohibited. In addition, he would receive payments for retiring cropland. It is as simple as that, crop and price.

Wheat

(Continued From Page One)

icate price to receive a lower support comparable to that on feed grains.

The obstructionists who would lead farmers to vote against their best interests say that this plan "would give the Secretary of Agriculture vast powers to regulate all handlers, processors and distributors of wheat from the farm to the ultimate consumer." This is a complete distortion and cannot be substantiated anywhere in the proposed program.

Surface. However, there is no guarantee that the certificate system would work. The entire farm-to-table wheat distribution system would be involved. Wheat going into feed and export channels might well disrupt the live stock industry and destroy traditional export outlets.

The program offered for 1964 is a cleverly-conceived trap. Although prices at first might be attractive, there is no guarantee that they wouldn't be lower in the future. It is almost certain that acreage would have to be cut more and more. The traditional wheat grower could find himself caught up in a web of lower prices and drastic acreage cuts. The small grower, who doesn't depend upon wheat for his primary income, would find himself bound by cross compliance regulations if he elected to go "in" the program. If he stayed "out," his acreage would be limited to 15 acres, his prices depressed, and his market outlets limited.

The objective of the wheat plan is supply management or supply control. Dr. Willard W. Cochran, USDA Director of Agricultural Economics who is the "master mind" behind the scheme, explains it this way: "By supply control, I mean the conscious adjustment of supply to demand, commodity by commodity year after year, to yield prices in the market that have already been determined fair by some responsible agency." Thus, wheat is only a part of the overall plan. Dr. Cochran said he believed wheat, milk, and poultry, in that order, would be the groups "most interested" at first in supply control. After a few commodities have adopted the system, he believes that others would not only be encouraged to follow suit, but that "some of them would be forced in."

The obstructionists who would lead farmers to vote against their best interests say that this plan "would give the Secretary of Agriculture vast powers to regulate all handlers, processors and distributors of wheat from the farm to the ultimate consumer." This is a complete distortion and cannot be substantiated anywhere in the proposed program.

The issues are not those of "government management", nor is the determination of whether or not the Federal government will "operate our farms," as has been charged; but, is rather whether or not farmers are willing to cooperate to limit production in return for a fair price for their produce. It is as simple as that, crop and price.

Wheat

icate price to receive a lower support comparable to that on feed grains.

# Union Opposed To Bill 106 — Sales Tax

B. 106) present- 510.00 in taxes according to the statistics projected by the Committee in-  
 At the same time, the bill removes the present sales tax applying to heavy equipment and electronic business machine leases under which most such equipment is operated, causing the loss of \$4,799,000.00 in tax revenue. This does not remove a tax inequity but rather is a clear cut transfer of the tax burden from the users of heavy equipment

and electronic office machinery to farmers.  
 The provision in H. B. 106 which removes the existing exemption applied to clothing purchases less than \$25 is another dramatic example of an effort to place the tax burden on those less able to bear it. This bill will levy a tax on the farmer buying a set of work clothes or clothing for his children, and at the same time removes the tax from beer served with meals that was Tax law.

The whole bill belies its purported purpose to remove the inequities and instead has an insidious overall design to move the Sales Tax burden from those who are powerful and well represented in the legislature to those who are weak and defenseless. We oppose this bill in its present form and urge all farmers to write their legislators in opposition.

H. B. 510 — **Forced Pooling**  
 Another bill that should be of prime interest to farmers and all

EGGS-CITING SANDWICHES . . . with the recipe shown above and the way they are prepared was demonstrated on Thursday night of last week at a meeting of the Floydada 4-H club. The girls preparing the eats are Brenda Willis on the left and Teresa Colston, right. Below are Billy Finley, left and Lindsey Lovell, right, who are displaying their exhibit of vegetable production and marketing and the equipment used in same. These demonstrations along with others will be in the 4-H County Contest which will be held tomorrow, April 19.

landowners is H. B. 510. This bill provides for forced pooling of mineral interests. This bill would take away all rights of the landowner and/or mineral owner to have any choice in either the leasing of his land for oil production to whomever he wished to — or having any say in the

conditions of the lease. It will be contrary to the best interests of farmers who are also landowners, whether they be large or small, to have their right of self-determination tak'n away from them by this bill.

Forced pooling will work for the benefit of the greedy operator who would use this to gain control of a given field to produce the oil and gas reserves in whatever manner might work to his selfish best interests without

consideration to the wishes of the landowner or mineral owner.

We oppose this bill in its present form and urge all farmers to write their legislator in opposition.

## H. B. 484 — Motor Vehicle Fuel Tax

H. B. 484 is now in the Revenue and Tax Committee of the House of Representatives will reduce the tax refund, which is presently allowed farmers who use the fuel in machines operated off the highways, by twenty-five percent (25 percent) and crediting this amount to the available School fund. This would reduce the amount of exemption from the present 98 1/2 percent exemption to 73 1/2 percent. Farmers Union opposes any effort to reduce the exemption from the present full amount.

## 4-H Club Gives Demonstrations

The Floydada 4-H Club met Thursday night in the council room of the court house with the meeting called to order by the vice-president, Lindsey Lovell. Billy Finley, secretary, read the minutes and called the roll.

Present for the meeting were 26 members, three agents, seven leaders, 16 visitors and a new member, James Williams.

The program was on demonstrations given by those who will enter the county contest on April 19. The demonstrations consisted of vegetable production and marketing given by Lindsey Lovell and Billy Finley; Poultry marketing by Teresa Colston, Brenda Willis, Ginger Ogden and Anita Ebersman; Vegetable preparation and use by Carol Brammet and Willa Finley; Favorite food, L. Ann Lovell, Lee Sinor and George Finley; Share the Fun, Craig Gilly, Woody Morris, Max Yeary, Margaret Graham, Jennifer Yeary and Will Sinor.

A welcome to guests was given by Doris Fawver after which refreshments were served by Brenda Willis, Lu Ann Lovell and Johnny Lackey.

Willa Finley was appointed to lead recreation at the next meeting.

Pledge to the Flag was given by Lee Sinor.

## 99 YEAR OLD LOCKNEY WOMAN SUCCEUMS

Mrs. Mary Rigby, 99 year old resident of Lockney, died Thursday morning in Lockney General Hospital where she has been a patient for the past ten days. Rites were conducted Friday morning in the First Baptist Church at Lockney with the pastor, Rev. Gene Hawkins, officiating. Burial was in Lockney cemetery. Mrs. Rigby had been a resident of Lockney since 1942 moving there from Peacock. She was born in Mississippi.

Floyd County Hesperian, Floydada, Texas, Thursday, Apr. 18, 1963

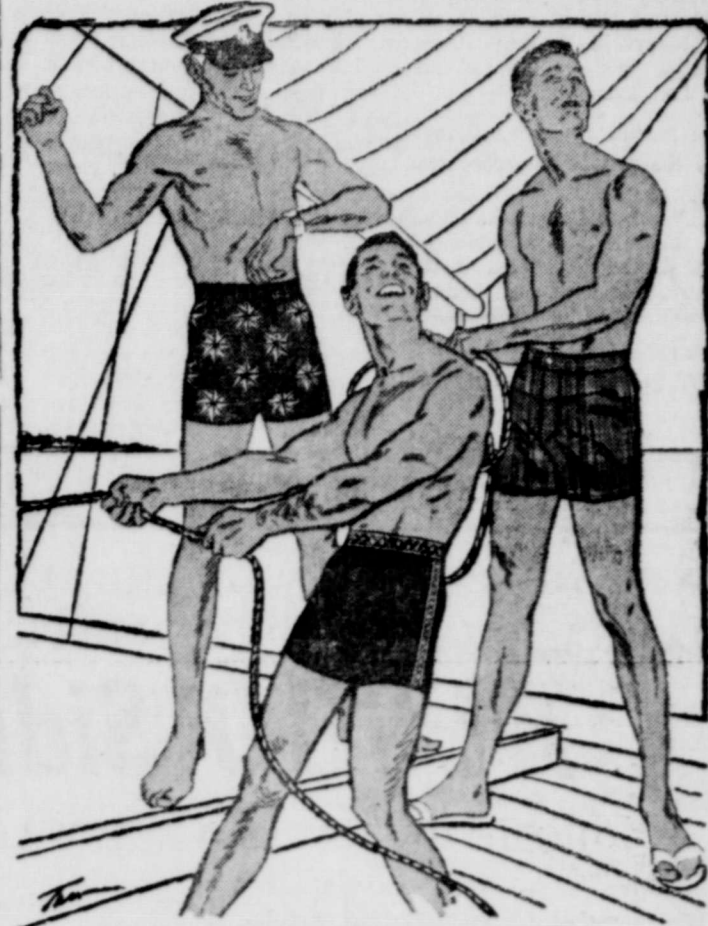

Survivors include a son, W. H. Rigby, of Lockney; eight grandchildren and seven great grandchildren.

## BUN HOPPER HOME FROM TEMPLE

Mr. and Mrs. Tom Hopper and Mr. and Mrs. Leroy Crutchfield visited with Bun Hopper over the weekend and found him to be doing as well as could be expected.

Mr. Hopper is now at his home at Route 2, Seminole. Relatives here said Mr. Hopper had taken as many of the treatments that he could at Temple but he would return in another month for additional attention.

# Cotton Industry Faces Grave Competitive Situation With Synthetics Fast Gaining

LUBBOCK, Texas, April 11 (Special) — "No matter how successful we may be in the field of government cotton policy, we still face the gravest kind of problems in building cotton's competitive strength to an adequate level," the president of the National Cotton Council declared today in urging strong support of industry-financed research and promotion.

"This matter of building markets is the primary purpose and function of the National Cotton Council," added Robert R. Coker in an address at a luncheon meeting called by Plains Cotton Growers Association as a Council interest organization.

Ed Lipscomb, Memphis, the Council's director of sales promotion and public relations, then explained the cotton industry's promotional programs in detail, noting that initiation of the recently organized Cotton Production Institute has virtually doubled total funds available for promoting sales of cotton products.

Mr. Coker, a cotton producer from Hartsville, S. C., praised Plains growers for their leadership in building a strong cotton industry and asked their guidance in solving present problems.

Pointing out that the Plains has the greatest concentration of cotton anywhere in the world, Mr. Coker stressed that the area has the biggest stake of any in preserving markets and production opportunities for American cotton. He observed, however, that where promotion will yield the greatest response, (2) concentrate on techniques and

come if the carry-over keeps rising.

The Council president recognized the need for emergency government action in solving cotton's present problems but emphasized that the long-range hope for competitive strength lies in lower production costs, continued quality improvement for cotton and its products, and aggressive promotion.

Attending the meeting were the association's board of directors and key committees and a cross-section of the area's cotton leadership. Mr. Lipscomb told them that the fundamental principle in building and operating a sound promotion program is to think, talk, and act in terms of benefits to the customer.

He stated that the Council's basic promotion policies are to: (1) concentrate on markets where promotion will yield the greatest possible response; (2) concentrate on techniques and

## Cedar Hill News

(By Joe Fortenberry)

CEGAR HILL, April 15 — Mr. and Mrs. Fletcher Towell and family of Floydada, Mr. and Mrs. Tilman Towell and family of South Plains had lunch with Mr. and Mrs. L. A. Jeffcoat Sunday.

Mr. and Mrs. Eugene Gilly and family were Sunday dinner guests in the Leighton Teeple home Sunday.

Visitors in the O. R. Beard home Sunday afternoon were their daughters, Mrs. C. L. Gilly and Mrs. Jack Yeary, his sisters, Mrs. Al Parkhurst from Alamo-gordo, N. Mex. and Mrs. W. P. Ware.

Church services were well attended Sunday at the Assembly of God church. 51 were present for Sunday School. Brother Larry Godfrey preached an inspiring message at the morning service. We were glad to have Sherlene Teeple and Edith Miller home for the Easter holidays. They were accompanied home by Rev. David Reddout who is also a student of Southwestern Bible Institute in Waxahachie.

Rev. Wayne Jarnagin, of Canyon preached for the C. A. service at 6:30 p. m. Rev. David Reddout preached at the night services. Had good services throughout the day. There will be a revival in progress through this week. Ministers from different churches will preach throughout the week. The famous T. Texas Tyler will be with us Thursday night. Everyone is invited to come out and hear him. He will be preaching and singing.

Mrs. Larry Godfrey spent from Monday through Wednesday with her mother, Mrs. M. G. Keller who is in the hospital in Canyon.

Mr. and Mrs. Weldon McCormick visited Sunday afternoon in the home of their daughter, Mr. and Mrs. Floyd Lyles and girls. They came by the hospital and visited with Mrs. Joe Fortenberry.

Mr. and Mrs. Robin Fortenberry visited Tuesday in the home of his uncle, Mr. and Mrs. Jack Fortenberry and Christine near Adrain, Tex.

Rev. and Mrs. Wayne Jarnagin spent the weekend with her parents, Mr. and Mrs. Cephus Fortenberry and family.

Winnie Sills of Plainview spent Sunday with the Larry Godfreys.

Mr. and Mrs. Eugene Gilly and Deliece went to Amarillo Friday. They visited with Rev. and Mrs. Wayne Jarnagin in Canyon.

Mrs. W. E. Lackey was a visitor at the Cedar Hill Baptist Church Sunday.

Mr. and Mrs. Durrell Fortenberry and family were Sunday dinner guests of Mr. and Mrs. Fred Fortenberry of South Plains.

Mr. and Mrs. Dale Taylor and family and DeLeon Cole of Hollis, Okla., Mr. and Mrs. Walton Wesley and family, Mr. and Mrs. Waldo Wesley and family, Mr. and Mrs. Olan Keeter and family, all of Plainview, Mr. and Mrs. Junior Taylor and family were all Sunday dinner guests of Mrs. M. H. Taylor.

Anita Godfrey spent Friday night in the home of her grandparents, Mr. and Mrs. C. V. Godfrey in Plainview.

Bryan and Michael Fortenberry returned home Thursday from Memphis where they have spent several days with their grandparents, Rev. and Mrs. Sparks.

Mrs. J. R. Kelley, Mrs. J. A. Welch and Connie spent Thursday night in Amarillo. While there they visited with their cousin, Mrs. Jody Fortenberry, who is a patient in the Vivians Rest Home. Mrs. Fortenberry had the misfortune of getting her hip broken. She is recuperating slowly.

Mrs. Joe Fortenberry had a painful accident Saturday morning when she got her finger caught in a mixmaster as she was putting the beaters in place. It broke her middle finger and badly mangled it. She is a patient in the Lockney General Hos-

B. Wilson in Floydada Sunday. Mr. and Mrs. Eldon Fortenberry and children spent Saturday night with her parents, Mr. and Mrs. C. W. Vitvot in Plainview. Sunday they all visited a cousin, Mr. and Mrs. Clifton Hatchford in Amarillo where they met a number of their relatives and had a good day together.

Mr. and Mrs. Albert Randolph, Mr. and Mrs. David Randolph and family, all of Lubbock, enjoyed fishing Sunday afternoon in the A. S. Mize farm.

Kimberly Wells spent Thursday with her grandparents, Mr. and Mrs. E. E. Wells.

The Easter egg hunt sponsored by the Cedar Hill store was well attended Friday afternoon.

Drinks and refreshments served to all present a good time of visiting. The children are looking forward to next week.

Get DI-SYSTON and all your Farm Chemical Needs At —

# MORCKEL FARM CHEMICAL CO.

EAST HIGHWAY 70 FLOYDADA

## TEXAS COTTON GROWERS REPORT:

# Entire Season Control of Thrips, Aphids and Mites...

# Di-Syston

The result? With Di-Syston, your entire crop grows faster, has stronger, straighter stems, vigorous foliage. Squares form earlier and plant produces more of them. Many growers in the Lubbock area have reported full season control of thrips with just the one application. You get more yields because of the good Di-Syston start-up year, get your crop off to a good start with Di-Syston. Complete instructions for use are on the label on every package. Use Di-Syston.

## Di-Syston Treated Plants Are Stronger, Straighter... Produce More Squares Earlier

West Texas and New Mexico cotton growers now have a new way to control thrip damage and early-season stunting... with Di-Syston granular insecticide. Di-Syston is placed in the soil with the seed or side dressed after planting. The chemical is then absorbed by the growing roots and carried to all parts of the plant through the sap stream—as soon as the plant emerges. No part of the plant is unprotected—even tender new growth as it is formed.

### VETERANS ASK

Q — As a peacetime — or "cold war" — veteran, am I entitled to treatment in a Veteran's Administration outpatient clinic or by a private doctor and have the VA pay for it?

A — You are entitled to outpatient treatment, or treatment by an approved private physician as well as medicine and bandages ONLY if you are a veteran (either peacetime or wartime service) with a disability incurred or aggravated in service.

Q — I understand that if someone else assumes my GI home loan mortgage I am still personally liable for repayment of the debt. Can that be?

A — The sale or transfer of property subject to or by the assumption of a GI loan generally means that the purchaser does NOT become personally liable for the repayment of the debt. However, in certain cases the lender with prior approval of the VA, may consent to the release of the veteran's personal liability. Consult your lender.

Q — Is a veteran who was drafted and served only a two-year hitch and saw no actual wartime service eligible to be buried in Arlington or any other National Cemetery?

A — Yes, any veteran who has a discharge other than dishonorable is eligible for burial in a National Cemetery. Application should go to the superintendent of the National Cemetery in which burial is desired. Any VA office will provide assistance. Application should be made at time of death for grave sites are not reserved.

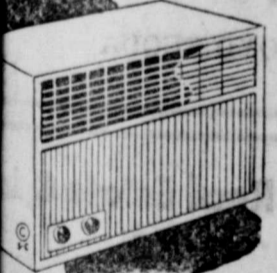

Mr. and Mrs. Ohmer Kirk spent Sunday in Abernathy as dinner guests of Mr. and Mrs. Roy Matthews.

# Floyd Philosopher Says He'd Rather Have Federal Help In The Country Than The City

Editor's note: The Floyd Philosopher on his Johnson grass farm seems to be kidding big cities, his letter this week indicates.

Dear editor:

It's been so long since the big city newspapers and magazines have exercised themselves over the farm problem that I had the feeling something was afoot, and it is.

According to an article in a newspaper I found out here on this Johnson grass farm yesterday where it had blown up against a fence and which I remember but I know what a few more pounds of stress can do to a fence of mine — big cities are seeking 375 million dollars in Federal grants to help them finance people to and from the work-

transportation systems for commuters. As I understand it, so many people work in cities the streets won't hold all their cars and they have to use trains and buses, but the trains and buses are losing money and their equipment is depreciated so naturally the only thing to do is to turn to Washington for money to make up the difference. Cities may denounce farmers for doing this, but they know a good idea when they see it.

I can't get any big cities to agree with me, but clearly the trouble is that we've got a surplus of cities. Marginal cities, I guess you'd call them, like marginal farmers.

It looks to me like any city which is so big it can't get its people to and from the work-

areas every day, is simply too big. In reverse, it's like the farmer who's too small. Both are uneconomic.

Now with the farmer, the city answer has always been, let him give up unprofitable farming and move to town, but it's hard to say that if a city is too big, let it close up and move to a smaller place. You can say it, but it hardly makes sense.

What cities need actually is either wider streets, narrower cars, or fewer people, but nobody seems to be making any progress in any of these directions.

The way it looks to me, big cities don't want the Federal government helping farmers in the country, they want them to move to town and then help them there. Personally, if it's all right with Washington, I'd rather have the help where I am and avoid all that traffic. It's easier, more comfortable, and you can do it in the shade.

Yours faithfully,  
J. A.

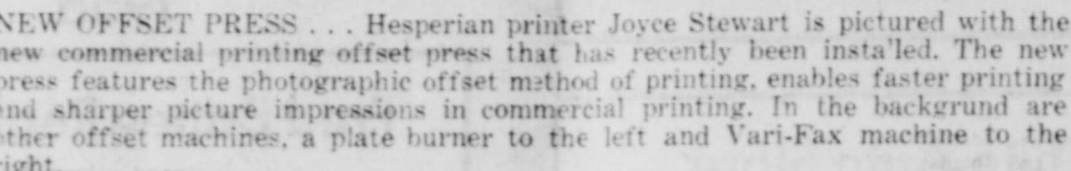

## EARL BECK APPOINTED DUMAS POSTMASTER

Earl Beck of Dumas, brother of Mrs. Bud Sparks of Floydada, and son of Mr. and Mrs. A. O. Beck of Dumas, former residents of this city, has been promoted to postmaster of the Dumas Post-office.

Beck was born and reared in Floydada and is a graduate of Floydada High School with the class of 1939. He has been with the Dumas Post Office since 1948.

Mrs. George Van Winkle and her mother, Mrs. J. B. Jenkins of El Paso, former residents of Floydada, were overnight guests of Mrs. John Farris.

Mr. and Mrs. J. L. Nichols and family of Graham were here over the weekend visiting relatives at Dougherty and with her sister, Mrs. Ed Wester and family in Floydada.

NEW OFFSET PRESS . . . Hesperian printer Joyce Stewart is pictured with the new commercial printing offset press that has recently been installed. The new press features the photographic offset method of printing, enables faster printing and sharper picture impressions in commercial printing. In the background are other offset machines, a plate burner to the left and Vari-Fax machine to the right.

## CENTER NEWS by Mrs. J. E. Green

### Easter Visitors Make News In Center

CENTER, April 15 — We had a regular Easter crowd at Calvary Baptist Church Sunday, nearly every seat filled.

On long weekends the out of town sons and daughters and families usually come pouring in to see "The Old Folks at Home." And this Easter was no exception.

Mr. and Mrs. Garvin Beedy and children of South Plains dined Sunday with her parents, Mr. and Mrs. Leo Frizzell.

Mr. and Mrs. Frizzell returned home the first of last week after spending the weekend in Oklahoma visiting her brothers.

Edam Carpenter and wife of a revival! We were glad to at Waymoka, and Mr. and Mrs. Claude Carpenter, of Altus They were accompanied by Mr. and Mrs. Fred Cone, of Wichita Falls, and the Frizzells came back by to visit the Cones over night.

Mr. and Mrs. Pat Maynard and small son of Paris spent the weekend with her mother, Mrs. John Carey and Nancy and with other relatives.

Sunday dinner guests of the J. E. Greens were their son and family, the Victor Greens of Plainview. Coming by in the afternoon were Mr. and Mrs. Jerry Massinall and children, Karen and Mike, of Corpus Christi, who had spent the weekend visiting his parents, the J. B. Massingills of Phillips.

Weekend guests of Mrs. W. M. Jackson were three of her children and families: Mr. and Mrs. Verne Jackson, of Kermit; Mr. and Mrs. Neal Wright and Kevin of Rotan; Mr. and Mrs. Orbin Carrol and boy; and granddaughter and husband, Mr. and Mrs. Howard Stringer, of Amarillo. Sunday afternoon Mrs. Jackson's brother and wife, Mr. and Mrs. Claude Carpenter, former Centerites, of Altus, Okla., came by on their way home from a visit to a daughter and family in Lubbock.

Mr. and Mrs. Rob Roberson and children, of Roswell, and Mr. and Mrs. Buck Ragsdale of Baileyboro, visited over the weekend with the women's parents, Mr. and Mrs. R. C. Ross. Also visiting with the Ragsdale's was his mother, Mrs. Ragsdale, Sr. of Plainview.

Mr. and Mrs. O. C. Vinson visited the Frank Dunns awhile Thursday.

Mr. and Mrs. C. W. Denison spent most of last week in Lubbock with their son, Gilmer and children while Mrs. Gilmer Denison was in the hospital. They returned home Friday and the daughter-in-law was scheduled to come home Saturday. Mr. Denison, Sr. also visited with the son C. W. Jr. and family in Brownfield and saw his grandson play in the Odessa ball game.

Mr. and Mrs. Frank Dunn had all their children and families home during the weekend. These were Mr. and Mrs. Tony Balios and baby son, Mr. and Mrs. Jimmy Dunn and girls and Mr. and Mrs. Eddi Parks, all of Lubbock. Ronda and Brenda are spending a while longer with the grandparents and Joe Lee.

James and Nancy Welborn and girls of Plainview and Margaret and Tony Balios and baby and the Frank Dunns visited in the J. D. Welborn home Saturday evening.

Mr. and Mrs. H. B. Mankins visited Mr. and Mrs. Thomas Friday afternoon and called at the Kincheloe home Friday morning.

Mr. and Mrs. Mankins visited Mr. and Mrs. Ross Sunday afternoon. Later the Ross' and Mankins visited the Frank Dunns.

Weekend guests of the Thomas Warrens were her mother, Mrs. Charley Battey, Floydada and her sister and family, the Bob Aldredges of Hobbs, N. Mexico. Also visiting the Warrens some during the week was his mother, Mrs. Ola Warren.

Mr. and Mrs. Fred Battey visited in the Warren home Sunday afternoon.

Mrs. Lee Burton and Mrs. Bill Daniel visited Mrs. Thomas Warren Friday afternoon. Mrs. Warren who was recently dismissed from the hospital, is convalescing nicely.

The J. E. Greens and several others from Calvary Baptist Church attended some services of the Lockney Crusade last week where eleven area churches participated. That masterful preacher, Dr. Winfred Moore, of First Baptist Church, Amarillo, did the preaching. The crowds were huge, the music wonderful. What

## Lee Roy Yoakum Killed Sunday In Colo. Mishap

Funeral rites were held this week in Sweetwater for Lee Roy Yoakum, 36 year old son of Mr. and Mrs. Roy Yoakum of the Lone Star Community in Floyd County. Yoakum was killed early Sunday in a one-car accident 29 miles east of Pueblo, Colo., and near Boone.

Investigating officers said a passing motorist spotted the wreckage of Yoakum's car and found his body nearby. Officers said the vehicle skidded 150 feet on Colorado Highway 96, went another 200 feet along side the road before turning over twice coming to a stop in a gully. Yoakum was thrown out and died of a crushed skull. He was traveling alone at the time of the mishap. Officers said the accident occurred some five hours before the body was found.

Yoakum was born in Sweetwater, Tex., and was making his home in Denver.

Survivors other than his parents include his wife, Shirley, and four children, Kyle, 11, Kay, 7, Kevin, 4, and Kelly, four months; a brother, Jim Yoakum and one sister, Mrs. Bennie Pigg both of Arlington, Colo.

## TOTAL PERFORMANCE:

**YOU'LL KNOW WHY SHE DOESN'T FEEL THE BUMPS...WHEN YOU TEST-DRIVE FORD'S NEW \$10,000,000 RIDE**

The 1963 Ford gives you a ride every bit as smooth as cars costing hundreds more, and for two reasons: a revolutionary new suspension system . . . and added road-hugging weight.

It took ten million dollars to develop the new Ford ride. We designed a revolutionary new suspension system for the '63 Ford. Where ordinary suspensions move only up and down to absorb road shock, the Ford suspension moves backward as well. In this double-action suspension system, coil springs up front and leaf springs in the rear combine to give you firmness in cornering and a special smoothness over the road.

We added weight, strength and stability. The new Ford is now actually hundreds of pounds more car than any other car in its class. This remarkable weight advantage is in the suspension, frame, and body. And, as you know, this added weight means a more stable ride.

But a solid, road-smoothing ride is only part of Ford's total performance story for 1963. Look how Ford swept the field this year in the grueling Daytona, Riverside and Atlanta 500's and in the demanding Pure Oil Performance Trials. Only a car with total performance—the best combination of strength, balance, precision control, braking power and road-clinging suspension—could roll up so many wins.

Before you buy any new car, test-drive a Super Torque Ford. If you haven't driven one lately, you can't really know what a new Ford is like. Make this important discovery—if it's built by Ford, it's built for performance . . . total performance.

# HDC Meets With Mrs. Crawford

Student at Southwestern Seminary, Mrs. Chaffin is a paternal aunt of Jeanine and Benni Wright Dewese. They were week-end guests in the Dewes home in Plainview.

Mrs. Bob Everett and son, Rob, of Lubbock, visited her parents, Mr. and Mrs. G. W. Smith Saturday.

Sunday Mr. and Mrs. Carroll Pendley, Carolyn and Carl of Lubbock were guests in the G. W. Smith home.

Mr. and Mrs. Dale Smith and son visited relatives in Tulsa and other points in Oklahoma last week and attended the Easter Pageant at Lawton. Enroute home they visited Sunday night with Mrs. Smith's grandmother, Russell at Sherman and returned home Monday.

The Dougherty H. D. Club met at the home of Mrs. R. H. Crawford Thursday. Mrs. Earl Edwards, Sr. demonstrated crewel embroidery and displayed several finished articles such as sofa pillows, hand bags, aprons, a wall plaque. Crewel embroidery is experiencing a popular revival as a craft after having been out of fashion several years. The chief stitches in this work are outline, satin, french knots and

lazy daisy. It is done with colorful hues of wool thread and is quite beautiful.

Mrs. Howe Hines gave a discussion of the American Cancer Crusade and gave instructions for the making of pads, bandages and comfort pillows to be used for the comfort of cancer patients. Several club members are making these articles in their homes and the club plans to meet in August and devote an afternoon to the task of making cancer patient supplies.

## Kitchen And Field News

from Lighthouse Electric Cooperative, Inc., by Nancy Moreckel, Home Economist

Oven meals are such a big help when one is too busy to get all the things done that seem to demand the attention of the busy homemaker now and then.

It takes very little more electricity to cook several foods in the oven at one time than it does to cook a single casserole. Busy homemakers can plan a complete oven meal, do the preparation work in the morning, and have the rest of the day out of the kitchen. The food may be stored in the refrigerator ready to be placed in the oven at the right time; or in many instances with the modern insulated electric ovens, it may be placed in the oven several hours ahead with the automatic oven clock set to turn the oven ON and OFF at the desired time.

For clock-controlled oven meals it is necessary to select foods which cook at the same temperature and for the same length of time. If the menu includes one or more foods that require a shorter cooking time, the food taking the longest time is started first, and the other foods are added later; or the foods requiring a shorter time are removed when done. Vegetables cooked in the oven should be placed in a covered pan or casserole containing about 1/2 cup water. It takes two to three times as long to steam vegetables in the oven as on the surface. Cooking time can be varied by leaving them whole (for longer cooking time), or by slicing or dicing them (for shorter cooking time). Potatoes may be baked on the rack steamed, or made into casserole dishes. Other vegetables which steam well in the oven are green, Italian and lima beans; beets, carrots, onions, parsnips, winter squash, and turnips. Many frozen vegetables cook well in the oven, also. Delicate green and leafy vegetables are best cooked quickly on the surface.

Numerous quick breads, over desserts, and even pies bake exceptionally well along with other foods which are cooking in the oven. And when shelf space permits, it's a good idea to steam, dried fruits, to steam or bake extra potatoes, or to bake apples to have on hand for breakfast or other meals on the following day.

During hot weather, it's wise to refrigerate foods to be placed in the oven and allowed to stand for several hours before cooking begins. Mixtures using milk, eggs and ground meats should not stand long in hot weather before starting to cook. A few foods, of course, which are best started in a preheated oven should not be included when planning a clock-controlled oven meal.

Generally, meat dishes and vegetables are placed on the lower rack of the oven, dsrts and quick breads on the top oven rack. Try out pans ahead of time to be sure they fit. Arrange the utensils in the oven so that they do not touch each other or the oven walls, and so that no utensil is directly above another one. This allows for free circulation of heat for better cooking.

The automatic oven clock on your electric range, is a real convenience, even when you are not planning to be away from home. With Sunday dinner or the evening meal prepared ahead and tucked away in the oven with the timer-clock in charge, you are free to attend church, spend time with your family, or run errands.

Usually, there are four or five steps in setting the clock to turn the oven ON and OFF at the desired time. REFER TO THE INSTRUCTION BOOK THAT CAME WITH YOUR RANGE; learn the number of steps, then always count them off to see that each has been done. Be sure the electric clock is set for the correct time of day.

1. Set timer for time of day food is to stop cooking - the time you want to serve the dinner.
2. Set timer for number of hours food needs to cook.
3. Set oven heat control at correct temperature.
4. Turn the oven switch to BAKE or TIME-BAKE. (On some ranges the heat control switch also turns on the oven so this step may be skipped.)
5. Turn the SET button to ON. (On some ranges this step is taken care of automatically in one of the settings). When there is a SET button, it is necessary to reset to MANUAL. Anytime the oven does not heat be sure to check the SET button to see that it is on MANUAL before calling a serviceman.

TURN OVEN SWITCH TO OFF WHEN REMOVING THE MEAL.

# Melvin Henry's Discover Old Floyd County Pioneer In N.M.

While on a trip to Pie Town, New Mexico last week-end Mr. and Mrs. Melvin Henry met a former Floyd County resident, A. A. Whyte.

A. A. WHYTE

Mr. Whyte moved to Claude, Texas in 1892 and was Floyd County tax collector 1917 to 1920. He taught school at Sunset from 1920 to 1930. At that time he lived with the N. T. A. Byars of Lockney.

He is now 81 years of age and Mrs. Henry said that he was a jolly and very enjoyable person to visit with. He asked about Homer Steen, Tom Dean and many of the old time Henrys. Mr. and Mrs. Henry were visiting Mr. Henry's aunt in Pie Town.

A nice oven-meal for this season of the year could be -  
Company Chicken.  
Oven-Fried Potatoes  
Buttered Carrots  
Chocolate Brownie Pie  
Temperature: 350 degrees F  
Time: 50 minutes. Serves: 6

**Company Chicken:**  
1 package each frozen chicken breasts and thighs (or freshly dressed chickens may be used).  
Flour, salt, pepper and shortening.

1 can cream of chicken soup  
1/2 teaspoon curry powder  
one 4-ounce can sliced mushrooms  
Flour and season chicken. In skillet, brown thoroughly on all sides in shortening using second to third heat on range or use electric skillet.

Place chicken when browned in large casserole. Add soup to pan in which chicken was fried; stir to pick up drippings. Add curry and mushrooms. Pour over chicken; cover and bake.

**Oven-Fried Potatoes**  
Pare 6 potatoes; slice 1-4 inch thick; toss in 1/2 cup melted butter to coat thoroughly. PPut in baking dish; salt and pepper; pour remaining butter over potatoes. Bake.

**Buttered Carrots**  
Peel and slice carrots into casserole. Salt and pepper, top with butter, add 1/2 cup water. Cover and bake.

**Chocolate Brownie Pie**  
2 squares unsweetened chocolate  
2 tablespoons butter  
3 eggs  
1/2 cup sugar  
3-4 cup dark corn syrup  
3-4 cup pecans  
one 9-inch pastry shell  
Melt chocolate and butter. Add eggs, sugar, and corn syrup, beating thoroughly. Mix in pecans. Pour filling into unbaked pastry shell.

Bake with oven meal.  
So may I suggest to you - the homemaker whose first interest is in her family, who loves to please her husband and children, and they like what she cooks, that you do not overlook the help your electric oven can be if you will only take the time to plan some oven-meals, put them into the oven and set your automatic timer.

In these busy times Let's Live Better Electrically!

Mr. and Mrs. Tom Hutchins visited in Levelland on Saturday with Tom's sister, Mrs. Charles Elder and her husband.

Mr. and Mrs. Bob Norrell and children spent the weekend in Brownfield with his parents, Mr. and Mrs. R. H. Norrell.

Mr. and Mrs. H. E. Porter and Carolyn, went to Tulla Sunday afternoon where they met Mr. and Mrs. Elton Wallace and son Porter at Tulla Lake for a picnic.

Mr. and Mrs. Gene Aylesworth and girls of Dumas, Mr. and Mrs. Bert Grimes and children of Crosbyton and Mrs. W. E. Grimes of Floydada visited Saturday evening with Rev. and Mrs. Tilden B. Armstrong and Mr. and Mrs. Pete Hickerson in the Hickerson home. Mr. and Mrs. Harold Hughes and sons, Jimmie and Bobby of Abilene were also guests in the Hickerson home over the weekend.

Mr. and Mrs. Melvin Henry, Gaynel and Nicky spent the Easter holidays in Pie Town, N. Mex. with an aunt, Mrs. Ola Higsby.

Mr. and Mrs. Alton Higginbotham and daughter Kelly, spent Sunday with his mother, Mrs. Bryant Higginbotham at her home in South Plains.

Melinda Goen, a student at Texas Tech, returned to school Monday after spending "Spring Vacation" here with her parents, Mr. and Mrs. Bud Goen and her brother, Mark.

The Melvin Henrys' stopped Sunday afternoon, as they returned home, at Tatum, New Mexico, for a short visit with Mr. and Mrs. Lyle Donovan and family. Lyle formerly worked at the Lighthouse.

Mr. and Mrs. Brice Allen and girls, Mt. Blanco Community, Crosby County, came by on Friday of last week for a visit with us. They were on their way to Lockney and Plainview to visit relatives and friends.

Mr. and Mrs. Buddy Neff and children of Amarillo spent Easter Sunday with Mr. and Mrs. Ed Neff and girls and his mother, Mrs. W. P. Neff.

Mr. and Mrs. Buck Marricelle and boys spent Sunday in Ralls with Mrs. Marricelle's sister and her family, Mr. and Mrs. Arthur Fewell and children.

Miss Leila Petty, of Tulla, Home Demonstration Agent of Swisher County, visited for a short time in Floydada on Monday. She was returning from visiting friends in Vernon over the Easter holidays. We were pleased to have her as our guest for lunch. Miss Petty will be remembered as a former Floyd County Home Demonstration Agent, and has lots of friends here.

Alton Higginbotham, Power Use Advisor, showed the film "Man Enough For the Job" to the South Plains 4-H Club at the South Plains School on Monday night.

**Something to Think About:**  
It's up to you - Life itself can't give you joy. Unless you really will it.  
Life just gives you time and space - It's up to you to fill it.

Mr. and Mrs. James Stephens of Abilene and Jennie Hennessee and Sterling Pritchard of Lubbock spent Easter Sunday here with V. C. Hennessee.

# HINTS

## HOMEMAKING

By Phyllis Roszendorff, County Home Demonstration Agent, Jean Martin, Jr. Asst. Extension Agent.

Miss Lily Johnson of Philco Corporation held a laundry aids meeting last Friday at the American Legion Building in Lockney. Twenty-five women were present.

Miss Johnson said that the instructions on boxes of detergents for the amount to use when laundering was based on 7-12 grains of hardness and ten gallons of water. She told the women how to test their water and to call their washer dealer to find how much water their machines held. When a water softener is used one-half the amount of detergent should be used. The water in this area ordinarily falls in the 7-12 grains hardness range.

Miss Johnson recommended that everyone have a wash recipe. The four ingredients for a wash recipe are:

1. Water
2. Cleansing agent
3. Fabric softener
4. Fabric

One should know the hardness of the water, the amount of the washer holds, and the water temperature for normal wash loads. 150 degrees is recommended. For most man-made fabrics 105 degrees to 120 degrees should be used.

The cleansing agent should match the job it has to do. Light duty detergent for hand laundry, heavy duty detergent for family laundry washed in a machine.

The cleansing action is the water movement caused by the agitator, pulsating motion, or revolving drum.

The fabric determines the water temperature and the speed of the machine.

## LANDSCAPING

The Home Demonstration Clubs are having a lesson this month on "Labor Saving Landscapes". One idea that we are stressing is to plant shrubs for the space so they will not need excessive trimming. Most shrubs need to be planted from 3-5 feet away from any wall or walk. This will allow the shrubs room to spread out as they grow so they will not be flat against the house, nor over grow the walks. When planting, consider how large the shrub will be at full growth and plan enough room for it full size, unless you want to spend your time trimming and pruning to keep it small.

### Farm Bureau Facts & Faces

Nine were present for the regular business session on April 11. The participation in Board meetings this year has been gratifying. Marvin Wells reported on the wheat referendum conducted in Lubbock March 27. Jack McIntosh asked for his resignation from the Activities Committee in order that he might devote his full attention to the Newsletter. President J. R. Turner named Hollis McLain, Ollie Cox, and L. B. Brandes to serve on the activities committee. Lee Burton is chairman of this committee — one of its duties is preparing for the county convention.

County Agent Tom Davison brought an interesting report on the group, including information concerning a wheat referendum study to be conducted April 18 in Plainview. A report from Sam Puckett, agent, expalined crop-hail insurance rates for this season and approval procedure of the State Insurance Commission on setting of the rates. The loss ratio for 1962 in Floyd County was 101 per cent. In 1961 Farm Bureau Insurance Company paid the first dividend ever paid in the State of Texas on crop-hail insurance.

Southern Farm Bureau Life Company now has a rate decrease in life insurance and a dividend increase. In other reports, Katherine King read a report by Beth Pratt on the Young Peoples Committee and P.P. Publicity.

The Board approved the addition of air conditioning and adding machine to the office equipment. Board members present were J. R. Turner, Marvin Wells, Jack Yeary, David Baiter, and Eldon Fortenberry. Don Probesco and Gene Eboys were both gone on fishing trips. Lee Burton and Tom Davison were present as well as Sam Puckett, Max Jordan, and Katherine King.

### Floyd County 14 Years Ago

(From the Hesperian, dated April 21, 1949)

Mr. and Mrs. J. Sam Hale, home last Friday from a trip to Monterey and on into the wonders of the High Sierras of Old Mexico, speak of it as a wonderful trip that would delight any Floyd County vacationer seeking new scenes and new climates. The Hales were gone nine days and were guests, along with some eighty other representatives of the Great National Life Insurance Co.

Dr. O. R. (Tommy) McIntosh received notice from the State Board of Examiners in Optometry that he had passed the required tests in an examination taken a month ago, and that he is now licensed to practice optometry in this state.

Funeral services were held for Sarah Caroline Martin Friday afternoon in the Harmon Funeral Home Chapel. She died Thursday evening at her home in Floydada. Among her survivors is a son, Will Martin of Floydada.

Winners in the Junior Livestock Show held recently included the grand champion dairy female owned by Earl Edwards Jr. The dry lot calf owned by Stanley Burleson, milk-fed steer owned by Clydene Terrell and the grand champion barrow, exhibited by Melvin Dunavant.

A daughter was born to Mr. and Mrs. E. V. Boren at Lubbock Memorial Hospital on April 19, weighing seven pounds and two ounces. The father is a student at Texas Tech. Grandparents are Mr. and Mrs. L. G. Withers of Floydada and Mr. and Mrs. W. C. Boren of Corpus Christi.

Mrs. Jim Simpson, the former Bette Lou Tye was complimented with a lovely bridal shower at the home of Mrs. Roy Curry on Friday evening, April 12.

Mr. and Mrs. Lovall Jones announce the engagement and approaching marriage of their daughter, Lovene to Lane Decker. The wedding is to take place on June 2 in the First Baptist Church.

G. I. Dunavant celebrated his 80th birthday at the home of a son and his wife, Mr. and Mrs. E. W. Dunavant Easter Sunday.

Bird Bishop was injured in a one-car accident but escaped without serious injuries early Tuesday. Enroute into Floydada at the time his car hit a culvert post at the bend on highway 70. He was shaken up and bruised in the mishap.

**MERLE D. NICHOLSON PERFORMS IN CONCERT**

DENTON — Merle D. Nicholson of Floydada performed in a joint concert by the North Texas State University Women's Chorus and the Percussion Ensemble.

Scheduled at 8:15 p. m. in the NTSU Music Recital Hall, the program will include three sections of songs by the 35-voice chorus and six numbers by the 10-member ensemble.

Dr. David C. McGuire of the NTSU music faculty directs both groups.

A member of the Women's Chorus, Miss Nicholson is a sophomore psychology student at NTSU.

She is the daughter of Mr. and Mrs. Walter P. Nicholson, 1121 S. Wall, Floydada.
