SANDERSON, TEXAS, FRIDAY, MARCH 14, 1958

NUMBER 5

LISTEN TO LUKE

We get all kinds of letters asking all kinds of questions about all kinds of things from readers all over the nation. Some of the questions are ridiculous and some — like our most recent — made a lot of sense, truly!

This dear reader was familiar with this country, that's for sure. She must have lived near here at one time or another, because her knowledge of things indicated it very strongly.

She had read in the paper of the proposed construction of the mud warehouses in Dryden. That did not make sense to her, as it did not make sense to many of our readers.

"Why," she wanted to know, do they want to store mud in Dryden, and what will it be used for?"

That makes perfectly good sense to anyone who has been through this area.

The mud, any mud, would be good to show the kids every two or three years during one of our dry spells, so they could see the result of rain in one aspect. It would also be good to get the kids, and lots of adults, to wiggle their toes in it every once in a while, to bring back nostalgic memories of long ago. It could also be sold to some of the ranchmen to smear on their vehicles when their neighbors brag about their most recent rain that did not get out of the horse trap. It has so many uses.

We explained to the dear reader other uses, such as a bit coolant in drilling, as added weight to the bit, as an agent for carrying bit cuttings out of the hole, as weight to hold in possible gas or oil strikes until further cut-off. If absolutely nothing else, the increased interest in oil in this section and the recent gas strike on the eastern part of the county has built up all our vocabularies to some oil terminology.

It is a job for a West Texan — not a Terrell County resident — to become accustomed to hearing such phrases and words as some have been hearing of late. It is an entirely new lingo.

The ranchmen themselves, in their dealings with "doodlebuggers" have to understand a contact and all phases of it which will have new and different meanings when he understands just what the terminology is.

By the same token, it is difficult for a "doodlebugger" to understand some of the ways and actions of a ranchman, because they usually know nothing whatever about that business. It's a revelation when each can understand the other.

With the various stratum bearing such names as Ellenburger, Hurrian, Devonian, Permian, and many others, and such well-known companies as Halliburton, Schlumberger which they call "mud-jay," etc., it's hard to keep them all straight at first.

Then they come along and drill with gas on some holes and with mud on others, and you wonder why.

Drilling with gas is faster, as it keeps the bit clear of all cuttings by blowing them out of the hole. It's easier on the bits since it does not fight the friction of the cuttings and mud. It better for the driller in time saved and permits him to detect any gas or oil shows immediately without drilling by, due to pressure of mud. It is cheaper than mud.

But it creates more of a hazard and is not properly handled and it does not properly equipped to handle emergencies and drillers does not know anything about how to use it.

The industry of drilling for oil is interesting because it is something different. The entire aspect of the business is far different from many other types of work. It is interesting to see how the men who work around a rig accomplish so much with such ap-

(Continued to Page 4)

Fletcher's Ewe Places Second In San Angelo

Charles Fletcher's Rambouillet ewe that had been undefeated in four previous shows this year, was second place winner in the San Angelo Stock Show last week.

Fletcher also placed 14th with a buck and 13th with a ewe in a group of 165 registered Rambouillet ewes entered in the show.

Fletcher's sheep were bred by Pink Carruthers, Terrell County registered Rambouillet breeder.

Senior Cast Ready For Presentation Of Play Thursday

Four male and four female characters make up the cast for the senior play, "Her Kissin' Cousin", which will be presented next Thursday evening, March 20, in the high school auditorium. The three-act comedy drama is being directed by Mrs. Dudley Harrison.

Jessie McDonald has the part of Jennifer Desmond, a healthy, attractive girl, about 17, with a sort of "no nonsense" quality in her.

Jodie Armstrong, a friend of Jennifer's and about the same age, but rather impudent and lively, is portrayed by Trudy Jones.

Rebecca Flores is Mollie Farrell, another friend of Jennifer's, and cut from the same pattern.

Diana Duke has the role of Lucy Lee Saunders, who is given to clinging to anything masculine and is in general the kind of girl other girls dislike on sight and boys make fods of themselves over.

The four male characters are Jerry Monroe, Irvin Robbins, Tommy Werneck, and Kelley Scott, Jr. Jerry is Bruce Bartlett, Jodie's special property, who sometimes is called "smooth" but certainly not in the wolf class. Irvin is Harry Ames, Mollie's boy friend, a pleasant and nice looking person. Tommy is Tom Jackson and portrays a shy boy and presents a most unprepossessing appearance in the opening scenes of the play, but undergoes a thorough change later.

(Kelley, as Rudolph Fitzhugh with a deep-South accent has a way of looking directly into the eyes of the person to whom he is speaking, and the girls find the trait most delightful.

Tickets for the play went on sale this week with admission of 25c for elementary pupils, 50c for high school pupils, and 75c for adults.

Basketball Girls To Go To Austin

Through arrangements initiated by W. W. Sudduth, the members of the Sanderson High School girls' basketball team will get to attend the girls' state finals — as spectators only.

Parents and friends of the girls are paying expenses for the trip and the school is furnishing a bus for transportation to Austin.

W. V. Munson will drive the bus and the girls will be accompanied by Mrs. Munson and their coach, Y. F. Bowley, on the bus.

Other adults going to Austin to chaperone the girls and see the games are Mr. and Mrs. Herbert Brown, Mrs. D. L. Duke, Mrs. W. W. Sudduth, and Mrs. J. T. Williams.

The group plans to leave early Friday morning and will return Sunday.

The Roadrunners were district champs and lost in the sub-region bout to Junction.

LBP CLUB TO MEET FRIDAY

The next meeting of the "LBP" Club will be Friday, March 14, in the home of Mrs. Ruthie Brown.

Law Enforcement Foundation Names Executive Director

E. A. Stanfield

Former FBI agent E. A. Stanfield of Lufkin has been named executive director of the Texas Law Enforcement Foundation. F. O. Detwiler, president of Chance Vought Aircraft of Dallas, who serves as president of the citizens group dedicated to better law enforcement, made the announcement at Austin Tuesday when Directors of the Foundation met prior to the third annual awards banquet of the organization held there.

A native East Texan, Stanfield was a special agent for the FBI from 1940 through 1951 when he became personnel director for the Lufkin Foundry and Machine Co. He has been president of the East Texas Peace Officers Association, Lufkin Lions Club, and holds offices in the Stephen F. Austin College Alumni and ex-student associations. He is also a member of the Baptist Church, Masons and Elks.

Ten men, five prosecutors and five sheriffs, were honored at the banquet for outstanding service in their fields. The ten were selected from nominations made by interested citizens on the basis of their conduct of office, contacts with public, volume and quality of work performed, and cooperation with all law enforcement agencies.

Connell Ashley, district attorney, 112th Judicial District, of Fort Stockton was one of the five prosecutors honored.

Dairy King Plans Opening Saturday

Marshall Cooke, owner and operator of the Dairy King, announces the opening of his business Saturday. The business is located east of town on U.S. 90.

Work was recently completed in remodeling the building which included siding and painting on the exterior and painting and rearranging the interior.

Cooke stated that several new items of equipment have been purchased to facilitate and speed the filling of orders and to make work inside more convenient. He stated that several new items had been added to the menu and attention is called to his ad in other columns of this issue.

Mrs. E. C. Earwood will be the cook at the Dairy King and Mr. Cooke assures the public of fast, courteous service and appetizing food and cold drinks for hot weather snacks.

Coming Events

- Thursday night—P.T.A. meeting, WWI veterans to be honored at Legion meeting.
- Saturday — Mexican supper and old-fashioned dance sponsored by Legion Auxiliary, B. of E. T. ham supper.
- Monday — Altar Society, Baptist W.M.U., Methodist W.S.C.S. Red Cross Drive.
- Tuesday — O.E.S.
- Wednesday — Rotary Club.
- Wednesday Club.
- Thursday — Senior play, Lions Club, Thursday Club, Culture Club.

Weather Here Cold and Damp

The weather in the immediate vicinity of Sanderson has been cold and damp this week following a beautiful Spring day Sunday.

A cold snap was in the air on Monday all day and the temperature Monday night was just above freezing. Tuesday was colder than Monday but no colder Tuesday night than Monday night.

There was some fog and drizzle Tuesday night, leaving the sidewalks and streets wet Wednesday morning, and only a trace of moisture in the rain gauges.

Cloudy weather and a cold north wind continued all day on Wednesday with a trace of moisture falling in mid-morning.

There were reports of sleet at the Roy Deaton ranch west of Sanderson and a heavy cloud lay to the west and north all day.

Some snow was reported Wednesday in the Alpine area and further west.

A heavy freeze was reported in the area west of Sanderson on the Stumberg ranches. The freeze was Monday and Tuesday nights, according to the reports.

Snow, sleet and ice were reported about 30 miles north of Sanderson on U.S. 285 and snow fell almost all day in Fort Stockton Wednesday.

Temperatures here late Wednesday afternoon hovered near freezing.

Many fruit trees in town had burst out with full blooms prior to the cold weather this week. Peach and pear trees were the first to blossom, with some blossoms noted on plum and apricot trees.

Spring flowers in many local flower gardens took a set back from the cold weather.

Reports of casualties in goat herds shorn recently have not been received, but ranchmen consider this cold weather not beneficial to freshly shorn animals nor beneficial to the newly-born lambs and kids.

Death loss, if any, resulting from the weather cannot be ascertained until the weather clears.

Prisoner Burned In Car Fire Here

A prisoner being returned to San Antonio was the victim of first and second degree burns on his hands and face Friday afternoon late here. The car in which he was being transported was not severely damaged by the fire.

The car, with the prisoner and two officers, stopped at a local station to have the butane gas tank filled and the prisoner, sitting in the back seat of the car, struck a match to light a cigarette during the filling operation. He was in the car by himself at the time and he was unable to get out of the vehicle immediately.

Most of the fire had been extinguished before the firemen arrived.

The prisoner received treatment from a local physician before the group resumed their journey.

Most of the damage to the car was in the trunk compartment, where the butane gas tank was located, and to the rear seat.

Red Cross Drive To Begin Monday

The annual Red Cross Drive is being sponsored by the members of the Evening Study Club this year with Mrs. M. F. Bader as chairman.

Monday evening, beginning at 6:30, the club members will make a house-to-house canvass for contributions. The cooperation of the public will be appreciated by the club members and the local Red Cross Chapter.

Girl Scouts Have 46th Birthday

This week the Girl Scouts of America are celebrating their 46th anniversary. A nationwide organization for girls from seven through 17 years of age, its purpose is to help girls develop as happy, resourceful individuals, willing to share their abilities as citizens in their homes, communities, their country and the world.

Sanderson has four registered Girl Scout troops, three Brownie troops and one intermediate unit.

The leaders who work so faithfully with these girls are Mrs. J. R. Blackwelder and Mrs. Billy C. Hibbert, first year Brownies; Mrs. G. K. Mitchell and Mrs. L. A. McBee, second year Brownies; Mrs. J. F. Tronson, third year Brownies; and Mrs. Don Allen and Mrs. E. E. Farley, intermediate troop.

This marks the beginning of the annual fund drive for the Sanderson Girl Scouts and everyone is urged to help support the girls in securing the needed funds for the coming year.

Funds go toward registration in the area council, and for many handcrafts and supplies for the work within the individual troop units.

The supplies are used by the girls in self-education in many fields from personal grooming to first aid for the older girls and hobby work and hand crafts for the younger girls.

The money is also used to buy needed badges and supplies for earning the badges.

Lee Kelly Retires After 46 Years With Railroad

Lee Kelly has resigned from his job as tonnage clerk for the T&N Railroad effective the last of March. Saturday was his last day to be employed and his vacation time will take up the remainder of the month.

Mr. Kelly went to work for the railroad in Port Lavaca, Texas, on August 1, 1912, as a warehouseman. After six years at Port Lavaca, he worked at Marfa for three years, and then transferred to Valentine where he stayed for eleven years, beginning his employment there as a tonnage clerk. He has held a similar position in Sanderson for almost 26 years.

In commenting on his future plans, Mr. Kelly stated that for the next few months he had plans for doing as near nothing as possible, just resting. Mrs. Kelly is teaching in the Balmorhea public schools and since she is at home only on the weekends, he will probably not have too much leisure time for the next few months with a large kennel of registered Chihuahuas dogs and puppies to continue to look after. They selected the raising of the dogs as their hobby several years ago.

Jack Riggs In Phoenix Roping

Mr. and Mrs. Jack Riggs and Jackie Bob, and Mrs. J. A. Gilbreath left early Wednesday for Phoenix where Mr. Riggs will enter calf roping events in the rodeo there. Mrs. Gilbreath will visit her sister and family in Phoenix for a few days.

At Van Horn Riggs' trailer overturned after sliding on the icy highway. The trailer broke loose from the car and none of the occupants were hurt. The horse in the trailer had no visible injuries, but Riggs called back to Dryden and Jim Powers took another horse and trailer to meet him. The trailer was demolished, according to reports.

CULTURE CLUB TO MEET THURSDAY, MARCH 20

The Sanderson Culture Club will meet on Thursday, March 20, at 3:30 in the home of Mrs. H. C. Goldwire with Mrs. T. R. Arrington as co-hostess.

J. R. Hodgkins Resigns C of C Post As Secy.-Mgr.

Announcement is made this week of the resignation of J. R. Hodgkins as secretary-manager of the Terrell County Chamber of Commerce. The resignation is effective April 1.

At a meeting of the directors of the Chamber Monday night J. A. Gilbreath was named secretary-manager of the Chamber to replace Hodgkins.

Hodgkins has held the post since the inception of the organization and stated that his reasons for resigning were business conflicts and the need to devote more time to his business.

Some discussion was held on the proposed water district locally, and the question of a hospital in Sanderson was revived.

No official action was taken on either question.

Eleven Teachers To TSTA Meet In El Paso

Eleven teachers from the local schools attended the meeting of District 6 of the Texas State Teachers Association in El Paso last Thursday and Friday. The sessions were held in Texas Western College. About 2,500 teachers were present from over the district.

Mrs. W. E. Grigsby was the local delegate to the House of Delegates which convened Saturday morning.

Attending from Sanderson were Supt. Matt F. Bader, Principal Thurman White, Mmes. E. E. Farley, W. E. Grigsby, Clarence Jessup, Herbert Winston, Ruby Kiteley, W. H. Grigsby, Sue B. Moseley, and Gaines Farley, and Miss Mildred Creek. The schools were closed Thursday and Friday to make it possible for the teachers to attend the meeting.

TB, Health Assn. Meeting Monday Names Officers

The annual meeting of the Terrell County Tuberculosis and Health Association was on Monday evening in the courthouse.

Following the general meeting with Mrs. Web Townsend presiding, the quarterly meeting of the directors was held and new officers and three new directors were named.

Mrs. M. W. Duncan will head the organization as president; Mrs. Townsend is the first vice-president; Judge R. S. Wilkinson, second vice-president; Mrs. H. E. Ezelle, secretary; and C. G. Riggs, treasurer.

The three newly-elected members of the executive board for two-year terms are Judge Wilkinson, M. F. Bader and Mrs. Refugio Perez. Hold-over members are Mrs. J. W. McKee, Mrs. H. A. Smith, and J. M. Hayre.

The 13 directors elected for the 1958-60 term are: James Carline, W. W. Sudduth, Reynaldo Garza, Hugh Rose, M. F. Bader, and Mmes. Winnie Magill, Refugio Perez, J. W. McKee, M. W. Duncan, R. R. Clark, James Word, Olivia Salinas, and Web Townsend.

B. of R.T. Auxiliary Meets Monday Afternoon

The Auxiliary to the Brotherhood of Railroad Trainmen met Monday afternoon in the home of Mrs. A. C. Garner.

Plans were completed for the ham supper on Saturday evening.

At the conclusion of the business meeting, Mrs. Garner served pineapple icebox dessert, apple pie and coffee to six members including Mmes. Ed Robbins, F. G. Grigsby, Jack Laughlin, H. E. Ezelle, L. W. Welch, and Irvin Robbins.

Goode Well Drilling Below 7,742 Feet

The Richardson & Bass No. 1 Goode was reported to be below 7,742 in shale and sand layers in a sidetracked hole.

Location is in section 6 block R and is about two miles northwest of the Brown-Bassett No. 1.

The rig has been stacked at the Hunt Oil Co. No. 1 Bustin Canon site. Well has been plugged with 15 sacks of cement. Location is on section 5, block 1 and is about three miles north from the B-B No. 1.

Operators are expected to skid rig daily to site of Western Natural Gas Co. Magnolia Petroleum Co.'s Brown-Bassett No. 2, approximately 1 3/8 mile south-east of the No. 1 location.

License Sales Here Are Slow

The sale of 1958 license plates for all vehicles is lagging, according to Mrs. Tol Murrah, deputy tax collector-assessor. Deadline for the purchase of plates is March 31, and they must be installed on all vehicles used on public roads by that time.

Mrs. Murrah asks that all local citizens desiring to register their vehicles bring last year's license receipt and their certificate of title with them.

Operators are also asked to buy their license plates as soon as possible to avoid the last-minute rush and the necessity for additional work on her part to satisfy local patrons.

Diversion System Planned For Water On Brown Ranch

A water spreading system containing about 5,000 cubic yards of dirt work will be constructed on the Brown ranch, located 15 miles west of Sanderson. Joe N. Brown, operator of the ranch, said construction should start within a week.

A dirt structure, similar to a terrace, will divert water from Sanderson Draw. Openings in the structure will allow the water to spread over a deep soil site before returning to the draw.

The deep soil site below the structure, about 70 acres, will be root-plowed and seeded. Brown plans to rootplow an additional 80 acres in the draw and plant it with higher producing grasses than are found there now. The rootplowing will kill the dense growth of brush and loosen the soil so it will absorb more water, it is hoped.

The water spreading system, rootplowing and seeding are part of a basic conservation plan that Brown has with the Rio Grande-Pecos River Soil Conservation District. The SCS of the U.S. Department of Agriculture has furnished technical assistance by helping with the site selection and will stake the structure and check it for completion.

Hale-Aikin Group Begins Final Work

Local members of the Hale-Aikin committee go into the final phases of their work due to the deadline of April 1 on their report to the state committee on their findings.

The purpose of the local committee is to ascertain certain facts and figures concerning the local school as to equipment, finances, teacher supply, curriculum, building, etc., so that the state group may make recommendations to either the Texas Education Agency or the state legislature.

Time and place of the various committee meetings is posted on the bulletin board in front of the postoffice for the information of interested school patrons.

Some Vets Free Of Liability On GI Home Loans

More than 2,300 veterans have been released from liability to the Government on their GI home loans under a 1958 law. Veterans Administration reported this week.

The statute provides that veterans selling their GI homes may be released from liability to the Government if the new purchaser meets credit requirements.

The new purchaser, who need not be a veteran, must assume all of the veteran's obligations to the Government on the GI loan under the law.

Before enactment of the law a veteran was released from GI home loan liability to the Government only by paying off the loan in full himself or by having the new purchaser do so, or when VA considered it in the Government's best interests to release him.

Government guaranty of the loan is not affected by releasing the veteran from his liability. The new purchaser merely assumes the veteran's liability.

Release of the veteran from GI loan liability to the Government does not automatically restore his GI home loan entitlement. VA said restoration of entitlement may be made only under certain conditions, including the release of VA's guaranty liability.

Eagle Nine Will Play in Del Rio

The Sanderson Eagle baseball team, defending champs of District 4A, will journey to Del Rio Thursday night to play a potent Del Rio High School team.

Sanderson was undefeated in district play last year and was winner of seven of nine games. The pitching will be weak this year due to the loss by death of their ace hurler Fernando Vasquez, and Richard Hawkins, a potential winner, who moved from Sanderson.

Martha Washington's Rice Pudding

Rose water in a rice pudding? Not today, but this was a prized flavoring in Martha Washington's day. Many Mt. Vernon puddings used rose water (no longer used as a food flavoring) and usually were highly spiced and plump with "currans" or "raisins of ye sun." Martha Washington called this pudding Rice Florentine.

INGREDIENTS:
1 1/2 cup uncooked white rice
1 1/2 cups water
1 teaspoon salt
2 1/2 cups milk
1/4 teaspoon cinnamon
1/2 teaspoon cloves
1/2 teaspoon nutmeg
1/3 cup uncooked raisins
1/3 cup uncooked currants
1/4 cup beet or cane sugar
2 eggs, beaten
2 teaspoons confectioners' sugar

METHOD: Put the rice, water and salt in a 2-quart saucepan. Bring to a vigorous boil over a high heat. Turn heat down low. Cover with a lid and simmer 14 minutes. Stir in the milk. Cook, uncovered, about 20 to 30 minutes over a medium heat until the milk is absorbed. Do not boil. Stir occasionally. Stir frequently toward end of cooking. Stir in the cinnamon, cloves, nutmeg, raisins, currants and 1/4 cup sugar. Stir some of hot mixture into eggs. Return to saucepan. Mix well.

Pour into a greased 1 1/2-quart baking dish. Place in a pan of hot water. Bake in a 300° F. oven 50 to 60 minutes or until liquid in center is absorbed. Pudding stiffens as it cools. Sift on the powdered sugar. Cool. Serve warm.

This recipe makes 8 to 10 servings.

daughter. Mr. and Mrs. Marvin Wood. Another son-in-law and daughter, Mr. and Mrs. Larry Heinatz of San Marcos, joined them there for the visit.

Mrs. J. F. Tronson and children went to San Antonio Thursday to visit with relatives and friends. Mr. Tronson went for his family, returning them to Sanderson Sunday.

Mrs. Virgil Ogle of Wink is visiting here with her mother Mrs. J. W. Carruthers, and family.

Mrs. Lloyd Cowan and son, Don, went to Waelder and Flatonia Thursday to visit with relatives. Mr. Cowan joined his family there for the week-end and the return trip to Sanderson.

Mr. and Mrs. E. J. Pearce and children spent the week-end here to move their household goods to Luling where they will reside. Mr. Pearce, section foreman at Longfellow, transferred to Luling when his job here was abolished.

Dennis McQuade and Bonda Boyd went to San Angelo Thursday to get their mother, Mrs. Chester Boyd, who had been there for several days attending to business matters. They returned home Saturday.

Butch Stavley Has Surgery

Butch Stavley underwent surgery on his nose in a San Antonio hospital Wednesday. His nose was fractured and injured while playing football two years ago.

Mr. and Mrs. C. H. Stavley, his parents, accompanied him to San Antonio.

VISITATION LIGHT DURING SCHOOL WEEK

With local schools closed for two days last week to give the teachers an opportunity to attend the district meeting of T.S.T.A. classes were in operation for only three days during Public Schools Week.

The visitors registered with the following attendance noted: Lamar school, 60 visitors; elementary school, 148 visitors; high school, 34 visitors.

According to Coach Gordon Harmon, the local team could be in fair shape in time for district play. With the help of some promising freshman pitchers and some older players being shifted to the mound, he expects the team to come through with another district crown.

The district will be made up of the same three teams as last year: Sanderson, Big Lake, and Alpine. Besides playing these teams twice each, the Eagles will play Del Rio High School and San Felipe High School twice each. Coach Harmon is also trying to match games with Rankin and McCamey.

The probable starters for Friday's contest in Del Rio will be: J. T. Herring, 1st base; Brucks Bader, 2nd base; Don Little, 3rd base; Julian Rodriguez, shortstop; David Graham, left field; Irvin Robbins, center field; Celestino Fuentes, right field; Quirino Alva, catcher; Julian Martinez, pitcher.

Ready for action on the mound will be Tommy Werneking, Tomas Lozano, Felix Valles, Celestino Fuentes, David Graham, and Don Little. Lozano, Valles, and Werneking will probably see action in Friday's contest.

The schedule as is now: Mar. 13, Del Rio there; March 18, San Felipe here; March 28, Del Rio here; April 1, San Felipe there; April 22, Alpine here; April 29, Big Lake here; May 6, Alpine there and May 13, Big Lake there.

Visit With J. W. Happie

Mr. and Mrs. Web Townsend and her mother, Mrs. J. W. Happie, went to Sabinal last week to visit with Mr. Happie who is in a rest home there. They reported his condition to be improved.

From Sabinal they went to San Antonio for medical check-ups and dental work. They also attended the opera in San Antonio.

Mr. and Mrs. W. E. Lea, Jr. went to El Paso Saturday to return his mother, Mrs. W. E. Lea, who had visited here with relatives for two weeks.

Mrs. R. R. Clark's Father Dies In Louisiana

Mr. and Mrs. R. R. Clark and family returned home Monday from Ruston, La., where they attended funeral services Saturday for her father, A. F. Arrant, of that city.

Mr. Arrant died Thursday after a lengthy illness. The Clarks left for Ruston after receiving word of his serious condition, but he died before they arrived in Ruston.

Besides Mrs. Clark, other survivors include his wife, three other daughters, Mrs. John Marvin of Miami, Fla., Mrs. Clyde Harmore of Vivian, La., Mrs. Charles Burgess of Mobile, Ala.; one son, Billy Arant of Lafayette, La., nine grandchildren and three great-grandchildren.

Accompanying the Clarks on the trip were their son and daughter-in-law, Mr. and Mrs. James Clark, and their daughters, Bethy, and Mrs. Gene Chandler of Odessa.

Mrs. W. S. Forth and daughters returned home Sunday from LaCoste where they had visited with her mother and other relatives for several days.

RETAIL MERCHANTS TO ELECT OFFICERS

The Sanderson Retail Merchants Association will meet at the Orchid Cafe on Friday night, March 21, for the purpose of electing officers for the coming year. The meeting will be at 7:30.

A president, vice-president, and three directors will be named.

L. E. Muller is the retiring president of the association.

School Bus Interior Painted

Work was completed this week on painting of the interior of one of the school buses. W. V. Munson, driver, did the painting.

All the seats were repaired while they were out of the bus for the painting project.

Office Supplies at The Times.

Sun Exploration Crew Here

The Sun Exploration Crew arrived in Sanderson last week and are working in this area as an oil exploration crew. There are 14 families in the crew, six of whom moved their trailer houses here.

Mr. and Mrs. Jean Michelena are in Mrs. Shelton's garage apartment; Mr. and Mrs. Ronald W. Edrington in the Pierson rent house; Mr. and Mrs. G. E. Harless and Mr. and Mrs. W. H. Timmons in Mrs. Mary Mitchell's apartments; Mr. and Mrs. Treybig and two small sons in Mrs. Roy Harrell's duplex.

The company has offices in the Brown Building next door to the Princess Theatre.

Barbara and John Cates spent the week-end in El Paso with their uncle and aunt, Mr. and Mrs. Marvin Kelly.

Mrs. J. H. Denson and family returned home Saturday from San Antonio where they had dined with friends and attended business matters for two days.

Sunday School 3:30 Sunday afternoon.
Worship Service Wednesday at 8:00 p.m.

Young Men Urged To Consider Jobs As Patrolmen

Sgt. J. Ross Kemp, who is with the Texas Highway Patrol from Midland, was in Sanderson last week to speak to the pupils of the Sanderson High School and a local club on Texas traffic laws.

While here he stated that with Sanderson trying to get a highway patrolman stationed here, the chances of getting a patrolman would be helped and hastened if some young men from this area would seek employment as a patrolman.

Applicants must be between 21 and 35 years of age, have the necessary physical and mental qualifications, have recommendations as to character and morals, etc.

Some of the benefits include a salary of \$300 per month while training and automatic pay raises after graduation from the Department of Public Safety Law Enforcement Academy; \$10 per month added to salary at end of each five years of service up to 20 years; traveling expenses when away from station as prescribed by law; two weeks annual vacation; sick leave of 18 days each year allowed; 12 days or more for holidays each year as provided by the legislature and economical hospitalization and life-group insurance plan.

Any young man interested in application for employment as a highway patrolman is asked to contact the Highway Patrol in Midland, Del Rio, or Pecos, for application blanks.

May 10 is the deadline for making application for the coming school.

TB ASSN. SHOWS FILM
The Terrell County Tuberculosis and Health Association has sponsored the showing of a film, "Are You Positive?" to three local groups during the past week.

Last week the film was shown to the Rotary and Lions Clubs. Tuesday afternoon it was shown to the pupils of the Sanderson High School.

Mrs. Web Townsend, president of the association, and several directors attended the showing of the film Tuesday afternoon.

SEE OUR line of books at The Times.

Trespassing Leads Arrests Made By Game Wardens

Persons who persist in hunting on private property without permission of the owners caused most of the work of game wardens last month, according to a report of the Director of Law Enforcement. It showed 119 arrests for trespassing violations.

Night hunting occupied second with 65 arrests indicating that night hunting and trespassing may go together.

Hunting from automobiles was also another heavy offense for the month, with 27 arrests. There were also 27 arrests for hunting without licenses.

Fishing violations for the month were low.

For the month, however, there were 471 violations that brought in fines and court costs of \$15,299.59.

The Director also warned that with warmer weather and lakes full of fish there will be many out trying their skill at catching them. A license is required for all persons using a rod and reel, and for all persons between 17 and 65 who fish in public waters outside their home counties, according to the Director.

This license is also required for coastal fishing this year. This law, which went into effect September 1, sets up a \$2.15 universal fishing license good for both salt and fresh water fishing.

It applies to residents and non-residents. Texas is one of the few states which charges non-residents no more for a fishing license than local residents.

Francis Mansfield is now occupying one side of his duplex at 312 Richard St.

Work Progressing On Two New Homes Here

Work is progressing on the new home which is being built for Mr. and Mrs. W. E. Grigsby at 215 School Street.

The outside walls of cinder blocks are up with doors and windows in place and the roof is on. Interior work on the two-bedroom house is well under way.

The G. K. Mitchell home on

CARD OF THANKS

The ladies of the Methodist W.S.C.S. and of the church wish to express their thanks to all who helped with the recent spaghetti supper, and to the public who responded so whole heartedly.

Sincerely,
Mrs. M. W. Duncan, president
W.S.C.S.

CARD OF THANKS

We are truly grateful to the good friends who did so much for us during our recent sorrow when we lost our father and grandfather. May we take this means of saying thank you for the many comforting expressions of your friendship and affection.

Mr. and Mrs. Ruel Clark and children.

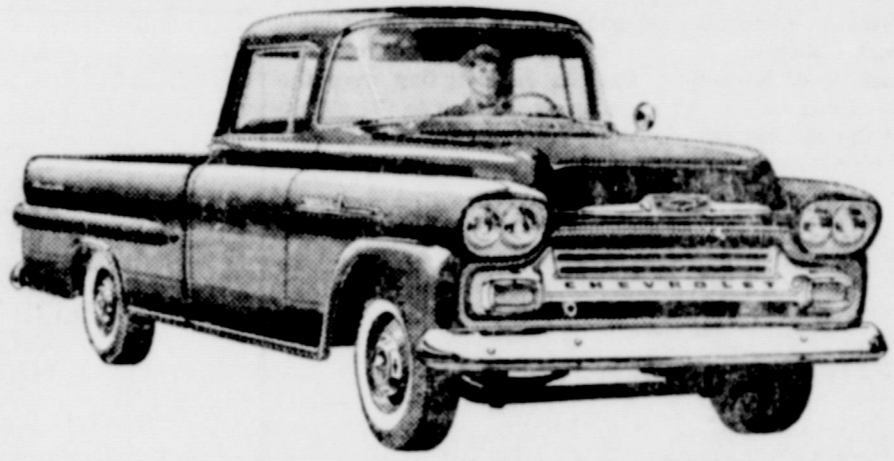

Just out! New, wide and handsome!
NEW CHEVROLET FLEETSIDE PICKUPS

PONTIAC SWEEPS NASCAR SAFETY HIGHWAY PASSING TESTS!

Pontiac again proves it is AMERICA'S NUMBER 1 ROAD CAR in the year's toughest test of SAFETY, HANDLING AND PERFORMANCE!

HOUSEWIFE VICKI WOOD AND HER '58 PONTIAC taught men drivers a lesson in winning the 50 m.p.h. safe passing event. The elated Mrs. Wood reported, "... our new Pontiac handled and performed like a dream ... so smooth and easy I couldn't believe it".

Winner of the 30 m.p.h. passing event and high over-all winner of the safety tests with his standard 4-door Pontiac Catalina, magazine auto expert Jim McMichael cracked, "I could have told them before the tests started—this '58 Pontiac is in a class by itself".

Chances are you'll never be up against the precise and exacting demands that NASCAR puts on test cars and drivers.

But you can put Pontiac through your own everyday driving paces and learn why test drivers call Pontiac America's Number 1 Road Car.

You'll discover that the industry's hottest team of engineers has created a car so advanced in basic design that it brings with it a totally new kind of driving.

Give the nod to its Tempest 395 V-8 with power trimmed precisely to your wish. Corner it, park it, maneuver it to

the point of abuse and you marvel at your absolute command in every type of driving situation.

Come in—drive and safety-test America's Number 1 Road Car. You'll discover it's by far the biggest money's worth on the market!

State Capital NEWS

By Verri Sanford

Austin — State's fiscal cupboard is bare at the moment. By the end of the month it'll probably be about \$20,000,000 short, says State Treasurer Jesse James.

Texas' treasury has been running in the red during spring months for several years. Situation corrects itself sometime after April when sizable state tax payments come in. For more than a decade the state has come out solidly in the black by the end of each fiscal period.

This year Treasurer James predicts incoming revenue will wipe out the deficit by May or June.

But there's a difference this year. Lagging oil revenues have choked off a sizable hunk of expected tax income. Comptroller Robert S. Calvert, the state's official income estimator, sees another — and worse — deficit by next fall. By the end of the present budget period in August 1958, he estimates the state will have spent \$32,000,000 "on the cuff".

This estimate holds even if oil production picks up within the

next few months.

Meanwhile state banks are still cashing the state's warrants and holding them until the state gets money in to pay them.

A Penny Saved

With an eye on the state's depleted coffers, the Legislative budget board is asking state departments to look for ways to pare expenses.

Board's letter calls on department heads to "review . . . each activity in your organization to determine if there is anything to be eliminated without detriment to the citizens of Texas".

Defense Need Cited

It won't be just Texas that will suffer if oil imports continue, says Railroad Commissioner Olin Culberson.

In an Austin speech to members of Texas Service Stations Associated, Culberson took the usual swat at imports for draining some \$1,000,000 a day from Texas economy.

But above this, he said, is the danger to national security if the domestic oil industry is strangled and the country becomes dependent on oil fields "half a world away".

"It's suicidal," said Culberson.

He doesn't see prospect of any cheaper gasoline from imports, said the Commissioner. Europeans, who get all their oil from the Middle East, pay from 80c to \$1.10 per gallon, he said.

No Trend Yet

Texas Employment Commission's latest report showed a slight drop in number of jobless — from 79,604 to 79,079.

But the change was not enough

to indicate a "turning point", the hoped-for spring upswing in job activities.

TEC's figures include only the unemployed persons covered by unemployment insurance.

Difference In View

Texas Supreme Court is considering the arguments of rival groups of optometrists who don't see eye to eye on advertising.

One group, associated with the Texas State Optical, contends a law passed by the last Legislature prohibits eye glass advertising with the mention of prices. Opponents from Lee Optical declare the section of the law limiting advertising is unconstitutional because it wasn't mentioned in the caption of the bill.

Such is part of a long history of legal maneuvering between competing optometry firms.

Loan Study Set

Small loan study group of the Legislative Council will hold a series of fact-finding hearings over the state. First will be April 4 in Houston.

Numerous organizations and officials have for some years, called for an overhaul of loan laws, charging that small borrowers have been exploited. State Junior Bar of Texas set the "loan shark problem" as its principal target at its recent meeting in Austin.

Sen. Abraham Kazan, chairman of the study committee, said any interested person with information or recommendations is invited to appear before the committee.

Annual Sessions Urged

House Speaker Waggoner Carr of Lubbock wants voters to approve a proposed constitutional amendment to provide annual sessions of the Legislature.

Carr is campaigning over the state for re-election to the speakership. Voter approval of annual

sessions is also being urged.

Budgeting on an annual basis would be much more business-like and efficient, he said, than on the present two-year plan.

Salary Squabble Flares

Plans to supplement the \$15,000 salary to get a qualified executive director for the state's hospitals and special schools has bumped into a lawmaker's indignation.

Sen. William S. Fly of Victoria said the supplement would violate the appropriation bill he helped to write. He said the \$15,000 salary was purposely set below that of other staff members to reflect that the executive director was "serving" and not "over" the higher paid staff members.

Six applicants for one of the higher paid jobs reportedly turned it down because of the "unworkable" situation.

Tain't That Tainted

No point in throwing away money, says the GOP, even if it's "tainted" oil money.

Texas Republican State Committee, meeting in Austin, voted to use \$100,000 raised by National Committeeman Jack Porter for its state budget. National GOP wouldn't touch the money after Eastern newspapers headlined Porter's fund-seeking letter which reminded Texas oil and gas men they needed GOP support to pass the natural gas bill.

State committee gave Porter a vote of confidence in a resolution saying that New Dealers had distorted his intent.

Short Stems

Texas' driving habits seem to have improved thus far in 1958. Reports (not final) from the Department of Public Safety for the

first nine weeks of '58 show a traffic death toll of 267 compared to 319 for the same period last year.

Almost twice as many degrees are awarded in teacher education than in any other field in Texas state colleges and universities. Business administration, liberal arts, engineering, sciences follow in that order.

State revenue collections from liquor sales dropped \$300,000 in January below collections for the comparable month a year ago. Liquor Control Board figures show January collections this year totaled \$2,201,306.

Gov. Daniel, as hard-beset as any Texan this year in flu sieges, took to his bed for the third

time. Members of the governor's family also have had the flu.

Presbyterian Women Attend Meeting in Andrews

Six members of the Presbyterian Women of the Church attended an all-day Presbyterial meeting in Andrews last Wednesday. This is the first Southwest Presbyterial women's meeting held in the new Presbytery, District 3, composed of churches in West Texas and Eastern New Mexico.

Attending the meeting were Mmes. J. W. Byrd, C. C. Mitchell, E. F. Pierson, J. D. Nichols, J. W. McKee, and N. M. Mitchell. Rev. Byrd took them to Andrews

Presbyterian Ladies Have Meeting of Executive Board

The executive board meeting of the Presbyterian Women of the Church was in Fellowship Hall Monday afternoon.

Mrs. J. W. Byrd discussed Spiritual Enrichment Week, the week before Easter.

Plans were made to study the Gospel of Luke, using the book, "Meet Dr. Luke". Meetings will be at the church at 2:30 in the afternoon on March 31, April 1 and 2.

Plans were also made for a church survey to be conducted Sunday afternoon.

Mrs. J. D. Nichols led in the prayer and the hymn, "Take My Life and Let It Be" was sung. Eight members answered roll call.

Mrs. J. L. Whistler asked for used clothing to be brought to the church for shipment overseas.

During the circle meeting that followed, Mrs. N. M. Mitchell gave a report of the conference of District 3 which was in Andrews on March 5.

Five other members who attended the conference, Mmes. J. D. Nichols, Byrd, E. F. Pierson, C. C. Mitchell, and J. W. McKee also contributed to the report.

Mrs. C. C. Mitchell led the program on "A Learning Church—Come, Learn". Scriptures from Matthew, Mark, and Acts were read by the members. Mrs. Pierson gave the prayer to open the meeting and Mrs. Leola Hill, a visitor, led the dismissal prayer.

Members present were Mmes. David Mitchell, J. W. McKee, J. L. Whistler, R. S. Wilkinson, H. C. Rock, E. F. Pierson, N. M. Mitchell, J. D. Nichols, G. K. Mitchell, Roy Deaton, J. W. Byrd, E. F. Pierson, and C. C. Mitchell.

Tuesday Club Entertained In Underwood Home

Mrs. S. H. Underwood entertained the Tuesday Bridge Club and additional guests this week, arranging five tables in the party rooms which she decorated with arrangements of purple stock.

High score prize went to Mrs. Hugh Rose, second high to Mrs. Jack Riggs and Mrs. John Harrison was low. Mrs. H. E. Fletcher won the high guest prize.

Also present were Mmes. W. R. Stumberg, M. F. Bader, Mary Lou Kellar, Jack Sexton, G. E. Babb, E. J. Hanson, Bustin Canon, W. E. Stavley, M. W. Duncan, Willie Banner, Worth Evans of Fort Davis, H. E. Ezelle, A. J. Hahn, J. T. Williams, John Reininger, and W. W. Sudduth. Cherry pie a la mode and coffee were served for refreshments.

Thursday Club Meets Last Week In Duncan Home

Mrs. M. W. Duncan entertained the Thursday Bridge Club in her home last week, decorating the rooms in arrangements of Bells of Ireland and stock.

Cold drinks and coffee were served throughout the afternoon and after the card games, party cake, coffee, and tea.

The high score prize went to Mrs. Jack Sexton, and second high to Mrs. H. E. Fletcher, both of whom also held slam prizes. Mrs. Vic Littleton was low.

Also present were Mmes. M. F. Bader, S. H. Underwood, A. J. Hahn, G. E. Babb, Mary Lou Kellar, W. R. Stumberg, Roger Rose, C. H. Stavley, and H. E. Ezelle.

Mrs. H. P. Boyd has remained in San Angelo with her mother, Mrs. Ella Humphrey, who suffered a stroke ten days ago. She is paralyzed on one side but has shown some improvement.

Study Club Meets Thursday In Sanders Home

The Evening Study Club met Tuesday evening in the home of Mrs. L. N. Sanders with Mrs. Gordon Harmon as co-hostess.

Plans were completed for the Red Cross Drive to be made by the members on Monday evening.

Committees were appointed for the annual banquet honoring the members of the girls' basketball team. The banquet will be on April 1.

Mrs. Roy Deaton discussed Texas Grand Opera Festivals. Mrs. Bob Wilkinson, who attended the recent Grand Opera in San Antonio, gave her impression of the operas. She also gave interesting accounts of her recent trip to Japan.

The hostesses served pineapple icebox dessert with tea and coffee.

Two guests were present: Mrs. G. G. Henderson and Mrs. R. S. Wilkinson; also Mmes. Carlton Smith, E. R. Searey, M. F. Bader, Weldon Cox, Roy Deaton, Vic Littleton, W. W. Sudduth, Thurman White, and Newt Harper.

Rev. Scott Gives Bible Lesson For W.S.C.S. Meeting

Rev. Kelley E. Scott presented the second lesson in the Bible study course on the Book of Mark when the Methodist Woman's Society of Christian Service met Monday afternoon in Fellowship Hall.

Mrs. W. T. Attaway arranged the worship table and the hymn "Break Thou the Bread of Life" provided the theme for the meditation for the devotional period led by Mrs. L. H. Gilbreath.

Those present were Mmes. L. G. Hinkle, Clyde Higgins, H. E. Ezelle, Kelley E. Scott, John Neal, L. H. Gilbreath, W. T. Attaway, M. W. Duncan, C. H. White, W. W. Sudduth, Lee Grigsby, Lewis Hill, and Miss Eva Billings.

CARD OF THANKS

For those whose comfort means so much to us in our time of grief, we offer heartfelt thanks. We were truly helped by the many kindnesses shown us. The Family of Mrs. Antonia Villarreal.

Mrs. E. J. Hanson '51 Club Hostess On Wednesday

The members of the '51 Club and other guests were invited to the home of Mrs. E. J. Hanson Wednesday afternoon, making a guest list of 20 for a bridge party. Spring flowers decorated the party rooms.

Mrs. Vic Littleton held high score, Mrs. O. T. Sudduth, second high and Mrs. Carlton Smith was low.

Also present were Mmes. M. F. Bader, Herbert Brown, H. E. Fletcher, A. J. Hahn, Gordon Harmon, Edward Kerr, J. O. Little, Jr., Roger Rose, W. W. Sudduth, J. T. Williams, W. R. Stumberg, Bustin Canon, S. H. Underwood, John Reininger, Mary Lou Kellar, H. E. Ezelle, and G. E. Babb.

Tea and coffee were served with lime chiffon pie at the conclusion of the card games.

Bonhomie Club Meets Wednesday In Batson Home

Mrs. Marion Batson was hostess for the meeting of the Bonhomie Club this week. The club met on Wednesday.

Those present were Mmes. E. F. Pierson, J. Garner, Lewis Hill, J. W. Carruthers, Jr., B. F. Dawson, James Caroline, Alfred Bendele, and four guests. Mrs. Elma Riley, Mrs. Charlie Murray, Mrs. Hal Tyler, and Mrs. L. H. Gilbreath.

The hostess served tea, coffee, and Easter cake.

Mr. and Mrs. O. T. Sudduth and Nelda Kay visited in Lubbock last week-end with his brother, D. F. Sudduth, and family.

Mrs. Hal Tyler returned home Friday from Jal, N.M., where she had visited for two weeks with her sister and family.

F.F.A. BOYS PLAN BANQUET

The annual F.F.A. Banquet will be April 17 in the band hall at 7:30 p.m., according to announcement by Buddy Monroe, reporter for the organization, this week.

It will be a parent-son affair. Speaker for the occasion will be Guy Powell, county agent of Kerr County and father of John Powell, local F.F.A. advisor.

CHURCH ROOF REPLACED

Work began Thursday on the installation of a new sheet metal roof on the Methodist Church. The former roof of composition shingles, was severely damaged in a recent windstorm with many of the shingles blowing off or being loosened. A portion of the damage was covered by insurance.

The new roof will be installed over the old shingles.

Mrs. E. J. Foley and two children of Maracalbo, Zulla, Venezuela, are visiting here with her mother, Mrs. A. D. Brown, and her brother, Herbert Brown, and family. Mr. Foley will join his family here in a few weeks for a visit.

Car Wreck Here Injures One

Joe Borrego received lacerations on the head last week when the car he was driving was hit by another vehicle. Borrego's car was badly damaged, according to reports, and the front of the other vehicle, a pick-up truck, received lesser damages, according to reports.

Borrego received local treatment for his head wounds. The other vehicle operator was not injured.

Mrs. Martha Athas and two sons, and her mother, Mrs. T. L. Leader, have moved to the Muller rent house on West Oak St.

Calvin Stansell, Former Resident, Dies in Arkansas

Calvin Stansell died in a government hospital in Brinkley, Arkansas, Tuesday afternoon. Funeral services were held in that city Thursday afternoon and interment was made in the National Cemetery in Little Rock.

Mr. Stansell came to Sanderson with his parents, the late Mr. and Mrs. J. C. Stansell. They built and resided in the house now occupied by the Chester Smith family. Mr. Stansell was a T&N agent here.

After graduating from the Sanderson High School, Mr. Stansell studied law and was county attorney here for several years. He was a veteran of WWI.

Survivors include two daughters, Mrs. Carl Riddell of Brinkley and Mrs. Fred Chapal of San Antonio, and three grandchildren; also two brothers, Dr. Paul Stansell of San Antonio, and Walter Stansell, a sister, Mrs. Howard Bush of San Antonio.

Mrs. H. M. Petty and children returned home last week from a visit with relatives in Dallas and Fort Worth for several weeks. Mr. Petty went for his family.

The new **BLOUSES** and **SKIRTS** are so pretty. Have you seen our new sports clothes? Hometown Dress Shop, 320 W. Oak.

Stated meeting of OES Chapter No. 136, next Tuesday, 8 p. m. Mrs. Delton Hogg, W. M.

BIRTHS

A daughter, their second child, was born here Wednesday morning to Mr. and Mrs. J. E. Felts. The baby weighed six pounds and 15 ounces and was named Vicki Jean.

"BUTCH" ROGERS ENLISTS IN U.S. NAVY THIS WEEK

Chief Engineman Gordon E. Lucht, U.S. Navy recruiting service, was here this week and accepted the enlistment of Gene Leroy "Butch" Rogers of Dryden. Rogers enlisted in the Navy for a minority cruise. He left Thursday for Pecos and will go on to San Diego, Calif., for nine weeks of basic training.

Rogers, the son of Mr. and Mrs. Buddy Rogers of Dryden, made good grades in aptitude tests, according to Lucht, and will be given a choice of a number of phases in training.

BAPTIST W.M.U. HAS VISITATION

The members of the Baptist W.M.U. went on a visitation project after a short business session at the church Monday afternoon. The meeting, conducted by Mrs. H. G. Cates, opened with a hymn and prayer.

Those present were Mesdames T. O. Moore, Lloyd Cowan, Clyde Whistler, W. C. Pearce, A. D. Brown, James Word, O. D. Gray and Warren Capps.

Mrs. R. S. Wilkinson and her daughter-in-law, Mrs. Bob Wilkinson, visited with relatives in San Antonio last week-end and attend the opera. Mrs. W. R. Stumberg accompanied them on the trip to visit with her daughter, Mrs. Marshall Miller, and children, and with other relatives.

Listen to Luke

(Continued from Page 1) parent slight effort. It's interesting to see how a company can gamble so much money on what they will find at

the bottom of a hole of undetermined depth.

It's interesting to know and how these things are done.

One lady, a wife of a "doodlebugger" formerly living here was heard to say: "Why should ranchmen not let the crews in during lambing season? Are they afraid the men will steal the lambs?"

Another inquiry came to from the telephone company to why there was a sudden run to disconnect orders for telephones.

Upon inquiry as to the matter, it was ascertained that they were members of an exploration crew. Knowing that the crew left because of the start of lambing season and the ranchmen's negative outlook toward activity in the pastures at that time, we told them it was because of the beginning of lambing season.

We know the telephone representatives are still trying to figure out the connection between lambing season and disconnected telephones.

If they ask us any more, we are going to say the telephone ringing disturbs the ewes.

The Sanderson Times

To The Busy Housewife . . .

YOUR HOMETOWN NEWSPAPER IS A REAL CONVENIENCE!

A wonderful way for a busy young mother to save countless hours is by shopping the ads in her hometown newspaper. By knowing, before she goes to town, which products she wants and where to buy them, she can do an efficient job of marketing. While the housewife spends her time becoming an expert nurse, laundress, cook, playmate, and bookkeeper, the local newspaper is bringing her the shopping news. It tells her about the latest products and services that will help her accomplish her work most efficiently. It tells her where to find the best prices offered on items she needs. It saves her many long hours of "shopping around!"
