

THE FRIONA

STAR

VOLUME 40, NUMBER 1

12 PAGES

SECTION I

"The punishment suffered by the wise who refuse to take part in the government is to live under the government of bad men."

... Plato

The Chiefs played a good game last week -- when compared with the game which I saw last Saturday -- Texas Tech-Texas. The Chiefs received a little help from the rain in their efforts to keep Portales from crossing the goal line too many times. Tech didn't receive much help from anyone or anything--even the players.

Texas romped through two touchdowns in the first quarter and then wound up their 34-point scoring streak in the fourth. I'll be holding my breath when Tech meets A&M this weekend in College Station -- and I am sure a good many more local fans of one of the schools will be doing the same thing.

--TH--

While I am on the subject of football, Hop Graham presented a stimulating philosophy of the merits of football in his column, The Hopper, last week. Since the feeling expressed is one with which I heartily agree, I would like to quote a part of the column:

"I favor and approve of football for the boys of our schools, but for reasons which are different, or perhaps just seldom considered, by the typical fan.

"School administrators make glowing statements about the sport (usually issued at banquets or some other public occasion) and how it enhances physical fitness and how it teaches the principles of teamwork to the boys. They don't often admit the personal pride they have and the prestige they seek to be associated with a school that has a winning football team.

"Preachers and presidents of clubs speak out on how football builds sportsmanship and good will between boys but they share with us all the barbaric pleasure of watching a home-town boy jar the teeth of a big kid from another town with a vicious tackle when the score is close and tempers are running high.

"Football, as a spectator sport, means many things to many people. But I think the most important thing about football is what it means to the boys. "The athletic field is one of the few fortresses left in America where ability and desire count for everything, and football offers the best lesson of all. The football field is a monument to competitiveness, which is the law of life.

"Not just any kid can make the Farwell football team. He has to want to be on it. He has to desire to achieve. And to make and stay on the team he has to make sacrifices. He makes them gladly if he thinks that his chances of making and staying on the team will be enhanced through them.

"When a boy puts on a suit and walks out onto a high school football field he has a greater or a lesser amount of two things: ability and desire. Wrapped up in the thing I call ability are his size and strength, his muscular coordination, and his level of intelligence.

"As he competes with other boys in the game he discovers that he needs both his ability and his desire to excel at the sport. He is exactly matched in these qualities by no other boy on the field. If he has a lesser gift of ability, then he must supply a greater amount of desire in order to remain competitive.

"Of course, he plays the game with teammates, and he is trained to work as a member of a unit that has a single purpose. But his job is always on an individual basis. It's always a very personal matter with the boy and one or more opposing boys. How the abilities and desires of a single boy, and a team of boys, match those of another boy, or team of boys, is what makes one team superior to, or inferior to, another team.

"I believe this is a lesson in the fundamentals of life, and that a boy will remember it. I further am convinced that it will do him some good and save him some really difficult adjustments when he gets out into what we call the world."

FIRE SCENE . . . Flames engulfed the south side of the processing shed at Friona Growers and Shippers Monday evening. The boxcars parked at the left alongside the loading

dock also burned. Two of the boxcars were loaded with carrots which were being processed at the plant.

PLAYS HAPPY HERE

Friona Hopes To Snap Losing Streak Friday

"The boys are going to be out to snap their losing streak this week," stated Coach Kenneth Miller today about Friona's game here Friday with the Happy Cowboys.

"They've been in real good spirits all week long, and they indicate they are ready to win a game for a change," he continued.

The Chiefs will be facing, as they have been all season, a pretty fair "country team" in the Happy crew, but if recent performances are any indication, they might just snap the lengthy losing streak this week.

Their play in the 27-0 loss to

Portales last week showed that they have come a long way since opening game. The Chiefs began to hit on defense, and to set their opponents back for losses for the first time this season.

"We made a few mistakes in the game, but our defense up the middle looked a lot better. We were really proud of the per-

formance," said Miller.

If the Chiefs can learn to guard against a letdown when a bad break comes along, and keep a competitive attitude for four quarters, the 21-game losing streak could come to an end Friday.

Happy will bring a team to Friona that has won four games this year, so the Chiefs will have their work cut out for them in posting a win. Although the Cowboys are in class B, two classifications below Friona, they are rated up around the top for their class in the area.

One thing in Friona's favor is that the Happy team will be comparable in size. "They might be just a little heavier than we are, but for the most part we should be pretty well matched," Coach Miller said.

One of the main drawbacks to the Chiefs has been that they have been outweighed.

The Cowboys, who beat class A Silverton 36-6 last week, have also beaten Boys Ranch, Turkey and Claude. Friona did not play Happy last year.

Miller reported that physically his team was in pretty good shape for the game. End Danny Murphree and tackle Mickey Wilson, who missed last

(Continued on page 2.)

IN CLOSE FINISH

Mrs. Jack Clark Wins Weekly Grid Contest

Mrs. Jack Clark came out as winner in the fourth week of the Friona Star's Cotton Bowl football contest, which turned out to be the toughest week of the season, according to entry results.

Mrs. Clark won with seven right, the best any contestant could do, and was judged the winner on the basis of coming closest on the tie-breaker score. A total of five contestants had seven right.

Mrs. Clark missed the score by 17 points. She guessed Portales 36, Friona 8, and the

correct score was 27-0.

Placing second was Danny Bainum, who won the contest two weeks ago. He also got seven right, but missed the score by 21 points.

In a third-place tie were C. H. Veazey and Robert Taylor, who both got seven right and missed the tie-breaking score by 22 points.

Mrs. Clark missed by picking Farwell over Morton; Oklahoma over Notre Dame and Cleveland over the Philadelphia Eagles.

Bainum's misses were Oklahoma over Notre Dame, Balti-

more over the Detroit Lions and Cleveland over Philadelphia.

Veazey missed Oklahoma over Notre Dame, Texas A&M over Houston and Cleveland over Philadelphia. He and Bainum were the only contestants in the entire entry list to correctly pick Morton over Farwell.

Taylor missed Farwell over Morton, Oklahoma over Notre Dame and Baltimore over Detroit.

The grand prize winner in the 11-week contest receives two tickets to the Cotton Bowl football game New Year's Day.

WINNERS CIRCLE . . . Three of the winners in last week's football contest discuss how they picked the contest games. Charlie Clark, left, was first place winner. Danny Bainum,

center, was second, and Robert Taylor tied for third with C. H. Veazey, who is not shown.

AND BOXCARS

Fire Damages Vegetable Shed

Extensive damage resulted from a fire at Friona Growers and Shippers Monday evening. Also damaged by the blaze were three boxcars which were being loaded with carrots.

Kenneth Neel, manager of the vegetable packing concern, said he had no idea to what extent the firm was damaged by the fire, nor would he hazard a guess as to its origin.

Neel only verified that the building contained carrot packing machinery, sacks, cellophane bags, and thousands of carrots being processed.

Two of the boxcars which were burned were partially loaded with carrots. One was about 50 per cent loaded, and another about 15 per cent full.

The fire started around 6:30 p.m. Monday. The Friona Volunteer Fire Department was at the scene shortly thereafter, and within 10 minutes or so, had the fire in the building under control.

Members of the department continued to fight the fire in the boxcars until around 11 p.m., but they were practically a total loss.

"A burning boxcar is practically a lost cause because of its construction," said Fire Chief Ralph Shirley. He explained that in order to put out such a fire, holes had to be beaten through the boxcar sides, so that either way, they were doomed to destruction.

Shirley said that the best he was able to tell, the fire apparently started from an electrical switch box on the building's south wall.

Besides the flammable material inside the shed, its tar paper roofing was also a fire hazard, he said.

The Friona Fire Department had another run-in with a boxcar fire last Saturday morning, on the Bill Carthel farm, five miles east and one mile north of Friona. The boxcar, used for storage, was a complete loss, although it contained only two 100-pound sacks of feed at the time it burned.

Petit Jurors Called For Monday Session

Forty-eight persons have been notified by Farmer County Sheriff Charles Lovelace to appear Monday, October 8 in Farwell for the petit jury.

Those notified were Mrs. Dee Brown, Mrs. Earl Stevenson, U. S. Akens, Hayden Cason, Ivan Adkins, George T. Douglas, Mrs. Davis Gulley, T. I. Burleson, Jr., Mrs. R. W. Anderson, Charles Vickers, Jim Bob Smart, Allen Cumpston, Guy Latta, Monty Barrett, Martha Bates, M. D. Nobles, Howard Looney, George A. Jones, Spencer Hough, G. D. Anderson, Jr., Curtis Birchfield, D. L. Carmichael, Don Murphy, Lee Mason;

Mrs. James H. Clay, J. D. Mabry, Melba Allen, A. L. Carlton, Ray Martensen, Bob Hart, Don Williams, Clyde Fields, S. M. Bailey, Claude Blackburn, Robert E. Wilson, Dwight Sheriff, C. A. Felts, Cecil Atchley, Donald C. Christian, Delbert Garner, Jack Kessler, C. A. Watson, Franklin Bauer, Connie O'Brien, Mrs. Olen Ivy, John McFarland, John Range and Mrs. Walter Kaltwasser.

Among the cases which are due to be considered are both criminal and civil cases. R. G. Sparks of Bovina is one of the cases to possibly be considered. He is charged on two counts of statutory rape.

Other cases which might be considered are Alvin Hollings, charged with burglary in connection with a break in at Bovina Dairy Freeze, and Joe Morris, charged with forgery and passing a forged check.

Highs Prove That Season Is Official

Proof that fall is here can be seen in the fact that the high temperature in Friona the past week was an 81 on Saturday. High temperatures for the most part were in the high seventies, with the mercury dipping into the forties on two nights.

Rainfall received the latter part of last week added .32 inches of rain to the city's total for the month, running the total for September 4.06 inches, according to Arley L. (Jake) Outland, City Manager.

The temperatures for the week:

	Max.	Min.
September 26	69	52
September 27	74	54
September 28	77	50
September 29	81	55
September 30	76	52
October 1	77	45
October 2	69	49

DISCUSS RESOLUTIONS . . . Harry Hamilton, of Friona, center, was re-elected president of Farmer County Farm Bureau at its county convention Monday. Checking resolutions passed by the organization are Frank Ford, left, visiting director from Deaf Smith County and Vernon Symcox of Farwell, secretary of the group.

AT CONVENTION

Officers Named By Farm Bureau

Officers were elected and a set of resolutions to submit to the state convention were approved at the 14th annual Farmer County Farm Bureau convention Monday night at Bovina.

Calvin Meissner, vice president and chairman of the membership committee, reported that Farm Bureau membership was up by 20 over the past year's report, now standing at 530.

Harry Hamilton was re-elected president of the county organization. Five directors were elected to new terms.

Ernest Kube of the Farwell Community was re-elected to a director's position, as was Grady King of Lazbuddie, J.T. Jones of Bovina was elected, replacing F. D. Carter, Jim

Dixon of Friona was named to replace Claude Osborn, and John Henderson of Black was elected to replace Raymond Schlabs.

Holdover directors include Vernon Symcox, Meissner, Herman Gerles, Gilbert Kaltwasser, Grady Nelson, Billy Sifford, Frank Hinason and James Norton.

The resolutions passed were as follows:

STATE ISSUES

1. MIGRANT LABOR: Be it resolved that Farmer County Farm Bureau does hereby retract its support of present Texas Farm Bureau policy on migrant labor & request that a further definition of any such policy be provided.

2. TAXES: A, (General) We believe that the proper

measures of efficiency and economy can be made in our state agencies to make unnecessary any increase in taxes.

B, (School) Be it resolved that PCFB recommends that the economic index pertaining to the foundation school program be revised so that agriculture, the oil and mining industry, manufacturing and general business be considered on an equal basis.

3. NATURAL GAS FOR IRRIGATION: Be it resolved that PCFB does hereby retract its support of the resolution presented by the Plains Irrigation Gas Users Association (PCFB Resolution # 6, 1961, under state issues). We further recommend that our delegates

(Continued on page 2.)

County Budget For '63 Lower Than Past

The Farmer County Commissioners Court recently approved a budget for the coming year of \$325,240, which is \$39,630 lower than the budget for the current year.

County Judge Loyde Brewer explained that a proposed decline in capital outlay for right of way purposes was one of the reasons for the decline in the budget.

Also, Judge Brewer said that the court anticipated a decline in precinct expenditures to some extent, along the lines of equipment.

The County tax rate remains the same as it has been for the past few years, \$1.25 per \$100 evaluation. The tax money is divided up as follows:

General Fund, .80; right of way fund, .10; permanent improvement fund, .01; constitutional road and bridge fund, .01; jury fund, .03; special road and bridge fund, .30. Total \$1.25.

"We are working to bring the General Fund out of the hole," Judge Brewer said, indicating that this had been the goal of the Commissioners Court for the past several years. "Another year or so should do the trick," he concluded.

One increase for next year over this will be in salaries, because of the addition of one official, the district clerk, whose office will be maintained in the county for the first time.

Farmer County collected 97.3 per cent of taxes levied in 1961. The estimated 1962 tax evaluation for the county is \$14,094,402.25.

YOU HAVE AN APPOINTMENT

We are living in a day of appointments. The average business man can point to his calendar and tell you just where he will be a week from next Thursday.

Unfortunately, amid the clutter of appointments the world has lost sight of the one appointment which gives purpose to all of life. The Bible speaks of all of us when it says: "It is appointed unto men once to die, but after this the judgment."

That is life's supreme appointment; an appointment none of us will be able to evade or even to postpone. For, in the words of one of Christ's apostles, "We must ALL appear before the judgment seat of Christ."

Are you prepared for that appointment? No one is ready to meet his Maker who has not found forgiveness for his sins in the death of the world's Redeemer.

The Apostle Paul could say: "I am READY," because he had made his peace with God through Christ. - Can you?

Important issues, such as these, will be preached and discussed at Friona Lutheran Church, beginning Sunday, Oct. 21st., with Divine Worship at 9:00 A.M., followed by Sunday School and Bible Class at 10:15 A.M.

Rev. E. A. Binger, pastor of Emmanuel Lutheran Church, Rhea community, will be in charge of the services.

The meeting place, for the present, will be the American Legion Hall, East 7th. St. & Washington Ave., Friona. We extend a cordial invitation to all.

Word has been received of the death of Elbert Drake of Brockton, Iowa Monday evening. He was the only living brother of the late A. O. Drake, pioneer Friona resident. Funeral services will be conducted Friday.

Mrs. A. O. Drake and Mr. and Mrs. Earl Drake and Bobby visited in Brockton during the summer and Elbert Drake has visited Friona relatives several times.

Drake Dies In Iowa

Word has been received of the death of Elbert Drake of Brockton, Iowa Monday evening. He was the only living brother of the late A. O. Drake, pioneer Friona resident. Funeral services will be conducted Friday.

Mrs. A. O. Drake and Mr. and Mrs. Earl Drake and Bobby visited in Brockton during the summer and Elbert Drake has visited Friona relatives several times.

Something To Think About

6th. Street Church of Christ
Box 515 -- Friona, Texas

"The gospel of Christ is the power of God unto salvation" (Rom. 1:16) The gospel of Christ is his will, the New Testament (Heb. 9:15) It is a well-known law of all civilized nations that so long as the testator lives his will or testament is not in force, and nothing but his death can immutably fix and ratify its various stipulations. Prior to his death, the testator is at liberty to do as he sees fit with his possessions regardless of the terms of his will. Herein is the key to one of the most difficult problems of Bible interpretation. During His personal ministry the Lord said to the woman, "Thy sins are forgiven." (Luke 7:48) and to the thief on the cross he said, "today thou shalt be with me in paradise." (Luke 23:43) No mention was made of the terms of Salvation as set forth in His will because His will was not yet in force - the testator was still living, he had the power to forgive sins, he knew the hearts of men. Some he forgave and some he condemned. After His death and the probation of His will as recorded in Acts chapter 2 His will became effective, its terms were binding. Peter, by the authority of Christ (Matt. 16:19) and in answer to the question "What shall we do?" informed those who were seeking the forgiveness of sin to "Repent, and be baptized for the remission of sins." (Acts 2:38) The terms of His will, not how He forgave sins before his death, should be our main concern.

"Then answered Peter, and said unto Jesus, Lord, It is good for us to be here;" (Matt. 17:4a). These were the words of Simon Peter upon the Mount of Transfiguration. There were a number of reasons why Peter made this great declaration. First, because the fellowship was so sweet and wonderful. Second, because of those who were present, Peter, James, and John who accompanied the Master to the Mount of Transfiguration but there also appeared on the scene Moses and Elias. Third, God expressed Himself as being well pleased with His Son and commanded the disciples to "Hear Him." Fourth, and perhaps one of the greatest reasons was because Jesus was revealed in His glorified state thus preparing His disciples for the experience of the Cross and His Resurrection. To the disciples who were on the Mount of Transfiguration that day it was truly a great experience. However we too may share a similar experience by taking advantage of the opportunity afforded us each Sunday at the church where we worship. We can enjoy the sweet Christian fellowship, find His Will for our lives and feel His Divine Presence.

Editorial

40-YEAR-OLD

If you look under the name of the paper on page one, you will find the number has returned to "1" again. But for the first time, volume is number 40.

This week is the fortieth birthday of the Friona Star. For the paper, it is just another week to serve the community, but some thought might be given to the fact that for 40 years, the Star has served the people of this community.

Some of you can remember the beginning of the Star and its growth and expansion over the years. You have watched the changes inaugurated in the paper -- some good and some bad.

But, I hope you will agree, today Friona has a paper which serves the community justly and objectively, with fairness to all -- a paper which the people may be proud to claim as "their paper" even though it is still young when the lifetime of newspapers is considered.

But, the success of the Star can be credited only to its acceptance by the merchants and readers (with a little help from the publishers). Without the support of the community, few if any papers would be able to live very long.

For your part, I speak for all of us here at the Star in saying, "THANKS." We will continue to make every effort to serve your needs.

Football--

(Continued from page 1)

week's game with injuries, might see a little action this week, but it will be limited. Murphree is nursing a back injury, and Wilson is recovering from a hurt ankle.

Dale Milner and Glenn Herring hurt their shoulders in Monday's workout, but are expected to be ready to go Friday.

Area Tech Exes Attend Meeting

The Tri-County (Farmer-Deaf Smith-Castro) chapter of the Texas Tech Ex-Students Association was represented at the first chapter officers' conference ever held by the Association last Saturday in Lubbock.

Clint Formby, Hereford, introduced as the "Paul Harvey of the Plains," reported on the operations of the Ex-Students Association Publications.

In addition to Formby, Mrs. Rudy Neil Bruns, Route 1, Friona, who is secretary of the

tri-county chapter, was also present.

Executive secretary Wayne James of Lubbock presented chapter officers with manuals.

Roy Grimes, Lubbock announced the availability of loans through the association-sponsored student loan program.

Tech President R. C. Goodwin, speaking at the group's luncheon, told the former Tech students that the progress of the state would depend a great deal on the quality of the educational facilities offered its young people.

Farm Bureau Elects Officers

(Continued from page 1)

go to the State Convention instructed on this issue in order that they might support a unified front on a statewide basis.

4. FLEXIBLE INSURANCE RATING: Be it resolved that PCFB supports a change from rigid to flexible or competitive rating for casualty insurance companies in Texas.

STATE AND NATIONAL REAPPOINTMENT OF STATE LEGISLATURES: Be it resolved that PCFB supports the basic principles set forth in the House Joint Resolution # 648, proposing an amendment to the Constitution of the United States, providing the states the right to establish their own election districts.

NATIONAL PRICES: Be it resolved that PCFB recommends that supports on certain commodities should be adjusted downward if such adjustment would tend to eliminate recurrence of surpluses and provide a greater demand on domestic and world markets, thus allowing opportunity for more net profit to the producer.

2. DUMPING SURPLUS COMMODITIES: Be it resolved that PCFB believes that it is the proper role of government to help in the transition to a market place economy, particularly with regards to an orderly method of disposal of government stock piles. For example, there would be no dumping at times when it would lower the demand and price of farm commodities at the market place.

3. PAYMENTS FOR LAY-OUT ACREAGE: Be it resolved that PCFB generally supports the principles of the American Farm Bureau Cropland Adjustment Program as a means to safely get back to a market place economy with this particular exception: We do not believe there should be payments for acreage left out of production.

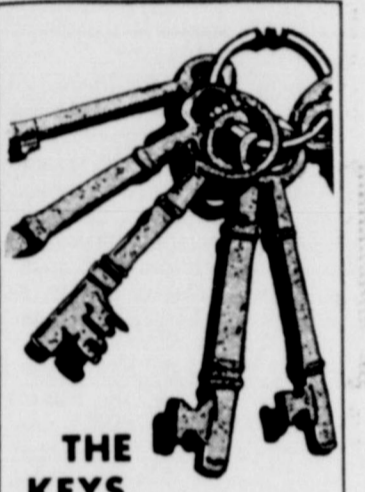

4. TAXES: We oppose all proposals for withholding taxes on dividends. In lieu of these and other proposed tax increases, we recommend an immediate reduction in federal expenditures and a definite system devised for paying on the national debt. When this has been accomplished, a reduction in taxes should become feasible.

4B. Be it resolved that Farmer County Farm Bureau support legislation to relieve inequities in the taxation of co-operatives and privately owned corporations.

5. INCREASES IN FEDERAL DEBT: Farmer County Farm Bureau urgently requests that a constitution amendment be offered that will require provisions for reporting any increased indebtedness incurred within a specified period of time.

6. Be it resolved that PCFB urgently requests that the United States withdraw from the United Nations and that the United Nations be removed from the United States.

7. We urge support of the general objectives set forth in House Joint Resolution number 23, an amendment requiring the U.S. government to publicly sell any and all businesses and services operated by the government in competition with private enterprise.

THE KEYS TO SECURITY, PROTECTION AND PEACE OF MIND

These sought-after keys are available to you and your loved ones through a Farm Bureau Life Insurance program -- the key that may well open the door to a happier life.

MR. AND MRS. C. A. GUINN

Golden Wedding Anniversary Observed By C. A. Guinns

Mr. and Mrs. C. A. Guinn, who were observing their Golden Wedding anniversary, were honored with a reception in their home on North Euclid Avenue Sunday afternoon, September 23, from 2 to 5 p. m.

Hosts were Mr. and Mrs. Allen G. Guinn, Muleshoe, Mrs. Arthur Holt, Durango, Colo.; Mr. and Mrs. Jim Guinn, Friona; and John C. (Pete) Guinn, Comanche. Mrs. Holt is the daughter of the honored couple and Allen, Jim and Pete Guinn are their sons.

During calling hours refreshments of cake, punch, nuts and mints were served from a lace covered table decorated with an arrangement of fall flowers and two tall gold colored candles. Other relatives present were Mr. and Mrs. Jerry Smith, Lazbuddie; Glenna and Lex Guinn, Muleshoe and Cynthia and Carolina Guinn, Friona.

Those calling and sending gifts included Bill Taylor, Gerald Loftis, Fred Dennis, Mr. and Mrs. Hershel Johnson, Bob and Kay; Mr. and Mrs. Dean Blackburn and Hal; Mr. and Mrs. J. R. Southward, Faye and Melvin; Mr. and Mrs. Bill Cog-

dill; Mr. and Mrs. Pete Hollis and Mrs. Mary Durstine.

Also Mr. and Mrs. Howard Love, Mr. and Mrs. H. N. White, Ronnie and Donnie; Mr. and Mrs. Elmer Euler; Mrs. J. P. Wilson; Mr. and Mrs. Kermie Deaton and Veronica and Mrs. Pat Fallwell of Friona and Mr. and Mrs. Joe Shipman and sons of Muleshoe.

Also Gale Holt, Betty Hagan and family, Arthur W. Holt and Ann all of Durango, Colo.; Mrs. Lula Brown, Abilene; Marlan and Betty Guinn, Comanche; Susan Holt, Waco; Mrs. Verda McCreary of Hawaii; and Lt. and Mrs. Don Baker, San Diego, Calif.

Clarence Allen Guinn and Myrtle Frances Gilmer were married Sunday, September 22, 1912 in the home of Rev. John Martin at Arlie, Childress County, Texas. They lived in Childress County several years then moved to New Mexico.

In 1926 Mr. and Mrs. Guinn bought land in the Lakeview Community southeast of Friona and have lived in this area since that time.

Recent visitors in the Guinn home were Mrs. Arthur W. Holt

Ceremony Unites Chitwood, Jesko

Dixie Lynn Chitwood and Lawrence A. Jesko exchanged wedding vows recently at St. Teresa of Jesus Catholic Church. The nuptial mass was read by the Rev. Father Declan F. Gilligan, S.A.

Parents of the bridal couple are Mr. and Mrs. S. V. Chitwood, 517 Main Street, Friona, and Mr. and Mrs. Alex Jesko of the Lazbuddie Community.

Background for the ceremony was a floral arrangement on the altar highlighted with twin bouquets of white mums tied with blue satin bows. Seven branch candelabra and large baskets of white mums and blue satin bows flanked the altar dais.

Wedding marches were presented by Mrs. Mike Ellis, organist.

Given in marriage by her father, the bride wore a street length gown of white slipper satin fashioned with a jewel neckline and wrist length sleeves, designed by her mother. The double shirred skirt was highlighted by a wide belt of baby blue velvet.

Her shoulder length veil was attached to a circle of blue bridal illusion was held in place by a small heirloom diamond tiara. Her only jewelry was a single strand of pearls borrowed from her mother. She carried a bouquet of feathered carnations and gardenias in the form of a cross.

Miss Mary Ann McKinney, Bovina, was the bridesmaid. She wore a pale pink dress and carried a nosegay of carnations and gardenias.

Guests were registered by Miss Andrea Milligan.

Lee Jesko, Muleshoe, brother of the groom, was best man and ushers were John D. Ryan, Roswell, cousin of the bride and Richard Jesko, cousin of the groom.

Following the nuptial mass there was a reception at Friona Federated Club House. The serving table was covered with a natural linen cloth, which was handmade by nuns in Italy. Refreshments carried out the brides chosen colors of blue and white.

After a wedding trip to San Antonio, Corpus Christi and other South Texas points, Mr. and Mrs. Jesko will be at home in the Lazbuddie community.

New Officers Elected By Homemakers

Principal item on the business agenda at the Thursday evening meeting of Homemakers Class of First Baptist Church in the home of Mrs. Curtis Murphree was election of officers.

Mrs. Leonard Coffey was elected president. Others who will serve with her are Mrs. Wayne Massey, vice-president; and Mrs. Benny Pryor, secretary-treasurer.

Serving with Mrs. Murphree as hostess was Mrs. Albert Cannon. Refreshments were served to Mesdames Benny Pryor, Calvin Talley, Ray White, Johnny Mars, A. E. Cannon, Paul Williams, Leonard Coffey and W. D. Buske.

LOCAL

Mr. and Mrs. Arthur Drake and Peggy spent Saturday night in the home of Mr. and Mrs. Jerry Brown of Levelland. Sunday the Drakes and Browns visited in the home of Mrs. Frances Howard at Abernathy.

Our Children's Heritage Studied At Club Meeting

Program theme for the year for Progressive Study Club is "Our Children's Heritage". The Tuesday evening program at Friona Federated Club House centered around medical heritage of children of today.

Roll call was answered with home remedies for minor ailments which often afflict children and adults.

"Socialized Medicine in England," was discussed by Anne Spring, Mrs. Spring, a native of England presented several facts of the program in theory and in practice as it actually exists.

"Medical Achievement in America" was the topic of Gay Cranfill's part on the program. The devotional was presented by Tommie Mercer.

Phyllis Anderson, chairman of the Miss Money project during Maize Days reported that \$82.20, proceeds from the project, had been added to a fund for an oxygen machine to be purchased by Farmer County Community Hospital.

Two piano selections were presented by Lark Jarrell. Refreshments of cookies and tea were served by hostesses, Janie Bynum and Sue White, to

Fidelis Class Has Forty Two Party

Mr. and Mrs. Jim Dixon of the Rhea Community were hosts at the Thursday evening meeting of Fidelis Sunday School class of First Baptist Church in their home.

Following a session of forty two games, refreshments of cake, ice cream, coffee and Cokes were served.

Those present were Messrs. and Mesdames Jim Roy Clements, Joel Landrum, Jimmy White, Dale Smith, Velden Carroll, Gary Hicks, M. C. Osborn Sr., Fred Kelley and Jim Dixon.

twenty-two members and Lark Jarrell and Doris Barnett, guests.

Frionans Fish In Old Mexico

Twelve residents of Friona spent several days vacationing in Old Mexico recently. They drove to Presidio, Texas, then made a train trip to Los Mochis.

The trip from Los Mochis to Matzatlan, where they spent several days fishing, was made by bus.

Those making the trip were Messrs. and Mesdames H. K. Kendrick, Sloan H. Osborn, J. G. McFarland, Frank Spring, Ross Ayers and Dan Ethridge.

Mrs. E. Carney Speaks To Women

Friona women attending the interdenominational Church Women's regular fifth Friday meeting at Union Congregational Church heard Mrs. Edgar Carney speak "Abram changed to Abraham."

Opening prayer was directed by Mrs. Bill Sheehan. Group singing was led by Mrs. R. B. McKee. Each woman present answered roll call by naming her favorite city or other location mentioned in the Bible.

For her devotional Mrs. Alvin Askins chose the title, "The Joy Of The Lord."

Twenty-eight persons were present. A prayer closed the meeting.

LOCAL

Mr. and Mrs. T. W. Coleman of Glorieta, New Mexico, were Sunday night guests in the home of Mayor and Mrs. Raymond Fleming. Mrs. Coleman is Mrs. Fleming's sister.

Family Affair Well Attended

About two dozen persons were present at Oddfellows Hall for the regular family night supper and game session sponsored by members of the Friona Rebekah Chapter.

At the Monday evening meeting of the organization reports were made of three sick calls and ten convalescent cards being sent. Joyce Wilkins, noble grand, appointed Mae Holder to serve on the social committee.

Jewel Wells served refreshments of cake, cold drinks and coffee to fifteen members.

WSCS Circles Have Initial Meetings

First meetings of the year for two circles of Woman's Society of Christian Service of Friona Methodist Church were held last week.

Members of the Mekka Circle met in the home of Mrs. Roy Slagle. Theme of the program was "In the Heart of Childhood." Prayers were led by Mrs. Jake Lamb and Mrs. O. C. Jones.

Mrs. Bill Stewart reviewed "Beloved Son" and Mrs. Guy Latta gave a tribute to childhood.

Members present were Mesdames Joe Collier, Esther Haws, Kenyth Cass, David Moseley, Dorothy Hough, Jones, Lamb, Stewart, Latta and Slagle.

Maggie Hamlin Circle met in the home of Mrs. J. L. Shaffer. Mrs. L. T. Graves, program chairman, chose for her topic of discussion, "What Shall We Tell Our Children About Race, Money and Suffering." She was assisted by Mrs. Arthur Drake and Mrs. Ralph Shelton.

Those present were Mrs. Arthur Drake, circle leader, Mrs. Shaffer, Mrs. Ralph Shelton, Mrs. Graves, Mrs. Joe Moyer, Mrs. Hazel Kendrick, Mrs. Will Osborn, Mrs. Ernest Tannahill and Mrs. Billy Sides.

Friona Student Enrolls At LCC

One student from Friona is among the student body of 394 enrolled at Lubbock Christian College for the fall semester, according to E. R. Higgins, director of admissions. LCC is a Christian liberal arts junior college in its sixth year of operation.

The student from Friona is Janet Ruth Snead, daughter of Mr. and Mrs. R. E. Snead.

CHIEFS HIT . . . Friona's defense, which picked up considerably last week, is shown stopping Portales on this particular play. Coming up to lend assistance after the initial contact are Everett Gee and Jim Snead, left, and Glenn Herring, right.

DEFENSE LOOKS BETTER

Chiefs Show Improvement In 27-0 Loss To Portales

If the Friona Chieftains were saving up for the fourth period in their football contest at Portales last week, they should have demanded a rain check at the gate, because the fourth quarter was never completed.

A sudden deluge of rain caused the unique circumstance, with play having to be halted after only a minute and 50 seconds had been played in the final quarter, and the host Rams leading, 27-0.

Coach Kenneth Miller's Chiefs, not given much of a chance in the contest, and perhaps not giving themselves much of a chance either, would have been a lot closer in the game than the final score, had not a couple of bad breaks led to Portales scores.

Their defense looked better than it has all year.

The Chiefs threatened to score after receiving the opening kickoff. After Everett Gee picked up two yards to his own 37-yard line, quarterback Gary Renner took off around right end, and raced 31 yards before being overhauled.

That put the ball on the Portales 32. Halfback Tommy Baxter gained seven yards, and Gee one to put it on the 24. But Renner, on an option play, was downed behind the line, and his fourth down passing attempt was intercepted to kill the drive.

A 15-yard penalty against the Rams in their opening series set the home team back to its own 12-yard line, and on third down they elected to quick-kick. The kick rolled for 64 yards, and here the Rams got their first break.

Friona was letting the ball roll, but a Portales blocker shoved a Chief receiver into the ball, and as it rolled free, the

Rams recovered on the Friona 20. Two plays later Portales scored.

Halfback Larry Ward got the touchdown, taking a pitchout from Ram quarterback Roger Sowder, and going 16 yards. Sowder kicked the point for a 7-0 advantage.

That touchdown seemed to take a lot of steam out of the Chiefs. Gee recovered the kickoff on the Friona 27, and although he picked up seven yards in two carries, Friona was forced to kick on fourth down.

Even a 15-yard penalty didn't stop Portales from driving for another touchdown. The passing of Sowder, which would have gained much more than it did had he been on target all night, got the Rams out of a hole with his first completion, good for 20 yards.

Ward rambled 24 yards to the Friona 15 on the last play of the first quarter, and after the teams swapped ends of the fields, the speedy back went the remaining 15 for another

score. Sowder's kick made it 14-0.

The chiefs had another bad break following the kickoff. Baxter returned the kick to the 21. After Renner made five yards on the keeper play, Gee attempted to throw a pass. His arm was hit, and Portales recovered on the Friona 15.

In just four plays, the Rams had another tally, although it looked like Friona might hold them. Good defensive plays by Jim Snead and Baxter cost Portales yardage, but on a fourth down yard, Sowder hit Drexel Douglass in the end zone, for a 20-0 lead.

Doug Dodd returned a short kick from the 35 to the Friona 43. Baxter made nine yards, but a mixup on the next play in which Renner pitched to Gee caused Friona to lose five yards, and after an incomplete pass, the Chiefs had to kick.

This time, the Chiefs held Portales. The Rams drove to the Friona ten yard line, but good defensive work sparked by Snead and Renner caused Portales to lose the ball on downs.

Renner hit Dodd on a 16-yard pass completion, his only one of the night, and then ran 11 yards on a keeper play as the half ended.

The Rams took the second half kickoff, and drove for their fourth score. Sowder's passing sparked this drive, the Ram signal-caller hitting two in the process, the last of which was an 18-yard scoring shot to end Douglas. His kick made it 27-0.

Snead returned the kick from his own 19 to the Friona 38. Renner picked up eight yards, but a fumbled pitchout again stymied the offense.

Friona held again, however, and took possession of the ball

late in the third quarter as the rain started.

Renner ran for 13 yards and a first down, Gee picked up nine, and a 15-yard penalty moved Friona to the Portales 25. But the rain came thick and fast, which hurt Friona's chance to score.

Three plays found the Chiefs still on the 23, and they were forced to try a pass on fourth down, which fell incomplete.

Portales chose to quick kick for the second time during the game, and as things got too wet for all concerned, and the game was called.

By virtue of their two quick kicks, Portales averaged 57 yards kicking. The Rams were penalized 50 yards, while Friona picked up only one penalty for 15 yards. The loss of three fumbles and one pass interception hurt Friona's scoring chances, although most people thought the 27-0 loss was such an improvement over the previous week that they didn't even notice.

Lazbuddie Out To Even Record Friday Night

The Lazbuddie Longhorns will be out to even their season record at two wins and two losses this Friday when they

Scotch Meet Set Sunday

There is to be a scotch four-some tournament at the Friona Country Club Sunday, with a covered dish luncheon at 12:30.

Tee-off time for the tournament will be 1:30 p.m. All beginners are welcome, and anyone wanting to join is invited. Entry fee is \$1.

last Amherst. The Longhorns broke into the win column last week by upsetting Cooper, 18-14, scoring all of their points in a big second quarter.

Halfback Mac Brown was the offensive star for Lazbuddie. Brown scored two of the touchdowns on runs of 10 and 75 yards. Terry Darling, the other halfback, plunged a yard for the third score, climaxing a drive.

Lazbuddie outgained the visitors in total yards, 220 to 183, with Brown and Darling netting about 200 of the Longhorns' yards.

Coach Charley Walton nominated guard Harrol Redwine as the outstanding offensive line-man. He cited Brown, Johnny Mabry and Mike Bean as being outstanding on defense.

Cooper scored in the first period for a 6-0 lead, and after trailing 18-6 at halftime, came back for eight points in the final quarter to cut the final margin to 18-14.

Lazbuddie Sets Homecoming

Friday will be homecoming at Lazbuddie High School, according to Superintendent of Schools James G. Ward.

Activities will begin on Thursday at 7 p.m. with a bonfire and pep rally. The crowning of the Homecoming Queen will be a highlight during half-time of Friday's game between the Longhorns and Amherst.

All ex-students and teachers are invited to attend the festivities.

"If we play the game we're capable of Friday, we should give Amherst a good game," said Coach Walton. "They have a tough ball club and are real aggressive," he continued.

Walton ventured that Lazbuddie's defensive game Friday would tell the story. "We have moved the ball pretty well lately," he said of the Longhorn offensive game.

Scout Troops Hold Meetings

Girl Scout troop 93 met at Sixth Street Church of Christ last Friday and elected officers and formed patrols. President is Kelly Barber; vice president is Kay Riethmayer; secretary--

Rhoma Lee Rector; song leader is Janet Mings and co-parliamentarians are patrol one, Andrea Wilson and patrol two - Melya Rule. Patrol one selected the name Golden Crest, and chose Kathy Anderson as patrol leader, and Bonnie Brooks as assistant patrol leader. Patrol number two chose the

name Silver Butterflies. They selected Amelia Sims as patrol leader, and Myra Sue Day as assistant patrol leader. The troop will work toward the Adventurer Badge during October. Refreshments of ice cream bars were served by the patrol leaders. Geneva Riethmayer is leader of the troop.

Girl Scout Troop 105 met Monday afternoon at the Congregational Church. Janice Clark, president, had charge of the meeting. Twenty Girl Scouts were present. This group is beginning work on several badges, including the game badge. These badges will be presented at a Court of Awards to be held later.

HEAD THE CAST . . . The leading characters from the operetta "An Old Kentucky Garden" are shown during a rehearsal. Standing left to right are Earl Crow, Kay Bureson, Tom Gee and Royce Douglas. Seated at the piano is Carol Ray. The operetta will be presented Friday, October 19.

"OLD KENTUCKY GARDEN"

Cast Readies Production Of Operetta At FHS

The operetta, "An Old Kentucky Garden," will be presented Friday, October 19 at 8 p.m. in the Friona High School Auditorium. Production is by the Friona Thespian Troupe, assisted by the high school choir, the Treblaires, the Rayettes, a trio of senior girls, and a quartet of senior boys. The cast includes: Stephen C. Foster, beloved troubadour of the period, played by Tom Gee; Jeanie (with the light brown hair), Carol Ray; Colonel Stanton, Jeanie's uncle, Wayne Casson; Phillip, Jeanie's brother, Earl Crow. Joy, Phillip's fiancée, is played by Kay Bureson; Hannah, thrice a widow, is Carolyn Herring; Henry Blow, a gold prospector fond of Hannah, is played by Roscoe Parr. Joe Buzzard, an avaricious money lender, is Billy Edelman. El-mira (Brenda Deaton), William (John Taylor), and Adaliza (Eve Braunschweiger) are young friends of the family. Lily (Dianne Taylor) and Tom (Glenn Herring) are Colored plantation singers. Mr. Moneyfold (Charles Fields) and Mr. Artichoke (Neil Lyles) are enterprising publishers of music. Kim Buske and Howard Rhodes play hindu dancers. Mrs. L. E. McClain, Thespian sponsor, is directing production. Mr. and Mrs. Travis Harrell attended the Tech-Texas football game at Lubbock Saturday then spent Sunday with Mrs. Harrell's parents, Mr. and Mrs. B. R. Rosson at Floydada.

Judy Smith Is NTS Pledge

Judy Faye Smith of Friona is one of 109 fall semester pledges to the six social sororities at North Texas State University. Miss Smith, daughter of Mr. and Mrs. Ralph A. Smith, 612 Woodland, Friona, pledged Kapa Delta. She is a senior English major. A 1960 graduate of Friona High School, Miss Smith was Valadictorian of her graduating class.

McAnally Is New President Of Ministers

Russell McAnally, pastor of the Friona Methodist Church, was elected president of the Friona Ministerial Alliance in its regular meeting Tuesday. Alvin Askins, pastor of the Assembly of God Church, was elected vice president. Hubert Reeves, music and education director at the First Baptist Church, was named secretary-treasurer. Hudson Phillips, pastor of the Union Congregational Church, is the reporter for the group. The alliance met Tuesday at the Assembly of God Church. Audye Willey, pastor of the Calvary Baptist Church, is outgoing president. Sunday guests in the home of Mr. and Mrs. Pete Hollis were Mr. and Mrs. Ernest Mings and daughters of Texico, and Mr. and Mrs. Boe Dement, Pampa.

THE HIGH PLAINS FARM AND HOME

WITH THE COUNTY AGENT

DERYL COCKER

Every year, picking a variety of a crop to grow is a problem for all of us because the variety we pick always has a great deal to do with the yields we obtain. Several farmers have called wanting information on barley varieties. Basically there are three types of barley. There are the true winter-type varieties such as Kearney and Ward. The intermediate winter-type varieties, such as Cordova, differ from true winter-type varieties in that the leaves are much broader and are usually better for grazing.

Then we have the true spring varieties that are planted in the spring such as Goliad. For our area the recommended fall seeding varieties are Kearney, Reno, and Ward. The acceptable fall-seeding varieties are Cordova, Harbine and Rogers. Should you be interested in barley varieties or anything pertaining to barley we have some very good bulletins available. Also while I am speaking about

small grain varieties I would like to list the recommended and acceptable varieties of wheat for our area.

Recommended varieties are: 1. Tascosa, 2. Bisor, 3. Kaw, 4. Aztec, and 5. Ponca. The acceptable varieties are: 1. Crocket, 2. Comanche, 3. Concho and 4. Improved Triumph.

Each year the question of using defoliants and desiccants becomes a major problem to us because we never know if it will make money or lose money. The only thing a farmer can do is to put the odds in his favor in using these chemicals.

We know that our average frost date is around October 20, so if we can apply these chemicals before frost whereas they will have time to act it will probably pay because if the plant is dead at the time of frost, the frost won't delay the opening of the bolls.

Some farmers are talking in the terms of putting on a defoliant around October 6 or 7 which will shed the leaves but

won't kill the plant and then following that up around October 15 with a desiccant, if we have had a frost before then.

Let me remind you that you should have at least 50 per cent of your cotton open when a defoliant is applied and at least

70 per cent open when a desiccant is applied. We have plenty of defoliation guides available in the office.

Accegrage Payments Now Available

Payment on diverted acreage under the Feed Grain and Wheat Stabilization programs was to begin Thursday, October 4 at the Farmer County ASCS office in Farwell, manager Prentice Mills announces.

Payments on all farms in which the farmer has an interest will be made upon one visit. If there are other producers on the farm, for which an owner does not have power of attorney, they must also sign the application for payment before any payments can be made. All producers need not appear together.

Farmers are also reminded that cotton marketing cards are being mailed out this week.

Interpretations Awaited On JFK's New Farm Bill

"We're just waiting to see what the passage of the 1962 Farm Bill will mean for our feed grain and wheat programs," said Prentice Mills, office manager of Farmer County ASCS said this week.

Mills said he would guess that the feed grain program under the new bill would be similar to what we now have.

"We will inform the people as soon as we know any details," Mills said. "We in-

terpretations awaited tend to have a public meeting in the county as soon as we have something to tell the farmers," he continued.

The Farmer County ASCS office manager said that it might be "Ten days to two weeks" before he received the much-awaited information.

Mills pointed out that at present the current "15 acre" wheat provision was up in the air, since it was not included under the bill passed by Congress last week.

Under the old bill, farmers were allowed to plant up to 15 acres without penalty. Under the new bill, farmers would be required to have planted 15 acres in 1959, 1960 and 1961 in order to plant the acreage this year.

The state ASCS office noticed this difference in the bill as soon as it was published, and called it to the attention of congressmen, who are now engaged in an effort to have an amendment passed to allow farmers to have the 15

acre clause, since many have already planted the wheat.

Mills advised that any farmer who was thinking of planting 15 acres under the old bill, who had not had wheat in 1959, 1960 and 1961, to wait and see what comes of present efforts by congressmen.

It was pointed out that new farm programs usually do not create a hardship, so it is expected that something will be worked out.

FOOTSAVING EDUCATION

by James E. Edwards

Are Very Stiff-soled Shoes Ever Desirable For A Baby?

Yes, when there is danger of the baby developing too high an arch. Babies who are born clubfooted and those who have a condition which is similar to clubfoot but not as severe are put into very stiff soled shoes after the removal of casts or whatever device the orthopedic surgeon uses to correct the abnormality. Lacing the foot to a stiff sole prevents the corrected foot from going back to its drawn up position.

The fact that stiff soled shoes can prevent an arch from overdeveloping seems to be a pretty good argument against using stiff soles on normal footed babies whose foot muscles must function to develop a normal arch.

HD Agent's Notes

BY MISS ETTIE MUSIL

Here's news for you who are canning or freezing tomato juice. Or maybe you have a friend whom you may help if she has had separation of pulp from the liquid. I have had several calls about this problem which seems to be quite common over the county.

We had thought of a number of reasons for this problem, but were not sure of any. To take care of the problem I wrote to our Foods and Nutrition Specialist, Miss Maeona Cox. She recommended using a finer sieve for less separation of the pulp from the liquid. Also, heating the juice at too high tem-

perature in the processing. According to our bulletin "Home Canning Fruits and Vegetables", B-194, the method of canning tomato juice is included. This method is based on research and is stated as follows:

Preparation--Wash well-ripened tomatoes. Cut away any bruised or green portion.

Quarter the tomatoes. If separator is available, put tomatoes through it without heating. Otherwise, simmer 10 minutes in covered pan (without adding water) and press through a fine strainer or cheesecloth.

Heat juice to simmering in a covered pan. Add one-half teaspoon salt to a pint jar and one teaspoon salt to a quart jar. Pack hot. Pour simmering juice into glass jar to one-half inch of top or one-fourth inch of plain can.

Close jar with new lid and process. Pints and quarts should be processed in a boiling water bath for 13 minutes. Number two or number three cans should be processed for 8 minutes. Or steam bath plan and quarts in covered pan for 15 minutes, and cans for 22 minutes.

To process by the boiling-water-bath method use any big clean kettle with a rack and tight-fitting lid if it is deep enough, to hold the cans or jars upright and permit the water to boil gently 1 or 2 inches over the top of them.

The boiling water bath method is recommended for canning fruits, fruit juices, tomatoes, tomato juice and rhubarb. It is not recommended for any other vegetable. Pressure canners should be used for other vegetables.

After the jars have been closed, place the containers of food in the water bath canner. Have water boiling for jars that have been pre-heated as with the tomato juice. Add additional boiling water to the water bath canner to cover the containers 1 to 2 inches. Do not pour boiling water directly on glass jars.

Place the lid on the water bath canner. Count the processing time as soon as the water comes to a rolling boil. Then reduce the heat but maintain a boiling temperature. Processing time should be adjusted according to the altitudes. The timing stated above has been adjusted for our 4,000 feet elevation.

At the end of the processing time, remove the containers from the water bath. Place the jars right side up on a rack far enough apart to cool quickly.

To freeze the tomato juice you may use this method as stated in the bulletin "Frozen Foods", B-175. Wash and trim firm, vine-ripened tomatoes. Cut in quarters or eighths. Simmer five to 10 minutes without water added.

Press through a sieve. If desired, add one teaspoon salt to each quart of juice for seasoning. Cool and pour into containers. Freeze immediately. Be sure to use freezer jars to avoid possible breakage of untreated glass for sub-zero temperature.

For more information on freezing stewed tomatoes, or canning whole tomatoes, let me know. If your family likes tomato relish or chow chow, I would be happy to send you a copy of "Pickle and Relishes." If you have an old copy earlier than 1960 let me know, so that we can send you a revised bulletin with new recipes. A recipe for Tomato Preserves is available in "How to Make Jellies, Preserves at Home". All Bulletins Are Free.

Course Scheduled In Furniture Selection

A special training in selection of furniture will be conducted in a tour to furniture stores next week. Everyone in the county is invited to attend these tours.

In order to distribute the attendance the following schedule has been planned from 9-12 Monday, October 8; Northside HD Club members and other homemakers; Tuesday, October 9, Hub Club and homemakers; Wednesday, October 10, Midway HD Club and other homemakers; Thursday, October 11, Friona Club and other homemakers; Friday, October 12, Rhea Club and homemakers.

The following week Black HD Club and other homemakers will meet Monday, October 15; Oklahoma Lane HD Club and other homemakers will make the tour Tuesday, October 16 at 9 a.m. The last tour will be conducted Wednesday, October 17 for the Lazbuddie homemakers and club members.

Although these schedules have been planned members of the clubs and other homemakers may attend any of the meetings that are most convenient.

Questions that will be answered will include: "Which woods will give me the best service? Should I buy solid or veneer furniture? What about quality versus price? How good are modern finishes compared to those on the beautiful antiques by old world craftsmen? and How well are the furniture pieces made for the budget of prices?"

For additional questions about the tour, contact Miss Ettie Musil at the Courthouse in Farwell.

BACK TO BOOKS . . . Four Friona teachers are attending special Saturday classes to increase their teaching efficiency. Left to right are W. L. Edelman and S. G. Anthony, who are taking a course in high school algebra, Bessie Watson, seventh grade mathematics, and Pearl McClain, foreign language.

IN SPECIAL COURSES

Four Friona Instructors Study Improving Teaching Techniques

Four Friona teachers are attending special Saturday classes this fall in the interest of improving teaching techniques in their particular fields. The four, W. L. Edelman, S. G. Anthony, Bessie Watson and Pearl McClain, attended the first of a series of nine classes last Saturday at Amarillo's Tascosa High School. The courses, sponsored by the Texas Education Agency, were designed for the purpose of strengthening the fields of algebra, seventh grade arithmetic and foreign language. Edelman and Anthony instruct

algebra at Friona High School, Mrs. Watson teaches seventh grade arithmetic, and Mrs. McClain is Spanish instructor at Friona High School. "The courses are the first of their kind," said Friona Superintendent of Schools Alton Farr. He pointed out that the TEA provides workshops of various levels, for administrators, and other instructors, and there are also summer institutes, which are for college credit. "These classes are to strengthen the instructors in their fields, and thereby streng-

then the overall school curriculum," said Farr. Originally, a course for physics instructors was offered, and R. L. Young, physics instructor at FHS, was entered for that class, but insufficient enrollment was obtained for this course. Instructors for the courses are being provided by the TEA. Miscellaneous expenses by local teachers, such as travel expense and books, are taken care of by the Friona School District. Similar courses are scheduled throughout the state, Farr pointed out, but the Amarillo

Center Study Group was the closest to Friona. Schools were limited to one instructor per course, but special permission was granted to Friona schools enabling both Edelman and Anthony to enroll in the algebra classes. The two-hour classes, which meet every other Saturday, will be completed about the middle of January. The instructors completing the course will be awarded certificates from the TEA, signifying their completion of the special courses.

Watkins Family Attends Radio Club Meeting

Mr. and Mrs. Kenneth Watkins and son of Friona were among the members of the Blackwater Valley Amateur Radio Club which held its regular monthly meeting recently in Sudan. Kenneth was elected president of the club at its August meeting, and his wife, Thelma, automatically became secretary-treasurer of the club. Members of the club were saddened to hear of the death of Mrs. Nelson Smith, formerly of Farwell, and member of

the club, Smith, now of Midland, is a former rural mail carrier from Farwell. The hosts, Mr. and Mrs. Pat Kent of Sudan, served refreshments to Mr. and Mrs. Watkins and son, Mr. and Mrs. Jake Herrington and family of the West Camp Community, Mr. and Mrs. Carroll Pouncey and family of Muleshoe, Mr. and Mrs. Hubert Carrico of Littlefield, Mr. and Mrs. E. C. Pool of Brownfield and Dave Heaber of Odessa. Next meeting of the club is to be at Muleshoe in the Carroll Pouncey home.

Mrs. Lucy Jones, Mgr., -Treas.

It isn't too early to begin planning Christmas gifts. If there's someone on your list who would appreciate a typewriter, come by the Star office and see what we have available. We have several portable

models that would make ideal gifts for high school or college students. Another item in stock that would be sure to make a hit with anyone on your list is the Webster's New Collegiate Dictionary. This particular volume is advertised in Reader's Digest and highly recommended by educators across the nation. Our selling price is only \$6.

While window shopping in Plainview one afternoon last week I saw a gadget that must be the very latest in baby tending equipment. What appeared to be an ordinary baby swing was mounted on a steel bar about 30 inches from the floor. An electric motor kept the swing going round and round at a low rate of speed.

An apparatus of this kind should keep small fry entertained for hours at a time. Now, what I would like for some firm to perfect would be a hair dryer that could be plugged in a car like a cigarette lighter. In this day of "hurry, hurry, hurry" it seems that there's not enough hours in the day to

get all the things we want done finished.

Such a hair dryer would be invaluable when you are traveling or when you are just going about your day to day activities. Any more no one ever does just one thing at a time and I can think of nothing that would be more time saving than being able to dry one's hair while driving.

Another thing I saw in Plainview recently was the Atomit. Anyone who is in Plainview and doesn't see this three bedroom underground house will be missing a rare treat.

From all appearances residents of the house will be able to feel very much above ground all year around. Murals painted on the shell, which completely surrounds the house, provide outdoor scenery.

While standing inside looking through an ordinary window and seeing a beautiful peach tree in bloom, I wondered if looking out windows would soon cease to be of interest if one knew exactly what he would see before he even looked.

Seeing a peach tree in bloom day after day and never seeing any birds in the tree or any peaches developing might prove to be a boring experience.

But, then, no change of scenery would have its advantages, too. A mother would never look out and see a dirt storm in the making or an ominous looking cloud threatening her safety or that of members of her family.

The project is much to gigantic for me to describe, but do go by and see it for yourself. Incidentally, the room I liked

best was large, light and sunny and was above ground.

A few years ago much interest was created in the interest of learning to read. At the time I didn't think too much about it, but as time goes on I realize that being able to read is more and more important.

One thing that everyone should learn to read and interpret is a sheet of instructions. There was a time when anyone who began an automobile journey with a jack and a spare was well equipped. This isn't true any more.

In addition to the jack and spare, you should always carry an instruction book. Recently a couple of men, both of them reasonably intelligent, were driving along and one tire went down.

They had a jack and a spare, but that wasn't enough. There were printed instructions inside the car's trunk, but the men had difficulty seeing them due to darkness, so decided to proceed without being properly informed.

This was a noble decision, but it didn't work. Without reading and understanding instructions the men were unable to raise the car with the jack.

In addition to learning to read, every Johnny, Mary, Bill and Susie should learn the importance of reading and following instructions before beginning any project—even changing a tire.

Ideas not only come from the head. Ideas come from the heart.

Williams Helps In Food Project

J. B. Williams, of the Friona Oddfellows Lodge, was among several lodge members in this area who went to Fort Sumner, New Mexico, last week, to gather apples for the Oddfellows' Childrens Home and Old Folks Home at Corsicana.

Williams explained that the apples were donated to the homes through the lodge. Burl Elliston of the Hereford IOOF was instrumental in securing the gift.

The Oddfellows were to gather gifts of potatoes, lettuce,

carrots and other vegetables around Hereford to send to the homes. It was estimated that the total amount of apples sent would be around 115 bushels.

Janet Snead, a student at Lubbock Christian College, spent the weekend with her parents, Mr. and Mrs. R. E. Snead.

Business is like a bicycle. You have to keep it moving forward at a fairly good speed or it starts wobbling.
