### FOR COUNTY COMMISSIONER

The Star is authorized to announce

two weeks ago. But—as I see the

matter, there is simply nothing that can be done now to remedy the mat-

ter. They are now threatening to leave Mr. Truman's name off the

ballot for the November election, but, that cannot help the matter in the least. I am of the opinion that all this noise and turmoil that

is being stirred up about the Civil Rights program is utterly useless

It is now too late to do anything

about it. We, of the South have laid

## Still Time For Planting Shrubs And Shade Trees

COLLEGE STATION, Feb. 28fact, this is a good season to trans plant young trees to the home land-cape from either the nursery or the woods," Sadie Hatfield, extension andscape gardening specialist of Texas A & m College, points out.

A tree with a relatively smoot rk is a good choice, as the smoot rk usually means that it is a rap Idly growing tree. Most trees grow faster if they are taken while young and when the trunk is not larger than an inch or two in diameter. In taking the tree, take up as much as possible of the root system. Nearly all trees which drop their leaves in the winter can be taken up bare-rooted, but the roots should not be allowed to dry. Miss Hatfield suggests that the root systems. fly growing tree.
