RANKIN, UPTON COUNTY, TEXAS

THURSDAY, MARCH 14, 1935

PROPOSED RENOVATED UPTON COUNTY COURTHOUSE
... a much needed improvement

Rankin To Play Hawley Friday

For the first time since the State began sponsoring girls' basketball tournaments, Rankin will be represented in the playoffs.

After capturing the Regional crown in Odessa last Saturday the Rankin girls team became one of 8 teams in Texas to remain in competition for the coveted State Champion title. A total of 65 teams compete throughout the State in the Class "B" bracket.

For their first encounter in Austin next Friday, Rankin will meet Hawley, a team with a 33 won and 2 lost record as compared with Rankin's 23 wins and 5 losses. Hawley, a small school located some 20 miles north of Abilene, has two outstanding point makers in Peggy Sellers and a Mrs. Snell. Mrs. Snell was largely responsible for Hawley's win over Mertzon in their Regional tournament when she scored more points herself than did the entire Mertzon team.

A CHANCE TO WIN

In discussing the coming game, Coach D. E. Jones said that he felt his girls would be doing their best to win and that he felt they had an even chance of defeating the Hawley squad, which is considered to be one of the favorites in the State playoffs.

Play will be at 9:00 a.m. Friday in the University of Texas gym in Austin. School will dismiss in Rankin at 3:00 p.m. Thursday with Friday being a holiday to enable fans to go to Austin to support the local team.

REGIONAL TOURNAMENT

In their regional tournament last Saturday, Rankin first met ... time and came out with a ... win. Starting out fast, Rankin ... at the end of the first quarter a 17-3 marker with Bonnie Smith hitting 11 of her 22 points in this stanza.

At the half time the score was 27-17; at the end of three quarters it stood 37-26 with this margin being upped to 56-44 for the final score.

Points made were: Bonnie Smith, 22; Marsha Adair, 15; Ruth McGill, 8; Andra Mitchell, 4; Loraine Stark, 3; Kay McEwen, 2; and Patsy Stephenson, 2.

DOWN CLINE 53-41

In the final game, Rankin defeated Cline 52-41. Ruth McGill led the scoring parade in this game with 30 points. Marsha Adair had

years were being given the final adjustments as the voting date on April 2 draws near.

Actual study on the needs and best plans for remodeling the 30-year-old structure now housing a part of the county offices began several years ago in the Commissioners' Court. A number of different proposals and plans have been studied by this group with the final decision being reached early this year.

With some county offices now located in the Park Building and the Harlan Hotel, the renovation work, if approved by the voters, would see the present building doubled in floor space; providing offices for all county functions, as well as a remodeled district courtroom, quarters for women jurors, and other much needed facilities.

\$315,000 PROJECT

Proposed improvements on the courthouse would amount to \$315,000. In the April 2 election, voters will be deciding on a \$410,000 bond issue. \$75,000 of this amount would go into modernizing and enlarging county jail facilities.

Should the issue be approved and the renovation work completed, the new courthouse, as pictured, would have an estimated worth of over \$700,000, according to architects presently working on the project.

E. C. Higday In Council Race

E. C. Higday has announced that he will be a candidate for City Councilman in the April 2 election.

Higday, presently retired, has operated a grocery store in Rankin and Texon for a number of years, selling his business interests only recently. He has never held a public office since living in Rankin but has served as city secretary and tax collector for a number of years.

The post which he seeks is presently held by J. B. Pettit, who has not, as yet, announced his intentions for the coming election.

Church of Christ Meeting Begins 15th

A Gospel Meeting at the Church of Christ, located four blocks west of the bank, will begin Friday, March 15, and run through Saturday, March 23, it was announced today.

Meetings will be held each evening at 7:30 with the usual schedule to be followed on Sundays. These include morning worship at 10:30 a.m. and evening services at 7:30 p.m.

Preaching during these meetings will be done by Ollie Cantwell of Brownwood.

Members of the church have extended a cordial invitation to everyone to attend this series of gospel meetings.

PROGRESS MADE ON STRAY DOG PICK-UP

Good progress has been reported by the City Hall on the pick-up of stray dogs and cats in Rankin over the past 30 days in renewed efforts to control the spread of rabies.

For the past several weeks, all dogs that have been found running loose have been picked up and confined to the city dog pound. As of Tuesday, only 8 owners had reclaimed animals. The remainder, reported to be a considerable number, have been disposed of as strays. A large number of cats have also been "taken out of circulation."

Cecil Copeland, who has been hired jointly by the city and the county, said last week that he "certainly appreciated the cooperation folks have given him in getting the stray dogs and cats off the streets and that if anyone had any such animals that they would like to get rid of, they could call the city hall and he would come out and assist them in catching the strays."

STILL IN EFFECT

It has been pointed out that the warning issued last month is still in effect and that all dogs found running loose are subject to being impounded.

DOG VACCINATION

On April 12, a dog vaccination day will be held at the City Hall. At that time, all owners may have their dogs vaccinated against rabies and purchase city dog tags at the same time.

THERE IT IS

There it is. The girls are regional champions—just like that.

This is not the first time that Rankin has had regional champions in basketball and we're sure it won't be the last but we'd venture to say that it couldn't have happened to a nicer bunch of kids.

In a number of years of keeping tabs on various school teams, both basketball, football and baseball, we believe that this year's girls basketball teams is one of the best balanced teams we've ever seen. There are no outstanding stars on the team as is the case in most championship teams. They're all good and when one is cold, another takes up the hitting streak and

carries the ball with the points. Congratulations—to every member of the team and your coach. You're a fine group of athletes.

PHOOIE

Last week we talked to the editor of the Iraan News, Mr. Tom Farris, and he said that he and the folks in Iraan would appreciate it if we'd say a few unkind words about State Rep. Louis Anderson. It will be a pleasure.

Louis Anderson has refused to introduce the proposed Permian County bill and has given several different reasons for doing so. Even at that, he has apparently indicated to certain people that he would introduce it and has backed out on the deal.

One of his last excuses for not putting the bill before the Legislature is that it would not have a chance to pass. That may be but if only bills that would pass ever went before the Legislature—those boys could have voted themselves a cut in pay instead of a raise and gone home in half the time they spend in Austin arguing over bills—half of which are introduced just to favor small groups—such as the pay raise bill they passed for themselves the first few days they were in Austin this session.

As we understand it, a representative is supposed to carry the ball for ALL the people he represents and that includes the minority as well as the majority. No one has ever asked him to support the bill as far as we know—all they asked was that it be introduced and since he is supposed to be the representative of the Iraan folks—he should have done just that.

What with all the stink now coming out of the State Capitol over the Cox mess and no telling what else, it would seem that representatives would be anxious to do everything they could to raise the respect of the people toward

our law-making body but Louis Anderson has only added to the suspicions and mistrust of a lot of folks.

He has been a representative for almost three years now and it took that we had elected a politician and not a representative. Phooie to Louie.

In a little booklet that came across our desk this week, we see where the following wages are paid in Austin for 40 hours work:

| | |
|------------------|-------|
| Bricklayers | \$150 |
| Stone Masons | 140 |
| Lathers | 136 |
| Asbestos Workers | 128 |
| Electricians | 124 |

With wages such as these, a good number of us may be wondering if perhaps we're not in the wrong end of the business.

Contracts Are Let On Baseball Parks

In their special meeting last Wednesday, March 6, the Upton County Commissioners Court let two separate contracts for construction of baseball parks in the county.

With a bid of \$7,623.21, A. E. Ivy and Pete Pollard of Rankin were awarded the contract for the work to be done in Rankin while Don Williams of Snyder was low bidder on the McCamey work at \$17,550.60.

Work on the Rankin park will start as soon as engineers have staked the property which is located just north of the present Little League ball park. Included in this phase of the job will be a press box, backstop and fencing. Dugouts and concession stands have been postponed for the time being due to a shortage of funds.

COX WHEELER MAKES HIGH MARKS IN SWU

In a letter from the registrar at Southwestern University, Mr. and Mrs. Ross Wheeler have been notified of outstanding work by their son, Cox, who is a freshman student. Cox graduated with honors from Rankin High School last year.

Following is a part of the letter: "Allow me to congratulate you upon the outstanding scholarship record made by your son, Cox, during the fall semester. It has been our pleasure to add his name to the University Distinction List, by virtue of the fact that his general average on seventeen hours of work was 94.11 per cent."

Should Cox continue to maintain the scholarship record which he has begun, he would later become eligible for membership in Alpha Chi, a national scholarship society.

TELEPHONE TALK

TEXAS GAINS 146,000 TELEPHONES

Some figures I saw the other day showed that 146,000 were added in Texas last year.

It occurred to me that this is enough telephones to supply 400,000 people.

What does this mean to you? Well, it's important to you can reach more people by telephone here in Texas than in any other state. And it's also good evidence that the telephone company is keeping pace with the progress of the state.

Right here in Rankin, we added 127 telephones last year, planning to add even more this year to make telephone service valuable to you and your family.

KEEP UP WITH THE FASTER PACE

It's no secret to anyone that life is moving at a faster pace around us there are more things to do and see. People seem to be wishing there were more hours in the day as living gets faster.

Well, one good way to keep up with the pace is to use the telephone frequently. For business or social calls, save yourself the trouble by keeping in touch with out-of-town customers and friends by telephone.

And when you place your Long Distance calls, you can save money by giving the operator the number you want.

You'll find that your calls go through twice as fast when you dial by number.

HAVE FUN WITH THE PHONE

From time to time, some of our customers have kept up with the pace by making telephone calls—calls they make and calls they receive.

At the end of a week's time, they have been surprised to find the number of errands their telephone ran for them, and the number of calls they received.

There were calls to friends, the grocery store, the drug store, and maybe the dentist or the doctor.

Anyway, there were many calls made and received, and many miles covered around town.

The telephone in your home is there for you and your family. Use it often and make all the calls you want to make. In other words, have fun with the phone.

HEMO THE MAGNIFICENT

"You'll want to have the entire family around the television set on Wednesday, March 20, at 8 p.m. when the second of our science spectaculars is shown on Station KOSA-TV, Channel 7.

"This hour-long show will be "Hemo the Magnificent," a story of the blood and its circulation.

"If you saw the first of these science spectaculars—"Our Hemo"—you'll probably agree with me that they are indeed wonderful shows . . . programs that every member of the family enjoys.

"That master showman, Frank Capra, is director and producer of "Hemo," just as he was for our first program. His talents in picture and television direction are already so well known that we can add many more "bouquets" here.

"Starring in this picture will be Richard Carlson, known for his movie roles and television series, "I Led Three Divisions," and Dr. Frank Baxter. You'll remember Dr. Baxter from our first show, "Our Mr. Sun."

"Sharing the star roles with these two are a host of cartoon characters that the youngsters will really get a kick out of on your television screen. They include a turtle, a deer, and a bear.

"And, the real star-blood-will be characterized by a very warm and friendly character, "Hemo," himself. You'll pardon my pun if I say that the cartoon of blood as personified by "Hemo" is a very warm and friendly character.

"The cartoon characters were created for us by Shamus Productions of Hollywood, masters of the drawingboards.

"The story of blood is really a fascinating tale and our program range from showing how the heart would fill the gas tank in ten minutes to illustrating what happens to a boxer's circulation when he "takes one on the chin."

"The program will have enough scientific fact to interest the learned science professor and enough humor and warmth to interest Mom and all the youngsters.

"So be sure and turn that television dial to Channel 7 on Wednesday, March 20 for a very entertaining hour.

"By the way, we'll make a print of "Hemo the Magnificent" available to schools in 16 mm. color film after the nationwide tele-

4. The ballots of said election shall have written or printed thereon the following:

"FOR THE ISSUANCE OF BONDS"

"AGAINST THE ISSUANCE OF BONDS"

Each voter shall mark out with black ink or black pencil one of the expressions, thus leaving the other as indicating his vote on the proposition.

5. A substantial copy of this order signed by the County Judge, and attested by the County Clerk shall serve as proper notice of said election. Notice shall be given in accordance with the provisions of Article 704, Revised Civil Statutes of Texas, 1925, as amended. The County Judge is authorized and directed to have a copy of said notice posted at the Courthouse door and in each of the election pre-

incts in Upton County, Texas, not less than fifteen (15) days prior to the date fixed for holding said election. He shall also cause said notice to be published on the same day in each of two successive weeks in a newspaper of general circulation published within Upton County, Texas, the date of the first publication to be not less than (14) days prior to the date set for said election. Except as otherwise provided in said Chapter 1, as amended, the manner of holding said election shall be governed by the laws governing general elections.

PASSED AND APPROVED this the 4th day of March, 1957.

This is the Custom Royal Lancer 2-Door, one of 6 dashing Dodge hardtops. You'd feel like a king (or queen) in any one of them.

First new idea in station wagons in years—the "Observation Lounge!" The third seat of this Custom Sierra faces the rear, and passengers board at rear, also.

Here's sports car lowness with sports car handling. You sweep along in a "Realm of Silence," master curves with race-car torsion bars. Up to 310 hp. V-8.

Swept-Wing sweeps country!
Orders doubled on '57 Dodge!

It unleashes a hurricane of power
It breaks through the vibration barrier
It is swept-wing mastery of motion

Look around you. People everywhere are stepping up to the fun and pride of owning a Swept-Wing '57 Dodge. (Including a great many who have been sold on other makes for years!)

What's caused this swing to Swept-Wing that has doubled orders over last year? Styling so fresh it makes other cars look "old hat" by comparison.

The greatest advances of 1957: Torsion-Aire Ride, Push-Button TorqueFlite, Total-Contact Brakes. Luxury car looks and performance at a price just above the very lowest.

Find out for yourself why Swept-Wing is sweeping the country. See your nearby Dodge dealer and join the swing... Go Swept-Wing!

Son, Your Direction's Wrong"

--- You look but don't see. Your thoughts are base... your direction down. I've noticed your horizon is about the top of the ditch you happen to stand in. *Why, your whole formula is wrong.*

What makes it worse, you are trying to work out-of-it alone. You can't do it! Give God a chance! You are strong of body but what about that starved, selfish, shriveled soul of yours?

I tell you son, God won't let you get away with it. Right now He is inquiring about *your church attendance, your Sunday School record, how many churches you have helped build and what you did with the tenth that belonged to Him?*

Son, with all the love of a good father, and with the promised help of God... I beg you to make a change. Let your life count for Him because your business successes won't help much in the last hours.

**YOU IN THE CHURCH
THE CHURCH IN YOU**

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination far good. Be a regular CHURCH GOER and a daily BIBLE READER.

The plaintiffs allege that they
are the owners of various oil and
gas leases covering Section 18,
Block 4 1/2, GC & SF Ry. Co. Sur-
vey, Certificate No. 3573, patented
January 14, 1946, to Charles Weav-
er, assignee, by Patent No. 359,
Volume 1-B, containing 640 acres
in Upton County, Texas, and that
all of the defendants except Pan
American Petroleum Corporation
(formerly Stanolind Oil and Gas
Company) are the owners of or
claiming an interest in the land
above described, the oil, gas and
other minerals thereunder, or the
royalties under the leases described
in such petition, and that because
of many conflicting claims, many
divergent views as to the proper
construction of various instru-
ments, difficulties as to boundar-
ies, the construction of reserva-
tions, the existence or non-exis-
tence of leasing rights, and many
other conflicts and problems, the
plaintiffs, although they have pro-
duction from such property, are
unable to determine the exact
ownership of the various defen-
dants, some of whom under the
leases are entitled to additional
royalties, overriding royalties, oil
payments, or other rights, the ex-
tent of which and the amount of
which will be dependent upon the
decision as to their interest in the
minerals or the royalty, and many
other factors, and that Pan Ameri-
can Petroleum Corporation (for-
merly Stanolind Oil and Gas Com-
pany) has claimed title to an
oil and gas lease which plaintiffs
say covers no interest and is not
valid, and the plaintiffs have ten-
dered into court \$43,613.16 repre-
senting the 1/8th royalty on pro-
duction up to 7:00 A. M. on Feb-
ruary 1, 1957, and allege their wil-
lingness to tender into court roy-
alty from such production there-
after, and express their willingness
to pay royalty to whomever the
Court might determine was entit-
led to it, and ask the Court to re-
quire all the defendants to inter-
plead and assert their claims and
have the Court determine who is
entitled to the royalty and in
what percentages and fractions
same should be divided, how the
money tendered into court should
be paid, and how the minerals and
royalty and other rights are owned
by the defendants, for a declara-
tory judgment as to the rights of
all of the parties, and for a judg-
ment quieting title as against the
claims of those defendants held
not to be entitled to any interest,
and as to the claims of those of
the defendants whose interest is
established as being less than they
now claim, and for injunction a-

Back To The Bible

Answers to the question "What constitutes a Christian?" are manifold and depend upon the viewpoint. That of knowledge, a Christian is called a disciple. Giving the great commission, Christ told the apostles to make disciples of all nations, Matt. 28:19. The word is a learner. The moment a Christian ceases to be a learner, he ceases to be a disciple and ceases to meet the approval of God. When the Apostle Peter would list the things essential to a Christian, he said "And be diligent in this, giving all diligence, add unto your faith knowledge; and to virtue knowledge" 2 Peter 1:5. Many professed Christians have Bibles in their homes to serve as good luck charm, like a horseshoe nailed upside down. They have no time. Attend Bible classes on the Lord's Day—the only morning they can sleep late. Attend classes on Wednesday—a ton of dynamite and the best truck in the Permian Basin might get them half there but no power can get them the other half yet they have the unmitigated gaul to call themselves "Disciples of Christ." A Christian is a disciple. A disciple is a learner. The moment you cease to study, you cease to be a disciple. When you cease to be a disciple, you become a living disgrace to the name "Christian."

4-H CLUB PLACES IN ANGELO SHOW

Closing their show season for 1956-57, the Upton County 4-H Club took the top pen of 15 Crossbreeds in the San Angelo Livestock show last week. They missed winning this honor in only one show for the entire year.

In the various classes, Ellis Helmers was 6th and Stanley James, 9th, in the medium finewool. In the light finewool class, Carolyn Branch was 3rd and Butch Moore 7th.

For Light Crossbreeds, Jimmy Pollard stood 5th; Bobby McAden, 8th; Emmett McGill 10th and 11th and Corky Thornton, 12th.

The San Angelo show closes out the season for Livestock shows in which the group will participate. They will, however, now enter a number of other contests such as wool judging, grass contests and various other field events.

National Girl Scout Week Is Observed

March 10 through 16th is the national Girl Scout week and the Rankin Girl Scouts and Brownies celebrated the occasion by a group affair get-together Monday, March 11th, at 8:00 in the Park. The flag ceremony was led by Girl Scout Troop No. 4, Barbara Bushong, a member of the Girl Scout Troop No. 4, the Brownie Story which was presented by the Brownie Troops, consisting of members in a semi-circle in the background. They sang the Brownie Promise and the official Brownie Song.

Doodle Rawlins, a senior member and holder of the badge explained the badge sash. The program was brought to a close by the "Birthday Song" rendered by the oldest member, Troop No. 7. They were accompanied by Girl Scout Troop No. 4 in the "Girl Scouts Together."

Doodle Rawlins served as emcee of the ceremony and at the same time the program introduced the neighborhood team of the program. He in turn introduced the assistants Mrs. Alvin Bushong, Joe Simpson, Mrs. D. O. M. Mrs. Ross Wheeler, Mrs. Elrod, Mrs. W. A. Hudson and Joe Simpson.

Refreshments were served at a table centered by flags and Scout dolls of other countries. The program was presented in the official uniform. Alvin Bushong served as chairman of this committee and was assisted by Mrs. Carl Shaffer, Mrs. Bushong and members of Scout Troop No. 4.

Basketball--

9, Bonnie Smith, 8; Kay Mitchell, 4; and Andra Mitchell, 2. Making the all-tournament were Linda Herral, Marsha and Betty Abernathy as well as and Ruth McGill as forward.
