Incumbents Stay In Office In County Primary Election

Upwards of 1700 votes were cast in the Democratic primary for Upton County in last week's election—something under the 2,000 ballots predicted. Election officials observed that this was not a record number as a greater number of votes have been cast before. Over 2,000 poll taxes were sold in the county this year.

The incumbent officers for the most part were re-elected to their posts, with a few exceptions in which runoffs will be held. One of the most heated races was that between District Judge Alan Fraser, Alpine, and Henry Russell, Peas, for the office of Associate Justice of the Court of Civil Appeals, 8th Supreme Judicial District of Texas.

In Upton County, Judge Fraser received 1075 votes while Russell got 414. As of Wednesday, Fraser, although trailing behind Russell Saturday, was ahead by about 808 votes. The unofficial, but nearly complete, district-wide vote showed Fraser leading with 28,351 and Russell with 27,463.

In county races, County Judge G. H. Fisher kept a wide margin between him and his opponent, W. W. Moore, getting 1091 votes to Moore's 558.

Sheriff H. E. Eckols polled 1337 ballots, while his opponent, John Gantt, polled 340.

In Rankin, runoffs will be held Aug. 23 for the offices of the two County Commissioners, Precincts 1 and 2. Loyd Yocham, receiving 49 votes in the first primary, will run against incumbent Sam Holmes who polled 126 votes in Precinct 1. Tommy D. Workman, Jr., received 109 votes for Commissioner of Precinct 2 while W. J. Price received 88.

There also will be a runoff between Marvin Bell, who received 104 votes for the office of Constable, Precinct 1, while opponent W. F. Moore polled 137.

In Precinct 3, Tom Trimble was re-elected as Commissioner with 279 votes. T. A. Pauley, his opponent, received 176 votes.

Commissioner Joe Conger was put back in office, polling 412 votes against G. W. Huffman's 245.

Mrs. Murray McCain got 143 votes for the office of Justice of the Peace of Precinct 2.

Mrs. Nancy K. Daugherty received the highest number of votes—1686—while running unopposed for the office of County and District Clerk, closely followed by Mrs. Elizabeth L. Rains who received 1365.

Rev. Shannon Called Twice To Meadow

Rev. R. L. Shannon of Rankin was called to Meadow, Texas, last Saturday to conduct a double funeral for Miss Frankie Anna Maynard, 19, and her brother, Maurice Maynard, 10, who were killed in a two-car collision ten miles north of Brownfield, Texas, Wednesday night, July 23. They were the children of Mr. and Mrs. A. G. Maynard of Meadow, Texas. Burial was in the Meadow Cemetery.

Rev. Shannon had just returned home from Meadow, where he had performed the wedding ceremony for Miss Peggy Keese and Eddie Bingham at the First Baptist Church there on Wednesday at 10:30 a. m.

The Shannons formerly lived at Meadow, where Rev. Shannon was pastor of the First Baptist Church from 1941 to 1948. He was accompanied on both trips by Mrs. Shannon and Miss Lavada Shannon, their daughter.

Rev. Shannon performed the wedding ceremony for Miss Nita LaRue Nunn and Billy Dean Zachary at the Texas Natural Gas Camp near Rankin on July 25 at 6 p. m. Several friends of both families attended the wedding.

After a short wedding trip, Mr. and Mrs. Zachary will make their home in Rankin.

Commissioners Accept Appraisers' Report

A purchase price for the Cooper Hospital in McCamey has been agreed upon by the County Commissioners' Court. The overall sum agreed upon has been set at \$74,414.72.

Three appraisers from McCamey inspected the property combined report to the Court last week and submitted their last Monday.

After studying the report, the court voted to accept it.

The motion as made by Commissioner Tom Trimble and seconded by Joe Conger that the sum total be drawn payable to J. L. Cooper for the Cooper Hospital, equipment, and land, and that the amount be placed in the First State Bank in Rankin, with instructions to deliver the warrant to Dr. J. L. Cooper when he delivered a deed or bill of sale to the bank, showing that title had passed to the county.

All Commissioners voted aye. The resolution as drawn and adopted by the court is as follows:

"Whereas, in accordance with the wishes expressed by the people of Upton County to purchase the Cooper Hospital as a part of the County Hospital System, we have found that the fairest and probably the most proper way to arrive at a purchase price would be to adopt the following procedure. That we, the Commissioners' Court, appoint an appraiser, the Seller, Dr. J. L. Cooper, appoint an appraiser; that the two appraisers appoint a third one to arrive at the valuation and submit same to this court, and.

Whereas, the Upton County Commissioners' Court has heretofore appointed C. G. Forester of the town of McCamey, Texas, as its choice for appraiser; that the Seller, Dr. J. L. Cooper, appointed J. W. C. Hayes as his choice for appraiser and that the two appoint-

ed Lloyd J. Gilbert as the third appraiser, and.

Whereas, July 22, 1952, said appraisers made an appraisal of the said hospital, together with its equipment and have this day submitted said report. Said appraisal is as follows:

Buildings	\$51,556.50
Ground	2,000.00
Equipment	20,858.22
Total	\$74,414.72

And, whereas, the Commissioners' Court has agreed to give and J. L. Cooper has agreed to take the sum of \$74,414.72 for said hospital and the following order was introduced. That Upton County, Texas, pay to James L. Cooper of the Town of McCamey, Texas, the sum of \$74,414.72 for said buildings, ground, equipment and cooling system comprising Cooper Hospital."

This leaves \$75,585.28 of the original bond issue of \$150,000 designated to purchase the Cooper Hospital and its existing facilities, and acquiring any land and necessary permanent improvement needed.

GETTING ROAD MONEY

At the same meeting a letter was read to the Commissioners by Judge G. H. Fisher in which the county was informed that it will receive \$11,169.43 as its share of the surplus in the County and Road District Highway Fund, at the close of this fiscal year.

The fund will be available for the county's use in the construction and improvement of the county's lateral roads. The money will be forwarded soon after September 1.

After the letter was read, motion was made by Commissioner Price and seconded by Commissioner Trimble that Upton County request their share, as ordered by the letter. All the commissioners voted aye.

Taylor-Roady Rites Performed July 26th

Neva Rae Taylor, daughter of Mr. and Mrs. C. G. Taylor of Rankin, and Fred A. Roady, son of Mr. and Mrs. C. P. Roady of Monahans, were united in marriage in the home of the bride's parents Saturday night, July 26.

The double ring ceremony was performed by Rev. A. L. Teaff, pastor of the First Baptist Church of McCamey, in the presence of 30 relatives and close friends.

Preceding the ceremony, Mrs. Tom Workman sang "Always" and "I Love You Truly." The couple stood in the living room before a large basket of white chrysanthemums with their attendants, Mrs. Harry Cowden, sister of the bride, and Mr. Fims Vinson, brother-in-law of the groom.

For her wedding, the bride wore an all white tulle length dress of linen and lace. White carnations topped the white Bible she carried.

White aster and summer flowers were used in the living room and in the dining room where wedding cake and punch were served following the ceremony.

Mrs. Cowden and Mrs. Vinson presided at the refreshment table, assisted by Miss Maggie Taylor, Mrs. Clay Taylor, Mrs. Charles Vardy and Mrs. Joe T. McComie, Jr., of Rankin, and Mrs. K. King of Big Lake.

Mrs. Roady has been secretary for County Attorney John A. Menefee the past two and a half years and Mr. Roady, formerly of Rankin, is in geophysical work.

The couple will make their home in the vicinity of Monahans, at present.

Among out of town guests were Mr. and Mrs. John Nortcutt and son, Johnny, and Mr. and Mrs. John A. Menefee of McCamey, Harry Cowden of Crane, and Mr. and Mrs. Kelly King of Big Lake.

POLITICS AND POWER SHORTAGES

Officials of the Interior Department and other agencies of government are always forecasting that we are about to suffer severe electric power shortages in one section of the country or another. And the only way to avoid them and save our bacon, they argue, is to spend more millions and billions of our tax money for socialized electricity.

It is a fact that most of the shortages have never appeared—due to the amazing job the business-managed utilities have done in meeting record demand for service. But, regardless of that, the public should know that if and when we do suffer shortages, the blame can be laid squarely in the laps of socialist-minded politicians.

To take one example, an Idaho utility wants to develop a large amount of hydro-power on the Snake River. But it has not been able to go ahead, because it is being fought tooth and nail by those who want the government to do the job with a \$350,000,000 tax-built dam.

To take a second example, a group of New York utilities want to develop additional power to the Niagara River, at a cost of several hundreds of millions. These utilities have also been blocked—by those who want the development to be carried on either by New York State or the federal government.

Precisely the same thing has happened in California, Virginia and elsewhere, when private enterprise, financed with private money, has asked for the green light on projects which are needed, which would benefit farmer, manufacturer, domestic consumer and all others concerned — and which would create great new sources of taxation instead of endlessly swallowing taxes.

The expansion of the business-managed industry is unparalleled. Just ten years ago the industry's capacity was 37,000,000 kilowatts. By the end of 1954 it is scheduled to reach more than 82,000,000. And power actually costs less today than it did in 1942—which is true of almost no other service or commodity.

Power shortages? There is no earthly reason why we should have them—except for politics. And if we do have them, politics—socialist politics—will be the reason.

GRASS ROOTS OPINION

Hankinson, N. D. News: "The newspapers of the United States welcomes the long awaited court decision vindicating the Lake Charles, La., newspapermen who were charged and tried for allegedly defaming the characters of known gamblers and public officials who were in cahoots with them. Newspapers have been bucking a quiet though persistent trend of officials throughout the country, from the President clear down to village halls and school board meeting places, to do business behind closed doors without public scrutiny."

Somerville, Mass. Journal: "He has erected a multitude of new offices, and sent hither swarms of officers to harass our people and eat out their substance." Thus the Declaration of Independence on July 4, 1776, indicted King George III, citing these 'tax-eaters' as one of the causes of the Revolution. Even in 1952, one might say that the plaint of the Colonists has a familiar ring."
