Bridge Opening Ceremonies Set for Saturday, April 27

Almost ready for the official opening on April 27 is the Pecos River highway bridge. These pictures were taken two weeks ago by the Uvalde Leader-News photographer and present views from the canyon floor where traffic now temporarily crosses and from the top side of the northwest approach.

Sander son business people well know the value of a good bridge over the Pecos River, for they remember the floods of three and four years ago when usually busy east-west traffic through this section came to a halt for several days. High water in the Pecos River has closed the crossing temporarily since that time twice last week, causing a break in tourist business through here.

The first bridge, a 50-foot span, was dedicated on June 3, 1923. The pictures here show the new bridge which rises 272 feet above the canyon floor and 1,130 feet long. It will be the highest vehicular bridge in Texas and tenth highest in the nation. Contract cost of the bridge was \$1,269,268.

The Pecos River Southern Pacific bridge five miles upstream from the new span, is more than 300 feet high and is the loftiest bridge of any type in Texas.

The Pecos River highway bridge required 1200 tons of structural steel. The main portion, a 1,040-foot continuous deck truss unit, is made up of three sections — two side spans, each 312 feet in length and a center span 416 feet long. At one end a 240-foot continuous welded plate girder unit forms the approach.

BRIDGE DEDICATION SET FOR SATURDAY

Dedication services have been completed for the Pecos River bridge for Saturday, April 27.

The services will be at the bridge site and will begin at 11:30 with a barbecue dinner.

At 1 o'clock dedication services will begin. Members of the Texas Highway Commission, Texas Highway Engineer D. C. Greer, State Senator Dorsey E. Hardeman of San Angelo will be among the notables at the dedication services. Sen. Hardeman will be the personal representative of Gov. Price Daniel who is unable to attend the ceremonies owing to a previous engagement.

All local citizens who possibly can are urged to attend the dedication ceremonies and barbecue to give Sanderson a good representation at the services.

The program for the day follows: Barbecue 11:30 a.m. to 1 p.m.

Painting Completed On Drug Store Bldg.

Painting was completed this week on the exterior finish of the Spears-Duncan Drug Co. building on the corner of Persimmon and Oak.

The screens and windows on the second floor were painted white and the woodwork on the street level received two colors of green paint trim.

The building houses the drug store, Royal Cleaners and The Times office. Upstairs are rooms for railroad men working into Sanderson.

Chandlers Have Visitors

Glynn Chandler, Texas A&M senior, left Monday for College Station after spending the holidays with his parents, Mr. and Mrs. Clarence Chandler. Mr. and Mrs. Gene Chandler and family of College Station were also visitors with his parents and her parents, Mr. and Mrs. R. R. Clark, of Dryden.

School Board Names Teacher Contracts Offered For '57 Term

The Board of Trustees of the Terrell County Common School District announced the following teachers have been elected for the 1957-58 school term: Miss Bessie Moore, Mrs. Sylvan Walker, Mrs. Tom Parish, Mrs. E. E. Farley, Mrs. W. E. Grigsby, Mrs. Eleanor Cooper, Mrs. Gene Nelson, Miss Mildred Creek, Mrs. W. H. Grigsby, Mrs. Lawrence James, Mrs. Ruby Kiteley, Mrs. Clarence Jessup, Mrs. T. M. Winston, Robert Jack Enright, Mrs. Lee Eggleston, Mrs. Lester Souter, Gordon Harmon, W. H. Goldwire, Mrs. W. H. Savage, Mrs. E. E. Harkins, Jr., Mrs. Sue B. Moseley, G. G. Henderson, Carlton Smith and Thurman White.

The contract for Supt. Matt Bader does not expire this year.

Rummage Sale By Legion Auxiliary Starts Monday

The Legion Auxiliary is planning a rummage sale for Monday, April 29th, in the Kerr Building next door east of the Community Public Service Co. The sale will continue all week with someone in charge every afternoon from 1 to 5 o'clock.

The proceeds of the sale will go to help defray the expenses of the delegates to be sent by the Legion and Auxiliary to Boys State and Girls State in Austin in June.

Anyone who has rummage to contribute to the sale is requested to call Mrs. L. H. Gilbreath or Mrs. Winnie Magill for the rummage to be picked up or bring their rummage to James & Magill or to The Times office.

All clothing brought for the sale should be clean and in wearable condition. White elephants, bric-a-brac, costume jewelry, odd dishes, in fact any item that someone may find a use for in their home, is included in the list of articles desired for the sale.

Ranchmen Urged At Meeting April 30

A representative from the Texas Employment Commission will be in Sanderson, Tuesday, April 30, at 1 p.m. at the courthouse, according to information received this week from that bureau.

It will be to the advantage of all ranchers who contract Mexican nationals or contemplate contracting Mexican nationals to be present at this meeting, they stated.

Certain information will be given ranchers regarding contracting and their responsibility under the Mexican National Program. Information will also be given to the ranchers regarding the new Housing Statement that has to be submitted when contracts are being renewed or when additional braceros are contracted.

Ranchers not present at this meeting will very likely have to go to San Angelo before they will be able to extend contracts or contract new braceros, they said.

CLASS OF '17 EL PASO HIGH TO HAVE REUNION

The class of 1917 of the El Paso High School will hold a 40th reunion with a reception and dinner on May 12. The class was the first to be graduated from the present El Paso High School building.

Among the 58 graduates listed is Mrs. John Reininger, the former Miss Evelyn Ellison. She is planning to attend the reunion.

The addresses of 12 members of the class are not known and 10 of the group are deceased.

Topping On U.S.90 Completion Soon

Topping of the 13-mile stretch of U.S.90 west of Sanderson from the Pecos County line is expected to be completed within the next few weeks. The largest portion of the stretch has been completed.

The construction, started last fall, consisted of widening the road bed to 44 feet and widening of the right-of-way.

New fences were built along the entire stretch, with the relocation of the highway along several points.

Over 50 structures were widened or rebuilt to take care of the new highway width.

The new construction is from the Pecos-Brewster County line west of Longfellow to the recently-completed stretch through Lemons Gap. All of the hazardous curves and hills were eliminated in both construction projects and the grades were held to an absolute minimum with cuts in the mountains.

There is now a stretch of approximately 17 or 18 miles of highway beginning about 4 miles west of Sanderson and running west to the Pecos-Brewster County line that has not been reconstructed in recent years.

Teachers Visit Out of Town Easter

About half of the teachers in the Sanderson schools remained in Sanderson for the four-day Easter holiday period.

Supt. and Mrs. Matt Bader and Brucks visited in Hondo, San Antonio and Houston, Thurman White and family visited friends in Winters and in Big Lake with his parents.

Carlton Smith and family visited with her relatives in San Juan and Mrs. Sue B. Moseley accompanied them to McAllen.

Mr. and Mrs. Gene Nelson visited with Mr. and Mrs. Charles Matney in Fort Worth, Mrs. Tom Parish and Tommy Kay visited in Ozona.

Miss Bessie Moore spent the holidays in Dalville; Mrs. Sylvan Walker in Uvalde and Mrs. Ruby Kiteley in Richland Springs.

Jack Enright went to North Texas for his wife and son who had been visiting there.

Mr. and Mrs. E. E. Harkins, Jr. and children visited in Ft. Stockton with her parents, Mr. and Mrs. Carl Cochran. Mr. and Mrs. Gordon Harmon and baby visited in Paducah with her relatives.

Mr. and Mrs. G. G. Henderson and son and Mrs. Eleanor Cooper and son and daughter, Walter and Harriet, made a trip to El Paso, Silver City and other places of scenic interest in New Mexico. Mr. and Mrs. Lester Souter visited in Arkansas.

Grand Jury Called For Next Monday

Deputy Sheriff Buster Babb has notified the following Terrell County citizens of grand jury duty Monday morning at 10 o'clock:

Thursday — Lions Club, Thursday Club, P-T A.

SEVERE WEATHER MISSES COUNTY

A severe weather warning which was put out for this immediate area for Monday afternoon late and Monday night failed to materialize, much to the happiness of citizens of the vicinity.

Calls came to Mrs. C. C. Mitchell, W. G. Downie and Joe Little from weather bureau officials and Ground Observer Corps sources warning them of heavy hail and heavy thunderstorms for this area from approximately 4 p.m. Monday to midnight.

Heavy clouds were blowing in from the west and north with a cast ground wind, but not a drop of rain fell from the heavily-laden clouds.

Heavy winds and severe dust storms were reported north of Sanderson in the Fort Stockton area and northward, but there was no dust locally.

Tuesday dawned clear and warm with temperatures rising all day in a typical summer day.

Local Relatives To Ike Billings' Birthday Supper

Sixty relatives and friends gathered at the Billings ranch four miles east of Langtry Saturday evening to celebrate Ike Billings' 80th birthday. The birthday celebration has been an annual affair for many years. A picnic supper was served.

Attending from Sanderson were Mr. and Mrs. A. A. Shelton, Mr. and Mrs. B. F. Dawson, Mrs. Ben Causey, Mrs. Lizzie Billings, and Miss Eva Billings. Sheriff Lee Billings a grandson and his family were unable to attend on account of illness.

Mr. and Mrs. Raymond Farley, Mr. and Mrs. Jimmy Merritt and Mr. and Mrs. Simon Shaw of Dryden were also present.

Sanderson Wins First District Tilt

The Sanderson Eagles bowled over the Alpine Bucks baseball team to win the first district game of the season.

The game ended 11-7 and was played in Sanderson.

Alpine gained a two run lead in their first time at bat. Sanderson scored 1 run in the second inning on a squeeze play and got back in the running. The Bucks came back in the fourth with 3 runs and Sanderson got 2 in their half of the same inning, trailing 2-5.

Sanderson scored four in their half of the 5th frame and the Alpine team scored 2 more in the top of the sixth to tie the game up at 7-7. Sanderson put the lid on the game in the bottom of the 6th with another 4-run rally and held the Bucks scoreless in the top of the 7th.

Roland McDonald started for the Eagles and was relieved in the 5th by Fernando Vasquez who finished the game on the mound.

Armando Ochoa was the receiver for the Eagles. J. T. Herring played at 1st; Brucks Bader at second; Julian Rodriguez at short stop; Julian Martinez at third; David Graham was in left field; Irvin Robbins at right field and McDonald and Vasquez took alternate turns in center field.

The Eagles will be away from home Friday and will play here Tuesday against Big Lake in another conference game.

COL COATES TO HOSPITAL

Col Coates, Terrell County rancher, who has been receiving treatment in a Fort Stockton hospital for a week, was taken to El Paso Monday and will undergo surgery in the near future. Mrs. Coates took him to El Paso.

Mr. and Mrs. R. N. Allen returned to their home in Comfort Wednesday after visiting here with their sons, Bob and Don Allen, and their families.

Reorganization of the Insurance Commission is a supercharged issue again.

More than a month ago the Senate passed a bill that would sweep out present commissioners and allow the governor to name a new board. But the House State Affairs Committee shunted it off to an unfriendly committee.

Some thought it would die there. Then a verbal battle broke out between John Osorio, chairman of the commission, and Gov. Price Daniel.

Osorio, who was appointed by former Gov. Allan Shivers, will lose his job if Gov. Daniel's reorganization plan goes through.

In answer to questions from Rep. Jerry Sadler, Osorio said that Daniel had offered to help him find another job if he would support reorganization. Osorio replied that he felt such a "deal" would violate his oath of office.

Osorio also said, in answer to Sadler's questions, that the governor apparently did not oppose his confirmation by the Senate until after the Commission had closed down the ICT Insurance Co.

Gov. Daniel called the charges false. He said he had expected personal attacks to result from his efforts for reform. Then he declared he would fight "even harder for cleanup and reorganization."

In reply to the governor's accusation of a "false" charge, Osorio offered to take a lie detector test, if Daniel would.

House committee members, in the meantime, took new looks at the reorganization bill, admitted to being in a tight spot. Sentiment is reportedly very evenly divided.

Annual Sessions Favored
 With time running out on this session the prospect of annual sessions in the future is gaining favor.

Senate gave preliminary approval to a measure for annual sessions and \$7,500-a-year salaries for legislators. House passed a similar version with only \$4,800 a year pay.

Sessions on odd numbered years would be as now. On even-numbered years a short budget appropriation session would be held.

Measure is a constitutional

amendment which would require approval of the voters in November of 1958.

Slum Bill Moves

Texas cities would be able to get federal aid for cleaning up their blighted areas under a bill given final House passage.

Senate State Affairs Committee blackballed the same bill 9 to 8. But supporters gained an unusual victory when the Senate voted 23-6 to accept the report of the committee minority.

Opponents attacked as unconstitutional the provision allowing a city to condemn property for sale to private parties. Backers said the bill had safeguards to prevent abuse of condemnation powers.

Segregation Up To Senate

Enactment of 8 bills designed to preserve school segregation is in the hands of the Senate.

Sponsors predict an easy majority in the upper house. However, two South Texans whose constituencies are already integrated promised opposition. Sen. Abraham Kazan Jr., of Laredo, and Sen. Henry B. Gonzales of San Antonio indicate they might try to talk the bills to death in an end-of-session filibuster.

Measures already given House approval would (1) allow school boards to assign pupils to schools, (2) exempt children from compulsory attendance at integrated schools, (3) authorize state to pay tuition for pupils to segregated non-sectarian schools where no segregated public school is available, (4) authorize school boards to designate schools as "white," "Negro," or "integrated", (5) direct the attorney general to defend anti-segregation suits against the state, (6) require registration of persons paid to work for integration, (7) prohibit public employment of NAACP members and (8) ban future integration without a local school district vote.

Teacher Money Sought

Two bills aimed at gaining funds for teacher pay raises probably will be debated this week. Each has gained committee approval in both Houses.

One would double tuition at state colleges for an estimated

\$10,000,000 more in revenue. Another would make one per cent of the permanent school fund available for current spending. It would bring in \$7,000,000 to \$11,000,000.

Added to a predicted \$27,000,000 surplus in the general fund, passage of the two bills would bring to about \$47,000,000 the amount available for teacher raises.

Teachers originally asked a basic \$399-a-year boost, plus improvement in the schedule of increases for experience. This would cost a total of \$67,000,000.

Gov. Daniel suggested a compromise whereby teachers would get the basic raise, but not the experience increase. Teacher spokesmen have indicated probable acceptance.

Women Gain Ground

Women's clubs won a modified victory with Senate passage of a patch-worked separate property bill. It would give married women authority to manage their own estate without husband's consent.

A number of restrictive amendments were put in before passage. One would require a woman to be 21 before assuming estate management "to prevent a 1-year-old girl from getting married and throwing away her inheritance."

REA Compromise Okayed

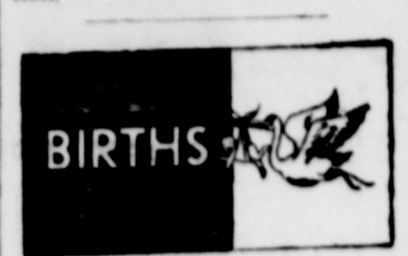

A bill designed to smooth over the squabble between private and cooperative utilities has been voted out of committee in both houses.

Bill stems from a recent Supreme Court decision limiting activities of REA co-ops.

Proposed changes in law would allow a co-op to continue to serve old customers in an area after it is annexed by a city and add new customers where private power is not available.

After two months delay the Senate okayed the House-passed Pool bill requiring a runoff in a special election for U. S. Senator and congressmen-at-large.

Legal Security Life Insurance Company won the right to continue business after a show cause hearing before the Board of Insurance Commissioners. Board called some of the company assets overhauled, but did not find the one-third impairment of capital required by statute for dissolution.

A daughter, their second child, was born Easter Sunday in Maracaibo, Zulia, Venezuela, to Mr. and Mrs. E. J. Foley. She was named Kathleen.

Mrs. A. D. Brown is the maternal grandmother of the new arrival.

A daughter, their first child, was born here Monday night to Mr. and Mrs. Dick Sullivan. The baby, weighing four pounds and 14 ounces, was named Hannah Lowry.

Mrs. Maude Sullivan of Eagle Pass, a former resident, is the maternal grandmother.

TELEPHONE TALK

By **Bob Montgomery, Manager**

THANKS FOR YOUR COOPERATION

Olga McCord, your Chief Operator, reminded me to the you folks for your wonderful cooperation in giving your complete telephone numbers when you place long distance calls. You are really helping us get your calls through faster giving us your complete numbers.

For example if you were placing a call — after telling operator the city and telephone number you are calling, then give your number as Diamond 5-1234.

By doing this you are helping us get your calls complete with the least delay to you possible.

As you know your operators handle long distance calls many towns. By giving the Diamond 5 part of your telephone number, you save possible difficulty in getting your call to the right town. This might inconvenience you when we not get your call on your bill until a month later.

I think you can see the trouble you are saving by giving your complete telephone number. Thank you, we appreciate your cooperation.

9,000 CALLS A MINUTE

Have you ever thought, as you picked up the phone, many other people were doing the same thing that very minute. Well, believe me, you're not alone — you've got lots of company. Texas people used their telephones 9,000 times a minute last year.

That's just for local calls. Long Distance lines were busy, too, as Texans called out-of-town 90 million times in 1956. This was a record number of both local and Long Distance calls, but it looks now as though 1957 will be an even busier telephone year.

What's behind the steady increase in the number of telephone calls? For one thing, thousands of new telephones are added each year, but there's more to it than that.

Nowadays, people seem to count on their telephones to do more errands for them, to help them keep up with the pace of living and doing business.

Personally, I think it makes a lot of sense. You can do about everything faster and easier with the telephone.

LOOKING AHEAD TO WEEKENDS

If you're like most people, you look ahead to weekends. That's when family and friends get together to relax and have fun.

Unfortunately, sometimes all the family can't be on hand or perhaps you haven't heard from some old friends for long a time.

There's no point in letting this dampen your weekend. Just reach for the telephone and call them Long Distance. You will be glad you called — and so will you.

Rates are lower all day Sunday, and after 6 p.m. weekdays. And remember to call by number — it's twice as fast.

Call by number. It's twice as fast.

Do You care?

Price's cares about the purity you desire in **FRESH MILK**

Price's higher standards of purity start with the healthy cows on the farms that produce Price's milk. These cows, and the men who work with them, are models of cleanliness. Price's pays its producers a substantial premium for milk of extra cleanliness and quality. After instant cooling at the farm, milk is delivered in thermos bottle trucks to an immaculate, modern plant, where it is promptly tested, pasteurized, homogenized and bottled — then delivered to homes and stores in refrigerated trucks. Why take chances? Drink the milk you know is really pure . . . Price's Meadow Gold.

Drink the milk produced with care

C.P.S. EMPLOYEES TO PECOS MEETING

James Caroline, manager, and Martha L. Athas, bookkeeper, of Community Public Service Co.'s local office attended the employees meeting of that company in Pecos last Friday. The meeting was called to order at 10. Speeches and talks were given by members of the company from Fort Worth and Pecos. Lunch was served to all employees at Foster's Cafe. The meeting continued through the afternoon and recessed at five o'clock. Then all journeyed to the Pecos Valley Country Club for a social hour and dinner at 7:30 with a dance following.

The meeting gave each employee some knowledge of what was going on in the company offices throughout the state and afforded an opportunity to meet the new employees of the company.
