

AFTER TIE RESULTS

C.H. Veazey Wins Cotton Bowl Trip

C. H. Veazey of 1207 Washington Avenue in Friona, won the two free tickets to the Cotton Bowl game January 1, along with \$55 expense money, but it took a check of the tie-breaker scores to break a tie between Veazey and Waymon Wilkins.

Veazey and Wilkins tied with 74 correct games during the course of the contest, so by contest rules, the tie-breaker score had to be tallied for the season to break the tie. Veazey missed the game scores by a total of 196 points for the entire season, and Wilkins had a point difference of 234 points.

"It's the first time in the four-year history of the contest for two entrants to come out tied," said Advertising Manager John Getz of the Star, which along with ten local busi-

ness firms sponsors the annual contest.

The sponsors of the contest this year have been Friona Farmers Co-op Gin, Hub Fertilizer, Reeve Chevrolet, Friona Wheat Growers, Friona Country Club Gin, Bi-Wize Drug, Friona Motors, Ethridge-Spring Agency, Herring Implement and Chester and Fleming Gin.

Going into the final week, three contestants were tied for the lead, but Jack Clark finished a point behind the leaders when he missed both of the professional games on the entry blank.

Ralph Broyles was the winner of the final week's contest, with eight correct answers, edging out Dennis Howell, who also had eight. Broyles missed the tie-breaker only three points, while Howell was 18

points off.

Third place was won by Mrs. W. R. Mabry, who picked seven games and missed the tie-breaker by only three points.

Finishing fourth in the race for tickets to the Cotton Bowl were Martell LeVeque and Dennis Howell, who tied with 71 correct games.

An interesting sidelight to the winner was that Veazey never won a weekly prize, except to tie for third one week. But that probably doesn't bother him a bit -- a good average won out in the long run.

S. D. Balze was the player of the week for the final week. Winner of the Star's "player of the year" award, based on contestants' votes for the entire year, was Everett Gee, who edged out Doug Dodd by three votes.

WINS TICKETS. . . C. H. Veazey, right, is shown receiving authorization that he won the two tickets to the Cotton Bowl game from Star Advertising Manager John Getz.

Thursday is Thanksgiving Day.

To some, it will be just another day in the year. To some, it will be just an excuse to have a big feed and loaf around the house. To others, it will be a time to visit with relatives or friends in some other part of the country.

But there will be some who will remember the true meaning of Thanksgiving. They will remember the things which have come their way during the past year -- the things for which they may be thankful.

For most of us, the list of things to be thankful for is very long. Our health, food to eat, a car to drive when needed, our friends, a good harvest, and the country in which we live are only a few of the many things which we as Americans may be thankful for on this day -- the only strictly American holiday.

Thanksgiving was begun by Americans for Americans. It is a holiday for Americans only. So, lets all do our part this year.

I am sure that the person with the poorest "luck" in the country could find many things to be thankful for if he were to stop and think for a minute.

And, if you are planning a trip out of town, be careful on the road and then be thankful that no other car smashed into you.

--TH--

What makes the natural laws governing water pressure different in Friona than in most all other towns? Or, do the same rules apply here? In which direction will the town's major growth be in the future.

The answer to these questions should be found soon -- before the new water tower is erected.

According to the information at my disposal, the engineers have declared that the positioning of the new tower will not greatly affect the water pressure in the city. WHY? If the tower is placed on the far northeast side of town as suggested, it will not benefit the west side of town -- except in the volume of water which may dribble out of the faucets -- unless the natural laws are different for Friona.

Why shouldn't the placement of the new tower follow the pattern proven to be most effective by other towns? Why shouldn't the new tower be placed nearest the population center of the city or on the opposite side of the heaviest users from the old tower?

The latter placement has proven to be most practical in helping to maintain ample volume and pressure to supply the water needs of cities both smaller and larger than Friona.

I believe we are governed by the same natural laws as any other town and that the most logical place for a second tower is near the north end of Main Street. But I do not have the results of any study of this problem. To my knowledge, no study has been made recently.

So, let's see where the facts lead us. There is a water supply tank in the southeast part of town, another on Fifth Street in the west part of town but none on the north side.

The town has already extended north on both sides of Main and further growth may go either north or east. Most of the room for growth to the west has been taken or soon will be. The golf course, swimming pool and drive-in theater form a type of barrier to growth to the west. The railroad and draw blocks the south. A lake blocks the northwest. Therefore, the only logical direction left to grow in is the north and northeast.

On pure speculation, we could say the town will grow to the north east because a few houses are being built in this area. Therefore, it is possible that a load on the water supply might develop in this area sometime in the future. But what of the needs of the present city. A supply at the north end of main would help the present users and place the northeast in a better position than the north part of town is at present.

Ask your firemen if the (Continued on Page 2)

AFTER ONE WEEK

UF Drive Reaches 60 Per Cent Of Goal

Mr. and Mrs. Orbra Cole of Route 2, Friona, reported having a visit last week with Peter and Wolfgang Stoerchle, the German-Canadian youths who came through Friona last August on their horseback journey from Toronto, Canada to Los Angeles.

The Coles ran onto the riders in Flagstaff, Arizona, when they were enroute home to Friona after a visit in California.

Since their stop in Friona, they have added about 600 miles to their total, but still have about 450 miles to reach their destination.

Friona's United Fund drive for 1962 had reached 60 per cent of its goal as of Tuesday morning, according to co-chairmen H. K. (Pudge) Kendrick and Carl Maurer.

A tally late Monday showed that the United Fund Campaign had collected a total of \$3,541, compared to the goal of \$5,930 set for this year's campaign.

"We do not have reports from community delegations in either Hub or Rhea," the co-chairmen said. They also stated that while the city of Friona

had been worked pretty thoroughly, "we haven't heard from some areas."

Campaign authorities were hoping to wind up the drive by Thanksgiving, or "as soon after as possible." Last year's goal was very similar to this year's, at \$50 less -- \$5,880.

The seven organizations which benefit from the UF Campaign include the Boy Scouts, Girl Scouts, Red Cross, Salvation Army, United Service Organizations (USO), Medical Research Fund and Emergency Local fund.

CHRISTMAS AT THANKSGIVING. . . Rev. Hudson B. Phillips, pastor of the Union Congregational Church, admires the evergreen tree in front of the church, which took on the aspects of Christmas during last Saturday's snow.

PRIZE WINNERS. . . Benny Pryor, vocational agriculture instructor at Friona, poses with one of the first place teams at the district leadership contest. The Junior Farm Skills

team is composed of Bobby Sims, Steve Wagner and Travis Graves. Not present for the picture was Dwight Whitaker. (More pictures on inside pages)

FOUR FIRST PLACES

FFA Teams Win Five Awards At District Meet

Friona High School won the lion's share of awards at the District Future Farmers of America leadership contests last Saturday at Muleshoe.

Friona won four first place awards and one fifth, as nine teams in the district entered teams for competition. The four first-place teams are eligible to enter the Area I leadership contests at Plainview December 1.

The outstanding achievement was not only the best for Friona in the district contests in several years, but was the top performance by any school in the past few years.

"We had some outstanding students who really worked at it," said Benny Pryor, one of the local vocational agriculture instructors. David McVey is the other instructor who acts as advisor to the local chapter.

Teams which won first place honors included the radio broadcasting team of Danny Murphree, Jim Snead, Jackie Clark and Dennis Howell;

Senior farm skills team composed of Jerry Cass, Dale Milner, George Rushing, Dewain Phipps and Ronnie Brookfield; Junior farm skills team, made up of Bobby Sims, Steve Wagner, Travis Graves and Dwight Whitaker;

FFA Quiz team, composed of Eldon Long, Larry Johnson, Rodney Williams, Phillip Johnson, Roger Nelson and Lupe Rodriguez.

The teams will be presented

with their awards at the annual District Banquet at Littlefield next Tuesday, November 27.

DEPENDS ON GRID GAME

FHS Cage Teams Open Season Saturday - Maybe

Friona High School basketball teams open their season here Saturday - provided that their opponent isn't still engaged in football.

The Chiefs and Squaws are scheduled to play Canyon Saturday in a double-header beginning at 7 p.m. The game is contingent on how the Eagle a double-header beginning at 7 p.m. The game is contingent on how the Eagle football team comes out in their bi-district game this week. If they lose, the basketball game will be played; if they win, it's off.

The Chiefs are rebuilding this season, with only two lettermen back from a team that won 14 and lost 12. The lettermen are Billy Thomas and Max Reeve, both seniors.

Chief Coach Vernon Scott greeted 17 basketball hopefuls Monday in the first day of try-outs. Scott said he couldn't size up his team too well yet, since cage workouts necessarily couldn't start until after the football season, which just ended.

Coach Baker Duggins has 11 returning lettermen from his 1961-62 team that had a 26-5 record. Three starters return. Returning starters are Kay Burleson and Sandra Hoover, senior guards, and Janet Buckley, senior forward.

Other returning lettermen are Pat Barker, forward; Myrna Bennett, guard; Rose Ann Green, forward; Glenda McClellan, guard; Charlotte Nettles, forward; Carolyn Herring, guard; and Kay Coffey, guard.

Several players up from last year's freshman squad are expected to help the Squaws. They include Sharon Dean, Annette Jennings, Merlene Massie, Shirley Phipps, and Sheryl Long.

The way things are going now, the starting lineup is composed of two seniors, two juniors and two sophomores.

Starters now are Janet Buckley, Charlotte Nettles and

Annette (Tito) Jennings at forward, and Kay Burleson, Myrna Bennett and Linda McClellan at guard.

Giving Miss Jennings a fight for her position is Pat Barker, a senior, and another senior, Sandra Hoover, is battling for a starting berth at guard.

Both of these girls will be starting at times throughout the season, Duggins says.

"We have good depth, but no real height advantage," is the way Duggins summed up his team for this year. "I feel like anytime we take the court this season we should have a chance to win," he said.

Both teams have some tough tournaments, playing in the Happy and Tullis Invitational meets. In addition, the Squaws play in the West Texas State Invitational tournament at Canyon November 29, 30 and December 1.

Competing in the latter tourney will be Tullis, Claude and Dimmitt.

The complete schedule reads as follows:

Nov. 24 -- Canyon, here
Nov. 27 -- Farwell, there
Nov. 29-30 -- Dec. 1 -- Girls tourney at Canyon

(Continued on Page 2)

Harvest Stopped By First Snow

Temperatures fell to the 20s in Friona last week for the first time this season, as a moisture laden three-inch snow halted harvest operations throughout the county.

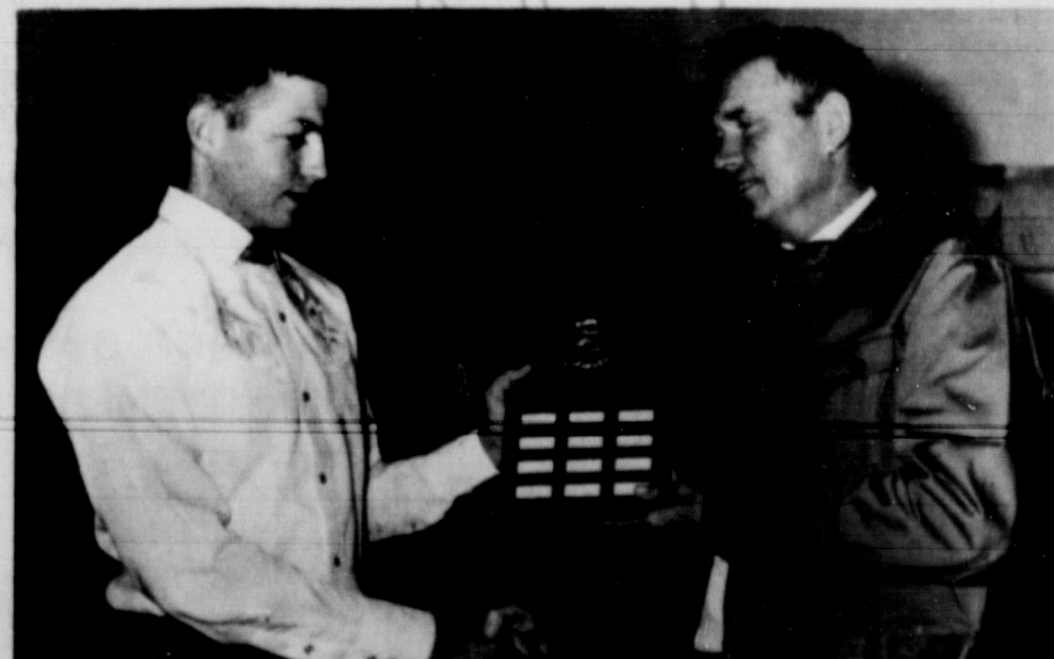

The snow came on Saturday, November 17, and while it was somewhat early, was about two weeks later than last year's exceptionally-early snow, which really put a crimp into farming activities.

The snow last week amounted to a total of .42 inches of moisture, and while it met a skeptical acceptance from most cotton farmers who don't have their crop out, it was a boon to wheat land, which had received hardly any moisture for about a month.

Minimum temperatures dipped into the 20s for four consecutive days, Friday, Saturday, Sunday and Monday nights, with a 21-degree reading Saturday standing as the season's low, Sunday's high, on the other hand, was a frigid 30.

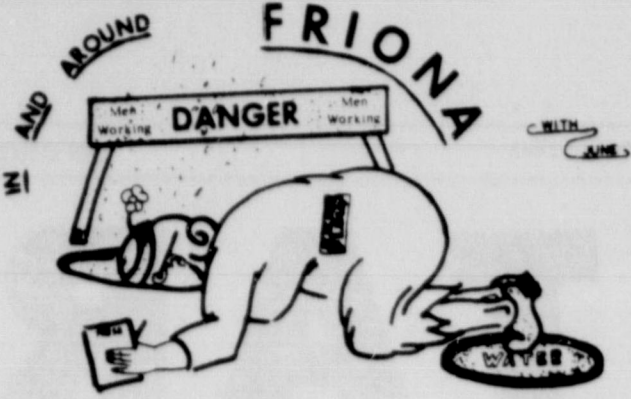

Temperatures for the week, compiled by Arley L. (Jake) Outland, city manager, were as follows:

November 15	68	49
November 16	65	30
November 17	33	28
November 18	30	21
November 19	41	27

FIGHTING CHEFTAIN. . . Mickey Wilson, left, was presented the first annual "Fighting Cheftain" award at last Saturday's football banquet by Booster Club president John Renner.

November 14 Max, Min, 78 43

Weather wise we really had a change during the weekend. Rose gardens that were filled with beautiful red blossoms Friday night were covered with snow Saturday morning.

Cotton farmers appreciated the moisture even though they had just started stripping cotton. As a whole farmers are a pretty optimistic group in spite of their constant grumblings.

Some of us who know Jimmy Hill, a first grade student, currently making his home with the Rene Sneads, have known for a long time that he was talented in several ways, but didn't know until recently that he might be destined to become a weather forecaster.

Upon receiving some new red pajamas and a fuzzy winter coat with a hood a few weeks ago, Jimmy decided that they were not to be worn until the first snow.

When someone asked him when it was going to snow, he said, "The night we play the last football game."

Late Friday Jimmy announced that since the Friona Chieftains were playing their last game it was time to sleep in the red pajamas. He went to bed confident that when he woke up the next morning there would be snow on the ground.

The next morning several people were surprised to see the ground covered, in spite of the late weather forecast that there would be snow. However, Jimmy wasn't the least bit surprised. He said, "I knew it was going to snow. That's why I wore these pajamas."

Sure signs that Christmas isn't far away -- toys in the stores, Christmas trees on display, gift suggestions for everyone, plans for the ex-students

reunion and display of signs announcing Project Christmas Card.

It seems that since there are ten commandments every person who comes up with a list of dos or don'ts somehow or other manages to make the items add up to ten.

Recently I ran across a very interesting list entitled,

"Ten Rules For Happiness"

1. Make up your mind to be happy. You can think yourself into being miserable. Learn to find pleasure in simple things.

2. Make the most out of what you have, where you are, and with what time there is.

3. Don't take yourself too seriously. Don't think that everything that happens to you is of world-shaking importance.

4. Don't borrow trouble. You have to pay compound interest on borrowed trouble.

5. Don't let your neighbors set your standards.

6. Don't cherish enmities and grudges. Hate takes all the joy out of life.

7. Keep in circulation. Meet interesting people.

8. Don't hold post-mortems, don't spend time brooding over mistakes. Make them stepping stones to success.

9. Do something every day for somebody else.

10. Keep busy doing constructive things.

Bouquets this week go to Mr. David T. McVey and Mr. Benny J. Pryor and their ag boys. Five teams of FFA boys entered district competition at Muleshoe Saturday and brought home four first place banners.

We are going to be looking for some of these teams to enter state competition and bring home some first place banners.

Castin--

Dinner Draws Crowd

Sixty eight persons were present at Fellowship Hall of First Baptist Church for the annual department two Thanksgiving dinner. John L. Ray was master of ceremonies. Traditional songs were sung by a quartet composed of Rev. Bill Burton, Herbert Reeves, Arvilla England and Jean Coker. Mrs. Wesley Hardesty presented the devotional and a solo was sung by Rev. Burton.

Tables were covered with white cloths and centered with strips of brown crepe paper and green leaves. Miniature turkeys, horns of plenty, squashes, pumpkins and ears of corn completed the table decorations.

Ham and turkey with dressing were featured on the menu, which also included cranberry salad, green beans, peas, pickles, salad, potatoes, pie, coffee and tea.

What Thanksgiving Means

Thanksgiving is a time to count
Our many blessings, large and small,
And offer up a prayer of thanks
To the Creator of them all.
With simple words but heartfelt warmth,
Your deep appreciation show—
Thanksgiving Day's true meaning, then,
Your heart will feel and you will know.

Highlights and Sidelights From Your State Capital

AUSTIN, Tex. -- Capital city folks already are getting "inauguration fever."

Inaugural plans for Governor-elect John B. Connally will be far more elaborate than any held in the past decade. So reports Frank Erwin, secretary of the State Democratic Executive Committee, who is in charge of arrangements.

Festivities will begin the evening of January 14 when 5,000 Democrats are expected to pay \$25 a plate for a Victory Dinner in Austin's Municipal Auditorium.

On the morning of the 15th, there will be an interfaith Prayer Breakfast in the Driskill Hotel.

At noon Governor-elect Connally and Lieutenant Governor-elect Preston Smith will be "sworn in" in a ceremony supervised by the State Senate and House of Representatives.

Inaugural parade, following the ceremony, is expected to be one of the largest ever held in Austin. High school bands from all over the state are accepting Connally's invitation to participate. Many out-of-town floats also will participate. Also taking part will be the U.S. Navy, with a salute to its former secretary, John Connally.

The Capitol and all state buildings on its grounds will be illuminated that evening. All Texans will be invited to greet their new chief executive and other elected state officials and enjoy refreshments and entertainment in the Capitol.

This gala evening event is a brand new innovation.

TEXTBOOKS SELECTED -- State Board of Education voted to accept the State Textbook Committee's recommendations for new texts in 13 public school courses, and approved its recommendation not to select new economics texts at this time.

In compiling a list of some 65 textbooks for selection by local boards, the 15-member committee studied 188 books submitted by 33 publishers, with the assistance of 517 professional advisors and 400 laymen.

Texas Education Agency experts in 10 fields then reviewed their selections and submitted some 400 suggested corrections, which the publishers agreed to make.

Most of the corrections refer to typographical mistakes and minor factual errors. State Library agreed to keep a copy of each recommended text so that they will be available to individuals who may want to protest acceptance by local school boards.

Board of Education also will send samples to local boards, according to enrollment; one set for 500 pupils; 16 sets for 10,001 to 50,000 pupils; etc. Local boards must appoint their selection committees by December 15.

REPORT POSTPONED -- House Textbook Investigation Committee postponed completion of its final report to the next Legislature for the second time.

Committee, headed by Rep. W.T. Dungan of McKinney, will meet on December 27. Then each of its five members will submit individual reports on hearings held in Austin, Amarillo and San Antonio.

Decision to make separate reports from each committee member underscored the squabbling which has beset the committee since it began public hearings last January.

Committee voted to exclude mention of a Dallas hearing, where former Maj. Gen. Edwin A. Walker testified, since Representative Dungan was the only member present.

RABIES DOWN -- State Department of Public Health reports that the incidence of rabies is decreasing.

For example; the number of rabies cases reported between January 1 and September 30 of 1953 was 1,336. Reports for the same period in 1962, nine years later, totaled 448.

No cases of rabies in bats were listed from 1953 to 1956. But they numbered 26 this year. Dogs were the animals most frequently infected with rabies. Foxes followed second.

Only 15 cases of rabies in humans have been reported over the past 10 years.

Stanley Tools, New Britain, Conn., is out with a snub-nosed 1/2-inch drill not much bigger than a 1/4-inch for work in hard-to-reach spots. The handle, mounted at right angles to the chuck, is designed to give greater leverage against the backward twist of the bit. Unusual chuck-over-motor design compresses front-to-back length to 5 3/4 inches. A spade type auxiliary handle that wraps around the back and a stud type that screws into either side are available. A rubber bumper protects work.

Hub Women Attend Furniture Workshop

The all day meeting of the Hub Home Demonstration Club at the community center Thursday featured a workshop and covered dish luncheon. Hostess was Mrs. W. E. Stringer, club president.

Mrs. W. H. Long directed the program on the refinishing of furniture. Refinishing the piano in the community house was the group project. Several members worked on individual projects.

Another all day workshop is being planned. Members are invited to bring pieces of furniture that need a refinishing job. Date of the workshop will be announced later.

Next regular meeting will be November 15. Hostesses will be Mesdames B. O. Elder, M. M. Elder and W. E. Stringer. A demonstration on making Christmas gifts and wrapping them will be featured on the program.

Visitors

Mrs. F. B. Harkins of Plainview visited in the home of Mr. and Mrs. Gene Welch and children recently. Mrs. Harkins is the mother of Mrs. Welch.

Of Interest To THE WOMEN

Betty Jean Gore Weds Kenneth Carr

Miss Betty Jean Gore became the bride of Kenneth Lee Carr in a candlelight ceremony in the Golden Methodist Church, October 6.

Parents of the couple are Mr. and Mrs. L.M. Gore and Mrs. Liddie Carr and the late Joe Carr, all of Golden.

Reverend Carleton Dyer, pastor of the Golden Methodist Church, read the double ring ceremony before an archway of magnolia flanked by candles. Smilax formed the background accented with tall baskets of white gladioli and mums.

Music selections from Rogers and Hammerstein's "Carousel," "South Pacific," and "Oklahoma" were presented by Mrs. Carleton Dyer, soloist, and Mrs. Julius Deupree Jr., of Mineola, organist. Mrs. Dyer sang "Some Enchanted Evening" and "Love Is A Many Splendor Thing." "The Lord's Prayer" was sung as the couple knelt at the altar.

Given in marriage by her father, the bride wore a ballerina length gown fashioned of Alencon lace and net lace formed the bodice with a Sabrina neckline and long tapered sleeves. The skirt flowed from the basque waist into an elegant overskirt effect. Matching lace bands edged the net tiers of the bouffant skirt.

Her shoulder length veil of net was fastened to a cap of iridescent sequins. Her bouquet was a purple throat white orchid surrounded by white carnations carried atop a white lace-covered Bible. The bride carried out the tradition of something old, new, borrowed and blue, and a penny in her shoe.

Matron of honor was Mrs. J. W. Godwin of Mineola. Bridesmaids were Misses Karen Murdock, Mary Gwynn Duffy and Mary Gibson, all of Golden, and Mrs. Tommy Sorrels of Houston.

Bridal attendants wore identically fashioned gowns of taffeta with draped necklines and full skirts in pastel shades of green, yellow, orchid, pink and blue. Their circle hats were of net and taffeta. They wore dyed to match shoes of satin and carried nosegays of pastel asters.

Miss Charlotte Sharp, niece of the groom, was flower girl. She was attired in a gown of pink taffeta and carried a pink basket with white rose petals.

Eddie Earl Carr of Dallas served his brother as bestman. Groomsman were Kenneth Murdock, Jerry Don Hackler, Jerry Gibson, all of Golden, and Tommy Sorrels of Houston. Tru-

man Hackler and James Burns were candle lighters. Ushers were Adrian Bowdoin and Max Sloan. Jimmy Lankford served as page boy.

Mother of the bride wore a lime green sheath of shantung with accessories of pink and black. Her corsage was pink carnations. Mrs. Carr wore a dress of navy blue with blue accessories, and a pink carnation corsage.

Following the ceremony a reception was held in Fellowship Hall where over 200 guests were served. The long table was laid with white net over pastel green taffeta. The centerpiece was of white gladioli and mums mixed with flowers carrying out the color theme of the attendant's gowns.

The three-tiered wedding cake of green and white was served by Mrs. Eddie Carr and the lime sherbet punch was served by Miss Lois Binford. Mrs. Larry Sharp of Tyler, sister of the groom, presided at the guest book.

Other members of the house-party included Mesdames Robert Bowdoin, H. C. Harrison, Ed Cathey, Harold Lankford, Intha Wright and Misses Myrtle Prickett and Marie Harrison.

For a wedding trip to New Orleans the bride wore a blue sapphire wool suit with black accessories. Her corsage was the orchid from her bridal bouquet.

The couple will reside at 1415 Valley Drive, Longview.

The bride is a graduate of Golden High School, Federal Business Institute of Tyler and for the past eight years has been employed by Sugar Creek Creamery.

Mr. Carr also attended Golden High School and served two years in the Navy. He is employed by Moore and Woodruff in Longview.

Mrs. Carr is a niece of R. B. Spokan Friona and granddaughter of Mrs. J. W. Ford, former resident of Friona.

Bridal Shower Monday Honors Latha Russell

A bridal shower in the home of Mrs. W. S. Crow Monday afternoon honored Latha Russell, who will become the bride of Neal Parson Thursday. Her chosen colors, green and white, were used in the refreshments and decorations.

Hostesses with Mrs. Crow were Mrs. Bill Sheehan, Mrs. Ray Castleberry, Mrs. Sam Bailey and Mrs. V. M. Ferguson.

The serving table was covered with a white cloth and centered with an arrangement of white mums surrounded by greenery. Refreshments of spiced tea and cookies were served.

Those attending and sending gifts were Mesdames J. P. Wilson, Aubrey Carlton, A. A. Crow, Claud Osborn, Taft Lovett, Allen Stewart, Howard Love, Clarence Monroe, C. S. Crow, A. M. Wiley, Max Self, Jimmy Parson and Clyde Scarborough.

Also Mesdames Curtis Murphree, Helen Williams, Joe Beatty, Eula Gene Gamble, Willard Russell, H. A. Hyde, John Allen Jr., John Allen Sr., Buddy Stowers and Helen, John Payne, Cordie Potts, Francis Hilley and L. W. Loafman.

Also Mesdames Joe Johnson, Herbert Day, Charles Schlenker, Mabelle Hartwell, Paul Spring, Gerald McDowell, Tom

Gibson, Robert Wright and Elmer Euler.

Also Elaine Parson, Linda Gibson and June Phillips.

Circle Meets In Tannahill Home

The Wednesday meeting of the Maggie Hamlin Circle of Women's Society of Christian Service of Friona Methodist Church was in the home of Mrs. G. E. Tannahill.

Mrs. Annie Morrison of Ruidoso, New Mexico, mother of Mrs. Tannahill, and Mrs. Wesley Barnett were guests.

"Today's Children in Tomorrow's World" was led by Mrs. J. G. McFarland. Mrs. Russel O'Brian raised the question "What is our church really for?" This was followed by group discussion on churches and youth of today.

Others present were Mesdames Arthur Drake, circle leader, Will Osborn, Howard Love, Jerry London, Alton Farr, Jimmy Stokes, Ralph Shelton, Jim Shaffer, H. R. Cocanougher and Billy Sides.

Rhea Club Meets In Potts Home

The regular meeting of Rhea Home Demonstration Club was held Monday evening in the Cordie Potts home. Mrs. Floyde Schueler presided during the business meeting.

A council report was given by Mrs. Franklin Bauer. Mrs. Norman Taylor reported plans for the annual Christmas party, which will be December 6 at 7:30 p.m. at the Parish Hall.

During the social hour which followed the club meeting lunch was served by the hostess to Mesdames Franklin Bauer, Chris Drager, Leland Gustin, Carl Schlenker, Herbert Schueler, Floyde Schueler, Herman Schueler and Walter Schueler.

Also Mesdames Norman Taylor, Ray Vanlandingham, Bill Brandt, Shirley Smith and Malinda Schlenker, members of the club, and three guests, Mesdames Charles Sanders, Dwayne Ridley and Joe Mann.

Birthday Dinner Honors L.M. Crow

A birthday dinner in the home of Mr. and Mrs. A. L. Carlton and children Sunday, honored Mrs. Carlton's father, L. M. Crow, who observed his 82nd birthday Thursday.

Others present were Mr. and Mrs. W. C. Williams and Sandra of Odessa; Pvt. I/C and Mrs. Gerald Holland and Tammy, Leesville, La.; Kevin and Celina Carlson, Clovis.

Also Mr. and Mrs. C. S. Crow, Mrs. A. A. Crow, Mr. and Mrs. W. H. Jones, Mr. and Mrs. Calvin Talley, Rex and Pattison, Mr. and Mrs. Jimmy Norwood, Doug and Becky and Mr. and Mrs. W. S. Crow.

Class Has Regular Meeting

The regular business meeting and social meeting of the Fidells Sunday School Class of First Baptist Church was held Thursday evening in the home of Mr. and Mrs. Roy Clements

with Mary Jane Clements as hostess. She was presented a gift by the hostess. Other guests were Mrs. Roy Clements and Sandra Brock Roots of Brownsville.

Class members present were Glenda Adkins, LuAnn Hough, Margaret Coker, Jeannette Landrum, Karen Wright, Bonnie Glover, Judy Taylor, Linda Williams, Carolyn Carroll, Barbara Maynard and the hostess.

Ladies Show Mission Film

Feature of a recent meeting of ladies of Rhea Lutheran Church in the Parish Hall was showing of a film by Mrs. Franklin Bauer and Mrs. Walter Schueler. The film was made at the Mexican mission in Old Mexico which is being sponsored by the Lutheran Women's Missionary League.

Pastor E. A. Binger opened the meeting with the reading of the 92nd Psalm and prayer. Thirteen members and one guest, Mrs. Joe Allen, were present. The study of "Eve" was continued.

Plans were made for a joint Thanksgiving dinner to be held at the Parish Hall Thanksgiving Day. Plans were also made for a family Christmas party in December.

During the social hour which followed the program and business session refreshments were served by Mrs. Herbert Schueler.

Christmas Card Project Begins

Friona's Modern Study Club is again sponsoring "Operation-Christmas Card." This project is sponsored annually by this club for benefit of Farmer County Community Hospital.

Persons who are not familiar with the plan will probably be interested in learning more about it.

Any person who desires to participate can take whatever amount of money he desires to contribute to the fund to the Friona State Bank where it will be deposited in a special account.

As deposits are made, the persons making them indicate the name or names they desire to have used on a giant Christmas greeting card, which will appear in the Christmas issue of the Friona Star.

All money deposited into the fund will be contributed to the hospital for a specific project. Deadline for making deposits this year will be December 14.

Mayor and Mrs. Raymond Fleming were called to Amarillo Sunday. Their daughter, Mrs. Don Reeve, a patient at Northwest Texas Hospital, had minor surgery and is reported in satisfactory condition.

Annual Service Scheduled Tonight

The third annual Community Thanksgiving Service is to be held tonight (Wednesday) at the Calvary Baptist Church, beginning at 7:30 p.m.

The service, sponsored by the Friona Ministerial Alliance, will feature a choir composed of singers from various churches in town, under the direction of Ladson Worley, music director

at Calvary Baptist Church. Rev. Alvin Askins, pastor of the Assembly of God Church, will be the featured speaker. The public is invited to attend.

Second Son Born To John Carsons

Mr. and Mrs. John Carson became parents of a baby boy at Farmer County Community Hospital Saturday morning. He weighed 8 lbs. 4 ozs. and was named Raymond Guy.

Raymond Guy has a sister, Cynthia and a brother, Don. Grandparents are Mr. and Mrs. Tom Stansell and Mr. and Mrs. Raymond Carson, all of Olton.

Church Group Makes Visit

An eight year old Sunday School Class of Friona Methodist Church and their teachers, Mrs. Ralph Shelton and Mrs. James McLean, visited in the home of Mrs. A. O. Drake recently.

Songs were sung for Mrs. Drake and gifts were presented to her. Children in the group were Eugenia Awtry, Jack Bainum, Bary Bynum, Barbara Sue Bass and Tracy Barber.

Also Nancy Martinez, Carol Reeve, Alan Zeman, Bill Carrothers and Chuck Rector of Friona and Dale Lee Hairgrove of Hereford.

Shawna Hadley Born Wednesday

Shawna Beth is the name Mr. and Mrs. Roy Lee Hadley chose for their baby girl who was born at Farmer County Community Hospital at 7:55 p.m. Wednesday. She weighed 6 lbs. 6 ozs.

Her grandparents are Mr. and Mrs. A. H. Hadley of Friona and Mr. and Mrs. Fuller of Okemah, Okla. F. H. Hadley, also of Friona, is the paternal great-grandfather.

Coles Return

Mr. and Mrs. Orbra Cole returned recently after visiting in the home of Mr. and Mrs. W. J. Hopingardner at Hollister, Calif. Mrs. Hopingardner is the daughter of the couple.

At Williams, Ariz. they visited briefly with a Mr. Procter, who was a section foreman here a number of years ago.

PTA Variety Show Will Feature Local Talent

The annual PTA Variety Show, called "Souvenirs of Show Business," will present highlights of musical shows for a 50-year period, 1910-1960, in ten-year sections.

Several local performers will be featured on the program, which will be presented Thursday, December 7, at 7:30 p.m. at the High School Auditorium.

Shows to be featured in the revue will include "Oklahoma", Broadway's all-time hit; "Music Man", a recent success; "Meet Me In St. Louis", along with popular hits during the 50-year period.

Local singers to be featured on the program include Hubert Reeves and Carolyn Kite, who will do selections from "Oklahoma."

A quartet composed of Ed Hicks, Claude Miller, Ladson Worley and J. B. Taylor will sing several numbers, ranging from World War I medleys through hits in the '50s.

Another "combo" will be composed of Wayland Ethridge, Lowell Bynum, Bill Spencer and Flake Barber.

Others featured will be Kenneth Livingston and Mrs. Bill Beene, who also are acting as co-chairmen of the show.

Livingston will do an Al Johnson medley. Also on the program will be Bill Wooley and Jean Coker, who will present Western selections.

"The show will have a little bit of everything," state the producers.

A trio, composed of Mrs. David McVey, Mrs. Troy Ray and Mrs. Aubrey Rhodes will do a specialty number.

They will also be several chorus numbers, with the chorus made up entirely of people in the Friona vicinity.

The proceeds from the program will go for a public address system for the PA system in the auditorium.

Admission is \$1.25 for reserved seats, \$1 for general admission and 50 cents for children.

Mrs. John Bingham is publicity chairman.

Lawanna Towry, 1961 graduate of Friona High School, is a member of the 1962-63 Tex-Ann Drill Team at South Plains College in Levelland.

Miss Towry, a sophomore student, is among 23 young ladies who compose the team.

The Tex-Anns performed at homecoming ceremonies at Springlake High School October 26 and at Anton November 2. The first performance of the SPC campus is to be during halftime of the Texans' first basketball game November 27, against Wayland College.

Mrs. Myrtle Lucke, SPC girls PE director, is in charge of the Tex-Anns.

PLANS FOR SHOW. Making final plans for the PTA Variety Show are Mrs. Roy Miller, Kenneth Livingston, Mrs. Lee Renner and Mrs. Bean, Livingston and Mrs. Bean are co-chairman of the show.

Renner and Mrs. Bean, Livingston and Mrs. Bean are co-chairman of the show.

Jimette McLean With Chanters

Miss Jimette McLean, a 1962 graduate of Friona High School and daughter of Mr. and Mrs. James C. McLean of Friona, is singing with the McMurry College Chanters. This a cappella group, will be on tour this week and will perform in six southwest Texas towns November 18 through November 21.

Miss McLean, who is active in the Methodist Student Movement at McMurry College, Abilene, is also a member of the Volunteers and the Wesley Players.

She is a freshman student and her major is religious education.

Barbecue Supper Honors Ladies

Members of Calvary Baptist Church Men's Brotherhood were hosts at a barbecue supper in the church dining room Monday evening. Group singing was directed by Herbert Day.

Highlight of the program was showing of a film entitled, "Dedicated Men."

About 70 persons were present. Guests of honor were wives of the members. Barbecue, beans, potato salad, dessert and coffee were served.

Troop Ninety-Three Has Varied Program

Girl Scout troop 93 held a style show October 22 showing clothes to be used for various sports. Examples were summer hike, mountain climbing, rain hike, and snow skiing.

When the girls finished the meeting, they cleaned around their "secret hiding place."

On October 29, the girls had a Halloween werner roast at their secluded meeting place, and after a few games, each girl was asked to lay a foundation fire.

On November 5, the girls took their citizenship tests for their first class rank. Accepted was Eddie Allen as their friendship project, and in the future, the girls will try to do thoughtful things for the child.

A short hike was taken to Mrs. Pearl Kinsley's residence. The group presented her with a birthday gift, and sang "Happy Birthday" and some

Girl Scout songs, in honor of her contribution to Girl Scouting in this vicinity.

Monday afternoon members of the troop met at Sixth Street of Church of Christ Annex then hiked to the home of Mr. and Mrs. Frankie Allen, parents of their little brother, Eddie Allen. Eddie was presented two dolls named Raggedy Ann and Andy and the stories were read to him. Reading to Eddie is to be a special project for members of the troop.

Charles Shulk Heads 4-H Club

During the Monday evening meeting of Friona 4H Club at the American Legion Hall Charles Shulk was elected president of the organization for the coming year. Mrs. Lloyd Shulk and Bill Buchanan and the coming year. Mrs. Lloyd Shulk and Bill Buchanan served as organizational chairmen.

Other officers elected were Bryan Jameson, vice-president

Bill Buchanan, secretary; Linda McVey, reporter; Risa Howell, council delegate; Dennis Fallwell, council alternate; and Darla Howell, recreation chairman.

Program plans for the coming year were discussed. Members of the club volunteered to select one month and plan programs for it.

Different type programs were discussed.

Miss Ettie Musil, home demonstration agent, served refreshments to the following members: Risa and Darla Howell, Charles Shulk, Dennis Fallwell, Bill and Mike Fallwell, Cecelia Saiz, Bryan and Jan Jameson, Earl Love, Linda, Patsy, and Zane McVey, club members; Mrs. Lloyd Shulk and Mrs.

Charles Howell, adult leaders and Deryl Coker, county agent.

ones. What a wonderful experience - to be rescued from such dreadful misery. It is a great pity that this beautiful story has to be tempered with such a glaring incident of ingratitude. We cannot help but be critical of the nine who failed to return and express their thankfulness for the blessing they had received. Would it not be wise for us to search out our own hearts before we become too critical? We need to count our many blessings, name them one by one, for there is a strong possibility that many of the favors which God giveth us ravel out for want of hemming, through our own unthankfulness. Thanksgiving leaves such pleasant memories. It pays such great dividends, both to the giver and the receiver. Thanksgiving relieves hunger and ache from the heart, and fills the soul with a sense of joy that can come from no other source. "Enter into his gates with thanksgiving, and into his courts with praise; be thankful unto him, and bless his name." (Ps. 100:4)

"In everything give thanks; for this is the will of God..." (1 Thess. 5:18)

Thanksgiving There is a sad refrain which runs through the Scriptures. "My people have forgotten me." Down through history we see how there were times when God's children obeyed and followed Him, and He in turn blessed; then there are the many times when they dismissed Him from their minds and disobeyed Him, and He in turn punished. Open revolt against God at least shows some respect for His power, but to forget Him, to live and plan and work as though He were not, to dismiss Him as insignificant is the last thought of a Thankful People. Isaiah puts it thus, "Afraid of a man that shall die... and forgettest the Lord thy Maker." There are several things which causes us to forget God. We name but a few. Strength, both physically and materially, is sometimes a cause. When we are strong and our barns are full we sometimes forget God. Back when we were weak and in need, both physically and materially, we felt our dependence upon Almighty God. The hustle and bustle of modern life sometimes makes us relegate God to a place of lesser importance. Sometimes the wrong companions, or the wrong entertainment is such to make His presence somewhat awkward, therefore we dismiss Him for a season. But this season should cause each one of us to stop and think upon God and His goodness and His manifold blessings upon this land and people. "He shall teach you all things & bring all things to your remembrance." Let us remember, and be very grateful.

PASSER RUSHED. . . Gary Penner has to get rid of a pass in a hurry as an Okon Mustang rushes in.

NOTICE TO BIDDERS

Sealed proposals addressed to the Honorable Mayor and City Council of the City of Friona, Texas, will be received at the office of Arley L. Outland, City Manager, until 1:30 p.m.—December 10, 1962, for furnishing all necessary materials, machinery, equipment, superintendence and labor for the construction of a 200,000 Gallon Elevated Steel Water Storage Tank, including the accessories and appurtenances as set forth in the specifications. Foundation to be furnished by the City.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of The City of Friona, Texas, in an amount not less than five (5%) per cent of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bonds and guaranty in the forms provided within ten (10) days after notice

of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish performance and payment bonds on the forms provided in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Surety or Sureties acceptable to the City. Copies of the Plans and Specifications may be secured from Parkhill, Smith & Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas, upon a deposit of \$20.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned to the Contractor on submission of a bona fide bid on the work, with such Plans and Specifications; or upon returning the plans and specifications prior to date of receiving bids; otherwise, the deposit shall be forfeited.

CITY OF FRIONA, TEXAS
Owner

the Owner. All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5159A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposal forms, specifications and plans are on file at the office of Arley L. Outland, City Manager, City Hall, Friona, Texas; and Parkhill, Smith & Cooper, Consulting Engineers, 201 Avenue R, Lubbock, Texas.

FARM FACTS

The U. S. cotton industry represents an investment of almost \$22.5 billion, according to a National Cotton Council estimate.

Market value of cotton land in the 14 major cotton producing states is in excess of \$10 billion. Machinery and equipment of cotton farms are worth \$855 million.

Value of cotton gins exceeds \$1 billion, while that of cottonseed oil mills is more than \$305 million, and of compresses and warehouses more than \$393 million.

Textile mills processing cotton, and industries manufacturing cotton apparel and related products, have an investment of more than \$8 billion.

At the farm level the value of the cotton crop amounts to more than \$2.3 billion annually; and cotton accounts for almost a fifth of the total farm marketings in the 14 major cotton producing states.

More than 11 million people depend directly on cotton for their livelihood. This includes almost 3.3 million on farms and over 7.8 million other employees and their dependents.

Homemakers Given Tips For Current "Gobbler Season"

The gobbler season of the year is here. More turkeys are bought during this time than any other season of the year, says F. Z. Beanblossom, poultry marketing specialist, Texas A&M College.

He says that homemakers who buy their turkeys through retail stores should consider a number of things when making their purchase. First of these is the size of the bird and will depend on the number of people to be served and how well the family will eat the leftovers. Generally, 3/4-pound of ready-to-cook turkey per person should be allowed for generous portions.

The next factor to consider is the quality of the turkey, according to Beanblossom. The best quality birds are Grade A and will have an even covering of fat over the entire body. Grade A turkeys are broad breasted and have bulging thighs and large drumstick and give the best meat to bone ratio for your turkey dollar. The homemaker should select a bird without blemishes, such as torn

skin or bruises, the specialist says.

The grade and inspection identification is important and should be noted when buying. Beanblossom says. These are metal or cardboard tags and are on the bird for the buyer's benefit. A tag saying "Inspected for wholesomeness by U. S. Department of Agriculture" shows that it was processed in a plant under the supervision of the USDA inspection program. The tag reading "U. S. Department of Agriculture Grade A" means that the turkey has been given an official grade of A by the USDA grader in the plant.

Beanblossom also recommends that the homemaker cook the turkey according to its weight. Allow 15 to 20 minutes per pound of ready-to-cook turkey and cook in a 325 to 350 degree F. oven.

David Lawrence writes: "The road to socialism is plain to see. The administration, however, can shift its course and start in earnest to travel the road of sound capitalism and free enterprise. It cannot assume the function of omniscient supervisor with a club in his hand. It must let the laws of supply and demand and of competitive influences operate. Then labor will find itself compelled to become realistic, too, and there will be a pause in excessive wage demands and a chance for American business to get on its feet again."

THE HIGH PLAINS FARM AND HOME

HERMAN GERLES, center, consults with W. W. Grisham, left, District Extension Agent, and County Agent Deryl Coker, after being elected as chairman of the Parmer County Program Building Committee last week at Farwell.

County Program Committee Re-organizes, Elects Slate

The County Program Building Committee elected new officers at a re-organizational meeting last Thursday morning at the District Courtroom in Farwell.

Herman Gerles, who farms in the northwestern part of Parmer County, was elected president of the committee, succeeding Jack Patterson of Bovina, who headed the old Program Building Committee.

Also elected were Leon Grisham, vice chairman, and Mrs. Davis Guiley, secretary-treasurer.

Bill Grisham, District Extension Agent from Amarillo, explained the Extension Service's role as applied to the Rural Area Development program (RAD), and what affect it had on the local committee.

"Let me emphasize that your committee will be no different than it has been in the past, although it will be expanded somewhat," Grisham said.

"You are the ones who will make the decisions as to what needs to be done, and how it is

to be done," he told the gathering. "We're just to assist in setting up the committee," he said of the Extension Service's role.

Grisham explained that the broadened committee will have the services of a county Technical Actions Panel (TAP) on which it may call for assistance.

Making up the TAP committee in Parmer County are representatives of the Agricultural Stabilization and Conservation Service (ASCS), Soil Conservation Service (SCS) and Farmers Home Administration (FHA).

Jimmy Smith, work unit conservationist for Parmer County, has been elected chairman of the TAP committee.

"This phase of the program is not something you have to do, but something we have to do for you," emphasized Grisham on behalf of the USDA organizations.

It was emphasized that the purpose of the Parmer County Program Building Committee, as it has been in the past, would be to determine the present

county situation, identify county problems, and plan and carry out an educational program designed to aid the people in the solution of the problems.

Also elected last Thursday were four members to the county's executive committee, in addition to the three officers. Jack Patterson was selected, as past chairman of the organization.

Others selected to the executive board were Bob Wilson, Harry Hamilton and Mrs. J. D. Sanders.

Standing rules for the committee were discussed, with members given mimeographed copies to take home for further study.

Representation on the committee was the main topic of discussion. Preliminary plans call for at least 10 members on the committee.

The tentative list of organizations to be represented on the committee in its expanded form are: Chambers of Commerce, banks, Farm Bureau, Farmers Union, Commissioners' Court, Home Demonstration

Council, Production Credit Association, Grain Sorghum Producers Association, Cotton Producers, and Soil Conservation District board of directors.

It was decided that the executive committee shall have the authority to approve other members to serve on the Program Building Committee as it deems necessary.

Banquet Honors Gold Star Champs

Parmer County 4-H Gold Star winners, Katie Blackstone and Bruce Billingsley, were honored Saturday evening with a banquet served at the YWCA in Amarillo. Katie and Bruce were among 39 honorees from 20 counties of District 1.

A banquet dinner was served at 6 p.m. followed with presentation of Gold Star Certificates to each Gold Star Boy and Girl. These certificates were presented by Miss Edith L. Wilson and W. W. Grisham, Jr., District Agents with the Texas Agricultural Extension Service in Amarillo.

Guest speaker, Mrs. Melton McGehee, president of Texas Home Demonstration Association spoke on "Unfinished Work". She stressed the unfinished work youth have to educate themselves for better

growth. She stated, "It's better to have a headache today than to have heartache later as we mend men and women."

HD Agent's Notes

BY MISS ETTIE MUSIL

It's that time again. Yes, I know your thoughts are probably on a number of different items, but it's almost income tax time. We want to let you know far in advance about our annual income tax - Management meeting to be held December 10, in the Hub Community Center at 1:30 - 3:30.

Once again James Murphrey, Farm Management Specialist, will be in charge of the very important meeting. Subjects to be discussed will be Records to be Kept, Income to be Reported, Deductions and Personal Exemptions, Farm Business Expense, Depreciations

and Depletions, Soil and Water Conservation Expenses, Capital Gains and Losses, Trades, Condemnation and Diseased Livestock, and Federal Estate Taxes and State Inheritance Tax. A question and answer period will be provided.

Tell all of your friends about this annual meeting to help you and them in filing income tax returns. Every year we hear of several folks who were sorry they missed the information, that they did not know about it, so tell everyone.

Cold weather is here. Of course, we'll have warm spells throughout the remainder of fall and winter months. Cold weather outdoors causes a problem of sweating windows and walls indoors.

There are several suggestions you can do to prevent this sweating of windows and walls. For one thing you can put on storm windows. Also, installing a ceiling vent fan in the kitchen and bathroom to carry off moisture from cooking, washing and drying clothes,

and bathing.

Make a practice of ventilating the house by opening windows or doors occasionally. The secret of preventing window and wall sweating is to prevent the buildup of humidity in the warm house, which condenses on areas that are not insulated against the colder temperatures outside.

During the cool weather we have in store for the rest of the winter months we tend to keep the house too warm. Check the temperature at body level that it is 70 to 75 degrees. Not only can high temperature be uncomfortable, but many open-flame heaters can become dangerous in burning up too much oxygen that is vital to good breathing and health.

Are you thinking of repainting your house? At this time of year it is difficult, due to lack of ventilation while painting, and the cold temperature does not allow paint to spread as easily. But nevertheless, experts in the Forest Service of the USDA say it's better to apply the same type of paint that's already on the house. If, however, the paint has not been satisfactory, you can change. But wait at least 4 years before you do.

When you change color schemes, make the change from a white or light color to a darker color. Never apply a light paint over a dark colored paint. Also, never add colors-in-oil to white mixed-pigment paints. Instead, buy the tinting base paint made by the same manufacturer for this purpose.

Thought you might like to know that Miss Jimmie Lou Wainwright and Uel R. Stockard, Extension Service agents have been selected to accompany the Texas delegates to the National 4-H Club Congress in Chicago, November 25 - 29. You will remember that Miss Wainwright was County Home Demonstration Agent here in Farmer County before my assignment.

Thirty-one Texas 4-H boys and girls have earned the right to attend the National 4-H Congress for their outstanding method demonstrations and record books. The group will leave Dallas, Friday, November 23 by special train. Accompanying the boys and girls besides the two agents will be several other Extension program leaders and Marshall Crouch and Miss Peggy Wilsford of the state 4-H office.

Be careful during these Thanksgiving holidays while in travel or while hunting. Many accidents seem to be frequent around fires, over-heated homes with open flame heaters, and everyday farm and home duties.

Classing Activities Reported Near Normal

Mr. W. K. Palmer, Officer-in-Charge, reported classing activities are beginning to look normal for this time of the year at the Lubbock Classing Office. Daily sample receipts are running over 20,000 samples per day. A full shift of forty classers has been in operation for the past week. A double shift will be started on November 19.

The Lubbock office classed 93,000 samples for the week ending November 16. This brought the total classed at Lubbock to 231,400 and the office had a carry-over of 20,000 samples. The Lamesa office reported 12,000 samples classed for the week. This brought the total classed for the year to 53,800 samples, with a carry-over of 2,000 samples. The Brownfield office classed 22,200 samples for the week. This gave the Brownfield office a total of 69,800 samples for the year. A carry-over 8,000 samples was reported by that office.

The three classing offices had classed a total of 693,400 samples through November 16, 1961. A total carry-over of 33,900 samples was reported at that time.

Light Spotted grades accounted for one-half of the samples classed. Strict Low Middling and Middling Light Spotted were the predominant grades, with percentages of 30 and 39 per cent. Strict Low Middling Light Spotted accounted for 10 per cent. Eleven per cent of the samples classed were Middling.

The average staple length was slightly shorter for the week compared with the previous week. For the week of November 9 it was 30.2 thirty-seconds of an inch, this past week it was 30.1 thirty-seconds of an inch. The predominant staple was 15/16 with 57 per cent. Twenty-nine thirty-seconds of an inch was 18 per cent, 31/32 was 19 per cent.

The number of samples with micronaire readings of 3.4 and below increased this past week. For the week ending November 9, twelve per cent of the samples miked 3.4 or below. Nineteen per cent of the samples had micronaire readings of 3.4 or below for the week ending November 16. Thirty-seven per cent of the samples were in the range of 3.5-3.9. The range of 4.0-4.4 had 34 per cent. Ten per cent miked 4.5 or better.

The Lubbock Cotton Exchange reported 37,200 bales purchased for the week ending November 16. This was 14,800 bales more than the previous week and compares with 68,000 bales reported for the same week a year ago.

The cotton price quotations remained unchanged over the past week. Middling 1 inch quotation is 32.30, which compares with 33.00 a year ago. Some of the Lubbock quotations are: Middling 15/16 31.30, Middling 31/32 31.80, Strict Low Middling 15/16 30.20, Strict Low Middling 31/32 30.90, Middling Light Spotted 15/16 30.30, Middling Light Spotted 31/32 31.00, Strict Low Middling Light Spotted 15/16 29.50, and Strict Low Middling Light Spotted 31/32 29.75.

The HAPPY HOMEMAKER

BY JUNE FLOYD

Most homemakers generally boil or fry any kind of vegetables they cook. Of course, these two methods of cooking are very good. But any homemaker who doesn't surprise her family and guests occasionally with an unusual baked vegetable dish is missing a pleasant experience.

If you want a taste treat for any noon or evening meal, try one of the following dishes each meal for the next few days.

Baked Onions
Peel medium-sized sweet onions; cut in half crosswise. Place in baking dish, sprinkle with salt and pepper. Add enough water to cover bottom of dish. Cover and bake at 375 degrees about 30 minutes. Top with crumbs mixed with melted butter or margarine and bake uncovered 15 to 20 minutes longer, until crumbs are brown and onions tender.

Scalloped Potatoes
3 medium-sized potatoes, pared and sliced
1 tablespoon flour
1 teaspoon salt
pepper
1 cup hot milk
1 tablespoon butter or margarine
Put a layer of potatoes in a greased baking dish and sprinkle with some of the flour, salt, and pepper. Repeat until all the potatoes are used.

Put a layer of potatoes in a greased baking dish and sprinkle with some of the flour, salt, and pepper. Repeat until all the potatoes are used. Pour milk over potatoes and dot with the fat. Cover and bake at 350 degrees 30 minutes. Remove cover and continue baking until potatoes are tender—about 30 minutes. If potatoes are not brown enough on top, place the uncovered dish under the broiler for 3 to 5 minutes.

Baked Tomatoes
Wash medium-sized tomatoes, ripe or green, and cut off the stem ends. Place tomatoes in a baking dish. Sprinkle tops with salt and pepper and crumbs mixed with butter or margarine. Add just enough water to cover bottom of dish. Cover and bake at 375 degrees until tomatoes are soft—about 30 minutes for ripe tomatoes, 45 minutes for green tomatoes. When tomatoes are about half done, uncover the dish to brown the crumbs.

Stuffed Baked Potatoes
(Sweet or Irish)
Select medium sized sweet potatoes or Irish potatoes. Rub with fat if soft skin is desired. Bake at 425 degrees until soft—35 to 60 minutes. Cut slice off top of potato, scoop out inside. Mash potato and season with salt and butter

or margarine. Add pepper and hot milk to white potatoes, brown sugar and cinnamon to sweet potatoes.

Stuff shells with the mashed potato and put back in oven a few minutes to brown.

Scalloped Sweet Potatoes With Oranges
2 large sweet potatoes, cooked, peeled and sliced
1 large orange, peeled and sliced
1 tablespoon grated orange rind
salt
3 tablespoons sugar
2 tablespoons butter or margarine
1/2 cup orange juice
Place a layer of sweet potatoes in a greased baking dish, add a layer of orange slices. Sprinkle with orange rind, salt and sugar and dot with fat. Repeat until all ingredients are used. Pour orange juice over the top. Cover dish. Bake at 350 degrees 45 minutes to 1 hour.

Baked Squash
Cut acorn squash in half, Hubbard in 3 to 4 inch squares. Remove seeds. Place squash in baking pan. Sprinkle with salt and brown sugar and dot with butter or margarine. Pour a little water into the pan. Cover. Bake at 400 degrees until squash is partly done—about 30 minutes for acorn squash and 45 minutes for the Hubbard variety.

Uncover and continue baking until squash is soft—about 20 minutes for acorn and 30 for Hubbard. For a pretty salad that is unusual and tasty, serve **Red Apple Salad**
4 firm tart apples
1 1/2 cup sugar
1/4 teaspoon salt
1/2 cup red cinnamon candies
3 cups water
1/2 cup cottage cheese, or 3 to 4 ounces cream cheese
1/4 cup chopped green pepper
Pare and core apples. Add sugar, salt, and candies to the water. Put over heat and stir until candies are dissolved. Cook apples slowly in this syrup in covered pan until just tender, turning occasionally to color evenly. Drain and chill. Mix cheese with green pepper and stuff the apples. Serve on watercress or other dark greens.

WITH THE COUNTY AGENT

DERYL COKER

A large per cent of the farmers in Farmer County are donating two pounds per thousand pounds of grain to the Grain Sorghum Producers Association. This organization has done a lot of work and has developed a large number of markets abroad as well as in the United States. Also they are spending money on research and market developments. Since Farmer County is the number one grain sorghum county in the state, I certainly believe we should support the Grain Sorghum Producers Association because it is our grain that they are helping to market.

Also, driving through the county I notice several cotton gins are burning burs. Of course, they have to get rid of them if the farmers do not pick them up, and adding burs to the land is one of the cheapest sources of adding humus and improving the physical condition of the soil. Burs also increase the water holding capacity of the soil and have nearly in all cases increased yields of crops that follow.

The Lubbock Experiment Station has come up with the following statistics which would make bur application very profitable:

Rate Tons Per Acre	Yield Lint Lbs. Per Acre	Lbs. Lint Per Acre Inch. Water
0	652	22.8
2	727	27.8
4	652	29.6
6	727	33.0

As the chart shows there are advantages to putting burs back on the land, also the addition of 30 pounds and 45 pounds of nitrogen to 4 tons increased lint yield average by 87 pounds and 211 pounds respectively. One of the most practical methods of using burs to improve the soil is to apply 2 to 4 tons per acre per year. The above test was conducted at Lubbock, Texas.

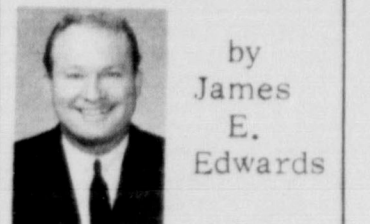

There are also disadvantages to putting burs back on cotton

land. They are that you could introduce diseases, or bring in diseases that could hurt you in the future, also, you could put weed seed on your farm that you don't want. Burs go on feed land to a great advantage also.

If you are not afraid of the disadvantages, burs could be a profitable way to add organic. Nearly 90 per cent of the cotton lint will be by mechanical strippers this year. Remember don't start the strippers too early in the morning following heavy dews or showers.

Research has shown that harvesting cotton with a high moisture content can cause farmers to lose \$10 to \$15 a bale in quality.

FOOTSAVING EDUCATION

by James E. Edwards

Why Do My Son's Shoes Wrinkle So?

This is an important question because mothers who wear high heels do not have wrinkles in their shoes and if they buy children's shoes that do not wrinkle they will ruin their children's feet.

Walking can be accomplished in high heeled shoes without bending the foot. Like a stilt-walker, the ladies just pick 'em up and put 'em down. In low-heels, the body weight lands on the heel and rolls forward as the leg muscle lifts the heel. When the weight-bearing reaches the ball of the foot the pressure pushes the toes up and the shoes must wrinkle where the toes project from the mass of the foot.

A well fitted shoe turns up and since the toes do not reach the ends of the shoes to hold the toes down the wrinkles are permanent fixtures. Wrinkles mean ample toe room. No wrinkles mean trouble.

Losing Streak Continues As Chiefs Bow To Olton

The Friona Chieftains have carried their losing streak into another football season, by virtue of closing out their second straight winless year last Friday night at Olton, losing to the Mustangs, 25-8.

The Chiefs, although they rolled up their second highest rushing total (170 yards) of the season, could not take advantage of numerous opportunities given them by Olton fumbles, and succumbed to their 27th consecutive loss. It was also the 33rd defeat for Friona teams in the past 34 games.

The Chiefs trailed at half-time only 6-0, one of the closest margins at that point all season, but had they been able to capitalize on breaks, they could have had a lead at the half.

Olton fumbled the ball to Friona five times during the cold evening, three times the first half. The Mustangs gave Friona the pigskin on their own 25 midway of the first quarter, but four plays found the Chiefs gaining only one yard, due partly to a five-yard penalty for being off-sides.

Then, too, the Chiefs returned Olton's generosity on three occasions by throwing passes the Mustangs intercepted. One of these stopped a potential Friona TD and started Olton toward the game's first score.

A Gary Renner pass was intercepted on the Olton three and run out to the 25, and from there, the Mustangs drove 75 yards in 14 plays, Richard Hall diving a yard to paydirt and a 6-0 Olton lead. The kick was wide.

Friona had a third opportunity to score the first half, driving from their 35 to the Olton 34, but lost ground to the Olton 40 and elected to punt with just 29 seconds left in the half.

The Mustangs lost no time adding to their lead when the second half started. Everett Gee returned the kickoff to the 19-yard line, fumbled, and Olton recovered.

It took the Mustangs just three plays to score, with David Jones going the last 11 yards. The Chiefs didn't fumble the kickoff this time, but on the fourth

MAKES GAIN. Doug Dodd, left, turns upfield for a 13-yard gain against Olton. Out front for blocking purposes are quarterback Gary Renner and Milton Hargus, and an unidentified Chief-tain who is trying to take the Mustang defender out of the play.

offensive play another Friona pass was intercepted, and Olton had the ball at the Chief 29.

Another three plays found Olton with a third touchdown, freshman Joe Priest running 11 yards. This time Jones' kick was successful for a 19-0 lead.

Friona was able to stymie one Mustang drive by recovering a fumble on their own 21-yard line. From there, the Chiefs picked up a pair of first

downs, one on a 10-yard pass to senior Billy Thomas, one of the few Chiefs playing their last game. But once again a pass interception turned the tide.

Olton swiped its third pass on the last play of the third period, and began a drive for the fourth TD.

This time it took the Mustangs eight plays to score, Jones diving through the line from just inches out. A pass try for

two points failed, and Olton led, 25-0.

When the Chiefs finally put together a scoring drive, it took just seven plays. Renner picked up 18 yards for a first down on the Friona 46. Doug Dodd and Renner picked up a total of nine, and after an incomplete pass, Friona faced fourth down and one to go from the Olton 37.

Milton Hargus took the ball and not only got the first down, but ran 16 yards to the Olton 21-yard line in one of his rare chances to carry the ball.

After Renner picked up three yards, Dodd blasted the final 18 yards for the score. Renner gained two points on the keeper play to make the score 25-8.

The Mustangs were driving for their fifth touchdown late in the game, but fumbled at the Friona 14 and the Chief's, fifth fumble recovery stopped the bid.

Friona coaches thought the Chiefs played one of their better games. Except for their inability to take advantage of early breaks, and the lapse which gave Olton two quick scores at the start of the second half, the game would have been close.

Friona gained a total of 211 yards, only the second time this year they have gone over 200.

Longhorns Wind Up 2-8 Season

Lazbuddie finished up its 1962 football season with a 2-8 record last week, as the District 2-B champion Happy Cowboys stormed to a 47-6 win.

The depth - thin Longhorns were put in further manpower trouble in the first quarter of the contest when Terry Darling received a slight brain concussion and Lewis Seaton hurt

a knee. Darling was taken to Farmer County Community Hospital in Friona, where he stayed overnight, and was released Saturday.

Happy, the district champion, will meet New Deal Thursday at Plainview.

"I think they'll represent the

Tougher Rubber District of Ontario, is added to certain types of rubber to make it recovered by International Nickel tougher and longer wearing under from its ores mined in the Sudbury rugged conditions of service.

Dodd Wins Three Department Titles

Sophomore Doug Dodd captured three team championships for the 1962 football season. Dodd edged out Everett Gee for the rushing title, 311 yards to 281, and was the pass receiving leader, with 11 catches, to nine for senior Billy Thomas. Dodd's 20 points also gave him the scoring lead.

Dodd led the team with a 4.9 yard-per-carry average. He carried the ball 63 times, less than both Gee and Gary Renner, who finished third.

Going into conference play, Dodd was no better than fourth in rushing, second in pass receiving, and had not scored a point. But he scored three of the four touchdowns Friona was able to manage against class AA competition, and his steady play carried him to the lead in the other two departments.

Dodd's 58 yards in the season finale at Olton enabled him to overtake Gee for the rushing title, after Gee had led that department all year. An ankle

injury during the last month of the season slowed his running effectiveness. Gee was able to gain only 45 yards in the final four games.

Although the rushing total for the team leader was relatively low, there were six players who gained 100 yards or more. Milton Hargus was the sixth, with 107 yards on only eight carries, a gaudy 13.4 yard-per-carry average. The fact that a 70-yard run was included in his total explained the good average.

Renner, who missed three games, still took the team title for total offense. He gained 236 yards rushing, including an 88-yard run against Bovina, longest run of the season, and passed for virtually the same number of yards--245, for a grand total of 481 yards.

As a team, Friona led their opponents in only two categories--pass completion average and punting. The Chiefs completed 34 of 94 passes, 36.2 per cent, to 37 of 104 by the opposition,

35.6 per cent. Punter S. D. Baize, whose average would have been higher except for some bad breaks toward the end of the year, wound up with a 34-yard average on 45 punts during the season, still good for a high school punter.

The fact that Baize had a lot of kicking opportunities (10 against Dimmitt) explains how he booted the ball a total of 1533 yards during the season, or only lacking about 200 yards totalling a mile in punts. Opponents averaged 18 first downs to nine for Friona. They rushed for an average of 318 yards to 131, and passed for 84 yards per game to 33 for the Chiefs.

With two opponents (Plains and Muleshoe) gaining over 500 total yards, the total offense average for the opposition was hiked to 402 yards per game to 164 for Friona.

Lazbuddie Gives Cage Schedule For '62-'63

Lazbuddie was to open its 1962-63 basketball season Tuesday at Adrain, with both the boys and girls teams hoping to improve on last year's record.

Coach Carol Step had only two lettermen back for the Longhorn quintet, Johnny Mabry and Gerald Foster. Last year the Longhorns played some close games, but came out with a 4-16.

For the girls team, Lazbuddie has 12 players back, eight of them sophomores who lettered as freshmen. Last year they posed a 2-16 record.

"We should improve our record quite a bit this year," Step predicted.

Lazbuddie plays in tournaments at Farwell, Springlake and Amherst. District play begins January 8 at Bovina. They will close their season February 8 with Bovina at Lazbuddie.

Junior High Teams Begin District Cage Play

Conference play for the seventh and eighth grade boys and girls basketball teams began Monday evening with the girls playing the Muleshoe girls in the local gym and the boys playing the Muleshoe boys there.

Two scrimmage games for the seventh grade girls against Farwell resulted in one loss and one win for the local team.

Final score in the Monday evening tilt was 26 to 14 in Friona's favor. Starting forwards were Sharen Awtry, Kay Milner and Belinda Mabry. High scorer of the game was Kay Milner, with 15 points. Sharen Awtry was second with six points to her credit.

Starting in guard positions were Linda Stone, Kathy Cook and Beth Sides. Linda Stone led in rebounds with 20. Others seeing action in the game were Rhonda Fallwell, Diana Wilson, Jo Jennings, Joan Brookfield, Debbie Jarecki, Barbara Patterson, Judy Edelman, Becky Coffey and Patti Ragsdale.

Friona's eighth grade girls won by a final score of 46-18. Sue Rogers, Cindy Ingram and Lou Cochran were starting forwards. By racking up 15 points Cindy Ingram was high

scorer. She was followed by Cindy Rogers, who made 12 points.

Guards who started were Judy Shirley, Glenda Mings, and Martha Martin. Others playing were Betty Taylor, Linda Fallwell, Lydia Buske, Susie Carmichael, Kathy Jones, Diann Gibson, Daria Howell, Becky Livingston and Brownie Cole. Leading rebounders were Judy Shirley and Kathy Jones.

This team had also played two scrimmage games with Farwell and won both of them. Jay Wilson is coach for both girls' teams.

Coach Robert Taylor's eighth grade boys lost their game by being on the bottom of a 38 to 22 score. "However," says Taylor, "We outscored them the second half by making 14 points to their 13."

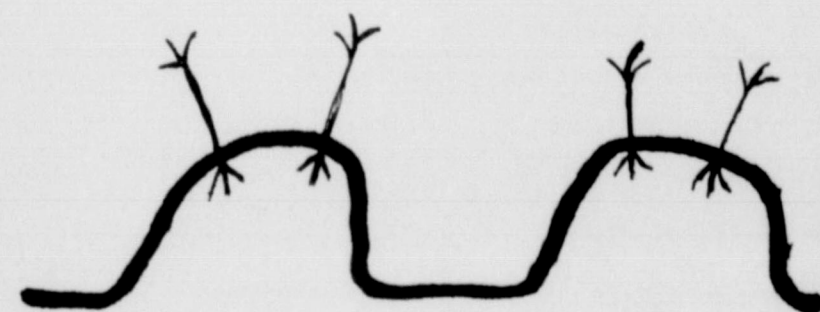

Starters were Bill Weatherly, Danny Nettles, Ted Renner, Bobby Jordan and Tommy Jarecki. Danny Nettles was high scorer with six points and also played a good defensive game according to the coach's report.

Other team members are David Smith, Alvin Ruffins, James Sides, Mike Wooley, Jim Bob Jones, Mike Riethmayer, (Continued on Page 8)

RADIO BROADCASTING. Another first-place team at district, was made up of Danny Murphree, Jim Snead, Jackie Clark and Dennis Howell.

Longhorns--

(Continued from Page 6)

district just fine. Bovina probably has the best team in district, but Happy should have little trouble winning regional," commented Coach Charley Walton.

Walton said that his offense looked a little better against Happy. Freshman quarterback Hoppy Jennings completed eight passes, and Johnny Mabry gained 100 yards rushing. "But our defense was hurting, especially after we lost two more players," he said.

The Longhorns' touchdown came in the final period when Jennings connected with Mac Brown on a scoring play of about 25 yards. Brown, Jennings and Mabry were cited as offensive standouts, and guard Harrol Redwine for defense.

The Longhorns, who played four freshmen and four sophomores a good deal of time the latter part of the season, expect better things next season, if their big-a-boo of this year--injuries--will stay away.

Jr. High Teams--

(Continued from Page 7)

Jimmy Grimsley, Don Ballard and Randy Farr.

Final score in the seventh grade game was Friona, 18, Muleshoe 8. Delbert Davis, Larry Graves, John McFarland, Jackie Claborn and Randy Ellis started. Delbert Davis, with eight points, was high scorer. He was followed closely by Jackie Claborn with six.

Others making the trip were Ronnie Altman, Eddie Barker, Rickey Hurst, Gaylon Brewer, Ronnie Stevick, Charles Bishop and Mike Garth.

Kenneth Livingston is coach of the seventh grade team.

Complete schedule for these four teams follows:

*Nov. 26 - Morton (Boys here) (Girls there) 6:00

Dec. 1 - Clovis (Gattis Jr. High) (8th Boys there) 7:30 CST

*Dec. 3 - Olton (Boys here) (Girls there) 6:00

Dec. 8 - Clovis (Gattis Jr. High) (8th Boys here) 6:30

Dec. 10 - OPEN

Dec. 13, 14, & 15 - Sudan Tournament (8th Boys & 8th Girls)

*Dec. 17 - Dimmitt (Boys here) (Girls there) 6:00

*Jan. 7 - Muleshoe (Boys here) (Girls there) 6:00

*Jan. 14 - Morton (Girls here) (Boys there) 6:00

*Jan. 21 - Olton (Girls here) (Boys there) 6:00

Jan. 28 - OPEN DATE

*Feb. 4 - Dimmitt (Girls here) (Boys there) 6:00

*Indicates district games.

Returns Home

Mrs. Hattie Snead returned home late Thursday after spending a week visiting relatives at Goree and Wichita Falls.

FFA QUIZ TEAM, which captured first place in district, is composed of Eldon Long, Larry Johnson, Rodney Williams, Phillip Johnson, Roger Nelson and Lupe Rodriguez (not shown).

Michigan led all states in construction of interstate freeways in 1960 and 1961 and now has more freeway mileage than any state.

The Federal government owns 421,360 buildings, according to the 1961 Statistical Abstract of the United States.

The ancient Egyptians considered glass to be of equal value to gemstones and precious metals because it then was so difficult and expensive to make.
