VOLUME XXXI

## Ports Being Made Establish Bus Line to Stockton

Will Speed Up Mail Service if Contract Can Be Secured

Ports are being put forth to a bus line from Sanderson to Fort Stockton and connecting points north and south, by the Baygent Co., Raymond Baygent, owner of several lines in West Texas. In Sanderson Thursday in interest of such a line and that service could be had within a few days after permit had been obtained.

Lines men and residents of Sanderson should also be interested in the line for it will afford an opportunity for a mail to be established to points which would mean that of the mail coming into Sanderson from that direction about 24 hours earlier at the present time. Since mail service has been discontinued from Fort Stockton to Sanderson it is necessary to go in a roundabout way to get mail from San Angelo, or any point in that section. Sanderson has good connections to Fort Stockton and to points due west but service to northern points is slow. Many families included in newspapers from San Antonio, Dallas, or other points that get their paper late. This could be prevented if a mail service could be established whereby connections be made at some point between Sanderson and Fort Stockton.

It would be of much more to Sanderson, however, to have a mail service which would allow business men and others to carry on their business without delays now found in Stockton takes three days to get mail to other points. It is to see what a direct service would mean.

Mrs. Lee Grigsby and daughter, Mr. and Mrs. Grigsby, of McCamey.

Underwood spent last week-end with their daughter, Mr. and Mrs. Grigsby, of McCamey.

Duke and Mrs. A. N. were Del Rio visitors.

## Dryden News

Mrs. Nelson Billings and Tom Holmes returned from Austin where they visited several days. Billings returned with them for a visit in Donnell home.

Mrs. L. O. Kennedy and Mrs. S. O. Kennedy were visitors Sunday.

Eva Billings left Saturday for Van Horn to visit sister Mrs. Elmer Sch. She spent Saturday in visiting relatives.

Bassett returned home from a five month trip in Louisiana, Dallas and San Antonio.

Mrs. Joan Breg were and Marfa visitors Saturday.

## New Service Station Being Built By R. B. Mussey

Work has been started this week on a new service station for Sanderson by R. B. Mussey. The building is to be built of brick and will be erected on the corner lot on Main street which lies just across from the Bohman building.

Mr. Mussey says that the actual building of the station will start next week although curbing has been knocked off and cess pools, etc., were started this week.

## SPEEDBOAT ACE

Jack Rutherford of Fort Washington, L. L., who drove his power boat Juno to victory in the National Sweepstakes of the National Motor Boat Racing championship at Red Bank, N. J. Leading in three straight heats, he easily spread-eagled the field in the 45-mile event.

## NIGHTWATCHMAN TAKES LEAVE

J. L. Haley, nightwatchman for Sanderson, took off long enough the past week to make a trip through the Big Bend section of the state, in which the proposed Big Bend National Park will be built if counties of the state ever reach the quotas set for them. He accompanied Jess Anglemiller of Sabinal, and Mr. Haley states that during the four days that were spent in that section they saw many interesting sights.

J. C. Henderson took care of his duties as nightwatchman while he was away.

## COURTHOUSE AND OIL NEWS

Romero Gutierrez and Antonio Zepeda.

Mrs. J. H. Loehausen and daughter, Roberta spent last week-end in El Paso visiting relatives.

## Parent-Teacher Association Holds Meeting October 6

To Sponsor Milk Fund; Mrs. Savage Health Chairman

The regular meeting for the Parent-Teachers Association was held Friday, October 6, in the high school auditorium, with Mrs. Tol Murrah in charge of the program. "The Family Health" Paryer was rendered by the Rev. J. V. McCall and assembly singing was led by Miss Louise Taylor. A business session followed the singing.

A drill was given by the Physical Education Class and a parliamentary drill was given by Mrs. J. Chastain. Others of the program were Roscoe Morgan, room attendance; "Health in the Home" Mrs. W. H. Savage; Dental Health, Dr. Collier; Accordion Solo by Miss Garrison; New Standards of Living, Mrs. A. E. Creigh; and report of attendance by Roscoe Morgan.

The award offered to the class with the greatest number of parents in attendance was won by the seniors.

The Executive Board of the association also met on the same day with Mrs. Clyde Higgins opening the meeting with prayer. Mrs. Surratt, chairman of the membership committee, reported a paid-up membership of 57 at this time. It is to be hoped that the number will be greatly increased and that more parents will take an interest in the activities of the association.

The organization plans to sponsor a milk fund under the able direction of Mrs. W. H. Savage, health chairman. This will be one of the projects for the year.

Mrs. R. D. Holt was appointed P. T. A. librarian.

## Local Student Is Elected to Abilene Christian Club

James Allen, son of Mr. and Mrs. R. N. Allen of Sanderson has been elected to membership in the Business Administration Club of Abilene Christian College in Abilene, Texas.

This club was formed last school session under the sponsorship of J. E. Freeman, head of the business administration of A. C. C. Its purposes are to foster more thorough knowledge of business and business relations, to afford contact for its members in getting into business pursuits after graduation.

Once monthly the club holds a luncheon and invites the leading men of the city of Abilene to speak to them on subjects relative to business life. President of the club for the current school year is Earl McCaleb of Anson, Texas.

## SUL ROSS COLLEGE BAND HERE TODAY

The Sul Ross College band was in Sanderson this morning at 10:30 in the interest of the football game to be played at Alpine Saturday night between Sul Ross and St. Mary's Rattlers, San Antonio.

There was a parade through the streets and band music to call attention to the banners which were displayed. Several Sanderson students will play in the game.

## TO AUSTIN

Hal Rowlett, Sr., was a visitor to Austin last week where he visited with his son Hal, Jr. Mr. Rowlett states that Hal is much improved and that his jaw bone, which has been wired together since an automobile accident several months ago when he broke the bone in five places, has been freed and that Hal will probably start eating again this week.

Mrs. W. J. Ferguson spent last week-end in San Antonio visiting with her son, Billy, and daughter, Miss Mary, who are attending college there.

## Winners of International Regatta

Walter von Hutschler, left, whose white-hulled "Pinn" representing the Hamburg Flotte of Germany, captured the sixteenth annual international star boat regatta at San Diego, is shown with his crew mate, Hans Weise, waving their flag-decorated trophy after victory.

## 108 Counties Are Entered in Utilization Contest

Largest Project Of This kind In The United States

ABILENE—Largest conservation project in the United States is the West Texas Chamber of Commerce Soil and Water Utilization Contest.

In the period for entry, from June to Sept., 108 West Texas counties entered more than 70,000,000 acres of farm and ranch land in the competition. This is approximately 42 per cent of the total land area of Texas and exceeds by far any other conservation unit in this country, or perhaps in the world.

Differences in climate and topography meant nothing to the West Texas counties, as typically ranching counties entered the competition along with strictly farming counties. All counties will have equal opportunity to win in this contest as the score card list 24 approved conservation practices, work on any or all of which will count points toward winning score says R. C. Hopping, Lubbock, member of the WTCC Agricultural Board.

Other members of the Agricultural Board are Clifford B. Jones, Spurr, Chairman; Omar Burleson, Anson; Hugo Haterius, Lueders; R. E. Dickson, Spurr; J. A. Crump, Paduca; J. J. Steele, Anson; and R. E. Patterson, Lockney.

West Texans for several years have been conservation-minded but the WTCC contest has added zest to the work and soil and water saving activities have increased considerably in the last few months, Mr. Hopping says.

The contest offers \$1,000 in cash prizes to the three counties with best records in the conservation for 1938, but the smallest benefit to be received in the contest is the prize declares D. A. Bandoen, WTCC Manager. The far-reaching and permanent benefit to each participating county will be conservation of its soil and water he says.

A local soil and water utilization committee was organized by each county which entered the contest and more than 1,000 West Texas leaders severing on these committees. Duties of the committees include promotion of activities to increase interest in conservation. Schools and tours already have been conducted in several counties and other activities are being planned.

## New Chevrolets Are Announced for Saturday, Oct. 22

Announcement is made in this issue of the Times of the showing of the Chevrolets by McKnight Motor Company. The new cars are to be on display Saturday in their showrooms and the public is invited to come in and inspect them.

The new cars have a longer wheelbase than before and many other new features.

## Wallace Henshaw Is Bitten by Rattler Sunday Afternoon

Wallace Henshaw received quite a jolt Sunday afternoon while he and son Turner were out in the Bullis Gap country. He had just turned over a rock when he felt something like a coal of fire hit the little finger of his left hand, at the same time locating a rattler which struck again as his hand was jerked again. The snake hit the rock but failed to hit Wallace.

Mr. Henshaw immediately grabbed the finger tightly and a tourniquet was applied by Mr. Turner, using a strip torn from a handkerchief. As soon as the tourniquet was applied the finger was spit open with a knife and allowed to bleed freely. Only one fang entered the finger and the puncture was followed when the finger was cut. They walked about a half mile to the car and applied gasoline to the incision.

The bite was received at about three o'clock in the afternoon and they reached Sanderson about seven. Mr. Henshaw went immediately to a doctor and was told that there was nothing else that could be done and it looked as though there was none of the poison left in the finger. No ill effects were experienced by Mr. Henshaw other than swollen glands in his neck and pain in his hand and arm. Mr. Henshaw was back at his position at the Ferguson Motor Company Monday morning.

## Livestock News

Practically all lambs are gone out of the Terrell County section, some being sold as early as July. Joe Fisher, who operates in the Dryden section is about the only man with any amount on hand. Several buyers were in Sanderson last week, looking for lambs and offering five to five and one half cents but failed to find any in numbers sufficient to handle.

Joe Kerr of the Sanderson Wool and Commission Company feels that the recent upshoot in price of kid mohair will hold, comparatively speaking.

"There's never before been the proper distinction between kid hair and grown hair," he said.

The warehouse is sold out of kid hair, Mr. Kerr says. It went some time ago for 65 cents. There are still 85,000 pounds of grown hair in storage.

Steve Stumberg, Sanderson sheep grower sold 76,000 lambs at five and one half cents last week to Russel Menzies, who resold them to stockers and feeders. This sale wound up Stumberg's lamb crop for the year.

Mrs. Edward Downey of Sanderson shipped a carload of old ewes in the wool to New Mexico last Tuesday. They brought her \$150 a head.

Tol Murrah got \$150 around for 500 ewes, in the wool, that he shipped to Spurr last Tuesday.

E. W. Hardgrave sold 640 mutton lambs to Jimmy Mills of Del Rio. The deal was made by Stokes and Whistler.

They also reported sale of 110 head, one to three year old mutton goats to S. G. Jones of Fort Davis Sale was made for Donald Duncan. Consideration was \$240 per head.

Eddie Conner sold 69 head of mutton goats, one to three, and Wilson Banner sold 99 head of the same ages to S. G. Jones. Bently sold 100 mutton kids to Lee Drago at \$2.25 per head. All sales were handled by Stokes and Whistler.

Frank K. Harrell shipped a car of mixed cattle to San Antonio the first of the month.

Eight cars of sheep were shipped from Longfellow to National Stock Yards, Ill., on the 11th, and two cars were shipped to Fort Worth market on the same day.

Other shipments on the 11th were three cars of goats to Marfa by S. D. Jones had them

## American Legion to Sponsor Rodeo November 11th

Contestants to Be Composed of Local Rodeo Talent

Terrell County residents and visitors to Sanderson November 11 will have an opportunity to see a real home talent rodeo which is to be sponsored by the local American Legion. A special meeting has been called for Saturday night at which time plans will be laid and a complete schedule for the day arranged.

According to the Legionnaires it looks like rodeo fans will be in for a real treat judging from the challenges already given and accepted. And judging from the fact that there has been a thirty minute limit set on calf roping and tying, it is quite evident that there are to be some apt ropers listed among the contestants. It's hard to say whether they are apt to catch or whether they are apt to give out before they can accomplish the feat. One Legion member states that the time limit does not mean to cast any reflection on the ability of the ropers, but that he believes it a good thing for after looking over the names of those already entered, he fully believes that the "gong" will get the greater part of them. He is a contestant himself.

Mr. and Mrs. L. H. Lemons and daughter, Jo Ann returned the first of this week from their vacation. They visited relatives in St. Louis, Houston and Galveston. Mrs. Mary Webster of Houston accompanied them home and will be their house guest.

shipped to his ranch there. Six cars of sheep were shipped to Morris, Kansas, one car to DeGraff, Kansas, and two cars of sheep to National Stockyards, Ill. The shipments were made from Sanderson.

On the 13th ten cars of sheep were shipped from Longfellow to Illinois.

On the 15th Albert Appel shipped a car of cattle to Fort Worth and Mrs. Albert Appel shipped a car of calves to the same place.

Two cars sheep to Illinois were shipped on the 16th and on the 17th two cars of sheep were shipped from Longfellow to Dryden and six cars of sheep were shipped from Longfellow to Kansas City, Geo. Montgomery shipped a car of cattle to Fort Worth bought from J. C. Mitchell on the 18th.

Shipments on the 19th were made by Tol Murrah who shipped four cars sheep from Longfellow to Herford, and by a sheep buyer who shipped ten cars from Longfellow to Holtville, California.

S. G. Jones of Alpine has bought about 2,000 head of mutton goats from ranchers in this vicinity at a consideration from \$2.40 to \$2.50. Most of them were yearlings and two-year olds.

C. C. Mitchell sold 32 head of cattle to Dee Finley of Sonora.

Todd Brotherton, who has been leasing the Cedar ranch east of Dryden sold 688 mixed lambs to Rufe Ridley. Delivery was made at Pumpville.

Ben Gilbert has sold 184 ewes to Bert Caldwell.

Average weight on 721 mutton shipped to Kansas City by Ray Willoughby was ninety-four and one quarter pounds.

Rufe Murrah sold 187 muttons to J. H. Fisher and delivery was made at Longfellow.

Buck Pyle sold a truck of horses and mules to a rancher at Hondo. He also sold 12 two-year old fillies to Dink Wardlaw of Iron Mountain Ranch near Marathon.

## It Happened in Sanderson TEN YEARS AGO This Week—Remember?

October 19, 1928

Mrs. R. S. Wilkinson and son spent this week in Waelder and Cuero visiting relatives.

Russell Dyer and Carl Cochran were business visitors in Juna last Friday and Saturday.

Mrs. John L. Newton has returned from a visit with relatives in San Antonio.

Mrs. W. E. Lea spent last Thursday and Friday in El Paso visiting her sister, Mrs. A. M. Preston. She was accompanied home by her father, A. M. Gildea of Pearce, Ariz., who will spend several weeks here visiting his daughter and other relatives.

The new filling station which was being put up just east of the Loma Alta Cafe by C. M. Breeding for J. J. Nance was completed last week and on Monday the station was opened for business. P. E. Dishman will be the manager.

The State Highway Commission awarded the contract Monday for the Big Hill project known as State Highway 82. L. J. Mills bidder. The bid price was \$44,453.60. There will be 1.4 miles of grading and drainage structure only and the hill part will be the only work done.

## WITH OUR NEIGHBORS

**Pecos Enterprise**—Heavy rains fell in and near Pecos Sunday and Monday, bringing winter prosperity to ranchers in this vicinity. One and one-twentieth inches of rain fell in Pecos Sunday in a few short hours of near-cloudburst. A heavy wind and some hail in widely separated sections accompanied the rain.

**Alpine Avalanche**—Establishment of the proposed Big Bend National park will remove the thought in the minds of many that the Mid-Continent has nothing worth while to offer in scenery. Secretary of Interior Ickes took a banquet audience on a national radio hookup.

The Fort Stockton Pioneer—Pecos county, with a large road bond obligation, shares materially in the payment of its bonds, both principal and interest, and with the increase in aid, will receive on the 1939 budget a total of \$20,025.73 from the state fund an increase of \$1,588.30 over the figure of the previous estimate, before percentage was increased.

**Alpine Avalanche**—Arrangements were completed Wednesday for installation of lights on Jackson Field, home ground of the Sul Ross Lobos and Alpine High school Bucks, and work was started yesterday.

**Big Bend Sentinel**—A wire at press time from R. E. Thomason informs the Sentinel that \$12,366 has been allotted for improving county roads in Presidio county. The project allows for operation of gravel pits to produce material for the construction work.

**Ozona Stockman**—A series of musical programs featuring well known artists, will be sponsored here during the winter by the Ozona Music Club, it was decided at the regular meeting of the club here this week.

**Bal. orhea Texan**—The Balmorhea Livestock Company, acting through its parent corporation in Fort Worth has completed arrangements for a bonded cotton warehouse in Balmorhea. Location of the warehouse will be the high Balmorhea Livestock Company barn near the P. V. S. tracks south Balmorhea.

## Scout News

**SAN ANGELO**—Six courses will be offered at the University of Scouting, according to Rev. Rodney Gibson Jr., Dean of the University. The courses will begin Monday Oct. 24 at the St. Angelus Hotel. Assisting the Chairman of the Leadership Training Committee, H. C. Grafa and his committee consisting of C. C. Minatra, Jim Brambitt, H. Grady Stovall, R. L. Baldwin, and J. A. Childers. Courses to be offered are: "Introduction to Scouting," directed by W. B. Halcomb; "Troop Operations," directed by James Montgomery Sr.; "Club Leadership," directed by H. Grady Stovall; "Senior Scouting," directed by J. A. Lindie; "First Aid," Standard Course, directed by Floyd Farrington; and "First Aid, Advanced Course," directed by Jim Brambitt.

**EAGLE SCOUT TROOP**  
Sabinal—Gaylord Ware, Bobby Wayat, John Smylie Jr. and Chris Bergmann Jr., Scouts of Troop 84 received their Eagle Badges at the October Court of Honor. These were the first Eagle Badges to be awarded in Sabinal. The four Eagles were charter members of the troop which was chartered in June, 1936.

**CUB PACK**  
Uvalde—Geo. Herndon, Director of Religious Education at the First Baptist Church, is organizing a Cub Pack as a companionate organization to Troop 83. Troop 83 is furnishing the Den Chiefs for the Pack. Mr. Herndon was recently selected to direct the young peoples activities for the church. He attended the National Training Institute at San Antonio October 14, 15, and 16.

**San Angelo**—Scouts of Iraan surprised President Henry C. Ragsdale and the Lions Club Cabin October 17th. A special program was given in honor of the President, who is serving his third term in this capacity.

**Iraan**—The third session of the Scout Leaders' Training Course for the Permian Basin District will be held at Camp Webb Saturday evening, 7:30 o'clock Oct. 22, according to James H. Bennett, acting Scoutmaster for this section of the training course. At the last session, thirty-two Scouters from Iraan and Texon attended. Scouters from other towns expected to attend this session are from Crane, Rankin, McCamey, Fort Stockton, Imperial, and Big Lake. This two weeks.

**Ballinger**—The first session of the "Elements of Scout Leadership" will be held at the City Hall in Ballinger Tuesday evening, Oct. 18, according to K. V. Northington, Chairman of the Ballinger District. J. A. Schnable, Dist. Scout Commissioner, will

preside at this meeting and he will be assisted by Rev. Wallace Jones of Ballinger and Theo. Wiedeman of Point Rock. Invitations to all Scout leaders and business men in the following communities have been sent out: Bethel, Millersview, Paint Rock, Miles, Bronte, Robert Lee, Mave-rick, and Ballinger.

**Brady**—B. L. Hughes, vice-president of the Concho Valley Council and Chairman of the Brady District, announces a schedule of training course for the Brady District to begin Monday night for a period of six sessions, Scout leaders of the Brady District, consisting of the following communities are expected to attend: Melvin, Pear Valley, Salt Gap, Lohn, Doole, Rochelle, Mercury and Brady.

## School Receives Favorable Mention

In the September issue of the Interscholastic Leaguer, official publication of the University Interscholastic League, the Sanderson Schools received front-page publicity. A news story was taken from the Eagle News last spring, soon after the Terrell-Brewster Bi-County Meet was held in Sanderson. In a half-column story, the meet was discussed.

A number of students of S. H. S. were mentioned in this publication which is sent to all parts of Texas. Students mentioned as active in the meet last year were Elizabeth Brown and Mary Beth Banner in Girls debate, and Albert Weigand, Len Haynes, Rafael Fierro, John Glenn, Robert Lochausen, and Wilburn Short in Track. The Club program of S. H. S. also came in for some discussion in the clubs named being Library, choral boys' glee club, science, speech, dramatics, journalism, and literature.

Phone your news to the Times.

## Southern Association Report Is Made

The annual report of the Sanderson High School to the Southern Association of Colleges and secondary schools has recently been completed. The requirements for membership in the Southern Association are that the school employ only teachers who are graduates of standard colleges, that the teachers not have more than 750 pupils to teach each week, more than six hours each day, that the school have an adequate library with a trained librarian, and that the school observe numerous other rules and regulations.

The Sanderson High School has been a member of the association since 1930. There are now a total of 234 Texas high schools who belong to this association. A pupil who finishes high school in the local high school may enter college in the institution due to the membership which the school holds in the Southern Association.

EDITED BY STUDENTS OF THE SANDERSON HIGH SCHOOL, FRIDAY OCTOBER 21, 1938

NUMBER 6

DOING OUR BEST FOR S. H. S.

## SNOOPER

HEARS NOTHING SEES NOTHING TELLS ALL

We wonder why Joyce Yeates seemed so mad in study hall this morning after she read the snooter? Could she have read bad news?

Mr. Caraway likes to see Robert Lohausen grin because he knows it hurts. Aren't you ashamed Mr. Caraway?

Butch says: Emma Faye I want to see you about a date? Lysbeth O'Neill doesn't seem to mind if Robert Lohausen does have a skinnel nose.

Ask Ethel Laura if she can still say that Richard can't whip her. Al Creigh seems to have the crush on Ethel, Laura Nance.

Chick Cannon and Mr. Caraway can't agree in plain Geometry. Chick says its like Greek and Mr. Caraway says its easy.

We wonder why Bert Herbert is written the biggest of all names on Mary Beth Banner's shirt?

The enrollment in the Texas public schools has gradually decreased the past few years.

Th average number of words which an eight grade pupil should be able to read silently with understanding is from 180 to 200 per minute. What is your reading rate?

The Sanderson Public Schools received front page notice in the September Interscholastic League official publication of the University Interscholastic League, the largest organization of public schools in the United States for inter-schools competition.

were placed in the windows of business houses down town.

The fire drill is expected to go on as part of the work of going to mix up something that would smoke a lot so it would put some real action in the drill.

## NEW MACHINES FOR SHOPWORK

By Johnny Glenn

Sanderson High School has received three machines for use in shopwork. The three machines are a Bench saw, wood turning lathe and a jig saw. These machines will enable the students to do better work and to know how to work around machines which by one slip would lose a finger or even a hand. Mr. Morgan has instructed his classes on the safety rules which each student must learn before using the machines.

The bench saw is used in ripping and cross cutting. It also enables a student to cut at an angle or bevel. It is run by a high speed motor of one half horse power. There is an extra attachment which is called a "dado" saw with which a student may make a groove of three-fourths run by a one half horse power motor and is used in making table legs etc. The chisels that are used in the cutting of wood are as follows: Gauge, skew, Round nose, and spear-point.

The jig-saw is used to cut curves and designs.

## BAND INVITED TO SUL ROSS GAME

The Sanderson Band is invited to play at the Sul Ross St. Marys University football game October 22 at 2:30 in the afternoon at Alpine Texas. The members of the band will be given free tickets to the football game. Other schools which will have their bands present are: Alpine, Fort Stockton, Iraan, Marfa, Rankin, Van Horn, and Wink. A "Grand Parade" has been mentioned, in which all the bands will march on the field. This game is to be one of their best, and the college bands will not play so that the high school bands will have complete right of way.

Two new pupils have enrolled in high school. They are Mary Pearl Carruthers and Charlotte Carruthers from Harper. Mary Pearl is in the seventh grade and Charlotte is in the eight.

Ernestine Jessup, Elmer Jo Locke, and Herman Yancy all had birthdays in September. Ernestine's mother gave her a party in the class room. Sammie Jo Burlison and Jimmie Clyde Carter had birthdays in October. They had a party at Sammie Jo's house last Monday.

Mrs. Harris, Mrs. Locke, Lynn Hicks, Miles and Betty Faye Cancell, and Tootsie, Beverley Jean Thorn's cousin, were our visitors the last few days.

Joan Lemmons has returned from a trip to St. Louis.

Bart Colwell brought a play picture show to school Monday.

One senior in S. H. S. on the recent six weeks tests was discussing the fact that the resources of the country had been destroyed without little regard to the future. The term she used, however, was "Wasted resources".

## Shag's Weekly Dairy

October the twenty-first day

When I get to school dis morning Lucy White met me at the door and she invited me to a birthday party she was going to have.

Gosh! I was thrilled all over. I just couldn't decide what to get her because she is so pretty. I could give her a comb to comb that black stringy hair of hers but that isn't good enough. I might buy her some hankerchiefs to match her blue pop eyes but that isn't good enough either. I might buy her some perfume.

Ater schoo, I goes out for football. I put on my monkey suit. Then we go outside and tossed the ball around. Pretty soon Coach came out and told us to catch passes. When I first saw Coach I was little afraid because he was such a large man with black wavy hair and built strong and had mighty shoulders. First Coach tried to teach me to catch a fethal but every time it went through my arms and hit me inthe nose. Gosh! that was hard to catch. Then Coach put us through knocking and backling and I couldn't do this at all. Coach said I would learn tho'. Then he made the boys run plays. All de boys ca'd me the dummy meat. I should say I twas. Every time I got up I twas knocked down again. Gosh! that's a hard game.

I wonder what I am going to get Lucy White for her birthday?????

I'm in the Fog William Alcot (Shag) Looney

## ASSEMBLY PROGRAM

By Ruth Murrah On Tuesday morning the high school and grade school met in the High School Auditorium.

The Pep Squad led all the pep songs. Then the group was led in songs by Miss Taylor. Both the second and third grade sang alone. Both classes did extremely well.

Miss Taylor had to make the grammar school teachers sing. The program was enjoyed very much by every one.

## THE BOY SCOUTS STORY

Jin Wilkinson The Panthers are out in front again in the inter-patro, contest. Last year the Patthers walked off with it.

They are leading with 33 points. The Wolf Patrol is next with a total number of 29 points. The Eagle Patrol follows with 25 points. The Horse Patrol brings up the rear with a total number of 23 points.

The inter-patro contest is based upon the principles of scouting and scout work.

There has been gradual decrease in the enrollment in the elementary grades of the public schools in the United States since 1930.

## Grammar School Writes Poems On Fire Prevention

The fourth and fifth grades of grammar school wrote poems on fire prevention. Other grades wrote themes, gave current boards, and made posters. Posters on fire prevention were put in windows at the City Drug Union. Music classes sang songs about the prevention of fire.

Clyde Griffith wrote a poem entitled "Mary's Stove". Betty Joe Kerr wrote one on "Little Miss Muffet" and Joe House wrote "Peter. Peter With His Heater."

MARY'S STOVE Mary had a little stove With matches it she lit. She went to visit little Miss Cove When she came back, She had a fit.

LITTLE MISS MUFFET Little Miss Muffet, Sat on a tuffet. Paying away with her toys, Then along came some boys And set them afire With a broken electric wire.

PETER, PETER, WITH HIS HEATER Peter, Peter, with his heater, But one day Peter turned on the gas for a while. But a match he struck And that was the end of the heater.

And that liked to have been The end of Peter Peter. Phone your news to the Times.

## Maxine Clatfelter Speaks At Rotary Club

Maxine Clatfelter, a public speaking class member spoke on Fire Prevention in the Schools at the Rotary Club Wednesday.

She told what the schools are doing to prevent fires. Fire drills are practiced, fire proof made, themes written, and speeches made. Maxine's speech was given effectively presented and was apparently of interest to the Rotarians, for they immediately began a discussion of fire fighting equipment for Sanderson.

## CHORAL CLUB NEWS

At the last Choral Club meeting the girls elected officers: Burlison, Vice-President, Ethel Laura Nance; Secretary, Lois Bea Osgood. The social committee was appointed by the President. These were: Janice White and Charlotte Carruthers.

They also decided on their costumes for this year.

## Sanderson Juniors Defeated By Alpine Junior Team 21 to 14

The Sanderson junior team played the Alpine junior team in Alpine last Saturday Oct. 15. The resulting score was Alpine 21 Sanderson 14. Bodkin scored one touchdown and both extra pass for the other touchdown.

Alpine's touchdowns were made by long end runs. The Alpine junior team hasn't been defeated since 1935 but the Sanderson junior team say that they will beat them when they play here in the near future.

The Sanderson lineup was as follows: L. E. Eldridge Murray, M. Northcut, Center A. Dishman, R. G. Don Allen, R. T. Marshall Cooke, R. E. Earl McDonald, Q. B. Martin Bodkin, F. B. Bill Davis, R. H. Curtis Litton, L. H. Joe Bean.

Health Officer Warns Against Scarlet Fever

Spread By Persons Ill With Disease and Carriers

Austin—Scarlet fever still continues to be a menace to children," said Dr. W. Gox, state health officer, in discussing diseases common to children. "Many cases are slight, but they may infect others who may become seriously ill. It is treacherous and undesirable, and the only good thing about it is that if one can avoid it until grown, the chances of never getting it are excellent.

"Scarlet fever is spread by the transfer of the infection in the discharges of the nose, throat, ears, or abscesses of persons ill with the disease and those who are carriers of the infection. The handling of articles soiled by the patient may cause the disease.

"Children under ten years of age are usually susceptible to scarlet fever. Children becoming suddenly ill with fever, sore throat, vomiting and showing a fine red rash, should have medical attention and be immediately quarantined to prevent the spread of this disease. The appearance of scarlet fever in the home should be immediately followed by a rigid quarantine for at least three weeks. The public should be warned against exposing young children to those symptoms of any kind. Take no chances—be on the safe side.

"The use of potent scarlet fever antitoxin is of value in shortening the course of the disease. The antitoxin should be administered within three days of the onset. Scarlet fever antitoxin lessens the complications, such as heart and kidney diseases, discharging ears and infected sinuses that often occur after scarlet fever.

Police Give Recklessness As Cause of Wrecks

Death Toll For September Reaches 127 Mark

AUSTIN—Texas has counted its traffic dead. State police who would much rather count the living—today announced that the September street and highway death toll reached 127 to bring the year's total to 1,148 fatalities.

Safety analysts pointed to most of the records of these as examples of recklessness on the part of drivers and pedestrians. Even the fact that the 1938 death toll fell 294 short of last year's figure through the month of September the traffic experts

gloomily predicted a rising toll for the remainder of the year "unless drivers and pedestrians obey safety regulations or commit other offenses against public safety."

Strengthening of the enforcement of traffic regulations on highways and in cities and towns was pointed to as the weapon that brought about a major portion of the death reduction this year.

Tabulations of the persons injured in September vehicle assaults were not completed because the statisticians know that a number of them will die of their wounds. However, as usual, the figure is expected to be well over the 1,000 mark.

Sympathetic state police did not forget the estimated 11,480 persons grief stricken over the death of a loved one.

Even the financial losses were considered as the statisticians poured over the death books. With an economic loss of \$50,000 resulting in the death of one traffic victim—the amount includes a 35 to one ratio of injuries—the state officers estimated the 1938 traffic crash cost to be \$75,400,000, enough money to maintain 55 state police departments, the size of the Texas setup.

Mr. and Mrs. Joe F. Brown and Mrs. M. J. Shurley, mother of Mrs. Brown, were visitors in Uvalde and Rock Springs last week. They were accompanied home by Mrs. Fannie Spleber of the latter place, who will visit here for several days.
