Price: 5c Per Copy

LOCALS

The work of installing the insulation in the new building of the Friona Locker Company was begun Tuesday, Loyd E. Robinson, with the Weeks Insulating Company is superintending the work.

Miss Wanda Hart went to Dimmitt the latter part of last week to work in the home of Mrs. Rosa McLean.

Preach Cranfill is superintending the construction of concrete steps, landing and walk in the front and on the south side of the implement store room of the Santa Fe Implement Co.

John R. Silvertooth was a business visitor at Farwell and Bovina one day last week. Mr. Silvertooth is deeply interested in the organization of the Old Folks of the county in support of the Old Folks Assistance Department of the State.

Mr. and Mrs. G. B. Buske are visiting relatives in Abernathy this week.

Mrs. Harold Lillard and baby arrived this week from San Angelo.

Mrs. Wallace Rogers and sons and Mrs. H. T. Magness and children returned Friday night from a visit with relatives in Old Glory, Tex.

Mrs. W. C. Hall has returned from Lexington, Ky., where she was called by the death of her mother.

W. C. Dixon returned Monday from a stay of several days in Colorado.

Mr. and Mrs. Charles Baxter left Monday for Springfield, Colo.

J. R. and Clay Runnels of Willow, Okla., have been visiting Mr. Runnels' sister and family here this week.

Mrs. Lynn P. Ruth of Shawnee, Okla., is a guest of Mrs. John Lynn this week.

Charlie Phythian and son Lynn and C. H. Womack and Jimmy Dean made a business trip to Fort Worth and Comanche this week to buy fruit.

Cpl. Charles White arrived home this week to spend a furlough.

Mr. and Mrs. J. T. Gee and children spent the week end in Lubbock.

Mesdames Ed Boggess, Pearl Kinsley, O. F. Lange and J. J. Williams were Hereford visitors this week.

Mrs. Virginia Bayless of California is visiting her parents, Mr. and Mrs. J. A. Guyer.

Mrs. W. L. Edelman visited her mother in Plainview last week.

Mrs. C. L. Moore and two sons of Tulsa, Okla., have been visiting her sister, Mrs. Jones.

The Enemy

Fierce though he looks, this is a sample of one of the more sensible of our Jap enemies; he surrendered—perhaps alone, maybe with a group—in the Kerama Islands off Okinawa rather than be killed. Mass surrenders are extremely rare, but they're happening now and then—now, inculcated with the Bushido spirit of a "brave" death for the Emperor, most Japs fight until killed—more than 100,000 on Okinawa. (Navy photo.)

Farm Machinery Purchase Priority Goes to Veterans

Further details on the manner in which veterans may secure preference ratings for the purchase of new farm equipment were received this week at the County AAA office, which will handle the new priority program for honorably discharged veterans of this war.

According to instructions from the war food administration, any veteran who owns a farm, operates a farm as a tenant or who is a sharecropper may apply for a veterans preference certificate for the purchase of any new item of farm equipment (except repair parts).

The veteran must show that he has been unable to purchase the equipment through regular trade channels, and the county ACA committee may then issue him a certificate for purchase of the desired machinery.

Veterans certificate should have a priority rating above any former commitment of the dealer concerning sale of the needed equipment, the only requirement being the veterans ability and willingness to pay the legal ceiling price for such machinery.

Mrs. Willard May received a telegram from her husband, Sgt. May, stating that he had arrived in the States, and expects to be home in a few days.

REA Lines Out As Result of Substation Fire

A fire which started from failure of an insulator at the REA substation Tuesday afternoon left part of the REA lines without service until 1:40 o'clock Wednesday morning and did considerable damage to substation equipment.

Lights on the Southwestern Public Service lines in Hereford were out for only a minute until the switch was turned to a new circuit—a switching system which will be automatic as soon as all work on the new highline to Amarillo is complete, according to C. D. Hargety, public service company manager.

Leo Forrest, REA manager, stated that the failure of the insulator might have been caused by lightning damage in Monday's electrical storm, with the full effects failing to develop until the next day.

FSA Announces Farm Purchase Loans for Vets

Congress has increased the loan authority of the Farm Security Administration by \$25,000,000 to permit loans to returning veterans for the purchase of family-sized farms and ranches. The loans are to be made under the provisions of the Bankhead-Jones Farm Tenant Act through which approximately 37,000 loans to tenant farmers have been successfully completed since the program was authorized by Congress in 1937. Loans of a maximum of \$12,000 which can be made under this program will bear interest at three per cent and are repayable over a 40 year period.

A committee composed of experienced farmers in each county will assist in the administration of this program by determining (1) eligibility of the applicant with respect to farm background, experience and likelihood of success as a farmer, (2) the adequacy of the farm to provide a living for the family and to pay off the loan, and (3) the soundness of the loan. The function of the committee in reviewing the applicant's qualifications and the soundness of the loan is considered extremely important by Farm Security Administration officials in protecting veterans from entering into an unsound operation.

J. E. Burch, local FSA Supervisor with offices at Hereford, who is now receiving ap-

Revival Starts Sunday, July 15 At Pent. Church

A revival meeting will begin at the local Pentecostal Church, Sunday, July 15.

Rev. E. H. Price of Little Rock, Ark., will be in charge of the services. He comes recommended as an able speaker and a deeply spiritual man.

The public is urged to come and be with us and enjoy the blessings of the Lord.

Rally Day Scheduled At Baptist Church

This is a period of post war planning in all lines of progress, and the First Baptist Church of Friona expects to take her place in the front ranks in the line of spiritual advancement.

Work has begun this week on the new Educational building and it is hoped that the new building will be completed within the next few weeks. When completed, it will furnish additional space that is badly needed for Sunday School rooms.

The church is hoping to establish itself as the spiritual dynamo of Friona and surrounding territory. Today is a day in which there is a great need for a rallying of the people of this community to attend regularly the church of their choice. If we as Americans hope to win the victory, we must realize that final and complete victory comes only through Jesus Christ.

Everyone is invited to come and make it a big day at the First Baptist Church here on Sunday, July 15.

A Correction

In last week's issue of the Star, in the story about the reopening of the Houlette's Helpy-Sely Laundry, the new proprietor was mentioned as Marion (Cap. Parks, when it should have been "Marion (Cap) Dennis."

Just why this error should have been committed we do not know; but it was, most likely, the result of a fickle place in a fickle memory, and we are sorry for it, and we have and now beg the pardon of Mr. Dennis and also of the general public who may have been in any way misled by the error.

Mrs. Maurer Undergoes Emergency Operation

Mrs. Carl C. Maurer, who was taken violently ill the latter part of last week and was taken to the hospital at Clovis, is still in the hospital, but was reported by her husband, Wednesday morning as gradually improving and making satisfactory progress.

On reaching the hospital an examination showed that there was some serious ailment of gall cyst or duct, which required an immediate operation, which was a pronounced success.

GIRL SCOUT NEWS

The Girl Scouts met Saturday, July 7, at the Scout Hut, at 3:30, where we planted some cactus and also cut weeds.

At 4:00 o'clock we went to the Club House and held our meeting, which was called to order by Lunell McFarland. The roll was called and answered by the Girl Scout laws, and the minutes were read.

We decided the names for our patrols. They are Patrol No. 1, "LaCacto Flora," and Patrol No. 2, "Caeto Tuna." We learned how to make a bed-roll, which was one of the things required to go to Girl Scout Camp. We then were presented our identification cards.

We adjourned with "taps," and the girl scout prayer.

Applications from veterans, has warned that due to sharply increased land prices in some localities, veteran applicants may find it impossible to purchase land on a sound basis. "Under this program," Mr. Burch states, "farms must be purchased within their earning capacity value as determined by long time prices."

Back in Battle Togs

Gen. Joseph W. Stilwell, left, new commander of the U. S. Tenth Army on Okinawa, checks a battle map with Col. William Bentley, air officer. Perhaps significant in Stilwell's assignment is the fact that he probably knows more about fighting the Japs than any other American Army officer.

Bapt. Vacation Bible School In Progress

The Vacation Bible School of the local Baptist Church, is now fully organized and doing nicely. The sessions are from 3:30 P. M. until 6:00 P. M., Monday through Friday and lasting through July 20.

Attendance first day was 72 and is increasing daily. We are straining to furnish a well balanced program—mentally, physically and spiritually.

Fellowship Dinner At Congressional Church Sunday

The Union Congregational Christian Church of Friona is planning for a fellowship basket dinner and homecoming, Sunday, July 15. The dinner will be held in the basement of the church immediately following the Sanctuary Service, according to the minister, Rev. Edwin Dale Baker. Every member and all the friends of the church are most cordially invited to attend.

The Vacation Bible School formerly announced for the early part of July has been postponed until August, because of a similar school being in progress. More complete announcements concerning the school will be made later.

Melvin Allen Returns From Clovis Hospital

Melvin C. Allen, whose left leg was amputated up near his body, two weeks ago, has returned from the Clovis hospital.

The amputation was made necessary as the result of an incurable infection of the bones of the limb.

Local Scouts Plan Camping Trip

The members of the local Boy Scout Troop will leave here next Sunday, July 15, for a week's camping at the Philmont Camp in New Mexico.

The boys will make the trip in W. L. Edelman's truck, which will be driven by Denver Smith; and the truck will start from Mr. Edelman's filling station on Main Street on the Highway.

Boys of the local troop who are planning to make the trip are Chas. Osborn, Joe Allen Osborn, Weidon Morris, Lee Cranfill, Gaylord Maurer, Von Edelman, R. D. Baker, David Smith, John Smith and Tommy Laceywell.

The truck will stop at Hereford and Canyon and pick up the Scouts at those cities who will also join in the week's outing and pleasure.

Henry Lee Buys Houlette Laundry

As was stated in last week's Star, the local Helpy-Sely Laundry had been leased by Marion Dennis for one month, with the privilege of buying the business at the end of that time.

However Mr. Dennis relinquished his lease at the end of last week, and the business has been purchased by Henry Lee of Muleshoe, who took charge of the business Monday of this week and plans to keep it in continuous operation in the same manner as it has previously been operated.

Mr. Lee comes to Friona highly recommended as an industrious, straightforward and capable business man. He will be assisted in the management of the business by his wife, who is also here and taking an active part in work and management.

Employment Service Office for Vets Opens at Hereford

An office of the United States Employment Service has been opened at Hereford, with J. B. Bruce, a veteran of World War II, in charge of the office, which is located upstairs in the City Hall building.

The primary purpose of the Hereford office will be to facilitate needed employment of veterans; however, Bruce stated that all persons in need of employment should file their applications. Likewise all employers in Deaf Smith, Castro and Parmer counties needing workers should place their orders with the Hereford office.

Bruce indicated that he is anxious to meet the community leaders and employers as well as job seekers, and to get acquainted with all others who care to visit the office.

Vets desiring employment or information on benefits of veterans are urged to contact Mr. Bruce. The office is open from 8:00 to 5:00 daily, with the exception of Saturday. On that day it is closed at noon.

Missouri Woman Here On Business Trip

Miss Staley of Springfield, Mo., spent Saturday and Sunday and a part of Monday here looking after her farming interests. She with her two sisters, own a nice tract of farm land adjoining the west side of the city limits of Friona.

Miss Staley is a sister of Jno. E. Staley, a former business man of Friona, he at one time having been a half owner in the Santa Fe Grain Company.

Bill Flippin was a business visitor at Amarillo, Tuesday afternoon.

Mr. and Mrs. E. H. Cummings attended the rodeo at Amarillo on July 4th.

Local People Injured In Highway Accident

Two persons were injured, one seriously, last Wednesday night, when a car going toward Amarillo on Highway 60 had a blowout and sideswiped the car occupied by the M. S. Roe and Manuel Hawks families of West-

SONS

In the Service

A letter from Cpl. John E. (Edward) Hall, son of Mr. and Mrs. Carl Hall, of this city. From somewhere "away off," but the nearest we can get to his APO is New York, N. Y.—Uncle John.
June 23, 1945

Dear Uncle John:
Well, after so long a time I have finally decided to drop you a line. I still receive the Friona Star pretty regularly

way, causing the Roe car to turn over twice.

Miss Maxine Roe and L. T. Hawks were taken to Northwest Texas Hospital in Amarillo where Miss Roe was treated for severe bruises, and it was discovered that the Hawks boy had a kidney injury which may necessitate an operation. Miss Roe was later able to be moved to the home of her grandparents. Mr. and Mrs. J. F. Roe. Other members of the party suffered minor cuts and bruises.

The Westway people were returning from the rodeo in Amarillo when the accident occurred.

26 Wives, 100 Kids!!

The Governor of Jolo, left, tells General MacArthur about the greatness of the Sultan of Sulu, right, who has 26 wives and more than 100 children. These are Moro natives of the Sulu Archipelago in the Philippines. They are Mohammedans.

Oberon and New Mate

Film actress Merle Oberon poses with cameraman Lucien Ballard, her new husband, acquired in Juarez, Mexico, after her divorce from Sir Alexander Korda, British film executive.

and I always look forward to getting it. From all of the reports that I get, it seems that some of the boys are getting discharges. Lucky Boys. But so will I when I serve enough time. The way I figure it, I should get out about 1947. It all depends on what kind of luck I have; but I shouldn't kick about my luck. I have been very fortunate. In closing I say this: If every thing goes good I will maybe get home in 1947, so keep the brass band ready. Thanks a million.

A friend,
Cpl. John E. Hall

Miami, Fla.—A few days ago Texas was a long, long way for a group of fighting men to go home—7,300 miles of ocean, land and space. The Texans were in far off Casablanca, Africa. Today, thanks to sea-spanning ATC planes, they were much nearer home. The last lap of their flying trip completed from Trinidad to Air Transport Command's Miami Air Field. The battle-tested Texans were headed by rail for Camp Blanding, Fla. From there they will go to a reception center nearer home, for separation from the service or furlough prior to reassignment. Among the latest Texas arrivals to this ATC Caribbean Division hub included Cpl. Chas. A. White, 91st Inf. Div., 14 months in Europe. He is a son of Mr. and Mrs. H. G. White of Friona. His wife and small son are here from their home in State of Washington, awaiting his arrival.

WITH THE 35TH INFANTRY DIVISION in Germany — For meritorious service in connection with military operations against the enemy in Holland and Germany, Sgt. Carl R. Schlenker, whose mother, Mrs. Melinda Schlenker, resides on Rt. 2, Friona, was recently awarded the Bronze Star Medal by a general of the 35th Division.

WITH THE THIRD INFANTRY DIVISION, 7TH ARMY, FRANCE — Pfc. Melvin O. Wheeler of Bovina, has been awarded the Silver Star for gallantry in action while fighting with the Third Infantry Division in Germany. His mother, Mrs. Lillian F. Wheeler, lives at Bovina.

Ensign Travis White, son of Mr. and Mrs. C. H. White, now of Hereford but formerly of Friona, spent a few days here and at Hereford last week, visiting his parents and other relatives and friends. Ensign White has been taking training at Harvard College for the past few months, where he made his grades and received his promotion. He has been assigned to

and has seen the tough side of the war on several battle fronts in Africa, and several of the European countries, and faced its dangers on both land and sea. Sgt. Fallwell has received his permanent discharge from the Armed Service, and needless to say that his arrival here took at least half of the gloom the life of his parents, and all his friends here were happy to see him and to learn of his discharge. Sgt. Fallwell enlisted in the Army before Pearl Harbor. He left Sunday to join his wife and baby son in California.

O. B. Deatherage, S 1-C, is spending a 25 day leave with his wife and sons, Gary and Lavon. Seaman Deatherage has been in the Navy 14 months and spent ten months in the Pacific on the destroyer USS Goldsborough. He has to report back July 14th to the US Naval Hospital, Oceanside, Calif.

Seaman and Mrs. Deatherage and children visited with relatives and friends at Paris, Tex.

Last Rites for Mrs. Guseman Held Wednesday

Funeral services for Mrs. C. T. Guseman, 56 years old, were held here yesterday afternoon at the First Baptist Church with Rev. R. H. Cagle officiating. Mrs. Guseman passed away early Tuesday morning following a long illness.

Born December 28, 1888, in Clark County, Ky., Thornton Lisle Guseman had been a resident of Hereford for 20 years, having been employed at the First State Bank here prior to her marriage to Mr. Guseman in May, 1928.

Mrs. Guseman was a member of the Baptist Church and had taken an active part in church work until the condition of her health made such activity impossible. She was also a member of the Pioneer Study Club and had taken great interest in many phases of community life during her long residence here.

Survivors, besides her husband, include one daughter, Cecilia; two brothers, J. H. Leslie of Canyon and Charles Leslie of Winchester, Ky.; and five sisters, Mrs. H. G. Conkwright and Mrs. Jno. H. Patton of Hereford, Mrs. L. C. Woodford and Mrs. Virgil Heatt of Winchester, Ky., and Mrs. Morris Haggard of Somerset, Ky.

Palbearers were Allen Dawson, Foy Proctor, J. A. Pitman, Oscar Easley, R. J. Richardson and C. C. Acker.

Interment was in West Park Cemetery.

Authentic Films of Iwo Jima Campaign at Texas

A film in the same class with "The Memphis Belle" and "The Fighting Lady" is scheduled for next Sunday, Monday and Tuesday at the Texas theatre, which will feature the authentic battle picture "To the Shores of

Pearl Harbor, where he will remain indefinitely.

WITH THE SIXTH ARMY DIVISION ON LUZON—Pfc. John M. Martinez, son of Julianita Martinez, of Friona, has been awarded the Bronze Star Medal by the commanding general of the 6th Infantry Division, for "meritorious achievement in connection with military operations against the Japanese on Luzon, P. I. on February 13th." Martinez is a member of the quartermaster company of the 6th Infantry Division, holder of the continuous record of the Pacific. The company was recently awarded the Meritorious Service Unit Plaque.

Sgt. "Buck" Fallwell, one of the two sons of Mr. and Mrs. C. H. Fallwell of Friona who is in the Armed Service, arrived here on Thursday of last week from overseas, where he has been for the past many months,

ARE YOU WEARY

of toiling with an Ailing Tractor or other Motor, such as Truck, Car or Combine? Then, bring the DECREPIT member of the FARM FORCE direct to OUR place, and

MRS. GUY WALSER

Sunday School and church was attended by 85 Sunday morning. Rev. King of Quanah preached Sunday morning and night. He is the father of Mrs. Lovett. Mrs. King was also present.

Mr. and Mrs. Roy Coker and family and Mr. and Mrs. Cecil Coker went to Buffalo Lake Sunday.

Mr. and Mrs. Bill Roberson and George Storey were Amarillo visitors last Thursday.

Seaman C. J. Lance, who has been visiting his parents, Mr. and Mrs. Earl Lance and family and other relatives left Saturday.

Miss Dorothy Counselman of Amarillo spent her vacation with her parents, Mr. and Mrs. Counselman and helped with harvest.

Edwin Roy Hawkins of Lamesa is spending the summer with his grandparents, Mr. and Mrs. B. A. Atchley.

Sgt. and Mrs. George W. Neill and small son of Amarillo spent the week end with his sister Mrs. B. E. Roberson and family and his parents, Mr. and Mrs. W. C. Neill of Dawn.

Mr. and Mrs. B. K. Greeson were in Hydro, Okla., last week for the funeral of Mr. Greeson's sister. They were accompanied by Mrs. Roy Euler, who stayed longer for a visit with her relatives in Weatherford, Okla. She returned Saturday.

Mr. and Mrs. Ky Lawrence, Mr. and Mrs. O. B. Sumner and Linda Kay Noland, WAC Kate Holland of Dallas, Miss Betty

Holland of Greenville and Miss Shirley Sumner of Dallas were Thursday guests on the Lawrence ranch near House, N. M.

Mrs. Everett Storey and children are visiting her mother near San Diego, Calif.

Mrs. Frank Huckert was hostess to the New Deal Bridge Club last Friday afternoon.

Pfc. Thurman Atchley of Dodge City, Kans., stopped over for a short visit with his parents, Mr. and Mrs. B. A. Atchley. Thurman was on his way to Del Rio.

Mrs. A. J. McArthur of Virginia is visiting her parents, Mr. and Mrs. Jim Malone and her sister, Mrs. Raymond Palmer and family. The families of Raymond Palmer, Malone and D. C. Walsler enjoyed a picnic Sunday at the Hereford Park in honor of Mrs. McArthur.

Mrs. L. P. Shaw of Hereford and Mrs. West of California were visitors in our community Monday.

J. B. Noland and Jimmie Lookingbill were business visitors in Plainview Sunday.

There have been light showers of rain in our community the past week.

Farm Sale Scheduled For Saturday, July 14

G. L. Woods who has recently sold his home near Hereford and is moving to Happy, announces a sale of household goods, farm implements and livestock to be held at his place on Saturday afternoon, July 14, starting at one o'clock. The Woods place is located on

Highway 51, just south of the railroad.

In addition to Mr. Woods property, some household equipment has been consigned by H. M. Benson; and according to B. E. Brumley, auctioneer, other items may be consigned to this sale. Persons desiring to make consignments should get in touch with Mr. Brumley as soon as possible.

Brumley and Otten will be auctioneers and E. C. Eubanks will clerk the sale.

Some of your early garden vegetables are about used up now. Pull out the old plants, rework the rows and replant. You might put in some more beans, peppers or tomatoes. Keep your Victory Garden working full time.

Lineman Suffers Electric Burns

Burns on the thumb and two fingers of his right hand and on both feet were suffered by M. H. (Hap) Wiseman, Southwestern Public Service Co. lineman, last Tuesday when he received a shock from a 12,500 volt electric line near the O. E. Sherman place, northeast of Hereford.

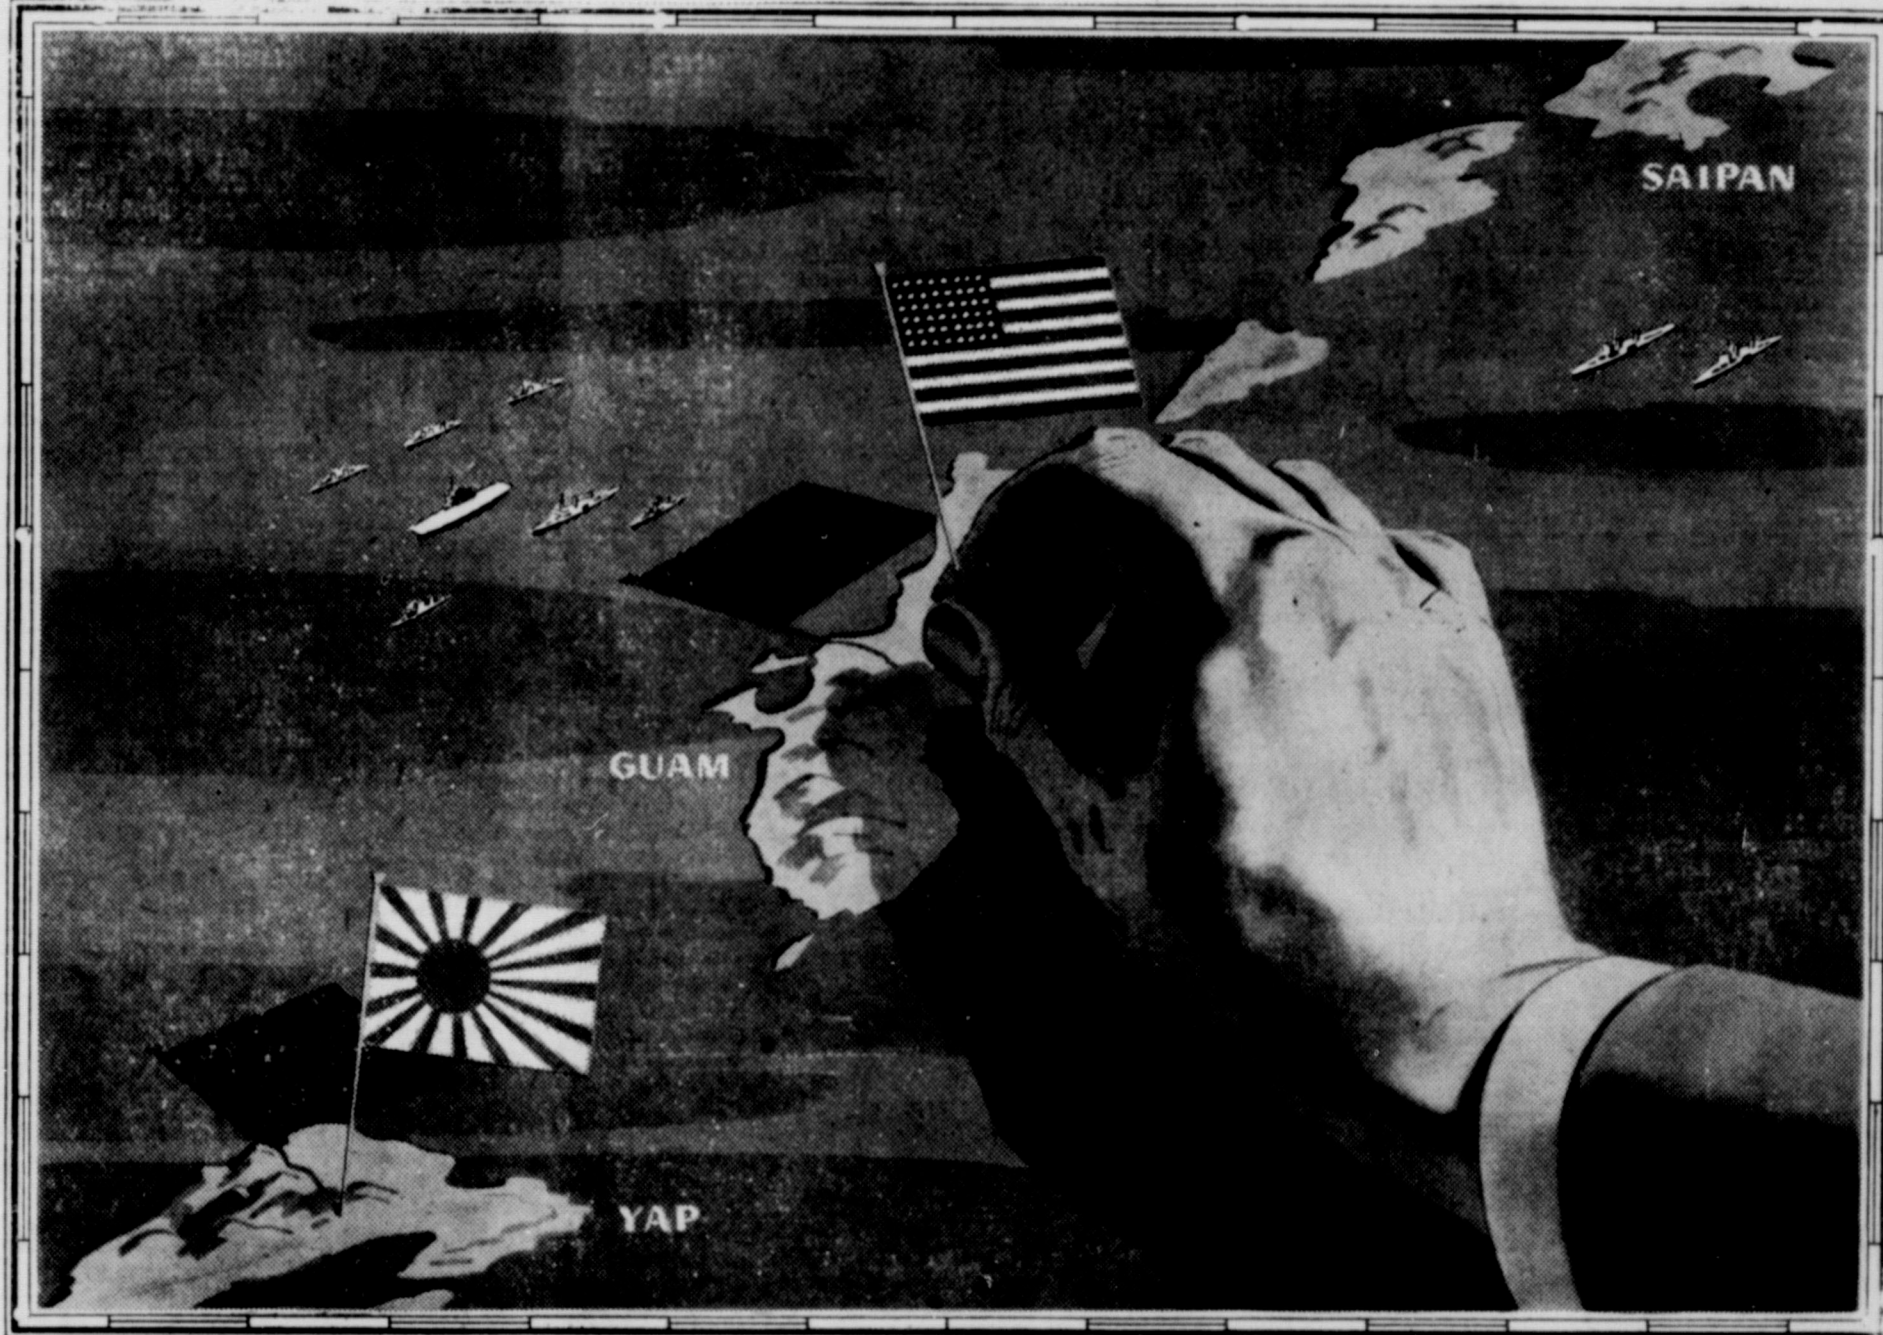

Wiseman was on a pole, connecting a secondary transformer at the Sherman irrigation well, when he dropped a jumper which connected with a hot wire, burning his hand and feet and knocking him unconscious for a moment. As he reports it, he "just crumpled up and sat down" on the trans-

former and was in that position when he became conscious.

"Fuzzy" Farris, Wiseman's assistant, was on another pole and saw the accident happen, and had started up to rescue Wiseman, who was, however, able to climb down from the pole by himself.

Soil must be kept well watered while potatoes are making. Watch the leaves. If they wilt during the day, give the plants a drink. A wilted leaf is not digesting plant food. No plant food, no potatoes!

You need approximately five thousand units of vitamin "A" per day. One good green pepper will supply this amount. Bell peppers are hot weather plants. Why not set out a few right now?

How much does it cost to move a pin?

On a war map of the South Pacific, the little red-white-and-blue pins march steadily westward.

Tarawa . . . Makin . . . the Marshalls . . . Saipan . . . and each move brings the pins closer to Tokyo.

And each move is mighty expensive business. The cost is high in dollars . . . and the cost is high in men.

To plant the Stars and Stripes on Saipan cost the lives of more than 2000 American boys . . . plus some 12,000 wounded and missing. Naturally, these losses cannot be summed up in dollars and cents . . . there is not enough money in the world to bring back 2000 dead Americans.

But in guns, ammunition, and other equipment, it is estimated that Saipan cost us many millions of dollars. Each of the many steppingstones remaining be-

tween our forces and Tokyo may cost as much or more.

Where is the money coming from?

It's coming from you, and millions of Americans like you . . . from the taxes you pay, and from the War Bonds you buy.

And while it may pinch a little, buying those Bonds is the smartest thing you ever did.

For the dollars you put in Bonds not only help win the war. They come back to you later—and bring more dollars with them.

In this postwar world we're going to build, they'll be the most valuable dollars anybody ever owned.

Get all you can of them—now!

WAR BONDS TO HAVE AND TO HOLD

Say Reddy
LIVING COSTS ARE 'WAY UP..

YES... BUT ELECTRICITY IS CHEAPER THAN EVER BEFORE!

20 YEARS OF GOOD CITIZENSHIP AND PUBLIC SERVICE

CHANTS of the Chanticleer

The Chanticleer met Roscoe Parr on the street corner Tuesday, and Roscoe, who is doing a large scale of wheat farming just west of Black, stated that he had received two good showers on his land, estimated at about an inch of rain. He estimated that it will help him in the preparation of his wheat land, but is not enough moisture to justify planting any row crops. Like nearly all other farmers of this territory, he is anxious to get enough row crop planted to at least supply fodder for his cows. He stated that a neighbor a few miles east of him received an inch or more of rain, which will enable him to plant feed crops, and that there is water in the lake near Black.

C. W. Dixon of the Rhea community northwest of Friona joined us and stated that they had had some light showers there, but did not think the amount of moisture received

justifies planting row crop in that locality, although some of his neighbors are thinking of doing so. He informed Roscoe that his neighbor, Mr. Lawrence, had some sweet sudan seed, which Roscoe was inquiring about and which he probably will not plant this late in the season.

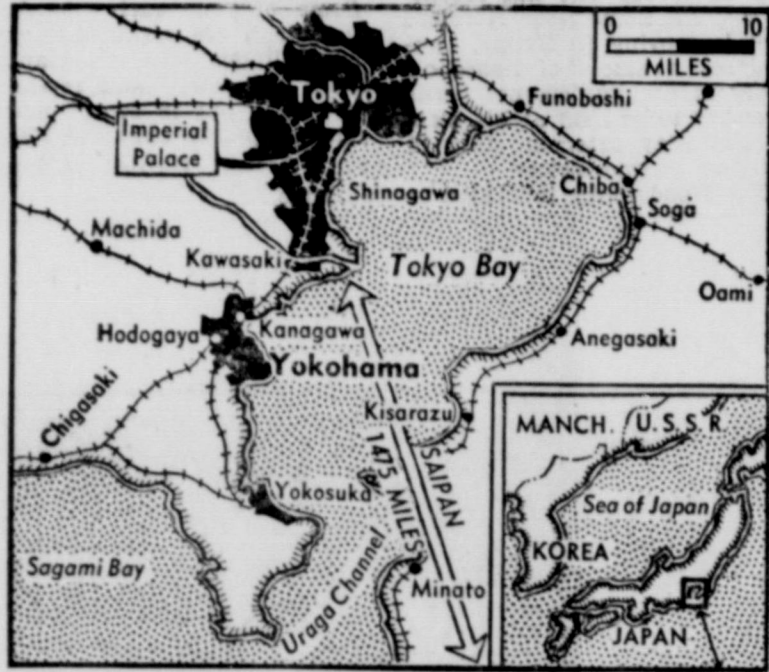

Met Mr. Gonsor at the depot Tuesday noon. He stated that he is not quite ready for a rain, as he is not quite through with his wheat harvest, of which he has 1100 acres and only one combine to cut it with. He has been handicapped in harvesting by having several breakdowns. His yield was not sufficient to boast of but better than expected.

Card of Thanks

We hereby extend our most sincere thanks and appreciation to the many good people of both Deaf Smith and Farmer Counties, who so nobly and freely came to our assistance financially in meeting the doctor's and hospital bill in the loss of my leg. It was indeed a blessing and a relief to us. Mr. and Mrs. Melvin C. Allen

Use Caution in Penicillin Dose For Livestock

Austin, Texas — News that penicillin, the "wonder drug", has now been released for treating livestock as well as human diseases, brought a word of caution to stock producers today from livestock health authorities. "Penicillin has very definite limitations, and there is danger that many livestock owners will be carried away by all the publicity it has received and endanger the recovery of sick animals by not knowing these limitations," says an announcement released here today by officials of the American Foundation for Animal Health. "Like the sulfa drugs, this new drug is effective against some types of disease-producing germs, but wholly useless against others. For this reason, a veterinarian should check any sick animals before penicillin is prescribed. The technique of penicillin administration is also compli-

Who Is Competent?
Hundreds of thousands of Americans who are seeking health, seemingly in vain, could find it under Chiropractic Care. Many thousands of them will never find it because they do not know or understand the principles of Chiropractic. Untold thousands of Americans are deeply filled with gratitude to some friend for having told them about the "Chiropractic Way to Health."
Unfortunately, however, other thousands of people for whom Chiropractic holds the only hope for health, will not seek such care because they have been told that, "Chiropractic is very good for many things, but it will not apply in your condition." If the person who made that statement had never studied Chiropractic, then he had never had any experience in applying it. Therefore, such a person is incompetent to say what Chiropractic Care might do in any particular case.
The only person who IS competent to say what Chiropractic might do for any sick person is a Doctor of Chiropractic.
