Rites for "Grandma" Savage, Died Pioneer, Held Here Sunday

Death last Saturday of Mrs. "Grandma" Savage, marked the passing of one of the real old timers of this section of Texas and this section was a resident of Sanderson for more than 37 years. Her character, every kind of helpful, and beloved by all passing leaves a vacuum which will be hard to fill for her advanced age, she was so hearty, and always ready to help those in need.

She passed a great store about the early days, the days of those who fought to the western frontier far and wide. Her memory was so fresh in all her faculties that she was able to give a possible exception of her memory which began to fail in her failing eyesight can be seen in the hastening of her death. A few weeks ago, while sitting through her yard on a neighbor, she tripped and fell, and in the fall sustained a broken leg and arm, besides bruising her body. The shock was too much for her, and this time she passed to a just rest nine days after the accident.

She was one of the "banks of Texas" heroes who paved the way—are fast. Another has joined her in the roll call in the unknown.

Her husband, John C. Savage, died in 1875. She was united in marriage to James Walter Savage on February 11, 1875, in Texas, having come to Sanderson with her father and brother a young girl. To this marriage she bore ten children, two of whom preceded her in death. She was survived by seven children, three of whom are living. They are Mrs. Lizabeth O'Keefe, Mrs. Kibbee, Virginia, and three others.

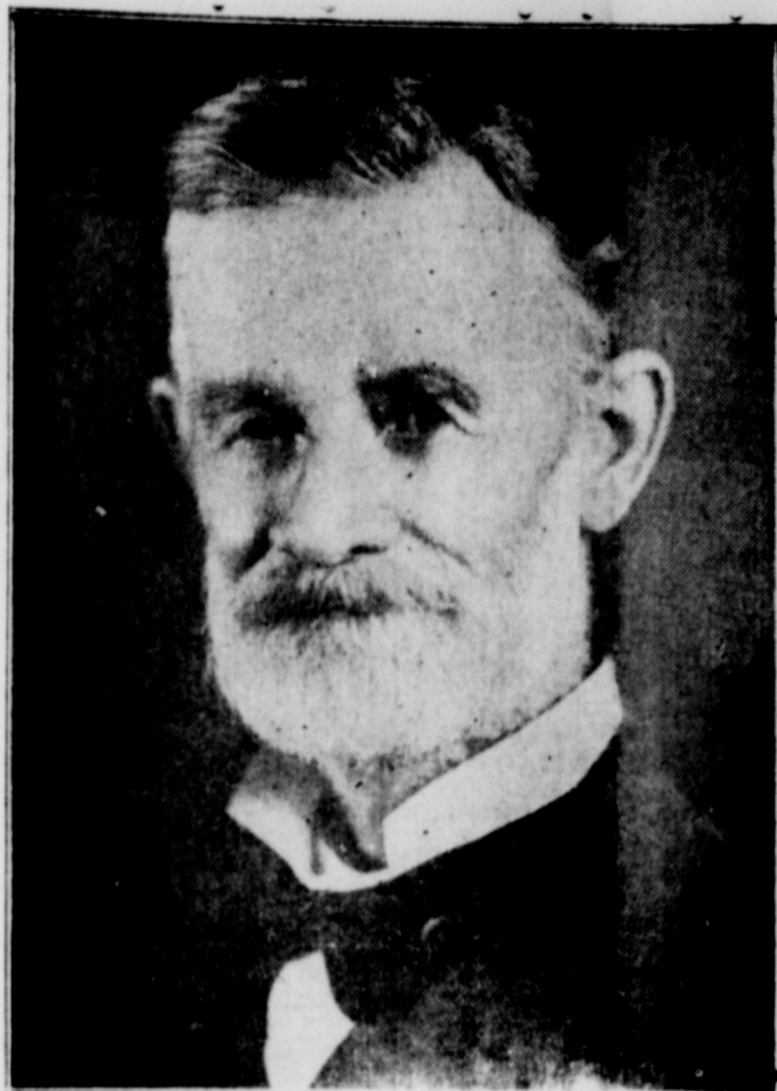

Funeral services were held at the Sanderson cemetery Sunday afternoon at 2 o'clock. Burial was in the family vault. The casket was borne by the Rev. J. Y. Bowman, assisted by Dr. McCall, Presbyterian, and the Rev. D. C. Parson, pastor of the Baptist church.

Judge Joseph Jones Was 81 Last Friday

Judge Joseph Jones of Del Rio celebrated his 81st birthday last Friday, and was the recipient of congratulations from his legion of friends in this section.

Judge Jones has practiced law for more than 50 years, and ranks high in the profession, and his opinions are largely sought and

highly respected. Commenting on the noted jurist the Del Rio Evening News stated: "Judge Jones' mind is as keen and alert as that of a man half his age. His memory is remarkable and his fund of legal knowledge is the inspiration for many stories of the courts and cases."

Association Along Highway No. 90 Is Re-Organized

A reorganization of Highway 90 Association was perfected here Tuesday afternoon at a meeting held at the office of Joe Kerr and which was presided over by Mr. Kerr. Practically all the business men of Sanderson attended the meeting.

The reorganization of the association is being sponsored by the Del Rio chamber of commerce for the purpose of promoting the interests of towns along this important route. Several years ago when the association was active, much good was accomplished in that several important roads were paved through activities of the members, and much national advertising was secured and tourist travel was directed along the route.

The committee elected at the meeting held here Tuesday for Terrell county included Alfred E. Creigh, chairman; C. V. McKnight, Frank Weigand, J. W. Downum, R. E. Fred, P. E. Dishman and Harry McAdams.

SON TO HAYNES

Mr. and Mrs. Clarence Haynes of Marathon are the parents of a son, born Monday, March 28, the young man, who weighed eight and three-fourths pounds at birth has been named Clarence Arthur Haynes, Jr. He made his arrival at the home of his grandparents here, Mr. and Mrs. J. W. Haynes. He is also the grandson of Mr. and Mrs. Bud Kimball of Marathon.

SEN. BERKELEY SPEAKS

Sen. Benjamin Berkeley and Mrs. Berkeley were Sanderson visitors Wednesday. In the evening at the high school, the senator made an address relative to the Big Bend Park, and the importance of securing this project. He explained in detail the many advantages of creating the park, and urged upon his listeners the importance of aiding the project financially, adopting the county per capita quota now in force at Alpine, where every one gave a little well within their means.

Plans for Annual Pecos Rodeo About Completed—Dates are July 2, 3, and 4

Youthful Mexican Writes Extortion Note to C. Holland

Raoul Gonzales, 16-year-old Alpine Mexican, confessed to the Federal Bureau of Investigation men late Tuesday night after several hours of questioning that he had sent two notes to Clay Holland, Alpine hotel man, demanding payment of \$500 with the threat that the Hollands' daughter, Virginia, high school student, would "cease to live" if the demands were not complied with.

Mr. Holland received the first note through the mail Monday which demanded the money be placed in a barbecue pit at the Boy Scout club house on South Hill. Boy Scouts playing in the vicinity of the club house prevented Mr. Holland from placing a decoy package at the designated place Monday, but the following day, after receipt of a second note he did succeed in leaving the package.

The youth has been reared in Alpine. He has been attending school this term and was in the tenth grade.—Alpine Avalanche.

P. T. A. Selects Delegates to Dist. Meeting at El Paso

The annual conference of the 15th District, Parent-Teacher Association, of which Sanderson is a part, will meet in El Paso next Monday, April 4. At the 3-day meeting many prominent workers among the association will be present, and an interesting and worthwhile program has been planned for the sessions which will end on Wednesday.

Mrs. E. W. Hardgrave, president of the local P. T. A., has appointed the following as delegates from Sanderson: Mesdames O. H. McAdams, S. H. Underwood, Julian Bassett, Willie Banner, Martin Bodkin, A. E. Creigh, N. E. Charlton, E. J. Chastain, D. L. Duke, Tip Frazier, Clyde Higgins, Odie Wickliffe, J. H. Lochausen, W. H. Savage, C. L. Surratt, Duane Smith, Mr. and Mrs. R. D. Holt, and Miss Hazel Owen.

Mrs. Hardgrave stated that if any of the above appointed delegates can attend the conference to let her know and that arrangements will be made for transportation.

ENTERS SUL ROSS

Jesse Lochausen, son of Mr. and Mrs. J. H. Lochausen, has resigned his position at the post office and on Sunday left for Alpine where he will enter Sul Ross college.

Dick Sullivan, son of Mrs. Maude Sullivan, who has had a position with the highway department, has also enrolled at Sul Ross.

Another Sanderson boy who entered Sul Ross this week was Richard Haley, son of Mr. and Mrs. Roy Haley.

Pecos.—Plans continued to advance at a rapid pace this week for the staging of the 9th annual Pecos Rodeo and Celebration on July 2, 3 and 4.

Keessie Duncan of Toyah, who has been named by the rodeo committee as manager of the 1938 show, has practically completed the program.

Invitations have been extended to Governors James V. Allred and Clyde Tingley to attend the rodeo on at least one of the three days to resume their riding feud. The issue was scheduled to be settled at Amarillo at the Mothers'-in-law celebration.

Buck Jackson, manager of last year's show, has been chosen committee chairman. John Correll and Holsey Glover are representatives of the American Legion on the group; Harry Hinkle represents the Rotary Club, Jackson the Lions Club, and Dudley Yard the chamber of commerce.

The rodeo already owns thirteen Brahma bulls, 30 Mexican steers and 12 broncs, leaving only the purchase of calves to make the stock complete for the show. Duncan has made a verbal contract for a combined clown and trick horse act.

Prize money this year will total \$3000. The management has decided to continue the cowgirl roping event and boost the purse to \$100.

Louis Roberson and Tuffy Alley are in charge of the opening and closing day parades and plan to stage the biggest in the history of the celebration.

With the rodeo association in good financial condition, all indications point to a banner event in the home of the world first rodeo.

AUNT DIES

Earls Pierson left Monday morning for Galveston to attend the funeral services for his aunt, Miss Maggie Earls, 64, who passed away Sunday afternoon at the home of a niece, Mrs. J. J. Miller, in Marathon, Texas.

Miss Earls was a native of Galveston, but for the past year she made her home at Haymond with her sister, Mrs. Mary Pierson. She had been in ill health for several months, and her condition became worse Saturday.

She is survived by two sisters, Mrs. Mary Pierson of Haymond, and Miss Nora Earls of Galveston; a nephew, Earls Pierson of this city, and five nieces: Misses Mary, Margaret and Alice Pierson, Mrs. J. L. Bennett and Mrs. J. J. Miller.

Funeral services and interment were in Galveston Wednesday morning.

SAFETY MEETING

A Safety Meeting will be held at the Princess Theatre here at 7:30 p. m. Tuesday, April 5. It is expected that some very interesting "Safety First" pictures will be shown on the screen with full explanations. All railway employees are urged to attend, and the business men and citizens of Sanderson are cordially invited.

BASEBALL SUNDAY

The baseball season will officially open in Sanderson Sunday at Legion park. The game will be between the Rotarians and the town team, and it is hoped that this fracas will pave the way for a regular team this summer. The game will be called at 3 p. m. and all interested in the formation of a team to represent Sanderson are urged to be on hand.

VARIETY STORE OPENS

With a nice and varied stock of merchandise the Friend's Variety Store formally opened for business here Wednesday morning. All through the day the store was filled with folks, many out of curiosity, many to make purchases, and the owners reported sales beyond their expectations, not only on opening day but throughout the week.

We are indebted to J. Travelstead (Prickly Pear) of the Del Rio Evening News for literature which they are syndicating as a news feature. It's rotten stuff, but there's suckers in every field, and maybe they can peddle it, but we bet it don't go across in Del Rio, because P. P.'s column has it skinned a city block. Our howl? Oh, yes. This swank 5th Avenue concern invaded the sacred precincts of Sanderson and has pilfered our name. "Column Right" is what they call this maudlin stuff they are peddling. Believe it or not! We know lots of names we could call them, and we don't have to go to the Greeks for the names, either. To say the least, it's some coincidence. Now we're without a name, and know just how our old friend and classmate Bill Shakespeare felt when he said: "He who steals my purse steals trash, but he who steals my good name steals that which enriches him not and leaves me poor indeed."

And talking about Prickly Pear. He was in our city last week on a special errand, but imagine holding him to a single purpose. He was all over the place, saw everybody, found out everything about them. He said many complimentary things about Sanderson, its people, the Times and its editor. About the perpetrator of this column he said several things—that we were non-drinking. In this country that's slander, in the new State of Ere it would be treason. He said we were 75 or 80 years old, and leavened that by saying we had more sense than some lawyers. He threw brickbats and bouquets with equal facility until we didn't know when to dodge or when to smell.

Reminds us of the negro boy during the war. He was entrusted with a message and had to cross No Man's Land. The officer instructed him when he hit that area to zig-zag as he ran. Next day the officer found him in the hospital. He explained that the Germans shot him all to pieces crossing No Man's Land. "Did you zig-zag as I told you," said the officer. "Yes sah, Ah sure did, but Ah musta zigged when Ah ought to zagged."

The Times can hardly go to press without a word of praise to Superintendent R. D. Holt and his efficient faculty. The meet last Friday was a signal success from every angle, notwithstanding the inadequate facilities of the town for staging such events. Our neighboring towns are more than fortunate in this respect. Of course, this mostly concerns a field for the athletic contests. But in the face of everything those in charge acquitted themselves with credit.

It's not our idea, but we mentioned the other day that there should be a per cent tax voted over a period of years to care for special maintenance in the public school, athletics, band, etc. The gentleman we mentioned it to said we were taxed to death now. Before he left he paid for 6 bottles of Hi Brew—90c. Now, in a bottle of beer there's just about 6c of brew. In fact we remember the old McGinty's they used to serve, more beer for a nickel than in a 15c bottle. It's all tax. But they don't seem to mind that kind of a tax, but will howl their heads off if a 2% tax was levied for school purposes. The idea boiled down is, if we're going to have a band, get uniforms; if we are going to maintain athletics, furnish a field to carry out the programs.

WEEKLY Health Letter

ADVISE WITH YOUR DOCTOR WHEN TAKEN ILL

Austin.—One of the traditional American economic-personal virtues has long been that of self sufficiency. But one situation in which the trait can be overdone is during illness, States Dr. Geo. W. Cox, state health officer.

"He who treats himself as a fool for a doctor" is a phrase that should strike home at a good many Texans. Too many of our citizens, when indisposed, jump at conclusions as to what is wrong with them, and go to the corner drug store for a bottle of advertised medicine.

This ignoring of the existence of physicians and relying upon a self-diagnosis is a bad gamble with ill health. For these persons, for all practical purposes, have isolated themselves as far as medical service is concerned.

In fact, they persist in this ignorant or careless complacency until the become acutely ill, when at last they call for professional medical service—which frequently is too late.

"It is indeed too bad that so many persons deliberately raise a barrier between themselves and the family physician. Considering him only as supplementary aid when the situation gets personally out of hand, there are literally thousands who through delay have made it impossible for medical science to render its best service and thus where penalized by a protracted illness, a chronic disease, or the premature termination of life.

C. C. C. Camps to Hold Open House On 5th Birthday

March 31-April 5th, which marks the fifth anniversary of the birth of the Civilian Conservation Corps, will be fittingly observed with appropriate ceremonies in every camp in the United States and its possessions. Open house will be held in all camps, and the commanders will welcome visitors to inspect the types of work undertaken and to observe the favorable conditions under which enrollees live.

This is one government agency that has not been given the publicity it deserves, for it has functioned under the supervision of the war department as a smooth-running machine, and not many public officials or citizens realize its true merit, from either a social or an economic standpoint. While it was created in 1933 to provide worthwhile employment for the thousands of young men roaming over the country it has shown that such a program has a permanent place in the life of America, and there is little doubt that it will be made a permanent and integral unit of the Government, as its life has already been extended for several years by Act of Congress.

The next enrollment for Texas is planned for this month, April, when vacancies in camps will be filled and the Corps brought to full strength. Already there is a list of over 10,000 signed applications on hand, awaiting the call to report to enrolling points. It is not definitely known as yet the number this State will be called upon to supply, as these figures will not be available until the latter part of March, but it is felt that more than enough applications are on hand to amply fill any requisition.

Mr. and Mrs. Francis Mansfield and children, now ranching near Toyah, were visitors in Sanderson Tuesday.

"You're Only Young Once" Depicts Trials of Average American Family

Resort and family life, amusing adventures and adolescent romances are mingled in the plot of "You're Only Young Once," which comes to the Princess Theatre Monday night, April 4.

Lewis Stone, Cecilia Parker and Mickey Rooney are the main-springs around which the story revolves. They are supported by a capable cast...

"You're Only Young Once" is the intimate story of an American family. It tells of a holiday postponed for eleven years...

The family arriving at Catalina Island, immediately involves itself in a series of situations which while laughable, could easily become tragic. Mickey Rooney as the son, becomes infatuated with a wealthy girl whose only ambition is to "experience everything in life before she is eighteen."

The famous beach at Catalina, a flying trip in a racing speedboat, scenic views of one of America's most famous summer resorts...

Lewis Stone gives his usual suave and polished performance. Mickey Rooney, in his first grown up role, is given opportunity to display his versatility.

MRS. McSPARRAN ENTERTAINS SOCIETY

The Woman's Missionary Society of the Methodist church met Monday afternoon in the home of Mrs. E. McSparran for its regular business and social meeting.

Mrs. W. H. Newman conducted the program. Mrs. Jennie Freeman gave the Meditation Thoughts, reading from I John. 3.

As it was Social Service Day, the program was "Methodist Women Building Their Own Communities." Very interesting talks on this subject were made by Mesdames Osgood, Watts, White, McSparran, Neal, Grigsby, Vinson and Gates.

Mesdames Underwood and Anderson gave an interesting dialog. Mrs. Ezell's talk, "Jesus' Formula for Christian Social Relations," was very instructive.

There was a pause in the program when each member sat with bowed head, a tribute to the memory of a very beloved member Grandma Savage, after which Mrs. Bowman led the group in prayer.

The president, Mrs. Canon, read an article telling of the war condition of the Christian Chinese, and our missionaries there. Mrs. A. B. Dyer was a guest of the society.

Mrs. McSparran served delicious refreshments to the following: Mesdames H. E. Ezell, J. C. Kern, Lee Grigsby, W. H. Newman, Andy Anderson, J. Y. Bowman, Bustin Canon, Jennie Freeman, A. B. Gates, H. C. Goldwire, Clyde Higgins, John Neal, J. L. Osgood, Sam Underwood, Vinson, C. J. Watts and C. H. White.

After the social hour the quarterly executive board meeting was held.

JACK SMITH AND MISS WEST MARRIED IN EL PASO

Fragrant springtime flowers decorated the reception rooms of the West home, 715 N. The Rev. B. M. G. Williams officiated and Miss Mary Weeks and Doyle Ziler were attendants. Immediately after the rites a reception was held and the wedding cake was cut by the bride, and served with champagne.

The table for the service, lace covered, was centered with a silver bowl of iris and sweet peas and lighted with ivory candles in silver candelabra.

Mr. Smith and his bride will make their home in Connecticut.—El Paso Times.

Jack is a son of Mr. and Mrs. Chester Smith of Dryden, and was recently discharged from the navy, with a rating of radio operator, first-class. After a short visit with home folks and friends in this section, he has reinstated, and will be stationed at the naval base in New London.

"WELLS FARGO" GREATEST EPIC PICTURE SINCE COVERED WAGON

"Wells Fargo," epochal film of the story of the development of transportation in America which Frank Lloyd produced and directed for Paramount, will be shown at the Princess Theatre tonight and Saturday, April 1 and 2.

Heading the cast of "Wells Fargo" are Joel McCrea, as a young express messenger of 1844 who attains greatness with the development of transportation; Bob Burns, as a plainsman whose chore it is to blaze the trail westward for communications; Frances Dee, daughter of an aristocratic southern family who becomes McCrea's bride and mother of his two children.

The period covered by "Wells Fargo," 1844 to 1870, provides an historical background of such scope that its accurate presentation within a single motion picture is an almost unparalleled achievement. Events in this quarter century include the annexation of Texas, the Mexican War with its resettlements of the international boundary line and the United States' inclusion of all territory north of the Rio Grande, acquisition of Oregon through a treaty with Great Britain, the '49 Gold Rush to California and the war between the States.

Current Comment

The Bi-County meet is official-
ly over and the contestants who
won either a first or second place
will have to start practicing for
district meet, to be held in Fort
Stockton April 14 to 16.

We heard some of the girl say
what they would do with those
ribbons Albert Weigand received
Tuesday morning. I guess Mar-
jorie Canon will have something
to say about that.

The seniors are having a hard
time trying to decide on plays to
use for the Senior play, and on
top of that they can't decide whether
they wish to be in a mystery,
tragedy, or LOVE.

Have you seen the band uni-
forms? They are really nice. A
splash of orange and black.

Don't take the measles.

The American history class just
can't understand the U. S. money
system, but we hear that they did
not have their lesson that day.
What about it?

I hear that two little girls do
not like to practice typewriting.
That's too bad. The more you
practice, the better showing you
will make, girls.

TRACK MEET AT MARFA

The Highland Relays will be
held at Marfa April 9. The fi-
nals of this meet will be held
at 7:30 o'clock the same day fol-
lowing all eliminations.

The relay teams of Sanderson
will be there and everyone wish-
es them the best of luck.

Brain Teasers FROM MATH CLUB

If you have regained your wits
since the Bi-county meet I invite
you to work on the following:

Little Bo Peep sold one-half of
her sheep and one-half a sheep,
she then sold one-third of the re-
maining and one-third of a sheep.
The she sold one-fourth of the
remaining lambskins and one-
quarter of a sheep, and had 25
left. Now how many sheep did
little Bo Peep have to begin with?

Two typists were asked to du-
plicate a long report. It was es-
timated that the first girl would
take six hours to do the work
alone, while the second girl would
require eight hours. After they
had worked together for two and
one-half hours, the first typist
was given another assignment
and the second finished the work
alone. How long did it take the
second typist to complete the
work?

Last Week's Answers

1. One and a half years.
2. Ten feet in the air. Twenty
feet in water. Sixty feet in the
ground.

SANDERSON'S TRACK HERO

Bertha Mae O'Bryant
Albert Weigand, one of Sand-
erson's track men, starred in the
Bi-County meet last Friday. He
almost needed a truck to carry
the ribbon awards he won. The
awards he received were 4 first
place ribbons, and 2 second place
ribbons. Some one at the track
meet said that Albert could run
and jump like a rabbit. All that
Albert told reporters about his
track laurels was, "Aw, shucks,
'twasn't nothing."

LOCAL GIRL SELECTED ON A. C. C. HONOR GROUP

Miss Anna Lee Allen, daughter
of Mr. and Mrs. R. N. Allen of
this city, was selected as one of
the 16 new members in the "W"
Club, honor organization of the
Abilene Christian College. Mem-
bership in this group is based on
character, leadership and schol-
arship. Selection are made twice
yearly. The group was organized
on the college campus in 1920 by
Mrs. J. P. Sewell, wife of a for-
mer president of the college. Miss
Trentie Burchett is the present
sponsor of the club.

Martha Bassett had a good cry
when Jimmy Cook left town.
Weep no more my lady, because
he is back again. Jimmy, you
should be ashamed of yourself.

Marjorie Canon certainly
thinks Albert Weigand is some
hero since he has won six places
in the bi-county meet. That's no
news; she has always thought
him a hero.

Miss Johnson seemed to have a
hard time trying to get some of
the girls to play baseball during
the bi-county meet. The reason
is that she could not keep them
from flirting with the boys. Girls
will be girls.

If you want a new slant on the
English language and pronoun-
ciation, ask Delver Bertram Her-
bert how to pronounce bureau and

Ed Leatherwood and Joyce
Yeates seems this and that about
each other. Ho hum, another
new romance.

Emma Fay Harris and Allen

measles at the same time. Who
gave the measles to whom?

Doyle Vincent is always wart-

garet Ruth Yeates did not have

in the Orient to designate packages

company.

Band Receives New Uniforms

By Pauline Bell
The band is ready to shine in
the new uniforms which arrived
this week. The uniforms con-
sist of black trousers with an or-
ange stripe on the leg, an orange
coat trimmed in black with gold
buttons; also a black cap trim-
med in orange with an eagle em-
blem on the front. The suits
were ordered from T. S. Lankford
& Sons, Abilene, Texas. The cost
of each suit was \$13.28. The
total being \$383.43. Part of this
amount was taken from the con-
cert with Alpine on March 17.
They also gave a benefit show
for the purpose of getting money
for the uniforms. The Band Par-

money. In all twenty seven uni-

Master's being just like the band
students. A ten per cent discount

the uniforms.

Use for Rattlesnakes

In the desert country of the Amer-
ican Southwest rattlesnakes are
turned to many profitable uses by
the native folk. Rattlesnake bar-
becues are not uncommon, for the
reptilian flesh is eaten with relish
when roasted over a grid. Rattle-
snakes are raised on farms for their
skins, their oil and their venom.

Foods Rich in Iron

Foods rich in iron include bacon,
beets, dried fruits, egg yolk, green
vegetables, legumes, meat juices,
mushrooms, nuts, oatmeal, oysters,
