

MEET FLOYDADA HERE

Chieftains Out To Add "Frosting On The Cake"

The Friona Chieftains may not know it, but they have been aided to their past three wins by a little bit of magic -- and black magic, almost.

Two weeks ago prior to the Abernathy game, our friend, Russell McAnally, was waiting for us to open up on Thursday morning, to leave us with a lucky token to take to the Abernathy game.

It was an "Apache Tear" stone, a beautiful black stone which is translucent when held to the light.

"I had discovered that, unknown to myself I had the stone with me when we played Lockney, I found it in my pocket and told the man next to me at the ball game that it meant we were going to win," McAnally relates.

Rev. McAnally had to be out of town when the Chiefs played Abernathy, hence his anxiety to leave us the stone, with our promise to see that it got to the game.

Patti Ragsdale turned out to be "Keeper of the Stone," and sure enough, Friona upset the Antelopes, 13-12.

The past week, Rev. McAnally retrieved the stone, and had it in his possession as the Chiefs held on to beat Olton, 20-18.

McAnally points out that when the Friona Squaws won the state basketball championship a couple of years ago, each of the players had in her possession one of the "Apache Tears."

Legend has it, Rev. McAnally says, that a group of Apache squaws, searching for their men, came upon their loved ones, who had been ambushed and were all dead.

They were sorely grieved, and as their tears fell to the ground into the sand the "Apache Tear" stones were formed.

Is he really superstitious? "Not really, I think a fellow makes his own luck, whether good or bad. For instance, I imagine the coach and players feel that a great deal of hard work were mainly responsible for their winning lately," Rev. McAnally says.

McAnally said he didn't believe that one person was any "luckier" than another. "I think intelligence and hard work go a lot farther than good luck any day," he says.

However, the Methodist preacher says he thinks generally each of us has a little superstition within us, pointing out that religion itself has a good deal of superstition as a background.

"One woman I know wouldn't move a broom when she moved from one house to another. Yet, she didn't consider herself superstitious," Rev. McAnally said.

Back to the Apache Tear, Rev. McAnally said he didn't know whether or not the stone had anything to do with the Chiefs winning their last four games. "But I have a big one at home, if the coach wants to carry it when we play Denver City."

Another of our acquaintances has his own little superstition in connection with the Chiefs' games.

Floyd Brookfield tells us that every time he has picked Friona to win this season in our football contest that the team has lost, and conversely every time he's picked the Chiefs to lose, they have won.

So, Brookie has a simple explanation of why the team has won its last four games; He has made it a point to pick the other team.

We told him we considered him a good sport.

We don't confess to being superstitious, yet, we think Rev. McAnally is right about there being at least a "little bit" in everyone.

Of course, we always try to wear the Chieftain letter jacket to all of the games which we received from the team two years ago. And, we will use the same note for keeping game notes, if the team won when we last used it.

Come to think of it, we even search around for the same pen to write with. Don't know if we're superstitious or not, but if the team gets beaten, we sure don't want it to be our fault.

The Friona Chieftains, with a tie for the district championship already clinched, meet the Floydada Whirlwinds in their last regular season game here Friday night. Game time is 7:30 p.m.

The Chiefs will be out to claim the district title with "no strings attached," against the team which forced them into a tie for the crown last year, and swiped away from Friona the right to represent District 3-AA in bi-district.

So the Chiefs will be out to score a measure of revenge against the Whirlwinds for upsetting Friona's appeccant a year ago.

Last year Friona carried an 8-1 season record into the contest, and a 4-0 district mark. However, the Whirlwinds turned a recovered fumble into a quick 7-0 lead, and held on for a 7-6 win as Friona kicked two field goals and missed a third.

The loss tied the Chiefs with Floydada, each with 4-1 district records, and the Whirlwinds represented District 3-AA in the playoffs, since they had beaten Friona.

This year the situation is changed. The Whirlwinds aren't even in the running in the district race, bringing a 1-3 district record into the contest. Floydada's only district win was a slim 15-13 win over winless Dimmitt, while Friona again is 4-0.

For the season, Friona has a 5-4 mark, and will be out to clinch a winning record for the year with a win over Floydada. The Whirlwinds are 2-7, having beaten Childress in a non-district game for their other season win.

Friona, who like the Whirlwinds had only one non-district win (over District 5-A champion, Plains), reversed things somewhat by rolling over four straight district opponents to clinch a bi-district game appearance.

Should Floydada topple the Chiefs, Friona would then fall into a tie for the district championship with the winner of the Lockney-Abernathy game. The Chiefs would still salvage play-

off honors, since they have beaten both of these teams. But Friona is going into tomorrow night's game with every intention of winning.

It is "Dad's Day" for the Chieftains, and fathers of the players will be recognized in pre-game ceremonies.

Fullback, Ray Braxton, who missed the second half of last week's game due to an ankle injury, is expected to be able to play, although he has missed the heavy workouts this week. Braxton was to suit up on Wednesday and give the ankle a try.

Coach Don Light said that early week workouts were a bit disappointing. "The kids seem to be a thousand miles away. I hope they won't be thinking too much about Denver City Friday night, because if they are, we could lose to Floydada," he said.

Floydada, although it has won just one district game, has been sort of "up and down", and is capable of turning the tables on Friona.

Although the Whirlwinds lost to rival Lockney 44-7 last week, Olton had to scrap the previous week to claim a narrow 6-0 victory over the "Winds." And, with nothing riding on the game as far as Floydada is concerned, any "letting up" by Friona could be disastrous.

Friona will go with its regular lineup, as no further injuries were suffered against Olton. In addition, reserve end Ray Lynn Murphree, out the past couple of weeks with a back injury, will be ready for duty.

The game will mark only the second football meeting in history between the two schools, as last year's "Waterloo" at Floydada was the first gridiron clash for the Whirlwinds and Chiefs.

Last year's game was a classic first meeting, although Friona fans would have liked it better if the score had been reversed. That's what the Chiefs will be out to do in tomorrow's return match.

Council Approves New Pact With SWPS

READY TO SELL . . . H.L. Outland displays a sample of the light bulbs which he and other members of the Friona Lions Club will sell tomorrow morning in Friona. The project is one of the club's annual "light-saving" projects.

The Friona City Council approved a new contract for their lighting system with Southwest Public Service Company at the regular meeting Monday.

Melvin Jayroe, representing SWPS, pointed out that there are 103 lights within the city which are the old incandescent type, and that recent developments would allow the company to furnish new mercury vapor lights at a slight increase in rate, but give more than one-third more lighting at street intersections.

Net increase in the cost of the city's lighting will be \$24.30 per month following the change-over.

In other business, the council approved a statement from Parmer County Pump Co., in the amount of \$842 for repairs made to water well number five last August.

Statements from Parkhill, Smith and Cooper, Inc., city consulting engineers, were given in amounts of \$2,989.86 for engineering and supervision of installation of water and sewer improvements of 1965, and \$652.23 for the same services on the 1965 street seal-coating program. Noting that the jobs had been completed and the work satisfactory, motion was approved that the bills be paid.

The need for an additional pick-up truck for the city to be used by the water superintendent and director of public works was brought before the council. After much discussion, the council voted to buy a 1965 model from Reeve Chevrolet at the list price of \$1,628.33.

A discussion of a proposal by Motorola Radio Corp., of Amarillo for the annual maintenance contract of the city's radio system was tabled.

Insurance statements from Lillard Insurance Agency and Rushing Insurance Agency amounted to \$197.75 for firemen's coverage and \$2,032.34 for workmen's compensation coverage were approved for renewal by the council.

The council approved the annual audit by Glover, Graham and Brown.

A discussion was heard from J.B. Perce of Midland relating to establishments of underprivileged housing for the city. After discussion at length as to its pros and cons, the council thanked Perce for his presentation, and promised to give it consideration in the future.

Merchants To Sponsor Christmas Give-Away

Friona Association of Retail Merchants (FARM) is planning another big Christmas give-away this year, although the format will be changed somewhat from last year, when one big prize, an automobile, was given away.

This year, it is planned for individual merchants to donate prizes to three separate drawings, which have been set up for December 11, 18, and 24. Merchants would once again give tickets for the drawing with purchases made in stores which cooperate.

Prizes are to be divided up so that there will be three big winners at each drawing. Tickets remaining after each of the first two drawings will be discarded, so that only new tickets will be eligible after each drawing.

Merchants have been mailed

letters explaining the program and are asked to contact either Leon Noack or Wayne Clausen to let them know what they will contribute to the drawings.

Bi-District Plans Made

The Friona-Denver City bi-district playoff contest will be played on Friday, November 19, 7:30 p.m. in Friona. Officials from the two schools met in Morton on Wednesday to work out the details.

Bookmobile To Make Its Run

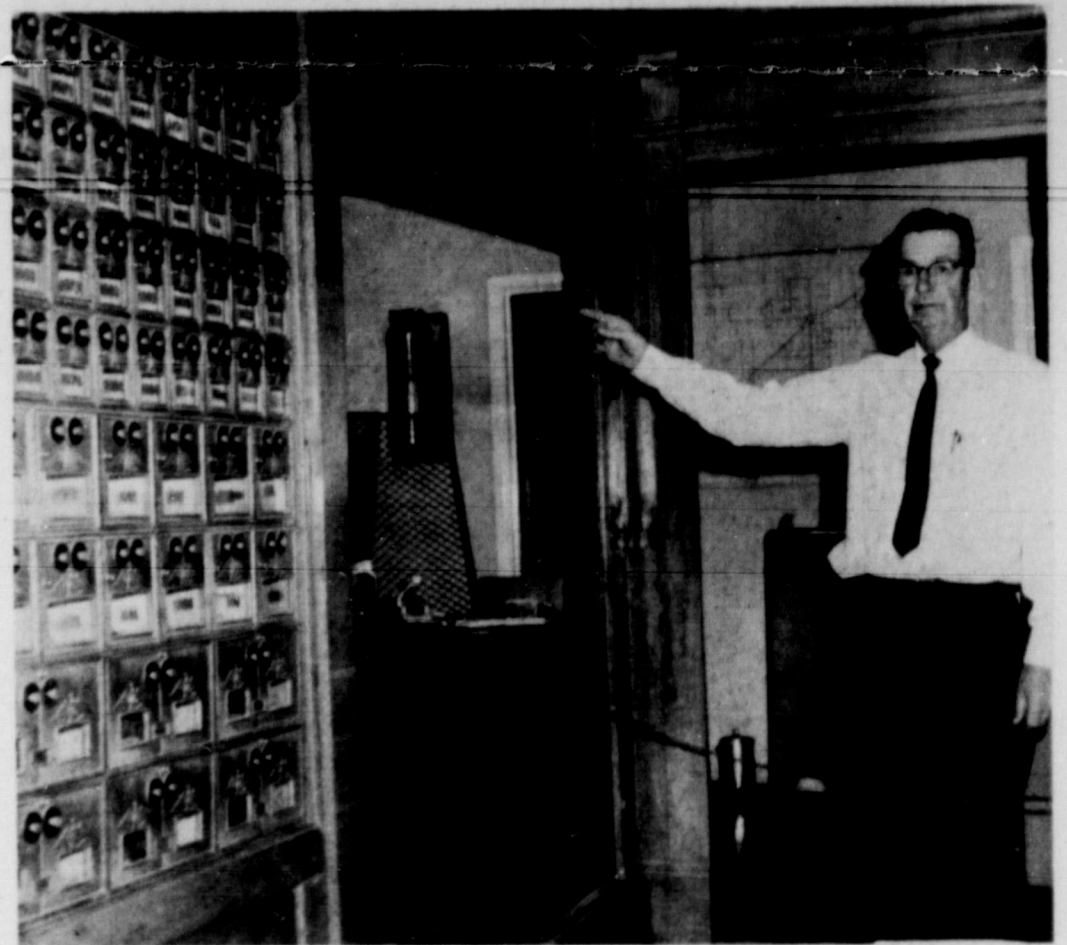

The Texas State Library's High Plains Bookmobile will make its customary trip to the Friona area this weekend, with stops slated today through Saturday.

Today the bookmobile visits Rhea (11:35 - 12:30), Friona, (1:15-1:45) and Black (2-3 p.m.) Friday, it stops at Hub (8:45 - 9:45), White's Elevator (10-11 a.m.), Lazbuddie (12-1 p.m.) and Clay's Corner (1:15 - 2:15 p.m.)

Then on Saturday the mobile library visits Farwell from 8:45 to 9:45 and Friona from 1-4 p.m.

Two Contestants Score 18 In Star's Football Contest

Two entrants set a record with perfect scores of 18 in the tenth week of the Friona Star's Cotton Bowl football contest last week, as games for the most part came out as they were supposed to.

Calvin Ulen and Mike Ellis became the first contestants to have two perfect entries in one week, and only the third and fourth contestants to score 18's this year. Ulen and Ellis picked the 16 games which followed "form", plus the "toss-up" (Kress over Hale Center) as well as the "upset" (University of Houston over Ole Miss).

Ulen was declared winner of the first prize of \$5 by coming closest to the Friona-Olton score. He guessed it at 21-14 missing by just five points. Ellis had listed the score as 21-7, missing by 12 points. He took second place money of \$3.

Prior to last week, only two entries in 1327 had come out with scores of 18, so the new pair made it four in 1964 entries, or one for every 366 entries.

Edward White, Jr., who has been in the contest lead since the third week, clung to a one-point edge following the past week's tabulation. Mrs. Jerry Loflin, who has been on his heels all of the way, gained a point by correctly tabbing the Kress-Hale Center game, which White missed.

Two more suspense-filled weeks remain for the contestants, who are gunning for one of three grand prizes to be given by the Friona Star and the 18 merchants who are sponsoring the 1965 contest.

Third place in the weekly contest resulted in a dog-fight among the 13 contestants who correctly picked 17 games.

Coming out tied were Jack Clark and a Plainview contestant, Word Sherrill.

Both Clark and Sherrill missed the tie-breaker by four points. Clark guessed Friona's score on the nose but missed Olton's by four, having it at 20-14. Sherrill got Olton's score but missed Friona's, picking it 24-18.

Other contestants with scores of 17, ranked in order they finished were: Frank Truitt, Fred Conner, John Baca, Dean Blackburn, Danny Murphree, Albert Johnson, Celia Loflin, Stan Benge, Elizabeth McLellan, Lavon Reeve and Dennis Howell.

Of the 13 who correctly named 17 games, each had the same missed game on the blank; Houston vs Mississippi.

The 137 entries marked the second week in a row for the entry total to gain from the previous week. It was the most entries since the fifth and sixth weeks of the contest when 138 entered two weeks in a row.

A total of 246 different contestants have entered the contest, and an even 100 have entered every week.

Grand prize in the 12-week contest will be two tickets to the January 1 Cotton Bowl Game along with hotel reservations and \$40 expense money. Second place winner will get two tickets to the Sun Bowl Game in El Paso and \$25 expense money. Third place receives two season passes to next fall's Friona Chieftain home games.

Friona Radio Station Given FCC Approval

A Friona group has received approval of their application to operate a daytime radio station in Friona, it was announced this week by the Federal Communications Commission.

The new station, which will have a frequency of 1070 kilocycles, 250 watts, will be owned by a partnership of H.K. (Pudge) Kendrick, Bill McDonnell, Frank Spring and Joe Shields. Bill Sheehan's name was also on the application. Sheehan has since moved from Friona.

The group, which will do business as "Parmer County Broadcasting Company," will locate its transmitter three miles southwest of Friona, just

off U.S. Highway 60. It is not known where the studio will be located.

The approval from the FCC came last Friday, nine months after the application was filed.

In the telegram, which was addressed to McDonnell, who will manage the station, stated in part "Permission is granted application permit for a new standard broadcast station to be operated on 1070 kilocycles, 250 watts, daytime hours of operation."

The group has submitted its preference of call letters, which must be approved by the FCC.

GET APPROVAL . . . Officials of "Parmer County Broadcasting Co." are shown after receiving the news that their application for a radio station in Friona was approved. Seated are Pudge Kendrick and Bill McDonnell. Standing is Frank Spring.

Services Held For Wiley

Funeral services for Ralph Grier Wiley, 82, who died at Methodist Hospital in Lubbock, October 31, were conducted from Sixth Street Church of Christ at 2:30 p.m. Tuesday, C.J. Horton, Friona, was assisted by Smith Pope in officiating.

He was born January 28, 1883 at Charlotte, North Carolina and was the son of the late Mr. and Mrs. B.F. Wiley. In his youth he moved to Bryan, Texas, and was married to Rosa Lee Sample there September 16, 1906. He was a long time member of the Church of Christ.

RALPH G. WILEY

Resident Dies In Sleep

Homer Horner, resident of Friona for the past thirty-nine years, was found dead in bed early Monday morning by his wife. It was estimated he had been dead about two hours. Death was attributed to a heart attack.

He was born August 22, 1908, at Doyle, Oklahoma.

Funeral services were conducted from United Pentecostal Church at 1:30 p.m. today, (Thursday), with Rev. Tom Manning officiating.

Honorary pallbearers were Jim Owens, Carl Fairchild, Edward Hall, Jim Shaffer, Dick Habbings, Johnny Hand and Paul Strickland.

Jim Guinn, Rouel Barron, Harrison Gee, G.E. Reed, Gene Bracken and Johnny Brand served as active pallbearers.

Survivors besides his wife, Eunice, include one son, Everett E. Horner, Amarillo; one daughter, Mrs. George Reed, Keys, Oklahoma; one brother, J.W. Horner, Lindsey, Oklahoma; and three sisters, Mrs. W.R. Smith and Mrs. Jim Jones Tucson, Arizona, and Mrs. S. S. Creel, Terra Bella, California.

Burial was in Bovina Cemetery with Claborn Funeral Home in charge of arrangements.

Mrs. A.O. Drake spent last week visiting in the home of her daughter, Mrs. Treva Reece, Canyon.

Nolen Johnson of Mayport, Florida, visited in the home of his parents, Mr. and Mrs. Joe Johnson, Saturday and Sunday.

Seven children were born to the couple. Five of them survive. Two daughters, Mildred Wiley, an infant, and Mrs. Anna Taylor, preceded their father in death.

Survivors besides the widow include three daughters, Mrs. Ella Dukes and Mrs. Alice Whaley, Friona, and Mrs. Mary Taylor, Oklahoma City; two sons, Melvin Wiley of Clovis and Ralph L. Wiley, Lubbock.

Also three sisters, Mrs. Elsie Hunter, Charlotte, North Carolina, Mrs. Bessie Brown, Clarksville, Virginia and Mrs. Clara Beatty, Raceboro, North Carolina, 23 grandchildren and six great-grandchildren.

Pallbearers were grandsons, Tom Wesley Taylor, Roy Taylor Jr., James Wiley, Bryant Dukes, Gerald Wiley, Leo Wiley, Teddy Grier Wiley and Michael Wiley.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

Mr. and Mrs. V.M. Ferguson Otis, Massey, Mrs. Sam Williams and Mr. and Mrs. Wayne Massey and daughter, Joy, attended funeral services for Robert Kenneth Spears, 7 1/2, in Dallas early last week.

He is survived by his mother, Mrs. Frances Massey Spears, and one sister, Robin. Mrs. Spears is a former Friona resident.

Rites For Mrs. B.O. Elder

Mrs. B.O. Elder, 52, a resident of the Hub Community for the past five years, died at Parmer County Community Hospital Saturday, October 30, following a long illness.

Final rites were conducted from First Baptist Church in Littlefield at 2 p.m. Monday, November 1, with Rev. Bill Burton, pastor of First Baptist Church, Friona, officiating.

Survivors, besides her husband, include one daughter, Mrs. Conny Dodson; three brothers, W.A. and L.C. McFarland, both of Sweetwater, and John G. MacFarland, Odessa and two sisters, Mrs. Alma Middleton, San Diego, Calif., and Mrs. Addie Mae Simpson, Taft, Oregon.

Rev. Billy C. Strickland was officiating minister. Judge Smith served Parmer County from 1945 to 1958.

He was preceded in death by his wife one year ago.

Also two granddaughters, Shea and Sheri Dodson, Friona. Active pallbearers were T.I. Burleson, Clyde Woodard, Gilbert Wenner, Olan Turner, Talmadge Hukill and Ted Engram.

Burial was in Littlefield under direction of Claborn Funeral Home.

Short Dies In Abilene

Funeral services for Robert Connell Short, 43, who died in an Abilene hospital Tuesday, were conducted from Calvary Baptist Church at 2 p.m. Friday. Rev. Jake Armstrong, pastor, was the officiating minister.

Short, son of the late Mr. and Mrs. Mack Short, was a former Friona resident. He was born in Hereford and was employed by an irrigation well service while living here.

He moved to Abilene about three years ago and has been ill several months.

Survivors include four brothers, J.D. Rico, Colorado; George, Roswell; Charles, Friona; and Glenn, Hereford; three sisters, Mrs. Lois Jennings, Hereford; Mrs. Mary Klatwetter, Fort Worth and Mrs. Wanda Jean Bellamy, Kennewick, Washington and a stepmother, Mrs. Louise Short, Portales.

Pallbearers were Bob Noyes, Dalhart, Ike Marnell and Speck Marnell, Hereford, Woodrow Welty, G.H. Goggins and W.H. Sims, Friona.

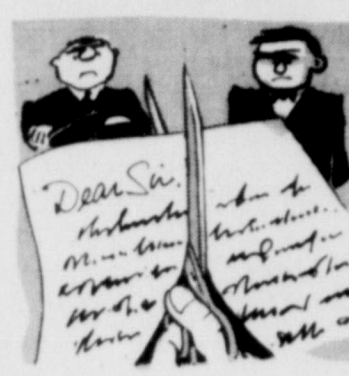

Burial was in West Park Cemetery in Hereford under direction of Claborn Funeral Home.

Who Owns a Letter?

Interesting letters may give birth to interesting notions. Such as: "I'd better not throw away this letter from Fred. He might become famous some day, and then the letter could be worth a lot of money as a collector's item."

Suppose Fred really does become famous and his letter valuable. Would it belong to you, because it was sent to you? Or would it belong to Fred, because he created it? The law's deft solution is to divide the ownership of a letter into two separate rights—the right of possession and the right of publication. The recipient has the right of possession of the paper and ink. He

may keep the letter as a memento, sell it to a collector, or even toss it into a bonfire if he pleases.

But the right of publication—to make copies and exploit it as a literary work—still belongs to the original writer.

This division of rights was illustrated in a famous lawsuit involving some personal letters written by Mary Baker Eddy, founder of Christian Science. After Mrs. Eddy's death, her executor tried to prevent the auctioning of these letters.

The court ruled that the sale itself could not be prevented, because Mrs. Eddy had given away

Flippin Buried Here

Final rites for Wade Hendrix Flippin were conducted from Union Congregational Church at 2 p.m. Monday, November 1 with Rev. Paul Mohr officiating.

Flippin, 90, died at Parmer County Community Hospital the preceding Friday after an illness of several months. He was born September 26, 1875 in Trezvant, Tennessee.

He moved to Texas from Tennessee when he was a child and lived near Colorado City several years. He was married to Lella Lewis and they later moved to Deaf Smith County. Later the family moved to a farm in the Black Community

in Parmer County and he lived and farmed there until his death.

Survivors include his wife; two sons, Bill and Mac, both of Friona; three daughters, Mrs. R.D. Mason, Alamogordo, Mrs. G. Raymond Eads, Phoenix, and Josephine of the home; one sister, Mrs. Ada Perry, Brownfield; nine grandchildren and 19 great-grandchildren.

Pallbearers were F.W. Barnett, Ralph Price, Virgil Phipps, Bruce Parr, Leslie Deaton and D.L. Carmichael.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

Former Judge Buried

Funeral services for former County Judge A.D. Smith, who died at 4 a.m. Monday, Nov. 1 in a Clovis Hospital were conducted from Hamlin Memorial Church in Farwell Sunday afternoon at 2.

Fall Indoors Check List

Now that summer's over and living is coming indoors again, women in the know are making their homes really livable for fall and winter.

The best way to start is to make a safety check list for each of your rooms.

In the bedroom, can you reach a light switch without getting out of bed? Do you adhere to the rule of no smoking in bed? Are your closet shelves organized so that things won't topple down if you reach for an item?

In the kitchen, do you light the match before turning on the gas? Are dangerous cleaning substances out of children's reach? Have you discarded all broken or chipped glasses or dishes? Are sharp knives secured in a knife rack or similar protective device?

In the bathroom, are all your medicines labeled and out of the reach of children? Is the bathtub equipped with a nonskid mat and handhold? Will the door unlock from both sides in case a youngster gets locked in?

In the basement, clean out all paint or oily rags that might be a fire hazard. Check the cellar stairs. Are they well lighted and free of clutter? Are gasolines and other volatile liquids properly stored? Are washing machines, dryers, power tools properly grounded? Do you have the correct size fuses for the fuse box?

Make a check list for every room of your house, and you'll find your house "safe-proof" from top to bottom.

SPEAKER OFFERS EXPLANATION . . . Mrs. John Steele, center, is pictured here as she clarified some questions asked by Mrs. O'Neil Greeson, left. Mrs. Dalton Caffey, one of the Young Homemakers advisors, looks over a book on mental health which was displayed during Mrs. Steele's lecture in the grade school cafeteria Thursday afternoon.

Young Homemakers Hear Mental Health Lecture

Twenty-six members of Friona Young Homemakers and thirteen guests were present for Mrs. John Steele's lecture on mental health and problems of mentally and emotionally retarded children and members of their families.

Her lecture was followed by a question and answer session. Many books, pamphlets, leaflets and other information concerning mental and emotional health were displayed.

A devotional based on "Keeper of the Springs," was presented by Mrs. W.D. Buske, past president of the organization.

The meeting began at 4 p.m. in the grade school cafeteria with a brief business session presided over by Mrs. Jimmy Mabry, president. Twenty-six members and two advisors, Mrs. Dalton Caffey and Beth Asberry, answered roll call.

Girl Scouts Visit Shut-Ins

Members of Girl Scout Troop 238 went on a hike and visited shut-ins Monday afternoon. They visited Mrs. Pearl Kinsley, who was observing her eighty-fourth birthday.

They sang "Make New Friends," "Girl Scouts Together," and "Happy Birthday." Then presented a bouquet of roses and a birthday card to Mrs. Kinsley, who started Girl Scouts in Friona.

Next the group visited with Mrs. Daisy Miller. She was also presented a bouquet of roses.

Troop 238 is composed of sixth grade girls and meets each week at Calvary Baptist Church. Leaders are Mrs. W.R. Rietmayer, Mrs. Larry Martin and Mrs. Alton Peak.

Officer Visits Local Chapter

Janie Sims, Deputy Grand Matron, Section 2, District 3, Grand Chapter of Texas Order of the Easter Star, made her official visit to Friona Chapter #990 OES, at its regular meeting held Monday, November 8, at Masonic Hall in Friona.

At the hall, Mrs. Sims was honored with a salad supper. Artificial Fall flower arrangements were used as centerpieces on each of the tables as well as at points of interest throughout the meeting room. A money corsage was presented to the honored guest by the members of the Chapter and a yellow rose corsage was given to Gladys McVey, Worthy Matron, by Tina Balmum, Past Worthy Matron, who not only grew the roses in the corsage but made the arrangement as well.

Mrs. McVey and the Worthy Patron, Charles Balmum, presided at the meeting with other officers as follows: Thelma Watkins, Associate Matron; Charles Russell, Associate Patron; Vera Southward, Secretary; Vera Balmum, Treasurer; Eula Akens, Conductress; Loree Myers, Associate Conductress; Lillian McLellan, Chaplain; Tommie Mercer; Marshall; Doris Sides, Organist (pro-tem); Nettie Collier, Adah; Annis Turner, Ruth; Christine Braxton, Esther; Ethel Chitwood, Martha (pro-tem); Jo Nell Clark, Electa; Bessie Boatman, Warder and Martha Russell, Sentinel (pro-tem).

Lillian McLellan, Junior Past Worthy Matron, who attended the Grand Chapter Session held in Ft. Worth, October 23, through the 29th, gave her report on that meeting. Mrs. McLellan was accompanied on the trip by her mother, Mrs. Bessie Boatman. Both ladies reported that the session was rewarding and enjoyable. Following the report by Mrs. McLellan, the Deputy Matron brought the message from the Worthy Grand Matron, Edna Earl Duke, along with her instructions for the Subordinate Chapters for the

ensuing year. Other out of town guests included Liz Holt, W.M. of the Petersburg Chapter, (home Chapter of the Deputy Grand Matron, Janie Sims);

Also present, from Bovina Chapter, were the following: Bonny Carroll Ward, Worthy Matron; Victor Ward, Worthy Patron; Irene Spears, Lorena Brook, Lucy Looney and Reagan Looney.

Next regularly scheduled meeting of the Chapter will be held on Monday, December 13, 1965, at 7:30 p.m.

Eight Attend Club Meeting

Eight members of Lazbuddie 4-H Club were present for the Friday meeting in the home economics building.

Ann Blackburn taught a lesson on measuring and table setting.

Club members present were LeAnn Farley, Terina Whalin, Terri Whalin, Nancy Blackstone, Karen Mimms, Kim McDonald, Nancy Bush and Jeanie Morris.

Club Members Present Americanism Program

The Americanism program at the Tuesday evening meeting of Modern Study Club at Federated Club House was based on the theme, "Key To Morality." The quotation used was, "The devil has gone out of fashion but not out of business."

Eight members of Girl Scout Troop 24, led by Mrs. Ralph Wilson, Mrs. John Bingham, and Mrs. Fay Reeve, presented the flag ceremony.

A panel discussion on modern morals was conducted by Mrs. J.G. McFarland, Mrs. Ross Ayers and Mrs. Paul Spring.

"America" was sung by the group with Mrs. Roy V. Miller Sr., pianist, accompanying.

Hostesses were Mrs. Weldon Dickson and Mrs. Wesley Foster. Twenty-four members were present.

Class Meeting In Hinkle Home

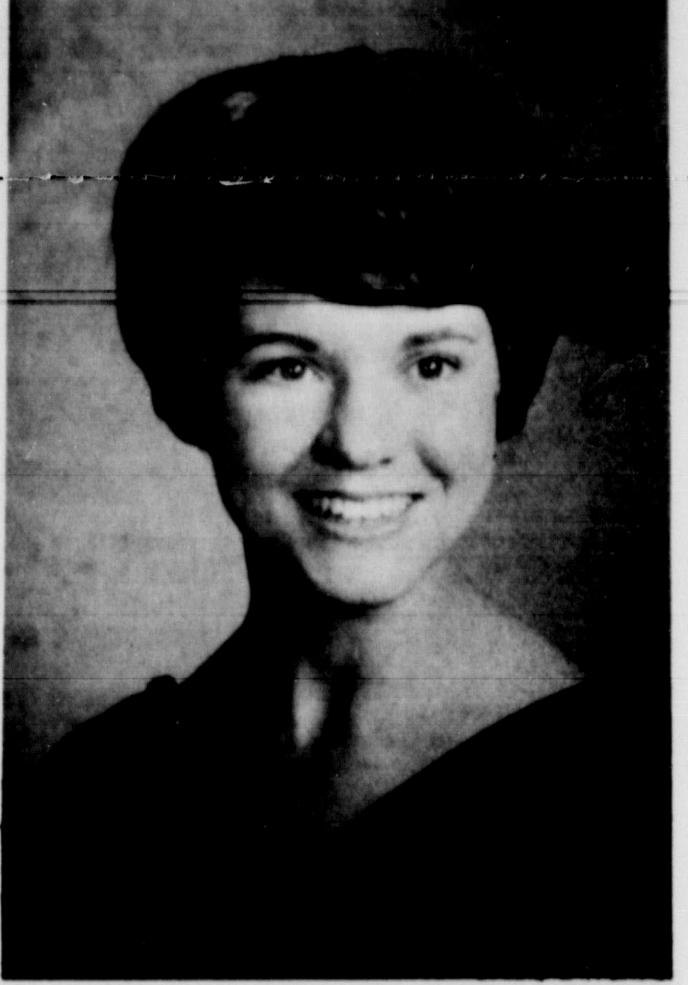

The Fidelis Sunday School Class of First Baptist Church met in the home of Mrs. Jerry Hinkle Monday evening for their regular monthly class meeting.

Mrs. Jackie Hight presented the devotional. Her subject was "Regeneration."

Co-hostess with Mrs. Hinkle was Mrs. Jim Roy Clements. Refreshments of pecan pie, coffee and tea were served.

Others present were Mrs. Claude Osborn, teacher, Mrs. David Campbell, Mrs. Pat Ferguson, Mrs. Max Field, Mrs. Joe McLellan, Mrs. Harold Taylor, Mrs. Dale Williams, Mrs. Jarrell Wright and Mrs. Gary Ward.

Mr. and Mrs. H.L. Jeffers left Tuesday to return to their home in Aurora, Colo. They have been visiting with Mrs. Jeffers' parents, Mr. and Mrs. M.S. Weir the past two weeks. They have also visited in the Howard Mayfield home. Mrs. Mayfield is an aunt of Jeffers.

QUEEN RUNNERUP . . . Jill Blackburn was named first runner-up in the High School Homecoming Queen Contest in Albuquerque Friday. Miss Blackburn, daughter of Mr. and Mrs. Keith Blackburn, former Friona residents, and granddaughter of Mr. and Mrs. T.E. Blackburn and Mr. and Mrs. Howard Mayfield, was selected from a field of 77 contestants. Mrs. M. A. Snider, Jr., Farwell, and Mr. and Mrs. Mayfield attended the 17th annual Hornet Day activities, which included crowning of the queen and naming of the runner-ups.

Thanksgiving Dinner Followed By Program

MR. AND MRS. ARTHUR DRAKE

Arthur Drakes Observe Silver Anniversary

Mr. and Mrs. Arthur Drake, who were observing their Silver Wedding Anniversary, were guests of honor at a reception in their country home southeast of town from 3 to 5 Sunday afternoon. They were married in Clovis, New Mexico, November 9, 1940.

Hosts were Mr. and Mrs. Jerry Brown and Peggy Drake, Friona, and Mr. and Mrs. Floyd Reeve, Canyon.

The refreshment table was centered with an arrangement of white mums with silver leaves. A colonnade cake decorated with miniature pink roses with green leaves and topped with the numerals "25" in silver, crystal and silver table appointments complemented the setting.

Cake, coffee, and hot spiced punch were served during receiving hours.

Special guests were Mr. and Mrs. Dell Dodge, Byers, Colorado, parents of Mrs. Drake, and Mrs. A.O. Drake, Friona, mother of Drake.

About fifty persons signed the guest register. Those from out-of-town included Mr. and Mrs. Keith Gustenberger, Kathy and Don, Byers, Colorado; Nat Jones, Springfield, Colorado; Mr. and Mrs. Don Sutterfield,

Plainview, Mrs. Francis Howard, Abernathy; Mr. and Mrs. Bud Minor, Hereford and Mr. and Mrs. Larry Drake and Leslie, Canyon.

Mrs. Neva Raybon, who is Mrs. Drake's cousin, was the only guest present who attended the wedding.

Outlands Return From Convention

Mr. and Mrs. A.L. Outland returned the past week from attending the annual Texas Municipal League convention October 31, November 1 and 2 in San Antonio.

The Outlands reported an enjoyable and informative trip. The conference was keyed to government at all levels.

According to Outland, Lt. Governor Preston Smith of Lubbock made a key statement when he said "If the cities are not aggressive in their own governmental programs, it naturally follows that state and federal government will step in and take over. It is essential that we get the vote back to the people."

A panel discussion made up of congressmen from throughout the state, including Rep. Bill Clayton of Springlake, pointed up the fact that cities are not handling enough of their own affairs.

The congressmen complimented the Municipal League and the work it does in sifting the good from the bad legislative suggestions.

One speaker noted that water usage in the state had doubled since 1945, and is expected to quadruple in another 20 years. The speaker stated that a water crisis is possible due to public apathy to the situation, unless proper long-range planning is done.

HOUSEHOLD HINTS

"We are poor little socks who have lost our way, socks, socks, socks." More often than any other item of apparel, socks wind up lost, strayed, or stolen. They vanish without a trace, then weeks or months later turn up in the most unexpected places—in the innards of the automatic washer, behind the dryer, in recesses behind dresser drawers, or even out in the garden.

The Case of the Disappearing Socks can be solved. To unravel the mystery start by going through the family's socks, weed out those with unmendable holes and those without mates. Use these as polishing cloths, oven mitts or just plain rags. Next, keep a mesh bag near the washing machine. As you sort the entire wash, drop all socks into the bag. Close the drawstrings, drop the bag into the washer. This not only saves socks—it's a recommended way to save your washing equipment. One sock in the works of the washer can cost \$10 in repair bills. When doing the laundry be sure to add a pine oil disinfectant along with your regular detergent or soap. The disinfectant cuts down harmful germs in the wash.

If you have a large family, try storing the socks in a centrally located spot, saving yourself the time and trouble of pairing and putting away. A "sock box" can fit easily inside your linen closet. This way, it's everyone for himself in getting a pair of socks on his feet.

Buy socks in the different sizes required, but all in the same solid colors. This way, even if the very last pair in your "sock box" is not an exact match in size, at least your youngster won't have to go through the day wearing one red and one blue sock.

Follow all these hints and you'll be able to sing, "We are poor little socks who have found our way, socks, socks, socks."

Fall '65 is a season of coiffure controversy—hairstyles are short and curly, long and straight or piled high in curls, or severely sheared. The Toni Hairstyling Center says there's something for everyone, but the young crowd is staying with their straight locks kept smooth and sleek with an uncurly permanent.

Kitchen Cleaning Can Be Fun

Pretty girls are made of sugar and spice — so are kitchens. If you've resolved to become an organization woman in the kitchen-cabinet-department, here's a simple 4-step plan of action:

1. Tote cleaning gear in a basket — then your extra pair of hands will be at your fingertips.
2. Take everything out of your kitchen cabinets and organize food according to type.
3. While the kitchen shelves are empty, clean them with a sponge dampened in a pine oil cleaner. Dry the shelves and restock.
4. Store like foods on one shelf. Follow these hints and your

whole kitchen will be "everything nice."

No reaching and good visibility when shelves slide in and out. Cleaning's easier, too. But whether you have sliders or stationary shelves make sure you empty them first — then sponge-down with a three-way pine oil product to clean, disinfect and deodorize all at once. Before you re-pack your kitchen shelves, take a good look at what you're putting back on them. Any items not used regularly should be moved to the out-of-the-way shelves. Use most convenient, easy-to-reach storage places for your most active kitchen equipment.

Annual HD Luncheon Is Conducted Here

Approximately 55 Home Demonstration Club women and invited guests of the County Extension Program attended the annual luncheon on Thursday, November 4, at the Rebekah Lodge in Friona.

Mrs. Joel White, County Council Chairman, presided over the meeting.

Reports were presented by the delegates to the Texas Home Demonstration Association convention. Mrs. C.C. Graef of Lazbuddie and Mrs. Edmund Kitten of Oklahoma Lane gave highlights of the convention which concerned discussion of school drop-outs, and programs set up to provide training in

Texas for youth. They told of workshops where information was given on other problems in family living and recommendations for club study of these.

A new club, Parmerton, was welcomed into the Council.

An installation of 1966 council officers was held at the close of the program. Miss Edith Lois Wilson, District Extension Service, New officers were: Mrs. Adrian Weir, Lazbuddie, chairman; Mrs. Joel White, Oklahoma Lane, vice-chairman; Mrs. Floyd Brookfield, Friona, secretary; and Mrs. Roy Miller, Friona, treasurer.

City Council . . .

(Continued From Page 1)

In his monthly summary of city business to the council, manager A.L. (Jake) Outland reported that four building permits were issued during the month of October. Three were for new residences for an estimated value of \$61,750, and another was an addition to a service station. Total for the month came to \$63,350.

Betty Renner was replaced by Donna Lee as employee in the city office.

Water department records showed that a total of 16,341,100 gallons of water were pumped during the month an average of 527,123 gallons per day, a decrease from the previous month. Rainfall totaled .54 inches, coming on three dates. Six new water services were installed, and one reactivated, to make the total number of active meters, 1,014 as of the end of October.

The Electro - Rustproofing Company replaced the anodes and checked out the operation of the electric system at the north water tower October 8. Their report concluded that the interior of the tank is in excellent condition.

Ditching and completion of a water main extension on Ninth Street between Green and Etta Avenues was finished October 26. There were 1120 feet of six-inch main and 185 feet of two and one-quarter inch pipe included in the project.

Sewer records showed that two manholes and three clean-outs were raised to grade with-in the parking lot at the new high school. Seven new service taps were added to bring the total to 949.

Only one fire call was reported by the Fire Department; that to the Inman farm six miles north of town, for an estimated loss of \$50.

Regular drills were held October 7 and 21. Pumper practice was held the first period, with cleaning of equipment and winterizing of the fire trucks taking up the second meeting.

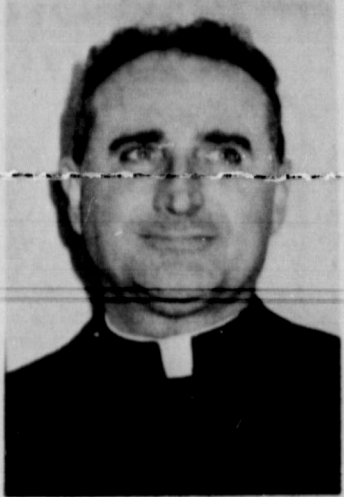

Police Department records showed a total of 41 arrests during October. Twenty-one were for traffic violations; nine for drunkenness; two each for driving while intoxicated and minors in possession of liquor; and one each for escape, false identification, disturbing the peace, carrying a deadly weapon, shoplifting and failure to appear.

Repairs to the patrol car were necessitated during the month, as the fuel pump had to be replaced and the brakes relined. Vandalism in connection with Halloween seemed to be less than usual, with the usual number of small incidents.

The kickoff breakfast for Friona's United Fund drive, originally scheduled for Tuesday, Nov. 16, has been postponed, according to Bill Nunn, drive chairman.

REV. PAUL MOHR

Armstrong Heads Alliance

At the November 3 meeting of Friona Ministerial Alliance Rev. Jake Armstrong was elected to serve as president during the coming year. Other officers elected were Rev. Claver Giblin of St. Teresa's Catholic Church, vice-president; Rev. Paul Mohr, secretary-treasurer.

Rev. Giblin will also have charge of chaplain duties at Parmer County Community Hospital.

The next project to be sponsored by the alliance will be the union Thanksgiving service to be held at Calvary Baptist Church Wednesday evening, November 24.

Rev. Bill Burton, pastor of First Baptist Church, will be guest speaker.

Freshmen Down Dimmitt, 44-6

Friona's Freshmen football team won its fifth game of the season last Thursday, pounding on the Dimmitt frosh, 44-6. Scoring for Friona was divided among Joe Perez, with four touchdowns, and Tony Perez, with two. The Freshmen, now 5-2 for the season, tackle Hereford today at 5:30 p.m. in their final game of the season.

Bufs Travel For Tilt Against Lamar

It took the best offensive showing since the third game of 1963, but the West Texas State Buffaloes are assured of their first winning season since 1962 after a 20-14 win over Drake in last Saturday's home finale.

The Buffs, now 6-2 with two games to play, rolled up 435 yards in total offense against the Bulldogs, 269 of which came on the ground. Don "Preacher" Dennis had nearly half of that total with 132 yards in 17 trips for a 7.77 average.

Dennis was easily the outstanding back in the game. The Dallas Lincoln grad scored twice on a 34-yard run and a 93-yard kickoff return. He returned one other kickoff for 28 yards, brought three punts back 25 yards, caught two passes for 53 yards, one of which ate up more than half the distance in the winning drive and blocked well for others. In all, he handled the ball 24 times and gained 331 yards.

Obviously, the offensive line played one of its better games

led by giant George Allen, 250-pounder from Longview.

This week, the Buffaloes travel to Beaumont for the first meeting ever with Lamar Tech. The Cardinals own a 5-3 record for the season, but lead the Southland Conference with a perfect 3-0 mark and are assured of at least a tie for the crown.

Offensive leader for Tech is quarterback Phillip Primm, a former teammate of WTSU's Rick Barrett at Pasadena High.

Tentative Date Set For FHS Open House

Architects Herbert Brasher and Ralph Ball met with the Friona Independent School Board of Trustees on Monday night, to discuss the final stages of the building program at Friona High School.

A tentative date of December 5 was set for a public "open house" for the new high school facilities. Confirmation of this date, along with further plans, will be announced in the near future.

The annual auditor's report of the school's books for the

1964-65 school year was presented by Berney Goens of Glover, Graham and Brown.

Superintendent of Schools Alton Farr presented reports on the Activity Fund and Cafeteria Fund. Farr also reported the gross receipts of Friona's past four football games. They were as follows: Dimmitt, \$1,038.40; Lockney, \$1,115.05; Abernathy, \$1,373.50; and Olton, \$1,104.20.

Tax Assessor - collector, Porter Roberts, reported that taxes collected through October 31 to be \$76,448.61.

Tech Hunts Bears In Last Home Outing

Texas Tech, already attractive to bowl selection committees, hopes to keep in the running for the Southwest Conference championship in its game with Baylor here Saturday afternoon.

Coach J.T. King's Red Raiders have posted a 7-1 mark, with Baylor and Arkansas (at Fayetteville Nov. 20) remaining. Baylor is 3-4.

Texas Tech has managed to defeat Baylor only once in the past 15 meetings. That victory came in 1961 as H.L. Daniels kicked a last-minute field goal making the score 19-17. The series stands at 17-5-1 in Baylor's favor.

According to comparative scores, anything can happen Saturday. Tech had to rally to a 26-24 win over Texas Christian, and the Horned Frogs nipped Baylor 10-7. But after the Raiders barely edged Texas A&M 20-16, Baylor trounced the Aggies 31-0. Texas took Tech 33-7 and Baylor 35-14.

Saturday night, after Baylor had lost to Texas, the Red Raiders amassed their biggest score of the season in swamping New Mexico State 48-9.

A crowd of more than 40,000 is expected. Reserved seats were available in several sections as the week opened.

Lions' Light Bulb Sale Scheduled Here Tomorrow

Members of the Friona Lions Club will conduct their annual light bulb sale tomorrow morning in Friona, and encourages Friona housewives to stock up on a supply of bulbs.

The club has gone to a new type of bulb, which is better and longer lasting, according to Lion H.L. Outland. The bulb is made by Westinghouse, and is 125 volt, rather than 120 volt as is most of the bulbs purchased.

The Lions will canvass the town between the hours of 9 a.m. and 12 noon. The spe-

cially - prepared package will contain eight bulbs for a cost of \$2, or 25 cents each. Contained in the package will be four 100-watt bulbs, two 75-watt and two 60-watt bulbs.

The light bulb sale is one of the Lions Club's "sight saving" projects, another being the Hi-Plains Eye Bank, which works toward sight restoration through cornea transplants.

Proceeds from the sale will go toward one of the club's many worthwhile community projects.

THIRD HEART-STOPPER

"Cardiac Kids" Use 20-18 Win To Clinch Honors

The Texas Tech Red Raiders have nothing on the Friona Chiefs. While the "Big Red" of the Lubbock school have become famous this season for winning the close ones, Friona's version of the "Big Red" has done right well by itself in that department as well.

As bi-district playoff rights. Actually, it surprised no one that the game was as close as it was, since Olton was tabbed as the team to beat in district play. The Mustangs came up with a stellar performance, and in the process scared the wits out of Friona fans, who had come to see their Chiefs sack up the important district game.

time bomb, as fans knew all night that the team's lead was anything but sufficient. In the first quarter, Friona held a fourth-down effort by Olton at the Chieftain 36. The drive fell short by less than a yard.

ton 25. Three plays gained to the 19, and a big fourth down play came up. The team lined up for a field goal, but to everyone's surprise it was a fake, and Ellis, after taking the snap, passed to Graves, who made a story-book catch in the end-zone.

WHOOOPS . . . Olton quarterback Joe Priest looks as though he has just realized that the call he made was a bad one as he finds his way blocked by Friona's Bob Sims (69). In the background, Ray Braxton comes up to help. Friona won the game, 20-18. (Star photo by Randy Stubbs)

SIX POINTER . . . Travis Graves (in light jersey) made a nice catch of this pass from quarterback Lonnie Ellis good for the game's first touchdown last week against Olton. Defending for the Mustangs is Tommy Hall. Scoreboard in the background testifies that there was 5:37 left in the first quarter, and the "4" means it was a crucial fourth-down play. (Photo by Jay Beene)

With the ball on Olton's 45-yard line, Ellis called Ray Braxton's number twice in a row, and big Ray responded with two outstanding runs. The first was for 10 yards and a first down.

The second time, Braxton broke into the secondary and outran the Olton secondary 35 yards to score his first touchdown since moving to the Chief backfield. This time Bob Sims' kick was true, and Friona led 13-0 with 10:36 left in the first half.

The teams spent the remainder of the half holding each other and swapping punts. How-

ever, Friona got the bad end of their last swap, with just a minute left in the half. Braxton toed a nice punt, which carried all the way to the Olton 20. However, Priest fielded it and threaded his way 80 yards for the Mustang's first score. His kick was low, and halftime score was 13-6.

The Mustangs, who had hit 12 of 22 passes the first half, abandoned the airways to start the second half, and marched 63 yards in 12 plays to score, coming up with their only sustained ground march of the night.

Key play was a 21-yard gain from a fake punt formation, setting the Mustangs up on the Friona 23. A nine-yard sweep

with a pitchout by Akin Benny got the TD for Olton, but a similar play on the conversion attempt was stopped by Tom Sherley and Friona clung to a 13-12 lead.

The Chiefs practically had a touchdown swiped in the opening minutes of the final quarter, driving back from the Olton TD. Joe Mabry, weakened somewhat by influenza, and Larry Johnson sparked the drive, which placed the ball at the Olton one.

From here, quarterback Ellis rammed into the line twice, but officials ruled he didn't get the ball across the line, and Olton took over.

However, Terry Fite intercepted a Priest pass two plays

later and returned it to Olton's 21-yard line. Mabry ran it to the 10, and after a penalty to the five, Johnson and Sherley covered the remaining five yards.

Sherley had taken over for Braxton after Ray turned his ankle shortly before halftime. He penetrated the Olton line for the final three yards and Sims kicked to give the team a 20-12 lead with 8:34 left in the game.

Friona was successful in holding off the "bomb" once, as Fite again intercepted an Olton pass. However, the Chiefs had the ball deep in their own territory (at the five), and elected to punt on third down.

Olton still had good field po-

sition after the punt, and it took the fired-up Mustangs just eight plays to score. Priest passed and ran the team to the shadow of the goal, and then carried in for the score on fourth down from the one-yard line.

Trailing 20-18, the Mustangs went for the tie. Priest wanted to pass, but was rushed by the Friona line and brought down before he could get rid of the ball.

Only 1:37 remained in the game, and Olton was able to force a Friona punt before the game ended. However, the Mustangs couldn't organize for a final fling, and the game ended with Friona on top for their third straight dramatic finish win.

ASCS Official Gives '66 Wheat Program

Prentice Mills, office manager of the Parmer County Agricultural Stabilization and Conservation Service (ASCS) this week gave a "thumbnail sketch" of the 1966 wheat program for area farmers.

Mills' comments were as follows:

"The 1966 Wheat Program is very similar to the 1965 program. To a participating farm there is a mandatory diversion of 15% of the allotment for the farm. This was 11.11% in 1965.

An additional diversion equal to 50% of the allotment may be made, or, on a small farm, the total diversion can be as much as 25 acres.

For Example: Farm with 100 acres allotment signs for minimum participation; 100 acres of wheat is planted and 15 acres diverted.

This farm could participate by diverting an additional 50 acres (divert a total of 65 acres) and planting 50 acres. In this case a diversion payment would be made on the additional 50 acres diverted.

Another example: Farm with 30 acre allotment signs for minimum participation; 30 acres of wheat is planted and 4.5 acres is diverted.

This farm could participate to the maximum by diverting an additional 20.5 acres (total diversion of 25 acres) and plant 5 acres. Payment would be earned on 20.5 acres.

Planting and Payment
On Farms Domestic Share of Wheat Production

A participating farm will receive 75¢ domestic certificate on 45% of its allotment times normal yield and will also receive 56¢ payment from CCC funds on 45% of allotment times normal yield.

For example: Farm has 100 acres allotment and plants 45 acres or more and has normal yield of 36 bushels per acre. The payment would be 36 X 45 X \$1.31 = \$2122.20.

It is not anticipated that export certificates earned by a farm will amount to much - if anything on the 1966 crop wheat.

Cooperator Requirements:

1. Sign intention to participate.
2. Meet conserving base requirement.
3. Set aside mandatory diversion equal to 15% of farm allotment.
4. Meet additional diversion intentions, if any.
5. Comply with other allotment crops (Cotton, peanuts, etc.) on the particular farm.
6. Comply with wheat allotment or permitted acreage if applicable under substitution on other farms in which he has an interest.
7. Plant within permitted acreage on participating farm. Substitute crops can be planted on additional diverted acreage. Not sure on mandatory acres (could not in 1965). Can substitute wheat for feed grain.

Any question concerning a particular farm should be brought to the ASCS office.

Turkey Shoot Termed Success

The turkey shoot sponsored by Friona Booster Club was a huge success, president Danny Balmum said this week. Ronnie George won the Browning automatic rifle which the club gave away on Sunday.

"We gave away more than twice as many turkeys as we had expected to. We sure appreciate the interest shown by the public," Balmum said.

Today Is Veteran's Day

Today is Veteran's Day, and several offices will be closed. Included among the establishments which plan to be closed are the Friona State Bank, U.S. Post Office, and Friona City Hall.

Businesses are asked by the Friona Chamber of Commerce to observe the day by the flying of the Stars and Stripes.

On The Farm In Parmer County

By JOE VANZANDT
County Agent

Cotton classing offices are now furnishing micronaire readings on all cotton classing samples, without additional charge. They will appear on all cards along with grade and staple.

This is in keeping with USDA's announcement on October 25 that "mike" measurements of fineness will be included as an additional factor for 1965 Upland cotton going under price support loan after October 31.

Mike readings, used widely in commercial channels, are measured on a scale from 2.4 to 8.0 in steps of one-tenth. It works like this: Compressed air at 6 pounds pressure is forced through the sample of cotton. A special air-flow instrument registers the mike reading of that particular sample. Fine cottons permit less air to pass through. Thus, the finer the fibers, the lower the readings. Fineness, depending on conditions, can be related to maturity. Fineness and maturity affect the spinability and value of cotton.

Included in the USDA announcement was a schedule of premiums and discounts that will be applied when cotton is put under loan. If the mike reading ranges 3.6 through 4.8, a premium value of 14 points per pound will be allowed. No premium or discount will be allowed if the reading is 3.3 through 3.5, or 4.9 through 5.1. But discounts from 15 to 300 points will apply if readings are outside these measurements.

COTTON STRIPPER EFFICIENCY

Three factors will determine the efficiency of your cotton stripping operations. These are:

1. Field conditions at harvest time;
2. Machine characteristics and adjustments; and
3. Skill of the operator.

Very important is field conditions at harvest. In damp weather, performance of a cot-

ton stripper will be less efficient than under dry conditions. Extensive testing has shown best cotton stripper performance is obtained when humidity is below 60%.

So, for better grades and cleaner fields delay harvesting until the relative humidity is 60% or less at boll height in the field to be harvested.

Conditions of the cotton stalk is also important in addition to relative humidity. Strippers are designed to handle comparatively large volumes of dry trash efficiently. But a small amount of green leaves and other green trash can cause a significant reduction in the grade of stripped cotton. For this reason, cotton harvested with a stripper prior to frost should be treated with a chemical desiccant to kill the leaves.

After the desiccant application, delay harvesting for a week or ten days. This will allow leaves and leaf stems to become brittle. Harvest should not be delayed until the main stalk and branches are dead, as this will cause more bark to be accumulated with the cotton, which can cause a reduction in grade.

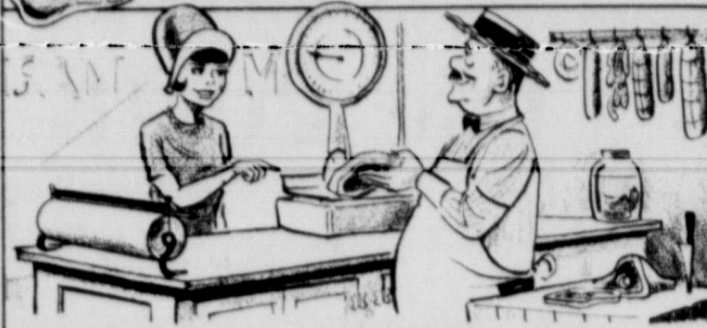

Harvesting after frost should be delayed until frost-killed leaves and stems are brittle or crisp. Here again, harvesting should be done while the main stalk still has enough sap in it to be limber. Brittle stalks and branches mean more bark in the cotton, but leathery leaves and limber leaf stems mean extra moisture in the harvested cotton which can cause sweating during storage prior to ginning.

NEW LOCATION FOR BOOSTERS

The Friona Booster Club will hold its meeting in the new high school cafeteria next Monday for the first time, according to Danny Balmum, club president.

Those attending are asked to use the east parking lot and east entrance to the new building.

MEAT IS A BARGAIN IN THE U.S.A.

IN THE ROARING '20'S, AVERAGE WAGES FROM A 40 HOUR WEEK BOUGHT ONLY 70 POUNDS OF MEAT.

IN THE 1960'S THE AVERAGE PERSON WORKING 40 HOURS EARNS ENOUGH TO BUY 133 POUNDS OF MEAT.

AND TODAY'S MEAT ANIMALS ARE BRED TO PROVIDE LEANER, MORE TENDER MEAT THAN EVER BEFORE.

Green Thumb Tips

Do you know the best time to taste tomatoes-from-the-vine to enjoy their delicious flavor at its best? Early in the morning of a cool day.

Pansy seeds should be planted in August for plants to bloom next spring. Choose a shaded spot and make a seedbed by raking the soil until fine. Sow seeds cover them with cheesecloth and water through this until seeds sprout. Remove cheesecloth and continue to water as necessary. Thin plants as needed. Cover area with straw for winter.

There are many strains and types of pansies that you might grow. Perhaps you'd like to try the new F1 hybrids because of their 3 inch-wide flowers and resistance to heat.

Leaves of herbs used for seasoning have their fullest flavor just before the flowers on the plants are in full bloom. Plan to harvest at that time and to cut the stems in the early morning before the hot sun heats the plants.

At Home In Parmer County

By CRICKET B. TAYLOR
County HD Agent

The Annual Home Demonstration Club luncheon held Thursday, November 4, in Friona marked the end of another Home Demonstration Club year.

The tables decorated in fall motif and the horn of plenty setting for the traditional menu for this time of year. All clubs were represented and the only ones absent were some of the invited guests. The County Judge and the County Commissioners were conspicuous by their absence. We were sorry they missed the good meal and the program and hope they can be present next year.

The bazaar of gifts for sale by each club not only added to the interest and colorful atmosphere but it also added to the Council fund and homemakers gift collection for Christmas.

4-H PROJECT WORK

4-H project work has started. Mrs. Hershel Harding and Mrs. L.C. Herington has a good start in Foods Unit 2 and 3. Lazbuddie reported a meeting called for this week. It is hoped that more groups will get started soon, so that they will not have to rush and work under pressure trying to complete before the County 4-H Food Show. Some color slides may be borrowed for use when studying table setting. I hope leaders will not forget to send in the report cards at close of each project meeting.

EXERCISE AWAY POUNDS

USDA nutritionists say time spent in moderate activity instead of reading, watching TV or playing cards can help take off extra pounds.

An overweight woman who eats just enough to maintain her weight can lose about nine

pounds in a year by substituting daily an hour of activities such as light gardening or a brisk walk for an hour of activities she does while sitting.

If she spends an extra second hour in active recreation instead of sitting, she'll lose another 15 pounds a year -- for a total of 24 pounds, without a change in diet.

Sports such as bowling, tennis and swimming offer excellent exercise opportunities.

While on the subject of weight, a workshop for "weight control" is being planned for Friona after the first of the year. This will be for period of six weeks. Its truly a work shop. Those who are interested may send their names to me here at the County Extension office. Some Beauty Salons charge a big fee for this same type of course. It is without charge from Extension Educational source, and you can benefit if you want to work at it.

Mrs. Jimmie Ivy and Earl Peterson are two Lazbuddie winners of expense paid trips to Ramada Inn sponsored by several Muleshoe merchants. Earl Peterson was one of the early winners for two tickets for the trip. Mrs. Ivy was a previous winner of two tickets. The contest for the several weeks contest ended the past week end. Winners were allowed to pick their time to take the trip.

Lee Kimbrough was the lucky winner of the \$50, given by Crows Chevrolet Company celebrating the showing of their new cars recently.

FFA Collection Is Announced

The Friona FFA boys conducted a successful campaign for CROP on Halloween, by collecting a total of \$175.

"While this amount is smaller than last year, it will still go a long way toward feeding hundreds of men and women and children. We wish to thank the FFA boys and their advisors, David McVey and Benny Pryor, for so generously giving of their time and efforts toward this worthy program," said Rev. Paul Mohr, county chairman for CROP, "and also to the generous people of Friona for helping send some of our surplus food overseas."

RURAL ELECTRICITY helps America grow...

Placing power lines where they are needed is fun for a child, but it is a big job for the nation's power industry.

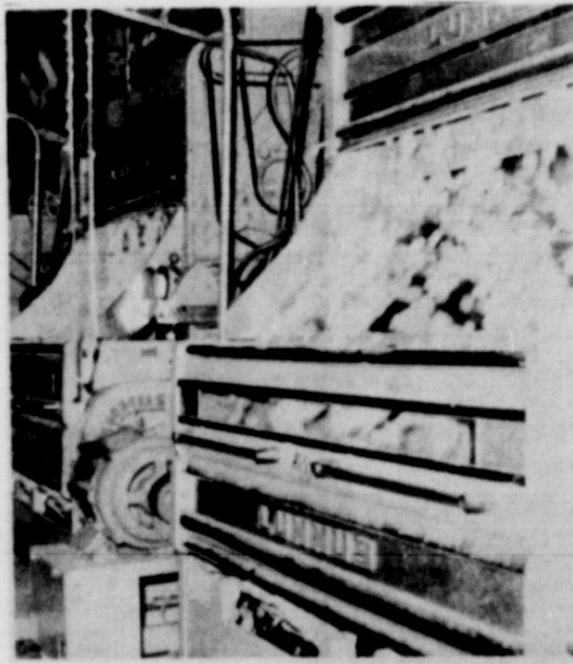

Today, consumer-owned electric systems such as ours serve 54% of the rural population, and the demand doubles every seven years.

Meeting the rising power needs and preparing for tomorrow takes the best efforts of the entire power industry. In our area we are proud to be carrying our share of the load.

LAZBUDDIE NEWS

By Mrs. C. A. Watson

Mr. and Mrs. Claud Heath will celebrate their Golden Wedding Anniversary Sunday, November 14 at their home in the Lazbuddie area. Their daughter, Mrs. Harvey Hudnall invites all their friends to attend the reception.

Lazbuddie folks listed on the petit jury at Farwell this week are: John McGehee, Mrs. Charlie Gustin, Clarence Mason, J. E. Jennings, Lee Mason, Ralph Broyles, Alton Morris, Howard Bridges, Earl Peterson, Paul Jones, Truman Gleason, Volley Hodges, Harold Carpenter, Jim Roy Daniel, J.B. Young, W.R. Mabry and George Crain.

Mr. and Mrs. Raymond Houston visited Oklahoma last week with her brother J.T. Bostic of Wanette, his brother Bob of Wanette and another brother, Bill, of Woodward.

Weekend guest in the Raymond Houston home was Judy Jones, a niece, of Slaton.

A former Lazbuddie boy was in serious condition in a Houston Hospital last week. Bob Haynes, nine year old son of Mr. and Mrs. Jimmie Haynes of Dumas was flown to the Houston hospital after becoming ill at his home.

Mr. and Mrs. Frank Hinkson were in Houston Thursday of last week. Haynes is a teacher in the Dumas school system. He was high school principal at Lazbuddie a few years ago. His wife is also a teacher in the Dumas school.

Barbara Lust was feted with a surprise birthday tea and coffee in the home of her mother, Mrs. Frank Hinkson, Friday of last week. The women of the Methodist Church of Lazbuddie were hostesses.

The women of the Lazbuddie Church of Christ went to Portales Thursday of last week to help out with mending and ironing in the Children's Home there.

Members of the Midway variety Club went to Girlstown near Whiteface recently to help out with mending there.

Mr. and Mrs. Harley Ethredge attended the funeral of a friend, Mrs. Cecil Huckabee in Goldwalthe Friday.

Judy Watson flew to Ft. Holbrook M.D. Wednesday of last week where she joined her husband Howard. He has been in Officers Intelligence Training school there for several weeks. The couple plans to go to Washington D.C. to see points of interest there before returning home.

Only 40 voted in the election at Lazbuddie Tuesday of last week.

The Orville Burnetts, Clays Corner, were Sunday dinner guests in the home of the Wayne Moores.

The Midway Variety Club met in the home of Mrs. A.E. Redwine Wednesday Nov. 3rd for an all day quilting party.

Mr. and Mrs. J.B. Young at-

tended the homecoming game at Baylor University last week and visited their son Cooper. Steve was also at the game and met his parents there to be with them over the weekend. Steve is a student at Junior College at Temple. Both Cooper and Steve will be home Friday and Saturday of this week.

Several college students were seen at the carnival Saturday night. Among them were: Paul Wilbanks, Linda Gleason, Harold and Carrol Redwine, Charlotte Seaton, Bobby Jo Jones, and Lloyd Bradshaw.

A large crowd attended the Halloween carnival and program Saturday night. Queens crowned were Tonia Lynn Fox, daughter of Mr. and Mrs. Gene Fox. Tonia was elementary queen. King was Bruce Bridges, son of Mr. and Mrs. Howard Bridges.

Junior High Queen crowned was Delaine Steinbock, daughter of Rex Steinbock. The King

was Victor Schumann, son of Mr. and Mrs. D.L. Schumann. The High School queen was Jan Mason, daughter of Mr. and Mrs. Lee Mason. The king was Bobby Redwine, son of Mr. and Mrs. A.E. Redwine. After the program in the auditorium the crowd went to the gym for the carnival.

G.B. Watkins was released from the Green Memorial Hospital early last week after receiving medical treatment.

Mr. and Mrs. Dwan Menefee and children, Friona, visited her parents, Mr. and Mrs. Dan Cargile Sunday.

CARD OF THANKS

Words are inadequate to express the appreciation we feel for the deeds of kindness done for us by our friends and neighbors during recent weeks. Your cards, floral offerings, calls, food and other expressions of concern will long be remembered.

Special thanks to Mrs. Mae Magness and other members of the Faith Sunday School class of Calvary Baptist Church.
