Most Active At FHS

When a Floydada high school senior gets ready to graduate, there's a final tabulation on which senior was involved in the most school activities for the four years of high school. This year when all the points were

added Marc Smitherman and John Willson were in a tie for the boy's activity award and Darla Milton won the girl's activity award. The awards were presented by high school principal Charles Tyer during the awards day program Tuesday.

Receiving scholarship awards were: Ellen DeLeon received the TSTA Future Teacher award from Mrs. Jane Bean.

Kathy Hinsley received the Farm Bureau award from Paul Schacht.

Billy Towler received the John L. West award from Mrs. Sherre West.

Johnny Quilantan and Ester Duran received the outstanding boy and girl in vocational adjustment class from Mrs. Doyle Moore.

Lonnie Robinson received the \$100 Rotary scholarship award from Dr. Floyd Bradley.

Nan McCulley received the \$100 Zimmerman nursing scholarship from Emily Potts.

College scholarships were presented to the following by principal Tyer: Grace Myrick, Lonnie Robinson, Nancy Puckett and Carol Cogdell. Robinson was the top ranking senior boy, Nancy the salutatorian and Carol the valedictorian.

Other award winners are listed inside the edition of The Hesperian.

Johnny Stout New Bell Wire Chief

Johnny L. Stout, new wire chief here for Southwestern Bell, is a nine-year veteran of the telephone business.

Stout succeeded Joe Alcala, who transferred to a post in Lubbock.

As wire chief, Stout is responsible for telephone installation, repair and maintenance in Floydada, Lockney and Slaton.

The new wire chief moved here from Fort Stockton where he has worked since joining the company in 1965. He has been a lineman, installer-repairman and switchman, which provides him, a full range of experience in telephone operations.

Stout, his wife and son reside in Floydada.

Remember!

1110 For "Double Day"

Final plans and arrangements are being made for the second annual Double Day at First Baptist Church. An attendance goal of 1110 has been set. This is the Sunday School enrollment.

Dr. Floyd C. Bradley, pastor, said that the finest talent available had been enlisted to participate in the activities of the morning. Special events will be conducted in all divisions of the Sunday School, beginning at 9:45. The singers will also be heard at the 11 o'clock worship service.

The graduating seniors will be recognized in the youth division where Cynthia Clawson will sing. This outstanding youth gospel singer has performed on many national TV programs. She is in constant demand for concerts in many of the largest churches in America.

The adults meet in the church auditorium as a group to hear an unusual singing group called Vicki and the Royalheirs. This is a group of seven gospel musicians. In an appearance at the Panhandle Pastors' & Laymen's Conference in February this year they were received with great joy and enthusiasm by a large group of people from over our area.

Other special events will be Kitty Castro and "Danny Jose". Mrs. Castro is a fine ventriloquist who will share many interesting stories with the children's division. Bobby Rainer and a group will present a puppet show for the pre-schoolers. A nature exhibit has also been prepared.

The Spanish Department will have Pete Nunez singing for both services. He has been in First Baptist Church on several occasions and is known as one of the finest gospel singers in the land.

Dr. Bradley and Ric Hunt, music director, will lead the morning worship service at 11 o'clock. A special invitation goes to the entire community to share in this specially planned celebration.

FAIR BOARD MEET CHANGE

The Floyd County Fair Association Board of Directors Meeting has been postponed until Monday night, June 3 at 8:30 p.m. at the Lighthouse Electric Ready Room in Floydada. It was originally planned for Monday night, May 20.

All interested persons are asked to attend.

SPRING HAS SPRUNG — and so have bicycle riders. Caught by The Hesperian photographer while on an outing were, left to right, J. W. Gilbreath, Eula Mae Cates, Betty and Estelle Gilbreath, J. W. Cates and Bill Gilbreath. (Staff Photo)

"Meals On Wheels" June 3

A meeting of the executive committee of Meals On Wheels was held Wednesday afternoon to make final decisions for the new service in Floydada.

Floydada Nursing Home submitted a fair price for preparing meals and can furnish salt-free and diabetic diets when required by the subscriber.

The service is to begin about June 3, and Mrs. Claude Weathersbee and Kathy Green are in charge of contacting subscribers, and may be contacted by prospectives.

Mrs. Al Galloway is organizing the volunteer helpers, so all those interested in delivering meals periodically may contact her. It is hoped that this will be distributed among many volunteers so that it is not confining to

a few. Those who have participated in such a program seem to find it quite rewarding.

No age limit has been set for subscribers. Any who meet the guidelines may be serviced.

One study club has already agreed to budget \$10.00 per month for Meals on Wheels and it is hoped that other donations or pledges will follow.

Some memorial donations have already been made and acknowledged.

Executive committee members attending were Mrs. Beth Faulkenberry, Mrs. Kathy Green, Frank Barrow, Randy Hollums and C.J. Payne.

Others in attendance were Mrs. Carol Grimes and Mrs. Mary Tom Tooley.

Bike A Thon For Cancer May 25

Anyone interested in riding a bicycle on Saturday, May 25 to help the cancer fund is invited to write or call Kay Flynt, 112 Mae Avenue, Floydada.

The registration is set for 8:30, the ride from 9 a.m. to 12 noon.

Bring your bicycle to Texas Avenue and Ross Street. There will be a three mile course...you may make as many three mile laps as you wish...and you may have as many sponsors as you desire.

Prizes will be awarded to the bike rider who raises the most money, who has the most sponsors...and a prize to the oldest and youngest participant.

There will be a total of five prizes.

50 PINT GOAL

Blood Drive In Floydada Monday

Area residents will get the opportunity to help others Monday when the Floydada Kiwanis Club brings Blood Services Inc. to Floydada for the first blood drive this year.

It is hoped the drive will produce enough donors to create a buffer supply of blood to the Floydada

account in Lubbock. The drive will be from 2 until 7 p.m. Monday at Reed Ford Sales on the Ralls highway.

It takes about 15 minutes to draw a pint of blood from a donor and the donor will receive a card that gives the donor and family free blood for six months regardless of the amount.

The Kiwanis slogan for the drive is "Give of

Yourself". In order to give blood, a person must be between the ages of 18 and 65, weigh at least 110 pounds and have no current health problems. A person cannot have had major surgery within the past six months, cannot have had major dental surgery within the past six months, cannot have had a tooth extraction within the past 72

hours, cannot have been pregnant now or in the past six months and cannot have received blood in the past six months, cannot have had a tattoo in the past six months and cannot have had viral hepatitis, malaria,

diabetes requiring insulin or oral drug therapy, or surgery for cancer, other than skin.

Textile Companies Are Visiting Lubbock Area

There is an almost daily appearance of new and stronger evidence that the High Plains may reap substantial and enduring benefits from the burgeoning world-wide interest in the revolutionary open-end spinning system, according to officials of Lubbock-based Plains Cotton Growers, Inc.

PCG Executive Vice President Donald Johnson points out that just within the last two months:

Two Southeastern textile companies have had top executives in Lubbock conferring with PCG, the Textile Research Center at Texas Tech and others about possible High Plains locations for open-end spinning mills;

A Texas company has expressed strong interest in establishing a plant in this area;

Several foreign mills have purchased High Plains cotton specifically for open-end operations, and

A number of overseas companies have answered a recent PCG advertisement which offers to supply existing data and new information being developed on the performance of

High Plains cottons on the new system, leaving no doubt as to their active interest in short staple, low micronaire cotton as the raw material for open-end equipment now in place or in various stages of planning.

To these facts Johnson adds: Southwest Textiles in Abernathy is already producing yarn on open-end spindles and expects more spindles in the very near future;

Feather Fabrics, Inc., of Lubbock, is now installing the first arrivals of open-end equipment, expects a nominal amount of production by the end of May, full production in the Lubbock plant by December, and has on order the equipment for another complete mill for which a site is yet to be selected;

Another local investment entity, not yet ready for a public announcement, is known to be laying plans to build a spinning mill on the High Plains, and Daiwa Spinning Company of Osaka, Japan, has broken

ground for an integrated spinning, weaving and finishing operation at Leveland.

"Put all these developments together," says Johnson, "and although some are still in the tentative stage it is hard to keep from getting excited."

The outbreak of activity as related to High Plains mills and to High Plains cotton in other mills stems from early studies which indicates that cotton from this area, especially low mike cotton, can be used as efficiently as higher priced cottons on the open-end system and produce yarns of equal or superior quality characteristics.

In 1972 and 1973, market discounts for low mike cotton across the belt amounted to about \$10 per bale, Johnson notes. "So if, as is entirely possible over the next few years, the use of this cotton by open-end spinning plants should reduce the discount on low mike cotton by just 50 percent, it would mean an increase of \$5 or more per bale in the market price of a significant amount of High Plains cotton.

"And that alone, not to mention the incalculable secondary benefits to the area economy, is enough to get excited about," he concludes.

ARM VIEW

AGRICULTURAL EXPORTS

Yugoslavia May Double Soybean Exports To U.S.

Yugoslavia's soybean exports to the U.S. could double in 1980, according to a report by the U.S. Department of Agriculture.

The market development agreement with Yugoslavia could more than double the country's imports of soybean meal from the U.S. by 1980. In 1973, Yugoslavia imported about 200,000 metric tons of U.S. soybean meal, but projections for 1980 are 450,000 metric tons.

Hungary imported nearly 200,000 metric tons of U.S. soybean meal in 1973 and conservative estimates call for a 50 percent increase in imports of U.S. soybean meal by 1975.

"The half-cent checkoff program is paying another dividend for soybean producers," Tilson said. "Without the support of checkoffs, many of the market development activities supported by ASA wouldn't be possible."

Soybean producers support market development activities through half-cent

per bushel checkoffs. State boards composed only of soybean producers, appropriate funds for ASA market development activities.

However, any soybean producer has the option to have his checkoff money refunded.

'73 Statistics Show Pecans, Peaches Off

AUSTIN—Production of Texas peaches and pecans declined considerably between 1972 and 1973, according to figures in the recently published 1973 Texas Fruits and Pecans Statistics.

Peach production fell from 604,000 bushels to 312,500 and pecans went from 75 million pounds to 23 million.

Farm-facts

A Weekly Report Of Agri-Business News

Compiled From Sources Of The Texas Department of Agriculture
John C. White, Commissioner

IT'S ANYBODY'S guess what farming in Texas will be like by the year 2000. One thing that may be expected is that satellites may be helping, because they already are. Earth Resources Technology Satellite-1 (ERTS-1) circling the earth now, is sending back photo-like images that make it possible to identify different crops, acreage, and even crop growth. It is expected that satellites will help track down water supplies—a talent West Texans, especially, could use now—and will be able to give early warning on crop diseases. And United States satellites probably will be able to tell Americans what neighboring farmers are doing. Oldtimers use to say they "planted by the moon." The future farmer may be farming by satellite.

THE FUEL situation may be easing for most farmers, but it is still tight for others. Very tight gasoline situations were reported in Hall, Foard, Hansford, Llano, Hemphill, Hartley, El Paso, Denton, and Archer Counties; and very tight diesel fuel situations were reported in El Paso and Hartley Counties, according to the U.S. Agricultural Stabilization and Conservation Service.

TEXAS CROP and Livestock Reporting Service reports that prices received by the State's farmers and ranchers declined six per cent during the month ending April 15. Livestock and livestock products price index was down four per cent from the month earlier and 10 per cent below a year ago. The all-crops price index fell nine per cent below the previous month. Wheat went from \$4.76 to \$3.78 a bushel. Sorghum fell from \$4.56 to \$3.96 during the month ending April 15; upland cotton from 49 cents to 47, broilers from 22.5 cents a pound to 21; eggs from 56.3 cents a dozen to 51.2; and calves from \$47.80 to \$43.70.

LIKE MOST things Texas farmers use or buy, utility rates have been increasing. There has been debate among candidates and Constitutional Convention delegates about possibilities of creating a commission to regulate utilities. Telephone rates are drawing much attention since one telephone company not regulated now has announced an increase in the "mileage rate." This company has said that its new pricing philosophy tries to place the cost of service on the "cost causer" or the customer using the service.

TEXAS' STOCKS of four feed grains April 1 were estimated at 169 million bushels, the same as a year ago, says Texas Crop and Livestock Reporting Service. (Those four are: sorghum, corn, oats, and barley.) Wheat supply was 41.4 million bushels, down 15 per cent from a year earlier. Sorghum stocks were 127 million bushels, down 13 per cent; corn 29.9 million bushels, up 89 per cent; oats 11.4 million bushels, 51 per cent above a year ago; barley 400,000 bushels, down 39 per cent; soybeans 8.3 million bushels up 41 per cent.

Forty-One Floyd Farmers Will Be Interviewed On Fuel And Fertilizer Needs

AUSTIN — Forty-one Floyd County agricultural producers will be interviewed on their use of fuel and fertilizer as part of a Texas Department of Agriculture survey to help determine the state's energy policy.

According to Agriculture Commissioner John C. White, the comprehensive Texas Farm Fuel and Fertilizer Survey will also provide information for agricultural and research needs.

The survey will begin June 17 and end July 1. It will involve nearly 1,500 farms and ranches selected at random from respondents to an earlier survey on acreage and production. Participants will provide information on their use of fuel and fertilizer for production and marketing of crops, livestock and poultry.

For this survey 55 counties were chosen at random from the State's 15 crop reporting districts. White said the department is conducting the survey at the request of the Governor's Energy Council. The Texas Crop and Livestock Reporting Service will supervise the interviews and compile the results.

Specially trained personnel will personally interview farm and ranch operators or others knowledgeable about the operation such as foremen or managers. Persons to be interviewed will be notified and facts about individual operations will be kept confidential.

"We encourage farmers to participate," White said. "This survey will be the first giving us the facts we need to direct our activities to make sure farmers have the necessary inputs for agriculture."

There will be a Plant Problem Clinic May 21 in Floyd County. As in our other "Turn Row" meeting there will be three short meetings across the county.

- 9:00 a.m. - Dougherty School Auditorium.
 - 1:00 p.m. - Harmony Community Center.
 - 3:30 p.m. - South Plains School Auditorium.
- There will be a short discussion on:
- Recognizing Plant Disease - Dr. Robert Berry.
 - Early Detection of Green Bugs in Grain - Dr. Robert McIntyre.
 - Timing of Irrigation Application - Leon New.
 - Vegetables and their Problems - Dr. Toland

These meetings are part of the educational effort directed by your crops subcommittees of the Floyd County Program Building Committee.

ENJOY A GREAT WESTERN TRADITION THIS SUMMER.

Food cooked outdoors over an open fire... is one of the West's great traditions. Fresh air, open flame and the aroma of good, hearty food combine to make a meal an experience.

Start your own cookout tradition this summer... with a convenient, dependable gas grill from Pioneer Natural Gas. You get the same delicious, outdoor taste as with a charcoal grill — but without the fuss and bother.

Chances are you'll be spending more time at home... so why not arrange to make that time more enjoyable with the addition of a gas grill to your patio. Call Pioneer or ask any Pioneer employee for information on a complete line of gas grills.

A gas grill is a natural for the Natural Energy Home. By moving the cooking to the patio, you move the heat out of the house and thereby ease the load on your air conditioning system. Consequently, a gas grill can save money and conserve energy.

Janis Carol Levy, Gross Wed In Lubbock

Janis Carol Levy, daughter of Mr. and Mrs. Keith Levy of Midland, became the bride of Eddie Glenn Gross, son of Mr. and Mrs. R. H. Gross of Iuka, Miss., at 4 p.m. Saturday in the Broadway Church of Christ chapel in Lubbock.

Richard Rogers, minister of the Sunset Church of Christ, officiated for the double ring ceremony.

Mrs. Greg Carey, Lubbock, cousin of the bride, was matron of honor. The father of the bridegroom was best man.

Suzanne Levy of Midland, sister of the bride, Donna Spradley and Judie Yates, Lubbock, were bridesmaids. The bridesmatron was Mrs. Jim Alexander of Dallas.

Groomsmen were Gary Evans of Iuka, Charles Farrel of El Paso, Russel Black of Farmington, N.M., and Benny Baker of Corinth, Miss.

The father of the bride presented his daughter in marriage. She wore a formal gown of white organza fashioned with a high Victorian neckline. The tucked bodice and sheer lantern sleeves were accented with bands of Alencon lace dusted in pearls. A deep band of Alencon lace circled the waistline. The softly gathered skirt enhanced by applique motifs had fullness in the back that flowed into a brush train. A deep self-ruffle etched with lace formed the hemline of the dress and train. A chapel-length veil of

home of Mrs. Roy Kidd. Co-hostesses for the evening were Mmes: Bill Evans, Van Bradley, David Bloys, Bill

Bigham, and Joe Frank Hawkins.

Theme for the evening was "Reflection of Club Year 74." Prayer was led by Mrs. Omar Burleson. Mrs. Ronnie Thornton then read the lyrics to the song "I Am Woman" sung by Helen Reddy, which has been this past year's theme.

The group was led into the garage where they were served from a buffet centered with a tree with each club member's picture on a branch, decorated with different colored candles and gingham bows. They were seated at card tables covered in white cloths and centered with a single red, green, yellow, pink or blue candle. These candles were surrounded by greenery and tied with gingham bows. Matching glassware was on each table. The garage was decorated with the theme "Watch Me Grow." Various colored flower pots of crepe paper decorated the walls depicting the departments that won 1st places at State Convention in San Antonio this month. Dessert dishes of white cake topped with homemade ice cream with strawberry topping was served.

Following dinner, outgoing president Gayle Jackson, gave a funny, descriptive report on the State Convention. She passed out empty soft drink cans and convention badges to paste on them to use as "kittys" to help finance each club member to the State Convention next year in Houston.

Mrs. Jackson emphasized the centerpiece which was the tree. The branches signify each member and the trunk uniting all of them. She recognized the State Convention as chairman of Operation Healthy Babies. Mrs. Buster Terrell was recognized for winning first places as Education chairman, Best Programs of the Year and recognition in NARC. Mrs. Joe Frank Hawkins won 1st place in International Affairs and Mrs. Omar Burleson won a

1st place in Public Affairs.

Mrs. Jackson recognized Mrs. Louis Fry, State Junior Director. She then recognized her officers of the past year and presented them with miniature baskets of fruit. She discussed the raising of another tree as she went into the installation of new officers. This is the tree of friendship. A small potted tree signified the next 10 years of Il Penseroso. She presented different garden tools to each new officer. They were as follows: First Vice-President - Mrs. Tom Taylor - fertilizer; 2nd Vice-President - Mrs. Jack Whittington - shovel; Treasurer - Mrs. Joe Frank Hawkins - scissors for pruning; Secretary - Mrs. Delvin Bybee - a scratch pad; Reporter - Mrs. Bill Bigham - a ray of sunshine; Historian - Mrs. David Bloys - basket of fruit, and President - Mrs. Audrey McCormick - a water can. New department chairman were presented with hats depicting their departments.

Mrs. Jackson then presented Mrs. Audrey McCormick with the President's gavel. Mrs. McCormick presented Mrs. Jackson with a silver tray and a single red rose.

Mrs. Tom Taylor presented prizes to the Art Contest winners. They were: 1st place - Mrs. Linda Terrell; 2nd place - Mrs. Carolyn Whittington; 3rd place - Barbara Bloys; and 4th place - Jackie Lou Holt. She gave book markers to all other participants.

Mrs. Roy Kidd presented the "Outstanding Club Woman" of the year award to Mrs. Buster Terrell. She received a silver tray as a gift from the club.

A lengthy business meeting was presided over by the new President, Mrs. Audrey McCormick.

During Departmental Reports, Mrs. Roy Kidd - Home Life Chairman, asked everyone who had read the book, "The Total Woman" to give their impressions of it. Mrs. Keith Jackson, Education chairman, reported that there will be an Appreciation tea honoring Wayne Coleman, a retiring teacher. It will be held May 24 at 4 p.m. in the Elementary School Cafeterium.

Mrs. Eddie Teeter, Fine Arts chairman, passed out score books for members to keep points in for next years art contest.

Mrs. Bill Evans, International Affairs Chairman, asked everyone to turn in two foreign recipes. She then passed out pamphlets on Japan.

Mrs. Joe Frank Hawkins, Public Affairs Chairman, reported to the group on America's 200th Birthday to be celebrated in 1976.

Mrs. Byron Brock, Texas Heritage Chairman - gave the group several useful hints on places to dine in Texas and places to visit in our State on vacations. Mrs. Buster Terrell, Am-

Membership Month, designated by the Floydada Women's Chamber of Commerce among their many activities in May, proved successful at their buffet salad supper held Thursday night at Lighthouse Electric. The announcement was made that 11 new members had joined during this time.

Two Floydada Seniors Receive WTSU Agriculture Scholarships

AMARILLO, Texas — Two Floydada High School seniors have been selected to receive West Texas State University School of Agriculture scholarships for academic year 1974-75.

Danny Bradford, son of Marion Bradford, will be awarded a \$250 REC scholarship. Danny Daniel son of Mr. and Mrs. Don M. Daniel, will receive a scholarship for \$200.

Selected on a competitive

basis, the upcoming WTSU freshmen were chosen for their demonstrated scholarship and leadership by the School of Agriculture Scholarship Committee.

"We will be glad to have such outstanding agriculture leaders and students," said Dr. Charles Smallwood, WTSU dean of agriculture. "They have received high recommendations from their county agents and agriculture teachers."

A National Honor Society member, Bradford was named as Star Chapter Farmer as a sophomore and has served his FFA chapter in various capacities. He has also played football for four years.

Daniel is on the Senior Farm Skill Team, and has received soil and water, outdoor recreation, fish and wildlife, and farm forestry awards. He has also showed livestock at the fairs in Dallas, Floyd County and Lubbock.

Three Rural Accidents In Floyd County In April

The Texas Highway Patrol investigated 3 accidents on rural highways in Floyd County during the month of April, 1974, according to Sergeant Thurman Keffer, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and no persons injured.

The rural traffic accident summary for this county during the first four months of 1974 shows a total of 14 accidents resulting in no persons killed and 6 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for April, 1974, shows a total of 390 accidents resulting in 19 persons killed and 218 persons injured as compared to April, 1973, with 544 accidents resulting in 24 persons killed and 283

persons injured. This was 154 less accidents, five less killed, and 65 less injured in 1974 at the same period of time.

The 19 traffic deaths for the month of April, 1974, occurred in the following

counties: three in Palo Pinto; two each in Moore, Terry, Wilbarger, and Lynn; and one each in Gray,

Hutchinson, Randall, Swisher, Jack, Lynn, Stonewall, and Wise counties.

Floydada, Texas 79235

Dear Mr. and Mrs. Chowning:

It gives me great pleasure to inform you of the outstanding performance of your son Billy who recently completed his studies here at the U.S. Army Ordnance Center and School. His academic excellence and keen sense of pride in a job well done have gained for him the distinction of Distinguished Graduate, ranking first in his class.

In the U.S. Army Ordnance School the standards of training are high. They call for well motivated young men who are not only technically proficient but who possess the attitude and potential to succeed in today's Army. The Distinguished Graduate Certificate which has been presented to Billy is tangible evidence of your son's fine abilities and willingness to apply them.

I share the pride you must feel in your son's outstanding record and academic achievement. With warmest regards.

Sincerely yours,

Here's latest wrinkle in belly dancing debate

By Abigail Van Buren

© 1974 by Chicago Tribune-N. Y. News Synd., Inc.

DEAR ABBY: Thank you for saying that belly dancing is a respected art form. You're absolutely right. It's also marvelous exercise for toning up the muscles and trimming off fat.

In our little town of Ashland, Ky. [population 29,000] 50 of us women [mostly senior citizens] are taking lessons in belly dancing at the YWCA. And we're considered part of the Bible belt!

DEAR ANITA: Since belly dancing originated in the Middle East during Biblical times, it's entirely appropriate that it should be taught in the Bible belt.

Let's hear it from Suzanne Hunsucker, a reporter from the Coloradoan in Fort Collins, Colo. She visited a belly dancing class sponsored by the Parks and Recreation Department because belly dancing had become a gut issue in that community, and she wanted to get the straight dope. She wrote:

"One middle-aged student said, 'There's nothing sexy about it. Anyone watching us sweat it out would hardly get aroused. It's exhausting physical exercise. At first it nearly killed me. I started using parts I never knew I had. However, soon I got to know my body and began talking to my joints.'

"The instructor said, 'I notice a real change in the women taking the class. They become much freer in their movements after a while. When they dance, they lift up their heads and smile.'

"Who knows," wrote the reporter, "with inhibitions being shed and bellies being strengthened, Fort Collins may someday be the belly dancing capital of the West."

Wait. There's more: From New Orleans came a feature story published in the States—Item by Rosemary Ruiz, a reporter who actually joined a belly dancing class in order to get some firsthand information about it. She wrote:

"Until now, belly dancing has always had a certain seedy aura about it, seldom suggesting anything more refined than a carnival hoochy koochy dance, but lately the dance has enjoyed a surge of popularity. I got my best friend and my sister-in-law to enroll with me. We were relieved to see ourselves duplicated in the other students, ordinary coeds and housewives ranging in age from 18 to 55. All quite sheepish about it.

"My daughter thinks it's hilarious," said one.
 "I told my husband I was taking ballet," says another.
 "My husband is a school principal," said Lucille V., "so I'm furthering my education." She laughs, but comes back in five minutes to add quite soberly, "Actually, I also own Arabian horses and am very interested in the Arabic culture. Please put that in."

"The instructor, Habena, whose real name is not Habena, [but whose real measurements are 43-26-35] said, 'People put belly dancing in the same category as stripping. It isn't. Stripping is artless and vulgar; belly dancing is an ancient art. There are many reasons why women take belly dancing lessons, but most of them want to lose weight, which can't be done by belly dancing alone, so the real motive usually lies somewhere else.'"

I'll buy that.

DEAR ABBY: We in the dancing profession commend you for upholding the dignity of belly dancing. It's the name that so many people find offensive. The dance is beautiful when artistically performed. I wish they would change the name to "Oriental dancing."

If you think it's easy—like the hula, just try to move the upper half of your body while keeping the lower half perfectly still. Then try to move the lower half of your body and keep the upper half still.

I'll bet you can't do it. TARA FROM ISTANBUL

DEAR TARA: You're right. I tried and I couldn't. But you've given me an idea. I think I'll take some lessons. [Privately, of course.]

Problems? You'll feel better if you get it off your chest. For a personal reply, write to ABBY: Box No. 69700, L. A., Calif. 90069. Enclose stamped, self-addressed envelope, please.
