Baptist Church Given Unexpected Gift

An interesting donation to the building fund for the First Baptist Church in Rankin recently is a \$100.00 check from Henry R. C. Elser of the Feis-Naphtha Soap Company in Philadelphia.

Elizabeth Rains mailed Mr. Elser a check from the County in connection with the right-of-way reimbursements on the new road now under construction and received a letter from him stating that "the experience was an extremely novel one and really substantiates my father's and grandfather's claim that 'All good things come from Texas'."

Mr. Elser further stated that he would like to frame the check but Mrs. Rains advised that it needed to be cleared to keep the records straight, so he deposited the check and sent a personal one for the Baptist Church building fund as he wanted to donate it to some worthy cause in Texas if he could not frame it.

Miss Carolyn King Weds Travis Taylor

In a formal double-ring ceremony at the First Methodist Church, Big Lake, Carolyn Kay King, daughter of Mr. and Mrs. Thomas C. King of Big Lake, became the bride of Travis Grimm Taylor, son of Mr. and Mrs. C. G. Taylor of Rankin, at 5 p.m. Sunday, June 22.

The Rev. Shilling, pastor of the First Methodist Church of Big Lake, read the ceremony before an altar which was centered with a large white sunburst arrangement of gladioli, Marconi daisies, agapanthus and mums. The altar was flanked on either side by candelabra holding myriad cathedral tapers. Identical sunburst arrangements were stationed on the choir box corners and on pedestals marking the entrance to the dais. Candles in holders were placed between these arrangements.

The pews were marked with flowers and ribbons in the bride's chosen colors of pink, blue, orchid and green as accented by her attendants.

The bride's dress was of ivory satin fashioned with an off-shoulder bertha and band around the hips covered with heirloom lace. Unpressed pleats fell from the hip band and into a short train. Her finger tip veil fell from a white lace cap. She carried a bouquet of white roses centered with a single white orchid with white ribbon showers and white satin glamour leaves.

Neva Taylor of Rankin, sister of the groom, gave the organ music and played for the solos, "Because," "Always," and "End of a Perfect Day" which was used as the recessional.

Joan King, sister of the bride, was maid of honor. She wore a pastel pink dress with a silk organza skirt, frosted organza top and apron, and a brief frosted organza jacket. Her shoes and noseveil matched the pastel color of her dress. She carried a nosegay of colored ester reeds outlined with glamour leaves and featuring pink ribbon streamers to match her dress.

Matron of honor was Mrs. Harry J. Cowden of Crane, sister of the groom, and bridesmaids were Joyce Merle Nunn, and Victorine Probandt, San Angelo, cousin of the bride. These all wore different shades of pastel dresses fashioned after that of the maid of honor and

carried nosegays to match their dresses.

Best man was C. G. Taylor, Rankin, father of the groom; and ushers were Beade Northcut, Pecos, cousin of the groom; Charles Probandt, San Angelo, cousin of the bride; and Harry Cowden, Crane, brother-in-law of the groom.

Candles were lighted by Becky Northcut, Pecos, cousin of the groom, wearing white organza with a wrist corsage of white carnations.

The reception was held in the church, and the reception table held a four-tiered wedding cake topped by a tiny bride and military groom. Punch was served from a silver bowl. The cake was served by Mrs. Vic Probandt, San Angelo, aunt of the bride; and Maggie Taylor, Rankin, aunt of the groom.

The bride is a graduate of Big Lake High School.

The groom graduated from Rankin High School and attended Arlington State College and Sul Ross. He was in Korea for 10 months and received the purple heart.

Immediately after the ceremony the couple left for a wedding trip to Ruidosa. They will be at home in San Antonio where the groom is stationed at Ft. Sam Houston.

For travel the bride changed to a pink raw silk suit with white accents. She wore a white orchid. A rehearsal dinner was held Saturday night for the wedding party. Mrs. W. B. Gunn and Mrs. John W. Willis of the Crane Flower Shop attended the dinner.

W. H. Martin played traditional wedding music and prior to the ceremony Miss Mary Anderson sang "I Love You Truly" and "Because," accompanied by Mr. Martin.

White daisies, pastel gladioli and sweet peas with greenery formed the setting for the wedding at the altar and chancel.

The bride wore a white nylon-cerise ballerina length dress with portrait collar and sweetheart neckline. Her shoes were blue and her hat white, trimmed with seed pearls. She carried a white Bible on which rested a bouquet of white roses.

A reception in the Rankin Park Building followed the wedding. Pink and purple larkspur and sweetpeas decorated the table which held the bride's cake and arrangements of daisies decorated the reception room. Miss June Ward served cake and Miss Jean Shaw poured punch. Miss Ann Shaw assisted in the serving. Bobby Barber, cousin of the bride and

Officers elected for the year in the group are Mrs. Congdon, program chairman; Mrs. A. B. McGill, secretary-treasurer and Mrs. Harold B. Price, reporter. Eight members attended.

Mrs. R. H. Johnson and Mrs. R. O. White attended a District Conference of the WSCS in Ozona Wednesday and Thursday.

Commissioner Conger Explains Stand On Farm-to-Market Road

Commissioner Joe Conger of Prect. 4 has issued a statement this week explaining his viewpoint on the right-of-way resolution adopted by the Commissioners' Court two weeks ago, and why he voted against it.

The statement reads:

"I want the citizens of McCamey and Upton County to know that I am NOT opposed to the farm-to-market road leading from McCamey to the Pecos County farming area. The reason I voted against

the resolution passed at our meeting, on Friday, June 13, was because the resolution passed would greatly inconvenience several families and require moving houses, garages, fences, and so forth, and the possible damages involved in securing the right-of-way could reach figures that would be unreasonable compared to the cost of the first route previously discussed by the court. The first route was acceptable to the Texas Highway Engineer and it was practical and would not incur any excessive cost to the people of Upton County.

The road is important and I pledge full support in making it a reality."

County Commissioner of Precinct No. 4.

Funeral services will be held at the Community Church in Sheffield Friday at 2 p.m. Burial will be in Sheffield Cemetery under the direction of the Cody Funeral Home of Ozona. The pastor of the First Christian Church of Iraan will officiate.

Successful District 4-H Girls Camp Ends

Sixteen 4-H Club girls, one adult leader, and the agent represented the Upton County 4-H Club Girls at the annual district 4-H encampment held in McCamey Wednesday, Thursday and Friday of last week. Shirley Davis, Bodine Moore, Carol Ryan and Shirley Skains assisted in registering the 118 girls and adult leaders who attended.

Campers were divided into countries with India, Brazil, Argentina, Mexico, Ireland and France being represented. Each "country" camped as a group and competed in various games, contests and skits. The winning skit put on by a country was the Paris style show put on by France. Betty Abernathy and Phyllis Brown of Rankin were leaders in this skit.

Each county identified its members by the tags they wore, a shamrock for Ireland, a burro for Mexico, monkey for Brazil, elephant for India, hat for Brazil, and a figure dressed in the latest fashion for France. These were hand-painted on various colored construction paper by Darnell Eubanks, Molly Littlejohn, Mary Alice Skains, Shirley Skains, Shirley Scott, Carol Ryan, Joyce Skains, and Jacquelyn Lucardo of McCamey, and Betty Abernathy of Rankin.

Craft work during the camp consisted of designing, painting, sanding and varnishing a jewelry box by each girl and leader present.

Recreation was directed by girls from several of the counties, with Mrs. Mildred Eiland, County Home Demonstration Agent of Martin County, as consultant. Members of the district council had general supervision over the camp. Jo Ann Hall of Martin County is chairman and Shirley Davis is the Upton County representative.

Shirley Davis of McCamey was mistress of ceremonies for the county skits put on Thursday night and Bodine Moore had charge of the final camp fire ceremony. During the evening, the girls and agents put on a skit honoring Miss Irma Scaley, El Paso Home Demonstration Agent, who is retiring this month from the Extension Service. Miss Sealy has been in the Extension Service for 30 years, about 20 of which has been spent in El Paso County.

The Garden HD Club had charge of feeding the campers and did a very efficient job of it. Both girls and adults were pleased with the food and its service.

One of the educational highlights of the camp was a first aid stunt put on by a Winkler County girl and the registered nurse from Kermit who was camp nurse. The girl faked a back injury after a fall down the stairs and the nurse gave proper first aid. By prior arrangement, Mr. T. A. Spalding was called, brought his ambulance, and drove away with the "patient" toward the hospital. When the "patient" and nurse appeared again in a matter of minutes, thus exposing the trick, they had fooled everyone in the group including the men who assisted Mr. Spalding with the stretcher. Even those in the know kept wondering if this was the promised stunt or the real thing. The campers are not likely to forget the first aid lessons brought out.

The campers left for their homes in the 12 counties represented, saying that it had been the best district camp yet held.

Those attending from Upton County in addition to those named above on committees were: Doris Smith, Mary Sizemore, Connie Coker, Delight Huffman, Sondra Coker, Mrs. F. W. Payne, and the agent, Miss Holman.

From where I sit... by Joe Marsh

Whitey Sure "Rang the Bell"

Telephone woke me out of a sound sleep last Friday about eleven-thirty. "This is Whitey Fisher out on River Road," says a voice. "I just wanted to tell you how much I like this week's Clarion."

"Thanks, Whitey," I told him. "But why in blazes call to tell me at this time of night?" "Simple," he says, "your paper boy just delivered it a short while ago. Been waiting for it all evening."

Next day, Buzzy Wilson tells me he delivered Whitey's paper late because he stayed for the school dance and thought it would be OK

to drop it off on his way home. From where I sit, I can't blame Whitey for his joke. He was just reminding me we owe other people the same respect we expect from them. Since I'm always talking about respecting the other fellow's rights—including his right to enjoy a glass of beer if he chooses, it was only fair that Whitey should "wake me up" to his right to get his copy of the Clarion on time. Thank again, Whitey!

THE CHRYSLER NEW YORKER 6-PASSENGER SEDAN White side-wall tires at extra cost

WHEN YOU TRY POWER STEERING... HERE'S WHERE TO COME FIRST!

You've heard about it and read about it. Now, if you haven't felt what Power Steering does for you, we invite you to try it first in a Chrysler New Yorker... where you will find full-time (not partial) Power Steering!

What happens is this... You handle the steering wheel in normal fashion. But 4/5 of all the work is done for you by hydraulic power, constantly at your command. Also, you turn the wheel 1/3 less distance now for every maneuver... the feeling you get of utter control is as wonderful as it is new.

Even at a standstill you can turn the wheel easily. Now, parking is shorn of its troubles (and fatigue!)... and you can negotiate traffic, awkward drives, and garage doors precisely and with ease.

You can double the longest day's drive you've ever known... end up free from arm and shoulder strain. Rough roads, soft shoulders, snow, mud?... the power that helps you steer now prevents the car's wheels from "steering back" at you. The course you set is held, at any speed, till you want it changed. Yet, with this 5-times greater control, "wheel feel" is always the same.

Why not come try it? Learn for yourself why growing thousands of motorists say they'll never be without Full-time Power Steering from now on. Drive a Chrysler... and Learn the Difference!
