

City Takes Step Toward New Water Tower

ENGINEER TO DRAW PLANS

The Friona City Council gave its approval Monday night to an engineering firm to draw up preliminary plans for a second overhead water storage tank for the city.

The engineering firm of Parkhill, Smith and Cooper, Lubbock, was given permission to draw up the plans and specifications for the new tank, and is to submit its report at the next City Council meeting November 5, after which bids will be asked.

M.R. Smith, consulting engineer for the city, and representative of the firm, gave his recommendations and estimates to the council Monday night.

Smith recommended a 200,000-gallon overhead tank, to be located somewhere in the northern part of Friona. Such a lo-

cation would, he said, make for equalized pressure between the new tank and the existing overhead storage tank and underground tank.

It was suggested that the location for such a new tank should be able to tie into existing water lines, and be able to easily reach newly developed areas as needed.

Smith discussed the possibility for a 250,000-gallon tank, but did not recommend that the city build one this size unless it received a "good deal" on the additional capacity.

The engineer gave as flat estimates the probable cost for a 200,000 gallon tank as \$47,000 and for a 250,000-gallon tank \$56,000.

The City of Friona already has money for such a tank, which has been sold in escrow

since a Waterworks Improvement bond issue in 1960, it was pointed out.

In other business, the Council approved bids from Western Industrial Supply Company of Amarillo for its annual supply of water meters. The bid accepted was \$1,088.

Also approved was the expenditure of \$307.60 for the annual supply of water meter boxes. The Council approved the purchase of a new office duplicating machine from Council Office Supply in Amarillo.

Expenditure of \$691.94 was granted for the replacement of a main-drive axle and parts for the city grader-maintainer.

The Council went on record as opposing the "Trial de Novo" amendment 14 to be voted on in November, and is sponsoring bumper stickers to advertise their stand.

In his monthly summary, City Manager Arley L. (Jake) Outland pointed out that a total of seven building permits were issued during the month of September, for a total of \$107,559. Three of the permits are for new residences, totalling

\$100,000.

The Water Department reported six new services during the month, to bring the total number of meters in service to 835 at the end of the month

and fiscal year.

Friona's Police Department had 29 arrests during the month, 17 for traffic violations, six for drunkenness, one for assault, one driving while intoxicated

and two for vagrancy-investigation.

Street Department reports that lines were repainted white at all crossings September 10-11.

Mosquito dustings were made September 6 and 13. Sufficient dust in on hand for one more application this season, according to the Sanitation Department.

THE FRIONA

STAR

VOLUME 40, NUMBER 2

14 PAGES

SECTION I

THAT SEASON . . . Trucks have been lining up this week at Friona elevators, as the maize harvest shifts into high gear. Blessed by excellent harvest conditions, area farmers are moving at a rapid pace in getting their grain to market.

Bank Deposits Show Increase

Deposits at the Friona State Bank were up by approximately three-quarters of a million dollars over the same period a year ago when the bank closed its books on the third quarter of business September 30.

At the same time, the bank's loan volume was up about \$600,000. The total assets at the bank climbed \$800,000 meanwhile.

Figures released this week showed deposits as of September 30 to be \$4,691,382. This compares to \$3,953,636 for the same time in 1961.

Loans at the bank stood at \$3,413,726 at September 30. At the same time last year the figure was \$2,877,043.

Total assets jumped from \$4,340,612 on September 30, 1961 to \$5,136,646 this year. Other departments at the bank remained approximately the same.

The deposit figure compared to an all-time high of \$6,307,398 at the close of the first quarter of business, and \$5,549,156 at the end of the second quarter.

One of the prime reasons for the increase in deposits over one year ago lies in the fact that the number of customers has increased, according to bank vice president Charles E. Allen.

"Then, too, some of the depositors are in better shape this year than they were at the same time a year ago," Allen said.

While the area's wheat crop this past summer wasn't as good as the previous year, Allen pointed out that crops last fall were good, which shows up in this statement.

Seale To Speak Here

Jack Seale, Republican candidate for U. S. Representative, 18th Congressional District, will make a campaign speech in Friona Monday, October 15, at the Community Room of the Friona State Bank.

Seale, who opposes Pampa's Walter Rogers in the general election, will begin his speech at 8 a.m.

The Amarillo mayor, making his last official "swing" through the country prior to the election, will have a full day in the country.

Following his Friona meetings, Seale is scheduled to be in Bovina at noon, at Farwell at 2 p.m.; at Lazbuddie at 4 p.m., and winds up for the day at Hereford at 5 p.m.

RENEW RIVALRY

Bovina, Chiefs Clash Here Friday Night

County rivals clash Friday night at Friona, in what promises to be one of the most interesting contests of the year for the Friona Chiefs.

For the Chiefs, it will be their final non-district game of the season, and affords them another shot at ending their two-year losing streak.

They would like nothing better than to end the streak against their class B neighbors to the southwest, who have had a successful season to date, standing at 3-1-1.

The Mustangs, who are in the same district as the Happy Cowboys, last week's opponent, are rated in the polls under Happy, mainly because the Cowboys are unbeaten at 5-0. It is generally conceded that Bovina will be a mite tougher than Happy.

"We may have trouble getting ready for the game after the letdown we had over the Happy loss," said Coach Kenneth Miller.

The Friona Coach added that if the Chiefs play as well this week as they did last Friday, minus a couple of mistakes, they could win the game. He emphasized that he was proud of the team's performance last week.

"It would be a successful season for us if we could win this one," Miller said.

It wasn't known whether Chief halfback Tommy Baxter, who was injured prior to last week's game, would be able to play Friday or not.

Baxter suffered a muscle spasm while running after a pass prior to the game, and his loss definitely hurt the Chief's bid for a win, since their running attack was so successful against Happy.

Otherwise, the team is in pretty fair physical shape, except for minor bruises. Tackle Mickey Wilson, who has been slowed by an ankle injury, is still limping some.

Guard Glenn Herring, who has a shoulder bruise, has been held out of contact work this week, but should play Friday.

The Mustangs of Coach Halie Gee will bring a team to Friona that will be slightly larger than the Chiefs are—something they are becoming accustomed to by now.

On the basis of comparative

scores, Bovina would be favored, since the Mustangs lost to Farwell by only four points, 18-14, a week after the Steers bombed the Chiefs 39-0. But Friona has come a long way since that opening game.

There is a possibility that the Mustangs may be without their star halfback, Jerry Frazier, the team's leading scorer and ground-gainer and one of the leading scorers in the area.

Frazier suffered a shoulder separation in last week's game with Meadow, and it wasn't known early in the week whether he would be able to play Friday or not. But Friona was discounting any and all reports of weaknesses on the part of Bovina and expecting to meet the Mustangs at full strength.

Don Cumpston, regular quarterback who missed Bovina's last two games because of a concussion, will be back in action. Cumpston's return will likely strengthen the Mustang's passing attack. His favorite

targets are Mac Glasscock, a 145-pound end, and Pat O'Brien, a 145-pound halfback.

If Frazier is unable to play, his replacement will be Dennee Johnston, 145-pound sophomore. He returned to action just last week after missing half the season with a broken leg.

Friday's game renews the rivalry between the county schools after a lapse of five years. The last time the two teams met was in 1956, with the Chiefs winning easily, 52-6.

But this year, the Mustangs have a well-balanced team. They opened the year by beating class A Springlake before losing to Farwell. Bovina was tied by Whittarral in the game in which Cumpston was playing with his concussion, but came back in just two weeks to post wins over Amberst and Meadow.

A capacity crowd is expected for the 8 p.m. battle, as fans from both schools will no doubt jam Cheftain Field.

HELD MONDAY

Lazbuddie Lists Results In Annual School Fair

The annual Lazbuddie School Fair was held Monday, with perfect weather adding to the success of the event.

Around 300 entries were

shown either in the livestock division or in the home economics or other inside divisions.

The fair is co-sponsored by

the Lazbuddie High School Future Farmers of America and Future Homemakers of America, but is also open to 4-H club members.

There were around 100 entries in the livestock division alone. Balley County Agricultural Agent J.K. Adams judged the show.

"Some of the stock shown Monday will be taken to the State Fair in Dallas next week," said Scotty Windham, Vocational Agriculture instructor at Lazbuddie.

Highlighting the home economics division of the fair was Miss Gayla Seaton, who carried away the championship of the combined contests.

Miss Seaton placed high in six divisions, scoring a total of 100 points to emerge first. Linda Monk was second with 85 points.

Results included:

SHEEP

Fine Wool Lambs-- 1. David Wimberly; 2. Royce Barnes; 3. Timmie Foster. Medium Wool Lambs-- 1. Gary Mac Brown; 2. James Koelzer; 3. Johnny Mitchell. Southdown Lambs-- 1. Richard Gordon; 2. Richard Gordon; 3. Stevey Foster. Southdown Ewe-- 1. Timmie Foster.

SWINE

Berkshire Sows-- 1. D. H. Foster; 2. Richard Gordon; 3. Rickey Hassell. Duroc Gilts-- 1. Glendale King; 2. Gary Eubanks; 3. Lloyd Bradshaw. Hampshire Gilts-- 1. Max Eubanks; 2. Max Eubanks. Poland Gilts-- 1. Bobby Gleason. Poland Boar-- 1. Bobby Gleason.

Barrows-- 1. Rickey Hassell; 2. Rickey Hassell; 3. Billy Eubanks; 4. Jerry Engelking; 5. Linda Gleason; 6. Glendale King.

CATTLE

Angus-- 1. Tommy Wilson; 2. Becky Wilson. Hereford-- 1. Hoppy Jennings; 2. Bobby Redwine.

Two Sentenced In Guilty Pleas Monday

Alvin Hollings of Clovis, N.M., pleaded guilty to charges of car theft and burglary in district court Monday in Farwell, and received a three year prison sentence from Judge E. A. Bills.

Hollings was charged with breaking into Bovina Dairy Freeze.

Joe Morris, who was returned by Parmer County officials from California last week, pleaded guilty on a forgery charge, and received a three-

year probated sentence. Morris forged and passed a check in Friona at Foster's Dry Goods store in the amount of \$57.75, in the name of his brother, Nolan.

Members of the petit jury were dismissed by Judge Bills since many of them were farmers and were busy in their fields, Judge Bills said he would call the other cases at a later date, although he did not name a specific date.

SHOW STOPPERS . . . Hoppy Jennings, left, and Tommy Wilson, right, showed the prize Hereford and Angus respectively in the Lazbuddie School Fair held Monday of this week.

Hereford Man Grid Contest Winner

A Hereford resident, Robert Brown, stole the thunder from the home folks by winning the Friona Star's weekly football contest, picking nine games correctly.

It was the first time for Brown to enter the contest. He was the only contestant to pick nine correct, winning the first prize of \$5.

Second place was won by Jack Clark, who tied with five others with eight right, but came closest on the tie-breaker score. Clark guessed Happy 27, Friona 16, missing by a combination of seven points.

In a third-place tie this week were Maynard Agee and Mike Ellis, who also had eight right and missed by 12 points on the score. Agee guessed Happy 28, Friona 12, and Ellis guessed Happy 24, Friona 8.

Others who had eight correct games but finished out of the money were W. R. Mabry, Ralph Broyles and Kenneth Watkins.

Brown's only miss was the Canyon-Sunray game, where he picked Canyon. Clark incorrectly picked Hereford over Muleshoe and Canyon over Sunray, the same two games missed

by Agee. Ellis incorrectly picked Morton over Sundown and T. C. U over Arkansas.

Jim Snead was voted player of the week by the fans for his performance against Portales.

In the race for two free tickets to the Cotton Bowl football game, five people are tied for the lead, so it is still wide open with six weeks remaining.

Tied for the top spot with 33 correct games are Jack Clark, Martell LeVeque, Joe Mabry, W. R. Mabry and C.H. Veague. One game back, with 32 correct are Maynard Agee, Charlie Clark, Kenneth Watkins and Waymon Wilkins.

TIES FOR LEAD . . . Jack Clark, who won second in the Friona Star football contest this week, pulled into a tie for first place with four others. His wife, Charlie, won the contest last week.

STREAK STILL GOING

Chiefs Come Close But Happy Avoids Upset, 24-20

It was a case of "almost but not quite" for the Friona Chiefs in their bid to snap the 21-game losing streak at FHS last Friday.

The Chiefs, who visably were out to beat the unbeaten Happy Cowboys, didn't make too many mistakes, but the ones they made were costly, and Happy was able to remain unbeaten, 24-20.

But Friona didn't give up. Trailing by ten points, 24-14

in the fourth quarter, the Chiefs rallied for a third touchdown, and were still trying to get another score as the final gun sounded.

"We could have won the game just as easy," said Coach Kenneth Miller. "We should have had another touchdown in the first half. Our mistakes hurt us, but I don't want to take any thing away from the boys -- they were really trying to win," he said.

It was the biggest point production for the Chiefs this season, and best offensive showing. Fullback Everett Gee had the best offensive night for a Friona back this season, rolling up 113 yards rushing. He also caught a pass for 20 yards late in the game.

"I thought we'd have more trouble moving the ball against their defense, but we apparently were ready for the game more than they were," Miller said.

Friona's defense, although still having room for improvement, has picked up considerably. The Chiefs held Happy after kicking off. On a fourth down play from their own 47-yard line, Friona threw the Cowboys for a one-yard loss and took over.

The Chiefs appeared headed for a score, driving to the Happy 20, but quarterback Gary Renner was foiled on three passing attempts, twice being dropped for losses, and Happy took over on the 30.

Happy wasn't long in retaliation. A 57-yard run by Kennedy, who was finally caught by Milton Hargus, set the ball on the Friona 22. Six plays later he scored, and M. L. McGeheeran the points for a 16-14 Happy lead.

Gee returned the kickoff to the 34. Three plays gained six yards to the Friona 40, and here the Chiefs took a big gamble. With fourth and four in their own end of the field, and an entire quarter left to play they tried for the yardage, but came out a yard shy and Happy took over.

SPEED DEMON . . . Everett Gee (20) is a blur of speed as he takes off on one of his nice gains against Happy last week. Gee scored two TDs, and ran for 113 yards in the game.

Friona got a break after fumbling the ball to Happy on the first play following a Cowboy punt. Happy ran only three plays before they fumbled the ball back to Friona. End Billy Thomas pounced onto the ball at the Friona 32.

A 17-yard sprint by Doug Dodd moved the ball up to the 49-yard line as the first quarter drew to a close.

The first play of the second quarter was perhaps Friona's best of the year. Renner uncorked a long pass which was snared by Thomas on an almost unbelievable catch and he raced into the end zone to give Friona first blood. Gee ran for two points, and the Chiefs led 8-0.

Happy took advantage of the first Friona mistake to tie the game. The Chiefs had held them for fourth down and a kicking situation. Just before the kick, a Friona replacement went into the game, but his man failed to come out.

This drew a 15-yard penalty, a new rule this season, and set Happy up with a first down at the Friona 35. On the second play following, Richard Kennedy raced 31 yards for Happy's first touchdown, and Jimmy Blackburn's run tied the count at 8-8.

That's the way the half ended although both teams threatened. Happy came the closest, moving to the Friona 25 late in the half, but an intercepted pass by Jim Snead killed the Cowboy drive.

Friona once again took the lead as the second half started. Gee returned the kickoff to the Friona 33. In six plays, in which he carried the ball four times, Friona had the ball on the Happy 27.

After the Cowboys broke through to throw Renner for a 10-yard loss on a passing try, Gee got the team out of the hole fast by racing 37 yards around left end for the touchdown. Renner tried to run the ball across but failed, and Friona led 14-8.

Happy once again made full use of the mistake. It took the Cowboys just six plays to score, with Kennedy running 19 yards for the clincher. On the point try, a pass was batted into the air by a Friona defender, but right to Happy center George Tirey, who stepped in for two points and a 24-14 Happy lead.

Friona might have been down, but they weren't out. Mickey Wilson intercepted a Cowboy pass, giving the Chiefs the ball on the Happy 49. From there, Gee and Dodd took turns moving the ball upfield. Gee scored the touchdown from seven yards out, but was stopped short of the goal line on the extra point try. This really didn't matter much, as the Chiefs were behind by four. 24-20, and needed another touchdown to win.

But with time running short, Happy picked up three consecutive first downs before Friona was finally able to stop them, and when the Chiefs took over on their own 18, they were 82 yards away from the goal, with only 1:14 left to play.

A 20-yard pass completion to Gee moved the ball up to the 47, but two previous running plays had used up valuable time. The Chiefs just had time for four desperate passing attempts, which couldn't click, and that was the ball game.

PLAY AT NEW HOME

Longhorns Hope To Bounce Back Friday

The Lazbuddie Longhorns go to New Home this week, in hopes of getting back on the win trail.

The Longhorns had their Homecoming spoiled last Friday when Amherst romped to a 36-8 win, handing Lazbuddie its third defeat of the season against one win.

"They beat us every bit as bad as the score indicates, maybe worse," said Lazbuddie Coach Charley Walton.

"We never were in the game. We couldn't move the ball, and couldn't stop them," Walton added.

Amherst was at full strength for the game, practically for the first time this season, but Walton didn't offer this as an excuse for the loss. "We just didn't act like we wanted to play," he said.

The Longhorns improved slightly in the second half after trailing 21-0 at halftime. The second half margin was 15-8 in favor of Amherst.

Halfback Terry Darling scored Lazbuddie's only touchdown, running 10 yards and then adding the two-point conversion to cut Amherst's lead to 28-8 in the final quarter. The Bulldogs went on to score again, however.

The Longhorn touchdown was set up by a 40-yard run by Mac Brown.

Charlotte Seaton was crowned Homecoming Queen at halftime by Darling, who was elected "Football Hero." Miss Seaton is the daughter of Mr. and Mrs.

Jimmy Seaton. Prospects for a Lazbuddie win this week are better. The Longhorns will have most of their injured players back in the lineup against a New Home team which is 1-4 this season. Lazbuddie beat New Home last year at the Longhorns' Home-

From Page One

CASTIN--

to have said on one occasion, "When I die I hope it will be said of me that when I saw a thorn in a neighbor's yard I removed it and left a rose in its place."

We might apply this bit of philosophy by literally pulling a weed and replacing it with a tulip or even covering a bare space with a bed of lively blossoms.

I. S. Harrell of Andrews was a visitor in our home early this week. Since he's my dad, having him around a few days was a distinct pleasure. My only regret was that I couldn't spare time enough to show him around over the country some.

Even though he isn't engaged in farming at the present time, he's really a farmer at heart and would have thoroughly enjoyed seeing how Farmer County farmers grow cotton, maize and wheat.

Due to my full schedule at the plant we did most of our

coming, 24-7.

Guard Carrol Redwine, our last week, is expected to play Friday. Freshman quarterback Hoppy Jennings, who has been sidelined all year, played some last Friday. Ends Rickey Hassle and Buddy Embry also are about ready for game action.

visiting across the camera or paste up table. Don't think he was very favorably impressed with my ability to organize my duties.

Absence of key personnel at a critical time probably made the confusion more obvious to him. One point he didn't have any argument on was that every-

one was very busy.

His parting remark was that from his viewpoint the entire operation was remarkable and that it was surprising that newspapers could evolve from such dis-organized confusion.

And about football, I am not going to say much for fear of calling the dunderhead coach of Tech's a dunderhead. I will support the football efforts of W. for the rest of the year.

A man was tuning in on the radio when he got a sudden twinge of pain in his back. "I believe I'm getting lumbago!" he exclaimed.

"What's the use," answered his wife "you wouldn't understand a word they say."

PLAY HERE TODAY

Freshman Team Tops Clovis, 16-8

Friona's freshman football team scored its second win of the season last Saturday morning, taking the measure of the Clovis freshmen, 16-8. The Frosh play Dimmitt here today at 4:45 p.m.

Fullback Tommy Sherley scored both Friona touchdowns, on runs of 20 and 30 yards. Friona scored once in the first quarter and once in the second

quarter.

Larry Sherley ran for one of the two-point conversions, and Sherley scored the other. Clovis' score came in the third quarter.

"We controlled the ball most of the first half, then had to turn to defense the second half," said Coach Gaylon Woodard.

Bobby Sims and Eugene Weatherly, linebackers, were cited for their defensive play.

"The entire defensive line played a good game," said the Friona coach.

THANK THE LADIES

... Bless 'em all!

Improved food isn't the only reason why American women are beautiful and brainy. But the improvements have let us enjoy the ladies more.

It used to take between 5 and 6 hours of hot kitchen work to turn out three meals a day. (Still does, in Europe!) Now they can be prepared in less than a half hour each. Because many foods today have "built-in maid service." They're "ready" foods: mixes, instant, precooked, partly or fully prepared.

Yet—the lady of the house spends a smaller share of your pay for food than before, or since, World War II.

Never underestimate a lady, fellows. She keeps America's biggest business (that's the food business) on the jump. And that's a big reason why—

Mr. and Mrs. A. L. Kerby of Bovina announce the engagement and approaching marriage of their daughter, Paula Kay, to Joe Neal Tarter, son of Archie L. Tarter of Lazbuddie. Vows will be exchanged Thursday, November 22, at 10 a.m. at First Baptist Church in Bovina. Immediately following a reception will be held in Fellowship Hall of the church. Friends of the couple are cordially invited. Formal invitations will not be sent to local residents.

Bridal Shower Honors Mrs. Charles Love

Mrs. Charles Love, who was Miss Jeanette Duncan before her October 1 marriage, was guest of honor at a bridal shower in Fellowship Hall of Friona Methodist Church September 28.

Decorations carried out the honoree's colors, orchid and white. An arrangement of dahlias centered the serving table, which was covered with an orchid net cloth over white satin. Crystal and silver appointments completed the setting.

Refreshments were served during calling hours by Mesdames Virgie Harrison, Pete Hollis, W. H. Ford, Eugene Ellis, H. M. White, Tom Burnett, Edward Spring, Pat Fallwell, V. L. Lambert and Russel O'Brian.

Those attending and sending gifts were Mesdames W. B. McCoy, Opal Potts, Estis Bass, A. W. Anthony Sr., Howard Love, Porter Roberts, I. T. Graves, Billy Sides, Joe Clark, Robbie Lee Thompkins, Lela Stockton and Raymond Adams. Also Mesdames H. C. Wells, Joe Boeckman, J. T. Gee, Jake Lamb, Kenyth Cass, O. F. Lange, Monroe White, A. L. Outland, William Scates, Leon Ashcraft, Foister Rector, Delbert Martin and Faye, Joe Fall-

well, A. Wolfington, Sam Love and Belinda, Ernest Anthony, Ralph Shelton, Forrest Osborn, Bud Reed and Floyd L. Rector.

Also Mesdames J. D. Sanders, Earl Drake, A. A. Crow, P. M. Duncan, Vivian, David and Don, Billy Johnson, A. D. McDonald, Roy Wilson, Alvin Gaines, C. A. Guinn, Tommie Parson, Howard Duncan, Thurman Chandler, J. L. Shaffer, Dess Fallwell, Dorothy Hough, Tom Lowellen, Hershel Hughes, W. C. Reed, W. C. Osborn, A. B. Fleming, Arthur Drake, Paul Harrison, W. J. Nazworth, Billy Nazworth, Sam Williams, Donny White, Joe Rhodes, Floyd Lofton, Vachrel Ridley and Mitchell Hudson.

Also Latha Russell, Ethel Duncan, Esther Duncan, Edith Turner, Elda Hart and Bro. and Mrs. Mitchell.

Jana Wright Born Sunday

The daughter of Mr. and Mrs. Gordon Wright of Springfield, Mo. Sunday, October 7, was named Jana. She weighed 8 lbs. 4 ozs.

Mrs. Crandall Wright, Jana's paternal grandmother, plans to go to Springfield in the near future.

Of Interest To THE WOMEN

WMU To Observe Diamond Anniversary

The regular monthly royal service program of Woman's Missionary Union of Calvary Baptist Church began with a salad luncheon at noon. This organization is observing its 75th anniversary this year and members will be wearing dresses and bonnets depicting styles in 1888 during the year.

Three members, dressed in costumes stylish when the organization was in its infancy, presented a program entitled "Laborers Together With God." They were assisted by three present day citizens and one citizen of tomorrow.

Those present included Rev. Audye Wiley, pastor; Bill Stephens, Mrs. O. C. Rhodes, Mrs. Herbert Day, Mrs. Clarence Monroe, Mrs. Monte Fowler, Mrs. Eune Martin, Mrs. D. J. Peters, Mrs. Elmer Euler, Mrs. W. S. Crow, Mrs. Sam Bailey, Mrs. Audye Wiley and Mrs. Bill Stephens.

Mrs. Audye Wiley, Mrs. Bill Stephens and Mrs. Herbert Day, dressed in costumes typical of the time when Woman's Missionary Union was first organized, are pictured here as they presented the program Tuesday afternoon at Calvary Baptist Church.

Club Members Exchange Ideas

Members of Fun and Fancy Club had an idea exchange for decorating homes and making small gifts at the Friday morning meeting in the home of Mrs. Lloyd Rector.

During the business session new officers were elected, incoming officers are Mrs. Marvin Jordan, president; Mrs. G. A. Collier Jr., vice-president; Mrs. Glen Mingus, secretary-treasurer; Mrs. Billy Dean Baxter, reporter and Mrs. Lloyd Rector, benevolence chairman.

Outgoing officers were Mrs. Bill Bandy, Mrs. Lloyd Mingus, Mrs. G. A. Collier Jr., Mrs. Marvin Jordan and Mrs. Lee Renner.

Refreshments of apple cake and coffee were served to Mesdames Billy Dean Baxter, Glen Mingus, Lloyd Mingus, Doyce Barnett, G. A. Collier Jr., Marvin Jordan, Lloyd Rector, Bill Bandy and Lee Renner.

Sunday School Class Elects New Officers

Mrs. Joe Talley was hostess at the Monday evening meeting of the Ruth Sunday School Class of First Baptist Church in her home.

During the business session new officers were elected for the coming year. Christine Johnson was elected to serve as president. Those elected to serve with her were: Melba Burleson, vice-president; Jerry Sherrieb, secretary; Frances Euler, treasurer; and Odie Claborn and Lorena Wood, benevolence committee members.

During the social hour refreshments were served by the hostess. Those present were Mildred Mingus, Thelma Ruth Shelton, Jerry Sherrieb, Mildred Burton, Melba Burleson, Christine Shirley, Christine Johnson, Florene Knight and Aline Turner.

Frionans Visit In Clovis

Recent dinner guest in the home of Mr. and Mrs. Charlie Baxter at Clovis were Mr. and Mrs. Calvin Martin, Mr. and Mrs. J. W. Baxter and Mr. and Mrs. Larry Martin and children of Friona and Mr. and Mrs. Joe Baxter and children of Texico.

Afternoon callers in the Baxter home were Mr. and Mrs. Lonnie Baxter and Mr. and Mrs. Charles Baxter of Clovis.

Space Age Kite
MINNEAPOLIS (UPI) — A local toymaking company claims it has developed a revolutionary "space age" kite which — shaped like a rocket and built with two curved delta wings — has been tested in a wind tunnel and flown to more than 4,000 feet. Called the Aero Kite, it is made of inflatable plastic and is over four feet long. A booklet with each kite explains in simple language and detailed drawings "the aerodynamic principles of lift, secondary lift, drag and angle of attack."

Couple Honored On Silver Anniversary

A Silver Anniversary reception in the home of Mr. and Mrs. Sloan H. Osborn Wednesday evening honored Mr. and Mrs. Frank A. Spring.

The serving table was covered with a white net cloth over satin and centered with an ar-

angement of white carnations. White candles, silver and crystal completed the setting. After the honored couple cut the wedding cake, it was served by Mrs. J. T. Gee, Mrs. Hollis Horton Jr. poured. Host couples with Mr. and

Mrs. Osborn were Messrs. and Mesdames Dan Ethridge, Ross Ayers, Granville McFarland and H. K. Kendrick.

Others present were Messrs. and Mesdames Wright Williams, Charles Allen, Newman Jarrell Jr., W. H. Long, Claude Osborn, Glynn Don Hughes, Carl Maurer, Bill Stewart, J. T. Gee, Hollis Horton Jr., Lee Spring and Lee Cranfill, all of Friona and Mr. and Mrs. Terrell Christian of Claude.

Local Woman Becomes Mortar Board Member

A long time Friona resident and former home economics teacher, Mrs. J. T. Gee, was honored Sunday, Sept. 30 with membership in Forum Chapter of Mortar Board, a Texas Tech honorary society.

An initiation service for seven candidates for membership was a candlelight ceremony at the Student Union Building on the Tech campus.

Mrs. Gee, the former Lillah Gay Rodgers of Lubbock, is a 1932 graduate of Tech and while a student there was a member of Forum, an honorary woman's group.

Membership in Forum was based on scholarship, leadership and service. In 1956 Forum affiliated with Mortar Board, a national organization.

Tech alumni who were members of Forum are eligible for membership in Mortar Board. There are 20 members in the chapter and Mrs. Gee makes the second Friona in the group.

Deniese Magness, a 1959 graduate of Texas Tech and daughter of Mrs. Mae Magness and the late H. T. Magness, is also a member of Mortar Board. She is teaching fifth grade at Scottsdale, Ariz. this year.

Rebekahs Meet

Friona Rebekahs met in regular session Monday evening. Reports were made of four sick visits and eleven cards being sent.

October 14 has been designated Oddfellows and Rebekahs day at Texas State Fair in Dallas. Registration begins at 8 a.m. that day.

J. Duncan Weds C. Love

Wedding vows were exchanged between Jeanette Duncan, daughter of Mr. and Mrs. Pearl Duncan of Texico, and Charles Love at Pleasant Hill Church at 8:30 p.m. October 1. The double ring ceremony was read by Rev. Hugh Frazier.

Parents of the groom are Mr. and Mrs. Howard Love of Friona.

Latha Russell and Neal Parson, both of Friona, attended the couple.

Mr. and Mrs. Love are at home at 603 East Sixth. He is employed by Rockwell Brothers & Co.

F. H. Hadley observed his 94th birthday in his home in the east part of town Wednesday, October 3. Friends and relatives visiting in his home were served birthday cake and coffee. They were Mrs. Leo Ballis, Becky and Kenny; Carl Hadley, Mrs. A. H. Hadley, Mary, Dawn and Shasta and Mrs. Gibbie Trigg, all of Friona and Mrs. L. D. Cannon and Mrs. Marvin Gaddy and Donnie of Muleshoe.

Mrs. E. Truitt To Review Book

Mrs. Carmaleet Truitt, local high school English teacher, will present a book review at the Federation Tea at the club house at 8 p.m. Tuesday, October 16.

Members of Modern Study Club will be hostesses and special guests will be members of Friona Woman's Club and Progressive Study Club.

Other numbers on the program will be special musical selections by Mrs. William Beene and songs by the Modern Study Club sextet, Mrs. H. K. Kendrick, Mrs. O. J. Beene, Mrs. Fay Reeve, Mrs. Howard Ford, Mrs. Wright Williams and Mrs. Henry Lewis.

Cass Family Visits Children

Mr. and Mrs. Kenyth Cass were in Brownfield last week, to help their granddaughter, Laurie, celebrate her second birthday.

The Casses also used the occasion to bring back news of the growth and progress of their three-month-old grandson, George Russell, who was born June 28.

The children's parents are Mr. and Mrs. George S. Price.

Baby Girl Born To Local Couple

Mr. and Mrs. Jimmy Hughes became parents of a baby girl at 6 a.m. Tuesday, October 2, at Parmer County Community Hospital. She weighed 8 lbs. 1 oz. and was named Jaquita Beth.

Other daughters of the couple are Paulette 7, and Renee, 4. Grandparents are Mr. and Mrs. Leonard Gosner and Mr. and Mrs. P. W. Hughes all of Friona. Great-grandparents are Mr. and Mrs. E. G. Gosner and Kid Hughes.

Diana Taylor Attends Meeting

The Area I FHA officers met last Saturday in Canyon. Plans were made for the FHA Area meeting, to be held March 16 in Lubbock.

Attending the meeting from Friona were Diana Taylor, area historian, and Mrs. Valoris Osborn, sponsor of the Friona FHA chapter.

He didn't insure his car through an independent agent

He'd done everything to get the insurance company to pay for his badly damaged car—phoned . . . argued . . . pleaded. Everything except stand on his head. Now he's done that.

All unnecessary — if he had insured through an independent insurance agent. Because an independent agent represents several companies, he recommends only those companies which pay

claims promptly and fairly. For all-around protection, it pays to insure your car, home, or business through an independent insurance agent!

We are independent insurance agents, ready to give you continuing, personal attention — the Big Difference in insurance today. For a free analysis of your insurance coverage, just give us a call.

Fabricadabra

THE MOST FLATTERING BRA EVER MADE

Exquisite Form

Embroidered
 "Giveable" Cotton
 \$2.95

THE FABRIC:
 ("Giveable" Cotton)
 gives with every breath you take
 so lightweight, it feels like your own skin
 soft as a handkerchief
 exclusive with Exquisite Form

THE BRA:
 Fabricadabra fits every inch of you like a second skin
 you're completely free — you don't know you're wearing a bra
 has its own natural shaping ability — shapes better than unnatural bones, wires, molds or anything
 you'll look like the one woman in hundreds who doesn't need a bra

FABRICADABRA is Truly a Wash and Wear Bra
 It can be machine washed endlessly (washing actually improves this fabric). There will be ABSOLUTELY NO SHRINKAGE.
 The usual laundry detergents can be used.
 DO NOT IRON — the garment irons as it washes — comes out neat — needs no pressing.

Club Programs Feature Texas, Atoms And You

In keeping with the theme "Toward Brighter Pathways" which has been chosen for Modern Study Club during the year, the past two meetings have featured studies of "Texas" and "Atoms and You."

For the September eighteen meeting the program opened with prayer by Mary Kate Zeman, which was followed by the singing of the Texas Flag. Group singing was directed by Grace Whitefield with Melba Allen accompanying at the piano.

Two facets of the Latin American situation in Texas were presented by Allo Reeve, who spoke on Mexican agricultural workers, and Eufaula, whose topic of discussion was LULAC.

Highlight of the program was a preview of teaching methods used in Friona schools by Decima Beene. This demonstration, which was complete with pupils, featured three methods of teaching non-English speaking pupils the language.

They were (1) the aural-oral functional method, which is the basic learning principle of listening, looking and speaking; (2) the phonetic method, which is learning sounds of words;

and (3) visual methods, which is seeing the word and learning it. Students participating in the demonstration were Judy Aragon, Eva Garcia, Rose Ann Moreno, Junior Gonzales, Sara-gosa Carella and Celestino Garcia. They were accompanied by Rosita Aragon and Herlinda Gonzales.

A poem, "No Apologies To None" by Josephine Lefter closed the program.

Hostesses were Ilene Osborn and Wana Brewer. Mrs. Arley Outland was a guest. Twenty-five members attended the meeting.

Two phases of living in the atomic age were presented by Flora May Ayers and Estelle Caffey at the Tuesday evening meeting in the club house.

Mrs. Ayers spoke on "Nuclear Energy" and Mrs. Caffey presented "Defense Against Disaster." The devotionals were directed by Rhea Foster and Becky Coffey presented a piano solo.

Refreshments of pie, nuts, coffee and tea were served by the hostesses, Gerry Taylor and Topsy Farr, to 29 members and Mrs. Leonard Coffey and Becky, who were guests.

Tulip bulbs being planted now will bring beautiful spring blossoms to the area immediately surrounding the memorial marker in City Park. Four members of the community service committee of Modern Study Club are pictured here preparing soil before planting the bulbs. They are Ruby Don Nunn, Mae Magness, Lucille Latta and Allo Reeve.

Mrs. L. D. Taylor Leads Friona Club

During a business session at a recent meeting of Friona Home Demonstration Club in the home of Mrs. Bill Morgan, Mrs. L. D. Taylor was elected president for the coming year.

Other newly elected officers are Mrs. A. H. Boatman, vice-president; Mrs. Bill Morgan, secretary-treasurer and Mrs. J. B. Williams, reporter and Mrs. Walter Cunningham council delegate.

Plans were made for contributions of gifts to be made to the Veteran's Hospital at Amarillo as a benevolence project this year. The annual council report was filled in. Mrs. Dee Taylor was accepted as a new member of the organization and Mrs. Wesley Hardesty was a special guest. Members present were Mesdames Walter Cunningham, Earl Drake, Glenn Reeve Jr.,

John D. Sanders, L. D. Taylor, J. B. Williams, A. H. Boatman and Bill Morgan.

BLACK NEWS

BY BRENDA DEATON

The Black Home Demonstration Club met Thursday, September 27, at the community house with Mrs. Dick Rocky as hostess. There were eleven members and three guests present. One new member was added. Mrs. Johnson presented a program on the refinishing of furniture. She was assisted by Mrs. Ellis Tatum and Mrs. Kermie Deaton. They used small pieces of different woods for this demonstration. The members planned a full day's workshop, but the date is yet to be set.

The ladies attending the county-wide Home Demonstration Club luncheon at Oklahoma Lane Monday were; Mrs. L. W. Gibson, Mrs. Ralph Price, Mrs. Fern Barnett, Mrs. Dick Rocky, Mrs. T. J. Presley, and Mrs. Johnson.

Recent guests in the Lloyd Prewett home were Mr. and Mrs. Kiplinger of Jacksonville, Florida.

Mr. and Mrs. Travis Stone, Linda, Connie, Steve, and Gary attended the Stone family reunion in Lamesa, Texas recently.

The Stones also visited in Odessa with Barbara Hall.

Miss Karen Maynard spent Tuesday night with Linda Stone. Miss Aline King of Dallas is visiting with the L. L. Deatons. Miss King is the Deaton's niece.

Cut hot pads or pot holders from old felt hats. Wash and iron the felt. Then bind the edges with bright tape to match the kitchen color scheme.

Housewarming Fetes Mrs. Lura Bradley

Mrs. Elmer Euler and Mrs. Dan Lacey were hostesses for a surprise housewarming honoring Mrs. Lura Bradley in her home on West Seventh Street from 3 to 5 p.m. Thursday. Refreshments of coffee and cake were served during calling hours.

Those attending and sending gifts included Mesdames W. H. Jones, M. L. Howard, E. B.

Brannon, Bee Westbrook, Audye Wiley, T. E. Wood, Earl Chester, T. C. Gardner, Dale Westbrook, Jim Roberts, J. B. McFarland, and J. P. Wilson.

Also Mesdames Alta Wyly, A. O. Drake, Della Osborn, A. S. Curry, John Allen Sr., H. G. White, C. D. Carter, Clarence Martin, H. A. Hyde, Jack Anderson, Cayson Jones, Herbert Day, O. C. Rhodes, W. S. Crow and Calvin Martin.

Mrs. Bill Sheehan Entertains Children

"We Don't Go To School" was the theme of a party in the Bill Sheehan home Wednesday morning. Mrs. Sheehan directed a play session which included classroom study, a nature study, regulation play periods and other make believe school activities.

These were followed by a story telling period and refreshments of cake and ice

cream. The cake, baked in the form of a hobby horse, was used as a centerpiece on the serving table.

Pre-school age children present were Jay Cranfill, Jerry and Sharla Benge, Jimmy Murphree, Bud Barber, Tim, Tama and Tomi Nichols, Keith Pryor, Phillip Duggins, Philand Doug Bynum, Kathy Carrouthers and Jack Sheehan.

You do a world of good by sending \$1 Food Crusade gift packages to hungry people through CARE, New York 16, or your local CARE office.

Plans Completed For Tour of Homes

Members of Friona Woman's Club have completed plans for the tour of homes in Friona Thursday, October 18 from 2 to 5 p.m. Anyone interested in purchasing tickets may contact a member of the club or buy them at the home of Mr. and Mrs. Charlie Doak at 1207 Elm on the day of the tour.

Other homes to be toured include those of Mr. and Mrs. D. C. Herring, Mr. and Mrs. James Procter, Mr. and Mrs. M. M. Elder and Mr. and Mrs. M. J. Stacy.

homes. These houses are located at 603 Lela and 1104 West Sixth and have been built by Fleming and Son, Contractors.

Markers will be erected in front of each of the houses on the tour and members of the club will be hostesses and will conduct guests on the tour.

Cigarettes took 1.212 million of the 1.487 million pounds of leaf tobacco used in the U.S. in 1960. Consumption amounted to 484.4 billion cigarettes, or 3.908 per person (15 years of age and over).

GO JET-SMOOTH '63 CHEVROLET - IT'S EXCITING!

smooths bumps better than a bulldozer

If all roads were superhighways, Chevrolet's remarkably smooth and silent ride might be just another luxury. But as most town and country roads will demonstrate, this is one Chevrolet advantage that's mighty easy to get excited about. (The way those four deep-coil springs put the kibosh on bumps, you'd almost think Chevrolet was working for the highway commission.) The '63 Bel Airs, Biscaynes and Impalas are equally easy going on upkeep. Brakes are self-adjusting. New Delco-tron generator s-t-r-e-t-c-h-e-s battery life. Even the rocket panels on the Body by Fisher are H-washing and ventilating to keep you from rust. Your dealer's waiting to tell you lots more.

ers are in operation south of us, but as far as I know none are operating in Parmer County at this time.

The September rain followed by warm days has given wheat a boost. In many fields the ground is completely covered and there just isn't a more beautiful sight to be seen than a pretty green wheat field beside a maize field in which the grain has ripened and turned a beautiful shade of reddish brown.

Trees in this area are beginning to turn yellow and brown and fall flowers have never been more beautiful. Those of us who can't take an aspen tour can take a local tour and see many spots of beauty right in our own area.

I've been hearing by the grapevine that C. L. and Nola

Faye Vestal and their children were planning to move back to Friona.

While visiting with Wana Brewer after school Monday I learned that in this instance the grapevine is right. Think the only big hitch in the proposed move at this time is the little problem of finding a house to live in.

Surely there is one house in town that needs a family in it. If anyone knows of a vacancy, the Vestals would appreciate knowing about it. A call to the residence of Mrs. Lucy Vestal would be sufficient to get word to C. L. and Nola Faye.

Who wants an English bulldog puppy? Merritt, Jo Faye and Steve Brooks, who live northeast of town have several they would like to sell.

Think it is rather unusual for a dog of this particular breed to have nine puppies in one litter, so probably the mother comes from a prolific family. The puppies are about two weeks old and will soon be old enough to wean. If you are interested in buying a pet for your son's or daughter's Christmas, this may be just the opportunity you are looking for.

Friona's alley improvement is being conducted on an individual basis, but several changes have been made up and down the alley between Main and Euclid.

Claborn Funeral Home and Ruthie's Flower Shop now has an all weather drive all the way around their building and it is very clean and attractive looking. Then farther south Ethridge-Spring has a neat looking sign on the back of their building and back entrance looks very nice.

Parmer County Community Hospital Auxiliary needs rummage. Do you have anything wearable or usable you would like to donate to a worthy cause? If so, contact a member of this organization as soon as possible.

This group conducts the sale annually as a means of raising money to contribute for needed equipment at the local hospital. Mrs. Herschel Johnson, an active worker in the organization, reports that used comic books sell very good. Perhaps you have a stack of such books that your children have already read and for which you have no further use. By contributing them to the sale, you will be killing two birds with one stone. First, you will be getting rid of some useless objects in your home.

Harvest time is definitely here. Combines are running in fields all around and a few bales of cotton have been ginned. Cotton harvest time has changed drastically in the past few years. The days of hand picking before frost and stripping

gave way to hand pulling before frost and machine stripping later in the season.

Now there is practically no cotton harvested until after frost or defoliation. Then the entire crop is mechanically pulled. A few mechanical pick-

Board Told Of Commodity Value

The value of food commodities received by the Friona School cafeteria during the 1961-62 school year amounted to \$11,924.30, Superintendent of Schools Alton Farr told the school board at its meeting Monday night.

In other action, the board heard a report from Dan Ehridge, tax assessor-collector that \$95.88 in delinquent taxes were collected in September.

Ed Young, of Glover, Grover and Brown, gave the audit report for the 1961-62 school year.

The board voted to add a room to the Worley teacherage, replacing the present carport. A policy statement concerning the number of stock shows FFA students may attend was adopted.

Superintendent Farr reported on the cafeteria fund, activity fund, transportation fund and school budget.

District FTA Officers Meet

District officers of the Future Teachers of America met in Canyon recently to plan the District nine convention, to be held at West Texas State College November 6.

Brenda Deaton of Friona is financial secretary of the organization.

Plans for the convention, the theme of which will be "Today's Teaching -- Tomorrow's Heritage," were made. District nine of the FTA embraces 26 counties in the "top of Texas."

Participation Program Planned For P-TA Meet

Announcement has been made by Mrs. Curtis Murphee, program chairman of Friona's PTA chapter, that the Thursday, evening meeting October 18 meeting will feature a planned audience participation meeting.

The meeting will begin at 7:30 p.m. in the high school auditorium. The program has been designed to encourage teachers and parents to exchange ideas for benefit of all students.

A membership drive, under direction of Mrs. W. M. Massie, is now underway. This drive is being conducted in the form of a contest and all students, whose parents send in membership

dues, will receive credit in the contest.

All parents are urged by Mrs. Doyle Cummings, president, to attend the October 18 meeting and to participate in the program.

Brave Teams Drop Games To Dimmitt

Dimmitt seventh and eighth grade football teams scored a sweep of two games played against the Friona Braves

The Friona eighth graders led most of the way, taking an 8-0 lead at the half, being tied up, then going ahead 14-8. But Dimmitt scored in the final quarter and added the two points for the win.

Halfback Bobby Jordan scored both Friona touchdowns, on runs of five and ten yards. Don Ready, an end, scored a two-point conversion on a pass from Ted Renner.

The grade school teams host Morton next Thursday, October 18, in games beginning at 4:30.

WHAT COUNTS

When Patrick Henry made his will he closed it with these words: "There is one thing more I wish I could give you. It is the religion of our Lord Jesus Christ. With it, if you had nothing else, you could be happy. Without it, though you had everything else, you could not be happy."

The Christian religion is the one supreme essential of human life. He who has not found peace with God through faith in Jesus Christ, is of all men most miserable, no matter what may be the size of his bank account, and no matter how high his rung on the social ladder.

And by the same token, he who has found full and free forgiveness for all his sins through faith in Christ's atonement, has found the supreme assurance and satisfaction of life, no matter how little he may have of this life's goods, and no matter on what side of the tracks he may live.

As William Penn once said, "The true end of life is to know the life that never ends." That is the life that is lived by faith in Jesus Christ. - Have you found that life?

Come to Friona Lutheran Church on Sunday, Oct. 21st., meeting in the Legion Hall, on East 7th Street and Washington Ave. Worship services will begin at 9:00 a.m., followed by Sunday School and Bible Class at 10:15 a.m.

Rev. E. A. Binger, pastor of Emmanuel Lutheran Church, Rhea community, will be in charge of the service. Everyone is invited to attend.

Boosters Offer "Free" Football

The Friona Boosters Club will stage a drawing for the game ball at Friday night's football game between Friona and Bovina, according to Booster-president John Renner.

The boosters will sell chances for the ball at the gate for 50 cents each as a fund-raising project.

THE Booster Club meets every Monday at 8 p.m. at the School Cafeteria. At next Monday's meeting, game films from the Friona-Bovina clash will be shown.

CHAMP BARROW . . . Rickey Hassell had the champion barrow at the Lazbuddie School Fair Monday, a Berkshire entry.

Jimmy Chesher Serves Aboard Rescue Carrier

Jimmy C. Chesher, aviation storekeeper third class, USN, son of Mr. and Mrs. Jessie O. Chesher of Friona, served aboard the support aircraft carrier USS Kearsarge, a unit of the recovery force which the U. S. Navy and U. S. Marine Corps had assigned to the Pacific Ocean area for the recent third manned orbital flight into space.

The organization of ships and aircraft units, Task Force 130, was on station in the Pacific to locate and recover Astronaut Walter M. Schirra.

The 4,000-man force is commanded by Rear Admiral Charles A. Buchanan, Commander Task Force 130. He was at the Pacific Mercury Control Center on Oahu, Hawaii, to direct the force, which includes seven ships, three aircraft units and a detachment of "frogmen."

The around-the-world vigil, maintained by the Pacific and Atlantic recovery forces, marked the first time that Pacific Fleet units have been specifically assigned to Project Mercury operations. However, in past space shots, all military units which possibly might be used have been on standby during a space shot. The landings of the two previous U.S. manned orbital flights were terminated in the Atlantic.

SCHOOL MENU

MONDAY: creole spaghetti, green beans, buttered carrots, butter, tomatoes, green pepper, lettuce salad, rolls, chocolate cake, milk.

TUESDAY: ham, English peas, rolls, potatoes in white sauce, carrot sticks, butter, milk, apricot cobbler.

WEDNESDAY: fried chicken, mashed potatoes, gravy, rolls, jello pineapple fruit, cocktail salad, butter, milk, apple sauce cake.

THURSDAY: Pinto beans, greens, corn bread butter, milk light bread, onion rings, cheese sticks, black berry cobbler.

FRIDAY: roast & gravy, buttered beets, rolls, potatoes, lettuce edges, butter, ice cream sticks.

Something To Think About

6th Street Church of Christ
Box 515 -- Friona, Texas

conversion (?) has no bearing on the matter. Nothing could be farther from the truth! Conversion is the starting point from which we must "go on unto perfection" (Hebrews, 6:1) "working out our own salvation with fear and trembling." (Phil. 2:12) Faithfulness unto death is a condition to be met before receiving the crown of life (Rev. 2:10) Paul said in Gal. 5:1-4 "Stand fast in the liberty wherewith Christ hath made us free, and not be entangled again with the yoke of bondage . . . for I testify again to every man that is circumcised, that he is a debtor to do the whole law . . . whosoever of you are justified by the law; ye are fallen from grace." The Lord said to the church (which is composed of the saved, Acts 2:47) at Laodicea that he would "spue thee out of my mouth" (Rev. 4:16) On another occasion Paul said to Timothy, "Now the spirit speaketh expressly, that in the latter times some shall depart from the faith" (1 Tim. 4:1) and in Hebrews 3:12 we read, "Take heed, brethren, lest there be in any of you an evil heart of unbelief, in departing from the living God." To become a Christian takes care of the past, to be a faithful Christian takes care of the future.

come to church sunday

"Then answered Peter, and said unto Jesus, Lord, it is good for us to be here;" (Matt. 17:4a). These were the words of Simon Peter upon the Mount of Transfiguration. There were a number of reasons why Peter made this great declaration. First, because the fellowship was so sweet and wonderful. Second, because of those who were present. Peter, James, and John who accompanied the Master to the Mount of Transfiguration but there also appeared on the scene Moses and Elias. Third, God expressed Himself as being well pleased with His Son and commanded the disciples to "Hear Him." Fourth, and perhaps one of the greatest reasons was because Jesus was revealed in His glorified state thus preparing His disciples for the experience of the Cross and His Resurrection. To the disciples who were on the Mount of Transfiguration that day it was truly a great experience. However we too may share a similar experience by taking advantage of the opportunity afforded us each Sunday at the church where we worship. We can enjoy the sweet Christian fellowship, find His Will for our lives and feel His Divine Presence.

Officials See Possibilities Of Area Watershed Project

More than 50 persons connected with the Running Water Draw watershed project got a first-hand look last week at what could be done in this area in connection with Running Water Draw.

Several Farmer County officials were among those who were treated to a tour of the Brady Creek Watershed in Central Texas.

About a dozen Farmer County residents interested in the

project were among the 54 persons who were flown to Brady to see the watershed project there, courtesy of the city of Plainview. They were joined there by another carload of county residents, who drove down.

After being treated to a steak luncheon by Radio Station KVOP, Plainview and Station KNEI, Brady, the group was taken by bus and car to see

highlights of the Brady Creek Watershed, which is nearing completion after about 10 years of work.

The group was taken to the final phase of the project, Brady Lake, which will be the largest multi-purpose reservoir to be a part of a watershed program in Texas--and perhaps the entire nation when it is completed. The lake and the 41 other structures will have a combined total water storage of 179,153 acre feet, covering 13,401 surface acres at maximum level. More than nine million cubic yards of earth fill are being required for the embankments of the dams.

Supervisors of the San Saba-Brade SCD say that completion of the Brady Creek project will put Brady and McCulloch County ten or more years ahead of most communities in providing for conservation and beneficial use of their water resources.

In addition to the agricultural benefits, the program will provide, the addition of Brady Lake

will give the City of Brady water for municipal and recreational purposes and will as-

sure flood protection.

Brady knows what it is like to experience a flood. In 1938

alone, a flood brought damages amounting to \$2,226,282 in Brady and in the watershed.

The Brady officials pledged their help to the West Texas group in getting their project underway. The Running Water Draw is of prime concern to Plainview, which sponsored last week's trip. Any time the draw floods, the city of Plainview receives the brunt of the damage.

Counties affected by the project are Curry (New Mexico), Farmer, Lamb, Castro and Hale.

The area project calls for a series of 11 structures to be built on the draw between Clo-

vis and Plainview. Under this setup, Farmer County would have three structures.

Besides the benefits as far as soil and water conservation are concerned, the possibility of recreation facilities for Farmer County is one thing that interests local officials.

The first step for the area-wide project is to verify co-sponsors for the program, so that application may be made to the State Soil Conservation Board of Directors. This board must give its approval before the planning can start.

GETTING UNDERWAY is the hand harvest of cotton in Farmer County. Many fields are becoming snow-white, and pre-frost harvesting becomes more intensified each day.

Fall Fashions Described At Personal Charm Program

Latest fall fashions were described and shown to 30 homemakers and teenage girls in a special county-wide "Personal Charm" program presented by Miss Ettie Musil, Farmer County Home Demonstration Agent, held Thursday, September 27 at the Oklahoma Lane Community Center.

Several necklaces, pins, collars, over skirts, gloves, hat, shoes, and belts were used to change a basic dress from

casual wear to very dressy occasions. A jumper dress was worn with a blouse for casual wear and later changed for party or banquet wear with jewelry or a lace jacket.

Miss Musil also demonstrated how to walk, sit, and stand to better wear the basic garments.

Following the illustrated program most of the group from Bailey and Farmer Counties practiced putting on and pulling off a full-length coat.

WITH THE COUNTY AGENT

DERYL COKER

Not near enough farmers are picking up backtags at my office to keep Farmer County a Modified Certified Brucellosis-Free County. If you are planning on selling any female cat-

tle over three years of age it definitely will be to your advantage to place a backtag on them if they are going to market.

This is how the backtag works: When cattle are loaded at your farm the backtags are placed on the back of the animal, at which time you send in a card telling the number of cattle tagged and their numbers. If any of these animals are slaughtered within 14 days and is negative you will be credited as being a participant.

Over a three year period we must test at least 15 per cent of the breeding cattle in the county to keep our county qualified. Every farmer or rancher that participates will not be called

upon to retest at the end of three years. We know that our animals are clean now, so no one should be afraid to place these backtags on the backs of their cattle.

All slaughter plants have been advised to collect blood samples and after the blood sample is collected it will be sent to the state office and analyzed and then you will be notified as to the results. Even though you did come up with a reactor it will be to your advantage to know about it.

By backtagging your slaughter cattle you can assure the Brucellosis-Free status of your herd and help re-certify our county without additional farm or ranch test, except in known affected herds.

This will save you time and money and help maintain our area's modified certified status with less work and contribute to eradication of the disease.

We have a plentiful supply of the backtags and glue available in our office, so let's everyone make it a point to participate.

It won't be long until we will be harvesting cotton. Getting the cotton to the ginning good condition can mean a great deal of the farmers.

From now on we will probably be having heavy dews every night and stripping wet cotton can cost you \$10 a bale or more. Let's try to hold up until the sun is well out and the cotton has dried before we strip. If we can stay out of the fields until 10:30 a.m. it will be a big advantage to you and to your ginner.

Also, if you are stripping cotton and have a trailer or two full, it would be to your advantage to put a tarp over the trailer, especially if there is a chance for rain.

Seedlings Are Available For Farm Windbreaks

Farmers and ranchers who plan to plant windbreaks this year can pick up applications for tree seedlings from their County Agricultural Agent, or by writing to the Texas Forest Service, College Station.

Windbreak species available this year are: Austrian and ponderosa pine, black locust, catalpa, Chinese elm, cottonwood, buffaloberry, mulberry, red cedar, multiflora rose, sycamore, Russian olive, euonymus and Osage orange. Black walnut stratified seeds are available also.

The seedlings are sold only for windbreaks and prevention of soil erosion. No order for less than a total of 100 trees will be accepted.

Windbreak planting guides are available free of charge from the County Agent and from the Texas Forest Service, College Station.

HD Agent's Notes

BY MISS ETTIE MUSIL

Are you still paying for your home or are you thinking about buying a new home? If so, you may be able to save quite a lot of money by paying close attention to the interest paid and the number of years for the repayment.

For example, on a \$12,000 mortgage at four and a half per cent interest for 15 years, you will have to make payments totaling \$19,224. The same loan for 30 years will cost you

\$27,302.40. Suppose you are able to get a loan only at six per cent interest. The \$12,000 loan for 15 years will cost \$20,928. If it takes you 35 years to pay it out, it will cost you \$35,040.60.

Note the saving of \$15,816 of the four and a half per cent loan for 15 years compared to the six per cent loan for 30 years. When you are shopping for a home check the total cost of the different mortgages available to you. It can mean money in your pocket. How much will your home actually cost?

We have an excellent publication in our office that should be of help to you in buying by credit. Just call or write us, or come by the office at the Courthouse in Farwell for a free copy of "Using Consumer Credit - A Tool or A Trap?"

The median age of people in our county is 23.8 years of age. The average age of the farmers in the county is 36 years. According to the 1960 U. S. Census of Population we have 32.1 per cent of our population between 20 to 44 years old. This young population in Parmer County involves many families buying or paying for new homes. Consumer credit is an important business transaction, too.

Credit can be a useful tool. If used wisely, credit may enable the family to attain more quickly and easily some of its major goals. It may permit the purchase of furnishings and equipment when the family is young and needs are greatest. It will also allow the family to enjoy the goods as it pays for them.

Credit can serve as a convenience. This is especially true of charge accounts and service credit given by doctors,

dentists, oil companies, public utilities, and paper boys. One can establish a credit rating that becomes a great value in getting credit when an emergency arises.

Of course, there are a number of cautions in using credit. When a person signs a credit contract, he mortgages his future income. In other words your income is spent before you get it. The use of too much credit will lower the level of living.

Research shows that people usually buy more when they do not have to pay cash. They may become careless occasionally about what they buy since it is easier to return charged goods than cash purchases.

Goods bought at a store with charge accounts are usually more expensive because of the costs of investigating each person's credit rating and of keeping records of payments. This cost of credit is hidden, although included in the price of the goods bought. As we mentioned in the payments of loans of homes here is an increase in the cost due to the interest of the loan.

By all means, know the dollar and cents cost of credit. Many have found that it is important to get acquainted with the lenders before the need for credit arises.

If income is irregular, as farm families often are, do not commit yourself to regular payments. Get credit from a source whose responsibility, integrity, and fairness is well known. Then read and understand the terms of the contract before you sign.

Especially for irregular income, do not use maximum credit capacity except in a crisis. Keep everyday credit totals well within safe limits, leaving a margin for emergencies.

For more information, get a free copy of the bulletin "Using Consumer Credit". It should help you to make wise choice of credit.

SOIL CONSERVATION DISTRICT NEWS

Are we using our irrigation water wisely? As we approach the end of another irrigation season we all should think about this question and make preparation to assure that water will be used properly in the next irrigation season.

1. What type of soil do you have? Will it take water fast or slow? If the soil takes water slow the run length may be increased. If it takes water fast the length of run needs to be shortened.

2. Is the slope of the land gentle or steep? On gentle sloping land water may be run further without danger of losing water or soil. On steeper slopes water cannot be run as far without some means of checking to prevent tailwater and erosion.

3. How long should each set be? On tighter soils usually from 12 to 24 hour sets are desirable, while on lighter soils six to 12 hour sets should be used.

4. How much water should be applied each irrigation? Three to four inches every 10 to 15 days is a pretty good rule.

All of these questions point to the need for a conservation plan and a conservation irrigation system. Through management of irrigation water, better crops can be produced at lower cost and for a longer period.

For additional information or any questions you may have concerning this practice contact your local Soil Conservation Service Technicians at Friona, Texas.

Homemakers Invited To Attend Tours

Special tours for the selection of furniture, in cooperation with Home Demonstration clubs in Farmer County, continue this week and next. Farmer County Home Demonstration Agent, Miss Ettie Musil, reminds homemakers. The tours begin at 9 a.m. at the District Courtroom of the County Courthouse in Farwell. Five furniture stores will be

visited in Clovis and Texico, N. M. Included in the tour will be learning what to look for in selecting furniture; and what woods give the best service; what finishes are used. These are education tours designed to help the homemaker in her selection of furniture. The remaining tour schedule is:

NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

It is to be hoped that every farmer will make a detailed study of the administration-passed "Food and Agricultural Act of 1962". Besides finding it interesting, you will also find it perplexing in many details. Farming in 1963 will go on much as it has in 1962. However, there are some very different details included for the year of 1964.

The following example concerns a farm of 1150 acres in the Panhandle. Bill Wedemeyer, Promotion and Research Director of Texas Farm Bureau has prepared this example based on information at hand. There are accompanying comments, but we are just relating the figures arrived at if the farmer in question accepted the minimum acreage reduc-

WELL UNDERWAY in the County is the maize harvest, as sunny weather this week was the signal for hordes of combines to invade the county's ripened grain fields, which will shoot for an all-time production record.

tions necessary for compliance with the program:

It is assumed that the farm has acreage allotments on wheat of 500 and grain sorghum of 400 and 250 acres of temporary pasture. He would be required to retire 100 acres of wheat and 80 acres of grain sorghum, using the minimum requirements for compliance with the program. On the basis of the above he would receive the following payments from the government:

1. Wheat land retirement of \$1,820.00 (100 acres times ten bushels times \$1.82).
2. Wheat incentive payment of \$1,440.00 (400 acres times 20 bushels times 18¢).
3. Grain sorghum land retirement payment of \$2,160.00 (80 acres times 1500 lbs. times \$1.80).
4. Grain sorghum incentive payment of \$1,920.00 (320 acres times USDA's established yield 20 bushels times 30 cents per hundred pounds).

This is a total of \$7,340.00 direct payment to the farmer of 1150 acres from the government, as you can see. This is very close to \$6.40 per acre for the entire farm, part of which is not being farmed.

Wedemeyer points out that this type of program puts the farmer more completely at the mercy of the government for his income. He also predicts that the 1964 referendum for wheat will be a choice between a complicated multiple price certificate plan or no program at all.

FOOTSAVING EDUCATION

by James E. Edwards

Do you approve of stretch sox?

A whole size in sox or stockings is a whole inch so a half size is a half inch. That is not a very intelligent remark, but, I want to point out that a half size in sox is equal to 3 half sizes in shoes.

Mothers who would not dream of allowing a child to wear shoes that are a size and a half short will continue to use sox after they are one size too small, (i.e. six half-sizes in shoe sizing).

The stretch sox that we sell are supposed to fit (in sox language) sizes 4-5 1/2, 6-7 1/2, 8-9 1/2. In shoe language, that would be 0-5 1/2, 6-11 1/2, 12-2 1/2.

I believe that stretch sox are safe if the child's feet are at the small end of the size range. If the child needs a 7 or 7 1/2 I would not buy a 6-7 1/2. In such cases I recommend cotton sox be used until the child can use the 8-9 1/2 size.

ELECTRIC RANGES—NOT A SINGLE ONE RETURNED

In 1958, Southwestern Public Service Company and participating Reddy Kilowatt dealers offered free wiring and guaranteed satisfaction to electric range buyers. 1,200 electric ranges were sold during the two months the offer was in effect—NOT A SINGLE ELECTRIC RANGE WAS RETURNED... the most convincing proof of the superiority of modern electric cooking.

FREE WIRING AND SATISFACTION GUARANTEED
NOW, for the second time, you, as a customer of Southwestern Public Service Company buying an electric range for permanent installation, in a one or two family residence, are offered FREE WIRING and SATISFACTION GUARANTEED when you buy an electric range from a participating Reddy Kilowatt dealer of your choice. If, within 60 days from the date of your purchase, you are not completely satisfied, any money you have paid will be fully refunded—you can't go wrong.
