SANDERSON, TEXAS, FRIDAY, JUNE 12, 1953

ISTEN TO LUKE

Well, the fortunes and time and ate keep furnishing us with copy for this column, for which we are always thankful.

Last week we entered a tirade on the acre-feet subject and the sze of a dam that would contain the newly-raised ante of water for esch ranch just in case it even does rain again. Now we have an answer to the question of what is in acre-foot of water and that brings up more questions.

One of our friends who was unbubtedly exposed to a little more knowledge that we were writes us that 1 acre-foot is 326,700 (approximately) gallons, so that the new

quota of 200 acre-feet would be 65,340,000 gallons (approximately) of water Well, here is the problem! We have heard of people, and that includes ranchmen, who have had a

brush with people who are sent out to check up on the size of their spreader dams, the measure o heir cedar-eradication projects their reported loss or very close loss on income tax forms, etc. and we are inclined to believe that there would probably be some briefcase-toter come out to measare the number of acre-feet of water behind his dams, in case it ever does rain, to see that he has allowable.

The only way we can see to do gins to rain, so that only one dam Mrs. Kelly's. will catch water. Then dump all of

t into the other reservoir, after

LIONS CLUB TO SPONSOR DONKEY **BASEBALL GAME**

The Sanderson Lions Club has ventured into the donkey baseball business with the securing of a full team of donkeys for the protion of donkey baseball games locally and in surrounding towns. The donkeys were secured from rea ranchmen and are being educated to the rudiments of their roles in the sport by Reed Horton.

former operator of the game. The local Lions Club will sponfor and put on a ball game here on Saturday night, June 20, to begin at 8:15, following the matched oping at the arena east of town. A committee has been appointed to sign up players for the sport and plenty of excitement and

laughs are promised when the first and following batters hits the ball. Admission will be 75c for adults and 25c for children.

PERSONALS

Mr. and Mrs. Lee Kelley returned Saturday night from a fourteenday trip to Phoenix, Arizona, where Mrs. Allan Maddy, and Mrs. J. L. Brown, and their families. They then visited a daughter, Mrs. A.

Rotary-Lions Hear Sam Walk Tell Of **Benefits of WTCC**

Members of Sanderson's Rotary and Lions Clubs met in a joint session at the Turner Hotel Wednesday noon when they heard a report on the work of the West Texas Chamber of Commerce by Sam Walk, Del Rio, vice president of District 8 of the WTCC.

Walk told of the many benefits that are being received by towns in West Texas because of the program of work by the organization. Alden Cathey, of Abilene, public relations representative from the Abilene office of the chamber, accompanied Mr. Walk to Sanderson and spoke briefly to the group concerning the need for financial assistance and the benefits for participating towns. Local interest in the organiza-

tion of a chamber of commerce here was evident in expressions from members of both civic clubs after the meeting.

GOOD ROPERS TO PARTICIPATE IN **EVENTS ON JUNE 20**

There are seven more entries for the roping to be sponsored by the Sanderson Roping Club here on Saturday, June 20, according to an announcement made this week by Mrs. Jack Riggs, secretary.

The new entries are John D. Holliman, 1951 winner of the Cheyenne rodeo and second runner-up this year for world's champion in points won; Bill Lowe, 1951 Madson Square Garden winner; Bill Teague, Riley Branch, Leon Jones Wayne Mills and Earl Teague.

Mrs. Riggs also stated that work was done on the lighting system last Sunday and it is expected that the lights will be available at the arena in a few days.

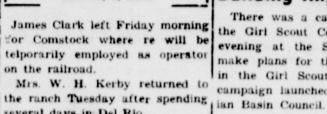

Tom Ed Montgomery of Pumpville is a new member of the club. A barbecue dinner will be served at noon on Saturday and the roping events will start at 2 o'clock

Mrs. Jettie Peavy, secretary of the Retail Merchants Association. announced that all retail stores had agreed to close at 2 p. m. on that date

Boy Scout Drive To Be Launched Monday

Joe Kerr, Jr., has been named chairman of a drive for funds for the Boy Scouts of America. The drive will get under way Monday. June 15, with a breakfast at the Turner Hotel for workers in the campaign.

Mr. Kerr stated that this drive, following closely on the heels of the last campaign, was to put the Concho Valley Council on the black side of the ledger so that future operations, expenditures and budgets could be worked out by a pay-as-you-go plan. He stated that it was the aim of the council to budget the money they had on hand to working toward the best interest of the movement so as to prevent future extreme liabilities on the part of the

In Southwestland nore people drink PRICE'S MILK than any other brand ! The difference in Price's milk is

ts delicious flavor and creamier goodness. That's why it's preferred throughout the South-west. It's better to drink - better for cooking - and more nourishing in every way. Regular or homogenized . . . in car-ton or bottle . . . you choose top quality when it's Price's milk.

SO BEAUTIFUL! SO POWERFUL!

GENERAL MOTORS LOWEST PRICED EIGHT

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car. Certainly it's as distinctively styled as any car on the road-and its beauty carries through into its luxurious, roomy Body by Fisher. Performancewise, Pontiac is second to none, with power to spare that whisks you through city traffic or cruises with remarkable economy. And Pontiac is a big car, with a long, 122-inch wheelbase.

But Pontiac's outstanding feature is its price-a price so low that if you can afford any new car you can afford a Pontiac. Come in and fet the facts that prove that dollar for dollar you can't beat a Pontiac!

RECORD-BREAKING GAS MILEAGE for the driving YOU do!

JADINAJ (AFE

pound freezing storage, used

about 1 year, for \$285. Three

iron beds with springs and mat-

or call 21W.

This year's Chevrolet brings you the most important gain in economy in Chevrelet history. And it's the kind of everyday economy that saves you money whorever and however you drive!

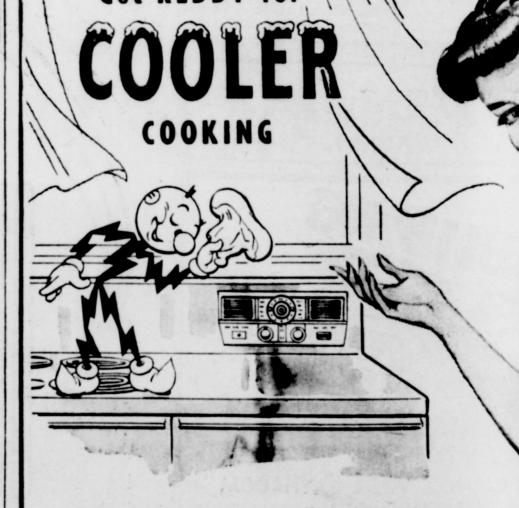

Inch along through heavy traffic. Roll up the miles in steady highway cruising. Long trips or short errands, byroads or boulevards, you get far more miles per gallon in this great new Chevrolet.

New high-compression power is the reason. Both the new 115-h.p. "Blue-Flame" engine in Powerglide" models-and the advanced 108-h.p. "Thrift-King" engine in gearshift models-deliver more power on less gasoline. Acceleration and hill-climbing ability are greater, fuel consumption is lower!

This is the kind of economy that counts the most-important gasoline savings for the driving you do, together with lower over-all costs of upkeep. And along with it, you enjoy all the other advantages that only the new Chevrolet offers you. Come in and see for yourself!

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic trans-mission available on "Two-Ten" and Bel Air models only.

NIGHT MOTOR CO.

THE FLAMELESS ELECTRIC WAY

Your kitchen can be as cool as any other room in your home when you cook with a flameless electric range. There's no wasted heat from the surface units . . the oven is heavily insulated ... your kitchen is always fresh, clean and COOL! Visit your neighbor who owns an electric range and see for yourself that electric cooking is COOLER cooking. Then stop by your electric range dealer's or our office and choose an electric range for your kitchen!

You'll cook electrically some day -why net now?
