SANDERSON, TEXAS, FRIDAY, MAY 23, 1941

NUMBER 12

Preparations for Fort Stockton Water Carnival Started

Fort Stockton, May 21—Work began this week on preparations for the actual staging of what promises to be the most outstanding entertainment program offered in the past six years since the inauguration of Fort Stockton's now-famous Water Carnival.

Mr. Harold Lukens, director of the musical pageant and "Aquadade of Comanche Spring," arrived last week and is busy working out a big cast and perfecting plans for making the 1941 spectacle an outstanding feature of the Water Carnival on June 13 and 14. Performers both on the over-water stage and in the clear waters of the Comanche Spring pool will provide a type of entertainment entirely new to the Southwest.

Varied entertainment will be offered at all times during the 1941 show. A big street parade will open the activities on Friday afternoon. Eliminations in the bathing revues will be held on Friday evening, June 13, along with expert swimming and diving exhibitions, and the "Aquadade."

Amateur swimmers and divers from all over the Southwest will compete all day Saturday in the annual amateur water contests. The Tucker Twins, whose charming personalities and lovely voices made them a stand-out of the 1940 show, will be back to entertain the crowds at intervals.

Perman Basin firemen will hold their regular district convention here on Saturday, June 14, and on both Friday and Saturday nights. After the water show, dances will be staged under supervision of the efficient Fort Stockton Fire Department.

The annual invitation tournament on the sporty grass-green Rooney golf course will be staged on Saturday and Sunday.

All in all, the 1941 show promises to provide outstanding entertainment for three big days, and neighbors from all over the Southwest will find the latching out in Fort Stockton.

All Night Dance Is Given By Mesdames Stirman and Bell

Another "guess where and go there" dance, but this time an "all night affair," was given in the home of Mrs. Earl Stirman last Wednesday night in honor of Misses Earline Stirman and Pauline Bell, members of the graduating class of 1941.

The affair, which was to have lasted all night, broke up sometime early Thursday morning. Dancing and games were enjoyed throughout the evening. At eleven o'clock punch and vanilla wafers were served to some 35 guests that called during the evening.

This was the second of the "guess where and go there" dances, the first being held at the home of Mrs. Dick Corder. Both of these dances were fully enjoyed.—Reported.

DENTIST NOT LEAVING

Dr. E. A. Robertson has asked that it be announced that he does not plan to leave soon and that he will continue his regular trips to Sanderson each Thursday. In case of his being called to the army he states that he will give ample notice to his customers in advance so that they will not be inconvenienced.

funds to the San Felipe School District.

When the 47th Legislature goes home, approximately 800 bills will die on the calendar. But, considering the special interests who are proposing most of them, this in itself will be a constructive act for the good of the State.

MISS LEWELLYN CHOSEN SENIOR CLASS FAVORITE

Word has been received here that Miss Dorothy Lewellyn, daughter of Mr. and Mrs. R. H. Lewellyn of San Antonio, formerly of Sanderson, has been

MISS DOROTHY LEWELLYN

chosen "Senior Class Favorite" of the senior class of the University of San Antonio.

Miss Lewellyn, who graduates this term, is majoring in education and is minoring in music and art, public school music being her favorite course. She studied under Mrs. Clyde Mills, Miss Myrtle Harrell and Mrs. May T. Wilson of Sanderson, and at present is pianist for the Junior department of the First Baptist Church of San Antonio. She is a member of the Spur and Chorus Clubs of the University, and a member of the Federation Music Club of San Antonio.

She graduated from the Sanderson high school in 1937.

Junior Woman's Club Holds Last Meeting for Year

The Junior Woman's Club held their last meeting of the fiscal year at the home of Mrs. Jack Hayre Thursday, May 8, with Mrs. W. A. Matthews and Miss Una Lea as hostesses.

The new officers for the coming club year presided over the business meeting. Mrs. Wallace Henshaw accepted the presidency for another year. Other new officers included Miss Vauccell Henderson, vice president; Mrs. Conway Pickard, secretary; Mrs. Ted Baker, treasurer; Mrs. Robert Denton, parliamentary; Helen Ross Simpson, reporter.

Plans to sponsor an art exhibit were discussed after which Miss Myrtle Harrell led a very interesting parliamentary drill. Mrs. James Caroline had charge of the program which was a review of "The Importance of Living," by Lin Yutang.

A salad plate and punch were served to Mrs. J. T. Dillard, guest and the following members:

Mrs. Wallace Henshaw, Mrs. Robert Denton, Mrs. Conway Pickard, Mrs. James Caroline, Mrs. Ted Baker, Mrs. Jack Hayre, Mrs. James Daniels, Mrs. Roy Deaton, Miss Vauccell Henderson, Miss Mary Arrington, Miss Myrtle Harrell, Miss Armenta Ragdale, Miss Helen Ross Simpson and the hostesses.

PRESBYTERIAN AUXILIARY

The Presbyterian Auxiliary will meet Monday afternoon at 3 o'clock in the home of Mrs. W. H. Savage for the annual birthday party.

Mr. and Mrs. D. L. Duke and children left Thursday for San Antonio where they will visit until Sunday.

Mrs. Lee Grigsby left today for McCamey where she plans to attend the baccalaureate exercises Sunday and commencement exercises May 30. Harold Lee Grigsby, her grandson, is a member of the graduating class.

Mr. and Mrs. A. B. Caraway and children of Odessa were here last week-end visiting Mr. and Mrs. W. D. O'Bryant.

Twenty-five Students Graduate Here Thursday Night

Twenty-five students received their diplomas Thursday night at the commencement exercises with the principal address made by A. E. Creigh Jr.

The baccalaureate services were held Sunday evening at the high school auditorium at 8:00 o'clock with the Rev. Taft Holloway delivering the sermon on the subject, "I Am An American." Processional and recessional was played by Mrs. R. S. Wilkinson, invocation was by W. D. Black, and scripture reading by the Rev. J. Y. Bowman who also gave the benediction.

Mrs. Wilkinson also played the professional and recessional for the commencement exercises with invocation by the Rev. John W. Byrd. Other numbers were: Salutatory, Helen Ruth Harrell; clarinet duet, "Medley of Patriotic Songs," by Jimmy Wilkinson and Ross Underwood; valedictory, Doris Cochran; presentation of honors and awards, Principal Duane E. Smith; presentation of diplomas, T. R. Arrington; and presentation of class gift, Earl Hurst.

Pictures and names of the graduating class appear on page three of this issue with the exception of Manuel Ocho who failed to have his picture made.

Senior Class Is Entertained With Chicken Dinner

The seniors were delightfully entertained with music and delicious food at the Best Cafe Wednesday evening. L. H. Lemons met the guests at the door and presented them the task of finding their place cards. After 24 students and the sponsor, Miss Mae Featherstone, were seated at a table lighted with red and white candles, a tomato juice cocktail with olives was served. The main course consisted of thick chicken gravy, delicious fried brown chicken, green peas, baked potatoes, toast and iced tea. Boston cream pie was served to completely top the perfect course.

This was one of the many entertainments given the seniors but all agreed that Mr. and Mrs. Lemons furnished one of the best and as host and hostess certainly know how to entertain.—Reported

Tuesday Club Entertained By Mrs. J. S. Nance

Members and guests of the Tuesday Bridge Club were entertained at three tables of bridge by Mrs. J. S. Nance Tuesday at her home.

High score prize was won by Mrs. Walter Grigsby and second high went to Mrs. C. P. Peavy.

The hostess served a salad plate to the following: Mesdames James Kerr, D. M. Wells, Walter Grigsby, E. L. Williams, W. I. Beasley, C. P. Peavy, Bustin Canon, Lee McCue, Austin Nance, Mary Lou Kellar, C. M. Breeding and Jack Deaton.

Mr. and Mrs. J. H. Fisher of Denver, Colo., parents of Mrs. N. E. Charlton, Mrs. B. L. Bradford of Pueblo, Colo., Mrs. Charlton's aunt, and Mrs. R. E. Ellithorpe of Del Norte, Colo., a sister of Mrs. Charlton arrived here Friday to visit several days with Mr. and Mrs. N. E. Charlton.

Mrs. Tol Murrah and Mrs. Steve Stumberg spent Tuesday in Del Rio.

Mrs. Woodrow Newton of Valentine is here this week visiting with her parents, Mr. and Mrs. J. M. Bassett.

Mr. and Mrs. McDuffy Kessler visited here from Saturday until Tuesday with Mr. and Mrs. H. D. Williams.

E. L. WILLIAMS TO MARFA AS COUNTY AGENT

E. L. Williams, county agent for Terrell County for the past four years, with Mrs. Williams and their little daughters, Dawn and Jean, will leave the latter part of next week for Marfa.

E. L. WILLIAMS

where he has been appointed county agent for Presidio County. The county agent's service will be discontinued in Terrell County by a vote of the County Commissioners Court at a recent meeting.

Mr. Williams was the first and only county agent for Terrell coming here in February, 1937 from Pearsall. He was secretary to the Terrell County Agricultural Conservation Association for the first two years and since then has been an ex-officio member of the association in an advisory capacity.

With the Range Conservation Program he furnished the technical assistance necessary in the construction of water holding and water spreading practices of the program and supervised the entire program that spent over \$325,000 in improving range lands.

Experiments were carried on for three years on the introduction of new grasses on denuded areas in conjunction with furrows and terraces but the work indicated that under Terrell County conditions the plan was impractical.

Other than his duties with this federal program he carried out 4-H Club work with local ranch boys. Lambs and calves fed by these boys were exhibited in Sanderson at a livestock show for two years and in San Angelo at the livestock show all four years. This year the boys also exhibited at the El Paso Livestock Exposition where a calf fed by Billy Joe Short won 1st place in its class and sold for \$147 after winning \$28.00 in prizes. This work, strictly under the direction of county agents, will be stopped.

In 1937 and 1938 he represented the county at the drought relief hearings held in San Antonio and helped get reduced freight rates for livestock feed shipped into the county during the drought at those times.

In 1940 he obtained the cooperation of the Soil Conservation Service in making detailed range surveys on two Terrell County ranches. This was an effort to determine the maximum carrying capacity of a ranch that would return the maximum net income over a period of years. This plan was one of stocking with livestock at such a rate as to leave a reserve of grass on the ground, both as reserve feed for use during droughts and to hold the soil. This plan has been put into operation on the Prosser Running W. Ranch. Plans were made for its use later on a one-pasture basis on eight other ranches in the county. As this work could be carried out only through the Extension Service it will be discontinued.

Recently he acquired the services of a member of the State Experiment Station who took samples of vegetation from the different soils of the county.

AMATEUR RODEO PLANS UNDERWAY BY FIRE DEPT.

Plans have been practically completed for the Fireman's Amateur Rodeo, June 6 and 7, with placards and other advertising being circulated this week.

Of interest to the majority of rodeo fans is the fact that there will be a big free barbecue each day of the rodeo. Rodeo events include jack-pot ropings, both calves and goats; boys roping, age limit set at 18 years. There will also be bronc riding and steer riding as well as other events to be arranged.

There will be a big dance each night with music furnished by a colored orchestra, Sunshine Butler and his Broadway Stompers. The dances will be held in the Kerr Mercantile Building and will start at nine o'clock.

The rodeo committee is composed of Bill Stavley, Henry Mansfield, and Joe Kerr and the arena director is Son Turner.

P. E. GRAY TO FILL POSITION AS STATION AGENT

P. E. Gray, first trick telegraph operator for the past three years here, has been named to succeed C. J. Watts as station agent according to reports here.

Mr. Gray will take over his new duties as soon as an auditor can come out and check S. H. Underwood, who has been acting as temporary agent, out. Mr. Underwood will fill the place of first trick operator at present.

FORMER RESIDENT IS ELECTED SWEETHEART

Miss Margaret "Peggy" Mims, daughter of the Rev. and Mrs. S. M. Mims of Fabens, who was chosen sweetheart of the Koros for the annual Sweetheart Revue which celebrated the 50th anniversary of the founding of Texas Wesleyan College, Fort Worth, Miss Mims, who is majoring in music, appeared in numerous recitals, both of pipe organ and piano. She is an honor student and pianist for the Ministers Boys Club. She is also to take an important part in the May Day festivities of commencement week. Rev. Mims was formerly pastor of the Sanderson Methodist Church.

Mrs. Pat Snoddy and daughter, Patricia Jean, of El Paso are here visiting with her parents, Mr. and Mrs. E. B. Litton and other relatives.

Mrs. Ted Baker is in Marathon this week visiting with her mother, Mrs. Mae Starr.

Mrs. C. Lee Sims is visiting in Mobile, Ala., and Onelda, Tenn., with her brothers and sisters.

O. J. Cresswell, Mrs. Lena Bowden and Mr. and Mrs. O. T. Schupbach left today for San Angelo where they went to attend a family reunion of Mrs. Schupbach's relatives.

Ralph Ord Jr. who is stationed at Ft. Bliss, is here visiting with his parents, Mr. and Mrs. S. R. Ord.

These samples will be analyzed to determine their protein, calcium, and phosphorus content. From the analysis it can be determined what minerals, if any, are necessary for sheep during the different times of the year.

He recently obtained a small quantity of the new screw worm killer and repellent developed by the Bureau of Entomology and Plant Quarantine station at Menard. This smear is now being given a trial in the county.

Earlier this year he made a survey of the county to determine if the Rural Electrification could build low cost power lines in the county. After the survey indicated that the distances between ranches were too great the plan was dropped.

ART EXHIBIT HELD LAST WEEK WAS WELL ATTENDED

The art exhibit sponsored by the Junior Woman's Club, held Wednesday and Thursday of last week, was well attended with some forty pictures by out-of-town artists being shown.

Mrs. M. M. Stokes and Mrs. Winnie Fields, of Sonora, and Mrs. Elder, art instructor of Eldorado, were here with their pictures which were, in the majority, oil paintings of typical West Texas scenes. Of special interest in their collection was a painting of J. E. Jones of Eldorado astride his favorite palomino, Whiskey Pete. There were also many other beautiful and interesting pictures in the group. Mrs. Stokes is a sister of Mrs. Theresa Friend.

The local art work exhibited was of a greater variety, offering talent ranging from unstructured school children's drawings to professional art work. Most interesting in this collection were three very elaborate pencil drawings by the late J. W. McKee Sr., father-in-law of Mrs. J. W. McKee of Sanderson. These drawings were done in 1873. Also of interest was some work done by Minnie Schupbach in 1888.

Unknown talent was brought to light in the paintings and drawings of local artists with 85 pictures being entered in the exhibit. Those contributing pictures were: Mrs. W. A. Matthews, Miss Vauccell Henderson, Mrs. Jack Deaton, Miss Bennie Mussey, Miss Edna Mae McCadams, Mrs. J. T. Dillard, Miss Lila Christopher, Miss Helen Simpson and Mrs. William Aston. A large and interesting collection of art work done by other artists that was loaned by different people of Sanderson.

Mrs. Steve Stumberg Entertains With Luncheon Thursday

Mrs. Steve Stumberg entertained a few friends Thursday with a luncheon and bridge games at her ranch home.

After spending the afternoon playing bridge, Mrs. D. M. Wells won high score and Mrs. John Harrison second high.

Those present were Mesdames Tol Murrah, John Harrison, W. I. Beasley, E. L. Williams, D. M. Wells, C. P. Peavy, James Nance, and Evelyn Poag of Del Rio.

Miss Blanche Aston and Marcus Wright, both of Dallas, visited last week with Dr. and Mrs. William Aston. While here they enjoyed a trip to the Big Bend area, Villa Acuna, Mexico, and San Antonio. Miss Aston is a sister of the doctor.

Dr. and Mrs. William Aston spent last week-end in Galveston and Houston visiting with friends. They visited with Dr. and Mrs. Francis O'Neill at Palacacio, who accompanied them to Galveston.

Mr. and Mrs. Ben Arvin returned home Tuesday from a 10-day visit in Brownwood, Corpus Christi and Harlingen. They visited with her parents, Dr. and Mrs. E. J. Ashcraft in Harlingen.

J. T. Dillard left Tuesday for San Antonio where he attended the Funeral Directors and Embalmers Convention held there this week.

Mr. and Mrs. Weldon Cox and son, Darrell Glenn, left Thursday of last week for a vacation trip to San Antonio, Fort Worth, Galveston and other points.

Mr. and Mrs. N. E. Charlton and guests left Tuesday for Del Rio and San Antonio for two or three days visit.

Miss Erma Lee O'Neill of Uvalde visited here this week with friends.

son are visiting relatives in San Marcos.

Mrs. J. W. McKee has returned from a visit in San Antonio with her daughter, Mrs. T. Maxey Hart.

Mr. and Mrs. John Whistler, who have been ranching in the southwestern part of the county have moved to town and are occupying the residence on Oak Street.

**WITH OUR
 NEIGHBORS**

Iraan Herald—The Iraan High School Band, directed by James W. West, returned Saturday from the National Band Contest at Waco with top honors in marching, concert playing, soloists and student conducting. This is the third consecutive year that the band has won honors at the National Meet.

The local board competed with 96 bands and six orchestras.

Ozona Stockman—Demands for payments up to as high as 15 cents per head are reportedly being made by sheep shearers in this section for spring shearing, according to reports from ranchmen here this week.

Shearing started earlier in the

spring at 10 cents per head. Rains interrupted the shearing, however, and many ranchmen were delayed several weeks beyond the normal shearing period. Prices from the ten to a reported high of 15 cents are being asked now that warm weather has put all machines into high geared action.

Alpine Avalanche—Jack Lamb nationally-known cameraman and authority on fishing, came back from his trip to the proposed Big Bend National park area last week-end convinced that the Big Bend is, as claim-

ed, "the last frontier of America. He went to the park area with the intention of making enough shots for a 20-minute showing but instead came back with enough for a full hour and doesn't know just what to cut out of the picture which is to be shown in the 10 largest cities in Texas in the near future, under the auspices of Texas Garden Clubs, Inc.

McCamey News—McCamey's Birthday Celebration committee has worked out tentative plans for the 1941 show which will be held June 6 and 7. The water carnival committee has announced that a bigger and better show is being planned and every effort will be made to have entries in the Bathing Revue from every town in this immediate section.

Menard News—Mr. Sid Caskey, Inspector for the Motor Transportation Division of the Texas Railroad Commission, issued a warning to all ranchers and shippers by motor transport against using unlicensed carriers when he was in town the early part of this week. He explained that persons who use such carriers are equally liable with the owner of the vehicle both for fines incurred, and for damages from accidents.

Mr. and Mrs. T. J. Gates and baby of Houston visited here Thursday and Friday with his brother, Mr. and Mrs. A. B. Gates.

Robert Weinsaphol of Munster, Texas, visited last week-end with Bernard Kerr and Joe Kerr. He was enroute to San Diego where he will be in active duty on the U. S. S. Lexington as a pilot. Mr. Weinsaphol was a school mate of Bernard and Joe when they attended St. Mary's University, San Antonio.

**Lupino, Bogart in
 "High Sierra" at
 Princess Theatre**

"High Sierra", the film which opens Monday at the Princess Theatre, brings with it all the thrills, suspense and dramatic action which movie audiences hope for in their screen fare. With Humphrey Bogart as "the last of the Dillinger mob", Ida Lupino as his sweetheart, and made under the direction of Raoul Walsh, whose most recent success was "They Drive By Night." "High Sierra" was produced by Warner Bros. with Mark Hellinger as associate producer.

Supported by a cast which includes Alan Curtis, Arthur Kennedy, Henry Hull, Henry Travers, Joan Leslie, Bogart and Miss Lupino are said to triumph in the two top roles. Bogart plays Roy Earl, a strange sort of criminal to whom crime is an unpleasant, but nevertheless necessary business. It is a role somewhat reminiscent of the one he played so brilliantly in his first motion picture, "The Petrified Forest." Miss Lupino is seen as the girl who loves him so much that she eventually proves his downfall. Another member of the cast whose love helps to lead his eventual undoing is a small, loyal and lovable wire-haired terrier, named 'Pard'. Making her first film appearance in "High Sierra" is Joan Leslie, a lovely sixteen-year-old who figures prominently in a brief but important episode that helps to set up the human side of the character Bogart plays.

**Tim Holt Plays
 Western Robin Hood**

Weaving an exciting story around the thrilling adventures of a young cowhand and his two buddies who pose as outlaws in order to avenge the murder of their boss, "Along the Rio Grande" presents Tim Holt in his third western thriller which comes to the Princess Friday and Saturday, May 30 and 31.

When the kindly cattleman for whom they worked is ruthlessly killed by Doc Randall's notorious gang, young Holt poses as a bank robber and manages to become a member of the desperate group. By secretly tipping off the sheriff to each move contemplated by the outlaws, the gang is gradually cut to pieces—the leader and his remaining men being rounded up in one spectacular gun-battle.

Said to be the most stirring offering in the popular series, the RKO Radio film again presents Ray Whitley and Emmett Lynn as Tim Holt's loyal companions while, lovely songstress Betty Jane Rhodes has the romantic lead.

Houston Chandler, who is employed in Amarillo, arrived here Thursday for a short visit. Mrs. Chandler and children will return with him for the summer.

Mr. and Mrs. John Deaton spent last week-end in Eldorado visiting in the home of their son, Mr. and Mrs. Mildred Deaton.

THE RECORD... Facts That Concern You

It's always the SORE thumb that sticks out...

Odd, isn't it—the way everybody notices the sore thumb?

It's the same way with the retailing of beer. Everybody knows about the one undesirable place...everybody seems to forget about the thousands of worthwhile retailers who operate clean, decent, law-abiding establishments.

To protect the good name of beer, we of the beer industry want the few... but noticeable... "black sheep" retailers eliminated.

That's not all. Such retailers endanger an industry that brings important economic benefits to the community. Right

here in Texas beer provides employment for 31,165 persons, supports annual payroll of \$22,076,180 and distributed \$2,273,968.64 last year in taxes.

This state, too, has an important role in the beer industry's purchase of materials, equipment, and services from more than 100 other industries.

You can help us protect these jobs in two ways—(1) patronizing the law-abiding places where beer is sold and (2) by reporting any irregularities you may observe to the duly constituted authorities.

BEER...a beverage of moderation

YES!

I DO SELL GAS PLANTS, piping, and all kinds of gas-burning APPLIANCES. This is contrary to a prevailing idea in some quarters that I have only gas to sell.

By business is small, true enough, but my license and bond are as big as anybody's.

I shall be glad to quote prices on fully approved tanks and quality merchandise.

Behind your wall switch

Most people take electric service for granted. You flick a switch and the light comes on. It's as simple as that.

But to make electric service always available—to have the "juice" there when you want it—is not so simple. It takes the constant efforts and ceaseless vigilance of trained employees. It requires a huge invest-

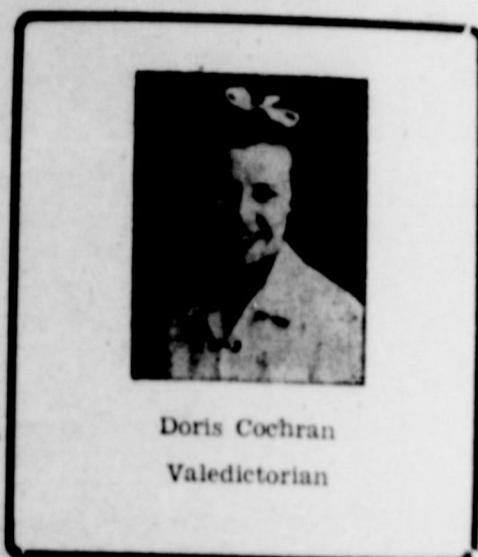

ment in costly generating equipment, transmission lines and substations. It takes forests of poles . . . miles of wire . . . large numbers of transformers, meters and other delicate and expensive equipment. It involves the expenditure of thousands of dollars annually to keep this equipment in good working order . . . to make sure that you will have dependable electric service.

Good Electric Service Doesn't Just Happen

It results from the happy combination of a trained personnel, modern equipment and experienced management. In Community Public Service Company, these three factors are blended to form a smooth-functioning organization that has one main object—to give you the best possible electric service at the lowest possible cost.

Tarkington Yarn Makes Delightful New Princess Film

Booth Tarkington's pen, which has delighted readers young and old for years with his impish, real, human boys, has to his credit another story to be filmed—Warner Bros' "Father's Son," which will open on Friday, May 30, at the Princess Theatre.

To play the boy, Warners cast Billy Dawson, a handsome, vital boyish boy who shows much talent. The father's role is carried

by the capable actor John Litel, and the mother is played by the charming British player Frieda Inescort.

The film's action centers around the family's war of nerves brought on by a stuffy father and a son who is forced by boyish "necessity" to shoot off his father's pistol, get into fights, fly model planes in the house. Even Billy's running away from home doesn't make the father realize how wrong is his treatment of the lad. The boy and his mother leave together. But when Billy discovers that his mother is unhappy, after the separation, he plots to get his parents back together again by a phoney kidnapping. He brings on more hysterical excitement than he bargained for, but he gets his results.

U. S. TRAINS YOUTHS FOR SEA

The United States Maritime Service is meeting the threatened shortage of skilled merchant seamen by training youths who have had no previous seagoing experience. Young American citizens in good physical condition 18 to 23 years of age are being enrolled for a seven months' course of instruction in the duties of the deck, engineers, and stewards departments. Enrollees are paid \$21.00 monthly; clothing, food, and quarters are furnished by the Government. The training course qualifies these young men for jobs on American merchant vessels where pay starts at \$72.50 a month with food and quarters furnished. For detailed information write to U. S. MARITIME SERVICE, WASHINGTON, D. C.

Smart Comedy "The Lady Eve" Coming Soon

When a beautiful cardsharp marks a handsome, rich young man as her next victim, without reckoning on love taking a hand there's danger of her heart being trumped!

What happens in this situation is the story that will be told when Paramount's new comedy, "The Lady Eve," starring Barbara Stanwyck and Henry Fonda comes to the screen of the Princess Theatre Wednesday and Thursday. The fact that it was written and directed by Preston Sturges, who has flashed across the Hollywood scene like a brilliant rocket in the past year, is ample promise that the new picture is lively, witty entertainment.

Sturges, you will remember, is the writer-director, who brought

to the screen those two bright comedy gems of last year, "The Great McGinty" and "Christmas in July." "The Lady Eve" has stirred even more comment than his previous two film efforts, both regarded as unusually bril-

HIGH SCHOOL GRADUATES

Your High School diploma marks the first epoch in your educational career. Your next important step is specialized training, necessary to a successful life. There is a shortage of well trained Accountants, Secretaries, machine operators for both the National Defense and private industry. These positions pay well and offer splendid opportunity to high school graduates. You can quickly acquire specialized training in business courses such as: Accounting, Shorthand, Typing and Office Management.

Let Byrne College give you the thorough and practical training necessary to your success. Write a card for free literature and see how quickly you can draw a nice salary, either from the government or private industry.

Tarkington Yarn Makes Delightful New Princess Film

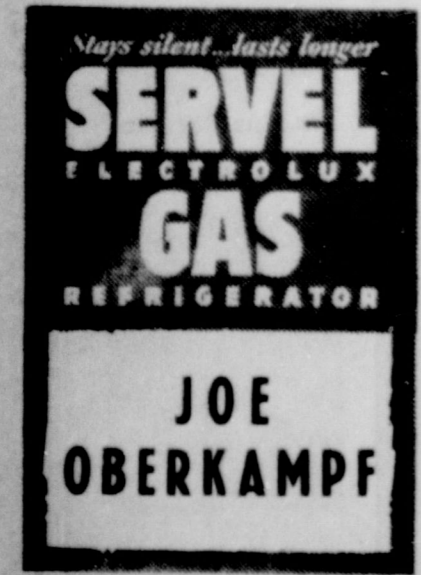

Booth Tarkington's pen, which has delighted readers young and old for years with his impish, real, human boys, has to his credit another story to be filmed—Warner Bros' "Father's Son," which will open on Friday, May 30, at the Princess Theatre. To play the boy, Warners cast Billy Dawson, a handsome vital boyish boy who shows much talent. The father's role is carried

by the capable actor John Litel, and the mother is played by the charming British player Frieda Inescort.

The film's action centers around the family's war of nerves brought on by a stuffy father and a son who is forced by boyish "necessity" to shoot off his father's pistol, get into fights, fly model planes in the house. Even Billy's running away from home doesn't make the father realize how wrong is his treatment of the lad. The boy and his mother leave together. But when Billy discovers that his mother is unhappy, after the separation, he plots to get his parents back together again by a phoney kidnapping. He brings on more hysterical excitement than he bargained for, but he gets his results.

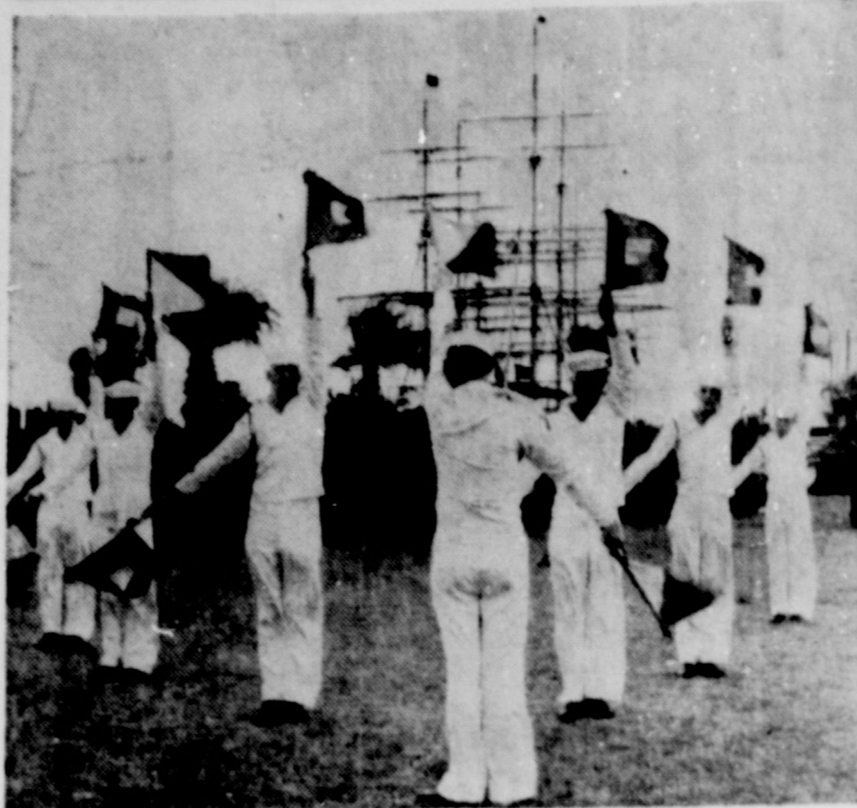

Servel freezes with NO MOVING PARTS
"No moving parts" means freedom from costly wear...and a continued low operating cost. Only in the Gas Refrigerator can you get these savings...plus permanent silence and Servel's many modern convenience features. Stop...look...listen...and you'll choose Servel!

U. S. TRAINS YOUTHS FOR SEA

The United States Maritime Service is meeting the threatened shortage of skilled merchant seamen by training youths who have had no previous seagoing experience. Young American citizens in good physical condition 18 to 23 years of age are being enrolled for a seven months' course of instruction in the duties of the deck, engineers, and stewards departments. Enrollees are paid \$21.00 monthly; clothing, food, and quarters are furnished by the Government. The training course qualifies these young men for jobs on American merchant vessels where pay starts at \$72.50 a month with food and quarters furnished. For detailed information write to U. S. MARITIME SERVICE, WASHINGTON, D. C.

Smart Comedy "The Lady Eve" Coming Soon

When a beautiful cardsharp marks a handsome, rich young man as her next victim, without reckoning on love taking a hand there's danger of her heart being trumped!

What happens in this situation is the story that will be told when Paramount's new comedy, "The Lady Eve," starring Barbara Stanwyck and Henry Fonda comes to the screen of the Princess Theatre Wednesday and Thursday. The fact that it was written and directed by Preston Sturges, who has flashed across the Hollywood scene like a brilliant rocket in the past year, is ample promise that the new picture is lively, witty entertainment.

Sturges, you will remember, is the writer-director, who brought

to the screen those two bright comedy gems of last year, "The Great McGinty" and "Christmas in July." "The Lady Eve" has stirred even more comment than his previous two film efforts, both regarded as unusually brilliant comedies.

Changing his picture from the grand roles he has been playing in the past three years, seen in "The Lady Eve" a naive, rich young man for a beautiful girl, disillusioned when he is a cardsharp. She is a cardsharp. She succeeds in making love with her all over course, Fonda doesn't the cardsharp and "Eve" are one and the same.

Featured in the cast of the latest picture are Charley Grapone, Paulette Goddard, Eric Blore, Marshall, and Luis Alberni, in addition to many other film players.
