Squaws Shooting For "Two In Row"

STAR
Lites
by Bill Ellis

While in Lubbock for the regional tournament the past weekend, we visited with Tanner Laine, the regional editor of the Lubbock Avalanche-Journal.

Laine had recently published a book entitled "Campfire Stories," a collection of stories which he has written during his career, most of which are true stories concerning this part of the country.

We secured a limited supply of the books, and for anyone who is even remotely interested in the history of our area, we'd heartily recommend it. Come by the Star office, or call us and we'll reserve your book.

I'm glad Coach Mel Williams doesn't believe in jinxes. Especially after the story I had in the Star, and also sent the Lubbock paper, saying Teto Jennings would start in her 100th straight game at the regional tournament last weekend.

We were ready to accept the blame for the fact that Teto caught a virus, and wasn't able to start either game. However, Coach Williams assures us there is no such thing as a jinx.

Teto and Elvie, her dad, have been hospitalized the first part of the week in the same room at Farmer County Community Hospital. He developed some sort of throat trouble while at Lubbock. Both were rushed home following the tournament game.

Fans will expect to see Teto in uniform this week after she refused to be counted out of the regional meet. It would be a shame if she couldn't play this week, since the unexpected sidelining left Teto still seven points short of the 2,000 mark for her varsity career.

Important point is that should Teto still be sidelined at Austin, the team proved to itself last week that it can win — with hustle — even with its high scorer on the bench.

A year ago this week we spoke out favoring a new division for the state girls' basketball eliminations, whereby class AAA would have a division of its own.

We had at that time just learned that two of the four teams to reach the class AA state meet last year were AAA schools by enrollment.

Of course we felt that the Squaws could beat these teams (and as it turned out, they did), regardless of classification or school enrollment, we felt that it would be fairer to all schools concerned if the upper division divided again.

We didn't have long to wait to see our "hopes" granted. This year, the Interscholastic League set up a class AAA division for the first time, and this week there will be four champions named in girls basketball, all the way from AAA through class B.

This has doubled the number of champions from the year 1951, when the Interscholastic League reorganized the girls' sport on a state level with just two divisions. There were three divisions beginning in 1955.

We'd like to see the "big school" division continue to grow. There were 40 teams in this division this year.

Evidently in some parts of

This weekend the Friona High School Squaws are competing in the state championship girls' basketball tournament in Aus-

tin. This is nothing new for Friona, marking at least the tenth time in all, and fourth time in the last six years for the Squaws

to reach the state meet.

However, this trip will be a new experience for the Squaws, because for the first time they are making the tournament appearance as defending champions. They're already champs, until someone else gets "big enough" to take the crown away from the team.

In previous years, the slippery goal of the first state championship was always the target for such trips; this time the team has the opportunity to "renew" its championship for another year.

The Squaws meet Rockdale of Region III in their state tournament semi-final game Friday at 3:10 p.m. The Rockdale team, which has been to the UIL state tournament one other time, in 1958, sports a 19-6 record, compared to Friona's 27-7.

The other two semi-final teams in the state meet are Edna and West, guaranteeing Friona two brand new opponents on the state level. The other semi-final game follows Friona's at 4:35 p.m. Friday.

The earlier starting time for the semi-final games are due to the fact that class AAA is holding a state tournament for the first time. Previously, class AA was the largest division for girls basketball and all larger schools with girls teams competed on the same level as Friona. The Squaws were obliged to beat two class AAA schools, Mineral Wells and Clear Creek, for the state title last year. The class AAA semi-finals games will be held Friday evening. The Tullis Hornets, who usually fight it out with Friona on the district or regional level, is representing Region I at the AAA girls state meet.

Championship game in class AA will be played at 7:30 Saturday night. Third place game, involving losers of the two Friday afternoon games, will be played at 10:30 Saturday morning.

West, which plays Edna in the other class AA semi-final game, won the state championship in 1963, the year Friona had to settle for third place after losing to Little Cypress of Orange in the first round game at Austin. The latest rating by the Texas High School Girls Coaches had West tenth place this season.

Thus, this year's tournament will feature the two most recent state champions making bids to repeat their titles. Of the teams in the class AA division.

Friona, Lazbuddie Pace Exhibitors

Exhibitors from Friona and Lazbuddie divided up most of the honors in the ninth annual Farmer County Junior Livestock Show last weekend, with Bovina youngsters taking an occasional trophy.

Lazbuddie youngsters won four of six breed championships in the barrow division, including the grand champion; two of the three championships in the sheep division, and had the top commercial pen of three steers.

Friona showmen salvaged the grand champion steer, three of the four class trophies and the other two barrow titles. Bovina had the reserve champion steer and the third sheep champion.

Bobby Gleason, who has had more champions than he can keep count of, exhibited the grand champion barrow in the show's first judging on Friday. Gleason's lightweight Poland China won top show honors. Theresa Seaton's heavyweight Hampshire entry was the show's reserve champion. Both are from Lazbuddie.

Mike Riethmayer's 951-pound Angus was judged grand champion of the steer show. Mike is a member of the Friona FFA chapter. Eugene Bowman of Bovina had the show's reserve champion steer.

Terry Parham of Lazbuddie

successfully defended his championship in the fine wool division of the lamb show, and another Lazbuddie showman, Royce Barnes, took the medium wool trophy. Bovina's Jerry Roach won Southdown honors.

Foster Fertilizer of Lazbuddie bought Gleason's champion barrow for 70 cents per pound. Friona Wheat Growers purchased the champion steer at 75 cents per pound.

Buyers of the champion lambs were Foster Fertilizer (Parham) 75¢; S.I.B. Gin, Lazbuddie (Barnes), 80¢; and Oklahoma Lane Gin Co. (Roach), 95¢.

Cummings Farm Store of Friona bought Miss Seaton's reserve champion barrow at 75¢ per pound, and Sherley Grain of Bovina took the reserve champion steer at 50¢ per pound. Lazbuddie's Hoppy Jennings was awarded the trophy in the commercial steer division. His pen of three weighed in at 3502 pounds, and received a grade of "choice." Jennings also had the number two entry, which had a combined weight of 3210 pounds.

Others entering commercial steers were Randy Ellis (two pens) and Dennis Fallwell, both of Friona.

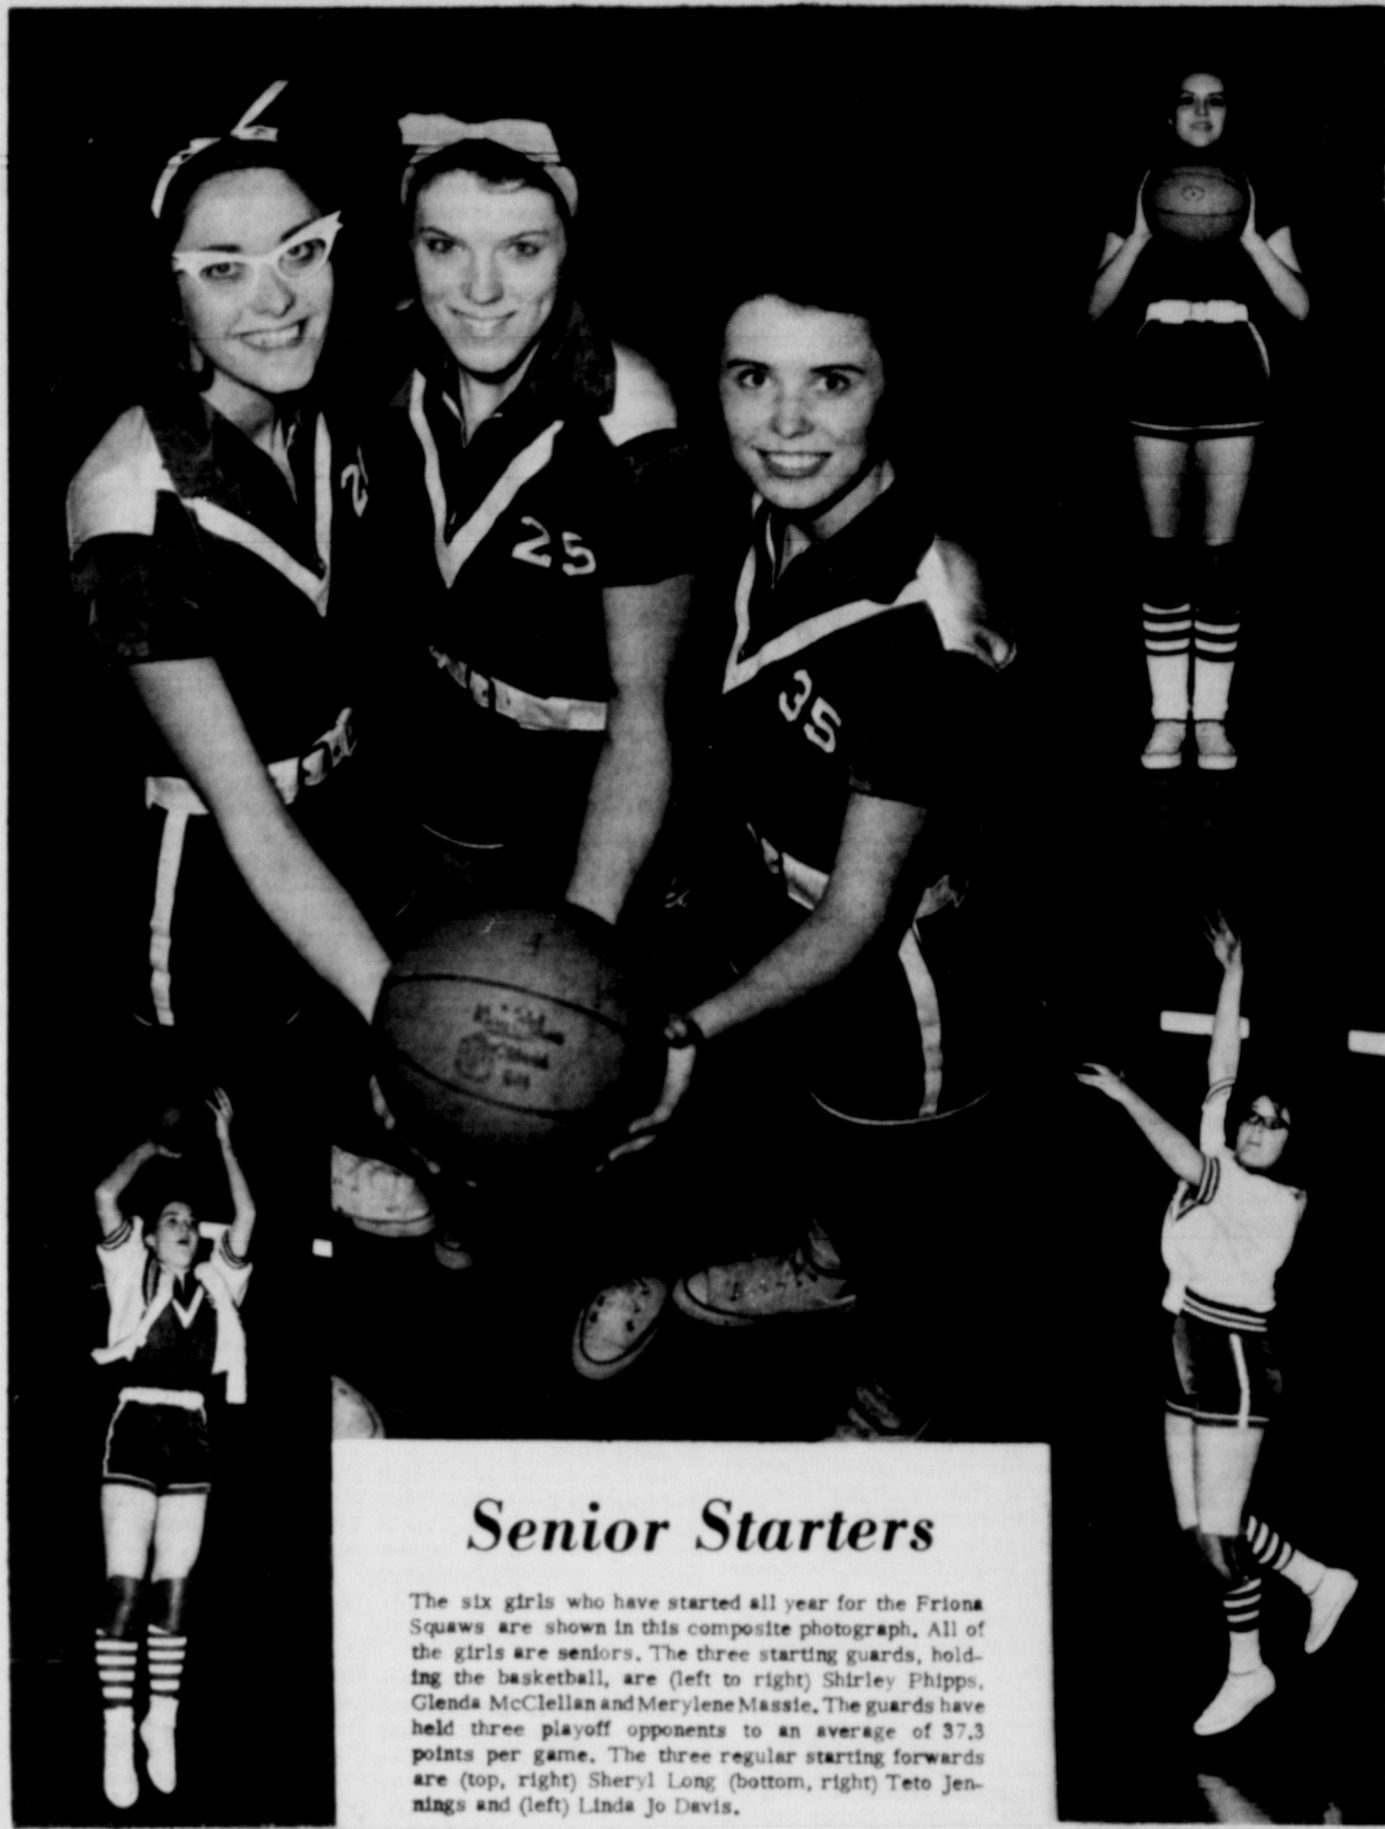

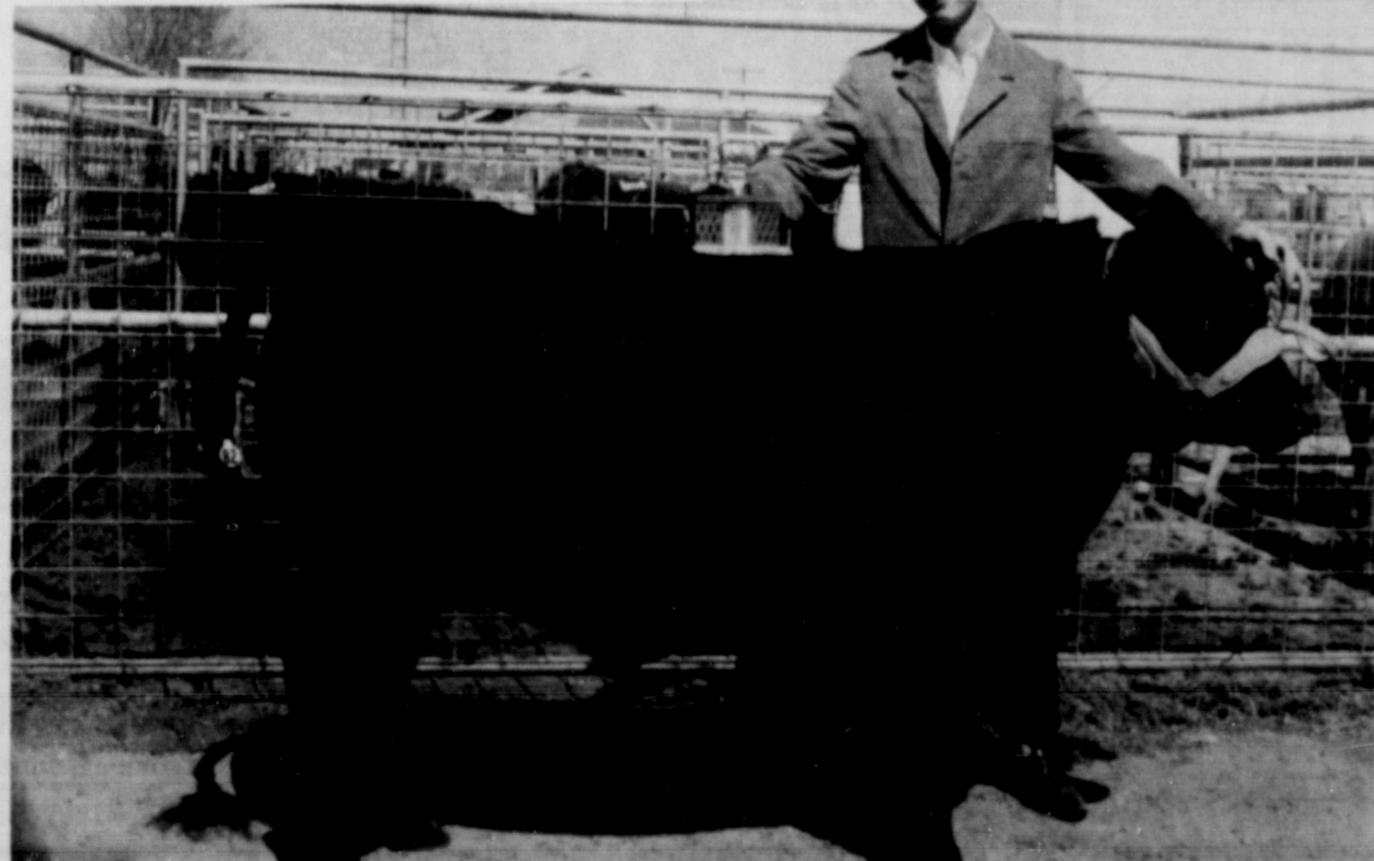

Supreme Beef and Piggly Wiggly Super Markets of Lubbock set the floor price on steers at 22¢ per pound; Clovis Hog Company took floor price on hogs at \$17.50 per hundred, and Edwin Cain of Clovis bought floor lambs at \$21.50 per hundred.

Talley Throws Hat In Ring

Joe Talley, third incumbent on the Friona City Council, filed for re-election last Thursday, giving the council all three incumbents seeking re-election, with no opposition.

Previously announced as seeking second terms were councilmen J.E. Hicks and Glen Stevick.

HAS CHAMP. . . Mike Riethmayer of Friona had the grand champion steer at the Farmer County Junior Livestock Show last week, a 951-pound Angus. The prize animal was purchased by Friona Wheat Growers at the premium price of 75 cents per pound.

Senior Starters

The six girls who have started all year for the Friona Squaws are shown in this composite photograph. All of the girls are seniors. The three starting guards, holding the basketball, are (left to right) Shirley Phipps, Glenda McClellan and Merylene Maslie. The guards have held three playoff opponents to an average of 37.3 points per game. The three regular starting forwards are (top, right) Sheryl Long (bottom, right) Teto Jennings and (left) Linda Jo Davis.

ORDINANCE CHANGED

Amendment Approved On Development Issue

The Friona City Council approved an amendment to City Ordinance 357 (Subdivision Regulations), favoring developers in future city developments at its regular meeting Monday night.

In other business, the council passed a resolution allowing city residents an extra day for payment of water bills when the 10th of the month falls on the weekend or on a holiday.

The council voted to buy an addressing machine to machine-address the city's 987 utility bills each month, and discussed participation with Friona Independent School District's in paving streets around the new high school complex. The amendment to the sub-

division ordinance provides that the city shall enter into contract with developers, who will deposit 80 per cent of the cost for water and sewer lines. The developer will then have his deposit refunded pro-rata as residences are built, until the entire 80 per cent is refunded. However, if the subdivision is not developed as much as 75 per cent within five years, the developer will forfeit the remainder of the deposit which is unclaimed.

Prior to the adoption of the amendment, the city ordinance stipulated that the developer bear all the costs of development, including water and sewer lines.

The council heard a complaint from a local citizen who paid their utility bill on January 11 after the 10th fell on Sunday, as many did, and was assessed a penalty.

After much discussion, the group passed a resolution providing "when the 10th of the month falls on a Saturday, city water bills will be due the next business day."

The Saturday wording was used because the city office isn't open on Saturday afternoon, and this would give residents a day's extension should the tenth fall on a Saturday, making bills due the next "business day," also protecting against a holiday which might fall on Monday.

The council approved expenditure of \$825 for an automatic addressing machine which will facilitate the addressing of utility bills each month.

Reeve Chevrolet Co. was low bidder on a new patrol car for the city, bidding \$1153.35. Other bidders were Friona Motors and Farmer Implement Company.

Discussion ensued on the city's participation in paving of Seventh and Etta Streets, bounding the new high school building. The council had previously committed itself toward 15 per cent of the total cost, which takes care of intersect

and engineering. Individual property owners adjacent to the school will need to be contacted in regard to participating in their share.

In other business, the council passed an ordinance amending the city's trash-garbage ordinance, providing a 50 per cent increase in rates for customers outside the city limits, in line with the price for water service.

The council passed its annual resolution adopting special summer water rates, beginning March 20 and running through September 20. The lower rates for volume usage of water is instigated annually to encourage watering of grass, trees and shrubs.

Approval was granted for a new street light in the center of block 64 as a result of a petition by property owners on

the block. City Manager A. L. (Jake) Outland and Water Superintendent Clyde Fields were authorized to attend the State Health Department and Refuse Disposal demonstration in Lubbock March 27.

In his monthly summary of activities at City Hall, Outland reported to the council that only four building permits were issued during February, one new residence, two additions and one removal, amounting to a total estimated construction of \$35,240.

The water department records showed two new services, one inactivation to bring the total active meters at the end of February to 987.

OFFICERS NAMED

Phipps To Head Friona Jaycees

Virgil Phipps was elected president of the Friona Junior Chamber of Commerce for 1965 at the organization's election of officers last week. Other officers elected were Don McMahan, first vice-president; Monte Fowler, second vice president; Jerry Jones, secretary; Gerald Shavor, treasurer; Gerald Floyd, Cotton Renner, Eune Martin and Johnny Miller, directors.

Glenn Reeve, Jr., immediate past president, is in charge of inter-club relations, and is also a member of the board of directors.

Some 25 voting members took part in the election, which ended what had been hotly-contested races for most offices. Bud Miller, Tullis, state JC director, attended the meeting.

On Monday prior to the election, the first annual campaign rally was held by the Junior

Chamber of Commerce at the home of Mr. and Mrs. Don McMahan.

Candidates for each office were introduced by Bill Dufur, Friona's state director.

Jaycees and jaycee-ettes attending the rally were Mr. and Mrs. Jerry Jones, Mr. and Mrs. Roy Young, Mr. and Mrs. Delmer (Cotton) Renner; Mr. and Mrs. Joel Landrum; Mr. and Mrs. Veldon Carroll; Mr. and Mrs. Dale Williams.

Also Mr. and Mrs. Gerald Shavor; Mr. and Mrs. Johnny Miller; Mr. and Mrs. Monte Fowler, Bill Dufur, Bill Nazworth, Eune Martin, Virgil Phipps, Doug Underwood, Cliff Buckner and the hosts.

Special guests included Rev. Lawrence Oxford, pastor of the Assembly of God Church, and Doug Milloy, honorary member of the Jaycees.

Dear Editor: I am enclosing a check to renew our subscription. We look forward to the Star's arrival each week and are proud of your fine paper and the many things of interest it contains.

We enjoy the many pictures as much as the news stories. Mr. Guinn is gradually improving from his accident last year in which his right leg was broken and the sight in his left eye was destroyed.

Our very best wishes for your continued success with the paper are extended to you.

Dear Editor,

My family and I joined the Clovis Community Concert Association for the 1964-65 season and have enjoyed the concerts so much, we thought others would like to know more about them.

The tickets are \$7.00 for adults and \$4.00 for children, which entitles the ticket bearer (not necessarily the buyer) to attend 4 concerts in Clovis and also concerts in Canyon, Plain-

view and Lubbock. Friona patrons have an advantage in being located relatively close to these several towns who promote this cultural endeavor.

The agenda for the 1965-66 season at Clovis will include the Westminster Choir which will certainly be an outstanding concert in its self.

Brian, our 6 year old, has collected the autographs of each performer or group and enjoyed the short personal contact with them. Who knows when he might have the autograph of another "Van Cliburn"!

We received a letter today (Tuesday) from R. E. Nivlis, President of the Clovis Community Concert Association informing us the Membership Drive for 1965-66 would be next week, March 15 through 20. He also said he would appreciate all we could do in assisting Mrs. Wesley Foster in selling memberships.

For those in the Friona area who are interested in information or tickets, please contact Mrs. Wesley Foster (Chairman), Foster Dept. Store, Ph. 247-3291; or Mrs. J. Lee Witten, Phone 247-2518, 804 Woodland Ave.

Thank you sincerely for printing this letter of information.

The Squaws will be out to put together the first back-to-back championships in class AA since Abernathy won titles in 1958 and 1959.

Rockdale, Friona's first-round opponent, is said to have two girls scoring over 20 points per game. One is averaging 20.4 points and another 27.0.

Fire Department records showed only one fire call during the month; that for an automobile, loss estimated at \$50.

There were 28 arrests during the month, according to police department records. Twenty of these were traffic violations.

the state schools that are in the AAAA classification field girls' teams, since at least one of the four teams in this year's large school division, Victoria, is that size.

In winning the Region I title for AAA, neighboring Tulla competed in a district made up of themselves, Canyon, Perryton and Muleshoe. The Hornets then had to win just one playoff game to advance to the state meet.

It will be unusual to have both Tulla and Friona in a state meet at the same time. That is what we were pulling for last year . . . everyone competing on their own level.

FOUR CAPTAINS: Texas Tech is willing to match its 1965 football captains against any other school's captains. The Raiders will surround them, with four -- quarterback Tom Wilton, halfback Donny Anderson, tackle Chester Howard, and tackle John Porter.

TEXAS TEACHERS ASSN. . .

Why do girls do better than boys in school? One probable cause, says a New York University researcher, is that schools are run too much by and for females. Patricia Sexton, associate professor of educational sociology at NYU's School of Education, has initiated a research project on "School Adjustment and Maladjustment of Boys," including the "boy-school conflict syndrome." Her research is supported by a grant from the National Institute of Mental Health.

Texas Outlook

DIBOLL. . .

A Natural - If ever there was a ready-made tourist attraction potential, we have it right here in Diboll.

The Texas South-Eastern Railroad is approximately 32 miles long. The track runs from Diboll to Lufkin and beyond to Anderson County through some of the most beautiful country you'll ever want to lay eyes on.

TSE diesels pull many tons of commercial freight over the line each day.

But the truly significant aspect is that they have saved, and maintained, one remaining steam locomotive, Number 13.

We know that Arthur Temple Jr. many years ago realized the potential of this short-line railroad as a tourist attraction, as well as a commercial agent.

And some time back TSE's Boots Jackson purchased one of those plush old railroad executive cars, which is not hooked onto the 13.

Boots, we're told, has been shopping around

for a couple of passenger coaches.

And you can guess the rest.

It all can't happen soon enough to suit us, although we can imagine a number of technicalities involved in setting up a passenger deal like this.

But the potential is anything but fanciful. On top of that, it's been a long time since we rode the 13 out through the woods! Which is a thrilling experience, for young and old alike.

The Diboll Free Press

FLOYDADA. . .

Do you remember a few years ago what a pleasure it was to go to the well after a day's work in the hot summer sun, approach the wooden tower windmill, take an old can or cup that was hung from the faucet on the sucker-rod pipe, draw a fresh cup of water from that well that was only moments before was brought from underground, and feel the thirst-quenching satisfaction that only water from such a source could bring?

It wasn't too many years ago that a windmill was an open invitation to the Plains for a weary traveler to stop and refresh himself with water from such a well, and was welcome to water his animals that he might have with him.

These statements may turn the clock back twenty years or more, however, windmills are still commonplace in Floyd County, and there are still two or three in operation inside the city limits of Floydada.

Frionans Attend Funerals

Mr. and Mrs. Bill Schwab, Darrell, Randall and Mike and Mr. and Mrs. Bill Buth, all of Friona, attended funeral services for Adam A. Kraft, 84, Shattuck, Oklahoma, Tuesday of last week.

Kraft was the father of Mrs. Schwab.

Kraft, who was born in Lehigh, Kansas, had lived in the Oklahoma Panhandle since 1905 and died at his home in Shattuck about noon Saturday, February 27.

Bill Schwab also attended funeral services for an uncle, Carl Krteger, of O'Keene, Oklahoma Wednesday.

The group returned to Friona early Thursday morning.

Houston Enrolls At Tech School

Applications for admission to vocational-technical study at Oklahoma State Tech Okmulgee, for both summer and fall trimesters are now being accepted.

Among the applications which have been accepted is the request of Raymond Eugene Houston from Friona, to enroll with the beginning of the spring trimester. Houston plans to enroll

in a course of study in industrial electronics.

Enrollment for the summer trimester is set for Monday, April 26, with classwork beginning the next day. The fall trimester begins with registration August 30 and 31 and classwork to commence on September 1. Tech is operated on a year-round program with three terms of 16 weeks each.

Local People Attend School

Mr. and Mrs. Del Ingersoll of Friona Plumbing and Heating are attending Lennox Company's heating and air conditioning school in Lubbock this week.

The school is a three-day course on refrigeration "troubleshooting."

STREAKS: Texas Tech's 82-76 win over Texas A&M was the Red Raiders' first victory at College Station since 1957-58, Tech's first year as a Southwest Conference member . . . Baylor's 77-74 triumph at Lubbock snapped at eight Texas Tech's string of triumphs over the Bears. . . Texas Tech now has won four of its last five games played with Southern Methodist at Dallas.

Broyles family, Amarillo and the Eugene Broyles family and near Friona, Mr. and Mrs. O. F. Barnett from Morton also visited with her sister Mrs. Broyles and Oran Sunday.

Mrs. Earl Peterson and Pat were in Plainview recently for the Wayland College Homecoming events.

Several of the young Lazbuddie men are playing on the outsiders team known as the Farmers and Ranchers Volley Ball Team. The team won first place in the Muleshoe tourney as well as the Farwell Tourney.

The Lazbuddie Outsiders teams are host to the outsiders tournament in the gym this week 1st, 2nd and 3rd place trophies will be awarded the winning teams. Both men and women teams are playing in the tournament.

Congratulations to Scotty Winham and the Lazbuddie FFA and 4-H members on their fine winnings at livestock shows recently. Besides winning grand champion and first places at Ft. Worth and fine winnings at El Paso stock show, Mike Hinkson had grand champion steer at Houston last week. Then at the Friona Show Lazbuddie won grand champion in hog division also the reserve champion, many first and second places and grand champion in the lamb division as well as first, second and third places in the division.

The Lazbuddie Baptist Church is having a week of prayer this week. The prayer services are in the mornings beginning at nine o'clock. The week of prayer is for home missions.

The Lazbuddie PTA met for their regular monthly meeting Monday night March 1st. During the business session the members decided to a one court for tennis instead of the double court previously planned. They plan to make the double court sometime in the future however.

The 4th, 5th, and 6th grades presented the program for the PTA under the music instructor, Mrs. Ruth Wilson. Those participating were: Mary Longoria, Bobby Baldress, Letha Elliott, Larry Cox, Debbie Engelking, Lee Ann Harlin and Clay Mimms.

SPORTSMANSHIP: Texas Tech has won the Southwest Conference Sportsmanship Trophy four of the five years the school has been eligible to vic for the award.

ANNOUNCING BAINUM BUTANE CO.

Is Now A DEALER For TIDE PRODUCTS

MACK DANNY

Memo to High Plains Growers...

LABOR SAVING See For Yourself!

Would you ever believe you could get 175-80 pound bags of fertilizer in just one TIDE Tilt-Box? You sure can. Count them. Using Tide's Tilt-Box you don't have to handle a single bag... simply open a gate and fill your fertilizer applicator in minutes. Labor saving? I'll say it!

HOW TIDE'S TILT-BOX SERVES YOU:

Tide's TILT-BOX, pictured above, is an air-tight, all weather container. It keeps your fertilizer dry, fresh, and free-flowing. This TILT-BOX puts 14,000 pounds of fertilizer where you want it... at the most convenient location to the field and high enough to make loading any type of application equipment easy.

PRESCRIPTION MIX FERTILIZER

Tide takes soil samples from your land, free of charge to determine exactly what your soil needs. Then your fertilizer is mixed from high analysis raw materials to fit your exact requirements. Because it is made "on order", your fertilizer is fresh, dry, and free-flowing.

ECONOMICAL

Ease of handling fertilizer in Tide equipment reduces cost... saves time and labor. One man can fill an applicator or spreader with Tide fertilizer in 2 to 3 minutes simply by opening a gate.

With "prescription-mix", you buy only the nitrogen, phosphate, and potash your soil test shows you need. High analysis fertilizer cuts material handling costs. No bags to handle (unless you want it bagged) and storage is no problem, as Tide's Tilt-Box, holding 14,000 pounds, provides air-tight delivery and storage at the end of the row.

TIDE SERVICES

Tide grower services and products are planned to save time and labor... help take the guess-work out of farming. Agricultural Consultants, free soil tests, and Tide's custom-designed, weather-proof, delivery and storage equipment, cut your production costs. TRY TIDE... you'll be glad you did.

Eight Enter Contest For Trip To Washington

Eight local high school juniors are among the 21 entrants in an oratorical contest being sponsored by Deaf Smith County Electric Cooperative. Winners in the contest will be awarded all expense trips to the nation's capital city early in June.

Those entering from Friona include Sandra Beene, Frieda Floyd, Courtney Owen, Tommie Sherley, Gary Shackelford, David Smith, Monte Sue Welch, and Dwight Whitaker.

The contest was open to any boy or girl 16 years of age but not 18 years of age prior to September 1, 1965. Seven students from Bovina, three from Hereford, one from Dimmitt and two from Nazareth completed the entry list.

Winners, one boy and one girl, will join winners of similar contests sponsored by other electric cooperatives across Texas on the first annual Texas Electric Cooperative Government in Action Youth Tour to Washington, D.C.

All expenses of the 11 day trip beginning June 4, will be paid by Deaf Smith County Cooperative. As participants in the Youth Tour, local contest winners will travel by chartered bus to Washington, D.C., where they will spend three days visiting places of historical interest and seeing the nation's government in action.

On Wednesday, June 9, the Texas group will meet more than 600 students from 10 states at a program sponsored by the National Rural Electric Co-

operative Association and the Rural Electrification Administration. The program will feature presentations by officials

of these organizations and other Washington personalities and possibly the Presidential Staff. Also included on the 11 day

agenda will be visits to the following: George Washington's Mount Vernon home, Arlington National Cemetery, the U.S. House and Senate, the U.S. Department of Agriculture, the Smithsonian Institute, the U.S. Bureau of Printing and Engraving, the Lincoln Memorial and other places of interest.

Those entering from Friona include Sandra Beene, Frieda

Floyd, Courtney Owen, Tommie Sherley, Gary Shackelford, David Smith, Monte Sue Welch, and Dwight Whitaker.

According to an announcement by Ray Simpson, member services advisor, an elimination will be arranged for local contestants prior to the final contest which has been scheduled for Friday, April 2.

Young Homemakers See Corsage Demonstration

Highlight of the Thursday afternoon meeting of Lazbuddie Young Homemakers was a demonstration by Rita Peeler of Beavers Flowerland. Miss Peeler demonstrated the proper way to wear a corsage with different types of ensembles and instructed those present in the art of taking proper care of corsages.

A question and answer session followed the program. Members of Lazbuddie Future Homemakers of America were special guests.

During a brief business session plans were made for a money making project for the organization. A young homemaker's charm was presented to Mrs. Ralph Broyles in appreciation of her work

as president of the club last year.

Refreshments of cake squares and lime punch were served by the hostesses, Mrs. Kenneth Hall and Mrs. Earl Ellis. The serving table was decorated in the St. Patrick's Day theme.

Members present were Mesdames Kenneth Hall, Ralph Broyles, Richard Englekling, Chuck Smith, Glenn Lust, Bill Harman and Hutmacher and Mrs. Earl Ellis, advisor.

Next regular meeting of this group will be April 1, 1965.

Local Students On Judging Team

Mickey Wilson, son of Mr. and Mrs. Elvin Wilson, and Bob Welch, whose parents are Mr. and Mrs. Nelson Welch, freshmen students at Lubbock Christian College, are both members of a judging team that placed fourth in the Junior Intercollegiate Livestock Judging Contest conducted in Houston.

Coached by Jesse Holloway, the team placed third in the

horse division, fifth in the cattle and sixth in the swine division.

First place winner was Northeastern Oklahoma A&M, with Tarleton State College, second and Southern State College of Kansas, third.

trophy and Friona came in second.

Someone has said, "The end of the second week in March should be officially designated as 'Exodus to Austin Week' for Friona residents."

There has been much speculation pro and con about whether the representation at Gregory Gym this week end will be greater or smaller than last year. The other three teams playing in our bracket live within a hundred and fifty miles or so from the capital city. I'm guessing everytime the first whistle blows the Squaws will have as many local supporters cheering for them as any team (Continued on page 9)

Local Art To Be On Display

An art show at the Pallet Rouge in Sunset Shopping Center in Amarillo has been slated for March 11, 12 and 13. Pupils of the Jean McGee Studio at Hereford will display their work.

Local artists invited to participate in the showing are Phyllis Sanders, Lavinia Brock, Jean Coker, Thelma Johnson, Allo Reeve, Wilda Millican, Sue Proctor and Marie Fleming.

A lot of local residents have been asking, "Who is going to bake fancy cakes for us since Betty Hawkins of Bovina has gone out of business?" For a few weeks I didn't know the answer, but now I do.

An ad in the Star this week announces that Geraldine Ferguson will be available to bake a fancy cake for any special occasion. Mrs. Ferguson, the former Geraldine Phipps, is a real fine young lady and has exhibited her ability to use her hands and talents in making dresses for her daughters, Sherri, Jerri and Wendy.

I've been told a number of times that a person who can make a fancy dress can bake a fancy cake if she wants to, but I'm not convinced that this is necessarily true.

My experience has been that dress material and trimming is always the same consistency and can be depended upon to react the same every time you begin a dress. Not so with cake batter or icing.

Of course, it is possible that I am convinced to begin with that any attempt I make to bake a fancy cake is going to turn out wrong . . . so, it generally does.

At any rate, I'm one of the many who are glad Friona is going to have a local fancy cake baker.

A note from Alice Faye Palmateer Baker of Las Vegas, Nevada, invites any Frionan, who happens to be in that city, to call her for information con-

cerning goings on in the town. Her husband, Douglas, is an overseer of the Sands Hotel there and the couple has met many interesting and influential people living there.

Mrs. Baker also informed us that her mother, Della Palmateer Light, who has been a patient at a hospital in Fort Stanton, New Mexico, for several months has had lung surgery and is making satisfactory progress.

The Bakers are subscribers to the Star and especially enjoy seeing pictures of people and places in Friona.

According to the report I heard, Mr. and Mrs. Virgil Zeman and Alan like the neighborhood in which they live. The Zemans have been considering building a new home, but have decided to add onto their present home instead.

By doing this they will have a larger more comfortable home and at the same time keep the neighbors they now have. I feel sure their neighbors are glad they decided to stay in the same place.

On the basketball court in the coliseum wasn't the only place Friona High School students and Spearman High School students were competing against one another in Lubbock Saturday.

Mal Manchee, debate coach, reported that in several events at the Forensic Tournament on the Texas Tech campus Spearman received the first place

Church Women Meet In O. Ricken Home

Redeemer Lutheran Women's Missionary League met March 4 in the home of Mrs. Oliver Ricken for the regular monthly meeting. Mrs. Florian Jarecki and Mrs. Leon Noack were welcomed as new members of the organization.

Mrs. Floyd Schueler presented the opening devotional based on Acts 9:36 with emphasis on Dorcas. Mrs. Schueler pointed out the fact that the charity work done by this Bible woman was done in faith and love and emphasized the importance of women being "doers" and not "talkers only."

The theme "Christian Discipleship" will be carried out in topic studies for the coming year. This theme is based on the Gospel of St. Matthew.

The following women were appointed to serve as chairmen of the various committees: Mrs. Florian Jarecki, welfare; Mrs. Leon Noack, telephone; Mrs. Dan Schuman, kitchen; Mrs. Dick Habbings, visiting; Mrs. Carl Schlenker, altar and Mrs. Floyd Schueler, missions.

Members of LWML will participate in the spring workshop

of the Panhandle Zone in Amarillo March 21.

Plans were made for the dedication service of Redeemer Lutheran Church which will be held Sunday, April 4 at 3 p.m. Lunch will be served following the service and members of the church invite everyone to attend.

Pastor Fred Beversdorf and eleven women were present at the meeting.

Baptist WMU Observes Prayer Week

Tuesday was observed as Home Missions Prayer Day by members of First Baptist Church Woman's Missionary Union. Activities began with a morning program.

The call to worship was given by Mrs. Spencer Hough. The prayer calendar was read by Mrs. Roy V. Miller Sr. Following group singing Mrs. Ray White presented the opening devotional.

Special music was presented by Mrs. Charles Hough and Mrs. Philip Weatherly. Mrs. Spencer Hough, program chairman, introduced the speakers.

"Challenges From Others" was the program topic. Those having parts were Mrs. Kenneth Neill, Mrs. Johnny Mars, Mrs. Curtis Murphree and Mrs. O. B. Moyer.

Following the singing of a hymn and a prayer a covered dish luncheon was served in Fellowship Hall.

The afternoon session was opened with group singing then Mrs. Sam Meares presented the devotional. Mrs. James D. Johnston and Mrs. Ray Murphree had charge of the afternoon program using the theme, "Forth With Thy Message Send Us."

Special music was presented by Mrs. Bob Coker. The meeting was closed with a prayer.

Nine Frionans Enroll At LCC

Five boys and four girls from Friona are among the 572 students who have enrolled for the spring semester at Lubbock Christian College, Lubbock.

Of Interest To THE WOMEN

DEBATERS ALL... These eleven Friona High School students and their debate coach Mal Manchee, extreme left back row, participated in the Texas Tech Forensic Tournament at Lubbock last week end. This is the second year Manchee has coached the teams. Others in the picture are Dwight Whitaker, Gary Shackelford, Linda Outland, David Smith and John Bill McFarland, back row. Ann Ayers, Jeanne Taylor, Julia Dennis, Nan Lillard, Ann Prewett and Lynn Wilson. The three trophies won in the tournament are pictured on the table.

Marlene Rowell Weds Arthur Gene Thompson

In a candlelight service at University Baptist Church, Lubbock, at 8 p. m. Saturday, February 20, Ellen Lee Marlene Rowell, daughter of R. D. Rowell, Levelland and Mrs. Dale Wortham, Friona, became the bride of Arthur Gene Thompson son of Mrs. Vera Thompson, Floydada.

The double ring ceremony was read by Rev. Fred D. Blake, pastor of First Baptist Church, Levelland, before an arrangement of candelabra and white candles interspersed with greenery.

Wearing a white dress of nylon lace over taffeta with matching hat the bride was escorted to the altar and given in marriage by her father. She carried a bouquet of white stephanotis, white carnations and roses atop a white Bible.

Sharon Taylor, Levelland, was maid of honor, Travis Eubanks, Friona, was best man, Ushers and candlelighters were Vince Rowell, brother of the bride, and Richard Huckabee, uncle of bride.

Guests at the reception in fellowship hall of the church were registered by Sharon Taylor. Punch and cake were served by Mrs. Jerry Campbell, sister of the groom, and Mrs. Bob Slaton, aunt of the bride.

Out-of-town guests included Mr. and Mrs. H. A. Huckabee and Mrs. Ted Huckabee, Brewster, Washington; Mr. and Mrs. M. B. Rowell, Hale Center, paternal grandparents of the bride; Mr. and Mrs. Charles Thompson, Idalou.

Also Mrs. Jerry Campbell and Mrs. Vera Thompson, Floydada; Mr. and Mrs. Bob

Slaton, Edmonson, Texas; and Mr. and Mrs. Ben Arnold, Hale Center.

Mrs. Thompson is a former student of Friona High School and is now attending Isbell-Powell University of Cosmetology in Lubbock. Her husband is employed by Adams Drilling Company, Friona.

Mrs. Gee Reviews Texas Book For Progressive Study Club

Mrs. J. T. Gee presented a review of the book, "I'll Take Texas" by Mary Lasswell, at the regular meeting of the Progressive Study Club Tuesday night.

Mrs. Gee noted that the book was a portrait of Texas, presenting the state as "something besides oil wells and big hats." Each of the geographical areas of the state were discussed and the author wrote of

several outstanding personalities she had met in Texas. In conclusion, Mrs. Gee quoted the author, saying "God made Texas on his day off just for entertainment."

Mrs. Bob Riethmayer opened the program with a poem and scripture reading. In connection with the "Texas Day" theme of the program, the group said the salute to the Texas

flag led by Mrs. J. L. Humphrey.

During the business meeting, it was announced that \$250 was made on the production of "Held!" by the Children's Theatre Group from Eastern New Mexico University. The entire sum goes to the University.

Mrs. John White and Mrs. Bill Ellis were appointed delegate and alternate delegate to the Caprock District Federated Convention which will be held in Friona later this month.

It was announced that there will be a meeting of all convention committees, chairmen and members, on March 16 at 7:30 p. m. in the club house. This meeting has been called by Mrs. H. K. Kendrick.

Hostesses for the evening were Mrs. Clarence Monroe and Mrs. Tom Pruett. Refreshments were finger sandwiches and individual cakes decorated in western motif. Mints, coffee and tea completed the refreshments. The table was decorated with miniature flags of Texas and table appointments were of silver.

Guests were Mrs. J. T. Gee, Mrs. J. G. McFarland and Mrs. Denny Beaman.

Team Wins Second In Tech Debate Tourney

A Friona High School debate team composed of Nan Lillard and Ann Prewett placed second in Class II at the Texas Tech Forensic League Tournament in Lubbock last weekend.

"Resolved: Nuclear Weapons Should Be Placed Under The Control of An International Organization," was the controversial subject. Miss Lillard and Miss Prewett also received superior individual ratings.

Other ratings awarded local students were: a team composed of Jeanne Taylor and Julia Dennis, excellent; Ann Ayers, first in Class II girls persuasive speaking; John Bill McFarland, first in Class II boys informative speaking.

Others participating were Linda Outland and Ann Ayers;

Dwight Whitaker and Gary Shackelford; and John Bill McFarland and David Smith in the debate category.

Julia Dennis, Lynn Wilson and Gary Shackelford in the individual competition.

Friona High School tied with Lubbock Christian High School in sweepstakes for second place in Class II, Spearman High School took first place.

Mal Manchee, coach, reports that he is very well pleased with the showing made by his students. This is the second year Friona High School has offered debating and related subjects.

Three trophies were added to the collection in the trophy case and certificates were presented to individual winners.

Large Number Attends Father-Daughter Dinner

About 310 persons attended the annual Girl Scout Father-Daughter banquet at the school cafeteria Monday evening. Special guests were fathers, uncles, brothers and friends of Girl Scouts in Friona.

Each troop decorated its table in keeping with one of the seven themes in the Girl Scout program field.

The opening exercise was the Flag ceremony by a team of senior scouts.

Mary Anderson, Lubbock, District I Girl Scout director from Lubbock was present. Troop leaders were introduced.

Home Lighting Topic Of Study

The Lazbuddie Home Demonstration Club met at the home of Mrs. Harvey Blackstone with eight members and four visitors present.

A program on "Lighting" was presented by Jo Ann Bray of the Bailey County Electric Cooperative. In her program she showed how different fluorescent lights can change the way a room looks in color, she showed how a portable fluorescent light can be installed in a kitchen which is poorly lighted, and she also showed a study lamp that can be purchased and assembled.

During the business session the club members decided to meet with the 4-H club March 15 at 7:30 p.m. to hear and see their method demonstrations be presented.

Visitors attending were Mrs. Alfred Steinbock, Mrs. Tice Hugg, Mrs. Neal Bradshaw and Miss Jo Ann Bray. The next meeting will be Monday March 22 in the home of Mrs. Dalton Minns.

Bowling Notes THIRD STRAIGHT YEAR

A Friona team won the class girls team title at the district "TABY" bowling tournament at Lubbock Saturday. Those on the team were Gail Varner, Liz Drager, Barbara Fletcher, Nicky Bohner and Jonell Wood. A junior boys team composed of Norman Mohr, Randy Schwab, Larry Rector, Steve Taylor and Barry Myers also competed.

Buckley Captures Team Scoring Crown-Again

Larry Buckley wrapped up the team scoring title for the third straight year in basketball, a tabulation of season statistics by Bill Ellis of the Friona Star revealed this week.

As a matter of fact, Milner led the team in percentage of field goals made during the season, hitting a blazing 62.1 per cent of his shots during the year. Second in this category was Junior Travis Graves, who connected on 59 of 111 shots, a good 53.2 per cent.

figures together, one might say this year's team was "23.4 points better" than last year's team.

As a team, the Chiefs made 44.3 per cent of their field goal shots, and 60.1 per cent of their free throws. The latter mark still wasn't excellent, but was a full nine percentage points better than last year's team hit.

The Chiefs reached their season high for one-game scoring against Happy's B-team at the Happy Tournament, ringing up 89 points. The least number of points scored was the 33 in the second game of the season at

Delhart, in a 52-33 loss.

Most points scored against the Chiefs were the 81 by Denver City in the bi-district match. Least were the 12 by Hart in the Farwell tournament.

Friona scored 33 field goals, a season high, against Muleshoe here December 19, and clicked on 33 free throws, another high, in the game against Happy "B."

Denver City's 32 field goals were the most by any season opponent, and the 21 free throws by Adrian at the Happy Tournament were the most in that category by a Friona opponent.

Attending the women's state bowling tournament in Dallas last Friday and Saturday were Mrs. D.B. Ivy, Mrs. Buford Hartwick, Mrs. Kenneth McClellan, Billie Johnson and Mrs. Lloyd Rector. The team, representing Shirley Grain, bowled 226. Mrs. McClellan bowled 1413 series.

The Rockwell Bros. team, composed of R.J. Renner, Jr., Mrs. Lee Renner, Mrs. Glen Kingus, Joy Hall, Mrs. Billy Dean Baxter, who bowled a 224 series. Joy had the 200 game of the group.

"I had to almost make Dale start shooting," stated Coach James Anglin. "When he did, he became one of our leading scorers."

Milner had scored just eight points through the first five games, but scored 295 points in the last 22 games, an average of 13.4 per game after the "tide turned."

However, defense was where the team stood out this season, allowing their 27 opponents an average of 44.4 points per game, or 17.4 points per contest less than last year. Adding the two

HEMMED IN... Johnnie Vernon of Spearman finds her way blocked authoritatively by Glenda McClellan (25) with Shirley Phipps (21) coming up to help. The Squaws won, 55-33 to advance to the regional finals, where they downed Granbury, 49-45.

Desire Was Factor In Squaws' Regional Win

Outstanding team play, desire and a stingy defense were the keys last weekend to a pair of victories by the Friona High School Squaws, sparking the local girls to the regional basketball championship despite adversities which might have felled a lesser team.

With their leading scorer hobbled with a virus, the Squaws parlayed a near-vicious defense and a capable offense sparked by performance under pressure by reserves, into a 55-33 win over Spearman and a 49-45 decision over Granbury.

Junior forward Janet Rushing replaced Teto Jennings in the starting lineup when the latter player developed a virus infection, and turned in a stellar tournament, bolstered by the usual steady play of Linda Davis and another good reserve response by sophomore Cindy Ingram.

The starting guard combo of Merylene Massie, Glenda McClellan and Shirley Phipps practically shut out a potent Spearman scoring machine, and then still had enough left to quell Granbury in the finals.

The Squaws, starting as though treading on thin ice, played an "unsure" first quarter against Spearman, which ended in a tie score, 8-8. Miss Ingram gave Friona two leads

early in the second quarter, and Miss Davis opened up the team's first four-point lead at 14-10 with a pair of free throws.

When Miss Rushing joined the act midway through the quarter, the Squaws began to show an air of authority, and steadily built their lead to as many as 12 points during the quarter. Two straight jump shots by Miss Ingram and a pair of free throws made it 27-15 with a minute left in the half, and Friona fans began to sense that "all was well" in the Squaw camp.

After a 28-18 halftime lead, the team, getting hard-nosed defensive work from the guards, pulled steadily away, until the lead finally hit 20 points midway through the last quarter.

Miss Jennings, who had been left at the team's hotel, suited out at halftime, getting into the game during the final three minutes and scoring four points to clinch her 100th consecutive appearance in a Squaw game, despite being ill.

Against Granbury in the finals Saturday night, Friona never trailed, although never quite able to break the game wide open.

Janet Rushing scored the and Friona caught fire as far as scoring was concerned, racking up a 21-9 first quarter lead, team's first nine points, sparking Friona to a 9-6 lead, Linda

Davis scored three points to give the Squaws a 12-6 cushion.

Jennings made another brief appearance in the Granbury game, and her four points at the start of the second quarter helped the team to 23-9 and 25-12 leads. However, a scoring drought ensued, and at halftime it was Friona by nine, 29-20, after having earlier held a 15-point advantage, 29-14.

Granbury scored the first four points in the second half, cutting Friona's lead to five, 29-24. However, the Squaws responded to the challenge, and with Miss Davis scoring a pair of baskets resumed their 10-point edge at 34-24. Friona had a seven-point advantage, 41-34, going into the last quarter.

Friona once again appeared ready to all but blow the Granbury girls out of Municipal Coliseum at the start of the final quarter, building up a 49-36 lead with five minutes left in the game.

However, the Squaws then became cautious, and as a result didn't dent the scoreboard the rest of the way. And, although Granbury scored nine points in the meantime, it just served to tighten up the final score, which read 49-45.

In the preliminary game, Spearman's Phyllis Patterson had a 20-point scoring average, but was held to just two of twelve field goal shots by Merylene Massie. The Spearman ace did score 12 points from the free throw line.

For the two-game series, Rushing led the Squaws in scoring with 34 points, Davis scored 30 and Ingram 28.

With spring just around the corner, shopping for spring clothes and fabrics is taking up some time of many homemakers. How good a shopper are you? We might test ourselves with a few shopping guide lines.

LABEL PROVIDES IMPORTANT CARE INFORMATION

A wise shopper will read the label for clues in finding easy-care garments. A good label will give the name of the manufacturer, the fiber content and finish of the fabric, and laundry or cleaning instructions. The label should indicate how much ironing the garment will need, and the colorfastness and shrinkage resistance. If the garment doesn't have such a label, buying it is a gamble. Lets take shrinkage for instance. The label should give this information and if not, you may be in for trouble. Company's that do not give this information will not stand behind their products, therefore a wise shopper will look for information on care as well as fiber content of products.

If the garment is a synthetic or a blend, more than half the fiber content should be a wash-and-wear type. If the garment is cotton, look for a name brand finish.

Even a lightweight fabric should be sturdy -- a sleazy fabric just won't stay looking nice. Examine seams and construction points before buying. The seams shouldn't pucker -- they should be flat-felled or finished to prevent fraying. Buttonholes should be free of loose threads.

MILK IS IMPORTANT - In everyone's diets.

Food cost are high, but it is never economy to cut down or cut out nutrients needed daily. One never outgrows their need for milk. Children need 3 glasses or more of milk daily and adults need at least two glasses to supply their calcium needs.

Often women are heard to say, "I don't drink milk, I get enough calcium in foods I eat." Do they really? Lets take a look. The recommended daily calcium need is 800 mgm. of calcium is needed for:

1. Normal blood clotting
2. Regular heartbeat
3. Building and maintaining the bone & teeth.

DRINK:
One glass of milk to supply 298 mgm. of calcium.

EAT all of these to supply 298 mgm. of calcium.
1 cup (canned corn)

PLAN YOUR SAVINGS WITHOUT REDUCING FOOD VALUE

Foods from the milk group generally are the largest single item in the food budget if sufficient amounts are bought.

Home-makers can realize a saving by using fresh whole milk for drinking and evaporated and dry skimmed milk for cooking. Dry skim milk is convenient to use because it needs no refrigeration. It costs less than one-third as much as whole milk and is, of course, higher in calcium and protein because of the absence of fat.

With the present milk prices, a family of two adults and two children using 22 quarts of milk a week could save approximately \$1.83 a week by this allotment of milk. The reduction could be even greater if the milk drunk is one-half fresh and one-half dry.

Add this savings to the total savings realized by wise shopping -- and watch it grow.

Squaws Take Second

FRIONA, TEXAS SUNDAY, MARCH 14, 1965

EXTRA THE FRIONA STAR EXTRA

SQUAWS. . . The 1964-65 Friona Squaws are shown above. Back row, left to right, are Mrs. Pug Collier, sponsor, Janet Stevick, Linda Jo Davis, Coach Mel Williams, Cindy Ingram, Sharon Dean and Janet Bishop, manager. Second row--Teto Jennings, Lyndia Chandler, Janet Rushing, Shirley Phipps, Glenda McClellan and Frieda Floyd. Front row--Lanore Jackson, Sheryl Long, Willie Grace Grubbs, Lorene Jackson, Merylene Massie and Carol Struve.

Unbeaten Edna Outlasts Friona

by BILL ELLIS
Editor, Friona Star

An undefeated team is hard to beat in the state finals. That was true last year when the Squaws won the title, and they were reminded of the fact in a very bitter manner Saturday night at Austin, when Edna outlasted the defending champs, 60-57.

The Squaws, who staged an unbelievable rally earlier in the game to come from 13 points behind and take the lead, couldn't duplicate the feat in the closing seconds of the game, and had to settle for second place.

The "so near and yet so far" finish reminded Friona fans of the 1960 finals, when Buna edged the Tribe, 66-63. In all, it's the fourth time the team has finished in the runner-up spot in a state meet.

Edna, finishing with a spotless 29-0 record, was not to be denied after seeing their large lead vanish in the closing seconds of the first half to a spirited Friona rally.

The Cowgirls, making their first trip to the Austin meet, rode the hot free throw shooting of Jean Brown to the victory. The southeast Texas team outscored Friona, 28-15 at the free throw line, although Friona scored the most from the field, 42-32.

For a time it appeared that the Squaws would pull away in the third quarter, taking three four point leads at 31-27, 37-33 and 39-35. However, Edna caught up, and Cindy Ingram had to score three quick points to give Friona a 42-41 lead at the three-quarter mark.

Janet Rushing gave Friona a 44-41 lead early in the final quarter, but then left the game on fouls a moment later. Edna tied it at 44-41, and after the lead changed hands a couple of time the Cowgirls took a 48-47 lead with six minutes left. As it turned out, they were to keep the lead the rest of the way.

Edna took a commanding five-point lead, utilizing a fast break for lay-ups, with just 2:07 to play. However, a hook shot and jumper by Teto Jennings cut the margin to one, 58-57, with 40 seconds left.

Edna scored with 24 seconds left, and the Squaws couldn't get another shot, as Edna intercepted the ball in the waning seconds.

It was Edna's first trip to the

state meet, and Friona's third straight, but if anyone had "opening night" jitters it was Friona, who only scored one field goal in the first quarter and that didn't come until late in the quarter.

Edna grabbed a quick lead on the shooting of deadeye Jean Brown, and had a 5-0 lead before the Squaws could break the ice.

Sheryl Long got Friona's first point on a free throw, but Edna responded with a volley of baskets to lead 11-1 before Friona could score again. Jennings got the next point, also a free throw, midway through the quarter, and Friona didn't score again until Janet Rushing got the team's first field goal with six seconds left in the first quarter, making the score 15-4, Edna.

The Squaws then staged an amazing comeback in the second quarter. Jennings scored a pair of baskets and a free throw, and Rushing canned two of each, to cut Edna's lead to six points, 21-15 midway through the quarter.

Continuing the drive, the Squaws pulled to within five, as Edna went three full minutes without scoring, equalling the Squaws' first - period deep-freeze.

Linda Davis received her fourth foul in the quarter, and was replaced by Ingram, who sparked the remainder of the first half. Her field goals cut the lead to three, 23-20, to one, 25-24, and her set shot with 41 seconds left in the half gave Friona its first lead, 26-25.

Edna went ahead 27-26, but Jennings' free throw with seven seconds to play tied the count at halftime, 27-27.

Team "Turns Tiger" In Rockdale Game

The team nickname of Friona's opponent in the state semi-finals Friday, Rockdale, is "Tigers." Before the game was over, Rockdale probably decided that there was a "tiger" in Friona's "tank" as well.

Teto Jennings, playing only three days after a three-day hospital stay, looked as healthy as she ever has in three years of varsity play at Friona.

All "Tiger Teto" did was toss in 35 points -- equalling the highest she had scored in any single game this season, and coming very timely, in the tournament that counts the most. The output also was just three points short of the most Teto has ever scored in one game.

Final score was Friona 60, Rockdale 44, as the Squaws roared into the state finals for the second straight year and third time in six years.

The Squaws trailed just once, at 2-0 early in the game. Linda Davis quickly tied the score at 2-all for Friona, and Miss Jennings gave Friona a lead it was never to lose by hitting her first of 13 consecutive free throws.

A jump shot by Davis gave Friona a 6-2 lead, but Rockdale pulled to within a point on free throws, 6-5 halfway through the quarter.

Janet Rushing came in to score five points in the space of two minutes, and an equal number of points by Teto gave

the Squaws a quick 16-8 lead. Rockdale rallied for four points to trail at the quarter's end, 16-12.

Reserve Cindy Ingram scored a basket on a fast break early in the second quarter, and Miss Rushing's two free throws gave Friona its first 10-point lead at 22-12.

The score rocked along at about the same margin, as Teto matched baskets with Rockdale's high scoring Sue Bennett, but a last-second goal by Miss Jennings gave Friona its longest first half lead (13 points). Teto zoomed home a basket after Janet Rushing missed a free throw, one of only four such shots missed by the entire team during the game, just ahead of the halftime buzzer for a 34-21 score.

Miss Jennings, who cracked the 2,000-point mark with a vengeance, lacking only seven points going into the game, scored the team's first five points of the third quarter to give Friona a 15-point edge at 39-24.

After Linda Davis pumped in two baskets, Teto finished the third quarter with her eleventh and twelfth consecutive free throws, giving Friona a 49-30 lead after three quarters.

Teto's 13th free shot gave Friona a 20-point lead at 50-30 as the final quarter started, and at this point she finally missed a shot from the charity line.

However, the Squaw high-scorer made up for it with a field goal, and Davis' jump shot with six minutes left gave Friona its longest lead at 54-30.

Jennings duplicated the 24-point lead a minute later with her two final free throws for a 56-32 score, and then after the team experienced its only scoring "drought" of the game and Rockdale chopped five points off Friona's mounting lead, Teto fired home a set shot from the free throw circle for her 35th points and was removed for a reserve player with a couple of minutes to play.

Teto's final basket left Friona's lead at 21 points, 58-37, and Rockdale used the infiltration of reserves to whittle the lead down to 14 points in the last two minutes, but Cindy Ingram's two free throws in the final seconds brought the final score to 60-44.

Miss Rushing and Miss Davis also reached the double-figures in the scoring column, Janet scoring 11 and Linda Jo 10. The stellar guard trio of Glenda McClellan, Merylene Massie and Shirley Phipps turned in their usual good performance, limiting a usual high-scoring team to only 31 shots and 44 points.

Miss Massie left the game on personal fouls, but there were just 43 seconds left in the contest.

TEN APPEARANCES

Squaws Have Colorful State Tourney History

Participation in state championship tournaments is practically "old hat" with the girls teams from Friona High School.

The current year marked at least the 10th time since 1941 that the local girls have made it to the meet, which is as far as a high school team can advance.

The interscholastic League has been directing state championships for girls at Austin since 1951, but teams from Friona had state tournament experience long before that time.

McKamie League

Prior to the time that the UIL took the girls' sport under its wing, high school girls teams played to a state championship under the auspices of the High School Girls Basketball League of Texas, under the direction of L. C. McKamie. Because of his long-time association with the sport, his organization was often spoken of as the "McKamie League."

Thus, the basketball history of the Friona Squaws is divided into two "eras," that of the McKamie League and that of the Interscholastic League. Friona sent teams to the state tourney six times under the former system, and this year marked the Squaws' fourth appearance in the UIL state championships.

In spite of their consistent success and numerous appearances in state meets, the top prize — the state championship — did not come until last season, at the team's ninth state tournament appearance.

As far as can be determined, the first team to ever gain the state playoffs was the 1940-41 Squaw team, coached by R. L. Bates, who is still a Friona resident. That team took a 26-4 record into the state tourney, which was held at Waco.

After losing its opening round game to Amom, the 1941 Squaw team won two consolation tournament games and then bowed in the consolation finals. Members of the team included Wynell Thompson, who was the leading scorer; Wynona Hill, Jaquelin Wilkinson, Edna Brown, Christine McKamie, Lois Jean McFarland, Betty Mae Massey, Frances Buchanan, Frances Massey, Edna Hill, Mary Lee Todd, Betty Ann Taylor and June Maurer.

War Interrupts

War affects everything, and basketball at FHS was no exception. With the outbreak of World War II, Coach Bates went into the service, and the state tournament was suspended for 1943. However, beginning in 1944, Friona started stringing of five consecutive trips to state meets held at Hillsboro.

Maurice Norman, who had taken over as coach when Bates left for the service, guided the 1944 Squaws to the state tournament with a 32-4 record. The Squaws battled all the way to the finals of the 16-team meet, but fell to Aquilla, a school located in the same county as the state meet, by three points, 23-20.

Team Rebounds

The Squaws' spirits were not broken, and they began the following season a two-year stretch which is unparalleled to the present day at Friona. Despite falling to win the coveted state title, Friona's two-year win-loss record starting with the 1946-47 season was 77-23. However, third in state was the best either team had

to show for its fabulous record, as two of the three losses came at the state tournament.

Win 43 Straight

The 1947 Squaws ran up the most victories for a single season in the school's history, and also set a precedent by winning 43 consecutive games, through all its regular season games unbeaten, taking three tournament crowns.

The team's closest call during the regular season was a 15-14 win over Stanton at a tournament at Roseville. This same team turned out to be the trouble-maker for Friona at the state tournament. Stanton, a rival of Friona, which had advanced to the state meet with three top-sided wins at the district tournament (similar to today's regional meet).

The loss came in the tourney semi-finals, and the Squaws bounced back to take third place in the state.

Leslie Hinds became coach the next year, and with a good returning nucleus from the '47 team, took a Squaw team to Hillsboro with a 33-1 mark. This time the team lost in the tournament quarter-finals and failed to place.

In fairness to the Squaws of yesterday, it might be pointed out that those teams competed on a "no-classification" basis. There was no such thing as divisions such as "B," "A," and "AA." When the team won the district tournament in this area, it had eliminated every other team in West Texas, regardless of class. There was just one state championship in those days — this year there will be four state championship divisions.

Duglins Rebuilds

After several "medicore" seasons, Eaker Duglins became coach of the Squaws, and helped build the sport back to its former level at FHS.

Duglins' teams won district crowns in 1957, 1958 and 1959, but it wasn't until 1960 that the Squaws made it to the state meet once again — their first trip since the UIL-re-organized girls' basketball and moved the championship tourney to Austin.

The 1960 Squaws beat Tulla in a playoff for the district championship, and roared into the state meet on the strength of his district and regional win margins averaging 25 points. The Squaws edged Ector in an overtime in the first round, but dropped a heartbreaker to Bismarck, 66-63 in the finals.

In Record Book

The latter game put Friona in the state record book as the team scoring the highest number of points in a losing cause, and going into this year's meet, the game still held the record for most total points (129) in a girls' state tournament game.

Duglins' teams rolled up 50 wins against nine defeats the next two years, but couldn't win district. They lost out to Tulla, state runner-up, in 1962.

Third In '63

The 1963 season saw the Squaws back on the playoff trail. The team outlasted Tulla, 82-80 in a sudden-death overtime battle at regional, after sporting Post 12 points in their district game and coming from behind for the win.

However, Tero Jennings received a sprained ankle in the Tulla win, and it hampered her play in the state tourney, open-er, which Friona lost, 57-46, to Little Cypress. The team took third place, blasting Conilla, 64-38.

Title At Last

Then last season, the Squaws decided they had played "second fiddle" long enough. Taking a perfect 31-0 record to the state meet, the team realized the entire season's success lay in their final two games.

Mineral Wells, a class AAA school, was the first opponent, and they were handed their comparative ease, 63-49. Then on March 14, 1964, the Squaws outdistanced another AAA-sized school, Clear Creek. In a pressure-packed contest that saw the team claim the long-awaited trophy, final score, by the way, was 50-45.

Jennings Cracks 2,000 Point Mark

Tero Jennings cracked the 2,000-point mark for her varsity career during the state meet, after being in "range" for several games. Illness during the regional meet kept her from reaching it sooner.

Tero may or may not be the first member of the Friona Squaws to score that many points in a career.

Eaker Duglins, coach of the Squaws for nine seasons, has had some fairly prolific scorers in former years. Although complete scoring records on past teams aren't readily available, Duglins figures that Jennie Hand passed the 2,000 mark during her tenure as a Squaw, Jomae, who also played three years as a varsity member, finished up in 1959 and several times during her career scored 40 points in a game. She scored 42 points against Vega here during the 1957-58 season, which may be the individual scoring record for one game. The Squaws scored 84 points that night, and that is believed to be the team's one-game scoring record.

Tero's high individual game was 38 points in a contest last year.

"We figured it was a real bad night when Jennie fell under 20 points," Duglins says. "Another player who played three years and scored a lot of points was Robbie Rodgers."

Other players of earlier teams played as many as four seasons, but scoring in those days wasn't nearly what it is today.

One thing for sure — it takes a lot of baskets to make 2,000 points, and Tero has documented proof of her membership in the club.

Team Compiles Great Record In 25 Years

The Friona Squaws have won their district championship 15 times in the past 25 years, and have surely amassed one of the most consistently successful records in the state for boys or girls.

The team has won at least 30 games six different years, and won 44 in 1946-47.

On two different occasions, the team has won a district title at least four years in a row, and currently the team has a "streak" of three years going. The yearly record, where available since 1941, is as follows:
