SANDERSON, TEXAS, FRIDAY, APRIL 21, 1961

NUMBER 11

LISTEN TO LUKE

Committees from the various organizations of Sanderson are working on plans for the big open house reception at the El Paso Natural Gas plant in the Brown-Bassett Field. Terrell County wants to make the county officials and the operating personnel feel at home here and show them that we are happy to have them as new citizens among us.

The local committee will have a big barbecue feed prepared and delivered to the plant to be served there at 4:00 o'clock in the afternoon on Saturday, May 20. The reason for all this appearing in this column now is to let the local people know that every possible effort will be made to get as many residents of the county as can go to the plant to enjoy mixing and mingling with their new friends, eat a good West Texas feed and see the many wonders that will be shown us in the new plant. Let's make it a holiday and everybody go out and visit the new operation.

Even if you can't get away from your business or work, it would be well if you would buy a ticket and help defray the expense of the venture.

Let's do our best to show those people that their presence in the county is appreciated.

Well, Price has got around to getting the date for the run-off election to name the U.S. Senator. The date is May 27. There will be lots of politics in their probably before then.

It is our understanding that Bill Blackley has the money that has been spent and will be in his race, and probably will have a little left over. John Hahn on the other hand, will be paying back money for a long time if he hasn't had a lot given him to make this his third major campaign in one year.

The race is pitting two conservatives against one another, as drawing some fine party lines. One Democratic spokesman said that Democrats should turn out en masse and elect Blackley at his age he cannot last long and then we can elect a good liberal to replace him.

We like Blackley, too, but not because of his age — rather his political ideals. But, we like the ideals of John Tower, too.

In case you're interested, I intend for both of them last time to do it again!

The big squabble over the Birch Society is getting a lot of attention and lots of offers. We are not qualified to offer an opinion as to whether or not they are going about their activities in a proper manner, but we must uphold their opposition to Communism.

We think that radicals, regardless of whether to the right or left, are wrong. All people who do not sanction or uphold Communism, as all people who are not members of the Rotary Club do not oppose it.

To brand a man a pro-Communist simply because he does express his zeal against the evil in the same manner as someone else is an injustice that should not be tolerated.

We will probably see much more on this organization which will enlighten all of us.

Have you written your state legislators about your opinions for or against a general sales tax? How are they going to know how you feel if you don't let them know?

Gets Good Water Well

An unusually good water well that area was brought in on the C. W. Cox ranch last week. The well is 602 feet deep, the well yielded 1 1/2 gallons a minute. Joe Blackwell was the driller.

Wildcat Slated On Mitchell Ranch North of Sanderson

Pan American Petroleum Corporation and Western Natural Gas Co. have staked a 15,500-foot Ellenburger wildcat 19 miles north of Sanderson on the N. M. Mitchell ranch in Pecos County.

The hole will be 660 feet from the north and 2,310 feet from the east lines of section 103, Block 3 CCSD&RGNG Survey in Pecos County.

The hole is approximately 17 miles south and slightly east of the Puckett multi-pay oil and gas area.

The well will be known as the No. 1 N. M. Mitchell.

A later report received this week was that the Sinclair 1 Poulter well was still testing in Wolfcamp and Ellenburger perforations. Operator swabbed six hours through Wolfcamp perforations, recovery was 25 barrels of load water; flowed 13 hours through a 20-64-inch choke and made 70 barrels of load water and five barrels of oil. Tubing pressure was 850 pounds; casing pressure was 1,250 pounds.

After flowing 11 hours through Ellenburger perforations on a 10-64-inch choke, it made 50 barrels of load oil.

Further testing at the Texas Crude Oil Co. and Superior Oil Co. No. 1-22 Allison included plans to fracture with 10,000 gallons through Strawn perforations between 10,241-51 feet, after the first attempt failed.

Shell Oil Co.'s No. 1-AA Turk was scheduled to reach bottom on Wednesday of this week. No information was available on plans for completion or prospects encountered during drilling.

'A' Honor Roll Students Named For 5th Six-Weeks

High School Principal A. J. Reiss released the names of the students on the A honor roll for the six weeks period just ended.

They are as follows:

Seniors: Bill Dunn and Susan Harkins; Juniors — Buddie Joe Hahn, Terry Jean Hodgkins, and Kenneth Moses.

Youths Named For Boys State

Two Sanderson boys have been chosen to go to Boys State in Austin in June. Nominated on a secret ballot by the faculty of the Sanderson High School, the boys are selected from the junior class and sponsored by the American Legion.

The boy selected by the Legion is Buddie Joe Hahn and the Rotary Club will pay the expenses for the first alternate delegate, Kenneth Moses. Other alternates are Bobby Little and Larry Harrell.

The boys are chosen for their outstanding qualities of leadership and character and scholastic record.

Mrs. Joe Bickley Dies Sunday

Services for Mrs. Joe W. Bickley, 64, of Iraan, were held in the Iraan Methodist Church Wednesday morning and interment was made in that city. She died Sunday night in an Odessa hospital.

Her husband, a retired Methodist minister of Iraan, is a former pastor of the Sanderson Methodist Church.

She is also survived by a son, Lt.-Col. Roy Wilson Bickley of Rapid City, S.D., two daughters, Mrs. Buck Jackson of Pecos and Mrs. James King of Iraan; five sisters and three brothers.

Sunday guests in the home of Mr. and Mrs. E. F. Pierson were his sister, Mrs. Bina Miller, her daughter, Mrs. S. L. Stumberg Jr., and baby daughter all of Marshall.

Miss Bessie Moore, 36 years of teaching

Miss Bessie Moore, principal of the Lamar Ward School and first grade teacher for the past 13 years in Sanderson, is taking her retirement at the close of this semester and returning to Dialville, her old hometown.

After graduating from the Maydelle High School, Miss Moore obtained a teacher's certificate, renewing her certificate each year to teach during the winter and go to college in the summer. At the close of the summer session of Sam Houston State College in Huntsville in 1939 she received her Bachelor of Science Degree.

Miss Moore has been teaching for 36 years which includes 11 years in Dialville, Cherokee County, four years in Arp, Smith County, and 13 years in Sanderson.

When she came to Sanderson in 1948, she began teaching the first three grades in the ward school but after six years she was named principal of the school in 1954 and has taught only the first grade.

Miss Moore stated that it seemed there was little to tell about her life since she had either gone to school or taught school most of her life. She is the only daughter of a family of five children, her father, the late Dr. J. W. Moore, being a pioneer resident and "country doctor" of Dialville.

She is returning to that East Texas community to take care of her 91-year-old mother, Mrs. J. W. Moore, and has plans for going places and doing things so that she will not settle down to a rocking chair and a life of boredom. Her mother's health was the deciding factor in her plans to retire this year, she said.

Hobby Club Meets At Alamo Village

The Langtry Hobby Club met and had lunch at Alamo Village on Thursday, April 6. Hostess for the occasion was Mrs. Finley of Del Rio.

The club members were entertained with music and different acts put on by several employees and a tour of points of interest in the Village.

Members present were Mmes. Newman Billings, T. H. Eastman, Joe Gurley, James Hooten, Wiley Montgomery, R. A. Pavlica, Jim Powers, Sidney Smith, Tom Smith, Bee Henderson, Earl Davenport, Dewey Word, and Miss Claudell Smith.

Guests present were Mrs. Joe Lemons, Mrs. Dan Smith, and Mrs. Dewey Word.

Mrs. Allen's Grandmother Dies

Mrs. Bob Allen returned home Monday from Henderson where she attended funeral rites for her grandmother, Mrs. J. W. Jackson.

Mrs. Jackson, who had made her home for a number of years with her daughter, Mrs. J. H. Brooks, and family in Miles, died in the Baptist Memorial Hospital in San Angelo last Wednesday morning after being a patient there for about a year.

Mr. Allen with Ruthie and Bob, also attended the funeral rites in Miles Thursday. Mrs. Allen remained to accompany her family to Henderson.

Local Band Members To Appear Sunday With AF Band

The world famous United States Air Force Band appearing at Sul Ross College auditorium Sunday, April 23, has invited 10 area high school bandmen to participate in the matinee concert beginning at 3:30 p.m. Sunday. The final selection of the bandmen who will participate as representatives from Sanderson are Linda Morris, clarinet; Shirley Williams, bassoon. These two were chosen from a list of five nominated by W. J. Morris of Sanderson. The other nominees were Hector Lopez, alto sax; Kenneth Moses, baritone; Bobby Hatchel, cornet.

Appearing at the concert with the Air Force Band are the Singing Sergeants. They will also participate in the matinee concert at 3:30 p.m. and the evening concert beginning at 8:30 p.m. The program for the matinee and evening program will be different and music lovers are planning to attend both concerts.

Tickets will be on sale at the door prior to the concert.

Home From Hospital

Mrs. W. F. Frazor returned home Saturday from El Paso where she had been visiting her daughter, Mrs. D. L. Grice, and family who accompanied her to Sanderson. She is recuperating satisfactorily from several weeks of medical treatment in El Paso. Weekend guests in the Frazor home were also their son, D. R. Frazor, and family of San Antonio who arrived Friday and visited with her grandmother, Mrs. Mary Lou Kellar, and her uncle and aunt, Mr. and Mrs. W. D. O'Bryant.

Mr. and Mrs. Sam Draper of Del Rio were weekend visitors with her mother, Mrs. Landou Rose, her sister, Mrs. Tol Murrah, and her brother, Hugh Rose, and their families.

Filing Date For Wool Incentives Is May 1, 1961

By law, the final filing date for incentive payment on 1960 shorn wool and unshorn lambs is April 30, 1961. Since April 30 falls on Sunday this year, the deadline has been extended to include the following Monday, May 1, 1961.

Any person who sold any shorn wool or lambs which had never been shorn between April 1, 1960, and March 31, 1961, is entitled to an incentive payment based on the sales. Such eligible persons should make sure all his original sales documents are on file in his ASC office and that he has signed an application for payment. A persons ASC office is considered to be in the same county in which the person maintains his headquarters.

E. E. Harkins Jr., chairman of the ASC Committee in Terrell County, said that it is expected that incentive payments on wool will be made in July as heretofore. In the meantime, the wool program has at least one more year to run under the present law; therefore, producers should continue to file their sales documents in the ASC office for safekeeping. The payment will be the percent of the net proceeds necessary to bring the national average price per pound up to 62c, the price which was set by the Secretary of Agriculture as the support price for wool. As authorized by referendum of the wool growers themselves, one cent per pound of wool sold will be withheld from the incentive payment and added to the promotion fund which is to be used to promote the use of wool.

Poulter Well Is Dual Producer

Dual production was assured at the Sinclair Oil & Gas Co. No. 1 Mrs. Alma H. Poulter, in section 21 of Block 1 in the TCRB Survey. The hole is 3 5/8 miles northwest of Ellenburger production in the Brown-Bassett Field which is already rated for production in the Silurian, Ellenburger, and Strawn.

Operators had been inactive since completion of the well last fall, but later have made decisions to attempt completion from multi-pay zones.

Ellenburger perforations were tested October 31, 1960, and the well flowed gas at the daily rate of 6,282,000 cubic feet through perforations between 14,252-384 feet.

Most recent test in the Wolfcamp were made with the flowing of gas at the daily rate of 3.3 million cubic feet of gas through Wolfcamp perforations between 6,221-72 feet. The tests followed use of 1,500 gallons of acid.

At the Texas Crude Oil Co. and Superior Oil Co. No. 1-22 Allison in section 22 of Block B2 in the CCSD&RGNG Survey, operator has continued testing and latest information, operator was swabbing fluid, 85 to 95 per cent new oil, at the hourly rate of 2.5 barrels from the Strawn.

Recovery was through perforations between 10,241-54 feet.

The Allison well is a multi-producer that has encountered gas in the Pennsylvanian, detrital, Mississippian, Devonian, Fusselman, and Ellenburger.

Black-Topping For RM2400 Going On

Black-topping on RM 2400 began Monday of this week and is expected to be completed before the last of the month, according to reports.

The construction project is for 13.159 miles of RM2400 between U.S. 285 and Texas 349, which runs between Sheffield and Dryden. The present construction is an extension of previous construction on RM 2400 and leaves about 3 miles of dirt road on the ranch-to-market artery.

Money has been allocated for a 7-mile extension of construction, which will leave about six miles to be worked later, as opinions are that the six-mile project will be approved and money allocated so that the entire 13-mile stretch may be completed in one project.

Patrick G. Harris Dies Suddenly Here Saturday

Patrick Gorman Harris, 66, died suddenly at his home about 5:00 o'clock Saturday afternoon. Funeral services were held in St. James Catholic Church Thursday morning with Rev. Luis de Francisco officiating. Burial was made in Cedar Grove Cemetery with the Lawrence Jones Funeral Home in charge of arrangements. The local post of the American Legion was in charge of the military rites at the graveside.

Mr. Harris was born in Waco on May 13, 1894, the son of John Elbert Harris and Emma Lee Cunningham Harris who preceded him in death.

He was married to Miss Ethel Scannell on October 23, 1919. The family moved to Sanderson from Valentine in 1935. On account of ill health, Mr. Harris took his retirement as a T&N Railroad conductor in January of 1948.

He was a veteran of World War I.

Besides the widow, he is survived by two sons, Patrick G. Harris Jr., of Sanderson and Sgt. James R. Harris of the U. S. Marines, who is stationed in Rome, Italy; two daughters, Mrs. Troy W. Druse and Mrs. W. H. Dishman, both of Sanderson; also six grandchildren.

Sanderson Second To Wink In District Track Meet In Pecos

The Sanderson Eagles track team was second only to Wink in the district 7-A track meet held in Pecos Saturday. Wink totaled 162 1-6 points and Sanderson was second with 103 2-3 points.

Following Sanderson was Fabens with 86 1-2 points; Iraan, 77 1-2 points; Van Horn with 43 1-6 points and Rankin with 1 point.

Payments For Feed Grain Available Soon

Payments under the new 1961 feed grain program will be in negotiable certificates that may be redeemed in grain or in the cash equivalent, according to E. E. Harkins Jr., chairman of the Terrell County ASC Committee.

"The new feed grain program for corn and grain sorghums is just getting under way," Mr. Harkins said, "so the county office may not have all details on hand. Producers who are interested in taking part in the program should get in touch with the ASC people right away, however, so that all the needed information can be recorded and the ranchman's or farmer's base acres and payment rate may be determined. The program is voluntary, so it's up to each producer to signify his intention to participate."

Mr. Harkins explained that legislation authorizing the new feed grain program was enacted to prevent a further buildup of feed grain surpluses and to increase farm income. It should also help assure consumers of fair and stable prices for meat, poultry, and dairy products, and reduce feed grain program costs to taxpayers.

Under the program, cooperators will divert at least 20 percent of their 1959-1960 base acreage of corn and/or grain sorghums to soil-conserving uses. They may also divert additional acreages within certain limits.

In return for the producer's cooperation, he will receive a payment on the diverted acres, and he becomes eligible for price support on the normal production of his 1961 corn and grain sorghum acreage. He also will be eligible for support on his 1961 crop of barley, oats and rye.

A producer of corn or grain sorghum who does not cooperate in the 1961 feed grain program will not be eligible for price support on any of his feed rains this year and he will receive no payment under the special feed rain program.

Funeral Rites Tuesday In Eden For R. B. Owens

Funeral services were held on Tuesday afternoon in Eden for Robert Benton Owens, 73, who died in an Alpine hospital early Sunday morning after a brief illness.

He was a former resident of Eden and had resided in Sanderson for the past 14 years. On November 7, 1960, he was married to Miss Lillian Dalrymple, a teacher in the Sanderson Elementary School, who accompanied his body to Eden Sunday.

He was a member of the Baptist Church.

Besides his widow, survivors include a daughter, Mrs. Lola Davis of Kismet, Kansas; two sisters, Mrs. Bertha Carbell of Harrison, Ark., and Mrs. Mae Carter of Eden.

Eagle Baseballers Begin Practice

Coach Gerald Petersen began workouts with the high school baseball team this week in preparation for the region competition. There is no other team in this district to contest the Eagles for the stellar spot in that sport.

The schedule of games includes four games with Alpine prior to the regional game with probably Farwell on May 20.

The games with Alpine will be April 24 here, Friday, April 28, there; May 2 here and May 3 there.

Boys working out for the baseball team include, Larry Harrell, Bill Stavley, Gil Martinez, Alberto Escamilla, Susano Munoz, Silverio Villegas, Buddy Joe Hahn, Dee Gray, Sam Guadarrama, Bill Dunn, Herman Fuentes, Johnny Benevides, Mike Word, Al Word, Glenn Rowe, Jimmy Jones, George Ewing, and Craig Batson.

Marathon Residents Victims Of Accident Near Midland

Funeral services were held in Midland Friday for Mr. and Mrs. Hal B. Sansom of that city, former Marathon residents. The body of Mr. Sansom was taken to Marathon for interment and Mrs. Sansom's body was taken to Bronte.

The deceased were two of five persons receiving serious injuries in a two-car collision on Easter Sunday near Midland. Mr. Sansom died Monday and Mrs. Sansom died Wednesday. Mr. Sansom's 17-year-old daughter Wanda, remains in a serious condition in a Midland hospital with a fractured back, pelvis, and several ribs. She is a senior in the Midland High School and is the recipient of a nursing scholarship.

Mrs. Clarence Chandler attended the funeral services and went on to Floydada to visit with her son, Clarence Chandler Jr., and children, bringing two of her grandsons, Terry and Mike, to Sanderson. Mr. Sansom was the father of Mrs. Clarence Chandler Jr. and Miss Sansom is her sister.

State Capitol NEWS

Sometime between now and August 31, the Texas Legislature must come to a showdown, do-or-die, back-to-the-wall decision on a big new money-raising bill. . . . But many lawmakers believe the situation will have to have reached the desperate, no-choice-left stage before such a decision can be made. To meet current needs, say some lawmakers, the tax bill will have to be a big one and it's bound to bring static from voters. . . . Only way they can survive, said one, is to be able to say, "Look, I don't like this bill either. But what can we do . . . close the schools?"

In this climate, the House postponed floor action on the general sales tax measure. Gov. Price Daniel attacked the bill as "obnoxious and inequitable," hitting everything "from the cradle to the grave."

Governor Daniel urged compromise through a "package" bill. Ingredients for the package, he said, might be gotten from an omnibus tax bill and a selective sales tax measure.

The omnibus tax bill would hit in many areas — watches, jewelry, power tools and machinery, construction materials, natural gas, restaurant meals, non-essential beverages etc.

The general sales tax bill is akin to the others except that it names hundreds of items it would tax rather than making a blanket provision.

Senate Cool To Tax
 With less than bubbling enthusiasm, Senate State Affairs began hearings on the first tax bill sent over by the House.

It is a "loophole bill" designed to raise some \$42,000,000 toward retiring an expected \$63,000,000 deficit in the general revenue fund.

Senators listened with seeming sympathy to witnesses who criticized the bill's provision for a revised franchise tax formula and a gift tax. They listened, too, to a lengthy pro-sales tax discussion by Tom Sealy of Midland, chairman of the Citizens for a Sales Tax group.

Under the "loophole bill," the Senate could add extensively to its revenue-raising features, but most observers doubt the Senate will be eager to seize the initiative at this stage.

Campaign Limit Killed
 A bill to limit campaign expenditures to \$25,000 in a race for the U. S. Senate or Congress at Large was killed by the House 83 to 50.

Sen. Martin Dies Jr. of Lufkin was sponsor of the bill which passed the Senate.

Supporters of the measure said that as things are "a rich man can buy his way into office." Opponents said the limit was unrealistic and that a newcomer to politics could never become known with such restrictions on a statewide race.

Insurance Change Flounders
 Sen. Grady Hazelwood's bill to set ground rules for the state's merit rating auto insurance has had at least a temporary setback.

Senate voted 16-to-13 to take up the bill. However, a two-thirds majority is needed to begin floor action.

Prior to this action, the State Board of Insurance announced extensive changes in the rating plan, effective August 1. Such violations as running a red light or stop sign, illegal passing, or turning, negligent collision and breaking of drivers' license restrictions were removed from the list of actions causing a driver to pay a higher insurance rate.

Senator Hazelwood was not satisfied with the changes. He criticized the removal of red light running from the list and the keeping of penalties for speeding, no matter how slight.

Freight Rate Bill Passed
 A bill to simplify rate setting for railroads and truckers was passed on second reading by the House.

Under present law, the Railroad Commission has to pass on every rate change request, no matter how trivial. Under the proposed measure, the rail or truck line would publish the proposed new rate and if no one objected it would go into effect.

If there were objections, the Railroad Commission would call a hearing and decide the matter. **Jefferson Report 'Blows In'**

Release of the House General Investigating Committee's report on its study of vice in Jefferson County blew the lid off a long-smoldering controversy.

Report accused Atty. Gen. Will Wilson of failing to follow up vigorously on reports to him of flourishing prostitution and rackets in the Beaumont-Port Arthur area.

It also criticized Liquor Control Board Administrator Coke Stevenson Jr. of merely demoting an agent accused of failing to stop liquor law violations by private clubs in Jefferson County.

House committee completed its study last year and was automatically dissolved at the beginning of this session, but the report was delayed.

Wilson hotly denied that he had failed to take any action within the power and scope of his office. He said the criticism of him was "politically motivated" by Rep. Tom James of Dallas, vice chairman of the committee.

Meanwhile the House — rather wearily, perhaps — voted against a bill that would set up House and Senate investigating committees every session, as a matter of law. Better, they decided, to establish such committees by resolution when special circumstances seem to warrant.

Salmon Rounds

Here is the "basic ingredient" for a nutritious and tempting Lenten meal — savory Salmon Rounds with Creamed Peas.

Instead of going round in circles over ideas for dinner these days, go — Salmon Rounds, instead. Serve this tasty main dish, topped with a sauce of Creamed Peas, with a colorful potato salad and crisp vegetable relishes. Then top your menu with big wedges of fudge-frosted yellow cake.

The inviting aroma of these Salmon Rounds — fresh from the oven — will bring your family to the table in minutes flat. The tender biscuit pinwheels are filled with a bright, appetizing salmon filling, seasoned with onions and lemon juice.

Be sure your Lenten meals are nutritious meals. Serve your family home or commercially-baked products, baked with enriched flour. Enriched flour has health-giving niacin, riboflavin, thiamine and iron.

- | | |
|---|----------------------------------|
| 1 cup drained flaked salmon (8-ounce can) | 1 egg, beaten |
| 1/2 cup enriched bread crumbs | 1 1/2 cups sifted enriched flour |
| 1/2 cup chopped celery | 2 teaspoons baking powder |
| 1/2 teaspoon salt | 1/2 teaspoon salt |
| 1 tablespoon chopped onion | 1/2 cup shortening |
| 1 tablespoon lemon juice | 2 to 2 1/2 cup milk |

Salmon Rounds
Combine salmon, bread crumbs, celery, salt, onion and lemon juice. Stir in egg. Set aside while preparing biscuit dough. Sift together flour, baking powder and salt. Cut or rub in shortening until mixture is crumbly. Add milk to make a soft dough. Turn out on lightly floured board or pastry cloth and knead gently 30 seconds. Roll out into a 9-inch square. Spread salmon mixture evenly over dough. Roll up like jelly roll, sealing edge securely. Cut into 1-inch slices. Place outside down in lightly greased 8-inch square pan or 8-inch round baking dish. Bake in hot oven (425°F.) 25 to 30 minutes. Serve hot with Creamed Peas.

- | | |
|-----------------------------------|-------------------|
| 3 tablespoons butter or margarine | Dash pepper |
| 3 tablespoons enriched flour | 1 1/2 cups milk |
| 1 teaspoon salt | 1 cup cooked peas |
- Melt butter or margarine in saucepan. Stir in flour, salt and pepper. Add milk gradually, stirring constantly. Bring mixture to boiling. Stir in peas. Makes 4 servings.

PERSONALS . . .

Mr. and Mrs. Coleman Stadler returned home Sunday night

from San Antonio where they had visited their daughter, Mrs. Jim Higgins, and family. Their grandson, Jeff Higgins, who received severe burns on the feet and ankles when he overturned a vaporizer six weeks ago, is recovering satisfactorily after skin-grafts.

Mr. and Mrs. Don Barber and children of Monahans were weekend visitors here in the home of her sister, Mrs. Pinky Carruthers, and husband who were hosts for a wedding anniversary dinner April 9 for the parents of the ladies, Mr. and Mrs. Roger Rosa.

Mrs. R. A. Gatlin and Mrs. C. F. Cox attended the spring meeting of the District Texas Home Demonstration Clubs in Kermit last Tuesday. They spent Monday night in Monahans with Mrs. Cox's son, C. W. Cox, and family. Mrs. Gatlin was the delegate to the meeting from the local home demonstration club.

Mrs. W. E. Lea, Jr., and her sister, Mrs. Roy Deaton, took their mother, Mrs. J. J. Rogers, of Harper, who had been visiting here for two weeks to her home Saturday.

Mr. and Mrs. George Turner visited in Stanton Sunday with

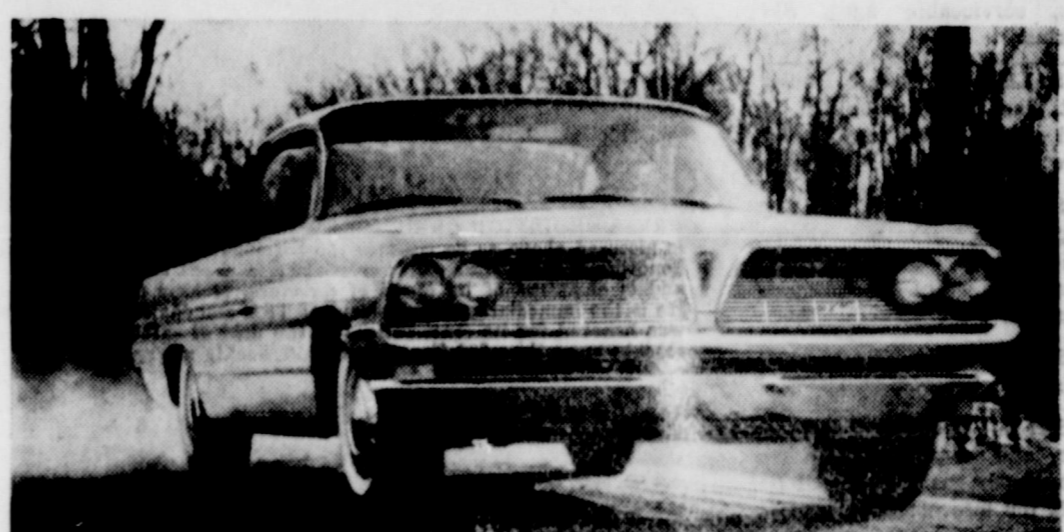

her brother, H. K. Lawson, and family. Her niece, Miss Dorothy Lawson, is reported to be improving from an accidental gunshot wound in the arm which has given the family much concern. Frankie Turner, Texas Tech student, joined his parents in Stanton for a visit.

Mrs. Virgil Franks was brought home Sunday from Fort Stockton and is recuperating satisfactorily from major surgery. Her mother, Mrs. J. A. Wright, of Junction, accompanied her home.

Guests in the home of Mr. and Mrs. Marion Batson and Mr. and Mrs. Marvin Batson last week

were his father, N. L. Batson, and Mrs. Batson of Lamesa, and their brother, Leo Batson, and family of Ackerly.

FIVE THINGS GOD WANTS YOU TO KNOW

1. YOU ARE LOST IN YOUR SINS. YOU NEED TO BE SAVED FROM THEM. Study Rom. 3:23; 6:23; John 3:1-8; Jer. 17:9; Ecc. 7:20.

2. GOD HAS ALREADY PROVIDED IN CHRIST FOR YOUR SALVATION. Study 2 Cor. 5:21; 1 Peter 3:18; Rom. 3:21-28.

3. YOU CANNOT SAVE YOURSELF BY GOOD WORKS OR GOOD CONDUCT OR CHURCH RITES. Study Titus 3:5; James 2:10; John 14:6; Rom. 10:1-13.

4. JESUS WILL ENABLE YOU TO WIN THE GAME OF LIFE. Study 1 Cor. 10:13; John 8:36; 2 Cor. 5:17; Rom. 8:26-30.

5. CHRIST WILL SAVE YOU NOW, IF YOU WILL... (A) "BELIEVE ON the Lord Jesus Christ, and you shall be saved" (Acts 16:31)

(B) "Except you REPENT you shall perish" (Luke 13:3)

(C) "IF you shall CONFESS with your mouth the Lord Jesus, and BELIEVE in your HEART that God HAS RAISED Him from the dead, you SHALL BE SAVED, FOR WITH THE HEART man BELIEVES unto righteousness and with the MOUTH confession is made unto salvation." (Rom. 10:9-10)

No church can save you from your sins. No good works; no good conduct; no church rites, ordinances, or ceremonies; no ministrations of any religious leader or minister; no intercessions of any minister can save you and give you eternal life. Salvation is in a Person, in only one Person and that Person is the Savior, Son of God. (1 John 5:12)

We are JUSTIFIED in HIM (Rom. 3:24); REDEEMED in Him (Gal. 3:13); ACCEPTED in Him (Eph. 1:6); SANCTIFIED in Him (Heb. 10:10); NEW CREATURE in Him (2 Cor. 5:17); COMPLETE in Him (Col. 2:10) and we are BAPTIZED INTO Him by the Holy Spirit (1 Cor. 12:13-14; John 1:33; Acts 1:5, 11, 16; Gal. 3:26-27; Eph. 4:5) SEALED with the Holy Spirit in Him (Eph. 1:13; 4:30; 2 Cor. 1:22)

You and your family are INVITED to WORSHIP the Lord with us. We want YOU and YOUR LOVED ONES to RECEIVE God's great salvation IN Christ. Study and Accept only WHAT is taught in God's Word. Don't lose your soul.
