

The SANDERSON TIMES

VOLUME XLV

SANDERSON, TEXAS, FRIDAY, APRIL 4, 1952

NUMBER 7

LISTEN TO LUKE

Events of the week have rendered this column unable to bring the readers many things that are planned.

After the off-and-on winter and "asters" it appears that Spring is already made its bow. A few suits are now in evidence, sequites are beginning to bud and gardening is under way in many yards. If the youth of Sanderson feeling continues, there is possibility that this column will break out in a play suit this morning.

Now that Good Ole Harry has stated that "he shall not run" the election of a Democrat to run on a Democratic ticket for a change will be in order. There are any who, from adjectives that have been used to describe the present high man would insist that he wouldn't be expected to do anyway — he might be able to hope a little.

Governor Shivers has been active in Texas political circles lately and has not let up because of an announcement that the President would not be a candidate. The fight now is to keep the people conscious of the fact that "humanism" under any name would be as harmful to the interests of Texas and the South as if it was the "Hot Shot" himself in the driver's seat.

An uninstructed delegation is only hope to defeat the surge that has bankrupted the country. It is of great importance that every Democrat attend his precinct and county convention and not sit idly by in the apathetic place that with Truman out of running there is nothing to try about. If the man selected Truman is nominated we will be in no better shape and there is most likely be a continuation of the "carpet bag" rule.

There is a possibility that Marjorie Dies, of anti-Communism fame, will enter the Senatorial race in opposition to "Tavern" and Price Daniel. If this occurs, it is our prediction that she will only aid in re-electing "Tavern".

There has been a great deal of talk about the manner in which the town groups try to advance their own interests. Knocking on doors and trying to steal votes.

(Continued to page 4)

TWO LOCAL MEN HOME AFTER DUTY ON CARRIER ESSEX

Two U. S. Navy men, Ensign Donald R. Frazor and Airman Aviation Ordnanceman Ben Ed Martin, returned to Sanderson last week end after approximately eight months aboard the Carrier U. S. S. Essex. Frazor is the son of Mr. and Mrs. W. F. Frazor and Martin is the son of Mr. and Mrs. Ben Martin.

Frazor, pilot of an AD Skyraider, flew 53 combat missions over Korea and was awarded the Air Medal with a Gold Star, Commendation Ribbon with Combat Distinguishing Device, and is entitled to the Presidential Unit Citation Korean Campaign Ribbon with a battle star and the UN ribbon.

Martin serviced night fighters in his capacity as ordnanceman and worked entirely at night on the cold and windy flight deck of the carrier. He was servicing F4U Corsair planes.

Frazor stated that the work of Martin and other crewmen who worked on his shift, probably had the toughest job of the carrier, since all of their work was in absolute darkness and out on the broad expanse of the unsheltered flight deck in very cold temperature. He was high in his praise of the work of the men whose responsibility it was to keep the aircraft in readiness for flights and added that enough credit, pay, or recognition could not be given those like Martin who worked so long and hard, and under such adverse conditions as were sometimes

ENSIGN DON FRAZOR

necessary in the servicing of the planes.

Both men are here on a 30-day leave. Frazor will report to San Diego where he will remain with Fighter Squadron 54 as an instructor for flyers who are scheduled to go into combat. Martin will return to his squadron at Moffett Field, California, following the expiration of his leave.

Frazor entered the U. S. Navy in Sept. 1947 under the Holloway program and received his wings at Pensacola in May, 1951. Martin enlisted in the Navy on October 16, 1950, and went to the Essex on June 27, 1951.

Both men stated that they were very glad to be back home and were attempting to put in a full thirty days trying to make up for their lack of association with relatives and friends.

County Schools To Be Evaluated April 7, 8

The evaluation of the Terrell County Schools by a visiting committee of educators will take place Monday and Tuesday, April 7 and 8. The evaluation is for finding both the strong and weak points of the school system. Every high school which is a member of the Southern Association of Secondary Schools and Colleges must have a system-wide evaluation by an outside committee this year if it has not been previously evaluated. Since Sanderson is a member of the Southern Association, it is mandatory that the system be evaluated this school term.

The faculty members of the Terrell County Schools after completing a seven-month study of the school system have made a self-appraisal of the system. This work was carried on under the direction of Dr. J. B. Speer, Director of Teacher Education of Sul Ross College, who will also serve as coordinator during the evaluation by the visiting committee.

The group of visiting educators will be divided into sub-committees by the coordinator. The sub-committees will then make report either on a system-wide, high school subject field, or elementary school basis, depending on their assignments. The sub-committee reports will include commendations, immediate recommendations, and long-range recommendations.

The schools from which the 28 educators have been selected are Sul Ross State Teachers College, Del Rio, Fort Stockton, Alpine, Iraan, Pecos, and Marathon. E. L. Tiner, District Supervisor for Vocational Agriculture and Miss Florence McAlister, District Supervisor for homemaking, will also take part in the evaluation.

The agenda for the two-day evaluation period includes a general meeting at 9 a. m., April 7, of all the committeemen, the coordinator, and Supt. Matt Bader. Here the group will receive general instructions, working materials, and general information concerning the local system. Following the orientation meeting, the sub-committees will start their building and class visitations throughout the system. The entire day will be used in visitations, with one of the committees visiting the Dryden school.

At seven p. m. Monday the visiting committee, faculty members and the members of the Parent-Teacher Association will be entertained with a get-acquainted barbecue sponsored by the Sanderson P-TA in the American Legion Hall.

The committees will continue visitations and will write up its reports during the morning of April 8. The last item on the agenda of the evaluation program will take place in the auditorium at 2:30 p. m. when members of the visiting committee will give reports of their findings to the faculty, school board and parents.

Dairy King Opens For Summer Season

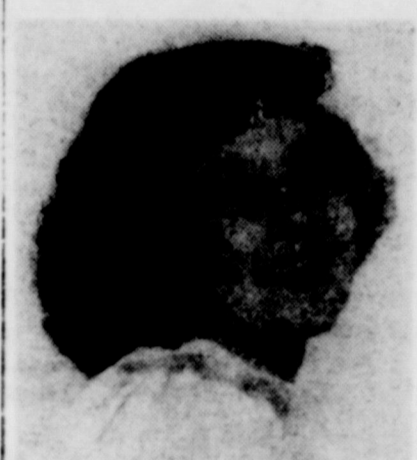

The Dairy King located on U. S. 90 east of town opened today for the spring and summer season. Mr. and Mrs. T. E. Rhoades own and operate the business which opened for the first time two years ago.

Besides ice cream, frozen malt, frosted drinks, pie a la mode and hot dogs will be featured this season.

SCHOOL HOLIDAY SET FOR APRIL 10-15

The schools of the county will close on Thursday, April 10, in observance of the Easter holidays. Classes will be resumed on Tuesday, April 15. Supt. Matt Bader stated that this is the last holiday scheduled for the current school term.

Local F.F.A. Members Guests of A&M Unit

RUBY JEAN BELL

Bob Wilkinson and Ruby Jean Bell visited the Texas A&M College campus Saturday and Sunday as guests of the A&M Collegiate F. F. A. Chapter.

Ruby and Bob acted as representatives for the local F. F. A. Chapter at a dance sponsored by the A&M chapter of Future Farmers of America.

Ruby Jean was one of the four girls chosen to compete in the finals for "Queen of the Dance" honors. Her picture will appear in this month's agricultural magazine.

Bob is president of the Sanderson F. F. A. Chapter and Ruby is the chapter sweetheart.

Ruby received an invitation this week to attend the annual rodeo at A&M College this week end as the representative of the local chapter and be escorted by the president of the Collegiate F. F. A. Chapter. She will be unable to make the trip.

EAGLE BAND TO KERMIT SATURDAY FOR REGION 8 MEET

The Sanderson Eagle Band, directed by L. E. Jacob, will go to Kermit Saturday morning, April 5, to enter the instrumental music contest for Region 8. They will play three required numbers, sight read and march.

Solos will be played by the following members on their instruments: Jimmie Caroline, clarinet; Glynn Chandler, bass and baritone; Jack Savage, tenor saxophone and bass clarinet; Humberto Arredondo, cornet and French horn; Nooney Garcia, cornet; Kenneth Stutes, trombone; Douglas Attaway, alto clarinet; Roland McDonald, trombone.

A cornet trio will be composed of Humberto Arredondo, Galar Cobos and Rosendo Silvas.

A drum quintet will be composed of Mary Lou Cargile, Shirley Thompson, Carolyn Spears, Stela Flores and Juanita Valdez.

F. F. A. Program Monday Features Topics on Poultry

The Sanderson chapter of Future Farmers of America met in regular session in the vocational agriculture building Monday.

After the opening ceremonies, Jimmie Harrison gave the financial report and Jimmy Caroline read the minutes of the last meeting.

Special reports were given by the following chapter members: "Eggs are Two-Thirds Water," by Jimmy Talbot, "Feed Can Effect Egg Flavor," by Pablo Torres, "Keep Disease Carriers Out," Pres Escamilla, "Damp Litter Is Dangerous," by Kenneth Stutes and "Reduce Brooder Heat Gradually" by Higinio Pena.

Bob Wilkinson, chapter president, gave a report on his recent trip to Texas A&M College where he and Ruby Bell, chapter sweetheart, attended a western dance. The dance was sponsored by the A&M Collegiate F. F. A. Chapter. The chapter nominated Janell Littleton to act as their representative in the Rodeo Queen Contest to be held at the Sixth Annual State High School Championship Rodeo in Hallettsville on June 19, 20 and 21.

Two Polling Places For School Election Saturday, April 5

One vacancy in the school board will be filled by vote of an election on Saturday, April 5. The term of A. J. Hahn, Jr., is expiring. He was appointed by the county school board to fill the unexpired term of J. A. Mullins who moved to Lafayette, La., over a year ago, and is the only candidate to file for the race.

Since only one person has filed for a place on the ballot, it was decided to open only two polling places for the election. Elections will be held in Dryden and Sanderson. Voters who live in other precincts in the county may vote at either of the polls. The polls will be open from 8 a. m. to 7 p. m. on Saturday, April 5, at the courthouse and the Dryden school.

The following people have been appointed to hold the election in Sanderson: H. A. Finger, presiding judge, Mrs. Russell Dyer, Mrs. J. D. Nichols and Mrs. W. E. Stavley and Mrs. E. J. Hanson as clerks. In Dryden, Mrs. John Harrison has been appointed presiding judge with Mrs. Campbell Kerr and Mrs. R. R. Clark as clerks.

G. E. Babb will be a candidate for re-election as a county board member from precinct 1.

Offices in the courthouse will be closed all day Saturday.

Reconstruction of U. S. 90 Scheduled For This Summer

Reconstruction of U. S. 90 from Dryden east approximately 19 miles is scheduled to begin this summer according to W. A. Davis, local highway engineer in charge of the proposed improvement. He added "Bids should be taken early this summer for this project, which is a part of a state-wide program to preserve the roads, save the remaining investment and improve the safety and travel conditions."

This proposed improvement includes the widening of the present narrow bridges to a clear roadway width of forty feet, reconstructing and widening the existing roadway and a new wider asphalt surface. An additional traffic lane is also provided going up the steep grades for trucks and other slow-moving traffic.

Davis pointed out the State Highway Commission in authorizing the work indicated that much more extensive work should be done on this highway, but that lack of adequate finance prohibits it. Chairman E. H. Thornton, Jr., of the Highway Commission stated, "The department does not have finances available to do the real job that is necessary on Texas highways."

Credit Reports To Be Given by Merchants To Local Association

The twenty-five business firms in Sanderson belonging to the Retail Merchants Association will soon turn into Mrs. Jettie Peavy, secretary of the organization, a report of all charge accounts handled by the firms. The project will provide an up-to-date file for the association's office and merchants are asked to report the change of the credit status of a customer any time that such a change occurs. This will enable the association to have a credit reference that is current on all the people of the area.

The credit report will be made on April 15 and the credit standing of every account on that date noted.

Don Smith of San Angelo is spending a few days here with his parents, Mr. and Mrs. Chester Smith.

PARK TRIP PLANS INCLUDE BARBECUE

A large delegation of Sanderson and Terrell County citizens is expected to make the trek to the Big Bend National Park Saturday, April 19, according to W. J. Ferguson, Jr., who has taken an active part in the move to get local citizens familiar with the facilities of the park.

Mr. Ferguson, with the aid of committee members from the Rotary and Lions Clubs, has been making plans for the trip and is asking that all the citizens who can make the trip to notify him so that arrangements can be made for the big free barbecue which is planned for the noon meal at the park headquarters in the basin.

There are possibly some who would go if they had transportation and it is important that those having room for other passengers notify Mr. Ferguson so that rides may be provided.

In making the announcement of the plans for the day, Mr. Ferguson stated that it would add to the enjoyment of the trip if cars would travel to the park area in groups of four or five cars so that someone familiar with the scenery at various stages of the trip could point out places of interest to those who are not familiar with that area.

According to estimates of the committee, there will be some 200 people make the trip and the free barbecue should be an incentive for going.

Any of the citizens of Terrell County should feel free to invite any guests from other places that would like to see the park, Ferguson said.

TRACK AND FIELD EVENTS THIS WEEK FOR DISTRICT TITLE

A full slate of athletic events are scheduled for this week in Marfa on Friday night. Tennis is scheduled for Thursday and Friday in Alpine.

The following students will represent the local school in the high school track and field events:

100-yard dash — Jack Talbot, Rosendo Silvas and Roman Zepeda.

200-yard dash — Willie Wolfe.

440-yard dash — Juan Olivares, David Mitchell, Gustavo Flores.

880-yard run Humberto Arredondo.

1000-yard relay — Juan Olivares, Jack Talbot, Roman Zepeda, Rosendo Silvas.

Broad jump — Jack Talbot.

High jump — Jack Talbot, Roberto Arredondo, Bob Wilkinson.

Shot put — Bob Wilkinson, Jack Savage, James Clark.

Discus throw — Bob Wilkinson, Charles Stegall, Galar Cobos.

The following pupils will represent the local schools in the grade school track and field events:

50-yard dash — Onofre Lopez, Joe Borrego, Mac Edwards.

100-yard dash — Joe Borrego, Adolfo Flores, Mac Edwards.

440-yard relay, Joe Borrego, Gary Harrell, Armando Ochoa, Carroll Eggleston.

High jump — Adolfo Flores, Gary Harrell, Armando Ochoa.

Broad jump — Onofre Lopez, Carroll Eggleston, Mac Edwards.

Chinning the bar — Onofre Lopez, Joe Borrego, Adolfo Flores.

The following pupils will represent the local school in tennis:

Senior boys, singles — Willie Wolfe, Doubles — Mac Bengé and Joe Albert Nessmith.

Senior girls, singles — Janell Littleton.

Junior boys, singles — Kenneth Stutes.

Grade school boys, singles — Eddie Hanson, Doubles — Jackie Vincent and Darrell Glynn Cox.

Grade school girls, singles — Alicia Torres, Doubles — Teresita Marquez and Rosa Parra.

RED CROSS QUOTA BEARING '52 GOAL

An urgent appeal is being made to the residents of Terrell County who have not sent in their contributions to the Red Cross to do so as soon as possible to Mrs. Jettie Peavy, treasurer. The chairman of the 1952 drive, Mrs. Annie Magill, stated that Terrell County is only \$50 short of quota of \$756 and she is anxious to close the drive as soon as quota can be met.

Sarah Pat Grigsby First In Declamation Event

The representatives of the Sanderson Schools in the declamation contest in the district meet of the University Interscholastic League were few in number yet made a creditable showing in Alpine last Thursday night. Sanderson sent only two entries to Alpine and both placed. Dorothy Roark won third place in grade school girls declamation and Sarah Pat Grigsby won first place in the high school junior girls' declamation event. Sarah Pat will represent this district in the regional meet to be held in Odessa.

AVIS ANN COCHRAN BORN SUNDAY NIGHT

Avis Ann, the daughter of Mr. and Mrs. W. R. (Bill) Cochran, of Fort Stockton was born in a hospital in that city Sunday night. She weighed six pounds and twelve ounces.

Mr. and Mrs. Carl Cochran are the paternal grandparents of the new arrival and Mrs. Cochran is in Fort Stockton with her son and family.

Mrs. Jimmy Caroline President of 'Boosters'

New officers were elected when Band Boosters met in the high school auditorium Tuesday evening.

Mrs. Jimmy Caroline will head the organization with Mrs. Matt Peavy serving as president and Mrs. B. E. Carr as secretary-treasurer.

Mrs. C. C. Mitchell is the regular president.

BETA IOTA MEET SATURDAY IN ALPINE

The Beta Iota chapter of Delta Gamma met Saturday afternoon in the First Presbyterian church of Alpine.

Mrs. R. M. Hawkins directed the program on "Intercultural Understanding Through Spiritual Understanding." Honorary members of the organization participated in the discussion.

Mrs. W. H. Savage was the only member attending the meet-

WHAT STALIN WANTS

If you were Joe Stalin and wanted to conquer the United States and thus have mastery over all the world, your first primary interest would have to be impossible to defeat America while her full industrial might is in action. Joe Stalin knows this. He and his politburo and the Communist Fifth Column in America are working now in every conceivable way to cripple American industry. There is a direct way — through arraying employees against employers, provoking crippling strikes and destroying cooperation; and an indirect way — through activities designed to cripple our economy or monetary stability.

If the Communists could engineer a general strike tomorrow and keep our major industries closed down for six or 10 or 12 months, the whole power of the Red air force would swarm down on our nation, the Red army would move out of Germany and Poland for a sweep across Western Europe, and the Red submarine fleet would begin to make bold strikes at our naval units everywhere. All the satellite armies would be unleashed. And the hour of greatest danger to America would have arrived.

Stalin is realistic enough to know, after years of concentrated effort, that his Red infiltrators in this nation cannot hope to control enough labor unions to bring off a general strike. However, they have demonstrated that they control sufficient strategic forces within key unions to badly damage American production.

In 1939, during the Stalin-Hitler pact when American armament production was assisting Britain and France and thus hurting Russia, underground Communist strategists succeeded in closing down certain plants making important war materials through labor disputes and strikes. In his book "Men Without Faces," Louis Bedenz, onetime American Communist leader who turned on

the Red conspiracy and has been helping our FBI fight it, told how the Communist leadership gave orders for these sabotage strikes.

"Another incident in my memory," Bedenz wrote, "is the meeting at the home of Mrs. Meta Berger in Milwaukee, at which Eugene Dennis ordered Harold Christoffel to strike the men at Allis-Chalmers (Christoffel was president of the Allis-Chalmers CIO Local 248.) It is a matter of record that the strike did take place, that Christoffel and his associates stuffed the ballots for the strike with 2,000 false 'Yes' votes, and that war material of the utmost valuable kind was tied up for months.

But millions of loyal Americans now have their eyes open and the Communist strike strategy could be only a partial success, so the Communists are putting their greatest effort into indirect sabotage — trying to bring about the collapse of our economic system. Stalin's teacher, Nikolay Lenin, said: "We shall force the United States into bankruptcy." To bring about the downfall of America's financial structure and thus paralyze our industrial production, the 32,000 Red conspirators and their nearly half-million fellow-travelers here in America are being instructed to constantly agitate for bigger government spending and ever more hampering governmental interference with industry. If they all could be openly identified they'll no doubt be found to be among the most persuasive talkers in every club or group or organization pressuring our government to expand its spending programs and working for the adoption of further socializing measures.

Government spending has already been expanded to a point where billions of borrowed money are being spent and destructive inflation may not be held off even until after this fall's presidential election. Likewise governmental policies have been drastically restrictive on business and industry, hampering normal management practices and giving more and more control into the hands of incompetent politicians and bureaucrats.

Stalin doesn't want a Russia-U. S. A. war at this time. He wants to withhold the full war

What's That About My Votes, Peainah?

—Washington Times-Herald

tide until the U. S. can be more seriously crippled internally. Thus U. S. production is the key to war or peace. If we keep our production going, our business system healthy and expanding normally in private hands; and if we bring common sense into government spending and the handling of our public financial affairs, we will be erecting a long-time blockade against war. Every citizen who loves peace and freedom and is dedicated to the idea of human progress has a stake in seeing

that the necessary objectives are achieved.

AMONG OUR SUBSCRIBERS

New subscribers to The Times include Jack Horner and W. R. Marlow of Long Beach, California, A. C. Garner of Sanderson, Mrs. W. Shroyer of Sunland, California. Renewal subscriptions have come from Wayne Carmichael of San Antonio, Mrs. Mildren Gann and S. R. Coffey of Sanderson and Mrs. B. H. Moorefield of Manchester, Mrs. J. E. Hill of Austin.

PERSONALS . . .

Attending the Eastern Star school of instruction in Monahan Wednesday were Mesdames B. E. Carr, J. Blackwelder, Lee Grigsby and M. G. Northcut, Sr.

Mr. and Mrs. E. L. McCue went to San Antonio Sunday on a business trip.

Roland Wayne Hughes, whose home is in Corpus Christi and who has been employed by John Williams at Dryden, went to San Antonio Sunday to enlist in the U. S.

Marines. He was accepted and passed through Sanderson Tuesday afternoon en route to San Diego, California.

Mr. and Mrs. E. W. Martin and Cinda spent the week end in El Paso with relatives.

Mr. and Mrs. Jimmy Davis and baby of El Paso accompanied by Willie Grigsby came to Sanderson Tuesday to visit with relatives and friends for a few days.

Mr. and Mrs. Greene Cooke and Peggy and Mrs. Dudley Harrison and baby were business visitors in San Antonio Sunday and Monday. W. H. Chandler of Ozona spent

Tuesday here with his mother-in-law, Mrs. Roy Harrell.

Mrs. Reg Monroe and infant daughter were brought from Fort Stockton hospital Monday to the home of her sister, Mrs. Jack Denton. Her mother, Mrs. A. J. Sutton, of San Saba is visiting here.

PROTECT IT WITH PAINT

Paints from Alamo

Give you New Color, Style and the Protection you want

When you paint your home, remember the BEST paint you can buy is always the most economical. Here's why! Good paint lasts many times longer and remains beautiful long after cheap paint has cracked, chipped and faded. Good paint applied once costs much less and gives more protection than cheap paint applied twice. In addition, good paint is easier to apply and covers more square feet per gallon.

Let Alamo help you select the RIGHT paint to give you the most beauty and the greatest number of years of protection for your paint dollar.

Alamo paint stocks are complete and specially selected for this climate. They include special purpose paints for all woods, brick, masonry, or metal.

Whether you want to do the job yourself, or employ a painting contractor, we're here to help you. We'll furnish free estimates and show you how you can protect and beautify your home with only a small down payment and low monthly budget payments. Come in . . . you're always welcome at Alamo.

**Mrs. Frank Turner
New President Of
Homemakers' Class**

The Homemakers Bible Class of the Baptist Church enjoyed a social Friday evening in the home of Mrs. J. A. Mansfield with Mrs. L. W. Welch and Mrs. M. G. Northcut, Jr., as co-hostesses. Mrs. H. G. Cates was winner of a "True and False" game that was played.

Mrs. Claude Bridges, teacher of the class, installed the newly elected officers to include Mrs. Frank Turner, president; Mrs. Roy Bogusch, vice president; Mrs. J. L. Hatchel, recording secretary with Mrs. Jim Turner as assistant. The group captains are Mrs. Ross Stavley and Mrs. M. G. Northcut, Jr.; social chairmen, Mesdames B. G. Maples, J. A. Mansfield and L. W. Welch.

Refreshments consisting of sandwiches, potato chips, cup cakes and iced tea were served. The centerpiece on the dining table emphasized the Easter colors. Those present were Mesdames T. O. Moore, Claude Bridges, Ross Stavley, Stanley Hill, B. G. Maples, Horace Shelton, Frank Turner, Roy Bogusch, Jim Turner, J. L. Hatchel and guests, Mrs. Eloyd Cowan, O. D. Gray and H. G. Cates.

**Mrs. J. D. May Hostess
For Bridge Thursday**

Mrs. J. D. May entertained the Thursday Bridge Club at her home last week, decorating the party rooms in arrangements of snapdragons and sweet peas. Four tables were arranged for the series of games and coffee was served to the guests.

High score prize was presented to Mrs. Ora Quigg, second high to Mrs. A. H. Zuberbueller, low to Mrs. John Harrison. Slam prizes were held by Mrs. Jimmy Martin and Mrs. P. P. Courtney.

Strawberry shortcake and coffee were served by the hostess to Mesdames James Caroline, Roger Rose, P. P. Courtney, Mary Lou Kellar, Floyd Smith, S. H. Underwood, John Harrison, Hugh Rose, Ora Quigg, Jimmy Martin, H. E. Fletcher, G. H. Mayfield, M. H. Goode, Jr., Austin Nance, C. I. White and Jimmy Martin.

Miss Betty Frazor visited here last week end with her parents, Mr. and Mrs. W. F. Frazor.

**Work of Human Heart
Demands Careful
Treatment by Owner**

Austin, April 3 — Pumping 2,500 gallons of blood every 24 hours is the astonishing work done by the heart, according to Dr. George W. Cox, state health officer. The heart is about the size of a man's fist and is rated at 1-240th of a horsepower; it never sleeps, loafs or takes a vacation from the beginning of life to the end. The only rest it gets is between beats. Yet with all the work of the heart it does not give out suddenly unless it has been injured or ill-treated.

Under pressure of work the average person neglects his heart and unwittingly abuses it. The chief causes of heart trouble, aside from the deterioration of old age, are rheumatic fever, acute infectious diseases, chronic infections, syphilis, too abrupt return to activity after a serious illness, too strenuous exercise and overweight may be a factor.

Many of the signs which you may think mean heart trouble can be caused by some other disorder: indigestion lung trouble,

or nervousness may cause pain near the heart, shortness of breath, fainting or irregularity of beat. If you have any of these symptoms, do not try to diagnose the condition yourself, but go to your doctor for an examination. He will be able to find out what is wrong and may tell you that your heart is sound. Have a regular periodic examination and follow your doctors advice.

From where I sit ... by Joe Marsh

Might As Well "Get In Key"

Last Tuesday Judge Cunningham wanted to go fishing. "Why aren't you working?" I asked. Judge explained how his wife had gone on a trip, taken his keys by mistake—and now he couldn't get in the office. So we went fishing.

Next day, he wanted me to go again. I was surprised those keys hadn't shown up yet. "The little woman phoned to say she mailed them," the Judge explained. "They're now in the office, under the mail slot. I'd get 'em if I could just open that door." He grinned and picked up his fishing rod.

"Great little woman, the wife. You can always count on her. Let's go!"

From where I sit, we can use tolerance like the Judge shows for his wife's absent-mindedness . . . and she shows for his habit of lighting out for the fishing hole at every opportunity. He can't see why she likes tea, and she doesn't share his taste for a glass of beer. But they get along fine! Learning to respect other people's ways will "open the door" to happier living.

Listen to Luke

(Continued from Page One) credit for everything that happens in West Texas never did help the development of that town. With the good will of our neighbors we can build all West Texas and all will profit by it. Last week there was an editorial in a neighbor newspaper in which the writer patted a few of the citizens of his town on the back for their efforts in securing and maintaining a state school that was located in his town. If we remember correctly, and the records will show it, there was a spirit of cooperation throughout West Texas for acquiring the school. Every community in West Texas has profited by having this fine school nearby. It has been an asset to all West Texas. It does not now nor never has belonged to the town in which it is located. This column would not belittle the fine progressive spirit of any of the men and women who had any part in getting the facilities of the school located in this part of Texas.

There has been talk that the school is having some difficulty and is likely to come to a tragic end. It is hoped that nothing comes of this talk and that everybody who can do anything toward quelling this kind of talk will do so. If the school needs assistance

of any kind it should be made known to the neighboring towns of West Texas and there is a possibility that something can be done about it to continue to make those facilities available to the youth of this vast area. No, the school does not belong to any town—all of us have a desire to keep it a Texas institution for West Texas.

**Mrs. E. F. Pierson
Hostess for Meeting
of Ranch H - D Club**

Mrs. E. F. Pierson was hostess for the April meeting of the Ranch Home Demonstration Club at her home Tuesday.

The program was on attractive ways of serving Irish potatoes with Mrs. W. F. Frazor and Mrs. M. W. Duncan demonstrating the making of a molded salad of potato salad and tomato aspic. The salad was served at noon with the school girl lunches brought by the members. Mrs. J. W. Ferguson and Miss Bessie Pitts joined the group at noon.

During the business meeting, certificates were awarded to six members who had read twenty-five books, including Mesdames C. C. Mitchell, H. E. Schroegeier, Vic Littleton, James Caroline and N. M. Mitchell.

A food quiz provided entertainment during the recreation period. Design Don Frazor showed colored slides recently made in Japan and Hawaii.

A cake brought by Mrs. C. C. Mitchell was served with coffee before adjournment. Those present were Mesdames W. H. Kirby, C. Goldwire, W. F. Frazor, James Caroline, J. D. Nichols, N. Mitchell, Herman Couch, Vic Littleton, H. E. Schroegeier, M. W. Duncan, C. C. Mitchell, J. W. Byrd and guests, Mrs. L. A. Rippey, Mrs. G. Hinkle, and Ensign Frazor.

**Bridge - Luncheon
for Wednesday Club
at Stumberg Ranch**

Entertaining at her ranch home, Mrs. S. L. Stumberg, Sr., was hostess this week for the Wednesday Bridge Club. Arrangements of games were in the party rooms and formed the centerpiece for the afternoon.

Following the serving of the luncheon at one o'clock, four tables were arranged for the card

games for the afternoon's diversion.

High score prize was presented to Mrs. Bustin Canon, second high to Mrs. J. T. Williams, low to Mrs. J. W. Pate. Mrs. J. A. Gilbreath was winner of high guest prize and slam prizes were held by Mrs. H. A. Finger and Mrs. Tol Murrain.

Members present included Mesdames R. S. Wilkinson, J. T. Williams, Ora Quigg, H. A. Finger, J. W. Pate, W. R. Stumberg, W. W. Sudduth, Bustin Canon, Tol Murrain. Guests were Mesdames H. E. Fletcher, John Harrison, Austin Nance, Mary Lou Keller, J. A. Gilbreath, E. J. Hanson and Hugh Rose.

**Studio Recital For
Piano Pupils of
Mrs. May T. Wilson**

Mrs. May T. Wilson presented her piano pupils in a studio recital Thursday afternoon in Fellowship Hall.

Her four senior pupils, Jack Savage, Barbara Rose, Mary Ann Belcher and Mary Lou Cargile, competed in a contest for the best performance and the committee, Mrs. Olaf Hoggard and Mrs. R. S. Wilkinson, named Barbara Rose for first place and Mary Lou Cargile for second place.

Other pupils appearing in the recital were Betty Jane Robbino, Buddy Joe Hahn, Melinda Gilbreath, Mary Elaine Duncan, John Pate, Bonda Gail Boyd, Myrl Gilley, Vannah Jo Nance, Colleen Pierson, Douglas Attaway, Sarah Pat Grigsby, Joy Rose and Carolyn Spears.

**Bible Study Monday
For Baptist W. M. S.**

The concluding chapter of the Bible study book, "Basic Bible Studies", was studied by the members of the Baptist W. M. S. who met Monday afternoon at the church. Rev. Claude Bridges led

the lesson on "Witnessing for Others."

Those present were Mesdames A. D. Brown, L. M. Stoney, Francis Mansfield and H. G. Cates.

There will be a business meeting of the organization at the church Monday afternoon at four o'clock.

DRYDEN NEWS

Mrs. R. J. Ross

Herbert Winston went to Temple last Tuesday and spent four days having a medical check up.

Mrs. James Merritt returned home Saturday from Uvalde where she had visited her parents for a week.

Mr. and Mrs. Lewis Cash spent Friday night and Saturday in Alpine visiting and attended the ball game Saturday afternoon.

Simon Shaw spent Saturday in Del Rio with his daughter, Mrs. Nelson Billings, and family.

Mr. and Mrs. Jim Powers spent Saturday night visiting in the home of Mrs. Ora Quigg.

Kenneth Miller of Sanderson spent several days with his grandmother, and Mr. Farley, while his mother was in San Antonio for Duane to have a medical checkup.

Mr. and Mrs. Bobbie Walsh and children were in San Angelo Saturday.

Warrant Officer and Mrs. Zeno Geers and boys of San Angelo spent Saturday night in the home of her parents, Mr. and Mrs. John Williams.

R. E. Freeman and Mrs. Alice Ross made a business trip to Del Rio Monday.

Mr. and Mrs. Ira Rutledge spent the past week with their daughter and family, Mr. and Mrs. B. F. Dott and boys, in the Big Bend National Park. Mr. and Mrs. Dott brought them home Friday night and spent the week end here.

Mr. and Mrs. R. J. Ross and son and Charles Baker made a business trip to San Antonio Monday.

Mrs. Charles Baker accompanied them as far as Del Rio and visited friends and relatives for the day.

Mr. and Mrs. Jeff Howard and son returned home Friday after a two weeks' vacation with friends and relatives in Houston.

Mr. and Mrs. Raymond Farley visited Mr. and Mrs. R. V. Winn and children at Devil's River section Sunday.

Mr. and Mrs. J. B. Wright of Fort Worth, Mr. and Mrs. John Cox and Mrs. C. H. Neely of Garden City, and Mrs. Velma McDonnell of Odessa visited on the W. A. Bigby ranch over the week end.

Mr. and Mrs. James Bigby went to Garden City Sunday for a few days to visit with relatives.

Mr. and Mrs. Robert Pavlica and son went to Fort Stockton Saturday to visit her aunt, Mrs. Louise Agricola, who is ill in the hospital there.

Mr. and Mrs. Roger Rose, Mrs. Burke Rose of Del Rio, and Mr. and Mrs. John Woodward were guests in the home of Col. and Mrs. H. G. Woodward Sunday.

**Range Recovery
Depends on Rest
As Well as Rain**

College Station, April 1 — Pasture plants in most sections of the state have taken a beating from the weather during the past several months. Rain and more rain is badly needed before the hard hit range plans can even begin their comeback. A. H. Walker, range specialist for the Texas Agricultural Extension Service, said even under normal conditions the spring season is the most critical period for range plants.

He said pasture plants need a rest period to regain their vigor and to allow them to produce a seed crop. He encouraged livestock producers to graze supplemental pastures, if available, to give ranges a rest for a month or

Ahead - the Nicest Miles in the World!

Well, the day has come! You have your beautiful Golden Anniversary Cadillac—and are off on that cross-country journey you've so eagerly awaited.

You're full of hope and anticipation—but almost afraid it's too good to be true. Can any car perform and handle the way people say this one does?

You come to the end of the street that opens into the crosstown thoroughfare—and the big, easy-acting brakes settle you down to the softest, smoothest stop you ever experienced in all your life.

You touch the throttle, and the great engine starts you out like the flight of an arrow—smoothly and swiftly and quietly.

Almost before you know it, a light turns red—and, once again, that easy, velvety stop. And then the green—and again that swift, eager move into action.

Stop and go—red and green . . . and pretty soon it dawns upon you that you never dreamed of driving a car that handled and performed like this.

Wonderful in city traffic—no doubt about it!

And then the cars thin out about you—the traffic lights stretch farther and farther apart—and you find yourself on the open road.

Instinctively, your foot goes down on the throttle; but, quickly, it eases up again. For you find yourself really rolling in a couple of hundred feet! So you do a little experimenting until you find the spot where the accelerator belongs for sane and sensible driving—and then you settle back and relax.

You scarcely seem to be moving at all. You handle the wheel with the weight of your hand. You're comfortable—resting—at peace with the highway! The sun rises higher and the road beckons on.

"Where did we plan on stopping tonight?"

"Better take a look at the map and see what's on down the line. We're going to get a lot farther than I ever dreamed we could!"

Yes, it's true what they say about Cadillac.

Better come in and see it—and drive it—while you're in the mood!

Judge Smedley To Seek Second Term On Supreme Court

Austin, Texas, April 2 — Associate Justice Graham B. Smedley filed application Thursday as candidate for a second term on the Supreme Court of Texas.

A recognized authority on land, water, oil and gas law, Justice Smedley is now serving his first six-year term as a member of the state's highest tribunal. He rose to the position from the Supreme Court Commission of Appeals to which he had been appointed by the court in 1933.

In 1913 he was one of six assistants under Attorney General Ben F. Looney and was in charge of the state's cases involving public school lands, oil and gas rights, irrigation and similar matters. ... handled the state's successful recovery of 60,000 acres of West Texas land paid in excess for construction of the present state capitol.

He wrote all of the opinions construing public land laws, newly-enacted irrigation laws and oil and gas prospecting laws. Smedley also represented the state in the heavy volume of court cases arising from these legislative acts.

Smedley served in the attorney general's office for five years and then returned to private law practice until his appointment to the appeals commission. He practiced law in Austin, Wichita Falls and Fort Worth and prior to 1913 was county attorney in Midland County.

He is author of a digest of oil and gas laws and for the past 15 years has been a member of the editorial board of the Texas Law Review. He also is an elected member of the American Law Institute.

Ten Piano Pupils Place In Contest

A group of Sanderson music pupils went to Odessa Saturday to compete in the Interscholastic piano contest in that city.

The ten pupils competed in three divisions and all won honors in the contests. Shirley Thompson was the only pupil to compete in Division I and was given a second division rating. A first division rating was given to Barbara and Joy Rose and Mary Lou Cargile who played in Division II with Evelyn Albrecht and Mary Belcher, who played in the same division and received second division ratings. Diana Duke, who played in the third division, received a first division rating; Carlene Werneking received a second division rating. Vivian Moore and Beverly Whistler a third division rating all in Division III.

The first division rating is the highest rating, the second division rating, excellent, the third division rating, very good and the fourth division rating, average.

The girls are pupils of Miss Myrtle Harrell and Mrs. May T. Wilson. Miss Harrell, Mrs. Roger Rose, Mrs. Burk Rose, Mrs. W. C. Cargile and Mrs. D. L. Duke accompanied them to Odessa.

Miss Cargile also won a first place in the vocal music contest.

Eagle Track Team Goes To Marfa For Practice Meet

Members of the Sanderson track team, under the coaching of Norman Rath, attended an invitational practice track meet in Marfa last Friday. The meet was for the district teams plus the track team from Van Horn.

The boys and their events were as follows:

Rosendo Silvas 100-yard dash. David Mitchell and Gus Flores, 440-yard dash.

Rosendo Silvas, Roman Zepeda, Juan Olivares and Eugene Hibbard won third place in the 440-yard relay.

Humberto Arredondo won 4th place in the 880-yard run.

Eugene Hibbard, Juan Olivares and Roman Zepeda in the 220-yard dash.

Willie Wolfe placed first in the mile run.

Olivares, Mitchell, Zepeda, and Gus Flores placed third in the mile relay.

Roberto Arredondo, high jump, James Clark and Jack Savage in the shot put.

Hibbard and Zepeda in the broad jump.

Charles Stegall and Galoar Cobos in the discus.

FIRE DAMAGE TO BROWN HOME IN UVALDE

Considerable damage was done to the house and furnishings of Mr. and Mrs. Joe F. Brown in Uvalde Saturday when their home was partially burned, the fire presumably starting in the heating system.

The Browns had moved into their new home two months ago. While eating supper with guests early Saturday evening, Mr. Brown discovered the fire when he went to investigate the ringing of the burglar alarm. The flames were confined principally to the attic.

The Browns are former Terrell County ranchers.

PLANS FOR X-RAY SURVEY TO BE MADE

Word was received Monday by Dr. John W. Pate that C. H. Hoover of Austin, field representative from the tuberculosis division of the State Health Department would be in Sanderson on Wednesday, April 9, to confer with local representatives of the Terrell County Tuberculosis and Health Association and outline plans for the proposed mass chest X-ray survey to be sometime in the near future.

CULTURE CLUB TO MEET ON APRIL 17

The Sanderson Culture Club will meet on Thursday, April 17, at the home of Mrs. H. A. Smith for a luncheon with Mrs. L. H. Gilbreath as co-hostess. The meeting is a change from that date noted in the yearbook.

State Legion Head To Visit Here On Tuesday, April 15

CHARLIE GIBSON
State Legion Commander

Odessa, April 2 — State Legion Commander Charlie Gibson of Amarillo will visit American Legion posts in the 16th Congressional district during the week of April 9 - April 15. It was announced here today by John F. Crooks, Jr., Legion district commander.

Crooks said the state commander will open his tour in Alpine on Wednesday, April 9, and make scheduled stops at Presidio on Thursday, Fort Stockton on Friday and Sanderson on Tuesday, April 15. But Gibson paid tribute to the 16th district, which he regards as one of the Legions strongholds in the state. He said that the district is once again assured of reaching the top rung in the Legion membership ladder, a record it has held for the last two years. On March 28 the district lacked only 10 members to reach its 1952 quota of 3,556 members.

Gibson, assistant to the publisher of the Amarillo Globe-Times, has been a member of the Legion for 29 years, and holds a distinguished service record in the state organization. He is a former 18th district commander and before his election last year headed the 5th division, an area comprising the 16th, 17th, 18th, 19th and 21st congressional districts.

He was elected state commander at the convention in San Antonio on August 19. His one-year term will expire on the closing day of the 1952 state convention set for August 8-10 in Dallas. He is the first World War I veteran to be named state commander in several years. He served 16 months in France with the 36th Division.

Office Supplies at the Times

Silliest Law of Decade Now Ruled Out

The postal law requiring payment of a 10 per cent penalty on purchase of 50 or more postal cards at U. S. Postoffices went out of existence after two months and 22 days of controversial and time-consuming effort on the part of harassed postal employees and irritated patrons.

The penalty, provided by a 1951 Congressional law which has been widely described as the silliest legislation of the decade, was eliminated by another congressional bill introduced early this month and quickly approved.

Repeal became effective Saturday, when notice was received by Postmaster Clyde Griffith.

POLITICAL ANNOUNCEMENTS

A Digest of GOOD IDEAS for Planning, Building, Decorating and Maintaining Your Home
Brought to you each week by Sally and Johnny O'Mala

When you Paint your House
Remember, that it is paint that must do the job of protecting it from the elements and that it's important to know what paints to use, and why!

Paint for Protection . . . but get the extra individuality that color can provide
Because there's no such thing as everlasting paint, the paint that protects your house must be renewed every 4 to 6 years. A wise choice of the right paint not only makes your house look better, longer . . . but it also makes sure that the paint does a better job of fighting off deterioration and decay.

Buy paint shrewdly and avoid disappointment
There is nothing more disappointing than the troubles that can arise from the use of inferior paint. It may fade, crack, or even have to be removed. Get advice from people who are sincerely interested in seeing that you get the right paint. Take time to read the label!

HOW TO ESTIMATE QUANTITY
It's always important to know how much paint you're going to need . . . and here's a simple way to find out: Measure the distance around the house and multiply by the height to the eaves. Then measure the height of each peak and multiply by half its base. Add these two and subtract the total area of the windows. Divide this figure by 500 and you have the number of gallons for each coat. Allow about 1 gal. for each 20 openings.

Brushing vs. Spraying
Spraying is a poor way to paint the exterior of a house. It saves labor, but it deposits only a thin coat of paint, does NOT seal cracks, and may skip under surfaces.

Select Your COLOR Carefully
Before you decide on a new color scheme for your house, take a good look at it from a distance. Decide whether you want it to stand out against the landscape or blend into it. Cross the street and look at neighboring houses in your block. Is your house too large or too small? If it seems too large, select darker colors; if too small, lighter colors will make it appear larger. Look at the colors of your neighbors' houses, too. You can have all the individuality that you want and still use colors that are in harmony with the other homes.

Your roof and your walls have the most visible color area, so start planning your color scheme with them. The colors on the other features give the contrasts and the accents. Roof and wall colors should be complementary, remembering that a lighter roof will make the house appear taller, and a darker roof will reduce its apparent height and size.

Painting doors, windows, etc., a contrasting color will also reduce the apparent size. You can also "paint out" bad details by matching them to surrounding areas. Chimneys usually look best when painted the same color as walls, but awkward chimneys should be painted the same color as the roof. Whatever you do, plan your color scheme BEFORE you start.

Sally Says: You can paint it yourself!
There's no end to the furnishings and rooms that you'll want to "do over" once you see how easy it is with today's easy-to-apply paints. These new paints brush on beautifully, dry quickly, and leave no lap marks. Look around and see which of those dull, worn, and use-scared pieces you want to do over with bright, new decorator colors. Everything from dinette to lawn chairs can be made fresh and beautiful almost overnight.

Johnny Says: Paint it and Save It!
There's hardly anything around the home or farm that would be better with a regular coat of paint. And today, there's a paint specially made to help you do a better job on whatever you want to paint . . . whether it's Jimmy's scooter or the barn roof. It's smart to "Paint it and save it."
