ients" is the May slogan of entinuing program aimed at saving ves on the streets and highways

"The brakes of your car can mean the difference between life and death," said Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety. "Lots of people realize that. But, still t's deplorable how many motorists continue to drive with poor brakes Other car parts, too, can be life savers. Lights, windshield wipers, tires, steering and wheel alignment, the muffler and exhaust system, the glass, rear-view mirror and horn all are important to safety."

The Texas Highway Patrol requests all motorists to keep their cars in safe operating condition as means of preventing losses om traffic accidents. This project or May is part of the year-'rour Operation Safety program for trafart of a nation-wide traffic safety afety Council," said W. J. Elliot

"Your life and the lives of others may depend on whether or not your dition." Captain Polk Ivy of the Amarillo District Office of the Texas Highway Patrol said. Vehicle dehundreds of fatal traffic accident according to accident reports, Yet this figure does not tell the whole story. Information on vehicle cor of all reported fatal cases.
