

# Lazbuddie Debate Enthusiastically Received

It's getting late in Friona-- after 5 o'clock -- according to the shadows on the faces of several of the male residents. The budding shrubbery is being cultivated in preparation for the Maize Days celebration Sept. 13-15.

If most of the men's wives are anything similar to those with whom I am acquainted, (one in particular) there will be quite a bit of opposition to the beard - growing idea. The opposition will bring up such reasons as not looking like the man she married and the whiskers stick.

On top of all this, if other beards are like mine, they stick the bearer worse than the associate--at least, more constantly.

But, if I can stick it out, I (along with the rest of the beard growers in this plant) am going to let the weeds grow for the next month, just to be patriotic (or something similar to that word), most of us will go to the trouble of buying a shave permit. Actually, the permit will serve as a defense in case the stickers get to be too much for the individual constitution and have to be taken off.

Seriously, though, time is getting short and most of the people serving on committees in connection with the celebration are already in full operation. But committees alone cannot make a successful event. It will take the full cooperation of each and every resident to build the Maize Days to the kind of celebration Friona expects and deserves.

The event last year was one of the better of its kind but with a little effort and participation from everyone, the celebration this year can be even bigger and better. Even the people working on the committees can enjoy the work, if they have a little help.

-TH- Well, much to my sorrow, (perhaps to others as well), the vacation is over. Since I didn't go to the world's fair or anything like that, it was truly a vacation for me. Where most people want to do something to break the monotony in their lives, I just did nothing to achieve the same result.

Now, the only problem is to get so far behind before next summer that I have to take off another week to let things catch up again.

By the way, I picked up a little information concerning the tourist and taxes and intended to editorialize on it, but because of production limitations, I am unable to do so.

In effect, it amounted to this:

Each summer, Joe Motorist and millions like him will pack the kids and suitcases in the family car and take off for parts unknown on the annual vacation.

It's a great American custom and one I gladly endorse.

It would be only fair, however, to warn Joe that no matter which way he goes, he will find that the states are not kidding when they advertise, "Come and bring money."

According to the latest information, taxes on tourists are higher than ever.

Gasoline taxes alone will cost Joe and his fellow motorists more than \$6 billion this year. Other highway user taxes will run the bill up to more than \$11 billion.

About \$2 billion of the \$11 billion collected from highway users is being spent on programs totally unrelated to roads. The Federal Government is the worst offender when it comes to diverting funds from the road building fund. This year, it will divert about \$1.6 billion from the established program. Certain states, where highway funds are not protected by law, are diverting \$400 million this year. As a result, the roads which are paid for by the users, go unattended.

This is not the end of the motorist's problems, however. As Joe reads the papers, he finds some politicians urging that still more highway taxes be used to improve transit

(Continued on page 2)

THEY PARTED FRIENDS . . . Principals in the public debate on the nation's farm program were able to "disagree disagreeably" Tuesday night at Lazbuddie. From the left are Lazbuddie's Frank Hinkson, moderator Bill Wooley of Hub, and Paul Lewis of Littlefield.

One of America's precious freedoms was exercised at Lazbuddie Tuesday night, and from the response, it was indicated that Americans, at least in this area, enjoy such freedom.

A near-capacity crowd attended the public debate at the Lazbuddie High School Auditorium, coming from near and far to hear two area farmers give opposite views on the nation's farm program.

Paul Lewis, Littlefield farmer-stockman, defended the Democratic farm program, while Frank Hinkson of Lazbuddie pointed out what he considered the weaknesses of the program, and his suggestions for improving it.

Each of the men was given a time limit in which to make his opening remarks, his main presentation, and a rebuttal. Bill Wooley of Hub served as moderator of the program.

Hinkson attacked the recently defeated Farm Bill as an example of what he termed "Agrarian Reform." He also

spoke against the government loan program and government controls such as exercised through the ASC.

"Those who would trade freedom for prosperity will lose both," said the Lazbuddie Republican. "Prosperity is the result of freedom and individual responsibility," he added.

Lewis said that while our present system is by no means perfect, the American farmer has enjoyed the "greatest prosperity in history."

"I think we all agree that farmers can produce too much. Our main disagreement is in the method of controlling production," Lewis said.

Hinkson stated that farmers as a unit were better qualified to take care of the supply and demand problem than was the Secretary of Agriculture.

"If we're going to let a few people make our decisions for us, why should we waste our money on education?" asked Hinkson.

Lewis charged that most

of the farmers' problems were caused by the expensive program authored by former Secretary Ezra Benson. "Benson and the Farm Bureau decided we didn't need an Agriculture Department," Lewis said.

President Kennedy's administration has not had a chance to reverse this program, Lewis said. "The Republican party and the Republican press are determined that they won't have this chance," he charged.

Hinkson advocated a new agency to replace the Commodity Credit Corporation, as well as scrapping the laws of acreage controls.

He bemoaned the national debt, the nation's "giveaway policy," and charged that the "financial solvency in this nation is questionable."

Lewis warned the Republicans against making erroneous reflections on the president and his administration. "A lot of people would have you believe that Democrats are the same as Socialists," he said.

"Some Republicans would have you believe that God is on their side. Let's not drag The Almighty down into the mud of politics," Lewis requested.

"It's your responsibility to support your government when Democrats are in office the same as when Republicans are. We should all work together for a strong America," he said.

Lewis' parting shot said "It's your privilege to disagree. But let's disagree disagreeably." And that was the way it was at Lazbuddie Tuesday night.

## Ice Cream Social To Honor Players

An ice cream supper is scheduled for Friday night at the Friona High School Cafeteria honoring all prospective athletes in high school for the coming year.

Sponsored by the Friona Booster Club, the supper is designed for all athletes--both boys and girls--and their families, Friona faculty members, and all persons related or interested in athletics.

Coach Kenneth Miller said that two football films will be shown at the meeting. He has requested last season's Texas-TCU game, the only loss on the Longhorns' record, as well as the West Texas State-Texas Western contest, in which "Pistol Pete" Pedro was cited as "Back of the Week."

Booster Ralph Rhoden announced that Lane's Ice Cream Company is to furnish the ice cream for the party. They have agreed to send 21 gallons for the occasion.

A committee of booster wives are to bring cakes to supplement the ice cream. Coach Miller will conduct a tour through the newly completed field house for those who wish to see it.

Speaker for the meeting was Omar Hermesmeyer, Amarillo, Past president of the Downtown Lions Club of Amarillo, Hermesmeyer spoke to the club about the Hi Plains Eye Bank, which was established about a year ago.

The Eye Bank deals with cornea transplants in cases where the outer tissue of the eye has been damaged. Hermesmeyer challenged the club members to find persons who might possibly be helped by such an operation, so their names could be put on file.

He also left "donor cards", to be signed by people who wish to donate their eyes to the Bank upon their death. The Amarillo automobile salesman also left a thermos container for packing a donated eye, to be left with Farmer County Community Hospital.

Hermesmeyer pointed out that the donation of one's eyes would not mar the person's looks for funeral purposes, since the entire eye isn't needed, only the cornea.

Four teams are to be played by the Chiefs which were not on last year's schedule. They are class A teams Sudan, class B Happy and Bovina and Olton, one of the new district foes. Teams not played this year which were met in 1961 are New Mexico Military Institute, Tulsa, Dalhart and Canyon.

Friona opens its season against always a tough Farwell on the Steers' home field. (Continued on page 2)

## Concession Plans Needed

Danny Mac Bainum, chairman of the concession committee for Maize Days, announces that all organizations who plan to have concessions in the park to contact a member of his committee by 6 p.m. today.

The committee needs to know how many will have concessions in order to make final plans at a meeting tonight.

Those interested should contact either Bainum, Deon Awrey or Wesley Foster.

## FHS Cheerleaders To Attend SMU School

The five Friona High School cheerleaders for 1962-63 will leave Saturday for Dallas, where they will attend a one-week school for cheerleaders at Southern Methodist University.

The five are Janet Buckley, head cheerleader, daughter of Mr. and Mrs. Jimmy Buckley; Sandra Hoover, assistant cheerleader, daughter of Mr. and Mrs. Bill Nunn; Mary Ethel Wilson, daughter of Mr. and Mrs. Winston Wilson; Nan Lillard, daughter of Mr. and Mrs. Harold Lillard; and Sharon Dean, daughter of

Mr. and Mrs. Lester Dean, Janet and Sandra are seniors; Mary Ethel is a junior, and Nan and Sharon will be sophomores when school resumes.

The school is scheduled for August 19 through the 24th on the SMU campus.

Friona's cheerleaders are sporting new uniforms this year, with their names on the back of the uniform collar.

It has been decided to eliminate the pep club this year, and work toward having the entire student body participate in the yell.

## Football Workouts Begin Monday For Friona Chiefs

Football workouts begin Monday morning at Friona High School, with two workouts per day beginning for candidates for the 1962 Friona High School Chiefs football team.

Coach Kenneth Miller, beginning his second year as head coach of the Chiefs, is as optimistic as can be expected, following his first year which saw the Chiefs go winless in ten games.

"We should be better than last year," said Miller this week, adding, "Although you couldn't expect to get much worse than 0-10."

The Chiefs have returning only six lettermen from last year's team, but five of them were starters. Regulars returning include senior tackle Max Reeve, junior end Glenn Herring, junior center Gary

Renner, junior halfback Tommy Baxter and junior fullback Everett Gee.

The other returning letterman is senior guard Dwight Bates.

Players up from the freshman team expected to battle for positions include halfback Doug Dodd, quarterback Larry Buckley, halfback Milton Hargus, and guard Dale Milner.

Others expected to help the team are juniors Ronald Awrey, Micky Wilson, S. D. Baize, Bob Welch and Aaron Drager.

Miller would not guess at the number of boys he expected for the first workouts Monday, but said that "35 or 40" boys indicated they would participate in questionnaires last spring.

"We hope every one of those boys will report, plus as many

others who want to," emphasized Coach Miller, who came to Friona last year after having two district championship teams at Groom High School.

Assistant coaches are Vernon Scott and Gayland Woodard, who was named last week to replace former freshman coach Bill Adams.

All of the coaches are especially proud of the new field house which has been completed at the stadium, thinking it should be quite a boost to the players' morale.

Miller says that the strongest point for the Chiefs this year should be speed, with the main weaknesses to be depth, inexperience and lack of size.

The Chiefs will run the Wing T formation once again this year. This was introduced by Miller last year.

The team is competing in a new district alignment this season, known as District 3-AA, composed of themselves, Dimmitt, Morton, Muleshoe and Olton.

Coach Miller says it should be a tossup in the district race between the Dimmitt Bobcats and the Muleshoe Mules, with a possible nod toward Dimmitt.

"Whoever gets the breaks will take the championship," he said.

Four teams are to be played by the Chiefs which were not on last year's schedule. They are class A teams Sudan, class B Happy and Bovina and Olton, one of the new district foes.

Teams not played this year which were met in 1961 are New Mexico Military Institute, Tulsa, Dalhart and Canyon.

Friona opens its season against always a tough Farwell on the Steers' home field. (Continued on page 2)

## Teachers For 1962-63 Term Are Announced

Superintendent of Schools Alton Farr announced the faculty for Friona High School for the 1962-63 term this week.

John R. Cook, Jom Jarboe and J. T. Gee return as principals of high school, junior high and grade school respectively.

Baker Duggins is counselor and girls basketball coach. Miss Viola Leonard is high school librarian, and Darla Hodgson is junior high school librarian.

Mrs. Mary Mayfield is in charge of the cafeteria. J. P. Ready heads transportation. Marie Carroll is the school nurse, and Virginia Jennings is bookkeeper.

High school instructors include Estelle Caffey, home economics; Edgar Carney, science; Kenneth Pearson, industrial arts; Wayland Ethridge, business and journalism; S. G. Anthony, math; Benny Pryor, vocational agriculture; W. L. Edelman, math.

Miss Joyrene Morton, English and speech; Pearl McClain, English, Spanish, David McVey, vocational agriculture; Kenneth Miller, head football coach, social science; Valoris Osborn, home economics; Dorothy W. Rowlett, social science; Vernon Scott,

head basketball coach, social studies; Carmaleet Truitt, English; Lionel Young, science; Billy Spencer, assistant band director, chorus; Gaylon Woodard, freshman coach, assistant football coach.

Seventh and eighth grade instructors are Emily Jo Barnett, language arts; Wayne Hodgson, social science; Guy Riggs, science; Bessie Watson, language arts and math; James V. Wilson, physical education and social studies; Robert Taylor, physical education; J. L. Witten, math; Kenneth Livingston, science and junior high coach.

Sixth grade teachers are Fay Reeve, H. V. Rocky, Ladson Worley and Mrs. Benny Pryor. Instructors in the fifth grade are Martha Bates, Billie Dodd, Ruth Edelman and Mrs. Kenneth Livingston.

In the fourth grade, teachers are Iona Cook, Mrs. Billy Spencer, Mrs. Guy Riggs and Lois Miller.

Third grade teachers are Wana D. Brewer, Gladys McVey, Miss Jo Phillips and June Rhodes.

Teachers for the second grade are Velma Lovett, Viola Trelder, Grace Whitefield and Mrs. Travis Harrell.

First grade teachers are Declmae Beene, Ethel Benger, Maurine Dunn, Irma Stark, Mabel Jones and Mrs. Ladson Worley.

Other grade school instructors are Lowell Bynum, band and chorus, Frankie Fortune, elementary music, and Carolyn Kite, grade school music.

## Friona Lanes Opens Friday

Ed Hicks, owner of Friona Lanes, announced this week that the bowling establishment would open for business Friday, after being closed for the summer.

Hicks announced that Gene Pope, a life-long resident of Friona, would assume duties as manager-operator of the Lanes. Pope, 21, is a graduate of Friona High School.

League play is expected to get underway about September 15.

Hicks said while he was pleased with the sponsor cooperation in the leagues, he wished to challenge the sponsors to watch their teams in action more, so as to have an active interest.

(Continued from page 1)  
dan, which is rated third in district behind Kress and Farwell, expected to fight it out for the title.

The Chiefs' first home game is against another tough class A team, Plains. Friona goes to Portales September 28 to meet the Rams, number two team in New Mexico last year,

then return home to engage Happy, rated second to Bovina in its district.

The Mustangs, to be played for the first time in recent years, will come to town October 12. With 10 starters returning from its district champion team, Bovina is classed as the top class B team in the area by pre-season experts.

After an open date, Friona

opens district play by hosting Dimmitt, which has 16 lettermen returning. The Chiefs go to Morton November 2 to meet an Indian team which returns 13 lettermen.

Muleshoe, which is expected to be tough despite only having four returning regulars, comes here Nov. 9, and Olton, which might be the district team nearest Friona's capabilities, is met Nov. 16.

Editor's note: The following letter was submitted to the Star by Carl Schlenker, secretary - treasurer of the Parmer County Gas Users' Association.

The views contained in the letter are strictly those of the association, and not necessarily of the Star. The letter is published so that the Star may continue to give both sides of the dispute between area irrigation gas users and Pioneer Natural Gas Company. Mr. C. L. Wall, President, Pioneer Natural Gas Company, P. O. Box 511 Amarillo, Texas

Dear Mr. Wall:

We received your letter bearing date of July 6, 1962, in response to our letter to you dated June 8, 1962, and submitted your letter to the Board of Directors of the Plains Irrigation Gas Users Association at its regular meeting, Thursday night, July 26th, in Plainview. The Board concluded that, due to the fact that erroneous statements were contained in your letter, a reply should be made, and directed me to answer your letter to keep the record straight and to clarify and correct some of the erroneous statements and inferences made in your letter.

We relied upon Dr. Steinberger for the fact that the rates submitted would provide a 7.2% return to your company on "fair value." It occurs to us that, after thorough examination of your records, and based upon his experience, he should be in a position to give us accurate information and we are thoroughly content to stand upon his figures. Neither you nor your company has ever raised any objection to Dr. Steinberger but, on the other hand, stated at the beginning of his investigation that you had no objection to his going through your records because he had a reputation of long standing as being a well qualified and competent gas rating engineer.

An examination of the proposed rates reveals that your statement to the effect that the only real benefit is to the large users is entirely erroneous. Even if true, however, you are in a poor position to criticize since it is largely a reflection of your previous rates. Dr. Steinberger reported that it was

contrary to good gas rate designing and recommended the proposed changes.

You quote your Mr. McIntosh for the opinion that, due to the greater risks involved in furnishing irrigation gas, a higher rate of return would be allowed than for normal utility service.

We cannot and do not agree that either the risks or the fluctuations involved are substantially greater. The risks, whatever they may be, involve both services due to the fact that, if the irrigation water should be depleted, the cities and towns in this area will no longer be large enough to justify your company in maintaining a line to them because irrigation farming is the backbone of our entire economy. So far as the fluctuations are concerned, your records will reveal extreme fluctuations in service to cities and other users any time we experience a rapid change of temperature in this area, which occurs all too frequently. Your irrigation gas sales have permitted your company to avoid much expense and much difficulty with your service to cities by permitting you to lay larger lines allowing you to take care of the extreme fluctuations in demand by the cities after extreme changes in temperatures. In fact, Dr. Steinberger has stated that your load factor is the best of any company whose records he had ever checked, and this is due to your sales of irrigation gas.

But be that as it may, if you are so certain that the Railroad Commission would allow a higher rate of return for irrigation gas then we completely fail to understand why you and your company have resisted so vigorously and spent so much time and money trying to defeat the passage of a law which would simply allow farmers the right to have the Railroad Commission review the fairness of rates charged by your company for irrigation gas.

Your statement that you have hoped that we could sit down together and work out our common problems, in view of our many attempts to do so, has the ring of insincerity aimed at procrastination. This is supported by the fact that you and your company consistently have refused to make any concessions of any type at every meeting that we have had with you. Nevertheless, the Board has instructed me to reiterate that we are always ready at any time to sit down with representatives of your company in an effort to work out a fair agreement on gas rates to farmers.

Very truly yours,  
David Burgess, President  
Plains Irrigation Gas Users Association

### Smith Fined In DWI Case

Foy Smith of Friona was fined \$100 and costs by County Judge Loyde Brewer on a charge of driving while intoxicated last Friday near the rodeo grounds. Smith also was given three days in jail.

facilities. Even more ridiculous is the suggestion that, during rush hours, motorists be required to pay a toll in order to drive on roads already paid for through taxes. The goal would be to discourage people from driving their cars into cities, and force them to use public transportation.

There is just one question: "If everybody quit driving cars, who would pay all those taxes?"

NEW CHAIRMAN . . . Frank Ford, right, and Paul Zahn, left, offer their congratulations to the new president of the Bailey-Parmer Counties Young Republican Club, Clarence Mason. Mason was elected at a meeting Monday in Farwell.

## Lazbuddie Students Enroll

Registration for the fall term at Lazbuddie High School will be held next Thursday and Friday, according to Superintendent of Schools James G. Ward.

The teachers will meet on Wednesday, August 22 at 9 a.m., and again on Thursday at the same time.

The juniors and seniors will be the first to enroll, beginning

at 2 p.m., Thursday.

Grades one through eight are to enroll at 9 a.m. Friday. Buses will run at their regular time Friday morning, returning the students to their homes by noon.

Grades nine and ten will enroll Friday at 2 p.m. Classes will begin Monday, August 27.

Football practice will be held

for the Longhorns Thursday and Friday at 4 p.m.

Official school holidays were also announced by Ward. School will be dismissed for Thanksgiving on November 22 and 23. Classes will dismiss Friday, December 21 at 3 p.m. for the Christmas holidays, resuming Wednesday, January 2.

## Friona Studied For Lutheran Church Site

Friday evening, August 10th, representatives of the Lutheran Church of Rhea Community, Friona (rural), and the Lutheran Church of Hereford met at the home of Dick Habbings in Friona to discuss the possibilities of starting a Lutheran church in this community. It was decided to conduct a canvass of Friona and surrounding area sometime during the latter part of September in order to determine the number of people interested in a Lutheran Mission Church here. Chairman of the meeting was The Rev. David P. Bergmann of Clovis, who is currently the vacancy pastor of the Rhea Lutheran Church, Secretary of the group was The Rev. Fred Bendersdorf of the Hereford Lutheran Church. In addition to Habbings, Melvin Sachs, Raymond Schueler, and Carl Schlenker were present for the meeting. It is planned to hold the first Lutheran services in Friona at the American Legion Hall on the last Sunday in October.

## CONTRACTOR'S NOTICE OF TEXAS HIGHWAY CONSTRUCTION

Sealed proposals for constructing 7,951 miles of grading, structures, base, and surfacing from FM 1058, 6.0 Miles East of State 214 (FM 1412) in Deaf Smith County South and West To State 214 (FM 1412) in Parmer County 6.0 Miles North of Friona on Highway No. FM 2298, covered by R 461-15-1 & R 461-16-1 in Deaf Smith & Parmer County, will be received at the Highway Department, Austin, until 9:00 A. M., August 21, 1962, and then publicly opened and read. Plans and specifications including minimum wage rates as provided by Law are available at the office of W. V. York, Resident Engineer, Canyon, Texas, and Texas Highway Department, Austin. Usual rights reserved. Published in the Friona Star August 9 and 16, 1962.

## MARRIAGE LICENSES

August 9--Robert Charles Matlock, Cannon Air Force Base, New Mexico, and Elizabeth Oxford Hubbard, Clovis, N.M.  
August 11--Irby Don Range, Route 2, Farwell and Vicki Jan Lovett, Route 2, Texico, N.M.

## Something you should think about if you're about to buy a truck:

If all trucks were built the same way, cost the same to keep up, were worth the same at trade-in... then probably the price tag would be your only concern. It can't be, of course, because some trucks have more quality than others. And marks of quality are the real keys to low cost. Chevrolet trucks, for example, have double-wall construction, which gives bodies and cabs more strength. Cabs are insulated against heat, cold and noise. A big part of road shock, which shortens truck life, is damped out by Chevrolet's suspension system; it also makes riding in the truck a pleasure. Pickup bodies and cabs are separated to eliminate stress between them.

Value such as this has induced more people to invest in Chevrolet trucks every year since 1937.

This can be a good time to buy a modern new Chevrolet truck

Late summer traditionally is the season for all-around savings on a new Chevrolet truck... selection is still good... deliveries are prompt... and Chevrolet dealers are doubly anxious to put you into a new vehicle in order to make way for next year's models. Coupled with the efficient performance a new Chevrolet truck will give you, it seems evident that you couldn't buy at a better time. Come in and take full advantage of it!

## Nimble 4-H Fingers Use Sewing Machine

When 4-H Club girls turn out more than 3 million pieces of sewing annually, it's a sure sign that they like to sew.

A recent survey made by the Cooperative Extension Service shows that girls enrolled in a 4-H Clothing program completed more than 1 1/2 million dresses, coats, suits and miscellaneous attire, and about the same amount of household articles such as draperies, pillows, spreads, covers and the like.

Before the girls can make these things, however, they must learn how to use a sewing machine. And they do. The local volunteer 4-H Club leader does the "showing how."

Where does the local clothing leader get the up-to-date know-how she passes on to her young counterparts? At Singer Sewing

Centers or some other designated place where she takes a 4-H course called "Getting the Most Out of Your Sewing Machine."

This special training is a cooperative effort of the Singer Sewing Machine Company, the Extension Service and the National 4-H Service Committee.

Since the program was first introduced in 1955, some 60,000 extension agents and volunteer clothing leaders have been trained. They in turn have instructed junior 4-H clothing project leaders and members.

Singer provides literature, sewing materials and experienced instructors to augment extension personnel who supervise the training program.

Besides sponsoring the sewing machine training program, the firm makes another noteworthy contribution to 4-H.

During the National 4-H Club Congress held in Chicago, Singer presents a "pop" concert, played by the Chicago Symphony Orchestra under the direction of Arthur Fiedler, for the entire delegation of some 2,000 boys and girls and adults.

The concert this year will take place on Monday night, Nov. 26 in Orchestra Hall. Two young 4-H soloists will be featured.

## Bales-Crenshaw Wedding Plans Are Announced

Mr. and Mrs. Evert Bales of Aiken announce the approaching marriage of their daughter, Karen, to Bill Crenshaw, son of Mr. and Mrs. F. W. Crenshaw of Matador. Vows will be exchanged August 24.

Karen graduated from Friona High School in 1961 and attended South Plains Junior College in 1962. Bill graduated from South Plains Junior College in 1962.

The couple will make their home in Lubbock where Bill is employed in Lubbock at the Williams Company. Karen is employed at Reece Air Force Base.

## Frionans Attend Dixon Reunion

Mr. and Mrs. C. W. Dixon, Mr. and Mrs. Ray Landrum, Mr. and Mrs. Jim Dixon and children and Mr. and Mrs. Vernon Scott and son attended the annual Dixon family reunion in Mackenzie Park near Lubbock recently.

All five sons of the late Mr. and Mrs. W. S. Dixon were present as were a large number of other family members.

Others attending were Mr. and Mrs. Elmer Dixon, Dimmitt; Mr. and Mrs. Weldon Bradley and family and Mr. and Mrs. Carl Bradley, Sunny-side; Mrs. James Worthington and Rev. and Mrs. Harry Harris and family, Fort Worth;

Also Mr. and Mrs. Emmett Dixon, Hereford; Mr. and Mrs. Ollie Dixon, Canyon; Harvey Dixon, Texon and Mrs. Bill Bailey and family of Plainview.

## Ray Joe Rileys Have Baby Boy

Mr. and Mrs. Ray Joe Riley of Dimmitt are the parents of a son born July 27 in the Deaf Smith County Hospital.

The baby was named Kevin Ray and he weighed eight pounds and five ounces.

Paternal grandparents are Mr. and Mrs. Ray Riley of Dimmitt and maternal grandparents are Mr. and Mrs. Ira Scott of Hereford.

Mrs. Riley is the former Jo Eddie Scott, a teacher in the Friona Schools.

## Of Interest To THE WOMEN

MRS. LEM DEE TAYLOR

## Martha Wages-Lem Dee Taylor Wed In Double Ring Ceremony

Miss Martha Wages and Lem Dee Taylor, son of Mr. and Mrs. L. Dee Taylor, were married in a double ring ceremony August 4.

Rev. Bill Burton, read the wedding vows at 6:30 p.m. in the First Baptist Church of Friona. The altar was decorated with a background of greenery and gladioli flanked by candelabra. Beige and rust bows marked the bride's aisle.

The bride, given in marriage by B. W. Turner, was wearing a formal gown of Chantilly lace and silk illusion designed with a scalloped portrait neckline and long tapered sleeves. Seed pearls and iridescent sequins decorated the bodice and tiers of lace enhanced the bell shaped skirt. A crown of pearls and tear drop crystal beads held her veil of silk illusion. She carried a white Bible topped with a bouquet of stephanotis and satin streamers surrounding a white orchid.

Mrs. Taylor, mother of the bridegroom, wore a beige linen dress with bronze accessories and a beige orchid. Mrs. B. W. Turner chose a rose beige lace dress with white accessories and her bouquet was also a beige orchid. Mrs. L. G. Blake was matron of honor and bridesmaids were Janet Smith, Mary Ann Boggess and Donna Baker. Bridesmaid was Mrs. Dale Smith. The bride's attendants wore beige brocade taffeta dresses

featuring capsleeves and bouffant skirts and matching hats of satin roses. Each carried a bouquet of white mums with rust and beige streamers and bows.

Owen Drake served as best man, Groomsmen were Connie Ray, Teddy White, Roy Max Miller and Don Sutterfield. Serving as ushers were Valton Howard, Larry Taylor, brother of the groom, and Bill Loanman.

Candle lighters were Becky Turner and Gary Coker. Becky wore a dress similar to the bride's attendants. Robin Kay Taylor, sister of the bridegroom, was flower girl and she wore a beige organza dress and carried a white basket of mums tied with beige and rust bows and streamers. Wedding selections were played by Mrs. Mike Ellis and Mrs. Roy Miller. Mrs. L. G. Blake, soloist, sang "Through the Years," and "The Lord's Prayer."

The Fellowship Hall of the church was the scene for a reception following the ceremony. Guests were registered by Mrs. Valton Howard.

The refreshment table was laid with white net over satin and decorations included silver candelabra flanking the bride's bouquet and a three tiered wedding cake featuring the bride's chosen colors, beige and white. Presiding at the table were Mrs. Bob Coker, Mrs. Paul Coker and Mrs. Floyd Coker of Hereford.

The couple visited points in New Mexico on their wedding trip. For travel the bride chose to wear a beige knit suit with gold accessories and the white orchid taken from her bouquet.

Mrs. Taylor graduated from Friona High School in 1962 and Mr. Taylor is a 1960 graduate of Friona. He is engaged in farming near Hereford.

Mr. and Mrs. Taylor are making their home at 1206 Pierce Street in Friona.

## Lullaby Shower Fetes Mrs. Gary Goetz

Mrs. Gary Goetz was guest of honor at a lullaby shower Friday at 8 p.m. in the Rhea Parish Hall. Hostesses were Mesdames Franklin Bauer, Bill Brandt, Ray Martensen, Roy Zieschang and Raymond Schueler.

Following group participation in appropriate games cake squares, decorated with names of boys and girls in pink and blue, were served with punch. The serving table was laid with a white lace cloth and centered with a floral arrangement.

Attending and presenting gifts to the honoree were

### Group Meets At Palo Duro

Palo Duro Park was the scene Sunday afternoon for a cookout and get together for a group of relatives and friends.

Attending were Mr. and Mrs. L. R. Baxter and Oksie Word from Clovis; Mr. and Mrs. Charlie Baxter, Kenny and Bobby of Clovis; Mr. and Mrs. Louis Baxter, Tommy and Steve, Friona; Mr. and Mrs. Dick Baxter, Marla and Christy, Bovina; Mr. and Mrs. Joe Baxter and sons, Victor and Guy, Farwell; Mr. and Mrs. Clarence Martin and children; Mr. and Mrs. Larry Martin and family; Lou Cochran and Mr. and Mrs. Calvin Martin of Friona.

### Jimmy Pattons Have Daughter

Mr. and Mrs. Jimmy Patton of Fort Worth became parents of a baby girl August 8. She weighed six pounds and four ounces and was named Pamela Jill.

The couple has one older daughter, Charla who is three. Grandparents are Mr. and Mrs. G. Cranfill and Mrs. Janice Patton all of Friona.

Mesdames Herbert Schueler, Herman Schueler, Melvin Sachs, Delton Lewellen, Tom Lewellen, Joe Lewellen, Robert Schueler, Walter Schueler, Malinda Schlenker, Sarah Dean, Norman Taylor and Carl Schlenker.

Also Mesdames Florian Jarnecki, Floyd Schueler, Billy Sifford, Chris Goetz, Gilbert Schueler, Dwayne Ridley, Forrest Osborn, Henry White, E. D. Matlock, T. A. Kelly, Janice Turner and Howard Duncan.

Also Donna, Pam, Donnie, Katie, Bobby, Judy and Jay Lewellen, Kathy and Shirley Schueler, Sharon, Allen and Roger Martensen and Audrey Ann and Randy Lou Kelly.

The hostess gift was a baby high chair displaying a life-like doll.

### Browns Visit In Byers

Mrs. Matt Brown and children, Steve and Glo, were in Byers last week visiting in the homes of her sister, Mrs. Beck Murray Jr., and a brother, George Brown.

The group spent Wednesday visiting Six Flags Over Texas.

### Beenes Attend Annual Reunion

Mrs. O. J. Beene and boys attended a reunion last week at Lorenzo in the home of Mrs. W. O. Lockwood.

This is an annual occasion for several ex-students from Texas Tech and each year they meet in the home of one of the group.

Mrs. Lockwood served luncheon to Mrs. David Shahan and sons of San Angelo, Mrs. Phil Sterrett and boys from Amarillo and Mrs. Beene, Jay and Ramey of Friona and David Lockwood.

Next year the home of Mrs. Sterrett will be the scene of the reunion.

Mesdames Florian Jarnecki, Floyd Schueler, Billy Sifford, Chris Goetz, Gilbert Schueler, Dwayne Ridley, Forrest Osborn, Henry White, E. D. Matlock, T. A. Kelly, Janice Turner and Howard Duncan.

Also Donna, Pam, Donnie, Katie, Bobby, Judy and Jay Lewellen, Kathy and Shirley Schueler, Sharon, Allen and Roger Martensen and Audrey Ann and Randy Lou Kelly.

The hostess gift was a baby high chair displaying a life-like doll.

### Lamar County Sets Reunion

The annual Lamar County Reunion will be held in Lubbock at Mackenzie State Park (just east of the swimming pool), on the third Sunday in August--(August 19).

Members, friends and former residents of Lamar County are invited to attend, and are asked to bring a picnic lunch.

### Rebekahs Have Regular Meet

Twenty-three members were present for the regular meeting of the local Rebekah Lodge Monday evening.

During the business session a report of 12 sick calls were made and 15 cards mailed.

Mrs. Inez Shirley presented a program on "Passwords" followed by a draped charter ceremony for Sister Jennie Vain of Dallas, past president of the Rebekah Assembly.

Jay Sanders, host, served lemonade and cookies to those attending.

PFC and Mrs. Joe Carlisle and son, Craig, are visiting in the home of Mrs. Tommie Parker. Mrs. Carlisle's mother, and with Mr. and Mrs. Herbert Owens of Westway, grandparents of Joe.

### Gospel Meeting At Lazbuddie

A series of gospel meetings will be conducted at the Lazbuddie Church of Christ August 19 through the 29.

Evangelist, L. D. Thompson, of Muleshoe will do the preaching. Morning services will begin at 8 a.m. and evening lessons at 8 p.m.

Boost Wheat Yields With  
Monsanto Anhydrous Ammonia  
from  
**FRIONA  
CONSUMERS**

Ph. 2121 or 9071

Monsanto Anhydrous Ammonia packs more nitrogen per pound and per dollar than any other type of carrier. It's guaranteed 82.2% nitrogen. It resists leaching . . . remains locked in the soil, ready to work when your wheat needs it most. Monsanto Anhydrous Ammonia is easy to apply. No bags to tear, tip or tote. You can put down all you need for the entire growing season, or use it as a starter--to be followed by a side-dress application. Let us build your program around Monsanto Anhydrous Ammonia.

**Monsanto**

Several persons called the Star office early this week and inquired about the dates of the 1962 Maize Days. I'm wondering if perhaps they had seen some of the men who aren't shaving and decided the event couldn't be very far away. Several young men have good dark crops already growing and it would be most difficult to predict what these beards will look like in another month.

Interest in the beard growing contest is certainly beginning early this year and if those demonstrating interest don't get disinterested and give up there will be some fine specimens by contest deadline time.

Mr. and Mrs. C. W. Dixon, who have lived in Parmer County a long, long time, left Monday on an extended rail tour which will eventually take them to Seattle and the World's Fair.

Although this couple has traveled a lot in the United States and made one trip overseas, they had never before left Friona by rail, so this trip will be a first in one way. In discussing the trip, Mr. Dixon said, "The railroad came to Parmer County before we did, but we've never ridden a train out of the local station."

There really should have been a Friona Day at the World's Fair. If plans worked out, there were at least 19 Frionians there at one time. The W. D. Buskes and their three children, Lydia, Denise and Dave; D. C. and Margie Herring, Glen, Carolyn and Tim; Louis and Mamie Lou Welch and daughters, Jan, Gay and Holly and Glynn Don and Layvon Hughes and their two sons planned to meet in Seattle and see the sights together.

Anyone living in Friona who hasn't taken time to look at some of the beautiful flowers growing in yards and gardens all over town has surely missed a treat. It seems a shame that some photographer doesn't record all the beauty on color film so that we could enjoy it next winter.

Some of the largest and most gorgeous dahlias I have ever seen anywhere are blooming on the east side of the D. H. Nelson home on West Sixth Street. Then Mr. and Mrs. Bill Johnson, who live near the Nelsons, have several varieties of flowers in full bloom in their front yard and I've been told they are growing vegetables in the back yard.

I'm beginning to wonder if there is any connection between being an ardent fisherman and gardener. There aren't any prettier yards in town than those of Ed Boggess and Elroy Wilson. These two are next door neighbors and their lawns are divided by a row of pretty flowers.

### Jones Returns To San Diego

Charles M. Jones, fireman, USN, son of Mr. and Mrs. William H. Jones of Friona was serving aboard the heavy cruiser USS Saint Paul when she returned to San Diego, Calif., July 26, after three and one-half years of service with the Seventh Fleet in the Western Pacific.

The ship arrived in the U. S. from Yokosuka, Japan, flying a homeward-bound pennant 674 feet in length. Because the Saint Paul was homeported in the Far East longer than any major combatant ship since before World War II, this pennant is one of the longest ever flown.

The pennant, which measures one foot for every man aboard who has served more than nine months outside the U. S., was cut up and distributed to the crew upon arrival at San Diego.

The ship will now enter the Long Beach Naval Shipyard for an overhaul and is scheduled to return to duty as a fleet flagship next spring.

and owl like go. But growl is like owl, while grown, mown and own don't rhyme with brown but with bone.

---Kalends.

To look is one thing. To see what we look at is another. To understand what we see is a third. To learn from what we understand is still something else, but to act on what we learn is all that really counts.

In those first few moments after you have had an accident or your home is damaged by fire, you feel terribly alone. But you are not alone if you insured through an independent insurance agent. Telephone him - day or night - and he will be at your side to help you.

He knows from years of experience what to do when there is an accident or disaster. And he will make sure your loss is paid quickly and fairly, with no red tape. The Big Difference in insurance is the continuing, personal attention of an independent insurance agent.

As independent insurance agents, we specialize in giving you all the benefits of the Big Difference. For all-around insurance protection, just give us a call.

### Something To Think About

6th. Street Church of Christ  
Box 515 -- Friona, Texas

Just the other day we read an interesting account about four young men, all appeared to be between twenty and thirty years of age. They were inmates of the state prison, and their combined sentences amounted to more than 500 years. They had been asked to speak before a civic club, and as they spoke two things they pointed out are worthy of special mention. First: they attributed their downfall and imprisonment to ceasing to attend church, giving up their belief in God, the formation of bad habits, the drinking of alcohol, bad associates, resentment of all discipline and guidance, and a desire for the pleasures of a wild life. Second: the things they missed most in prison were not the things they wanted most as teen-agers, but the things they disliked - a quiet evening with the family, freedom to just walk about town, friends who were motivated by Christian principles, and the restraining influence of proper discipline. It is this second point that we believe needs emphasis - sin invariably wears a cloak of desirability. It promises so much and gives so little. These young men learned their lesson too late, the things they want most now they must forfeit as payment for their crimes. A tragic story isn't it? Not many of us are likely to go to prison, but we are all approaching judgement and eternity, and we could experience an even greater tragedy, we could forfeit heaven. Think about it.

# come to church sunday

"I can worship God just as well in the great outdoors," said Mr. Martin, as he threw his fishing tackle into the back of his car--ready for a Sunday morning outing. "But DO you?" asked Mrs. Iverson, as she gave each of the children a dime for Sunday School. Mr. Martin jumped into his car with a grunt and off he went. He knew his bluff had been called.

Christ has instituted the Church to finish the job He began. It is a place for the preaching of His Word, the gathering for Christian fellowship, and the observation of the ordinances.

To be reassured of God's love, to become partaker of the forgiveness which has been offered by Jesus Christ, to receive strength to lead the victorious Christian life, you need the Church, and you need it badly.

"Come unto Me," says Christ, "and I will give you rest."

Hubert Reeves

# Carmichaels Visit Fair, Coast

(Editor's note: This is the fifth in a series of articles written by area residents who have visited the World's Fair. This week's article represents the visit by the D. L. Carmichael family, and was written by Danny Carmichael, who will be a senior at Friona High School this year)

**BY DANNY CARMICHAEL.**  
This article is written from a single view, so it probably won't express all of the views of our family. My cousin also went with us, and often livened up some of the duller periods of the trip.  
I think that as far as scenery goes, the Rockies of Colorado

were ahead of anything else. Salt Lake City is the most amazing town we visited, as far as I was concerned. It is impossible to get lost in the city, and it is a very neat and clean town, with no bad slums.  
Going through Idaho and Washington, we saw the largest wheat fields, all on very rolling lands, that I had ever seen. Now I understand why our wheat acreage is so small.  
It was almost a week before we reached Seattle from the time we left home. We spent four days in Seattle and two of those at the Fair.  
I had not really expected the Fair to be too fantastic, and to me, it wasn't. The most interesting thing about it was the people. (I believe that on the trip I saw more crippled and peculiar people than I had ever noticed in my life. It makes you considerably more thankful for your health and mind).  
We took the boat trip to Vancouver Island and that was very interesting. My cousin and I sat out on deck talking with some girls, and caught a real nice cold.  
It was very interesting hearing the Canadians talk. We also found that most of the people we met on the trip, especially in Canada, enjoyed hearing us talk, as well.  
Finally, we reached San Francisco, where we visited

relatives. Relatives are really the economical way to travel, if you can stand them.  
San Francisco was very interesting -- I think it was actually the most interesting town we visited. This was probably because our relatives knew the interesting parts of town for us to see.  
We ate fish of some sort when we went out to eat and I never wanted a good steak so much in all my life. I tried one steak and it was terrible.  
We made it on to Los Angeles and spent four days there. The traffic was not as bad as some Californians would have you believe.  
The people in Los Angeles were interesting also. We met very, very few friendly people outside of our relatives. I had always read about the fat, rundown physical conditions of Americans, but I didn't believe it until we were in California.  
Most of the people you see in the residential areas are skinny-limbed with fat bodies. They look like comic strip characters.  
The beaches were very interesting. There you see a few people that look like human beings, although not as many girls in bikinis as I had hoped for.  
We started home from L.A. and took in the Grand Canyon, Petrified Forest and Painted Desert all the same day.

We arrived in Texas exactly three weeks after leaving and the best sights I saw on the trip were Friona and home.  
While on the trip, we saw nothing in the way of farming that even compared to our district around Friona. It was a wonderful experience any way you look at it, and we found out how much we appreciated these flat plains and green crops, but especially the people.

Miss Katharyn Cordelia Parr, daughter of Mr. and Mrs. R. W. Parr, recently completed her high school graduation requirements where she has been attending summer school in Amarillo, and will receive her high school diploma. Miss Parr, who would have been a 1963 Friona High School graduate, is making plans to attend college this fall.

## Santa Fe Salutes 100 Years of Land Grant Colleges and Universities

Land-grant colleges and universities throughout the nation are celebrating the centennial of the Morrill Act—the Congressional act which established their being.

In the areas of agriculture, engineering, mining, and industrial technology—the land grant colleges have contributed enormously to the strength, wealth, and general well-being of the states they serve.

Santa Fe, a partner in the progress of our nation, is proud to salute the nineteen land grant colleges and universities in the states we serve.

Santa Fe System Lines

## Lady at work

A ticket sorter, as pictured, processes the necessary records when you make a long distance telephone call.

More than a million and a half tickets are sorted every month so that each is recorded and charged to the correct telephone number. The process involves more than 30 separate steps, and requires special aptitudes and training.

Ticket sorters are among the many behind-the-scenes people who work for you here at General Telephone. They are trained workers, dedicated to the mission of providing you with continuing good telephone service, around the clock, day after day.

## TOWNER-MELLEN Two-Way Self Adjusting Moldboard Plow

TOWNER MANUFACTURING COMPANY

One, two, three and four furrow sizes available. The Towner automatic self adjusting two-way rollover type moldboard plow fits all tractors having a three point hitch, including Fordson Major, I. H. Fast Hitches, or Case with Eagle Hitches.

Automatic self adjusting feature is controlled by the pressure of the soil on the plow bottoms as the plow moves through the ground. This automatic adjusting takes place whenever and as often as the density of the soil changes whether crowning alfalfa at three inches or heavy plowing at 14 inches depth. The plow maintains at all times a straight line of draft, cutting the correct full width of furrow regardless of the type of soil being plowed, leaving the land level and without ridges.

Main tube or beam of plow pivots at point just behind rollover mechanism (partially visible) and is free to align laterally within boxed frame. This is the exclusive patented feature of the plow which automatically adjusts to eliminate side draft yet insures each bottom cutting full width when traveling either direction in the furrow. NO SIDE DRAFT when plowing under the most severe conditions. As a result, the plow pulls much lighter — due to straight line of draft at all times. No stabilizers are needed — tractor stay chains run slack in all conditions.

This is the feature which must be demonstrated to be appreciated — Ask your dealer for a demonstration. Contour terracing and strip farming — Plow follows contour of the land, each bottom taking full cut leaving no ridges or furrows. Permits working land in both directions.

Hillside Plowing — Plow turns furrows uphill which helps prevent soil erosion. No side draft, but takes full width of cut with no tractor wheel slippage, because load is equally distributed on each wheel.

New sturdy foolproof rollover mechanism with "built in" ram designed heavy enough to operate with "high pressure — low volume" tractor hydraulic systems (for which 2 inch cylinder usually recommended). Also available with 2 1/2 inch cylinder that is best suited for majority of tractors having lower pressure — higher volume hydraulic systems and for 3 and 4 bottom plows. Specify model of tractor in ordering plows. Latch pads are quickly adjustable for leveling bottoms at desired plowing depth. Plow then operates at uniform depth and leaves field smooth with no further adjustment. Plowing depth 3 to 14 inches.

Warranty — Towner Manufacturing Company extends its regular warranty on "RV" series Towner plows built at its factory at Santa Ana, California. Plows will be manufactured to the same high quality standards that have been built into Towner products for the past 45 years.

Model No.	Size	Weight Complete With Bottoms

## Kay Burleson Is Runner-up In Miss Texas REA Contest

Kay Burleson, daughter of Mr. and Mrs. T. I. Burleson, tied for runner-up honors in the Miss Texas Rural Electrification contest at the annual meeting of the Texas Electric Cooperatives last weekend.

TONDA CURRY

Winner of the contest was Miss Tonda Curry of Ropesville, daughter of Mr. and Mrs. Doyle Curry. She will represent Texas next year in the national contest in Las Vegas next January.

Miss Burleson tied with Miss Shirley Stafford of Roaring Springs, daughter of Mr. and Mrs. Loyd Stafford.

Brainpower, unselfish courage, and tolerance will be the key to meeting the challenge of change for the betterment of all mankind. John B. Connally, Democratic nominee for governor of Texas, told some 700 rural electric leaders last Friday in Corpus Christi. He was the principal speaker for the convention.

He posed three specific challenges for the future of Texas: attracting industry, water conservation, and education; and challenged the rural electric leaders to "accept change as inevitable and make it work for the good of all."

Other speakers gave added emphasis to the need for a broad

concern for the welfare of the whole state and to the need for laws protecting the rights of the rural electric systems in the territories which they have developed.

Preston Smith, Democratic candidate for lieutenant governor, joined Connally in stressing the need for attracting industry, especially to the rural areas of Texas, and added his own challenge--that of support for a program of bringing more tourists to Texas.

Clyde Sanders, manager of Karnes Electric at Karnes City, was elected president of the board of directors of the association. Milton Potts, manager of Sam Houston Electric at Livingston, was elected vice-president; and F. C. Luedtke, manager of McLennan Electric at McGregor, was named secretary. New members of the board are W. J. Parks, Comanche County Electric, Comanche; W. C. Casparis, Tri-County Electric, Azle; D. L. Knight, Dickens County Electric, Spur; and Curtis Maynard, Mid-South Electric, Navasota.

Other speakers at the meeting included Richard A. Dell of Washington, D. C., deputy administrator of the Rural Electrification Administration; R. A. Yarbrough of Childress, president of the National Rural Electric Cooperative Association; and Tom Reavley of Austin, general counsel for Texas Electric Cooperatives.

Dell, a veteran of 25 years in rural electrification, declared that legislation is vital to keep investor-owned utilities from invading areas developed and served by home-owned rural electric systems. He also stressed the need for generation and transmission facilities which would help free the rural electric systems from "dependence on an unfriendly commercial power company for essential power supply."

Reavley stressed the need for a reappraisal by rural electric leaders of their relations with the investor-owned power companies, with the public, and with the state and federal governments.

"The investor-owned power companies comprise the rich-

EXAMINING SOME of the early cantaloupes being processed at Bovina is Charles W. Flynn, owner-manager of Gateway Produce Company.

## Harvest Begins For '62 Cantaloupe Crop

Harvest began this week on the 1962 cantaloupe crop in the Bovina area.

The first melons were picked last Saturday, and the harvest continued Monday afternoon on a 50-acre patch belonging to Tom Caldwell, who farms four and a half miles south of Bovina.

Charles W. Flynn, owner and manager of Gateway Produce Company in Bovina, said the harvest should be in high gear "in about another 10 days."

"So far, the melons look good," said Mario Trevine office manager at Gateway. "We have a good market presently. The demand is good, but we don't have the volume. By Monday, we should have the volume up to

meet the demand," he said. Gateway packed 600 crates of cantaloupes Saturday, and another 400 crates Monday. The picking Monday got off to a late start due to showers early Monday morning.

"The only thing that would hurt us now is the weather," said Flynn. "And that would just delay us a bit," he added.

Price on the cantaloupes so far is \$4 to \$4.50 per crate for number one melons.

There are approximately 450 acres of cantaloupes to be harvested this year, which is quite a drop from last year's more than 800 acres. Some of the farmers who raised cantaloupes last year found it necessary to plant maize this year, in order to protect their acreage history in that crop.

There were some 500 acres planted originally, but approximately 50 acres were lost to hail.

In addition to the cantaloupes, there are 125 acres of cucumbers in the area, 80 acres of pepper, 80 acres of cabbage, and various acres of other vegetables.

Gateway officials estimate that in all, there are about 900 acres of vegetables in the area this year.

Trevine pointed out that the local cantaloupes were the only ones in West Texas this year. Other points in the general area, such as Dimmitt, which had several acres last year, did not raise them this year.

All the vegetables seem to be of good quality and yield. Also, the market is good for each vegetable.

## Vote Scheduled On Wheat Referendum

County wheat farmers will go to the polls Thursday, August 30 to vote on the 1963 wheat referendum, according to an announcement from the Secretary of Agriculture.

The vote will be on the basis of 55 million acres. The Secretary also announced that the national average support price for 1963 wheat, if quotas are approved, will be \$1.82 per bushel (75 per cent of parity).

County wheat farmers will go to the polls Thursday, August 30 to vote on the 1963 wheat referendum, according to an announcement from the Secretary of Agriculture.

"They operate plants valued at approximately 50-billion dollars and serve 140-million customers. It should not be given to these companies to decide what will happen to the electric cooperatives; and yet tornadoes and ice storms do not cause us nearly so much trouble as they do."

"We can still hope for a day to come when we can be a party to their power polls and rely safely upon them for the greater part of generation of power. We might be able to work out mutually satisfactory divisions of territory, should that ever become constitutional in Texas."

J. R. Cobb, general manager of Texas Electric Cooperatives, also stressed the desire to work peacefully with the investor-owned utilities; but he warned that the task would not be easy.

If the quotas are disapproved, support price to cooperators will be on the basis of a national average of \$1.21 per bushel.

A landlord of a standing rent, cash rent or fixed rent tenant will not be eligible to vote. For practical purposes, any producer that has a 1963 farm wheat allotment of more than 15 acres will be eligible to vote. Any other person that will have an interest in a 1963 crop of wheat for harvest as grain of more than 15 acres will be eligible.

On the basis of present provisions of law, 15 acres or less of wheat may be planted, harvested and marketed on any farm in 1963 without incurring a marketing quota penalty. The 200-bushel exemption will not be in effect in 1963.

Any person who will be engaged as owner-operator, cash tenant, standing rent or fixed rent tenant, landlord of a share tenant, share tenant or cropper in the production of

more than 15 acres of wheat for harvest as grain in 1963 will be eligible to vote in the referendum.

The district is composed of 15 counties in West Texas. Elected president of the organization was Jim Whitfield of Lubbock, a former manager of the Farwell ASC office.

"I say what I think."

"And often before you think."

### Mills Elected To District Office

Prentice Mills, office manager of the Farmer County ASC, was elected district director of the Texas ASC County Office Employees Association in an election by mail ballot recently.

The district is composed of 15 counties in West Texas.

Elected president of the organization was Jim Whitfield of Lubbock, a former manager of the Farwell ASC office.

**Field Day Set  
By Foundation**

September 14th is the date of the Sixth Annual Field Day of the High Plains Research Foundation at Halfway, Texas. Tours of the 310-acre research farm will start at 1:30 p.m. and continue throughout the afternoon.

Agricultural research in many fields will be observed and explained at each of the six stops on the tour. Tractor-drawn trailers will transport the visitors around the farm. A display of the latest farm equipment will be available at the last stop of the tour.

Guests will also be taken through the new office building, laboratory, greenhouse, plant science building and the 20-saw laboratory gin, before or after the field tours.

Visitors will be served barbecued or fish dinner at 5:15.

**Winners Listed In County  
4-H Club Baking Contest**

Twenty-two 4-H Club girls took part in the annual Farmer County 4-H Bake Show held Tuesday, August 7 in the Community Room of the Friona State Bank at 2 p.m.

The Community Room was filled with cherry and pineapple pies and sweet milk biscuits. Each 4-H member entered eight sweet milk biscuits and one two-crust fruit pie. The biscuits were judged for appearance, color, moisture content, texture, lightness, and flavor. The pies were judged on appearance, pastry, filling, and flavor. Total perfect score was 300 points--100 points for the one two-crust fruit pie and 100 points for the eight sweet milk biscuits, and 100 points for the 4-H record book.

The bakery products and record books were judged according to three age groups. The age groups were nine to ten, eleven to twelve, and thirteen and older. Each 4-H Club girl was given a number which she placed on her bakery products instead of her name. The judges knew

the product by number only. They agreed that all the products were of good quality. Judges were Mrs. H. L. Ivy, Lazbuddie, Mrs. John Lovelace, Farwell, Mrs. Jimmy Briggs, Lazbuddie, and Mrs. Charles Walton. Lazbuddie, homemaking teacher, Mrs. Ivy is a former county home demonstration agent and Mrs. Lovelace and Mrs. Briggs are former homemaking teachers.

Janis Billingsley made the highest over-all score of all the groups. She scored 284 out of the possible 300 points. Janis, daughter of Mr. and Mrs. Leon Billingsley of Oklahoma Lane, will represent Farmer County in the District 4-H Bake Show, September 15, at the Tri-State Fair in Amarillo.

Alternate over-all score was made by Cheryl Ramage, daughter of Mr. and Mrs. Gerald Ramage of Lazbuddie. Cheryl's score was 266.5 out of the possible 300. Reba Lesley was 1.5 points below Cheryl. Reba, daughter of Mr. and Mrs. U. L. Lesley of Farwell, had a total score of 265.

Risa Howell, Friona, was first place winner in the nine and ten year old group. Ann Black-

stone, Lazbuddie, was alternate. The other 4-H members were Nedda Foster, Kathy Coker, and Charlotte Davis.

First place winner of the eleven and twelve year old group was Cheryl Ramage with Karene Miller, Friona, being the alternate. Vicky Kaltwasser, Marsha Schumann, Patricia Tannahill, Janice Miller, Shelia Vaughan, and Jill Mimms all received red ribbons for their products and record books.

Nine 4-H girls were in the thirteen year old and older group. Janis Billingsley was first place winner and Reba Lesley was alternate winner. Other girls were Katie Blackstone, Judy Koelzer, Sherri Tannahill, Peggy Lesly, Viane Lesly, Darla Howell and Mary Coffey.

Scores were all high enough for the girls to receive either a blue ribbon or a red ribbon. Miss Ettie Musil, Farmer County Home Demonstration Agent, presented the girls their ribbons and complimented the girls on the fine work each had done. Miss Celia Patton, Jr., Assistant Extension Agent, registered the entries.

WINNERS OF THE Farmer County 4-H bake contest last week were Cheryl Ramage (l), alternate, and Janis Billingsley, overall winner, who will represent Farmer County at the District 4-H bake show in Amarillo September 15.

**HD Agent's Notes**  
BY MISS ETTIE MUSIL

Are you interested in trying to beat the heat? You may try serving some delicious frozen orange juice or lemonade to your family, or for your afternoon break. You might mix juices from canned fruit for a quick energy builder, too.

The 4-H Club girls have a delicious cooler that they made this year in their Favorite Foods unit. Try this for a summer drink. Mix 1 cup cold milk, 3/4 cup cold apricot nectar, 1 tablespoon sugar, and 1/4 teaspoon lemon juice together and blend well. Then pour into glasses. This recipe will serve 2.

Lately we have been victims to the mosquito population. During these summer days camping, fishing, picnicing or just out-of-the-house cooking and eating are so popular, but so are the mosquitoes during the evening hours.

A new insect repellent is now on the market that has been developed by the USDA scientists and is sold under several trade names. The repellent is commonly called deet, and diethyltoluamide is the chemical designation.

Deet is effective and safe for general use on the skin or on certain kinds of clothing materials. It can be used against mosquitoes, ticks, fleas, chiggers and biting flies. However, instructions for the use of the repellent should be followed closely.

If the chemical is not properly used it may affect certain paints, varnishes, and some of the plastic materials. It is safe for use on cotton or wool fabrics if they contain no synthetic fibers. Some insect repellents stain certain fabrics.

When smeared evenly on exposed skin areas, deet is effective for several hours. Another good point is that it has little or no odor and it does not cause a greasy feeling on the skin.

During these warm days perspiration stains on clothing are most common. Perspiration stains normally are acid and usually will wash out of washable fabric. Sometimes the color of the fabric is changed. If so, dampen the stain with water and hold it over the fumes from an open bottle of ammonia. This may restore the color. Old stains may be alkaline. If so, sponge with vinegar.

Perspiration odors may be removed by sponging the stain with warm water to which a few drops of vinegar have been added. Then sprinkle with powdered pepsin. Work the powder well into the stain and let stand one or two hours, keeping the spot moist. Finally, brush powder off and rinse well.

During these warm days we can stay fresh as a daisy with deodorants after a daily bath. Deodorants remove odor only, but antiperspirants check perspiration. In our science courses we were told that antiperspirants could be unhealthy for many people. If a brand of a deodorant irritates your skin, try another until you find the brand that will help you stay neat and sweet summer and winter months.

Perfume and fabrics do not mix either. When applied directly to your clothing, perfume may result in dye rings, color removal, permanent stains and a disagreeable odor upon aging in the fabric.

**FB Leaders  
To Attend  
Policy Meet**

Farmer County Farm Bureau leaders will attend a District 2 Policy Development Training Meeting August 22 at the Holiday Inn-Parkway (formerly Parkway Manor) in Lubbock, according to Harry Hamilton of Friona, President of Farmer County Farm Bureau. The meeting will begin at 10 a.m.

H. L. King of Brownfield, District 2 director, will preside at the meeting. J. D. Hill of Lubbock, Texas Farm Bureau field representative, and members of the TFE staff in Waco will assist with the meeting.

King has specifically invited officers and policy development committee chairmen of the seventeen county Farm Bureaus in District 2.

Similar training meetings are being held all over Texas during the month of August. At these meetings procedures are discussed for obtaining maximum participation by Farm Bureau members in the annual policy development process. In addition, many important state and national problems which are of interest to agriculture at this time will be thoroughly discussed.

Following the District training meetings, county Farm Bureaus will sponsor local discussion meetings on various issues. Out of these meetings will come recommendations which will be voted on in county annual conventions prior to October 31, the end of the fiscal year for Farm Bureau.

# Gin Investment On Plains Shows A Big Increase

Shifts in the cotton producing areas of Texas and changes in harvesting methods have greatly affected investments in gins, according to Progress Report 2233 of the Texas Agricultural Experiment Station.

The report shows that the Blacklands and East Texas have shown the greatest decreases and the High Plains the largest increases in cotton production. The areas with great declines in production have had comparable declines in the number of gins and those areas with increased production have had opportunities for expanded investment in gins, the report explains.

Cotton harvesting has almost completely shifted from hand picking to hand snapping and me-

chanical harvesting and thus has created a greater need for cleaning devices in the gin to handle this cotton. This additional equipment has increased the investment that a gin owner must make, the report continues.

There are wide differences in the amount of cotton each gin handles and in the areas of falling production they are not handling enough cotton to be economical, the report points out. The gins in the Blacklands and East Texas are not being

fully utilized as are the gins in the High Plains.

These preliminary studies show that model gin plants should be developed as a guide for installing and remodeling gins to get the most efficient operation under different conditions and in different areas of the state.

For details on the effects of the changing cotton picture on the gin operations of Texas write the Agricultural Information Office, College Station, and request a copy of Progress Report 2233.

## The HAPPY HOMEMAKER

BY JUNE FLOYD

### Extension Agents Take Vacations

Both County extension agents, Deryl Coker and Miss Ettie Musil, are on vacation this week.

Coker and his family are vacationing in Oklahoma, while Miss Musil, County Home Demonstration Agent, is visiting her parents in Stamford.

Both are to be in their offices as usual next Monday.

Perhaps every homemaker in the Golden Spread area has read about or heard about Tom Anderson, publisher of Farm and Ranch Magazine. He has spoken in the area several times and is one of the most quoted men in America today.

What does this have to do with being a happy homemaker? Really, it doesn't have any bearing on the case. Until recently I had never heard of his mother, but learned through reading a feature entitled "Collector's Items" that she was a very good cook.

Five of her most treasured recipes were printed in the feature and we are re-printing them here. Those of you who read Farm and Ranch can just read page 38 of the August issue.

Aunt Polk's Grated Sweet Potato Pudding  
1 cup raw sweet potato, grated  
1 cup sugar  
1 tablespoon butter

1 cup milk  
1 cup water  
1 egg, well-beaten  
juice of half lemon  
pinch of salt

Combine all ingredients and pour into buttered pudding pan. Bake in a moderately slow oven until firm and crusted. Pull from sides and lift center 2 or 3 times during cooking period to insure uniform texture.

a favorite.)  
3 cups sugar  
1 tablespoon butter  
Juice and grated rind of three lemons  
3 eggs, beaten  
3 large apples, peeled and grated  
3 rounding tablespoons flour  
pinch of salt

Place all ingredients in top of double boiler. Stir and cook over boiling water until proper thickness to hold shape on cake. It takes a little time to bring it to desired consistency. Use on white or yellow cake.

\*\*\*\*\*

Aunt Ella's Angel Charlotte  
1 tablespoon gelatin  
1/4 cup cold water  
1/4 cup boiling water  
1/2 dozen stale or toasted macaroons (crushed)  
1 dozen marshmallows, cut in small pieces  
2 tablespoons maraschino cherries, chopped  
1/4 pound blanched almonds, slivered  
1 1/2 teaspoons vanilla  
1 pint cream, whipped

Soak gelatin in cold water for a few minutes and then pour boiling water over it and stir until dissolved. When cold add macaroons, marshmallows, cherries, almonds and vanilla.

Fold in stiffly beaten cream. Chill. Excellent with angel food cake.

\*\*\*\*\*

My Favorite Prune Pudding  
4 egg whites  
3/4 cup sugar  
pinch of salt  
1/4 teaspoon cream of tartar  
1 cup mashed cooked prunes  
1 teaspoon vanilla

Beat egg whites until stiff, gradually add sugar, salt and cream of tartar. Fold in prunes and vanilla lightly. Bake in buttered pudding pan and set in another pan of hot water. Bake in a moderate oven until light brown. Allow to partially cool in oven with door ajar to avoid too much shrinkage. Serve with whipped cream.

\*\*\*\*\*

My Best Devil's Food Cake First Mixture:  
4 squares unsweetened chocolate  
1 cup sugar  
1 cup milk  
2 well beaten egg yolks

Melt chocolate in top part of double boiler. Add sugar, milk and beaten egg yolks. Blend well and cook, stirring until thickened.

Second Mixture:  
1/2 cup butter  
1 cup sugar

2 1/4 cups flour  
1 teaspoon soda  
1/2 cup sour milk  
2 eggs, beaten  
1 teaspoon vanilla

Cream butter and sugar. Sift flour with soda and add alternately with the milk. Add beaten eggs and vanilla. Blend and combine with first mixture, combine with first mixture.

Pour into 2 buttered and floured cake pans. Bake in moderate oven for 25 to 30 minutes. Allow to cool and frost with favorite white icing.

The Texas Farm and Ranch Safety Council passes on this word of caution to those driving in the dry areas of Texas--Don't throw lighted matches or cigarettes onto the tinder dry grass along the highways. Fires are a real threat to the State's range forage.

## 'Miss Grain Sorghum' Will Be Named At Dimmitt Fete

The third annual "Miss Grain Sorghum of the Nation" beauty contest will be held in Dimmitt Thursday evening September 6.

The contest is under the direction of the "Miss Grain Sorghum" Committee. Each contestant must be at least 16 years

old, come from an area producing grain sorghum and be sponsored by a business or civic organization. First prize will be a \$500.00 college scholarship.

Anyone wishing to enter or sponsor a contestant in this event should contact Mr. Bob Anthony, Chairman of the "Miss Grain Sorghum" Committee, Box 924 Dimmitt, for the necessary entry forms. All entries must be postmarked on or before September 1, 1962.

### NEWS FROM THE FARM BUREAU

BY RAYMOND EULER

Time is drawing near for formulation of resolutions to be considered by the membership of Farm Bureau in October. Resolutions chairman John Henderson and his committeemen will be glad to have you talk to them regarding anything you believe would be good for membership consideration.

Other committeemen are John Armstrong, Raymond Schueler and James Norton. Give serious consideration to attending the convention in October, too. The more people present, the more apt are the resolutions to reflect the thinking of farmers in general, and that is what your organization desires.

We hope it will be possible to have a county wide policy development meeting, too, where the various issues can be discussed and formulated before time for action to be taken on them.

County Farm Bureau leaders will be attending a meeting in Lubbock August 22, where many of these matters will be discussed with a view to getting membership participation in decisions that will be forwarded to the State Farm Bureau Convention for further consideration.

We are glad to report that Farm Bureau is responsible for the amendment to the Trade Expansion Act that would avoid lowering of tariffs on imported products which would lead to declining income for farmers and ranchers.

There are just a few days left for filing for federal road tax refund on farm-used gasoline. If you have not recently filed for the state refund, come in and do that, too.

If you do not favor the administration proposals for revamping the farm program you should be a Farm Bureau member.

CONSIDER THIS: Understanding is a wellspring of life unto him that hath it; but the instruction of fools is folly. Proverbs 16:22.

# Second Annual Rodeo Proclaimed A Success

A total of 91 entrants took part in the second annual Friona Jaycees Rodeo last Thursday, Friday and Saturday, and officials of the Jaycees pronounced the event a success from all angles.

"This represented a high in the number of entries for our rodeo," stated Walter Haws, director of the event. "The crowds were good all three nights, so more people were interested this year," he added.

The tie-down calf roping contest drew 20 entries, and the winners were Bunkins Bryant of Clovis, New Mexico in the first go-round, and Don Pinnell, Clovis, in the second.

Bryant had the fastest in-

dividual time in the contest, with an 11.7 on one calf. Bowie Wesley of Happy, who had a 12.5 time, was second in the first go-round, and Jack Dorris of Black was second.

Wesley was second in the second go-round as well, and Edd Workman, Lubbock, was third.

The bull riding division also drew 20 entries. Winner of the event was Cratus Dowthitt of Lubbock. Gene Shipman of Happy was second, Sharal Selvidge of Happy was third, and Pete McKee, Lubbock, was fourth.

Bareback bronc riding, which had 17 entries, found Jackie

Dyer of Andrews winning, with V. J. Duncan of Hereford second. Buster Guest, Adrian, Tex., was third, and Workman, fourth.

Other winners included: Ribbon roping--(first go-round)--Popcorn Pinnell, Adrian, first; Don Pinnell, Clovis, second; Wendell Armstrong, Cotton Center, third. Second go-round--Workman, first; Burl Mardis, Muleshoe, second; and Butch Boydston, Adrian, third.

Bull-dogging--(first go-round)--Kent Carter, Adrian, Tex., first; H. C. Zachary, Lubbock, second; Joe Easley, Hereford, third. Second go-round--Wayne Brown, Amarillo, first; Workman, second; Rob Groves, Hereford, third.

In the girls' barrel racing contest, the young Poarch sisters of Hereford grabbed most of the glory. Jo Poarch won both the first and second go-rounds. Sister Candie was second in the first go-round and third in the finale.

Billie Jo Woolbright, also of Hereford, finished third in the first run, and second in the latter division.

The rodeo clowns, Charlie

RIDE 'EM COWBOY . . . Bill Branscum of Muleshoe tries his luck in the bull riding division of Friona's rodeo last week. Most entrants found the stock all they could handle, if not more.

Ridley and Rob Groves of Hereford, kept the crowd amused between events, as well as detaching the bulls to protect fallen riders in that event.

Rodeo stock, by Wid Stevens of Hayden, N. M., was about as top-flight that local rodeo fans could ever hope to see, keeping times high for the most part.

## Old Settlers In Dimmitt Meet

The annual "Old Settlers Reunion" will be held on the south side of the Court House Square in Dimmitt Thursday August 16, 1962, beginning at 10 a.m., with dinner starting at 12 noon.

Each person or family wishing to attend is to bring a basket lunch with other preparations being furnished by the Castro County Chamber of Commerce.

Speaker will be Mr. Herbert Hilburn from Plainview. Entertainment to be furnished by the Panhandle Hotshots, a local band. President of this year's "Old Settlers Association" is Mr. George Webb.

The reunion kicks off Dimmitt's Western Week, which features rodeo performances August 16-17-18.

## Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 6, 1962.

SENATE JOINT RESOLUTION NO. 48 proposing an amendment to Section 51a of Article III of the Constitution of the State of Texas to provide for the assistance of needy aged, needy blind, and needy children.

Section 1. That Section 51a of Article III of the Constitution of the State of Texas be amended to read: "Section 51a. Payment of Assistance to Needy Aged, Needy Blind and Needy Children. The Legislature shall have the power by general law, to provide, subject to limitations and restrictions herein contained, and such other limitations, restrictions and regulations as may be deemed expedient for the payment of assistance to: (1) Needy aged persons who are actual bona fide citizens of Texas, and who are over the age of sixty-five (65) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application; provided that the maximum payment per month from state funds shall not be more than Twenty-five Dollars (\$25) per person; and provided further that no resident in excess of Twenty-five Dollars (\$25) shall be paid out of state funds to an individual until and unless such individual is actually matched by the Federal Government.

(2) Needy blind persons who are actual bona fide citizens of Texas and are over the age of twenty-one (21) years; provided that no such assistance shall be paid to any inmate of any state-supported institution, while such inmate, or to any person who shall not have actually resided in Texas for at least five (5) years during the nine (9) years immediately preceding the application for such assistance and continuously for one (1) year immediately preceding such application.

## FHS Grad Receives Wayland Scholarship

Four area students have received special academic scholarships to Wayland Baptist College for the 1962-63 session, according to Dean Maurice J. Sharp. These are: Jerry Wayne Williamson, Silvertown; Forrest Alton Shannon, Plainview; Joseph Edwin Price, Olton; and Tommy Jay Sanders, Friona.

Sanders, son of Mr. and Mrs. J. D. Sanders, Friona, is also a 1962 graduate of Friona High School and has attended summer school at Wayland. He is taking a liberal arts course but has not chosen a major field. In high school he was a member of the National Honor Society, the Science Club, and Theatrics and lettered in basketball.

Williamson was awarded a \$400 San Hughes Scholarship on the basis of his academic test scores. This scholarship has been provided through endowment funds given by Mrs. Nettie Hughes, Brady, to assist an outstanding student to attend Wayland.

Williamson, son of Mr. and Mrs. Bill Williamson, Silvertown, plans to major in English and minor in journalism. In high school he was co-editor of the newspaper, a member of

National Honor Society, Future Farmers of America and Future Business Leaders of America. Shannon, Price and Sanders have been awarded \$200 general Academic Scholarships on the basis of their test scores from funds set up by Wayland trustees three years ago.

Shannon, son of Mr. and Mrs. Elbert Shannon, Plainview, is a 1962 graduate of Plainview High School. He plans to major in history and minor in mathematics, looking toward a career in teaching.

Price, son of Mr. and Mrs. Durward Price, Olton, is a 1962 graduate of Olton High School. He plans to take a pre-engineering course with emphasis on mathematics at Wayland. In high school he was a member of the Science Club and photographer for the school yearbook.

Wayland's 52nd session opens for freshmen on Sept. 10 when they undergo a day and a half of testing and orientation to the campus. Registration for upper-classmen begins on Sept. 12 with convocation on Sept. 14.

## New Officers Chosen By Young Republicans

New officers were chosen at the regular meeting of the Farmer-Bailey Counties Young Republican Club Monday night in Farwell. It was the club's first meeting in Farwell.

Clarence Mason, a farmer from the West Camp Community in Bailey County, was chosen president, Harold Wilson of Lazbuddie is the retiring chairman.

Vice president is Glenn Lust of Lazbuddie, Mrs. Joe Briggs, also of the Lazbuddie community, was elected secretary, and Buddy Peeler, Muleshoe, was named treasurer.

Speakers for the meeting were John Zahn, Farwell candidate for state senator, 30th district, and Frank Ford, candidate for state representative, 91st district.

Ford outlined what the people of Texas "must do in order for us to have a two-party system of government."

"We need to elect Jack Seale and Dennis Taylor to the U. S. legislature, and Jack Cox as governor of Texas," said Ford. "Texas needs a powerful conservative voice in the 1964 convention, or else we won't have the two-party system we need," he added.

"We need to return to the Constitutional form of government as outlined by our forefathers. Our system of checks and balances must be kept strict," Ford said.

Ford stated that another reason the state needed a strong conservative delegation to the 1964 convention was to stop Nelson Rockefeller, whom he referred to as "John D. Rockefeller III" from gaining the nomination.

"He says he's conservative, but he's just as liberal as John F. Kennedy," said Ford. Ford briefly outlined his stand on several of the issues which he considered important to the voters.

Zahn told the club "I got into this race because I'm sick and tired of the socialistic trends which we now have."

He said that he was following the pattern set forth by all of the Republican candidates--that there was a job to do, which must be done in the coming election.

Zahn warned that anytime a person votes a straight Democratic ticket, they were voting a liberal ticket.

"There will be an attempt

to re-district the state in the next legislature, where our area would lose representation. We need to have someone in Austin who will fight against this," Zahn said.

He stated that unless there were some Republican senators elected in November there would be a liberal majority in the senate.

The group voted to hold all of its business meetings in Muleshoe in the future, and set them for the second Monday each month.

Candidate speaking are to be sponsored by the clubs they are available, with the site chosen wherever it is most convenient.

## P.F.C. Carlisle Visiting Here

PFC Joe D. Carlisle of the United States Army, who has

been stationed in Frankfurt, Germany, in communications for the 45th Medical Battalion since March of 1962 is with his family in Friona for a month. He graduated from Fort Gordon, Georgia as one of the top six men in Company E Signal Corps Training.

PFC JOE D. CARLISLE

Carlisle has a thirty day leave in the United States before returning to Frankfurt for the remainder of his overseas duty which will end in September of 1963.

His wife, Carolyn, and son, Craig, are living in Friona. They are visiting his parents, Mr. and Mrs. Irby Carlisle, and three sisters in O'Brien, Texas.

## Rev. Omer Hyde To Preach Here

Rev. Omer Hyde of Olympia, Wash., where he is a missionary, will preach at the Calvary Baptist Church Sunday. He is the son of Mr. and Mrs. H. A. Hyde of Friona.

Rev. and Mrs. Hyde and their children, Richard, Treva and Paula are visiting in the home of his parents this week.

## Robert Hollis In V. A. Hospital

Robert (Shorty) Hollis of Friona is a patient in the Veterans Hospital in Amarillo and will be there for several weeks. Cards may be mailed to him at the hospital address in section 2 A.
