LISTEN TO LUKE

Following the story in last week's Times about the increase in taxable property in the county and school district to the tune of almost one million dollars, it is surprising to learn that some members began planning or considering the possibility of building gold-plated buildings for the school and curbs, gutters, and a sewer system for the town.

We would like to hope and think that people were more aware of what is going on than to propose such things.

The increase of the valuation of the county and school district taxes amounted to about \$1,000,000, and will mean about \$7.00 for the county and about \$14.00 for the school.

The reason for the difference in the difference in total valuation and the difference in tax rates. The county charges only 10¢ on the \$100 valuation, while the school get \$1.50 on the \$100 valuation for local maintenance and 20¢ for bond retirement.

Then, too, there is a difference in the valuation of the properties of the two taxing units.

The county's share of the increase in valuation is a small figure when it comes to the needs of the county. There is the necessity of the paying for about nine miles of right-of-way on FM 2400, paying for fencing about 13

Times To Be Late Next Week

The Sanderson Times will be late next week because the staff will be observing July 4 as a national holiday.

Miles of lane, or about 26 miles of fencing at about \$800 a mile. As the desirability of raising the pay of some of the officers of the county, doing some needed repairs on the courthouse, and the desirability of new or different jail facilities, and many other things for which money would be well-spent.

But the County Commissioners, in their efforts to keep down the burden of taxes on county property owners will continue to try to make-do with the funds that they have coming in.

The payment of all taxes due to the county by taxpayers would be considerable help, too. It would do all a lot of good to earn as much as possible about the county's and school's finances are managed, how the money is budgeted and allocated and spent.

Masons Install Officers Tuesday

Officers of the Sanderson Masonic Lodge were installed in ceremonies Tuesday night. The installation followed a supper served in the basement of the Masonic Building to members of the lodge, the Order of Eastern Star, and their families.

James Clark was installed as master; W. L. Kessler, senior warden; H. M. Beckett, junior warden; B. R. Stavley, senior deacon; R. L. Norred, junior deacon; R. S. Wilkinson, secretary; Ruel Adams, treasurer; J. A. Gilbreath, chaplain; Marion Batson, tiler; W. F. Frazier and W. H. Savage, stewards.

Gilbreath was the installing officer and Wilkinson the installing marshal.

Mrs. Vina Diehl and son, Eddie Diehl, of El Paso are visiting with her daughter, Mrs. L. R. Hall, and family. Mrs. Hall and son, Leslie, and her daughter, Mrs. Harriett Graham, and son, brought the visitors to Sanderson after they had visited in El Paso for a few days.

15-Day Season Slated for Deer For This Fall

A 15-day deer season is in the offing for the 1962 season west of the Pecos, according to information given at a meeting of local sportsmen and area ranchmen on Monday night. The meeting was at the courthouse and was called by representatives of the Texas Game and Fish Commission for the purpose of discussing game and fish laws in the trans-Pecos area.

P. B. Uzelle and Bill Hailey, game biologists with the Game and Fish Commission, provided statistics to support their recommendation for a longer deer season West of the Pecos and stated that the recommendation had been made to the Texas Game and Fish Commission and that opinions of hunters and ranchmen would not override their recommendations which had been based on population studies and deer kills during the past.

The season, if the recommendations of the biologists were accepted by the Commission, would run from December 1-15 both days inclusive, and the bag limit would not be changed.

There was some opposition to the proposed change voiced by some of those present at the meeting.

The biologists pointed out that the longer season would make possible more revenue from paid hunters by the ranchmen who permitted hunting for pay.

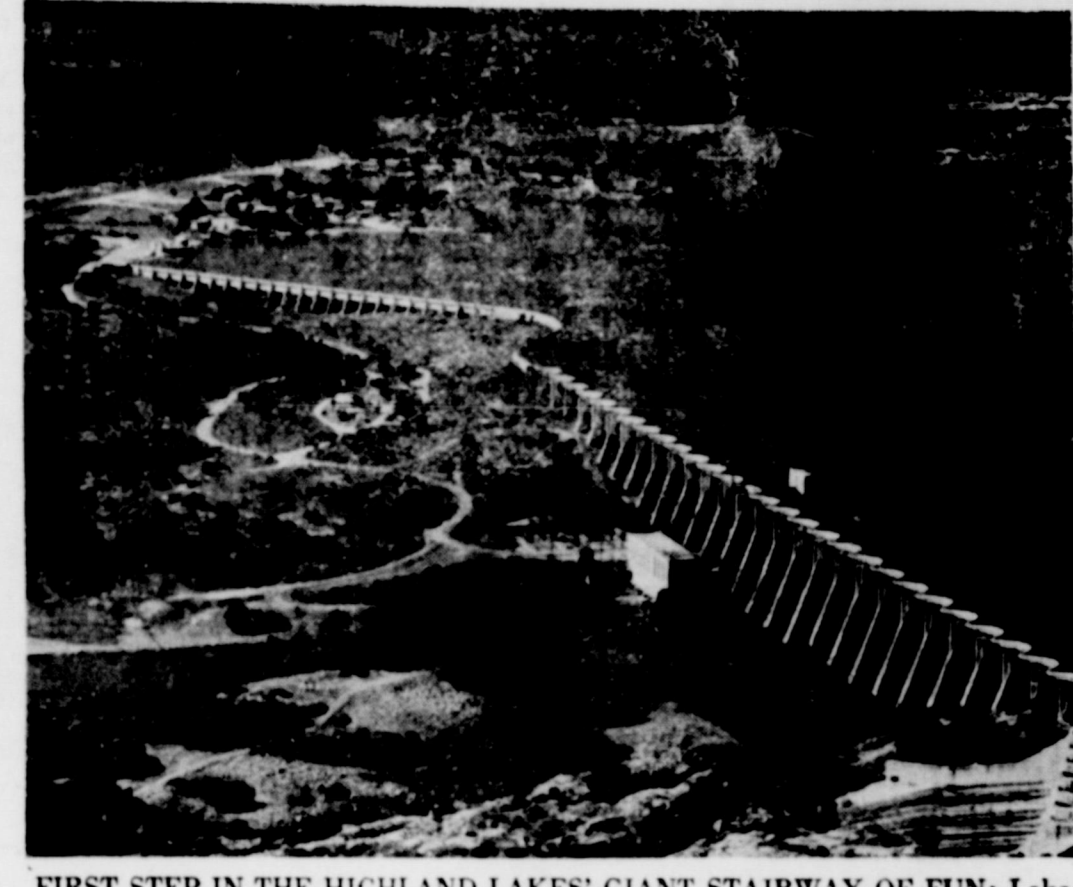

Most of the opposition was by ranchmen who did not take paid hunters and who were concerned over increased inconvenience worry from people who were wanting to find a place to hunt.

There was also some concern over the possibility of strict law enforcement in the trans-Pecos area during the entire 15-day season.

Poachers and night hunters in the past have given both landowners and game conservationists a lot of trouble in some areas not only just before and after the regular season, but during the regular 8-day season of the past. This seven-day extension of the season is expected to only make for more trouble from night hunters and poachers, it was pointed out.

District Supervisor Edgar Sturdivant of El Paso, Game Conservationists Gullbur of Fort Stockton and Cliff Wilson of Sanderson were also present at the meeting.

A sizeable and representative group was present for the meeting.

FIRST STEP IN THE HIGHLAND LAKES' GIANT STAIRWAY OF FUN: Lake Buchanan, photographed at massive Buchanan Dam. Backing up a lake-full of aquatic fun, the dam and its Lower Colorado River Authority power station help provide electric power for the Central Texas area. Below Buchanan, five more LCRA dams form the rest of the Highland Lakes: Inks, Granite Shoals, Marble Falls, Travis and Austin. The lakes are surrounded by numerous parks and attractions, including popular Texas Longhorn Cavern State Park and its famous underground cavern, third largest in the world. The cavern is located on Park Road 4, just a few miles from Lake Buchanan, and is open daily from 10 a.m. to 5 p.m.

Scouts Return From Camp and Report Awards

Scoutmaster Bill Hance this week reported on the activities of the local Scouts at Camp Sol Mayer last week. Fourteen boys attended the week-long camp.

First-class badges were awarded to Eric Cooksey and Terry Kessler; second class to Lea Elrod, Vernon Munson, Glenn Haynes, Jack Whistler, and Vernon Thompson.

Terry Kessler earned a merit badge in cooking; Andrew Riess in cooking and swimming; Eddy Looney in cooking and life-saving; John Dewey Stutes and Dane Elrod in swimming.

The troop won second place for their skit presented on "stunt night". Several of the Scouts were presented with awards for marksmanship.

Nine of the 14 boys made the mile swim, one of the requirements toward a merit badge. The nine were John Dewey Stutes, Dane and Lea Elrod, Andrew Riess, Mike Bogusch, Terry Kessler, Eddy Looney, Jack Whistler, and Vernon Munson, who could not swim 100 yards when he went to the camp Monday.

Sheriff Bill Cooksey, assistant Scoutmaster, went to Camp Sol Mayer Thursday and stayed with the boys until the end of the camp period since Mr. Hance had to leave on that day.

Buddie Joe Hahn is a counselor at the camp through this week.

Calendar of Events

Friday — Joint meeting of Legion and Auxiliary
Wednesday — July Fourth celebration
Thursday — Lions Club

Mr. and Mrs. R. N. Allen arrived Wednesday for a visit with their sons, Don and Bob Allen, and their families. The Allens brought their three grandchildren, Vicki, Steve, and Tom Allen, to Sanderson after a ten-day visit in San Antonio. They had visited in Colorado City for a week with their other grandparents before going to San Antonio.

Mrs. W. E. Lea, who had been visiting relatives in Del Rio, visited here with her son, W. E. Lea Jr., and Mrs. Lea en route to her home in El Paso.

Right-of-Way Obtained for Road

Terrell County Judge R. S. Wilkinson stated this week that all of the right-of-way had been obtained for RM 2400 completion with the exception of the stretch of about three miles of state-owned land. The right-of-way on this portion of the highway must be completed on state forms for such practice and is only a matter of time in getting the forms completed and in the mail.

Letting of the proposal for bids is expected next month and work is expected to begin this fall on the project.

There will be approximately 13 miles of construction in the project which will complete the topped tie-in between US 285 and Texas 1217. The new road will save several miles between Sanderson and Sheffield.

The road will also be a boon to ranchmen in that area.

Wednesday Will Be Local Holiday

With the exception of cafes and service stations, all local business firms will be closed on Wednesday, July 4th, a national holiday.

The post office and bank will also be closed in observance of the holiday.

Postal Employees Express 'Thanks' To Patrons

The postal employees asked the Times to thank the patrons for paying their box rent so promptly this quarter. They said that more patrons have paid the box rent on a yearly basis than in the past and it is a great convenience to the employees in the post office when this is done.

Wendell Hill Marries Barmorhea Girl

Word was received recently of the marriage of Wendell Hill son of Mr. and Mrs. Joe Hill, to Lupe Carrasco of Barmorhea. The wedding was on June 1 in Fort Davis.

The couple is residing in Barmorhea.

Ladies Softball To Be June 28 On Local Field

The Sanderson ladies softball team will play the Sheffield ladies Thursday night, June 28.

The game will be at the diamond near the Legion Hall and all fans are urged to come out to enjoy the game.

Amelia Hernandez Drowning Victim On Padre Island

Funeral rites were held in Corpus Christi Tuesday morning for Miss Amelia Hernandez, 23, who drowned Sunday afternoon on the Gulf of Mexico side of Padre Island. She was swimming with a party of three others when she was apparently caught in an undertow.

Miss Hernandez is survived by her father, Jesus Hernandez, of Austin; her mother, Mrs. Cruz F. Hernandez of Corpus Christi; two sisters, Mrs. Rodolfo Delgado and Miss Mary V. Hernandez; and a brother, Jessie, all of Corpus Christi; her paternal grandparents, Mr. and Mrs. Juan Hernandez of Del Rio.

Her parents were former Sanderson residents and she was well-known here.

Attending the funeral rites from Sanderson were Mr. and Mrs. Manuel Flores and Mario; Mr. and Mrs. Adalberto Cobos and son; Mrs. Candida Perez and daughters; Mrs. Chona Flores; Grace Hernandez; Mrs. Julian Perez Jr.; Mrs. Martha Benevides and David Flores; also Miss Rosa Perez of San Antonio.

Methodist Men's Club Meets

The Methodist Men's Club met Monday night in Fellowship Hall at the church. Seventeen men were present.

After the president, Bill C. Cooksey, had called the meeting to order, routine business was disposed of and visitors and new members were recognized.

The devotional period was conducted by L. R. Hall, L. G. Hinkle, and W. H. Savage.

The interdenominational club under the sponsorship of the Methodist Church, meets every fourth Monday and all men of the community are welcomed.

Safe Driving Urged In Coming Week

Governor Price Daniel has issued a bold request to the people of Texas to slow down and live. The plea was on the eve of the weekend driving prior to the Fourth of July holiday on Wednesday of next week and the weekend following.

He stated that every law enforcement agency of the state is asked to pledge their cooperation by strict law enforcement to help hold down traffic fatalities during the week and particularly on the Fourth holiday.

Local officers stated that their vigilance on the highways would not be changed except by a longer working day in an effort to try to protect the driving public.

All drivers on the highways on these holidays are asked to leave their headlights burning as a reminder to other motorists that they are driving safely and legally.

The governor and the Texas Department of Safety stated that they had only one purpose in mind in their efforts at law enforcement and that was to protect all of the drivers on the highways of the state.

All-Day Plans For Fourth Here

Special events have been planned for the celebration of the 4th of July in Sanderson. The annual celebration is planned by the members of the Clarence Hallie Mulkey Post of the American Legion and Auxiliary and also this year the Junior Auxiliary.

To open the day's events Wednesday, there will be a parade which is under the direction of the Junior Auxiliary. Prizes will be offered for the prettiest decorated float, the prettiest bicycle and the most original entry in the parade. The parade will form at the Eagle Lumber Co. and march east on Oak Street, beginning at 11:00 a.m. and will disband at the Legion Hall.

The serving of the barbecue dinner will begin at 11:30 a.m. A committee has been busy welding pipe to provide supports for tarpaulins which will be used to provide a shaded area for the barbecue to be served on the grounds at the Legion Hall. Tickets for the barbecue, which are selling for \$1.00 per plate, have been on sale for several weeks.

There will be a roping in the afternoon beginning at 1:30. The events will include a jackpot calf roping, ribbon roping, team tying, barrel racing, and goat roping. The roping, sponsored by the Sanderson Rodeo Club, will be at the new rodeo grounds on U.S. 285 northwest of town.

The Rio Ramblers will furnish the music for the dance which will begin at 9:00 p.m. on the slab south of the Legion Hall.

Prizes to be given away at the dance include: first prize, Frigidaire washer and dryer; second prize, 263 Winchester rifle with scope; third prize, a boy's or girl's bicycle. A tent with poles and stakes will be given to the person selling the most tickets for the barbecue.

The members of the sponsoring organizations are extending a cordial invitation to everyone in this area to attend the events which have been planned for their entertainment.

Changes Made In Social Security Law

In 1961 there were some changes in the social security law that may affect you and your plans for the future, according to H. P. Thomas, manager of the Odessa Social Security office. These changes tend to make it easier for people to draw social security benefits. Among the changes are these:

1. The amount of work required to qualify for benefits is not as much as was needed before the change in the law. There was no change, however, in the requirement that no one may draw social security benefits without credit for at least six quarters of work under social security.

2. Retired men may now choose to start drawing social security benefits as early as age 62 if they are willing to accept a reduction in the amount of the benefit. The amount of the reduction is 5-9th of one percent for each month a benefit will be paid before he reaches age 65. Persons between ages 62 and 65 who are not employed and whose wages are low, may want to inquire about how this change would affect them personally.

3. Another important change is the method of considering a beneficiary's earnings that are over \$1200 for the taxable year. Under the new law, \$1 will be withheld in benefits for each \$2 earned from \$1200 to \$1700. This means that for most people, they can get more per year in combined earnings and social security benefits. Because of this relaxation in the law, all persons who are 65, or older, should file an application if they have not already done so.

The changes listed above are some which may have a definite bearing upon your retirement plans. Visit your social security office for accurate information on how the new provisions may affect you.

Mr. and Mrs. Weldon Cox were in Fort Stockton Friday for dental work.

Mrs. R. S. Wilkinson arrived home Wednesday afternoon from a visit with her son, R. W. Wilkinson, and family in Houston and with her son, Jim Wilkinson and family and other relatives in San Antonio.

Mr. and Mrs. J. H. Mathers and children visited in Marathon last weekend with relatives and friends.

State Capital NEWS
 By Vern Sanford

Austin — Texas has something to brag about: The best traffic safety record in Texas' history. The National Safety Council "grades" all states on traffic safety. Of a possible 100 points, Texas got 84 for its efforts to solve traffic deaths and injury during 1961. A big share came from the second lowest traffic death toll since 1949 — "only" 2,314 killed on the highways in 1961.

California had the best score with 86. Michigan was second with 85. Texas tied with Illinois and Ohio for third place among the "big traffic" states.

Gov. Price Daniel said that holding down the death rate despite steadily increasing traffic made a real record — fewer deaths per 100,000 miles traveled than ever before.

New Industry
 Every Texas city is looking for new industry. But they aren't alone. Every state has some sort of industry-attracting program.

In May, Texas tied with Illinois for fourth place in the number of new industries opened for business. Each had 39. New York had 49, California's 35, and Pennsylvania's 32 led Texas.

Some states allow public-supported bond issues to finance plant buildings. The Texas Industrial Commission thinks this could be done by private finance, but it asked the Texas Re-

search League to make a study to see which approach is best.

Texas Industrial Commission is running ads this month in Business Week, Wall Street Journal, Dun's Review and American Banker magazines and newspapers, inviting industry to look at Texas for new plant sites.

Carla's Cost
 Hurricane Carla, which hit Texas last September, struck a delayed blow this week.

After insurance companies paid more than \$110,000,000 in insurance claims, the State Board of Insurance ran up the statistics in setting new rates of extended coverage insurance — which includes windstorm damage.

The result — a 27 per cent increase in dwelling rates in the "seacoast territory" and a 5.3 per cent increase in the new inland territories.

"Seacoast territory" comprises all counties on the Gulf of Mexico, plus a tier of counties adjoining them.

In those counties, where \$100 worth of extended coverage in insurance cost 35c this year — it will cost 44c after July 1.

This is just the dwelling rate. There are dozens of other variations in the complicated business of setting insurance rates.

But it's all based on statistics. When insurance companies have the biggest losses in history in

1961, it raises rates for a number of years to even things out

Here To Stay
 From the way Texas Democrats are nominees for the state Senate are thinking now — the new sales tax is here to stay.

There likely will be some modifications — but no chance of repeal, and little chance of making it one per cent on everything instead of two per cent on most things.

That is the result of a newspaper survey of Democratic nominees for the Senate.

A clear majority — 17 of the 31 — felt the sales tax would not be repealed. Only one among the 17 said he would vote to repeal it.

But several feel there should be some changes made. Major item suggested was to do something to ease the strain on the small vendors.

Interpretations of the law are that the merchant can't collect the tax on sales of less than 25 cents, but must pay the tax to the state on those sales as a part of his gross sales.

Theory was that collecting more than two per cent on sales of 25 cents and more would even things out. But it hasn't worked that way, particularly among the people like restaurants where they sell a lot of coffee, vending machines, newsboys, and others.

Long Suit
 A West Texas judge may spend the winter — and part of the spring — in the Lower Rio Grande Valley.

Chief Justice Robert W. Calvert named District Judge J. H. Starley of Pecos to preside over the big water rights lawsuit in Hidalgo County, where the tangled skein of water rights will be unraveled.

Texas Supreme Court said land deriving from Spanish and Mexican grants do not have a riparian right to use water for irrigation.

With that big question answered, Judge Starley will go into a hundred other questions in the suit involving all users of the Rio Grande from Maverick County to the Gulf.

Visiting judge had to be sent in since District Judge Magus Smith was disqualified because

he had been an attorney for some of the interested parties before he was elected judge.

Road Men
 Texans who work for better highways came to Austin for their annual convention.

They named Leslie Neal Sr. of San Antonio as president of the Texas Good Roads Association for the coming year.

They voted to increase speed limits to 70 miles an hour, and to let the State Highway Commission zone highways for speeds up to that limit.

John Connaly, Democratic nominee for governor, told delegates that Texas should not divert its highway tax money to other purposes. But he warned that the cities need help on their street construction problems, too.

O. J. Cresswell went to Odesa Sunday to meet his wife for the trip home after she had been visiting in Lubbock with her daughter, Mrs. Ray de Busk, and family.

Savages Return from Vacation

Mr. and Mrs. W. H. Savage returned home Monday from their vacation trip. After visiting in Abilene with her cousin, Mrs. Elgin Herrington, and family and with Mr. and Mrs. C. G. Bradford, they went to Ardmore, Oklahoma, to visit their son, W. H. Savage Jr., and family. En route home they stopped in Greenville for a visit with Mrs. John Nichols, at the Presbyterian Children's Home at Itasca; at the Bastrop State Park; the Masonic Grand Lodge Temple in Waco; in San Antonio to visit their son, Jack Savage, and family and her sister, Mrs. T. Maxey Hart, and family; and to visit in Uvalde with Mr. and Mrs. Joe F. Brown.

Mrs. A. D. Brown has returned home from a vacation trip to the fair in Seattle, Washington, Yellowstone and Grand Teton National Parks, Durango, Colo., and several points in Canada. She went with her son-in-law and daughter, Mr. and Mrs. Ed Foley and children of Alpine.

Four Sanderson Girls Enroll in Band, Twirling School

Four Sanderson girls have enrolled in the band and twirling school of McMurray College to be July 15 through July 27. They are Carla Dunn, Pixie Mansfield, Pam Stavley and Barbara Cates. The students will live on the campus during the two weeks and appropriate social activities and sports are being arranged during the off hours and evening. Classes will be offered in individual instruments, conducting, marching, and twirling, stage band, theory, and concert band performance.

Ranch Club To Meet July 10

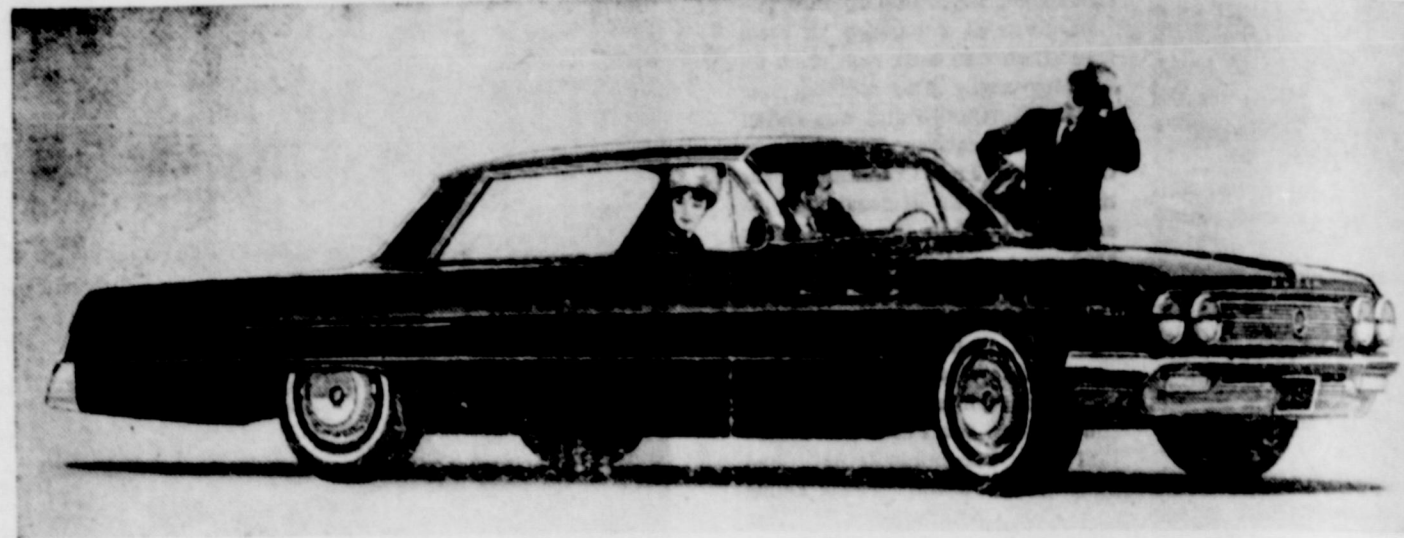

The monthly meeting of the Ranch Home Demonstration Club has been postponed to Tuesday, July 10.

Mr. and Mrs. J. T. Dillard of Cleburne visited here last week with Mr. and Mrs. W. W. Sudduth. He was formerly a funeral director here.

Mrs. S. C. Harrell, left Mrs. John Neal, and her Mrs. Ann Miller, of Victoria, leaving today for El Paso to spend the weekend with Harrell's daughter, Mrs. Pendleton, and family and turn her granddaughter, Pendleton, who had been in here for two weeks.

RIGGINS JEWEL & SHOP will close at 1:00 p.m. on Saturdays through the month of July and August, beginning July 7th.

**Mrs. Cliff Wilson
Leads Program For
Presbyterian Women**

The Presbyterian Women of the Church met Monday afternoon in the home of Mrs. E. E. Farley.

To open the meeting, Eloise Farley played "I Would Be True" as a piano selection. Mrs. N. M. Mitchell read a comment from "The Christian Observer". She also read Romans 1:6 and led the opening prayer.

Mrs. Cliff Wilson led the program titled "Considering a Church Location", based on Ephesians 4:1-13. Assisting on the program were Mmes E. E. Harkins Jr., C. C. Mitchell, and L. W. Welch. Mrs. J. W. Byrd led the dismissal prayer.

Refreshments of lemon pie and iced tea were served. Also present were Mmes R. A. Gatlin, G. K. Mitchell, Sid Harkins, J. D. Nichols, and E. F. Pierson.

**Hobby Club Has
Annual Barbecue**

The members of the Langtry Hobby Club met in the ranch home of Mrs. Cam Longley for their annual barbecue. Mrs. Dewey Word and Mrs. Earl Davenport were assisting hostesses.

Tables and chairs were arranged on the lawn where Japanese lanterns hung from trees to cast a soft glow over the scene. A typical Texas barbecue was served with the vegetables, salads, pies, cakes, coffee, and tea. The invocation was given by Rev. Marvin Clamp of Del Rio.

After the barbecue, the guests were invited into the house where Mrs. Word and Mrs. Davenport played popular old songs and current hits on the piano. Weldon Werneking, playing his electric guitar, joined them for several numbers.

Seventy-five guests attended the barbecue including Mrs. Andy White's sister, Mrs. Etta Mae Baker, and her cousin, Johnny Baxter, of Bay City and Mrs. Longley's daughter, Mrs. Calvert Curry of Lubbock.

Mrs. Cecile Bell has returned from her vacation which she spent with her son, Leslie Bell, and family in Alpine; her sister, Mrs. Dave Medley, and family in Fort Davis; her sister, Mrs. Charlie Rogers, and Mr. Rogers in Fort Stockton.

Jack Hayre and Sid Harkins were business visitors in San Antonio last week.

**Mrs. L. H. Gilbreath
Leads Program For
Methodist Women**

The monthly meeting of the Methodist Woman's Society of Christian Service was Monday afternoon in Fellowship Hall. Prayer by Mrs. H. E. Ezelle opened the meeting.

During the business session, Mrs. M. W. Duncan, president, named the members of the standing committees. Mrs. W. F. Frazier was named secretary of local church activities. A free-will offering was taken for the punch which was served the Vacation Bible School. Mrs. Paul Hatem was welcomed as a new member.

Mrs. L. H. Gilbreath led the program on ecumenical deaconesses and missionaries. The hymn "Rescue the Perishing" was sung and the Bible passage read by Miss Eva Billings to open the meeting. Answers to questions given by a panel of eight comprised the program. Mrs. L. G. Hinkle read a letter from a missionary in Rhodesia Africa.

Mrs. Ezelle and Mrs. Frazier were hostesses for the meeting. Frosted lime punch, brownies and cookies were served from a table covered in a hand-crocheted cloth over pink and centered with an arrangement of summer flowers in shades of pink, rose, and red.

Also present were Mmes. John Neal, W. T. Attaway, H. C. Goldwire, F. E. Curry, Irvin Robbins, L. R. Hall, C. H. White, and H. M. Petty.

**Baptist WMU
Has Program
Led by Mrs. Gray**

The members of the Baptist W.M.U. met Monday evening in the home of Mrs. O. D. Gray. Mrs. Gray read the call to prayer and led the special prayer for missionaries on the Prayer Calendar. After singing the hymn "Make Me A Channel of Blessing", the group participated in a responsive reading with Mrs. Gray leading. Mrs. A. D. Brown led in prayer.

Mrs. Gray led the program on "The Way of Righteousness in Pakistan". Assisting her were Mmes. R. A. Turner Jr., W. R. Balkum, Orba Court, W. C. Mitchell, H. G. Cates, and T. O. Moore. Mrs. James Word led the dismissal prayer.

The hostess served devil's food cake, lemon cake, iced tea, and coffee.

medal
for homes

**The MEDALLION emblem--symbol of
better living... electrically!**

When you see the Medallion emblem on a home, it means "Here is a home planned and equipped for truly modern electrical living." Each Medallion home has an electric range and at least three additional major electric appliances plus outlets for others. "Light for Living" brightens each room and makes every seeing task easier, and FULL HOUSEPOWER wiring makes all this better living possible. When you look at new homes, look for the Medallion emblem, found only on homes that are up-to-date... electrically!

**ANYONE FOR
SPORT...**

(Corvair's the car that's got it)

When you feel this one's nimble handling and sure-footed traction, you'll feel as zesty as your Corvair. And that Monza Club Coupe at the left is eager to show you just how zesty that is.

CORVAIR MONZA

LUXURY...

(Just sample our Jet-smooth variety)

How about feeling expensive—without the expense? How about that Impala Sport Coupe at the left? More car would be hard to find no matter what you paid.

are having a hey-day with the first family of the U.S.

We think this is a deplorable situation - not because of the fact that the puns are flying, but because the first family has put itself in position for so much criticism in so many ways.

We found out a long time ago - about 65 years ago to be specific - that respect was given to people who demanded that respect and who were worthy of the respect that was shown to them. And when people in authority do not demand respect very little is shown to them.

We cannot blame this lack of respect to the first family on the American people as much as we blame it on the first family.

And people will not be brow-beaten into showing respect or homage, other than a lip-service type of thing.

Respect for an individual comes from an admiration of another person for the actions, the demeanor, the dignity, and the aplomb by which a person conducts himself.

Man has an inborn instinct for respecting those who deserve it and an inborn instinct for showing contempt to those who are worthy of that.

A man makes his own reputation and other people are quick to recognize it. A person's reputation is subject to change, but only with the changing of the person himself.

Personally, we would like to see the American people showing more respect for the first family

Legion, Auxiliary To Meet Friday

There will be a joint meeting of the American Legion and the Auxiliary Friday evening in the Legion Hall at 7:30.

The meeting is for the purpose of presenting the four youths recently sent by the organizations to Boys' State and Bluebonnet Girls' State in Austin. The youths are Barbara Cates, Diane Tronson, Susano Munoz Jr., and Bob Fisher. They will give a report of their experiences and the events there.

Refreshments will be served during the social hour which will follow the meeting.

TELEPHONE TALK

by Jim Brewer, Manager

REPAIR SERVICE

The next time you get a bill to cover repairs on some appliance in your home or for replacing parts in your auto, take a long, appreciative look at your telephone.

Considering the amount of usage it gets, the telephone is an amazingly trouble-free mechanism. The majority of our customers seldom need to have their phones repaired. Should trouble develop from normal usage, however, repairs are made quickly and without additional charge.

Good, fast repair service comes about because telephone people genuinely feel their job is important. This "spirit of service" is found all along the line. Kind of old fashioned, but it's there.

This is just another reason why you can count on your telephone when you need it most.

TELEPHONE TEAMWORK

Frequently, in this column, you have heard me mention that telephone service provided by the Bell System is "nationwide" in scope.

It is nationwide. There are Bell companies in every state. But all telephone companies are not Bell companies by any means. As a matter of fact, one-sixth of the telephones in the United States are operated by some 3,200 neighbor companies.

Here in Texas there are 166 telephone companies besides Southwestern Bell.

We do not compete with these companies. We connect with them. Their lines are joined to ours to carry Long Distance messages. Thus, those served by companies not a part of the Bell System can still be connected with practically any telephone in the United States.

Day by day team work between telephone companies enables practically anyone, anywhere in the country to pick up a telephone and talk to anyone, anywhere else, clearly and quickly. This is a fact of great importance in furnishing our nation the finest communications system in the world.

SUMMER PLANNING

By now most of us have begun thinking about our summertime plans. Many of us plan to travel. A few more will stay home and get things done. Others will go away to some camp or resort.

But whatever your plans, it's just good sense to use Long Distance to make your summer more pleasant.

For vacation planning as an example, it's smart to call ahead for arrangements and reservations.

For arranging visits with friends, too, a call ahead of time will make your welcome warmer when you stop by.

For keeping in touch with home or office while you're on vacation, or with members of your family while they're away, Long Distance is fast, easy, economical.

And the nicest, most personal way to say "thank you" to friends you've visited is a personal telephone call after you've returned home.

So whether you're going places or staying home to get things done, remember that Long Distance telephoning is the convenient way to make this summer pleasant and satisfying.

Call by number. It's twice as fast.
