

A real "Texas sight" is the only way to describe the domed stadium being constructed in Houston. Only in Texas could such a thing have ever been imagined, much less made a reality.

We visited the stadium while at the Texas Press Association convention the past weekend. We also visited NASA (the manned spacecraft center), but compared to the domed stadium, the space center was plain. After all, we've seen the space program evolve, following each launching as it is televised nationwide. We think that the space program is in pretty good shape, and have come to accept orbits by the astronauts as "everyday occurrences."

But the domed stadium -- we're calling it the "Eighth Wonder of the World."

Where else but in Texas would man conceive the idea of building a stadium large enough for baseball and football with a dome to shut out the rain and air-condition the stadium to combat the heat?

Don't get the wrong idea, though, Houston's domed stadium will not be used only for sporting events. They have plans for making it a year-round center, available for anything which the promoters think will draw a crowd suitable for using the stadium.

For instance, Judge Roy Hofheinz, who has been the "father" of the stadium, states that Houston is making a bid to hold not one but both national political conventions in the stadium in 1968, under one big roof.

And a "big roof" it is. Those of you who have seen Lubbock Municipal Coliseum might picture that structure as being an average orange, cut in half. The Houston stadium, then, might be thought of as being a grapefruit half, housing the orange half with plenty of room to spare. Seats in the huge structure, not unlike the Lubbock coliseum, will all be "good." Every seat, Judge Hofheinz points out, will face the 50-yard line or second base as the case may be.

"Since your seat faces the center of the action, you naturally have the feeling that you have the best seat in the house and everyone else is just a bit off-center," the Houston promoter said.

When completed, the stadium will not only be ideal for football and baseball, but will contain the largest enclosed area for track meets in the world. Also, five basketball games could be played on five individual courts at the same time.

Plans are in the making to move the Houston Fat Stock Show into the domed stadium for its annual exposition. An adjacent building, which will cover eight square city blocks itself, will add to the space for exhibits for such an event, and give both buildings an immense floor space.

The stadium is expected to be used for rodeos. Officials say

(Continued on page 2)

CLOSEST INDIAN. . . Nergis Yargan, right, hoped to find an Indian chieftain with which to smoke her peace pipe when she came here as an exchange student from Turkey. She didn't find any real Indians in Friona, but did have a "Squaw" as

an American sister in Merylene Masse, Merylene, a member of the state champion Friona Squaw basketball team, donned the headress for the picture.

EXCHANGE STUDENT LEAVING

Nergis Discusses Her "Big Texas Surprise"

"My biggest surprise was that there were no Indian chieftains with whom I could smoke a peace pipe," said Nergis Yargan this week, reflecting back on her year's stay in Friona. Nergis, native of Turkey who has made her home with the W.

M. Masse family, is to leave Friona Saturday to begin a month's tour of the United States preparatory to returning home to Turkey. Nicknamed "Gus" by her friends in Friona, Nergis said she has grown to like the small

town atmosphere connected with here American "home." "Everyone in Friona knows you and waves or honks their horn at you. In Istanbul (population about two million), it's unusual when you see anyone you know," Nergis said.

"Gus" said she wanted everyone in Friona to know how much she appreciated their friendliness, and for the many nice things they did for her during her stay here. "It would be hard to go through the year as exchange student without this friendliness and love, especially that shown by my 'family,' the Massies," she remarked.

Nergis said she was anxious to get home, where her older sister Mevce, 22, has married while she was in America. Mevce's husband is in the Turkish Diplomatic Corps, and is an ambassador to Moscow.

When she returns home, Nergis will have three years of "college" to finish, then will enter the University. She says she hopes to get into the diplomatic field herself.

"The exchange program has helped me decide on something of this nature. I will need to

major in three languages, and these will be English, German and Turkish," Gus said.

Miss Yargan indicated that this is a relatively new field for women, but that the fair sex are beginning to take leading parts in the Turkish way of life, including the congress. "I hope to be a good ambassador for Texas when I return," Nergis said, indicating that she would have a world of memories and experiences to take along with her.

She will spend two days in Amarillo as exchange students of the West Texas area congregate. They will visit Palo Duro State Park before they leave June 29 for New York.

The group will travel by bus to New York, where they will spend five days, including a visit to the World's Fair. Another five days will be devoted to visiting in Washington, D. C., where Nergis is looking forward to meeting President Lyndon B. Johnson.

Nergis invited her friends to write to her, and to be sure to visit her if they ever go to Istanbul. Her home address is Cevdet Fasa Ca. 376; Bebek, Istanbul, Turkey.

Friona Pro-Am Draws 84 For Tournament

A total of 84 players participated in a West Texas Pro-Am golf tournament at Friona Monday. The number was down considerably, but fair considering that a number of local players were busy with the wheat harvest.

Dude Kincaid, Clovis Country Club pro, was the low professional in the tourney, with a 68. He captained the winning foursome which included Walter Howell and John Townsend, also

of Clovis, and T. A. Sherley of Friona.

Muleshoe's Russell Harberer was the low amateur in the tourney with a 69. Three teams tied for second place in the tournament. One of the teams was Friona's Paul Hall.

Al Negrete, Clovis, and Kenneth Shields, Littlefield, captured the pro-pro division. Negrete, Cannon Air Force Base professional, and Muleshoe pro Lloyd Carter tied for second place.

town atmosphere connected with here American "home."

Nergis said she was anxious to get home, where her older sister Mevce, 22, has married while she was in America. Mevce's husband is in the Turkish Diplomatic Corps, and is an ambassador to Moscow.

THIRD ANNUAL Men's City Meet Begins Tuesday

The third annual Men's City Golf championship at Friona Country Club is due to start Tuesday, June 30, and continue through July 12.

Vernon Scott, now a resident of Farwell, is defending city champion, and indicates that he will be on hand to defend his title.

The tournament is not restricted to club members. Any golfer in the Friona area or in a town where there is no country club may compete. Entry fee is \$5. Entrants may register at the pro shop or by calling 9321.

The number of flights will be determined by the number of entrants. Pairings in flights will be according to handicap. Match play will be used

throughout the tourney. Matches will not be scheduled on certain days, but players may play off their individual matches anytime it is convenient for each one, so long as the tourney is completed by July 12.

Scott won last year's tournament by defeating John Renner in the finals. Scott took the win with a 1-up decision on the second extra hole, sinking a 43-foot birdie putt. Renner was the tournament's first champion in 1962.

First flight winner last year was Rev. Bill Burton. Second flight champion was Marty Martinez, and third flight champ was O. J. Beene. All will be on hand to defend their titles.

ONE FIRST PLACE

Star Captures Three State Press Awards

The Friona Star won awards in three of the five contest divisions, including the first-place plaque for news pictures. It was announced at the annual Texas Press Association con-

vention in Houston last Saturday. The Star was the "second-winningest" newspaper in its bracket of weekly newspapers published in towns of 2,001-

3,500 population. In addition to being awarded first place in the news pictures category, the Star placed second in the "appearance" division, and third in the news writing division.

It marked the second time in three years for the Star to win the plaque for best news pictures, and third time since 1959.

Big winner in the Star's classification was the Diboll Free Press, which won two first place plaques and three seconds to take the "general excellence" trophy as well. The Star compiled 215 points in all-round judging to finish second in the general excellence division. The Diboll paper racked up 415 points.

Friona's winning entries in the pictures division were three consecutive issues of September 19 and 26 and October 3 of last year. The Diboll newspaper was second in this category.

Placing third behind Friona in the "general excellence" point tabulation was the Morton Tribune, another West Texas newspaper.

It was the first time, at least in recent years, for the Star to win as many as three awards in the statewide contest. Editor Bill Ellis accepted the awards on behalf of the newspaper.

Also attending the convention was Pete Mace, Star advertising and circulation manager. It was held at the Shamrock-Hilton Hotel in Houston.

SUMMER READING

Course Draws Fifty Entrants

A total of 50 youngsters checked books from the Friona Public Library Saturday, June 20. These included pre-school children who will have books read to them, as well as 37 school age children who enrolled in the summer reading program.

School age readers may still enroll any Saturday or Tuesday during the summer from 9 to 11 a. m. at the library. Those who read 12 books by August 29 will receive reading certificates and their names will be given to the school principals.

Thirty books were donated to the library Saturday by Mr. and Mrs. Ernest Anthony and Beverly. Included among the titles were "Atoms for Peace" and "The Good Earth."

Three high school girls are assisting in the library this summer. They are Ann Ayers, Karen Osborn and Christa

Evans. Study Club members serve as volunteer librarians. Names of the 37 who enrolled June 20 for the summer reading club are:

Butch Casey, Iris Stephenson, Holly Stephenson, Beverly Anthony, Ronnie Lynn McLeilan, Lin Hope Mays, David Glenn Fish, Darla Rhodes, Carleen Schlenker, Kathy McLean, David Blackburn.

Also Christine Grant, Kelly Barber, Tracy Barber, Joe Cunningham, Tip Nunn, Jeanine Jarboe, Brenda Blackburn, Tom Barber, Bud Barber, Beth Cranfill, Kyle Shelton, Scot Nelson, Robin Taylor, Kenneth Taylor.

Also Karene Hart, Holly Hart, Nancy Martinez, Beverly Bailey, Larry Sanders, Chris Sanders, Rhonda Rhodes, Steve Carrothers, Bill Carrothers, Cathy Carrothers, Debbie Horton and Alan Zeman.

FOURTH OF JULY

Area Talent Sought For Muleshoe Contest

Talent from the Friona area is being sought again this year to appear in the Annual Fourth of July Celebration in Muleshoe. Singers, dancers, instrumentalists, combos and other groups and entertainers are invited to compete in the big talent contest. First prize in both adult and juvenile divisions will be \$100, with prizes of \$65, \$30, and \$15 going to second, third and fourth place winners.

A Friona combo, consisting of Jobey Claborn, Reggie Hays, Bobby Daniel and Donald Busby won the first place prize in the contest two years ago.

The contest begins at 7 p.m. on the Fourth of July and will be followed by a big fireworks display. Entries are being accepted by Robert Albertson, Manager of Cobb's Department

Store in Muleshoe. No entry fee is being charged. Entries must be received by July 2.

Over 6,000 are expected to attend the free public celebration, which is fast becoming an established institution in the area. Many families come as early as 5 p.m. to spread their picnic supper on the football field and enjoy the musical entertainment which precedes the talent show.

Sponsored by the Chamber of Commerce, the event is a community-wide effort, with many organizations and individuals taking part in the preparations and program.

Frank Ellis, General Chairman, in announcing plans, said, "We want to invite everyone to be with us for an outstanding evening of free, wholesome family entertainment."

CROP Urges Farmers To Share Harvest

As the wheat harvest is brought in, CROP (Christian Overseas Relief Program) asks each farmer to consider giving a portion of that harvest to starving people overseas. The amount that the farmer wishes to give is left to his own conscience, and he merely needs to tell the elevator management how much he wishes to give.

The CROP program is a people-to-people project, with no governmental bureau intervening. What is given here will be distributed by missionaries overseas to those who need it most, with transportation from here to the needy being provided free both by the railroads and the ocean-going vessels.

"Our abundance should be shared," says Rev. Paul Mohr, County CROP chairman, "for there is no clearer meaning than sharing what we have in the Christian Gospel, especially for those to whom much has been given."

A bale an acre, long the goal of cotton producers, was finally achieved nation-wide in 1963 for the first time since production records started to be kept 97 years ago.

Current Comments From . . .

OLTON . . .

Duane Eby of Olton enjoys a rather unique experience these days. He is one of the few people in the nation who remain living in the home in which they were born.

As a matter of fact, he still lives in the first house his father, Wilford Bolten Eby, built when the elder Eby first came to Texas in 1908.

The house has been enlarged and modernized, but the original three-room Eby house remains to this very day.

— OLTON ENTERPRISE

HEREFORD . . .

(We suppose this item will also apply to Friona folk who bought Fandangle tickets.)

Hereford folk who had bought tickets to the rained-out performances of Fandangle at Canyon, will have until July 1 to redeem their tickets. Or they may use the ticket for performance of Fandangle to be given in Albany June 26-27. It was learned here Saturday.

— THE SUNDAY BRAND

MULESHOE . . .

Muleshoe's Annual 4th of July celebration almost floundered this week when it was learned that no lighting would be available at the football stadium where the event was to be held.

Lighting and poles at the field had been removed early this week as part of the school system's Summer remodeling and improvement plans, which include an entire new lighting system for the football field.

However, the event was rescued through the prompt action and generosity of Neil Dillman, superintendent of schools and Southwestern Public Service, which are discussing ways and means of providing temporary lighting for the event.

PERRYTON . . .

(The Sunday Herald re-printed the following article from the "Utah Publisher." We re-reprint it her for the special benefit of our advertisers.)

"Nothing is as dead as yesterday's newspaper." That old adage is not true. It never was true. But because it sounds cute and has a twist, it has lived through the years. In truth, nothing is as alive as yesterday's newspaper to someone who hasn't read it. The newspaper does not enter or leave the home with the speed of light. It hangs around until every member of the family reads it. Sometimes for days. Watch that newspaper in your home. Notice that everytime anyone picks it up the newspaper is new. Another thing, the whole family doesn't need to be present at any one time to enjoy their newspaper.

The newspaper reports to each member of the family individually. Each time one of them picks up the newspaper to read it, it is fresh, new and interesting to them.

If you don't agree with statements carried in your newspaper you can present your views. All it takes, at most, is a signed "letter to the editor." The events and happenings in your town and area are duly reported, printed and preserved for posterity in your newspaper. Nothing is more alive than any newspaper that is waiting to be read.

You make no date with your newspaper. It stays alive for days - or weeks. It is alive until you find time to read it. - Utah Publisher.

— THE SUNDAY HERALD

WILLAMINA, ORE., TIMES: "The federal government of this great country maintains academies for training young men for Army, Navy, Air Force and Coast Guard. How about one to train Diplomats? That is the field in which we always seem to lose most battles."

RANDOM LAKE, WISC., TIMES: "They found 40 microphones in the U. S. Embassy in Moscow. We knew that our statesmen talked a lot but we didn't know that they needed that extensive an electronic network to pick up all the loose talk. Wonder if they caught any sweet talk between the secretaries and their bosses? Probably not. No American abroad would do anything naughty, would they?"

Star Lites--

(Continued from page 1)

they will be able to take the grass "up" and haul in dirt for rodeo performances.

When Hofheinz was asked how this would work, he answered "The grass will be simply rolled up much as florists' imitation grass is. It will be wet down, so that it will continue to grow when put back in a week or two."

If you think that statement sounds fantastic, you should have heard some of the others. For instance, the stadium's scoreboard will be 71 feet high, 360 feet long, and will cost \$2 million.

From the description, the scoreboard itself will be worth the price of admission when the stadium is completed.

Our main disappointment in the manned space center was that the program planners didn't allow much time at that installation.

We no sooner started our tour of the center than it was time for us to move on to another stop.

We had a chance to see the Gulf Coast for the first time, had a glimpse at the San Jacinto Memorial and Battleship Texas.

All in all, we had a very enjoyable trip, and would certainly recommend the Houston area as a spot for vacationers. It was our first visit to the area, and we think all Texans should make an attempt to see more of their state.

That way, they will be better equipped to brag about Texas to outsiders.

Watson--

from Florida State University at Tallahassee at recent graduation ceremonies.

He majored in nuclear physics and holds a Bachelor of Science degree from New Mexico University at Albuquerque. He plans to remain at the Florida university, where he is employed as a research associate. He is a member of Sigma Pi Sigma, physics honor society national fraternity.

Watson's mother is the former Dorothy Crawford.

Patterson Requests Pheasant Protection

Jack Patterson, president of the Parmer County Game Management Association, urged county wheat farmers this week not to burn their wheat stubble, at the risk of killing the county's new pheasant crop.

"I saw two broods of pheasants while cutting my wheat. They were just big enough to get out of the way of the combine, but would not survive a wheat stubble fire," Patterson ventured.

The county game management president pointed out that the survival of these new birds was a vital element in the pheasant stocking program. He said that apparently there were some good-sized broods from the spring hatchings.

"I couldn't see them all, but the two broods I saw had somewhere from 10 to 15 babies."

Patterson said, "Of course, burning wheat stubble is not a good practice anyway, and may be this will discourage some who might otherwise burn their stubble," he added.

Some 1900 pheasants were turned loose in Parmer county last fall, purchased by the farmers and ranchers of the area. About 270 were released the previous fall, and many game enthusiasts have been releasing the birds for some time.

If this has ever happened to you you know about The Big Difference in insurance

You know—because one of two things automatically happened to you:

1. If you bought your insurance from a one-company agent...

You may have had a terrible feeling in the pit of your stomach when you realized you were without help, at a time when you needed help most.

2. If you bought your insurance through an independent insurance agent...

You knew you had a friend nearby you could call on for help. If you had a claim—or there was a lawsuit against you—an independent agent was right at your side to help. You had The Big Difference in insurance—the continuing, personal attention of an independent agent.

We are independent insurance agents, professionally qualified, and ready to give you The Big Difference in insurance. Call us any time. Look for this seal.

WEDDING PLANNED . . . Paula Sue Moore, daughter of Mrs. Carlton F. Moore, 213 Ranger Drive, Hereford, has chosen August 14 for her marriage to Jim Roy Daniel, son of Mr. and Mrs. Roy P. Daniel of the Lazbuddie community. The couple will repeat wedding vows in the home of the bride's mother and will live in the Lazbuddie community.

Of Interest To THE WOMEN

Bridal Shower Fetes Mrs. Dale Cunningham

A miscellaneous shower in the home of Mrs. Oscar Baxter from 2 to 4 p.m. Tuesday was a courtesy for Mrs. Dale Cunningham, who was Barbara Bracken before her recent marriage.

The serving table was covered with a white cloth and centered with a blue and white floral arrangement. Refreshments of cookies and punch were served. Guests were registered by Becky Ball.

Hostesses were Mesdames E. M. Jack, A. H. Hadley, Jerald Dickey, Oscar Baxter, James Pope, Lester Dean, Clarence Martin, Calvin Martin, Donn Tims and Leo Ball.

Those attending and sending gifts were Mesdames Grace Hart, Charles L. Mercer, Dennis King, C. H. Horner, Walter Cunningham, Gene Bracken, James W. Cunningham, Joe Douglas, Mike Ellis, E. L. Thomas, Geraldine Reed, B. J. Kemp, A. O. Drake and J. W. Southward.

Also Mesdames C. L. Bracken, Ron Smiley, Leonard Pope, Ed Walters, J. E. Cunningham, Frank Spring, Neal Fulks, J. W. Baxter, Carroll Bennett, Bud Elmore, Buck Fallwell, W. J. Nazworth, Charles Love, Howard Love, L. V. Hogue and George Jones.

Also Mesdames Wayne Jones, Fred White, Paul Daniel, Alta Wyly, Jim Gunn, Bill Taylor,

M. L. Howard, J. L. Taylor, Jack Nelson, Bill Flippin, Orville Houser, Boyd Pipes, Windle Sikes, Bob Wyly, D. G. McClellan, Don Stubbs, Jim Baxter, T. E. Blackburn and Loyd Chesler.

Also Mesdames Russel O'Brian, C. M. Phipps, Valton Howard, Bertram Jack, Richard Perkins, C. W. Perkins, J. L. Witten, Troy Young, Burke Hand, Kenneth O'Brian, Dwight O'Brian, Charles Allen, Ralph McFroom, W. E. Cumpston, Tom O'Brian, Roy O'Brian, Tom Ma-

son and T. L. Houston. Also Mesdames Paul Strickland, W. H. Evans, Lee Campbell, Floyd Brookfield, C. E. Phillips, J. R. Nazworth, Jim Greeson, Newell Harper, Don Powell, Tom Carroll, Roy Estep, Joe Johnson and C. W. Bracken.

Also Janice Cunningham, Lou Christian, Gay Wyly, Lola Goodwine, Janell Daniel, Patsy Bender, Janie Horner, Donna Fulks, Linda Besty, Kay McBroom and Christa Evans.

Chairmen Named During WSCS General Session

Twenty-nine members of Woman's Society of Christian Service of Friona Methodist Church were present for a general meeting in Fellowship Hall of the church Wednesday.

The meeting began with a siad luncheon at which members of the Ruth Circle were hostesses.

During the business session Mrs. Andy Hurst Jr. submitted names of circle chairmen chosen by the nominating committee for the coming year. The following chairmen were accepted by the organization: Mrs. Russel O'Brian, Maggie

Hamlin; Mrs. Jerry London, Kolvwv; Mrs. H. R. Cocanougher, Mekke; and Mrs. Bill Buchanan, Ruth.

A report on plans for a school of missions to be conducted at St. John's Methodist Church in Lubbock July 27-31 was made by Mrs. James Boyle, missions chairman.

Following reading of two poems, "Now" and "If I Had Time" by Mrs. Fay Reeve, the meeting was closed by prayer.

"Nothing gives a man more leisure than being on time for appointments."

PLANS ANNOUNCED . . . Mr. and Mrs. James Bailey, Friona, have announced the engagement and approaching marriage of their daughter, Cathy, to Cary Lee Jackson, son of Mr. and Mrs. Fred Jackson, also of Friona. The couple will be married at 6 p. m., Saturday, July 25, in First Baptist Church. Invitations are not being mailed locally, but friends of the couple are invited to attend the ceremony.

Fifty Four Attend Hadley Family Meet

Fifty-four members of the Hadley family met at Hub Community Center at noon Sunday to honor F. H. Hadley, who observed his 95th birthday last October. This meeting, which begins with a basket dinner, is an annual affair.

Out-of-town residents present were R. H. Hadley, Childress; Mr. and Mrs. Aubrey Cannon, Ronnie and Lynn Ray and Mr. and Mrs. Tex Paris, Lubbock; Mr. and Mrs. L. D. Cannon and Mr. and Mrs. Marvin Gaddy and Donny, Muleshoe.

Also Mr. and Mrs. Roy Hadley and daughters, Oklahoma Lane, and Mr. and Mrs. Windle Sikes and Ralph, Bovina.

Local persons attending were Carl Hadley, Mr. and Mrs. A. H. Hadley, Mr. and Mrs. Gible Tribb, Mr. and Mrs. Albert Cannon and children, Mary Dickey and Debbie, Mr. and Mrs. James Pope and sons, Mr. and Mrs. Donn Tims and sons, Mr. and Mrs. Harold Ball and Jeanette and Mr. and Mrs. Leo Ball, Becky and Kenny, all of Friona.

James Gee Makes ENMU Honor Roll

A dean's honors list of 472 students has been announced for the recent spring semester at Eastern New Mexico University by Dr. Gail Shannon, dean of academic affairs.

Heading the list are 46 students with a 4.0 or straight "A" average. The top-ranking students include 23 seniors, including James Gee, 12 juniors,

seven sophomores, and four freshmen.

Honor students must also be enrolled for credit in 12 or more semester hours of study.

Gee, who is a 1960 graduate of Friona High School, is the son of Mr. and Mrs. Harrison Gee. He maintained a 3.0 grade point.

Hospital Notes

Admissions June 17 through 23: Carl B. Eddins, Jr., Friona; Malinda Schlenker, Friona; A. E. Redwine, Muleshoe; Frank Dobson, Hereford; Martha Estes, Hereford; Mrs. Amella Davis, Muleshoe; Troy Crutchfield, Friona; Gene H. Hall, Bovina; Kelly Joyce Killough, Bovina; Johnny Brawdy, Friona; Baby Girl Davis, Friona; T. W. Bewley, Friona; Rondee Steven Clark, Friona; Grace Jones, Farwell; Santiago Moreno, Friona; Guadalupe Moreno, Friona; Lorri Euler, Friona; Janice Baxter, Friona; Tim Rhodes, Friona; Johnny Garza, Friona; Kenneth Dean Stowers, Friona; Arthur Hasseloff, Farwell; Carroll Dwan Foster, Bovina; Carl B. Eddins, Friona; Connie Pat O'Brien, Bovina; Tim Mercer, Friona; Robert H. Schueler, Friona.

Initial Meeting Attendance Good

Seventeen young homemakers were present for the initial meeting of the Friona chapter of Young Homemakers of Texas in the home economics department of Friona High School Tuesday afternoon.

Mrs. David Brumley, Area 1 president, from Hereford explained purposes and opportunities offered in the organization. Mrs. Larry Dobbs, also of Hereford, outlined the planned program of work.

The meeting was called by Mrs. David Eddington. The chapter will be sponsored by

Friona homemaking teachers and all meetings will be in the homemaking department.

Local FHA girls serving as baby sitters for small children present were Lyda Buske, Susie Carmichael, Martha Martin, Glenda Mingus, Lou Cochran and Gay Wyly.

Those attending the meeting were Mesdames Bill Spencer, Don Spring, Glendel Jones, Jim Roy Clements, Richard Adkins, Leonard Johnson, Larry Moyer, Leon Massey, Bill Brandt, Velden Carroll, Joel Landrum, Charles Hough, Lewis Gore, Jerry London, Keith Brock, W. D. Buske and Eddington.

Membership in the organization is open to all homemakers in the area between the ages of 18 and 36. Older women may be members but will not be eligible to be voting delegates.

For more information interested persons are asked to contact Mrs. David Eddington.

Visitors In Watson Home

Mrs. Don Hunt and children, Lynn, Lea and Greg, of Groom are guests in the home of Mr. and Mrs. J. M. Watson this week. Mrs. Hunt is the former Macie Kathryn Watson.

Clyde Watson of Belton has also been a guest in the Watson home.

Baby Girl Joins Williams Family

Shell Dale is the name Mr. and Mrs. Dale Williams chose for their baby daughter born to them at 6:55 a.m. Friday, June 12, in Farmer County Community Hospital. She weighed 6 lbs. 7 ozs. and is the second daughter for the couple.

Grandparents are Mr. and Mrs. Glen Williams, Friona; Mrs. Ken Jones, Huntington Beach, Calif.; and Burke Inman, Hereford. Great-grandmothers are Mrs. Dora Inman, Hereford, and Mrs. E. E. Head, Amarillo.

Shell has an older sister, Tammy, 5.

Seven Frionans Attend Rainbow Assembly

Seven Frionans attended the 41st session of Grand Assembly of Texas Order of Rainbow for Girls at San Antonio last week. They went by chartered bus with a delegation from Hereford Saturday.

Those from Friona making the trip were Mervlene Massie, Kay Coffey, Mrs. A. H. Boatman, Faye Southward, Claude Miller and Mrs. Lillian McLellan.

Miss Coffey was in the grand choir and attended rehearsal Sunday afternoon and Monday morning. The other Frionans toured Brackenridge Park.

Opening session of the assembly began at 8 p.m. Monday in the City Auditorium. Miss Massie and Miss Coffey took their grand cross of color vows, which is the highest degree earned by a Rainbow girl.

During the assembly all mother advisors and past mother advisors were presented. Registration included 2819 Rainbow girls, 760 Eastern Stars and 410 masons. Two hundred twenty assemblies were represented.

A report was made that this group of girls had assisted in collecting 344,460 wornhose for making pillows for cancer patients. The hose are washed and tied in bundles of ten.

Miss Massie received a grand appointment on the credentials committee.

The group returned to Friona Thursday morning.

Mrs. Anderson Has Visitors

Visiting in the home of Mrs. Rosa Anderson the past Sunday were Mrs. Anne Houlette and daughter Joyce and Mr. and Mrs. Wilbur Moore, all of Dumas; Mr. and Mrs. Britt Terry and son of Amarillo; Mrs. Fleta Terry and son of Amarillo; Rachel Pearce, Miami, Ariz. Also present were John and Ross Terry and families of Friona.

Two Frionans Listed On Dean's Honor Roll

Two persons from Friona are among the 86 undergraduate students listed on the spring semester honor roll at West Texas State University. They are Donna Blackburn Smith and Roma Kay Struve.

The honor list is composed of students compiling at least a 2.50 grade point average of a possible 3.00, and enrolled for a full load of at least 15 semester hours work.

Mrs. Smith, daughter of Mr. and Mrs. Claude Blackburn, re-

ceived her B. S. degree in May from WTSU, where she majored in elementary education. She is a 1961 graduate of Friona High School and will teach at South Georgia Elementary School in Amarillo this fall.

A senior English major, Miss Struve is the daughter of Mr. and Mrs. Steve L. Struve, 1215 White Avenue. She transferred to WTSU from Abilene Christian College in 1963. She is also a 1961 graduate of Friona High School.

In And Around Friona

With June Floyd

Any Friona resident who hasn't driven, or ridden a bicycle around over town, to view new homes under construction, should do so. It seems that they almost sprout overnight. The Earl Drakes will soon be moving into theirs, which is near their present home in the Drake addition.

Others in that neighborhood belong to John and Louise Hays, the James Whites and Elvin Wilsons. All of these should be ready for occupancy before summer is over.

Chilly and Fern Sanders and sons have moved into a very attractive new home in the northwest part of town after having lived in the Rhea Community several years.

Apparently High School Principal Raymond Cook has decided

to reduce his daily driving mileage, or maybe he intends to walk to school after he moves to town. At any rate the Cook's new home will be only three or four blocks from the new building when both of them are completed.

More bicyclists are up and down the streets each day and I learned through the grapevine that Frionans aren't the only Farmer County residents who are riding bicycles.

Christine Johnson, Ila Daniel and Melba Burleson are some residents of Hub who have taken up this fine outdoor sport. Perhaps the Maize Days committee in charge of the annual parade should keep this increased interest in bicycle riding.

There might be a bicycle ride parade, race or something included in the plans this fall.

Metze Days isn't as far away as most of us think. Real soon now there will be committee meetings and chairmen will be named. Any of these chairmen will welcome suggestions and assistance from anyone interested in the future of Friona.

It has been cherry picking time in our area recently. Many persons have eaten pies, jelly and jam made from freshly picked cherries and have preserved cherries for future use.

The ones we are enjoying came from a tree in Mrs. C. W. Wright's backyard. Just across the fence in the Joe Moyer backyard there were trees that were loaded. Some large trees on the north side of the Frank Griffith home were also loaded.

For a number of years Joyce Houlette always served as Goldie's "right hand cherry picker," so when the Houlette family moved to Dumas the Griffiths thought they were losing some good help. Don't think this has been the case, though. Somehow Joyce always man-

ages to make it back to Friona about the time Goldie needs help to pick cherries.

High school students and other adults will have an opportunity to learn typing and shorthand this summer. J. L. Witten, a qualified business teacher, will begin classes in these two subjects next week.

This is an opportunity many persons will want to take advantage of. Even though the courses will not count for high school credit, students can learn the two skills, which will be beneficial to them.

For more details, read an ad in this week's Star.

Early this week young Trip Horton accompanied his dad, Hollis, to the Star office. Hollis made a small purchase and paid for the merchandise with a one dollar bill. At the time the Star's cash drawer had only nickels and pennies in it.

Hollis walked away to visit in the job shop and left Trip to pick up the change, which amounted to eighty cents.

As I counted the change, I asked this question: "Do you know how many nickels it takes to make eighty cents?"

In a very polite manner, Trip answered my question by asking me, "Don't you know?"

If you can't be thankful for what you receive, be thankful for what you escape.

Two Receive Certificates

A certificate of perfection was presented to Mrs. Charlie Wise by Lodge Deputy Mrs. Floyd Brookfield at the Monday evening meeting of Friona Rebekah Lodge at Odd-fellows Hall.

District IV Deputy Mrs. Bud Reed then presented Mrs. Brookfield a certificate of perfection.

During the business session reports were made that Mrs. Roy Slagle is still hospitalized and that C. B. Eddins Jr. is recuperating at home. Reports were also made of 11 sick visits being made and 14 cards being sent.

Mrs. Charlie Wise served iced tea and apple crunch to 18 members.

A man may fall many times. But he won't be a failure until he says somebody pushed him.

Plans Made For Family Picnic

During a business session, presided over by Mrs. Norbert Schueler, vice-president, at the Monday evening meeting of Rhea Home Demonstration Club in the home of Mrs. Shirley Smith, plans were made for a Fourth of July picnic at Parish Hall. A fireworks display will follow the picnic.

A decision was also made to decorate a window in a Friona place of business during the Maize Days celebration this fall. Mrs. Cordie Potts was elected council delegate to replace Mrs. Bill Brandt, who recently resigned.

Mrs. Clyde Tims directed a program on proper methods of home canning.

During the social hour re-

freshments were served to two visitors, Sandra Patterson and Mrs. Jesse Sisco, and the following members: Mesdames Norbert Schueler, Norman Taylor, Elmo Dean, Jim Dixon, Cordie Potts, Chris Drager, Herbert Schueler, Walter Schueler, Jack Patterson, Floyd Schlenker, Franklin Baurer and Dwyane Ridley.

Ye therefore shall be perfect, as your heavenly Father is perfect.—(Matt. 5:28).

We should replace memories of past mistakes with supreme desires to be what God wants all of us to be—God's perfect children.

FOSTER'S DRY GOODS

Friona

WELCOME TO FRIONA

Gaylord and Theresa Maurer have recently returned to Friona after living in Pittsburgh, Pa. where Gaylord has been employed by the Hines Food Company. Gaylord is a past resident of Friona, the son of Mr. and Mrs. Carl Maurer. He will be working with his dad at Maurer Machinery. The couple's only daughter seems quite pleased with her new home.

Now - a hospital and surgical expense policy that covers existing conditions after policy in force six months

ISSUED TO MEN, WOMEN AND CHILDREN FROM AGES 1 DAY TO 100 YEARS

When this policy has been in force six months, it will cover any existing disease or injury stated by you in your application, regardless of the date such disease or injury originated.

Cancer, tuberculosis, diabetes, any disease of heart or circulatory system, hernia or rupture of any type, will be covered only after policy has been in force for six months and then only if such disease originates more than 15 days after policy date, unless such disease or condition is stated as existing conditions in the application.

Guaranteed Renewable for Life

The Company cannot ever cancel your policy (except for non-payment of premiums) or place any restrictive riders or endorsements on it, regardless of any changes in your physical condition or number of claims you might have. Premiums may be adjusted but only if such adjustment applies to all policies in force of the same form.

Surgical Fees, \$5 to \$250

Covers operations due to sickness or accidents, according to fee schedule in the policy. Comparable benefits paid for operations not listed.

Hospital Benefits, \$30 to \$350

Benefits for hospital room and other expenses paid according to the following schedule, regardless of what your actual expenses might be.

Days in Hospital	Amount Payable	Hospital Days in	Amount Payable
1	\$ 30.00	16	\$210.00
2	40.00	17	220.00
3	60.00	18	230.00
4	70.00	19	240.00
5	80.00	20	250.00
6	100.00	21	260.00
7	110.00	22	270.00
8	120.00	23	280.00
9	140.00	24	290.00
10	150.00	25	300.00
11	160.00	26	310.00
12	170.00	27	320.00
13	180.00	28	330.00
14	190.00	29	340.00
15	200.00	30	350.00

Don't Be In The Dark . . . About The Many Benefits of Your Credit Union

- A DEMOCRATIC ORGANIZATION run by the people you elect to your Board of Directors.
- PROFITS are returned to you because you are part-owner when you have shares on deposit.
- PERSONAL ATTENTION given to you because you are dealing with your fellow members.
- INSURANCE BENEFITS (if you are insurable) for your family in the event something happens to you. In most cases, your designated survivor will receive double the amount of your shares (up to \$2,000) and any existing loan will be automatically paid off.
- JOINT ACCOUNTS provide accessibility for your family. And, you can have more than one share account. In fact, each member of your family can have an account with you as a joint owner.
- LOW INTEREST RATES when you borrow money. You will never pay more than 1% per month on your unpaid loan balance.
- BIG DIVIDENDS on your deposited shares. You get a big return on the money you have invested in your credit union. The Board of Directors declared a 4 1/2% dividend on your investment for 1963.
- Every One Within A 22 Mile Radius of Friona Post Office is eligible for membership.

Two Teams Deadlock For Pony League Lead

Friona Motors and Hub Grain took over the leadership of the Pony League by tripping Herring Implement, 3-2 in a game at Reeve Field Tuesday.

The loss dropped Herring from a tie for the league leadership. Bobby Jordan pitched a four-hitter for Friona Motors. The winning runs were scored in the fifth, helped by two bases on balls and an error.

Sherley Grain of Bovina took its first win of the season Tuesday, topping Farmer County Implement, 11-2 in a game at Bovina. Two Bovina pitchers limited Farmer County Implement to three hits while Rex Cumpton of the winners socked out two home runs.

In a game last Saturday, Hub Grain scored a 12-5 win over Sherley Grain at Bovina. Johnny Barker was the winning pitcher. Hub Grain jumped off to three runs in the first on doubles by Jimmy Grimsley and Brian Jamison and a single by Mike Smith. Barker scattered four hits for the win.

In other action during the week, Hub Grain jumped on Farmer County Implement for its first win of the season, a 21-7 scoring duel. Grimsley led the attack with four hits for the winners. Mike Dukes was the winning pitcher.

Ethridge-Spring Takes Pair In Pee-Wee Games

Ethridge-Spring took the early lead in the Pee-Wee League with two opening victories, 16-4 over Batnum Butane and 19-8 over the B-J Bees.

Mickey Morris was the winning pitcher in the league's season opener, and James Sims won the team's second encounter on Tuesday.

The B-J Bees meet Batnum Butane in a Friday game in league play.

McCaslin Takes Lead In Intermediate Loop

McCaslin Lumber Company took over the lead in Friona's Intermediate League this week, with a pair of victories, and reign as the only unbeaten team left in the league.

McCaslin took a 13-5 win over Friona Drilling on Thursday, then stopped Friona State Bank, 10-5 Monday. The loss was the first of the year for the Bankers, who dropped to second. Reeve Chevrolet, which had enjoyed a share of the league lead after a week, dropped two games.

The McCaslin team backed David McFarland's five-hit pitching with 12 hits of their own, including three each by McFarland and Billy Ross Procter. Brookfield Drilling topped the

Bank on Friday, 16-5, as Gary Pope pitched a three-hitter. Bobby Thomas had three hits for the winners.

Friona State Bank won their second game of the year with

a 14-2 decision of Friona Star-Hurst Department Store. Rick Jennings was the winning pitcher. Grant Dukes had two hits for the Bank.

Friona Drilling handed Reeve

Chevrolet its second loss of the year, a 15-3 setback on Monday. Gary Crump aided the drillers' cause with four hits, including a home run.

(Continued on page 8)

Baize Hurls No-Hitter For Friona Legion '9'

S. D. Baize pitched a no-hitter Monday as Friona evened its season record to 2-2 in the District 18 (South) American Legion battles with a 15-1 win over Dimmitt at Reeve Field.

Baize also was a leader in the hitting attack, slamming out a home run, a triple and a double in three official trips. Gene Weatherly added two home runs and a double to the 15-hit Friona attack.

Friona struck for six runs in the first inning, as the Dimmitt pitcher failed to retire a man until Friona's first six batters had scored.

Eldon Long singled, Duane Reed doubled, Danny Baize reached base on an error. S. D. Baize walked, Gary Renner

tripled and Weatherly homered before Dimmitt could get an out.

Friona added three more runs in the second, one in the fourth, four in the fifth and one in the sixth.

Baize lost his shutout in the seventh when he hit a batter, walked another, and one scored on a throwing error. Otherwise, he was in complete control, striking out 19 batters of the 21 possible in seven innings. He struck out the side in the first, third, fourth, fifth and sixth innings. Dimmitt had one other base runner in the fourth when the leadoff man walked. However, Baize settled down to strike out the next three batters.

Last Saturday, Friona dropped a 21-10 scoring duel to

Friona To Be Host For Golfers

A summer luncheon was served to 24 members and guests of the Friona Women's County Club Association Thursday, June 18.

Guests attending were Mrs. Claude Osborn, Mrs. J. T. Gee, Mrs. Noyle Wood, Mrs. Kenneth Watkins, Mrs. James Brown, Mrs. Shirley Graves,

Mrs. Elvie Jennings, Mrs. C. W. Tannahill and Mrs. Van Nichols.

Committees for the ensuing year were announced and amendments to the constitution were read. These will be voted on at the next meeting, a luncheon meeting July 16.

Plans were formulated for the

Hi-Plains Golf Association's Ladies Play Day, which Friona Country Club will host July 8. A luncheon will be served that day.

The ladies association also served the noon meal during the pro-am golf tournament here Monday.

"We bought a dryer instead of a clothes line!"

says Mrs. William A. Conley,

2723 68th ST.
LUBBOCK, TEXAS

Working as an interior decorator and caring for her one year old son, Mark Wayne, are two reasons why Mrs. Conley enjoys the convenience and economy of an electric clothes dryer. Night or day, rain or shine, it's always perfect weather for drying the family wash with a modern, electric clothes dryer.

WATCH AND WIN

Visit your electric appliance dealer this week and ask for a demonstration of a modern electric clothes dryer. If you're 21 or married and live in the area served by Southwestern Public Service Company, you may win the dryer you've seen demonstrated.

Church Women Meet Friday

Rev. Russell McAnally, pastor of Friona Methodist Church, will be the speaker at the Friday afternoon meeting of Inter-denominational Church Women at the Assembly of God Church.

Music will be presented by members of the Assembly of God Church, Calvary Baptist Church will present the devotion. The First Baptist Church will direct the opening prayer and the closing prayer will be directed by Union Congregational Church.

Mrs. O. F. Lange, spokesman for the group, invites all women of Friona and the surrounding area to attend the meeting.

McCaslin--

(Continued from page 7)

McCaslin kept its record spotless with a 10-5 decision over Reeve Monday. Isador Cordova was the winning pitcher, and also had three-for-three at the plate, two home runs and a single.

DELEGATES . . . Parmer County delegates to the Girl's State convention stopped by the Friona Star before departing last Tuesday. Donna Dunn, left, is representing Farwell High School. Jeanne Taylor, standing is the Friona High School representative.

Typing, Shorthand Courses Offered

J. L. Witten, grade school instructor, is offering a typing and shorthand course for high school students and adults of six weeks duration. Registration will be held Friday, June 26 from 7 to 8 p.m. at Friona High School. Tuition of \$25 will be charged for either typing or shorthand, or both courses for \$45. Classes will meet Monday through Friday. Shorthand classes will be from 6 to 7:30 p.m. and typing will be from 7:30 to 9 p.m. Instruction will begin June 29.

Classes Meet Monday Through Friday For A Period of Six Weeks, Shorthand Classes Meet From 6-7:30 p.m., Typing Classes From 7:30-9:00 Instruction Begins June 29th

J.L. Witten Instructor

come to church Sunday

"Live life, then, with a due sense of responsibility, not as men who do not know the meaning and purpose of life, but as those who do. Make the best use of your time, despite all the difficulties of these days."

There is no instruction anywhere of greater importance. Make the best use of your time--despite all the difficulties of these days. We are a people of excuses--The great harm of all this, however, is that we have started believing our excuses are reasons. Someone says in a letter--"hasn't been too busy to write." Someone else says, "the days in which we live are too short--not enough time. I would help you but there is my club, my lodge, my farm--my school--my work--my children--my church, and on and on and on."

Life is filled with so many things. But, this is what Paul is saying to us--"Make the best use of your time despite the difficulties of these days." Time, chance, environment, and society is accused of making criminals and bums out of people. We need to remember that the same society, time, chance, and environment is producing giants in every walk of life. Paul says that there can be no excuses--We are to do our best despite all these things. Sometimes we hear, "Why did this happen to me in life?" These things do not happen to us in life, they are a part of life, and most of us are what we are because of our difficulties, and not from the good things that have happened to us. "Make the best use of your time."

Bainum Assigned To Overseas Duty

Captain Charles W. Bainum, son of Mr. and Mrs. Charles S. Bainum of Friona, Tex., has arrived for duty with a U. S. Air Force in Europe (USAFE) unit at Wethersfield RAF Station, England.

A graduate of Friona High School, he received his B.S. degree from East Texas State College. He was commissioned in the Air Force in 1954 upon completion of the Reserve Officer Training Corps program at East Texas State.

Captain Bainum's wife, Ruby, is the daughter of Mr. and Mrs. James L. Shaffer of Friona. Mrs. Bainum and the couple's three children are with the captain in England.

4-H Girls Are Ready For Dress Contest

Third year girls of the Lazbuddie joint 4-H Club have been making simple dresses. The problems for the girls in this year's course were darts, facings and joining the skirts and bodices together.

The girls have also learned to make belts for their dresses. Those attending the workshop in the home of their leader Mrs. Harvey Blackstone are Patcine Broyles, Christie Ivy, Cathy Coker, Charlotte Davis, and Ann Blackstone.

The girls are planning to enter their dresses in the county dress revue which will be July 16 in the Oklahoma Lane Community Center.

Herald White In Desert Drill

Herald G. White, journalist first class, USN, son of Mr. and Mrs. H. G. White of Friona, is participating in the deployment phase of "Operation Desert Strike" with Air Transport Squadron Seven in the Mojave Desert.

The squadron will help transport 13,000 combat troops to the simulated battle area. The operation is the largest joint military maneuver conducted since 1955 and will involve approximately 100,000 men.

The squadron flies the Hercules prop-jet transport aircraft.

Mailbag

(Editor's note: Kay Burlison of Friona was in the finals of the "Miss Wool of Texas" contest the past week. The contest was won by a girl from Sterling City. In the following letter, Miss Burlison tells some of her impressions of the event.)

Dear Editor:

Once again I thank Friona residents for their telegrams of good wishes, and will share a little of the pageant with you if I may.

Every girl in the finals was a winner. The Chamber of Commerce of Odessa rolled out the red carpet for us. It would be impossible to enumerate all the things they had planned for us. Their hospitality was just wonderful.

In fact, I believe indications were Saturday, due to the success of the pageant, that it would be staged in Odessa again in 1965.

The girls who won besides being lovely were reared on ranches, and I'm sure their enthusiasm for wool was naturally greater than some of ours, because it's their bread and butter.

The fashions for this fall were modeled by the girls in the pageant. Forty-six fashion firms and manufacturers of Texas and six accessory firms furnished the clothes, hats and accessories for the pageant. The fashions for fall are beautiful and the colors are exciting.

Look to see wool drapes in some of the beautiful homes in Friona. The wool industry has some wonderful plans in the making for wool.

Nova O'Brien of the fashion firm of "Miss O'Brien" took the measurements of each girl in the pageant and made each an evening dress. They are mostly hand-made and I was told they retail from \$125 up.

Many of the firm names I recognized as name brands in our stores in Friona, so watch for the fall fashions. They are really beautiful.

Kay Burlison

Ramos Rites Held Sunday

Funeral services for Mrs. Alejos Ramos, 54, were conducted Sunday at Friona Cemetery. A resident of Friona nine years, Mrs. Ramos came here from Sinton.

She is survived by her husband, a resident of the Black community, four sons, four daughters and 17 grandchildren. Rev. Claver Giblin, Bovina, officiated at the funeral services. Burial was under the direction of Claborn Funeral Home.

Katie Blackstone Is Junior Club Leader

Katie Blackstone, 16-year-old daughter of Mr. and Mrs. Harvey Blackstone, is junior leader for the Lazbuddie joint 4-H Club.

Miss Blackstone is helping first-year club members with their projects.

A 4-H member for the past seven years, Miss Blackstone was named Farmer County's

"Gold Star" 4-H Club member (girl's division) in 1962. She has won second and third place awards through Necchi Sewing Machine contests as a

member of the Lazbuddie High School Home-Economics chapter.

Miss Blackstone will be a senior at Lazbuddie High School this fall.

Houston Reports

E/4 Jerry Don Houston left early last week to report for duty at Davis Field in Rhode Island after spending four weeks visiting with his parents, Mr.

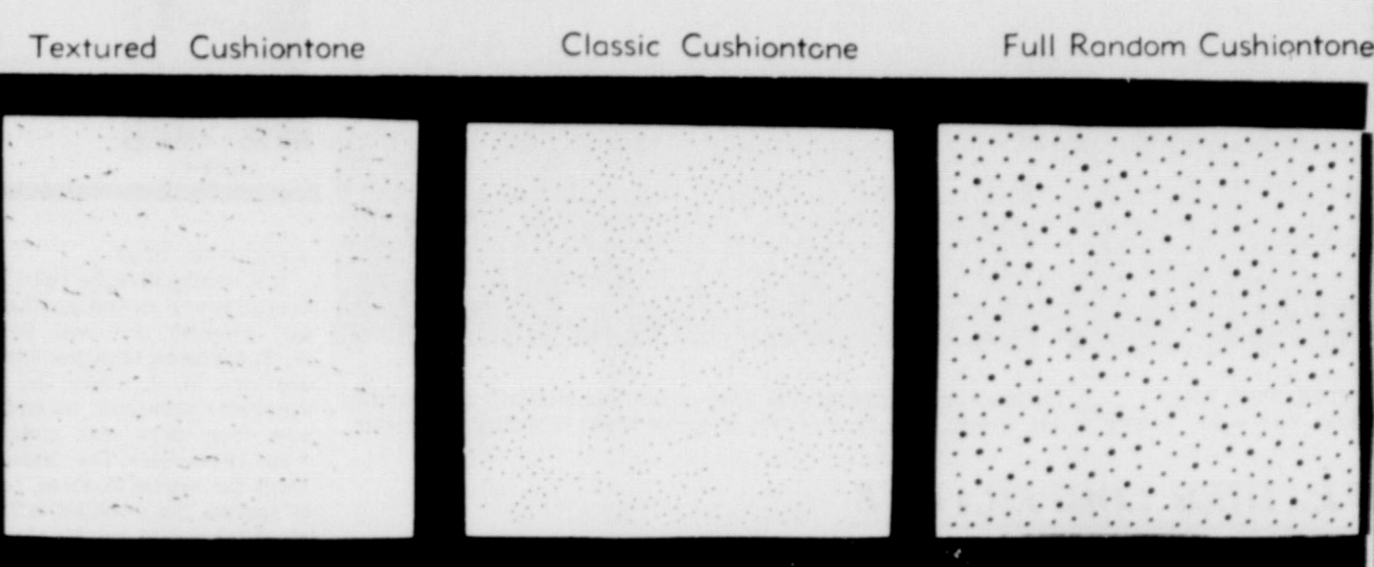

and Mrs. T. L. Houston. Houston, who is serving in the U. S. Navy, will be assigned to Cuba after completing a six weeks survival course.

Services Conducted

Funeral services for Valentine Castillo, 17, were conducted Sunday at Friona Cemetery. Castillo was electrocuted last Friday while working two miles north and two west of Clay's Corner.

An employee of Farmer County Pump, Castillo was helping load a truck with well casing at the time of the accident. Castillo was helping guide the casing being lifted by another truck when it came into contact with high voltage lines.

Castillo is survived by his parents, Mr. and Mrs. Lulo Castillo, six brothers, Fermin and Matilde, Junction; Benito, Pilo, Frank and Mario, all of Friona; six sisters, Mrs. Troy Crutchfield, Mrs. Armando Ramirez and Sara Castillo, Friona; Mrs. Solomon Flores and Victorio Castillo, Rock Springs, and Mrs. Jose Sanchez, Monte Alto.

Rev. Claver Giblin, pastor of St. Ann's Catholic Church of Bovina, officiated. Funeral arrangements were under the direction of Claborn Funeral Home.

Story Hour Announced

A story hour for pre-school children on Tuesday mornings at the Friona Public Library will be featured beginning June 30, it was announced this week. The story hour will be from 10 to 11 a.m. The library is in the Friona Federated Club House north of the Methodist Church.

Mrs. Bill Stewart, chairman of the Modern Study Club's library committee has interesting plans for the pre-school age story hour. Several volunteer readers have been secured. Other adults or teenagers who would like to do a story hour are invited to contact Mrs. Stewart.

The story hour will be held each Tuesday from 10 to 11 a.m., during the summer. Response to the story hour last summer made the project worthwhile and thus it is being repeated, Mrs. Stewart said.

THE FRIONA FARM NEWS

Van Zandt Speaks To Club Members

The Monday evening meeting of Lazbuddie joint 4-H Club honored Joe Van Zandt, new County Agent for Parmer County. During a social session in the school lunchroom during which refreshments of cookies and punch were served by club members.

Bobby Redwine, president, called the meeting to order. Dale Blackstone led the 4-H

pledge and motto. Katie Blackstone read the minutes, called the roll and gave a treasurer's report.

Two new members, Donny Coker and Johnny Broyles, were accepted into the club.

Van Zandt then spoke to the group on how to complete record books and assisted in planning a records books workshop for July 2.

On The Farm In Parmer County

BY JOE VAN ZANDT
County Agent

Wheat harvest is in full swing now that our weather has cleared up. Nearly all crops were ready for the hot sun to help them repair the damage that the hail, rain and wind accomplished week before last.

We can expect insects to start building up in these cotton fields again as soon as we have something there for them to live on. Thrips, which slow the plant's growth and can cause the cotton plant to be malformed and shed the small squares, are fairly prevalent this year. Damage is characterized by wilted, deformed and blackened leaves. Silvering of the lower leaf surface also is common. Control measures should begin as soon as damage is apparent.

We have insect guides that list the recommended insecticides, and pounds of insecticides per acre to be applied for all crops. These guides are free by coming in or call the county agent's office, 481-3619 and we will send you the necessary guides.

All insecticides are poisonous, some are much more poisonous than others, and precautions for use of all insecticides should be followed closely. Such things as dosage, time and rate of application, crops or livestock which are to be treated and waiting periods between treatment and harvest should be completely understood and followed.

Insecticides are essential in today's agriculture, but they can be hazardous if used carelessly.

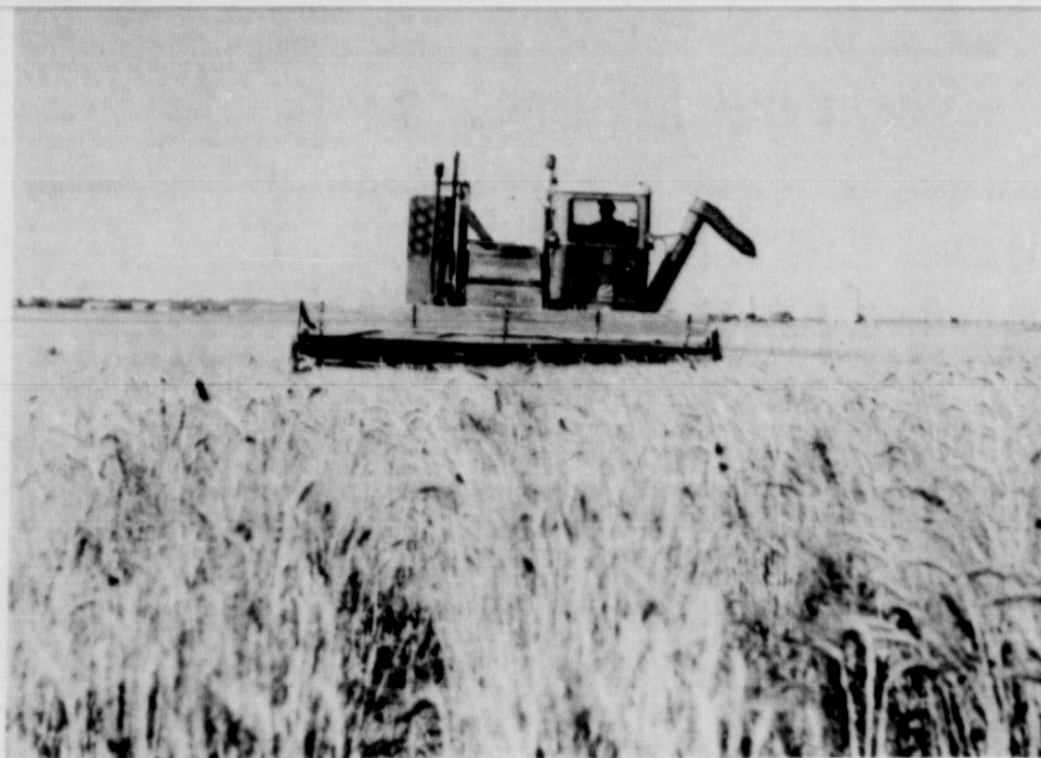

Seales Joins Water District As Employee

Kenneth Seales, a native of Bailey County has joined the field force of the High Plains Underground Water District. He will work out of the Deaf Smith County Office.

Seales' parents, Mr. and Mrs. Bert Seales, live at Route 5, Muleshoe, and have been engaged in farming for more than 30 years. Seales is married and has one son, Paul, five months old.

Before coming to work for the Water District, he was employed with the Lubbock Police Department as a patrolman. He is a member of the Mackenzie Masonic Lodge and the Baptist Church.

Seales was previously working out of the Lubbock office. He and his family moved to Hereford this week.

AFTER THE WHEAT . . . Farmers in the Friona area were in the "big middle" of harvesting wheat this week, getting a big assist from the weather. Irrigated wheat is making fair yields.

WEATHER COOPERATIVE

Wheat Harvest May Be Short In Duration

The wheat harvest in the Friona area was "over the hump" by the middle of the week, with most observers predicting it to be finished within a week if the ideal harvesting conditions continued.

With a reprieve from the weather, farmers took to the fields bent on getting the crop to market. Most irrigated wheat is making a fair yield, although dryland is as expected very low. "We're getting some of the driest wheat we've ever received. Irrigated wheat is averaging from 33 to 68 bushels," said Arthur Drake at Friona Wheat Growers.

Drake indicated that his elevator would probably handle

about the same volume as it did last year.

Some fields experienced hail and wind damage from the recent storms, but this type of damage did not nearly approach last spring's hail damage.

Preach Cranfill at Continental Grain Company, said he thought this year's crop would be about the same as last year's. An average of around 58 bushels was the best report he had heard.

Jack Tomlin at West Friona Grain ventured on Wednesday that the harvest was 60 to 75 per cent complete. "The wheat is actually doing better than most people expected," Tomlin said. He cited Clyde

Weatherly as making close to 60 bushels per acre on a 103-acre plot.

Another few days should see the harvest virtually completed, Tomlin stated. He said the rains received two weeks back probably helped in many instances.

"It kept the farmers out of the fields, and allowed the wheat to dry and mature," Tomlin said.

Other top yields which have been reported include averages of 65 to 68 bushels per acre by Jim Mears and 64 bushels by Gordon Massey. Both of these fields are southeast of Friona.

At Home In Parmer County

County HD Agent

4-H SEWING TIME

It's sewing time for some 30 4-H girls who are taking clothing projects this year. Mrs. W. T. Magness, Mrs. Joel White and Mrs. M. A. Snider, Jr. all reported workshop meetings with their first year girls - 9 and 10 year olds. They learned about the sewing machine, how to operate the machine, talked about fabrics to buy for skirts and equipment needed for their sewing boxes.

Other leaders are working with groups trying to finish garments before Dress Revue time.

HOW'S YOUR PEP?

For energy and pep at any age, no food can replace milk. It's the "grow food," and the "go food," from the start of life to the finish.

Milk is high in protein, minerals, and vitamins in proportion to calories, thus helping the individual to use some of the energy that would go to fat. Proteins digest slowly, and help keep people from becoming hungry.

In a cup or glass of skim milk -- fresh or reconstituted nonfat dry milk -- or buttermilk, there are only 90 calories, and in a cup of whole fluid milk there are only 165. Calorie -- watchers may choose

skim milk, either fluid or dry, or buttermilk, and get all the nutrients in milk except fat and vitamin A. The latter may be supplied by deep green or yellow vegetables.

Keep your milk supply pure and fresh. Keywords to remember are clean, cold, covered and dark. Put the milk in the refrigerator as soon as possible to keep the flavor sweet and preserve valuable nutrients. The refrigerator temperature should be under 40 degrees Fahrenheit. Close the container after use to make sure the good flavor stays in the milk. Milk tastes best when it is good and cold, served directly from the refrigerator.

NEW BULLETINS

If you have not gotten your copy of these new bulletins, stop by my office on second floor of Courthouse and pick up a copy. "Conserving the Nutritive Value of Food" and "Food for Family with Small Children," also "Pickles and Relishes"; these are good sources of information to help us with our jobs as good homemakers.
