

Have patience! Friona may develop a football team yet! Two of the six players that deserted the team and left their buddies to face the enemy alone last week, returned to the fold. Dwight Bates and Craig Coon reconsidered and returned to do their part—even in the face of defeat.

In our opinion, these two accomplished a great deal last week. They took a great big step toward manhood.

It doesn't take a very big man to quit or turn tail and run, but a person who admits his mistakes and accepts his responsibility to himself and others can certainly stand as tall as any man in the community.

When Bates and Coon made it known that they wanted back on the team, they were told there would be a good bit of extra work and that they should think seriously about what they were doing before making another decision.

"We don't care if you have us run around the field all night. We want to come back," came the reply.

In the face of such a promising response, we can only say, "Three cheers for you, MEN." If such an attitude is held willingly, we are sure that you will continue to have our full support, respect and admiration.

"We're not asking that you win. We are asking that you play to the best of your ability," seems to be the feeling of a majority of the members of the community in respect to the football team. And it is also ours.

If any member of the Chieftain team still thinks the training is too rough, we suggest that you spend a few moments with Granville MacFarland or Harry Hamilton. They played for Friona several years ago and they had a coach who knew no mercy. But they didn't quit.

They just put their hands behind them, slammed their shoulders into the yokes and pushed a big sled around the field all week.

After a week or so of pushing this sled around with their chins only about six inches off the ground, they could throw a block low enough and hard enough to take the opposition players off their feet.

Oh yes! The coach rode the sled while the boys pushed it up and down the field.

Being a native resident of Texas we enjoy a good, tall yarn as well as the next man, but the story that reached our ears last week is enough to make the hair stand up and do the Hula dance across our tingling scalp.

A rooster laid an egg! And it's fact, not fiction—according to the story.

It seems that young Don Koeltzow entered the egg-laying rooster in a science fair in New Mexico recently. The rooster, being an obliging sort of bird and full of hormones, repeated the astonishing feat just as the judges were passing his berth. The Koeltzows are former residents of Friona.

Don, a senior in Clovis High School, took the sickly little rooster and began feeding it hormones with the idea of making it lay an egg as a science experiment.

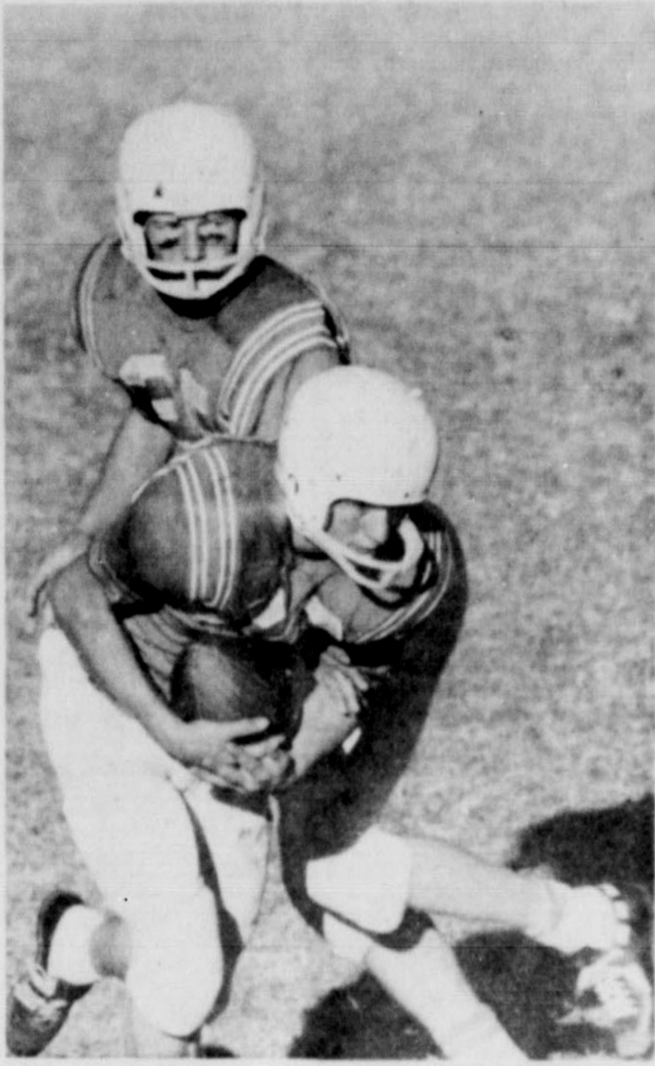

Science won out over old mother nature. He succeeded.

When the rooster began to lay eggs, Don's father refused to believe it was possible until he observed the spectacle one day. Of course, no one else would believe it either—until the judges at the fair confirmed it.

What about it men, are we ready to take the women's place in the Maternity ward?

No! Then we had better watch what the little woman is putting in our morning coffee. Science can do anything now!

EVERETT GEE . . . takes a handoff from Floyd Reeve for a seven yard plunge around right end in the second quarter.

### Quarterback Club Gains Momentum

Friona Quarterback Club voted to treat the Chieftain players to an after-game meal at the Monday meeting in the school cafeteria at 7:45 p. m.

The club viewed the film of the Friona-Plains game and discussed various areas where their support, both financial and spiritual, is most needed by the Chieftain teams.

The 32 businessmen and farmers assessed themselves two dollars each to finance the after game dinner for the football players. By-laws were promised for the third meeting of the organization next Monday at 7:45 in the school cafeteria.

Alton Farr and Raymond Cook agreed to see if caps or hats could be obtained in the school colors for the club. If they can be purchased, they will become the official headgear of the club at all football games.

The club was organized last week to help stimulate interest in the school's athletic progress and work with the school system in areas where an outside group

## Sheriff Recovers Farm Equipment

Stolen farm equipment valued at over \$6,000 was recovered by Parmer County Sheriff Charles Lovelace Sept. 20.

Dennis Richards, 28, of Melrose, was apprehended early last Thursday morning in connection with the numerous thefts in Parmer and surrounding counties.

Richards is being held by Portales officers pending action as a result of similar thefts of farm equipment in Roosevelt County, Lovelace reported.

The recovery of equipment came after Lovelace received a tip that one of the tanks had been sold. M. D. Ford, foreman of the R. Q. Silverthorne farm near Hub, identified the tank in question as the one taken from his

farm April 1. The butane tank was traced through the sales records and led to the discovery of electric welders, pumps, engines and tanks taken earlier this year. Lovelace located the equipment on a farm near Melrose.

Among the recovered equipment were a 500-gal. butane tank and tandem trailer taken from the Gilbert Watkins farm seven miles east of Farwell and a lake pump and engine taken from the A. L. Hartzog farm one-half mile from Watkins. Both were taken Sept. 14.

A flat tire foiled an attempted theft of another tank Sept. 7, Lovelace said. The tank was discovered about one mile from its original position on

the E. L. Howard farm seven miles east of Hub. The thief abandoned the trailer when a tire went flat.

All three pieces of equipment were pulled past the owner's residence, Lovelace said.

The last of the five butane tanks taken from Parmer County was recovered in additional discoveries this week, Lovelace reports. The last two tanks to be recovered had been separated from the trailer on which they were mounted when taken from C. W. Dixon's early this year. Both tanks and trailer were located in different places.

Equipment from Deaf Smith, Castro, Roosevelt and Parmer Counties were discovered by Lovelace in the Thursday coup.

### FIVE POSTPONED

## Jury Gives One Verdict

Decision was rendered in one case and five other civil suits were postponed in District Court action in the Court House in Farwell Monday.

The jury returned a verdict in favor of Daniel Molinar in his suit against The Travelers Insurance Company. Molinar was asking compensation for injuries received as the result of an accident March 28, 1955 while working for Conner and Lasater Construction Company. District Judge E. A. Bills presided over the day-long session. The five cases which remained on the docket were postponed until 2 p. m., Oct. 11, 1961.

One case scheduled for action Monday was settled out of

court. It was the case of John J. Sweeney, et. al. vs. S. N. Kesner.

Cases postponed are: Harris B. Dunn vs. E. T. Jennings, d/b/a/Benger Air Park; Carl W. McClintock vs. L. G. Harris and Jack Blair; Jesus O. Cano vs. Texas Employers Insurance Association; and Casey Carpet Company vs. Arnold Hromas and J. A. Loflin.

Members of the jury were: Mrs. Joe C. Moore, foreman; Jack Patterson, E. D. Chitwood, Jr., John A. Agee, Mrs. W. M. Roberts, Glen Lesley, George A. Jones, Hugh Alexander, Buck Fallwell, Thomas A. Beachamp, Mrs. Carl Davis, and David White.

### AS HEALTH OFFICER

## Court Reappoints Dr. Paul Spring

Dr. Paul L. Spring, Friona, was reappointed County Health officer and distribution of constitutional funds was changed for Parmer County at the County Commissioner's Court meeting Friday.

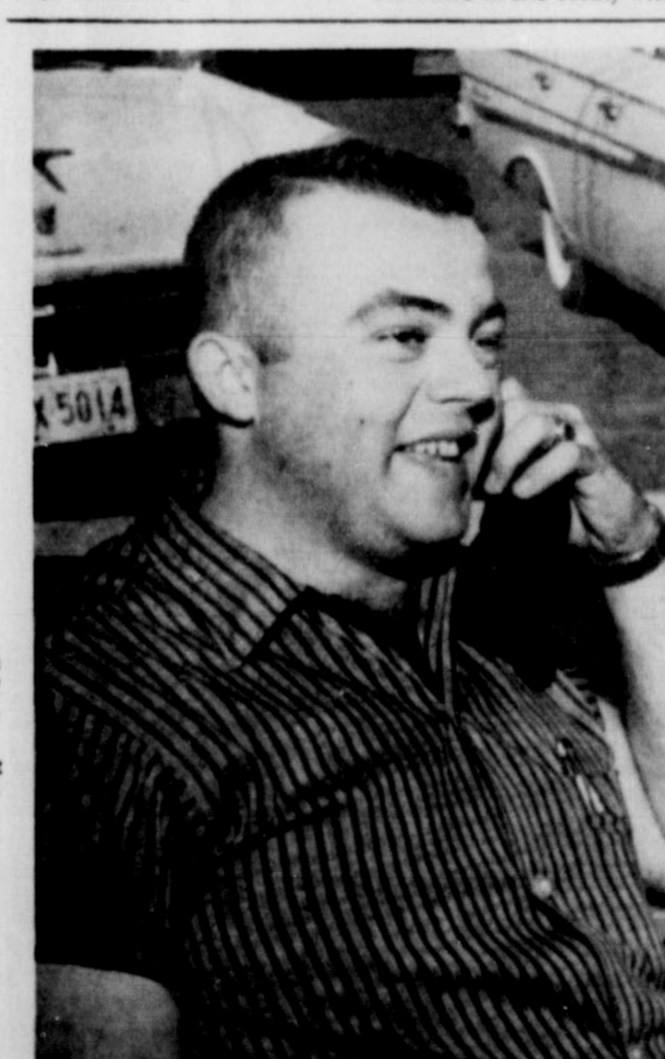

The \$125 tax collected on every \$100 assessed taxable property value will be divided among the six funds as follows:

	Now	was
Jury fund	\$ .03	.03
General fund	.67	.57
Permanent		
Improvement fund	.10	.10
Right of Way fund	.10	.10
Road and Bridge		
fund	.10	\$.20
Road and Bridge		
Special	.30	.30

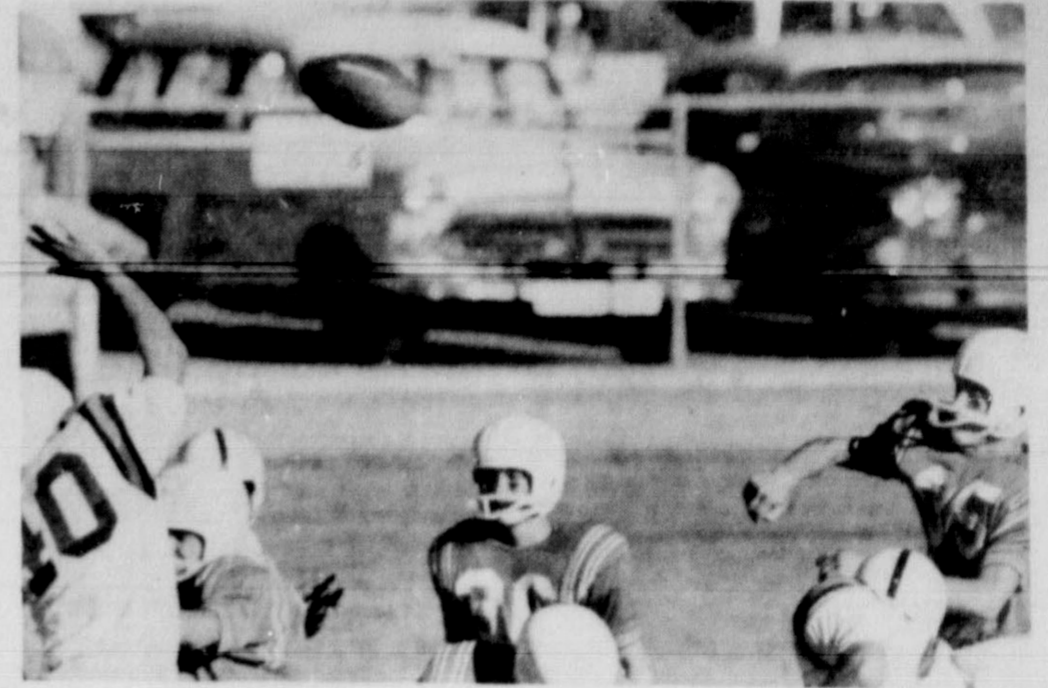

Dr. Spring's reappointment is for a period of one year and will become effective Sept. 23.

In other action, Precinct One (Friona) paid a \$3,298.61 note on a maintainer and a \$1,835 note on a Grand Mower side blade. Both notes and interest were retired.

The court met Friday instead of the regularly scheduled time of Monday so that commissioners would have the opportunity of attending the County Judges and Commissioners convention in San Antonio Monday and Tuesday.

YES, I WON . . . Jarrell Wright won the \$5 first prize in the weekly Cotton Bowl Contest. He and six other entrants picked the winners of eight football contests last week but Wright won out in the tie-breaker with only 11 points error in the scores between Friona and NMMI.

FLOYD REEVE . . . tosses a quick pass to Everett Gee for 37 yards and a third quarter six points in the Friday contest with NMMI in Roswell. But the Colts proved more than the Chieftains could handle in the 42-14 game. (See story, page 5, sec. 1)

### FOR HOMECOMING

## High School Plans Elaborate Program

Elaborate plans are being formed for the annual Homecoming celebration at Friona High School today and Friday.

A snake dance will begin at 7 p. m. today and weave its way through the business district and back to the Babe Ruth park where a bonfire is planned for 7:30 p. m.

Beginning the activities Friday will be the 3 p. m. assembly in the auditorium. Student-Faculty Congress members and officers will be installed and the 1961 football queen will be crowned. The queen is chosen from the student body by the football players in secret balloting.

"All ex-students, visitors and residents of Friona are invited to attend any or all of the homecoming events," Mrs. Carmaleet Truitt, S.F.C. sponsor, said.

A chili supper sponsored by the senior class will begin at 5:30 p.m. in the cafeteria. All proceeds from the supper will go toward financing the senior trip near the end of the school term.

Ceremonies at Chieftain field at 7:45 will

climax the homecoming events. Efforts are being made to give each and every student a part in the activities according to Raymond Cook, high school principal.

The prayer will be offered by Floyd Reeve, S. F. C. president. Flag will be raised by Hank Outland, Sr., Class President, and DeWayne Phipps, Jr., Class President. Three members of the Friona High School Band will give a rendition of "colors" as the flag is unfurled.

Tommy Roberts, president of the Miller-Wilson chapter of the National Honor Society, will lead the audience in the Pledge of Allegiance to The Flag following the playing of the National Anthem by the Chieftain band.

Following the school song, the freshman class will render a unique salute to the exes present for the events.

The football queen will be presented to the spectators and all eyes may return to the field where the Chieftains will engage the Portales eleven in their fifth football duel of the season.

### 2.4 MILES DUE

## Commission Approves New Parmer Roads

The Texas Highway Commission approved the expenditure of \$36,000.00 for construction of new Farm - to Market Road mileage in Parmer County as part of the 1961 FM Road Program, announced District Highway Engineer, O. L. Crain, of Lubbock.

The District Engineer said 2.4 miles in this county will be

involved. The work will be under the supervision of Mr. Rhea E. Bradley, Sr., Resident Engineer, Littlefield, Texas.

The work authorized for this county is part of the \$15 million FM Road Construction Program which will involve 133 counties throughout the state. Some 600 miles of new farm roads will be built under the program.

Unlike previous farm road construction programs, this one is far one year only instead of two years. The Highway Commission said the reduced one-year program is the result of Governor Price Daniel's recent veto of a \$15 million farm road appropriation which would have come to the Highway Department next year.

The Governor recently vetoed the Colson - Briscoe farm roads allocation for the second year of the current biennium on the grounds that there should be more flexibility in the use of the funds in order to provide

(Continued on page 4.)

### BY ONE POINT

## Wright Grabs Fourth Contest

Jarrell Wright squeezed ahead of Frankie Allen to win the fourth week's football contest by a margin of one point in the tie-breaker.

Seven entrants emerged with eight correct choices in the weekly predictions. Wright missed the exact score in the Friona-NMMI tilt by only 11 points to win over Allen's 12 point error.

Ray D. Fleming slipped into third place with an 18 point error in the Tie-breaker. He mistakenly picked Arkansas over Ole Miss, and Plainview in the periodic "ghost-game."

Littlefield did not play Plainview but all who noted this fact on their entry blank also missed two or more additional predictions. Therefore, the "Ghost Game" did not have any bearing on the winning entry.

Both Wright and Allen picked Perryton over Dalhart for their only miss in predictions of

games played. Floyd Reeve was chosen player-of-the-week by only one vote less than twice that of his nearest rival for the position this week.

High scorer of the season will receive a grand prize of two tickets to the Cotton Bowl and \$55 expense money.

### WT Schedules Homecoming

Homecoming at West Texas State College will begin with registration at 9 a.m. Oct. 14.

Reunions of clubs are slated from noon until 5 p.m. parade starts at 3:30 p.m. Barbecue will be served from 4:30 until 6:30 and the football game between the Buffaloes and Arizona State Sun Devils will be at 7:30 p.m.

Editorial Comment:

In Hunting

Practice Equals Safety

No sane man would intentionally walk into the deadly cutters of a moving combine. Nor would an operator direct the swishing blades at another person.

But, with the opening of hunting seasons this fall, many people will walk into the path of a rifle bullet fired by a fellow hunter. If each individual would use the same caution when handling firearms as they use around their farm machinery, the number of hunting accidents would be greatly reduced.

There is a compelling necessity today for a code of ethical behavior for the hunters who invade the farms and ranches of Texas.

Unless the hunters themselves develop appreciation of proper and improper hunting practices, increasing legal restrictions will be instituted and hunting as it has been and is now known will cease to exist.

Each hunter must take the responsibility to see that game laws are fair and reasonable and that they are obeyed by every man in the field. Each must actively support conservation efforts so that wildlife will be available for future generations--or even the latter part of his own life.

Above all, each hunter must pass along to our young people the skills and values which are necessary for the formation of a true outdoor sportsman--and the safety of human beings.

Good rules to follow are:

Always point the muzzle in a safe direction--the true gun expert is easy to spot by the way he handles his gun.

Be sure of your target--no trophy is worth an uncertain shot.

Don't point your gun at anything you don't intend to kill--you might do just that--kill.

Dear Mr. Graham,
On behalf of Mr. Taylor's sixth grade class, I would like to thank you for taking us through the Friona Star and Plains Publishers. We all thought it very interesting, especially where you run the paper through the press. Thank you again very much.

Sincerely yours,
Becky Coffey, pres.
Johnny McFarland, vice-pres.

Dear Mr. Graham,
We want to thank you for showing us how a newspaper is printed. It was very interesting. Thank you again.

Your very truly,

Celia Faye Vestal, David Reeve, Mike Kreis, Gary Rodgers, Jackie Huddleston, Mike Garth, Sammy Bailey, Galen Brewer, Jackie Claborn, Charles D. Short, Bobby Gutierrez, Eddie Wood, Larry Frank Truitt, Sorogozo Moreno, Lepoldo Villagram, Mary Ralph Smith, Joan Gail Brookfield, Veronica Kay Deaton, Jan Welch, Belinda Mabry, Judy Jordan, Verly Jean Morris, Bonnie Hill, Hilda Perez, Chloe Ann Ford, Eddie Barker, Sharen Awtray, Delvin Brookfield, Judy Edelman, Donnie Gibson, Freddy Hughes, Carol Knight, Karen Maynard, Luis Hernandez, Margie Stewart, Chris Rowlett, Edith Kay Schumann, Barbara Ann Paterson, Bene J. Rando, Ronnie Glen Stevick, Dianna Lynn Vinson, Mike Wiley, Kathryn Wheeler, Lonnie Woodruff, Elva Leal, Isabel Rodriguez and Linda McGuire.

Visitors in the home of Mr. and Mrs. Wesley Hardesty Sunday were Mr. and Mrs. Truman Ivisun, Buster and Lynda Lee of Snyder, Helen Jo Ivisun, Canyon, Mr. and Mrs. James Smith and Anita of Fluvanna, Mr. and Mrs. Charles Hough and Mr. and Mrs. Leon Coffey and Roger.

"Sister is drinking that smelly soda pop." Thus might one child announce that his small sister was poisoning herself with a bottle of red furniture polish.

In such frightening circumstances a call to one of Texas' 20 Poison Control Centers yields instructions for aid and advice on obtaining treatment. Open 24 hours a day, these centers have files showing the ingredients, toxicity, symptoms, and treatment for some 25,000 household products.

Dr. J. E. Peavy, Commissioner of Health, State Department of Health, Austin, writing in the September issue of the "Texas State Journal of Medicine," states that although there were only seven Poison Control Centers in the state three years ago, almost every major population area in Texas has such a service today.

In a news article in the same issue, the "Journal" reports that many serious consequences of poisoning could be prevented if parents called physicians promptly without waiting for symptoms to appear.

A new law, the Hazardous Substances Labeling Act, is

expected to assist in the work of the Centers. It requires that safety information be given on labels of household chemical products, including the identity of hazardous ingredients, antidotes for toxic substances, and warnings and precautions for safe use.

In this area, the nearest Poison Center is in the Northwest Texas Hospital in Amarillo. Dr. Patrick Oles is the director. The phone number is Drake 6-4431, ext. 211, or 212.

Revival Enters Second Week

Revival services are continuing for the second week at the Assembly of God Church, with Evangelist, Norman Gordon of Atoka, Okla. conducting special services.

M. Alvin Askins, pastor states "services emphasizing faith in God and divine healing have been well attended and many have found a new faith in God and his promises."

The public is invited to attend these services each evening at 8 p.m.

Something To Think About

16th. Street Church of Christ
Box 515 -- Friona, Texas

The first step in learning what it means to "put things first" is to understand that Christianity is not a way of looking at certain things, BUT A CERTAIN WAY OF LOOKING AT ALL THINGS. Our evaluation of things is not always a proper evaluation. Notice the following illustration: "Seek first his kingdom and his righteousness..." The comparison being drawn is not with things that are wrong, but with food, clothing and shelter. These are things that men evaluate very highly, but the Lord said, "Therefore take no thought, saying, What shall we eat? or, What shall we drink? or, Wherewith shall we be clothed?" (Matt. 6:31) Only one out of the seven requests mentioned in the prayer: Christ taught his disciples to pray referred to material things. The scripture always puts the emphasis on the spiritual, not the material. Man has one major purpose in life, and that is to glorify God by doing his will.

Test yourself by God's rule! Do you put material things first? If so, you are making a mistake. Your soul is worth more than all the world, don't sacrifice it for a morsel of bread or a moment of reckless pleasure.

OUR CONGRATULATIONS TO BOB RIETHMAYER

sunday

Recently I read the story of Sardon Masth, a sweeper in one of the hotels of a hill city among the mountains of Kashmir. Every afternoon he gathers around him the servants and cooks of that hotel and holds a sort of Bible class with them. He tells them about Jesus, the Saviour of mankind.

We, too, are called to witness to the love of God, and this is our great commission. When we have the divine light shining in our lives, we radiate it to others. We want to tell the story of what we have seen and known and experienced. We can tell what Christ has done for us. We experience overflowing joy when we witness about the redeeming love of the Son of God.

FRIONA'S CHEERLEADERS -- THE CHIEFTAINS LOUDEST SUPPORTERS

## P. D. Coker Serves In Germany

Army PFC Paul D. Coker, son of Mr. and Mrs. James R. Coker, Route 3, Friona, Tex., recently participated with other personnel from the 8th Infantry Division in Exercise Wind-Draft, a field training exercise in Sennalager, Germany. During the one-week exercise units of the division were airlifted from staging areas in France to the British All-Arms Training Center in Sennalager, where they participated in a mass parachute drop. After the drop these units engaged in maneuvers against other divisional units which acted as aggressor forces. Coker, a truck driver in Combat Support Company of the division's 26th Infantry which is regularly located in Baumholder, entered the Army in November 1959, received basic training at Fort Riley, Kan., and arrived overseas the following April. The 23-year-old soldier attended Friona High School. His wife, Margaret, is with him in Germany.

### AT CONVENTION

## Judges; Commissioners Oppose Senate Bill

Representatives of 22 Texas Panhandle counties have adopted a resolution opposing Senator Walter Rogers' Senate Bill No. 8, which would place farmer and other county road equipment purchases under state control.

The action came at the County Judges and Commissioners convention in Amarillo Sept. 18, according to Farmer County Judge Loyde Brewer, who attended the meeting.

Senator Rogers addressed the gathering in support of the bill but the opposing resolution was unanimously passed immediately afterward.

The bill would require counties to purchase their road building equipment, tires and tubes through the State Board of Control or forfeit their right to participate in the Federal Road Program for a period of two years after such refusal.

Twenty-two of the twenty-eight Panhandle counties in the district were represented at the convention.

The group also adopted a resolution opposing any legislative interference with the activities of the Texas and Southwest Cattlemen's Association in connection with their inspec-

tion of cattle brands at livestock auctions and sales, Brewer said.

The actions of the association have proved helpful in tracing stolen livestock, in the past and the convention did not feel that this service should be hampered, according to Brewer.

The resolution concerning the Association was telegraphed to Austin where a committee was considering proposals in this area.

Representatives at the convention also were addressed by Hugo Lowenstern, a member of Gov. Price Daniel's Citizen Tax Committee.

Miss Louise Evans of the AMARILLO GLOBE-NEWS discussed the governmental trend toward more centralization and control and what the county judges and commissioners could do to counteract the trend. Judge Brewer estimated that 75 to 80 county officials were present at the meeting in the Herring Hotel.

### PUZZLE

The city vendor was trying to outdo the farmer in buying some of his farmland. "Tell you what I'll do," said the farmer. "I've got a good piece I'll let you have cheap. It's a triangle, and the longest side is 200 rods and the other two sides are 100 rods each. Don't know how many acres there are, but you can have it for \$100."

"Sold," said the vendor happily, handing over \$100.

Now, if there are 160 square rods to the acre, how many acres did the vendor get?

You can perhaps best picture the answer by sketching the plot the slicker bought. Draw a triangle allowing 100 rods to the inch.

**Braves Smother Third Opponents**

The Friona Braves continued to display their football powers as they clashed with the Dimmitt squads Tuesday night at Dimmitt.

**Couple Injured In Car Mishap**

An Amarillo couple, Mr. and Mrs. Dick Lebow, 828 Austin St., was injured in a one-car mishap about 14 miles south of Friona Sept. 21 at 3 a.m.  
 Their car reportedly went out of control on the curve near the Les Bruns residence. The couple was brought to the Farmer County Community Hospital for treatment.  
 Highway Patrolman, Fred Lenz of Dimmitt, who investigated the accident, reports that the car appears to have turned over four times, throwing the couple from the vehicle. They were discovered in the field near the wreckage about 30 minutes after the accident.  
 The Lebows were driving south on highway 214 on their way to visit relatives in Muleshoe.

**Lodge To Collect Clothing**

Linen and clothing are being collected by members of the Rebekah Lodge for hurricane victims this week. Please bring items to the Lodge Hall Monday night or leave with Mrs. Sam Williams or Mrs. Joe Moyer.

**COMMISSION--**

for proper maintenance of the farm roads system.

In approving the 1961 farm roads program, the Commission said it is vital that the 1962 Colson - Briscoe appropriation be reinstated at the forthcoming special legislative session if the Highway Department is to continue the Farm-to-Market Road Program at the current pace.  
 The Commission reiterated its hope and belief that the legislature at the special session will see fit to reinstate the second-year farm roads appropriation together with statutory provision for adequate flexibility in the use of farm road funds for maintenance, as recommended by Governor Daniel.

The Commission said that maintenance of all FM Roads had been paid for out of trunk highway funds since the inception of the Colson-Briscoe program in 1949, and that this was advisable during this period due to the necessity for construction of many new miles of FM Roads.

However, the Commission pointed out that the problem now is the adequate maintenance, improvement, and reconstruction of the 34,000 miles of Farm-to-Market Roads that have already been built. The Department has now reached the point where a portion of the total earmarked FM Road funds must be used for maintenance purposes, the Commission said.

District Engineer, O. L. Crain, said a total of 44.3 miles in this highway district would be involved in the program at a total cost of \$514,000.00. The Farmer County work will create a Farm-to-Market Road to extend from Deaf Smith County line, south, west, and south to F.M. Road 1412, 6.0 miles north of Friona, a distance of approximately 2.4 miles.

Both the seventh and eighth grade teams emerged victorious in their gridiron contest with the Dimmitt squads.  
 Johnny Gonzales grabbed the pigskin and plunged through the middle in the second quarter for the first seventh grade score. Extra point try failed and left the score 6-0 at the half.  
 Delbert Davis drove the pill through the final two yards for the final tally late in the fourth period. Last whistle caught the score at 12-0.  
 In the eighth grade game, Tommy Sherley carried the ball 15 yards for the first score.  
 Travis Graves and Rickey Coon added two points in the second quarter when they tackled the Dimmitt back behind the goal line for a safety.  
 Larry Johnson rammed 20 yards for the final TD and Tommy Sherley added the extra points to end the scoring in the 16-0 game.  
 Johnny Claborn, 90 pound quarterback, showed exceptional promise in his outstanding leadership of the braves.  
 Farwell will meet the Friona teams Oct. 5 for their next battle at Chieftain Field. Three games are scheduled for the night and it is hoped that the starting whistle will blow at 5 p. m. According to the schedule, the Friona freshmen will meet the Farwell team for the additional bout.

**ANNOUNCING**

**CHEVROLET**  
For  
**1962**

The wide range of choices Chevrolet dealers will offer for 1962 is hinted in this three-car photograph. Pictured to compare over-all length are (top to bottom) the 180-inch Corvair 4-Door Sedan; the 153-inch Chevy II 4-Door Sedan, and the Impala Sport Sedan which measures 209.6 inches. They are representative of 32 passenger car models which Chevrolet dealers will start displaying September 29. The new Chevy II's bow in on the same date as other Chevrolet-built cars.

# Edelmon Joins Faculty

W. L. (Preach) Edelmon will assume duties with the mathematics department at Friona High School Monday morning, Raymond Cook, principal, reports.

Edelmon will teach algebra one and two. He will fill the position which will be vacated by Ervin Johnson when his resignation becomes effective Friday. Johnson joined the Friona staff on August 28.

Edelmon, prominent Friona businessman, served as Superintendent of Friona Schools from 1938 to 1942.

# Mrs. Grover Garth Observes Birthday

Mrs. Grover Garth of Needmore was guest of honor at a birthday dinner in the home of her son and family, Mr. and Mrs. Wayne Garth, Sunday.

Others attending were Mr. and Mrs. Herbert Garth and son, Kenneth; Mr. and Mrs. Alton Garth and family of Lubbock; and Mr. and Mrs. Rudolph Moray and sons and Grover Garth from Needmore.

FLYING FOR THREE . . . is Everett Gee after being knocked off his feet by the Colts' Eddie Gonzales. Three husky NMMI players converged to pin Gee where he lands. Even with such flying leaps as pictured above, the Chieftains could not pull the game out of the fire. NMMI ran the score up to 35-0 before the Friona eleven managed to push the ball across for their first TD in the third quarter.

# Chieftains Gain Players; Support

Friona continues to lose ball games but last week began gaining in community support and players.

Two sophomores, Jerry Parker and Arlen May, joined the Chieftain team for the first time this year last week. Their action came shortly after six players quit the team after the Morton game.

Two of the six that quit returned to the team, Dwight Bates and Craig Coon returned in time to play in the NMMI contest Friday.

The 19 members of the Chieftain team have turned every effort toward improving their strategy for the homecoming battle with Portales tomorrow. Pass plays have received heavy emphasis during the past week.

"Portales has a much heavier team than we do but we hope to make a better showing against them than we did against NMMI," Floyd Reeve, Chieftain player of the week, said Tuesday.

Prospects looked good in the NMMI game when Micky Wilson snatched a Colt pass in the fifth play of the game, but the Chieftains were forced to punt after moving the ball six yards to the Colt 37.

NMMI then proceeded to march across the struggling Chieftains for the first score of the one-sided game. By the end of the first half, the Colts had crossed the goal line four more times and scored all five extra points to leave the score at 35-0.

Backed by the freshmen players, band, pep club and every other fan who could get to the game, the Chieftains returned to the second half with renewed vigor. But an early fumble set up the sixth Colt seven.

With the score at 42-0, the Friona eleven began clicking. Everett Gee received a pass from Floyd Reeve and romped 63 yards for the first Chieftain tally.

A series of alternating fumbles and a Colt punt set up the second and final Chieftain score. James Perkins took a handoff from Floyd Reeve and scampered 54 yards for the TD.

The Chieftain squad unveiled a quick-pass attack at the NMMI game. This strategy netted the Friona team 31 yards in six attempts but was not enough to even the score. Final gun sounded with the colts out front 42-14.

## FRIDAY

# A New World of Worth from Chevrolet for '62!

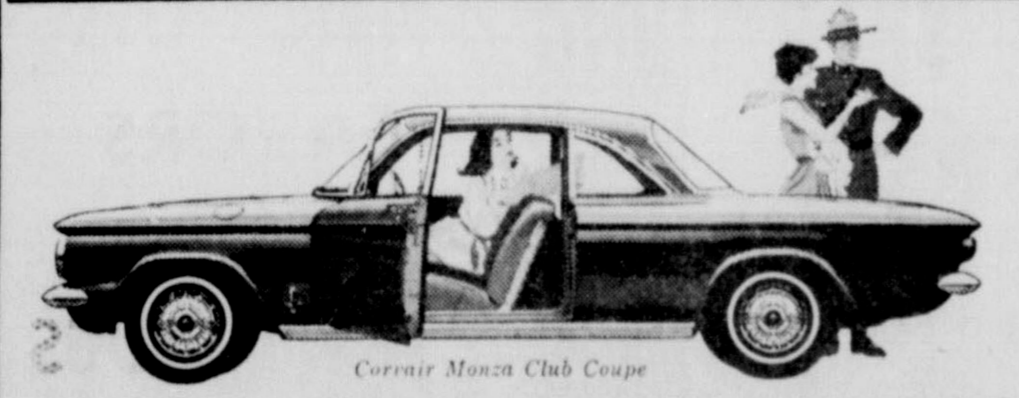

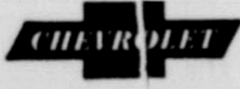

'62 Impala Sport Coupe—with a roof line that looks like a convertible's

# '62 CHEVROLET Rich new styling with Jet-smooth ride!

Here's everything a car fancier could want. Fresh-minted style that comes to a climax in the sportiest sport coupe you've seen yet. A road-gentling Jet-smooth ride. A new choice of V8 skedaddle. Rich Body by Fisher interiors. Beauty that's specially built to stay beautiful. Here in '62 is more than ever to please you from the make that pleases most people.

It's like owning an expensive car without the expense. Check it over from its clean-thrusting prow to its rakish rear deck. Look inside the deep-well trunk. Then—head for the open highway. ■ That sittin'-on-satin feeling you get is Chevrolet's famous Jet-smooth ride at work—with a pliant Full Coil spring cushioning at each wheel. The standard six and V8 are triggered to do special things on regular gas, and for real hair-trigger reflexes you have a choice of four optional-at-extra-cost V8's with out-

put all the way up to 409 hp. ■ Hard-working helpers (like the new steel front fender underskirts that guard against corrosion) give this '62 its built-for-keeps beauty. Even the heater and defroster come as standard equipment this year. This is the kind of car that will make you feel luxurious all over, and your Chevrolet dealer will be only too happy to show you how easy it is to have one of your own.

Corvair Monza Club Coupe

**THE '62 CORVAIR MONZA**

Meet the car that puts sport in the driver's seat! Bigger new brakes and Corvair's renowned rear-engine traction offer just about the surest footed going on the road. A new Monza Station Wagon makes its debut. And all models sport freshly tailored upholstery inside matched by sassy new styling accents outside.

This jim-dandy's got the stuff that drivers dote on. ■ Backstage you have a standard aluminum air-cooled engine that turns up 80 hp. (or if you like more razzmatazz, one that uncorks 102 hp!). ■ Sure enough, there's independent suspension on all four wheels to keep the ride as amiable as ever. Inside, you'll find a heater and defroster, cigarette lighter, dual sunshades, front-door armrests and automatic choke as standard equipment on most models. ■ There are lots of reasons for liking what's new—and tried and true—in the '62 Corvair. And your dealer's eager to tick 'em off for you.

\*Optional at extra cost.

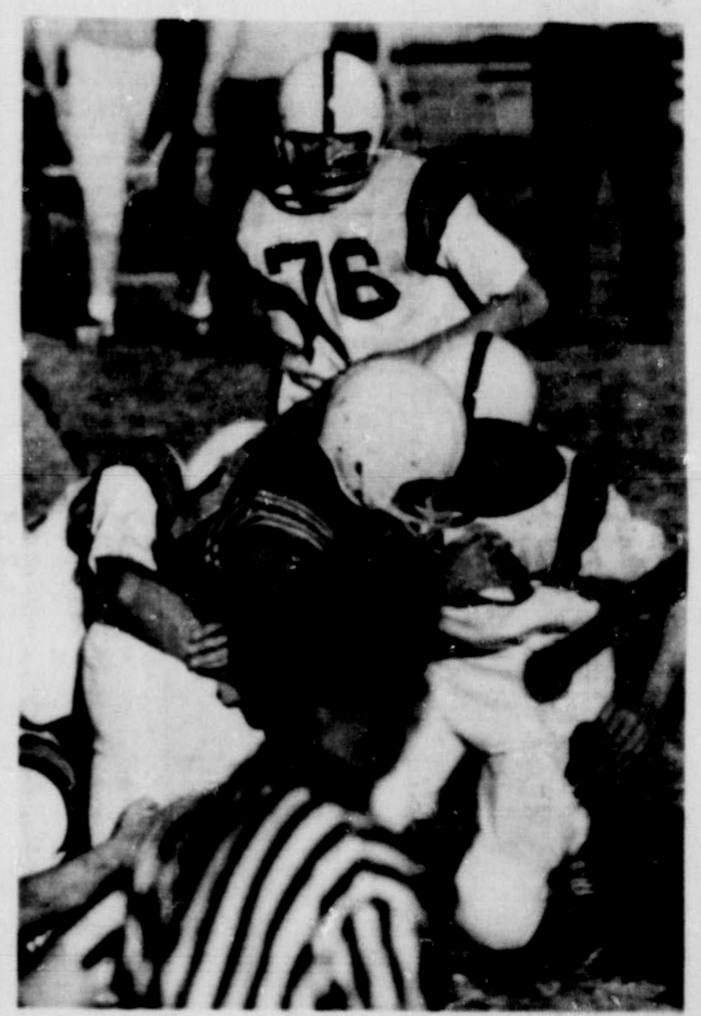

Chevy II 300 2-Door Sedan

**HERE'S THE NEW CHEVY II**

Here's modern basic transportation in a totally new line of cars with all the solid, time-tested Chevrolet virtues—plus some surprises you've never seen on any car before. A full line of saucy new-size models. Thrifty? Choice of a frugal 4- or spunky 6-cylinder engine (in most models). Roomy? Sedans seat six solid citizens. Price? A real pleasant surprise!

This plucky new Chevy II comes about as close as a car can to perpetual motion. ■ All nine models (station wagon, a hardtop, even a convertible will soon be available in the lineup) are designed to save you money and service. Major front-end sections, including fenders, bolt on for easy replacement in case of damage. The heater and defroster are yours as standard equipment. Tough—but ever-so-gentle—Mono-Plate rear springs eliminate the friction of old-fashioned multi-leaf springs. ■ And, maneuverable and sensibly sized as this Chevy II is, it gives you the kind of room that'll make many a "big" car wonder how it's done.

TOMMY BAXTER . . . loses control of the ball as he is hit hard by two NMMI Colts following a Colt kickoff. NMMI recovered the ball on the 12 yard line and drove for a TD in two plays.

## Two Accidents Reported Here

Drivers of vehicles in two separate accidents in Friona last week escaped without injury, Ben Moorman, police chief, reports.

The first of the two accidents occurred at Main and Sixth St. when a 1959 pickup driven by Larry Anthony and a 1961 sedan driven by Kenneth O'Brien collided on Sept. 20. Estimated damage to the two vehicles was set at \$375, Summit Ave. and Seventh St. was the scene of the second accident on Sept. 22. A 1958 pickup driven by James Guinn and a 1950 sedan driven by Michael Hand collided to cause an estimated \$150 damage to the two vehicles.

Citations for violation of traffic regulations were issued to Hand and Anthony, Moorman said.

"What does Jane's new bathing suit look like?" one bridge player asked another during a lull in the game.

"Well," purred the other, "in most places it looks like Jane."

## Mrs. Lee O. Holcomb Buried At Plainview

Mrs. Lee Ona Holcomb, 67, of 625 North Crosby, Tullia, died in Northwest Texas Hospital in Amarillo Thursday of last week.

Funeral services were conducted Saturday at Central Church of Christ in Tullia with Woodrow Hughes of Tullia and Paul Epps of Plainview officiating. Burial was in Plainview cemetery.

Mrs. Holcomb was born June 4, 1894, in Coryell County and moved to Plainview with her husband, the late F. A. Holcomb, in 1916. She moved to Tullia following his death in 1952.

Survivors include two sons, Calvin Holcomb of Seminole and F. W. Holcomb of Twin Buttes, Colo.; one daughter, Mrs. Troy Stewart of Tullia; a sister, Mrs. Dan Adair of Olton; four brothers, Joe McPeak, Plainview, Chester and Clifford McPeak, both of

Floydada and Clinton McPeak, Detroit, Mich.

Also six grandchildren, Mrs. Jerry White of Amarillo, Larry Stewart and Billy Holcomb, Lubbock, Peggy and Phyllis Holcomb, Friona, and Tommy Stewart of Tullia.

Those from Friona attending the services were Mrs. Ella Faye Holcomb, Peggy, and Phyllis, Mrs. Lucy Welch, Mrs. Nelson Welch and Mr. and Mrs. Porter McGee.

Traffic Cop: "Lady, you were doing 70 miles an hour."  
Woman Driver: "Oh, isn't that wonderful. And I only learned how to drive yesterday."

## Frionans Leave For School

(Crowded out last week)

West Texas State College, Canyon-Dean Nazworth, son of Mr. and Mrs. J. R. Nazworth; Carroll Bennett, son of Mr. and Mrs. Milburn Bennett; Connie Ray, son of Mr. and Mrs. John L. Ray; Gary Dean McLaughlin, son of Mrs. Francis Davis; Linda and Ower Houston; Nelda Douglas, daughter of Mr. and Mrs. Joe Douglas; Kim Caffey, son of Mr. and Mrs. Dalton Caffey; Margaret Hudson, daughter of Mr. and Mrs. W. E. Hudson; George Wayne Terry, son of Mr. and Mrs. Ross Terry; and Donna Blackburn, daughter of Mr. and Mrs. Claude Blackburn.

## PTA Observes Family Night

A dinner and program given by parents of the Parent Teacher Association honored teachers of the Friona Schools Thursday evening in the school cafeteria.

Paul Smith, minister of the Sixth Street Church of Christ, gave the invocation.

Mrs. Doyle Cummings, president, welcomed the group and introduced the officers and committee chairmen.

Mrs. Leonard Coffey, program chairman, introduced the new teachers. They are Wayland Ethridge, journalism; Joe Mace, English and speech; Mrs. Joe Mace, librarian; Kenneth

Miller, head coach; Richard Dickson, sixth grade; Miss Lou Ann Choate, fourth grade; Mrs. Maurine Dunn, first grade; Mrs. Rowena Amason, music through fourth and eighth grades and Mrs. Wayne Hodgson, librarian of Junior High.

Original poems were read by Mrs. H. H. Horton, Mrs. O. J. Beene and Mrs. Hardy May. Everyone participated in group singing led by Lowell Bynum. Present were 196 of 259 members.

### Meeting Friday

"Great People of the Bible" will be the subject at the interdenominational meeting Friday at the Calvary Baptist Church at 2 p.m.

Everyone is invited to attend and be prepared to answer roll call with a favorite passage of scripture.

### Ernest Englands Have Visitors

Mr. and Mrs. Eugene Henderson and Mrs. Katherine Mayfield of Fort Worth visited last week in the home of Mr. and Mrs. Ernest England. Mr. Henderson is a brother of Mrs. England.

Sunday guests in the England home were Mr. and Mrs. Bryan Sinclair and Dorothy and Mr. and Mrs. Fate Shannon, Kathy Sue and Earl all of Dimmitt, W. L. Loanman.

### Black News

BY MRS. GENE WELCH  
Black Home Demonstration Club met Thursday afternoon in the home of Mrs. T. J. Presley. Mildred Barnett, President, conducted the business meeting. Each member answered roll call with "children say the darndest things," after which new officers for the coming year were elected.

The are Mrs. T. J. Presley; president, Mrs. Helen Fangman; vice president, Mrs. Bill Carthel secretary and treasurer, Mrs. Gene Welch; reporter, Mrs. Ellig Tatum; parliamentarian, and Mrs. Fern Barnett council delegate.

"The History of Farmer

County" was presented by Maxine Price. Refreshments were served to Mesdames Fern Barnett, Pete Braxton, Bill Carthel, Helen Fangman, Beryl Fish, and son Jim, Clyde Hays, Roscoe Ivie, T. J. Presley, Ralph Price, Dick Rocky, Gene Welch and daughter, Varla, and a guest Mrs. H. V. McCabe of Dawn, mother of Mrs. Bill Carthel. The next meeting will be October 5 with Mrs. Clyde Hays.

Mr. R. E. Barnett is in the Deaf Smith County Hospital in Hereford following a light stroke last Wednesday, but is reported to be improving.

Mr. and Mrs. Pete Braxton and Ray visited with relatives in Borger Sunday.

Mr. and Mrs. Bill Carthel and boys attended the annual Carthel reunion in Plainview, Sunday.

Mr. and Mrs. Dick Rocky

visited in Muleshoe Wednesday with Dick's aunt, Hattie Rocky who is in the hospital there.

Mrs. Ed Bose of Clinton, Oklahoma spent Tuesday night in the home of her aunt, Mrs. T. J. Presley; and her sister Mrs. Beatrice Brady returned home with her to Clinton.

The Tri State Fair in Amarillo was visited during the week by a number of the community. Some of those going were; Mr. and Mrs. Clyde Hays, Mr. and Mrs. Fern Barnett, Mr. and Mrs. Ralph Price, Mr. and Mrs. Bob Coker and family, Mr. and Mrs. Gene Welch and family, Mrs. Bill Carthel and boys and several more had plans to go before it was over.

Mr. and Mrs. Fern Barnett spent Sunday in Lubbock visiting with their children.

Mrs. Beryl Fish and Mrs. Bill Carthel were in Farwell Tuesday taking a training

course on cake decorating. Linda Stone spent Friday night in Friona with Judy Edelman in the Claude Edelman home.

Mr. and Mrs. Charlie Myers visited in the Bill Carthel home Thursday night.

Mr. and Mrs. Ralph Price and Jeff attended the W.T.S.C. football game at Canyon Saturday night.

Mrs. Lester Dean is at home now after having been in the hospital for surgery.

Linda Stone was honored Monday evening with a birthday supper in Hereford. Girls attending were Sharen Awtrye, Dianne Wilson, Becky Coffey, and Joan Jennings, all of Friona.

The moon not only pulls the oceans back and forth to cause tides; it often stops cars along side roads. -- Graphic, Lake Mills, Iowa

### Ladies Register For Swim Classes

Registration for fall swimming classes for ladies will begin at 10 a.m. Friday at the Dive Inn. Ladies interested in enrolling in beginners, advanced beginners and intermediates can be accommodated.

If enough parents indicate interest in a fall program for pre-school age children, classes will be provided.

Anyone unable to attend the registration meeting can call Mrs. H. K. Kendrick or Truett Johnson for further information.

# HIGHLIGHTS AND SIDELIGHTS

## From The State Capitol

AUSTIN, Tex.--As the weeks go by and new emergencies arise, Gov. Price Daniel finds more reasons for calling Texas Legislators back to Austin for another special session.

In addition to the Governor's unfinished program, Hurricane Carla has produced other reasons.

It is definite now that the Governor will ask for more money for the Highway Patrol and for the National Guard. He had to advance money to the Guard, from his emergency fund, to pay salaries and expenses of Guard units called up for hurricane duty.

Major General James E. Taylor, the state adjutant general, said that the 2,300 men and 800 vehicles called out for hurricane duty made up the largest peacetime operation in Guard history.

After Governor Daniel's aerial tour of the hurricane-struck coastal area, he estimated that some 3,000 lives would have been lost had it not been for the organization of civil defense, coordinating with local groups, to evacuate the area.

He also estimated \$400,000,000 loss to public and private property.

"I can see now that we need to provide more money for the National Guard and we need to provide more Highway Patrolmen, too," said the Governor. "I am sure I will add those to the call for a special session."

Rep. C. W. Percy Jr. of Temple proposed that the legislature permit cities and counties to issue bonds to make loans to disaster victims.

Speaker James A. Turman asked the House general investigating committee to start an inquiry into the payment of insurance claims as a result of Carla. He said many hurricane victims were surprised to learn that much of the damage was not covered by insurance. Adjusters held that their windstorm and hurricane policies did not include flood damage even though caused by the hurricane.

Governor Daniel, irked over the adjusters' interpretations, urged policy holders not to be too hasty in settling their claims.

**STORM CROP DAMAGE EXTENSIVE**--The U. S. Department of Agriculture at Austin says the recent hurricane caused the most extensive wind and rain damage to crops, fields and pastures, ever experienced.

Of the prospective 100,000 bales of cotton in the fields, about \$11,000,000 worth was probably lost, the USDA said. Additional losses will result from grade reductions, the agency states.

**JANUARY SESSION TALKED**--Chances are that Governor Daniel will have legislators back in Austin during January.

Rep. Murray Watson of Mart suggests that Daniel set up a grass-roots committee of citizens to bring in proposals for removing inequities in the new sales tax law for action at the special session.

Comptroller Robert S. Calvert continues to explain the law. He ruled that the American Red Cross is exempt from the sales tax on its purchases, since it is an agency of the Federal government.

Calvert is studying a request from some large industrial firms that they be allowed to be "direct" payers of the tax. Theory is that life would be simpler if they could keep records and pay the tax once each quarter, instead of paying it hundreds of times a day in the normal course of business.

**TAX DOLLAR ANALYZED**--Texas Legislative council has taken a new look at where the State's tax dollar comes from and where it goes.

Study reveals that 52 percent of it is derived from the several types of sales taxes levied in the state, including 15.8% from the new 2% limited sales tax.

Oil and gas production and severance taxes account for 19.1%, business taxes 11.4%, motor vehicle registration fees 9.5%, state property taxes 4.1%, inheritance tax 1.3%, others 2.6%.

Motorists get tapped for 33.9% of the tax dollar, including the motor fuel tax at 21.4%, the sales tax at 3%, and registration fees at 9.5%. Nine percent comes from tobacco taxes and 2.2% from alcoholic beverage levies.

Our free public school system is taking 33.9% of the tax dollar. Highways and roads are next at 26.8%. Public welfare gets 15.8%. Higher education comes in for 9.6%, while health, hospitals and special schools account for 4.5%.

**NEW FARM ROADS APPROVED**--A one year program calling for construction of 613 miles of new farm to market roads costing \$15,200,000 has been approved by the State Highway Commission.

This was approximately half of the usual program authorized by the Commission, as the result of Governor Daniel's veto of the \$15,000,000 for this purpose in the second half of the biennial appropriations bill.

Governor Daniel cut out the second year allocation in order that more flexibility might be attained in providing maintenance for the farm roads system.

## Double Ring Ceremony For Trogden-Massey

Miss Alice Sue Trogden, daughter of Mr. and Mrs. E. R. Trogden of 4316 E. 15th, Amarillo, and Weldon Massey, son of Mr. and Mrs. Gordon Massey, were united in marriage September 9 at 2 p.m. in the home of the bride's parents.

Max Maxwell, retired Baptist minister, read the double ring ceremony before an improvised altar decorated with baskets of white and orchid gladioli, the bride's chosen colors. Attendants were Mr. and Mrs. Leon Massey, Friona.

The bride, given marriage by her father, wore a street-length dress of white silk organza trimmed in lace. Her veil of silk illusion was attached to a crown of seed pearls. Accessories were white satin slippers and white lace mitts. She wore pearl ear rings and necklace, a gift from the bridegroom, and carried a white Bible topped with a bouquet of pink rose buds and orchid mums.

Mrs. Trogden, mother of the bride, chose a charcoal grey silk dress with black accessories, and the bridegroom's mother, Mrs. Massey, wore a beige embroidered dress and matching accessories. They both wore orchid mum corsages.

Attending the wedding from Friona were Mr. and Mrs. Otis Massey and Mr. and Mrs. Gordon Massey. Other out of town guests were Mr. and Mrs. Charles Richardson.

For a wedding trip to Carlsbad Mrs. Massey chose a blue wool suit and brown accessories.

The couple will live at 2508 B Taylor St., Amarillo where Mr. Massey is employed.

## Lawn Party For Junior Class

Members of the Junior I Dept. class were entertained with a lawn party in front of the First Baptist Church Friday afternoon at 4:30.

Following a session of games those attending were served watermelon.

Present were Mr. and Mrs. Johnny Mars, Mrs. Leonard Coffey, Mrs. Granville England, Eddie Wood, Cathy Cook, Becky Coffey, Joy Munk, Nancy Scales, Laura Gaskins, Tresa Taylor, and Terry Filled.

Also Tommy Mars, Mary Ralph Smith, Margie Stewart, Larry Truitt, Phyllis Renner, Connie and Linda Stone, Hazel Fallwell, Patti Cannon, Freddie Hughes, Jane Lane and Paula Fortenberry.

## Hospital Auxiliary Has First Meeting

The new conference room at the community hospital was the scene of the first meeting of the Hospital Auxiliary Monday afternoon with 15 members present.

H. E. Barnett, a special guest, discussed current needs of the hospital.

New committees were appointed during the business session and Mrs. Herschel Johnson was elected secretary-treasurer to fulfill the term vacated by Mrs. Roy Clements.

Other business included the decision of lowering TV rentals to 98¢ plus the 2¢ tax so that patients will only pay \$1.00 per day. Plans were made for a rummage sale to be held soon and Mrs. Ross Ayers and Mrs. J. C. McFarland were elected chairmen for this project.

Mrs. J. C. Claborn became a new member of the Auxiliary.

## Barrows Observe 50th Anniversary

Mr. and Mrs. P. D. Barrow will observe their golden wedding anniversary Sunday, Oct. 1 at the Barrow home south of Bovina.

The Barrows moved to their present home in January 1928 where Mr. Barrow has been engaged in farming.

Friends and relatives are cordially invited to attend the open house from 2:30 to 5:30 p.m.

## Of Interest To THE WOMEN

MR. AND MRS. WELDON MASSEY

## Mrs. Patterson Meets With PTA Committee

Mrs. Elmer Patterson of Hereford, district vice-president of the Parent Teachers Association, met with the executive committee of Friona September 19 to discuss a Leadership Procedure Study Course to be held October 9 at 9 a.m. at the Sixth Street Church of Christ. Anyone interested in the course is asked to see Mrs. Doyle Cummings. A PTA workshop will be conducted at Fannin Junior High School in Amarillo on October 5.

During the meeting, progress reports were given by several committee chairmen and the appointment of a Historian for the year was discussed.

Mr. and Mrs. David Carson and Mr. and Mrs. Steve Struve spent last week visiting in Albuquerque.

## Daughter Born To Joe A. Osborns

Mr. and Mrs. Joe A. Osborn became parents of a baby girl at St. David's Hospital in Austin Wednesday, Sept. 20. She weighed 7 lbs. and 2 ozs. and was named Claire McFarland.

Claire has a brother, William Sheffield. Her grandparents are Mr. and Mrs. Sloan H. Osborn of Friona and Mr. and Mrs. William Culbert of Gatesville. Mrs. J. B. McFarland of Friona is a great-grandmother.

## Bridal Shower Honors Mrs. John E. Miller

Mrs. John Claude Miller, the former Beulah Moore, was guest of honor at a miscellaneous shower in the Friona Club House September 21.

## Eastern Star Initiates Mrs. Rector

Mrs. Lloyd (Betty Louise) Rector was initiated into Friona Eastern Star Chapter 990 Monday evening with three generations participating in the ceremony.

Mrs. S. L. McLellan, mother of Mrs. Rector, and Mrs. A. H. Boatman, her grandmother, were included in the evening's activities.

Mrs. R. B. McKee, worthy matron, officiated. She was assisted by Bill Flippin, worthy patron, and C. L. Dunn, past patron.

Guests calling from three to five-thirty p.m. were registered by Mrs. Bert Chitwood. Hostesses were Mesdames Joe Talley, Sloan Osborn, Ed Boggess, Bill Buchanan, Van Nichols and Grady Dodd.

A white linen cloth covered the serving table centered with floating orchid dahlias in a crystal bowl, with Mrs. Ed Boggess pouring. Other decorations in the entertaining room were arrangements of roses and dahlias.

Sharon Kay England, daughter of Mr. and Mrs. Granville England visited relatives in Fort Worth last weekend.

Mr. and Mrs. Eugene Sunderman and Kelly from Canyon visited in the home of Mr. and Mrs. Steve Struve and family Monday evening.

## Bridal Shower Will Honor Mrs. Bill Smith

Mrs. Bill Smith, the former Suzy Estes, will be feted with a post nuptial shower Monday afternoon October 2.

The come and go affair is between hours 4 and 6 in the home of Mrs. Harold Hawkins in Bovina.

Friends of the couple are cordially invited.

Mrs. Alta Wyly attended the Walcott P.T.A. last week. She also visited Mr. and Mrs. Elton Wyly and family. Elton is the son of Mrs. Wyly.

Guests in the home of Mrs. Ella Faye Holcomb, Peggy and Phyllis Sunday were Mr. and Mrs. Ralph Russell and Kelly of Hale Center and Mr. and Mrs. Alvin Law and Sylvia of Plainview.

**in and around  
FRIONA**

WITH JUNE

There are two items in our lost and found department this week. One is a small black velvet oxford that hardly shows any wear. Apparently some little girl tossed it out a car window in the vicinity of Johnson's Corner Grocery or Roberts Furniture.

It would give us a great deal of pleasure to return this shoe to the owner, so if any of you can help locate a child with two feet but only one shoe, let us know.

The other is a lost billfold. Mrs. Wesley Hardesty lost her billfold sometime ago and is most anxious to get it back. Anyone knowing the whereabouts of a billfold without an owner is asked to contact Mrs. Hardesty.

A number of Frionans will be glad to learn that W. L. (Preach) Edelman is re-entering the teaching field after an absence of about 17 years. Announcement of his acceptance of the position of high school algebra teacher is being made this week.

Since science and math are

being emphasized more in our schools, good teachers in these fields are very much in demand. No doubt, we will be able to notice a marked difference in interest in these two subjects within a short time.

A lot of us will not be able to make an Aspen Tour or a Canadian Foliage Tour, but any of us can take time to drive around Friona and see the many beautiful sights nature is preparing for us every day.

Fall flowers are blooming in profusion just about anywhere you look, some shrubs are beginning to change color, trees are doing likewise and the beauty of fall has never been more evident.

Pampas grass is blooming in the front yard of the Dean Bingham home, in the backyard of Mrs. J. F. Miller and in several other yards in town. The grass is very pretty but at the same time West Texas was considered "out of bounds" for this plant. Think it is native to South America.

Mr. and Mrs. Chester Varner, who live in the east part

of town, have a beautiful array of flowers blooming in front of their house as do Jim and Sally Cocannouer, who live on West Fifth.

I'm of the opinion that Jim and Sally both have green fingers to go with their green thumbs. Flower growing is a hobby with these two and they certainly do a fine job.

Mrs. Ennis Cummings, another flower grower, placed second with an arrangement at Tri-State-Fair in Amarillo last week.

\*\*\*\*\*

For the title of "Most Often Seen Together Grandfather-Granddaughter" I would nominate M. B. Buchanan and his granddaughter, Lisa. It seems that this arrangement began when Lisa, whose parents are Mr. and Mrs. Bill Buchanan, was quite small.

She's surely not much more than a year old now and the two are inseparable pals. Seeing the two in the drug store together an onlooker would probably think Lisa was "managing" her grandfather instead of him being "sitting" with her.

\*\*\*\*\*

One of Friona's older couples refuse to stay idle even though they have moved off the farm and are supposed to be retired. Mr. and Mrs. Rudolph Renner are currently working on a furniture re-finishing project. It

seems that they hardly ever finish one without starting another.

Their latest "do-it-yourself" project is working on an old player piano. Apparently the biggest obstacle they had to hurdle was acquisition of the piano in the first place. It belonged to a family in Oklahoma and was just "not for sale" for a long time.

When I asked Mrs. Renner how they finally acquired the piece of furniture, she said, "Well, I just told them every time they told me it wasn't for sale that I wanted it when they changed their minds."

Upon completion of the re-finishing job, the piano, a singer, will be a fine looking piece of furniture and it already has a wonderful tone. The Renners have a large collection of music and will spend many pleasure filled hours sharing it with relatives and friends.

\*\*\*\*\*

Parents of pre-school age children who are interested in swimming classes are asked to contact Mrs. H. K. (Deke) Kendrick. If there is enough parental interest, classes will be organized at the Dive Inn in the near future.

\*\*\*\*\*

Our apologies this week go to Jim Clements. In addition to reporting that he had enrolled at Southwestern State College at Weatherford, Okla., in last week's Star, we also sent his paper to the Sooner state.

Sorry, Jim. Now we know you are at West Texas State at Canyon and hope you get your Star this week.

If we understand the doctors correctly, you can live much longer if you quit everything that makes you want to.

**Patrol Investigates  
4 Parmer Accidents**

The Highway Patrol investigated 4 accidents on rural highways in Parmer County during the month of August, according to Sergeant Roger Sosebee, Highway Patrol Supervisor of this area.

These wrecks accounted for three persons injured, and a property damage of \$5,105.00.

The rural traffic accident summary for Parmer County from January through August of 1961, shows a total of 55 crashes. As a result of these crashes, there was 1 person killed and 24 persons injured. The estimated property damage amounted to \$31,680.00.

With the starting of school

the Sergeant reminds all motorists of the state law regulating traffic in regard to school buses. "The driver of a vehicle upon a highway outside of the limits of any incorporated city or town upon meeting or overtaking from either direction any school bus which has stopped on the highway for the purpose of receiving or discharging any school children shall stop the vehicle immediately before passing the school bus, but may proceed past such school bus at a speed, which is prudent, not exceeding (10) miles per hour, with due caution for the safety of such children."

**Gun Club Elects  
New Officials**

New officers were elected at the Saturday meeting of the Friona Gun Club in the City Hall.

Pete White was re-elected as president while Ben Moorman was named secretary-treasurer. Larry Fairchild was made vice-president of the club and Ed Duke was elected range officer.

Rex Blackburn and Burke Hand were given public relations positions.

At present, there are 25 members of the club. Anyone wishing to renew his membership or join the club should see Ben Moorman at the City Hall before Oct. 1, Moorman said.

**Everyone's Invited**

Bob Riethmayer of Friona is Parmer County's Soil Conservation Farmer of the year. Riethmayer, who farms a section and a half of land, was honored at annual banquet of Parmer County Soil Conservation banquet, which was attended by 150 Saturday night in Bovina School cafeteria.

Dr. Gerald Thomas, dean of agriculture at Texas Tech, was guest speaker. He pointed out need of continued, and more, soil and water conservation in years to come. "We still have a wealth of soil and water facilities," the dean pointed out, "but we need to conserve it. It's growing less each year because of misuse."

Agriculture is going to be faced with a real problem of feeding the world's people in next 25 years, Thomas predicted.

Riethmayer was presented with a plaque by Roy M. Crawford, vocational agriculture instructor at Bovina High School.

Crawford pointed out that Riethmayer's farming methods include a good rotation program with land being divided equally each year between milo, wheat, and soil building crops. A feature of his farm is five miles of underground pipe which aids in his irrigation program. All land in his farm is contoured. Parmer County's top conservation farmer decomposes his wheat stubble and does not burn.

Crawford pointed out. Riethmayer was selected from a field of four farmers from throughout the county who were nominated for the honor. They were named by Bill Nichols of Friona State Bank.

Dr. Gerald Thomas, dean of the School of Agriculture, Texas Tech, receives further questioning from Mrs. Noyle Woods, Mrs. Pete Buske and Mrs. A. L. Black (R) after his address at the SCD banquet Saturday. A portion of Thomas's lecture was directed at the women. "At the present population growth rate, there will not be standing room on the earth in 65 years," he said.

Farwell area was represented by Bert Williams, Bovina area was represented by Gilbert Schueler, and Lazbuddie's nominee was Neal Bradshaw.

Bradshaw was presented a plaque at the banquet by T. O. Lesly, president of Lazbuddie Farmers Union. Others will be honored by their local Lions Clubs at next regular meeting of the clubs.

Marilyn Brandon, daughter of

Mr. and Mrs. C. R. Brandon of Bovina, was presented a plaque for winning first in soil conservation essay contest which was conducted last school year. Miss Brandon is a Bovina High senior.

Other essay winners were Patsy Hart, daughter of Mr. and Mrs. Floyd Damron of Bovina, who is now a freshman at East Texas State College, second; Miss Kitty Black, daughter of

Mr. and Mrs. A. L. Black of Friona, who is now a freshman at Texas Tech, third; and Patricia Ann Crawford, daughter of Mr. and Mrs. Roy Crawford of Bovina, who is a Bovina High student, fourth.

Title of all the essays was "Why I Believe in Soil Conservation." Awards were made by Joe Jones, former Parmer County agricultural agent who is now associated with Security State Bank in Farwell. Cash awards of \$50, \$35, \$25, and \$15 were presented to the four winners last spring.

A. L. Black, chairman of county board of supervisors, served as master of ceremonies. He gave recognition to businesses and individuals who had given assistance to the organization during past months. Jack McCracken, manager of Bovina Chamber of Commerce and Agriculture, gave welcoming address.

Dean McCallum, member of board of supervisors from Bovina who was in charge of planning the banquet, introduced guests from counties other than Parmer including Lubbock, Lamb, Deaf Smith, and Castro. Invocation was by Rev. Harold Morris, pastor of Bovina Methodist Church.

Entertainment was provided by Earl Hise, Bovina Schools director of music, and a high school choral group.

Members of county board of supervisors in addition to Black and McCallum are Robert Calaway, Lesly, and Bruce Parr.

### SOIL CONSERVATION DISTRICT NEWS

Our congratulations to Bob Riethmayer of Friona for winning the Conservation Farmer Award for 1961 in the Parmer County Soil Conservation District.

Bob was recognized at the Seventh Annual Soil Conservation District Banquet in Bovina Saturday night for his work in soil and water conservation.

Even though a tenant farmer, Bob considered the extra expense and trouble of farming contoured and angled rows has paid off. The increased water intake on flat rows has more than paid for the trouble in increased yields as well as controlling soil erosion.

He has a set of pumps to catch the excess water from the end of his rows and some rainwater.

Bob uses a crop rotation of one-third wheat, one-third grain sorghum and soybeans and one-third fallow. All residues are worked into the soil to increase the organic content of the soil and there is absolutely no burning of crop residues.

A system of underground pipeline consisting of four miles of concrete and plastic is located so as to stop erosion and water loss for open ditches.

As has been proved over and over, a good well rounded program of soil and water conservation pays rather than costs.

Josie: Frances was afraid the girls wouldn't notice her engagement ring.  
Kitty: Did they?  
Josie: Did they? Six of them recognized it at once.

Bob Riethmayer receives the outstanding farmer plaque from Roy Crawford at the annual Soil Conservation District Banquet in Bovina Saturday night.

## "No Limit To What You Can Do With This Land And Water"

In a county of outstanding farmers, Bob Riethmayer was named the most outstanding at the annual Soil Conservation District banquet Saturday.

Riethmayer, who moved to Friona in December of 1956, farms one and one-half sections five miles southeast of Friona. The energetic young farmer has the furrows of his entire farm shaped to the contour, regardless of the number of short end rows which the system creates.

With a jovial smile creasing his tanned features, he is constantly searching for ways to preserve his land and increase its yield. His wheat harvest in 1961 was one of the most bountiful in the county.

He follows the recommended practices of water preservation to the letter. He has constructed waterways and catch-basins so that he can contain his watershed and use it to irrigate. He has five miles of underground pipe installed to carry water from his wells to the furrows.

Riethmayer also follows an outstanding crop rotation

plan. He has his farm divided into thirds with one third in wheat, one third in grain sorghum and one third in soil building crops. He has about 80 acres of cotton in addition.

Riethmayer owns a farm near Lamesa where he lived prior to moving to Friona, but he prefers to rent a farm in Parmer county.

"There is just no limit to what you can do with this land and water," he said.

Riethmayer is also a firm believer in the advantages of hybrid seeds. While discussing the pros and cons of hybrid cotton, he remarked:

"I have begun to think that we can do just about anything we want to with plants through the production of hybrid seeds."

Even though his well-tended acres demand a lot of time and work, Riethmayer is able to slip off with his wife, Genevieve, and their son and daughters for an occasional fishing trip.

Dear Mr. Farm Owner:

Here are a few good reasons for borrowing money. Do you want to build a new home? Perhaps you need underground irrigation tile to conserve water and increase your yield. Or maybe you would like to buy more property.

These are major projects and few of us have the capital to finance them without borrowing money.

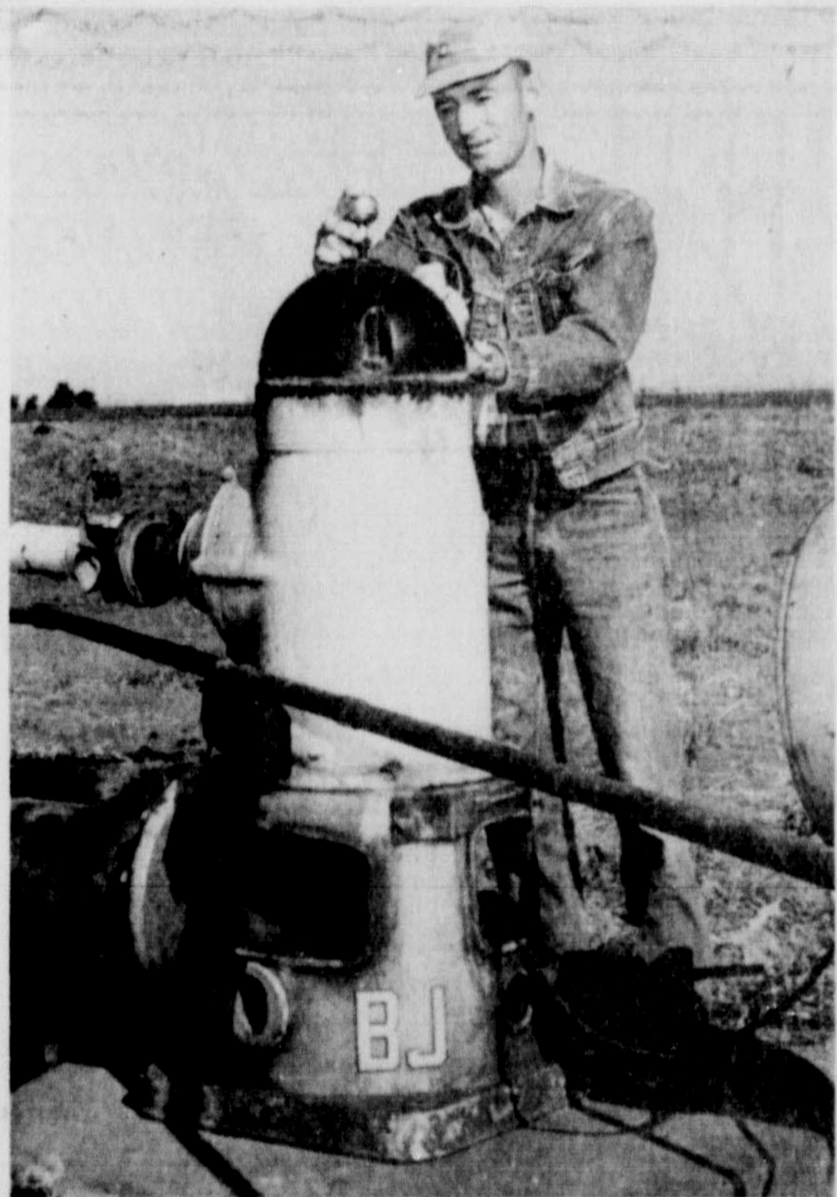

We would like the opportunity to discuss a long term low interest rate farm loan with you. We will loan the maximum on your farm, you pay no brokerage or appraisal fees.

If I may be of help to you on arranging a loan or assisting you on your real estate to buy or to sell, please do not hesitate to call me.

Very truly yours,

BOB SUDDERTH REAL ESTATE

# Farm Bureau Convention in Friona Next Thursday

The annual convention of the Farmer County Farm Bureau will be October 5 at the PCA building in Friona, according to Lawrence Gertes, FB president. The farm leader said this will be the most important convention of the entire year for the organization. Resolutions concerning the thinking of the membership on local, state, and national issues will be passed. Those dealing with local matters will become the policies of the county Farm Bureau to guide

it during the year. Resolutions dealing with state and national issues will be forwarded to delegates of the state convention November 12-15 in Galveston. There they will be acted upon and either accepted or amended. Those adopted become state Farm Bureau policies for 1962 (on state matters) and recommendations (on national issues) to the voting delegates of the American Farm Bureau Federation convention to be held in December in Chicago.

Only members of the Farm Bureau can participate in the organization's policy making process which begins with the local county convention and culminates in the annual convention of the American Farm Bureau Federation. After the county Farm Bureau forms its recommendations on state and national issues, it sends voting delegates along with other county Farm Bureaus to the state convention. Each county's voting strength is based on its membership. These representatives of county Farm Bureaus approve the state policies for 1962 and the recommendations to the national convention.

The Texas Farm Bureau, in turn, sends delegates based on its membership strength to the national convention where the national policies are adopted. Many important issues are confronting farm people now, and it is important for farmers to express themselves on these issues in a manner that will enable them to be heard, the county Farm Bureau president said. He urged all members to attend the meeting and participate in the discussion and voting.

## NEWS FROM THE

### FARM BUREAU

BY RAYMOND EULER

This is the harvest season for ideas in Farm Bureau, and local Farmer County Farm Bureau members are being urged to participate in the annual process by which the organization decides its positions on hundreds of issues on local, state and national levels.

The process begins at the grass roots with discussion meetings attended by Farm Bureau members. The first official step in the process is the county annual convention at which county policies and recommendations on state and national issues are adopted after discussion and debate. The Farmer County Farm Bureau annual convention will be October 5th at the Production Credit Association office in Friona.

All adopted resolutions pertaining to county-level matters become policies for the local organization for the ensuing year. All approved resolutions dealing with state and national matters are forwarded as recommendations to the Texas Farm Bureau convention which will be held Nov. 12-15 in Galveston.

County Farm Bureaus send delegates to the state convention to adopt state policies for the coming year and to make recommendations on national issues for consideration by the national Farm Bureau convention to be held this year in December in Chicago.

The number of delegates from a county is based upon the size of the membership of that county. For example, Farmer County Farm Bureau, which had 525 members in 1960, was eligible to send six delegates to the state convention last year.

Finally, the policy development process is culminated at the national convention in December where delegates from 49 state Farm Bureaus (all except Alaska) adopt national policies for Farm Bureaus everywhere. Here, too, the size of state delegations is based upon number of members. Only three other states—Illinois, Indiana, and Iowa—have more voting delegates than Texas.

## The HAPPY HOMEMAKER

BY JUNE FLOYD

With the coming of autumn and cooler weather most homemakers are inspired to prepare taste tempting hot dishes for guests or family members. With this inspiration there generally comes a search for casserole recipes.

If you want a tasty dish that combines fish and vegetables, try this:

- Saucy Salmon Shortcake
- 1 1-pound can salmon
- 2 tablespoons mayonnaise
- 1 teaspoon lemon juice
- 2 cups sifted all-purpose flour
- 2 teaspoons baking powder
- 3/4 teaspoon salt
- 6 tablespoons shortening
- 1 egg
- 1/2 cup milk
- Drain and flake salmon. Add mayonnaise and lemon juice; mix well, reserve. Sift together flour, baking powder and salt. Cut in shortening with two knives or pastry blender.

Beat together egg and milk; stir into flour mixture to make soft dough. Turn out on lightly floured board; knead 10 strokes. Divide dough in half. Pat half into a greased 8 inch cake pan; spread with salmon mixture.

Pat out remaining half of dough to fit on top; brush with milk. Bake in a hot oven 20 to 25 minutes. Serve topped with

- Peas and Mushroom Sauce
- 1 1-pound can peas
- 1 4-ounce can mushrooms
- 3 tablespoons butter or margarine
- 3 tablespoons flour
- 1/2 teaspoon salt
- 2 tablespoons diced pimiento
- Drain peas and mushrooms. Boil liquid rapidly until reduced to 1/2 cup; add enough milk to make 1 1/2 cups. Melt

butter; add flour and stir to a smooth paste.

Add liquid and cook, stirring constantly, until mixture thickens and comes to a boil. Add salt, peas, mushrooms and pimiento; heat to serving temperature. To serve cut shortcake into wedges; spoon creamed mixture over top.

A new type of belting for making any kind of stiff belts has been developed and is now available in most department stores. This belting can be ironed on fabric and no stitching is necessary. If you have one of the lighter weight dresses that has a paper backed belt, you can use this iron on belting to reinforce the belt before it wears out.

If you have a child in the "me-do-it" stage, generally from about 10 months to 1 1/2 years of age, he will enjoy playing with empty egg cartons. He will spend a lot of time putting small items in the different compartments and closing the lid.

By the time one is worn out, you will probably have another one to take its place. In doing this seemingly small task a child learns muscular coordination and amuses himself at the same time.

Empty spoons also make nice toys for children in this age group.

Next time you have left over boiled or baked chicken, try

the following recipe:

- Chicken Salad Sandwiches
- 1 cup cooked chicken
- 1/4 cup chopped celery
- 4 tablespoons mayonnaise
- 1/8 teaspoon garlic powder
- 1/2 teaspoon salt
- 1/8 teaspoon paprika
- 1/8 teaspoon pepper
- 12 slices bread

Force chicken and celery through meat grinder. Add garlic powder, mayonnaise, salt, pepper and paprika. Blend well. Spread mixture on thin sliced bread.

## Baby Pigs Need Care

"One-third of all pigs born never reach market," states the Louisiana Extension Service. "Most of those pigs that don't reach market die before they are one week old. Wet farrowing pens cause most of the troubles with baby pigs. To raise a greater number of pigs per litter make sure these pigs are given a chance in life. Make sure the farrowing quarters are free from drafts. Provide a source of heat such as a heat lamp. Keep pens dry."

MORAN, KANS., SENTINEL: "It may be truthfully said of men that after centuries of struggle they have surmounted the imbecilities of magic and the quackeries of medicine, but the more they permit their minds to dwell upon the art of government the more muddled their thinking becomes."

Farmer of the year, Bob Riethmayer, is served refreshments by his wife, Geneva, where he is working on an engine in the machinery barn. "She is also my truck driver during wheat harvest," he said.

## Weed Committee Meets

Members and associates of the Farm Bureau Weed committee held their last meeting of the year Monday night in the Farm Bureau Office. Reports were given on the treating of bindweed on state highway right of ways with the last two weeks. It was believed that practically every plot on these highways in Farmer County was treated, and plots were made for a complete clean-up early next year.

Plans were made for an overall cleanup campaign early in 1962, aimed at the elimination of all bindweed on public right of ways as well as field plots. The first meeting in 1962 is planned for March at which time the following schedule will be put in operation:

Rechecking of railroad right of ways for any bindweed that has been missed after which Santa Fe men will re-treat; Effort will be made to get Slaton Branch of railroad, running from Farwell to the Bailey County line in the program; Jack Patterson appointed to contact Lloyd Killough, state highway maintenance man, for early cleanup on those right of ways; Effort will be made to get location of all field plots of bindweed and get cooperation of ASC and land owners in controlling or eradicating these weeds to prevent spread to other clean areas; Plans were laid for another county-wide meeting of farmers, railroad officials, highway men, city officials, ASC, SCS, vocational agriculture instructors, county commissioners and others in April, 1962.

Roy Crawford and J. T. Jones reported that the City of Bovina was going to treat all bindweed in that city on Tuesday, following the Monday night meeting.

In attendance Monday night were: J. T. Jones, chairman; Jack Patterson, vice-chairman; E. C. Schilling, Joe Jesko, committee members; Herman Geries, Farm Bureau president; Joe Jones, Security State Bank; Roy Crawford, Bovina agricultural instructor, and Darrell Coker, county Extension Service agent.

Members of the Friona SCD tour take advantage of a few moments pause to relax while George Warner explains the advantages of one of his fifteen varieties of grass. Main interest in the grasses was their desirability as erosion preventatives.

Kenneth Neill discusses the characteristics of sugar beets and beet growing at the SCD tour Thursday. Junior Renner (L), Rudolph Jesko and Bruce Parr look on as Neill explains the grazing possibilities of the beet tops.

### WITH THE COUNTY AGENT

DERYL COKER

As I have not been here but one day when this article will go to press, one thing has impressed me. That is the friendliness of the people that I have met. Every person who came in the office has offered to help in anyway possible, which I appreciate very much. I am looking forward to working with all of the people of Parmer County.

One thing we should be on the lookout for this time of year is Verticillium Wilt in cotton. It is a disease caused by soilborne fungus and the disease should be easily noticed at this time of the growing season. Plants attacked by the disease will show a mottled coloring of leaves, and the plant will gradually die. Verticillium wilt can also be distinguished by a discoloration in the main stem at the base of the plant. One of the best

controls is a rotation to a fibrous root crop, such as grain sorghum in the areas affected.

There could be a shortage of cottonseed for 1962, due to adverse weather conditions this year in Texas. So if you have cotton seed stored, precautions should be taken to make sure that the seed is not being damaged by insects or weather. Cottonseed can be treated for insect infestations. Bulletins are available in the County Agents office telling how to store cottonseed safely.

Low Interest

## Friona SCD Tour Completes Series

Friona's tour completed the series of four Parmer County Soil Conservation District outings in which area farmers were given the opportunity to observe conservation practices of local farmers.

The tour which started at 1:30 p. m., drew the largest attendance of the series. Twenty five farmers and businessmen were accounted for.

The group traveled first to John Renner's farm and then viewed the orderly crops of W. R. Riethmayer, the district's outstanding farmer for 1961.

They then moved to the farm of Bruce Parr where Kenneth Neill rendered a brief explanation of the characteristics of sugar beets and beet growing.

Highlighting the tour was the two-hour inspection of George Warner's grasses. The main interest in the grasses was their value in preventing erosion.

A grassed waterway drew several admiring comments.

"I am going to try that as soon as possible," Riethmayer commented as he viewed the grass covered ditch. "I have one waterway along the east side of my field that is had about washing."

Fifteen types of grasses were examined by the men. Warner explained the advantages and drawbacks of the grasses which he has been growing for seed and grazing purposes.

Big Blue Stem, Gramma, and Western Wheat grasses were a few of those examined.

"I've never been on one of these tours that I didn't learn something of value," Riethmayer said as the group returned from the grass fields.

A. L. Black was unanimously reelected as supervisor for the south Friona area.

"Don't feel like you're im-

posing on us. We get four dollars per month for this," Black said as he accepted the office for another term.

A school bus was furnished by Friona High School for the

tour,

The Friona State bank furnished cold drinks and homemade fried pies baked by Mrs. Kate Brookfield.

### HD Agent's Notes

BY MISS ETTIE MUSIL

Oh, don't these nippy mornings feel good! Even though the afternoons do get a little warm the evenings and mornings are on the cool side of the temperature. After all, it is Fall, a week old in fact.

Yes, it's time to store those summer cottons for another season. Right storage will increase the life of your summer clothing, too. This will make your family's garments more wearable next season.

Take time to sort and store the clothes carefully as you "take them out of circulation" for a season. Before storing them mend any ripped seams, tears, loose buttons or other damage. A few stitches can

lengthen the life of the garment. This is a good way to keep up with those buttons now by sewing them on the shirt or dress. Then when Spring is here you won't want to spend that time indoors mending when you'd rather be out in the flower beds and garden.

By all means wash or dry clean all clothing before storing. Clothes moths and crickets love soil on clothes. Store cottons and linens unironed. Make certain that all starch is removed. Starch can cause fabric to deteriorate and may attract silverfish, too. Besides, this is less work for you. Just think, no ironing and no starching. Make sure all garments are

thoroughly dry before storing them so they will not mildew. Large boxes or trunks are always good for storing so that you have more room in closets for the fall and winter things.

Hope many of you were able to see the television program during the Rural Youth Day in Amarillo last Saturday. We had earlier understood that the program would be televised at 9:45 a.m., but instead it was on at 3:10 p.m. The 4-H Bake Show county winners were presented on the program. Linda Gleason represented Parmer County. We learned much from the experience even though Linda did not place as one of the top three.

Education is a slow process, they tell us. That's why the advertising people give us the same message over and over. We have to have facts drilled into us, if we are going to re-

member them.

Even after 20 years, we can't remember that while Savings Bonds have been paying first 2.9, then 3 per cent, later 3 1/4, and now 3 3/4 per cent annually for the life of the bond, they can be worth much more than that in the later years.

For example, suppose you bought an E bond in July 1954. In July 1961, it would be seven years old. While it was a 3 per cent bond when you bought it, it will now actually pay you 4.46 per cent for the remaining two years and eight months to first maturity.

A sheet giving all this information was received in the office the other day. If you are wondering how much some of your bonds are worth, we'll be glad to give you that information.

### The Ford in your future will be here tomorrow!

Starting tomorrow at your Ford Dealer's, you will discover a line of Fords so long, so new, so varied that everyone will find his personal Ford—the car that fits his pleasure and needs precisely! For those who want a true luxury car, there are two distinguished new series of Galaxies—both swift as a rumor, silent as a secret. With Thunderbird styling, and quality that sets a new industry standard, the 1962 Galaxies give you every essential feature of far costlier cars. If you are looking for economy without

compromise, look to America's favorite compact: this year there are more Falcons than ever to choose from—13 in all. Wagon fanciers will find unprecedented variety—from a new wagon that seats eight to a Falcon Squire Wagon with the rich woodlike finish of the famous Country Squire. Pick the Ford in your future with this confidence: every 1962 Ford is built to a standard of quality so high that it will change all your ideas of how fine, how quiet, how enduring a car can be.

**GALAXIE 500 CLUB VICTORIA (foreground)**  
**GALAXIE TOWN SEDAN (background)**  
The Galaxie 500—new in name, new in luxury—is for those who want all of the elegant extras. The 1962 Galaxie makes

it easier than ever to move up to fine-car luxury—at the low Ford price. All Galaxies are beautifully built to be more service-free. They go 30,000 miles between major lubrications, 6,000 miles between oil

changes and minor lubrications. Brakes adjust themselves automatically.

**FALCON SQUIRE WAGON**—Brand new for '62, it's sleek and sophisticated. Inside, it is available with Futura bucket seats and console! Outside, it has elegant woodlike steel side paneling.

**FALCON FORDOR SEDAN**  
Just one of 13 Falcons for 1962, this 4 door sedan has an improved version of the Falcon Six engine that last spring recorded the best gas mileage for a Six or Eight in the 23-year history of the Mobilgas Economy Run.

**THE STATE OF TEXAS  
COUNTY OF FARMER  
SHERIFF'S SALE**

WHEREAS, on the 7th day of June, 1961, in Cause No. 2153, in the District Court of Farmer County, Texas, wherein Friona Independent School District, the State of Texas, County of Farmer and the High Plains Underground Water District No. 1 were Plaintiff, Impleaded Party Defendant, and Intervenor recovered judgment against Roy Vela and his wife, Mrs. Roy Vela, and the respective unknown heirs and legal representatives as is more fully described in Plaintiff's Original Petition Defendant, for taxes, penalty, interest and cost against the hereinafter described property;

WHEREAS, on the 19 day of August, 1961, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 21st day of August, 1961, seize and levy upon as the property of the above defendants the following described property, situated in Farmer County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

**FIRST TRACT:**  
All of Lot Number Six (6) in Block Ninety (90) of the Original Town of Friona, Farmer County, Texas.

And I will on the first Tuesday in the month of October, 1961, the same being the 3rd day of said month, proceed to sell all the right, title, and interest of the Defendant in and to said property at the Court House door of said county in the city or town of Farwell between the hours of 10:00 a.m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.

DATED at Farwell, Texas, this the 21st day of August, 1961.

Chas. Lovelace Sheriff  
Farmer County, Texas  
49-4tc

**THE STATE OF TEXAS  
COUNTY OF FARMER  
SHERIFF'S SALE**

WHEREAS, on the 7th day of June, 1961, in Cause No. 2151, in the District Court of Farmer County, Texas, wherein Friona Independent School District, the State of Texas, County of Farmer and High Plains Under-ground Water District No. 1 were Plaintiff, Impleaded Party Defendants, and Intervenor recovered judgment against Artis Fallwell and his wife, Mrs. Artis Fallwell Defendants, for taxes, penalty, interest, and cost against the hereinafter described property;

WHEREAS, on the 19 day of August, 1961, by virtue of said judgment and the mandates thereof the Clerk of the above mentioned District Court of said county did cause to be issued an Order of Sale commanding me as Sheriff of said county to seize, levy upon, and sell in the manner and form as required by law the hereinafter described property;

WHEREAS, by virtue of said judgment and said Order of Sale and the mandates thereof I did on the 21st day of August, 1961, seize and levy upon as the property of the above defendant the following described property, situated in Farmer County, Texas, to-wit:

(Said description showing the number of acres, original survey, locality in county, and name by which said property is most generally known.)

**FIRST TRACT:** All of Lots Numbers Fifteen (15) and Sixteen (16) in Block Sixty-one (61) of the Original Town of Friona, Farmer County, Texas;

And I will on the first Tuesday in the month of October, 1961, the same being the 3rd day of said month, proceed to sell all the right, title, and interest of the Defendants in and to said property at the Court

House door of said county in the city or town of Farwell between the hours of 10:00 a.m. and 4:00 p. m. to the highest bidder for cash, provided, however, that none of said property shall be sold to the owner of said property directly or indirectly or to anyone having an interest therein or to any party other than a taxing unit which is a party to this suit for less than the amount of the adjudged value of said property or the aggregate amount of judgments against said property in said suit, which ever is lower, subject also to the right of the Defendants to redeem same in the time and manner provided by law and subject also to the right of the Defendants to have said property divided and sold in less divisions than the whole.
