Floydada Experienced Driest Winter On Record

The driest year ever recorded, with only 8.45 inches measured. Last year's 13.25 inch total was preceded by a five-month winter sum of 2.08 inches. September was the only month last year when rainfall here exceeded two inches.

APRIL RAINFALL
Going by averages, April doesn't figure to bring much relief from the dry spell; over the last ten years, the average rainfall in April has been .70".

May, June and July averages have been somewhat higher, 3.01" for May, 2.98" for June, and 3.22" for July since 1960. The dust storms that have raked the area and the state have damaged more acres by wind erosion this spring than in any year since 1965, the U.S. Soil Conservation Service reports, noting that high wind velocities generally accompany a "severe drought."

The combination of high winds, low rainfall and lack of cover crops due to last fall's dry weather paints a not-too-happy picture for farmers and ranchers, not only in the Floyd County area, but all over the state.

BRIGHT SPOT
Although Floyd County dry-land farmers must have rainfall in order to plant, . . . and this is the situation for most farmers in the state, most Floyd County

Chamber Honors Floydada Industry People With Breakfast

The Floydada Chamber of Commerce observed Texas Industrial Week by hosting several Floydada industries and

big payroll businesses to breakfast in King's Restaurant Tuesday morning. Appreciation for the industries was voiced by chamber president Jake Webb and Mayor Jimmy Seay spoke in regard to a better sanitation system for both the city resident and industry.

Others not present were Hammonds Sheet Metal, Duncan Hollums and the Harry Morckels.

EASTER .. a time for Meditation

AN EASTER MESSAGE . . .

"And, lo, I am with you always, even unto the end of the world." - Matthew 28:20.

Thus spake Jesus, risen from the tomb, to His disciples. As they found comfort and inspiration in His words and in His presence, so may the Miracle of Easter hearten and inspire us in our daily lives.

Veteran school board member Howard Gregory was elected president of the Floydada school board Tuesday night. He has served on the board ten years.

He succeeds Newell Burk, who did not seek re-election to the board. Vice president of the board is Thomas Warren, secretary Flo Davis.

The school board election vote was canvassed and declared correct with Warren re-elected to the board, Jerrold Vinson and Betty Holmes replacing Bill Hale and Burk.

TENNIS COURT RULES
The board reviewed temporary rules for use of the new high school tennis courts and adopted them. They are printed on the sports page of this

issue of The Hesperian.

EIGHTH GRADE GRADUATION
Although there will be no official graduation exercises this year, there will be an assembly program on the last day of school, eighth graders will be given diplomas, outstanding students will be recognized.

OTHER BUSINESS
In other business the board re-hired Mrs. Mamie Lou Denley for remedial reading teacher at Duncan and Dougherty, and discussed repairing the east stands in the football stadium.

All board members were present, school superintendent A.E. Baker and business manager Claude Estes.

Warren, Vinson, Holmes Win Close School Race

Incumbent Thomas Warren received 368 votes here Saturday to retain his place on the Floydada Independent Schools board of trustees, and Jerrold Vinson and Betty Holmes took the other two board seats with votes of 208 and 205, respectively. In a photo-finish for second and third place, they barely nosed out Sammy Hale, 204 votes, and O.N. Bertrand, who polled 203, Harvey Allen, Joe Hesson and Arlis Powell, polled 152, 62, and 56 votes respectively. Voters in that election totaled 491.

W.F. Daniel Jr. got 410 votes to win a seat on the Caprock Hospital board of directors, and Jay S. Hale Jr., kept his seat with 299 votes. Sam Baker received 253 votes in the

hospital election. The uncontested mayor city council race at City Hall drew 149 voters, Mayor Jimmy Seay got 143 and there were six write-in votes cast in the mayor's race. Clay Henry and Sammy Hale received two each, Leonard Matsler got one, and Murry (Boley) Jones was named on one write-in ballot.

Incumbents Ed Hammond and Boone Adams were re-elected to the Council with 143 and 147 votes, respectively, and Bill Brown polled two write-ins in the city contest.

Parents Urged To Attend Baseball Meeting Tonight

The Floydada Youth Baseball Association will meet tonight at 7:30 in the Floyd County Farm Bureau Building, and Association president Carl Armstrong is asking that everyone interested in having the summer baseball program again this year for Floydada youngsters attend the meeting.

Main topic of discussion at tonight's meeting will be American Legion league play for 16- to 19-year-olds. This is the program which was in effect two years ago in that age group. Legion play will match Floydada with teams from towns such as Lubbock, Plainview and Slaton. The association is looking for a coach and sponsor for the American Legion team, Armstrong reports.

Pre-signup interest is running good among the boys, poor among parents, Armstrong notes, and reminds parents that they need to attend meetings now and let their opinions be known while the decisions are being made. The season opens June 1.

Nominees for baseball association officers (who will probably be elected with no opposition, Armstrong notes) are: for vice president - Bill Orman in the T-shirt league; Jim Jackson in the freshman league; and Jerry Thompson in the junior league; for president - Armstrong; and for secretary - treasurer - Jack Covington. Thanks to the Green Thumb

project workers, the junior league park remodeling job is nearly finished and new T-shirt park bleachers are now being constructed. Plans are to refurbish the freshman league park soon. Parents, coaches, and anybody else interested - make it to the baseball association meeting tonight.

Feuerbacher New Lion Prexy

Floydada Lions elected new officers at last Thursday's meeting; officers for 1971-72 who will take office in July include: Bill Feuerbacher, president; R. L. Giesecke, first vice president; Bob Allredge, second vice president; Wilson Bond, secretary; E. A. Williams, Lion Tamer; Tom Ney, Tail Twister.

New directors were also selected at the meeting. They include: Louis Anderson and Ricky Burns, both elected to two-year terms; and Jim Word, elected to a one-year term.

Boone Adams and Sammy Hale are outgoing directors; Bill Hendrix continues on the board. Hendrix and Feuerbacher, the incoming president, plan to attend the Lion's International Convention in Las Vegas, Nevada in June.

Lions Broom Sale Next Thursday

The Floydada Lion's Club annual broom sale is set for next Thursday, April 15. Local Lions and Boy Scouts will canvass the town Thursday afternoon selling brooms and other household items manufactured by Texas blind workmen in Texas Lighthouses for the Blind.

hold items made by the blind workmen.

The Lighthouse Caravan truck will be on the southwest corner of the square all day Thursday, selling brooms, mops, brushes, ironing board covers, towels, dishcloths and many other top-quality house-

R. L. Giesecke, second vice president of the local Lions and chairman of the broom sale, notes that Lions' profits from the sale are used each year to buy glasses for needy school children and for other community projects, and asks housewives to "save your money for the Lions Club members and Boy Scouts who will come by Thursday afternoon to sell you a broom."

Schools Will Dismiss For Easter Friday

Floydada schools will dismiss at 2:30 p.m. Friday, April 9 for a week long Easter holiday. Classes will resume at the usual hour Monday, April 19. School officials said a make-up day would have to be scheduled for students for the day school closed due to a February snow storm. That date will be announced later.

AN EDITORIAL

A ...is for APATHY

According to Webster's dictionary, "apathy" means, "lack of feeling or emotion, impassiveness, lack of interest or concern, indifference."

Although the Floydada community is just chuck full of good people, we suspicion that we have sunk.....or we may be sinking into a state of apathy.

Each week we attend several different kinds of meetings in our community. We see a lack of interest in most of them as indicated by the amount of people attending each.

We see a continuing lack of interest in church attendance, farmers meetings, cotton promotions, water organizations, merchant meetings, even leadership for recreational activities.

It is extremely difficult to find workers for Salvation Army, Red Cross, Heart Fund, Girl Scouts, Boy Scouts, baseball programs, community center.

Of course we are mighty thankful for the old faithfuls who continue to give of their time in keeping most of these organizations going.

In some cases it is not a matter of Indians (workers) but a need of leadership (Chiefs).

Hardy's Race Car Business Expands

Remodeling work is underway on the building housing what is probably Floydada's most widely-known business, the showroom at Don Hardy Race Cars is being turned into additional work facilities, expanding the work area and increasing the size of the operation another one-quarter, according to owner, Don Hardy.

Hardy recently purchased the building where his industry is housed, and says he expects to stay in the city "another day or two, anyway." The business has shown steady expansion since Hardy built his first "funny car" in 1961. After his return from the service in '65, he put out two "funnies," then built two more in '66 and two in '67. In 1968, funny car building picked up for Hardy and he built 10 of the powerful drag-racing cars; then in '69, the local shop built 14 "funnies," and last year 19 of the nitro-burning, 1500-horsepower machines were put out by the Hardy crew.

They'll build about 15 to 20 again this year, Hardy says. The "funny" business has become a full-time job, forcing Hardy to give up the racing and mechanic's end of the drag-racing business. He toured as a mechanic for three years with

Kelly Chadwick, the former Floydada school teacher well-known on the drag-racing circuit, Chadwick and Hardy started out together in racing, and the local shop still tries out new ideas and innovations on the Chadwick car.

In addition to Chadwick's Chevies, Hardy builds cars for Mike Burkhardt, Candies and Hughes, and Dick Harrell, to name a few of the better-known drivers and owners. Hardy is

Miss Hammonds Honored With Gift Shower

Miss Ann Hammonds, bride-elect of Lanny Glasscock of Lockney, was honored with a gift shower Friday afternoon in the home of Mrs. William Bertrand.

Guests were received by Mrs. Bertrand and presented to the honoree, her mother, Mrs. Weldon Hammonds and mother of the prospective bridegroom, Mrs. Bill Glasscock.

Linda Glasscock, sister of the groom-to-be, and DeAnne Cates served punch and cookies. Crystal appointments were used.

The table was laid with a white nylon net cloth, complemented with orchid ribbon and lace flower motifs. The centerpiece was a large orchid colored candle trimmed at the base with orchid colored roses.

Hostesses were Meses. Neal Bertrand, Milton Harrison, Maurice Campbell, James Lee Nichols, F.D. McClintock, Clifford Helms, Q. D. Williams, Keith Patzer, J. D. Cates, LeRoy Burns, H. G. Watts, Floyd Bradford, Winfred Payne and Mrs. Bertrand.

Their gift was cookware.

Delta Kappa Gamma News

BY MRS. KIRBY

Mrs. Charles Tyer, Floydada, girl's health and physical education teacher, was initiated into Delta Kappa Gamma, international honor society for women educators, in Tulsa, Saturday morning, April 3, 1971, following a coffee hosted by Tulsa members.

Mrs. Tyer is a graduate of West Texas University, Canyon. She taught at Amarillo Junior College and in Amarillo Public Schools before joining the Floydada faculty. She is the mother of three daughters, and the wife of Floydada's High School principal, Mrs. Tyer has a pleasing personality, relates well to her students. They look forward and enjoy being with her and in her classes. She is an active worker in the children's dept. of the First United Methodist Church.

Other initiates included Mrs. James Davis, Silverton, and Mrs. Blake Hefley, Tulsa. Miss Gladys Peck, Floydada, escorted Mrs. Tyer at the initiation services conducted by Mrs. Kermit Mitchell, Mrs. David Burgess, Mrs. Ray C. Douglas, Miss Linda Beth Jeffers, and Miss Lucille Flowers.

During the business meeting, the chapter voted to add two dollars per member (about \$134.00) to the scholarship fund.

JACK WHITE DISPLAYS ART WORK by artist Jack White exhibits his boy Tom Mix which he was do for the Tom Mix Museum, art work will be on display at Floydada April 13 and 14 at KFLD. Don Cheek of Floydada will display the art work. The sponsored by the 1950 Study Club.

PREPARING FOR EASTER ... Little five year old Barbara Garcia, daughter of Mr. and Mrs. Vincent Garcia of Floydada, is hospitalized with burns, but it won't keep her from observing Easter Sunday. The little lady has been busy dyeing Easter eggs this week in preparation for the day. Barbara sustained burns February 21 when her robe caught fire. She is improving at Caprock Hospital.

Rebekah Lodge To Hold Game Night April 12

Floydada Rebekah Lodge is holding a game night at 7:30 p.m. April 12 at the Lodge Hall. Proceeds from ticket sales, which may be purchased at the door for 75¢ per person, will go toward the building fund.

The ticket will also be good for cake, pie and coffee to be served. Table games including dominoes and 42 will be played. Everyone is invited to attend and bring a friend.

Mrs. Nichols Is Club Hostess

Mrs. R. L. Nichols was hostess for the meeting Thursday of the 1922 Study Club meeting in King's Restaurant. Members answered roll call by naming a wild flower.

The devotional was brought by the program leader, Mrs. Noel Troutman, based on flowers which pertain to God's Beautiful World.

A report on the District convention held in Plainview was given. Representing the 22 Club were Mrs. Lon Smith, who attended on Thursday and Mrs. E. F. Stovall, Mrs. Ben Whitaker, and Mrs. Wilson Kimble, who attended Friday.

Present for Thursday meeting were Meses. Kenneth Bain, J. H. Barnard, P. W. Bell, D. W. Burk, P. D. Helms, Bessie Henry, Wilson Kimble, R. L. Nichols, E. F. Stovall, Noel Troutman, W. O. Tye, Ben Whitaker and Mrs. J. M. Willson.

Club will meet again April 22 for a program by Floydada Girl Scouts. Mrs. Wilson Kimble will be hostess.

and board and incidentals for the girl. A way out of the country of Romania to this one, has been paved for another. Dr. Petrassachio, who is now back in New York, is really counting his blessings. There is a way Floyd County residents may help with the expenses of his niece, contribute to Lubbock Christian College.

PAUL Crum says the Hilton Inn employs in Dallas has recently been wearing big buttons with the letters "P.S." on them. It's supposed to make guests ask what they stand for, and the employee is told to answer that it's part of the Hilton's "Please Smile" campaign. Sales manager Dave Mealey was wearing his button in an elevator the other day when he noticed a large man glaring angrily at the button. "That means 'Please Smile'," Mealey explained. "Oh," said the guest gently, the still glaring, "I thought it was an old Preston Smith campaign button."

CAST your peepers on this women:

Less than a third of the female population was in the labor force in 1947; more than two-fifths of the women were working or seeking work in 1969;

Where 41 percent of the women working in 1947 were married (with husbands present), by 1969 the proportion had risen to 59 percent;

Where female employment increased over 60 percent between 1950 and 1968, the employment of mothers with children under 18 increased 2.6 times;

The number of working women age 45 to 54 more than tripled between 1940 and 1968, and the number between ages 55 and 64 increased more than fourfold;

Texas had over a million women workers in 1960, or nearly half again more than in 1950 and more than twice as many as in 1940. Women accounted for 33 percent of the state's labor force in 1960, compared with 27 percent in 1950 and 23 percent in 1940;

When Floydada beat out Della Plains by a sizable margin for the county seat location many years ago, the town really celebrated. Not like Old Settlers of today, but a 'whoop-em-up' that lasted throughout the day and night. Two steers were butchered and bar-b-que'd for the meal. Tin cups were tied to each of the three barrels of whiskey set on the city square, sweet music rippled from homemade stringed instruments and while the night was danced away, children slept on pallets. Cowboys came from miles around to square a pretty belle in the year of 1890.

LOCAL friends have learned through Dr. Cornell Petrassachio that he has received encouraging news that his niece, who is in Rumania, will be released soon and on her way to Texas. The news didn't seem so good at first for there was no employment for her or a place to live. Then wheels started clicking and before you could say "Jack Robinson," Dr. Maddox of Lubbock Christian College consented to provide a four year scholarship, room

Art Show Here April

"Echruoseous" art work by a self taught Austin artist, Jack White, will be on display at an art show to be held Tuesday and Wednesday, April 13 and 14 in Radio Station KFLD in Floydada. The event is being sponsored by the 1950 Study Club. The show will be open from 9 a.m. until 6 p.m. Paintings by area artists will also be on display.

Don Cheek of Floydada is an agent for White, who turned artist after a career in architecture and has developed the unique "Enchruoseous" technique. The name is derived from the Greek combination of words meaning "out of gold being done" and was coined by the artist.

He uses 14 or 23 carat gold leaf on glass to accomplish the unusual works of art that are bringing such wide acceptance.

Art Show Here April

Members of the 1929 Study Club met in the home of Mrs. J.A. Arwine last Thursday for a program on Status of Women given by Mrs. D. W. Kirby.

During business, presided over by Mrs. Clay Henry, members discussed the Community Improvement Program.

Roll call was answered by members naming a woman they admire.

Several members were in disposed and unable to attend the meeting.

Mrs. Kirby opened her program by stating that the Texas Federation of Women's clubs is not a part of the demanding "lib" group, that its members have fathers, brothers, husbands, and sons whom we love, that we want the best for them as well as for ourselves. Mrs. Kirby believes the law restricting the number of hours a woman can work is unjust - that if women need this protection, so do men. The death rate is higher among boy babies; the life span of women is longer than that of men. Why not protect men equally with women? In reality, this law is a discrimination against women in obtaining employment. An employer prefers an employee whose work schedule he can arrange.

After reading Genesis 1:27, 28, Mrs. Kirby commented that God had created biological differences that even the "lib" women cannot deny. Other differences seem to be in physical strength, interests, and emotions - not sure to what extent these differences are in-born or a result of training. One woman said she had to wait until she was grown and married before she could have an electric train because her parents believed trains were for boys.

Also to explain the relationship between husbands and wives, Eph. 5:24 was read: "But as the church is subject to Christ, so let the wives also be to their husbands in everything. 25, Husbands, love your wives, even as Christ also loved the church, and gave himself up for it...."

Mrs. Kirby believes Numbers 27:1-11 contains the first written record of the inheritance of a father passing to his daughters.

Club Will Reset Home Tour

Members of the 1934 Study Club decided at their regular meeting Tuesday night that their annual home beautiful tour would be re-scheduled for some time in the fall rather than this spring.

The meeting was held in the home of Mrs. David Campbell with the club collect being led by Mrs. Vernon Parker. Mrs. W. O. Newberry, vice president, presided over the session in absence of the president.

Club Members Meet With Mrs. Ray Morton

Members of the 1950 Study Club met Tuesday night in the home of Mrs. Ray Morton. Roll call was answered with "cut a corner to the grocery store." Prayer was voiced by Mrs. Carl Armstrong.

During business club members voted to sponsor an art show featuring paintings of Jack White, and area artists. The event has been set for April 13 and 14 at Radio Station KFLD. The art show will be open from 9 a.m. until 6 p.m. Mrs. Dallas Ramsey is chairman.

Mrs. Bill Hendrix, finance chairman, gave a report on the 1971 Style Show.

The program on Folk Art was presented by Mrs. Gene Arwine.

WHY DO MEN FIGHT AND DIE?

I come to fight and maybe die, To keep our country free; But I am not alone my friend, There are thousands here like me. Some folks riot and demon- strate, For "PEACE" and no more war; They talk of "LOVE" and other things, But they don't know the score, They yell "Police Brutality," Asked why they won't fight for it, They say "That's not my bag," How can they say that this is wrong, When they refuse to serve; They say that they won't come and fight, For the FREEDOM all de- serve. I think of this both day and night, For them, I men have to die; And then I get down on my knees, And ask "Dear God, Oh Why?" But I have been there and now I know: It's a necessity, For men to come and fight and die, To keep our country free, We know that freedom cannot be, If they just cry and whine; And just so you can live life free, We lay ours on the line. So don't forget the boys away at war, None of us are afraid to die, because we are fighting for what we believe in.

Letters To The Editor

Floydada, Texas
March 30, 1971

Dear Editor:
I don't know the reaction of others at the news of the guilty verdict brought by the Military Court against Lt. William Calley. My deep feeling is that a great injustice has been done a brave American boy who was doing what he was trained to do and had orders to do. War is War. About the time of the My Lai incident I remember reading or hearing on TV "that the Viet Cong were so thick in South Vietnam and so mixed with all others, no one knew foe from friend. Women and children were taught to kill, and set booby traps (if you haven't seen booby traps, I'll say they made my flesh crawl; they are horrible) even children threw hand bombs to kill our boys. And only way we could hope to defeat them was to take them village by village and completely wipe them out."
American hearts are touched by anything cruel. Godless Communists know no such compassion.
If you will read your Bible in the Book of Joshua you may be surprised to read God's orders (in war). In Joshua 6:21 the com- mand was kill men, women, young and old and all animals within the city. Joshua 8:25, kill all men and women. Joshua 10: 32, 33, 35, 37, 40; Kill all souls, let none remain. Joshua 11:11, 14; Let nothing remain that breathes in all cities in the war. Why? God said because of their wickedness. And Joshua obeyed God's orders.
Even Achan, an Israelite that disobeyed God, was killed, all his sons and daughters (children) and all that he had and all his animals.
Why are we warring with a Godless people? What would happen to many innocent women and children if we fall into their hands? What has happened and is still happening to our prisoners of war? Many are dead and dying. Does your heart break over all who died and are dying as much as hearing and seeing sad pic- tures of My Lai in War?
You let war come to our shores and we will see our own chil- dren dying in their own blood. That is what all our Lt. Calleys are bleeding and dying to prevent.
May God pity our nation and our Military Brass that trains our sons and grandsons to fight and kill for love of country and homes. Then class them as murderers and low class criminals. It could have been your son or grandson. What are we going to do about it? Will we write letters of protest to those in authority about this disgraceful thing? Or just sleep along until it comes home to us?
What if Lt. Calley was your soldier boy? What would your reaction be?
This thing was played up to touch especially our young people. We haven't seen the countless innocent little ones killed by communists as well as countless others. Inevitably as strongly about anything. If you do, please write those in authority.
Mrs. W. S. Simmons

Dear President Nixon:
I request that my son, Richard D. Nelson, 464-82-3247, 388th Trans. Co. (AS) APO S.F. 96291, be alleviated from duty in Vietnam. I want him returned to the U. S. immediately before the government in this nation can process a murder charge against him, as in the Calley case.

I ask you, how can a soldier serve in war and not commit murder? You and thousands of officials have sent these boys over there to kill the enemy and defend the South Vietnamese, now return them!

You've allowed this Calley trial to destroy every ounce of con- fidence the American people, especially the military men, had left for this country. It was a sin and disgrace to this blessed nation to have permitted this trial to ever begin, but the verdict is the most heinous crime on behalf of the jury that America could have ever known.

There are and will be repercussions from this trial not only from this nation, but military men all over the world will de- nounce the horrendous people who were instrumental in bringing Calley to trial.

Isn't it ironic that the verdict of Calley and your declaration of that week being "National week of concern for Americans who are Prisoners of War or missing in Action" should happen the same week? You urged the people to pray, which is good, but you also urged people to "voice deep concern for the prison-

ers and missing men, to inspire their loved ones with courage and hope, and to hasten the day when their ordeal may end."
What hope, what courage could anyone have now? Hasten the ordeal to be over? For what? To return home and stand trial for murdering the enemy?
Can one conceive the grief, dismay, sorrow, tears, that must be prevalent among the POW's, as the communists scoff and relate the verdict to them? The utter desolation they must have felt in their hearts when this message was conveyed to them. Shame on this ungrateful people that caused Calley to stand trial for murder!

The audacity of the government to bring this man to trial when people such as Clay, Hoffman, Spock, Angela Davis, Fonda, Seale, Black Panthers, Weathermen, etc. - draft dodgers, sym- pathizers of draft dodgers - communist organizations are so free to burn, loot, kill and any other kind of atrocious crimes they so desire, are roaming the countryside inciting riots, en- couraging and condoning killings and guerrilla tactics in this nation.

These are the ones America needs to be trying. These are the criminals, as FBI Hoover, a great man, has so aptly exposed. Also the corruption and stealing by high officials all over this country from the taxpayers and never coming to trial. These are the scoundrels the government should be after to "hang." Spend the tax money on prosecuting the real criminals and not an underpaid service man, for doing his duty and protecting his men from being slaughtered.

Anyone knows that this war has been fought by civilian com- mies of all ages and sexes. Our men have been killed or maim- ed for life because the communists would place grenades and such around children's bodies and send them into a platoon, crying, and blow up the child as well as our GIs. Accounts have been made official of children hearing Americans into an am- bush and then raise their clothing and begin to machine gun our boys. Children did this!

I can certainly understand how a man could be so filled with animosity he could start killing in a hamlet such as My Lai with- out stopping to ask if they were friends or enemies. Calley knew they were enemy, because this particular village was no- torious for this particular kind of guerrilla warfare.

Calley was doing his job, as a soldier, in time of war. He was killing enemies so that more of our boys could come home to their families. Calley should be completely exonerated of any guilt or punishment in this case, by you, Mr. President of the United States of America. A Country I love.

Very sincerely,
/s/ Mrs. Julian Lipham

Ray Foster "Miss Funtastic"

A stunning red head was crowned "Miss Funtastic" at Junior High School Friday night. "She" was a popular Jr. High eighth grade boy, Ray Foster.

While most of the contestants wore wigs, Ray had undergone a full beauty salon hair styling job that really turned the judges' eyes his way.

The five finalists in the bevy of 12 beauties included: Mike

Estes, Ray, Royce Chadwick, Drew Shurbet and Steve Lackey.

Principal A. W. Coltharp said the program made \$377 for the school which will probably be used in remodeling the auditorium.

He expressed his thanks to White Auto Store for props; judges Peggy Dyess, Sallye Harris and Patsy Webb.

Five FHS Students Advance To Regional In Literary Events

Five Floydada High School students won first place medals at the district UIL literary meet Saturday in Littlefield and earned the right to represent the school in the regional meet later this month.

The first-place winners are: Rosanne Els, informative speaking; Nancy Davis, prose reading; Charlotte Decker, ready writing; Beth Guest, typewriting; and Kathy Chappell, shorthand.

Also taking first place were two freshmen who do not go on

to regional competition - Margywnne Giles and Johnny Willson, both in ninth-grade prose.

Winning second for Floydada were the following students: LaDonna Bilbrey and Nancy Winter in debate; George Johnston, informative speaking; Douglas Garrett, prose reading.

Taking third place were Joe Kimble, in number sense, and Sam Henry, in persuasive speaking. Lisa Gregory finished fourth in typewriting competition.

Dust Storms May Get Worse

Dust storms that have ravaged Texas in recent weeks may get worse before they get better warns the head of the state's U.S. Soil Conservation Service.

Clyde W. Graham, SCS State conservationist, says Texas dust storms have reached alarming intensity. "Acres damaged by wind erosion this blow season are already higher than any year since 1965," Graham reports. "If we don't get widespread rains soon, wind erosion damages may reach mid-1950 levels."

Graham said the record-breaking drought is a major cause of the problem. Many areas report winter rainfall to be the lowest since records were started.

"Dry weather last fall kept many farmers from planting cover crops," Graham continued. "The drought has also reduced the effectiveness of emergency tillage which some farmers rely on to prevent wind erosion. And high wind velocities in the December to May blow season, always seem to accompany a severe drought."

He said the combination of drought, high winds and lack of cover was causing serious land damage across a wide section of the state. The storms are also creating health problems for people with respiratory ailments. Reports from SCS offices tell of roads and streets blocked with sand and 6-foot drifts against houses. And it's not just a farm problem. Sandy land being stripped bare for urban developments is blowing too.

About 2 million acres of land in Texas has been damaged by wind erosion this year which is about the same as 1965. This compares to only 126,000 acres damaged last year. The most wind erosion in the past 20 years occurred during the 1956 blow season when 2.7 million acres were damaged.

Graham expressed concern that the 2 million figure for 1971 may double unless it rains soon.

He pointed out, however, that conservation programs pushed by his agency and by local soil and water conservation districts have been extremely valuable in curtailing wind damage this year. While the 2 million acre figure is high, it isn't close to the 15 million acres damaged during Dust Bowl days of the 1930's.

"It's remarkable how land covered with a good surface mulch of crop residue is being protected from wind erosion," Graham said. "Farms and ranches covered with conservation measures installed under the Great Plains Conservation Program are weathering the wind storms especially well."

Graham said that in the last 15 years some 500,000 acres of cropland subject to wind damage in Northwest Texas have been planted to protective grasses. Nearly a million acres of depleted rangeland have also been seeded. Better grassland management is holding down wind erosion on range and pasture land.

"But 2 million acres of land being damaged by wind this year is simply intolerable," Graham said. "Especially when you realize it could have been prevented. It's easy to blame it all on the drought but that's only part of the cause. We've been urging people for years to do a better job of leaving crop residues on the soil surface. Many listen but some do not."

Graham said that when you have good moisture, as we have had in recent years, wind velocity drops. And emergency tillage works as a good standby measure. As a result, people get by without wind damage during good rainfall years in spite of the fact that their land may be bare. This lulls many farmers into complacency and they ignore sound conservation farming principles.

But right now, the state conservationist said all that would help is a good rain.

CAP Banquet Set Saturday

The Floydada Civil Air Patrol Squadron will hold its annual banquet at 7:30 Saturday night at King's Restaurant, Captain David Townsend, Reese Air Force Base, will be the guest speaker.

Switching to Caparol is easy. In fact, it's one of the reasons for switching.

If you've held off buying a pre-plant cotton herbicide this long, or haven't treated all your acres yet, you've done the right thing. You've kept your options open.

One of those options is banding Caparol® herbicide pre-emerge. It makes a lot of sense with money tight, and cotton cheap. Caparol can give you the weed control you need, while saving you the expense of broadcasting and incorporating a pre-plant herbicide.

Perhaps, you're a bit hesitant about switching to a new practice. Everyone is. But switching to Caparol is easy, because it's so easy to apply.

Caparol goes on behind the planter. Even right from the planter if you like. Just mount a spray nozzle behind each press wheel, and you can plant and spray Caparol in one trip.

Caparol needs no incorporation. Moisture is all that's needed to move it into the weed root zone. So when you spray

Caparol, you don't have to do anything else. It's the last thing to go on the planter.

The treatment can't be disturbed by planting the way a pre-plant treatment can.

What's more, banding Caparol pre-emerge at planting keeps you open till the seed goes in the ground. You won't be paying for weed control months before you need it.

You can rotate to sorghum or back with cotton. Carryover isn't a problem with Caparol. Neither is cotton carelessness. Caparol gets it and morningglory too, along with the weeds, and many grasses in your field.

So you've done the right thing. Now, check out Caparol from your supplier. See why the switch to Caparol, and how easy it is to switch.

Services For Holy Week At Catholic Church

(By Father Balthazar)
HOLY THURSDAY: Easter Triduum begins with the evening Mass of the Lord's Supper.

Holy Thursday is the anniversary of Lord's Supper when Jesus ate the Paschal Meal with his Apostles. It was then that he instituted the Eucharist, which is a sacrament, sacrifice and Memorial. He commanded his last disciples to repeat this action as a Memorial to Him. It was also then that he washed their feet and gave us an example and command of brotherly love.

Unselfish love is the theme of this day. It should contain works of mercy, care and concern in response to Christ's words "I gave you a new commandment 'Love one another'." In 13/24.

One feature of this day is the washing of 12 lay people's feet of the parish. We are reminded that Christian Life means humble service.

There is a reading from the book of Exodus telling of the first Passover. It included a sacrifice and a meal as a memorial to God's love for his Chosen People. The second reading recalls that our Lord celebrated a new covenant in his blood as a sacrifice, sacrament and memorial with the new People of God.

GOOD FRIDAY: The reading of the Passion according to John is proclaimed. The second reading from Hebrews recalls that Jesus submitted and became for all mankind a source of eternal Salvation.

The Cross is venerated. The congregation will genuflect and kiss the cross as a sign of sorrow and gratitude.

HOLY SATURDAY: A large Paschal candle is lit, symbolizing that "Christ is the Light of the World." All the congregational candles are lit from the large candle, then a procession into the church begins by the people from outside. Christ is our "Mighty Fire" leading us, the new Israel.

The Baptismal promises and vows are renewed. We promise by our witness to be renewed in our conduct to the new life bestowed on us in Baptism.

EASTER SUNDAY: This is the day the Lord has made, let us be glad and rejoice in it. Ps. 118/24. Christ is Risen alleluia.

The message, the spirit, and the impact of Easter go on through the entire year; and every Sunday throughout the year is a miniature Easter Celebration.

Christ has died; Christ is Risen; Christ will come again. **MASSES THE HOLY WEEK:**

Neighborhood Board Views Program

The Neighborhood Board met Monday night and viewed several areas of the Community Action program and heard explanations of the programs.

The budgeting class, which is held on Tuesday nights, is one of the best adult classes being presented at the Center, however more participation is needed, according to officials.

Problems in buying, short and long range planning, insurance and other informative information is discussed at the classes, which are open to everyone.

A clean-up campaign is also in the making at Delta Plaza. All residents, property owners and others as well will be asked to assist in the project. You will be contacted on the date the campaign is to begin.

The Center is also starting a tutoring class after Easter for students who attend Duncan Elementary School. Parents who have children with low grades are urged to see that they attend.

A Well Baby Clinic for youngsters under one year of age, was held at the Center April 1 and the clinic will continue to be held the first Thursday of the month, the next being May 6. Additional information may be obtained from the Migrant Health Office.

OBITUARIES

W. B. (JACK) HENRY

Jack Henry

Services for a longtime Floydada civic leader and retired postal employe, W. B. (Jack) Henry, 74, were conducted Wednesday afternoon in the First United Methodist Church. Henry died about 6:30 Monday morning in the Methodist Hospital in Lubbock where he was taken Saturday. He had been in failing health the past several months with leukemia, but active until becoming ill Friday evening with a virus.

Henry was born December 15, 1896 in Cane Hill, Ark., and moved to Floydada at the age of two with his parents, the late Judge and Mrs. F. P. Henry. His father was county judge when Floydada was incorporated in 1909. Later his father became postmaster and Henry started working as a postal employe. He became acting postmaster serving some three years, and was postmaster from December 3, 1952 until March of 1953. He retired in May of 1958.

He was married to Allene Hopkins in Floydada, April 18, 1920.

Henry was a veteran of World War I, and helped to organize the Cub Scout program, in which he was active. He was a Mason, a member of the Floydada Chamber of Commerce and served as commander of the American Legion Post of Floydada several terms. He was also a member of the Methodist Church.

Survivors include his wife, his son, Dr. Jack H. Henry, a major at Maxwell Air Force Base in Montgomery, Ala.; one sister, Mrs. T. M. Bartley of New Port, Ark., and one grandson.

Pallbearers were Roger Poage, Bill Hale, Glad Norman, Ray Gene Ferguson, Robert Stovall, Louis Reddy, George Chatman, and Don Carthel.

Rev. C. B. Melton officiated for the rites. Interment was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Geo. Ledbetter

Services for George Ledbetter, 80, longtime Floydada resident, who died Tuesday of last week, were conducted Saturday in the Mt. Zion Baptist Church in Floydada. Rev. Bean, pastor of the Roaring Springs Church, officiated. Burial was in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Survivors include her husband, three sons, Bob of Lockney, Jake and Truman, both of Quitaque; three daughters, Mrs. J. P. Taylor of South Plains, Mrs. Jane Pigg of Kress and Mrs. Ruth Douglas of Springlake; two sisters, Mrs. Claude Leudermilk of Silverton and Mrs. Dyke McMurray of Bumas; one brother, Richard McGowan of Springlake; 15 grandchildren and four great grandchildren.

Rev. Leo Cole, pastor of the Flomot Baptist Church, and Rev. Ned Record, pastor of the First Baptist Church in Lockney, officiated at rites. Interment was in Edgen Cemetery near Quitaque.

D.W. Fyffe

action of Moore-Rose Funeral Home.

Survivors include three sons, eight daughters, one step-daughter, 54 grandchildren and 27 great grandchildren.

I.C. Surginer

Final rites for a retired Floydada farmer and merchant, Isaac Carr Surginer, 87, were held Sunday afternoon in the First Baptist Church in Floydada. Surginer died Thursday evening of an apparent heart attack at his home on Main Street.

He was a native of Hill County, born November 21, 1883. He came to Floyd County with his parents, who drove cattle here for ranching purposes. They settled between town and what is now the Lakeview Community. In later years he and his father went into the hardware and furniture business in Floydada locating on the north side of the square. The building still bears the name of C. Surginer and Son. The deceased was also a mortician and for a time was associated in the grocery business with C. W. Gound.

Surginer and Lena Mae Snodgrass were married December 25, 1900. She died in 1937. Later he was married to Mrs. Maud Morris, who died in Floydada April 16, 1945.

Surginer was a civic leader in Floydada before retiring and was also a member of the Blue Lodge and Royal York, Masonic Lodge and the Odd Fellows Lodge.

Survivors include one son, Leslie Surginer of Washington, D.C.; one sister, Mrs. Rachel Ivy of Graham and a nephew, Garner Surginer of Corpus Christi.

Dr. Floyd C. Bradley officiated at rites. Interment was made in Floydada Cemetery under the direction of Moore-Rose Funeral Home.

Pallbearers were Charlie Bedford, Carrick Snodgrass, Ernest Miles, Kinder Farris, Clement McDonald, Melvin Henry and A. T. Hall.

Mrs. Merrell

Funeral rites for Mrs. Warren W. Merrell, 73, longtime Floyd County resident, were conducted yesterday afternoon in the First Baptist Church in Flomot. Mrs. Merrell, mother of Mrs. J. P. Taylor of the South Plains community, died at her home shortly after noon Monday. The family home is near Quitaque, just inside the Floyd County line.

Mrs. Merrell was born in Haskell County, Texas June 23, 1897. She was the former Johnny Virginia McGowan before her marriage December 7, 1913 to Warren Merrell. The couple has lived in Floyd County 47 years.

Survivors include her husband, three sons, Bob of Lockney, Jake and Truman, both of Quitaque; three daughters, Mrs. J. P. Taylor of South Plains, Mrs. Jane Pigg of Kress and Mrs. Ruth Douglas of Springlake; two sisters, Mrs. Claude Leudermilk of Silverton and Mrs. Dyke McMurray of Bumas; one brother, Richard McGowan of Springlake; 15 grandchildren and four great grandchildren.

SPORTING EVENTS

CHADWICK-TOOLEY ADVANCE TO REGIONAL

Lockney First, Floydada Second In District Tennis

It was a beautiful day in Floydada Monday and perfect for tennis. Floydada's first district tennis tournament. All that marred the day for the local netters was the fact that

they were nosed out of first place by Lockney. It was Lockney's sixth consecutive district 3-AA first place. When the totals were all in, it was Lockney with 43 points,

Floydada 41, Morton 25, Friona 10, Abernathy 3, Littlefield and Olton 2 points each. FLOYDADA VARSITY FIRST Floydada had 35 points in the varsity division to Lockney's

30, but Lockney accumulated 13 points with three firsts in the Freshman division, while Floydada gathered only six with a first and a second. For the third straight year,

a Tooley advances to the regional tournament. This year Karla Tooley teamed with Denise Chadwick to win the girls' doubles championship. They defeated Collins and Hays of Lockney 6-3, 6-1 in the semifinals and then defeated Massie and Brown of Friona 6-2, 6-1 for the title.

One of the most exciting matches of the day was the last to be played, and on the brand new high school court. It was between Morton's Keith Embry and Floydada's Miles Davis. Davis was leading the first set 4-2, but finally lost 7-5. Then the persistent Embry took the second set 6-3. Davis had upset Lockney's David Brotherton 7-5, 6-3, before entering the finals against Embry. SEE TENNIS PAGE 10

FHS Second In District Golf

The Floydada High School golf team finished second in the District 3-AA playoff Monday at Pine Hills Country Club in Lubbock. The Whirlwind golfers shot a 331 to finish behind Abernathy's 323. The second-place finish earned them the right to play in the regional tournament April 22.

Andy Hale shot a 76 to earn medalist honors for the playoffs. Friona finished third with 338, and Littlefield came in with a 351.

At the Amarillo Relays Friday and Saturday, Floydada placed fourth. Hale was second medalist with a two-day total of (78-79) 157.

Girls Win Pony Express Tourney

(By Pam Breed, Reporter) The Floydada Pony Express Triple A girls won first place at the Kress Tournament last week.

In the men's division Petersburg won first, and Kress took second. The teams enjoyed a lot of good close races. They are looking forward to the third National Pony Express League tournament in Lubbock April 25 at 2 p.m., at the Lubbock Rodeo Association Arena.

The riders on the Triple A girls team were Cynthia Thompson, Pam Breed, Cheryl Parson, Lucille Carroll, Judy Polvadore, Jean Harris, Linda Thompson and Peggy West. Alternates were Jackie Repp and Dianne Walters.

They will receive halters for winning first in the girls' division.

awarded a first-place medal in the continuous advertising division in individual competition.

The "Whirl" scored 232 points out of possible 305 to make the Distinguished Merit list in Division IV, High School Mimeographed Papers.

The FHS paper has taken the top ILPC award six times previously, and has won a total of

17 medals (first, second and third) in the competition.

At the Panhandle High School Press Association meet held March 27 at West Texas State University, the "Whirl" took second place in the mimeograph division, Dolores Reeves and Charlotte Decker gaining honorable mention in editorial writing.

Football 'Winds Help Lily Day

The annual Texas Football Boys Lily Day for Crippled Children in Floydada was held Wednesday, March 31, Coach L. G. Wilson has announced.

Members of the Whirlwind football team canvassed the streets downtown and in residential areas pinning Easter lilies on lapels of contributors. Bob Lilly, defensive tackle of the Dallas Cowboys football team, is serving as State Chairman for the Football Boys' Lily Day for Crippled Children in Texas.

The Easter Seal Appeal is conducted by the Easter Seal Society for Crippled Children and Adults of Texas, which last year provided treatment and services for 21,563 crippled children and adults in Texas. Ninety percent of the funds contributed during the Easter Seal campaign remain in Texas to finance rehabilitation services for handicapped Texans. The Easter Seal Society annually spends more money for direct services to the handicapped in Texas than is collected in the Easter Seal Appeal.

note that of course, in any disaster situation, there would be some things that hadn't been considered. The local governments and the Texas Department of Public Safety, along with A&M, sponsored the conference. The sponsors were surprised and pleased at the large turnout.

Good For Civil Defense Conference

60 persons attended a Civil Defense and emergency conference Tuesday at the district courtroom. F. Schnatterly, Civil Defense instructor from the Texas A&M Engineering Department, led the discussion. The conference was managed in Emergency Management in Emer-

gencies." Schnatterly stressed the importance of a civil defense organization, ready to act in emergencies to prevent the disaster effects from overwhelming the community. He said a disaster, such as a tornado, was many everyday problems hitting at once. Judge J. K. Holmes has been

designated the Civil Defense director for the county, and the city mayors are directors for their respective communities. The county has a working agreement with the cities as to the action to take in emergencies. Holmes stated, "I think we can take care of an emergency situation as well as anybody," he said, going on to

TENNIS FROM 9

Kirk McIntosh and Rick McDowell of Floydada were second in boys' doubles being defeated by Mercer and Bacus of Lockney 7-5, 6-1. They defeated White and Bailey of

Friona 6-0, 6-2 and advance to the finals. In the freshman division, Mike Hatley of Floydada won the boys' singles title. He defeated Monte Chitwood of Olton 6-3, 6-3 for the championship. Earlier he defeated Ralph Ma-

son of Morton 6-3, 10-8 in the semi-finals. Jimmy Parker and Patrick Rucker were second in boys' doubles being defeated by Carthel and Reecer of Lockney. Parker and Rucker defeated Thompson and Hamilton of Friona in the semi-finals.

JR. HIGH DIVISION

Littlefield won the junior high division with 35 points, Lockney second with 30, and Floydada 3rd with 25. Cary Brown of Floydada won girls' singles by defeating Julie Cooper of Morton 6-3, 6-0. She defeated Lisa Wilson of Lockney 6-1, 6-4 in the semi-finals. Linda Norman and Vickie Foster of Floydada were second in girls' doubles being defeated 6-2, 6-4 by Collins and Gardner of Littlefield. They defeated Phipps and Moore of Friona 6-0, 6-1 to advance to the finals.

Blair Davis of Floydada was defeated in the semi-finals by Tony Gross of Lockney 6-4, 6-1. Brad Tooley and Royce Chadwick were defeated in the semi-finals by Mercer and Murdock of Lockney 6-3, 6-1. Altogether, this has been an outstanding tennis season for the Whirlwind tennis team. Miles Davis and Rick McDowell are the only graduating seniors. Most of the players are already working toward next year and, of course, Denise and Karla play in the regional tourney April 23.

"With 2 new tennis courts, a growing program, and the tremendous attitude and desire of the players, next year promises to be a banner year," Coach Don Ford surmised.

FLOYD DATA

Watson Jones is expected to be released from Lubbock Methodist Hospital today where he has been under treatment for a bleeding ulcer.

APATHY FROM 1

Who will take the responsibility of chairman or president?

WHAT IS IMPORTANT

Possibly the answer to all of this apathetic attitude could be summed up in one question ... "What is important?"

Although we say we do not have time to work in community efforts, it just might be that we still have time to do the things that we really want to do.

So, we might all ask ourselves, "what is most important in my life and my community's life?" When we can rightly answer this question, we feel that the apathy that is fast encircling us will release its grasp and we will enjoy a greater and better Floydada community.

DELLA PLAINS NEWS

By Thelma Bouston
Mr. and Mrs. Billie Ray Braxton of Paris are the proud parents of a baby son. Grandparents are Mr. and Mrs. Henry Wright of Floydada, and Mr. and Mrs. Morgan of Paris, Tex.

Jessie Bouston was dismissed from the Methodist Hospital last Wednesday. The funeral of Mrs. George May Davis of Plainview was held Monday at the Church of God in Christ, Elder E. N. Givens is the pastor. Mrs. Davis was the sister-in-law of Mrs. Johnny Pleasant, Floydada.

Mrs. Rose Mondine and Mrs. Marg Smith are doing fine, and Willie Windom is doing fair. Visiting the sick last week were Mr. and Mrs. Alex Wall and Sandra, Mrs. Martha Pittman, Chester Mosley, Mrs. Johnny Pleasant, Tommy Samuels and Mary Davis.

Mr. and Mrs. Alex Wall enjoyed last Sunday, their 21st wedding anniversary.

Mrs. Jessie Wright left Saturday morning to attend a funeral in Paris, Texas.

Visiting over the weekend in the home of Mr. and Mrs. Bouston were Mr. and Mrs. Bruce Rigler of Plainview, Mr. and Mrs. Williams of Lubbock and her son, Airman A1C Bernie Newton, who is home for 10 days.

James Larkin came home Sunday from Austin where he had been visiting.

Rev. C. C. Campbell of Amarillo visited his mother, Mrs. Mary Jackson.

Reginald Bonner, son of Mr. and Mrs. J. P. Bonner, is home for a few days. He is stationed at Ft. Bliss.

We, the people of the Della Plains community extend sympathy to the loved ones of George Ledbetter, who was a friend and neighbor.

Mr. and Mrs. Theodore Tony brought Mr. and Mrs. Will Davis home last Monday.

I noticed that a mailbox was knocked over on Ross St. There is a law against tampering with mailboxes.

Mount Zion Baptist Church Sunday School began at usual

hour with Supt. Sister Roberson at her duty, along with her co-workers. Rev. Conwright brought the high points of the lesson.

The morning services began with Bro. Solomon Hamilton conducting the devotion services. Pastor Conwright brought a very spiritual message from Psalm 22. His subject was titled, "Why Forsaken Thee."

The absence of Sister L. E. Moore in the revival at Mount Zion Baptist Church. Rev. J. J. Josey was the speaker during the week. The revival was wonderful. It closed Sunday evening.

Rev. J. J. Josey and Rev. Johnson from Lubbock were visitors in the home of Rev. and Mrs. Conwright.

Meadow School Wins One Act Play Contest

Meadow High School's production "A War Movie" won first place in the Region I Conference B One-Act play contests held in Floydada Thursday. This is the seventh regional win for the high school. Three of those years they won state.

Second place was won by Jayton High School with their production "The Pot Boiler."

Named best actor was Major Howard of Meadow and best actress, Holly Hahn of Jayton.

Selected for the all-star cast were Amy Lemley of McAdoo, Teresa Huie of Ropesville, Mickey Williams and Kim Nichols, both of Jayton, and Terry Wilkes of Meadow.

Honorable mentions for the all-star cast included Jimmy Neff and Alan Neff, both of McAdoo, Polly Marchbanks of Meadow, Dale Theford of Ropesville and John Davis and LaJuana Hamilton, both of Jayton.

George Sorensen, director of theater at Hardin-Simmons University, was judge.

Consumers Directors

Consumers Fuel Association of Floydada elected new directors at the annual meeting March 29. Jack Stansell was re-elected, and Roy Baxter was chosen to replace the retiring J. T. Huckabay, who was not eligible for re-election.

Louis Pyle was the winner of the electric law mower door prize. There were some 30 other prizes given at the meeting.

COUNTY AGENT'S CORNER

By Doyle Warren

Grain sorghum producers in Floyd County will be receiving an important piece of mail within the next few days, according to County Agricultural Agent Doyle Warren. He urges producers to check their mail closely for a "specially marked" envelope which will contain grain sorghum production information.

"Grain Sorghum Production in Floyd County" and "Keys to Profitable Grain Sorghum Production in the Southern High Plains" are the titles of the information sheets, says Warren. Both contain vital facts concerning the production of sorghum in the county and area and offer specific guidelines for more efficient and profitable production of the crop.

Topics outlined include cropping sequence, seedbed preparation, planting, fertilization, irrigation, weed, disease and insect control, harvesting and marketing.

Grain sorghum ranks highest as a cash crop so it is vitally important to the economy of Floyd County, adds Warren. Cash receipts last year totaled \$7,500,000 and are projected to reach \$8,000,000 by 1976, according to figures compiled by the Texas Agricultural Extension Service in the "3.76 in '76" program. This program is designed to increase agricultural income in the state by more than \$1 billion over the next six years.

Over the South Plains area, cash receipts from grain sorghum are expected to reach \$116,845,000 by 1976, up from the 1968-69 average of \$95,470,000.

Sorghum acreage in the county is expected to total about 110,000 acres this year, points out Warren. Of this, about 95,000 acres will be irrigated. For the South Plains, sorghum acreage totaled 2,362,221 in 1970 with 1,072,600 under irrigation.

The sorghum industry will continue to expand with increased livestock feeding in the area, adds Warren. This will

boost the South Plains Development (SPD) Program which has as its goal the economic development of the South Plains area. "It is the intent of the Extension Service to assist producers in every way possible by providing them with the latest production information for specific enterprises," points out Warren. "These guidelines on grain sorghum production are just one of the many valuable tools available to Floyd County producers."

"The county Extension staff is always ready to assist producers and is backed by various subject matter specialists headquartered at the Texas A&M University Agricultural Research and Extension Center at Lubbock and at the A&M campus at College Station."

SCHOOLS FROM 1

In the South Plains school trustee election, Kendis Julian and Eugene Beedy were re-elected with votes of 17 each.

Wayne Rainwater polled 35 votes to win one place on the Dougherty school board. There was a tie for the second place, Ray Gene Carthel and Bob Ross receiving 19 votes each for the second place. Carthel has withdrawn from the race leaving Ross as the winner.

The common school district trustees will take office when

the Commissioner's Court canvasses the votes.

CAPROCK, FROM PAGE 1

ture of farming and this article by Paul H. ing. "MARRY A FARMER"

CHICAGO - For two decades, our nation's agricultural minority has been our farm. That's changing. Your daughter should marry a farmer. The number of Americans living on farms has declined in 10 years. Our nation is down to less than 5 percent of our population.

That 5 percent vote has had little political voice but they're going to get some leverage. Our American farmer has taken very good care of us. We have been paying him half as much for as 20 years ago.

Your food bill is higher mostly because of getting the food from the farmer to the table is up 130 percent in 20 years. The increase notwithstanding, your food bill is 16.5 percent of your take-home pay. In 1950, 16 percent of your income would go for food. In the Far East, as much as 80 percent.

So our farmers, constantly improving their acre production, have taken good care of us. Because of higher prices for everything, prices for most everything they sell, farmers are solidate. Small farmers were forced out of business. An investment of \$50,000 to create a trend to fewer and larger farms continues.

And pyramiding population, 90 percent of our land, is more and more agricultural countryside. Foolishly we are planting houses on most of the agricultural land. We should put houses in the valleys, but it's easier for the big boys to mass produce houses on the level land. So 700,000 farms have "disappeared" since 1950. Thus arable acres shrink. And soon, some of the era of food surpluses will come to an end. The shoe on the other foot. As is, the farm family income is \$5,431. That is about the same as his investment in starting capital is \$10,000. He deserves a proper return on that investment. Increasing appetite catches up with his production demand a fairer slice of the pie - or else.

When that time comes, we'd better hope for a savior of us than we have been of him. And may I just add this to that: For generations we wanted their daughters to marry doctors or lawyers. A prospective son-in-law who'd graduated from a technical or engineering school was worth a fortune. Not any more. There is increasing unemployment and engineers. Now the highest dowry is a son-in-law who are trained to be farmers.

I THOUGHT Brother Floyd Bradley's talk was very appropriate and inspiring as he gave the meaning of Easter. He prefaced his talk with past five years church attendance has dropped. Prior to this time Easter Sunday attendance was 100 percent. Let's change that trend this Easter.

WE HAD A LOT of fun and many good comments on the "Fool" edition of The Hesperian last week. Fool's backfire on me... while I was having fun with Fool stories, my staff was busy writing one. Although I thought I had complete control, it slipped in the one on me and I never saw it. To read The Hesperian Wednesday night. Thanks to everyone for being a good sport.

I CLIPPED THE from the Olney newspaper. One of the newspapers in East Texas give us cattle ranching in that part of the state. sound and we feel that the same could apply to us. 1. A generous banker. 2. Wide brimmed hat and tight jeans. 3. Pickup with gun rack to hold shotgun or rifle. 4. Goose-neck trailer, small enough to park in a back yard. 5. Two dogs riding in pickup. 6. Spool of bobwire and some fence posts nearby. 7. A few cows. 8. A few acres. 9. A pocket knife for whittling at the saloon. 10. A good job in town. -O-

Another niece was brought in which we wish the author is unknown, but this does not take the place of "Those who suffer deeply touch life at its core." drain the cup to the dregs, while others sip from the top. Perhaps no man can touch the stars unless he reaches the depths of despair.

FORD'S MESSAGE... the annual style derby, the mobiles may be coming to an end. Uniquely American has meant extensive changes, every model. For many years the style derby has reached its peak in September and October when new models are guarded secrets and curiosity about how each one has been considerable. Now, however, the high cost of these products is often adding nothing to the car's safety or mechanics as they are ending. In a letter to Ford stockholders that the company recently notified recipients that we plan to change... design less frequently and more conservatively.

If this will hold the price down and enable us to concentrate on practical, safety and mechanical improvements the change is welcome. FLOYD DATA Wallace Trapp is due to undergo surgery today in Lubbock Methodist Hospital for repair work. Trapp had plastic veins inserted in his leg sometime back and the veins were replaced a day or so ago. He will be in the hospital for a few days. He will be home later in the week. LEGAL NOTICES

NOTICE OF INTENTION TO ENGAGE IN WEATHER MODIFICATION ACTIVITIES

Notice is hereby given that Atmospherics Incorporated of 4981 East Dakota, Fresno, California, 93727, who holds License No. 2 of the State of Texas, intends to engage in an operation to change or attempt to change by artificial methods the natural development of any or all atmospheric cloud forms suspected of producing hailstones which occur in the troposphere, for and on behalf of the Plains Weather Improvement Association located at P.O. Box 1627, Plainview, Texas, 79072, and will conduct a program of weather modification designed to decrease hailfall by means of the aerial application of artificial nuclei as follows:

- The area over or in which equipment may be operated shall include all or portions of the Counties of Crosby, Floyd, Briscoe, Swisher, Hale, Lubbock, Hockley, Lamb, Castro, Parmer, Bailey and Cochran.
- The target area within which hailfall is intended to be suppressed can be described as follows:
 The boundary of the target area shall be a line beginning at a point of origin at Littlefield in Lamb County, Texas, and running northwest to Amherst; thence due west to the intersection of Roads 37 and 303; thence due north along Road 303 to Road 145 near the east boundary line of Parmer county; thence easterly along Road 145 to its intersection with Road 1424; thence south on Road 1424 to the north boundary line of Hale County; thence due east along the north boundary line of Hale County to Road 378 at the intersection with the north boundary line of Floyd County; thence due south to a point 10 miles south of the south boundary line of Floyd County; thence due west 20 miles; thence due north to the south boundary line of Hale County; thence due west along the south boundary line of Hale County to the intersection of Highway 84 and the south boundary line of Lamb County; thence northwest to the point of origin at Littlefield.
- The equipment, materials and methods to be used in conducting an operation within this area of approximately 2,000 sq. miles include a 3 cm radar system, cloud seeding aircraft, and the application of silver iodide ice nuclei, hygroscopic nuclei or other nuclei considered appropriate to the artificial nucleation of clouds or weather systems.
- The program will be operational during the period from May 1, 1971 through October 30, 1971.
- Any person who feels they may be affected in some adverse way by this program may file a formal complaint to the Texas Water Development Board, P.O. Box 12366, Austin, Texas, 78711.
